KEY POINTS

- Break Even Date for NPA is 01.01.2015 for the year 2014-2015
- Once an account has been classified as NPA, all the facilities granted to the borrower will be treated as NPA except in respect of Primary Agricultural Credit Societies (PACS)/Farmers Service Societies (FSS).
- Overdue period starts immediately on expiry of due date, concept of 'past due' has already been dispensed with in past years.
- Stock statements older than 3 months should not be considered
- Interest on advances (accrued and outstanding) should be calculated as on 31st March (few banks charges interest on advances few days prior to 31st March which should not be considered)
- Long outstanding entries (unexplainable and where there is no movement at all) in suspense account should be suggested for provisioning.
- 'NIL' MOC Certificate should be issued even if there is no MOC
- MOC should also be countersigned by Branch Manager (views of the BM if any has to be attached on a separate sheet duly signed by him)
- Submit all the REPORTS including TAX AUDIT REPORTS & LFAR immediately on completion of Audit and before leaving the branch
- Make a columnar list of documents to be submitted to branch/regional/zonal/other office before commencement of Audit. (it is advisable to get all documents in your custody duly signed by the Branch Manger at the beginning of Audit)
- Must get CERTIFICATE OF ATTENDENCE signed by Branch Manager in duplicate before leaving the branch
- Availability of security or net worth of borrower/guarantor should not be considered for the purpose of NPA recognition – it should always be based on recovery
- 100% provision is required for assets which has become doubtful for more than 3 years i.e. NPA date on or before 31.03.2012.
- To specifically report simultaneously to the CEO of the bank and regional office of the Dept of Banking Supervision RBI where the HO of the bank is situated, any matter susceptible to be fraud or fraudulent activity or any foul play in any transactions. Any **deliberate failure on part of the Auditors** should render himself liable for action. If amount of fraud involve Rs 1 Crore or more – central office of the Dept of Banking Supervision, RBI, Mumbai to be reported immediately.

INCOME RECOGNITION AND ASSET CLASSIFICATION NORMS - AT A GLANCE

1. An asset, including a leased asset, becomes non performing when it ceases to generate income for the bank.
2. Banks should, classify an account as NPA only if the interest due and charged during any quarter is not serviced fully within 90 days from the end of the quarter.

3. FACILITY WISE CHART:

Credit Facility	Basis for treating a Credit Facility as NPA	Remarks
Term loans	Interest or instalment remains overdue for a period of more than 90 days. <u>Agricultural Advances:</u> Position upto 29th Sept 2004: In respect of advances granted for agricultural purposes where interest and/or instalment of principal remains overdue for a period of more than two harvest seasons but for a period not exceeding two half years, the advance should be treated as NPA. Position wef 30th Sept 2004: A loan granted for short duration crops will be treated as NPA, if the instalment of principle or interest remain overdue for two crop season and a loan granted for long duration crops will be treated as NPA, if the instalment of principle or interest remain overdue for one crop season Long duration crops means crops with crop season longer than one year Short duration crops are those other than long duration crops	<u>Overdue:</u> An amount due to the bank under any credit facility is 'Overdue' if it is not paid on the due date fixed by the bank.
Cash Credits and Overdrafts	The account remains continuously "out of order" for a period of more than 90 days; i.e., outstanding balance remains continuously in excess of the sanctioned limit/drawing power or there are no credits continuously for a period of 90 days as on the date of Balance Sheet or credits are not enough to cover the interest debited during the same	Banks may not classify an account merely due to existence of some deficiencies, which are of temporary nature such as non-availability of adequate drawing power, balance outstanding exceeding the limit, non-submission of stock statements and non-renewal of the limits on the due date, etc. However, generally stock statements older than three months would be deemed irregular and the working capital borrowal account will become NPA if such irregular drawings are permitted in the account for a continuous period of 90 days even though the unit may be working or the borrower's financial position

	period.	is satisfactory. Further, an account where the regular/ad-hoc credit limits have not been reviewed/renewed within 180 days from the due date/date of ad hoc sanction respectively will be treated as NPA.
Bills Purchased and Discounted	The bills purchased/discounted remains overdue for a period of more than 90 days.	Overdue interest should not be charged and taken to income account in respect of overdue bills unless it is realised.
Derivative Transactions	the overdue receivables representing positive mark-to-market value of a derivative contract, if these remain unpaid for a period of 90 days from the specified due date for payment.	
Other Accounts	Any amount to be received in respect of that facility remains overdue for a period of more than 90 days.	
Government guaranteed advances	As on 31.03.2015, State government guaranteed advances and investment in State government guaranteed Securities would attract asset classification and provisioning norms if interest and/or principle or any other amount due to the bank remains overdue for more than 90 days.	The credit facilities backed by guarantee of Central government though overdue may be treated as NPA only when the government repudiates its guarantee when invoked. However, income shall not be recognised if the interest or instalment has remained overdue or the account has remained continuously out of order or the bills or any other facility has remained overdue for a period of more than 90 days.

