Page 2 of 28

AMENDMENTS BY FINANCE ACT, 2011 IN INCOME TAX ACT, 1961

(iii) Domestic company

Current Rate of Surcharge has been reduced to 5%.

(iv) Foreign company

Current Rate of Surcharge has been reduced to 2%.

Marginal relief is available in case of such companies having a total income exceeding Rs.1 crore i.e. the additional amount of income-tax payable (together with surcharge) on the excess of income over Rs.1 crore should not be more than the amount of income exceeding Rs.1 crore.

Example

Compute the tax liability of X Ltd., assuming that the total income of X Ltd. is Rs.1,01,00,000 and the total income does not include any income in the nature of capital gains.

The tax payable on total income of Rs.1,01,00,000 of X Ltd. computed @ 31.5% (including surcharge) is Rs.31,81,500. However, the tax cannot exceed the tax of Rs.30,00,000 payable on total income of Rs.1 crore by more than the Rs.1,00,000, being the amount of total income exceeding Rs.1 crore. Therefore, the tax payable on Rs.1,01,00,000 would be Rs.31,00,000 (30,00,000 + 1,00,000). The marginal relief is Rs.81,500 (i.e. Rs.31,81,500 - Rs.31,00,000).

Note - Marginal relief would also be available to those companies which are subject to minimum alternate tax under section 115JB, in cases where the book profit exceeds Rs.1 crore.

Education cess/ Secondary and higher education cess on income-tax

This is applicable at the same previous rate of 2% and 1% respectively on the Tax (inclusive of Surcharge)

2. BASIC CONCEPTS

Charitable Society

Increase in monetary limit in respect of permissible receipts from trading activity for an institution with the object of "advancement of any other object of general public utility" to retain its "charitable" status [Section 2(15)]

- (i) Section 2(15) defines "charitable purpose" to include relief of the poor, education medical relief, preservation of environment (including watershed, forests and wildlife) and preservation of monuments or places or objects of artistic or historic interest, and the advancement of any other object of general public utility. However the "advancement of any other object of general public utility" shall not be a charitable purpose, if it involves the carrying on of any activity in the nature of trade commerce or business, or any activity of rendering any service in relation to any trade, commerce or business, for a cess or fee or any other consideration irrespective of the nature of use or application, or retention, of the income from such activity.
- (ii) The Amendment brought in by Finance Act, 2008 w.e.f. 1.4.2009, laid out that where an charitable society falling within the scope of "advancement of any other object of general public utility" shall not be considered as a charitable society for the purpose of Income Tax Act, if it engages out and carries on any trading (business) activity.
- (iii) But soon the center realized that this was causing a genuine hardship on them and so it gave a relaxation by Finance Act, 2010 and liberalized the norms from no trading activity to a permissible activity of trade, commerce or business or rendering any service for a cess or fee, provided the aggregate value of receipts from such activities does not exceed Rs.10 lakh in the year under consideration. And the amendment was brought into effect retrospectively from A.Y. 2009-10.

AMENDMENTS BY FINANCE ACT, 2011 IN INCOME TAX ACT, 1961

- (iv) Now the same above stated limit of Rs.10 lakhs has been increased to Rs.25 lakhs by the Finance Act, 2011 with effect from A.Y. 2012-13.

Example

An institution having its main object as "advancement of general public utility" received Rs.30 lakhs in aggregate during the P.Y. 2011-12 from an activity in the nature of trade. It applied 85% of its receipt from such activity during the same year for its main object i.e. advancement of general public utility.

- (i) What would be the tax consequence of such receipt and application thereof by the institution?
- (ii) Would your answer be different if the institution had received Rs.23 lakhs (instead of Rs.30 lakhs) in aggregate during the P.Y. 2011-12 from an activity in the nature of trade?
- (iii) What would be your answer if the main object of the institution is "relief of the poor" and the institution receives Rs.30 lakhs from a trading activity and applies 85% of the said receipts for its main objects?

Answer

- (i) As the main object of the institution is "advancement of object of general public utility", the institution will lose its "charitable" status for the P.Y. 2011-12, since it has received Rs.30 lakhs from an activity in the nature of trade. The application of 85% of such receipt for its main object during the year would not help in retaining its "charitable" status for that year.
- (ii) If the institution receives only Rs.23 lakhs in aggregate from an activity in the nature of trade during the P.Y. 2011-12, then it will not lose its "charitable" status since receipt of upto Rs.25 lakhs in a year from such activity is permissible as per the amendment by the Finance Act, 2011. The institution can claim exemption subject to fulfillment of other conditions under sections 11 to 13.
- (iii) The restriction regarding carrying on of a trading activity for a cess, fee or other consideration will not apply if the main object of the institution is "relief of the poor". Therefore, receipt of Rs.30 lakhs from a trading activity by such an institution will not affect its "charitable" status. The institution can claim exemption subject to fulfillment of other conditions under section 11 to 13.

3. INCOMES WHICH DO NOT FORM PART OF TOTAL INCOME

(a) Exemption of specified allowances and perquisites paid to Chairman or a retired Chairman or any other member or retired member of the UPSC (Union Public Service Commission) [Section 10(45)]

- (i) Under the Income-tax Act, 1961, allowances and perquisites received by an employee are taxable under the head "Salaries" unless they are specifically exempted.
 - (ii) New clause (45) has been inserted in section 10 to exempt specified allowances and perquisites received by Chairman or any other member including retired Chairman/member, of the Union Public Service Commission (UPSC).
 - (iii) The exemption would be available in respect of such allowances and perquisites as may be notified by the Central Government in this behalf.
- (Effective retrospectively from A.Y. 2008-09)

(b) Exemption of specified income of notified entities not engaged in commercial activity [Section 10(46)]

Related amendment in section: 139(4C)

- (ii) For availing the benefit of exemption under this clause, the body or authority or Board or Trust or Commission should be set up or constituted by or under a Central, State or Provincial Act or constituted by the Central or State Government with the object of regulating or administering an activity for the benefit of the general public.
- (iii) Further, the body or authority or Board or Trust or Commission should –

(iv) Section 139(4C) has been amended to require such body or authority or Board or Trust or Commission to furnish its return of income for the previous year in the prescribed form within the period specified under section 139(1), if its total income, without giving effect to the exemption under section 10(46), exceeds the basic exemption limit.

