(*b*) has been allotted a permanent account number, and who has intimated his Aadhaar number in accordance with provisions of sub-section (2) of section 139AA, may furnish or intimate or quote his Aadhaar number in lieu of the

permanent account number.

(6) Every person receiving any document relating to a transaction prescribed under clause (*c*) of sub-section (5) shall ensure that the Permanent Account Number or the General Index Register Number or the Aadhaar number, as the case may be, has been duly quoted in the document.

(6A) Every person entering into such transaction, as may be prescribed, shall quote his permanent account number or Aadhaar number, as the case may be, in the documents pertaining to such transactions and also authenticate such permanent account number or Aadhaar number, in such manner as may be prescribed.

(6B) Every person receiving any document relating to the transactions referred to in sub-section (6A), shall ensure that permanent account number or Aadhaar number, as the case may be, has been duly quoted in such document and also ensure that such permanent account number or Aadhaar number is so authenticated.

(7) No person who has already been allotted a permanent account number under the new series shall apply, obtain or possess another permanent account number.

Explanation.—For the removal of doubts, it is hereby declared that any person, who has been allotted a permanent account number under any clause other than clause (*iv*) of sub-section (1), shall not be required to obtain another permanent account number and the permanent account number already allotted to him shall be deemed to be the permanent account number in relation to fringe benefit tax.

(8) The Board may make rules providing for—

(*a*) the form and the manner in which an application may be made for the allotment of a permanent account number and the particulars which such application shall contain;

(*b*) the categories of transactions in relation to which Permanent Account Numbers or the General Index Register Number or the Aadhaar number, as the case may be, shall be quoted by every person in the documents pertaining to such transactions;

(*c*) the categories of documents pertaining to business or profession in which such numbers shall be quoted by every person;

(*d*) class or classes of persons to whom the provisions of this section shall not apply;

(*e*) the form and the manner in which the person who has not been allotted a Permanent Account Number or who does not have General Index Register

Number shall make his declaration;

(*f*) the manner in which the Permanent Account Number or the General Index Register Number or the Aadhaar number, as the case may be, shall be quoted in respect of the categories of transactions referred to in clause (*c*);

(*g*) the time and the manner in which the transactions referred to in clause (*c*) shall be intimated to the prescribed authority.

Explanation.—For the purposes of this section,—

(*a*) "Aadhaar number" shall have the meaning assigned to it in clause (*a*) of section 2 of the Aadhaar (Targeted Delivery of Financial and Other Subsidies, Benefits and Services) Act, 2016 (18 of 2016);

(*aa*) "Assessing Officer" includes an income-tax authority who is assigned the duty of allotting permanent account numbers;

(*ab*) "authentication" means the process by which the permanent account number or Aadhaar number alongwith demographic information or biometric information of an individual is submitted to the income-tax authority or such other authority or agency as may be prescribed for its verification and such authority or agency verifies the correctness, or the lack thereof, on the basis of information available with it;

(*b*) "permanent account number" means a number which the Assessing Officer may allot to any person for the purpose of identification and includes a permanent account number allotted under the new series;

(*c*) "permanent account number under the new series" means a permanent account number having ten alphanumeric characters

(*d*) "General Index Register Number" means a number given by an Assessing Officer to an assessee in the General Index Register maintained by him and containing the designation and particulars of the ward or circle or range of the Assessing Officer.

Quoting of Aadhaar number.

139AA. (1) Every person who is eligible to obtain Aadhaar number shall, on or after the 1st day of July, 2017, quote Aadhaar number—

(*i*) in the application form for allotment of permanent account number;

(*ii*) in the return of income:

Provided that where the person does not possess the Aadhaar Number, the Enrolment ID of Aadhaar application form issued to him at the time of enrolment shall be quoted in the application for permanent account number or, as the case may be, in the return of income furnished by him:

[88-89][**Provided further** that nothing in the first proviso shall apply in respect of any application form for allotment of permanent account number or return of income furnished on or after the 1st day of October, 2024.]

(2) Every person who has been allotted permanent account number as on the 1st day of July, 2017, and who is eligible to obtain Aadhaar number, shall intimate his Aadhaar number to such authority in such form and manner as may be prescribed, on or before a date to be notified by the Central Government in the Official Gazette:

Provided that in case of failure to intimate the Aadhaar number, the permanent account number allotted to the person shall be made inoperative after the date so notified in such manner as may be prescribed.

[88-89][(2A) Every person who has been allotted permanent account number on the basis of Enrolment ID of Aadhaar application form filed prior to the 1st day of October, 2024, shall intimate his Aadhaar number to such authority in such form and manner, as may be prescribed, on or before a date to be notified by the Central Government in the Official Gazette.]

(3) The provisions of this section shall not apply to such person or class or classes of persons or any State or part of any State, as may be notified by the Central Government in this behalf, in the Official Gazette.

Explanation.—For the purposes of this section, the expressions—

(*i*) "Aadhaar number", "Enrolment" and "resident" shall have the same meanings respectively assigned to them in clauses (*a*), (*m*) and (*v*) of section 2 of the Aadhaar (Targeted Delivery of Financial and other Subsidies, Benefits and Services) Act, 2016 (18 of 2016);

(*ii*) "Enrolment ID" means a 28 digit Enrolment Identification Number issued to a resident at the time of enrolment.

262.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

Clause 262 of the Bill provides for permanent account number. The clause corresponds to section 139A and 139AA of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause.

262.4 Important Views/Suggestions given by Experts/Stakeholders:

i. It is suggested that monetary limit under clause 262(1)(b) may be enhanced as follows: (b) he is carrying on any business or profession whose total sales, turnover or gross receipts are or is likely to exceed twelve lakh rupees in any tax year. The monetary limit may be enhanced in view of the amended total income limit for full rebate upto total income of Rs. 12 lakhs and also in view of the GST Registration threshold of Rs. 20 lakhs / Rs.40 lakhs. Also, the limit of 5 lakhs was set by Finance Act, 1998 w.e.f. 1-08-1998 i.e., more than 26 years back.

ii. Clause 262(4) may be redrafted as follows: Every person shall intimate the Assessing Officer of any change in his address or in the name and nature of his business on the basis of which the Permanent Account Number was allotted to him. Since the change in nature of business is already reported in Return of income as well as in Tax Audit Report, reporting of the same under sub-section (4) will amount to duplication.

iii. It is suggested that in Clause 262(9)(b), the obligation cast on the person receiving any document may be omitted. Since, a specific obligation is already provided on the person entering such transaction in Clause 262(9)(a) of the Income-tax Bill, 2025, the obligation cast on the person receiving the document may be omitted.

262.5 Examination by the Committee:

262.5.1 To the above-mentioned suggestions, the Ministry submitted as follows:

i. The suggestion seeks to amend the clause 262(1)(b) by increasing the monetary limit (from 5 lacs to Rs 12 lacs) of sales/turnover or gross receipts of business or profession upto which no person is required to obtain PAN. It is in the nature of policy change. Special rate incomes are taxed differently. For eg. Lottery income is taxed without threshold. Also basic exemption limit is upto Rs 4 lacs and for claiming any rebate beyond 4 lakh, return is required to be filed. The suggestion is not feasible.

ii. The suggestion seeks to amend the clause 262(4) by deleting the requirement of reporting any change, in nature of business, to Assessing Officer on the basis that such change is already reported in ITR and tax audit report. It is in the nature of policy change. Nature of business is required for correctly implementing provisions where option is provided for eg. For presumptive, or where deduction/ exemption is claimed or where any risk analysis is to be carried out. Also, not all persons earning business income file ITR or all required to get their accounts audited. Thus, suggestion is not feasible.

iii. The suggestion seeks to amend clause 262(9)(b) by deleting the requirement of putting obligation on the person receiving any document (relating to transaction such as sale of motor vehicle, opening of bank account, immovable property) to ensure the PAN or Aadhaar are duly reported in such documents.

262.6 Observations/Recommendations of the Committee:

The Committee, upon examination of the provisions along with justification provided by the Ministry, find the provisions of the Clause 262 to be corresponding and in line with the provisions of the existing Act. The Committee, therefore, accept the Clause in entirety.

Clause 263– Return of income.

263.1 Provision proposed in the Income-Tax Bill, 2025:

263. (*1*)(*a*) The following persons shall furnish a return of income for the tax year under this Act, on or before the due date:—

(*i*) a company;

(*ii*) a firm;

(*iii*) a person other than a company or a firm, if his total income or the total income of any other person in respect of which he is assessable under this Act during the tax year, without giving effect to the provisions of Chapter XVII-B or provisions of Schedule VIII (Table: Sl. No. 1) or deductions allowable under Chapter IV-E (Capital Gains) or Chapter VIII, as the case may be, exceeded the maximum amount which is not chargeable to income-tax;

(*iv*) a specified entity if its total income without giving effect to the provisions of section 11, exceeds the maximum amount which is not chargeable to income-tax;

(*v*) a University, college or other institution as referred to in section 45(*3*)(*a*);

(*vi*)a business trust;

(*vii*) an investment fund as referred to in section 224;

(*viii*) a person who has sustained a loss in the tax year under the head “Profits and gains of business or profession” or under the head “Capital gains” and who intends to claim that such loss, or any part thereof, is to be carried forward as per this Act;

(*ix*) a person who intends to make a claim of refund under Chapter XX;

(*x*) a person, who is a resident, other than not ordinarily resident, and who at any time during the tax year,—

(*A*) holds, as a beneficial owner or otherwise, any asset (including any financial interest in an entity)located outside India, or has signing authority in any account located outside India; or

(*B*) is a beneficiary of any asset(including any financial interest in an entity) located outside India, except where any income arising from such asset is includible in the income of person referred to in item (*A*);

(*xi*) a person, other than a company or firm, who during the tax year, fulfils such conditions as prescribed;

(*b*) for the purposes of this section, “due date” means the date of the financial year succeeding the relevant tax year as mentioned in the corresponding entry of columnCof the Table below in respect of the persons mentioned in column B of the said Table below:

Table

Sl. No.	Person	Due date
A	B	C
1.	Company.	31st October.
2.	Person (other than a company) whose accounts are required to be audited under this Act or under any other law in force.	31st October.
3.	Partner of a firm whose accounts are required to be audited under this Act or under any other law in force; or the spouse of such partner (if section 10 applies to such spouse).	31st October.
4.	Assessee, including the partners of the firm or the spouse of such partner (if section 10 applies to such spouse), who is required to furnish a report referred to in section 172.	30th November.
5.	Any other assessee.	31st July.

(*2*)(*a*) The Board may make rules providing for the prescribed form for furnishing return of income, manner of its verification and such other particulars including—

(*i*) the class or classes of persons who shall be required to furnish the return in electronic form or otherwise;

(*ii*) the form and the manner in which the return may be furnished, whether in electronic form or otherwise;

(*iii*) the documents, statements, receipts, certificates, audited reports or any other documents which may not be furnished along with the return in electronic form but shall be produced before the Assessing Officer on demand;

(*iv*) the computer resource or the electronic record to which the return in electronic form may be transmitted;

(*b*) the particulars prescribed under clause (*a*) may also include—

(*i*) income exempt from tax;

(*ii*) assets of the prescribed nature and value held by the assessee as a beneficial owner or otherwise or in which he is a beneficiary;

(*iii*) bank account and credit card held by the assessee;

(*iv*) expenditure exceeding the prescribed limit incurred by the assessee under prescribed heads;

(*v*) such other outgoings as prescribed;

(*vi*) the report of any audit referred to in section 63 or a copy thereof;

(*vii*) the particulars of the location and style of the principal place of the business or profession and all the branches thereof;

(*viii*) the names and addresses of the partners, if any, in the business or profession;

(*ix*) the names of the other members of the association of person or the body of individuals and the extent of the share of the assessee and the shares of all such members, in the profits of the business or profession and any branches thereof.

(*3*) The Central Government may, by notification, exempt any class or classes of persons, from the obligation to file a return of income under this section, subject to the conditions specified therein.

(*4*) Any person who has not furnished a return within the time allowed to him under sub-section (*1*), may furnish the return for any tax year at any time within nine months from the end of the relevant tax year, or before the completion of the assessment, whichever is earlier.

(*5*) If any person, having furnished a return under sub-section (*1*) or sub-section (*4*), discovers any omission or any wrong statement therein, he may furnish a revised return at any time within nine months from the end of the relevant tax year, or before the completion of the assessment, whichever is earlier.

(*6*)(*a*) Any person, whether or not he has furnished a return under sub-section (*1*) or (*4*) or (*5*) for a tax year, may furnish an updated return of his income or the income of any other person in respect of which he is assessable under this Act, at any time within forty-eight months from the end of the financial year succeeding the relevant tax year;

(*b*) the provisions of clause (*a*) shall continue to apply for a tax year if any person has sustained a loss in the said tax year and has furnished a return of loss within the due date specified under sub-section (*1*) and the updated return is a return of income;

(*c*) the provisions of clause (*a*) shall not apply for a tax year for any person, if—

(*i*) the updated return is a return of loss;

(*ii*) the updated return has the effect of decreasing the total tax liability determined on the basis of return furnished under sub-section (*1*) or(*4*) or (*5*) for the said tax year;

(*iii*) the updated return results in refund where no refund was due or increases the refund due on the basis of return furnished under sub-section (*1*) or (*4*) or (*5*) for the said tax year;

(*iv*) an updated return has already been furnished;

(*v*) any proceeding for assessment or reassessment or recomputation or revision of income under this Act is pending or has been completed for the said tax year;

(*vi*) the Assessing Officer is in the possession of information in respect of such person for the said tax year regarding violation of specified laws and the same has been communicated to him prior to the date of furnishing of updated return;

(*vii*) information for the said tax year has been received under an agreement referred to in section 159 in respect of such person and the same has been communicated to him, prior to the date of furnishing of updated return;

(*viii*) any prosecution proceedings under the Chapter XXII have been initiated for the said tax year in respect of such person, prior to the date of furnishing of updated return; or

(*ix*) thirty-six months have expired from the end of the financial year succeeding the relevant tax year, and any notice to show-cause under section 281has been issued in his case, except where an order has been passed under section 281(*3*) determining that it is not a fit case to issue notice under section 280; or

(*x*) he is such person or belongs to such class of persons, as notified by the Board in this regard;

(*d*) a person shall also not be eligible to furnish an updated return of income, where—

(*i*) a search has been initiated under section 247 or books of account or other documents or any assets are requisitioned under section 248 in the case of that person;

(*ii*) a survey has been conducted under section 253, other than sub-section (*4*) of the said section, in the case of that person; or

(*iii*) a notice has been issued to the effect that any money, bullion, jewellery, virtual digital asset or valuable article or thing, seized or requisitioned under section 247 or 248 in the case of any other person, belongs to that person; or

(*iv*) a notice has been issued to the effect that any books of account or documents, seized or requisitioned under section 247 or 248 in the case of any other person, pertain or pertains to, or any other information contained therein, relate to, that person,

for the tax year in which such search is initiated or survey is conducted or requisition is made and any tax year preceding such tax year.

(*7*) A return of income furnished under this section, shall be treated as defective if it is not in conformity with all the conditions as prescribed and shall be dealt with in the following manner:—

(*a*) where the Assessing Officer considers that the return of income furnished by the assessee is defective, he may intimate the defect to the assessee and give him an opportunity to rectify the defect within fifteen days from the date of such intimation or within a further period as may be allowed on an application made by the assessee in this behalf;

(*b*) if the defect is not rectified within the period allowed underclause (*a*), then the return shall be treated as an invalid return and the provisions of this Act shall apply as if the assessee had failed to furnish the return;

(*c*) where the assessee rectifies the defect after the expiry of the period allowed under clause (*a*), but before the assessment is made, the Assessing Officer may condone the delay and treat the return as a valid return.

(*8*)(*a*) The provisions of this section shall also apply to a return of income which is furnishedin pursuance of an order passed under section 239(*4*)(*3*)(*b*);

(*b*) the provisions of this section shall not apply to a specified senior citizen, as referred to in section 402(*39*), for the relevant tax year in which tax has been deducted at source under section 393(*1*) [Table: Sl. No. 8 (*iii*)].

(*9*) In this section,—

(*a*) “beneficial owner”, in respect of an asset means an individual who has

provided, directly or indirectly, consideration for the asset for the immediate or future benefit, direct or indirect, of himself or any other person;

(*b*) “beneficiary”, in respect of an asset means an individual who derives benefit from the asset during the tax year and the consideration for such asset has been provided by any person other than such beneficiary;

(*c*) “specified entity” means—

(*i*) research association referred to in Schedule III (Table: Sl. No. 23);

(*ii*) association or institution referred to in Schedule III (Table: Sl. No. 24);

(*iii*) person referred to in Schedule VII (Table: Sl. No. 2);

(*iv*) institution referred to in Schedule III (Table: Sl. No. 25);

(*v*) any University or other educational institution or any hospital or other medical institution referred to in Schedule VII (Table: Sl. Nos. 17, 18 and 19);

(*vi*) Mutual Fund referred to in Schedule VII (Table: Sl. No. 20 and 21);

(*vii*) securitisation trust referred to in Schedule III (Table: Sl. No. 26);

(*viii*) Investor Protection Fund referred to in Schedule III (Table: Sl. No. 28 and 29);

(*ix*) Core Settlement Guarantee Fund referred to in Schedule III (Table: Sl. No. 30);

(*x*) venture capital company or venture capital fund referred to in Schedule V (Table: Sl. No. 6);

(*xi*) trade union or association referred to in Schedule III (Table: Sl. No. 31);

(*xii*) Board or Authority referred to in Schedule VII (Table: Sl. No. 33 and 40);

(*xiii*) Body or Authority or Board or Trust or Commission (by whatever name called) referred to in Schedule III (Table: Sl. No. 36);

(*xiv*) infrastructure debt fund referred to in Schedule VII (Table: Sl. No. 46);

(*d*)"specified laws" shall refer to the Smugglers and Foreign Exchange Manipulators (Forfeiture of Property) Act, 1976, or the Prohibition of *Benami* Property Transactions Act, 1988, or the Prevention of Money-laundering Act, 2002, or the Black Money (Undisclosed Foreign Income and Assets) and Imposition of Tax Act, 2015.

263.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Return of income.

139. (1) Every person,—

(*a*) being a company or a firm; or

(*b*) being a person other than a company or a firm, if his total income or the total income of any other person in respect of which he is assessable under this Act during the previous year exceeded the maximum amount which is not chargeable to income-tax,

shall, on or before the due date, furnish a return of his income or the income of such other person during the previous year, in the prescribed form and verified in the prescribed manner and setting forth such other particulars as may be prescribed :

Provided that a person referred to in clause (*b*), who is not required to furnish a return under this sub-section and residing in such area as may be specified by the Board in this behalf by notification in the Official Gazette, and who during the previous year incurs an expenditure of fifty thousand rupees or more towards consumption of electricity or at any time during the previous year fulfils any one of the following conditions, namely :—

(*i*) is in occupation of an immovable property exceeding a specified floor area, whether by way of ownership, tenancy or otherwise, as may be specified by the Board in this behalf; or

(*ii*) is the owner or the lessee of a motor vehicle other than a two wheeled motor vehicle, whether having any detachable side car having extra wheel attached to such two-wheeled motor vehicle or not; or

(*iii*) [***]

(*iv*) has incurred expenditure for himself or any other person on travel to any foreign country; or

(*v*) is the holder of a credit card, not being an "add-on" card, issued by any bank or institution; or

(*vi*) is a member of a club where entrance fee charged is twenty-five thousand rupees or more,

shall furnish a return, of his income during any previous year ending before the 1st day of April, 2005, on or before the due date in the prescribed form and verified in the prescribed manner and setting forth such other particulars as may be prescribed :

Provided further that the Central Government may, by notification in the Official Gazette, specify the class or classes of persons to whom the provisions of the first proviso shall not apply :

Provided also that every company or a firm shall furnish on or before the due date the return in respect of its income or loss in every previous year :

Provided also that a person, being a resident other than not ordinarily resident in India within the meaning of clause (*6*) of section 6, who is not required to furnish a return under this sub-section and who at any time during the previous year,—

(*a*) holds, as a beneficial owner or otherwise, any asset (including any financial interest in any entity) located outside India or has signing authority in any account located outside India; or

(*b*) is a beneficiary of any asset (including any financial interest in any entity) located outside India,

shall furnish, on or before the due date, a return in respect of his income or loss for the previous year in such form and verified in such manner and setting forth such other particulars as may be prescribed:

Provided also that nothing contained in the fourth proviso shall apply to an individual, being a beneficiary of any asset (including any financial interest in any entity) located outside India where, income, if any, arising from such asset is includible in the income of the person referred to in clause (*a*) of that proviso in accordance with the provisions of this Act:

Provided also that every person, being an individual or a Hindu undivided family or an association of persons or a body of individuals, whether incorporated or not, or an artificial juridical person, if his total income or the total income of any other person in respect of which he is assessable under this Act during the previous year, without giving effect to the provisions of clause (*38*) of section 10 or section 10A or section 10B or section 10BA or section 54 or section 54B or section 54D or section 54EC or section 54F or section 54G or section 54GA or section 54GB or Chapter VI-A exceeded the maximum amount which is not chargeable to income-tax, shall, on or before the due date, furnish a return of his income or the income of such other person during the previous year, in the prescribed form and verified in the prescribed manner and setting forth such other particulars as may be prescribed:

Provided also that a person referred to in clause (*b*), who is not required to furnish a return under this sub-section, and who during the previous year—

(*i*) has deposited an amount or aggregate of the amounts exceeding one crore rupees in one or more current accounts maintained with a banking company or a co-operative bank; or

(*ii*) has incurred expenditure of an amount or aggregate of the amounts exceeding two lakh rupees for himself or any other person for travel to a foreign country; or

(*iii*) has incurred expenditure of an amount or aggregate of the amounts exceeding

one lakh rupees towards consumption of electricity; or

(*iv*) fulfils such other conditions as may be prescribed,

shall furnish a return of his income on or before the due date in such form and verified in such manner and setting forth such other particulars, as may be prescribed.

Explanation 1.—For the purposes of this sub-section, the expression "motor vehicle" shall have the meaning assigned to it in clause (*28*) of section 2 of the Motor Vehicles Act, 1988 (59 of 1988).

Explanation 2.—In this sub-section, "due date" means,—

(*a*) where the assessee other than an assessee referred to in clause (*aa*) is—

(*i*) a company; or

(*ii*) a person (other than a company) whose accounts are required to be audited under this Act or under any other law for the time being in force; or

(*iii*) a partner of a firm whose accounts are required to be audited under this Act or under any other law for the time being in force or the spouse of such partner if the provisions of section 5A applies to such spouse,

the 31st day of October of the assessment year;

(*aa*) in the case of an assessee, including the partners of the firm or the spouse of such partner (if the provisions of section 5A applies to such spouse), being such assessee, who is required to furnish a report referred to in section 92E, the 30th day of November of the assessment year;

(*b*) in the case of a person other than a company, referred to in the first proviso to this sub-section, the 31st day of October of the assessment year;

(*c*) in the case of any other assessee, the 31st day of July of the assessment year.

Explanation 3.—For the purposes of this sub-section, the expression "travel to any foreign country" does not include travel to the neighbouring countries or to such places of pilgrimage as the Board may specify in this behalf by notification in the Official Gazette.

Explanation 4.—For the purposes of this section "beneficial owner" in respect of an asset means an individual who has provided, directly or indirectly, consideration for the

asset for the immediate or future benefit, direct or indirect, of himself or any other person.

Explanation 5.—For the purposes of this section "beneficiary" in respect of an asset means an individual who derives benefit from the asset during the previous year and the consideration for such asset has been provided by any person other than such beneficiary.

Explanation 6.—For the purposes of this sub-section,—

(*a*) "banking company" shall have the meaning assigned to it in clause (*i*) of the *Explanation* to section 269SS;

(*b*) "co-operative bank" shall have the meaning assigned to it in clause (*ii*) of the *Explanation* to section 269SS.

(1A) Without prejudice to the provisions of sub-section (1), any person, being an individual who is in receipt of income chargeable under the head "Salaries" may, at his option, furnish a return of his income for any previous year to his employer, in accordance with such scheme as may be specified by the Board in this behalf, by notification in the Official Gazette, and subject to such conditions as may be specified therein, and such employer shall furnish all returns of income received by him on or before the due date, in such form (including on a floppy, diskette, magnetic cartridge tape, CD-ROM or any other computer readable media) and manner as may be specified in that scheme, and in such case, any employee who has filed a return of his income to his employer shall be deemed to have furnished a return of income under sub-section (1), and the provisions of this Act shall apply accordingly.

(1B) Without prejudice to the provisions of sub-section (1), any person, being a company or being a person other than a company, required to furnish a return of income under sub-section (1), may, at his option, on or before the due date, furnish a return of his income for any previous year in accordance with such scheme as may be specified by the Board in this behalf by notification in the Official Gazette and subject to such conditions as may be specified therein, in such form (including on a floppy, diskette, magnetic cartridge tape, CD-ROM or any other computer readable media) and in the manner as may be specified in that scheme, and in such case, the return of income furnished under such scheme shall be deemed to be a return furnished under sub-section (1), and the provisions of this Act shall apply accordingly.

(1C) Notwithstanding anything contained in sub-section (1), the Central Government may, by notification in the Official Gazette, exempt any class or classes of persons from the requirement of furnishing a return of income having regard to such conditions as may be specified in that notification.

(3) If any person who has sustained a loss in any previous year under the head "Profits and gains of business or profession" or under the head "Capital gains" and claims that the loss or any part thereof should be carried forward under sub-section (1) of section 72, or sub-section (2) of section 73, or sub-section (2) of section 73A or sub-section (1) or sub-section (3) of section 74, or sub-section (3) of section 74A, he may furnish, within the time allowed under sub-section (1), a return of loss in the prescribed form and verified in the prescribed manner and containing such other particulars as may be prescribed, and all the provisions of this Act shall apply as if it were a return under sub-section (1).

(4) Any person who has not furnished a return within the time allowed to him under sub-section (1), may furnish the return for any previous year at any time before three months prior to the end of the relevant assessment year or before the completion of the assessment, whichever is earlier.

(4A) Every person in receipt of income derived from property held under trust or other legal obligation wholly for charitable or religious purposes or in part only for such purposes, or of income being voluntary contributions referred to in sub-clause (*iia*) of clause (*24*) of section 2, shall, if the total income in respect of which he is assessable as a representative assessee (the total income for this purpose being computed under this Act without giving effect to the provisions of sections 11 and 12) exceeds the maximum amount which is not chargeable to income-tax, furnish a return of such income of the previous year in the prescribed form and verified in the prescribed manner and setting forth such other particulars as may be prescribed and all the provisions of this Act shall, so far as may be, apply as if it were a return required to be furnished under sub-section (1).

(4B) The chief executive officer (whether such chief executive officer is known as Secretary or by any other designation) of every political party shall, if the total income in respect of which the political party is assessable (the total income for this purpose being computed under this Act without giving effect to the provisions of section 13A) exceeds the maximum amount which is not chargeable to income-tax, furnish a return of such income of the previous year in the prescribed form and verified in the prescribed manner and setting forth such other particulars as may be prescribed and all the provisions of this Act, shall, so far as may be, apply as if it were a return required to be furnished under sub-section (1).

(4C) Every—

(*a*) research association referred to in clause (*21*) of section 10;

(*b*) news agency referred to in clause (*22B*) of section 10;

(*c*) association or institution referred to in clause (*23A*) of section 10;

(*ca*) person referred to in clause (*23AAA*) of section 10;

(*d*) institution referred to in clause (*23B*) of section 10;

(*e*) fund or institution referred to in sub-clause (*iv*) or trust or institution referred to in sub-clause (*v*) or any university or other educational institution referred to in sub-clause (*iiiab*) or sub-clause (*iiiad*) or sub-clause (*vi*) or any hospital or other medical institution referred to in sub-clause (*iiiac*) or sub-clause (*iiiae*) or sub-clause (*via*) of clause (*23C*) of section 10;

(*ea*) Mutual Fund referred to in clause (*23D*) of section 10;

(*eb*) securitisation trust referred to in clause (*23DA*) of section 10;

(*eba*) Investor Protection Fund referred to in clause (*23EC*) or clause (*23ED*) of section 10;

(*ebb*) Core Settlement Guarantee Fund referred to in clause (*23EE*) of section 10;

(*ec*) venture capital company or venture capital fund referred to in clause (*23FB*) of section 10;

(*f*) trade union referred to in sub-clause (*a*) or association referred to in sub-clause (*b*) of clause (*24*) of section 10;

(*fa*) Board or Authority referred to in clause (*29A*) of section 10;

(*g*) body or authority or Board or Trust or Commission (by whatever name called) referred to in clause (*46*) of section 10;

(*h*) infrastructure debt fund referred to in clause (*47*) of section 10,

shall, if the total income in respect of which such research association, news agency, association or institution, person or fund or trust or university or other educational institution or any hospital or other medical institution or trade union or body or authority or Board or Trust or Commission or infrastructure debt fund or Mutual Fund or securitisation trust or venture capital company or venture capital fund is assessable, without giving effect to the provisions of section 10, exceeds the maximum amount which is not chargeable to income-tax, furnish a return of such income of the previous year in the prescribed form and verified in the prescribed manner and setting forth such other particulars as may be prescribed and all the provisions of this Act shall, so far as may be, apply as if it were a return required to be furnished under sub-section (1).

(4D) Every university, college or other institution referred to in clause (*ii*) and clause (*iii*) of sub-section (1) of section 35, which is not required to furnish return of income or loss under any other provision of this section, shall furnish the return in respect of its income or loss in every previous year and all the provisions of this Act shall, so far as may be, apply as if it were a return required to be furnished under sub-section (1).

(4E) Every business trust, which is not required to furnish return of income or loss under any other provisions of this section, shall furnish the return of its income in respect of its income or loss in every previous year and all the provisions of this Act shall, so far as may be, apply if it were a return required to be furnished under sub-section (1).

(4F) Every investment fund referred to in section 115UB, which is not required to furnish return of income or loss under any other provisions of this section, shall furnish the return of income in respect of its income or loss in every previous year and all the provisions of this Act shall, so far as may be, apply as if it were a return required to be furnished under sub-section (1).

(5) If any person, having furnished a return under sub-section (1) or sub-section (4), discovers any omission or any wrong statement therein, he may furnish a revised return at any time before three months prior to the end of the relevant assessment year or before the completion of the assessment, whichever is earlier.

(6) The prescribed form of the returns referred to in sub-sections (1) and (3) of this section, and in clause (*i*) of sub-section (1) of section 142 shall, in such cases as may be prescribed, require the assessee to furnish the particulars of income exempt from tax, assets of the prescribed nature and value, held by him as a beneficial owner or otherwise or in which he is a beneficiary , his bank account and credit card held by him, expenditure exceeding the prescribed limits incurred by him under prescribed heads and such other outgoings as may be prescribed.

(6A) Without prejudice to the provisions of sub-section (6), the prescribed form of the returns referred to in this section, and in clause (*i*) of sub-section (1) of section 142 shall, in the case of an assessee engaged in any business or profession, also require him to furnish the report of any audit referred to in section 44AB, or, where the report has been furnished prior to the furnishing of the return, a copy of such report together with proof of furnishing the report, the particulars of the location and style of the principal place where he carries on the business or profession and all the branches thereof, the names and addresses of his partners, if any, in such business or profession and, if he is a member of an association or body of individuals, the names of the other members of the association or the body of individuals and the extent of the share of the assessee and the shares of all such partners or the members, as the case may be, in the profits of the business or profession and any branches thereof.

(7) [***]

(8)(*a*) Where the return under sub-section (1) or sub-section (2) or sub-section (4) for an assessment year is furnished after the specified date, or is not furnished, then [whether or not the Assessing Officer has extended the date for furnishing the return under sub-section (1) or sub-section (2)] the assessee shall be liable to pay simple interest at fifteen per cent per annum, reckoned from the day immediately following the specified date to the date of the furnishing of the return or, where no return has been furnished, the date of completion of the assessment under section 144, on the amount of the tax payable on the total income as determined on regular assessment, as reduced by the advance tax, if any, paid, and any tax deducted at source :

Provided that the Assessing Officer may, in such cases and under such circumstances as may be prescribed, reduce or waive the interest payable by any assessee under this sub-section.

Explanation 1.—For the purposes of this sub-section, "specified date", in relation to a return for an assessment year, means,—

(*a*) in the case of every assessee whose total income, or the total income of any person in respect of which he is assessable under this Act, includes any income from business or profession, the date of the expiry of four months from the end of the previous year or where there is more than one previous year, from the end of the previous year which expired last before the commencement of the assessment year or the 30th day of June of the assessment year, whichever is later;

(*b*) in the case of every other assessee, the 30th day of June of the assessment year.

Explanation 2.—Where, in relation to an assessment year, an assessment is made for the first time under section 147, the assessment so made shall be regarded as a regular assessment for the purposes of this sub-section.

(*b*) Where as a result of an order under section 147 or section 154 or section 155 or section 250 or section 254 or section 260 or section 262 or section 263 or section 264 or an order of the Settlement Commission under sub-section (4) of section 245D, the amount of tax on which interest was payable under this sub-section has been increased or reduced, as the case may be, the interest shall be increased or reduced accordingly, and—

(*i*) in a case where the interest is increased, the Assessing Officer shall serve on the assessee, a notice of demand in the prescribed form specifying the sum payable, and such notice of demand shall be deemed to be a notice under section 156 and the provisions of this Act shall apply accordingly;

(*ii*) in a case where the interest is reduced, the excess interest paid, if any, shall be refunded.

(*c*) The provisions of this sub-section shall apply in respect of the assessment for the assessment year commencing on the 1st day of April, 1988, or any earlier assessment year, and references therein to the other provisions of this Act shall be construed as references to the said provisions as they were applicable to the relevant assessment year.

(8A) Any person, whether or not he has furnished a return under sub-section (1) or sub-section (4) or sub-section (5), for an assessment year (herein referred to as the relevant assessment year), may furnish an updated return of his income or the income of any other person in respect of which he is assessable under this Act, for the previous year relevant to such assessment year, in the prescribed form, verified in such manner and setting forth such particulars as may be prescribed, at any time within [85]**[***forty-eight***]** months from the end of the relevant assessment year:

Provided that the provision of this sub-section shall not apply, if the updated return,—

(*a*) is a return of a loss; or

(*b*) has the effect of decreasing the total tax liability determined on the basis of return furnished under sub-section (1) or sub-section (4) or sub-section (5); or

(*c*) results in refund or increases the refund due on the basis of return furnished under sub-section (1) or sub-section (4) or sub-section (5),

of such person under this Act for the relevant assessment year:

Provided further that a person shall not be eligible to furnish an updated return under this sub-section, where—

(*a*) a search has been initiated under section 132 or books of account or other documents or any assets are requisitioned under section 132A in the case of such person; or

(*b*) a survey has been conducted under section 133A, other than sub-section (2A) of that section, in the case of such person; or

(*c*) a notice has been issued to the effect that any money, bullion, jewellery or valuable article or thing, seized or requisitioned under section 132 or section 132A in the case of any other person belongs to such person; or

(*d*) a notice has been issued to the effect that any books of account or documents, seized or requisitioned under section 132 or section 132A in the case of any

other person, pertain or pertains to, or any other information contained therein, relate to, such person,

for the assessment year relevant to the previous year in which such search is initiated or survey is conducted or requisition is made and any assessment year preceding such assessment year:

Provided also that no updated return shall be furnished by any person for the relevant assessment year, where—

(*a*) an updated return has been furnished by him under this sub-section for the relevant assessment year; or

(*b*) any proceeding for assessment or reassessment or recomputation or revision of income under this Act is pending or has been completed for the relevant assessment year in his case; or

(*c*) the Assessing Officer has information in respect of such person for the relevant assessment year in his possession under the Smugglers and Foreign Exchange Manipulators (Forfeiture of Property) Act, 1976 (13 of 1976) or the Prohibition of Benami Property Transactions Act, 1988 (45 of 1988) or the Prevention of Money-laundering Act, 2002 (15 of 2003) or the Black Money (Undisclosed Foreign Income and Assets) and Imposition of Tax Act, 2015 (22 of 2015) and the same has been communicated to him, prior to the date of furnishing of return under this sub-section; or

(*d*) information for the relevant assessment year has been received under an agreement referred to in section 90 or section 90A in respect of such person and the same has been communicated to him, prior to the date of furnishing of return under this sub-section; or

(*e*) any prosecution proceedings under the Chapter XXII have been initiated for the relevant assessment year in respect of such person, prior to the date of furnishing of return under this sub-section; or

(*f*) he is such person or belongs to such class of persons, as may be notified by the Board in this regard:

[86]**[Provided also***that no updated return shall be furnished by any person where any notice to show-cause under section 148A has been issued in his case after thirty-six months from the end of the relevant assessment year:*

Provided also*that the fourth proviso shall not apply where an order is passed under sub-section (3) of section 148A determining that it is not a fit case to issue notice under section 148:***]**

Provided also that if any person has sustained a loss in any previous year and has furnished a return of loss in the prescribed form within the time allowed under sub-section (1) and verified in the prescribed manner and containing such other particulars as may be prescribed, he shall be allowed to furnish an updated return where such updated return is a return of income:

Provided also that if the loss or any part thereof carried forward under Chapter VI or unabsorbed depreciation carried forward under sub-section (2) of section 32 or tax credit carried forward under section 115JAA or under section 115JD is to be reduced for any subsequent previous year as a result of furnishing of return of income under this sub-section for a previous year, an updated return shall be furnished for each such subsequent previous year.

(9) Where the Assessing Officer considers that the return of income furnished by the assessee is defective, he may intimate the defect to the assessee and give him an opportunity to rectify the defect within a period of fifteen days from the date of such intimation or within such further period which, on an application made in this behalf, the Assessing Officer may, in his discretion, allow; and if the defect is not rectified within the said period of fifteen days or, as the case may be, the further period so allowed, then, notwithstanding anything contained in any other provision of this Act, the return shall be treated as an invalid return and the provisions of this Act shall apply as if the assessee had failed to furnish the return :

Provided that where the assessee rectifies the defect after the expiry of the said period of fifteen days or the further period allowed, but before the assessment is made, the Assessing Officer may condone the delay and treat the return as a valid return.

Explanation.—For the purposes of this sub-section, a return of income shall be regarded as defective unless all the following conditions are fulfilled, namely :—

(*a*) the annexures, statements and columns in the return of income relating to computation of income chargeable under each head of income, computation of gross total income and total income have been duly filled in;

(*aa*) [***]

(*b*) the return is accompanied by a statement showing the computation of the tax payable on the basis of the return;

(*bb*) the return is accompanied by the report of the audit referred to in section 44AB, or, where the report has been furnished prior to the furnishing of the return, by a

copy of such report together with proof of furnishing the report;

(*c*) the return is accompanied by proof of—

(*i*) the tax, if any, claimed to have been deducted or collected at source and the advance tax and tax on self-assessment, if any, claimed to have been paid :

Provided that where the return is not accompanied by proof of the tax, if any, claimed to have been deducted or collected at source, the return of income shall not be regarded as defective if—

(*a*) a certificate for tax deducted or collected was not furnished under section 203 or section 206C to the person furnishing his return of income;

(*b*) such certificate is produced within a period of two years specified under sub-section (14) of section 155;

(*ii*) the amount of compulsory deposit, if any, claimed to have been made under the Compulsory Deposit Scheme (Income-tax Payers) Act, 1974 (38 of 1974);

(*ca*) the return is accompanied by the proof of payment of tax as required under section 140B, if the return of income is a return furnished under sub-section (8A);

(*d*) where regular books of account are maintained by the assessee, the return is accompanied by copies of—

(*i*) manufacturing account, trading account, profit and loss account or, as the case may be, income and expenditure account or any other similar account and balance sheet;

(*ii*) in the case of a proprietary business or profession, the personal account of the proprietor; in the case of a firm, association of persons or body of individuals, personal accounts of the partners or members; and in the case of a partner or member of a firm, association of persons or body of individuals, also his personal account in the firm, association of persons or body of individuals;

(*e*) where the accounts of the assessee have been audited, the return is accompanied by copies of the audited profit and loss account and balance sheet and the auditor's report and, where an audit of cost accounts of the assessee has been conducted, under section 233B of the Companies Act, 1956 (1 of 1956), also the report under that section;

(*f*) where regular books of account are not maintained by the assessee, the return is accompanied by a statement indicating the amounts of turnover or, as the case may be, gross receipts, gross profit, expenses and net profit of the business or profession and the basis on which such amounts have been computed, and also disclosing the amounts of total sundry debtors, sundry creditors, stock-in-trade and cash balance as at the end of the previous year:

Provided that the Board may, by notification in the Official Gazette, specify that any of the conditions specified in clauses (*a*) to (*f*) to the *Explanation* shall not apply to such class of assessees or shall apply with such modifications, as may be specified in such notification.

[87][(9A) Where any return of income is furnished in pursuance of an order under clause (*b*) of sub-section (2) of section 119, the provisions of this section shall apply.]

(10) [*Omitted by the Finance (No. 2) Act, 1991, w.e.f. 1-4-1991.*]

263.3 Reasons Justification given by the Ministry of Finance for the proposed provision:

Clause 263 of the Bill provides for return of income. The clause corresponds to section 139 of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause. Further, various due dates prescribed in the existing provisions of section 139 has been tabulated for simple reading and easy to understand.

263.4 Important Views/Suggestions given by Experts/Stakeholders:

263.4.1 Some of the important suggestions given by stakeholders on Clause 262 are as follows:

i. It is recommended to extend the time limit to file a revised return up to 21 months from the end of the tax year or issuance of scrutiny notice, whichever is earlier, to rectify inadvertent errors or omissions in the original return.
ii. The time limit for furnishing a revised return is at any time before three months prior to the end of the relevant assessment year or before the completion of the assessment, whichever is earlier.

iii. No refund in case of belated return. Allow exceptions for genuine cases (e.g., medical emergency, natural calamity, death in family). Ensures fairness and protects the rights of taxpayers with valid reasons for delay.

iv. The Bill should provide flexibility by allowing refund claims in cases where the return is not filed, subject to safeguards The mandatory requirement to file a return merely to claim a refund may lead to unintended prosecution, especially for small taxpayers, under penal provisions for non-filing In such cases, where tax has been deducted and the income is below threshold, the law should not compel a return merely to avoid prosecution.

v. Insert an additional provision (c) in clause 263(1) as given below: "(c) A non-resident under section 6 of this Act shall be required to furnish a return of income as per the provisions of this section only if such non resident: (i) has any income chargeable to tax in India; or (ii) is claiming any tax benefit as defined in Section 184(11) of this Act. Provided that no return of income shall be required to be filed under this provision if tax has been fully deducted or collected at source under the provisions of Chapter XIX of this Act, on the concerned income of such non-resident." The conditions under which non-residents are required to file tax returns in India should be expressly clarified There has been significant litigation around the issue of whether and in what circumstances non-residents need to file returns in India, if for example they have no India-sourced income due to a DTAA or otherwise Filing of an ITR needs other potential compliances such as obtaining a PAN, getting an audit, filing of audit reports etc and taxpayers should have certainty as to when these requirements apply to them.

vi. Updated return under Clause 263(6)(a) –'updated return of his income or the income of any other person in respect of which he is assessable under this Act or Income-tax Act, 1961' .TDS return (correction statement) under Clause 397(3)(f) – 'from the end of the tax year or financial year under Income-tax Act, 1961 in which such statement is required to be delivered' Alternatively, Savings and Repeal clause may enable taxpayers to file such returns as per provisions of new Bill New Bill allows taxpayers to file returns subsequently, if. Updated return – Income is assessable under new Bill only. TDS correction statement – can only be filed in relation to tax year Further, no specific provisions has been made in savings Clause of new Bill to enable taxpayers file returns under new Bill if transactions were done prior to 01.04.2026.

vii. The provisions of this section shall also apply to a return of income which is furnished in pursuance of an order passed under section 239 (4) (3)(b); In section 263(8)(a) there is an error in making reference to section 239 – The correct reference should be to section 239(3)(b) It is required to omit '(4)'.

viii. The provisions are required to be relaxed and refund needs to be allowed even if the return is filed belatedly Once refund is due, denial thereof would tantamount

to unauthorized collection of tax It would also cause serious concerns for the cases where return could not be filed for genuine hardships. Such a provision would create a hardship for individual taxpayers who miss the due dates due to genuine reasons It is recommended to clarify that the taxpayers can claim refunds by filing ITR under Clause 263(4) as well as under Clause 263(5).

ix. A clarificatory provision can be provided after section 263(6): “It is further clarified that the updated return of income can be filed if it has an effect of reducing the refunds claimed basis of return furnished under sub-section (1) or (4) or (5) for the said tax year” • Utility of income tax returns to align with the provisions of the law and should not debar taxpayer for filing updated return in case of reduced refunds.

x. Under clause 263, every person other than a company or a firm is required to furnish his ITR if his total income exceeds the basic exemption limit, without giving effect to the deductions allowable inter-alia under Chapter IV-E (Capital gains) AND To avoid further litigations and ambiguity amongst the taxpayers, it is recommended that the specific deductions relating to the capital gains are to be provided in Clause 263 of the new Bill in lines with the old Act The corresponding provision in the New Bill does not specify the deductions under Chapter IV-E relating to Capital Gains for computing total income for the purpose of determination of the obligation to file ITR in case of a person other than company or firm This change may suggest that all deductions under the head capital gains can be considered, which could possibly also include deduction of other items such as cost of acquisition, exempt transfers, etc., which is not an intent of the law.

xi. Extend it to 31st August Reduce pressure on small taxpayers and professionals.

xii. A clause be introduced for Mandatory filing of an Annual Revelation Return by all individual IT-PAN holders without affecting any of the existing tax benefits or rebates.

xiii. section 263(1)(a) making reference to a person who intends to claim refund under Chapter XX be omitted. The clause (ix) as proposed as of now has the effect of denying refund to a person in a case where the Return of Income is delayed beyond the due date as specified As against this, clause 433 provides that every claim of refund under this part shall be made by filing Return as per section 263 Clause 433 includes entire section 263 and is not confined to section 263(1)(a) This reflects the clear intention that the legislature do not want to deny the refund to an assessee merely because the return of income has been delayed beyond due date However, the presence of clause (ix) in section 263(1)(a) leads to an unintended interpretation that the assessee will need to file the Return of Income within the due date if he intends to claim a refund The clause (ix) dose not serve any purpose since it is certainly permissible for a

person to furnish a belated return Accordingly, the omission of the same would avoid unnecessary confusion and unintended hardship to the assessee.

xiv. time available for filing revised return be extended to eighteen months from the end of the tax year instead of nine months as provided as of now This is suggested with a view that any claim can be made in the revised return As such filing of revised return within 2-3 months of filing original return has no material meaning. Though the provisions under both the Income-tax Act 1961 and the Income-tax Bill 2025 are similar, we believe that there is a genuine need to extend the time as explained hereunder : The time limits for filing the Revised Returns have reduced considerably in recent past Further following the ratio of the judgment of the Hon'ble Supreme Court in the case of Goetze (India) Ltd v CIT (2006) 284 ITR 323 (SC), any claim missed out by an assessee has to be made only by way of filing a Return At times, it is seen that a genuine claim by the assessee is missed out and the same is noticed while filing return for next year much beyond the date upto which the Return can be revised by the assessee Due to this difficulty, an assessee is deprived of the right to make genuine claim/rectify bonafide error.

xv. Though the provisions under the Income-tax Bill 2025 and the Income-tax Act 1961 are similar, we believe that there is an anomaly which deserves to be addressed while enacting a new Act We recommend that the updated return should be permissible in cases where the effect is reduction of loss as compared to the original return but still the final amount is a loss.

xvi. We also recommend that in a case where the assessee has missed out to furnish the return of income, an updated return be permitted even though the same is resulting in a refund to the assessee. Under the present scheme, updated return is not permissible at all where it results in refund to the assessee Reduced refunds as per percentage prescribed amounts to indirect cost to the assessee and savings to the revenue and therefore there is no reason to doubt that the assessee will adopt a complacent approach In absence of the provisions to file the return at present, the assesses are compelled to file condonation request to the CBDT for claiming refunds which adds to the administrative burden of the CBDT This can be avoided if the reduced refunds are possible by way of updated return It will reduce cost for both the assessee and the CBDT and therefore needs to be considered As regards the cases of reduction of loss in the updated Return, we feel that there should not be any objection against the same since it ultimately serves the purpose for which the provisions of updated Return have been introduced Say for Example the loss as per the original return is Rs 10 Crores and the assessee wants to file updated return showing loss of Rs 8 Crores The assessee is in a way offering higher income as compared to the original return by way of forgoing carry forward of loss to the extent of Rs 2

Crores But since the final amount is still loss, the present provision do not permit the assessee to file the updated return This is clearly an unintended anomaly and needs to be corrected while enacting new code.

xvii. It is suggested that sub-clause (ix) may be removed from section 263(1)(a).Clause 263 (1)(a)(ix) requires a person who intends to make a claim of refund under Chapter XX to file return of income for the tax year on or before the due date i.e., 31st July/ 31st October/ 30th November, as the case may be, of the financial year succeeding the relevant tax year. This implies that refund cannot be claimed by filing a belated return on or before 31st December of the financial year succeeding the relevant tax year. This is a stringent condition imposed vide the new bill. However, clause 270(1), provides for the manner of processing a return which is made under section 263 or in response to a notice under section 268(1). The clause provides that the sum payable by, or amount of refund due to the assessee shall be determined after adjustment of the tax, interest and fee, if any, computed on the basis of total income by TDS/TCS/advance tax paid etc. The amount of refund due on the basis of such determination shall be granted to the assessee. It may be noted that clause 270 provides for the manner of processing a return made under section 263, which includes a return filed on or before the due date under sub-section (1) and a return filed belatedly under sub-section (4) thereof, within 9 months from the end of the relevant tax year, or before the completion of assessment, whichever is earlier. Thus, while section 270 permits granting of refund due on processing of a return filed on time and a return filed belatedly, section 263(1)(a) contains the requirement to file a return on or before due date where a person intends to make a claim for refund.

xviii. It is suggested that in Table at Sl. No. 4 (due date for filling of ITR) may be suitably amended as under: Assessee, including the partners of the firm or the spouse of such partner (if section 10 applies to such spouse), who is required to furnish a report referred to in section 172-30th November Company (other than covered in 1 above) 31st October Person (other than a company) whose accounts are required to be audited under this Act or under any other law in force (other than covered in 1 above) 31st October Partner of a firm whose accounts are required to be audited under this Act or under any other law in force; or the spouse of such partner (if section 10 applies to such spouse) (other than covered in 1 above) -31st October Any other assessee 31st July The current table requires clarity. For example, in case of a company which is required to furnish Transfer Pricing Audit report, whether due date would be as per Sl. No. 1 or Sl. No. 4. Therefore, the order of presentation may be modified and suitable exclusions be added in 2, 3 and 4 for greater clarity. The entry at Table: Sl.No. 4 may be placed at Sl. No.1 for clarity. Thereafter, Sl. No.2 to 4 to exclude the assessee covered in Sl. No.1

263.5 Examination by the Committee:

263.5.1 The Ministry furnished their replies as follows for the aforementioned suggestions:

i. The proposed provision is the simplified version of the corresponding provision of Income-Tax Act, 1961 and no amendment has been introduced in this simplified version from the policy perspective. The suggestion made by the stakeholder is in the nature of policy change which is beyond the scope of the objectives of the IT Bill, 2025.

ii. The suggestion made by the stakeholder is in the nature of policy change which is beyond the scope of the objectives of the IT Bill, 2025.

iii. This is a drafting correction and clause 263(1)(xi) should be deleted to enable taxpayers to claim refund even if they file belated or revised return. Therefore, suggestion is acceptable.

iv. The suggestion seeks to provide flexibility by allowing refund claims in cases where the return is not filed in due time, subject to safeguards. This is drafting correction and clause 263(1)(ix) shall be deleted.

v. The suggestion seeks to insert additional provision (c) in clause 263(1) as given below: "(c) A non-resident under section 6 of this Act shall be required to furnish a return of income as per the provisions of this section only if such non-resident: (i) has any income chargeable to tax in India; or (ii) is claiming any tax benefit as defined in Section 184(11) of this Act. Provided that no return of income shall be required to be filed under this provision if tax has been fully deducted or collected at source under the provisions of Chapter XIX of this Act, on the concerned income of such non-resident." It is in the nature of Policy Change which is outside the scope of the Bill. There is no change in the provisions of the Bill viz-a-viz Act. It may be mentioned that a facility has been provided to non-residents in Clause 207(8), 209(4) of the Bill, to not file return of income if income is of the nature specified therein and the due taxes have been deducted on such income. Number of passive incomes are listed in the said clause. Further, there is no change in the proposed provisions of ITB 2025 vis-a-vis the provisions of ITA 1961. The provisions of the Bill have to read harmoniously and not create situations where unintended compliances are being imposed. Thus, the suggestion is already addressed.

vi. The suggestion seeks to introduce a new provision in savings Clause of Bill to enable taxpayers file returns under new Bill if transactions were done prior to 01.04.2026. There is no change in the provisions of the Bill viz-a-viz Act. Clause 536(2)(c) of the Bill would apply in such scenarios. The taxpayer is required to update the earlier filed return. The earlier returns are as per old provisions. Earlier returns cannot be made as per provisions of the Bill. Therefore, the suggestion is not feasible.

vii. The issue points out a cross-referencing error in clause 263(8)(a) and '(4)' shall be omitted from referred section '239(4)(3)(b)'.

viii. The suggestion seeks to provide flexibility by allowing refund claims in cases where the return is not filed, subject to safeguards. This is drafting correction and clause 263(1)(ix) shall be deleted.

ix. The suggestion seeks to provide for clarification that the updated return of income can be filed if it has an effect of reducing the refunds claimed on the basis of earlier return furnished under sub-section (1) or (4) or (5) for the said tax year. There is no bar on filing updated return in above mentioned cases. This utility already exists in the Updated Return. Thus, updated return may be filed in system for such cases where refund is reduced.

x. The suggestion seeks to retain the original specific section of capital gains in clause 263 for calculating basic exemption limit, without giving effect to the deductions allowable inter-alia under those specific section of Capital gains. Under the Act, for the purposes of filing ITR the income amount is to be taken without taking into consideration deductions allowed under specific sections of Capital Gains. In the Bill, reference has been made to the Chapter of capital gains, rather than referring to individual sections. There is no change in the Bill except for the fact that the provision has been made simpler to understand and implement for the taxpayer. In order to align the provisions of the Bill viz a-viz Act, clause 263(1) shall be amended to mention only specific deductions under chapter IV-E.

xi. The suggestion seeks to amend clause 263(1)(b) to Extend the due date of furnishing return of income to 31st August from 31st July. It is in the nature of Policy Change which is outside the scope of the Bill. There is no change in the provisions of the Bill viz-a-viz Act. For small taxpayers, there is scheme of presumptive tax. Such taxpayers are not even required to maintain books of account if the turnover does not exceed specified limit. Small taxpayers and professionals are required to file their return on basis of their turnover. Also, with the facility of 26AS and pre-population of ITRs, return filing has become

much easier. in the new tax regime, the provisions of law have become simple enabling easier filing. Therefore, four-month time for filing tax returns that is upto 31st July is more than adequate. Thus, the suggestion is not feasible.

xii. The suggestion seeks to introduce Mandatory filing of an Annual Revelation Return by all individual IT-PAN holders. It is in the nature of Policy Change which is outside the scope of the Bill. There is no change in the provisions of the Bill viz-a-viz Act. The government's focus is on reducing the compliance burden and taxes only such income which is chargeable to income tax. The exemption from tax filing is available only to such persons whose income fall below the minimum amount not chargeable to tax i.e. 2.5 lacs in old regime and 4 lacs in new regime. This translates into a monthly income ranging from Rs 20,000/- to Rs. 33,000/-. Placing burden on large number of citizens which would be in the range of 70 Cr who are barely making both ends meet is not desirable. Thus, the suggestion is not feasible.

xiii. The suggestion seeks to omit clause 263(1)(ix) making reference to a person who intends to claim refund under Chapter XX. The clause 263(1)(ix) shall be deleted.

xiv. The suggestion seeks to extend the time available for filing revised return be extended to 18 months from the end of the tax year instead of 9 months. Both the Act and the Bill provides for filing of an updated return up to four years, in case assessee requires to file return if not filed earlier or if he desires to offer additional income. Thus, the suggestion is not feasible.

xv. The suggestion seeks to provide for allowing updated return in cases where the effect is reduction of loss as compared to the original return but still the final amount is a loss. It is in the nature of Policy Change which is outside the scope of the Bill. There is no change in the provisions of the Bill viz-a-viz Act. Losses such as Profits and gains of business and profession and capitals gains can only be claimed if the return is filed within the due date. Therefore, allowing for losses to be adjusted or reduced in an updated return has no rationale. These are anti-abuse measures in the tax law. Thus, the suggestion is not feasible.

xvi. The suggestion seeks to allow filing of updated return where the assessee has missed out to furnish the return of income, and an updated return if permitted results in a refund to the assessee. It is in the nature of Policy Change which is outside the scope of the Bill. There is no change in the provisions of the Bill viz-a-viz Act. When some person has missed to file the

return within the due date, he has the option of furnishing belated and revised return upto the end of calendar year and there is also an option of filing an application u/s 119(2)(b) for condonation of delay. Moreover, refund out of updated return is not provided as these are essential guardrails so that the discipline in filing returns is maintained and provisions are not misused. Thus, the suggestion is not feasible.

xvii. The suggestion seeks to delete the clause 263(1)(ix) to enable refund to person filing belated return also. The suggestion is acceptable.

xviii. The suggestion seeks to redraft the Table in clause 263 to provide better clarity of due date of filing returns. For ex. for company with TP transactions, the due date should be 30th November. However, this exclusion is not provided. The suggestion is in nature of drafting correction and is acceptable.

263.5.2 Further, with regard to implications, if timeline for revised return is increased from 9 months to 21 months, the Ministry stated as follows:

(i) The facility for revision of return is available till 31st December of the year in which return is filed. From thereon, the updated return facility starts which extends upto 4 years from the end of the assessment year upon payment of additional income-tax. Therefore, where income is sought to be revised, updated return facility is available. The updated return scheme will be adversely affected on extension of limit for revised returns.

(ii) Scrutiny assessment is to be completed within one year from the end of assessment year i.e. within 24 months of the completion of previous year. Therefore, the limit of revised return cannot be extended to 21 months.

(iii) The period of 9 months is sufficient to rectify "inadvertent errors or omissions" in the returns.

(iv) The time limits of sending reopening notice u/s 148 of IT Act 1961 has also changed and the reopening notice u/s 148 cannot be sent beyond 3 years and 3 months from the end of the relevant assessment year (without threshold limits of income escaping assessment). Therefore, limit of 21 months will upset the scheme of re-assessments.

(v) The extension in time limit of revision will upset the discipline in processing, refunds, assessments etc. and would also lead to multiplicity of proceedings leading to inconvenience to large number of taxpayers.

(vi) The assessee may file rectification application to the Assessing Officer to rectify any such mistake apparent from record. Therefore, the revision of return, in a way (other than for modifying the income) is available with the taxpayer.

263.6 Observations/Recommendations of the Committee:

263.6.1 The Committee observe that Clause 263(1) of the Bill states that for persons other than companies or firms, the ITR filing obligation is there if their total income exceeds the basic exemption limit without giving effect to deductions allowable under "Chapter IV-E (Capital Gains)." However, the Committee note that referring to the entire "Chapter IV-E" is too broad as this Chapter covers not only specific exemptions but also fundamental elements of capital gains computation such as the cost of acquisition, indexed cost, and exempt transfers. Also, the broad phrasing might be misinterpreted to mean that all these computational elements (cost, exempt transfers, etc.) are to be ignored when calculating total income for the ITR filing threshold. Therefore, the Committee recommend that in order to prevent potential litigation, avoid ambiguity and ensure clarity, the provisions of the Bill may be amended to align with the existing Act by explicitly specifying only those particular deductions within Chapter IV-E that are to be disregarded when determining the ITR filing threshold, rather than the entire chapter.