Important Points

Key Words	Particulars
Exclusion	Undernoted categories of advances should be excluded, as NPA norms are not normally applicable to them: - Advances granted on or after 01.01.2015; - All staff loans sanctioned under various staff loan schemes including housing loans; - Project Finance (within Moratorium), Education Loan, Agriculture Loan etc. wherein moratorium period is not completed and interest/installment have not fallen due; - Advances against Banks deposits, NSC, IVP, KVP and LIP etc provided adequate margin is available to cover the unrealized interest; - Relief granted to the Agricultural borrowers affected by natural calamities in the form of conversion of short term loan or re-schedulement of term loan; - Credit facilities backed by Central Govt Guaranteed (if not repudiated) ; - Restructured accounts under Standard category; - Credit facilities backed by State Govt. Guarantees where the default does not exceed 90 days as on 31.03.2015; - All Standard and Regular Advances.

All Facilities	Once an account has been classified as NPA, all the facilities granted to the borrower will be treated as NPA except in respect of Primary Agricultural Credit Societies (PACS)/Farmers Service Societies (FSS). Also, in respect of additional facilities sanctioned as per package finalised by BIFR and/or term lending institutions, provision may be made after a period of one year from the date of disbursement in respect of additional facilities sanctioned under the rehabilitation package. The original facilities granted would however continue to be classified as sub-standard/doubtful, as the case may be
Adequate Margin	Interest on advances against term deposits, NSCs, IVPs, KVPs and Life policies may be taken to income account on the due date, provided adequate margin is available in the accounts. Advances against gold ornaments, government securities and all other securities are not covered by this exemption.
Reversal of Income	Till the time the account is identified as NPA, income is recognised irrespective of whether realised or not. Where an account is identified as NPA during the year, unrealised income should not be recognised for the year. Banks should reverse the interest already charged and not collected by debiting Profit and Loss account, and stop further application of interest. However, banks may continue to record such accrued interest in a Memorandum account in their books. For the purpose of computing Gross Advances, interest recorded in the Memorandum account should not be taken into account. This will apply to Government guaranteed accounts also. In respect of NPAs, fees, commission and similar income that have accrued should cease to accrue in the current period and should be reversed with respect to past periods, if uncollected. <u>Leased Assets</u> The <i>finance charge</i> component of finance income [as defined in 'AS 19 Leases' issued by the Council of the Institute of Chartered Accountants of India (ICAI)] on the leased asset which has accrued and was credited to income account before the asset became nonperforming, and remaining unrealised, should be reversed or provided for in the current accounting period.
Regularised before balance sheet date	If the accounts of the borrowers have been regularised before the balance sheet date by repayment of overdue amounts, the same should be handled with care and without scope for subjectivity. Where the account indicates inherent weakness on the basis of the data available, the account should be deemed as a NPA. In other genuine cases, the banks must furnish satisfactory evidence to the Statutory Auditors/Inspecting Officers about the manner of regularisation of the account to eliminate doubts on their performing status.
Fees and commissions (re-negotiations)	Fees and commissions earned by the banks as a result of re-negotiations or rescheduling of outstanding debts should be recognized on an accrual basis over the period of time covered by the re-negotiated or rescheduled extension of credit.
LOC or guarantees	If the debits arising out of devolvement of letters of credit or invoked guarantees are parked in a separate account, the balance outstanding in that account also should be treated as a part of the borrower's principal operating account for the purpose of application of prudential norms on income

	recognition, asset classification and provisioning.
Appropriation of recovery in NPAs	Interest realised on NPAs may be taken to income account provided the credits in the accounts towards interest are not out of fresh/ additional credit facilities sanctioned to the borrower concerned. In the absence of a clear agreement between the bank and the borrower for the purpose of appropriation of recoveries in NPAs (i.e. towards principal or interest due), banks should adopt an accounting principle and exercise the right of appropriation of recoveries in a uniform and consistent manner.
Income recognition	Income on NPA accounts to be recognized on realisation basis (conservative approach). Funded Interest: Income recognition in respect of the NPAs, regardless of whether these are or are not subjected to restructuring/ rescheduling/ renegotiation of terms of the loan agreement, should be done strictly on cash basis, only on realisation and not if the amount of interest overdue has been funded. If, however, the amount of funded interest is recognised as income, a provision for an equal amount should also be made simultaneously. In other words, any funding of interest in respect of NPAs, if recognised as income, should be fully provided for.
Credit Card Accounts	In credit card accounts, the amount spent is billed to the card users through a monthly statement with a definite due date for repayment. Banks give an option to the card users to pay either the full amount or a fraction of it, i.e., minimum amount due, on the due date and roll-over the balance amount to the subsequent months' billing cycle. A credit card account will be treated as non-performing asset if the minimum amount due, as mentioned in the statement, is not paid fully within 90 days from the next statement date. The gap between two statements should not be more than a month. Banks should follow this uniform method of determining over-due status for credit card accounts while reporting to credit information companies and for the purpose of levying of penal charges, viz. late payment charges, etc., if any.
Signs of Stress	Illustrative list of signs of stress for categorising an account as SMA-0 (Principal or interest payment not overdue for more than 30 days but account showing signs of incipient stress): 1. Delay of 90 days or more in (a) submission of stock statement / other stipulated operating control statements or (b) credit monitoring or financial statements or (c) Non-renewal of facilities based on audited financials. 2. Actual sales / operating profits falling short of projections accepted for loan sanction by 40% or more; or a single event of non-cooperation / prevention from conduct of stock audits by banks; or reduction of Drawing Power (DP) by 20% or more after a stock audit; or evidence of diversion of funds for unapproved purpose; or drop in internal risk rating by 2 or more notches in a single review. 3. Return of 3 or more cheques (or electronic debit instructions) issued by borrowers in 30 days on grounds of non-availability of balance/DP in the account or return of 3 or more bills / cheques discounted or sent under

