

Life's Tug Of Star Wars

“Life is like riding a
bicycle. To keep your
balance, you must
keep moving.”

Life's hard. It's even harder
when you're stupid."

**“Alone we can do so little;
together we can do so much”
- Helen Keller**

**Life can seem ungrateful
and not always kind.**

**Life can pull at your
heartstrings and play
with your mind.**

**Life can be blissful and
happy and free.**

Life can put beauty in
the things that you see.

**Life can place challenges
right at your feet.**

**Life can make good
of the hardships
that we meet.**

Life can overwhelm you and make your head spin.

Life can reward those
determined to win.

**Life clearly does offer its
ups and its downs.**

**Life's days can bring you
both smiles and frowns.**

**Life can be hurtful and
not always fair.**

**Life can surround you
with people who care**

**Life teaches us to take the
good with the bad.**

A white Stormtrooper from Star Wars stands on a dark, textured surface. It holds a blue and white patterned beach umbrella over its head. The Stormtrooper's helmet has a small, sad face drawn on it. To the left, a blurry silhouette of a person is visible against a dark background.

**Life is a mixture of
happy and sad.**

**Life is what happens to you while you're
busy making other plans.**

**Take the life that you have
and give it your best.**

**Think positive, be
happy. Let God
do the rest.**

**Take the challenges that
life has laid at your feet.**

**Take pride and be thankful
for each one you meet.**

**To yourself give forgiveness
if you stumble and fall.**

**Take each day that is dealt
you and give it your all.**

**Take the love that you're given
and return it with care.**

**Have faith that when needed
it will always be there.**

**Take time to find the beauty
in the things that you see.**

Take life's simple pleasures
let them set your heart free.

Life is life, fight for it

**The idea here is simply to
even the score. As you are
met and faced with.**

“Live simply so others may **simply live.”
- Mother Teresa**

“It is not the length of
life, but **the depth.**”
- Ralph Waldo Emerson

Be sure you put your feet in the
right place, then **stand firm.**
- Abraham Lincoln

A white Stormtrooper figurine is positioned in the lower-left quadrant of the image, standing amidst a dense field of tall, green grass. The figurine is facing forward, slightly to the right. The background is a vast field of similar grass, creating a sense of depth. A semi-transparent green rectangular box is overlaid on the upper right portion of the image, containing a quote in white and yellow text.

“Life is not measured by the
number of breaths we take,
but by **the moments that
take our breath away.**”
- Maya Angelou