262.6.2 The Committee observe that the current mandatory requirement to file a return solely for the purpose of claiming a refund could inadvertently lead to prosecution, particularly for small taxpayers whose income falls below the taxable threshold but from whom tax has been deducted at source. In such scenarios, the law should not compel a return merely to avoid penal provisions for non-filing. The Committee, therefore, recommend to remove sub-clause (1)(ix) to Clause 263 to provide flexibility for allowing refund claims in cases where the return is not filed in due time.

262.6.3 The Committee further note that there is an error in cross-referencing in sub-clause 8(a). Therefore, the Committee recommend to remove '(4)' from referred Section '239(4)(3)(b)' in sub-clause (8)(a) to Clause 263.

262.6.4 The Committee recommend that to provide better clarity regarding due date of filing returns, in the Table in Clause 263 for company with Transfer Pricing transactions, the due date 30th November may be added.

The Committee other than recommending the Ministry to carry out the necessary changes find the provisions to be a textual simplification and accept the Clause as proposed.

Clause 264– Scheme for submission of returns through tax return preparers

264.1 Provision proposed in the Income-Tax Bill, 2025:

264. (*1*) The Board may make a Scheme for furnishing returns of income through a tax return preparer and such Scheme shall be notified, which—

(*a*) may enable any specified class or classes of persons in preparing and furnishing returns of income through a tax return preparer authorised to act as such under the Scheme;

(*b*) may be made irrespective of provisions of section 263.

(*2*) In this section,—

(*a*) “tax return preparer” means any individual, not being a person referred to in section 515(*3*)(*a*)(*ii*) or an employee of the “specified class or classes of persons”, who has been authorised to act as a tax return preparer under the Scheme made under this section;

(*b*) “specified class or classes of persons” means any person, other than a company or a person, whose accounts are required to be audited under section 63 or under any other law, who is required to furnish a return of income under this Act.

(*3*) Every notification for the Scheme referred to in sub-section (*1*) shall be issued as per section 534 of this Act.

264.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Scheme for submission of returns through Tax Return Preparers.

139B. (1) For the purpose of enabling any specified class or classes of persons in preparing and furnishing returns of income, the Board may, without prejudice to the provisions of section 139, frame a Scheme, by notification in the Official Gazette, providing that such persons may furnish their returns of income through a Tax Return Preparer authorised to act as such under the Scheme.

(2) Every Tax Return Preparer shall assist the persons furnishing the return of income in such manner as may be specified in the Scheme framed under this section and affix his signature on such return.

(3) For the purposes of this section,—

(*a*) "Tax Return Preparer" means any individual, [not being a person referred to in clause (*ii*) or clause (*iii*) or clause (*iv*) of sub-section (2) of section 288 or an employee of the "specified class or classes of persons"], who has been authorised to act as a Tax Return Preparer under the Scheme framed under this

section;

(*b*) "specified class or classes of persons" means any person, other than a company or a person, whose accounts are required to be audited under section 44AB or under any other law for the time being in force, who is required to furnish a return of income under this Act.

(4) The Scheme framed by the Board under this section may provide for the following, namely:—

(*a*) the manner in which and the period for which the Tax Return Preparers shall be authorised under sub-section (3);

(*b*) the educational and other qualifications to be possessed, and the training and other conditions required to be fulfilled, by a person to act as a Tax Return Preparer;

(*c*) the code of conduct for the Tax Return Preparers;

(*d*) the duties and obligations of the Tax Return Preparers;

(*e*) the circumstances under which the authorisation given to a Tax Return Preparer may be withdrawn;

(*f*) any other matter which is required to be, or may be, specified by the Scheme for the purposes of this section.

(5) The Scheme framed by the Board under this section shall be laid, as soon as may be after it is framed, before each House of Parliament, while it is in session, for a total period of thirty days which may be comprised in one session or in two or more successive sessions, and if, before the expiry of the session immediately following the session or the successive sessions aforesaid, both Houses agree in making any modification in the Scheme or both Houses agree that the Scheme should not be framed, the Scheme shall thereafter have effect only in such modified form or be of no effect, as the case may be; so, however, that any such modification or annulment shall be without prejudice to the validity of anything previously done under that Scheme.

264.3 Reasons Justification given by the Ministry of Finance for the proposed provision:

Clause 264 of the Bill provides for scheme for submission of returns through Tax Return Preparers The clause corresponds to section 139B of the Act. The provisions of the existing section have been textually simplified and retained with the same intent in this clause.

264.4 Important Views/Suggestions given by Experts/Stakeholders:

i. It is required to rename "Tax return preparers" in clause 264 as ``Income Tax Practitioners``.
ii. Avoid overlap of this Clause with Clause 288(2)(vi) and unify the definition.

264.5 Examination by the Committee:

264.5.1 For the above suggestions, the Ministry provided the following replies:

i. The suggestion seeks to rename "Tax return preparers" in clause 264 as ``Income Tax Practitioners``. It is in the nature of Policy Change which is outside the scope of the Bill. There is no change in the provisions of the Bill viz-a-viz Act. There are separate qualifications for a Tax return preparer under clause 264 and for an authorised representative under clause 515. This is so because the functions thereof are different.

ii. There is no overlap between the two. If at all there is an overlap, that is in Favor of the TRP as well as the AR. Thus, the suggestion is not feasible.

264.5.2 In a further written clarification regarding the extent of liability of a TRP for errors, omissions, or misstatements in returns prepared by them under this scheme and the recourse assessees will have against TRPs for such issues, the Ministry provided as under:

As per Tax Return Preparer Scheme, 2006 Certificate given to the Tax Return Preparer may be withdrawn on the following grounds.

(i) if he fails to enter any information made available to him by the assessee, correctly in the return prepared by him;

(ii) if he makes a wrong or fraudulent claim for disbursement;

(iii) if he is engaged in any financial irregularity, forgery or fraud;

(iv) if he wilfully attempts to understate the income in the return or tax liability thereon;

Further, as per section 278 of the existing Act, TRP can be prosecuted for abetment of false return. Therefore, TRP's certificate can be cancelled or he can be prosecuted for filing the wrong Income Tax Return.

264.6 Observations/Recommendations of the Committee:

The Committee, upon examination and the justification provided by the Ministry, find the provisions of the Clause 264 in line with the existing provisions with retention of the same intent and therefore accept the Clause as proposed.

Clause 265– Return by whom to be verified

265.1 Provision proposed in the Income-Tax Bill, 2025:

265. The return of income under section 263 required to be furnished by the person specified in column B of the Table below shall be verified by the person specified in corresponding entry in column C of the said Table:

Table

Sl. No	Person furnishing return of income	To be verified
A	B	C
1.	An individual.	(*i*) By the individual himself; (*ii*) where the individual is mentally incapacitated from attending to his affairs,by his guardian or any other person competent to act on his behalf; (*iii*) where, for any other reason, it is not possible for the individual to verify the return, by any person duly authorised by him through a valid power of attorney.
2.	A Hindu undivided family.	(*i*) By the *karta*; (*ii*) where the *karta* is absent from India or is mentally incapacitated from attending to his affairs, by any other adult member of such family.
3.	A company [in cases other than those mentioned at serial numbers 4, 5,6 and 7].	(*i*) By the managing director of the company; (*ii*) where there is no managing director, or the managing director is not able to verify the return due to any unavoidable reason, by any director of the company or any other person as prescribed for verifying the return.

A	B	C
4.	A company not being resident in India.	By any person holding a valid power of attorney from the company to do so.
5.	A company which is being wound up by the Court or otherwise, or where any person has been appointed as receiver of any assets of the company.	By the liquidator as referred to in section 322(*1*).
6.	A company whose management has been taken over by the Central Government or any State Government under any law.	By the principal officer of the company.
7.	A company, for which application seeking corporate insolvency resolution process has been admitted by the Adjudicating Authority under sections 7 or 9 or 10 of the Insolvency and Bankruptcy Code, 2016 (31 of 2016).	By the insolvency professional appointed by such Adjudicating Authority, where— Note.— "Insolvencyprofessional" and "Adjudicating Authority" shall have the same meanings as assigned to them respectively in sections 3(*19*) and 5(*1*) of the Insolvency and Bankruptcy Code, 2016(31 of 2016).
8.	A firm.	(*i*) By the managing partner of the firm; (*ii*) where the managing partner is not able to verify the return due to

		any unavoidable reason, or there is no managing partner as such, by any partner of the firm, not being a minor.
9.	A limited liability partnership.	(*i*) By the designated partner of the limited liability partnership; (*ii*) where the designated partner of the limited liability partnership is not able to verify the return due to any unavoidable reason, or where there is no designated partner, by any partner of the limited liability partnership or any other person as prescribed for verifying the return.
10.	A local authority.	By the principal officer of the local authority.
11.	A political party as referred to in section 263(*1*)(*a*)(*iii*).	By the chief executive officer of such political party (whether the chief executive officer is known as secretary or by any other designation).
12.	Any other association.	(*i*) By any member of the association; or (*ii*) by the principal officer of the association.
13.	Any other person.	(*i*) By the person himself; or (*ii*) by any person competent to act on his behalf.

265.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Return by whom to be verified.

140. The return under section 115WD or section 139 shall be verified—

(*a*) in the case of an individual,—

(*i*) by the individual himself;

(*ii*) where he is absent from India, by the individual himself or by some person duly authorised by him in this behalf;

(*iii*) where he is mentally incapacitated from attending to his affairs, by his guardian or any other person competent to act on his behalf; and

(*iv*) where, for any other reason, it is not possible for the individual to verify the return, by any person duly authorised by him in this behalf:

Provided that in a case referred to in sub-clause (*ii*) or sub-clause (*iv*), the person verifying the return holds a valid power of attorney from the individual to do so, which shall be attached to the return;

(*b*) in the case of a Hindu undivided family, by the karta, and, where the karta is absent from India or is mentally incapacitated from attending to his affairs, by any other adult member of such family;

(*c*) in the case of a company, by the managing director thereof, or where for any unavoidable reason such managing director is not able to verify the return, or where there is no managing director, by any director thereof or any other person, as may be prescribed for this purpose:

Provided that where the company is not resident in India, the return may be verified by a person who holds a valid power of attorney from such company to do so, which shall be attached to the return :

Provided further that,—

(*a*) where the company is being wound up, whether under the orders of a court or otherwise, or where any person has been appointed as the receiver of any assets of the company, the return shall be verified by the liquidator referred to in sub-section (1) of section 178;

(*b*) where the management of the company has been taken over by the Central Government or any State Government under any law, the return of the company shall be verified by the principal officer thereof; or

(*c*) where in respect of a company, an application for corporate insolvency resolution process has been admitted by the Adjudicating Authority under section 7 or section 9 or section 10 of the Insolvency and Bankruptcy Code, 2016 (31 of 2016), the return shall be verified by the insolvency professional appointed by such Adjudicating Authority.

Explanation.—For the purposes of this clause the expressions "insolvency professional" and "Adjudicating Authority" shall have the respective meanings assigned to them in clause (*18*) of section 3 and clause (*1*) of section 5 of the Insolvency and Bankruptcy Code, 2016 (31 of 2016);

(*cc*) in the case of a firm, by the managing partner thereof, or where for any unavoidable reason such managing partner is not able to verify the return, or where there is no managing partner as such, by any partner thereof, not being a minor;

(*cd*) in the case of a limited liability partnership, by the designated partner thereof, or where for any unavoidable reason such designated partner is not able to verify the return, or where there is no designated partner as such, by any partner thereof or any other person, as may be prescribed for this purpose;

(*d*) in the case of a local authority, by the principal officer thereof;

(*dd*) in the case of a political party referred to in sub-section (4B) of section 139, by the chief executive officer of such party (whether such chief executive officer is known as secretary or by any other designation);

(*e*) in the case of any other association, by any member of the association or the principal officer thereof; and

(*f*) in the case of any other person, by that person or by some person competent to act on his behalf.

265.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

Clause 265 of the Bill provides for return by whom to be verified.The clause corresponds to section 140 of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause.

265.4 Observations/Recommendations of the Committee:

The Committee note the justification provided by the Ministry and find the provisions of the Clause 265 to be textual simplification of the existing provisions of the 1961 Act with no change in policy and intent and therefore the Committee accept the Clause as it stands.

Clause 266– Self-assessment.

266.1 Provision proposed in the Income-Tax Bill, 2025:

266. (*1*) Where, after taking into account the amounts referred to in sub-section (*2*), any tax is payable on the basis of any return required to be furnished under section 263 or 268 or 280 or 294, then—

(*a*) the assessee shall be liable to pay such tax together with interest and fee payable under any provision of this Act for any delay in furnishing the return or any default or delay in payment of advance tax, before furnishing the return; and

(*b*) the return shall be accompanied by proof of payment of tax, interest and fee.

(*2*) The amounts referred to in sub-section (*1*) shall be,—

(*a*) the amount of tax, if any, already paid under any provision of this Act;

(*b*) any tax deducted or collected at source;

(*c*) any relief of tax claimed under section 157;

(*d*) any relief of tax or deduction of tax claimed under section 159(*1*) or 160 on account of tax paid in a country outside India;

(*e*) any relief of tax claimed under section 159(*2*) on account of tax paid in any specified territory outside India referred to in that section;

(*f*) any tax credit claimed to be set off as per section 206(*13*); and

(*g*) any tax or interest payable according to the provisions of section 391(*2*).

(*3*) Where the amount paid by the assessee under sub-section (*1*) falls short of the aggregate of the tax, interest and fee as payable under the said sub-section, the amount so paid shall be adjusted towards the fee payable and thereafter towards the interest payable and the balance, if any, shall be adjusted towards the tax payable.

(*4*) For the purposes of sub-section (*1*), interest payable under section 423 shall be computed on the tax on the total income as declared in the return as reduced by the amount of,—

(*a*) advance tax, if any, paid;

(*b*) any tax deducted or collected at source;

(*c*) any relief of tax claimed under section 157;

(*d*) any relief of tax or deduction of tax claimed under section 159(*1*) or 160 on account of tax paid in a country outside India;

(*e*) any relief of tax claimed under section 159(*2*) on account of tax paid in any specified territory outside India referred to in that section; and

(*f*) any tax credit claimed to be set off as per the provisions of section 206(*13*);

(*5*) For the purposes of sub-section (*1*), interest payable under section 424 shall be computed on an amount equal to the assessed tax or, as the case may be, on the amount by which the advance tax paid falls short of the assessed tax.

(*6*) In sub-section (*5*), "assessed tax" means the tax on the total income as declared in the return as reduced by the amount of,—

(*a*) tax deducted or collected at source, as per the provisions of Chapter XIX-B, on any income which is subject to such deduction or collection and which is taken into account in computing such total income;

(*b*) any relief of tax claimed under section 157;

(*c*) any relief of tax or deduction of tax claimed under section 159(*1*) or section 160 on account of tax paid in a country outside India;

(*d*) any relief of tax claimed under section 159(*2*) on account of tax paid in any specified territory outside India referred to in that section; and.

(*e*) any tax credit claimed to be set off as per the provisions of section 206(*13*).

(*7*) After a regular assessment under section 270 or 271 or an assessment under section 294 has been made, any amount paid under sub-section (*1*) shall be deemed to have been paid towards such regular assessment or assessment.

(*8*) If any assessee fails to pay the whole or any part of such tax, interest or fee as per the provisions of sub-section (*1*), he shall be deemed to be an assessee in default in respect of the tax, interest or fee remaining unpaid and all the provisions of this Act shall apply accordingly.

(*9*) The provisions of sub-section (*8*) shall apply without prejudice to any other consequences which the assessee may incur.

266.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Self-assessment.

140A. (1) Where any tax is payable on the basis of any return required to be furnished under section 115WD or section 115WH or section 139 or section 142 or section

148 or section 153A or, as the case may be, section 158BC, after taking into account,—

(*i*) the amount of tax, if any, already paid under any provision of this Act;

(*ii*) any tax deducted or collected at source;

(*iia*) any relief of tax claimed under section 89;

(*iii*) any relief of tax or deduction of tax claimed under section 90 or section 91 on account of tax paid in a country outside India;

(*iv*) any relief of tax claimed under section 90A on account of tax paid in any specified territory outside India referred to in that section;

(*v*) any tax credit claimed to be set off in accordance with the provisions of section 115JAA or section 115JD; and

(*vi*) any tax or interest payable according to the provisions of sub-section (2) of section 191,

the assessee shall be liable to pay such tax together with interest and fee payable under any provision of this Act for any delay in furnishing the return or any default or delay in payment of advance tax, before furnishing the return and the return shall be accompanied by proof of payment of such tax, interest and fee.

Explanation.—Where the amount paid by the assessee under this sub-section falls short of the aggregate of the tax , interest and fee as aforesaid, the amount so paid shall first be adjusted towards the fee payable and thereafter towards the interest payable as aforesaid and the balance, if any, shall be adjusted towards the tax payable.

(1A) For the purposes of sub-section (1), interest payable,—

(*i*) under section 234A shall be computed on the amount of the tax on the total income as declared in the return as reduced by the amount of,—

(*a*) advance tax, if any, paid;

(*b*) any tax deducted or collected at source;

(*ba*) any relief of tax claimed under section 89;

(*c*) any relief of tax or deduction of tax claimed under section 90 or section

91 on account of tax paid in a country outside India;

(*d*) any relief of tax claimed under section 90A on account of tax paid in any specified territory outside India referred to in that section; and

(*e*) any tax credit claimed to be set off in accordance with the provisions of section 115JAA or section 115JD;

(*ii*) under section 115WK shall be computed on the amount of tax on the value of the fringe benefits as declared in the return as reduced by the advance tax, paid, if any.

(1B) For the purposes of sub-section (1), interest payable under section 234B shall be computed on an amount equal to the assessed tax or, as the case may be, on the amount by which the advance tax paid falls short of the assessed tax.

Explanation.—For the purposes of this sub-section, "assessed tax" means the tax on the total income as declared in the return as reduced by the amount of,—

(*i*) tax deducted or collected at source, in accordance with the provisions of Chapter XVII, on any income which is subject to such deduction or collection and which is taken into account in computing such total income;

(*ia*) any relief of tax claimed under section 89;

(*ii*) any relief of tax or deduction of tax claimed under section 90 or section 91 on account of tax paid in a country outside India;

(*iii*) any relief of tax claimed under section 90A on account of tax paid in any specified territory outside India referred to in that section; and

(*iv*) any tax credit claimed to be set off in accordance with the provisions of section 115JAA or section 115JD.

(2) After a regular assessment under section 115WE or section 115WF or section 143 or section 144 or an assessment under section 153A or section 158BC has been made, any amount paid under sub-section (1) shall be deemed to have been paid towards such regular assessment or assessment, as the case may be.

(3) If any assessee fails to pay the whole or any part of such tax, interest or fee in accordance with the provisions of sub-section (1), he shall, without prejudice to any other consequences which he may incur, be deemed to be an assessee in default in respect of the tax, interest or fee remaining unpaid, and all the provisions of this Act shall apply accordingly.

(4) The provisions of this section as they stood immediately before their amend-ment by the Direct Tax Laws (Amendment) Act, 1987 (4 of 1988), shall apply to and in relation to any assessment for the assessment year commencing on the 1st day of April, 1988, or any earlier assessment year and references in this section to the other provisions of this Act shall be construed as references to those provisions as for the time being in force and applicable to the relevant assessment year.

266.3 Reasons Justification given by the Ministry of Finance for the proposed provision:

Clause 266 of the Bill provides for self-assessment. The clause corresponds to section 140A of the Act.The provisions of the existing section have been textually simplified and retained with the same intent in this clause.

266.4 Observations/Recommendations of the Committee:

The Committee, upon examination and the justification provided by the Ministry and find the provisions of the Clause 266 corresponding to the existing provisions and therefore accept the Clause as proposed.

Clause 267– Tax on updated return

267.1 Provision proposed in the Income-Tax Bill, 2025:

267. (*1*) Where no return of income under section 263(*1*) or (*4*) has been furnished by an assessee and, after taking into account the amounts referred to in sub-section (*2*), tax is payable on the basis of return to be furnished by such assessee under section 263(*6*), then—

(*a*) the assessee shall be liable to pay such tax together with interest and fee payable under any of the provisions of this Act for any delay in furnishing the return or any default or delay in payment of advance tax;

(*b*) such tax, interest and fee shall be payable along with the payment of additional income-tax computed as per sub-section (*5*), before furnishing the return; and

(*c*) the return shall be accompanied by proof of payment of such tax, additional income-tax, interest and fee.

(*2*) The amounts referred to in sub-section (*1*) shall be,—

(*a*) the amount of tax, if any, already paid as advance tax;

(*b*) any tax deducted or collected at source;

(*c*) any relief of tax claimed under section 157;

(*d*) any relief of tax or deduction of tax claimed under section 159(*1*)or 160 on account of tax paid in a country outside India;

(*e*) any relief of tax claimed under section 159(*2*) on account of tax paid in any specified territory outside India referred to in that section; and

(*f*) any tax credit claimed to be set off as per the provisions of section 206(*13*).

(*3*) Where, return of income under section 263(*1*) or (*4*) or (*5*) (referred to as earlier return) has been furnished by an assessee and, after taking into account the amounts referred to in sub-section (*4*) [as increased by the amount of refund, if any, issued in respect of such earlier return], tax is payable on the basis of return to be furnished by such assessee under section 263(*6*) then—

(*a*) the assessee shall be liable to pay such tax together with interest payable under any provision of this Act for any default or delay in payment of advance tax;

(*b*) such tax, interest and fee shall be payable along with the payment of additional income-tax, as computed as per sub-section (*5*), as reduced by the amount of interest

paid under the provisions of this Act in the earlier return, before furnishing the return; and

(*c*) the return shall be accompanied by proof of payment of such tax, additional income-tax, interest and fee.

(*4*) The sums referred to in sub-section (*3*) shall be the following,—

(*a*) the amount of relief or tax referred to in section 266(*1*), the credit for which has been taken in the earlier return;

(*b*) tax deducted or collected at source, as per the provisions of ChapterXIX-B, on any income which is subject to such deduction or collection and which is taken into account in computing total income and which has not been included in the earlier return;

(*c*) any relief of tax or deduction of tax claimed under section 159(*1*) or 160 on account of tax paid in a country outside India on such income which has not been included in the earlier return;

(*d*) any relief of tax claimed under section 159(*2*) on account of tax paid in any specified territory outside India referred to in that section on such income which has not been included in the earlier return; and

(*e*) any tax credit claimed, to be set off as per the provisions of section 206(*13*), which has not been claimed in the earlier return.

(*5*) For the purposes of sub-sections (*1*) and (*3*), the additional income-tax payable at the time of furnishing the return under section 263(*6*) shall be equal to,—

(*a*) 25% of aggregate of tax and interest payable, as determined in sub-section (*1*) or (*3*), as the case may be, if such return is furnished after expiry of the time available under section 263(*4*) or (*5*) and before completion of twelve months from the end of the financial year succeeding the relevant tax year; or

(*b*) 50% of aggregate of tax and interest payable, as determined in sub-section (*1*) or (*3*), as the case may be, if such return is furnished after the expiry of twelve months but before completion of twenty-four months from the end of the financial year succeeding the relevant tax year;

(*c*) 60% of aggregate of tax and interest payable, as determined in sub-section (*1*) or (*3*), as the case may be, if such return is furnished after the expiry of twenty-four months, but before completion of thirty-six months, from the end of the financial year succeeding the relevant tax year; or

(*d*) 70% of aggregate of tax and interest payable, as determined in sub-section (*1*) or (*3*), as the case may be, if such return is furnished after the expiry of thirty-six months, but before completion of forty-eight months, from the end of the financial year succeeding the relevant tax year.

(*6*) For the purposes of computation of "additional income-tax" under this section, tax shall include surcharge and cess, by whatever name called, on such tax.

(*7*) Irrespective of anything contained in section 424(*2*), for the purposes of sub-section (*3*), interest payable under section 424 shall be computed on an amount equal to the assessed tax where, "assessed tax" means the tax on the total income as declared in the return to be furnished under section 263(*6*),—

(*a*) after taking into account,—

(*i*) the amount of relief or tax referred to in section 266(*1*), the credit for which has been claimed in the earlier return, if any;

(*ii*) tax deducted or collected at source, as per the provisions of Chapter XIX-B, on any income which is subject to such deduction or collection and which is taken into account in computing such total income, which has not been included in the earlier return;

(*iii*) any relief of tax or deduction of tax claimed under section 159(*1*) or 160 on account of tax paid in a country outside India on such income which has not been included in the earlier return;

(*iv*) any relief of tax claimed under section 159(*2*) on account of tax paid in any specified territory outside India referred to in that section on such income which has not been included in the earlier return;

(*v*) any tax credit claimed, to be set off as per section 206(*13*), which has not been claimed in the earlier return; and

(*b*) as increased by refund, if any, issued in respect of such earlier return.

(*8*) If any difficulty arises in giving effect to the provisions of this section, the Board may, with the previous approval of the Central Government, by notification, issue guidelines removing the difficulty.

(*9*) No guidelines under sub-section (*8*) shall be issued after the expiration of two years from the 1st April, 2026.

(*10*) Every guideline issued by the Board under sub-section (*8*) shall be laid before each House of Parliamentwhile it is in session for a total period of thirty days which may be comprised in one session or in two or more successive sessions, and if, before the expiry of the session immediately following the session or the successive session aforesaid, both houses agree in making any modification in such guideline or both Houses agree that the guideline, should not be issued, the guideline shall thereafter

have effect only in such modified form or be of no effect, as the case may be; so, however, that any such modification or annulment shall be without prejudice to the validity of anything previously done under that guideline.

(*11*) For the purposes of this section,—

(*a*) interest payable under section 423, for the purposes of sub-section (*1*), shall be computed on the amount of tax on the total income as declared in the return, under section 263(*6*), as per section 266(*4*);

(*b*) interest payable under section 425, for the purposes of sub-section (*3*), shall be computed after taking into account the total income furnished in the return under section 263(*6*) as the returned income;

(*c*) interest payable, for the purposes of sub-section (*5*), shall be the interest chargeable under any provision of this Act, on the income as per return furnished under section 263(*6*), as reduced by interest paid, as per the earlier return, if any.

(*12*) For the purposes of sub-section (*11*)(*c*), the interest paid in the earlier return shall be *nil* if such return is an updated return referred to in sub-section (*1*).

267.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Tax on updated return.

140B. (1) Where no return of income under sub-section (1) or sub-section (4) of section 139 has been furnished by an assessee and tax is payable, on the basis of return to be furnished by such assessee under sub-section (8A) of section 139, after taking into account,—

(*i*) the amount of tax, if any, already paid as advance tax;

(*ii*) any tax deducted or collected at source;

(*iii*) any relief of tax claimed under section 89;

(*iv*) any relief of tax or deduction of tax claimed under section 90 or section 91 on account of tax paid in a country outside India;

(*v*) any relief of tax claimed under section 90A on account of tax paid in any specified territory outside India referred to in that section; and

(*vi*) any tax credit claimed to be set off in accordance with the provisions of section 115JAA or section 115JD,

the assessee shall be liable to pay such tax together with interest and fee payable under any of the provisions of this Act for any delay in furnishing the return or any

default or delay in payment of advance tax, along with the payment of additional income-tax computed in accordance with sub-section (3), before furnishing the return and the return shall be accompanied by proof of payment of such tax, additional income-tax, interest and fee.

(2) Where, return of income under sub-section (1) or sub-section (4) or sub-section (5) of section 139 (referred to as earlier return) has been furnished by an assessee and tax is payable on the basis of return to be furnished by such assessee under sub-section (8A) of section 139,—

(*a*) after taking into account,—

(*i*) the amount of relief or tax referred to in sub-section (1) of section 140A, the credit for which has been taken in the earlier return;

(*ii*) tax deducted or collected at source, in accordance with the provisions of Chapter XVII-B, on any income which is subject to such deduction or collection and which is taken into account in computing total income and which has not been included in the earlier return;

(*iii*) any relief of tax or deduction of tax claimed under section 90 or section 91 on account of tax paid in a country outside India on such income which has not been included in the earlier return;

(*iv*) any relief of tax claimed under section 90A on account of tax paid in any specified territory outside India referred to in that section on such income which has not been included in the earlier return;

(*v*) any tax credit claimed, to be set off in accordance with the provisions of section 115JAA or section 115JD, which has not been claimed in the earlier return; and

(*b*) as increased by the amount of refund, if any, issued in respect of such earlier return,

the assessee shall be liable to pay such tax together with interest payable under any provision of this Act for any default or delay in payment of advance tax along with the payment of additional income-tax, as computed in accordance with sub-section (3), as reduced by the amount of interest paid under the provisions of this Act in the earlier return, before furnishing the return and the return shall be accompanied by proof of payment of such tax, additional income-tax, interest and fee.

(3) For the purposes of sub-sections (1) and (2), the additional income-tax payable at the time of furnishing the return under sub-section (8A) of section 139 shall be equal to,—

(*i*) twenty-five per cent of aggregate of tax and interest payable, as determined in sub-section (1) or sub-section (2), as the case may be, if such return is furnished after expiry of the time available under sub-section (4) or sub-section (5) of section 139 and before completion of the period of twelve months from the end of the relevant assessment year; or

(*ii*) fifty per cent of aggregate of tax and interest payable, as determined in sub-section (1) or sub-section (2), as the case may be, if such return is furnished after the expiry of twelve months from the end of the relevant assessment year but before completion of the period of twenty-four months from the end of the relevant assessment year.

[90]**[***(*iii*)* *sixty per cent of aggregate of tax and interest payable, as determined in sub-section (1) or sub-section (2), as the case may be, if such return is furnished after the expiry of twenty-four months from the end of the relevant assessment year but before completion of the period of thirty-six months from the end of the relevant assessment year; or*

*(*iv*)* *seventy per cent of aggregate of tax and interest payable, as determined in sub-section (1) or sub-section (2), as the case may be, if such return is furnished after the expiry of thirty-six months from the end of the relevant assessment year but before completion of the period of forty-eight months from the end of the relevant assessment year.***]**

Explanation.—For the purposes of computation of "additional income-tax", tax shall include surcharge and cess, by whatever name called, on such tax.

(4) Notwithstanding anything contained in *Explanation 1* to section 234B, for the purposes of sub-section (2), interest payable under section 234B shall be computed on an amount equal to the assessed tax [91][***] where, "assessed tax" means the tax on the total income as declared in the return to be furnished under sub-section (8A) of section 139,—

(*a*) after taking into account,—

(*i*) the amount of relief or tax referred to in sub-section (1) of section 140A, the credit for which has been claimed in the earlier return [92][, if any];

(*ii*) tax deducted or collected at source, in accordance with the provisions

of Chapter XVII-B, on any income which is subject to such deduction or collection and which is taken into account in computing such total income, which has not been included in the earlier return;

(*iii*) any relief of tax or deduction of tax claimed under section 90 or section 91 on account of tax paid in a country outside India on such income which has not been included in the earlier return;

(*iv*) any relief of tax claimed under section 90A on account of tax paid in any specified territory outside India referred to in that section on such income which has not been included in the earlier return;

(*v*) any tax credit claimed, to be set off in accordance with the provisions of section 115JAA or section 115JD, which has not been claimed in the earlier return; and

(*b*) as increased by the amount of refund, if any, issued in respect of such earlier return.

(5) If any difficulty arises in giving effect to the provisions of this section, the Board may, with the approval of the Central Government, by notification in the Official Gazette, issue guidelines for the purpose of removing the difficulty.

(6) Every guideline issued under sub-section (5) shall be laid before each House of Parliament.

Explanation.—For the purposes of this section,—

(*i*) interest payable under section 234A, for the purposes of sub-section (1), shall be computed on the amount of tax on the total income as declared in the return, under sub-section (8A) of section 139, in accordance with the provisions of sub-section (1A) of section 140A;

(*ii*) interest payable under section 234C, for the purposes of sub-section (2), shall be computed after taking into account the total income furnished in the return under sub-section (8A) of section 139 as the returned income;

(*iii*) interest payable, for the purposes of sub-section (3), shall be the interest chargeable under any provision of this Act, on the income as per return furnished under sub-section (8A) of section 139, as reduced by interest paid, in accordance with the earlier return, if any:

Provided that for the purposes of this clause, the interest paid in the earlier return shall be *nil* if such return is an updated return referred to in sub-section (1).

267.3 Reasons Justification given by the Ministry of Finance for the proposed provision:

Clause 267 of the Bill provides for tax on updated return. The clause corresponds to section 140B of the Act. The provisions of the existing section have been textually simplified and retained with the same intent in this clause.

267.4 Important Views/Suggestions given by Experts/Stakeholders:

It is suggested that section 267(12) may be omitted. As per Clause 263(6)(c)(iv), no person can furnish an updated return if an updated return has already been furnished and as such Clause 267(12) cannot be acted upon and is infructuous.

267.5 Examination by the Committee:

267.5.1 The Ministry provided following reply to the above suggestion:

The suggestion seeks to delete clause 267(12) on the presumption that no person can furnish an updated return if an updated return has already been furnished and as such section 267(12) cannot be acted upon and is infructuous. Cl. 267(12) is not infructuous as it provides for situation where normal return was not filed and updated return is the first return. In such a case, interest for earlier return is deemed as nil. However, the reference to earlier return is required to be corrected. Appropriate drafting correction shall be carried out. The suggestion is acceptable.

267.6 Observations/Recommendations of the Committee:

The Committee, upon examination of the provisions of the Clause, note a drafting error in sub-clause 267(12) and therefore recommend to re-draft the said sub-clause so as to improve its clarity and precision, aligning it with the overall scheme of updated returns, especially when it is the first return filed. The Committee, other than recommending the Ministry to carry out the necessary change, find the provisions to be a textual simplification and accept the Clause as proposed.

CHAPTER-XVI

PROCEDURE FOR ASSESSMENT

A- Procedure for assessment

Clause 268– Inquiry before assessment

268.1 Provision proposed in the Income-Tax Bill, 2025:

268. (*1*) For the purpose of making an assessment under this Act, the Assessing Officer may serve on any person who has made a return under section 263 or in whose case the time allowed under section 263(*1*) for furnishing the return has expired, a notice requiring him, on a date to be specified therein,—

(*a*) where such person has not made a return within the time allowed under section 263(*1*) or before the end of the financial year succeeding the relevant tax year, to furnish a return of his income or the income of any other person in respect of which he is assessable under this Act, in such form and verified in such manner and setting forth such other particulars as prescribed;

(*b*) to produce, or cause to be produced, such accounts or documents as the Assessing Officer may require;

(*c*) to furnish in writing and verified in the manner as prescribed information in such form and on such points or matters (including a statement of all assets and liabilities of the assessee, whether included in the accounts or not) as the Assessing Officer may require.

(*2*) For the purposes of sub-section (*1*),—

(*a*) the previous approval of the Joint Commissioner shall be obtained by the Assessing Officer before requiring the assessee to furnish a statement of all assets and liabilities not included in the accounts;

(*b*) the Assessing Officer shall not require the production of any accounts relating to a period more than three years prior to therelavant tax year.

(*3*) A notice under sub-section (*1*)(*a*) may also be served by the prescribed income-tax authority.

(*4*) For the purposes of obtaining full information in respect of the income or loss of any person, the Assessing Officer may make such inquiry as he considers necessary.

(*5*) If, at any stage of the proceedings before him, the Assessing Officer, having regard to—

(*a*) the nature and complexity of the accounts;

(*b*) volume of the accounts;

(*c*) doubts about the correctness of the accounts;

(*d*) multiplicity of transactions in the accounts; or

(*e*) specialised nature of business activity of the assessee,

and interests of the revenue,is of the opinion that it is necessary so to do, he may, with the previous approval of the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner, after giving the assessee a reasonable opportunity of being heard, direct him to get either or both of the following—

(*i*) to get the accounts audited by an accountant, and to furnish a report of such audit in the such form duly signed and verified by such accountant and setting forth such particulars, as prescribed, and such other particulars as the Assessing Officer may require;

(*ii*) to get the inventory valued by a cost accountant, and to furnish a report of such inventory valuation in the prescribed as duly signed and verified by such cost accountant and setting forth such particulars, as prescribed, and such other particulars as the Assessing Officer may require.

(*6*) The accountant or the cost accountant as referred to in sub-section (*5*) shall be nominated by the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner for the purposes of the said sub-section.

(*7*) The provisions of sub-section (*5*) shall have effect irrespective of whether or not accounts of the assessee have been audited under any other law in force or otherwise.

(*8*) Every report under sub-section (*5*) shall be furnished by the assessee to the Assessing Officer within such period as specified by the Assessing Officer.

(*9*) The Assessing Officer may, on his own motion, or on an application made in this behalf by the assessee and for any good and sufficient reason, subject to the provisions of sub-section (*10*), extend the period referred to in sub-section (*8*) by such further period or periods as he thinks fit.

(*10*) The aggregate of the period originally fixed under sub-section (*8*) and the period or periods so extended,as referred to in sub-section (*9*), shall not, in any case, exceed six months from the end of the month in which the direction under sub-section (*5*) is received by the assessee.

(*11*) The expenses ofany audit or inventory valuation under sub-section (*5*) (including incidental expenses and remuneration of the accountant or the cost accountant) shall be—

(*a*) determined by the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner as per such guidelines as prescribed; and

(*b*) paid by the Central Government.

(*12*) The assessee shall, except where the assessment is made under section 271, be given an opportunity of being heard in respect of any material gathered on the basis of any inquiry under sub-section (*4*), or any audit or inventory valuation under sub-section (*5*) and proposed to be utilised for the purposes of the assessment.

(*13*) In this section,"cost accountant" means a cost accountant as defined in section 2(*1*)(*b*) of the Cost and Works Accountants Act, 1959 and who holds a valid certificate of practice under section 6(*1*) of the said Act.

268.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Inquiry before assessment.

142. (1) For the purpose of making an assessment under this Act, the Assessing Officer may serve on any person who has made a return under section 115WD or section 139 or in whose case the time allowed under sub-section (1) of section 139 for furnishing the return has expired a notice requiring him, on a date to be therein specified,—

(*i*) where such person has not made a return within the time allowed under sub-section (1) of section 139 or before the end of the relevant assessment year, to furnish a return of his income or the income of any other person in respect of which he is assessable under this Act, in the prescribed form and verified in the prescribed manner and setting forth such other particulars as may be prescribed, or :

Provided that where any notice has been served under this sub-section for the purposes of this clause after the end of the relevant assessment year commencing on or after the 1st day of April, 1990 to a person who has not made a return within the time allowed under sub-section (1) of section 139 or before the end of the relevant assessment year, any such notice issued to him shall be deemed to have been served in accordance with the provisions of this sub-section:

Provided further that a notice under this sub-section for the purposes of this clause may also be served by the prescribed income-tax authority,

(*ii*) to produce, or cause to be produced, such accounts or documents as the Assessing Officer may require, or

(*iii*) to furnish in writing and verified in the prescribed manner information in such form and on such points or matters (including a statement of all assets and liabilities of the assessee, whether included in the accounts or not) as the

Assessing Officer may require :

Provided that—

(*a*) the previous approval of the Joint Commissioner shall be obtained before requiring the assessee to furnish a statement of all assets and liabilities not included in the accounts;

(*b*) the Assessing Officer shall not require the production of any accounts relating to a period more than three years prior to the previous year.

(2) For the purpose of obtaining full information in respect of the income or loss of any person, the Assessing Officer may make such inquiry as he considers necessary.

[93][(2A) If, at any stage of the proceedings before him, the Assessing Officer, having regard to the nature and complexity of the accounts, volume of the accounts, doubts about the correctness of the accounts, multiplicity of transactions in the accounts or specialised nature of business activity of the assessee, and the interests of the revenue, is of the opinion that it is necessary so to do, he may, with the previous approval of the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner, direct the assessee to get either or both of the following, namely:—

(*i*) to get the accounts audited by an accountant, as defined in the *Explanation* below sub-section (2) of section 288, nominated by the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner in this behalf and to furnish a report of such audit in the prescribed form duly signed and verified by such accountant and setting forth such particulars, as may be prescribed, and such other particulars as the Assessing Officer may require;

(*ii*) to get the inventory valued by a cost accountant, nominated by the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner in this behalf and to furnish a report of such inventory valuation in the prescribed form duly signed and verified by such cost accountant and setting forth such particulars, as may be prescribed, and such other particulars as the Assessing Officer may require:

Provided that the Assessing Officer shall not direct the assessee to get the accounts so audited or inventory so valued unless the assessee has been given a reasonable opportunity of being heard.]

(2B) The provisions of sub-section (2A) shall have effect notwithstanding that the accounts of the assessee have been audited under any other law for the time being in force or otherwise.

(2C) Every report under sub-section (2A) shall be furnished by the assessee to the Assessing Officer within such period as may be specified by the Assessing Officer:

Provided that the Assessing Officer may, *suo motu,* or on an application made in this behalf by the assessee and for any good and sufficient reason, extend the said period by such further period or periods as he thinks fit; so, however, that the aggregate of the period originally fixed and the period or periods so extended shall not, in any case, exceed one hundred and eighty days from the date on which the direction under sub-section (2A) is received by the assessee.

(2D) The expenses of, and incidental to, any [94][audit or inventory valuation under sub-section (2A) (including the remuneration of the accountant or the cost accountant, as the case may be)] shall be determined by the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner (which determination shall be final) and paid by the assessee and in default of such payment, shall be recoverable from the assessee in the manner provided in Chapter XVII-D for the recovery of arrears of tax :

Provided that where any direction for audit [95-96][or inventory valuation] under sub-section (2A) is issued by the Assessing Officer on or after the 1st day of June, 2007, the expenses of, and incidental to, [97][such audit or inventory valuation (including the remuneration of the accountant or the cost accountant, as the case may be)] shall be determined by the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner in accordance with such guidelines as may be prescribed and the expenses so determined shall be paid by the Central Government.

(3) The assessee shall, except where the assessment is made under section 144, be given an opportunity of being heard in respect of any material gathered on the basis of any inquiry under sub-section (2) or any audit [95-96][or inventory valuation] under sub-section (2A) and proposed to be utilised for the purposes of the assessment.

(4) The provisions of this section as they stood immediately before their amendment by the Direct Tax Laws (Amendment) Act, 1987 (4 of 1988), shall apply to and in relation to any assessment for the assessment year commencing on the 1st day of April, 1988, or any earlier assessment year and references in this section to the other provisions of this Act shall be construed as references to those provisions as for the time being in force and applicable to the relevant assessment year.

[95-96][*Explanation*.--For the purposes of this section, "cost accountant" means a cost accountant as defined in clause (*b*) of sub-section (1) of section 2 of the Cost and Works Accountants Act, 1959 (23 of 1959) and who holds a valid certificate of practice under sub-section (1) of section 6 of the said Act.]

268.3 Reasons Justification given by the Ministry of Finance for the proposed provision:

Clause 268 of the Bill provides for inquiry before assessment. The clause corresponds to section 142 of the Act.The provisions of the existing section have been textually simplified and retained with the same intent in this clause.

268.4 Important Views/Suggestions given by Experts/Stakeholders:

i. The phrase "---in such form---" may need to be revised to "---in the prescribed form---" in line with the terminology used under the Income-tax Act, 1961. As the Act presently prescribes the filing of specific Form No. 6B – Audit Report under Section 142(2A)(i).

ii. 'Cost Accountant' also needs to be added in the Clause 268(5).

268.5 Examination by the Committee:

268.5.1 The Ministry has replied as follows on the above suggestions:

i. There is a drafting correction. The phrase "---in such form---" should be revised to "---in the prescribed form---" The suggestion is acceptable.

ii. The suggestion made by the stakeholder is in the nature of policy change which is beyond the scope of the objectives of the IT Bill, 2025.

268.5.2 The Committee further sought written clarification from the Ministry stating that sub-clause (1) says, the Assessing Officer 'may' serve a notice and the rationale for 'may' instead of 'shall'. The Ministry replied as "There is no change in policy. Existing section of Income-tax Act, 1961 also uses the word "may"."

268.6 Observations/Recommendations of the Committee:

268.6.1 The Committee, upon examination of the Clause, note a drafting correction and therfore recommend to replace the phrase 'in the such form' with 'in the prescribed form' in sub-clause (5)(i) so as to bring more clarity in meaning and intent.

268.6.2 The Committee other than recommending the Ministry to carry out the necessary change, find the provisions to be a textual simplification of the provisions in the existing Act and therefore accept the Clause as proposed.

Clause 269– Estimation of value of assets by Valuation Officer

269.1 Provision proposed in the Income-Tax Bill, 2025:

269. (*1*) The Assessing Officer may, for the purposes of assessment or reassessment, make a reference to a Valuation Officer to estimate the value, including the fair market value, of any asset, property or investment and submit a copy of report to him.

(*2*) The Assessing Officer may make a reference to the Valuation Officer under sub-section (*1*) whether or not he is satisfied about the correctness or completeness of the accounts of the assessee.

(*3*)(*a*) For estimating the value, including the fair market value, of the asset, property, or investment, the Valuation Officer or any engineer, overseer, surveyor, or assessor authorized by him, may, subject to any rules made in this regard and at such reasonable times, as prescribed,—

(*i*) enter any land within the limits of the area assigned to the Valuation Officer; or

(*ii*) enter any land, building, or other place belonging to or occupied by any person in connection with whose assessment a reference has been made to the Valuation Officer; or

(*iii*) inspect any asset, property, or investment in respect of which a reference has been made to the Valuation Officer.

(*b*) The Valuation Officer or any engineer, overseer, surveyor, or assessor, may require any person in charge of, or in occupation or possession of, such land, building, or other place or such asset, property, or investment to afford the necessary facility to:

(*i*) survey or inspect such land, building, or other place or such asset, property, or investment;

(*ii*) estimate its value; or

(*iii*) inspect any books of account, document, or record relevant for the valuation of such asset, property, or investment and gather other particulars relating to it.

(*c*) No Valuation Officer, engineer, overseer, surveyor, or assessor shall enter any land, building or place referred to in clause (*a*)(*ii*), or inspect any asset, property, or investment referred to in clause (*a*)(*iii*), except with the consent of the person in charge of, or in occupation or possession of, such land, building, place, or asset, property, or investment, without providing such person at least two days' notice in writing of their intention to do so.

(*d*) If a person who, under this sub-section, is required to afford any facility to the Valuation Officer or the engineer, overseer, surveyor, or assessor, either refuses or evades to afford such facility, the Valuation Officer shall have all the powers as are vested in a court under the Code of Civil Procedure, 1908, when trying a suit in respect of the following matters,—

(*i*) discovery and inspection;

(*ii*) enforcing the attendance of any person, including any officer of a banking company, and examining him on oath;

(*iii*) compelling the production of books of account and other documents; and

(*iv*) issuing commissions.

(*4*) The Valuation Officer shall, estimate the value of the asset, property or investment after taking into account such evidence as the assessee may produce and any other evidence in his possession gathered, after giving an opportunity of being heard to the assessee.

(*5*) The Valuation Officer may estimate the value of the asset, property or investment to the best of his judgment, if the assessee does not co-operate or comply with his directions.

(*6*) The Valuation Officer shall send the report of the estimate made under sub-section (*4*) or (*5*), to the Assessing Officer and the assessee.

(*7*) With a view to rectifying any mistake apparent from the record, the Valuation Officer may amend any report made by him, as per section 287.

(*8*) The Assessing Officer may, on receipt of the report from the Valuation Officer, and after giving the assessee an opportunity of being heard, take into account such report in making the assessment or reassessment.

(*9*) The Valuation officer shall send the report referred to in sub-section (*6*) within six months from the end of the month in which the reference is made under sub-section (*1*).

(*10*) For the purposes of this Act,—

(*a*) the Central Government may appoint as many Valuation Officers, as necessary; and

(*b*) subject to the rules and orders of the Central Government regulating the conditions of service of persons in public services and posts, a Principal Chief Commissioner, or a Chief Commissioner, or a Principal Commissioner or a Commissioner may appoint as many engineers, overseers, surveyors and assessors as may be necessary to assist the Valuation Officers in the performance of their functions.

269.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Estimation of value of assets by Valuation Officer.

142A. (1) The Assessing Officer may, for the purposes of assessment or reassessment, make a reference to a Valuation Officer to estimate the value, including fair market value, of any asset, property or investment and submit a copy of report to him.

(2) The Assessing Officer may make a reference to the Valuation Officer under sub-section (1) whether or not he is satisfied about the correctness or completeness of the accounts of the assessee.

(3) The Valuation Officer, on a reference made under sub-section (1), shall, for the purpose of estimating the value of the asset, property or investment, have all the powers that he has under section 38A of the Wealth-tax Act, 1957 (27 of 1957).

(4) The Valuation Officer shall, estimate the value of the asset, property or investment after taking into account such evidence as the assessee may produce and any other evidence in his possession gathered, after giving an opportunity of being heard to the assessee.

(5) The Valuation Officer may estimate the value of the asset, property or investment to the best of his judgment, if the assessee does not co-operate or comply with his directions.

(6) The Valuation Officer shall send a copy of the report of the estimate made under sub-section (4) or sub-section (5), as the case may be, to the Assessing Officer and the assessee, within a period of six months from the end of the month in which a reference is made under sub-section (1).

(7) The Assessing Officer may, on receipt of the report from the Valuation Officer, and after giving the assessee an opportunity of being heard, take into account such report in making the assessment or reassessment.

Explanation.—In this section, "Valuation Officer" has the same meaning as in clause (*r*) of section 2 of the Wealth-tax Act, 1957 (27 of 1957).

269.3 Reasons Justification given by the Ministry of Finance for the proposed provision:

Clause 269 of the Bill provides for estimation of value of assets by Valuation Officer. The clause corresponds to section 142A of the Act. The provisions of the existing section have been textually simplified and retained with the same intent in this clause.

269.4 Important Views/Suggestions given by Experts/Stakeholders:

i. It is suggested that the terms “asset”, “property” and “investment” be defined in the Bill. As the terms 'asset,' 'property,' and 'investment' are not defined in the

Bill, their usage may give rise to interpretational challenges. Defining 'asset' or adopting a more specific, comprehensive term would provide greater clarity and help mitigate potential litigation. The provisions of this section pertain to the estimation of the value of assets by the Valuation Officer, who has been authorised to determine the value, including the fair market value, of any asset, property, or investment. The term 'asset' is not defined in the Bill, although 'block of asset' is defined under Clause 2(17). Additionally, the terms 'property' and 'investment' are also not defined. As a result, references to 'asset,' 'property,' or 'investment' may give rise to litigation regarding the interpretation of these terms. Therefore, it is recommended that instead of referring to 'asset,' 'property,' or 'investment,' a specific term encompassing all types of assets be used, along with a clear definition of 'asset' to ensure legal clarity and prevent ambiguity.

ii. It is suggested that Clause 269(3) (a) be amended removing the phrase 'authorized by him' and refer to persons appointed by the Central Government, or by the Principal Chief Commissioner, Chief Commissioner, Principal Commissioner, or Commissioner under Clause 269(10), to ensure consistency in language and remove any ambiguity regarding the authority for such appointments. Clause 269(10), the Central Government is empowered to appoint Valuation Officers and the Principal Chief Commissioner, or a Chief Commissioner, or a Principal Commissioner or a Commissioner is empowered to appoint any engineer, overseer, surveyor or assessor. Therefore, it is appropriate that the Valuation Officer appointed by the Central Government and the other persons specified under Clause 269(3)(a) appointed by the Principal Chief Commissioner, Chief Commissioner, Principal Commissioner, or Commissioner under Clause 269(10) be referenced, to eliminate any potential inconsistency.

iii. The existing requirement of giving two days' prior notice under section 269(3)(c) before a Valuation Officer, engineer, overseer, surveyor, or assessor may enter any land, building, or place be reconsidered, as it is not a reasonable time. A minimum notice period of fifteen days may be prescribed to ensure adequate opportunity and procedural fairness to the assessee.

269.5 Examination by the Committee:

269.5.1 The Ministry furnished replies to the above suggestions as under:

i. The suggestion seeks to define the term that the terms "asset", "property" and "investment" in the Bill. As these phrases are used in different sections of the Bill, no single definition can provide the intended meaning applicable to all sections. Thus, suggestion is not feasible.

ii. The suggestion seeks to amend clause 269(3)(a) [registration of valuers]to clarify that engineer, overseer, surveyor, or assessor are appointed by Principal Chief Commissioner, or a Chief Commissioner, or a Principal

Commissioner or a Commissioner and not by the valuation officer. It is not accepted as existing clause 269(3)(a) of the Bill has been drafted in alignment with Rule 3C of Wealth tax Rules, 1957. The said rule has been reproduced below for ready reference.

"3C. The Valuation Officer or any overseer, surveyor or assessor authorised by him by order in writing in this behalf may enter any land referred to in clause (a), or any land, building or other place referred to in clause (b), of sub-section (1) of section 38A, or inspect any asset referred to in clause (c), of that sub-section, on any day, excluding Sundays and holidays under the Negotiable Instruments Act, 1881 (26 of 1881) at any time between 6 a.m. and 6p.m."

Clause 269(3)(a) deals with estimation of value of assets by Valuation Officer for which any engineer, overseer, surveyor, or assessor are authoised by the Valuation Officer.The suggestion seeks to amend the said clause for clarifying the appointment of such engineer, overseer, surveyor, or assessor.However, it is pertinent to mention that their appointment is done by Principal Chief Commissioner, or a Chief Commissioner, or a Principal Commissioner or a Commissioner, as mentioned in clause 269(10)(b).Thus, the amendment suggestion is already taken care of.

iii. The suggestion seeks to amend clause 269(3)(c) so as to provide at least 15 days' notice instead of 2 days' notice to the assessee before entering land, building or place. It is in nature of policy. This may have to be required to be examined in consultation with the valuation authorities.

269.5.2 Further, the Committee after referring to Clause 269(3)(a) mentioning about actions taken by "the Valuation Officer or any engineer, overseer, surveyor, or assessor authorized by him" and Clause 269(10) which specifies who appoints these persons i.e. Central Government may appoint Valuation Officers and a Principal Chief Commissioner or a Chief Commissioner or a Principal Commissioner or a Commissioner may appoint as many engineers, overseers, surveyors, and assessors as necessary to assist Valuation Officers, sought clarification from the Ministry regarding the requirement of explicitly referring to these appointing authorities in Clause 269(3)(a) and removing the phrase 'authorized by him'(Valuation Officer) from the sub-clause. The Ministry, during oral evidence, clarified as follows:

There is a Valuation Officer, namely, Departmental Valuation Officer (DVO). There has been a power given to him. When valuation is being referred to him, he can send engineers or assessors to value the property. Those engineer or assessors are from his staff. They are not the staff of the Income Tax

Department. The proposition was that they should also be appointed by the Income Tax Department. Sir, the DVOs themselves are of the level of Executive Engineers from Central Public Works Department. They have got their own setup, like we have our own Inspectors and TAs to work for us. That is why the power was given to DVOs to send their assessors or engineers or overseers for survey. .. The Department cannot go on this. We appoint DVOs. But we cannot go on appointing engineers, overseers and assessors.

269.5.3 Further, the Committee sought clarifications from the Ministry regarding tax on shares and on circle rate and the Ministry apprised the Committee as follows:

इमुवेबल प्रॉपर्टी ट्रांजैक्शंस में कैश कम्पोनेंट बहुत ज्यादा हुआ करता था। कोई लिमिट नहीं थी। स्टॉम्प ड्यूटी ऑफिसर कहता है कि यह प्रॉपर्टी 100 रुपए की है। उसने उस पर स्टाम्प ड्यूटी ले ली और आपस में 10 रुपए का एग्रीमेंट हो गया। वे कहते थे कि कैपीटल गेन या बिजनेस इनकम 10 रुपए पर लीजिए। एक एंटी-एब्यूज प्रोविजन लाया गया, जिसमें कहा गया कि स्टाम्प ड्यूटी वैल्यू जो होगी, वह कंसिड्रेशन होगा। अगर उससे नीचे कंसिड्रेशन है तो हम स्टाम्प ड्यूटी वैल्यू को कंसिड्रेशन पर लेंगे, लेकिन उसके साथ दो-तीन सेफ गाईस भी रखे गए। यह एब्सोल्यूट नहीं रखा गया।

सर, पहला सेफ गार्ड है कि अगर असेसी ने जो राज्य सरकार रजिस्ट्री का जो इवैल्यूएशन ऑफिसर है, उसके ही इवैल्यूएशन को चैलेंज किया हुआ है और वह माननीय कोर्ट में सक्सीड कर जाता है तो वह जब भी सक्सीड करे, हम अपना रिवाइज कर देंगे। मान लीजिए कि माननीय कोर्ट कहती है कि इसका स्टाम्प ड्यूटी वैल्यू 50 रुपए ही होना चाहिए तो हम 50 रुपए ही ले लेंगे। हमने रेक्टिफाई करने का पावर असेसिंग ऑफिसर को दे रखा है।

दूसरा, हमने कहा है कि अगर उसने स्टॉम्प ड्यूटी ऑफिसर को चैलेंज नहीं किया है, केवल हमारे यहां चैलेंज कर रहा है कि हमने जो 10 रुपए लिए हैं, यही 10 रुपए सही रेट है, 100 रुपए रेट नहीं है। उस केस में असेसिंग ऑफिसर बाउंड है कि वह उसको डिपार्टमेंट इवैल्यूएशन ऑफिसर को भेजेगा। फिर डिपार्टमेंट इवैल्यूएशन ऑफिसर कई तरह की इंक्वायरी करता है। वह पिछली कई रजिस्ट्रीज को देखता है, उस एरिया का अदर पैरामीटर्स देखता है, provides them sufficient opportunity to be heard. पुराने बिल में जो रिव्यू के पावर्स थे या उसके जो प्रोविजंस थे, वे हम वेल्थ टैक्स को रेफर करते थे। हम नए बिल में 269 क्लॉज लाए हैं, हम वेल्थ टैक्स के सारे प्रोविजंस को उठा कर यहां पर लाएं। इसको एक सेल्फ कंटेंट प्रोविजन बनाया है। इसमें पहले भी डीवीओ अपने इंजीनियर्स, असेसर्स, उसके कई सारे स्टाफ हैं, उनको भेजा करते थे। वे उनके बिहाफ पर काम करते थे। हम वही प्रोविजन यहां लेकर आए हैं। अगर डीवीओ भी डिसाइड करता है कि यह रेट कम है। मान लीजिए कि वह 10 रुपए रेट को 20 रुपए मानता है या 10 रुपए ही सही है, तो उसकी रिपोर्ट एओ पर बाइंडिंग होती है। फिर उसको मान लेता है, उसी हिसाब से असेसमेंट हो जाता है।

…..

सर, जब रजिस्ट्री होती है तो स्टाम्प ड्यूटी पे करना होता है। उसके लिए रजिस्ट्रार है, जो उसका प्राइस डिटरमीन करता है कि इसका इतना प्राइस होगा। सर, वह दोनों तरफ का प्राइस डिफरेंटली करेगा। वह एक तरफ का 50 हजार स्क्वायर फीट के हिसाब से लेगा और दूसरी तरफ का 15 हजार स्क्वायर फीट के हिसाब से लेगा।

सर, वह जो रेट लेगा, हम वही मान लेंगे। अगर उससे नीचे का ट्रांजैक्शन होता है, उसमें भी हमने 10 प्रतिशत का मार्जिन दिया हुआ है।"

……

सर, जहां तक शेयर में लॉस की बात है। अगर आपका वह स्टॉक इन ट्रेड है, तो आप उसकी साल के अंत में वैलुएशन करेंगे, market or cost price, which ever is lower. सर, अगर वह लोअर होगा तो आप लोअर ले लेंगे। हम आपके प्रॉफिट लॉस के एकाउंट को एक्सेप्ट करेंगे। एक ही डिफरेंस है कि अगर वह अनलिस्टेड शेयर है, तो उस केस में आईसीडीएस कहता है कि जो कॉस्ट है, वही माना जाएगा। आपको उसमें यह लॉस नहीं दिया जाएगा।

269.6 Observations/Recommendations of the Committee:

The Committee, upon examination and the justification given by the Ministry, find the provisions of the Clause 269 in line with the existing provisions therefore accept the Clause as proposed.