(c) Exemption of income of notified infrastructure debt funds and concessional tax rate on interest received by non-residents from such fund [Section 10(47) & 115A]

Related amendment in sections: 194LB & 139(4C)

- (i) In order to give a fillup to infrastructure and encourage inflow of long-term foreign funds to this sector, the Central Government to notify infrastructure debt funds to be set up in accordance with the prescribed guidelines, the income of which would be exempt from tax.
- (ii) Interest income received by a non-resident or a foreign company from such fund would be subject to tax at a concessional rate of 5% under section 115A on the gross amount of such interest income as compared to tax @ 20% on other interest income of non-resident.
- (iii) Accordingly, tax would be deductible @ 5% on interest paid/credited by such fund to a non-resident/foreign company. The person responsible for making the payment shall, at the time of credit of such income to the account of the payee or at the time of payment thereof in cash or by issue of a cheque or draft or by any other mode, whichever is earlier, deduct income-tax @ 5%. This is provided for in new section 194LB.
- (iv) Section 139(4C) has been amended to require such infrastructure debt fund to furnish its return of income for the previous year in the prescribed form within the period specified under section 139(1), if its total income, without giving effect to the exemption under section 10(47), exceeds the basic exemption limit.
(Effective from 1st June, 2011)

4. PROFITS AND GAINS OF BUSINESS OR PROFESSION

(a) Increase in percentage of weighted deduction under section 35(2AA) to 200%

(Effective from A.Y. 2012-13)

(b) Expansion of scope of “specified business” for provision of “investment-linked tax incentives” under section 35AD and for set-off of losses under section 73A

(i) Currently under investment-linked tax incentives Scheme under section 35AD there are 6 lines of Industry listed as specified business, namely, -

- Setting-up and operating ‘cold chain’ facilities for specified products;
- Setting-up and operating warehousing facilities for storing agricultural produce;
- Laying and operating a cross-country natural gas or crude or petroleum oil pipeline network for distribution, including storage facilities being an integral part of such network;
- Building and operating a new hotel of two-star or above category anywhere in India;
- Building and operating a new hospital, anywhere in India, with at least 100 beds for patients;
- Developing and building a housing project under a scheme for slum redevelopment or rehabilitation framed by the Central Government or a State Government, as the case may be, and notified by the CBDT in accordance with the prescribed guidelines.

(ii) The scope of specified business has been extended by adding two more business lines, namely: -

- 1) Developing and building a housing project under a notified scheme for affordable housing framed by the Central Government or State Government; and
- 2) Production of fertilizer in India.

(iii) But it is important to note that the two business lines that have been added should commence their operations on or after 1st of April 2011

(iv) Further in case of the Fertilizer Plants the Scheme can be adopted for the existing business line also but only to the extent of the new plant or to the extent of the increment in the Installed capacity of the existing plant, provided that production starts after 1.4.2011

(Effective from A.Y. 2012-13)

(v) And Most importantly in respect of the business of hotels and hospitals, the word “new” has been removed from the definition of “specified business”. Therefore, “specified business” means the business of building and operating, anywhere in India.

- 1) A hotel of two-star or above category as classified by the Central Government;
- 2) A hospital with at least one hundred beds for patients.

Important Note: - Consequently, the loss of an assessee claiming deduction under section 35AD in respect of a specified business can be set-off against the profit of another specified business under section 73A, irrespective of whether the latter is eligible for deduction under section 35AD. As assessee can, therefore, set-off the losses of a hospital or hotel which begins to operate after 1st April, 2010 and which is eligible for deduction under section 35AD, against the profits of the existing business of operating a hospital (with atleast 100 beds for patients) or a hotel (of two-star or above category), even if the latter is not eligible for deduction under section 35AD.

(Effective from A.Y. 2011-12)

AMENDMENTS BY FINANCE ACT, 2011 IN INCOME TAX ACT, 1961

Example

XYZ Ltd. commenced operations of the business of a new three-star hotel in Madurai, Tamil Nadu on 1.4.2011. The company incurred capital expenditure of Rs.50 lakh during the period January, 2011 to March, 2011 exclusively for the above business and capitalized the same in its books of account as on 1st April, 2011. Further, during the P.Y. 2011-12, it incurred capital expenditure of Rs.2 crore (out of which Rs.1.50 crore was for acquisition of land) exclusively for the above business. Compute the income under the head "Profits and gains of business or profession" for the A.Y. 2012-13 assuming that XYZ Ltd. has fulfilled all the conditions specified for claim of deduction under section 35AD and has not claimed any deduction under Chapter VI-A under the heading "C, - Deductions in respect of certain incomes". The profits from the business of running this hotel (before claiming deduction under section 35AD) for the A.Y. 2012-13 is Rs.25 lakhs. Assume that the company also has another existing business of running a four-star hotel in Coimbatore, which commenced operations 5 years back, the profits from which are Rs.120 lakhs for the A.Y. 2012-13.

