

Robot's Team Quotes

**Coming together is a beginning.
Keeping together is progress.
Working together is success.
- Henry Ford**

Talent wins games, but teamwork and intelligence wins championships.

True...there is no "i" in team,
but there is a "u" in suck.

**TOGETHER we stand, TOGETHER we fall, TOGETHER
we win, and winners take ALL.**

When you score a goal, or hit a three, or get a touchdown, you don't do it for yourself, you do it for the team cause the name in the front of the shirt is more important than the one on the back.

The way a team plays as a whole determines its success. You may have the greatest bunch of individual stars in the world, but if they don't play together, the club won't be worth a dime.

**“There is no limit to what can
be accomplished when noone
cares who gets the credit”**

**Individually, we are
one drop. Together,
we are an ocean.**

A group becomes a team when each member is sure enough of himself and his contribution to praise the skills of the others.

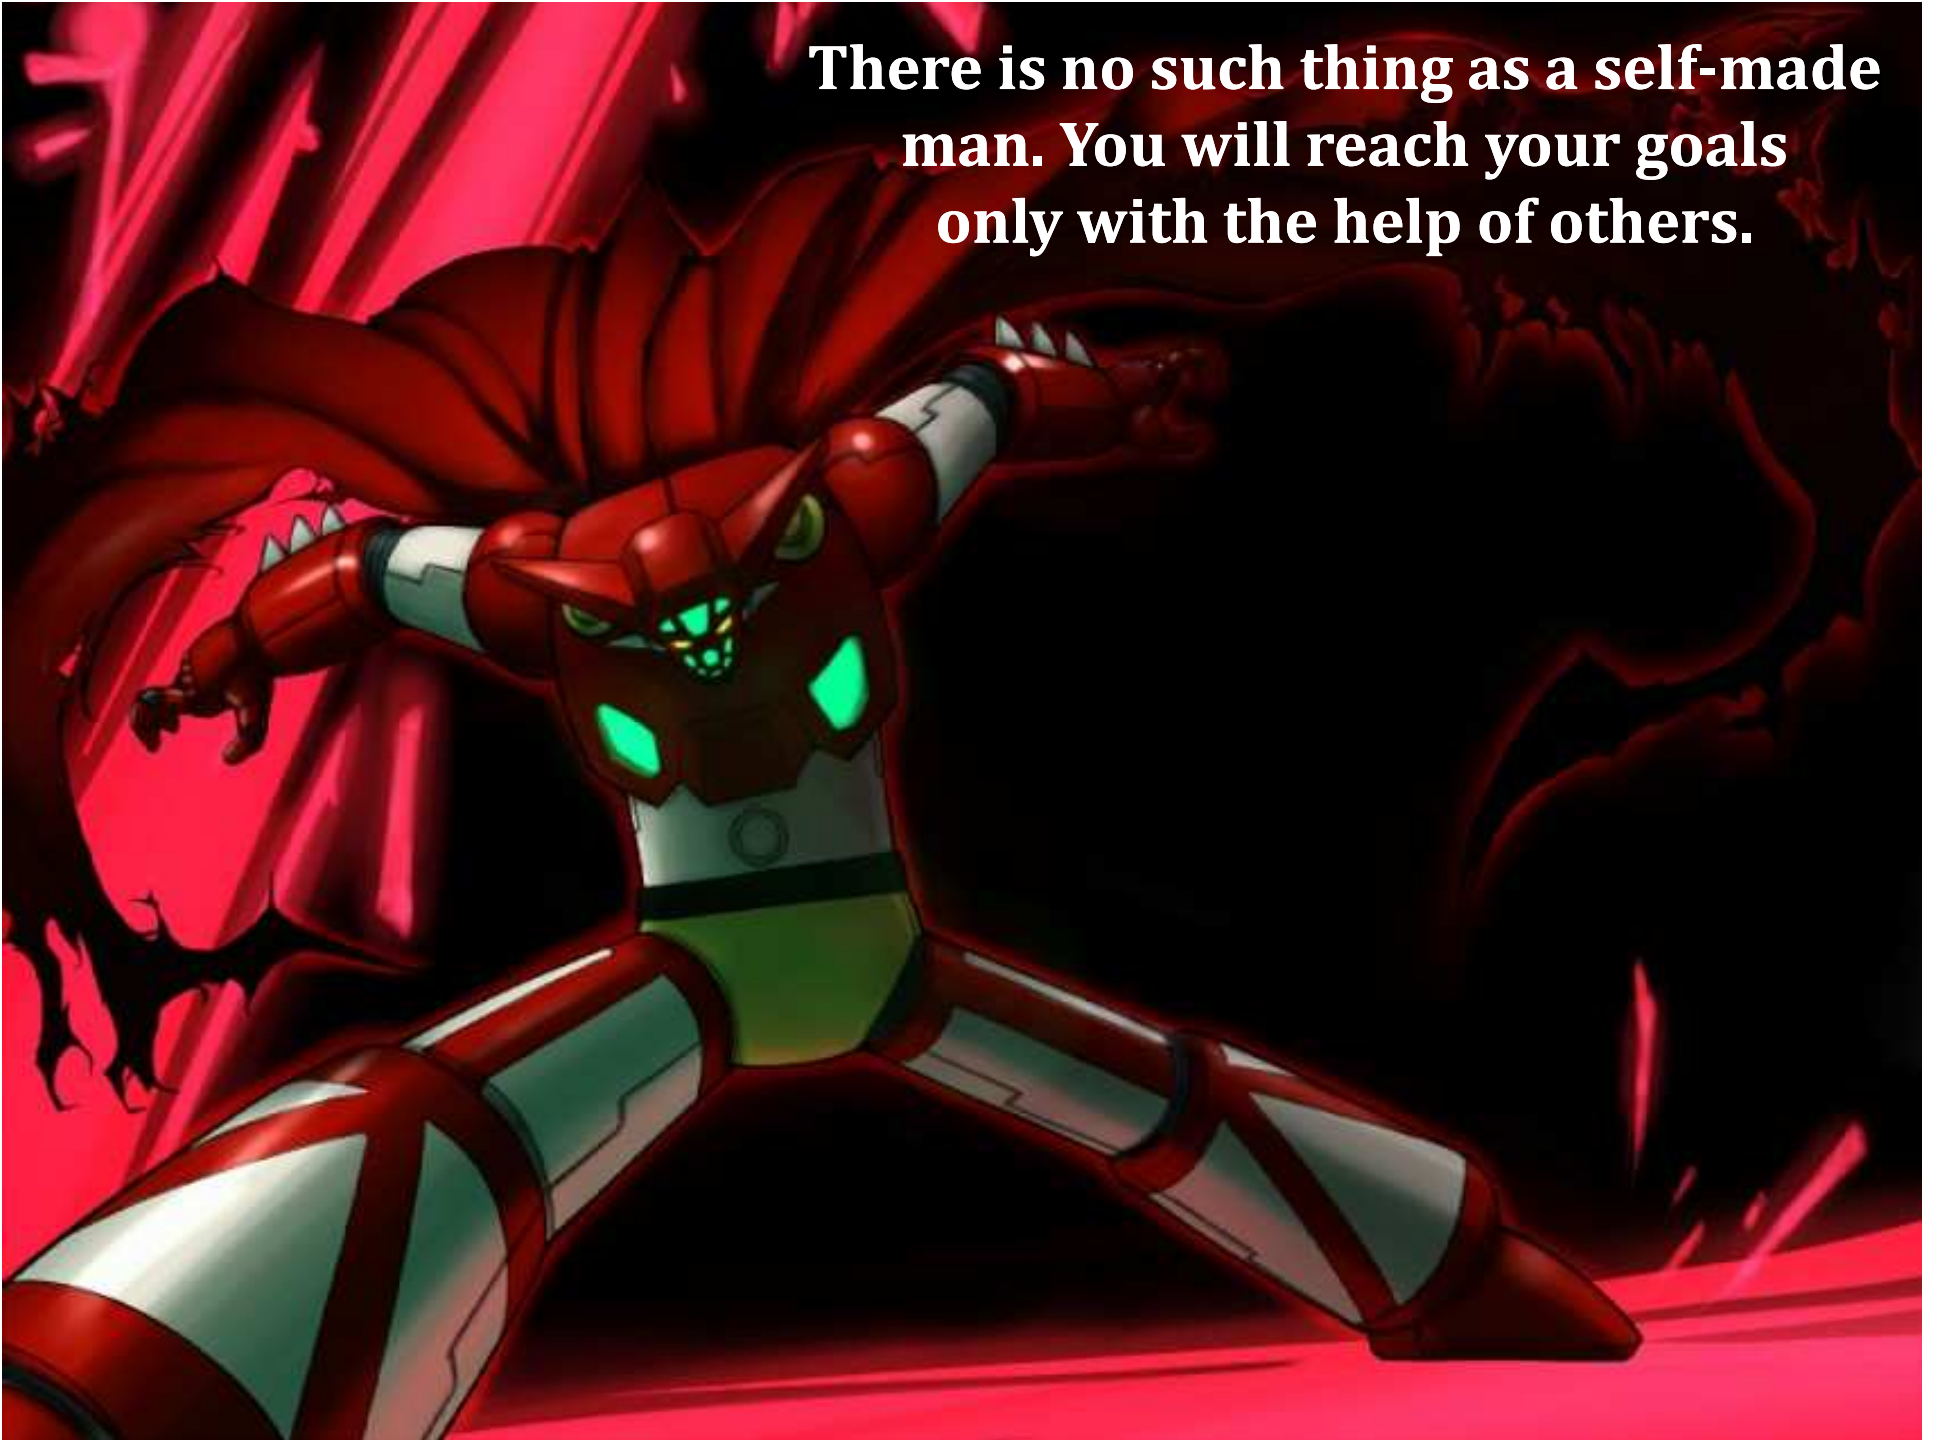

**We're a team. One person struggles, we all struggle.
One person triumphs, we all triumph.**

**The nice thing about teamwork
is that you always have others
on your side!!!**

**There is no such thing as a self-made
man. You will reach your goals
only with the help of others.**

"When you meet someone better than yourself, turn your thoughts to becoming his equal. When you meet someone not as good as you are, look within and examine your own self."

There is no such thing as "one-man show" in a winning team.

**Teamwork divides the task
and doubles the success.**

Never doubt that a small group of thoughtful, committed people can change the world, indeed, it's the only thing that ever has.

The key elements in the art of working together are how to deal with change, how to deal with conflict, and how to reach our potential...the needs of the team are best met when we meet the needs of individual persons.

Conflict is inevitable in a team ... in fact, to achieve synergistic solutions, a variety of ideas and approaches are needed. These are the ingredients for conflict.

You can call yourself a team not when you succeed, but when you think of each other before yourself have fun and enjoy each others company that is where you will find success.

The path to greatness is along with others.