Clause 270– Assessment

270.1 Provision proposed in the Income-Tax Bill, 2025:

270. (*1*) Where a return has been made under section 263, or in response to a notice under section 268(*1*) such return shall be processed in the following manner:—

(*a*) the total income or loss shall be computed after making the adjustments towards the following:—

(*i*) any arithmetical error in the return;

(*ii*) an incorrect claim, if such incorrect claim is apparent from any information in the return;

(*iii*) disallowance of loss claimed, if return of the tax year for which set off of loss is claimed was furnished beyond the due date specified under section 263(*1*);

(*iv*) disallowance of expenditure or increase in income indicated in the audit report but not taken into account in computing the total income in the return; or

(*v*) disallowance of deduction claimed under section 144 or under any of the provisions of Chapter VIII if the return is furnished beyond the due date specified under section 263(*1*);

(*b*) the tax, interest and fee, if any, shall be computed on the basis of the total income computed under clause (*a*);

(*c*) the sum payable by, or the amount of refund due to, the assessee shall be determined after adjustment of the tax, interest and fee, if any, computed under clause (*b*) by—

(*i*) any tax deducted at source;

(*ii*) any tax collected at source;

(*iii*) any advance tax paid;

(*iv*) any rebate or relief allowable under Chapter IX;

(*v*) any tax paid on self-assessment; and

(*vi*) any amount paid otherwise by way of tax, interest or fee;

(*d*) an intimation shall be prepared or generated and sent to the assessee specifying the sum determined to be payable by, or refund due to, the assessee under clause (*c*); and

(*e*) the amount of refund due to the assessee in pursuance of the determination under clause (*c*) shall be granted to the assessee.

(*2*) Before making any adjustment under sub-section (*1*)(*a*),—

(*a*) an intimation is to be given to the assessee of such adjustments either in writing or in electronic mode;

(*b*) the response received from the assessee in this regard, if any, shall be considered; and in a case where no response is received within thirty days of the issue of such intimation, such adjustments shall be made.

(*3*) For the purposes of sub-section (*1*), an intimation shall also be sent to the assessee in a case where the loss declared in the return by the assessee is adjusted but no tax, interest or fee is payable by, or no refund is due to, him.

(*4*) No intimation under sub-section (*1*) shall be sent after the expiry of nine months from the end of the financial year in which the return is made.

(*5*) For the purposes of sub-sections (*1*) to (*4*),—

(*a*) "an incorrect claim apparent from any information in the return" shall mean a claim, on the basis of an entry, in the return,—

(*i*) of an item, which is inconsistent with another entry of the same or some other item in such return;

(*ii*) in respect of which the information required to be furnished under this Act to substantiate such entry has not been so furnished; or

(*iii*) in respect of a deduction, where such deduction exceeds specified statutory limit which may have been expressed as monetary amount or percentage or ratio or fraction;

(*b*) "the acknowledgement of the return" shall be deemed to be the intimation in a case where no sum is payable by, or refundable to, the assessee under sub-section(*1*)(*c*), and where no adjustment has been made under sub-section(*1*)(*a*).

(*6*) For the purposes of processing of returns under sub-section (*1*), the Board may make a scheme for centralised processing of returns with a view to expeditiously determining the tax payable by, or the refund due to, the assessee as required under the said sub-section.

(*7*) The scheme made under sub-section (*6*) shall, as soon as may be laid before each House of Parliament.

(*8*) Where a return has been furnished under section 263 or in response to a notice under section 268(*1*), the Assessing Officer or the prescribed income-tax authority, if, considers it necessary or expedient to ensure that the assessee—

(*a*) has not understated the income;

(*b*) has not computed excessive loss;

(*c*) has not under-paid the tax in any manner,

shall serve on the assessee a notice requiring him, on a date to be specified therein,—

(*i*) either to attend the office of the Assessing Officer; or

(ii) to produce, or cause to be produced before the Assessing Officer any evidence on which the assessee may rely in support of the return.

(*9*) No notice under sub-section (*8*) shall be served on the assessee after the expiry of three months from the end of the financial year in which the return is furnished.

(*10*) On the day specified in the notice issued under sub-section (*8*), or as soon afterwards as may be, after hearing such evidence as the assessee may produce and such other evidence as the Assessing Officer may require on specified points, and after taking into account all relevant material which he has gathered, the Assessing Officer, subject to the provisions of sub-sections (*11*) and (*13*), shall—

(*a*) by an order in writing, make an assessment of the total income or loss of the assessee; and

(*b*) determine the sum payable by him or refund of any amount due to him on the basis of such assessment.

(*11*) In the case of entities referred to in sub-section (*12*), which are required to furnish the return of income under section 263(*1*)(*a*)(*iv*), no order under sub-section (*10*) making an assessment of the total income or loss of any such entity shall be made by the Assessing Officer, without giving effect to the provisions of section 11, unless—

(*i*) the Assessing Officer has intimated the Central Government or the prescribed authority the contravention of the provisions mentioned in Schedule III (Table: Sl. No. 23, 24 or 25),by such entity, where in his view such contravention has taken place; and

(*ii*) the approval granted to such entity has been withdrawn or notification issued in respect of such entity has been rescinded.

(*12*) For the purposes of sub-section (*11*), the entities shall be—

(*a*) a research association referred to in Schedule III (Table: Sl. No. 23);

(*b*) an association or institution referred to in Schedule III (Table: Sl. No. 24);

(*c*) an institution referred to in Schedule III (Table: Sl. No. 25).

(*13*) In the case of a registered non-profit organisation, where the Assessing Officer is satisfied that any such entity has committed any specified violation as mentioned in section 351(*1*), he shall—

(*a*) send a reference to the Principal Commissioner or Commissioner to withdraw the approval or registration; and

(*b*) no order making an assessment of the total income or loss of such registered non-profit organisation shall be made by him without giving effect to the order passed by the Principal Commissioner or Commissioner under section 351(*2*)(*ii*)(*A*) or (*B*).

(*14*) For the purposes of sub-section (*10*), where the Assessing Officer is satisfied that the activities of the university, college or other institution referred to in section 45(*3*)(*a*) (hereinafter referred to as "entity") are not being carried out in accordance with all or any of the conditions subject to which such entity was approved, then—

(*a*) he may, after giving a reasonable opportunity of showing cause against the proposed withdrawal to the concerned entity, recommend to the Central Government to withdraw the approval; and

(*b*)that Government may by order, withdraw the approval and forward a copy of the order to the concerned entity and the Assessing Officer.

(*15*) Where a regular assessment under sub-section (*10*) or section 271 is made,—

(*a*)any tax or interest paid by the assessee under sub-section (*1*) shall be considered to have been paid towards such regular assessment;

(*b*) if no refund is due on regular assessment or the amount refunded under sub-section (*1*) exceeds the amount refundable on regular assessment, the whole or the excess amount so refunded shall be considered to be tax payable by the assessee and the provisions of this Act shall apply accordingly.

270.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Assessment.

143. (1) Where a return has been made under section 139, or in response to a notice under sub-section (1) of section 142, such return shall be processed in the following manner, namely:—

(*a*) the total income or loss shall be computed after making the following adjustments, namely:—

(*i*) any arithmetical error in the return;

(*ii*) an incorrect claim, if such incorrect claim is apparent from any information in the return;

[98]**[***(*iia*) any such inconsistency in the return, with respect to the information in the return of any preceding previous year, as may be prescribed;***]**

(*iii*) disallowance of loss claimed, if return of the previous year for which set

off of loss is claimed was furnished beyond the due date specified under sub-section (1) of section 139;

(*iv*) disallowance of expenditure or increase in income indicated in the audit report but not taken into account in computing the total income in the return;

(*v*) disallowance of deduction claimed under section 10AA or under any of the provisions of Chapter VI-A under the heading *"C.—Deductions in respect of certain incomes"*, if the return is furnished beyond the due date specified under sub-section (1) of section 139; or

(*vi*) addition of income appearing in Form 26AS or Form 16A or Form 16 which has not been included in computing the total income in the return:

Provided that no such adjustments shall be made unless an intimation is given to the assessee of such adjustments either in writing or in electronic mode:

Provided further that the response received from the assessee, if any, shall be considered before making any adjustment, and in a case where no response is received within thirty days of the issue of such intimation, such adjustments shall be made:

Provided also that no adjustment shall be made under sub-clause (*vi*) in relation to a return furnished for the assessment year commencing on or after the 1st day of April, 2018;

(*b*) the tax , interest and fee, if any, shall be computed on the basis of the total income computed under clause (*a*);

(*c*) the sum payable by, or the amount of refund due to, the assessee shall be determined after adjustment of the tax, interest and fee, if any, computed under clause (*b*) by any tax deducted at source, any tax collected at source, any advance tax paid, any relief allowable under section 89, any relief allowable under an agreement under section 90 or section 90A, or any relief allowable under section 91, any rebate allowable under Part A of Chapter VIII, any tax paid on self-assessment and any amount paid otherwise by way of tax, interest or fee;

(*d*) an intimation shall be prepared or generated and sent to the assessee specifying the sum determined to be payable by, or the amount of refund due

to, the assessee under clause (*c*); and

(*e*) the amount of refund due to the assessee in pursuance of the determination under clause (*c*) shall be granted to the assessee:

Provided that an intimation shall also be sent to the assessee in a case where the loss declared in the return by the assessee is adjusted but no tax, interest or fee is payable by, or no refund is due to, him:

Provided further that no intimation under this sub-section shall be sent after the expiry of nine months from the end of the financial year in which the return is made.

Explanation.—For the purposes of this sub-section,—

(*a*) "an incorrect claim apparent from any information in the return" shall mean a claim, on the basis of an entry, in the return,—

(*i*) of an item, which is inconsistent with another entry of the same or some other item in such return;

(*ii*) in respect of which the information required to be furnished under this Act to substantiate such entry has not been so furnished; or

(*iii*) in respect of a deduction, where such deduction exceeds specified statutory limit which may have been expressed as monetary amount or percentage or ratio or fraction;

(*b*) the acknowledgement of the return shall be deemed to be the intimation in a case where no sum is payable by, or refundable to, the assessee under clause (*c*), and where no adjustment has been made under clause (*a*).

(1A) For the purposes of processing of returns under sub-section (1), the Board may make a scheme for centralised processing of returns with a view to expeditiously determining the tax payable by, or the refund due to, the assessee as required under the said sub-section.

(1B) Save as otherwise expressly provided, for the purpose of giving effect to the scheme made under sub-section (1A), the Central Government may, by notification in the Official Gazette, direct that any of the provisions of this Act relating to processing of returns shall not apply or shall apply with such exceptions, modifications and adaptations as may be specified in that notification; so, however, that no direction shall be issued after the 31st day of March, 2012.

(1C) Every notification issued under sub-section (1B), along with the scheme made under sub-section (1A), shall, as soon as may be after the notification is issued, be laid before each House of Parliament.

(1D) Notwithstanding anything contained in sub-section (1), the processing of a return shall not be necessary, where a notice has been issued to the assessee under sub-section (2):

Provided that the provisions of this sub-section shall not apply to any return furnished for the assessment year commencing on or after the 1st day of April, 2017.

(2) Where a return has been furnished under section 139, or in response to a notice under sub-section (1) of section 142, the Assessing Officer or the prescribed income-tax authority, as the case may be, if, considers it necessary or expedient to ensure that the assessee has not understated the income or has not computed excessive loss or has not under-paid the tax in any manner, shall serve on the assessee a notice requiring him, on a date to be specified therein, either to attend the office of the Assessing Officer or to produce, or cause to be produced before the Assessing Officer any evidence on which the assessee may rely in support of the return:

Provided that no notice under this sub-section shall be served on the assessee after the expiry of three months from the end of the financial year in which the return is furnished.

(3) On the day specified in the notice issued under sub-section (2), or as soon afterwards as may be, after hearing such evidence as the assessee may produce and such other evidence as the Assessing Officer may require on specified points, and after taking into account all relevant material which he has gathered, the Assessing Officer shall, by an order in writing, make an assessment of the total income or loss of the assessee, and determine the sum payable by him or refund of any amount due to him on the basis of such assessment:

Provided that in the case of a—

(*a*) research association referred to in clause (*21*) of section 10;

(*b*) news agency referred to in clause (*22B*) of section 10;

(*c*) association or institution referred to in clause (*23A*) of section 10;

(*d*) institution referred to in clause (*23B*) of section 10,

which is required to furnish the return of income under sub-section (4C) of section 139, no order making an assessment of the total income or loss of such research association, news agency, association or institution, shall be made by the Assessing Officer, without giving effect to the provisions of section 10, unless—

(*i*) the Assessing Officer has intimated the Central Government or the prescribed authority the contravention of the provisions of clause (*21*) or clause (*22B*) or clause (*23A*) or clause (*23B*), as the case may be, by such research association, news agency, association or institution, where in his view such contravention has taken place; and

(*ii*) the approval granted to such research association or other association or institution has been withdrawn or notification issued in respect of such news agency or association or institution has been rescinded:

Provided further that where the Assessing Officer is satisfied that any fund or institution referred to in sub-clause (*iv*) or trust or institution referred to in sub-clause (*v*) or any university or other educational institution referred to in sub-clause (*vi*) or any hospital or other medical institution referred to in sub-clause (*via*), of clause (*23C*) of section 10, or any trust or institution referred to in section 11, has committed any specified violation as defined in *Explanation 2* to the fifteenth proviso to clause (*23C*) of section 10 or the *Explanation* to sub-section (4) of section 12AB, as the case may be, he shall—

(*a*) send a reference to the Principal Commissioner or Commissioner to withdraw the approval or registration, as the case may be; and

(*b*) no order making an assessment of the total income or loss of such fund or institution or trust or any university or other educational institution or any hospital or other medical institution shall be made by him without giving effect to the order passed by the Principal Commissioner or Commissioner under clause (*ii*) or clause (*iii*) of the fifteenth proviso to clause (*23C*) of section 10 or clause (*ii*) or clause (*iii*) of sub-section (4) of section 12AB:

Provided also that where the Assessing Officer is satisfied that the activities of the university, college or other institution referred to in clause (*ii*) and clause (*iii*) of sub-section (1) of section 35 are not being carried out in accordance with all or any of the conditions subject to which such university, college or other institution was approved, he may, after giving a reasonable opportunity of showing cause against the proposed withdrawal to the concerned university, college or other institution, recommend to the Central Government to withdraw the approval and that Government may by order, withdraw the approval and forward a copy of the order to the concerned university, college or other institution and the Assessing Officer.

(3A) The Central Government may make a scheme, by notification in the Official Gazette, for the purposes of making assessment of total income or loss of the

assessee under sub-section (3) or section 144 so as to impart greater efficiency, transparency and accountability by—

(*a*) eliminating the interface between the Assessing Officer and the assessee in the course of proceedings to the extent technologically feasible;

(*b*) optimising utilisation of the resources through economies of scale and functional specialisation;

(*c*) introducing a team-based assessment with dynamic jurisdiction.

(3B) The Central Government may, for the purpose of giving effect to the scheme made under sub-section (3A), by notification in the Official Gazette, direct that any of the provisions of this Act relating to assessment of total income or loss shall not apply or shall apply with such exceptions, modifications and adaptations as may be specified in the notification:

Provided that no direction shall be issued after the 31st day of March, 2021.

(3C) Every notification issued under sub-section (3A) and sub-section (3B) shall, as soon as may be after the notification is issued, be laid before each House of Parliament.

(3D) Nothing contained in sub-section (3A) and sub-section (3B) shall apply to the assessment made under sub-section (3) or under section 144, as the case may be, on or after the 1st day of April, 2021.

(4) Where a regular assessment under sub-section (3) of this section or section 144 is made,—

(*a*) any tax or interest paid by the assessee under sub-section (1) shall be deemed to have been paid towards such regular assessment ;

(*b*) if no refund is due on regular assessment or the amount refunded under sub-section (1) exceeds the amount refundable on regular assessment, the whole or the excess amount so refunded shall be deemed to be tax payable by the assessee and the provisions of this Act shall apply accordingly.

(5) [*Omitted by the Finance Act, 1999, w.e.f. 1-6-1999.*]

270.3 Reasons Justification given by the Ministry of Finance for the proposed provision:

Clause 270 of the Bill provides for assessment. The clause corresponds to section 143 of the Act.The provisions of the existing section have been textually simplified and retained with the same intent in this clause. Certain references which were redundant have been removed. The provisions of the section 143(1)(a) have been amended vide

Government Amendments to Finance Bill, 2025. The same has not been incorporated in the Income-tax Bill, 2025. Accordingly, amendment is to be made in clause 270 of the Bill to incorporate the changes of Government Amendments to Finance Bill.

270.4 Important Views/Suggestions given by Experts/Stakeholders:

i. The responsibility of CPC should be restricted to processing of the return under Clause 270(1) only. Actions after the return processing, that includes rectification, processing of refund etc., should rests with Jurisdictional Assessing Officer (JAO). Government's larger thought process of Common identifier, Unified filing process, Single window IT system would be further strengthened with clarity in the process of handling Income tax file management for tax payers with JAO. Currently, there is no clarity on which activity will be performed by CPC vs JAO. The same is resulting in delayed addressing of grievance and taxpayers having to handle reply filing with CPC as well as with JAO.

ii. It is suggested to leverage technology to simplify the tax return filing and assessment process. The suggestion is that a “pre-filled return” containing the computation of total income and tax liability be provided to taxpayers. Specifically, the Income-tax Department’s e-filing portal could have a utility which, using the information available in the taxpayer’s Form 26AS (Annual Tax Credit Statement) and the Annual Information Statement (AIS), computes the total income and the corresponding tax liability of the assessee. This computed information would be pre-populated in the tax return form. In other words, based on the data already with the department (such as TDS, TCS, income and financial transaction information from various sources), a draft calculation of the taxpayer’s income and tax would be generated. The suggestion posits that such a pre-filled return, reflecting the computed income and tax, could be treated as the intimation under Clause 270 (analogous to Section 143(1)), thereby obviating the need for a separate intimation when there is no discrepancy. The goal of this recommendation is to simplify compliance: taxpayers could review the pre-filled computations, make any necessary corrections or additions (for data not available to the department), and file the return, after which the system’s computation would match the return, resulting in a seamless assessment with minimal manual intervention.

iii. The Clause 378 of the Bill (which provides for revision of orders by the higher tax authorities, analogous to Sections 264 of the present Act) does not clearly cover an intimation under Clause 270(1) within its scope. In other words, the Bill does not state whether the intimation resulting from the automated processing of a return can be treated as an order that the Competent Authority (Commissioner)

may revise on his own motion or on application by the assessee. This is essentially the continuation of the current ambiguity under the 1961 Act in the new Bill. The suggestion is that Clause 378 be amended to explicitly include the intimation under Clause 270(1) (equivalent to an intimation under Section 143(1)(a) of the existing Act) as an order eligible for revision. So that any errors or issues arising from the processing of the return (and the consequent intimation) that are not otherwise rectified could be corrected through the Commissioner's revisional jurisdiction. This suggestion aims to give taxpayers an additional layer of recourse: for instance, if an inadmissible adjustment is made in the intimation and not fixed via rectification, the assessee could seek revision under Clause 378. Conversely, if revenue finds that an intimation resulted in a tax calculation omission (to the detriment of revenue), the Commissioner could also invoke revision.

iv. Clause 270(1)(a) be specifically limited to addressing only arithmetical errors and prima facie incorrect claims. By restricting the scope of adjustments to clear mathematical inconsistencies and manifest errors, the possibility of disallowing legitimate exemptions and deductions can be significantly reduced.

v. Intimation under section 270(1)(a) to be issued after providing for an opportunity of being heard to the assessee.

vi. Existing disputes relating to Clause 143(1)(a) of the Income-tax Act, 1961 be permitted to be settled through arbitration. The adjustments listed out in sub clauses (i) to (v) of section 270(1)(a) are prima facie adjustments which are to be made in the course of computerized processing without any human interface. In other words, the software is designed to detect arithmetical inaccuracies and incorrect claims apparent from any information in the return and make appropriate adjustments in the computation of the total income. However, currently, in many cases, the adjustments made u/s 143(1)(a) of the Income-tax Act, 1961 go beyond the sub-clauses (i) to (v) listed therein. For example, in many cases, claim of foreign tax credit (FTC) for taxes paid in a country with which India has a DTAA is denied while processing returns under this section, even if the assessee has duly uploaded Form No.67 verified by him. This defeats the purpose of allowing double taxation relief. The automatic disallowance of genuine claims during the initial processing stage, often without proper verification, leads to unintended consequences, including increased litigation and taxpayer grievances. Also, there are cases where the response filed by the assessee in relation to the adjustment is not considered nor any response is provided for not accepting the assessee's stand.

vii. In proposed Clause 270(1)(a)(v), it is provided not to allow deduction under chapter VIII, if return is filed after the due date. It is neither the present law nor the intention of the revision. Presently, it is restricted to heading C-Deductions in

respect of certain incomes. Hence, the proposed section be modified to restrict the same only to heading C of Chapter VIII. The modified section should read as under:(v) disallowance of deduction claimed under Clause 144 or under any of the provisions of Chapter VIII under the heading C – Deductions in respect of certain income if the return is furnished beyond the due date specified under Clause 263(1).

viii. Introduce a system of prior intimation and offer virtual hearings before making any adjustments to returns.

ix. Assign qualified experts to evaluate taxpayer responses to CPC communications.

x. Address and rectify software-related issues in the Income Tax Return (ITR) utility and CPC processing systems.

xi. Restrict CPC adjustments strictly to errors that are apparent from the record, in line with the mandate of section 143(1).

xii. Establish clear accountability within the Central Board of Direct Taxes (CBDT), specifically the Directorates of Taxpayer Services and Systems, as well as the Directorate General of Income Tax (Systems).

xiii. Conduct targeted outreach programmes to identify and resolve issues faced in e-processing of returns.

270.5 Examination by the Committee:

270.5.1 To the above suggestions, the Ministry has responded as follows:

i. The suggestion seeks to provide that CPC should be restricted to processing of the return under Clause 270(1) only and actions after the return processing, that includes rectification, processing of refund etc., should rests with JAO. The suggestion is of administrative nature and outside the scope of the Bill. There is no change in the provisions of the Bill viz-a-viz Act. The CPC makes adjustments as per clause 270(1) only.

The CPC has been mandated to transfer the rectification rights to the JAO on request. Issue of refunds out of the processing made by CPC is required to be the responsibility of CPC. Less than 1% of refunds are not released due to various issues such as PAN-Aadhar linking, withholding in certain cases, non availability of validated bank accounts of the assessee with the CPC. In the rare instances where it is not possible for CPC to issue the refund, Department has already issued necessary Instructions to the JAO to consider issuing refund cheques, after taking appropriate approvals of the CCIT/ DGIT concerned.

There is absolute clarity about the functions of CPC and JAO. Having all the rectifications at the end of AOs can make the AOs workload unmanageable. The Department has embraced the computerisation and automation, bringing in excellent tax payer services. Since the Department has taken these initiatives of computerisation, the number of tax payers filing the returns of income has grown from 3.10 crores in the FY 2013-14 to 9.19 crore in the FY 2024-25. The number of returns processed, and the refunds issued by the CPC is thus hugely disproportionate to what was being handled by the Department in the pre computerisation era. Thus, any shift from the CPC to AO has the effect of increasing the workload of the AOs also disproportionately, and thus cannot be done now.

CPC is taking up the rectifications, where ever sought for in a time bound manner, as per tax payer charter. A separate system is also put in place for the assessees on the Efiling portal, to reach out to the AOs seeking rectification, in appropriate cases. The AOs themselves have the freedom of taking the return and the processed results from CPC to carry out rectifications, on a case-to-case basis.

ii. There is no change in the policy or the intent and the suggestion does not require any changes to the bill. The pre-filled data in ITR forms (like TDS amounts, interest and dividend incomes, etc.) is being provided to the taxpayers. However, not all information necessary for a full computation of taxable income can be populated from centralized databases like Form 26AS or AIS. However, to the extent possible pre-filling is done for assistance in filing of their ITRs. Thus, suggestion has already been provided for.

iii. Intimation under clause 270(1) is already appealable before JC(Appeals) as well as CIT(Appeals). There is no bar on CIT exercising his jurisdiction under clause 378 for revision of intimation under clause 270(1). The same would be clarified by administrative instructions. The suggestion is acceptable. [The Explanation to section 143 prior to 1.6.1999 provided that an intimation sent to the assessee under sub-section (1) or sub section (1B) shall be deemed to be an order for the purposes of section 246 and 264 of IT Act 1961 and w.e.f 1.6.1999 the said explanation has been omitted from IT Act 1961. After the removal of said explanation to section 143 w.e.f 16.1999, there is an ambiguity whether an intimation under sub section (1) of section 143 of IT Act 1961 can be revised under section 264 of IT Act 1961.] Thus, suggestion is acceptable.

iv. The suggestion seeks to restrict the scope of clause 270(1)(a) corresponding to section 143(1)(a) of the Act by limiting scope of adjustments to mathematical

inconsistencies and manifest errors only. It is in the nature of policy change. Last year MAT c/f and loss c/f has to be the same as this year MAT/ loss B/f. This is a recent change by FA 2025. Also, there are certain disallowances which are based on obvious errors or violations (loss return not filed in time for earlier year). These have to be provided for. These are anti-abuse provisions and are required to be retained. Thus, suggestion is not feasible.

v. The suggestion seeks to provide that Intimation under section 270(1)(a) to be issued after providing for an opportunity of being heard to the assessee. As per clause 270(1)(a) an intimation is provided to the assessee before any adjustment. Thus, the suggestion is already addressed.

vi. The suggestion seeks that existing disputes relating to section 143(1)(a) of the Income-Tax Act, 1961 be permitted to be settled through arbitration. It is in the nature of policy change. The present Bill and Act provides for facility of rectification, appellate proceedings before JC(Appeals)/CIT(Appeals) and revision power by PCIT. Even DRC is for dispute resolution upto 10 lacs. Thus, there is no need to introduce arbitration for such cases. Thus, it is not feasible.

vii. The suggestion seeks to amend the clause 270(1)(a)(v) to provide correct reference of chapter VIII-C. The suggestion is in nature of drafting correction and is acceptable.

viii. Prior intimation and virtual hearings before making adjustments This concern is already addressed under clause 270(2) of the Income-tax Bill, which mandates that before making any adjustment under sub-clause (1)(a): An inma on is required to be given to the assessee, either in writing or electronically; The assessee's response, if any, must be duly considered; In cases where no response is received within thirty days, the adjustment may be carried out. Thus, the mechanism for prior intimation and consideration of taxpayer response is already in place. In relation to request for virtual hearings, it may be noted that CPC operates under a fully automated and rule-based framework designed to carry out prima facie adjustments under section 143(1) [or clause 270 of the Income-tax Bill]. These adjustments are strictly limited to apparent and objective errors such as arithmetical mistakes, incorrect claims, or mismatches with information available in the return or third party databases (e.g., Form 26AS, AIS). Since the CPC does not undertake subjective assessments or legal interpretation, but only makes rule-based, prima facie adjustments, virtual hearings are not required. Moreover, given the high volume of cases and the typically low quantum of adjustments, introducing virtual hearings would be impractical and cause significant delays.

ix. Assignment of qualified experts to evaluate taxpayer responses Trained officers are designated to examine and process responses received from taxpayers. Thus, such a system is already in place.

x. Rectification of software-related issues in ITR utility and CPC processing Issues related to the ITR utility and CPC processing systems are addressed as and when they arise. There is no legislative intervention required for it.

xi. Limiting CPC adjustments to errors apparent from the record This is aligned with the current framework. The scope of adjustments is already confined to what is apparent from the record, as reflected in clause 270 of the Income-tax Bill (corresponding to existing section 143(1)).

xii. Fixing accountability within CBDT and related Directorates Accountability structures are already established within the CPC operations and oversight.

xiii. Conducting outreach programmes to address e-processing issues Outreach and awareness initiatives are being actively undertaken to gather feedback and address challenges faced by taxpayers in the e-processing of returns. Thus, no changes are required to the bill owing to the suggestions given. The suggestions are administrative in nature.

270.5.2 While deliberating on the matter of pre-filled returns, the Ministry apprised the Committee as follows:

प्री-फील्ड रिटर्न्स टू दि एक्सटेंट फिजिबल दे भी रहे हैं/ But that also depends on the type of information that we have and whether from that information we can derive the probable income from the person. So, the information that we get is either from the TDS or basically from the third parties.

टीडीएस की जहां तक बात है, उसके अलग-अलग कम्पोनेंट्स हैं जैसे सैलरी को लें/ The entire salary that is being reported gets pre-populated because in that income element there is a serious salary. But suppose it is contract. It is contract TDS. Then, it would depend on whether the person is maintaining the books of accounts, what is the profit being derived out of it. Their attributing income and pre-filling it would become a challenge and it will create more confusion.

So, our submission is that to the extent feasible, we are pre-filling the returns based on the information we have. Then we are providing that flexibility to the taxpayer to fill up the other columns in the returns.

270.5.3 When the Committee with the intention of reconciliation of the data and in solving of the problems, sought clarification regarding merging of two centres in Vaishali and Bengaluru and having them at one location, the Ministry stated as follows:

Sir, it is not a question of these two centres because ultimately data is not residing in these centres. The data centre is at a separate location, which is a state-of-the-art data centre. Two teams are actually sitting at different places. But the data is residing somewhere else. Both of them are under the same directorate of system.

…….

Sir, one appreciates the pain that the taxpayer goes through once reconciliation does not happen in a particular case. But if I may say, the percentage of cases where this thing is there, where intervention is required, that is as a percentage.

270.5.4 Further, during the deliberations, the Committee sought information regarding time limit to rectify CPC order, percentage of returns requiring rectification, etc. The Ministry furnished replies as under:

i. *As per the provisions of Sec. 154 of the Income-Tax Act 1961, the tax payer has an option to file a rectification application within 4 years from the end of the financial year in which the order sought to be rectified is passed and the order on the rectification application has to be passed within six months from the end of the month in which the application for rectification is filed.*

ii. *0.5% of returns processed by CPC needs rectification.*

iii. *CPC-TDS returns filing and rectification is driven by deductor. Data in respect of the aforementioned query is as follows:*

Financial Year	***Original Statement Filed (in lakh)***	***Correction Statement Filed (in lakh)***	***% Correction in respect of original statemen***
2022-2023	*82.14*	*44.7*	*54.42%*
2023-2024	*86.38*	*47.15*	*54.58%*
2024-2025	*92.42*	*55.7*	*60.27%*

iv. *Approx. 6% of cases require reconciliation of the data between CPC Bengaluru and CPC TDS.*

270.6 Observations/Recommendations of the Committee:

270.6.1 The Committee observe that the proposed Clause 270(1)(a)(v) stipulates a broad disallowance of deduction under Chapter VIII if the return is furnished beyond the due date. However, the existing Income-Tax Act, 1961, does not have such a blanket disallowance for the entire Chapter VIII instead such a restriction was limited to deductions claimed under under Heading C – "Deductions in respect of certain incomes" within Chapter VIII. Therefore, to align the provision with the current law, the Committee recommend that Clause 270(1)(a)(v) be modified to restrict the disallowance only to deductions under Heading C of Chapter VIII.

270.6.2 The Committee other than recommending the Ministry to carry out the necessary change, find the provisions to be a textual simplification with retention of the intent and accept the Clause as proposed.

Clause 271– Best judgment assessment

271.1 Provision proposed in the Income-Tax Bill, 2025:

271.(*1*) If any person—

(*a*)fails to make the return required under sub-section 263(1) and has not made a return or a revised return under section 263(4) or (5) or an updated return under section 263(*6*);

(*b*) fails to comply with all the terms of a notice issued under section 268(*1*) or fails to comply with a direction issued under section 268(*5*);

(*c*)having made a return, fails to comply with all the terms of a notice issued under sub-section 270(*8*),

the Assessing Officer, after taking into account all relevant materials which he has gathered, shall, after giving the assessee an opportunity of being heard, make the assessment of the total income or loss to the best of his judgment and determine the sum payable by the assessee on the basis of such assessment.

(*2*) The Assessing Officer before making an assessment under sub-section (*1*) shall, subject to the provisions of sub-section (*3*), serve a notice on the assessee to show cause, on a date and time to be specified in the notice, as to why assessment should not be completed to the best of his judgment.

(*3*) It shall not be necessary to give the opportunity referred to in sub-section (*2*) in a case where a notice under section 268(*1*) has been issued prior to the making of an assessment under this section.

271.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Best judgment assessment.

144. (1) If any person—

(*a*) fails to make the return required under sub-section (1) of section 139 and has not made a return or a revised return under sub-section (4) or sub-section (5) or an updated return under sub-section (8A) of that section, or

(*b*) fails to comply with all the terms of a notice issued under sub-section (1) of section 142 or fails to comply with a direction issued under sub-section (2A) of that section, or

(*c*) having made a return, fails to comply with all the terms of a notice issued under

sub-section (2) of section 143,

the Assessing Officer, after taking into account all relevant material which the Assessing Officer has gathered, shall, after giving the assessee an opportunity of being heard, make the assessment of the total income or loss to the best of his judgment and determine the sum payable by the assessee on the basis of such assessment :

Provided that such opportunity shall be given by the Assessing Officer by serving a notice calling upon the assessee to show cause, on a date and time to be specified in the notice, why the assessment should not be completed to the best of his judgment :

Provided further that it shall not be necessary to give such opportunity in a case where a notice under sub-section (1) of section 142 has been issued prior to the making of an assessment under this section.

(2) The provisions of this section as they stood immediately before their amendment by the Direct Tax Laws (Amendment) Act, 1987 (4 of 1988), shall apply to and in relation to any assessment for the assessment year commencing on the 1st day of April, 1988, or any earlier assessment year and references in this section to the other provisions of this Act shall be construed as references to those provisions as for the time being in force and applicable to the relevant assessment year.

271.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

Clause 271 of the Bill provides for best judgement assessment. The clause corresponds to section 144 of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause.

271.4 Observations/Recommendations of the Committee:

The Committee, upon examination of the justification provided by the Ministry, find the provisions of the Clause 271 to be in line with the existing provisions of the 1961 Act. The Committee note that the Clause is mere textual simplification with retention of the same intent and therefore accept the Clause as it stands.

Clause 272– Power of Joint Commissioner to issue directions in certain cases

272.1 Provision proposed in the Income-Tax Bill, 2025:

272. (*1*) A Joint Commissioner may, on his own motion or on a reference being made to him by the Assessing Officer or on the application of an assessee, call for and examine the record of any proceeding in which an assessment is pending and, if he considers that, having regard to the nature of the case or the amount involved or for any other reason, it is necessary or expedient so to do, he may—

(*a*) issue such directions as he thinks fit for the guidance of the Assessing Officer to enable him to complete the assessment; and

(*b*)such directions shall be binding on the Assessing Officer.

(*2*) No directions which are prejudicial to the assessee shall be issued under sub-section (*1*) without giving an opportunity of being heard to the assessee.

(*3*) For the purposes of this section, no direction as to the lines on which an investigation connected with the assessment should be made, shall be deemed to be a direction prejudicial to the assessee.

272.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Power of Joint Commissioner to issue directions in certain cases.

144A. A Joint Commissioner may, on his own motion or on a reference being made to him by the Assessing Officer or on the application of an assessee, call for and examine the record of any proceeding in which an assessment is pending and, if he considers that, having regard to the nature of the case or the amount involved or for any other reason, it is necessary or expedient so to do, he may issue such directions as he thinks fit for the guidance of the Assessing Officer to enable him to complete the assessment and such directions shall be binding on the Assessing Officer :

Provided that no directions which are prejudicial to the assessee shall be issued before an opportunity is given to the assessee to be heard.

Explanation.—For the purposes of this section no direction as to the lines on which an investigation connected with the assessment should be made, shall be deemed to be a direction prejudicial to the assessee.

272.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

Clause 272 of the Bill provides for power of Joint Commissioner to issue directions in certain cases. The clause corresponds to section 144A of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause.

272.4 Important Views/Suggestions given by Experts/Stakeholders:

A time limit of 45 days be provided to issue of directions. If the directions are not issued within 45 days, the assessment proceedings be suspended. No extension of time for completion of assessment proceedings be provided. If such reference is made by the assesse within 45 days of the due date for completion of assessment, then the due date will be extended accordingly. However, extension shall not exceed 45 days. However, if such reference is made by the assessing Officer or is taken up by the Joint Commissioner on his own motion, no extension of time for completion of assessment be allowable There is a tendency of delaying the issue of directions to the assessing officer, particularly if directions will go in favor of the assesse. This tendency needs to be curbed in interest of reducing litigation and in larger public interest.

272.5 Examination by the Committee:

272.5.1 To the above suggestion by the stakeholder, the Ministry submitted as under:

> *The suggestion seeks to provide for a time limit of 45 days be provided to issue of directions under clause 272 by JCIT. It is in the nature of Policy Change which is outside the scope of the Bill. There is no change in the provisions of the Bill viz-a-viz Act. Revenue has suffered considerable litigation where internal timelines were specified for separate parts of a process. A consolidated timeline for disposal works best for decreasing litigation and administrative efficiency. Thus, the suggestion is not feasible.*

272.5.2 Further, during oral evidence, the Ministry added as under:

> *During 2021 to 2024, the revenue was stuck in courts on account of litigation for providing internal timelines within a broad timeline.*
>
> *…The Additional Commissioner is required to either reject the application of the assessee or pass on some relevant directions to the assessing officer. So, he is duty-bound to act on it.*
>
> *Sir, overall assessment period is fixed. It has to be completed within that time. There are two options. If the Joint Commissioner is agreeing with the demand of the assessee, he will pass the order himself. But, if he wants to reject it or pass the order against him then he is also bound to provide him opportunity. Then, he gives a direction to the assessing officer which is binding on the assessing officer.*
>
> *Sir, I would just slightly add on that. After the faceless regime came into picture, usage of Section 144 (a) has drastically reduced. It is because only in the non-faceless regime, this is somewhat applicable. Otherwise, it is not applicable. There we have assessment units only.*

272.5.3 In a post-evidence reply, on a specific question of the Committee about the details of how much revenue raised but not realized, the Ministry in their written reply submitted as follows:

Assessment proceedings are conducted to assess the income of the assessee which has not been disclosed in the ITR or which has been suppressed through claim of ineligible claim of expenses/deductions. It is important to underline here that income may not necessarily manifest in asset. For instance, additions made due to unexplained expenditure, accommodation entries / hawala transactions, cash credits, disallowances of incorrect deductions or expenditure, are not necessarily reflected in assets.

In many cases, assessment proceedings are also required to be completed in the case of pass through/shell entities with respect to the transactions entered through it. The credits in the books of these entities are not explained. The income might be diverted or passed on through complex arrangement to beneficiaries who may not be readily traceable. Thus, the income assessed in the hands of such entities may not necessarily mean possession of assets. Therefore, assessment is made based on the deeming provisions of the Act and demand is raised. As these entities do not have substantial assets, the demand raised becomes difficult to recover.

Similarly, demand raised in the case of entities which are under the process of liquidation/insolvency also remain un-recovered due to lack of assets or moratoriums imposed under IBC 2016.

Assessment orders raising the demand can be appealed against before the prescribed appellate authorities and substantial demand remains unrecovered during the pendency of such appeals.

The total demand in FY 2023-24 which has been identified as difficult to recover as per latest data is Rs. 28.95 lac crores. This could be broadly categorised under the following heads:-

•Company in Liquidation/ under IBC-2016 (Rs. 2.49 lac crores)
•No Assets or inadequate assets for recovery (Rs. 9.07 lac crores)
•Assessee not traceable (Rs. 6.05 lac crores):
•Demand Stayed by Courts/ITAT or IT Authorities (Rs. 4.67 lac crores)
•Assets jointly attached along with other enforcement agencies (Rs. 4.13 lac crores)

272.6 Observations/Recommendations of the Committee:

The Committee, upon detailed deliberations of the provisions of the Clause along with justifications provided by the Ministry, find the provisions of the Clause 272 to be mere textual simplification and corresponding to the existing provisions of the 1961 Act. The Committee, therefore, accept the Clause in entirety.

Clause 273– Faceless Assessment

273.1 Provision proposed in the Income-Tax Bill, 2025:

273.(*1*) Irrespective of anything to the contrary contained in any other provision of this Act, the assessment, reassessment or recomputation under section 270(*10*) or 271 or 279, as the case may be, with respect to the cases referred to in sub-section (*2*), shall be made in a faceless manner as per such procedure, as prescribed in this behalf.

(*2*) The faceless assessment under sub-section (*1*) shall be made in respect of such territorial area, or persons or class of persons, or incomes or class of incomes, or cases or class of cases, as specified by the Board.

(*3*) The Board may, for the purposes of faceless assessment, set up the following Centre and Units and specify their functions and jurisdiction:—

(*a*) a National Faceless Assessment Centre to facilitate the conduct of faceless assessment proceedings in a centralised manner including assigning the case selected for the purposes of faceless assessment under this section to a specific assessment unit, intimating the assessee that assessment in his case shall be completed in faceless manner, serving a notice to the assessee under section 268(*1*) or 270(*8*), and forwarding any response of the assessee to the assessment unit;

(*b*) such assessment units, as it may deem necessary to conduct the faceless assessment, to perform the function of making assessment, which includes analysis of the material furnished by the assessee or any other person, identification of points or issues material for the determination of any liability (including refund) under this Act, seeking information or clarification on points or issues so identified, determination of any variation prejudicial to the assessee, and such other functions as may be required for the purposes of making faceless assessment;

(*c*) such verification units, as it may deem necessary to facilitate the conduct of faceless assessment, to perform the function of verification, which includes enquiry, cross verification, examination of books of account, examination of witnesses and recording of statements, and such other functions as may be required for the purposes of verification;

(*d*) such technical units, as it may deem necessary to facilitate the conduct of faceless assessment, to perform the function of providing technical assistance which includes any assistance or advice on legal, accounting, forensic, information technology, valuation, transfer pricing, data analytics, management or any other technical matter under this Act or an agreement entered into under section 159, which may be required in a particular case or a class of cases, under this section;

(*e*) such review units, as it may deem necessary to facilitate the conduct of faceless assessment, to perform the function of review of any variation proposed by the assessment unit (wherever it is so considered necessary by the National Faceless Assessment Centre), which includes checking whether the relevant and material evidence has been brought on record, relevant points of fact and law have been duly incorporated, the issues requiring addition or disallowance have been incorporated and such other functions as may be required for the purposes of review.

(*4*) In accordance with the procedure as prescribed under sub-section (*1*),—

(*a*) the verification unit, the technical unit and the review unit shall facilitate the conduct of faceless assessment; and

(*b*) the assessment unit shall—

(*i*) make the assessment of the total income or loss, by an order in writing after taking into account all relevant material which it has gathered and after giving the assessee an opportunity of being heard; and

(*ii*)determine the sum payable by the assessee or refund of any amount due to him on the basis of such assessment.

(*5*) For the purposes of this section, the terms “assessment unit”, “verification unit”, “technical unit” and “review unit” shall refer to an Assessing Officer having powers so assigned by the Board.

(*6*) The assessment unit, verification unit, technical unit and the review unit shall have the following authorities:—

(*a*) Additional Commissioner or Additional Director or Joint Commissioner or Joint Director, as the case may be;

(*b*) Deputy Commissioner or Deputy Director or Assistant Commissioner or Assistant Director, or Income-tax Officer, as the case may be;

(*c*) such other income-tax authority, ministerial staff, executive or consultant, as may be considered necessary by the Board.

(*7*) All communications, save as otherwise provided in sub-section (*8*),—

(*a*)among the assessment unit, review unit, verification unit or technical unit or with the assessee or any other person with respect to the information or documents or evidence or any other details, as may be necessary for the purposes of making a faceless assessment shall be through the National Faceless Assessment Centre;

(*b*)between the National Faceless Assessment Centre and the assessee, or his authorised representative, or any other person shall be exchanged exclusively by electronic mode; and

(*c*)between the National Faceless Assessment Centre and various units shall be exchanged exclusively by electronic mode.

(*8*)The provisions of sub-section (*7*) shall not apply to the enquiry or verification conducted by the verification unit in the circumstances as specified by the Board in this behalf.

(*9*) The Principal Chief Commissioner or the Principal Director General, as the case may be, in-charge of the National Faceless Assessment Centre shall, as per the procedure laid down by the Board in this regard, if he considers appropriate that the provisions of section 268(*5*) may be invoked in the case,—

(*a*) forward any reference received from an assessment unit in this regard to the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner having jurisdiction over such case, and inform the assessment unit accordingly;

(*b*)transfer the case to the Assessing Officer having jurisdiction over such case as per sub-section (*12*).

(*10*) Where a reference has been received by the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner under sub-section (*9*)(*a*), he shall direct the Assessing Officer, having jurisdiction over the case, to invoke the provisions of section 268(*5*).

(*11*) Where a reference has not been forwarded as per sub-section (*9*)(*a*) to the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner, having jurisdiction over the case, the assessment unit shall proceed to complete the assessment as per the procedure laid down in this section.

(*12*) Irrespective of anything contained in sub-section (*1*) or (*2*), the Principal Chief Commissioner or the Principal Director General, as the case may be, in-charge of National Faceless Assessment Centre may, at any stage of the assessment, if considered necessary, transfer the case to the Assessing Officer having jurisdiction over such case, with the prior approval of the Board.

(*13*) In this section,—

(*a*) “designated portal” means the web portal designated as such by the Principal Chief Commissioner or the Principal Director General, in charge of the National Faceless Assessment Centre;

(*b*) “faceless assessment” means the assessment proceedings conducted electronically in 'e-Proceeding' facility through registered account of the assessee in designated portal; and.

(*c*) “registered account” of the assessee means the electronic filing account registered by the assessee in designated portal.

273.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Faceless Assessment.

144B. (1) Notwithstanding anything to the contrary contained in any other provision of this Act, the assessment, reassessment or recomputation under sub-section (3) of section 143 or under section 144 or under section 147, as the case may be, with respect to the cases referred to in sub-section (2), shall be made in a faceless manner as per the following procedure, namely:—

(*i*) the National Faceless Assessment Centre shall assign the case selected for the purposes of faceless assessment under this section to a specific assessment unit through an automated allocation system;

(*ii*) the National Faceless Assessment Centre shall intimate the assessee that assessment in his case shall be completed in accordance with the procedure laid down under this section;

(*iii*) a notice shall be served on the assessee, through the National Faceless Assessment Centre, under sub-section (2) of section 143 or under sub-section (1) of section 142 and the assessee may file his response to such notice within the date specified therein, to the National Faceless Assessment Centre which shall forward the same to the assessment unit;

(*iv*) where a case is assigned to the assessment unit, under clause (*i*), it may make a request through the National Faceless Assessment Centre for—

(*a*) obtaining such further information, documents or evidence from the assessee or any other person, as it may specify;

(*b*) conducting of enquiry or verification by verification unit;

(*c*) seeking technical assistance in respect of determination of arm's length price, valuation of property, withdrawal of registration, approval, exemption or any other technical matter by referring to the technical unit;

(*v*) where a request under sub-clause (*a*) of clause (*iv*) has been initiated by the assessment unit, the National Faceless Assessment Centre shall serve appropriate notice or requisition on the assessee or any other person for obtaining the information, documents or evidence requisitioned by the

assessment unit and the assessee or any other person, as the case may be, shall file his response to such notice within the time specified therein or such time as may be extended on the basis of an application in this regard, to the National Faceless Assessment Centre which shall forward the reply to the assessment unit;

(*vi*) where a request,—

(*a*) for conducting of enquiry or verification by the verification unit has been made by the assessment unit under sub-clause (*b*) of clause (*iv*), the request shall be assigned by the National Faceless Assessment Centre to a verification unit through an automated allocation system; or

(*b*) for reference to the technical unit has been made by the assessment unit under sub-clause (*c*) of clause (*iv*), the request shall be assigned by the National Faceless Assessment Centre to a technical unit through an automated allocation system;

(*vii*) the National Faceless Assessment Centre shall send the report received from the verification unit or the technical unit, as the case may be, based on the request referred to in clause (*vi*) to the concerned assessment unit;

(*viii*) where the assessee fails to comply with the notice served under clause (*v*) or notice issued under sub-section (1) of section 142 or the terms of notice issued under sub-section (2) of section 143, the National Faceless Assessment Centre shall intimate such failure to the assessment unit;

(*ix*) the assessment unit shall serve upon such assessee, as referred to in clause (*viii*), a notice, through the National Faceless Assessment Centre, under section 144, giving him an opportunity to show-cause on a date and time as specified in such notice as to why the assessment in his case should not be completed to the best of its judgment;

(*x*) the assessee shall, within the time specified in the notice referred to in clause (*ix*) or such time as may be extended on the basis of an application in this regard, file his response to the National Faceless Assessment Centre which shall forward the same to the assessment unit;

(*xi*) where the assessee fails to file response to the notice served under clause (*ix*) within the time specified therein or within the extended time, if any, the National Faceless Assessment Centre shall intimate such failure to the assessment unit;

(*xii*) the assessment unit shall, after taking into account all the relevant material available on the record, prepare, in writing,—

(*a*) an income or loss determination proposal, where no variation prejudicial to assessee is proposed and send a copy of such income or loss determination proposal to the National Faceless Assessment Centre; or

(*b*) in any other case, a show cause notice stating the variations prejudicial to the interest of assessee proposed to be made to the income of the assessee and calling upon him to submit as to why the proposed variation should not be made and serve such show cause notice, on the assessee, through the National Faceless Assessment Centre;

(*xiii*) the assessee shall file his reply to the show cause notice served under sub-clause (*b*) of clause (*xii*) on a date and time as specified therein or such time as may be extended on the basis of an application made in this regard, to the National Faceless Assessment Centre, which shall forward the reply to the assessment unit;

(*xiv*) where the assessee fails to file response to the notice served under sub-clause (*b*) of clause (*xii*) within the time specified therein or within the extended time, if any, the National Faceless Assessment Centre shall intimate such failure to the assessment unit;

(*xv*) the assessment unit shall, after considering the response received under clause (*xiii*) or after receipt of intimation under clause (*xiv*), as the case may be, and taking into account all relevant material available on record, prepare an income or loss determination proposal and send the same to the National Faceless Assessment Centre;

(*xvi*) upon receipt of the income or loss determination proposal, as referred to in sub-clause (*a*) of clause (*xii*) or clause (*xv*), as the case may be, the National Faceless Assessment Centre may, on the basis of guidelines issued by the Board,—

(*a*) convey to the assessment unit to prepare draft order in accordance with the income or loss determination proposal, which shall thereafter prepare a draft order; or

(*b*) assign the income or loss determination proposal to a review unit through an automated allocation system, for conducting review of such proposal;

(*xvii*) the review unit shall conduct review of the income or loss determination proposal assigned to it by the National Faceless Assessment Centre, under sub-clause (*b*) of clause (*xvi*), whereupon it shall prepare a review report and send the same to the National Faceless Assessment Centre;

(*xviii*) the National Faceless Assessment Centre shall, upon receiving the review report under clause (*xvii*), forward the same to the assessment unit which had proposed the income or loss determination proposal;

(*xix*) the assessment unit shall, after considering such review report, accept or reject some or all of the modifications proposed therein and after recording reasons in

case of rejection of such modifications, prepare a draft order;

(*xx*) the assessment unit shall send such draft order prepared under sub-clause (*a*) of clause (*xvi*) or under clause (*xix*) to the National Faceless Assessment Centre;

(*xxi*) in case of an eligible assessee, where there is a proposal to make any variation which is prejudicial to the interest of such assessee, as mentioned in sub-section (1) under section 144C, the National Faceless Assessment Centre shall serve the draft order referred to in clause (*xx*) on the assessee;

(*xxii*) in any case other than that referred to in clause (*xxi*), the National Faceless Assessment Centre shall convey to the assessment unit to pass the final assessment order in accordance with such draft order, which shall thereafter pass the final assessment order and initiate penalty proceedings, if any, and send it to the National Faceless Assessment Centre;

(*xxiii*) upon receiving the final assessment order as per clause (*xxii*), the National Faceless Assessment Centre shall serve a copy of such order and notice for initiating penalty proceedings, if any, on the assessee, along with the demand notice, specifying the sum payable by, or refund of any amount due to, the assessee on the basis of such assessment;

(*xxiv*) where a draft order is served on the assessee as referred to in clause (*xxi*), such assessee shall,—

(*a*) file his acceptance of the variations proposed in such draft order to the National Faceless Assessment Centre; or

(*b*) file his objections, if any, to such variations, with—

(*I*) the Dispute Resolution Panel, and

(*II*) the National Faceless Assessment Centre,

within the period specified in sub-section (2) of section 144C;

(*xxv*) the National Faceless Assessment Centre shall,—

(*a*) upon receipt of acceptance from the eligible assessee; or

(*b*) if no objections are received from the eligible assessee, within the period specified in sub-section (2) of section 144C,

intimate the assessment unit to complete the assessment on the basis of the draft order;

(*xxvi*) the assessment unit shall, upon receipt of intimation under clause (*xxv*), pass the assessment order, in accordance with the relevant draft order, within the time allowed under sub-section (4) of section 144C and initiate penalty proceedings, if any, and send the order to the National Faceless Assessment Centre;

(*xxvii*) where the eligible assessee files objections with the Dispute Resolution Panel, under sub-clause (*b*) of clause (*xxiv*), the National Faceless Assessment Centre shall send such intimation along with a copy of objections filed to the assessment unit;

(*xxviii*) the National Faceless Assessment Centre shall, in a case referred to in clause (*xxvii*), upon receipt of the directions issued by the Dispute Resolution Panel under sub-section (5) of section 144C, forward such directions to the assessment unit;

(*xxix*) the assessment unit shall, in conformity with the directions issued by the Dispute Resolution Panel under sub-section (5) of section 144C, complete the assessment within the time allowed in sub-section (13) of section 144C and initiate penalty proceedings, if any, and send a copy of the assessment order to the National Faceless Assessment Centre;

(*xxx*) the National Faceless Assessment Centre shall, upon receipt of the assessment order referred to in clause (*xxvi*) or clause (*xxix*), as the case may be, serve a copy of such order and notice for initiating penalty proceedings, if any, on the assessee, along with the demand notice, specifying the sum payable by, or the amount of refund due to, the assessee on the basis of such assessment;

(*xxxi*) the National Faceless Assessment Centre shall, after completion of assessment, transfer all the electronic records of the case to the Assessing Officer having jurisdiction over the said case for such action as may be required under the provisions of this Act;

(*xxxii*) if at any stage of the proceedings before it, the assessment unit having regard to the nature and complexity of the accounts, volume of the accounts, doubts about the correctness of accounts, multiplicity of transactions in the accounts or specialised nature of business activity of the assessee, and the interests of the revenue, is of the opinion that it is necessary to do so, it may, upon recording its reasons in writing, refer the case to the National Faceless Assessment Centre stating that the provisions of sub-section (2A) of section 142 may be invoked and such case shall be dealt with in accordance with the provisions of sub-section (7).

(2) The faceless assessment under sub-section (1) shall be made in respect of such territorial area, or persons or class of persons, or incomes or class of incomes, or cases or class of cases, as may be specified by the Board.

(3) The Board may, for the purposes of faceless assessment, set up the following Centre and units and specify their functions and jurisdiction, namely:—

(*i*) a National Faceless Assessment Centre to facilitate the conduct of faceless

assessment proceedings in a centralised manner;

(*ii*) such assessment units, as it may deem necessary to conduct the faceless assessment, to perform the function of making assessment, which includes identification of points or issues material for the determination of any liability (including refund) under this Act, seeking information or clarification on points or issues so identified, analysis of the material furnished by the assessee or any other person, and such other functions as may be required for the purposes of making faceless assessment, and the term "assessment unit", wherever used in this section, shall refer to an Assessing Officer having powers so assigned by the Board;

(*iii*) such verification units, as it may deem necessary to facilitate the conduct of faceless assessment, to perform the function of verification, which includes enquiry, cross verification, examination of books of account, examination of witnesses and recording of statements, and such other functions as may be required for the purposes of verification and the term "verification unit", wherever used in this section, shall refer to an Assessing Officer having powers so assigned by the Board:

Provided that the function of verification unit under this section may also be performed by a verification unit located in any other faceless centre set up under the provisions of this Act or under any scheme notified under the provisions of this Act; and the request for verification may also be assigned through the National Faceless Assessment Centre to such verification unit;

(*iv*) such technical units, as it may deem necessary to facilitate the conduct of faceless assessment, to perform the function of providing technical assistance which includes any assistance or advice on legal, accounting, forensic, information technology, valuation, transfer pricing, data analytics, management or any other technical matter under this Act or an agreement entered into under section 90 or 90A, which may be required in a particular case or a class of cases, under this section and the term "technical unit", wherever used in this section, shall refer to an Assessing Officer having powers so assigned by the Board;

(*v*) such review units, as it may deem necessary to facilitate the conduct of faceless assessment, to perform the function of review of the income determination proposal assigned under sub-clause (*b*) of clause (*xvi*) of sub-section (1), which includes checking whether the relevant and material evidence has been brought on record, relevant points of fact and law have been duly incorporated, the issues requiring addition or disallowance have been incorporated and such other functions as may be required for the purposes of review and the term "review unit", wherever used in this section, shall refer to an Assessing Officer having

powers so assigned by the Board.

(4) The assessment unit, verification unit, technical unit and the review unit shall have the following authorities, namely:—

(*i*) Additional Commissioner or Additional Director or Joint Commissioner or Joint Director, as the case may be;

(*ii*) Deputy Commissioner or Deputy Director or Assistant Commissioner or Assistant Director, or Income-tax Officer, as the case may be;

(*iii*) such other income-tax authority, ministerial staff, executive or consultant, as may be considered necessary by the Board.

(5) All communications,—

(*i*) among the assessment unit, review unit, verification unit or technical unit or with the assessee or any other person with respect to the information or documents or evidence or any other details, as may be necessary for the purposes of making a faceless assessment shall be through the National Faceless Assessment Centre;

(*ii*) between the National Faceless Assessment Centre and the assessee, or his authorised representative, or any other person shall be exchanged exclusively by electronic mode; and

(*iii*) between the National Faceless Assessment Centre and various units shall be exchanged exclusively by electronic mode:

Provided that the provisions of this sub-section shall not apply to the enquiry or verification conducted by the verification unit in the circumstances as may be specified by the Board in this behalf.

