

## CONTENTS

|  |            |
|--|------------|
| <b>DEDICATION</b>  | <b>iii</b> |
| <b>PREFACE</b>   | <b>v</b>   |
| <b>FOREWORD</b>  | <b>vii</b> |
| <b>CHAPTER 1 : OVERVIEW OF THE INCENTIVES FRAMEWORK AND MAKE IN INDIA AGENDA</b> | <b>1</b>   |
| ★ Make in India and its Four Pillars   | 1          |
| ★ Early days of Incentives in India  | 2          |
| ★ General nature of the Incentives granted by Indian Government                  | 4          |
| ★ Atmanirbhar Bharat Abhiyaan and introduction of Production Linked Incentives   | 6          |
| ★ Invest India and Niti Ayog   | 6          |
| ★ Select Case studies  | 7          |
| ★ Conclusion   | 8          |
| <b>CHAPTER 2 : STATE INCENTIVES</b>  | <b>9</b>   |
| ★ A. Nature of Fiscal benefits – State level                                     | 10         |
| ★ B. Factors governing State incentives  | 10         |
| • 1. Size of the eligible investment   | 10         |
| • 2. Location of investment  | 12         |
| • 3. Investment period and operative period                                      | 12         |
| • 4. Ineligible Industries   | 13         |
| • 5. Sales Pattern   | 13         |
| • 6. Ancillaries/ Vendors  | 14         |
| ★ C. Overview of the fiscal incentives offered by select States                  | 14         |
| ★ D. Overview of non-fiscal incentives offered by State Governments              | 16         |
| ★ E. Thrust Sectors/Industry specific Incentives Policy                          | 16         |
| ★ F. Steps involved in availing State incentives                                 | 19         |
| • Bird's eye view of the incentives offered by State Governments in the past     | 24         |

|  |           |
|--|-----------|
| • Andhra Pradesh and Assam   | 26        |
| • Andhra Pradesh, Assam, Gujarat and Maharashtra   | 26        |
| • Road Ahead   | 27        |
| <b>CHAPTER 3 : PRODUCTION LINKED INCENTIVES</b>  | <b>29</b> |
| ★ Implementation of PLI Scheme(s)  | 31        |
| • Step 1 – Filing of application(s) for approval   | 33        |
| • Step 2 – Determination of baseline   | 33        |
| • Step 3 – Disbursement of incentive(s)  | 33        |
| ★ Sector wise analysis   | 34        |
| • A. Electronics Manufacturing   | 34        |
| • B. Pharmaceuticals and Medical Devices Manufacturing   | 35        |
| • Schemes for Pharmaceuticals Manufacturing  | 35        |
| • Scheme for Medical devices Manufacturing   | 35        |
| • C. Automobile and Auto - Parts   | 36        |
| • D. Telecom and networking products   | 36        |
| • Target products covered under the PLI scheme   | 37        |
| • Eligibility criteria and Incentive rate under Telecom PLI Scheme                             | 37        |
| • Timeline   | 40        |
| • Design-led manufacturing   | 40        |
| • Expenditure incurred on R&D  | 40        |
| • Transfer of technology   | 40        |
| • Increase in Financial outlay for MSMEs   | 40        |
| • New products   | 40        |
| • E. Advanced Chemistry Cell (ACC)   | 41        |
| • Textile Products: MMF Segment and Technical Textiles   | 43        |
| • G. Food Products   | 45        |
| • Category 1 - Ready to Cook/ Ready to Eat, Fruits & Vegetables,<br>Marine & Mozzarella Cheese | 46        |
| • Category 2 – Innovative/Organic products   | 46        |
| • Category 3 – Branding and marketing  | 46        |
| • H. Solar PV Modules  | 50        |
| • I. White Goods (Components of ACs & LEDs)  | 51        |
| • J. Speciality Steel  | 55        |
| ★ Conclusion   | 56        |
| <b>CHAPTER 4 : BONDED MANUFACTURING</b>  | <b>57</b> |
| ★ Brief Introduction   | 57        |

