ICSI CORPORATE GOVERNANCE WEEK- 2011

August 8 – 12, 2011

The Institute of Company Secretaries of India is committed to promoting good corporate governance and has played a pivotal role in creating awareness on various issues impinging upon corporate governance.

ICSI is one of the first professional bodies in India to initiate discussion on "Corporate Governance" in the light of Cadbury Committee Report. In the year 1997, The ICSI jointly with the Indian Institute of Foreign Trade (IIFT) organised a national seminar on Emerging Dimensions of Corporate Governance. Since then it has been organizing Programmes / Seminars / Conventions on various dimensions of Corporate Governance.

Felicitating what we have initiated, what we have achieved and furthering what we desire to achieve, the Institute has decided to observe Corporate Governance Week as an annual event. The week long, nation wide events shall be held by all the chapters and regional offices from 8th of August to 12th of August 2011 this year.

The very purpose of this endeavour of the Institute is that good governance practices permeate through length and breadth of the nation and does not remain restricted to few cities.

During this week, programmes would be organized on Corporate Governance, Sustainability, GRI & Sustainability Reporting, Ethics and Integrity, Risk Management, Non-Financial Disclosures, Carbon Foot Prints and Good Corporate Citizenship as well as furthering "Go Green" initiatives, half-marathon, programme for senior citizens.

ICSI Definition of Corporate Governance

“The application of best management practices, compliance of law in letter and spirit and adherence to ethical standards for effective management and distribution of wealth and discharge of social responsibility for sustainable development of all stakeholders.”