(6) For the purposes of faceless assessment—

(*i*) an electronic record shall be authenticated by—

(*a*) the National Faceless Assessment Centre by way of an electronic communication;

(*b*) the assessment unit or verification unit or technical unit or review unit, as the case may be, by affixing digital signature;

(*c*) assessee or any other person, by affixing his digital signature or under electronic verification code, or by logging into his registered account in the designated portal;

(*ii*) every notice or order or any other electronic communication shall be delivered to the addressee, being the assessee, by way of—

(*a*) placing an authenticated copy thereof in the registered account of the assessee; or

(*b*) sending an authenticated copy thereof to the registered email address of the assessee or his authorised representative; or

(*c*) uploading an authenticated copy on the Mobile App of the assessee,

and followed by a real time alert;

(*iii*) every notice or order or any other electronic communication shall be delivered to the addressee, being any other person, by sending an authenticated copy thereof to the registered email address of such person, followed by a real time alert;

(*iv*) the assessee shall file his response to any notice or order or any other electronic communication, through his registered account, and once an acknowledgement is sent by the National Faceless Assessment Centre containing the hash result generated upon successful submission of response, the response shall be deemed to be authenticated;

(*v*) the time and place of dispatch and receipt of electronic record shall be determined in accordance with the provisions of section 13 of the Information Technology Act, 2000 (21 of 2000);

(*vi*) a person shall not be required to appear either personally or through authorised representative in connection with any proceedings before any unit set up under this section;

(*vii*) in a case where a variation is proposed in the income or loss determination proposal or the draft order, and an opportunity is provided to the assessee by serving a notice calling upon him to show cause as to why the assessment should not be completed as per such income or loss determination proposal, the assessee or his authorised representative, as the case may be, may request for personal hearing so as to make his oral submissions or present his case before the income-tax authority of the relevant unit;

(*viii*) where the request for personal hearing has been received, the income-tax authority of relevant unit shall allow such hearing, through National Faceless Assessment Centre, which shall be conducted exclusively through video conferencing or video telephony, including use of any telecommunication application software which supports video conferencing or video telephony, to the extent technologically feasible, in accordance with the procedure laid down by the Board;

(*ix*) subject to the proviso to sub-section (5), any examination or recording of the statement of the assessee or any other person (other than the statement recorded in the course of survey under section 133A) shall be conducted by an income-tax authority in the relevant unit, exclusively through video conferencing or video telephony, including use of any telecommunication application software

which supports video conferencing or video telephony, to the extent technologically feasible, in accordance with the procedure laid down by the Board;

(*x*) the Board shall establish suitable facilities for video conferencing or video telephony including telecommunication application software which supports video conferencing or video telephony at such locations as may be necessary, so as to ensure that the assessee, or his authorised representative, or any other person is not denied the benefit of faceless assessment merely on the consideration that such assessee or his authorised representative, or any other person does not have access to video conferencing or video telephony at his end;

(*xi*) the Principal Chief Commissioner or the Principal Director General, as the case may be, in-charge of the National Faceless Assessment Centre shall, with the prior approval of the Board, lay down the standards, procedures and processes for effective functioning of the National Faceless Assessment Centre and the units set up, in an automated and mechanised environment.

(7) (*a*) The Principal Chief Commissioner or the Principal Director General, as the case may be, in-charge of the National Faceless Assessment Centre shall, in accordance with the procedure laid down by the Board in this regard, if he considers appropriate that the provisions of sub-section (2A) of section 142 may be invoked in the case,—

(*i*) forward the reference received from an assessment unit under clause (*xxxii*) of sub-section (1) to the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner having jurisdiction over such case, and inform the assessment unit accor-dingly;

(*ii*) transfer the case to the Assessing Officer having jurisdiction over such case in accordance with sub-section (8);

(*b*) where a reference has been received by the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner under sub-clause (*i*) of clause (*a*), he shall direct the Assessing Officer, having jurisdiction over the case, to invoke the provisions of sub-section (2A) of section 142;

(*c*) where a reference has not been forwarded to the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner, having jurisdiction over the case, in a case referred to in sub-clause (*i*) of clause (*a*), the assessment unit shall proceed to complete the assessment in accordance with the procedure laid down in this section.

(8) Notwithstanding anything contained in sub-section (1) or sub-section (2), the Principal Chief Commissioner or the Principal Director General, as the case may be, in-charge of National Faceless Assessment Centre may, at any stage of the

assessment, if considered necessary, transfer the case to the Assessing Officer having jurisdiction over such case, with the prior approval of the Board.

(9) [*Omitted by the Finance Act, 2022, w.r.e.f. 1-4-2021.*]

(10) *Omitted by the Finance Act, 2022, w.e.f. 1-4-2022.*]

Explanation.—In this section, unless the context otherwise requires—

(*a*) "addressee" shall have the same meaning as assigned to it in clause (*b*) of sub-section (1) of section 2 of the Information Technology Act, 2000 (21 of 2000);

(*b*) "authorised representative" shall have the same meaning as assigned to it in sub-section (2) of section 288;

(*c*) "automated allocation system" means an algorithm for randomised allocation of cases, by using suitable technological tools, including artificial intelligence and machine learning, with a view to optimise the use of resources;

(*d*) "automated examination tool" means an algorithm for standardised examination of draft orders, by using suitable technological tools, including artificial intelligence and machine learning, with a view to reduce the scope of discretion;

(*e*) "computer resource" shall have the same meaning as assigned to it in clause (*k*) of sub-section (1) of section 2 of the Information Technology Act, 2000 (21 of 2000);

(*f*) "computer system" shall have the same meaning as assigned to it in clause (*l*) of sub-section (1) of section 2 of the Information Technology Act, 2000 (21 of 2000);

(*g*) "computer resource of assessee" shall include assessee's registered account in designated portal of the Income-tax Department, the Mobile App linked to the registered mobile number of the assessee, or the registered email address of the assessee with his email service provider;

(*h*) "digital signature" shall have the same meaning as assigned to it in clause (*p*) of sub-section (1) of section 2 of the Information Technology Act, 2000 (21 of 2000);

(*i*) "designated portal" means the web portal designated as such by the Principal Chief Commissioner or the Principal Director General, in charge of the National Faceless Assessment Centre;

(*j*) "Dispute Resolution Panel" shall have the same meaning as assigned to it in clause (*a*) of sub-section (15) of section 144C;

(*k*) "faceless assessment" means the assessment proceedings conducted electronically in 'e-Proceeding' facility through assessee's registered account in designated portal;

(*l*) "electronic record" shall have the same meaning as assigned to it in clause (*t*) of

sub-section (1) of section 2 of the Information Technology Act, 2000 (21 of 2000);

(*la*) "electronic verification code" means a code generated for the purpose of electronic verification as per the data structure and standards specified by the Principal Director General or Director General, as the case may be, in-charge of information technology;

(*m*) "eligible assessee" shall have the same meaning as assigned to in clause (*b*) of sub-section (15) of section 144C;

(*n*) "email" or "electronic mail" and "electronic mail message" means a message or information created or transmitted or received on a computer, computer system, computer resource or communication device including attachments in text, image, audio, video and any other electronic record, which may be transmitted with the message;

(*o*) "hash function" and "hash result" shall have the same meaning as assigned to them in the *Explanation* to sub-section (2) of section 3 of the Information Technology Act, 2000 (21 of 2000);

(*p*) "Mobile app" shall mean the application software of the Income-tax Department developed for mobile devices which is downloaded and installed on the registered mobile number of the assessee;

(*q*) [***]

(*r*) "real time alert" means any communication sent to the assessee, by way of Short Messaging Service on his registered mobile number, or by way of update on his Mobile App, or by way of an email at his registered email address, so as to alert him regarding delivery of an electronic communication;

(*s*) "registered account" of the assessee means the electronic filing account registered by the assessee in designated portal;

(*t*) "registered e-mail address" means the e-mail address at which an electronic communication may be delivered or transmitted to the addressee, including—

(*i*) the e-mail address available in the electronic filing account of the addressee registered in designated portal; or

(*ii*) the e-mail address available in the last income-tax return furnished by the addressee; or

(*iii*) the e-mail address available in the Permanent Account Number database relating to the addressee; or

(*iv*) in the case of addressee being an individual who possesses the Aadhaar number, the e-mail address of addressee available in the database of Unique Identification Authority of India; or

(*v*) in the case of addressee being a company, the e-mail address of the company as available on the official website of Ministry of Corporate Affairs; or

(*vi*) any e-mail address made available by the addressee to the income-tax authority or any person authorised by such authority;

(*u*) "registered mobile number" of the assessee means the mobile number of the assessee, or his authorised representative, appearing in the user profile of the electronic filing account registered by the assessee in designated portal;

(*v*) "video conferencing or video telephony" means the technological solutions for the reception and transmission of audio-video signals by users at different locations, for communication between people in real-time.

273.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

Clause 273 of the Bill provides for faceless assessment. The clause corresponds to section 144B of the Act.The provisions of the existing section have been textually simplified and retained with the same intent in this clause. The clause has been simplified by removing some steps of the detailed procedure for assessment and taking them in the Rules to be prescribed for this purpose.

273.4 Important Views/Suggestions given by Experts/Stakeholders:

i. The procedure may be codified in section itself instead of conferring the power on the Board by way of subordinated legislation This will ensure clarity in the procedure and transparency.

ii. Section 273(1) has an overriding effect over all other provisions of the Act Delegation of the power to lay down the procedure to the Board under the said provision which has such wide overriding effect would result in excessive delegation and is open to challenge on constitutionality. It would amount to abdication of essential legislative functions which is impermissible under the Constitution.

iii. Delegation to the Board would enable them to make rules as per their whims and fancies The same may also be amended without any legislative intervention However, where the law is codified, the same cannot be amended easily unless the Parliament intervenes It would also require due procedure to be followed.

iv. It is well settled that a rule being a piece of subordinate legislation cannot override the Act .It is also well settled that what cannot be directly done should also not be permitted to be done indirectly However, by permitting the Board to lay down the procedure by way of rules which have the effect of overriding the

Act, would result in rule overriding the Act, which should not be permitted. The avowed object behind faceless assessment is to ensure ease of compliance and to ensure transparency .This can be achieved by a well codified procedure in place which is not subject to constant amendments and changes Enabling Board to make rules would result in frequent amendments in the procedure, which would result in lack of transparency and clarity, thus putting the very scheme and object of faceless assessment to peril.

v. Clause 273(1) of the IT Bill, 2025 enables procedure to be prescribed. The clause permits only the power to prescribe the procedure of faceless assessment and not other things Provision similar to section 144B(6) of the IT Act, 1961 has not been carried into the IT Bill, 2025 Hence, a provision which deals with similar aspects as contained in section 144B(6) of the IT Act, 1961 may be provided for in section 273 of the IT Bill, 2025 Here, we have not suggested the language of the provision as the same would depend on the procedure under section 273(1) which has not yet been codified.

273.5 Examination by the Committee:

273.5.1 On the above suggestions, the Ministry replied as follows:

i. The suggestion seeks to amend clause 273 by codifying the procedure of faceless assessment in section itself instead of conferring the power on the Board by way of subordinated legislation.

ii. The law can be made simple only when substantive provisions are given in the main law and procedural provisions are made part of sub-ordinate legislation.

iii. Even making of rules has the legislative oversight as they are made with approval of the Minister in charge, as well as the law ministry. The rules are also laid before the Parliament so as to maintain checks and balances on sub-ordinate legislation.

iv. The apprehension expressed in this regard is unfounded. Thus, the suggestion is not feasible.

v. The suggestion seeks to amend clause 273 to provide for codifying clause corresponding to section 144B (6) of IT Act [with communication with the assessee in faceless assessment and its authentication] in the clause 273 itself. Conscious call policy decision All essential and substantive features of

faceless assessment find mention in clause 273. The procedure is largely internal which does not fasten any liability on the taxpayer and is only meant to facilitate the process in a seamless manner. The suggestion is not feasible."

273.5.2 The Committee, further sought clarification from the Department of Revenue about defined conditions in which an assessee have the explicit right to request or be granted a physical hearing during a faceless assessment, digital divide, potential technical difficulties, grievance redressal mechanism ensuring that no assessee is disadvantaged due to technological limitations.

273.5.3 The Ministry, in their written reply, submitted as follows:

Assessee can ask for the virtual hearing in the case of any adverse order being passed by the Assessing Officer. As per faceless scheme, provision of virtual hearing has been enabled to the assessee if he desires so. In order to move away from the concept of physical hearing, provision of virtual hearing has been enabled.

Further, following measures are being taken to ensure the compliance in the case of faceless regime.

• To educate the taxpayers in the rural and digitally underserved areas the department is conducting mass-media campaigns and outreach programmes. Through these initiatives, the taxpayers are facilitated to comply with faceless systems.

• The Department has introduced Tax Return Preparer Scheme that offers tax filing services at the taxpayer's doorstep. The service employs certified professionals trained by the Income Tax Department to help small and marginal taxpayers with preparing & filing their tax returns and help them in the faceless procedures, free of cost or for a small fee.

• In addition to electronic notices, physical service of notices through Speed Post (Centralised Communication) is also provided. Also, in addition, a real time SMS alert is also sent. To address the issue of non-service on electronic notices of hearings in Appeals, it is proposed to issue physical letters through centralized communication monthly and notices will be served through the Verification Unit in non-compliant cases.

• Videoconferencing facilities have been introduced for appellate hearings. The department is also doing outreach with taxpayers, representatives to resolve technical issues as well as to improve the processes.

• The Department is also considering strengthening the operationalisation of e-kiosks (ASK centres) within the tax offices. These will provide digital

infrastructure to taxpayers who lack the means or familiarity to engage with the faceless system independently.

273.5.4 The Committee further sought written clarification on improvements in implementation of faceless assessment to prevent delays and to address the issues of digital divide. The Ministry, accordingly, furnished as under:

The introduction of faceless proceedings has led to significant advancements in efficiency, transparency, and the overall taxpayer experience. Department has also taken certain steps for improvement in the faceless system – assessment and appeals. An overview is as below-

(i) By eliminating physical interactions and introducing a structured digital framework, the process has become more streamlined, reducing unnecessary delays and ensuring faster case resolution. The automated allocation of cases has minimized subjective discretion, enabling a fairer and more uniform assessment process.

(ii) Additionally, transparency has been strengthened through the elimination of direct taxpayer-officer interactions, reducing the scope for bias and ensuring assessments/appeals are based strictly on documented evidence. Independent review mechanisms further enhance the credibility of assessments by verifying their accuracy before finalization.

(iii) From a taxpayer's perspective, the transition to faceless procedures has improved accessibility, as submissions, responses, and clarifications can now be handled entirely online.

(iv) These collective measures contribute to a more efficient, impartial, and user-friendly tax administration system, reinforcing the principles of accountability and fairness.

(v) From the inception to F.Y. 2024-25: Total number of assessments completed in faceless manner: 732135; Total number of penalty proceedings completed in faceless manner: 822388; Total Number of Appeals completed in faceless manner: 298153.

(vi) To address stakeholder concerns regarding potential delays, several measures have been undertaken. Disposal targets have been set for CIT(A) to ensure timely resolution of cases. The faceless system has eliminated this imbalance allowing for more rational allocation and facilitating faster reduction of pendency.

(vii) The faceless appellate mechanism has also enabled the identification and consolidation of appeals involving similar issues. "Bunching" facilitates consistency in appellate decisions and expedites disposal. An example is appeals relating to charitable trusts, which often involve complex and specialized issues.

(viii) To further strengthen the appeal mechanism, a semi-faceless structure has been introduced through the creation of the JCIT(A) post. And from the

F.Y. 2025-26 more cases are being assigned to them for speedy disposal of appeals.

(ix) Further, to address situations where digital access or literacy presents a significant barrier to participation, there are provisions for the centralized issuance of physical communication to taxpayers who fail to comply with digital notices issued by faceless officers due to lack of digital access. Such communication is sent many times during the assessment proceedings to improve the compliance. Beginning in FY 2025-26, centralized communication will be sent monthly.

Details of Centralised Communications issued:
FY 22-23: 46035
FY 23-24: 94450
FY 24-25: 214531

(x) Additionally, under the current framework, cases where taxpayers lack any digital footprint (either not registered on e-filing portal or no email is available on e-filing portal) are being transferred to Jurisdictional Assessing Officer who physically reaches out to the taxpayers for completion of the assessment proceedings, ensuring that all taxpayers—irrespective of their access to digital infrastructure—receive fair and efficient tax processing.

Details of No Digital Footprint cases:
FY 22-23: 42579
FY 23-24: 40418
FY 24-25: 20746

(xi) To educate the taxpayers in the rural and digitally underserved areas the department is conducting mass-media campaigns and outreach programmes. Through these initiatives, the taxpayers are facilitated to comply with faceless systems.

(xii) The Department has introduced Tax Return Preparer Scheme that offers tax filing services at the taxpayer's doorstep. The service employs certified professionals trained by the Income Tax Department to help small and marginal taxpayers with preparing & filing their tax returns and help them in the faceless procedures, free of cost or for a small fee.In addition to electronic notices, physical service of notices through Speed Post (Centralised Communication) is also provided. Also, in addition, a real-time SMS alert is also sent. To address the issue of non-service on electronic notices of hearings in Appeals, it is proposed to issue physical letters through centralized communication monthly and notices will be served through the Verification Unit in non-compliant cases.

(xiii) As regards enabling wider access, videoconferencing facilities have been introduced for appellate hearings. The department is also doing outreach with taxpayers, representatives to resolve technical issues as well as to improve the processes. The Department is also considering strengthening the operationalisation of e-kiosks (ASK centres) within the tax offices. These will provide digital infrastructure to taxpayers who lack the means or familiarity to engage with the faceless system independently.

(xiv) The Central Action Plan for the FY 2025–26 outlines targeted measures to address instances where appellants are unresponsive, particularly in legacy cases. The National Faceless Appeal Centre has been entrusted with the task of formulating SOPs for handling such cases.

Through these cumulative measures, the Department remains committed to ensuring an efficient and equitable tax administration under the faceless jurisdiction modality.

273.5.5 Further, the Ministry added as follows:

The section contains substantive provisions and then also procedural provisions. What we have done in the Bill, the substantive provisions are kept in the Bill itself. The procedural provisions are not mentioned in the Bill because it will come by the way of rule. It is done so to keep the Bill simple. So, substantive provisions continue to be a part of the bill only the procedural provisions are not a part that internally how will an order go from assessment unit to review unit and then from review unit back to the assessment unit. So, those procedures will be made part of the rules.

273.5.6 When the Committee asked whether the Ministry has a system available to assessees to discuss issues and to explain his point of view, the Ministry stated as follows:

There is no such facility in faceless system where the taxpayer can sit across and explain his point of view. However, for faceless assessment and appeal proceedings, videoconferencing facilities have been introduced for appellate hearings. The department is also doing outreach with taxpayers, representatives to resolve technical issues as well as to improve the processes. The Department is also considering strengthening the operationalisation of e-kiosks (ASK centres) within the tax offices. These will provide digital infrastructure to taxpayers who lack the means or familiarity to engage with the faceless system independently.

273.5.7 Further, on a specific query about the accountability of AO for passing a wrong assessment order and whether there will be interest paid on the 20% amount when finally returned, the Ministry, in a oral deposition, stated as follows:

In the faceless setup, the assessment orders are being handled by the faceless unit headed by Joint/ Addl. Commissioner. It is only upon approval by the Jt./Addl. Commissioner that an order can be passed.

Secondly, the order is seen and vetted by the review unit and technical unit prior to its issuance. therefore, it is not a case where the responsibility of any order can be completely appropriated to one officer.

Also, for high pitched assessments, separate committees have been formed in all the Pr. CCIT regions which maintain oversight on high pitched assessments.

On receipt of the report of Local committee, Pr.CCIT concerned make take suitable administrative action in respect of cases where assessment was found to be High -Pitched by the local committee, which include-

(a)Calling for explanation of the AO/Assessment Unit and any other administrative action as deemed fit.
(b)Administratively advise to the Pr. CIT concerned to prevent any coercive recovery in such cases.

In addition, following administrative measures are also in place –

(a) Internal audit of Assessment orders is done by the Internal Revenue Committee;
(b) Revenue audit is done by CAG.
(c) PCIT have the power to review the orders of the AO which are prejudicial to the interest of assessee or revenue.

If any order or judgement is overturned by a higher appellate authority on facts or law, it cannot always be said that the order or decision was wrong. Any such inference will be against the established jurisprudence. It may kindly be noted that where a higher court overturns a lower court judgment, it is not said that the lower court is accountable for passing a wrong order. There are differences in judgment, appreciation of facts, interpretation of law and other factors which result in same facts and law being interpreted differently by different forums.

Regarding the payment of interest, yes, the 20% amount or any other amount which becomes due to the taxpayer is paid along with interest.

273.6 Observations/Recommendations of the Committee:

The Committee, upon detailed deliberaton on the various provisions of the Clause along with justification provided by the Ministry, find the provisions of the Clause 273 to be corresponding and in line with the existing provisions of the 1961 Act. The Committee, therefore, accept the Clause as proposed.

Clause 274– Reference to Principal Commissioner or Commissioner in certain cases

274.1 Provision proposed in the Income-Tax Bill, 2025:

274. (*1*) The Assessing Officer may make a reference to the Principal Commissioner or Commissioner at any stage of the assessment or reassessment proceedings before him, if, having regard to the material and evidence available with him, he considers that it is necessary to—

(*a*) declare an arrangement as an impermissible avoidance arrangement; and

(*b*) determine the consequence of such an arrangement within the meaning of Chapter XI.

(*2*) The Principal Commissioner or Commissioner shall, on receipt of a reference under sub-section (*1*), if he is of the opinion that the provisions of Chapter XI are required to be invoked,—

(*a*) issue a notice to the assessee, setting out the reasons and basis of such opinion, for submitting objections, if any; and

(*b*) provide an opportunity of being heard to the assessee within such period, not exceeding sixty days, as specified in the said notice.

(*3*) If the assessee fails to furnish any objection to the notice within the time specified in the notice issued under sub-section (*2*), the Principal Commissioner or Commissioner shall issue such directions as he deems fit in respect of declaration of the arrangement to be an impermissible avoidance arrangement.

(*4*) In case the assessee objects to the proposed action, and the Principal Commissioner or Commissioner, after hearing the assessee in the matter, is not satisfied by the explanation of the assessee, then, he shall make a reference in the matter to the Approving Panel for the purpose of declaration of the arrangement as an impermissible avoidance arrangement.

(*5*) If the Principal Commissioner or Commissioner is satisfied, after having heard the assessee that the provisions of Chapter XI are not to be invoked, he shall by an order in writing, communicate the same to the Assessing Officer with a copy to the assessee.

(*6*) The Approving Panel, on receipt of a reference from the Principal Commissioner or Commissioner under sub-section (*4*), shall—

(*a*) issue such directions, as it deems fit, in respect of the declaration of the arrangement as an impermissible avoidance arrangement as per the provisions of Chapter XI; and

(*b*) specify the tax year or years to which such declaration of an arrangement as an impermissible avoidance arrangement shall apply.

(*7*) No direction under sub-section (*6*) shall be issued unless an opportunity of being heard is given to the assessee and the Assessing Officer on such directions which are prejudicial to the interest of the assessee or the interests of the revenue, as the case may be.

(*8*) The Approving Panel may, before issuing any direction under sub-section (*6*),—

(*a*) if it is of the opinion that any further inquiry in the matter is necessary, direct the Principal Commissioner or Commissioner to make such inquiry or cause the inquiry to be made by any other income-tax authority and furnish a report containing the result of such inquiry to it; or

(*b*) call for and examine such records relating to the matter as it deems fit; or

(*c*) require the assessee to furnish such documents and evidence as it may direct.

(*9*)If the members of the Approving Panel differ in opinion on any point, such point shall be decided according to the opinion of the majority of the members.

(*10*) The Assessing Officer, on receipt of directions of the Principal Commissioner or Commissioner under sub-section (*3*) or of the Approving Panel under sub-section (*6*), shall proceed to complete the proceedings referred to in sub-section (*1*) as per such directions and the provisions of Chapter XI.

(*11*) If any direction issued under sub-section (*6*) specifies that declaration of the arrangement as impermissible avoidance arrangement is applicable for any tax year other than the tax year to which the proceedings referred to in sub-section (*1*) pertains, then,—

(*a*) the Assessing Officer while completing any assessment or reassessment proceedings relevant to such other tax year shall do so as per such directions and the provisions of Chapter XI; and

(*b*) it shall not be necessary for him to seek fresh direction on the issue for the relevant tax year.

(*12*) No order of assessment or reassessment shall be passed by the Assessing Officer without the prior approval of the Principal Commissioner or Commissioner, if any

tax consequences have been determined in the order under the provisions of Chapter XI.

(*13*) The Approving Panel shall, subject to sub-sections (*14*) and (*15*), issue directions under sub-section (*6*) within six months from the end of the month in which the reference under sub-section (*4*) was received.

(*14*) In computing the period referred to in sub-section (*13*), the following shall be excluded:—

(*a*) the period commencing from the date on which the first direction is issued by the Approving Panel to the Principal Commissioner or Commissioner for getting the inquiries conducted through the authority competent under an agreement referred to in section 159 and ending with the date on which the information so requested is last received by the Approving Panel or one year, whichever is less;

(*b*) the period commencing on the date on which the proceeding of the Approving Panel is stayed by an order or injunction of any court and ending on the date on which certified copy of the order vacating the stay was received by the Approving Panel.

(*15*) If immediately after the exclusion of the period as per sub-section(*14*), the remaining period available to the Approving Panel for issue of directions is less than sixty days, such remaining period shall be extended to sixty days and the period of six months mentioned in sub-section (*13*) shall be deemed to have been extended accordingly.

(*16*) The directions issued by the Approving Panel under sub-section (*6*) shall be binding on—

(*a*) the assessee; and

(*b*) the Principal Commissioner or Commissioner and the income-tax authorities subordinate to him.

(*17*) No appeal under the Act shall lie against directions issued by the Approving Panel under sub-section (*6*), irrespective of anything contained in any other provision of the Act.

(*18*) The Central Government shall, for the purposes of this section, constitute one or more Approving Panels as may be necessary and each panel shall consist of three members including a Chairperson.

(*19*) The Chairperson of the Approving Panel shall be a person who is or has been a judge of a High Court, and—

(*a*) one member shall be a member of Indian Revenue Service not below the rank of Principal Chief Commissioner or Chief Commissioner of Income-tax; and

(*b*) one member shall be an academic or scholar having special knowledge of matters, such as direct taxes, business accounts and international trade practices.

(*20*) The term of the Approving Panel shall ordinarily be for one year and may be extended from time to time up to three years.

(*21*) The Chairperson and members of the Approving Panel shall meet, as and when required, to consider the references made to the panel and shall be paid such remuneration as prescribed.

(*22*) In addition to the powers conferred on the Approving Panel under this section, the powers which are vested in the Board for Advance Rulings under section387 shall apply*mutatis mutandis* to the Approving Panel.

(*23*) The Board shall provide to the Approving Panel such officials as may be necessary for the efficient exercise of powers and discharge of functions of the Approving Panel under this Act.

(*24*) The Board may make rules for the purposes of the constitution and efficient functioning of the Approving Panel and expeditious disposal of the references received under sub-section (*4*).

274.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Reference to Principal Commissioner or Commissioner in certain cases.

144BA. (1) If, the Assessing Officer, at any stage of the assessment or reassessment proceedings before him having regard to the material and evidence available, considers that it is necessary to declare an arrangement as an impermissible avoidance arrangement and to determine the consequence of such an arrangement within the meaning of Chapter X-A, then, he may make a reference to the Principal Commissioner or Commissioner in this regard.

(2) The Principal Commissioner or Commissioner shall, on receipt of a reference under sub-section (1), if he is of the opinion that the provisions of Chapter X-A are required to be invoked, issue a notice to the assessee, setting out the reasons and basis of such opinion, for submitting objections, if any, and providing an opportunity of being heard to the assessee within such period, not exceeding sixty days, as may be specified in the notice.

(3) If the assessee does not furnish any objection to the notice within the time specified in the notice issued under sub-section (2), the Principal Commissioner or

Commissioner shall issue such directions as he deems fit in respect of declaration of the arrangement to be an impermissible avoidance arrangement.

(4) In case the assessee objects to the proposed action, and the Principal Commissioner or Commissioner after hearing the assessee in the matter is not satisfied by the explanation of the assessee, then, he shall make a reference in the matter to the Approving Panel for the purpose of declaration of the arrangement as an impermissible avoidance arrangement.

(5) If the Principal Commissioner or Commissioner is satisfied, after having heard the assessee that the provisions of Chapter X-A are not to be invoked, he shall by an order in writing, communicate the same to the Assessing Officer with a copy to the assessee.

(6) The Approving Panel, on receipt of a reference from the Principal Commissioner or Commissioner under sub-section (4), shall issue such directions, as it deems fit, in respect of the declaration of the arrangement as an impermissible avoidance arrangement in accordance with the provisions of Chapter X-A including specifying of the previous year or years to which such declaration of an arrangement as an impermissible avoidance arrangement shall apply.

(7) No direction under sub-section (6) shall be issued unless an opportunity of being heard is given to the assessee and the Assessing Officer on such directions which are prejudicial to the interest of the assessee or the interests of the revenue, as the case may be.

(8) The Approving Panel may, before issuing any direction under sub-section (6),—

(*i*) if it is of the opinion that any further inquiry in the matter is necessary, direct the Principal Commissioner or Commissioner to make such inquiry or cause the inquiry to be made by any other income-tax authority and furnish a report containing the result of such inquiry to it; or

(*ii*) call for and examine such records relating to the matter as it deems fit; or

(*iii*) require the assessee to furnish such documents and evidence as it may direct.

(9) If the members of the Approving Panel differ in opinion on any point, such point shall be decided according to the opinion of the majority of the members.

(10) The Assessing Officer, on receipt of directions of the Principal Commissioner or Commissioner under sub-section (3) or of the Approving Panel under sub-section (6), shall proceed to complete the proceedings referred to in sub-section (1) in accordance with such directions and the provisions of Chapter X-A.

(11) If any direction issued under sub-section (6) specifies that declaration of the arrangement as impermissible avoidance arrangement is applicable for any previous year other than the previous year to which the proceedings referred to in sub-section (1) pertains, then, the Assessing Officer while completing any assessment or

reassessment proceedings of the assessment year relevant to such other previous year shall do so in accordance with such directions and the provisions of Chapter X-A and it shall not be necessary for him to seek fresh direction on the issue for the relevant assessment year.

(12) No order of assessment or reassessment shall be passed by the Assessing Officer without the prior approval of the Principal Commissioner or Commissioner, if any tax consequences have been determined in the order under the provisions of Chapter X-A.

(13) The Approving Panel shall issue directions under sub-section (6) within a period of six months from the end of the month in which the reference under sub-section (4) was received.

(14) The directions issued by the Approving Panel under sub-section (6) shall be binding on—

(*i*) the assessee; and

(*ii*) the Principal Commissioner or Commissioner and the income-tax authorities subordinate to him,

and notwithstanding anything contained in any other provision of the Act, no appeal under the Act shall lie against such directions.

(15) The Central Government shall, for the purposes of this section, constitute one or more Approving Panels as may be necessary and each panel shall consist of three members including a Chairperson.

(16) The Chairperson of the Approving Panel shall be a person who is or has been a judge of a High Court, and—

(*i*) one member shall be a member of Indian Revenue Service not below the rank of Principal Chief Commissioner or Chief Commissioner of Income-tax; and

(*ii*) one member shall be an academic or scholar having special knowledge of matters, such as direct taxes, business accounts and international trade practices.

(17) The term of the Approving Panel shall ordinarily be for one year and may be extended from time to time up to a period of three years.

(18) The Chairperson and members of the Approving Panel shall meet, as and when required, to consider the references made to the panel and shall be paid such remuneration as may be prescribed.

(19) In addition to the powers conferred on the Approving Panel under this section, it shall have the powers which are vested in the Authority for Advance Rulings under section 245U.

(20) The Board shall provide to the Approving Panel such officials as may be necessary for the efficient exercise of powers and discharge of functions of the Approving Panel under the Act.

(21) The Board may make rules for the purposes of the constitution and efficient functioning of the Approving Panel and expeditious disposal of the references received under sub-section (4).

Explanation.—In computing the period referred to in sub-section (13), the following shall be excluded—

(*i*) the period commencing from the date on which the first direction is issued by the Approving Panel to the Principal Commissioner or Commissioner for getting the inquiries conducted through the authority competent under an agreement referred to in section 90 or section 90A and ending with the date on which the information so requested is last received by the Approving Panel or one year, whichever is less;

[99]**[***(*ii*) the period commencing on the date on which stay on the proceeding of the Approving Panel was granted by an order or injunction of any court and ending on the date on which certified copy of the order vacating the stay was received by the Approving Panel:***]**

Provided that where immediately after the exclusion of the aforesaid time or period, the period available to the Approving Panel for issue of directions is less than sixty days, such remaining period shall be extended to sixty days and the aforesaid period of six months shall be deemed to have been extended accordingly.

274.3 Reasons Justification given by the Ministry of Finance for the proposed provision:

Clause 274 of the Bill provides for reference to Principal Commissioner or Commissioner in certain cases. The clause corresponds to section 144BA of the Act.There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause.

274.4 Important Views/Suggestions given by Experts/Stakeholders:

i. Approving panel constitution to be aligned with Shome Committee report .The Approving Panel constitution may be revisited by including majority of the members to be officers who do not occupy any office in Income-tax Department. This will ensure that the GAAR regime is not used regularly or routinely but only when there is aggressive abuse.
ii. It is suggested to redraft the provision in respect of change made by the Finance Act 2025 in clause 274(14)(b).

274.5 Examination by the Committee:

274.5.1 The Ministry submitted the following replies to the above suggestions:

i. The suggestion seeks to change the constitution of Approving Panel. It is in the nature of Policy Change which is outside the scope of the Bill. There is no change in the provisions of the Bill viz-a-viz Act. The GAAR provisions have been invoked only in the rarest of rare cases. In any case, the Approving panel is headed by a person who is or has been a judge of the High Court. Another member is required to be an academic or scholar. Since, the impermissible avoidance arrangement sought to be captured in GAAR are complex maze of transactions having significant tax implications, the same are better understood when the panel has in house expert who could evaluate its various dimensions. Therefore, the GAAR panel has been rightly constituted.

ii. The suggestion seeks to redraft the provision in respect of change made by the Finance Act 2025 in clause 247(14)(b). It is in nature of drafting improvement. The suggestion is not feasible.

274.5.2 In this regard, the Ministry further apprised the Committee as follows:

सर, जो 154 (BA) है, उसको पुराना रेफर करते हैं। जनरल एंटी अवाइडेंस रूल्य में एसेसिंग अफसर को यदि लगता है कि कोई बड़ी स्कीम टैक्स रिवीजन की बनी है, तो वह अपने प्रधान आयुक्त को लिखता है। अगर वह संतुष्ट होता है कि हां, यहां पर टैक्स रिवीजन इनवॉल्ड है, तो वह अप्रूविंग पैनल को भेजता है। The approving panel consist of one Judge of High Court, one Income Tax personnel of the rank of Principal Chief Commissioner or Chief Commissioner, and one Member shall be an academic or scholar having a special knowledge of matters such as direct taxes, business, accounts and international tax practices…सर, गार पैनल काम कर रहा है।इसमें रिटायर्ड जज भी आ सकते हैं।

सर, डीआरपी में 3 आयुक्त स्तर के अधिकारी होते हैं। डीआरपी के निर्णय के विरूद्ध विभाग अपील में नहीं जाता है। विभाग ने उन पर काफी बड़ा विश्वास उन पर इम्पोज किया है कि they will be impartial.

274.6 Observations/Recommendations of the Committee:

The Committee, upon examination and the justification provided by the Ministry, find the provisions of the Clause 274 to be textual simplification, retaining the intent of the existing provisions of the 1961 Act and therefore accept the Clause as proposed.

Clause 275– Reference to Dispute Resolution Panel

275.1 Provision proposed in the Income-Tax Bill, 2025:

275. (*1*) The Assessing Officer shall, irrespective of anything to the contrary contained in this Act, in the first instance, forward a draft of the proposed order of assessment (hereafter in this section referred to as the draft order) to the eligible assessee, if he proposes to make any variation which is prejudicial to the interest of such assessee.

(*2*) On receipt of the draft order, the eligible assessee shall, within thirty days of its receipt,—

(*a*) file his acceptance of the variations to the Assessing Officer; or

(*b*) file his objections, if any, to such variation with,—

(*i*) the Dispute Resolution Panel; and

(*ii*) the Assessing Officer.

(*3*)The Assessing Officer shall complete the assessment on the basis of the draft order, if—

(*a*) the assessee intimates to the Assessing Officer the acceptance of the variation; or

(*b*) no objection is received within the period specified in sub-section (*2*).

(*4*)The Assessing Officer shall, irrespective of anything contained in section 286, pass the assessment order under sub-section (*3*) within one month from the end of the month in which,—

(*a*) the acceptance is received; or

(*b*) the period of filing of objections under sub-section (*2*) expires.

(*5*)The Dispute Resolution Panel shall, in a case where any objection is received under sub-section (*2*), issue such directions, as it thinks fit, for guidance of the Assessing Officer to enable him to complete the assessment.

(*6*) The Dispute Resolution Panel shall issue the directions as referred to in sub-section (*5*), in writing, stating the points of determination, the decision thereon and the reason for such decision.

(*7*)The Dispute Resolution Panel may, before issuing any directions referred to in sub-section (*5*),—

(*a*) make such further enquiry, as it thinks fit; or

(*b*) cause any further enquiry to be made by any income-tax authority, and report the result of the same to it.

(*8*) The Dispute Resolution Panel may, confirm, reduce or enhance the variations proposed in the draft order, so however, that it shall not set aside any proposed variation, or issue any direction under sub-section (*5*) for further enquiry and passing of the assessment order.

(*9*) For the purposes of sub-section (*8*), the power of the Dispute Resolution Panel to enhance the variation shall include the power to consider any matter arising out of the assessment proceedings relating to the draft order, irrespective of the fact that such matter was not raised by the eligible assessee.

(*10*) If the members of the Dispute Resolution Panel differ in opinion on any point, the point shall be decided as per the opinion of the majority of the members.

(*11*) Every direction issued by the Dispute Resolution Panel shall be binding on the Assessing Officer.

(*12*) No direction under sub-section (*5*) shall be issued unless an opportunity of being heard is given to the assessee, and the Assessing Officer, on such directions which are prejudicial to the interest of the assessee, or the interest of the revenue, respectively.

(*13*) No direction under sub-section (*5*) shall be issued after nine months from the end of the month in which the draft order is forwarded to the eligible assessee.

(*14*) Upon receipt of the directions issued under sub-section (*5*), the Assessing Officer shall, in conformity with the directions, complete, irrespective of anything to the contrary contained in section 286, the assessment without providing any further opportunity of being heard to the assessee, within one month from the end of the month in which such direction is received.

(*15*) The Board may make rules for the purposes of the efficient functioning of the Dispute Resolution Panel and expeditious disposal of the objections filed under sub-section (*2*) by the eligible assessee.

(*16*) The provisions of this section shall not apply to any assessment or reassessment order passed by the Assessing Officer with the prior approval of the Principal Commissioner or Commissioner as provided in section 274(*12*).

(*17*) In this section, subject to the provisions of sub-section (*18*),—

(*a*) "Dispute Resolution Panel" means a collegium comprising of three Principal Commissioners or Commissioners of Income-tax constituted by the Board for this purpose;

(*b*) "eligible assessee" means,—

(*i*) any person in whose case the variation referred to in sub-section (*1*) arises as a consequence of the order of the Transfer Pricing Officer passed under section 166(*6*);

(*ii*) any non-resident (not being a company), or any foreign company.

(*18*) The eligible assessee referred to in sub-section (*17*) shall not include person referred to in section 292(*1*) or other person referred to in section 295.

(*19*) The provisions of this section shall not apply to any proceedings under Chapter XVI-B.

275.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Reference to dispute resolution panel.

144C. (1) The Assessing Officer shall, notwithstanding anything to the contrary contained in this Act, in the first instance, forward a draft of the proposed order of assessment (hereafter in this section referred to as the draft order) to the eligible assessee if he proposes to make, on or after the 1st day of October, 2009, any variation which is prejudicial to the interest of such assessee.

(2) On receipt of the draft order, the eligible assessee shall, within thirty days of the receipt by him of the draft order,—

(*a*) file his acceptance of the variations to the Assessing Officer; or

(*b*) file his objections, if any, to such variation with,—

(*i*) the Dispute Resolution Panel; and

(*ii*) the Assessing Officer.

(3) The Assessing Officer shall complete the assessment on the basis of the draft order, if—

(*a*) the assessee intimates to the Assessing Officer the acceptance of the variation; or

(*b*) no objections are received within the period specified in sub-section (2).

(4) The Assessing Officer shall, notwithstanding anything contained in section 153 or section 153B, pass the assessment order under sub-section (3) within one month from the end of the month in which,—

(*a*) the acceptance is received; or

(*b*) the period of filing of objections under sub-section (2) expires.

(5) The Dispute Resolution Panel shall, in a case where any objection is received under sub-section (2), issue such directions, as it thinks fit, for the guidance of the Assessing Officer to enable him to complete the assessment.

(6) The Dispute Resolution Panel shall issue the directions referred to in sub-section (5), after considering the following, namely:—

(*a*) draft order;

(*b*) objections filed by the assessee;

(*c*) evidence furnished by the assessee;

(*d*) report, if any, of the Assessing Officer, Valuation Officer or Transfer Pricing Officer or any other authority;

(*e*) records relating to the draft order;

(*f*) evidence collected by, or caused to be collected by, it; and

(*g*) result of any enquiry made by, or caused to be made by, it.

(7) The Dispute Resolution Panel may, before issuing any directions referred to in sub-section (5),—

(*a*) make such further enquiry, as it thinks fit; or

(*b*) cause any further enquiry to be made by any income-tax authority and report the result of the same to it.

(8) The Dispute Resolution Panel may confirm, reduce or enhance the variations proposed in the draft order so, however, that it shall not set aside any proposed variation or issue any direction under sub-section (5) for further enquiry and passing of the assessment order.

Explanation.—For the removal of doubts, it is hereby declared that the power of the Dispute Resolution Panel to enhance the variation shall include and shall be deemed always to have included the power to consider any matter arising out of the assessment proceedings relating to the draft order, notwithstanding that such matter was raised or not by the eligible assessee.

(9) If the members of the Dispute Resolution Panel differ in opinion on any point, the point shall be decided according to the opinion of the majority of the members.

(10) Every direction issued by the Dispute Resolution Panel shall be binding on the Assessing Officer.

(11) No direction under sub-section (5) shall be issued unless an opportunity of being heard is given to the assessee and the Assessing Officer on such directions which are prejudicial to the interest of the assessee or the interest of the revenue, respectively.

(12) No direction under sub-section (5) shall be issued after nine months from the end of the month in which the draft order is forwarded to the eligible assessee.

(13) Upon receipt of the directions issued under sub-section (5), the Assessing Officer shall, in conformity with the directions, complete, notwithstanding anything to the contrary contained in section 153 or section 153B, the assessment without providing any further opportunity of being heard to the assessee, within one month from the end of the month in which such direction is received.

(14) The Board may make rules for the purposes of the efficient functioning of the Dispute Resolution Panel and expeditious disposal of the objections filed under sub-section (2) by the eligible assessee.

(14A) The provisions of this section shall not apply to any assessment or reassessment order passed by the Assessing Officer with the prior approval of the Principal Commissioner or Commissioner as provided in sub-section (12) of section 144BA.

(14B) The Central Government may make a scheme, by notification in the Official Gazette, for the purposes of issuance of directions by the dispute resolution panel, so as to impart greater efficiency, transparency and accountability by—

(*a*) eliminating the interface between the dispute resolution panel and the eligible assessee or any other person to the extent technologically feasible;

(*b*) optimising utilisation of the resources through economies of scale and functional specialisation;

(*c*) introducing a mechanism with dynamic jurisdiction for issuance of directions by dispute resolution panel.

(14C) The Central Government may, for the purpose of giving effect to the scheme made under sub-section (14B), by notification in the Official Gazette, direct that any of the provisions of this Act shall not apply or shall apply with such exceptions, modifications and adaptations as may be specified in the notification.

[1]**[****]**

(14D) Every notification issued under sub-section (14B) and sub-section (14C) shall, as soon as may be after the notification is issued, be laid before each House of Parliament.

(15) For the purposes of this section,—

(*a*) "Dispute Resolution Panel" means a collegium comprising of three Principal Commissioners or Commissioners of Income-tax constituted by the Board for this purpose;

(*b*) "eligible assessee" means,—

(*i*) any person in whose case the variation referred to in sub-section (1)

arises as a consequence of the order of the Transfer Pricing Officer passed under sub-section (3) of section 92CA; and

(*ii*) any non-resident not being a company, or any foreign company:

[2][**Provided** that such eligible assessee shall not include person referred to in sub-section (1) of section 158BA or other person referred to in section 158BD.]

[2][(16) The provisions of this section shall not apply to any proceedings under Chapter XIV-B.]

275.3 Reasons Justification given by the Ministry of Finance for the proposed provision:

Clause 275 of the Bill provides for reference to Dispute Resolution Panel. The clause corresponds to section 144C of the Income-tax Act, 1961 (the Act).The provisions of the existing section have been textually simplified and retained with the same intent in this clause.

275.4 Important Views/Suggestions given by Experts/Stakeholders:

i. Clause 275(1) may be amended to insert limitation for passing the “draft order”. Interplay between limitation for passing the final order under section 144C read with section 153 of the Income-tax Act, 1961 as to whether they are mutually inclusive or exclusive is sub-judice before the Hon’ble Supreme Court in the case of ACIT v Shelf Drilling Ron Tappmeyer Limited SLP No 20569-20572/2023 (judgement reserved on 16.04.2025) - Similarly, limitation for passing a draft order in a remand back proceedings, the interplay between the said sections is still pending in the case of Roca bathroom Commissioner of Income-tax vs Roca Bathroom Products (P.) Ltd [2023] 147 taxmann.com 224 (SC) .

ii. The constitution of DRP may be aligned to Approving Panel under section 144BA, thereby ensuring the majority members to be "non departmental" officers or authorities. In order to make DRP a more effective dispute resolution forum, the constitution of the Panel may be revisited by including majority members with academic or scholares having special knowledge of matters 2 The present 'non-functional' status of DRP is apparent from the critical observations provided by the CBDT's Central Action Plan in its recent report.

iii. Similar to the provision of advance rulings, resident taxpayers, having high pitched assessments/ high value transactions, and whose assessments are not referred to the TPO, should also be provided with an option to file objections with DRP under Clause 275 of the new Bill. As per the existing provisions of the Act, only resident assesses with TP adjustments can file objections with DRP.

iv. Although the Dispute Resolution Panel (DRP) was introduced through the Finance (No. 2) Act, 2009 as an additional and expedited mechanism for resolving transfer pricing and international taxation disputes, mandated to issue directions within a strict timeline of nine months, the forum is composed entirely of Revenue officials. As a result, decisions are perceived to be largely in favour of the Department. Consequently, the DRP is viewed not as an effective dispute resolution forum but merely as a procedural step to access the Income Tax Appellate Tribunal (ITAT), with the added disadvantage of interest continuing to accrue for an additional twelve months from the date of the final assessment order.

v. It is suggested that Clause 275 be appropriately amended so that there is no conflict with jurisdictional provisions and constitutional principles under Article 265. Clause 275 empowers the DRP to issue binding directions to the Assessing Officer, which contradicts Clause 239(2) that restricts even the CBDT from directing assessments. As DRP members are not defined as Assessing Officers, such powers may conflict with jurisdictional provisions and constitutional principles under Article 265, necessitating reconsideration. Clause 275, *inter alia*, deals with transfer pricing assessment and as per Clause 275(5), the Dispute Resolution Panel is the appropriate authority where objections against a draft assessment order can be challenged. A DRP consisting of three Commissioners which has been constituted by the Board is empowered to give binding direction to the Assessing Officer. This is directly in contradiction to the provisions of Clause 239(2) dealing with instructions to sub-ordinate authorities as per which the Central Board of Direct Taxes also is not empowered to give any order, instruction or direction so as to require any income tax authority to make a particular assessment or dispose of a particular case in a particular manner. Thus, when the CBDT itself is not empowered to give any direction to any income tax authority, it is surprising that Clause 275 postulates that the DRP which is constituted by the Board and which consists of three Principal Commissioners can be allowed to give binding direction to the Assessing Officer. It virtually means that what Board cannot do is allowed to be done by an income tax authority lower in rank to the Board and thus, the entire scheme of the Act in so far as the power of the DRP to give binding direction to the Assessing Officer for enhancement is ultra vires. It is also appropriate to note that the “Assessing Officer” is defined in Clause 2(12) as Assistant Commissioner or Deputy Commissioner or Assistant Director or Deputy Director or Income Tax Officer. The definition of “Assessing Officer” does not include Principal Commissioner or Commissioner and therefore, in so far as the act of assessment is concerned it can only be done by an Assessing Officer and not otherwise and if any income tax authority is allowed to do an act which results into an assessment it will be

apparently in violation of the jurisdiction of the Assessing Officer as well as the provisions regarding the power of the Board to give directions and thus, against Article 265 of the Constitution of India as per which no taxes can be levied except as per the authority of law. Even though this provision is present in the Income-tax Act, 1961 also, this is an issue which requires examination.

275.5. Examination by the Committee:

275.5.1 To the suggestions given above, the Ministry submitted as follows:

i. The suggestion seeks to amend clause 275(1) to insert limitation for passing the "draft order". It is in the nature of Policy Change which is outside the scope of the Bill. There is no change in the provisions of the Bill viz-a-viz Act. The Act provides for time limit to complete assessment as per section 153 of IT Act 1961. In addition, section 144C (4) and section 144C(13) provides for situations where a draft order is passed . Even though there is clarity that additional time is available where matter goes to DRP, the judiciary has taken diverse views on the issue. The matter is before the Apex Court and after its decision a view would be taken in the matter. Thus, the suggestion is not feasible.

ii. The suggestion seeks to change the constitution of DRP in clause 275(17). It is in the nature of Policy Change which is outside the scope of the Bill. There is no change in the provisions of the Bill viz-a-viz Act. The mechanism of DRP is to provide faster resolution of cases involving international taxation and TP matters. Considering that orders of DRP are binding upon the revenue and the appeal against the assessment order lies directly with ITAT, the DRP has been successful in bringing quick finality to the disputes before it. Also DRP is an additional option before the taxpayer and is not mandatory. Aligning the constitution with GAAR panel will significantly delay the whole process and the purpose will be defeated. Thus, the suggestion is not feasible.

iii. The suggestion seeks to provide for transfer of non TP cases to DRP in case of high pitched assessments/ high value transactions. It is in the nature of Policy Change which is outside the scope of the Bill. There is no change in the provisions of the Bill viz-a-viz Act. The mechanism of DRP is to provide faster resolution of cases involving International taxation and TP matters. For high pitched assessments, the department has a separate oversight mechanism. Also for such assessments, the taxpayers have an additional option of approaching the commissioners for revision under clause 378. Thus, the suggestion is not feasible.

iv. The suggestion made by the stakeholder is in the nature of policy change which is beyond the scope of the objectives of the IT Bill, 2025.

v. The suggestion seeks to delete the clause 275(11)-directions of DRP binding on AO as it is in conflict with clause 265-instruction to sub-ordinate authorities by CBDT. There has to be discipline in appeal functions as in administrative functions. AOs are bound to follow directions of PCIT where review has been done, directions of Addl. CIT u/s 144C etc. There is no inconsistency. The suggestion is not feasible.

275.5.2 In this regard, during the deliberations the Ministry stated as follows:

There is a three-member approving panel – one High Court judge, one independent academia, and one departmental officer. They are saying Dispute Resolution Panel (DRP)should also be aligned with the constitution of approving panel. These are absolutely two different systems. The approving panel comes into being when there is a question of invoking of General Anti-Avoidance Rule (GAAR). And there are hardly any cases. The DRP is a departmental body which is an alternative appeal channel. DRPs are there in Delhi and Mumbai, all across India. These DRPs are there. It is a three-member panel for disposing regular appeals.

Sir, the concept of DRC was introduced in 2022. Therefore, the systems had to be put in place because the concept is that we onboard retired officers also in this Committee. As we had submitted in the last meeting also, the concept of DRC is still to stabilize. This was introduced to actually take care of small cases where the variation is small. Basically, it was just an introduction, but it is still to stabilize. And once it stabilizes, then we can actually expand the scope of the DRC.

डीआरपी, डिस्प्यूट रिजॉल्यूशन पैनल में अफसर डेडिकेटेड रहते हैं, उनकी रैगुलर पोस्टिंग होती है। अगर तीन कमिश्नर्स हैं तो उनकी रैगुलर पोस्टिंग डीआरपी में होती है। रैगुलर का मतलब है हर रोज है। डीआरपी टाइमबाउंड है। इसके डिसीजन्स नौ महीने में आते हैं।

275.5.3 When asked about the experience with DRP and why it cannot be expanded to deal with huge number of cases, the Ministry, in a post evidence written reply, submitted as follows:

The Dispute Resolution Panel (DRP) is a mechanism under section 144C of the Income-tax Act, 1961, designed as an alternative dispute resolution mechanism to the normal appellate process, allowing for faster resolution of disputes. It aims to provide a swift and effective resolution of disputes between taxpayers and the

income tax authorities. The Dispute Resolution Panel (DRP) currently handles a significant volume of cases. These cases involve complex factual and legal issues pertaining to Transfer Pricing, International Taxation and cases involving specified domestic transactions. There are 7 DRPs currently, 3 at Mumbai, 2 at Bangalore and 2 at Delhi, each comprising of 3 Commissioners of Income-tax. There is no change in policy in the Bill viz-a-viz Act. Data regarding number of cases handled by the DRPs for the past three financial years is as follows:

Period F.Y.	*(A)No.of cases in which Objections u/s144C have been filed before DRP*	*(B)No.of cases in which directions u/s 144C have been issued by DRP*
2022-23	*1918*	*1918*
2023-24	*2129*	*2129*
2024-25	*2498*	*1824*

The alternate appellate channel has been provided only in specific cases. It may be difficult to expand it to other cases considering the manpower requirements and the fact that there is already 33% shortage of manpower at the level of Commissioner (Appeals).

275.5.4 Further, when asked about the number of cases which have been settled through DRP and the number of cases which have gone to Tribunal after DRP, the Ministry in its post evidence reply submitted as under:

(*i) Data for the last 3 financial years w.r.t no. of cases in which appeal has been filed by assessee in the ITAT against the assessment orders of AOs of International Taxation Charge in accordance with the DRP directions is as below:*

F. Y.	*A) No. of cases of assessment in which draft order u/s 144C has been passed*	*(B) No. of cases filed before DRP [out of (A)]*	*(C)No. of cases in which NO appeal has been filed before ITAT after DRP directions [out of (B)]*	*(D)No. of cases in which appeal has been filed before ITAT after DRP directions [out of (B)]**
2022-23	*2977*	*770*	*243*	*527*
2023-24	*5533*	*1079*	*466*	*613*
2024-25	*4342*	*926*	*113*	*375*

** In some cases, the time for filing of appeal before the ITAT by the assessee has not yet passed.*

(ii) The DRP has to issue directions in a time bound manner (9 months). Therefore, resolution at the first appellate level is reached earlier. Moreover, the Revenue does not file any objections to ITAT. therefore, pendency at ITAT level is also reduced.

As per analysis of the data provided above, it is to be stated that 31% cases in F. Y. 2022-23 and 43% in F.Y. 2023-24 have been settled through DRP where no further appeal has been filed in ITAT. Further, where appeal has been filed in ITAT by the taxpayer, there may be multiple directions of DRP, whereas assessee would have challenged only limited number of directions of the DRP.

Thus, DRP is serving multiple purposes in reducing litigation and resolving issues in a time bound manner.

275.6 Observations/Recommendations of the Committee:

The Committee, upon examination and the justification given by the Ministry, find the provisions of the Clause 275 in line with the existing provisions therefore accept the Clause as proposed.

Clause 276– Method of accounting

276.1 Provision proposed in the Income-Tax Bill, 2025:

276. (*1*) Income chargeable under the head “Profits and gains of business or profession” or “Income from other sources” shall, subject to the provisions of sub-section (*2*), be computed as per either cash or mercantile system of accounting regularly employed by the assessee.

(*2*) The Central Government may notify income computation and disclosure standards to be followed by any class of assessees or in respect of any class of income.

(*3*) The Assessing Officer may make an assessment in the manner provided in section 271, where—

(*a*) he is not satisfied about the correctness or completeness of the accounts of the assessee;

(*b*) the method of accounting provided in sub-section (*1*) has not been regularly followed by the assessee; or

(*c*) income has not been computed as per the standards notified under sub-section (*2*).

276.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Method of accounting.

145. (1) Income chargeable under the head "Profits and gains of business or profession" or "Income from other sources" shall, subject to the provisions of sub-section (2), be computed in accordance with either cash or mercantile system of accounting regularly employed by the assessee.

(2) The Central Government may notify in the Official Gazette from time to time income computation and disclosure standards to be followed by any class of assessees or in respect of any class of income.

(3) Where the Assessing Officer is not satisfied about the correctness or completeness of the accounts of the assessee, or where the method of accounting provided in sub-section (1) has not been regularly followed by the assessee, or income has not been computed in accordance with the standards notified under sub-section (2), the Assessing Officer may make an assessment in the manner provided in section 144.

276.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

Clause 276 of the Bill provides for method of accounting.The clause corresponds to section 145 of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause.

276.4 Important Views/Suggestions given by Experts/Stakeholders:

i. Income computation and disclosure standards (ICDSs) may be reviewed afresh to align with the Indian Accounting Standards (Ind ASs) for prescribed class of corporates, and the Accounting Standards (ASs) for others, as may be applicable. In this regard, there appears to be a further opportunity to review if companies that are required to follow Ind ASs, converged with high quality globally accepted International Financial Reporting Standards (IFRS Accounting Standards), may be permitted to follow the same for tax computation purposes with minimal differences as may be determined. It is suggested if it can be considered in respect of areas where there are grounds for deviation from the accounting standards for tax computation purposes, if the specific tax treatment for certain areas/transactions may be prescribed by way of Rules instead of issuing the ICDS. This is because specific treatment for tax purposes, if notified as Rules may result in better compliance, than standards which sometimes lend themselves to interpretation and may lead to differences of opinion and associated compliance costs. Global best practices in this regard can be reviewed by a group/committee and NFRA can participate in such a group/committee.

ii. Income chargeable under the head “Profits and gains of business or profession” or “Income from other sources” shall, subject to the provisions of sub-section (2), be computed as per either cash or accrual system of accounting regularly employed by the assessee. Accrual (Mercantile System) Basis of Accounting may be made mandatory for Companies and entities that are required to follow accrual basis of accounting as per the laws and rules applicable to those entities.

iii. It is suggested that section 276(2) may be omitted. The discrepancies between accounting profit and taxable profit arising from the application of ICDS have led to disputes and litigation. The introduction of ICDS created an additional compliance burden, as taxpayers are required to compute income separately under ICDS. Consideration of profits derived on the basis of accounts drawn in compliance with the accounting standards issued by regulatory bodies for tax purposes will help mitigate litigation and also serve the objective of simplification of tax laws. Accordingly, section 276(2) empowering the Central Government to notify ICDSs may be omitted.

276.5 Examination by the Committee:

276.5.1 To the above suggestions, the Ministry submitted as follows:

i. The suggestion is administrative in nature.

ii. The suggestion needs wider consultation with the stakeholders who shall be affected if cash system of accounting is not provided for. The suggestion made by the stakeholder is in the nature of policy change which is beyond the scope of the objectives of the IT Bill, 2025.

iii. The stakeholder seeks to remove Income Computation and Disclosure Standards (ICDS). The suggestion is in the nature of policy change which is beyond the scope of the objectives of the IT Bill, 2025. There is no change in the provisions of the Bill vis a vis Act The Act (or the Bill) provides different computation mechanism in accordance with the peculiar nature of transactions in ICDS. ICDS plug the flexibility in the ICAI standards which makes it possible for an assessee to avoid the payment of correct taxes.

276.6 Observations/Recommendations of the Committee:

The Committee note the justification provided by the Ministry and find the provisions of the Clause 276 to be mere textual simplification of the corresponding provisions of the existing Act with no change in intent and therefore accept the Clause as proposed.

