

--You are never alone--

You're never alone, I'm always near,

When your troubled, down or blue.

All you have to do is call me,

I'm always here for you.

It doesn't matter where I'm at,

It doesn't matter when.

When you need someone to talk to,

I'm here to be your friend.

If you need someone to hold your hand,

or a hug to say I care.

If you need a shoulder to cry on,

for you I will be there.

So never think you are a burden,

when the weight gets to be too much.

You might find it look hard enough,

a good friend could be the right touch.

You're never alone, I'm always here,

through the good times and the bad.

I'm always here to be your friend,

I don't like to see you sad...

--If I could catch a rainbow--

If I could catch a rainbow, I would do it, just for you,

And, share with you, its beauty, on the days you're feeling blue.

If I could, I would build a mountain, you could call your very own.

A place to find serenity, a place just to be alone.

If I could, I would take your troubles, and toss them into the sea.

But, all these things, I'm finding, are impossible for me.

I cannot build a mountain, or catch a rainbow fair;

but, let me be, what I know best,

A Friend, who's always there.

I promise to defend you, should the occasion ever rise,

And, I promise to wipe away the tears,

which might stream from your weeping eyes.

Let me be the trusted Friend, the one that you know best.

I will never leave you, on that, you can surely rest...

--Friendship--

Friendship is the kind of love
that never can grow old.

Warm and cozy it will stay
when other things are cold.

Friendship is a love so true
it won't be denied,
Because a friend will always be
there close by your side.

Boyfriends and lovers come and go
in this game of life we play,
But a true friend, no matter what,
in your heart will always stay.

So hold these friends dear to you,
and never let them go.

Think how much they mean to you,
and make sure to tell them so...

--Only when--

Friendship is a rare jewel that shines,

Only when you give it a sunny smile

Friendship is a lock that opens,

Only when you unlock your true self to it

Friendship is a song, which is sung, Only when you know its rhythm

Friendship is a dream, which comes true, Only when you believe in it

Friendship is a sun, which rises,

Only when your heart has set on it

Friendship is a throne, on which you can sit,

Only when you share your kingdom with it

Friendship is a path, which you will find,

Only when you know you are lost

Friendship is a hand that holds yours,

Only when you extend yours

Friendship is an album of reminiscences, which you can leaf through,

Only when you cherish it

Friendship is a lamp, which lights,

Only when you know it will assuage your heart

Friendship is a lantern, which glows,

Only when you need the warmth of it

Friendship is a language, which you speak,

Only when you know the meaning of it

Friendship is a potpourri of feelings, which you can smell,

Only when you have a true friend...