	collection by the borrower. 4. Devolvement of Deferred Payment Guarantee (DPG) instalments or Letters of Credit (LCs) or invocation of Bank Guarantees (BGs) and its non-payment within 30 days. 5. Third request for extension of time either for creation or perfection of securities as against time specified in original sanction terms or for compliance with any other terms and conditions of sanction. 6. Increase in frequency of overdrafts in current accounts. 7. The borrower reporting stress in the business and financials. 8. Promoter(s) pledging/selling their shares in the borrower company due to financial stress.
Wilful Defaulters	The provisioning in respect of existing loans/exposures of banks to companies having director/s (other than nominee directors of government/financial institutions brought on board at the time of distress), whose name/s appear more than once in the list of wilful defaulters will be 5% in cases of standard accounts; if such account is classified as NPA, it will attract accelerated provisioning. This is a prudential measure since the expected losses on exposures to such borrowers are likely to be higher. It is reiterated that no additional facilities should be granted by any bank/FI to the listed wilful defaulters, in terms of paragraph 2.5 (a) of Master Circular of RBI on IRAC on Wilful Defaulters dated July 1, 2013. With a view to discouraging borrowers/defaulters from being unreasonable and non-cooperative with lenders in their bonafide resolution/recovery efforts, banks may classify such borrowers as non-cooperative borrowers⁷, after giving them due notice if satisfactory clarifications are not furnished. Banks will be required to report classification of such borrowers to CRILC. Further, banks will be required to make higher/accelerated provisioning in respect of new loans/exposures to such borrowers as also new loans/exposures to any other company promoted by such promoters/directors or to a company on whose board any of the promoter / directors of this non-cooperative borrower is a director. The provisioning applicable in such cases will be at the rate of 5% if it is a standard account and accelerated provisioning, if it is an NPA. This is a prudential measure since the expected losses on exposures to such non-cooperative borrowers are likely to be higher.

ASSET CLASSIFICATION – AT A GLANCE			
Category	Conditions to be satisfied	Provision amount	Remarks
Standard Assets	Does not disclose any problem and which does not carry any more than normal risks attached to business	Agriculture/SME Adv - 0.25% Commercial Real Estate - 1% HL (teaser rate period) - 2% Other Loan & Advances - 0.4% [Special rates for restructured advances as mentioned in remarks column]	Such an asset is not a NPA. [Provision requirement in case of <u>Restructured</u> account from <u>Standard</u> - 4.25% for 2014-15 (for two years from restructuring /moratorium date), <u>Restructured</u> (upgraded from NPA to Standard) - as prescribed from time to time (for one year from the date of upgradation)]
Sub-Standard Assets	Classified as NPA for a period not exceeding Twelve months. Classification of an asset should not be upgraded merely as a result of rescheduling, unless there is satisfactory compliance of the required conditions at least for one year.	- A general provision of 15% on total outstanding should be made without making any allowance for ECGC guarantee cover and securities available. - Additional provision of 10% on unsecured exposure. Unsecured Exposure means exposure where realizable value of security is not more than 10%, <i>ab-initio</i> , of the outstanding exposure.	In respect of accounts where there are potential threats of recovery on account of erosion in the value of security or non-availability of security and existence of other factors such as frauds committed by borrowers, it will not be prudent for banks to first classify them as sub-standard and then as doubtful after expiry of 12 mths from the date the account has become sub-standard. Such accounts should be straightaway classified as doubtful or loss asset, as appropriate, irrespective of the period for which it has remained as NPA.
Doubtful Assets	Remained Substandard for a period of Twelve months.	100% to the extent to which the advances are not covered by the realisable value of the security to which the bank has a valid recourse and the realizable value is estimated on realistic basis. Over and above the aforesaid, depending upon the period for which the asset has remained doubtful, provision on the secured portion to be made on the following basis: - Up to 1 year 25% 1 to 3 years 40% - Over 3 years: 100%	It has all the weaknesses inherent in that of a sub- standard asset with the added characteristic that the weaknesses make the collection / liquidation in full, highly questionable and improbable, on the basis of current known facts, conditions and values. Stock Audit required in cases involving NPAs balances above 5 Crores. Valuation of Security to be done every three years.
Loss Assets	Loss asset is one where loss has been identified by the bank, external or internal auditors or the RBI inspectors, but the amount has not been written off (wholly/partly).	100% of the outstanding should be provided for/written off.	Such an asset is considered uncollectible and of such little value that its continuance as a bankable asset is not warranted although there may be some salvage or recoverable value.