Clause 277– Method of accounting in certain cases

277.1 Provision proposed in the Income-Tax Bill, 2025:

277. (*1*) For the purposes of determining the income chargeable under the head "Profits and gains of business or profession",—

(*i*) the valuation of inventory shall be made at lower of actual cost or net realisable value computed as per the income computation and disclosure standards notified under section 276(*2*);

(*ii*) the valuation of purchase and sale of goods or services and valuation of inventory shall be adjusted to include any tax, duty, cess or fee (by whatever name called) actually paid or incurred by the assessee to bring the goods or services to the place of its location and condition as on the date of valuation;

(*iii*) the inventory being securities not listed on a recognised stock exchange, or listed but not quoted on a recognised stock exchange with regularity from time to time, shall be valued at actual cost initially recognised as per the income computation and disclosure standards notified under section 276(*2*);

(*iv*) the inventory being securities other than those referred to in clause (*iii*), shall be valued at lower of actual cost or net realisable value as per the income computation and disclosure standards notified under section 276(*2*).

(*2*) For the purposes of sub-section (*1*), the inventory being securities held by a scheduled bank or public financial institution shall be valued as per the income computation and disclosure standards notified under section 276(*2*) after taking into account the extant guidelines issued by the Reserve Bank of India in this regard.

(*3*) For the purposes of sub-sections (*1*) and (*2*), the comparison of actual cost and net realisable value of securities shall be made category-wise.

(*4*) For the purposes of this section, any tax, duty, cess or fee (by whatever name called) under any law in force, shall include all such payment irrespective of any right arising as a consequence to such payment.

(*5*) In this section, "public financial institution" shall have the same meaning as assigned to it in section 2(*72*) of the Companies Act, 2013.

277.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Method of accounting in certain cases.

145A. For the purpose of determining the income chargeable under the head "Profits and gains of business or profession",—

(*i*) the valuation of inventory shall be made at lower of actual cost or net realisable value computed in accordance with the income computation and disclosure standards notified under sub-section (2) of section 145;

(*ii*) the valuation of purchase and sale of goods or services and of inventory shall be adjusted to include the amount of any tax, duty, cess or fee (by whatever name called) actually paid or incurred by the assessee to bring the goods or services to the place of its location and condition as on the date of valuation;

(*iii*) the inventory being securities not listed on a recognised stock exchange, or listed but not quoted on a recognised stock exchange with regularity from time to time, shall be valued at actual cost initially recognised in accordance with the income computation and disclosure standards notified under sub-section (2) of section 145;

(*iv*) the inventory being securities other than those referred to in clause (*iii*), shall be valued at lower of actual cost or net realisable value in accordance with the income computation and disclosure standards notified under sub-section (2) of section 145:

Provided that the inventory being securities held by a scheduled bank or public financial institution shall be valued in accordance with the income computation and disclosure standards notified under sub-section (2) of section 145 after taking into account the extant guidelines issued by the Reserve Bank of India in this regard:

Provided further that the comparison of actual cost and net realisable value of securities shall be made category-wise.

Explanation 1.—For the purposes of this section, any tax, duty, cess or fee (by whatever name called) under any law for the time being in force, shall include all such payment notwithstanding any right arising as a consequence to such payment.

Explanation 2.—For the purposes of this section,—

(*a*) "public financial institution" shall have the meaning assigned to it in clause (*72*) of section 2 of the Companies Act, 2013 (18 of 2013);

(*b*) "recognised stock exchange" shall have the meaning assigned to it in clause (*ii*) of *Explanation 1* to clause (*5*) of section 43;

(*c*) "scheduled bank" shall have the meaning assigned to it in clause (*ii*) of the *Explanation* to clause (*viia*) of sub-section (1) of section 36.

277.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

Clause 277 of the Bill provides for method of accounting in certain cases.The clause corresponds to section 145A of the Act.There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause.

277.4 Important Views/Suggestions given by Experts/Stakeholders:

i. It is recommended to omit the Clause 277 considering that method of recognition of purchases and sales inclusive or exclusive of GST has no impact on taxable income. If required, the disallowance for GST payable on sale of goods/services not paid till due date of filing return of income can be separately provided in Clause 37 of ITB 2025 to avoid any controversy on whether such disallowance can apply in absence of debit to P&L. Generally, taxpayers who avail credit in respect of indirect taxes paid on purchases / expenses record such purchases / expenses on net basis in their books of account as per applicable accounting standards. However, in section 145A of ITA 1961 [clause 277 ITB 2025] requires purchases, sales and inventories to be recognised on 'gross' basis (i.e inclusive of rate, duty, taxes etc) This compliance is made by drawing up Memorandum Trading A/c as per the guidance provided in ICAI Guidance on Tax Audit Report. With the introduction of GST Law, any GST paid on purchase of goods or services is generally available for input tax credit (ITC) This brings in controversy of 'net' method as per accounts and 'gross' method as per s 145A. However, if the correct principles of recognition of taxpayer's income on perfected entitlement to duty credit are followed, the net taxable income arising irrespective of 'net' method or 'gross' method (inclusive or exclusive of taxes, duty etc.) will be same. This proposition is supported by SC ruling in the case of CIT v Indo-Nippon Chemical Co Ltd (261 ITR 275) and ICAI Guidance Note on tax audit. Hence, clause 277 of ITB 2025 is redundant and can be omitted.

ii. It is suggested that Section 277 may be omitted. The discrepancies between accounting profit and taxable profit arising from the application of ICDS have led to disputes and litigation. The introduction of ICDS created an additional compliance burden, as taxpayers are required to compute income separately under ICDS. Consideration of profits derived on the basis of accounts drawn in compliance with the accounting standards issued by regulatory bodies for tax purposes will help mitigate litigation and also serve the objective of simplification of tax laws.

iii. When any person purchase goods or services, the treatment of duties paid like GST, Excise, cess, custom duty and other taxes in accounts are as given: In case where both the recipient and supplier of goods or services are registered under GST Act, then recipient of goods or services is eligible to claim input tax credit for the GST paid subject to conditions mentioned under section 16 of

CGST Act, 2017. In this case duty paid under GST Act, shall not be the part of cost of purchase. A separate ledger of GST Output and Input is to be maintained. In case where the recipient of goods or services is not registered under GST Act and supplier is registered under GST Act, then recipient of goods or services is not eligible to claim input tax credit for the GST paid. In this case duty paid under GST Act, shall be the part of cost of purchase. In case where both the recipient and supplier of goods or services are not registered under GST Act, then there will be no duty chargeable under the GST Act. Apart from GST if any other taxes or duty is paid like entry tax it will be the part of purchase cost. Import duty paid at the time of clearance of import goods and import duty paid on service received from foreign will be the part of purchase of cost of goods or services. Any adjustment in import duty like CVD is required to deduct from the cost of purchase. Thus incase of duties, taxes etc; paid on sale and purchase of goods or services may be part of the cost of purchase or may not be depending upon the circumstances as narrated above. The text of clause (ii) of Section 277(1) of the Income-Tax Bill 2025 does not cover the above cases fully. As per this clause any duty paid shall be the part of the cost of purchase. It does not address the cascading effect of the GST/Excise/Services tax paid.

277.5 Examination by the Committee:

277.5.1 The Ministry submitted following replies to the above suggestions:

i. The suggestion seeks to omit clause 277 of the Bill which provide for method of accounting in certain cases on the ground that method of recognition of purchases and sales inclusive or exclusive of GST has no impact on taxable income. The suggestion is in the nature of policy change and is beyond the objectives of IT Bill, 2025. There is no change in the provisions of the Bill vis a vis Act. The method of accounting provided in clause 277 of the Bill is based on the Income Computation and Disclosure Standards (ICDS) as notified under clause 276(2) of the Bill. There is no change in the policy and intent in the new provisions. ICDS was brought to provide uniformity in various issues such as revenue recognition, accounting standard, valuation of inventories etc. ICDS provide for objective and precise computation of income for tax purposes.

ii. The suggestion is in the nature of policy.

iii. Suggestion relates to adjustments on account of taxes and duties paid as part of purchase. The provisions of s. 145A (cl. 277(1)(ii) are clear in this respect as far as Income tax is concerned. The valuation of purchase and sale of goods or services and of inventory shall be adjusted to include the amount of tax, duty, and cess or fee actually paid or incurred. Clause 37 of the Bill (Sec43B of the Act) provides that certain deductions will be allowed on actual

payment basis only. So, any disallowance on account of provisions of cl. 37 of the Bill will also include tax, duty ,cess which is part of cost of purchase as per cl. 277(1)9ii) of the Bill.

277.5.2 In this regard, the Committee sought clarification on SC ruling in the case of CIT v Indo-Nippon Chemical Co Ltd (261 ITR 275) and the Ministry have submitted as follows:

The judgment of Supreme Court in CIT v Indo-Nippon Chemical Co Ltd (261 ITR 275) came in January, 2003. The issue in the said judgment was that the Assessing Officer adopted 'gross method' at the time of purchase and 'net method' of valuation at the time of valuation of the stock in hand. Whereas assessee had adopted "net method" for all the valuation purposes. In this context, the court held that the AO was wrong in adopting gross method only for valuation of purchase. Sec 145A of the Income-Tax Act, 1961 was amended vide Finance Act 2018 with retrospective effect from 01.4.2017 to provide that valuation of purchase and sale of goods and services shall be adjusted to include any amount of tax, duty, cess or fee actually paid by the assessee. The provisions of the Act are clear in the sense that for valuation of purchase and sales, gross method has to be adopted by all the assessees. There is no ambiguity in this respect as of now. The AO also has to follow the gross method of valuation for the purchase and sales. Therefore, the Supreme Court judgment may not be relevant now.

277.6 Observations/Recommendations of the Committee:

The Committee note the justification provided by the Ministry and find the provisions of the Clause 277 in line with the existing provisions with mere textual simplification and therefore accept the Clause as proposed.

Clause 278– Taxability of certain income

278.1 Provision proposed in the Income-Tax Bill, 2025:

278. (*1*) The interest received by an assessee on any compensation or on enhanced compensation, shall be deemed to be the income of the tax year in which it is received, irrespective of anything to the contrary contained in section 276.

(*2*) Any claim for escalation of price in a contract or export incentives shall be deemed to be the income of the tax year in which reasonable certainty of its realisation is achieved.

(*3*) The income referred to in section 2(*49*)(*w*) shall be treated as the income of the tax year in which it is received, if not charged to income-tax in any earlier tax year.

278.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Taxability of certain income.

145B. (1) Notwithstanding anything to the contrary contained in section 145, the interest received by an assessee on any compensation or on enhanced compensation, as the case may be, shall be deemed to be the income of the previous year in which it is received.

(2) Any claim for escalation of price in a contract or export incentives shall be deemed to be the income of the previous year in which reasonable certainty of its realisation is achieved.

(3) The income referred to in sub-clause (*xviii*) of clause (*24*) of section 2 shall be deemed to be the income of the previous year in which it is received, if not charged to income-tax in any earlier previous year.

278.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

Clause 278 of the Bill provides for taxability of certain income.The clause corresponds to section 145B of the Act.There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause.

278.4 Observations/Recommendations of the Committee:

The Committee note the justification provided by the Ministry and find the provisions of the Clause 278 in line with the existing provisions with mere textual simplification and therefore accept the Clause as proposed.

Clause 279– Income escaping assessment

279.1 Provision proposed in the Income-Tax Bill, 2025:

279. (*1*) If, in the case of an assessee, any income chargeable to tax has escaped assessment for any tax year (hereinafter referred to as "the relevant tax year" in this section and sections 280 to 286, the Assessing Officer may, subject to the provisions of sections 280 to 286, for the relevant tax year,—

(*a*) assess or reassess income;

(*b*) recompute the loss or the depreciation allowance or any other allowance or deduction.

(*2*) For the purposes of the assessment or reassessment or recomputation under this section, Assessing Officer may assess or reassess—

(*a*) the income which has escaped assessment;

(*b*) income in respect of other issues which come to his notice subsequently in the course of the proceedings under this section, irrespective of the fact that the provisions of sections 280, 281 and 284 were not complied with.

279.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Income escaping assessment.

147. If any income chargeable to tax, in the case of an assessee, has escaped assessment for any assessment year, the Assessing Officer may, subject to the provisions of sections 148 to 153, assess or reassess such income or recompute the loss or the depreciation allowance or any other allowance or deduction for such assessment year (hereafter in this section and in sections 148 to 153 referred to as the relevant assessment year

Explanation.—For the purposes of assessment or reassessment or recomputation under this section, the Assessing Officer may assess or reassess the income in respect of any issue, which has escaped assessment, and such issue comes to his notice subsequently in the course of the proceedings under this section, irrespective of the fact that the provisions of section 148A have not been complied with.

279.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

Clause 279 of the Bill provides for income escaping assessment. The clause corresponds to section 147 of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause.

279.4 Important Views/Suggestions given by Experts/Stakeholders:

i. Removal of the requirement for prior approval in reopening assessments may dilute existing safeguards.
ii. Clause 279(2)(a) and 279(2)(b) may be merged. If they are not merged, the AO may make regular assessment under 279 and defeat the very purpose of the clause. This will also enable the AO to examine any issue which did not escape assessment or was already examined.
iii. It may be noted that review of assessment or change of opinion is not permissible under Clause 279. AO is empowered to assess or reassess income in respect of other issues which come to his notice. This ability should come with a caveat that such income should be chargeable to tax and should have escaped assessment. Section 284 merely defines the specified authority Hence reference to section 284 is not warranted.
iv. It is required to limit reassessment to issues identified in the Section 148A notice. If the Assessing Officer later accepts that the initially suspected items had not escaped assessment, AO should not assess any other income independently, without issuing a fresh notice under Section 148. This enlarges the scope beyond what was envisaged at the time of issuing the initial notice under section 148A leading to uncertainty and larger powers to AO.
v. It is recommended that the time limit of three months prescribed under the IT Act should be retained. Under the IT Act, orders giving effect to an appeal must be passed within three months from the end of the month in which the order is received by the Pr. CCIT/CCIT/Pr. CIT/CIT, or when an order under sections 263 or 264 is passed. The proviso allows the assessing officer to request an additional six months from the Pr. CIT or CIT if needed. Extending the time available to tax authorities to pass appeal effect orders may adversely impact the taxpayers, by delaying potential refunds and closure of matters.
vi. It is suggested that section 279(1) may be amended as: “(1) If, in the case of an assessee, any income chargeable to tax has escaped assessment for any tax year (hereinafter referred to as “the relevant tax year” in this section and sections 280 to 286), the Assessing Officer may, subject to the provisions of sections 280 to 286, for the relevant tax year,—The bracket opened before the reference to section 286 should be appropriately closed to ensure grammatical accuracy and proper statutory referencing.”

279.5 Examination by the Committee:

279.5.1 With reference to the above suggestions, the Ministry submitted as follows:

i. There is no change in the provision of the Bill viz-a-viz the provisions of IT Act 1961 from the policy perspective. However, it is clarified that prior approval of specified authority before reopening has not been removed in clause 281. The suggestion has already been taken care of.

ii. Accepted. The said clauses shall be considered for merging.

iii. The present provision under clause 279 is in alignment with section 147.The AO has the power to assess or reassess any income, which has escaped assessment, which comes to his notice subsequently in the course of the proceedings under section 147 of IT Act 1961. Where income has escaped from taxation and there has been no regular assessment, there the provisions have to be invoked for assessment only. Therefore, the provision has been rightly made as it was there in the Act. No policy change has been made in this clause. Clause 280(5) and 281(3) gives reference to specified authority which has been defined in clause 284 so the reference of clause 284 is very much essential. Thus, the suggestion is not feasible.

iv. The suggestion seeks to amend clause 279 income escaping assessment to provide that reassessment be limited to issues identified in the Section 148A notice only. If the AO later accepts that the initially suspected items had not escaped assessment, AO should not assess any other income independently, without issuing a fresh notice under Section 148 It is in the nature of Policy Change which is outside the scope of the Bill. There is no change in the provisions of the Bill viz-a-viz Act. The AO may assess or reassess income in respect of any other issue and it is not necessary that such issue has been covered u/s 148A.This is to avoid multiplicity of proceedings. The suggestion will result in increase in litigation as issues are many a times interconnected. Thus, the suggestion is not feasible.

v. The time limit of three months was found to be difficult to adhere to in many cases owing to difficulty in reconciliation with CPC-TDS, CPC-ITR & ITBA. Sometimes the years involved are such that records are not available on systems or are difficult to obtain. The three-month time limit was actually giving rise to grievances on account of tax credit not provided adequately for the above and other reasons. The measure of 6 months allows appropriate closure of the case without having to resort to rectifications of the OGE. The change has been incorporated keeping in view the interests of taxpayers so as to reduce multiplicity of proceedings arising from OGE. This shall also obviate the tendency to seek extension in time period for OGE. The amendment has been made with a view to rationalise the provision so as to provide tax certainty and reduce litigation. Therefore, no change in the provision is required.

vi. The suggestion seeks to put a missing bracket in clause 279(1). The suggestion is in nature of drafting correction and acceptable.

279.6 Observations/Recommendations of the Committee:

279.6.1 The Committee note a drafting correction in sub-clause(1) at Line No.11 and recommend to put a missing bracket in clause 279(1).

279.6.2 The Committee recommend for the merging of income escaping assessment clause 279(2)(a) and 279(2)(b) of the Bill.The

279.6.3 The Committee other than recommending the Ministry to carry out the necessary change, find the provisions to be a textual simplification and accept the Clause as proposed.

Clause 280– Issue of notice

280.1 Provision proposed in the Income-Tax Bill, 2025:

280. (*1*)(*a*) Before making the assessment, reassessment or recomputation under section 279, the Assessing Officer shall, subject to the provisions of section 281, issue a notice to the assessee, along with a copy of the order passed under section 281(*3*).

(*b*) the notice referred to in clause (*a*) shall require the assessee to furnish, within such period as may be specified therein, a return of his income or income of any other person in respect of whom he is assessable under this Act during the relevant taxyear; and.

(*c*) the period specified in the notice referred to in clause (*a*) shall not exceed three months from the end of the month in which such notice is issued.

(*2*) The return of income required under sub-section (*1*) shall be furnished in such form, verified in such manner and setting forth such other particulars, as prescribed, and the provisions of this Act shall apply accordingly, as if such return were a return required to be furnished under section 263.

(*3*) Any return of income required under sub-section (*1*), furnished after the expiry of the period specified in the notice under the said sub-section, shall not be deemed to be a return under section 263.

(*4*) No notice under this section shall be issued unless there is information with the Assessing Officer which suggests that the income chargeable to tax has escaped assessment in the case of the assessee for the relevant tax year.

(*5*) No notice under this section shall be issued without prior approval of the specified authority, where the Assessing Officer has received—

(*a*) information under the scheme notified under section 260; or

(*b*) directions from the Approving Panel under section 274(*6*); or

(*c*) any finding or direction contained in an order passed by any authority, Tribunal or court in any proceeding under this Act by way of appeal, reference or revision or by a Court in any proceeding under anyother law.

(*6*) For the purposes of this section and section 281, the information with the Assessing Officer which suggests that the income chargeable to tax has escaped assessment means—

(*a*) any information in the case of the assessee for the relevant tax year as per the risk management strategy formulated by the Board from time to time;

(*b*) any audit objection to the effect that the assessment in the case of the assessee for the relevant tax year has not been made as per this Act;

(*c*) any information received under an agreement referred to in section 159 of this Act;

(*d*) any information made available to the Assessing Officer under the scheme notified under section 260;

(*e*) any information which requires action in consequence of the order of a Tribunal or a Court;

(*f*) any information in the case of the assessee emanating from the survey conducted under section 253, other than under sub-section (*4*) of the said section;

(*g*) any directions in the case of the assessee given by the Approving Panel under section 274(*6*);

(*h*) any finding or direction contained in an order passed by any authority, Tribunal or court in any proceeding under this Act by way of appeal, reference or revision, or by a Court in any proceeding under any other law.

280.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

[2a]**[Issue of notice where income has escaped assessment.**

148. (1) Before making the assessment, reassessment or recomputation under section 147, the Assessing Officer shall, subject to the provisions of section 148A, issue a notice to the assessee, along with a copy of the order passed under sub-section (3) of section 148A, requiring him to furnish, within such period as may be specified in the notice, not exceeding three months from the end of the month in which such notice is issued, a return of his income or income of any other person in respect of whom he is assessable under this Act during the previous year corresponding to the relevant assessment year:

Provided that no notice under this section shall be issued unless there is information with the Assessing Officer which suggests that the income chargeable to tax has escaped assessment in the case of the assessee for the relevant assessment year:

Provided further that where the Assessing Officer has received information under the scheme notified under section 135A, no notice under this section shall be issued without prior approval of the specified authority.

(2) The return of income required under sub-section (1) shall be furnished in such form and verified in such manner and setting forth such other particulars, as may be prescribed, and the provisions of this Act shall, apply accordingly as if such return were a return required to be furnished under section 139:

Provided that any return of income required under sub-section (1), furnished after the expiry of the period specified in the notice under the said sub-section, shall not be deemed to be a return under section 139.

(3) For the purposes of this section and section 148A, the information with the Assessing Officer which suggests that the income chargeable to tax has escaped assessment means,—

(*i*) any information in the case of the assessee for the relevant assessment year in accordance with the risk management strategy formulated by the Board from time to time; or

(*ii*) any audit objection to the effect that the assessment in the case of the assessee for the relevant assessment year has not been made in accordance with the provisions of this Act; or

(*iii*) any information received under an agreement referred to in section 90 or section 90A of the Act; or

(*iv*) any information made available to the Assessing Officer under the scheme notified under section 135A; or

(*v*) any information which requires action in consequence of the order of a Tribunal or a Court; or

(*vi*) any information in the case of the assessee emanating from survey conducted under section 133A, other than under sub-section (2A) of the said section, on or after the 1st day of September, 2024.

280.3 Reasons Justification given by the Ministry of Finance for the proposed provision:

Clause 280 of the Bill provides for issue of notice. The clause corresponds to section 148 of the Act.There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause.

280.4 Important Views/Suggestions given by Experts/Stakeholders:

i. The concept of “reason to believe” as has been evolved by way of judicial interpretation should be imbibed in the provisions of clause 280(4) of the Bill. Prior to overhauling of the reassessment procedure vide the Finance Act, 2021, the in-built test for justifying the reassessment proceedings was whether the Assessing Officer has “reason to believe” to initiate such proceedings - The expression “reason to believe” has been a subject matter of interpretation and has been defined by the Hon’ble Apex Court in plethora of cases to mean that the Assessing Officer has tangible material in his possession which has rationale

nexus with the formation of belief that income chargeable to tax has escaped assessment. Further, the Hon'ble Courts have held that the term "information" under amended law or "reason to believe" under erstwhile law, the benchmark of "escapement of income chargeable to tax" still remains the primary condition to be satisfied before initiating reassessment proceedings Thus, the same would provide a safeguard to the taxpayer as the term "information" is wide enough to encapsulate everything, which may provide unbridled power to the Assessing Officer to initiate reassessment proceedings.

ii. Either Clause 280(6)(a) should be omitted or the meaning of term "Risk Management Strategy" may be specifically defined. Re-assessment proceedings form a major chunk of the direct tax litigation in the country This clause alone has led to significant litigation before High Courts at the stage of reopening notice (under section 148) itself, since the Risk Management Strategy is not explained / published by the Board, and it is not possible for taxpayers to assess whether proceedings have been initiated in accordance with law.

iii. Clause 280(1)(a) does not provide period for filing return, while Clause 280(1)(b) does. Therefore, reference should be made to clause (b) and not clause (a).

iv. With expanded scope and similar language, next round of litigation in the space of reassessment can be expected Internationally, practice for reassessment is only in exceptional cases under specified category of default, like failing to file return etc Therefore, it is recommended that Section 280 of the Bill shall retain the similar provisions as in existing Income-Tax Act.

v. The period within which a return of income is required to be filed should be explicit (say, 90 days) and should not be left to the discretion of the assessing officer. While the proposed clause is aligned with existing provision, a statutory well defined period in the provision itself rules out any arbitrariness as it maintains consistency for all assessees, thereby reducing any scope of litigation.

vi. It is suggested that section 280(1)(c) can be redrafted as : "the period specified in the notice referred to in clause (a) shall not be less than one month but shall not exceed three months from the end of the month in which such notice is issued." The insertion of the words "be less than one month but shall not" ensures clarity and precision in defining the minimum and maximum time limits, thereby aligning the provision with standard legal drafting practices and eliminating ambiguity.

vii. All cases of reassessment should ideally go through the same preliminary safeguard (the Clause 281 inquiry), including those where the information is in the form of directions from an Approving Panel or an order of appellate authorities/Tribunals/Courts. In other words, Clause 280(6)(g) and (h) should not be excluded from the ambit of Clause 281. It is required to extend the pre-notice inquiry procedure to these categories as well, to ensure uniform protection for taxpayers. The pre-notice inquiry allows the assessee to present his case before

a reassessment is initiated. An appellate order in some other matter contains an observation that income for another year might need to be taxed; currently, Clause 280(6)(h) would allow reopening that year without a show cause. The assessee should be issued a notice under Clause 281 to show cause. The pre-notice inquiry (or "same inquiry") should be required for clause (g)/(h) cases just as for others. This is essentially the same suggestion as discussed in the previous item at sr no 157, phrased in a concise manner: "Require same inquiry under clause (g)/(h) as others.". Clause 280(6)(g) and (h) bring into the ambit of "information" the directions of an Approving Panel and the findings/directions in orders of tribunals or courts, which, read with clause 281(4), mean that these cases would bypass the usual show-cause notice and pre-reassessment hearing. The Reassessment information is widened and there is no pre-notice check.

viii. Removal of the requirement for prior approval in reopening assessments may dilute existing safeguards.

280.5 Examination by the Committee:

280.5.1 In response to the above suggestions, the Committee submitted as follows:

i. The suggestion seeks to include the concept of "reason to believe" in the provisions of clause 280(4) of the Bill. It is in the nature of Policy Change which is outside the scope of the Bill. There is no change in the provisions of the Bill viz-a-viz Act.

ii. The suggestion seeks to omit clause 280(6)(a) which defines information for the purpose of making reassessment. It further seeks to define the term "Risk Management Strategy". There is no change in the provisions of the Bill viz-a-viz Act. As per the statute, Risk Management Strategy is 'formulated by the Board from time to time'. This is an administrative concept which finds mention in the law. The concept is dynamic in nature and it may not be possible to hard-code it. It basically means a selection criteria based upon risk parameters. The RMS utilizes algorithms, technology, and information available to identify doubtful or non-compliant taxpayers. The RMS only facilitates the selection of case and all the proceedings thereafter are initiated as per the procedure defined in law. The suggestion is not feasible.

iii. The suggestion seeks to replace the reference to "clause(a)" by "clause (b)" in clause 280(1)(c). In clause 280(1)(c), notice which has been referred is in clause (a) therefore the referencing is correct and the suggestion is not feasible.

iv. The suggestion seeks to retain the same provisions as in existing IT Act in clause 280 of the Bill as the new clause 280(h) expands the scope of 'information' for issue of notice to include order by any authority under the Act or reference or

revision or by a Court in any proceedings under any other law. When an Approving Panel issues a direction [280(6)(g)] or an appellate authority/Tribunal/Court[280(6)(h)] gives a finding that triggers reassessment, that direction or finding is binding on the tax authorities.

The pre-notice inquiry (Clause 281) is a mechanism for the department to internally review and for the taxpayer to have a say before a decision to reopen is made. But in scenarios (g) and (h), the decision to reopen has effectively been made by a higher authority – there is nothing left for the department to evaluate or the taxpayer to plead that can undo that directive. Besides under both circumstances, opportunity of being heard has been already granted by the Approving Panel or Appellate authority/Tribunal/Court. Hence no further opportunity is required to be given by the Assessing Officer before reopening of the assessment on the basis of such direction. Thus, the suggestion is not feasible.

v. The suggestion seeks to amend clause 280 issue of notice in case of reassessment by providing a fixed timeline of 90 days to file return in response to the notice issued by AO. There is no change in the provisions of the Bill vis-a-vis Act. It is to be mentioned that the time limit to complete the reopening assessment is one year from the end of the financial year in which notice under clause 280 is served to the assessee. Thus, for AO, the time limit starts as soon the notice under clause 280 is served to the assessee. The maximum time limit to file return in response to notice under clause 280 has been provided in clause 280(1)(c) and AO has been given power to specify the time limit for furnishing return by the assessee. This power is to enable the AO to provide extended time in case assessee faces any difficulty in filing such return. Further, there are cases of non-residents or persons leaving India where the assessment may have to be finalised quickly so as to enable such taxpayers to leave India after meeting their tax liabilities. This is particularly relevant for ships leaving India. Therefore, not all cases require whole 90 days period to furnish the return. Allowing all assessee to furnish return in 90 days will significantly delay the reassessment proceedings and increase further litigation. It is in the interest of the assessee if flexibility is retained in the section especially in cases where the assessee does not have ready access to old records. Thus, the suggestion is not feasible.

vi. The suggestion seeks to redraft the clause 280(1)(c) by including minimum time limit of one month in reopening notice issued to assessee. It is to be mentioned that the time limit to complete the reopening assessment is one year from the end of the financial year in which notice under clause 280 is served to the assessee. Thus, for AO, the time limit starts as soon the notice under clause 280 is served to the assessee. The maximum time limit to file return in response to notice under clause 280 has been provided in clause 280(1)(c) and AO has been

given power to specify the time limit for furnishing return by the assessee. This power is to enable the AO to provide extended time in case assessee faces any difficulty in filing such return. Further, not all cases require whole 90 days period to furnish the return. Allowing all assessee to furnish return in 90 days will significantly delay the reassessment proceedings and increase further litigation. Thus, the suggestion is not feasible.

vii. The suggestion to remove the exemption for Clause 280(6)(g) and (h) cases from the pre notice inquiry process is not acceptable. When an Approving Panel issues a direction [280(6)(g)] or an appellate authority/Tribunal/Court[280(6)(h)] gives a finding that triggers reassessment, that direction or finding is binding on the tax authorities. The pre-notice inquiry (Clause 281) is a mechanism for the department to internally review and for the taxpayer to have a say before a decision to reopen is made. But in scenarios (g) and (h), the decision to reopen has effectively been made by a higher authority – there is nothing left for the department to evaluate or the taxpayer to plead that can undo that directive. Besides under both circumstances, opportunity of being heard has been already granted by the Approving Panel or Appellate authority/Tribunal/Court. Hence no further opportunity is required to be given by the Assessing Officer before reopening of the assessment on the basis of such direction. The amendment has been made with a view to rationalise the provision so as to provide tax certainty and reduce litigation and to make the language clear and direct. Therefore, no change in the provision may be necessary.

viii. There is no change in the provision of the Bill viz-a-viz the provisions of IT Act 1961 from the policy perspective. However, it is clarified that prior approval of specified authority before reopening has not been removed in clause 281. The suggestion has already been taken care of.

280.5.2 In this regard, the Ministry further submitted as follows:

when we want to reopen any assessment for earlier years, then information is defined now. Under this information, you can reopen the case. That is in Clause 280 in the new Act, and sub-clause 6, there are A to H. Those are mentioned.
हम इसे दो तरह से डील करते हैं। जो ए से एफ तक है, उनमें पहले एसेसी को शो कॉज देते हैं कि हमारे पास यह इंफोर्मेशन है, इसलिए बताया जाए कि आपका केस रिओपन क्यों न किया जाए। जब उनका रिप्लाई आता है, हम आर्डर करते हैं और तब केस रिओपन होता है। जी और एच स्पेसिफिक इनफार्मेशन है। हमारे यहां जनरल एंटी एवायडेंस रूल के तहत अप्रूविंग पैनल है जिसे जज हैड करता है। इसमें चीफ कमिश्नर और अन्य सदस्य भी होते हैं। they can also give a finding. One of the findings can be, if they decide the case against the assessee, they can say that this particular income is taxable, but not in this year, it is in another year. So, this specific information comes.

Similarly, in the case, if any proceeding is going on before Appellate Tribunal, or some High Court, Supreme Court, they sometimes also give finding, which acts as information for opening earlier years' case. The finding may be given that it was not taxable in this year, this was taxable in this year. This was not taxable, substantive and protective, if it has not been made. They can say it is taxable in somebody else's hand.

So, these are the findings and directions which are binding on us. The assessee has already got his opportunity to explain all these things before court or approving panel. So, for these two, we have provided that we do not need to again go through the entire process. We can reopen the case directly.

280.6 Observations/Recommendations of the Committee:

The Committee note the justification provided by the Ministry and find the provisions of the Clause 280 to be corresponding to the existing provisions with textual simplification and therefore accept the Clause as proposed.

Clause 281– Procedure before issuance of notice under section 280

281.1 Provision proposed in the Income-Tax Bill, 2025:

281. (*1*) Where the Assessing Officer has information which suggests that income chargeable to tax has escaped assessment in the case of an assessee for the relevant tax year, he shall, before issuing any notice under section 280 provide an opportunity of being heard to such assessee by serving upon him a show cause notice.

(*2*) The notice to show cause referred to in sub-section (*1*) shall be accompanied by the information which suggests that income chargeable to tax has escaped assessment in his case for the relevant tax year, and on receipt of such notice, the assessee may furnish his reply within such period, as specified in therein.

(*3*)The Assessing Officer shall, on the basis of material available on record and taking into account the reply of the assessee furnished under sub-section (*2*), if any, pass an order with the prior approval of the specified authority determining whether or not it is a fit case to issue notice under section 280.

(*4*)The provisions of this section shall not apply to income chargeable to tax escaping assessment for any tax year in the case of an assessee, where the Assessing Officer has received—

(*a*)information under the scheme notified under section 260;

(*b*) directions issued by the Approving Panel under section 274(*6*);

(*c*) any finding or direction contained in an order passed by any authority, Tribunal or court in any proceeding under this Act by way of appeal, reference or revision, or by a Court in any proceeding under any other law.

281.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Procedure before issuance of notice under section 148.

148A. (1) Where the Assessing Officer has information which suggests that income chargeable to tax has escaped assessment in the case of an assessee for the relevant assessment year, he shall, before issuing any notice under section 148 provide an opportunity of being heard to such assessee by serving upon him a notice to show cause as to why a notice under section 148 should not be issued in his case and such notice to show cause shall be accompanied by the information which suggests that income chargeable to tax has escaped assessment in his case for the relevant assessment year.

(2) On receipt of the notice under sub-section (1), the assessee may furnish his reply within such period, as may be specified in the notice.

(3) The Assessing Officer shall, on the basis of material available on record and taking into account the reply of the assessee furnished under sub-section (2), if any, pass an order with the prior approval of the specified authority determining whether or not it is a fit case to issue notice under section 148.

(4) The provisions of this section shall not apply to income chargeable to tax escaping assessment for any assessment year in the case of an assessee where the Assessing Officer has received information under the scheme notified under section 135A.

Explanation.—For the purposes of this section and section 148, "specified authority" means the specified authority referred to in section 151.]

281.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

281.3.1 Clause 281 of the Bill provides for the procedure before issuance of notice under clause 280.The clause corresponds to section 148A of the Act. Apart from the information under the scheme notified under section 135A, the following categories of information (sub-clause (g) and (h) of Clause 280(6)) has also been exempted from the pre-notice inquiry process under this clause:

i. directions issued by the Approving Panel under section 274(6);
ii. any finding or direction contained in an order passed by any authority, Tribunal or court in any proceeding under this Act by way of appeal, reference or revision, or by a Court in any proceeding under any other law.

281.3.2 The amendment has been made with a view to rationalise the provision so as to provide tax certainty and reduce litigation and to make the language clear and direct.

281.4 Important Views/Suggestions given by Experts/Stakeholders:

i. The expansion of the scope to by-pass procedure under clause 281 by including clauses (b) and (c) is unwarranted and should be removed.
ii. Procedure under section 281 ensures fairness, instils faith and confidence in administration of law and complies with principles of natural justice, which are the bedrock of the legislation and woven deep in our laws. Giving a fair opportunity to the assessee to rebut to the information relied upon by the assessing officer before reopening any assessment will also avoid possible litigation. Providing such opportunity in case of GAAR approving Panel direction or direction by court, etc is beneficial to both taxpayers and Tax Department. It provides opportunity to the taxpayer to own up the escaped income while filing return in response to reassessment notice. With extended time line for filing updated return in the case

of initiation of re-assessment proceedings, upto 4 years from end of the relevant tax year applicable from 1 April 2025, it gives opportunity to the taxpayer to file updated return with tax, interest & additional tax in which case the entire reassessment procedure is avoided and taxpayer is also saved from penalty & prosecution. Alternatively, it provides opportunity to taxpayer to explain why the GAAR approving panel directions or court directions do not warrant reopening. It also saves significant time & efforts for the Tax administration in conducting long drawn reassessment and ensuing litigation and more significantly, results in immediate collection of revenue if taxpayer accepts the escaped income.e Hence, the pre-notice inquiry procedure is a win-win situation for both taxpayers and tax administration in achieving immediate closure of tax proceedings in non-intrusive manner, collection of revenue and prevents clogging of appellate forums/courts with litigation in clear cases of escapement of income and/or provides opportunity to taxpayer to establish why reopening is not warranted. No prejudice is caused to Tax Department since there is no time limit for reopening pursuant to court direction and in any case, the procedure merely consumes at the highest three more months.

iii. It is suggested that in section 281(1) can be redrafted as “Where the Assessing Officer has information which suggests that income chargeable to tax has escaped assessment in the case of an assessee for the relevant tax year, he shall, before issuing any notice under section 280 provide an opportunity of being heard to such assessee by serving upon him a show cause notice allowing time of not less than fifteen days from the date of its service.” The inclusion of the phrase 'allowing a minimum period of 15 days from the date of service' ensures that the assessee is provided with a reasonable opportunity to be heard, thereby ensuring adherence to the principles of natural justice and procedural fairness. It is suggested that section 281(3) can be redrafted as “The Assessing Officer shall, on the basis of material available on record and taking into account the reply of the assessee furnished under sub-section (2), if any, pass an order with the prior approval of the specified authority determining whether or not it is a fit case to issue notice under section 280, within a period of 15 days from the end of the month in which reply is received from the assessee. “The inclusion of the phrase 'within a period of 15 days from the end of the month in which the reply is received from the assessee’ provides a definitive timeline for the passing of the order, thereby ensuring procedural certainty and facilitating prompt action by the Assessing Officer.

iv. There is a potential gap in clause 281’s framework that is the absence of an explicit consequence or enforcement mechanism if the Assessing Officer fails to enclose the information along with the show-cause notice or otherwise does not adhere to the procedure. The suggestion raised is that the law should make it

unequivocally clear that such procedural requirements are mandatory by stipulating consequences for non-compliance.

v. Clause 281(1) provides for issue of show cause notice but it is not stated what is the purpose of show cause notice. See section 148A(1) which states that a notice to show cause as to why a notice under section 148 should not be issued in his case.

281.5 Examination by the Committee:

281.5.1 The Ministry submitted its replies as follows for the above suggestions:

i. The suggestion seeks to omit clause 281(b) and (c). When an Approving Panel issues a direction [280(6)(g)] or an appellate authority/Tribunal/Court[280(6)(h)] gives a finding that triggers reassessment, that direction or finding is binding on the tax authorities.

ii. The suggestion seeks to omit clause 281(b) and (c). When an Approving Panel issues a direction [280(6)(g)] or an appellate authority/Tribunal/Court[280(6)(h)] gives a finding that triggers reassessment, that direction or finding is binding on the tax authorities. The pre-notice inquiry (Clause 281) is a mechanism for the department to internally review and for the taxpayer to have a say before a decision to reopen is made. But in scenarios (g) and (h), the decision to reopen has effectively been made by a higher authority – there is nothing left for the department to evaluate or the taxpayer to plead that can undo that directive. Besides under both circumstances, opportunity of being heard has been already granted by the Approving Panel or Appellate authority/Tribunal/Court. Hence no further opportunity is required to be given by the Assessing Officer before reopening of the assessment on the basis of such direction. Thus, the suggestion is not feasible.

iii. The suggestion seeks to provide a fixed time limit of 15 days to be provided to assessee for filing response to notice under clause 281(148A of IT Act). Further, the suggestion seeks to provide fixed time limit of 15 days to assessee to pass order under clause 281(3). Issue is in the nature of policy change. Where internal time limits are provided in one single process, then exclusions are also to be provided. There has been enough litigation on internal time limits. Therefore, the provisions were modified in July 2024 budget. Thus, the suggestion is not feasible.

iv. The provisions of clause 281, as drafted, are sufficiently effective to ensure compliance and protect the rights of taxpayers. By explicitly requiring the Assessing Officer to supply the information along with the show cause notice and to record an order considering the assessee's reply, the law makes these steps a statutory obligation. Thus, it is not necessary to enumerate a specific

consequence within the clause for such non-compliance. Thus, the suggestion is already taken also.

v. That is in the beginning only, it is said that before issuing notice under Section 280, show cause notice has to be given. So, effectively, the same meaning is coming.

281.5.2 Further, with regard to providing a fixed time limit of 15 days to assessee for filing response to notice, during oral evidence the Ministry stated as follows:

> *When we give the first notice, from their onwards, the timeline available to the assessing officer is within 90 days and he has to complete that whole process. He gives information, seeks reply, does investigation, and then passes a detailed order whether the case can be reopened or not. That is a consolidated timeline.*
>
> *..there are two definite timelines in this. The first is issuance of notice. He cannot delay the issuance of notice beyond 31st March. That timeline is already provided in the Act. So, there is no case of delaying it, taking it up to 30th June for the purpose of issuance of the first notice. So, that first concern is addressed thereafter. Sir, the earlier provisions of 148 were changed in 2024. The earlier provisions exactly had that type of structure that 15 days for this and further time sought by the assessee and extended up to that time and then 30 days from the end of the month in which the reply was filed. Sir, they were becoming six provisos to the original provision and becoming very complicated. So, we changed it and simplified it. 31* मार्च से पहले नोटिस इश्यू होना है और *30* जून से पहले *148* का फाइनल नोटिस इश्यू होना है।

281.6 Observations/Recommendations of the Committee:

281.6.1 The Committee observe that in sub-clause (1) to Clause 281, the purpose for issuing show-cause notice is not provided. That was there in the earlier wording in the Act of 1961 which said 'Serving upon him a notice to show cause as to why a notice under Section 148 should not be issued'. Therefore, the Committee recommend to align Clauses 281(1) & 281(2) with the IT Act, 1961.

281.6.2 The Committee other than recommending the Ministry to carry out the necessary change, find the provisions to be a textual simplification and accept the Clause as proposed.

Clause 282– Time limit for notices under sections 280 and 282

282.1 Provision proposed in the Income-Tax Bill, 2025:

282. (*1*) No notice under section 280 shall be issued for the relevant tax year,—

(*a*) if four years and three months have elapsed from the end of the relevant tax year, unless the case falls under clause (*b*);

(*b*) if four years and three months, but not more than six years and three months, have elapsed from the end of the relevant tax year, unless the Assessing Officer has books of account or other documents or evidence related to any asset or expenditure or transaction or entry which shows that the income chargeable to tax, which has escaped assessment, amounts to or is likely to amount to fifty lakh rupees or more.

(*2*) No notice to show cause under section 281 shall be issued for the relevant tax year,—

(*a*)if four years have elapsed from the end of the relevant tax year, unless the case falls under clause (*b*);

(*b*)if four years, but not more than six years, have elapsed from the end of the relevant tax year, unless the income chargeable to tax which has escaped assessment, as per the information with the Assessing Officer, amounts to or is likely to amount to fifty lakh rupees or more.

(*3*) No notice under section 280 or 281 shall be issued within one year from the end of any tax year.

282.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

[3][**Time limit for notices under sections 148 and 148A.**

149. (1) No notice under section 148 shall be issued for the relevant assessment year,—

(*a*) if three years and three months have elapsed from the end of the relevant assessment year, unless the case falls under clause (*b*);

(*b*) if three years and three months, but not more than five years and three months, have elapsed from the end of the relevant assessment year unless the Assessing Officer has in his possession books of account or other documents or evidence related to any asset or expenditure or transaction or entries which show that the income chargeable to tax, which has escaped assessment, amounts to or is likely to amount to fifty lakh rupees or more.

(2) No notice to show cause under section 148A shall be issued for the relevant assessment year,—

(*a*) if three years have elapsed from the end of the relevant assessment year, unless the case falls under clause (*b*);

(*b*) if three years, but not more than five years, have elapsed from the end of the relevant assessment year unless the income chargeable to tax which has escaped assessment, as per the information with the Assessing Officer, amounts to or is likely to amount to fifty lakh rupees or more.]

282.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

Clause 282 of the Bill seeks to provide for the time limit for notices under clauses 280 and 281.The clause corresponds to section 149 of the Act.There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause.

282.4 Important Views/Suggestions given by Experts/Stakeholders:

i. It is suggested that section 282(1)(b) can be amended as " If four years and three months, but not more than six years and three months, have elapsed from the end of the relevant tax year, unless the Assessing Officer has in his possession books of account or other documents or evidence related to any asset or expenditure or transaction or entry which shows that the income chargeable to tax, which has escaped assessment, amounts to or is likely to amount to fifty lakh rupees or more." The insertion of the words 'in his possession' ensures that the Assessing Officer forms a belief regarding income escaping assessment based on specific material evidence in his possession, thereby conforming to the principles of reasonableness and objective satisfaction as mandated under the provisions of the Act.

ii. As per Clause 282(3), no notice under section 280 or 281 shall be issued within one year from the end of any tax year. Hence there is an express bar to ensure that regular assessment and reassessment do not clash. Such bar should exist even during the pendency of assessment or reassessment proceedings as any such escaped income could always be brought to tax during such assessment.

282.5 Examination by the Committee:

282.5.1 The Ministry submitted following replies to the above suggestions:

i. The suggestion seeks to redraft clause 282(1)(b) to align it with Act by including the phrase 'in his possession'. The suggestion is in nature of drafting correction and acceptable.

ii. The suggestion seeks to provide for a bar on issuance of notice under clause 280 or 281 (income escaping assessment) during the pendency of assessment or reassessment proceedings. There is no change in the provisions of the Bill viz-a-viz Act. The said provision has been incorporated so that regular assessment precedes reassessment. During the pendency of assessment or reassessment, no other proceedings can be carried out. If during the assessment or reassessment proceeding, any income which has escaped assessment comes to the notice of AO then such issue will be covered in the same proceeding and no new proceeding will be carried out.

282.6 Observations/Recommendations of the Committee:

282.6.1 The Committee note that adding the words 'in his possession' in sub-clause (1)(b) before ‘books of accounts’ at Line No.03 can bring the provision in alignment with the Act. The Committee, therefore, recommend the Ministry to align it with the existing Act.

282.6.2 The Committee other than recommending the Ministry to carry out the necessary change, find the provisions to be a textual simplification and accept the Clause as proposed.

Clause 283– Provision for cases where assessment is in pursuance of an order on appeal, etc.

283.1 Provision proposed in the Income-Tax Bill, 2025:

283. (*1*) Irrespective of anything contained in sections 280 and 282, the notice under section 280 may be issued at any time for the purpose of making an assessment or reassessment or recomputation in consequence of or to give effect to—

(*a*) any finding or direction contained in an order passed by any authority, Tribunal or court in any proceeding under this Act by way of appeal, reference or revision or by a Court in any proceeding under any other law; or

(*b*) the directions issued by the Approving Panel under section 274(*6*).

(*2*) The provisions of sub-section (*1*) shall not apply in any case where any such assessment, reassessment or recomputation as is referred to in that sub-section relates to a tax year in respect of which an assessment, reassessment or recomputation could not have been made,by reason of any other provisions limiting the time within which any action for assessment, reassessment or recomputation may be taken, at the timewhen,—

(*a*) the order which was the subject-matter of the appeal, reference or revision, as the case may be, was made; or

(*b*) the reference from the jurisdictional Principal Commissioner or Commissioner is made to the Approving Panel under section 274(*4*).

283.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Provision for cases where assessment is in pursuance of an order on appeal, etc.

150. (1) Notwithstanding anything contained in section 149, the notice under section 148 may be issued at any time for the purpose of making an assessment or reassessment or recomputation in consequence of or to give effect to any finding or direction contained in an order passed by any authority in any proceeding under this Act by way of appeal, reference or revision or by a Court in any proceeding under any other law.

(2) The provisions of sub-section (1) shall not apply in any case where any such assessment, reassessment or recomputation as is referred to in that sub-section relates to an assessment year in respect of which an assessment, reassessment or recomputation could not have been made at the time the order which was the subject-

matter of the appeal, reference or revision, as the case may be, was made by reason of any other provision limiting the time within which any action for assessment, reassessment or recomputation may be taken.

283.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

Clause 283 of the Bill seeks to provide the provisions for cases where assessment is in pursuance of an order on appeal, etc.The clause corresponds to section 150 of the Act.The directions issued by the Approving Panel under clause 274(6) has been added in the clause. The amendment has been made with a view to rationalise the provision so as to provide tax certainty and reduce litigation and to make the language clear and direct.

283.4 Important Views/Suggestions given by Experts/Stakeholders:

Use of “irrespective of anything contained in the Act”, may mean that to interpret this statutory provision, every other provision can be simply disregarded In sharp contrast to this approach, the expression “notwithstanding” implies that the related provision will have “an overriding effect in case of (and only in case of) a conflict” and that “the non obstante clause need not necessarily and always be co-extensive with the operative part so as to have the effect of cutting down the clear terms of enactment and if the words of the enactment are clear and are capable of a clear interpretation on a plain and grammatical construction of the words the non obstante clause cannot cut down the construction and restrict the scope of its operation” [See R S Raghunath Vs State of Karnataka & Ors [(1992) 1 SCC 335 (SC)] 2 283 should only override section 282 [similar to section 150 overriding section 149] 3 280(5)(b) and (c) specifically deal with situations covered by section 283 and would require prior approval before issuing notice 4 By making 283 override 280, the requirement of prior approval is negated 5 280(6)(g) and (h) deal with situations covered by section 283 and regard these situations as Information suggesting escapement Therefore, section 283 cannot override section 280.

283.5 Examination by the Committee:

283.5.1 The Ministry provided following reply to the above suggestion:

> *The suggestion seeks to retain "Notwithstanding" and omit "irrespective of". Irrespective of' has been used for ease of understanding by a 'common graduate'. "Notwithstanding" signifies a statutory override. Its interpretive function is fully preserved with the simpler expression "irrespective of". The statutory primacy of the clause is clear and there is no erosion of its overriding effect. In all likelihood, Courts will continue to give effect to the intended hierarchy of provisions, irrespective of the lexical form employed and without dilution of*

legislative intent. Both terms serve the same operative purpose of ensuring that specified provisions apply without being affected by any contrary provision. The judgment rendered by the Hon'ble Supreme Court in ICICI Bank Ltd. v. Sidco Leathers Ltd. is in the context of statutory conflict and priority (insolvency and inter creditor rights). However, its relevance may be limited when evaluating changes made in the drafting of income-tax provisions which are with the objective of making the law more readable without compromising legal substance. Thus, the suggestion is not feasible.

283.5.2 In this regard, the Ministry submitted further as follows:

Sir, this is an old provision which flows down from Section 150 of the old Act. पुराने एक्ट का सेक्शन 150 यह कह रहा था कि मान लीजिए किसी की असेसमेंट हुई, वह अपील में चला गया। उसके बाद ट्रिब्यूनल ने या उच्च न्यायालय ने कहा कि यह टैक्स पति की तरफ से नहीं देना था, यह उसकी पत्नी के अकाउंट से टैक्स लगना था, irrespective of the timelines specified in 280 and 281 and the process specified there, हम उसको अभी पत्नी के हाथ से री-असेस कर सकते हैं to give effect to a direction of the court in a particular case, बस क्लॉज़ 280 और 281 को ओवरराइड करने के लिए क्लॉज़ 283 दिया गया है।

283.5.3 When the Committee suggested an alternative as to avoid confusion regarding Clause 283 overriding Clauses 280 and 281, the Ministry submitted as follows:

There are specific directions which come from the court. They need to override the timelines.

सर, इसमें एक एडिशनल कंडीशन है कि हम दूसरा केस तभी री-ओपेन कर सकते हैं, जबकि जो ऑर्डर कोर्ट के सामने गया, उसमें जो डायरेक्शन आया, वह जिस तारीख को पास हुआ था, उस तारीख से, जो वर्ष का हम अभी री-ओपेन करना चाहते हैं, वह उसकी लिमिट की पीरियड के अंदर होना चाहिए। अगर उस दिन पहले से ही पाँच साल बीत चुका है तो कोर्ट के प्रोविजन्स से भी हम उसे री-ओपेन नहीं कर सकते हैं। यह असेसीज़ को एक अतिरिक्त बेनिफिट दी गयी है।

सर, अगर आज की तारीख में कोई असेसमेंट हुआ तो आज की तारीख से पाँच साल तक हम लोग किसी भी केस को री-ओपेन कर सकते हैं।

283.6 Observations/Recommendations of the Committee:

The Committee note the justification provided by the Ministry and find the provisions of the Clause 283 in line with the existing provisions with mere textual simplification and no change in intent and therefore accept the Clause as proposed.

Clause 284– Sanction for issue of notice

284.1 Provision proposed in the Income-Tax Bill, 2025:

284. The specified authority for the purposes of sections 280 and 281 shall be the Additional Commissioner or the Additional Director or the Joint Commissioner or the Joint Director.

284.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

[4][**Sanction for issue of notice.**

151. Specified authority for the purposes of sections 148 and 148A shall be the Additional Commissioner or the Additional Director or the Joint Commissioner or the Joint Director, as the case may be.]

284.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

Clause 284 of the Bill provides for sanction for issue of notice.The clause corresponds to section 151 of the Act.There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause.

284.4 Important Views/Suggestions given by Experts/Stakeholders:

i. In case the Assessing Officer is the Income tax Officer, the Assistant Commissioner or Deputy Commissioner, the Specified authority for the purposes of Clauses 280 and 281 shall be Additional Commissioner or the Additional Director or the Joint Commissioner or the Joint Director. In case the Assessing Officer is the Additional Commissioner or the Additional Director or the Joint Commissioner or the Joint Director, the Specified authority for the purposes of Clauses 280 and 281 shall be the Commissioner or the Director or the Principal Commissioner or the Principal Director. It is necessary to provide that specified authority shall be superior to the rank of AO.
ii. The specified authority shall be restored to the position as was there prior to 1-9-2024. For the purpose of sanction, more superior authorities ought to be granting approval for reopening any assessment as power to reopen is grave and severe and must therefore be handled with care and not arbitrarily/ asually A senior authority approving the reassessment will act as a counter to abusive use of the arbitrary power which will otherwise be available to the assessing officer.
iii. Sanctioning authority for the cases to be reopened beyond four years and three months ought to comprise of senior officials like Principal Chief Commissioner or Chief Commissioner. Finality in cases of tax disputes is a cornerstone for any

civilized society and reopening is an exception. In the erstwhile regime, i.e prior to Finance Act, 2024, there were two category of sanctions i.e first for reopening uptill three years and beyond three years and two separate sanctioning authorities were specified to ensure checks and balances and sufficient safeguards. The two classes of assesses cannot be treated at par where the reopening is within the period of four years and three months and beyond four years and three months but less than six years and three months.

284.5 Examination by the Committee:

284.5.1 To the above suggestions, the Committee provided a consolidated reply as follows:

The suggestion seeks to amend clause 284 and change the sanctioning authority for reopening beyond four years and three months to senior officials like principal chief commissioner or chief commissioner. It is in the nature of Policy Change which is outside the scope of the Bill. There is no change in the provisions of the Bill viz-a-viz Act. Joint/ Addl Commissioner is a senior level officer with experience ranging from 10-20 years, for direct recruit IRS officers, and about 20-35 years of service for promote officers.

284.5.2 During the oral evidence, the Ministry further apprised the Committee as follows:

Sir, there is reassessment. After three years, the approval has to be taken from a higher authority before proceeding with the reopening. So, the suggestion is that it should be escalated to senior officials like Principal Chief Commissioner or Chief Commissioner. So, that was the provision earlier and we have changed it by July, 2024 Budget because thousands of cases were flagged to the Principal Chief Commissioner and he had no time to do the due diligence. That was one. And second is that every assessment has to be reviewed by the Principal Commissioner. So, for that, if he or his senior authority is giving approval for the issuance of a show cause notice or for reopening of a case, then, after that AO will feel that the higher authority has already given approval so I have to assess that income in the hands of the taxpayer. So, that works against the taxpayer also.

Let us suppose that a case is flagged for reopening of a case and that gets approved by the Principal Chief Commissioner and the Principal Chief Commissioner gives a satisfaction that he is satisfied that a notice has to be issued. Now, the quasi-judicial authority is the Assessing Officer who is much below in rank to that Principal Chief Commissioner. Once that satisfaction on that issue has already been granted by the Principal Chief Commissioner, it is more

of a fait accompli that the Assessing Officer and the Additional Commissioner would adjudicate and say that 'no' that income has not escaped assessment.

284.5.3 The Committee asked the Ministry about the logic behind bringing about the aforementioned change through the July, 2024 Budget. The Ministry in oral evidence replied as follows:

In search cases, the time limit -- where search assessment could be done -- was ten years. So, in 2021, in the search cases, the separate assessment under 153(A) and 153(C) was done away with and the provision that came was that search assessments would also be done like normal reassessment. So, because they were to be completed as normal reassessment so that ten-year limit, which was there in 153(A) -- special provisions for search --came in reassessment provision also. So, from six years, it went to ten years. But then, it was felt that may be ten years is too long a period. In 2024, we have again separated the search provision. We have brought block provisions for search. So, search has again been taken out of that reassessment procedure and then, for the search, six-year period has been provided for block assessment and this has been reduced to five years.

सर, जुलाई, 2024 से जो प्रावधान आए हैं, उसमें तीन सालों के बाद से 50 लाख रुपये की लिमिट है, तीन सालों से पहले की कोई लिमिट नहीं है। उसमें यह प्रावधान है कि असेसमेंट वर्ष के अन्त होने के बाद से तीन साल तक तो री-ओपेन हो सकता है। उसके अन्तर्गत जिनका भी इनकम-एस्केपिंग असेसमेंट है और जब असेसिंग ऑफिसर के पास उसकी इंफॉर्मेशन आती है तो वह उसे री-ओपेन कर सकता है। लेकिन, अगर तीन साल बीत चुके हैं तो उसके बाद कम से कम इनकम-एस्केपिंग असेसमेंट 50 लाख रुपये होनी चाहिए। उसके बाद ही वह री-ओपेन हो सकता है।

284.6 Observations/Recommendations of the Committee:

The Committee note the justification provided by the Ministry and find the provisions of the Clause 284 in line with the existing provisions with mere textual simplification and therefore accept the Clause as proposed.

Clause 285– Other provisions

285.1 Provision proposed in the Income-Tax Bill, 2025:

285. (*1*) In an assessment, reassessment or recomputation made under section 279, the tax shall be chargeable at the rate or rates at which it would have been charged had the income not escaped assessment.

(*2*) The Assessing Officer may drop the proceedings initiated under section 279 on a claim made by the assessee to the effect that—

(*a*) he had been assessed on an amount not lower than what he would be rightly liable for, even if the income alleged to have escaped assessment had been taken into account, or the assessment or computation had been properly made; and

(*b*) he has not impugned any part of the original assessment order for the relevant year under section 356or357 or 378.

(*3*) Where a claim has been made by an assessee under sub-section (*2*), he shall not be entitled to reopen matters concluded by an order under section 287 or 288 or 365(*10*) or 368 or 377.

285.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Other provisions.

152. (1) In an assessment, reassessment or recomputation made under section 147, the tax shall be chargeable at the rate or rates at which it would have been charged had the income not escaped assessment.

