

Be a Good human being.

Today i wanted to raise a very different issue which very important for all of us in this walk of life apart from our books, Exams, Career and wealth etc.

As per my personal opinion first and foremost thing in life is to be a good human being. Kindly observe friends, all the important things in life like Success, wealth, good relations, respect are directly connected with a good human nature. I just wanted to share some of the points observed by me in life with you all.

As per my personal opinion some of the essential points to be a good human being are:—

- ① Always respect your parents and family as nobody is more important then your parents and family.

② Always help others without any expectation. Sometimes try & go out of the way to help others.

Always ~~remember~~ remember at every possible moment you can help someone in your own way, so just do it.

③ Never feel proud and superior to anyone.

④ Control your anger and listen to others.

⑤ Keep smiling and cheerful.

⑥ Stay away from bad company.

⑦ Never compromise with your ethics and be on good values with all persons around you.

⑧ Be humble and good to everyone. Always remember if you don't want to be kicked in the face, don't kick people in the face.

⑨ Always give due respect to others. Especially women's. Try and be good to everyone who comes your way.

⑩ Follow the simple rule of life - "Do good and be good."

- ⑪ Just do what is right.
- ⑫ Don't lie or cheat other people or cause any kind of harm, whether mental or emotional, to anyone around you.
- ⑬ Stay away from Jealousy and hatred.
- ~~⑭~~
- ⑭ Be yourself and don't compare yourself with others.
- ⑮ Love yourself and everyone around you. Be gentle with yourself and strive to be happy. Remember your attitude towards yourself can make a huge difference in your life.
- ⑯ Enjoy your life and achievements and family moments to the fullest.
- ⑰ Share your knowledge. According to me knowledge sharing is the best thing in this world. It gives you immense pleasure.

Hope you find this short Article useful and appreciate it.