Solution

Particulars	Rs.
Profits from the specified business of new hotel in Madurai (before providing deduction under section 35AD)	25 lakh
Less: Deduction under section 35AD	
Capital expenditure incurred during the P.Y. 2011-12 (excluding the expenditure incurred on acquisition of land) = Rs.200 lakh – Rs.150 lakh (See point no. (ii) above)	50 lakh
Capital expenditure incurred prior to 1.4.2011 (i.e., prior to commencement of business) and capitalized in the books of Account as on 1.4.2011 (See point no. (iii) above)	<u>50 lakh</u>
Total deduction under section 35AD for A.Y. 2012-13	<u>100 lakh</u>
Loss from the specified business of new hotel in Madurai	(75 lakh)
Profit from the existing business of running a hotel in Coimbatore	<u>120 lakh</u>
Net profit from business after set-off of loss of specified business against profits of another specified business under section 73A	<u>45 lakh</u>

(c) Employer's contribution to the account of the employee under a Pension Scheme referred to in section 80CCD to be deductible as a business expenditure [Section 36(1)(iva)]

Related amendment in sections: 40A(9) & 80CCE

- Previously The deduction on account of the contribution to Pension Scheme was available under section 37 but now a specific Clause (iva) has been inserted in section 36(1) for the same.
- But the quantum of deduction has however been restricted to 10% of salary of the employee in the previous year.
- And Salary, for this purpose, shall mean and will include dearness allowance, if the terms of employment so provide, (i.e. DA(if)) but excludes all other allowances and perquisites.
- Correspondingly, section 40A(9), which provides for disallowance of any sum paid by an employer towards contribution to any fund or trust has been amended to exclude from the scope of its disallowance, contribution by an employer to the pension scheme referred to in section 80CCD, to the extent to which deduction is allowable under section 36(1)(iva),*
- Further now such contribution made by the employer to the pension scheme shall also be allowable as deduction under section 80CCD in the hands of the employee, but the same shall not be included within the overall ceiling limit of deduction specified u/s 80CCE of Rs. 1 Lakh.

(Effective from A.Y. 2012-13)

Examples

1) Computation of deduction in the hands of the employer in respect of contribution to pension scheme

X Ltd. contributes 20% of basic salary to the account of each employee under a pension scheme referred to in section 80CCD. Dearness Allowance is 40% of basic salary and it forms part of pay of the employees. Compute the amount of deduction allowable under section 36(1)(iva), if the basic salary of the employees aggregate to Rs.10 lakh. Would disallowance under section 40A(9) be attracted, and if so, to what extent?

AMENDMENTS BY FINANCE ACT, 2011 IN INCOME TAX ACT, 1961

Answer

Computation of deduction allowable under section 36(1)(iva) and disallowance under section 40A(9)

Particulars	Rs.
Basic Salary	10,00,000
Dearness Allowance @ 40% of basic salary [DA forms part of pay]	<u>4,00,000</u>
Salary for the purpose of section 36(1)(iva) (Basic Salary + DA)	<u>14,00,000</u>
Actual contribution (20% of basic salary i.e., 20% of Rs.10 lakh)	2,00,000
Less: Permissible deduction under section 36(1)(iva) (10% of basic salary plus dearness pay = 10% of Rs.14,00,000 = Rs.1,40,000)	<u>1,40,000</u>
Excess contribution disallowed under section 40A(9)	<u>60,000</u>

2) Tax treatment of employer's and employee's contribution to pension scheme in the hands of the employee

The basic salary of Mr. A is Rs.20,000 p.m. He is entitled to dearness allowance, which is 40% of basic salary. 50% of dearness allowance forms part of pay for retirement benefits. Both Mr. A and his employer contribute 15% of basic salary to the pension scheme referred to in section 80CCD. Explain the tax treatment in respect of such contribution in the hands of Mr. A.

Answer

Tax treatment in the hands of Mr. A in respect of employer's and own contribution to pension scheme referred to in section 80CCD

(a) Employer's contribution to such pension scheme would be treated as salary since it is specifically included in the definition of "salary" under section 17(1)(viii). Therefore, Rs.36,000, being 15% of basic salary of Rs.2,40,000, will be included in Mr. A's salary.

(b) Mr. A's contribution to pension scheme is allowable as deduction under section 80CCD(1). However, the deduction is restricted to 10% of salary. Salary, for this purpose, means basic pay plus dearness allowance, if it forms part of pay.

Therefore, salary for the purpose of deduction under section 80CCD, in this case, would be –

Particulars	Rs.
Basic Salary = 20,000 × 12 =	2,40,000
Dearness Allowance = 40% of Rs.2,40,000 = Rs.96,000	
50% of DA forms part of pay = 50% of Rs.96,000	<u>48,000</u>
Salary for the purpose of deduction u/s 80CCD	<u>2,88,000</u>
Deduction u/s 80CCD(1) = 10% of Rs.2,88,000	28,800
(as against actual contribution of Rs.36,000, being 15% of basic salary of Rs.2,40,000)	

Rs.28,800 is allowable as deduction under section 80CCD(1). This would be taken into consideration and be subject to the overall limit of Rs.1 lakh under section 80CCE.