IMPORTANT AUDIT CHECKS	
Deposit (Term/Saving /Current /FCNR/NRE/NRNR)	
• Verify transactions during the year relating to: New Accounts opened; Accounts closed; Dormant Accounts; Interest calculations; Scrutiny of account statements for unusual/large/overdraft transactions; Overdue Term deposits & its policies and practices of renewal; Accrual of interest; RBI Norms for Non-resident deposits & its operations - giving due importance to opening and operation of accounts like NRE, NRNR, FCNR, RFC, etc.; interest on various types of deposits; Tax Deducted at Source. • Large deposits placed at the end of the year (<i>probable window dressing</i>). • Examine unusual trend in account opening or account closing, dormant accounts that have suddenly been reactivated by heavy cash withdrawals or deposits, overdrawings, etc. • Examine interest trends as compared to average annual deposits (monthly average figures).	
ADVANCES	
• Review monitoring reports (irregularity reports) sent by the branch to the controlling authorities in respect of irregular advances. • Review appraisal system, Files of large as well as critical borrowers, sanctions, disbursement, renewals, documentation, systems, securities, etc. • Review on test check basis operations in the Advances Accounts. • Compliance of sanction terms and conditions in the case of new advances. • Whether the borrower is regular in submission of stock statements, book debt statements, insurance policies, balance sheets, half yearly results, etc. and whether penal interest is charged in case of default/delay in submission of such data. • Charge of interest and recovery for each quarter or as applicable to be verified. • Review the monitoring system, i.e. monitoring end use of funds, analytical system prevalent for the advances, cash flow monitoring, branch follow-up, consortium meetings, inspection reports, stock audit reports, market intelligence (industry analysis), securities updation, etc. • Check classification of advances, income recognition and provisioning as per RBI Norms/Circulars. • Examine interest trends as compared to average annual advances (monthly average figures). • Scrutinize the final advances statements with regard to assets classification, security value, documentation, drawing power, outstandings, provisions, etc. • Check whether Non-Fund based (Letter of Credits/Bank Guarantees) exposure of the borrowers is within the sanctioned limits. • Compare projected financial figures given at the time of project appraisal with actual figures from audited financial statements for relevant period and ascertain reasons for large variance.	
Profit & Loss Account	
• Income/Expenditure: Verify: ▪ Short debit of interest/commission on advances; ▪ Excess credit of interest on deposits; ▪ In case the discrepancies are existing in large number of cases, the auditor should consider the impact of the same on the accounts; ▪ Determine whether the discrepancies noticed are intentional or by error; ▪ Check whether the recurrence of such discrepancies are general or in respect of some specific clients; • Proper authority in sanction and disbursement of expenses as also the correctness of the accounting treatment given as to revenue/capital/deferred expenses. • Check accrual of income/expenditure especially for the last month of the financial year. • Divergent Trends: ▪ Divergent trends in income/expenditure of the current year may be analysed with the figures of the previous year. ▪ Wherever a divergent trend is observed, obtain an explanation along with supporting evidences like monthly average figures, composition of the income/expenditure, etc.	

Balance Sheet

Cash & bank balances

- Physically verify the cash balance/ATM cash balance as on March 31, 2015 or reconcile the cash balance from the date of verification to March 31, 2015.
- Confirm and reconcile the balances with banks as on March 31, 2015.

Investments

- Physically verify the investments held by the branch on behalf of Head Office and issue certificate of physical verification of investments to bank's Investments Department.
- Check receipt of interest and its subsequent credit to be given to Head Office.

Advances provisioning

- As per RBI norms, unrealised interest on NPA accounts should be reversed and not charged to "Advance Accounts". Reversal of unrealised interest of previous years in case of NPA accounts is required to be checked.
- Partial recovery in respect of NPA accounts should be generally appropriated against principal amount in respect of doubtful assets.

Fixed assets

Check inter-branch transfer memos relating to fixed assets and whether they have been correctly classified in the accounts and depreciation accounting thereof.

Inter Branch Reconciliation (IBR)

- Understand the IBR system and accordingly prepare an audit plan to review the IBR transactions. The large volume of Inter Branch Transactions and the large number of unreconciled entries in the banking system makes the area fraud-prone.
- Check up head office inward communication to branch to ascertain date up to which statements relating to inter-branch reconciliation have been sent.

Check and report

- Reversal of any large/old/unexplained entries, which had remained outstanding in IBR.
- Items of revenue nature, cash-in-transit (for example, cash meant for deposit into currency chest) which remains pending for more than a reasonable period.
- Double responses to the entries in the accounts.
- Test check accuracy and correctness of "Daily statements" which are prepared by the branch and sent to IOR department.

The auditor should duly consider the extent of non-reconciliation in forming his opinion on the financial statements. Where the amounts involved are material, the auditor should suitably qualify his audit report. Attention is drawn on the paper on "Certain Significant Aspect of Statutory Audit of banks" issued by the Council of ICAI in March 1994, published in the C. A. journal.