(2) Where an assessment is reopened under section 147, the assessee may, if he has not impugned any part of the original assessment order for that year either under sections 246 to 248 or under section 264, claim that the proceedings under section 147 shall be dropped on his showing that he had been assessed on an amount or to a sum not lower than what he would be rightly liable for even if the income alleged to have escaped assessment had been taken into account, or the assessment or computation had been properly made :

Provided that in so doing he shall not be entitled to reopen matters concluded by an order under section 154, 155, 260, 262 or 263.

[5][(3) Where a search has been initiated under section 132 or requisition is made under section 132A, or a survey is conducted under section 133A [other than under sub-section (2A) of the said section], on or after the 1st day of April, 2021 but before the 1st day of September, 2024, the provisions of sections 147 to 151 shall apply as they stood immediately before the commencement of the Finance (No. 2) Act, 2024.

(4) Where, in a case other than that covered under sub-section (3), a notice under section 148 has been issued or an order under clause (*d*) of section 148A has been passed, prior to the 1st day of September, 2024, the assessment, reassessment or recomputation in such case shall be governed as per the provisions of sections 147 to 151, as they stood immediately before the commencement of the Finance (No. 2) Act, 2024.]

285.3 Reasons Justification given by the Ministry of Finance for the proposed provision:

Clause 285 of the Bill deals with other provisions.The clause corresponds to section 152 of the Act.There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause. The redundant provisions of section 152(3) and 152(4) have been omitted in view of their applicability before 01.09.2024.

285.4 Important Views/Suggestions given by Experts/Stakeholders:

It is suggested that section 285(2) can be amended by substituting the word 'may' with 'shall', thereby making it mandatory for the Assessing Officer to drop the proceedings upon a valid claim made by the assessee. The reference in Clause 285(2)(b) should be to “original assessment order for the relevant tax year” not for “relevant year”.

285.5 Examination by the Committee:

285.5.1 The Ministry provided their replies as follows to the above suggestions:

> *The suggestion seeks to amend clause 285(2) [s. 152(2)] by replacing the phrase ‘may' with 'shall' thereby making it mandatory for the Assessing Officer to drop the proceedings upon a valid claim made by the assessee in respect of assessment, reassessment or recomputation. The Act uses the phrase 'shall' on showing by the assessee about the claim. Therefore, both the phrases shall be aligned with IT Act. Thus, suggestion is acceptable.*

285.6 Observations/Recommendations of the Committee:

285.6.1 The Committee recommend to replace 'may' with the word 'shall' in sub-clause (2) to align the proposed provision with the existing Act.

285.6.2 The Committee further recommend that in Clause 285(2)(b) at Line No.46, the reference may be amended to "original assessment order for the relevant tax year" not for "relevant year" for more clarity.

285.6.3 The Committee other than recommending the Ministry to carry out the necessary changes, find the provisions to be a textual simplification and accept the Clause as proposed.

Clause 286– Time limit for completion of assessment, reassessment and recomputation

286.1 Provision proposed in the Income-Tax Bill, 2025:

286. (*1*) No order in respect of proceedings mentioned in column B of the Table below shall be made after expiry of the period specified in column D of the said Table and calculated from the date as mentioned in column C thereof.

Table

Sl. No.	Nature of Proceedings or orders	Date from which time limit for completion is to be calculated	Time limit for completion
A	B	C	D
1.	Assessment order under section 270(*10*) or section 271.	End of the financial year succeeding the relevant tax year.	One year.
2.	Assessment order under section 270(*10*) or 271, where an updated return of income is furnished under section 263(*6*).	End of the financial year in which such updated return was furnished.	One year.
3.	Assessment order under section 270(*10*) or 271, where return is furnished in consequence of order under section	End of thefinancial year in which such return was furnished.	One year.

239(*3*)(*b*).

4.	Assessment, reassessment or recomputation order under section 279.	End ofthe financial year in which notice under section 280 was served.	One year.
5.	Fresh assessment order or fresh order under section 166 in pursuance to an order under section 359, or 363, or 377, or 378 setting aside or canceling an assessment order or an order under section166.	End of the financial year in which order under section 359 or 363 is received, or order under section 377 or 378 is passed, by the jurisdictional Principal Commissioner or Commissioner.	One year.
6.	Assessment or reassessment which stands revived, as per section 153A(*2*) of Income-tax Act, 1961(43 of 1961), or section 292.	End of the month in which such assessment or reassessment stands revived.	One year.
A	B	C	D
7.	Assessment required to be made in the hands of partner, in consequence of an assessment	End of the month in which assessment order in the case of firm is passed.	One year.

	made on the firm under section 279.		
8.	Assessment, reassessment or recomputation required to be made on the assessee or any person in consequence of or to give effect to any finding or direction contained in an order— (i) under section 359 or 363 or 365(*10*), or 368, or 377 or 378; or (*ii*) of any Court in a proceeding otherwise than by way of appeal or reference under this Act.	End of the month in which such order is received, or passed, by the jurisdictional Principal Commissioner or Commissioner.	One year.
9.	Order giving effect to an order under section 359 or 363 or 365(*10*) or 368 or 377 or 378, otherwise than by making a fresh	End of the month in which order under section 359 or 363 or 365(*10*) or 368 is received, or order under section 377 or 378 is passed, by the jurisdictional Principal Commissioner or	One year.

	assessment or reassessment or fresh order under section 166, where— (*i*) verification of any issue by way of submission of any document by the assessee or any other person is to be carried out; or (*ii*) an opportunity of being heard is to be given to the assessee.	Commissioner.	
A	B	C	D
10.	Order giving effect to an order under section 359 or 363 or 365(*10*) or 368 or 377 or 378otherwise than by making a fresh assessment or reassessment or fresh order under section 166.	End of the month in which order under section 359 or 363 or 365(*10*) or 368 is received, or order under section 377 or 378 is passedby the jurisdictional Principal Commissioner or Commissioner.	Six months, extendable to nine months with the approval of authorities as per section 2(*62*) and (*64*)
11.	Modification of assessment, reassessment or	End of the month in which such order under section 166 is received	Two months.

(*2*) Time limit for completion of any assessment or reassessment as provided in sub-section (*1*), in a case where reference is made to the Transfer Pricing Officer for determining the arm's length price under section 166(*1*), shall be extended by an additional period of twelve months.

(*3*) For the purposes of this section, in computing the time limit for completion, the following period shall be excluded,—

(*a*) the time taken in reopening the whole or any part of the proceeding on request of the assessee or in giving an opportunity to the assessee to be re-heard under section 244;

(*b*) the period commencing on the date on which stay on assessment proceeding was granted by an order or injunction of any court and ending on the date on which certified copy of the order vacating the stay was received by jurisdictional Principal Commissioner or Commissioner;

(*c*) the period commencing from the date on which the Assessing Officer intimates the Central Government or the prescribed authority, the contravention of the provisions of Schedule III (Table: Sl. No. 23, 24, 25) or section 270(*11*)(*i*), and ending with the date on which the copy of the order withdrawing the approval or rescinding the notification, as the case may be, under those provisions is received by the Assessing Officer;

(*d*) the period commencing from the date on which the Assessing Officer directs the assessee to get his accounts audited or inventory valued under section 268(*5*) and—

(*i*) ending with the last date on which the assessee is required to furnish a report of such audit or inventory valuation under that section; or

(*ii*) where such direction is challenged before a court, ending with the date on which the order setting aside such direction is received by the Principal Commissioner or Commissioner;

recomputationto give effect to the order passed under section 166 read with section 377	by the Assessing Officer.

(*e*) the period commencing from the date on which the Assessing Officer makes a reference to the Valuation Officer under section 269(*1*) and ending with the date on which the report of the Valuation Officer is received by him;

(*f*) the period (not exceeding sixty days) commencing from the date on which the Assessing Officer received the declaration under section 375(*1*) and ending with the date on which the order under section 375(*3*) is made by him;

(*g*) the period commencing from the date on which an application is made before the Board for Advance Rulings under section 383(*1*) and ending with the date on which the order either rejecting the application or the advance ruling pronounced by it, is received by the jurisdictional Principal Commissioner or Commissioner under section 384(*5*) or (*8*), as the case may be;

(*h*) the period commencing from the date on which a reference or first of the references for exchange of information is made by an authority competent under an agreement referred to in section 159 and ending with the date on which the information requested is last received by the jurisdictional Principal Commissioner or Commissioner, or one year, whichever is less;

(*i*) the period commencing from the date on which a reference for declaration of an arrangement to be an impermissible avoidance arrangement is received by the jurisdictional Principal Commissioner or Commissioner under section 274(*1*) and ending on the date on which a direction under sub-section (*3*) or (*6*) or an order under sub-section (*5*) of the said section is received by the Assessing Officer;

(*j*) the period (not exceeding one hundred eighty days) commencing from the date on which a search is initiated under section 247 or a requisition is made under section 248 and ending on the date on which the seized items or the requisitioned items, are handed over to the Assessing Officer having jurisdiction over the assessee,—

(*i*) in whose case such search is initiated under section 247 or such requisition is made under section 248; or

(*ii*) to whom any money, bullion, jewellery, virtual digital asset or other valuable article or thing seized or requisitioned belongs to; or

(*iii*) to whom any books of account or documents seized or requisitioned pertains or pertain to, or any information contained therein, relates to;

(*k*) the period commencing from the date on which the Assessing Officer makes a reference to the jurisdictional Principal Commissioner or Commissioner under the section 270(*13*) and ending with the date on which copy of the order under of section 351(*2*)(*ii*)(*A*) or (*B*), is received by the Assessing Officer.

(*4*) Where immediately after exclusion of the period as mentioned in sub-section (*3*), the remaining period for completion available to the Assessing Officer, as specified in sub-section (*1*), for making an order of assessment, reassessment or recomputation, is less than sixty days, such remaining period shall be extended to sixty days and the aforesaid time limits for completion shall be deemed to have been extended accordingly.

(*5*) Where the period available to the Transfer Pricing Officer is extended to sixty days as per section 166(*8*) and the remaining period for completion available to the Assessing Officer under this section, for making an order of assessment, reassessment or re-computation, is less than sixty days, such remaining period shall be extended to sixty days and the aforesaid time limit for completion shall be deemed to have been extended accordingly.

(*6*) Where a proceeding before the Interim Board for Settlement abates under section 245HA of the Income-tax Act, 1961 and the remaining period of limitation available to the Assessing Officer under this section for making an order of assessment, reassessment or re-computation, after the exclusion of the period under section 245HA(*4*) of the Income-tax Act, 1961, is less than one year, such remaining period shall be deemed to have been extended to one year; and for the purposes of determining the period of limitation under sections 282, 287, 288 and 296 and for the purposes of payment of interest under section 437, this sub-section shall also apply accordingly.

(*7*) In a case where the remaining time period for making an order of regular or reassessment, after excluding the time period specified in sub-section (*3*)(*k*), ends before the end of the month, the remaining period shall be extended to the end of such month, and the specified time limit for completion shall be deemed to have been extended accordingly.

(*8*) For the purposes of this section and section 283, where by an order referred to in entry in sub-section (*1*) (Table: Sl. No. 8.A)—

(*i*) any income is excluded from the total income of the assessee for a tax year, then, an assessment of such income for another tax year shall be deemed as one made in consequence of or to give effect to any finding or direction contained in the said order; or

(*ii*) any income is excluded from the total income of one person and held to be the income of another person, then, an assessment of such income on such other person shall be deemed as one made in consequence of or to give effect to any finding or direction contained in the said order, if such other person was given an opportunity of being heard before the said order was passed.

286.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Time limit for completion of assessment, reassessment and recomputation.

153. (1) No order of assessment shall be made under section 143 or section 144 at any time after the expiry of twenty-one months from the end of the assessment year in which the income was first assessable:

Provided that in respect of an order of assessment relating to the assessment year commencing on the 1st day of April, 2018, the provisions of this sub-section shall have effect, as if for the words "twenty-one months", the words "eighteen months" had been substituted:

Provided further that in respect of an order of assessment relating to the assessment year commencing on—

(*i*) the 1st day of April, 2019, the provisions of this sub-section shall have effect, as if for the words "twenty-one months", the words "twelve months" had been substituted;

(*ii*) the 1st day of April, 2020, the provisions of this sub-section shall have effect, as if for the words "twenty-one months", the words "eighteen months" had been substituted:

Provided also that in respect of an order of assessment relating to the assessment year commencing on [6][***] the 1st day of April, 2021, the provisions of this sub-section shall have effect, as if for the words "twenty-one months", the words "nine months" had been substituted:

[7][**Provided also** that in respect of an order of assessment relating to the assessment year commencing on or after the 1st day of April, 2022, the provisions of this sub-section shall have effect, as if for the words "twenty-one months", the words "twelve months" had been substituted.]

(1A) Notwithstanding anything contained in sub-section (1), where a return under sub-section (8A) of section 139 is furnished, an order of assessment under section 143 or section 144 may be made at any time before the expiry of [8][twelve] months from the end of the financial year in which such return was furnished.

[9][(1B) Notwithstanding anything in sub-section (1), where a return is furnished in consequence of an order under clause (*b*) of sub-section (2) of section 119, an order of assessment under section 143 or section 144 may be made at any time before the expiry of twelve months from the end of the financial year in which such return was furnished.]

(2) No order of assessment, reassessment or recomputation shall be made under section 147 after the expiry of nine months from the end of the financial year in which the notice under section 148 was served:

Provided that where the notice under section 148 is served on or after the 1st day of April, 2019, the provisions of this sub-section shall have effect, as if for the words "nine months", the words "twelve months" had been substituted.

(3) Notwithstanding anything contained in sub-sections (1) [10][, (1A)] and (2), an order of fresh assessment or fresh order under section 92CA, as the case may be, in pursuance of an order under [11][section 250 or] section 254 or section 263 or section 264, setting aside or cancelling an assessment, or an order under section 92CA, as the case may be, may be made at any time before the expiry of nine months from the end of the financial year in which the order under [11][section 250 or] section 254 is received by the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner or, as the case may be, the order under section 263 or section 264 is passed by the [12][Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner, as the case may be] :

Provided that where the order under [11][section 250 or] section 254 is received by the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner or, as the case may be, the order under section 263 or section 264 is passed by the [12][Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner, as the case may be,] on or after the 1st day of April, 2019, the provisions of this sub-section shall have effect, as if for the words "nine months", the words "twelve months" had been substituted.

[13][(3A) Notwithstanding anything contained in sub-sections (1), (1A), (2) and (3), where an assessment or reassessment is pending on the date of initiation of search under section 132 or making of requisition under section 132A, the period available for completion of assessment or reassessment, as the case may be, under the said sub-sections shall,—

(*a*) in a case where such search is initiated under section 132 or such requisition is

made under section 132A;

(*b*) in the case of an assessee, to whom any money, bullion, jewellery or other valuable article or thing seized or requisitioned belongs to;

(*c*) in the case of an assessee, to whom any books of account or documents seized or requisitioned pertains or pertain to, or any information contained therein, relates to,

be extended by twelve months.]

(4) Notwithstanding anything contained in [14][sub-sections (1), (1A), (2), (3) and (3A)], where a reference under sub-section (1) of section 92CA is made during the course of the proceeding for the assessment or reassessment, the period available for completion of assessment or reassessment, as the case may be, under the said [15][sub-sections (1), (1A), (2), (3) and (3A)], shall be extended by twelve months.

(5) Where effect to an order under section 250 or section 254 or section 260 or section 262 or section 263 or section 264 is to be given by the Assessing Officer or the Transfer Pricing Officer, as the case may be, wholly or partly, otherwise than by making a fresh assessment or reassessment or fresh order under section 92CA, as the case may be, such effect shall be given within a period of three months from the end of the month in which order under section 250 or section 254 or section 260 or section 262 is received by the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner, as the case may be, the order under section 263 or section 264 is passed by the [15][Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner, as the case may be] :

Provided that where it is not possible for the Assessing Officer or the Transfer Pricing Officer, as the case may be, to give effect to such order within the aforesaid period, for reasons beyond his control, the Principal Commissioner or Commissioner on receipt of such request in writing from the Assessing Officer or the Transfer Pricing Officer, as the case may be, if satisfied, may allow an additional period of six months to give effect to the order:

Provided further that where an order under section 250 or section 254 or section 260 or section 262 or section 263 or section 264 requires verification of any issue by way of submission of any document by the assessee or any other person or where an opportunity of being heard is to be provided to the assessee, the order giving effect to the said order under section 250 or section 254 or section 260 or section 262 or section 263 or section 264 shall be made within the time specified in sub-section (3).

(5A) Where the Transfer Pricing Officer gives effect to an order or direction under section 263 by an order under section 92CA and forwards such order to the Assessing Officer, the Assessing Officer shall proceed to modify the order of assessment or reassessment or recomputation, in conformity with such order of the Transfer Pricing

Officer, within two months from the end of the month in which such order of the Transfer Pricing Officer is received by him.

(6) Nothing contained in sub-sections (1) [16][, (1A)] and (2) shall apply to the following classes of assessments, reassessments and recomputation which may, subject to the provisions of sub-sections (3), (5) and (5A), be completed—

(*i*) where the assessment, reassessment or recomputation is made on the assessee or any person in consequence of or to give effect to any finding or direction contained in an order under section 250, section 254, section 260, section 262, section 263, or section 264 or in an order of any court in a proceeding otherwise than by way of appeal or reference under this Act, on or before the expiry of twelve months from the end of the month in which such order is received or passed by the [17][Principal Chief Commissioner or Chief Commissioner or] Principal Commissioner or Commissioner, as the case may be; or

(*ii*) where, in the case of a firm, an assessment is made on a partner of the firm in consequence of an assessment made on the firm under section 147, on or before the expiry of twelve months from the end of the month in which the assessment order in the case of the firm is passed.

(7) Where effect to any order, finding or direction referred to in sub-section (5) or sub-section (6) is to be given by the Assessing Officer, within the time specified in the said sub-sections, and such order has been received or passed, as the case may be, by the income-tax authority specified therein before the 1st day of June, 2016, the Assessing Officer shall give effect to such order, finding or direction, or assess, reassess or recompute the income of the assessee, on or before the 31st day of March, 2017.

(8) Notwithstanding anything contained in the foregoing provisions of this section, sub-section (2) of section 153A or sub-section (1) of section 153B [18][or section 158BE], the order of assessment or reassessment, relating to any assessment year, which stands revived under sub-section (2) of section 153A [18][or sub-section (5) of section 158BA], shall be made within a period of one year from the end of the month of such revival or within the period specified in this section or sub-section (1) of section 153B [18][or section 158BE], whichever is later.

(9) The provisions of this section as they stood immediately before the commencement of the Finance Act, 2016, shall apply to and in relation to any order of assessment, reassessment or recomputation made before the 1st day of June, 2016:

Provided that where a notice under sub-section (1) of section 142 or sub-section (2) of section 143 or section 148 has been issued prior to the 1st day of June, 2016 and the assessment or reassessment has not been completed by such date due to exclusion of time referred to in *Explanation 1*, such assessment or reassessment shall

be completed in accordance with the provisions of this section as it stood immediately before its substitution by the Finance Act, 2016 (28 of 2016).

Explanation 1.—For the purposes of this section, in computing the period of limitation—

(*i*) the time taken in reopening the whole or any part of the proceeding or in giving an opportunity to the assessee to be re-heard under the proviso to section 129; or

[19]**[***(*ii*) the period commencing on the date on which stay on the assessment proceeding was granted by an order or injunction of any court and ending on the date on which certified copy of the order vacating the stay was received by the jurisdictional Principal Commissioner or Commissioner; or***]**

(*iii*) the period commencing from the date on which the Assessing Officer intimates the Central Government or the prescribed authority, the contravention of the provisions of clause (*21*) or clause (*22B*) or clause (*23A*) or clause (*23B*), under clause (*i*) of the first proviso to sub-section (3) of section 143 and ending with the date on which the copy of the order withdrawing the approval or rescinding the notification, as the case may be, under those clauses is received by the Assessing Officer; or

(*iv*) the period commencing from the date on which the Assessing Officer directs the assessee to get his accounts audited [20][or inventory valued] under sub-section (2A) of section 142 and—

(*a*) ending with the last date on which the assessee is required to furnish a report of such audit [20][or inventory valuation] under that sub-section; or

(*b*) where such direction is challenged before a court, ending with the date on which the order setting aside such direction is received by the Principal Commissioner or Commissioner; or

(*v*) the period commencing from the date on which the Assessing Officer makes a reference to the Valuation Officer under sub-section (1) of section 142A and ending with the date on which the report of the Valuation Officer is received by the Assessing Officer; or

(*vi*) the period (not exceeding sixty days) commencing from the date on which the Assessing Officer received the declaration under sub-section (1) of section 158A and ending with the date on which the order under sub-section (3) of that section is made by him; or

(*vii*) in a case where an application made before the Income-tax Settlement Commission is rejected by it or is not allowed to be proceeded with by it, the period commencing from the date on which an application is made before the Settlement Commission under section 245C and ending with the date on which

the order under sub-section (1) of section 245D is received by the Principal Commissioner or Commissioner under sub-section (2) of that section; or

(*viii*) the period commencing from the date on which an application is made before the Authority for Advance Rulings or before the Board for Advance Rulings under sub-section (1) of section 245Q and ending with the date on which the order rejecting the application is received by the Principal Commissioner or Commissioner under sub-section (3) of section 245R; or

(*ix*) the period commencing from the date on which an application is made before the Authority for Advance Rulings or before the Board for Advance Rulings under sub-section (1) of section 245Q and ending with the date on which the advance ruling pronounced by it is received by the Principal Commissioner or Commissioner under sub-section (7) of section 245R; or

(*x*) the period commencing from the date on which a reference or first of the references for exchange of information is made by an authority competent under an agreement referred to in section 90 or section 90A and ending with the date on which the information requested is last received by the Principal Commissioner or Commissioner or a period of one year, whichever is less; or

(*xi*) the period commencing from the date on which a reference for declaration of an arrangement to be an impermissible avoidance arrangement is received by the Principal Commissioner or Commissioner under sub-section (1) of section 144BA and ending on the date on which a direction under sub-section (3) or sub-section (6) or an order under sub-section (5) of the said section is received by the Assessing Officer; or

(*xii*) the period (not exceeding one hundred and eighty days) commencing from the date on which a search is initiated under section 132 or a requisition is made under section 132A and ending on the date on which the books of account or other documents, or any money, bullion, jewellery or other valuable article or thing seized under section 132 or requisitioned under section 132A, as the case may be, are handed over to the Assessing Officer having jurisdiction over the assessee,—

(*a*) in whose case such search is initiated under section 132 or such requisition is made under section 132A; or

(*b*) to whom any money, bullion, jewellery or other valuable article or thing seized or requisitioned belongs to; or

(*c*) to whom any books of account or documents seized or requisitioned pertains or pertain to, or any information contained therein, relates to; or

(*xiii*) the period commencing from the date on which the Assessing Officer makes a reference to the Principal Commissioner or Commissioner under the second

proviso to sub-section (3) of section 143 and ending with the date on which the copy of the order under clause (*ii*) or clause (*iii*) of the fifteenth proviso to clause (*23C*) of section 10 or clause (*ii*) or clause (*iii*) of sub-section (4) of section 12AB, as the case may be, is received by the Assessing Officer,

shall be excluded:

Provided that where immediately after the exclusion of the aforesaid period, the period of limitation referred to in sub-sections (1), [21][(1A),] (2), (3) and sub-section (8) available to the Assessing Officer for making an order of assessment, reassessment or recomputation, as the case may be, is less than sixty days, such remaining period shall be extended to sixty days and the aforesaid period of limitation shall be deemed to be extended accordingly:

Provided further that where the period available to the Transfer Pricing Officer is extended to sixty days in accordance with the proviso to sub-section (3A) of section 92CA and the period of limitation available to the Assessing Officer for making an order of assessment, reassessment or recomputation, as the case may be, is less than sixty days, such remaining period shall be extended to sixty days and the aforesaid period of limitation shall be deemed to be extended accordingly:

Provided also that where a proceeding before the Settlement Commission abates under section 245HA, the period of limitation available under this section to the Assessing Officer for making an order of assessment, reassessment or recomputation, as the case may be, shall, after the exclusion of the period under sub-section (4) of section 245HA, be not less than one year; and where such period of limitation is less than one year, it shall be deemed to have been extended to one year; and for the purposes of determining the period of limitation under sections 149, 154, 155 and 158BE and for the purposes of payment of interest under section 244A, this proviso shall also apply accordingly:

Provided also that where the assessee exercises the option to withdraw the application under sub-section (1) of section 245M, the period of limitation available under this section to the Assessing Officer for making an order of assessment, reassessment or recomputation, as the case may be, shall, after the exclusion of the period under sub-section (5) of the said section, be not less than one year; and where such period of limitation is less than one year, it shall be deemed to have been extended to one year:

Provided also that for the purposes of determining the period of limitation under sections 149, 154 and 155, and for the purposes of payment of interest under section 244A, the provisions of the fourth proviso shall apply accordingly:

[22][**Provided also** that where after exclusion of the period referred to in clause (*xii*) the period of limitation for making an order of assessment, reassessment or

recomputation, as the case may be, ends before the end of the month, such period shall be extended to the end of such month.]

Explanation 2.—For the purposes of this section, where, by an order referred to in clause (*i*) of sub-section (6),—

(*a*) any income is excluded from the total income of the assessee for an assessment year, then, an assessment of such income for another assessment year shall, for the purposes of section 150 and this section, be deemed to be one made in consequence of or to give effect to any finding or direction contained in the said order; or

(*b*) any income is excluded from the total income of one person and held to be the income of another person, then, an assessment of such income on such other person shall, for the purposes of section 150 and this section, be deemed to be one made in consequence of or to give effect to any finding or direction contained in the said order, if such other person was given an opportunity of being heard before the said order was passed.]

286.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

Clause 286 of the Bill seeks to provide for time limit for completion of assessment, reassessment and recomputation. The clause corresponds to section 153 of the Act. The clause has been organised in a table to enhance readability and comprehension. Further, time period for Order Giving Effect has been rationalized, whereby, instead of time-period of 3 months, time period of 6 months has been proposed as it is difficult to pass the said order in 3 months. The period can be extended to 9 months as earlier with the prior aproval of Joint Commissioner (instead of Commissioner as at present). Section 153(3A) provides 12 months extension for assessments which are pending and a search has been conducted in those cases. This provision applied for searches between 1.4.2021 to 1.9.2024. As the regular assessments abate in the block assessment scheme for search cases, section 153(3A) has been omitted as redundant.

286.4 Important Views/Suggestions given by Experts/Stakeholders:

i. Time limit for the remand proceedings should be reduced to 6 months from the end of the month in which the order is received. Considering the matter has already travelled through one round of litigation, the DRP/CIT(A) route can be skipped in the second round for a faster and effective resolution, thus making the second round of orders directly appealable to the ITAT. Such a timeline adds another 2-3 years of litigation to initiate the second round of proceedings before the lower authorities thus, delaying in the disposal of the appeal. Further, the

Assessee has to again travel through the CIT(A)/DRP route in the second round of proceedings, which swells the taxpayer's time and cost.

ii. It may be provided that if the orders are not passed within the time limits prescribed in the Act, such orders are deemed to have been passed in favour of the taxpayer. Refunds, if any arising, that would have resulted from such OGE/rectification orders shall be processed by Centralised Processing Center based on application filed by taxpayer. In many cases, taxpayers have experienced delays way beyond the time limit specified under the Act in passing of OGEs and issue of refunds. While applications can now be filed online, there is no stringent law enforcing the timeline resulting in increased litigations and huge number of writ petitions before the High Court.

iii. The provision can be directory in nature and not mandatory . ITAT should be given liberty to grant complete stay in deserving cases, similar to the pre-amendment scenario. Taxpayer's prior years entitlement to refunds should be considered as an adequate security Such a condition to grant stay only on payment of atleast 20% by ITAT (which an independent judicial body) ties their hand even in genuine cases where high-pitched adjustments have been proposed by the lower authorities, thus impacting cash reserves of the taxpayers.

iv. A likely drafting error in Clause 286(7). The clause currently references sub-section 286(3)(k) (which pertains to a period involving a reference to the Principal Commissioner/Commissioner in certain cases, e.g. matters related to charitable trusts) as the trigger for extending the time limit to month-end. The stakeholder notes that this seems inadvertent. In context, it would make more sense for the provision to refer to sub-section 286(3)(j), which covers the period of a search or requisition – a scenario where the completion deadline often could fall mid-month when the excluded period concludes. In essence, the suggestion is to replace the reference to 286(3)(k) with 286(3)(j) in Clause 286(7) so that the rule for extending the deadline to the end of the month applies to search cases (income escaping assessment in search/requisition situations) rather than to the charity reference cases. This correction would align the new Bill with the intent of the existing law's provisions, providing a clear cut-off date in search-related cases and avoiding ambiguity or mid-month deadline issues.

v. In practice, taxpayers face difficulties in obtaining timely "appeal effect" despite the existence of statutory time limits. "Appeal effect" here refers to the implementation of the orders of appellate authorities – for instance, when a taxpayer wins an appeal and an addition is deleted or reduced, the Assessing Officer must process the case accordingly (issuing refund, reducing demand, etc.). Although Section 153(2A) (now mirrored in the Bill) prescribes a time limit for such actions, delays still occur on the ground. They suggest that there ought to be an internal monitoring or reporting system within the tax department to

ensure that appellate orders are given effect to without undue delay. This suggestion is more of an administrative measure: essentially, the stakeholder is not asking for a change in the law's wording but is emphasizing the need for better enforcement of the existing timelines through departmental oversight (for example, a system to track pending appeal effects and hold officers accountable to the one-year deadline).

vi. It is suggested that the Bill incorporate provisions providing specific consequences for delays in appeal effect or refunds. These could include: Higher Interest or Costs for Delayed Refunds Assessee.

vii. The time limit of three months prescribed under the IT Act should be retained. Under the IT Act, orders giving effect to an appeal must be passed within three months from the end of the month in which the order is received by the Pr. CCIT/CCIT/Pr. CIT/CIT, or when an order under sections 263 or 264 is passed. The proviso allows the assessing officer to request an additional six months from the Pr. CIT or CIT if needed. Extending the time available to tax authorities to pass appeal effect orders may adversely impact the taxpayers, by delaying potential refunds and closure of matters.

286.5 Examination by the Committee:

286.5.1 To the given suggestions, the Ministry submitted as follows:

i. The suggestion seeks to provide a time limit of 6 months for remand proceedings and once the set-aside assessment is made then matter should be placed before ITAT bypassing CIT(A)/DRP. It is in the nature of Policy Change which is outside the scope of the Bill. There is no change in the provisions of the Bill viz-a-viz Act. There is one level before ITAT. The ITAT is final fact-finding authority. The facts have to be correctly ascertained at the fist appellate level also. Therefore, the suggestion is not feasible.

ii. The suggestion seeks to provide for deeming OGE and rectification order in case these are not given within the stipulated time. There is no change in the provisions of the Bill viz-a-viz Act. It is impractical, nay impossible to determine refund or raise demand through deeming provisions. Order giving Effect involves multiple stakeholders-assessee, CPC TDS, CPC-ITR and ITBA. The appeal effect may be related to the tax year ranging from 1990s to recent years and the veracity of the claim of the assessee for all the challans claimed by the assessing officer needs adequate time. All the old challans are not digitised and physical records verification requires assistance from 3rd party which keeps the storage of the old physical files. Further, such challan claims needs OLTAS verification which takes time as some of the challan are partially consumed against any pending demand of the assessee against other assessment year's demand.

Sometime appeal effect orders are to be done in manual to system mode in ITBA for which accounting by CPC takes weeks. The provisions for penal interest resulting out of the delayed Order Giving Effects already exist in the present Act under section 244A(1A) and same have been incorporated in the clause 437(4). Thus, the suggestion is not feasible.

iii. The suggestion seeks to expand the power of ITAT by giving liberty to grant complete stay in deserving cases. It is in the nature of Policy Change which is outside the scope of the Bill. There is no change in the provisions of the Bill viz-a-viz Act. The suggestion given is not linked to the referred clause 286 in which time limits for completion of various proceedings have been mentioned. Further, as per clause 363(6), the ITAT may, after considering the merits of the application made by the assessee pass an order of stay for a maximum period of 180 days in any proceedings on deposition of at least 20 % of the tax. It is pertinent to mention that assessee has filed appeal in ITAT as CIT (A) has confirmed the additions made by AO. Thus, one level of appellate proceedings has gone against assessee. Therefore, it is logical that revenue should have at least 20 % of tax deposited till the time ITAT proceeding is ongoing. Therefore, the suggestion is not feasible.

iv. Clause 286, including sub clause (7), was designed to carry forward and refine the time-limit framework from the existing law. The rationale is to give the tax administration adequate time to complete proceedings in exceptional circumstances (like searches) while ensuring taxpayers have certainty on outer deadlines. Sub clause (7) specifically was introduced as a practical measure to simplify deadline computation – preventing the scenario where, say, a time limit might expire on an odd date (for example, 15th of a month) due to the exclusion of a period. By extending it to the month-end in such cases, the provision aims for administrative convenience and clarity. The intent was to apply this rule to the context of search or requisition cases, which commonly involve such complexities in timeline calculation. There is a drafting correction. Reference in Clause 286(7) should be to sub section (3)(j) (search/requisition cases) instead of (3)(k). The suggestion is acceptable.

v. The stipulations in Clause 286 (read with Clause 283) regarding time limits are carried over from the existing legal framework to ensure that assessments are finalized expediently, including after appellate decisions. The one-year (or other specified) time limit for giving effect to an appellate or revisional order is intended to protect taxpayers from prolonged uncertainty and to instil discipline in tax administration. By having such provisions, the law provides a clear mandate that once an appeal is decided, the follow-up actions by the department (whether issuing a refund or raising a revised demand) should not drag on indefinitely. The issue is seen as one of implementation and administrative efficiency rather than

a deficiency in the legal provisions. The Income-Tax Bill, 2025 already provides the necessary legal framework by prescribing the time limit to complete actions resulting from appellate orders, thereby obligating the Assessing Officer to act within that period. Also, sufficient monitoring structures, including Central Action Plan bringing out the respective targets for field formation as well as reporting mechanisms, are in place to ensure timely disposal of Orders giving effect. Further, to improve efficiency and ensure effective monitoring OGE is shifted from Manual to Systems Platform. Thus, suggestion is administrative in nature and does not pertain to the Bill.

vi. There is no change in the policy and intent in the new provisions. The provisions for penal interest resulting out of the delayed Order Giving Effects already exist in the present Act under section 244A(1A) and same have been incorporated in the clause 437(4). As per section 244(1A) , assessee is entitled to receive additional interest at a rate of 3 % per annum over and above the interest payable under section 244A(1). Also, sufficient monitoring structures, including Central Action Plan bringing out the respective targets for field formation as well as reporting mechanisms, are in place to ensure timely disposal of Orders giving effect and issue of refunds. Further, to improve efficiency and ensure effective monitoring OGE is shifted from Manual to Systems Platform. Hence, the suggestion given is already taken care of.

vii. The proposed provision has been incorporated for the purpose of rationalising and streamlining the process of appeal effect. The extension in time limit is to cater to all the appeal effects in time without creating any pendency which is detrimental to taxpayers. The time limit of three months was found to be difficult to adhere to in many cases owing to difficulty in reconciliation with CPC-TDS, CPC-ITR & ITBA. Sometimes the years involved are such that records are not available on systems or are difficult to obtain. The three-month time limit was actually giving rise to grievances on account of tax credit not provided adequately for the above and other reasons. The measure of 6 months allows appropriate closure of the case without having to resort to rectifications of the OGE. The change has been incorporated keeping in view the interests of taxpayers so as to reduce multiplicity of proceedings arising from OGE. This shall also obviate the tendency to seek extension in time period for OGE. The amendment has been made with a view to rationalise the provision so as to provide tax certainty and reduce litigation. Therefore, no change in the provision is required.

286.5.2 Further, when asked about the necessity of starting again the whole process when CIT appeal has rejected the matter and passed an order, the Ministry in their oral evidence submitted as follows:

Sir, CIT appeal earlier did not have the power to set aside the case. Recently they have been given this power, but only in those cases in which best judgment assessment has been passed in the sense, the assessee has not responded. So those are the cases in which the notices could not be received in time by the assessee. As we discussed, the assessee had given the email of its Chartered Accountant, and later on it came to know that in my case some assessment order has been passed and demand has been raised. So only those cases can be set aside by the CIT appeal. So naturally, those cases on merit have not been decided by CIT appeal. It goes through the considerations placed by the assess that due to certain circumstances, I could not appear before the assessing officer, so I need a second chance. The second chance is again provided by the assessing officer. Naturally, on merit, first, it will go to CIT appeal, and then it will go to ITAT. Before ITAT, normally we do not have our lawyers. Before ITAT, we have our own departmental officers who work as departmental representatives of the Commissioner level, and the Additional Commissioner level. Only in very few select cases where very huge revenue is involved, we involve our special counsels for that.

286.5.3 When asked whether timelines are available for more accountability, the Ministry, in written reply *inter-alia* stated as follows:

The Income-Tax Act of 1961 prescribes specific limitation and compliance periods for various tax-related obligations to ensure timely adherence to legal provisions. The clause 286 of the IT Bill, 2025 (section 153 of the IT Act, 1961) details the deadlines for the AO and procedures for assessments and reassessments under various clauses of assessment, reassessment, recomputation and order giving effects to appeal orders, etc.

Further, clause 287 provides timeline for rectification of any mistake apparent from record. Clause 377 and 378 provides for timelines for revision of orders by the jurisdictional Pr.CIT/ CIT. Clause 472 provides timeline for imposition of penalty under the IT Bill, 2025. Prosecution sections have their specific timelines. Further, clause 363 provides for timeline for disposal of appeal orders at the ITAT. While prescribing the 4 year period in clause 363(5), the phrase used is 'where it is possible'. Specific timelines have been provided in clause 358 for filing of appeal before the CIT(A). Similar provisions of time-limits are available in the Bill for filing appeals before the ITAT, HC and the Supreme Court.

It may be mentioned that for any appellate level, whether it be SC, HC, ITAT or CIT(A), time limits have not been provided for disposal of appeals as appellate proceedings are judicial proceedings and fast-tracking the same without taking into account the complexity or facts of the case may not be desirable. The statute only provides for the time-lines and procedural requirements and the mechanism to make appellate procedure more efficient and tax payer friendly is a continuing exercise taken up through administrative measures. Some of the administrative

and legal measures in this regard have been mentioned in reply to question at Sl. No. (ii) of this document.

While there have been suggestions to introduce statutory timelines for appellate proceedings, it is submitted that mandating strict deadlines may not be appropriate. Appellate cases vary significantly in complexity, and rigid timelines risk compromising the quality of adjudication. The Department has instead pursued a strategy of institutional strengthening, as a result of which, in FY 2024–25, a record 1,72,361 appeals were disposed of, which exceeds new filings for the first time and effectively reducing pendency as of 1st April 2025.

286.6 Observations/Recommendations of the Committee:

286.6.1 The Committee note a drafting error in sub-clause (7) in its reference to sub-section (3)(k) at Line No.11 instead of (3)(j). Therefore, the Committee recommend to replace the usage '(3)(k)' with '(3)(j)' in sub-clause (7) to provide for correct referencing as per the intent of the provision.

286.6.2 The Committee note in the Clause a cross reference to the 1961 Act, which is proposed to be repealed. Therefore, the Committee recommend the Ministry to remove the reference to the old Act, 1961 from the body of the Bill itself by clubbing it in the Savings clause coherently.

286.6.3 The Committee other than recommending the Ministry to carry out the necessary change, find the provisions to be a textual simplification and accept the Clause as proposed.

Clause 287– Rectification of mistake

287.1 Provision proposed in the Income-Tax Bill, 2025:

287. (*1*) An income-tax authority referred to in section 236, for rectifying any mistake apparent from the record, may amend any—

(*a*) order passed by it under the provisions of this Act;

(*b*) intimation or deemed intimation under section 271(*1*);

(*c*) intimation under section 399.

(*2*) Irrespective of anything contained in any law in force, the authority concerned may, amend any order under sub-section (*1*) in relation to any matter, other than the matter considered and decided in any proceeding by way of appeal or revision, relating to such order.

(*3*) Subject to the other provisions of this section, the authority concerned,—

(*a*) may make an amendment under sub-section (*1*) of its own motion; and

(*b*) shall make such amendment for rectifying any such mistake which has been brought to its notice by—

(*i*) the assessee or the deductor or the collector; or

(*ii*) the Assessing Officer, if the authority concerned is the Joint Commissioner (Appeals) or the Commissioner (Appeals).

(*4*) No amendment that enhances an assessment, reduces a refund or otherwise increases the liability of the assessee or the deductor or the collector, shall be made under this section by the authority concerned without giving—

(*a*) a notice of its intention of making such amendment; and

(*b*) a reasonable opportunity of being heard.

(*5*) The income-tax authority concerned shall pass an order in writing, if an amendment is made under this section.

(*6*) The Assessing Officer shall make refund which may be due to the assessee or the deductor or the collector, where an amendment reduces the assessment or otherwise reduces the liability of such assessee or the deductor or the collector.

(*7*) The Assessing Officer shall serve on the assessee or the deductor or the collector, a notice of demand in such form as prescribed specifying the sum payable,—

(*a*) where an amendment enhances the assessment or reduces a refund already made or otherwise increases the liability of such assessee or the deductor or the collector; and

(*b*) such notice shall be deemed to be issued under section 289 and the provisions of this Act shall apply accordingly.

(*8*) No amendment under this section, except as provided in section 288, shall be made after four years from the end of the financial year in which the order sought to be amended was passed.

(*9*) Subject to sub-section (*8*), an income-tax authority referred to in sub-section (*1*), shall pass an order for making the amendment or refusing to allow the claim within six months from the end of the month in which the application for amendment under this section is received by it from the assessee or the deductor or the collector.

287.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Rectification of mistake.

154. (1) With a view to rectifying any mistake apparent from the record an income- tax authority referred to in section 116 may,—

(*a*) amend any order passed by it under the provisions of this Act ;

(*b*) amend any intimation or deemed intimation under sub-section (1) of section 143;

(*c*) amend any intimation under sub-section (1) of section 200A;

(*d*) amend any intimation under sub-section (1) of section 206CB.

(1A) Where any matter has been considered and decided in any proceeding by way of appeal or revision relating to an order referred to in sub-section (1), the authority passing such order may, notwithstanding anything contained in any law for the time being in force, amend the order under that sub-section in relation to any matter other than the matter which has been so considered and decided.

(2) Subject to the other provisions of this section, the authority concerned—

(*a*) may make an amendment under sub-section (1) of its own motion, and

(*b*) shall make such amendment for rectifying any such mistake which has been brought to its notice by the assessee or by the deductor or by the collector, and where the authority concerned is [24][the Joint Commissioner (Appeals) or] the Commissioner (Appeals), by the Assessing Officer also.

(3) An amendment, which has the effect of enhancing an assessment or reducing a refund or otherwise increasing the liability of the assessee or the deductor or the collector, shall not be made under this section unless the authority concerned has given notice to the assessee or the deductor or the collector of its intention so to do

and has allowed the assessee or the deductor or the collector a reasonable opportunity of being heard.

(4) Where an amendment is made under this section, an order shall be passed in writing by the income-tax authority concerned.

(5) Where any such amendment has the effect of reducing the assessment or otherwise reducing the liability of the assessee or the deductor or the collector, the Assessing Officer shall make any refund which may be due to such assessee or the deductor or the collector.

(6) Where any such amendment has the effect of enhancing the assessment or reducing a refund already made or otherwise increasing the liability of the assessee or the deductor or the collector, the Assessing Officer shall serve on the assessee or the deductor or the collector, as the case may be a notice of demand in the prescribed form specifying the sum payable, and such notice of demand shall be deemed to be issued under section 156 and the provisions of this Act shall apply accordingly.

(7) Save as otherwise provided in section 155 or sub-section (4) of section 186 no amendment under this section shall be made after the expiry of four years from the end of the financial year in which the order sought to be amended was passed.

(8) Without prejudice to the provisions of sub-section (7), where an application for amendment under this section is made by the assessee or by the deductor or by the collector on or after the 1st day of June, 2001 to an income-tax authority referred to in sub-section (1), the authority shall pass an order, within a period of six months from the end of the month in which the application is received by it,—

(*a*) making the amendment; or

(*b*) refusing to allow the claim.

287.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

Clause 287 of the Bill provides for rectification of mistake. The clause corresponds to section 154 of the Act. There is no major policy change. In sub-section 154(7) of the Act, there is a reference to sub-section (4) of 186 of the Act. Section 186 is now redundant as it is omitted from statute by Finance Act, 1992. Accordingly, there is no corresponding reference in the clause.

287.4 Important Views/Suggestions given by Experts/Stakeholders:

i. In addition to any order under sub-clause (1), reference should also be made to any intimation under sub-clause (1). The modified subsection would read: '(2) Irrespective of anything contained in any law in force, the authority concerned

may, amend any order or intimation under sub-clause (1) in relation to any matter, other than the matter considered and decided in any proceeding by way of appeal or revision, relating to such order.' Sub-clause (1) of Section 287 encompasses not just "orders" but also "intimations" under Clauses 270(1) and 399.The intent of Clause 287(2) is to permit rectification of any mistake apparent from the record unless the matter is already adjudicated in appeal or revision. The exclusion of "intimations" under sub-clause (2) appears to be inadvertent.

ii. In addition to order, reference should also be made to any intimation. The modified sub-clause would read: 'No amendment under this section, except as provided in section 288, shall be made after four years from the end of the financial year in which the order or intimation sought to be amended was passed.' The absence of reference to intimations in sub-clause (8) may lead to an erroneous conclusion that intimations can be rectified without any time limit.

iii. If the order is not passed within a period provided in sub-clause 9 of the bill, the application be deemed to be rejected, and appeal be allowed to lie to the competent authority. The competent appellate authority be empowered to allow the cost of such appeals. On such appeals, the cost shall be allowed to the assessee. Under the current clause there is no power to Commissioner/JT Commissioner Appeals to award cost of appeal This be amended appropriately It is generally observed that Income Tax Authorities avoid/delay passing such orders, putting the assesses to incontinence. The assesse has no remedy to this problem. Such provision will streamline the process of rectification and the assesse shall have an alternative remedy to his grievance Under the current clause, there is no power to Commissioner/JT Commissioner Appeals to award cost of appeal. This, be amended appropriately. The cost of appeal will provide some compensation to the assesse for the inaction by the Income Tax Department.

iv. Reference to 271(1) in 287(1)(b) should be corrected to 270(1) The modified subsection would read 287 (1) An income-tax authority referred to in section 236, for rectifying any mistake apparent from the record, may amend any— (a) order passed by it under the provisions of this Act; (b) intimation or deemed intimation under section 270(1); (c) intimation under section 399. The correct section for intimation under the IT Bill is 270 and not 271 271 deals with Best judgment assessment.

v. JAO should be directed to review and dispose rectification application independently regardless of appeal being filed If order either accepting or rejecting application is not passed within 6 months after the month in which the request was received, it will be deemed to be considered as if order has been passed in favour of taxpayer or against the taxpayer (if there is delay on part of the taxpayer in providing information) Additionally, if the taxpayer is owed a

refund in these situations, taxpayer should be eligible for extra interest at a rate of 3% per annum. JAO often hesitates to rectify mistake apparent from the records, if an appeal against the said issue is already filed and pending for disposal In practice, many Jurisdictional Assessing Officers decline to entertain or delay rectification applications simply because an appeal on the same issue is pending — even when the issue is not yet adjudicated or the rectification pertains to an undisputed factual error This leads to prolonged litigation, unnecessary interest cost to the assessee, and blockage of refunds.

287.5 Examination by the Committee:

287.5.1 To the above suggestions, the Ministry provided following replies:

i. The suggestion seeks that intimation may also be allowed to be amended under clause 287(2). Power to amend intimation is already there in cl. 287(1). Cl. 287(2) restricts the power of amendment and does not provide any new power. The suggestion is noted for removing any ambiguity.

ii. This is a drafting correction. The clause 287(8) Rectification of mistake shall be amended to provide reference of intimation.

iii. The suggestion seeks to make provision for deemed rejection of a rectification order if it is not passed within 6 months and consequent automatic appeal and also allow cost of such appeal. There is no change in the provisions of the Bill viz-a-viz Act. It is impractical, nay impossible to determine refund or raise demand through deeming provisions. It is also impossible to allow for appeal where there is no order against which the appeal is being made. The suggestion will increase litigation. The rectification of an order requires multiple stakeholders-assessee , CPC TDS, CPC-ITR and ITBA. The challan claims needs OLTAS verification which takes time as some of the challans are partially consumed against any pending demand of the assessee against other assessment year's demand. Sometimes rectification orders are to be done in manual to system mode in ITBA for which accounting by CPC takes weeks. Therefore, multiple reasons exist for not processing the rectification order in time. Deemed rejection of such applications and consequent automatic appeal will duplicate the work done and increase litigation. Levy of cost is the power of Courts and Tribunals, and is not vested with the income tax Authorities. Rectification and Order giving Effect, are being monitored at the highest level of the Government and grievances in this regard is effectively being reduced.

iv. This is a drafting correction. The reference 271(1) in clause 287(1)(b) shall be replaced by clause 270(1).

v. The suggestion seeks to provide for directions to JAO to dispose rectification application independently regardless of appeal being filed on the same matter and if such order is not passed within 6 months then such order shall be deemed

to be passed in favour of assessee and provide extra refund of 3 % to assessee. It is of administrative nature which is outside the scope of the Bill. There is no change in the provisions of the Bill viz-a-viz Act. It is impractical, nay impossible to provide for deeming provisions. Refund or demand cannot be determined by deeming provisions. There is no bar in the Act or Bill that restrict JAO to dispose such rectification applications even if the matter is pending in appeal. Rectification application handling has been shifted to systems to improve efficiency. There are targets assigned to JAO in Central Action Plan which is monitored by CIT/CCIT and PrCCIT. The assessee receives refund as per clause 437(interest on refunds) which is adequate.

287.5.2 The Committee sought clarification from the Ministry about those cases for which rectification orders are not issued in six months and about the global practices in this context. The Ministry in their oral evidence submitted as follows:

Sir, the cases are decided in due course. Then, I would like to just mention or submit a point that you made as regards global perspectives. In the US, how are the returns being processed vis-a-vis what is the difference as far as processing of returns in India is concerned? The fundamental difference is that at the time of processing of the returns, the tax credits that are available with the taxpayers, they are not matched in the US system. The return is just processed based on the return that is submitted by the taxpayer without any correlation of the TDS or any tax payment that has been reported by the taxpayer, and the return is processed. Subsequent to that, then the matching of the tax credit with the tax payments, that is done by the system and that is done after a few months. And in case there are frauds, then that is taken as the cost of business.

In India, that is not the case. In India, while processing the return, we match the tax credits available in the system with the tax rates that are claimed by the taxpayer and that is a fundamental difference. And that is why, the number of outliers, the number of cases where there is a discrepancy, that goes high. So, therefore, there are differences. In so far as UK and Australia is concerned, Sir, I am not justifying the timelines that we miss, but the number of cases, the number of SSEs, taxpayers, that the system in India processes is much higher than that in Australia.

287.5.3 In this regard, the Ministry further added as follows:

The rectification of an order requires multiple stakeholders-assessee, CPC TDS, CPC-ITR and ITBA. The challan claims needs OLTAS verification which takes time as some of the challans are partially consumed against any pending demand of the assessee against other assessment year's demand. Sometimes rectification orders are to be done in manual to system mode in ITBA for which accounting by CPC takes weeks. Therefore, multiple reasons exist for not processing the rectification order in time. Deemed rejection of such applications and consequent automatic appeal will duplicate the work done and increase

litigation. Levy of cost is the power of Courts and Tribunals, and is not vested with the income-tax Authorities. Rectification and Order giving Effect, are being monitored at the highest level of the Government and grievances in this regard is effectively being reduced.

The provisions of 'deemed rejection, consequent automatic appeal and allowing cost of such appeal' are not present in the tax laws of major economies like UK, Germany.

The proposed approach for deemed rejection of a taxpayer's rectification application (i.e., a fictitious negative decision), or the Indonesian approach of deemed acceptance of the application on delay in passing the rectification order (i.e., a fictitious positive decision) have been heavily debated in the field of administrative law.

As per the paper titled 'Silence of the Administration' , a system of fictitious negative decisions presupposes possibly lengthy court proceedings that are not preferred by citizens and companies. Therefore, administrative law scholarship needs to find other solutions to tackle the problem of failing to act within time-limits.

287.6 Observations/Recommendations of the Committee:

287.6.1 The Committee observe that Clause 287(1) provides for amending any order and intimation within its context. However, in Clause 287(2), while referring to the above said sub-clause (1), the Bill refers to 'order' only. Therefore, to bring in more clarity, the Committee recommend that in sub-clause (2), the word 'intimation' may suitably be mentioned at Line No.33 after 'order'. The Committee also recommend that similar reference to 'intimation' may also be suitably mentioned in sub-clause (8).

287.6.2 The Committee also recommend that the reference to Clause 271(1) dealing with best judgment assessment in Clause 287(1)(b) may be suitably replaced by "Clause 270(1)" which actually deals with assessment.

287.6.3 The Committee other than recommending the Ministry to carry out the necessary change, find the provisions to be a textual simplification and accept the Clause as proposed.

Clause 288– Other amendments

288.1 Provision proposed in the Income-Tax Bill, 2025:

288. The Assessing Officer, may carry out such actions as are specified in column B of the Table below for reasons mentioned therein, subject to the conditions as specified in column C, within four years (except serial number 12) referred to in section 287(*8*) which shall be reckoned from the time as specified in column D, and the provisions of section 287 shall, so far as may be, apply to such amendment:—

Table

Sl.No.	Actions	Conditions	Time
A	B	C	D
1.	Amendment of order of assessment of the partner of a firm so as to adjust the income of the partner corresponding to the amount not deductible under section 35(*f*)	Where any remuneration to any partner determined in completed assessment of the firm is subsequently found not deductible under section 35(*f*) in terms of— (*a*) assessment or reassessment of the firm; or (*b*) any reduction or enhancement made in the income of the firm under this section or section 287 or 356 or 363 or 365or 368 or 377 or 378; or (*c*) any order passed under section 245D (*4*) of the Income-tax Act,	From the end of the financial year in which the subsequent order was passed in the case of the firm.

A	B	C	D
		1961 on the application made by the firm,	
2.	Amendment of order of assessment of the member of an association of persons or of a body of individuals; so as to include the share of the member in the assessment or the corrections thereof	Where the share of the member in the income of the association of persons or body of individuals determined in completed assessment is subsequently found not included in the assessment of the member or, if included, is not correct in terms of — (*a*) assessment or reassessment of the association or body; (*b*) any reduction or enhancement made in the income of the association or body under this section or section 287 or 359 or 363 or 365 or 368 or 377 or 378; or (*c*) any order passed under section 245D (*4*) of the Income-tax Act, 1961 (43 of 1961) on the application	From the end of the financial year in which the subsequent order was passed in the case of the association or body.

		made by the association or body.	
3.	Total income of the assessee in respect of succeeding year or years referred to in column C, to be recomputed and necessary amendment made consequent to proceedings initiated under section 279 for any tax year.	(*a*) Recomputation of loss or depreciation; and (*b*) in consequence to such recomputation, recompute the total income of the assessee for the succeeding year or years to which the loss or depreciation allowance has been carried forward and set off under the provisions of section 112(*1*) or 113(*2*) or 111(*1*) and (*2*) or 115(*1*)	From the end of the financial year in which the order under section 279 was passed.
4.	The total income of the transferor company for the tax year referred to in column C, to be recomputed and necessary amendment made.	Where in the assessment for any tax year,— (*a*) the capital gain arising from the transfer of a capital asset is not charged under section 67 in terms of section 70(*1*)(*c*) or (*d*);	From the end of the year— (*i*) in which the capital asset was converted or treated as stock-in trade; or

		(*b*) such gains are deemed under section 71(*1*) as "Capital gains" of the tax year in which the transfer took place at any time before the expiry of the period of eight years from the date of such transfer by reason of—	(ii) in which the parent company or its nominees or, the holding company ceased to hold the whole of the share capital of the subsidiary company.
		(*i*) such capital asset being converted by the transferee company into, or being treated by it, as stock-in trade of its business; or	
		(*ii*) the parent company or its nominees or, the holding company ceasing to hold the whole of the share capital of the subsidiary company.	
5.	The order of assessment to be amended; so	Where in the assessment for any tax year, a capital gain on transfer of original asset, referred to in	From the end of the financial year in which the compensatio

	as to exclude the capital gain not chargeable to tax under any of the sections referred to in section 89.	section 89 is charged to tax and within the period extended under that section— (*a*) the assessee acquires the new asset referred to in that section; or (*b*) deposits or invests such capital gain.	n was received by the assessee.
6.	The order of assessment to be amended - to allow deduction -in respect of such income or part thereof as is so received in, or brought into, India.	Where in the assessment for any year, any deduction under section 144 has not been allowed on the ground that— (*a*) such income has not been received in convertible foreign exchange in India; or (*b*) having been received in convertible foreign exchange outside India, or having been converted into convertible foreign exchange outside India, has not been brought into India, by or on behalf of the assessee with the	From the end of the financial year in which such income is so received in, or brought into, India.

		approval of the Reserve Bank of India or such other authority as is authorised under any law for the time being in force for regulating payments and dealings in foreign exchange, and subsequently such income or part thereof has been or is received in, or brought into, India in the manner specified in (*b*) above.	
7.	The order of assessment or any intimation or deemed intimation under section 270(*1*), -to be amended, - to give credit for income-tax - for the year in which such income is offered to tax or assessed to tax in India.	Where in the assessment for any tax year or in any intimation or deemed intimation under section 270(*1*) for any tax year,— (*a*) credit for income-tax paid in any country outside India or a specified territory outside India referred to in Chapter IX-B has not been given on the ground that the payment of such tax was under dispute; and	From the end of the financial year in which such dispute is settled.