Employer's contribution to pension scheme would be allowable as deduction under section 80CCD(2), subject to a maximum of 10% of salary. Therefore, deduction under section 80CCD(2), would also be restricted to Rs.28,800, even though the entire employer's contribution of Rs.36,000 is included in salary under section 17(1)(viii). However, this deduction of employer's contribution of Rs.28,800 to pension scheme would be outside the overall limit of Rs.1 lakh under section 80CCE i.e., this deduction would be over and above the other deductions which are subject to the limit of Rs.1 lakh

6. TRANSFER PRICING

(a) Permissible variation between ALP and transfer price to be such percentage of the transfer price, as may be notified by the Central Government [Section 92C]

- (i) Now a Variation of 5% have been allowed as a permissible variation between the ALP and the transfer pricing as determined by the TPO so as to avoid the hardship in the matter of unavoidable and reasonable circumstances.
 - (ii) Section 92C requires application of the most appropriate method for determination of arm's length price (ALP). Where more than one price is determined by the most appropriate method, the ALP shall be the arithmetical mean of such prices. However, if the ALP so determined is within 5% of the transfer price, then no adjustment is required to be made and the transfer price would be deemed to be the ALP of the international transaction.
 - (iii) The permissible variation at a standard rate of 5% of the transfer price for all segments of business activity and range of international transactions has been substituted by such percentage of the transfer price, as may be notified by the Central Government in this behalf [Second provision to section 92C(2)]
- (Effective for A.Y. 2012-13)

(b) Broadening the scope of powers of Transfer Pricing Officer (TPO) [Section 92CA (2A) & (7)]

The powers of the TPO under section 92CA have been extended to empower him to –

- (i) Determine the arm's length price of other international transactions, identified subsequently in course of proceedings before him. So far, his powers were restricted to determining the ALP of international transactions referred to him by the Assessing Officer.
- (ii) Conduct a survey by exercising the powers conferred upon an income-tax authority under section 133A for the purpose of determining the ALP.

(Effective for 1st June, 2011)

(c) Introduction of specific anti-avoidance measures in respect of transactions with persons located in notified jurisdictional area [New Section 94A]

The objective of the introduction of anti-avoidance measures is to discourage Assessee's from entering into transactions with persons located in countries or territories which do not have effective information exchange mechanism with India.

The following are the anti-avoidance measures introduced –

- (i) *The Central Government empowered to notify any such country or territory outside India as a NJA (Notified Jurisdictional Area), having regard to the lack of effective exchange of information with such country or territory.*
- (ii) *A transaction where one of the parties thereto is a person located in a NJA would be deemed to be an international transaction and all parties to the transaction to be deemed as associated enterprises, and accordingly, all the provisions of transfer pricing to be attracted in case of such a transaction. However, the benefit of permissible variation between the ALP and the transfer price [provided for in the second proviso to section 92C(2)] based on the rate notified by the Central Government would not be available in respect of such transaction.*
- (iii) *Such transaction may be in the nature of –*
 - (1) *Purchase, sale or lease of tangible or intangible property or*
 - (2) *Provision of service or*
 - (3) *Lending or borrowing money or*
 - (4) *Any other transaction having a bearing on the profits, income, losses or assets of the assessee. It may include a mutual agreement or arrangement for allocation or*

AMENDMENTS BY FINANCE ACT, 2011 IN INCOME TAX ACT, 1961

apportionment of, or contribution to, any cost or expense incurred or to be incurred in connection with a benefit, service or facility provided or to be provided by or to the assessee.

- (iv) Person located in a NJA shall include a person who is a resident of the NJA and a person, not being an individual, which is established in the NJA. It would also include a permanent establishment of any other person in the NJA.
- (v) Payments made to any financial institution located in a NJA would not be allowed as deduction unless the assessee authorizes the CBDT or any other income-tax authority acting on its behalf to seek relevant information from the financial institution on behalf of the assessee.
- (vi) No deduction in respect of any other expenditure or allowance, including depreciation, arising from the transaction with a person located in a NJA would be allowed unless the assessee maintains the relevant documents and furnishes the prescribed information.
- (vii) Any sum credited or received from a person located in a NJA to be deemed to be the income of the recipient-assessee if he does not explain satisfactorily the source of such money in the hands of such person or in the hands of the beneficial owner, if such person is not the beneficial owner.
- (viii) The rate of TDS in respect of any payment made to a person located in the NJA, on which tax is deductible at source, will be the higher of the following rates –
 - (1) Rates specified in the relevant provision of the Income-tax Act, 1961; or
 - (2) Rate or rates in force; or
 - (3) 30%.

(Effective from 1st June, 2011)

Examples

A Ltd., an Indian company, provides technical services to a company, XYZ Inc., located in a NJA for a consideration of Rs.20 lakhs in October, 2011. It charges Rs.24 lakhs and Rs.26 lakhs for similar services rendered to PQR Inc. and MNO Inc. are not associated enterprises of A Ltd.

Assuming that the variation notified by the Central Government for such class of international transactions is 8% of the transaction price, discuss the tax implication under section 94A read with section 92C in respect of the above transaction of provision of technical services by A Ltd. to XYZ Inc.

Answer

Since XYZ Inc. is located in a NJA, the transaction of provision of technical services by the Indian company, A Ltd., would be deemed to be an international transaction and XYZ Inc. and A Ltd. would be deemed to be associated enterprises. Therefore, the provisions of transfer pricing would be attracted in this case.

The price of Rs.24 lakhs and Rs.26 lakhs charged for similar services from PQR Inc and MNO Inc, respectively, being independent entities located in a non-NJA country, can be taken into consideration for determining the arm's length price (ALP) under Comparable Uncontrolled Price (CUP) Method.

Since more than one price is determined by the CUP Method, the ALP would be the arithmetical mean of such prices.

Therefore, the ALP = Rs.2,50,000 i.e., $(24,00,000 + 26,00,000) / 2$

Transfer price = Rs.20,00,000

Since the ALP is more than the transfer price, the ALP of Rs.25 lakhs would be considered as the income arising from the international transaction between A Ltd. and XYZ Inc.

It may be noted that the benefit of permissible variation between the ALP and the transfer price at the rate notified by the Central Government for a particular class of international transaction would not be available where transfer pricing provisions are attracted under section 94A. Therefore, it is not necessary to determine the impact, if any, of such permissible variation.

