Boards To Lead - Effective Corporate Governance and Sustainability

Invitation from the Chairman Institute of Directors, India

Dear Professional Colleague.

For organizations, there is a potential for long term sustainability of it's well being, protecting itself from the vagaries and inconsistency of businesses. Our effort should be on building a bubble-proof economy.

In order to discuss the role of business in this upcoming age of turbulence, the Institute of Directors, India, is organizing the London Global Convention on Corporate Governance & Sustainability on 28-31 October 2014 in London. The theme of the Global Convention is "Boards To Lead - Effective Corporate Governance and Sustainability". It will be attended by leaders in business, finance, environment, parliament, policy makers, academicians, jurist and social thinkers, from across the world.

This year's Convention will begin with Global Business Meet on 28th Oct 2014 at House of Lords and would conclude with a Study Tour to University of Leicester on 31st Oct.

The aim of this Convention is to provide a deeper understanding of the individual elements that combine to create an effective corporate governance framework, as well as to provide thought leadership, on a number of topical issues of governance and sustainability. It will be a great opportunity to network with global peers and professionsals. The annual London Global Convention on Corporate Governance and Sustainability, over the last 11 years, have captured the interest of the professional governance community, worldwide.

IOD (India) has a vision, that I believe is possible to realise with bold, collaborative, corporate leadership. A vision for a healthy, peaceful, socially, just economically secure and environmentally sustainable world. The market is the servant in aligning social, economic and natural systems, for mutual benefit and sustainability. We have to live off Natures income, not it's capital, by practicing good governance and sustainability in all spheres. Strong, healthy, culturally diverse and environmentally sustainable local communities are the goal of new business models, and their economic and social policy.

The Institute of Directors, India is committed to development of sustainable enterprises, through best practices for principled Corporate Governance & Sustainability. The London Global Convention is a great opportunity to ensure that leadership for development and governance can really be made lasting and sustainable. It will have a special focus on ethics risk management, where sustainability is increasingly being recognized as a frontier for innovation. The Convention is being organized by the Institute of Directors, India, in association with a number of international partners.

Institute of Directors, India welcomes you to join the above Global Convention. I look forward to meet you in London.

Yours Sincerely,

Regards,

Justice M.N. Venkatachaliah
