1 Introduction

Department of Industrial Policy and Promotion (DIPP), Government of India has envisioned eBiz Project to create a one-stop-shop of convenient and efficient online G2B services to the business community. This objective will be attained by reducing the complexity in obtaining information and services related to starting businesses in India, and in dealing with licenses and permits across the business life-cycle.

This document is intended to serve as a User Guide for **eBiz application** and present an overview of the online application system explaining the concepts and functionality of the same.

1.1 Industrial License

The Government's liberalization and economic reforms program aims at rapid and substantial economic growth which is integrated with global economy in a harmonized manner. The industrial policy reforms have reduced the industrial licensing requirements, removed restrictions on investment and expansion and facilitated easy access to foreign technology and foreign direct investment.

Licensing is done under Industries (Development & Regulation) Act 1951. Post 1991 de-licensing, presently only five industries are under compulsory licensing:

- Electronic aerospace and defense equipment
- Industrial explosives including detonating fuses, safety fuses, gun powder, nitrocellulose and matches
- Cigars and cigarettes of tobacco and manufactured tobacco substitutes
- *[Fresh Licenses are not being granted for manufacture of this item on health grounds since 1999]*
- Specified hazardous chemicals i.e (i) hydrocyanic acid and its derivatives (ii) Phosgene and its derivatives and (iii) Isocyanates & diisocyanates of hydrocarbon not elsewhere specified (example methyl Isocyanate)
- Distillation and brewing of alcoholic drinks

[Licensing ceased by DIPP in compliance with Supreme Court Order dated 29/01/1997 in Bihar Distillery Case which ruled that industries engaged in manufacture of potable alcohol would be under the jurisdiction of the states]

In addition to above, a non-MSME unit manufacturing items reserved for MSME needs an Industrial License.

Industrial undertakings which fall under above categories are required to submit online application in the prescribed format, i.e. "Form FC-IL", through e-Biz Portal.

If Industry does not belong to any of above mentioned category, an Industrial Entrepreneur Memorandum application needs to be filed.

Payment Details:-

Submission of IL form requires a fee of Rs.2500/- (Rupees Two Thousand Five Hundred only) to be paid online.

Applicant is also required to pay a nominal eBiz transaction fee (Rs.30/-) while submitting the application form online through eBiz portal.

Invocation Frequency:-

Applicant can apply for IL at any time of the year.

1.2 Industrial Entrepreneurs Memorandum

The Government's liberalization and economic reforms program aims at rapid and substantial economic growth which is integrated with global economy in a harmonized manner. The industrial policy reforms have reduced the industrial licensing requirements, removed restrictions on investment and expansion and facilitated easy access to foreign technology and foreign direct investment.

All industrial undertakings exempt from the requirements of industrial licensing, including existing units undertaking substantial expansion, are required to file information in the prescribed form for Industrial Entrepreneurs Memorandum (IEM), i.e. "Form IEM" with the Secretariat of Industrial Assistance (SIA), Department of Industrial Policy and Promotion (DIPP), Government of India, and obtain an acknowledgement. This application can be filed online at eBiz portal.

All Industrial undertakings also need to file information in Part 'B' of the Memorandum at the time of commencement of commercial production.

No amendment/modifications are made to any IEM filed before 30th June, 1998 except for clerical errors. Where any amendment/modification is sought to be made in such IEMs, a fresh memorandum in Form IEM, along with the prescribed fee has to be filed for which a fresh acknowledgement will be issued. An IEM would be cancelled / deleted from the SIA records if, on scrutiny, it is found that the proposal contained in the IEM is licensable.

Payment Details:-

Submission of IEM form requires a fee of Rs.1000/- (Rupees One Thousand only) for up to 10 items proposed to be manufactured in the same unit. For more than 10 items, an additional fee of Rs. 250/- for up to 10 additional items is applicable.

Applicant is also required to pay a nominal eBiz transaction fee (Rs.30/-) while submitting the application form online through eBiz portal.

Invocation Frequency:-

- Applicant can file Form IEM, Part 'A', at any time of the year.
- Form IEM, Part 'B', needs to be filed once commercial production has commenced within the unit.

1.3 Employer Registration with Employees' State Insurance Corporation

Employees' State Insurance Corporation (ESIC) provides monetary and medical benefits to Employees in case of sickness, maternity and employment injury and to make provisions for related matters. The Scheme is mainly financed by contributions from employers and employees. The employers' contribution is equal to four and three fourth per cent of the wages payable to employees. The employees' contribution is at the rate of one and three-fourth per cent of the wages payable to an employee. The State Governments share expenditure on the provision of medical care

Following industries are required to obtain coverage under ESIC:-

- Factories employing 10 or more persons irrespective of whether power is used in the process of manufacturing or not.
- Shops, hotels, restaurants, cinemas including preview theatre, road motor transport undertakings and newspaper establishment employing 10/20 or more persons depending upon the state in which the establishment is located.
- Private Medical and Educational Institutions employing 10/20 or more persons in certain States

The Act does not apply to workers engaged in mining operations, railway running sheds, certain seasonal factories operating for less than 7 months in a year. Factories or establishments run by the State Govt./ Central Govt. whose employees are in receipt of social security benefits substantially similar or superior to those provided under the Act can be exempted from coverage.