(2) Mr. X, a non-resident individual, is due to receive interest of Rs.5 lakhs during March 2012 from a notified infrastructure debt fund eligible for exemption under section 10(47). He incurred expenditure amounting to Rs.10,000 for earning such income. Assuming that Mr. X is a resident of a NJA, discuss the tax implications under section 94A, read with sections 115A and 194LB.

Answer

The interest income received by Mr. X, a non-resident, from a notified infrastructure debt fund would be subject to a concessional tax rate of 5% under section 115A on the gross amount of such interest income. Therefore the tax liability of Mr. X in respect of such income would be Rs.25,750 (being 5% of Rs.5 lakhs plus education cess @

AMENDMENTS BY FINANCE ACT, 2011 IN INCOME TAX ACT, 1961

2% and SHEC@1%).

Under section 194LB, tax is deductible @ 5% on interest paid by such fund to a non-resident. However, since X is a resident of a NJA, tax would be deductible @ 30% as per section 94A, and not @ 5% specified under section 194LB. This is on account of the provisions of section 94A(5), which provides that "Notwithstanding anything contained in any other provision of this Act, where a person located in a NJA is entitled to receive any sum or income or amount on which tax is deductible under Chapter XVII-B, the tax shall be deducted at the highest of the following rates namely –

- (a) At the rate or rates in force;
- (b) At the rate specified in the relevant provision of the Act;
- (c) At the rate of thirty per cent."

7. ASSESSMENT OF VARIOUS ENTITIES

(a) Marginal increase in rate of MAT to maintain the effective rate of MAT [Section 115JB]

- (i) The rate of MAT has been increased in the current year from 18.00% to 18.50%.
(Effective for A.Y. 2012-13)

(b) Concessional rate of tax on dividends received by Indian companies from specified foreign companies [New Section 115BBD]

- (i) Dividends received by Indian companies from specified foreign companies to be subject to a concessional rate of 15% as against the existing rate of 30%.
- (ii) This rate of 15% would be applied on gross dividend, in the sense, that no expenditure would be allowable in respect of such dividend.
- (iii) However, this concessional rate would not be applicable in respect of dividend received from a foreign company in which the holding of the Indian company is less than 26% of the nominal value of the equity share capital.
- (iv) Therefore, if the total income of an Indian company, includes income by way of dividend declared, distributed or paid by a specified foreign company, the income tax payable would be the aggregate of –
 - (a) Income-tax @ 15% on gross dividend from such specified foreign company; and
 - (b) Income-tax with which the assessee would have been chargeable had its total income been reduced by such dividend.
- (v) Specified foreign company means a foreign company in which the Indian company holds 26% or more in nominal value of the equity share capital of the company.

(Effective for A.Y. 2012-13)

Example

A Ltd., an Income company, receive the following dividend income during the P.Y. 2011-12 –

- (1) From shares held in XYZ Inc., a foreign company, in which it holds 25% of nominal value of equity share capital – Rs.80,000;
- (2) From shares held in PQR Inc., a foreign company, in which it holds 30% of nominal value of equity share capital – Rs.1,85,000.
- (3) From shares held in Indian companies – Rs.90,000.

A Ltd. has paid remuneration of Rs.18,000 for realizing dividend, the breakup of which is as follows –

- (1) Rs.4,000 (XYZ Inc.)
- (2) Rs.9,000 (PQR Inc.)
- (3) Rs.5,000 (Indian companies)

The business income of A Ltd. computed under the provisions of the Act is Rs.40 lakh. Compute the total income and tax liability of A Ltd., ignoring MAT.

Answer

Computation of total income of A Ltd.

Particulars	Rs.
Profits and gains of business or profession	40,00,000
Income from other sources (see Note below)	2,61,000
Total income	42,61,000

Particulars	Rs.
From XYZ Inc. – Net dividend (i.e., Rs.80,000 – Rs.4,000) is taxable at normal rates	76,000
From PQR Inc. – Gross dividend is taxable @ 15% u/s 115BBD [no deduction is allowable in respect of any expenditure as per section 115BBD(2)]	1,85,000
From shares in Indian companies Rs.90,000 – exempt under section 10(34) since dividend distribution tax would have been paid under section 115-O [As per section 14, no deduction is allowable in respect of expenditure incurred to earn exempt income]	Nil
	2,61,000
Computation of tax liability of A Ltd.	
Particulars	Rs.

(c) Sunset for MAT exemption for SEZ Developers and units and for dividend distribution tax (DDT) exemption for SEZ Developers [Section 115-O & 115-JB]

Related amendment in section: 10(34)

- (i) SEZ Developers were entitled to exemption from applicability of MAT and DDT and unit in SEZ were entitled to exemption from applicability of MAT.
- (ii) Section 10(34) provides for exemption of dividend referred to in section 115-O in the hands of the recipient. Explanation to section 10(34) clarifies that dividend referred to in section 115-O shall not be included in the total income of the assessee, being a Developer or entrepreneur.
- (iii) A sunset clause has now been introduced to remove MAT exemption w.e.f. A.Y. 2012-13 and remove DDT exemption for dividends declared, distributed or paid on or after 1st June, 2011.
- (iv) Since DDT would be levied under section 115-O on dividends declared distributed or paid on or after 1.6.2011, such income would be exempt in the hands of the recipient under section 10(34). Further, dividend income received by an SEZ Developer or entrepreneur would also be exempt under section 10(34), since the same would have been subject to DDT under section 115-O.
- (v) Therefore, the clarificatory Explanation to section 10(34) has also been omitted w.e.f. 1.5.2011, since the dividend income would be exempt in the hands of the recipient under the main section 10(34) itself.

Note – Since DDT exemption has been removed only with effect from 1st June 2011, such exemption would be available to SEZ Developers in respect of dividend declared, distributed or paid upto 31st May, 2011. It is possible to take a view that DDT would not be attracted in respect of dividend declared on or before 31st May 2011, even if the same is paid after that date.