		(*b*) subsequently such dispute is settled; and the assessee, within six months from the end of the month in which the dispute is settled, furnishes to the Assessing Officer—	
		(*i*) evidence of settlement of dispute and evidence of payment of such tax; and	
		(*ii*) an undertaking that no credit in respect of such amount has directly or indirectly been claimed or shall be claimed for any other tax year.	
8.	The order of assessment - to be amended -to compute the capital gain by taking the full value of the consideration to be the	Where, in the assessment for any year, a capital gain arising from the transfer of a capital asset, being land or building or both, is computed—	From the end of the financial year in which the order revising the value was passed in appeal or revision or reference.
		(*a*) by taking the full value of the consideration received or	

	value as so revised in appeal or revision or reference.	accruing as a result of the transfer to be the value adopted or assessed by any authority of a State Government for the purpose of payment of stamp duty as per section 78(*1*); and (*b*) subsequently such value is revised in any appeal or revision or reference referred to in section 78(*2*)(*b*).	
9.	The order of assessment - to be amended - to compute the capital gain by taking the compensation or consideration as so reduced by the court, Tribunal or any other authority to be the full value of consideration.	(*a*) Where in the assessment for any year, a capital gain arising from the transfer of a capital asset being a transfer referred to in clause (*b*) is computed— (*i*) by taking the compensation or consideration as referred to in section 67(*12*)(*a*) or, as the case may be, the compensation or consideration enhanced or further enhanced as referred to in section 67(*12*)(*b*),to be the full value of	From the end of the financial year in which the order reducing the compensation was passed by the court, Tribunal or other authority.

			consideration deemed to be received or accruing as a result of the transfer of the asset; and (*ii*) subsequently such compensation or consideration is reduced by any court, Tribunal or other authority.	
			(*b*) The transfer and consideration referred to in clause (*a*) shall be (*i*) Transfer by way of compulsory acquisition under any law; (*ii*) consideration that was determined or approved by the Central Government or the Reserve Bank of India.	
10.	Amendment to total income to disallow the deduction allowed under section 152.	Where a deduction has been allowed to an assessee in any tax year undersection 152 in respect of any patent, and subsequently by an order of the Controller or the High Court under the Patents Act,	From the end of the financial year in which the order of the Controller under section 2(*1*)(*b*), or the High Court under section	

		1970 (39 of 1970),— (*a*) the patent was revoked, or (*b*) the name of the assessee was excluded from the patents register as patentee in respect of that patent, the deduction from the income by way of royalty attributable to the period during which the patent had been revoked or the period for which name of the assessee was excluded as patentee in respect of that patent, shall be deemed to have been wrongly allowed.	2(*1*)(*i*), of the Patents Act, 1970(39 of 1970), was passed.
11.	Amendment of the order of assessment or any intimation - to allow credit of such tax deducted at source in the tax year referred to in column C, and the credit of	(*a*)Where any income has been included in the return of income furnished by an assessee under section 263 for any tax year, and tax on such income has been deducted at source and paid to the credit of the Central Government as per the provisions of Chapter XIX-B in a subsequent tax year; and	From the end of the financial year in which such tax has been deducted.

	such tax deducted at source not to be allowed in any other tax year.	(*b*) an application is made by an assessee in such form, as prescribed, within two years from the end of the tax year in which such tax was deducted at source.	
12.	The order of assessment or any intimation or deemed intimation under section 271 to be amended for two consecutive tax years to give effect to the order passed under section 166(*6*) or directions issued under section 275(*5*)	Where the Transfer Pricing Officer under section 166(*9*) declares the option of the assessee, for determining the arm's length price of similar international or specified domestic transaction for the two consecutive tax years immediately following the relevant tax year, as valid.	(*i*) Within three months from the end of the month in which the assessment is completed in the case of the assessee for the relevant tax year, and section 165(*7*) and (*8*) is applicable. (*ii*) If the order of assessment or any intimation or deemed intimation under section 270(*1*), for the two consecutive tax years is not made within the said three months,

such recomputation shall be made within three months from the end of the month in which such order of assessment or intimation or deemed intimation, is made.

288.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Other amendments.

155. (1) Where, in respect of any completed assessment of a partner in a firm for the assessment year commencing on the 1st day of April, 1992, or any earlier assessment year, it is found—

(*a*) on the assessment or reassessment of the firm, or

(*b*) on any reduction or enhancement made in the income of the firm under this section, section 154, section 250, section 254, section 260, section 262, section 263 or section 264, or

(*c*) on any order passed under sub-section (4) of section 245D on the application made by the firm,

that the share of the partner in the income of the firm has not been included in the assessment of the partner or, if included, is not correct, the Assessing Officer may amend the order of assessment of the partner with a view to the inclusion of the share in the assessment or the correction thereof, as the case may be; and the provisions of section 154 shall, so far as may be, apply thereto, the period of four years specified in sub-section (7) of that section being reckoned from the end of the financial year in which the final order was passed in the case of the firm.

(1A) Where in respect of any completed assessment of a firm it is found—

(*a*) on the assessment or reassessment of the firm, or

(*b*) on any reduction or enhancement made in the income of the firm under this section, section 154, section 250, section 254, section 260, section 262, section

263 or section 264, or

(*c*) on any order passed under sub-section (4) of section 245D on the application made by the firm,

that any remuneration to any partner is not deductible under clause (*b*) of section 40, the Assessing Officer may amend the order of assessment of the partner with a view to adjusting the income of the partner to the extent of the amount not so deductible ; and the provisions of section 154 shall, so far as may be, apply thereto, the period of four years specified in sub-section (7) of that section being reckoned from the end of the financial year in which the final order was passed in the case of the firm.

(2) Where in respect of any completed assessment of a member of an association of persons or of a body of individuals it is found—

(*a*) on the assessment or reassessment of the association or body, or

(*b*) on any reduction or enhancement made in the income of the asso-ciation or body under this section, section 154, section 250, section 254, section 260, section 262, section 263 or section 264, or

(*c*) on any order passed under sub-section (4) of section 245D on the application made by the association or body,

that the share of the member in the income of the association or body, as the case may be, has not been included in the assessment of the member or, if included, is not correct, the Assessing Officer may amend the order of assessment of the member with a view to the inclusion of the share in the assessment or the correction thereof, as the case may be ; and the provisions of section 154 shall, so far as may be, apply thereto, the period of four years specified in sub-section (7) of that section being reckoned from the end of the financial year in which the final order was passed in the case of the association or body, as the case may be.

(3) [***]

(4) Where as a result of proceedings initiated under section 147, a loss or depreciation has been recomputed and in consequence thereof it is necessary to recompute the total income of the assessee for the succeeding year or years to which the loss or depreciation allowance has been carried forward and set off under the provisions of sub-section (1) of section 72, or sub-section (2) of section 73, or sub-section (1) or sub-section (3) of section 74, or sub-section (3) of section 74A, the Assessing Officer may proceed to recompute the total income in respect of such year or years and make the necessary amendment ; and the provisions of section 154 shall, so far as may be, apply thereto, the period of four years specified in sub-section (7) of that section being reckoned from the end of the financial year in which the order was passed under section 147.

(4A) Where an allowance by way of investment allowance has been made wholly or partly to an assessee in respect of a ship or an aircraft or any machinery or plant in any assessment year under section 32A and subsequently—

(*a*) at any time before the expiry of eight years from the end of the previous year in which the ship or aircraft was acquired or the machinery or plant was installed, the ship, aircraft, machinery or plant is sold or otherwise transferred by the assessee to any person other than the Government, a local authority, a corporation established by a Central, State or Provincial Act or a Government company as defined in section 617 of the Companies Act, 1956 (1 of 1956), or in connection with any amalgamation or succession referred to in sub-section (6) or sub-section (7) of section 32A ; or

(*b*) at any time before the expiry of ten years from the end of the previous year in which the ship or aircraft was acquired or the machinery or plant was installed, the assessee does not utilise the amount credited to the reserve account under sub-section (4) of section 32A for the purposes of acquiring a new ship or a new aircraft or new machinery or plant (other than machinery or plant of the nature referred to in clauses (*a*), (*b*) and (*d*) of the second proviso to sub-section (1) of section 32A) for the purposes of the business of the undertaking ; or

(*c*) at any time before the expiry of ten years referred to in clause (*b*) the assessee utilises the amount credited to the reserve account under sub-section (4) of section 32A—

(*i*) for distribution by way of dividends or profits ; or

(*ii*) for remittance outside India as profits or for the creation of any asset outside India ; or

(*iii*) for any other purpose which is not a purpose of the business of the undertaking,

the investment allowance originally allowed shall be deemed to have been wrongly allowed, and the Assessing Officer may, notwithstanding anything contained in this Act, recompute the total income of the assessee for the relevant previous year and make the necessary amendment; and the provisions of section 154 shall, so far as may be, apply thereto, the period of four years specified in sub-section (7) of that section being reckoned,—

(*i*) in a case referred to in clause (*a*), from the end of the previous year in which the sale or other transfer took place ;

(*ii*) in a case referred to in clause (*b*), from the end of the ten years referred to in that clause ;

(*iii*) in a case referred to in clause (*c*), from the end of the previous year in which

the amount was utilised.

Explanation.—For the purposes of clause (*b*), "new ship" or "new aircraft" or "new machinery or plant" shall have the same meanings as in the *Explanation* below sub-section (2) of section 32A.

(5) Where an allowance by way of development rebate has been made wholly or partly to an assessee in respect of a ship, machinery or plant installed after the 31st day of December, 1957, in any assessment year under section 33 or under the corresponding provisions of the Indian Income-tax Act, 1922 (11 of 1922), and subsequently—

(*i*) at any time before the expiry of eight years from the end of the previous year in which the ship was acquired or the machinery or plant was installed, the ship, machinery or plant is sold or otherwise transferred by the assessee to any person other than the Government, a local authority, a corporation established by a Central, State or Provincial Act or a Government company as defined in section 617 of the Companies Act, 1956 (1 of 1956), or in connection with any amalgamation or succession referred to in sub-section (3) or sub-section (4) of section 33 ; or

(*ii*) at any time before the expiry of the eight years referred to in sub-section (3) of section 34, the assessee utilises the amount credited to the reserve account under clause (*a*) of that sub-section—

(*a*) for distribution by way of dividends or profits ; or

(*b*) for remittance outside India as profits or for the creation of any asset outside India ; or

(*c*) for any other purpose which is not a purpose of the business of the undertaking,

the development rebate originally allowed shall be deemed to have been wrongly allowed, and the Assessing Officer may, notwithstanding anything contained in this Act, recompute the total income of the assessee for the relevant previous year and make the necessary amendment; and the provisions of section 154 shall, so far as may be, apply thereto, the period of four years specified in sub-section (7) of that section being reckoned from the end of the previous year in which the sale or transfer took place or the money was so utilised.

(5A) Where an allowance by way of development allowance has been made wholly or partly to an assessee in respect of the cost of planting in any area in any assessment year under section 33A and subsequently—

(*i*) at any time before the expiry of eight years from the end of the previous year in which such allowance was made, the land is sold or otherwise transferred by the assessee to any person other than the Government, a local authority, a corporation established by a Central, State or Provincial Act or a Government

company as defined in section 617 of the Companies Act, 1956 (1 of 1956), or in connection with any amalgamation or succession referred to in sub-section (5) or sub-section (6) of section 33A ; or

(*ii*) at any time before the expiry of the eight years referred to in sub-section (3) of section 33A, the assessee utilises the amount credited to the reserve account under clause (*ii*) of that sub-section—

(*a*) for distribution by way of dividends or profits ; or

(*b*) for remittance outside India as profits or for the creation of any asset outside India ; or

(*c*) for any other purpose which is not a purpose of the business of the undertaking ;

the development allowance originally allowed shall be deemed to have been wrongly allowed, and the Assessing Officer may, notwithstanding anything contained in this Act, recompute the total income of the assessee for the relevant previous year and make the necessary amendment ; and the provisions of section 154 shall, so far as may be, apply thereto, the period of four years specified in sub-section (7) of that section being reckoned from the end of the previous year in which the sale or transfer took place or the money was so utilised.

Explanation.—For the purposes of this sub-section, where an assessee having any leasehold or other right of occupancy in any land transfers such right, he shall be deemed to have sold or otherwise transferred such land.

(5B) Where any deduction in respect of any expenditure on scientific research has been made in any assessment year under sub-section (2B) of section 35 and the assessee fails to furnish a certificate of completion of the programme obtained from the prescribed authority within one year of the period allowed for its completion by such authority, the deduction originally made in excess of the expenditure actually incurred shall be deemed to have been wrongly made, and the Assessing Officer may, notwithstanding anything contained in this Act, recompute the total income of the assessee for the relevant previous year and make the necessary amendment; and the provisions of section 154 shall, so far as may be, apply thereto, the period of four years specified in sub-section (7) of that section being reckoned from the end of the previous year in which the period allowed for the completion of the programme by the prescribed authority expired.

(6) [*Omitted by the Direct Tax Laws (Amendment) Act, 1987, w.e.f. 1-4-1992.*]

(7) Where as a result of any proceeding under this Act, in the assessment for any year of a company in whose case an order under section 104 has been made for that year, it is necessary to recompute the distributable income of that company, the Assessing Officer may proceed to recompute the distributable income and determine the tax

payable on the basis of such recomputation and make the necessary amendment ; and the provisions of section 154 shall, so far as may be, apply thereto, the period of four years specified in sub-section (7) of that section being reckoned from the end of the financial year in which the final order was passed in the case of the company in respect of that proceeding.

(7A) [*Omitted by the Direct Tax Laws (Amendment) Act, 1987, w.e.f. 1-4-1992.*]

(7B) Where in the assessment for any year, the capital gain arising from the transfer of a capital asset is not charged under section 45 by virtue of the provisions of clause (*iv*) or, as the case may be, clause (*v*) of section 47, but is deemed under section 47A to be income chargeable under the head "Capital gains" of the previous year in which the transfer took place by reason of—

(*i*) such capital asset being converted by the transferee company into, or being treated by it, as stock-in-trade of its business ; or

(*ii*) the parent company or its nominees or, as the case may be, the holding company ceasing to hold the whole of the share capital of the subsidiary company,

at any time before the expiry of the period of eight years from the date of such transfer, the Assessing Officer may, notwithstanding anything contained in this Act, recompute the total income of the transferor company for the relevant previous year and make the necessary amendment ; and the provisions of section 154 shall, so far as may be, apply thereto, the period of four years specified in sub-section (7) of that section being reckoned from the end of the previous year in which the capital asset was so converted or treated or in which the parent company or its nominees or, as the case may be, the holding company ceased to hold the whole of the share capital of the subsidiary company.]

(8) [*Omitted by the Direct Tax Laws (Amendment) Act, 1987, w.e.f. 1-4-1992.*]

(8A) [*Omitted by the Direct Tax Laws (Amendment) Act, 1987, w.e.f. 1-4-1992.*]

(9) [*Omitted by the Direct Tax Laws (Amendment) Act, 1987, w.e.f. 1-4-1992.*]

(9A) [*Omitted by the Direct Tax Laws (Amendment) Act, 1987, w.e.f. 1-4-1992.*]

(10) [*Omitted by the Direct Tax Laws (Amendment) Act, 1987, w.e.f. 1-4-1992.*]

(10A) Where in the assessment for any year, a capital gain arising from the transfer of a long-term capital asset, is charged to tax and within a period of six months after the date of such transfer, the assessee has made any investment or deposit in any specified asset within the meaning of *Explanation 1* to sub-section (1) of section 54E, the Assessing Officer shall amend the order of assessment so as to exclude the amount of the capital gain not chargeable to tax under the provisions of sub-section (1) of section 54E ; and the provisions of section 154 shall, so far as may be, apply

thereto, the period of four years specified in sub-section (7) of that section being reckoned from the end of the financial year in which the assessment was made.

(10B) [*Omitted by the Direct Tax Laws (Amendment) Act, 1987, w.e.f. 1-4-1992.*]

(10C) [*Omitted by the Direct Tax Laws (Amendment) Act, 1987, w.e.f. 1-4-1992.*]

(11) Where in the assessment for any year, a capital gain arising from the transfer of any original asset as is referred to in section 54H is charged to tax and within the period extended under that section the assessee acquires the new asset referred to in that section or, as the case may be, deposits or invests the amount of such capital gain within the period so extended, the Assessing Officer shall amend the order of assessment so as to exclude the amount of the capital gain not chargeable to tax under any of the sections referred to in section 54H; and the provisions of section 154 shall, so far as may be, apply thereto, the period of four years specified in sub-section (7) of section 154 being reckoned from the end of the previous year in which the compensation was received by the assessee.

(11A) Where in the assessment for any year, the deduction under section 10A or [25][section 10AA or] section 10B or section 10BA has not been allowed on the ground that such income has not been received in convertible foreign exchange in India, or having been received in convertible foreign exchange outside India, or having been converted into convertible foreign exchange outside India, has not been brought into India, by or on behalf of the assessee with the approval of the Reserve Bank of India or such other authority as is authorised under any law for the time being in force for regulating payments and dealings in foreign exchange and subsequently such income or part thereof has been or is received in, or brought into, India in the manner aforesaid, the Assessing Officer shall amend the order of assessment so as to allow deduction under section 10A or [25][section 10AA or] section 10B or section 10BA, as the case may be, in respect of such income or part thereof as is so received in, or brought into, India, and the provisions of section 154 shall, so far as may be, apply thereto, and the period of four years shall be reckoned from the end of the previous year in which such income is so received in, or brought into, India.

(12) Where in the assessment for any year commencing before the 1st day of April, 1988, the deduction under section 80-O in respect of any income, being the whole or any part of income by way of royalty, commission, fees or any similar payment as is referred to in that section, has not been allowed on the ground that such income has not been received in convertible foreign exchange in India, or having been received in convertible foreign exchange outside India, or having been converted into convertible foreign exchange outside India, has not been brought into India, by or on behalf of the assessee in accordance with any law for the time being in force for regulating payments and dealings in foreign exchange and subsequently such income or part thereof has been or is received in, or brought into, India in the manner aforesaid, the

Assessing Officer shall amend the order of assessment so as to allow deduction under section 80-O in respect of such income or part thereof as is so received in, or brought into, India; and the provisions of section 154 shall, so far as may be, apply thereto, the period of four years specified in sub-section (7) of that section being reckoned from the end of the previous year in which such income is so received in, or brought into, India; so, however, that the period from the 1st day of April, 1988 to the 30th day of September, 1991 shall be excluded in computing the period of four years.

(13) Where in the assessment for any year, the deduction under section 80HHB or section 80HHC or section 80HHD or section 80HHE or section 80-O or section 80R or section 80RR or section 80RRA has not been allowed on the ground that such income has not been received in convertible foreign exchange in India, or having been received in convertible foreign exchange outside India, or having been converted into convertible foreign exchange outside India, has not been brought into India, by or on behalf of the assessee with the approval of the Reserve Bank of India or such other authority as is authorised under any law for the time being in force for regulating payments and dealings in foreign exchange and subsequently such income or part thereof has been or is received in, or brought into, India in the manner aforesaid, the Assessing Officer shall amend the order of assessment so as to allow deduction under section 80HHB or section 80HHC or section 80HHD or section 80HHE or section 80-O or section 80R or section 80RR or section 80RRA, as the case may be, in respect of such income or part thereof as is so received in, or brought into, India; and the provisions of section 154 shall, so far as may be, apply thereto, and the period of four years shall be reckoned from the end of the previous year in which such income is so received in, or brought into, India.

(14) Where in the assessment for any previous year or in any intimation or deemed intimation under sub-section (1) of section 143 for any previous year, credit for tax deducted or collected in accordance with the provisions of section 199 or, as the case may be, section 206C has not been given on the ground that the certificate furnished under section 203 or section 206C was not filed with the return and subsequently such certificate is produced before the Assessing Officer within two years from the end of the assessment year in which such income is assessable, the Assessing Officer shall amend the order of assessment or any intimation or deemed intimation under sub-section (1) of section 143, as the case may be, and the provisions of section 154 shall, so far as may be, apply thereto :

Provided that nothing contained in this sub-section shall apply unless the income from which the tax has been deducted or income on which the tax has been collected has been disclosed in the return of income filed by the assessee for the relevant assessment year.

(14A) Where in the assessment for any previous year or in any intimation or deemed intimation under sub-section (1) of section 143 for any previous year, credit for income-tax paid in any country outside India or a specified territory outside India referred to in section 90, section 90A or section 91 has not been given on the ground that the payment of such tax was under dispute, and if subsequently such dispute is settled; and the assessee, within six months from the end of the month in which the dispute is settled, furnishes to the Assessing Officer evidence of settlement of dispute and evidence of payment of such tax along with an undertaking that no credit in respect of such amount has directly or indirectly been claimed or shall be claimed for any other assessment year, the Assessing Officer shall amend the order of assessment or any intimation or deemed intimation under sub-section (1) of section 143, as the case may be, and the provisions of section 154 shall, so far as may be, apply thereto:

Provided that the credit of tax which was under dispute shall be allowed for the year in which such income is offered to tax or assessed to tax in India.

(15) Where in the assessment for any year, a capital gain arising from the transfer of a capital asset, being land or building or both, is computed by taking the full value of the consideration received or accruing as a result of the transfer to be the value adopted or assessed by any authority of a State Government for the purpose of payment of stamp duty in accordance with sub-section (1) of section 50C, and subsequently such value is revised in any appeal or revision or reference referred to in clause (*b*) of sub-section (2) of that section, the Assessing Officer shall amend the order of assessment so as to compute the capital gain by taking the full value of the consideration to be the value as so revised in such appeal or revision or reference; and the provisions of section 154 shall, so far as may be, apply thereto, and the period of four years shall be reckoned from the end of the previous year in which the order revising the value was passed in that appeal or revision or reference.

(16) Where in the assessment for any year, a capital gain arising from the transfer of a capital asset, being a transfer by way of compulsory acquisition under any law, or a transfer, the consideration for which was determined or approved by the Central Government or the Reserve Bank of India, is computed by taking the compensation or consideration as referred to in clause (*a*) or, as the case may be, the compensation or consideration enhanced or further enhanced as referred to in clause (*b*) of sub-section (5) of section 45, to be the full value of consideration deemed to be received or accruing as a result of the transfer of the asset and subsequently such compensation or consideration is reduced by any court, Tribunal or other authority, the Assessing Officer shall amend the order of assessment so as to compute the capital gain by taking the compensation or consideration as so reduced by the court, Tribunal or any other authority to be the full value of consideration; and the provisions of section 154 shall, so far as may be, apply thereto, and the period of four years shall be

reckoned from the end of the previous year in which the order reducing the compensation was passed by the court, Tribunal or other authority.

(17) Where a deduction has been allowed to an assessee in any assessment year under section 80RRB in respect of any patent, and subsequently by an order of the Controller or the High Court under the Patents Act, 1970 (39 of 1970),—

(*i*) the patent was revoked, or

(*ii*) the name of the assessee was excluded from the patents register as patentee in respect of that patent,

the deduction from the income by way of royalty attributable to the period during which the patent had been revoked or the period for which the assessee's name was excluded as patentee in respect of that patent, shall be deemed to have been wrongly allowed and the Assessing Officer may, notwithstanding anything contained in this Act, recompute the total income of the assessee for the relevant previous year and make necessary amendment; and the provisions of section 154 shall, so far as may be, apply thereto, the period of four years specified in sub-section (7) of that section being reckoned from the end of the previous year in which such order of the Controller referred to in clause (*b*) of sub-section (1), or the High Court referred to in clause (*i*) of sub-section (1) of section 2, of the Patents Act, 1970 (39 of 1970), as the case may be, was passed.

(18) Where any deduction in respect of any surcharge or cess, which is not allowable as deduction under section 40, has been claimed and allowed in the case of an assessee in any previous year, such claim shall be deemed to be under-reported income of the assessee for such previous year for the purposes of sub-section (3) of section 270A, notwithstanding anything contained in sub-section (6) of section 270A, and the Assessing Officer shall recompute the total income of the assessee for such previous year and make necessary amendment; and the provisions of section 154 shall, so far as may be, apply thereto, the period of four years specified in sub-section (7) of section 154 being reckoned from the end of the previous year commencing on the 1st day of April, 2021:

Provided that in a case where the assessee makes an application to the Assessing Officer in the prescribed form and within the prescribed time, requesting for recomputation of the total income of the previous year without allowing the claim for deduction of surcharge or cess and pays the amount due thereon within the specified time, such claim shall not be deemed to be under-reported income for the purposes of sub-section (3) of section 270A.

[26][(19) Where any deduction in respect of any expenditure incurred for the purchase of sugarcane has been claimed by an assessee, being a co-operative society engaged in the business of manufacture of sugar, and such deduction has been disallowed wholly or partly in any previous year commencing on or before the 1st day of April, 2014, the

Assessing Officer shall, on the basis of an application made by such assessee in this regard, recompute the total income of the assessee for such previous year after allowing deduction to the extent such expenditure is incurred at a price which is equal to or less than the price fixed or approved by the Government for that previous year, and the provisions of section 154 shall, so far as may be, apply thereto, and the period of four years specified in sub-section (7) of that section shall be reckoned from the end of previous year commencing on the 1st day of April, 2022.]

[27][(20) Where any income has been included in the return of income furnished by an assessee under section 139 for any assessment year (herein referred to as the relevant assessment year) and tax on such income has been deducted at source and paid to the credit of the Central Government in accordance with the provisions of Chapter XVII-B in a subsequent financial year, the Assessing Officer shall, on an application made by the assessee in such form, as may be prescribed, within a period of two years from the end of the financial year in which such tax was deducted at source, amend the order of assessment or any intimation allowing credit of such tax deducted at source in the relevant assessment year, and the provisions of section 154 shall, so far as may be, apply thereto and the period of four years specified in sub-section (7) of that section shall be reckoned from the end of the financial year in which such tax has been deducted:

Provided that the credit of such tax deducted at source shall not be allowed in any other assessment year.]

Following sub-section (21) shall be inserted after sub-section (20) of section 155 by the Finance Act, 2025, w.e.f. 1-4-2026:

(21) Where the arm's length price is determined in relation to an international transaction or a specified domestic transaction under sub-section (3) of section 92CA for any previous year and the Transfer Pricing Officer has declared that an option exercised by the assessee is valid under sub-section (3B) of the said section in respect of such transaction for two consecutive previous years immediately following such previous year, the Assessing Officer shall proceed to recompute the total income of the assessee for the said two consecutive previous years, by amending the order of assessment or any intimation or deemed intimation under sub-section (1) of section 143, as the case may be,—

*(*a*)* *in conformity with the arm's length price so determined by the Transfer Pricing Officer under sub-section (4A) of the said section in respect of such transaction; and*

*(*b*)* *taking into account the directions issued under sub-section (5) of section 144C, if any, for such previous year,*

within three months from the end of the month in which the assessment is completed in the case of the assessee for such previous year, and the first and second provisos to sub-section (4) of section 92C shall apply thereto:

Provided *that where the order of assessment or any intimation or deemed intimation under sub-section (1) of section 143, for the said two consecutive previous years is not made within the said three months, such recomputation shall be made within three months from the end of the month in which such order of assessment or any intimation or deemed intimation under sub-section (1) of section 143, as the case may be, is made.*

Explanation.—For the purposes of this section,—

(*a*) "additional compensation" shall have the meaning assigned to it in clause (*1*) of the *Explanation* to sub-section (2) of section 54;

(*b*) "additional consideration", in relation to the transfer of any capital asset the consideration for which was determined or approved by the Central Government or the Reserve Bank of India, means the difference between the amount of consideration for such transfer as enhanced by any court, tribunal or other authority and the amount of consideration which would have been payable if such enhancement had not been made.

288.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

Clause 288 of the Bill provides for other amendments. The clause corresponds to section 155 of the Act. The clause has been organised in a table to enhance readability and comprehension. Redundancies in the present section 155 have been removed in the clause.

288.4 Important Views/Suggestions given by Experts/Stakeholders:

i. Reference to 271 should be corrected to 270. The modified sub-clause would read as 'The order of assessment or any intimation or deemed intimation under Clause 270 to be amended for two consecutive tax years to give effect to the order passed under section 166(6) or directions issued under clause 275(5). The correct section for regular assessment and intimation under the IT Bill is 270 and not 271. Clause 271 deals with Best judgment assessment.

ii. The Assessing Officer, may carry out such actions as are specified in column B of the Table below for reasons mentioned therein, subject to the conditions as specified in column C, within four years referred to in Clause 287(8) (except serial numbers 12 and 13) which shall be reckoned from the time as specified in column D, and the provisions of Clause 287 shall, so far as may be, apply to

such amendment. Under Clause 269(7), the Valuation Officer has the power to rectify his report as per Clause 287. Under Clause 287(8), time limit of 4 years from end of FY in which report is made is available However, when the report is rectified, the assessment may have been completed Hence, clause 288 which deals with power of rectification in certain cases is to be amended to include rectification of assessment order to give effect to the rectified valuation report.

288.5 Examination by the Committee:

288.5.1 To the suggestions given by the stakeholders, the Ministry have submitted their replies as follows:

i. This is drafting correction in clause 288(12) wherein Reference to 271 shall be corrected to 270.
ii. The suggestion seeks to amend clause 288 which deals with power of rectification in certain cases is to be amended to include rectification of assessment order to give effect to the rectified valuation report. Where the taxpayer is in appeal, providing specific rectification rights after change in valuer report will complicate the matter and increase litigation as two authorities It is best that the taxpayer takes the matter to CIT(A). Thus, the suggestion is not feasible.

288.6 Observations/Recommendations of the Committee:

288.6.1 The Committee note that the reference to Clause 271 dealing with best judgment assessment at sub-clause (12) of Clause 288 at Column B needs to be corrected. Therefore, the Committee therefore recommend that the correct reference may be amended to Clause 270 which deals with assessment.

288.6.2 The Committee note in the Clause a cross reference to the 1961 Act, which is proposed to be repealed. Therefore, the Committee recommend the Ministry to remove the reference to the old Act, 1961 from the body of the Bill itself by clubbing it in the Savings clause coherently.

288.6.3 The Committee other than recommending the Ministry to carry out the necessary change, find the provisions to be a textual simplification and accept the Clause as proposed.

Clause 289– Notice of demand

289.1 Provision proposed in the Income-Tax Bill, 2025:

289. (*1*) When any tax, interest, penalty, fine or any other sum is payable in consequence of any order passed under this Act, the Assessing Officer shall serve upon the assessee a notice of demand in such form, as prescribed, specifying the sum so payable.

(*2*) Where any sum is determined to be payable by the assessee or the deductor or the collector under section 270 or 399, the intimation under the said sections shall be deemed to be a notice of demand for the purposes of this section.

(*3*) Where the income of the assessee of any tax year includes income of the nature specified in section 17(*1*)(*d*) and such specified security or sweat equity shares referred to in the said section are allotted or transferred directly or indirectly by the current employer, being an eligible start-up referred to insection 140, the tax or interest on such income included in the notice of demand referred to in sub-section (*1*) shall be payable by the assessee within fourteen days—

(*a*) after the expiry of sixty months from the end of the relevant tax year; or

(*b*) from the date of the sale of such specified security or sweat equity share by the assessee; or

(*c*) from the date of the assessee ceasing to be the employee of the employer who allotted or transferred him such specified security or sweat equity share, whichever is the earliest.

289.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Notice of demand.

156. (1) When any tax, interest, penalty, fine or any other sum is payable in consequence of any order passed under this Act, the Assessing Officer shall serve upon the assessee a notice of demand in the prescribed form specifying the sum so payable :

Provided that where any sum is determined to be payable by the assessee or the deductor or the collector under sub-section (1) of section 143 or sub-section (1) of section 200A or sub-section (1) of section 206CB, the intimation under those sub-sections shall be deemed to be a notice of demand for the purposes of this section.

(2) Where the income of the assessee of any assessment year, beginning on or after the 1st day of April, 2021, includes income of the nature specified in clause (*vi*) of sub-section (2) of section 17 and such specified security or sweat equity shares referred to

in the said clause are allotted or transferred directly or indirectly by the current employer, being an eligible start-up referred to in section 80-IAC, the tax or interest on such income included in the notice of demand referred to in sub-section (1) shall be payable by the assessee within fourteen days—

(*i*) after the expiry of forty-eight months from the end of the relevant assessment year; or

(*ii*) from the date of the sale of such specified security or sweat equity share by the assessee; or

(*iii*) from the date of the assessee ceasing to be the employee of the employer who allotted or transferred him such specified security or sweat equity share,

whichever is the earliest.

289.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

Clause 289 of the Bill provides for notice of demand. The clause corresponds to section 156 of the Act.There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause.

289.4 Important Views/Suggestions given by Experts/Stakeholders:

There is no justification in providing separate timelines for an assessee whose total income includes income from specified security or sweat equity for the purpose of undertaking recovery of demand payable in consequence of an order passed by the assessing officer. Although, once the demand payable has been crystalized in consequence of any order passed under the Act, there is no reasonable justification for creating two separate classes of assesses and envisaging two separate limitations for recovery whilst issuing the notice of demand.

289.5 Examination by the Committee:

289.5.1 The Ministry in response to the above suggestion submitted as follows:

> *The suggestion seeks to remove the separate timelines for an assessee whose total income includes income from specified security or sweat equity for the purpose of undertaking recovery of demand payable in consequence of an order passed by the assessing officer. It is in the nature of Policy Change which is outside the scope of the Bill. There is no change in the provisions of the Bill viz-a-viz Act. ESOPs have been a significant component of compensation for the employees of startups, as it allows the founders and startups to employ highly talented employees at a relatively low salary amount, with balance being made up via ESOPs. The tax on ESOPs as perquisites, if required to be paid at the*

time of exercise of option, may lead to cash flow problem as this benefit of ESOP is in kind. In order to ease the burden of payment of taxes by the employees of the eligible startups, or TDS by the startup employer, an extended timeline for tax payment has been provided by the Finance Act 2020 by making suitable amendments in sections 156, 191 and 192 of the Act. This is also in line with the Government's policy of actively supporting and promoting startups. Thus, the suggestion is not feasible.

289.5.2 Further, when the Committee asked a specific question as to why ESOP is taxed when employee exercise the option, the Ministry submitted as follows:

There are two transactions in ESOP. One is when the option is exercised. The second is when the security is sold. The employee benefits at the time of both the transactions. For the first time the ESOP has been granted to the employee as part of his employment. It is not taxed when the option is granted but it is taxed as a perquisite only at the time of exercising the option. This is because it has been given to him for the services provided by him to the employer. Further, the amount of the ESOP on which tax is paid is allowed as Cost in the computation of Capital Gains when the Shares are sold. Taxation at exercise of option is common in jurisdictions like India, France, Mauritius, and Singapore. The gain (FMV – exercise price) is taxed as employment income. This is considered fair since the employee acquires a valuable asset at a discount.

289.5.3 During the deliberations, the Committee further, considering the fact that ESOPs put an unfair burden on the recipient that it compels them to dispose of their ESOPs and enquired about the global best practice in this regard, the Ministry have submitted as follows in their written reply:

1. Indian Framework for ESOP Taxation

In India, the taxation of Employee Stock Option Plans (ESOPs) is structured around two tax events and provides deferral benefits for eligible start-ups:

A. At the time of Exercise:

- *Tax Nature: Perquisite, taxed as salary income under Section 17(2)(vi).*
- *Taxable Amount: Fair Market Value (FMV) on exercise date Exercise price paid by employee.*
- *TDS Obligation: Employer must deduct TDS on this perquisite.*

B. At the time of Sale of Shares:

- *Tax Nature: Capital Gains.*
- *Computation: Sale price FMV at the time of exercise.*
- *Tax Rate:*
    - *Listed shares:*
        - *LTCG (>12 months): 10%*
        - *STCG (≤12 months): 15%.*

- *Unlisted shares:*
  - *LTCG (>24 months): 20% with indexation, 12.5% without indexation.*
  - *STCG (<24 months): Slab rate.*

C. Start-up Tax Deferral Benefit (Section 191(2), Section 192(1C) and Section 156(2)):

Recognizing cash-flow issues at the time of exercise, eligible start-ups can defer tax deduction on ESOPs to the earlier of:

- *5 years from the end of the year of exercise,*
- *Date of sale of shares,*
- *Date of employee resignation.*

2. Alignment with Global Best Practices

India's ESOP taxation framework reflects international trends in the following ways:

Global Principle	***India's Alignment***
Tax on Exercise, Not Grant	*Like France, Germany, Singapore – tax arises on exercise, not at grant or vesting.*
Capital Gains Tax on Sale	*As in UK, France, and Germany – India applies CGT upon sale of shares.*
Lower CGT for Long-Term Holding	*Long-term capital gains receive concessional rates, promoting long-term investment.*
Start-up Focused Reliefs	*India defers TDS on ESOPs for DPIITrecognized start-ups – similar to Germany's deferment.*
Clear Employer TDS Rules	*Indian employers have a statutory TDS obligation at exercise, aligning with Singapore.*
No Tax on Vesting Alone	*Like most jurisdictions (Mauritius, France, Singapore), India does not tax on vesting.*
FMV Based Valuation	*India requires FMV certified by merchant bankers – similar to valuation norms globally.*
Separation of Income and Capital Components	*India bifurcates salary (exercise) and capital gain (sale) taxation, per global norms.*

Based on the above table, a thematic analysis of India's ESOP taxation shows the following:

1. Tax Timing: No Tax on Grant Globally, including in France, Germany, Singapore, and Mauritius, there is no tax at the time of grant of stock options. India also follows this norm, aligning well with the international approach that taxation should arise only when economic benefit is realized.

2. Tax at Exercise: Salary Income Taxation at exercise is common in jurisdictions like India, France, Mauritius, and Singapore. The gain (FMV – exercise price) is taxed as employment income. This is considered fair since the employee acquires a valuable asset at a discount.

3. Capital Gains at Sale Most countries levy capital gains tax on the difference between the sale price and the acquisition price (FMV at exercise), and India is no exception. Importantly, India offers preferential CGT rates (10–20%) for long-term holdings, consistent with regimes in the UK and Germany.

4. Start-up Relief Mechanisms India's startup-specific tax deferral under Section 192(1C) is akin to Germany's 2021 reforms (Fondsstandortgesetz), which defer taxation for startup employees until a liquidity event. This is a major step toward fostering innovation and entrepreneurship.*

5. No CGT: Exceptions and Tax Havens Countries like UAE and Mauritius do not levy personal income tax or capital gains tax. However, these are unique cases and do not represent the norm. India's practice of taxing both perquisites and capital gains is globally standard.

**Fondsstandortgesetz: Germany introduced a startup friendly tax regime in 2021 under the (Fund Location Act). Under this law, employees of qualifying startups-*

- *Less than 12 years old*
- *Fewer than 250 employees,*
- *Revenue bellow 50 Million euros.*

Can defer taxation on the benefit they received from receiving shares (i.e., exercise of option) until the earlier of three events:

• They seel the shares

• They leave the company, or

• 12 years have passed.

3. Comparison Table: ESOP Taxation Across Jurisdictions:

Country	***Tax at Exercise***	***Tax on Sale***	***Special Reliefs / Notes***
India	*Perquisite Tax (FMV – Exercise*	*CGT on FMV– Sale Price*	*Deferral for start-ups; concessional*

	Price)		*CGT*
Germany	*Salary tax on discount*	*CGT @ 25% + surcharges*	*Start-up deferral (2021 reform) up to 12 years or sale/exit*
UK (EMI)	*None (if EMI conditions met)*	*CGT (10% with BADR)*	*EMI schemes highly tax-efficient*
France (OSA)	*Income Tax + Social Charges (~70%)*	*CGT (PFU 30% or progressive with rebates)*	*AGA & BSPCE offer social/tax breaks*
Singapore	*Employment income based on FMV*	*CGT exempt (no CGT regime)*	*Tax deferral via QEEBR or deemed exercise rule*
Mauritius	*Income tax on (FMV – Exercise Price)*	*No CGT*	*TDS deducted under PAYE*
UAE	*No personal income tax*	*No capital gains tax*	*Tax-free jurisdiction*
Cyprus	*Benefit-in-kind taxed on FMV*	*CGT possible (as per income tax rates)*	*Based on residency status*

4. Policy Strengths of India's ESOP Tax Framework

• Global Compatibility: Mirrors most OECD and APAC practices.

• Two-Stage Taxation: Clear separation of income vs capital gain taxation.

• Start-up Support: Section 191(2) and 192(1C) promotes liquidity-aligned taxation.

• Administrative Clarity: Employers have well-defined TDS roles and FMV requirements.

• Capital Market Integration: Listed share ESOPs align with capital market investor policies.

Conclusion

India's ESOP taxation framework substantially aligns with global best practices. It follows a well defined, dual-tax regime with specific support for start-ups, tax deferral, and capital gain incentivization—comparable to mature regimes in the UK, France, Germany, and Singapore.

289.6 Observations/Recommendations of the Committee:

The Committee, upon detailed deliberation on the Clause along with the justification provided by the Ministry, note that the provisions of the Clause 289 are in line with the existing provisions of 1961 Act with textual simplification and therefore accept the Clause as proposed.

Clause 290– Modification and revision of notice in certain cases

290.1 Provision proposed in the Income-Tax Bill, 2025:

290. (*1*) The Assesssing Officer shall serve on the assessee a modified notice of demand specifying the sum payable, if any, and such notice shall be treated as a notice under section 289 and the provisions of this Act shall accordingly, apply in relation to such notice, where—

(*a*) any tax, interest, penalty, fine or any other sum in respect of which a notice of demand has been issued earlier under section 289; and

(*b*) such tax, interest, penalty, fine or any other sum is reduced as a result of an order of the Adjudicating Authority as defined in section 5(*1*) of the Insolvency and Bankruptcy Code, 2016.

(*2*) The modified notice of demand as referred to in sub- section (*1*) shall be revised where the order referred to in sub-section (*1*)(*b*) is modified by the National Company Law Appellate Tribunal or the Supreme Court.

290.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Modification and revision of notice in certain cases.

156A. (1) Where any tax, interest, penalty, fine or any other sum in respect of which a notice of demand has been issued under section 156, is reduced as a result of an order of the Adjudicating Authority as defined in clause (*1*) of section 5 of the Insolvency and Bankruptcy Code, 2016 (31 of 2016), the Assessing Officer shall modify the demand payable in conformity with such order and shall thereafter serve on the assessee a notice of demand specifying the sum payable, if any, and such notice of demand shall be deemed to be a notice under section 156 and the provisions of this Act shall accordingly, apply in relation to such notice.

(2) Where the order referred to in sub-section (1) is modified by the National Company Law Appellate Tribunal or the Supreme Court, as the case may be, the modified notice of demand as referred to in sub-section (1), issued by the Assessing Officer shall be revised accordingly.

290.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

Clause 290 of the Bill provides for modification and revision of notice in certain cases.The clause corresponds to section 156A of the Act. There is no policy change.

The provisions of the existing section have been textually simplified and retained with the same intent in this clause.

290.4 Observations/Recommendations of the Committee:

The Committee note the justification provided by the Ministry and find the provisions of the Clause 290 in line with the existing provisions with mere textual simplification and therefore accept the Clause as proposed.

Clause 291– Intimation of loss

291.1 Provision proposed in the Income-Tax Bill, 2025:

291. The Assessing Officer shall notify to the assessee by an order in writing the amount of the loss as computed by him for the purposes of section 111(*1*)or (*2*) or 112 or 113(*2*) or 115(*1*), where—

(*a*) in the course of the assessment of the total income of any assessee, it is established that a loss has taken place; and

(*b*) the assessee is entitled to have carried forward and set off such loss under the provisions of the said sections.

B.—Special procedure for assessment of search cases

291.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Intimation of loss.

157. When, in the course of the assessment of the total income of any assessee, it is established that a loss has taken place which the assessee is entitled to have carried forward and set off under the provisions of sub-section (1) of section 72, sub-section (2) of section 73, sub-section (1) or sub-section (3) of section 74 or sub-section (3) of section 74A, the Assessing Officer shall notify to the assessee by an order in writing the amount of the loss as computed by him for the purposes of sub-section (1) of section 72, sub-section (2) of section 73, sub-section (1) or sub-section (3) of section 74 or sub-section (3) of section 74A.

291.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

Clause 291 of the Bill provides for intimation of loss.The clause corresponds to section 157 of the Act.There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause.

291.4 Examination by the Committee:

291.4.1 With reference to Clause 291, the Committee sought clarifications regarding legal status of the intimation of loss, time limit and consequences in case failure of Income tax department to issue intimation of loss, the Ministry stated as under:

(i) Clause 291 of the ITB is analogous to section 157 of the ITA 1961, which in turn is analogous to section 24(3) of ITA 1922. Section 24(3) of ITA 1922 states,

"(3) When, in the course of the assessment of the total income of any assessee, it is established that a loss of profits or gains has taken place which he is entitled to have set off under the provisions of this section, the Income tax Officer shall notify to the assessee by order in writing the amount of the loss as computed by him for the purposes of this section." The Income-tax Act 1922 had a separate provision for intimation of loss, since the section for assessment (section 23) in the 1922 Act only mentioned total income and not loss. Accordingly, it was required to formally communicate losses eligible for carry forward. There is no change in the provision of the Bill viz-a-viz provision of the Act. Further, this "intimation of loss" is not conclusive and can be subsequently modified in appeal, revision or through rectification. The present section 155(4) of the Act allows to rectify such mistake in reopening assessment.

(ii)Further, it is pertinent to mention that amount of loss to be carried forward after giving effect of the Assessment Order is intimated by the Assessing Officer in writing in the Assessment Order itself. Therefore, there is no requirement of any separate timeline for intimating such loss to assessee.

(iii)Thus, it gets clarified that how much reduced loss is to be carried forward. Further, in case of any omission by the Assessing Officer, it is being covered as curable defect under section 292B of Income-tax Act, 1961 or through rectification. Thus, Assessment Order can be accordingly rectified to include the amount of loss to be carried forward in consequence of the Assessment Order. Therefore, loss declared in the return does not automatically gets accepted on account of such defect.

291.5 Observations/Recommendations of the Committee:

The Committee, upon examination along with justification provided by the Ministry, find the provisions of the Clause 291 in line with the existing provisions with mere textual simplification and therefore accept the Clause as proposed.

Clause 292– Assessment of income pertaining to the block period

292.1 Provision proposed in the Income-Tax Bill, 2025:

292. (*1*) Irrespective of any other provision of this Act, where on or after the commencement of this Act, in the case of any person, search is initiated or requisition is made, then, the Assessing Officer shall proceed to assess or reassess the total income of the block period as per this Chapter.

(*2*) The assessment or reassessment or recomputation proceedings under the provisions of this Act (other than this Chapter), if any, pertaining to any tax year falling in the block period, pending on the date of initiation of search, or the date of making of requisition, shall abate and shall be deemed to have been abated on such date.

(*3*) If any reference has been made under section 166(*1*) or order has been passed under section 166(*6*), the assessment or reassessment or recomputation proceedings, referred to in sub-section (*2*) together with such reference or order shall abate on the date referred to in sub-section (*2*).

(*4*) If any assessment under the provisions of this Chapter is required to be made in the case of an assessee, in whose case a search is initiated or a requisition is made subsequently—

(*a*) such pending assessment shall be duly completed;

(*b*) assessment in respect of such subsequent search or requisition shall be made thereafter under the provisions of this Chapter; and

(*c*) if the period available for assessment in clause (*b*) is less than three months, such period shall be extended to three months from the end of the month in which the assessment, as referred to in clause (*a*) was completed.

(*5*) Irrespective of anything contained in any other provision of this Act, if any proceeding initiated or completed under this Chapter has been annulled in an appeal or any other legal proceeding, then—

(*a*) the assessment or reassessment or recomputation or reference or order which has abated under sub-section (*2*) or (*3*), shall revive with effect from the date of receipt of the order of such annulment by the Principal Commissioner or Commissioner;

(*b*) the revival, as referred to in clause (*a*) shall cease to have effect, if such order of annulment is set aside.

(*6*) The income (other than undisclosed income) of the tax year in which the last of the authorisations for a search is executed or a requisition is made, shall be assessed separately as per other provisions of this Act.

(*7*) The total income pertaining to the block period, as referred to in section 293(*5*) shall be charged to tax at the rate specified in section 192, irrespective of the tax year or years to which such income pertains.

292.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Assessment of [32][*total undisclosed income*] as a result of search.

158BA. (1) Notwithstanding anything in any other provisions of this Act, where on or after the 1st day of September, 2024, a search is initiated under section 132, or books of account, other documents or any assets are requisitioned under section 132A, in the case of any person, then, the Assessing Officer shall proceed to assess or reassess the [32]**[***total undisclosed income***]** of the block period in accordance with the provisions of this Chapter.

(2) The assessment or reassessment or recomputation under the provisions of this Act (other than this Chapter), if any, pertaining to any assessment year falling in the block period, pending on the date of initiation of the search under section 132, or making of requisition under section 132A, as the case may be, shall abate and shall be deemed to have abated on the date of initiation of search or making of requisition.

(3) Where during the course of any pending proceeding for the assessment or reassessment or recomputation under the provisions of this Act (other than this Chapter), a reference under sub-section (1) of section 92CA has been made, or an order under sub-section (3) of section 92CA has been passed, such assessment or reassessment or recomputation, along with such reference made or order passed, as the case may be, shall also abate and shall be deemed to have abated on the date of initiation of search or making of requisition.

(4) Where any assessment under the provisions of this Chapter is [33]**[***required to be made***]** in the case of an assessee in whose case a subsequent search is initiated, or a requisition is made, such assessment shall be duly completed, and thereafter, the assessment in respect of such subsequent search or requisition shall be made under the provisions of this Chapter:

Provided that in a case where the period of completing the assessment in respect of subsequent search is less than three months such period shall be extended to three months from the end of the month in which the assessment in respect of the earlier search was completed.

(5) If any proceeding initiated under this Chapter or any order of assessment or reassessment made under clause (*c*) of sub-section (1) of section 158BC has been annulled in appeal or any other legal proceeding, then, notwithstanding anything in this Chapter or section 153, [34]**[***the assessment or reassessment or recomputation or*

*reference or order relating to any assessment year***]**which has abated under sub-section (2) or sub-section (3), shall revive with effect from the date of receipt of the order of such annulment by the Principal Commissioner or Commissioner:

Provided that such revival shall cease to have effect, if such order of annulment is set aside.

(6) The total income (other than undisclosed income) of the assessment year relevant to the previous year in which the last of the authorisations for a search is executed or a requisition is made, shall be assessed separately in accordance with the other provisions of this Act.

(7) The [35]**[***total undisclosed income***]** relating to the block period shall be charged to tax, at the rate specified in section 113, as income of the block period irrespective of the previous year or years to which such income relates.

292.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

Clause 292 of the Bill deals with assessment of income pertaining to the block periodThe clause corresponds to section 158BA of the Act.There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause. However, taxation of total income in the case of Block Assessment has been substituted to the taxation of total undisclosed income vide Finance Act, 2025. Accordingly, amendment is required to be made in the clause 292 of the Bill.

292.4 Important Views/Suggestions given by Experts/Stakeholders:

i. In the Clause ‘total income’ may be replaced with ‘total undisclosed income’. The amendments made by Finance Act, 2025, in section 158BA(1)/(5)/(7) of Income-tax Act, 1961 may be incorporated in the section 292(1)/(5)/(7) of the Income-tax Bill, 2025. In case of search, there may be situations where original assessment under Income-tax Act, 1961 may be pending. Those assessments also need to be abated. Therefore, sub-clause (2) may be modified.

ii. In proposed section 292 which is on assessment of income pertaining to the block period, refers to term ‘other than this Chapter’. The Chapter is XVI which has got two parts. Part A is normal procedure of assessment and Part B is Special provisions for assessment of search cases. The intent is to exclude the assessment as per part B. Hence, this proposed Clause needs to refer Part B of this Chapter instead of using ‘this Chapter’. In sub-clause (2), (4) and sub-clause 4(b), ‘this Chapter’ be changed to “Part B of this Chapter”.

292.5 Examination by the Committee:

292.5.1 The Ministry have submitted their replies as follows:

i. The suggestion seeks to incorporate FA 2025 amendments in clause 292(158BA of IT Act) assessment of total undisclosed income pertaining to the block period. The suggestion is acceptable and FA 2025 amendments will be incorporated. Also the reference to the Income-Tax Act 1961 proceedings is also required to be made for abatement.

ii. The suggestion seeks to provide correct reference of the chapter XVI-B in clause 292 to align it with the Act. The suggestion is in nature of drafting correction and is acceptable.

292.6 Observations/Recommendations of the Committee:

292.6.1 The Committee recommend that amendments made by Finance Act, 2025 with respect to assessment of total undisclosed income pertaining to the block period may be incorporated in Clause 292.

292.6.2 The Committee observe that the Clause 292, which addresses the assessment of income for a block period, currently refers to "other than this chapter" at sub-clause (2). Given that Chapter XVI comprises Part A (procedure for assessment) and Part B (special procedure for assessment of search cases), this phrasing "other than this chapter" excludes both parts. The Committee observe that here the intent, however, is to exclude only Part B. Therefore, the Committee recommend to change the phrase "other than this Chapter" at sub-clause (2) to "Part B of this Chapter" in Clause 292 to accurately reflect the exclusion. The Committee other than recommending the Ministry to carry out the necessary change, find the provisions to be a textual simplification and accept the Clause as proposed.

Clause 293– Computation of total income of block period

293.1 Provision proposed in the Income-Tax Bill, 2025:

293. (*1*) The total income of the block period referred to in section 292(*1*) shall be the aggregate of the following:—

(*a*) undisclosed income declared in the return furnished under section 294;

(*b*) income assessed under section 270(*10*) or section 271 or 279 of this Act, or section 153A or 153C of the Income-tax Act, 1961, prior to the date of initiation of search or the date of making of requisition in respect of tax years comprising the block period;

(*c*) income declared in the return of income furnished under section 263 or in response to a notice under section 268(*1*) or 280 in respect of tax years comprising the block period, which is not covered under clause (*a*) or (*b*);

(*d*) income determined—

(*i*) in respect of a tax year, where such tax year has ended and the due date for furnishing the return for such year has not expired prior to the date of initiation of the search or the date of requisition, on the basis of entries relating to such income or transactions as recorded in the books of account and other documents maintained in the normal course before the date of initiation of search or the date of requisition;

(*ii*) in respect of period commencing from 1st April of the tax year in which the search is initiated or requisition is made and ending on the day immediately preceding the date of initiation of search or requisition, on the basis of entries relating to such income or transactions as recorded in the books of account and other documents maintained in the normal course for such period on or before the day immediately preceding the date of initiation of search or the date of requisition;

(*iii*) in respect of period commencing from the date of initiation of the search or the date of requisition and ending on the date of the execution of the last of the authorisations for search or requisition, on the basis of entries relating to such income or transactions as recorded in the books of account and other documents maintained in the normal course for such period on or before the date of the execution of the last of the authorisations;

(*e*) undisclosed income determined by the Assessing Officer under sub-section (*2*).

(*2*) The undisclosed income forming part of the total income referred to in section 292(*1*) shall be computed on the basis of following:—

(*a*) evidence found as a result of search or survey or requisition; and

(*b*) any other material or information as are either available with the Assessing Officer or comes to his notice during the course of proceedings under this Chapter.

(*3*) The relating to any international transaction or specified domestic transaction referred to in section 166, shall not be considered for the purposes of determining the total income of the block period, and shall be considered in the assessment made under other provisions of this Act, if—

(*a*) such income pertains to the period beginning from the 1st April of the tax year in which last of the authorisations was executed and ending with the date of execution of the last of the authorisations; and

(*b*) such income is required to be determined—

(*i*) as a result of search or requisition of books of account or other documents; or

(*ii*) based on any other material or information as are either available with the Assessing Officer or comes to his notice during the course of proceedings under this Chapter; or

(*iii*) based on entries relating to income or transactions as recorded in books of account and other documents maintained in the normal course on or before the date of the execution of the last of the authorisations.

(*4*) For the purposes of determination of undisclosed income,—

(*a*) of a firm, such income assessed for each of the tax years falling within the block period shall be the income determined before allowing deduction of salary, interest, commission, bonus or remuneration, by whatever name called, to any partner not being a working partner;

(*b*) the provisions of sections 102,103,104 and 105 shall, so far as may be, apply and reference to tax year in those sections shall be construed as references to the relevant tax year falling in the block period;

(*c*) the provisions of section 166 shall, so far as may be, apply and reference to tax year in that section shall be construed as reference to the relevant tax year falling in the block period excluding the period referred to in sub-section (*3*).

(*5*) The tax referred to in section 292(*7*) shall be charged on the total income pertaining to the block period determined in the manner specified in sub-section (*1*) as reduced by the total income referred to in clause (*b*), (*c*) and (*d*) of the said sub-section.

(*6*) For the purposes of sub-sections (*1*) and (*5*), the following shall be ignored:—

(*a*) the undisclosed income declared under sub-section (*1*)(*a*) is a loss; or

(*b*) the income disclosed in respect of any tax year comprising the block period is a loss; or

(*c*) the returned income or assessed income under sub-section (*1*)(*b*) or (*c*) is a loss; or

(*d*) the income as determined under of sub-section (*1*)(*d*) is a loss.

(*7*) For the purposes of assessment, losses brought forward from the tax year (prior to the first tax year comprising the block period) under Chapter VII or unabsorbed depreciation under section 33(*11*) shall not be set off against the undisclosed income determined in the block assessment under this Chapter.

(*8*) Losses or unabsorbed depreciation as referred to in sub-section (*7*) may be carried forward for being set off in the tax year subsequent to the tax year in which the block period ends, for the remaining period, taking into account the block period and such tax year, and as per the provisions of this Act.

293.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Computation of [35][*total undisclosed income*] of block period.

158BB. [36]**[***(1) The total undisclosed income referred to in sub-section (1) of section 158BA of the block period shall be the aggregate of the following, namely:—*

`*(*a*)* *undisclosed income declared in the return furnished under section 158BC;*

*(*b*)* *undisclosed income determined by the Assessing Officer under sub-section (2).*

(1A) The following income shall not be included in the total undisclosed income of the block period, namely:—

*(*a*)* *the total income determined under sub-section (1) of section 143 or assessed under section 143 or section 144 or section 147 or section 153A or section 153C or assessed earlier under clause (*c*) of sub-section (1) of section 158BC or sub-section (4) of section 245D, prior to the date of initiation of the search or the date of requisition, in respect of any of the previous year comprising the block period;*

*(*b*)* *the total income declared in the return of income filed under section 139 or in response to a notice under sub-section (1) of section 142, prior to the date of initiation of the search or the date of requisition, in respect of any of the previous year comprising the block period, and not covered under clause (*a*);*

*(*c*)* *the income computed by the assessee, in respect of—*

(i) *a previous year, where such previous year has ended and the due date for furnishing the return for such year has not expired prior to the date of initiation of the search or the date of requisition, on the basis of entries relating to such income or transactions as recorded in the books of account and other documents maintained in the normal course*

before the date of initiation of search or the date of requisition;

*(*ii*)* *the period commencing from the 1st day of April of the previous year in which the search is initiated or requisition is made and ending on the day immediately preceding the date of initiation of search or requisition, on the basis of entries relating to such income or transactions as recorded in the books of account and other documents maintained in the normal course for such period on or before the day immediately preceding the date of initiation of search or the date of requisition;*

*(*iii*)* *the period commencing from the date of initiation of the search or the date of requisition and ending on the date of the execution of the last of the authorisations for search or requisition, on the basis of entries relating to such income or transactions as recorded in the books of account and other documents maintained in the normal course for such period on or before the date of the execution of the last of the authorisations:*

Provided *that where the Assessing Officer is of the opinion that any part of the income as computed by the assessee under this clause is undisclosed, he may recompute such income;*

*(*d*)* *the total income referred to in sub-section (5) of section 115A or section 115G or sub-section (1) of section 194P.***]**

(2) The undisclosed income falling within the block period, [37]**[***]** shall be computed in accordance with the provisions of this Act, on the basis of evidence found as a result of search or survey or requisition of books of account or other documents and any other material or information as are either available with the Assessing Officer or come to his notice during the course of proceedings under this Chapter.

[38]**[***(3) Where any income required to be determined as a result of search or requisition of books of account or other documents and any other material or information as are either available with the Assessing Officer or come to his notice during the course of proceedings under this Chapter, or determined on the basis of entries relating to such income or transactions as recorded in books of account and other documents maintained in the normal course on or before the date of the execution of the last of the authorisations, relates to any international transaction or specified domestic transaction referred to in section 92CA, pertaining to the period beginning from the 1st day of April of the previous year in which last of the authorisations was executed and ending with the date on which last of the authorisations was executed, such income shall not be considered for the purposes of determining the total undisclosed income of the block period and such income shall be considered in the assessment made under the other provisions of this Act.***]**

(4) For the purposes of determination of undisclosed income,--

(*a*) of a firm, such income assessed for each of the previous years falling within the block period shall be the income determined before allowing deduction of salary, interest, commission, bonus or remuneration by whatever name called to any partner not being a working partner;

(*b*) the provisions of sections 68, 69, 69A, 69B and 69C shall, so far as may be, apply and references to "financial year" in those sections shall be construed as references to the relevant previous year falling in the block period;

(*c*) the provisions of section 92CA shall, so far as may be, apply and references to "previous year" in that section shall be construed as reference to the relevant previous year falling in the block period excluding the period referred to in sub-section (3).

