About ICAI

The Institute of Chartered Accountants of India (ICAI) is a statutory body established under the Chartered Accountants Act, 1949 for regulating the profession of Chartered Accountants in India. ICAI is the second largest accounting body in the whole world with a strong tradition of service to the public interest and to the Indian economy.

About Research Committee

The Research Committee of the Institute of Chartered Accountants of India is one of the oldest technical committees set up in 1955 with a view to undertake research activities to improve the quality of services rendered by the profession.

ICAI International Research Awards 2022

Being a knowledge driven profession, research is the lifeline for our accounting profession, as it allows us to identify the challenges confronting the global economy, where the accounting profession can play its due role in augmenting Public Interest through research and contributions that could pave the way for innovative practices in mitigating the various emerging financial and non-financial risks, and alternatively propagate good practices for promoting public interest.

The Awards Could Be Considered to Be the World's Largest Cross Border Competition

The International Research Awards aims to recognizes the research community across the globe and their contribution in fostering innovation and value creation. The awards further aspire for developing a research-oriented ecosystem promoting trade and investment, augmenting public interest in the globalized Financial markets. The inspiration to take awards global was to encourage researchers to work across the industry and borders to develop global standards and policy inputs imbibing elements of trust and excellence in reporting and governance in the emerging tech-enabled global world.
