

THE SECRETS OF MILLIONAIRES

To Become a

MILLIONAIRE

you need to act like one.

1. They have a clear blue print for their growth and success, like a architects.
2. They invest on themselves on their learning and grooming.
3. They are not driven by greed or fear. (These are the 2 diseases of the average human who fails)
4. They network relentlessly.
5. They focus on giving. Getting happens to them.
6. They make things happen. They are in control. (For others, things just happen.)
7. They know where money works and where money does not work.
8. They take action. The average human being spends his life "wanting to do something"
9. They know how to handle failures. They learn quickly, adapt and keep going.