Further, vide its circular No. BP.BC.22/21.04.018/99 dated March 24, 1999, the Reserve Bank of India (RBI) advised the banks to maintain category-wise (head-wise) accounts for various types of transactions put through inter-branch accounts so that the netting can be done category-wise. Further, RBI advised banks to make 100 percent provision (category-wise) for net debit position in their inter-branch accounts arising out of the unreconciled entries, both debit and credit, outstanding for more than two years.

Suspense accounts, sundry deposits, etc.

Suspense accounts are adjustment accounts in which certain debit transactions are temporarily posted whose authorisation is pending for approval.

Sundry Deposit accounts are adjustment accounts in which certain credit transactions are temporarily posted whose authorisation is pending for approval.

As and when the transactions are duly authorised by the concerned officials they are posted to the respective accounts and the Suspense account/Sundry Deposit account is credited/debited respectively.

- Ask for and analyse their year-wise break-up.
- Check the nature of entries parked in such Accounts.
- Check any movement in such old balances and whether the same is genuine and has been properly authorised by the competent authority.
- Check for any revenue items lying in such accounts and whether proper treatment has been given for the same.

Auditors Report & Memorandum of Changes

- The Auditors Report should be a self contained document and should contain no reference of any point made in any other report including the LFAR;
- Include Audit Qualifications in the Auditors Report and not in the LFAR;
- Quantify the Audit Qualifications for a better appreciation of the point made to the reader;
- For suggesting any changes in the financial statements of the branch, quantify the same in the Memorandum of Changes (MOC) and make it a subject matter of qualification and annexe it to the Auditors Report. Summary of Memorandum of Changes (MOC) is required to be given in Auditors Report as per revised format as issued by ICAI.

Long Form Audit Report (LFAR)

- Study the LFAR Questionnaire thoroughly;
- Plan the LFAR work along with the statutory audit right from day one;
- The LFAR questionnaire is a useful tool for planning the statutory audit of a bank's branch;
- Complete and submit the Auditors Audit Report as well as the LFAR simultaneously;
- Be specific while replying the LFAR;
- Give instances of shortcomings/weaknesses existing in the respective areas of the branch functioning in the LFAR;
- Advances check-list for giving list of accounts with adverse features;
- The LFAR should be sufficiently detailed and quantified so that they can be expeditiously consolidated by the bank.

System

- Review off-site backup and daily backup procedure of Bank
- Exception reports viz. password errors, limit verification, irregular advances
- Custodian of pass word and unauthorized access of password, computer room
- Periodical report to controlling authority on functioning of computerised system and compliance of controlling authority instructions in this respect

General

- Send a letter of your requirements to the branch before commencing the audit.
- Obtain the latest status of cases involving fraud, vigilance and matters under investigation having effect on the accounts and its reporting requirement.
- Obtain a Management Representation Letter (MRL)
- Obtain a certificate from Branch-in-charge on specific issues (format as per page **33**)

Draft of Management Representation Letter to be obtained from the Branch Management

Date: _____

M/s. XYZ & Co.
Chartered Accountants
Mumbai

Dear Sirs,

Sub.: Audit for the period ended 31-3-2015

This representation letter is provided in connection with your audit of the financial statements of _____ branch of _____ BANK for the period ended 31-3-2015 for the purpose of expressing an opinion as to whether the financial statements give a true and fair view of the financial position of _____ branch of _____ BANK as of 31-3-2015 and of the results of operations for the period then ended. We acknowledge our responsibility for preparation of financial statements in accordance with the requirements of the Reserve Bank of India and recognised accounting policies and practices, including the Accounting and Auditing Standards issued by the Institute of Chartered Accountants of India.

We confirm, to the best of our knowledge and belief, the following representations:

ACCOUNTING POLICIES

1. The accounting policies, which are material or critical in determining the results of operations for the period or financial position are set out in the financial statements and are consistent with those adopted in the financial statements for the previous period. The financial statements are prepared on accrual basis except as stated otherwise in the financial statements.

ASSETS

2. The branch has a satisfactory title to all assets and there are no liens or encumbrances on the company's assets.

FIXED ASSETS

3. The net book values at which fixed assets are stated in the balance sheet are arrived at:
 - a. after taking into account all capital expenditure on additions thereto, but no expenditure properly chargeable to revenue;
 - a. after eliminating the cost and accumulated depreciation relating to items sold, discarded, demolished or destroyed;
 - b. after providing adequate depreciation on fixed assets during the period.

CAPITAL COMMITMENTS

4. At the balance sheet date, there were no outstanding commitments for capital expenditure excepting those disclosed in Note No. ____ to the financial statements.

INVESTMENTS

5. The current investments as appearing in the balance sheet consist of only such investments as are by their nature readily realisable and intended to be held for not more than one year from the respective dates on which they were made. All other investments have been shown in the balance sheet as 'long-term investments'.

6. Current investments have been valued at the lower of cost or fair value. Long-term investments have been valued at cost, except that any permanent diminution in their value has been provided for in ascertaining their carrying amount.
7. In respect of offers of right issues received during the year, the rights have been either been subscribed to, or renunciated, or allowed to lapse. In no case have they been renunciated in favour of third parties without consideration which has been properly accounted for in the books of account.
8. All the investments produced to you for physical verification belong to the entity and they do not include any investments held on behalf of any other person.
9. The entity has clear title to all its investments including such investments which are in the process of being registered in the name of the entity or which are not held in the name of the entity. There are no charges against the investments of the entity except those appearing in the records of the entity.