(d) Increase in rate of additional income-tax on income distributed by a debt fund to a person other than an individual or HUF [Section 115R]

- (i) The rate of additional income-tax on income distributed by a debt fund to a person other than individual or HUF has been increased to 30% w.e.f. 1.6.2011.
- (ii) However, the rate of tax on income distributed by such fund to an individual or HUF would remain the same.
- (iii) Further, distribution of income by an equity-oriented fund would continue to be exempt from tax.
- (iv) The rates of additional income-tax on income distributed by a mutual fund are summarized as under –

Particulars	Where recipient is	Where recipient is
-------------	--------------------	--------------------

AMENDMENTS BY FINANCE ACT, 2011 IN INCOME TAX ACT, 1961

	an individual/HUF	any other person
Distribution by a money market mutual fund or a liquid fund	25%	25% (upto 31.5.2011) 30% (w.e.f. 1.6.2011)
Distribution by a debt fund other than a money market mutual fund or a liquid fund	12.5%	20% (upto 31.5.2011) 30% (w.e.f. 1.6.2011)
Distribution by an equity-oriented fund	Exempt	Exempt

(e) Levy of Alternative Minimum Tax (AMT) on LLPs [New Chapter XII-BA – Sections 115JC to 115JF]

- LLPs to be subject to Alternate Minimum Tax @ 18.5%.
- Though the concept of Alternate Minimum Tax (AMT) is similar to MAT in case of corporate, however, the tax base in the case of LLPs would be the adjusted total income computed as per the Income-tax Act, 1961 and not the book profit computed after making the specified adjustments to the profit as per the profit and loss account prepared in accordance with Schedule VI of the Companies Act, 1956.

Tax credit for AMT [Section 115JD]

- The credit of the excess tax shall be carried forwarded to be adjusted against the excess of Income tax under normal provisions over AMT, for a maximum period of 10 Assessment years.

(Effective for A.Y. 2012-13)

Example

XYZ LLP has income of Rs.12 lakhs under the head "Profits and gains of business or profession". One of its businesses is eligible for deduction @ 100% of profits under section 80-IB for A.Y. 2012-13. The profit from such business included in the business income is Rs.5 lakhs. Compute the tax payable by the LLP, assuming that it has no other income during the P.Y. 2011-12.

Answer

Computation of regular income-tax payable under the provisions of the Act

Particulars	Rs.
Profits and gains of business or profession	12,00,000
LESS: Deduction under section 80-IB	<u>5,00,000</u>
Total Income	7,00,000
Tax payable = $7,00,000 \times 12,00,000 =$	<u>2,22,000</u>

Computation on Alternate Minimum Tax (AMT)

Particulars	Rs.
Total Income as per the Income-tax Act, 1961	7,00,000
Add: Deduction under section 80-IB	<u>5,00,000</u>
Adjusted total income	12,00,000
AMT = $18.5\% \times 12,00,000 =$	<u>2,22,000</u>

Since the regular income-tax payable as per the provisions of the Act is less than the AMT, the adjusted total income of Rs.12 lakhs would be deemed to be the total income of the LLP and the LLP would be liable to pay tax @ 18.5% thereof. The tax payable by the LLP for the A.Y. 2012-13 would, therefore, be Rs.3,22,000 plus education cess @ 2% and secondary and higher education cess @ 1%, totaling Rs.2,28,660.

The LLP would be eligible for credit to the extent of Rs.12,350 [Rs.2,28,660 – Rs.2,16,300 (i.e. 2,10,000 + 3% cess)] to be set-off in the year in which tax on total income computed under the regular provisions of the Act exceeds the AMT.

AMENDMENTS BY FINANCE ACT, 2011 IN INCOME TAX ACT, 1961

- (i) Under section 131(1), certain income-tax authorities have the same powers as are vested in a court under the Code of Civil Procedure, 1908, while trying a suit in respect of discovery and inspection, enforcing the attendance of any person and examining him on oath, compelling the production of books of account and other documents and issuing commissions.
- (ii) Further, section 131(3) confers power to impound and retain in their custody, books of account or other documents produced in any proceeding under the Act.
- (iii) For facilitating quick collection of information on request from tax authorities outside India, notified income-tax authorities (not below the rank of Assistant Commissioner of Income-tax) to now have powers under section 131(1) for making an inquiry or investigation in respect of any person or class of persons relating to an agreement for exchange of information under section 90 or 90A, even if no proceeding is pending before it or any other income-tax authority with respect to the concerned person or class of persons. Such notified authorities to also have the powers under section 131(3) to impound and retain in their custody for such period as they think fit, any books of account or other documents produced before them in any proceeding under the Act.
- (iv) Such notified authorities are also empowered, for the purposes of an agreement referred to in section 90 or section 90A, to exercise the powers conferred under section 133 to call for information, irrespective of whether any proceedings are pending before it or any other income-tax authority.
- (v) The time limits for completion of assessments and reassessments are provided for in section 153. Section 153B provides for the time limit for completion of assessment under section 153A in case of search or requisition. The periods to be specifically excluded for computing these time limits are provided in Explanation 1 to section 153 and Explanation to section 153B, respectively. Clause (viii) has been inserted in the said Explanations to exclude the time taken in obtaining information from the tax authorities in jurisdictions situated outside India (under an agreement referred to in section 90 or section 90A) from the prescribed time limit for completion of assessments/reassessments under section 153/153B. Accordingly the period beginning with the date on which a reference for exchange of information is made and ending with the date on which the information is received by the Commissioner or a period of six months, whichever is less, is excluded for computing the above time limits.
(Effective from 1st June, 2011)

