The Insolvency and Bankruptcy Code, 2016 is expected to herald new and extensive professional opportunities in the Debt resolution space in India. Chartered Accountants would be able to engage in this professional opportunity after registering themselves as Insolvency Professionals. The eligibility criteria for Chartered Accountants to register as an IP is that one should have passed the Limited Insolvency Examination and has ten years of experience as a chartered accountant enrolled as a member of the Institute of Chartered Accountants of India.

The Limited Insolvency Examinations will test you on your knowledge on the Insolvency Code as well as other laws and legislations. In order to facilitate your exam preparation efforts, we have structured a three-day class room training module to cover the entire syllabus to provide a head start to your efforts.