LOANS AND ADVANCES

10. The following items appearing in the books as at 31st March, 2015 are considered good and fully recoverable with the exception of those specifically shown as "doubtful" in the Balance Sheet:
Loans and Advances Rs.

OTHER CURRENT ASSETS

11. In the opinion of the Board of Directors, other current assets have a value on realization in the ordinary course of the company's business, which is atleast equal to the amount at which they are stated in the balance sheet.

CASH & BANK BALANCES

12. The cash balance as on 31st March, 2015 is Rs. _____.
The bank balances as on _____ is as under:

	Bank Rs. _____
	Bank Rs. _____
	Bank Rs. _____

LIABILITIES

13. We have recorded all known liabilities in the financial statements.
14. We have disclosed in notes to the financial statements all guarantees that we have given to third parties and all other contingent liabilities.
15. Contingent liabilities disclosed in the notes to the financial statements do not include any contingencies, which are likely to result in a loss and which, therefore, require adjustment of assets or liabilities.

PROVISIONS FOR CLAIMS AND LOSSES

16. Provision has been made in the accounts for all known losses and claims of material amounts.
17. There have been no events subsequent to the balance sheet date, which require adjustment of, or disclosure in, the financial statements or notes thereto.

PROFIT AND LOSS ACCOUNT

18. Except as disclosed in the financial statements, the results for the period were not materially affected by:
 - Transactions of a nature not usually undertaken by the bank;
 - a. Circumstances of an exceptional or non-recurring nature;
 - b. Charges or credits relating to prior years;
 - c. Changes in accounting policies.

GENERAL

Dear Sir:

Sub.: Statutory Audit of your branch for the year 2014-2015

As you are aware, we have been appointed as the Statutory Auditor to report on the accounts of your Branch for the year 2014-2015.

Our Tentative Program for Branch Visit is as below:

.....

In order to enable us to finalise the audit programme and furnish our report on the audit of the accounts for the year 2014-2015 of your branch, may we request you to keep ready the information/clarification as stated below and make the same available to our audit team at the earliest.

- a. **Latest Reports** The following latest reports on the accounts of your bank, and compliance by the bank on the observations contained therein may be kept ready for our perusal:
- a. Latest RBI Inspection Report;
 - b. Internal/Concurrent Audit Reports;
 - c. Previous Statutory Audit Report
 - d. Head Office Inspection Reports;
 - e. Internal Inspection Reports;
 - f. Revenue Audit Report (if any);
 - g. Income and Expenditure Control Report (if any);
 - h. Report on any other Inspection/Audit that may have been conducted during the course of the year relevant to the financial year 2014-2015.

b. Circulars in connection with accounts

Please let us have a copy of the Head Office circulars/instructions in connection with the closing of your accounts for the year, to the extent not communicated to us or incorporated in our letter of appointment.

c. Accounting policies

Kindly confirm whether, as compared to the earlier year, there are any changes in the accounting policies during the year under audit.

If so, please let us have a list and a copy of the accounting policy/ies amended by the bank during the year covered by the current audit and compute the financial effect thereof to enable us to verify the same.

d. Balancing of books

Kindly confirm the present status of balancing of the subsidiary records with the relevant control accounts. In case of differences between balances in the control and subsidiary records, please give the details thereof and let us know the efforts being made to reconcile/balance the same. This information may be given head-wise for the relevant control accounts, indicating the date when the balances were last tallied.

e. Deposits

- a. Please let us have the interest rate structure, applicable for the current year, for all the types of deposits accepted by the branch.
- b. Kindly confirm having transferred Overdue/Matured Term Deposits to Current Account Deposit. If not, details/particulars of credit balances comprising Overdue/Matured Term Deposits as at the year-end which continue to be shown as Term Deposit, particularly where the branch does not have any instructions/communication for renewal of such deposits from the account holder and amount of provision of interest made on such overdue/matured term deposits, should be separately marked out and be kept ready for our reference.

b. Advances

- a. Kindly confirm whether in respect of the advances against tangible securities, the branch holds evidence of existence and latest market value of the relevant securities as at the year-end.
- b. Kindly inform the year-end status of the accounts, particularly those which have been adversely commented upon in the latest reports of RBI/Internal Auditors/Concurrent Auditors/Statutory Auditors, etc. on the branch as also accounts in respect of which provisions have been made/recommended as at the previous year-end.