9. ASSESSMENT PROCEDURE

(a) Extension of due date for filing of transfer pricing report and return of income of corporate assessee's undertaking international transactions [Section 139(1)]

- (i) The due date for filing of a transfer pricing report under the provisions of section 92E in Form 3CEB and filing of return of income of corporate assessee's who have undertaken international transactions during the relevant previous year has been extended from 30th September to 30th November of the assessment year, on account of the practical difficulties in accessing contemporary comparable data before 30th September.
- (ii) Consequently, the due date within which the sums referred to in section 43B have to be actually paid to escape disallowance under that section would be 30th November of the assessment year in case of such companies.
- (iii) Similarly, the tax deducted at source at any time during the year by such companies can be deposited on or before the extended due date of 30th November of the assessment year, to avoid disallowance under section 40(a)(ia).
- (iv) The extension of due date for filing of return would, however, not be applicable to non-corporate assessee's who have undertaken international transactions during the relevant previous year.

- (ii) For reducing the compliance burden of small taxpayers, the Central Government has been empowered to notify the class or classes of persons who will be exempted from the requirement of filing of return of income, subject to satisfying the prescribed conditions. This has been provided for in new clause (1C) of section 139.
- (iii) Every notification issued under section 139(1C) shall, as soon as may be after its issue, be laid before each House of Parliament while it is in session, for a total period of thirty days. If both Houses agree in making any modification in the notification, the notification will thereafter have effect only in such modified form. If both Houses agree that the notification should not be issued, the notification shall thereafter have no effect.

(Effective from 1st June, 2011)

(c) Time limit extended for issue of notification for relaxation, modification or adaptation of any provision of law to facilitate centralized processing of returns [Section 143(1B)]

- (i) Section 143(1B) provides that the Central Government may relax, modify or adapt any provision of law relating to processing of returns subject to the condition that the notification for such relaxation, modification or adaptation is issued on or before 31st March, 2011 and the said notification is laid before each House of Parliament.
- (ii) The time limit for issue of notification has been extended by one more year i.e. up to 31st March, 2012, to relax, modify or adapt any provision of law relating to processing of returns.

(Effective from 1st April, 2011)

10. SETTLEMENT COMMISSION

(a) Threshold limit for “additional amount of income-tax payable on income disclosed in the application” for admission of a case by an entity related to the tax-payer who is the subject matter of search [Section 245C]

- (i) Last year, section 245A was amended to provide that the proceedings for assessment or reassessment resulting from search/requisition would fall within the definition of a “case” which can be admitted by the Settlement Commission.
- (ii) Consequent amendment was made in section 245C to provide that the additional amount of income-tax payable on income disclosed in the application should exceed Rs.50 lakh, for an application to be made before the Settlement Commission in such cases.
- (iii) Therefore, if proceedings have been initiated against the applicant (hereinafter referred to as specified person) under section 153A or under section 153C as a result of search or a requisition of books of account, an application can be made before the Settlement Commission if the additional amount of income-tax payable on the income disclosed in the application exceeds Rs.50 lakh.
- (iv) The Finance Act, 2011 has now provided that an application can also be made where the applicant is related to the specified person (mentioned in (iii) above) and in whose case also proceedings have been initiated as a result of search provided the additional income-tax payable on the income disclosed in the application exceeds Rs.10 lakh.
- (v) Therefore, the limit of Rs.50 lakh would be applicable to the tax payer who is the subject matter of search and the limit of Rs.10 lakh would be applicable to entities related to such a tax payer, who are also the subject matter of search.
- (vi) The applicant, in relation to the specified person, means –

(b) Settlement Commission specifically empowered to amend any order to rectify a mistake apparent from record within six months from date the of its order [Section 245D](6B)]

- However, there are High Court rulings holding that the order made by the Settlement Commission is conclusive and final and therefore, the same cannot be rectified under section 154. However, this view does not convey the true legislative intent.
- Therefore, in order to reflect the correct intention of the legislature, sub-section (6B) has been inserted in section 245D to specifically provide that the Settlement Commission may amend any order passed by it under section 245D(4) to rectify any mistake apparent from the record.
- However, the time limit for effecting such amendment is within six months from the date of its order, as against the permissible time limit of four years provided for under section 154(7).
- Further, the Settlement Commission should not make a rectification which has the effect of modifying the liability of the applicant, without –
 - Giving a notice to the applicant and the Commissioner of its intention to do so; and
 - Allowing the applicant and the Commissioner an opportunity of being heard.

(Effective from 1st June, 2011)

Note – Similar amendment has been effected by inserting sub-section (6B) in section 22 of the Wealth-tax Act, 1957 to provide that that the Settlement Commission may amend any order passed by it under section 22D(4) to rectify any mistake apparent from the record within a period of six months from the date of the order. 5. Notification No.84/2010 dated 22.11.2010

Salaried person entitled to act as Tax Return Preparers

In exercise of the powers conferred under section 139B(1), the CBDT had framed the Tax Return Preparer Scheme, 2006 for the purpose of enabling any specified class or classes of persons in preparing and furnishing their return of income. "Specified class or classes of persons" means any person, other than a company or a person, whose accounts are required to be audited under

AMENDMENTS BY FINANCE ACT, 2011 IN INCOME TAX ACT, 1961

section 44AB or under any other law for the time being in force, who is required to furnish a return of income under the Act.

Paragraph 2(f) of the Tax Return Preparer Scheme, 2006 defining a Tax Return Preparer, specifically provided that a person who is in employment and income from which is chargeable under the head "Salaries" shall not be entitled to act as a Tax Return Preparer. This disqualification has now been removed by amending paragraph 2(f). Consequently, a salaried person is now eligible to act as a Tax Return Preparer.