|  |           |
|--|-----------|
| ★ Legal Provisions governing MOOWR   | 59        |
| ★ Benefits and Salient Features of MOOWR Scheme  | 60        |
| ★ MOOWR Scheme vis - a -vis other EXIM incentive Schemes   | 62        |
| ★ Obtaining benefits under the MOOWR Scheme - Procedure  | 64        |
| • How to apply for license under MOOWR Scheme?   | 64        |
| ★ Compliances to be undertaken in relation to MOOWR Scheme   | 64        |
| • Appointment of Warehouse Keeper  | 65        |
| • Specified facilities, equipment, and personnel to be maintained  | 65        |
| • Compliance with specific security requirements   | 65        |
| • Monthly Return filing  | 65        |
| • Other Miscellaneous conditions   | 66        |
| ★ Concluding Remarks   | 67        |
| <b>CHAPTER 5 : FOREIGN TRADE POLICY</b>  | <b>68</b> |
| ★ Overview of schemes under the Foreign Trade Policy   | 68        |
| • Export Promotion Capital Goods (“EPCG”) Scheme   | 68        |
| ★ Advance Authorization Scheme   | 70        |
| ★ Remission of Duties and Taxes on Exported Products Scheme (“RoDTEP”)                                       | 70        |
| ★ Services Exports from India Scheme (“SEIS”)  | 72        |
| ★ Export Oriented Unit Scheme (“EOU”)  | 72        |
| ★ Expectations from the New Foreign Trade Policy   | 73        |
| ★ Expectations from the new Special Economic Zone (“SEZ”) Policy   | 75        |
| <b>CHAPTER 6 : INCENTIVES FOR THE PHARMACEUTICAL SECTOR</b>  | <b>78</b> |
| • Overview of the Pharmaceutical Sector  | 78        |
| ★ Initiatives by the Government  | 83        |
| • A. Production Linked Incentives  | 83        |
| • Schemes for Pharmaceuticals Manufacturing  | 83        |
| ★ Scheme for Medical Devices Manufacturing   | 83        |
| ★ Production Linked Incentive Scheme for Pharmaceuticals (PLI 2.0)   | 86        |
| • Scheme for Bulk Drug Parks   | 90        |
| • Production Linked Incentive Scheme for Medical devices   | 90        |
| • Round 1  | 91        |
| • Round 2  | 93        |
| ★ Production Linked Incentive Scheme for Pharmaceuticals (PLI 2.0) –<br>Boosting in-vitro diagnostic devices | 94        |
| • Scheme for Medical Device Parks  | 94        |
| • B. Relaxation in relation to FDI Policy  | 95        |

|  |            |
|--|------------|
| • C. Strengthening of Pharmaceutical Industry (SPI) Scheme                                     | 96         |
| ★ Assistance to Pharmaceutical Industry for Common Facilities (APICF)                          | 96         |
| ★ Pharmaceutical Technology Upgradation Assistance Scheme (PTUAS)                              | 96         |
| ★ Pharmaceutical & Medical Devices Promotion and Development Scheme (PMPDS)                    | 97         |
| • D. State Incentives  | 97         |
| • Uttar Pradesh Pharmaceutical Industry Policy 2018  | 97         |
| ★ Haryana Pharmaceutical Industry Policy 2019  | 98         |
| ★ Rajasthan MedTech and Bulk Drug Policy - 2021  | 98         |
| ★ The Road Ahead   | 99         |
| ★ Exports  | 100        |
| ★ Reduce dependency on imports, especially from China  | 100        |
| ★ Conclusion   | 100        |
| <b>CHAPTER 7 : INCENTIVES FOR THE ELECTRONICS SECTOR</b>                                       | <b>101</b> |
| ★ Industry Overview in India:  | 101        |
| ★ Electronic Components Manufacturing:   | 104        |
| ★ National Policy on Electronic, 2019 (NPE 2019)   | 105        |
| • A. Production Linked Incentive Scheme (PLI) for Large Scale Electronics Manufacturing        | 105        |
| • PLI – Round 1  | 106        |
| • PLI – Round 2  | 107        |
| • Round 1  | 108        |
| • Round 2  | 109        |
| • B. Production Linked Incentive Scheme (PLI) for IT Hardware                                  | 109        |
| • C. Scheme for Promotion of Manufacturing of Electronic Components and Semiconductors (SPECS) | 111        |
| ★ Modified Electronics Manufacturing Clusters Scheme (EMC 2.0)                                 | 113        |
| • Phased Manufacturing Programme (PMP)   | 114        |
| ★ Public Procurement Order (PPO), 2017   | 115        |
| ★ Electronics Development Fund (EDF)   | 116        |
| ★ Semiconductor and Display Manufacturing  | 117        |
| ★ Initiatives by the Government for the Semiconductor and Display Manufacturing industry:      | 119        |
| • A. Fiscal support of up to 50% of Project Cost for Semiconductors Fabs                       | 119        |
| • B. Fiscal support of up to 50% of Project Cost for Display Fabs                              | 121        |
| • C. Fiscal support for Compound Semiconductors & OSAT/ATMP                                    | 121        |
| • Compound Semiconductors/Silicon Photonics (SiPh)/Sensors                                     |            |

