The registration to the regular stage of CS Course (consisting of Executive Programme & Professional Programme stages) is valid for a period of five years. Students are eligible to seek Registration Denovo / Extension in case they are not able to complete both the stages within the five year period. However, the Registration Denovo has to be sought within a maximum period of five years after expiry of their registration failing which the benefits accrued under the said registration will get cancelled and the students will have to seek fresh registration and have to start <i>ab initio</i> . The Re-Registration policy is specifically for such students who are not able to seek Registration Denovo after passing the Intermediate Course/ Executive Programme Stage under the various Syllabi introduced by the Institute within stipulated time fixed for Registration Denovo.

The Re- Registration policy is only applicable for students who have passed the Intermediate Course/ Executive Programme Stage in the past but are not eligible to seek Registration Denovo.
3.	I am eligible to seek Registration Denovo / Extension. Am I eligible to resume CS Course through Re- Registration policy?	No. Students eligible for seeking Registration Denovo/ Extension will not be eligible to resume CS Course through Re-Registration policy.
