Prime Minister's National Relief Fund (PMNRF) was constituted in January, 1948 to assist displaced persons from Pakistan. The resources of the PMNRF are now utilized primarily to render immediate relief to the affected families of those killed/injured in natural calamities like floods, cyclones and earthquakes, etc. or in the major accidents/ riots. The fund is also utilized to provide financial assistance for medical treatment like heart surgeries, kidney transplantation, cancer treatment, etc. The fund consists entirely of voluntary public contributions and does not get any budgetary support. Prime Minister is the Chairman of the fund.