|  |            |
|--|------------|
| (including MEMS) Fab   | 122        |
| • Semiconductor Assembly, Testing, Marking and Packaging (ATMP) / Outsourced Semiconductor Assembly and Test (OSAT) Facility | 122        |
| • D. Design Linked Incentive (DLI) Scheme  | 123        |
| ★ Eligibility:   | 123        |
| • Andhra Pradesh Electronics Policy 2021-24  | 125        |
| • Tamil Nadu Electronics Hardware Manufacturing Policy 2020  | 126        |
| • Uttar Pradesh Electronics Manufacturing Policy 2020  | 127        |
| ★ Conclusion   | 128        |
| <b>CHAPTER 8 : INCENTIVES FOR AUTOMOBILE SECTOR</b>  | <b>130</b> |
| ★ Industry Overview:   | 130        |
| ★ PLI Scheme for Automotive sector   | 133        |
| • Champion OEM Incentive Scheme:   | 134        |
| • <u>Component Champion Incentive Scheme:</u>  | 134        |
| • For existing Auto OEM and Auto-Component Companies:  | 134        |
| • For new non-automotive Companies:  | 134        |
| • Minimum New Domestic Investment Conditions (In Crore)  | 135        |
| • For Champion OEM and New Non-Automotive (OEM):   | 135        |
| • Automotive Mission Plan 2016-26 (AMP 2026)   | 139        |
| ★ National Automobile Scrappage Policy   | 139        |
| ★ FAME India Scheme  | 141        |
| • Phase I  | 142        |
| • Phase II   | 143        |
| ★ Vehicle sales under the FAME India Scheme  | 144        |
| • Charging Stations Installed  | 146        |
| ★ National Automotive Testing and R&D Infrastructure Project (NATRIP)  | 147        |
| • Customs Duty exemption for import of goods for use in manufacture of EV vehicles   | 147        |
| ★ Uttar Pradesh Electric Vehicle Manufacturing and Mobility Policy- 2019   | 148        |
| ★ Gujarat State Electric Vehicle Policy-2021   | 149        |
| ★ Maharashtra's Electric Vehicle and Related Infrastructure Policy- 2018   | 150        |
| • Incentives & provisions for EV Buyer:  | 150        |
| ★ Tamil Nadu Electric Vehicle Policy-2019  | 151        |
| ★ Conclusion   | 152        |
| <b>CHAPTER 9 : APPLICABILITY OF DOCTRINE OF PROMISSORY ESTOPPEL ON INCENTIVES</b>  | <b>153</b> |
| ★ Doctrine of Promissory Estoppel recognized by Indian Courts  | 153        |

|   |            |
|---|------------|
| • Is the Doctrine of Promissory Estoppel enforceable against the Government?    | 154        |
| • When can the Doctrine of Promissory Estoppel be deviated from?                | 156        |
| ★ Conclusion  | 157        |
| <b>CHAPTER 10 : DISBURSEMENT OF INCENTIVES: WHAT NEEDS TO BE DONE?</b>          | <b>159</b> |
| ★ Best practices in relation to disbursement of incentives:                     | 161        |
| • Step 1: Understanding the requirements for disbursement compliance            | 161        |
| • Step 2: Undertaking ERP related changes, and maintaining proper documentation | 162        |
| • At the time of raising Purchase Orders ('PO')                                 | 163        |
| • At the time of receipt of goods/services                                      | 163        |
| • At the time of making sales   | 164        |
| ★ Undertaking requisite ERP changes   | 164        |
| • Step 3 : Filing of progress reports and disbursement claims                   | 164        |
| • Step 4: Liaising with the Government  | 168        |
| ★ Conclusion  | 173        |