Consequential amendment has been made in Paragraph 11(1)(xii), which provided for withdrawal of certificate given to the Tax Return Preparer in case he, after issue of Tax Return Preparer Certificate to him, takes up an employment, income from which is chargeable under the head "Salaries". Henceforth, taking up a salaried employment would not result in withdrawal of certificate given to the Tax Return Preparer.

However, it may be noted that as per section 139B(3) of the Income-tax Act, 1961, an employee of the "specified class or classes of persons" is not authorized to act as a Tax Return Preparer. A combined reading of section 139B(3) with the amended Tax Return Preparer Scheme, 2006 reveals that employees of companies and persons whose accounts are required to be audited under section 44AB or any other law for the time being in force, are eligible to act as Tax Return Preparers.

6. Notification No.85/2010 dated 22.11.2010

Rule 2BB(2) prescribes the allowances for the purposes of exemption under section 10(14)(ii). As per this rule, the exemption allowable in respect of any allowance granted to an employee working in any transport system to meet his personal expenditure during his duty performed in the course of running of such transport from one place to another place (provided he is not in receipt of daily allowance) is 70% of such allowance, subject to a maximum of Rs.6,000 per month.

The monthly limit of Rs.6,000 has been increased to Rs.10,000 with retrospective effect from 1st September, 2008. Therefore, with effect from 1st September, 2008, the exemption would be 70% of such allowance, subject to a maximum of Rs.10,000 per month.

AMENDMENTS BY FINANCE ACT, 2011 IN INCOME TAX ACT, 1961

Conditions to be fulfilled for a stock exchange to qualify as a recognize stock exchange for the purposes of section 43(5) – Modification of cash and derivative market transactions registered in the system permitted in case of genuine error

Clause (d) of the proviso to section 43(5) provides that an eligible transaction in respect of trading in derivatives referred to in section 2(ac) of the Securities Contracts (Regulation) Act, 1956 carried out in a recognized stock exchange shall not be deemed to be a speculative transaction. Rule 6DDB provides for notification of recognized stock exchange for the purposes of said clause.

Further, Rule 6DDA provides the conditions that a stock exchange is required to fulfill to be notified as a recognized stock exchange for the purpose of abovementioned clause. One of the conditions, specified in clause (iv) of Rule 6DDA, is that the stock exchange shall ensure that transactions once registered in the system cannot be erased or modified. This clause has been substituted to provide that the stock exchange shall ensure that transactions (in respect of cash and derivative market) once registered in the system are not erased.

Another condition has been stipulated by insertion of clause (v), which provides that the stock exchange shall ensure that the transactions (in respect of cash and derivative market) once registered in the system are modified only in cases of genuine error. The stock exchange should maintain data regarding all transactions (in respect of cash and derivative market) registered in the system which have been modified and submit a monthly statement in Form No. 3BB to the Director General of Income-tax (Intelligence) New Delhi within fifteen days from the last day of each month to which such statement relates.

Corresponding amendment has been made in Rule 6DDB requiring that the application for notification of a recognized stock exchange should be accompanied by inter alia confirmation regarding fulfilling the conditions referred to in clauses (ii) to (v) of Rule 6DDA.

9. Notification No.24/2011 dated 13.05.2011 (in supersession of Notification No.69/2010 dated 26.8.2010)

9.5% notified as the interest rate on RPF, the interest in excess of which would be taxable as salary

Rule 6 of Part A of the Fourth Schedule to the Income-tax Act, 1961, provides, inter alia that interest credited on the balance to the credit of an employee participating in a recognized provident fund in so far as it is allowed at a rate exceeding such rate notified by the Central Government, shall be deemed to have been received by the employee in the relevant previous year and shall be included in his total income.

Accordingly, the Central Government has, vide that notification, notified w.e.f. 1st September, 2010, in exercise of the powers conferred by Rule 6, 9.5% as the rate of interest on employer's annual contributions in a recognized provident fund. In effect, the Notification No.69/2010 dated 26.8.2010, notifying the rate of interest as 8.5% w.e.f. 1st September, 2010, has been superseded by this notification.

This implies that interest credited on the balance to the credit of the employee in excess of 9.5% (and not 8.5% as earlier notified to be effective from 1.9.2010) shall be deemed to have been received by the employee in the previous year and shall be included in the total income of the employee. Prior to 1.9.2010, in any case, the interest credited in excess of 9.5% was deemed to be the income of the employee.

Therefore, the position of law as it stands now after issue of this notification is that irrespective of the date of credit of interest, whether before or on or after 1.9.2010, only the interest credited on the balance to the credit of the employee in excess of 9.5% shall be included in the total income of the employee. For example, if an employer credits interest @ 10% for the P.Y. 2010-11 and P.Y. 2011-12 on the balance standing to the credit of each employee, then the excess interest of 0.5% (10% - 9.5%) would be included in the total income of the employee for the respective years.

10. Notification No.32/2011 dated 3.06.2011

In exercise of powers given in section 10(15)(i), the Central Government has, through this notification, amended the Notification No. GSR 607(E) dated 9th June, 1989 which specified the bonds, annuity certificates, savings certificates and other certificates issued by the Central Government for the purpose of exemption under this clause as well as the maximum limit up to which the income by way of, inter alia, interest on such securities bonds, savings certificates etc. issued by the Central Government shall be exempt from tax for any assessment year. The said notification dated 9th June, 1989 provided for exemption on the whole of the amount of interest on Post Office Savings Bank Account.

However, as per the amendment by this notification, the interest on Post Office Savings Bank Account which was so far fully exempt would henceforth be exempt from tax for any assessment year only to the extent of:

- (i) Rs.3,500 in case of an individual account.
- (ii) Rs.7,000 in case of a joint account.

11. Notification No.33/2011 dated 3.06.2011