Information in relation to such advances accounts where provision computed/recommended may please be prepared indicating:

Category of bank branch (on the basis of quantum of advances)	Rates of audit fees (₹)
Up to ₹ 10 crore	40250/-
Above ₹ 10 crore up to ₹ 20 crore	57500/-
Above ₹ 20 crore up to ₹ 30 crore	79350/-
Above ₹ 30 crore up to ₹ 50 crore	120750/-
Above ₹ 50 crore up to ₹ 75 crore	138000/-
Above ₹ 75 crore up to ₹ 125 crore	182850/-
Above ₹ 125 crore up to ₹ 175 crore	228850/-
Above ₹ 175 crore up to ₹ 300 crore	287500/-
Above ₹ 300 crore up to ₹ 500 crore	324300/-
Above ₹ 500 crore up to ₹ 1000 crore	359950/-
Above ₹ 1000 crore up to ₹ 5000 crore	395600/-
Above ₹ 5000 crore	431250/-

The main operating office of the bank (irrespective of the fact whether it is attached to Head / Central Office of the bank or functions as a separate unit), CPUs/LPUs/and other centralized hubs by whatever nomenclature called which are taken up for the purpose of statutory branch audit during a particular year so as to cover 90% of advances of a bank will be treated as any other branch and the fees admissible for the audit work thereof will be on the basis of the above mentioned schedule.

For branches where there is no advances portfolio such as service branches, specialised branches etc., or those operating as NPA recovery branches the banks, in consultation with the Audit Committee of the Board, should propose the revised fees depending on the volume of business of the branches, existing fee, etc. for the approval of RBI on a case to case basis.

B. Fees for LFAR

Head Office / Controlling Offices	25% of the basic audit fee excluding fee for scrutiny and incorporation of branch returns.
Branches	10% of the basic audit fee payable for audit of respective branch.

In respect of branches below the cut-off point of the threshold limit of branches to be taken up for statutory audit, as stipulated from time to time, which may not generally be subjected to statutory audit but are subjected to concurrent audit by chartered accountants and where LFARs and other certifications done earlier by SBAs are required to be submitted by the concurrent auditors, the fees payable to the concurrent auditors may be based on the above prescription.

No separate TA/HA shall be payable for LFAR / Tax Audit of Head / Controlling Offices and branches.

C. Fees for additional certifications

It has been decided that an additional remuneration @ 12% of the basic audit fees shall be payable for the following certifications/validations required to be made in terms of various circulars/guidelines

issued by RBI and any other certification/validation included from time to time as per RBI requirements.

- i) Verification of SLR requirements under Section 24 of BR Act, 1949 on 12 odd dates in different months in a year, not being Fridays.
- ii) A certificate to the effect that the bank has been following RBI guidelines regarding (a) asset classification, (b) income recognition (c) provisioning, and also to the effect that the bank has followed RBI guidelines in regard to the investment transactions/treasury operations.
- iii) A certificate in respect of reconciliation of bank's investments (on own account as also under PMS).
- iv) A certificate for compliance in key areas by the banks.
- v) A certificate in respect of custody of unused BR forms.
- vi) Authentication of bank's assessment of Capital Adequacy Ratio in the 'Notes on Accounts' attached to the balance sheet and various other ratios / items to be disclosed in the 'Notes on Accounts'.
- vii) Certificate regarding loan portfolio review if the bank seeks World Bank assistance (Capital Restructuring Loan).
- viii) Certification regarding DICGC items.
- ix) Verification of SLR and CRR returns submitted by the bank to RBI during the period under audit and confirming the same to RBI and the bank under audit.

- x) To comment upon the status of compliance by the bank as regards the implementation of the recommendations of the Ghosh Committee and the Working Group on internal controls.
- xi) Commenting upon the credit deposit ratio in the rural areas as per the instructions of Government of India.
- xii) Reporting of instances of suspected fraud if any, noticed during the course of statutory audit as per Mitra Committee Recommendations.

As hitherto, no fee is payable to branch auditors for additional attestations.

D. Fees for additional certifications required by Securities and Exchange Board of India (SEBI)

As regards fee for additional certificates / attestations prescribed by SEBI and other regulators, the banks may decide in consultation with the Audit Committee of the Board/ Board.

E. Fees for auditing of consolidated financial statements

For this purpose banks may pay a maximum of Rs.20,625/- only per subsidiary / associate whose accounts are to be consolidated in the balance-sheet of a bank. The banks have freedom to offer lesser fee if the subsidiary / associate concerned is not active or is dormant.

F. Fee for quarterly / half yearly limited review

The fee for carrying out quarterly / half yearly limited review to be paid to statutory central auditors may continue to be 20% of the basic audit fee. It is further clarified that revised basic audit fee payable from 2012-13 will be applicable for computing the fee for limited review from the quarters ending June 30, 2013 onwards and not for the review carried out during the quarters ended June 30 / September 30 / December 31, 2012.

The concurrent auditors assisting the review process may continue to be paid a reasonable token fee as advised in our circular letter DBS.ARS.No.BC.17/ 08.91.001/2002-03 dated June 05, 2003.

