

Reaching Level 80!

There were once 2 brothers who lived on the 80th level. On coming home one day, they realized to their dismay that the lifts were not working and that they have to climb the stairs home.

**After struggling to the 20th level,
panting and tired, they decided to
abandon their bags and come back
for them the next day. They left
their bags then and climbed on.**

When they have struggled to the 40th level, the younger brother started to grumble and both of them began to quarrel.

They continued to climb the flights of steps, quarreling all the way to the 60th floor.

They then realized that they have only 20 levels more to climb and decided to stop quarreling and continue climbing in peace.

They silently climbed on and reached their home at long last. Each stood calmly before the door and waited for the other to open the door.

**And they realized that the key
was in their bags which was
left on the 20th floor.**

This story is reflecting on our life...many of us live under the expectations of our parents, teachers and friends when young.

**We seldom get to do the things
that we really like and love and
are under so much pressure
and stress so that by the age of
20, we get tired and decided
to dump this load.**

**Being free of the stress and pressure,
we work enthusiastically and dream
ambitious wishes.**

But by the time we reach 40 years old, we start to lose our vision and dreams. We began to feel unsatisfied and start to complain and criticize. We live life as a misery as we are never satisfied.

**Reaching 60, we realize that we have little left for complaining anymore,
and we began to walk the final episode in peace and calmness.**

We think that there is nothing left to disappoint us, only to realize that we could not rest in peace because we have an unfulfilled dream a dream we abandoned 60 years ago....We Die Free!!!!

Every great dream begins with a dreamer. Always remember, you have within you the strength, the patience, and the passion to reach for the stars to change the world. - Harriet Tubman

**So many of our dreams at first seem impossible, then they seem improbable,
and then, when we summon the will, they soon become inevitable.
- Christopher Reeve**

**All our dreams can come true, if we have the courage to pursue them.
- Walt Disney**

**So what is your dream? Follow your dreams, so that
you will not live with regrets.**