H. Reimbursement of Travelling and Halting Allowances and Daily Conveyance Charges

1. For reimbursement of the lodging & boarding charges, travelling allowance and daily conveyance payable to statutory auditors, the banks are given the discretion to decide the same in a cost effective manner in mutual consent with the auditors. Further, in no circumstances should the rate exceed the IBA prescription for the respective ceiling. The categories of officers linked for the purpose of deciding the ceiling limits are given below:

Sl. No.	Category of Audit officials	Equivalent scale of Bank officials (as per IBA)
1	Partners/proprietors	VII – General Manager
2	Qualified Assistants	III – Senior Manager
3	Un-Qualified Assistants	I - Officers

2. With regard to the reimbursement of travelling, halting allowance and daily conveyance charges, following observations may be noted:

- i) Wherever banks have Guest House or Visiting Officers' Flats, the same may be utilized to cater to the needs of the auditors.
- ii) Banks should call for such details as are necessary for verification of bills in this regard and the statutory central auditors as well as branch auditors shall furnish such details for verification of the actual expenses.
- iii) Where the statutory central auditors have their headquarters at a place different from that where the Head/Central Office of the bank is situated, but have an office at the same place as the Head/Central Office of the bank, the TA/HA, if any, should be nominal for the central audit. However, to ensure the quality of audit, there should be no objection to the partners of the firm visiting the Head/Central Office of the bank as and when they deem it necessary.
- iv) Where the statutory central auditors or branch auditors have an office at the place where the branches/offices of the bank to be audited are situated, they will not be reimbursed TA/HA. However, local conveyance may be reimbursed.
- v) The TA/HA should be kept to the minimum.
- vi) In case of dispute between the auditors and the bank regarding settlement of their bills, the CMD/MD of the bank shall be the final authority to decide the claims. The CMD/MD has to satisfy himself that the actual expenses have been incurred by a particular auditor and the claims are settled keeping in view the aforesaid RBI guidelines.

Overall Audit Plan - Audit Programme

A. While drafting the audit programme, the type of reports to be submitted have to be considered. There are four types of reports.

- a. Unqualified Report
- b. Qualified Report
- c. Disclaimer of Opinion
- d. Adverse Report

B. **Various types of reports include:**

- Jilani Committee Report
- Ghosh Committee Report
- Special Reports as applicable (Prime Minister Rojgar Yojana Scheme Report etc.)
- Long Form Audit Report
- Tax Audit Report
- Main Report (Sec. 30(3) of Banking Regulation Act, 1949)

C. **Accounting standards not applicable to bank**

Of the effective twenty eight standards, the following standards are not applicable to banks to the extent specified.

- (a) AS 13, Accounting for Investments, does not apply to investments of banks.
- (b) AS 11, "The Effects of Changes in Foreign Exchange Rates", does not apply to accounting of exchange difference arising on a forward exchange contract entered into to hedge the foreign currency risk of a firm commitment or a highly probable forecast transaction.

D. **Considerations for overall audit Plan**

Independent Bank Branch Auditor's Report

To,
The Statutory Central Auditors
_____ Bank

Report on Financial Statements

1. We have audited the accompanying Financial Statements of _____ Branch of _____ (name of the Bank) which comprise the Balance Sheet as at 31st March 20XX, Profit and Loss Account for the year then ended, and other explanatory information.

Management's Responsibility for the Financial Statements:

2. Management of the Branch is responsible for the preparation of these Financial Statements that give true and fair view of the financial position and financial performance of the Branch in accordance with the Banking Regulation Act, complying with Reserve Bank of India Guidelines from time to time. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility:

3. Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

4. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The Procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our Audit opinion.

Opinion

6. In our opinion, and to the best of our information and according to the explanation given to us, read with the Memorandum of Changes mentioned in paragraph 11 below, the financial statements give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Balance Sheet, of the state of affairs of the Branch as at March 31, 20XX; and
- (b) in the case of Profit and Loss Account, of the Profit / Loss for the year ended on that date;

Report on Other Legal and Regulatory Requirements

7. The Balance Sheet and the Profit and Loss Account have been drawn up in accordance with Section 29 of the Banking Regulation Act, 1949;

8. Subject to the limitations of the audit as indicated in Paragraphs 3 to 5 above and paragraph 10 below, we report that:

- a. We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of the audit and have found them to be satisfactory.
- b. The transactions of the branch which have come to my/our notice have been within the powers of the Bank.

9. We further report that:

- a. the Balance Sheet and Profit and Loss account dealt with by this report are in agreement with the books of account and returns;
- b. in our opinion, proper books of account as required by law have been kept by the branch so far as appears from our examination of those books;

Other Matters

10. No adjustments/provisions have been made in the accounts of the Branch in respect of matters usually dealt with at Central Office, including in respect of:

- (a) Bonus, ex-gratia, and other similar expenditure and allowances to branch employees;
- (b) Terminal permissible benefits to eligible employees on their retirement (including additional retirement benefits), Gratuity, Pension, liability for leave encashment benefits and other benefits covered in terms of 'AS 15 –Employee Benefits' issued by the Institute of Chartered Accountants of India;
- (c) Arrears of salary/wages/allowances, if any, payable to staff;
- (d) Staff welfare contractual obligations;
- (e) Old unreconciled/unlinked entries at debit under various heads comprising Inter branch/office Adjustments;
- (f) Interest on overdue term deposits;
- (g) Depreciation on fixed assets;
- (h) Auditors' fees and expenses;
- (i) Taxation (Current Tax and Deferred Tax).