[39]**[***(5) The tax referred to in sub-section (7) of section 158BA shall be charged on the total undisclosed income determined in the manner specified in sub- section (1).***]**

(6) [40]**[***]**

(7) For the purposes of assessment under this Chapter, losses brought forward from the previous year (prior to the first previous year comprising the block period) under Chapter VI or unabsorbed depreciation under sub-section (2) of section 32 shall not be set off against the undisclosed income determined in the block assessment under this Chapter but may be carried forward for being set off in the previous year subsequent to the assessment year in which the block period ends, for the remaining period, taking into account the block period and such assessment year, and in accordance with the provisions of this Act.

293.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

Clause 293 of the Bill deals with computation of total income of block period.The clause corresponds to section 158BB of the Act.There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause. However, taxation of total income in the case of Block Assessment has been substituted to the taxation of total undisclosed income vide Finance Act, 2025. Accordingly, amendment is required to be made in the clause 293 of the Bill.

293.4 Important Views/Suggestions given by Experts/Stakeholders:

i. The amendments made by Finance Act 2025 in section 158BB of the Income-tax Act, 1961 may be suitably incorporated in Clause 293 of Income-tax Bill, 2025.
ii. It is suggested that the word ‘survey’ appearing in section 293(2) of the Income-tax Bill appears to have been inadvertently included, as the entire Chapter XVI-B pertains specifically to the assessment of search cases.

iii. As per the provisions of the Income-tax Bill, 2025, the losses or unabsorbed depreciation brought forward are not allowed to be set off against the total income computed under 293(1). There may be situations where such loss may get lapsed after the assessment order for the block period has been passed. Hence, the Income-tax Bill, 2025 may clarify that the loss can be carried forward for the remaining period as per the provisions of the Act.

293.5 Examination by the Committee:

293.5.1 With regard to the suggestions received the Ministry submitted as under:

i. The suggestion seeks to incorporate amendments made by Finance Act 2025 in section 158BB of the Income-tax Act, 1961 in clause 293. The suggestion is acceptable.

ii. The suggestion seeks to delete the phrase 'survey' from clause 293(2) [s. 158BB] which states that undisclosed income is to be computed based on evidence found as a result of search, survey or requisition. It is in the nature of policy change. During the pending block assessment proceeding, any evidence based on searches as well as surveys carried out during the entire search action are to be included. Thus, survey is also one source of evidence based on which AO may determine the undisclosed income of the block period. Thus, suggestion is not feasible.

iii. The suggestion seeks to amend clause 293(8) [s.158BB(7)] to increase the time period of adjustment of losses where there are losses brought forward from period prior to block period as they can not be adjusted during the block period. It is in the nature of policy change. The restriction is only regarding setoff of losses against the undisclosed income of the block period. Therefore, there is no justification for extending the period of set off of losses. Thus, suggestion is not feasible.

293.6 Observations/Recommendations of the Committee:

293.6.1 The Committee recommend that amendments made by Finance Act, 2025 may be suitably incorporated in Clause 293.

293.6.2 The Committee note in the Clause a cross reference to the 1961 Act, which is proposed to be repealed. Therefore, the Committee recommend the Ministry to remove the reference to the old Act, 1961 from the body of the Bill itself by clubbing it in the Savings clause coherently.

293.6.3 The Committee other than recommending the Ministry to carry out the necessary change, find the provisions to be a textual simplification and accept the Clause as proposed.

Clause 294– Procedure for block assessment

294.1 Provision proposed in the Income-Tax Bill, 2025:

294. (*1*) Where any search has been initiated or requisition is made in the case of any person, then,—

(*a*) the Assessing Officer shall, in respect of such search or requisition, issue a notice to such person, requiring him to furnish within a period specified in the notice, not exceeding sixty days, a return in the form and verified in the manner, as prescribed, setting forth his total income, including the undisclosed income, for the block period, and—

(*i*) such return shall be considered as if it was a return furnished under section 263 and thereafter notice under section 270(*8*) shall be issued;

(*ii*) any return furnished beyond the period allowed in the notice shall not be deemed to be a return under section 259;

(*iii*) no notice under section 280 is required to be issued for the purpose of proceeding under this Chapter;

(*iv*) a person who has furnished a return under this clause shall not be entitled to furnish a revised return;

(*b*) the Assessing Officer shall proceed to determine the total income including the undisclosed income of the block period in the manner laid down in section 293and the provisions of sections 268, 270(*8*), 270(*10*), 271, 276, 287 and 288 shall, so far as may be, apply;

(*c*) the Assessing Officer, on determination of the total income of the block period as per this Chapter, shall pass an order of assessment or reassessment and determine the tax payable by him on the basis of such assessment or reassessment, so, however that—

(*i*) the provisions of section 275 shall not apply in respect of such order;

(*ii*) where the order of assessment or reassessment is made in pursuance of section 295, the block period for such assessment or reassessment shall be the same as that determined in respect of the person in whose case search was initiated or requisition was made and proceedings under the said section were initiated due to such search or requisition;

(*d*) the assets seized under section 247 or requisitioned under section 248 shall be dealt with as per section 250.

(*2*) The provisions of section 270(*1*) shall not apply to the return furnished under this section.

(*3*) The Assessing Officer, before issuance of notice under sub-section (*1*)(*a*), shall take prior approval of the Additional Commissioner or the Additional Director or the Joint Commissioner or the Joint Director.

294.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Procedure for block assessment.

158BC. (1) Where any search has been initiated under section 132 or books of account, other documents or assets are requisitioned under section 132A, in the case of any person, then,—

(*a*) the Assessing Officer shall, in respect of search initiated, or books of account or other documents or any assets requisitioned, on or after the 1st day of September, 2024, issue a notice to such person, requiring him to furnish within such period, not exceeding a period of sixty days, as may be specified in the notice, a return in the form and verified in the manner, as may be prescribed, setting forth his [41]**[***]** undisclosed income, for the block period:

Provided that such return shall be considered as if it was a return furnished under the provisions of section 139 and notice under sub-section (2) of section 143 shall thereafter be issued:

Provided further that any return of income, required to be furnished by an assessee under this section and furnished beyond the period allowed in the notice shall not be deemed to be a return under section 139:

Provided also that no notice under section 148 is required to be issued for the purpose of proceeding under this Chapter:

Provided also that a person who has furnished a return under this clause shall not be entitled to furnish a revised return:

[42]**[Provided also***that the time allowed for furnishing a return under this clause may be extended by a further period of thirty days, where—*

*(*i*)* *in respect of a previous year immediately preceding the previous year in which the search is initiated or requisition is made, the due date for furnishing the return has not expired prior to the date of initiation of such search or requisition;*

*(*ii*)* *the assessee was liable for audit under section 44AB for such previous year;*

*(*iii*)* *the accounts (maintained in normal course) of such previous year have not been audited on the date of issuance of such notice; and*

*(*iv*)* *the assessee requests in writing for extension of time for furnishing such return to get such accounts audited;***]**

(*b*) the Assessing Officer shall proceed to determine the [43]**[***total undisclosed income***]** of the block period in the manner laid down in section 158BB and the provisions of section 142, sub-sections (2) and (3) of section 143, section 144, section 145, section 145A and section 145B shall, so far as may be, apply;

(*c*) the Assessing Officer, on determination of the [44]**[***total undisclosed income***]** of the block period in accordance with this Chapter, shall pass an order of assessment or reassessment and determine the tax payable by him on the basis of such assessment or reassessment:

Provided that nothing in the provisions of section 144C shall apply in respect of such order:

[45]**[***]**

(*d*) the assets seized under section 132 or requisitioned under section 132A shall be dealt with in accordance with the provisions of section 132B.

(2) The provisions of sub-section (1) of section 143 shall not apply to the return furnished under this section.

(3) The Assessing Officer, before issuance of notice under clause (*a*) of sub-section (1), shall take prior approval of the Additional Commissioner or the Additional Director or the Joint Commissioner or the Joint Director, as the case may be.

294.3 Reasons Justification given by the Ministry of Finance for the proposed provision:

Clause 446 of the Bill deals with procedure for block assessmentThe clause corresponds to section 158BC of the Act.There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause. However, taxation of total income in the case of Block Assessment has been substituted to the taxation of total undisclosed income vide Finance Act, 2025. Accordingly, amendment is required to be made in the clause 292 of the Bill.

294.4 Important Views/Suggestions given by Experts/Stakeholders:

i. The amendment made by the Finance Act, 2025 to section 158BC of the Income-tax Act, 1961 may be suitably incorporated in section 294 of the Income-tax Bill, 2025.

ii. There should be a minimum time limit prescribed for furnishing the return for the block period, The furnishing of the block return requires review of seized documents and returns of various years. Even in reopening cases, the time limit prescribed is three months.

iii. Sub-clause (ii) contains a typographical error, wherein the reference to 'section 259' should be substituted with 'section 263', as the provisions relating to the return of income are correctly dealt with under section 263 and not under section 259.

iv. The amendment made by the Finance Act, 2025 to the 5th proviso of section 158BC(1) of the Income-tax Act, 1961 may be appropriately incorporated in Clause 294(1)(v) of the Income-Tax Bill, 2025.

v. There are two typographical errors in clause (b), where the references to Clauses '287 and 288' may be substituted with 'sections 277 and 278', as the provisions relating to 'method of accounting in certain cases' and 'taxability of certain income' are correctly dealt with under sections 277 and 278, respectively. It is suggested for removal of section 277. The amendment made by the Finance Act, 2025 to section 158BC(1)(c) of the Income-tax Act, 1961 may be suitably incorporated in Clause 294(1)(c) of the Income-tax Bill, 2025.

vi. At the stage of reopening of the block period in pursuance to the search, the Assessing Officer should first determine that the undisclosed income and the incriminating material pertain to which assessment year and thereafter issue the notice in pursuance to the approval by the specified authority. The Hon'ble Supreme Court in Principal Commissioner of Income tax, Central-3 vs Abhisar Buildwell (P.) Ltd [2023] 454 ITR 212 (SC) has concluded that in respect of completed assessments/unabated assessments no addition can be made by Assessing Officer in absence of any incriminating material found during course of search under section 132 or requisition under section 132A of the Income-tax Act, 1961.

294.5 Examination by the Committee:

294.5.1 The Ministry, in response to the above suggestions, submitted their replies as follows:

i. The suggestion seeks to incorporate FA 2025 amendments in clause 294(158BC of IT Act procedure for block assessment) The suggestion is acceptable and FA 2025 amendments will be incorporated.

ii. The suggestion seeks to provide for minimum time limit prescribed for furnishing the return for the block period. It is in the nature of policy change. The Act and Bill provides for a maximum time limit of 60 days.As the Block

period time barring is fixed therefore no fixed minimum time barring period can be provided as it will delay the block assessment proceeding. Further in case assessee requires audit, he may request additional 30 days' time from AO. Thus, suggestion is not feasible.

iii. The suggestion seeks to correct the reference of section 263 in clause 294(1)(a)(iii). The suggestion is in nature of drafting correction and is acceptable.

iv. The assessee seeks to incorporate FA 2025 amendments in clause 294(1) 158BC of IT Act procedure for block assessment) The suggestion is acceptable and FA 2025 amendments will be incorporated.

v. The suggestion seeks to correct the reference of section 145A and 145B of the IT Act 1961 in clause 294(1)(b)(c). The suggestion is in nature of drafting correction and is acceptable.

vi. The suggestion seeks to amend the procedure for block assessment in clause 294(3). It is in the nature of Policy Change which is outside the scope of the Bill. There is no change in the provisions of the Bill viz-a-viz Act. The case law cited pertains to earlier search assessment regime, wherein separate assessment years were opened for assessment and were individually assessed as per section 153A by passing separate assessment order for each assessment year. The provision has now changed by Finance (No.2) Act, 2024. Now the statute mandates assessment of the total undisclosed income of the block period, wherein a single assessment order is passed for the block period. This means that a consolidated proceeding for a block of 6 assessment years plus part period shall be conducted for search assessment in case. Hence, there is no requirement to determine that the undisclosed income and the incriminating material pertain to which assessment year before issuing the notice of reassessment for the block period in the new search assessment regime. Thus, the suggestion is not feasible.

294.6 Observations/Recommendations of the Committee:

294.6.1 The Committee observe that the amendments made by Finance Act, 2025 are not incorporated in Clause 294. The Committee, therefore, recommend that amendments made by Finance Act, 2025 may be suitably incorporated in Clause 294.

294.6.2 The Committee note that the reference of 'Section 259' dealing with power to call for information by prescribed income-tax authority mentioned at Clause 294(1)(a)(ii), LineNo.12 is incorrect. The Committee observe that in the context of provisions in Clause 294 the correct reference should be to 'Section 263'. The Committee recommend to replace the reference 'Section 259' at sub-clause(1)(a)(ii) with 'Section 263'.

294.6.3 The Committee also note that the sub-clause (b) empowers the Assessing Officer to determine the total income including the undisclosed income of the block period in the manner laid down in the Act. Therefore, in this context, the references to sections '287 and 288' are incorrect and need to be substituted with 'sections 277 and 278', relating to 'method of accounting in certain cases' and 'taxability of certain respectively. The Committee therefore recommend to replace references to sections '287 and 288' with 'sections 277 and 278' in sub-clause (b).

294.6.4 The Committee other than recommending the Ministry to carry out the necessary changes, find the provisions to be a textual simplification and accept the Clause as proposed.

Clause 295– Undisclosed income of any other person

295.1 Provision proposed in the Income-Tax Bill, 2025:

295. Where the Assessing Officer is satisfied that any undisclosed income belongs to or pertains to or relates to any person, other than the person with respect to whom search was initiated or requisition was made, then—

(*a*) any money, bullion, jewellery, virtual digital asset or other valuable article or thing, or assets, or books of account, other documents, or any information contained therein, seized or requisitioned shall be handed over to the Assessing Officer having jurisdiction over such other person; and

(*b*) such other person referred to in clause (*a*) shall be assessed under section 294 and the provisions of this Chapter shall apply accordingly.

295.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

[46][**Undisclosed income of any other person.**

158BD.*Where the Assessing Officer is satisfied that any undisclosed income belongs to or pertains to or relates to any person (herein referred to as the "other person"), other than the person (herein referred to as the "specified person" for the purposes of this section) with respect to whom search was initiated under section 132 or requisition was made under section 132A, then any money, bullion, jewellery, virtual digital asset or other valuable article or thing or any books of account or other documents seized or requisitioned or any other material or information relating to the aforesaid undisclosed income shall be handed over to the Assessing Officer having jurisdiction over such other person and that Assessing Officer shall proceed under section 158BC against such other person and the provisions of this Chapter shall apply accordingly:*

Provided *that,—*

*(*a*) where there is one specified person relevant to such other person, the block period for such other person shall be the same as that for the specified person; and*

*(*b*) where there is more than one specified persons relevant to such other person, the block period for such other persons shall be the same as that for the specified person in whose case the block period ends on a later date:*

Provided further *that in case of such other person, for the purposes of abatement under sub-sections (2) and (3) of section 158BA, the reference to the date of initiation of the search under section 132 or making of requisition under section 132A shall be construed as reference to the date on which such money, bullion, jewellery, virtual digital asset or other valuable article or thing or any books of account or other*

*documents seized or requisitioned or any other material or information relating to the aforesaid undisclosed income were received by the Assessing Officer having jurisdiction over such other person.***]**

295.3 Reasons Justification given by the Ministry of Finance for the proposed provision:

Clause 295 of the Bill deals with undisclosed income of any other person.The clause corresponds to section 158BD of the Act. The provisions of the section 158BD has been amended vide Finance Act, 2025. The same has not been incorporated in the Income-tax Bill, 2025. Accordingly, amendment is required to be made in clause 295 of the Bill.

295.4 Important Views/Suggestions given by Experts/Stakeholders:

The amendment made by Finance Act, 2025 in Section 158BD of Income-tax Act, 1961 may be incorporated in Clause 295 of Income-tax Bill,2025.

295.5 Examination by the Committee:

The Ministry has submitted their reply as “The suggestion seeks to incorporate FA 2025 amendments in clause 295(158BD of IT Act undisclosed income of any other person) The suggestion is acceptable and FA 2025 amendments will be incorporated.”

295.6 Observations/Recommendations of the Committee:

295.6.1 The Committee observe that the amendments made by Finance Act, 2025 are not incorporated in Clause 295. The Committee, therefore, recommend that amendments made by Finance Act, 2025 may be suitably incorporated in Clause 295.

295.6.2 The Committee other than recommending the Ministry to carry out the necessary changes find the provisions to be a textual simplification and accept the Clause as proposed.

Clause 296– Time-limit for completion of block assessment

296.1 Provision proposed in the Income-Tax Bill, 2025:

296. (*1*) Irrespective of the provisions of section 296, the order under section 294 shall be passed within twelve months from the end of the month in which the last of the authorisations for search was executed, or requisition was made.

(*2*) Where search was initiated or requisition was made, and during the course of assessment or reassessment of the total income of the relevant block period, any reference under section 166(*1*) is made, the period available for completion of such assessment or reassessment proceeding shall be extended by twelve months.

(*3*) In computing the period of limitation under sub-section (*1*), the period (not exceeding one hundred eighty days) commencing from the date on which a search is initiated or a requisition is made and ending on the date on which seized or requisitioned items are handed over to the Assessing Officer having jurisdiction over the assessee shall be excluded.

(*4*) If after exclusion of the period referred to in sub-section (*3*), the remaining period of limitation for completion of assessment or reassessment, expires before the end of a month, such period shall be extended to end of such month.

(*5*) The period of limitation for completion of assessment or reassessment for the block period in the case of the other person referred to in section 295 shall be twelve months from the end of the month in which the notice under section 294 in pursuance of section 295, was issued to such other person.

(*6*) The period available for completion of assessment or reassessment proceeding in respect of the block period in a case referred to in sub-section (*5*) shall be extended by twelve months, where a reference under section 166(*1*) is made in such case.

(*7*) In computing the period of limitation under this section, the following period shall be excluded,—

(*a*) the period commencing on the date on which stay on assessment proceeding was granted by an order or injunction of any court and ending on the date on which certified copy of the order vacating the stay was received by jurisdictional Principal Commissioner or Commissioner;

(*b*) the period commencing from the date on which a first of the reference for exchange of information (made by an authority competent under an agreement referred to in section 159) is made and ending with the date on which such information requested is last received by the jurisdictional Principal Commissioner or Commissioner or one year, whichever is less;

(*c*) the time taken in reopening the whole or any part of the proceeding or giving an opportunity to the assessee to be re-heard under section 244(*2*);

(*d*) the period commencing from the date on which the Assessing Officer directs the assessee to get his accounts audited or inventory valued under section 268(*5*) and—

(*i*) ending with the last date on which the assessee is required to furnish a report of such audit or inventory valuation under that sub-section; or

(*ii*) where such direction is challenged before a court, ending with the date on which the certified copy of the order setting aside such direction is received by the jurisdictional Principal Commissioner or Commissioner;

(*e*) the period commencing from the date on which the Assessing Officer makes a reference to the Valuation Officer under section 269(*1*) and ending with the date on which the report of the Valuation Officer is received by the Assessing Officer;

(*f*) the period commencing from the date on which the Assessing Officer intimates the Central Government or the prescribed authority, the contravention of the provisions of Schedule III (Table: Sl. No. 23, 24 or 25) as referred to in section 270(*11*)(*i*) and ending with the date on which the copy of the order withdrawing the approval or rescinding the notification, under those clauses is received by the Assessing Officer;

(*g*) the period commencing from the date on which the Assessing Officer makes a reference to the Principal Commissioner or Commissioner as per section 270(*13*) and ending with the date on which the copy of the order under section 351(*2*)(*ii*)(*A*) or (*B*), is received by the Assessing Officer;

(*h*) the period commencing from the date on which a reference for declaration of an arrangement to be an impermissible avoidance arrangement is received by the jurisdictional Principal Commissioner or Commissioner under section 274(*1*) and ending on the date on which a direction under sub-section (*3*) or (*6*) or an order under sub-section (*5*) of the said section is received by the Assessing Officer;

(*i*) the period commencing from the date on which an application is made before the Board for Advance Rulings under section 381(*1*) and ending with the date on which the order rejecting the application is received by the jurisdictional Principal Commissioner or Commissioner under section 384(*5*);

(*j*) the period commencing from the date on which an application is made before the Board for Advance Rulings under section 381(*1*) and ending with the

date on which the advance ruling pronounced by it is received by the jurisdictional Principal Commissioner or Commissioner under section 384(*8*).

(*8*) Where immediately after the exclusion of the period referred to in sub-section (*7*), the remaining period of limitation referred to in sub-section (*1*) or (*5*) available to the Assessing Officer for completion of assessment under section 294 is less than sixty days, such remaining period shall be extended to sixty days and the aforesaid period of limitation shall be deemed to be extended accordingly.

(*9*) Where after extension of the period referred to in sub-section (*8*), the period of limitation for making an order of assessment or reassessment, expires before the end of a month, such period shall be extended to the end of such month.

296.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Time-limit for completion of block assessment.

158BE. (1) Notwithstanding the provisions of section 153, the order under section 158BC shall be passed within twelve months from the end of the [47]**[***quarter***]** in which the last of the authorisations for search under section 132, or requisition under section 132A, was executed or made, as the case may be:

Provided that in a case where search under section 132 was initiated, or requisition under section 132A was made, and during the course of the proceedings for the assessment or reassessment of the [48]**[***total undisclosed income***]** of the relevant block period, any reference under sub-section (1) of section 92CA is made, the period available for making an order of assessment or reassessment in respect of the block period shall be extended by twelve months:

[49]**[Provided further***that in a case where in pursuance to fifth proviso to clause (*a*) of sub-section (1) of section 158BC, the time allowed under the said clause for furnishing return is extended by a further period of thirty days, the provisions of this sub-section shall have effect, as if for the words "twelve months", the words "thirteen months" had been substituted.***]**

(2) In computing the period of limitation under sub-section (1), the period (not exceeding one hundred and eighty days) commencing from the date on which a search is initiated under section 132 or a requisition is made under section 132A and ending on the date on which the books of account, or other documents or money or bullion or jewellery or other valuable article or thing seized under section 132 or requisitioned under section 132A, as the case may be, are handed over to the Assessing Officer having jurisdiction over the assessee, in whose case such search is initiated under section 132 or such requisition is made under section 132A, as the case may be, shall be excluded:

Provided that where after exclusion of the period referred to in this sub-section, the period of limitation for making an order of assessment or reassessment, as the case may be, expires before the end of a month, such period shall be extended to the end of such month.

(3) The period of limitation for completion of assessment or reassessment for the block period in the case of the other person referred to in section 158BD shall be twelve months from the end of the [50]**[***quarter***]** in which the notice under section 158BC in pursuance of section 158BD, was issued to such other person:

Provided that in case where during the course of the proceedings for the assessment of undisclosed income of the block period in case of other person referred to in section 158BD, a reference under sub-section (1) of section 92CA is made, the period available for making an order of assessment in respect of the block period in case of such other person shall be extended by twelve months:

[51]**[Provided further***that in a case where in pursuance to fifth proviso to clause (*a*) of sub-section (1) of section 158BC, the time allowed under the said clause for furnishing return is extended by a further period of thirty days, the provisions of this sub-section shall have effect, as if for the words "twelve months", the words "thirteen months" had been substituted.***]**

(4) In computing the period of limitation under this section, the following period shall be excluded,—

[52]**[**(i) *the period commencing on the date on which stay on assessment proceedings was granted by an order or injunction of any court and ending on the date on which certified copy of the order vacating the stay was received by the jurisdictional Principal Commissioner or Commissioner; or***]**

(*ii*) the period commencing from the date on which a reference or first of the references for exchange of information is made by an authority competent under an agreement referred to in section 90 or section 90A and ending with the date on which the information requested is last received by the Principal Commissioner or Commissioner or a period of one year, whichever is less; or

(*iii*) the time taken in reopening the whole or any part of the proceeding or giving an opportunity to the assessee to be re-heard under the proviso to section 129; or

(*iv*) the period commencing from the date on which the Assessing Officer directs the assessee to get his accounts audited or inventory valued under sub-section (2A) of section 142 and—

(*a*) ending with the last date on which the assessee is required to furnish a report of such audit or inventory valuation under that sub-section; or

(*b*) where such direction is challenged before a court, ending with the date on which the order setting aside such direction is received by the

Principal Commissioner or Commissioner; or

(*v*) the period commencing from the date on which the Assessing Officer makes a reference to the Valuation Officer under sub-section (1) of section 142A and ending with the date on which the report of the Valuation Officer is received by the Assessing Officer; or

(*vi*) the period commencing from the date on which the Assessing Officer intimates the Central Government or the prescribed authority, the contravention of the provisions of clause (*21*) or clause (*22B*) or clause (*23A*) or clause (*23B*) of section 10, under sub-clause (*i*) of the first proviso to sub-section (3) of section 143 and ending with the date on which the copy of the order withdrawing the approval or rescinding the notification, as the case may be, under those clauses is received by the Assessing Officer; or

(*vii*) the period commencing from the date on which the Assessing Officer makes a reference to the Principal Commissioner or Commissioner under the second proviso to sub-section (3) of section 143 and ending with the date on which the copy of the order under clause (*ii*) or clause (*iii*) of the fifteenth proviso to clause (*23C*) of section 10 or clause (*ii*) or clause (*iii*) of sub-section (4) of section 12AB, as the case may be, is received by the Assessing Officer; or

(*viii*) the period commencing from the date on which a reference for declaration of an arrangement to be an impermissible avoidance arrangement is received by the Principal Commissioner or Commissioner under sub-section (1) of section 144BA and ending on the date on which a direction under sub-section (3) or sub-section (6) or an order under sub-section (5) of the said section is received by the Assessing Officer; or

(*ix*) the period commencing from the date on which an application is made before the Authority for Advance Rulings or before the Board for Advance Rulings under sub-section (1) of section 245Q and ending with the date on which the order rejecting the application is received by the Principal Commissioner or Commissioner under sub-section (3) of section 245R; or

(*x*) the period commencing from the date on which an application is made before the Authority for Advance Rulings or before the Board for Advance Rulings under sub-section (1) of section 245Q and ending with the date on which the advance ruling pronounced by it is received by the Principal Commissioner or Commissioner under sub-section (7) of section 245R:

Provided that where immediately after the exclusion of the aforesaid period, the period of limitation referred to in sub-section (1) or sub-section (3) available to the Assessing Officer for making an order under clause (*c*) of sub-section (1) of section 158BC is less than sixty days, such remaining period shall be extended to sixty days and the aforesaid period of limitation shall be deemed to be extended accordingly:

Provided further that where after extension of the period referred to in the first proviso, the period of limitation for making an order of assessment or reassessment, as the case may be, expires before the end of a month, such period shall be extended to the end of such month.

296.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

Clause 296 of the Bill deals with time-limit for completion of block assessment.The clause corresponds to section 158BE of the Act.The provisions of the section 158BE has been amended vide Finance Act, 2025. The same has not been incorporated in the Income-tax Bill, 2025. Accordingly, amendment is required to be made in clause 296 of the Bill.

296.4 Important Views/Suggestions given by Experts/Stakeholders:

The amendment made by Finance Act, 2025 in sub-section (1)/(3) of section 158BE of Income-tax Act, 1961 may be incorporated or inserted in sub-clauses (1)/(3)/(5) of Clause 296 of Income-tax Bill,2025. The serial numbering of Clause 296 has been duly revised in accordance with the renumbering of provisions under the Income-tax Bill, 2025, to ensure consistency and alignment with the amended provisions of the Income-Tax Act, 1961.It is suggested to use quarter-end instead of month-end cutoff.

296.5 Examination by the Committee:

296.5.1 The Ministry has submitted their reply as “The suggestion seeks to incorporate FA 2025 amendments in clause 296 (158BE of IT Act Time limit for completion of block assessment The suggestion is acceptable and FA 2025 amendments will be incorporated.”

296.6 Observations/Recommendations of the Committee:

296.6.1 The Committee observe that the amendments made by Finance Act, 2025 are not incorporated in Clause 296. The Committee, therefore, recommend that amendments made by Finance Act, 2025 may be suitably incorporated in Clause 296.

296.6.2 The Committee other than recommending the Ministry to carry out the necessary changes find the provisions to be a textual simplification and accept the Clause as proposed.

Clause 297– Certain interests and penalties not to be levied or imposed

297.1 Provision proposed in the Income-Tax Bill, 2025:

297. Interest under section 423, 424 or 425 or penalty under section 439 shall not be levied or imposed upon the assessee for the undisclosed income assessed or reassessed for the block period.

297.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Certain interests and penalties not to be levied or imposed.

158BF. No interest under section 234A, 234B or 234C or penalty under section 270A shall be levied or imposed upon the assessee in respect of the undisclosed income assessed or reassessed for the block period.

297.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

Clause 297 of the Bill provides for certain interests and penalties not to be levied or imposed.The clause corresponds to section 158BF of the Act.There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause.

297.4 Observations/Recommendations of the Committee:

The Committee note the justification provided by the Ministry and find the provisions of the Clause 297 in line with the existing provisions with mere textual simplification and therefore accept the Clause as proposed.

Clause 298– Levy of interest and penalty in certain cases

298.1 Provision proposed in the Income-Tax Bill, 2025:

298. (*1*) Where the return of total income as required under a notice under section 294(*1*)(*a*), is not furnished within the period specified in such notice, or is not furnished, then,—

(*a*) the assessee shall be liable to pay simple interest at the rate of 1.5% of the tax on undisclosed income determined under clause (*c*) of said sub-section;

(*b*) the interest in clause (*a*) shall be paid for every month or part of a month comprised in the period commencing on the day immediately following the expiry of the time specified in said notice, and ending on the date of completion of assessment under clause (*c*) of said sub-section.

(*2*) The Assessing Officer or the Commissioner (Appeals) in the course of any proceedings under this Chapter, may direct that the person shall pay by way of penalty a sum which shall be equal to 50% of tax so leviable in respect of the undisclosed income determined by the Assessing Officer under section 294(*1*)(*c*).

(*3*) The order imposing penalty under this section or section 444(*1*) or 450 or 451 or 452 shall not be made for the block period in respect of a person, if—

(*a*) such person has furnished a return under section 294(*1*)(*a*);

(*b*) the tax payable on the basis of such return has been paid or, if the assets seized consist of money, the assessee offers the money so seized to be adjusted against the tax payable;

(*c*) evidence of tax paid is furnished along with the return; and

(*d*) an appeal is not filed against the assessment of that part of income which is shown in the return.

(*4*) The provisions of the sub-section (*3*) shall not apply where the undisclosed income determined by the Assessing Officer is in excess of the income shown in the return and in such cases the penalty shall be imposed on that portion of undisclosed income determined, which is in excess of income shown in the return.

(*5*) The order imposing a penalty under sub-section (*2*) shall not be made—

(*a*) unless an assessee has been given a reasonable opportunity of being heard;

(*b*) by the Deputy Commissioner or Assistant Commissioner or the Deputy Director or Assistant Director, where penalty exceeds two lakh rupees except with the previous approval of the Additional Commissioner or the Additional Director or the Joint Commissioner or the Joint Director;

(*c*) in a case where the assessment is the subject-matter of an appeal under section 357 or 362,—

(*i*) after the expiry of the financial year in which the proceedings, in the course of which action for the imposition of penalty has been initiated, are completed; or

(*ii*) six months from the end of the financial year in which the order of the Commissioner (Appeals) or the Appellate Tribunal is received by the jurisdictional Principal Commissioner or Commissioner,

whichever period expires later;

(*d*) in a case where the assessment is the subject-matter of revision under section 377, after the expiry of six months from the end of the financial year in which such order of revision is passed;

(*e*) in any case other than those mentioned in clause (*c*) and clause (*d*), after the expiry of the financial year in which the proceedings, in the course of which notice for the imposition of penalty has been issued, are completed, or six months from the end of the financial year in which notice for imposition of penalty is issued, whichever period expires later.

(*6*) In computing the period of limitation under this section, the following period shall be excluded—

(*a*) the time taken in giving an opportunity to the assessee to be reheard under section 244(*2*);

(*b*) the period commencing on the date on which stay on proceeding under sub-section (*2*) was granted by an order or injunction of any court and ending on the date on which certified copy of the order vacating the stay was received by jurisdictional Principal Commissioner or Commissioner.

(*7*) Where immediately after the exclusion of the period referred to in sub-section (*6*), the remaining period of limitation referred to in sub-section (*5*) available to the Assessing Officer for making an order under sub-section (*2*) of this section is less than sixty days, such remaining period shall be extended to sixty days and the aforesaid period of limitation shall be deemed to be extended accordingly.

(*8*) If after exclusion of the period referred to in sub-section (*7*), the remaining period of limitation for making of an order for imposition of penalty expires before the end of a month, such remaining period shall be extended to the end of such month.

(*9*) An income-tax authority on making an order under sub-section (*2*) imposing a penalty, unless he is himself an Assessing Officer, shall forthwith send a copy of such order to the Assessing Officer.

298.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Levy of interest and penalty in certain cases.

158BFA. (1) Where the return of [53]**[***undisclosed income***]** for the block period, in respect of search initiated under section 132, or books of account, other documents or any assets requisitioned under section 132A, on or after the 1st day of September, 2024, as required by a notice under clause (*a*) of sub-section (1) of section 158BC, is not furnished within the time specified in such notice, or is not furnished, the assessee shall be liable to pay simple interest at the rate of one and one-half per cent of the tax on undisclosed income determined under clause (*c*) of sub-section (1) of section 158BC, for every month or part of a month comprised in the period commencing on the day immediately following the expiry of the time specified in the notice, and ending on the date of completion of assessment under clause (*c*) of sub-section (1) of section 158BC.

(2) The Assessing Officer or the Commissioner (Appeals) in the course of any proceedings under this Chapter, may direct that the person shall pay by way of penalty a sum which shall be equal to fifty per cent of tax so leviable in respect of the undisclosed income determined by the Assessing Officer under clause (*c*) of sub-section (1) of section 158BC:

Provided that no order imposing penalty under this section or sub-section (1) of section 271AAD or section 271D or section 271DA or section 271E shall be made for the block period in respect of a person if—

(*i*) such person has furnished a return under clause (*a*) of sub-section (1) of section 158BC;

(*ii*) the tax payable on the basis of such return has been paid or, if the assets seized consist of money, the assessee offers the money so seized to be adjusted against the tax payable;

(*iii*) evidence of tax paid is furnished along with the return; and

(*iv*) an appeal is not filed against the assessment of that part of income which is shown in the return:

Provided further that the provisions of the first proviso shall not apply where the undisclosed income determined by the Assessing Officer is in excess of the income shown in the return and in such cases the penalty shall be imposed on that portion of undisclosed income determined which is in excess of the amount of income shown in the return.

(3) No order imposing a penalty under sub-section (2) shall be made,—

(*a*) unless an assessee has been given a reasonable opportunity of being heard;

(*b*) by the Deputy Commissioner or Assistant Commissioner or the Deputy Director or Assistant Director, as the case may be, where the amount of penalty exceeds two lakh rupees except with the previous approval of the Additional Commissioner or the Additional Director or the Joint Commissioner or the Joint Director, as the case may be;

(*c*) in a case where the assessment is the subject-matter of an appeal to the Commissioner (Appeals) under section 246A or an appeal to the Appellate Tribunal under section 253, after the expiry of the financial year in which the proceedings, in the course of which action for the imposition of penalty has been initiated, are completed, or six months from the end of the financial year in which the order of the Commissioner (Appeals) or, as the case may be, the Appellate Tribunal is received by the Principal Commissioner or Commissioner, whichever period expires later;

(*d*) in a case where the assessment is the subject-matter of revision under section 263, after the expiry of six months from the end of the financial year in which such order of revision is passed;

(*e*) in any case other than those mentioned in clause (*c*) and clause (*d*), after the expiry of the financial year in which the proceedings, in the course of which notice for the imposition of penalty has been issued, are completed, or six months from the end of the financial year in which notice for imposition of penalty is issued, whichever period expires later.

(4) In computing the period of limitation under this section, the following period shall be excluded—

(*i*) the time taken in giving an opportunity to the assessee to be reheard under the proviso to section 129; or

[54]**[***(*ii*) the period commencing on the date on which stay on the proceeding under sub-section (2) was granted by an order or injunction of any court and ending on the date on which certified copy of the order vacating the stay was received by the jurisdictional Principal Commissioner or Commissioner:***]**

Provided that where immediately after the exclusion of the aforesaid period, the period of limitation referred to in sub-section (3) available to the Assessing Officer for making

an order under sub-section (2) of this section is less than sixty days, such remaining period shall be extended to sixty days and the aforesaid period of limitation shall be deemed to be extended accordingly:

Provided further that where after exclusion of the period referred to in the first proviso, the period of limitation for making of an order for imposition of penalty expires before the end of a month, such period shall be extended to the end of such month.

(5) An income-tax authority on making an order under sub-section (2) imposing a penalty, unless he is himself an Assessing Officer, shall forthwith send a copy of such order to the Assessing Officer.

298.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

Clause 298 of the Bill deals with levy of interest and penalty in certain casesThe clause corresponds to section 158BFA of the Act. The provisions of the section 158BFA has been amended vide Finance Act, 2025. The same has not been incorporated in the Income-tax Bill, 2025. Accordingly, amendment is to be made in clause 298 of the Bill.

298.4 Important Views/Suggestions given by Experts/Stakeholders:

i. The amendment made by Finance Act, 2025 in sub-section 158BFA(1) of Income-tax Act, 1961 may be incorporated in Section 298(1) of Income-tax Bill,2025.
ii. As per the current provisions of the Income-tax Bill, 2025, tax at the rate of 50% shall be payable for all additions or disallowance. The definition of "undisclosed income" under section 301(g) is broad enough to include additions or disallowances that may not have a direct nexus with the search proceedings. For instance, addition under section 2(22)(e) or disallowance under section 14A of the Income-tax Act, 1961 which has not been added /which has been disallowed by the Assessing Officer in earlier assessment or reassessment since the same falls under section 293(1)(e) read with section 293(2) of Income-tax Bill. As per the existing provisions, there is no specific power to levy penalty on some additions and not to levy penalty on other additions. The proposed changes suggested by us gives the discretion to the Assessing Officer not to impose penalty on additions or disallowances which are forming part of regular assessment proceedings.

298.5 Examination by the Committee:

298.5.1 To the above suggestions, the Ministry stated as follows:

(i) The suggestion seeks to incorporate FA 2025 amendments in clause 298(158BFA of IT Act Levy of interest and penalty in certain cases) The suggestion is acceptable and FA 2025 amendments will be incorporated.

(ii) The suggestion seeks to redraft the clause 298(2) to allow specific power to levy penalty on some additions and not to levy penalty on other additions. The provisions of search assessments have been rationalised. To end litigation for search cases, it is proposed that all undisclosed income shall be taxed @60%. There will be no penalty where such income is shown voluntarily by the taxpayer. Where it is not so shown, the AO may direct 50% uniform penalty. Thus, suggestion is not feasible.

298.5.2 The Committee sought clarification from the Ministry regarding short title and cross referencing to clauses i.e. the corresponding Clause 453 is not mentioned in this clause, instead clause 452 is mentioned. The replies of the Ministry are as under:

(i) Suggestion seeks to replace 'incertain cases' with 'in certain cases' which is a drafting correction in the title of clause 298.

(ii) Cross referencing error in clause 298 is a drafting correction in sub-clause (3). The same is accepted.

298.5.3 Further the Committee considered the discretionary powers of income-tax authorities as given at sub-clause (b) on specific types of additions/disallowances. The Department apprised as "there is a provision that whatever is the undisclosed income, which has been added by the Assessing Officer over and above what was shown in the return of income. On that whole amount, 50 per cent penalty is levied. So, there the distinction is not there that on some additions, penalty would be levied and on some other additions, penalty would not be levied. So, that discretion is not available with the Assessing Officer."

298.6 Observations/Recommendations of the Committee:

298.6.1 The Committee note that in the short tile, instead of 'in certain cases', it is read as 'incertain cases'. The Committee, therefore, recommend to replace 'incertain cases' with 'in certain cases' at the short title.

298.6.2 The Committee further observe that in sub-clause (3) instead of referring to corresponding provision Clause 453, Clause 452 is mentioned and the Committee recommend to replace the reference to Clause 452 with Clause 453.

298.6.3 The Committee recommend that Financial Act, 2025 amendments may be incorporated in Clause 298 suitably.

298.6.4 The Committee other than recommending the Ministry to carry out the necessary changes, find the provisions to be a textual simplification and accept the Clause as proposed.

Clause 299– Authority competent to make assessment of block period

299.1 Provision proposed in the Income-Tax Bill, 2025:

299. (*1*) The order of assessment for the block period shall be passed by an Assessing Officer not below the rank of a Deputy Commissioner or an Assistant Commissioner or a Deputy Director or an Assistant Director.

(*2*) The order referred to in sub-section (*1*) shall be passed with the previous approval of the Additional Commissioner or the Additional Director or the Joint Commissioner or the Joint Director, in respect of search initiated or requisition made on or after the commencement of this Act.

299.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Authority competent to make assessment of block period.

158BG. The order of assessment for the block period shall be passed by an Assessing Officer not below the rank of a Deputy Commissioner or an Assistant Commissioner or a Deputy Director or an Assistant Director, as the case may be:

Provided that no such order shall be passed without the previous approval of the Additional Commissioner or the Additional Director or the Joint Commissioner or the Joint Director, as the case may be, in respect of search initiated under section 132, or books of account, other documents or any assets requisitioned under section 132A, on or after the 1st day of September, 2024.

299.3 Reasons Justification given by the Ministry of Finance for the proposed provision:

Clause 299 of the Bill provides for authority competent to make assessment of block period. The clause corresponds to section 158BG of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause.

299.4 Observations/Recommendations of the Committee:

The Committee note the justification provided by the Ministry and find the provisions of the Clause 299 in line with the existing provisions with mere textual simplification and therefore accept the Clause as proposed.

Clause 300– Application of other provisions of Act.

300.1 Provision proposed in the Income-Tax Bill, 2025:

300. Save as otherwise provided in this Chapter, all other provisions of this Act shall apply to assessment made under this Chapter.

300.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Application of other provisions of this Act.

158BH. Save as otherwise provided in this Chapter, all other provisions of this Act shall apply to assessment made under this Chapter.

300.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

Clause 300 of the Bill deals with application of other provisions of ActThe clause corresponds to section 158BH of the Act.There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause.

300.4 Observations/Recommendations of the Committee:

The Committee note the justification provided by the Ministry and find the provisions of the Clause 300 in line with the existing provisions with mere textual simplification and therefore accept the Clause as proposed.

Clause 301– Interpretation

301.1 Provision proposed in the Income-Tax Bill, 2025:

301. In this Chapter—

(*a*) "block period" means the aggregate of—

(*i*) the period comprising six tax years preceding the tax year in which the search was initiated or any requisition was made; and

(*ii*) the period starting from the 1st April of the tax year in which search was initiated or requisition was made and ending on the date of the execution of the last of the authorisations for such search or such requisition;

(*b*) "requisition" means requisition of books of account, other documents or any assets under section 248;

(*c*) "requisitioned items" means the books of account, or other documents or money or bullion or jewellery or other valuable article or thing requisitioned under section 248;

(*d*) "search" means a search initiated under section 247;

(*e*) "seized items" means the books of account, or other documents or money or bullion or jewellery or other valuable article or thing seized under section 247;

(*f*) "the last of the authorisations" shall be deemed to have been executed,—

(*i*) in the case of search, on the conclusion of search as recorded in the last *panchnama* drawn in relation to any person in whose case the warrant of authorisation has been issued, irrespective of whether or not any seizure is recorded in such *panchnama*;

(*ii*) in the case of requisition, on the actual receipt of the books of account or other documents or assets by the Authorised Officer; and

(*g*) "undisclosed income" includes—

(*i*) any money, bullion, jewellery, virtual digital asset or other valuable article or thing or any expenditure or any income based on any entry in the books of account or other documents or transactions, where such money, bullion, jewellery, virtual digital asset, valuable article, thing, entry in the books of account or other document or transaction represents wholly or partly income or property which has not been or would not have been disclosed for the purposes of this Act, in respect of the block period; or

(*ii*) any expense, exemption, deduction or allowance claimed under this Act which is found to be incorrect, in respect of the block period.

301.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Definitions.

158B. In this Chapter, unless the context otherwise requires,—

(*a*) "block period" means the period comprising previous years relevant to six assessment years preceding the previous year in which the search was initiated under section 132 or any requisition was made under section 132A and also includes the period starting from the 1st day of April of the previous year in which search was initiated or requisition was made and ending on the date of the execution of the last of the authorisations for such search or such requisition;

(*b*) "undisclosed income" includes any money, bullion, jewellery [31][*, virtual digital asset*] or other valuable article or thing or any expenditure or any income based on any entry in the books of account or other documents or transactions, where such money, bullion, jewellery [31][*, virtual digital asset*], valuable article, thing, entry in the books of account or other document or transaction represents wholly or partly income or property which has not been or would not have been disclosed for the purposes of this Act, or any expense, exemption, deduction or allowance claimed under this Act which is found to be incorrect, in respect of the block period.

Explanation.—For the purposes of this Chapter, the last of the authorisations shall be deemed to have been executed,—

(*a*) in the case of search, on the conclusion of search as recorded in the last panchnama drawn in relation to any person in whose case the warrant of authorisation has been issued;

(*b*) in the case of requisition under section 132A, on the actual receipt of the books of account or other documents or assets by the Authorised Officer.

301.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

Clause 301 of the Bill provides for interpretation of provisions relating to Chapter-XVI-B (Special procedure for assessment of search cases).The clause corresponds to section 158B of the Act.There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause.

301.4 Observations/Recommendations of the Committee:

The Committee note the justification provided by the Ministry and find the provisions of the Clause 301 in line with the existing provisions with textual simplification and therefore accept the Clause as proposed.

CHAPTER XVII

SPECIAL PROVISIONS RELATING TO CERTAIN PERSONS

A. Association of persons, firm, Hindu undivided family, etc.
1- Legal Representatives

Clause 302 - Legal representative

302.1 Provision proposed in the Income-Tax Bill, 2025:

(1) Where a person dies, his legal representative shall be liable to pay any sum which the deceased would have been liable to pay if he had not died, in the like manner and to the same extent as the deceased.

(2) For the purposes of making an assessment (including an assessment, reassessment or recomputation under section 279) of the income of the deceased and for the purpose of levying any sum in the hands of the legal representative as per the provisions of sub-section (1), any proceeding—

(a) taken against the deceased before his death shall be deemed to have been taken against the legal representative and may be continued against the legal representative from the stage at which it stood on the date of the death of the deceased;

(b) which could have been taken against the deceased if he had survived, may be taken against the legal representative; and

(c) all the provisions of this Act shall apply accordingly.

(3) The legal representative of the deceased shall be deemed to be an assessee for the purposes of this Act.

(4) Subject to the provisions of sub-sections (5), (6) and (7), the liability of a legal representative referred to in sub-section (1) shall be limited to the extent to which the estate of the deceased is capable of meeting the liability.

(5) Every legal representative shall be personally liable for any sum payable by him in his capacity as legal representative if, while such liability remains undischarged, he creates a charge on or disposes of or parts with any assets of the estate of the deceased, which are in, or may come into, his possession.

(6) The liability of a legal representative referred to in sub-section (5) shall be limited to the value of the asset so charged, disposed of or parted with.

(7) The provisions of sections 304(2) and (5) and 305, so far as may be and to the extent to which they are not inconsistent with the provisions of this section, apply in relation to a legal representative.

302.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Legal representatives.

159. (1) Where a person dies, his legal representative shall be liable to pay any sum which the deceased would have been liable to pay if he had not died, in the like manner and to the same extent as the deceased.

(2) For the purpose of making an assessment (including an assessment, reassessment or recomputation under section 147) of the income of the deceased and for the purpose of levying any sum in the hands of the legal representative in accordance with the provisions of sub-section (1),—

(a) any proceeding taken against the deceased before his death shall be deemed to have been taken against the legal representative and may be continued against the legal representative from the stage at which it stood on the date of the death of the deceased;

(b) any proceeding which could have been taken against the deceased if he had survived, may be taken against the legal representative; and

(c) all the provisions of this Act shall apply accordingly.

(3) The legal representative of the deceased shall, for the purposes of this Act, be deemed to be an assessee.

(4) Every legal representative shall be personally liable for any tax payable by him in his capacity as legal representative if, while his liability for tax remains undischarged, he creates a charge on or disposes of or parts with any assets of the estate of the deceased, which are in, or may come into, his possession, but such liability shall be limited to the value of the asset so charged, disposed of or parted with.

(5) The provisions of sub-section (2) of section 161, section 162, and section 167, shall, so far as may be and to the extent to which they are not inconsistent with the provisions of this section, apply in relation to a legal representative.

(6) The liability of a legal representative under this section shall, subject to the provisions of sub-section (4) and sub-section (5), be limited to the extent to which the estate is capable of meeting the liability.

302.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under :-

"Clause 302 of the Bill provides for legal representative (in cases of death). The clause corresponds to section 159 of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".

302.4 Important Views/Suggestions given by Experts/Stakeholders:

During the course of the examination of the Bill, some important suggestions/comments received from various stakeholders and experts are summarised as follows:-

1. Replace "sum" with "tax" .The term "sum" is significantly wider than "tax", which is more suitable in relation to the tax obligations of legal representatives

2. Add the phrase", for less than adequate consideration" in the end of this provision, in the following manner: "Every legal representative shall be personally liable for any tax payable by him in his capacity as legal representative if, while such liability remains undischarged, he creates a charge on or disposes of or parts with any assets of the estate of the deceased, which are in, or may come into, his possession, for less than adequate consideration."
Further, the personal liability of a legal representative should be restricted to situations where the transfer or disposition limits the ability of the legal representative to fulfil tax obligations If adequate consideration is received for the transfer, there should be no reason for such liability These changes would make it easier for legal representatives to fulfil their obligations under succession law, while also complying with tax requirements.

302.5 Examination by the Committee:

302.5.1 On the above suggestions, the Ministry of Finance has stated the following in their written submission (mentioned correspondingly):

1. “Accepted. The suggestion seeks to replace "sum" with "tax" in clause 302(5) for the purposes of liability of legal representative of the deceased. This is the nature of drafting correction and is acceptable”.

2. “In the IT Act, there are two places where liability is cast upon the legal representative. At one place liability is for 'sum' and at other place it is for 'tax'. This is an anomaly. therefore, the Bill seeks to replace the word 'tax' with 'sum'. The amendment has been made to remove such anomaly. The suggestion seeks enablement to dispose of the assets of deceased for adequate consideration by adding the phrase "for less than adequate consideration" in the end of this provision of clause 302(5). It is in the nature of Policy Change which is outside the scope of the Bill. There is no change in the provisions of the Bill viz-a-viz Act. The provision is nature of anti-abuse. The legal representative cannot be allowed to part with the estate without discharging the liability. Thus, the suggestion is not feasible”.

302.5.2 With regard to suggestion for adding the phrase ", for less than adequate consideration", the representative of the Ministry deposed before the Committee as follows:-

> *“…….it seeks enablement to dispose of assets of deceased for adequate consideration by adding the phrase ‘for less than adequate consideration’. So, what it says is that if the legal representative can dispose of the assets of the deceased for less than adequate consideration also, that also should be enabled. So, we are saying that provision is in nature of anti-abuse”.*

302.6 Observations/Recommendations of the Committee:

The Committee observe Clause 302 of the Bill (mirroring Section 159 of the extant Act) regarding legal representatives in death cases. The Committee find a drafting error in sub-clause (5) where "sum" should be replaced with "tax," which the Department accepts. The suggestion to add "for less than adequate consideration" in sub-clause (5) is deemed untenable as it is an anti-abuse provision. The Committee, therefore, concur with the views of the Department of Revenue and recommend to amend the sub-clause (5) as accepted. Apart from this drafting correction, the Committee approve the clause as proposed.

Clause 303 - Representative assesses—General provisions

303.1 <u>Provision proposed in the Income-Tax Bill, 2025:</u>

(*1*) For the purposes of this Act, "representative assessee" means—

(*a*) in respect of the income of a non-resident specified in section 9, the agent of the non-resident, including a person who is treated as an agent under section 306;

(*b*) in respect of the income of a minor or a person who is mentally ill or of unsound mind, the guardian or manager who is entitled to receive or is in receipt of such income on behalf of such minor or a person who is mentally ill or of unsound mind ;

(*c*) in respect of income which the Court of Wards, the Administrator-General, the Official Trustee or any receiver or manager (including any person, by whatever name called, who in fact manages property on behalf of another) appointed by or under any order of a court, receives or is entitled to receive, on behalf or for the benefit of any person, such Court of Wards, Administrator-General, Official Trustee, receiver or manager;

(*d*) in respect of income which a trustee appointed under a trust declared by a duly executed instrument in writing whether testamentary or otherwise (including any wakf deed which is valid under the Mussalman Wakf Validating Act, 1913) receives or is entitled to receive on behalf or for the benefit of any person, such trustee or trustees;

(*e*) in respect of income which a trustee appointed under an oral trust receives or is entitled to receive on behalf or for the benefit of any person, such trustee or trustees

(*2*) For the purposes of sub-section (*1*)(*d*), a trust which is not declared by a duly executed instrument in writing (including any wakf deed which is valid under the Mussalman Wakf Validating Act, 1913) shall be deemed to be a trust declared by a duly executed instrument in writing if a statement in writing, signed by the trustee or trustees, setting out the purpose or purposes of the trust, particulars as to the trustee or trustees, the beneficiary or beneficiaries and the trust property, is forwarded to the Assessing Officer,—

(*a*) where the trust has been declared before the 1st June, 1981, within three months from that day; and

(*b*) in any other case, within three months from the date of declaration of the trust.

(*3*) For the purposes of sub-section (*1*)(*e*), "oral trust" means a trust which is not declared by a duly executed instrument in writing (including any wakf deed which is valid under the Mussalman Wakf Validating Act, 1913) and which is not deemed under sub-section (*2*) to be a trust declared by a duly executed instrument in writing.

(*4*) Every representative assessee shall be deemed to be an assessee for the purposes of this Act.

303.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Representative assessee.

160. (1) For the purposes of this Act, "representative assessee" means—

(*i*) in respect of the income of a non-resident specified in sub-section (1) of section 9, the agent of the non-resident, including a person who is treated as an agent under section 163;

(*ii*) in respect of the income of a minor, lunatic or idiot, the guardian or manager who is entitled to receive or is in receipt of such income on behalf of such minor, lunatic or idiot;

(*iii*) in respect of income which the Court of Wards, the Administrator- General, the Official Trustee or any receiver or manager (including any person, whatever his designation, who in fact manages property on behalf of another) appointed by or under any order of a court, receives or is entitled to receive, on behalf or for the benefit of any person, such Court of Wards, Administrator-General, Official Trustee, receiver or manager;

(*iv*) in respect of income which a trustee appointed under a trust declared by a duly executed instrument in writing whether testamentary or otherwise [including any wakf deed which is valid under the Mussalman Wakf Validating Act, 1913 (6 of 1913),] receives or is entitled to receive on behalf or for the benefit of any person, such trustee or trustees;

(*v*) in respect of income which a trustee appointed under an oral trust receives or is entitled to receive on behalf or for the benefit of any person, such trustee or trustees.

Explanation 1.—A trust which is not declared by a duly executed instrument in writing [including any wakf deed which is valid under the Mussalman Wakf Validating Act, 1913 (6 of 1913), shall be deemed, for the purposes of clause (*iv*), to be a trust declared by a duly executed instrument in writing if a statement in writing, signed by the trustee or trustees, setting out the purpose or purposes of the trust, particulars as to the trustee or trustees, the beneficiary or beneficiaries and the trust property, is forwarded to the Assessing Officer,—

(*i*) where the trust has been declared before the 1st day of June, 1981, within a period of three months from that day; and

(*ii*) in any other case, within three months from the date of declaration of the trust.

Explanation 2.—For the purposes of clause (*v*), "oral trust" means a trust which is not declared by a duly executed instrument in writing [including any wakf deed which is valid under the Mussalman Wakf Validating Act, 1913 (6 of 1913),] and which is not deemed under *Explanation 1* to be a trust declared by a duly executed instrument in writing.

(2) Every representative assessee shall be deemed to be an assessee for the purposes of this Act.

303.3 <u>Reasons/Justification given by the Ministry of Finance for the proposed provision:</u>

The justification furnished by the Ministry for the proposed provision is as under :-

> *"Clause 303 of the Bill provides for representative assessee. The clause corresponds to section 160 of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause*".

303.4 <u>Examination by the Committee:</u>

In a reply to a specific query (inclusion or exclusion or replacement of words, etc., if any, between the provisions of the Clauses and existing section, the Ministry has furnished the following in their written response as follows:-

> *"The provisions proposed in the Income-Tax Bill 2025 is the simplified version of the corresponding provisions of IT Act 1961."*

303.5 Observations/Recommendations of the Committee:

The Committee note that Clause 303 provides for representative assessee, aligns with the provisions of Section 160 of the Income-Tax Act, 1961. The Committee also note that the textual simplification of clause 303 is as per the objectives of the Bill and retaining the same intent. The Committee, therefore, accept the Clause as proposed.

Clause 304 - Liability of representative assessee

304.1 Provision proposed in the Income-Tax Bill, 2025:

(*1*) Every representative assessee, as regards the income in respect of which he is a representative assessee, shall be subject to the same duties, responsibilities and liabilities as if the income were income received by or accruing to or in favour of him beneficially and for this purpose,—

(*a*) the representative assessee shall be liable to assessment and any other proceedings under this Act, in his own name in respect of that income and any such proceedings shall be deemed to be made upon him in his representative capacity only; and

(*b*) the tax on such income shall, subject to the other provisions contained in this Chapter, be levied upon and recovered from the representative assessee in like manner and to the same extent as it would be leviable upon and recoverable from the person represented by him.

(*2*) If any person, in respect of any income is assessable under this Chapter in the capacity of a representative assessee, then he shall not, in respect of that income, be assessed under any other provisions of this Act.

(*3*) Irrespective of the provisions of this Chapter, the Assessing Officer may directly assess the person on whose behalf or for whose benefit income therein referred to is receivable, or may recover from such person the tax payable in respect of such income.

(*4*) If only part of the income of a trust is chargeable under this Act, then the proportion of income receivable by a beneficiary from such trust derived from the chargeable part shall be determined as follows:—

$$\frac{A}{B} \times C$$

Where,—

A = the chargeable part of the income of the trust;

B = the whole income of the trust; and

C = the income receivable by the beneficiary from the trust.

(*5*) The Assessing Officer shall have the same remedies in the same manner against all property of any kind vested in or under the control or management of any representative assessee as he would have against the property of any person liable to pay any tax, whether the demand is raised against the representative assessee or against the beneficiary direct.

304.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Liability of representative assessee.

161. (1) Every representative assessee, as regards the income in respect of which he is a representative assessee, shall be subject to the same duties, responsibilities and liabilities as if the income were income received by or accruing to or in favour of him beneficially, and shall be liable to assessment in his own name in respect of that income; but any such assessment shall be deemed to be made upon him in his representative capacity only, and the tax shall, subject to the other provisions contained in this Chapter, be levied upon and recovered from him in like manner and to the same extent as it would be leviable upon and recoverable from the person represented by him.

(1A) Notwithstanding anything contained in sub-section (1), where any income in respect of which the person mentioned in clause (*iv*) of sub-section (1) of section 160 is liable as representative assessee consists of, or includes, profits and gains of business, tax shall be charged on the whole of the income in respect of which such person is so liable at the maximum marginal rate :

Provided that the provisions of this sub-section shall not apply where such profits and gains are receivable under a trust declared by any person by will exclusively for the benefit of any relative dependent on him for support and maintenance, and such trust is the only trust so declared by him.

(2) Where any person is, in respect of any income, assessable under this Chapter in the capacity of a representative assessee, he shall not, in respect of that income, be assessed under any other provision of this Act.

304.3 <u>Reasons/Justification given by the Ministry of Finance for the proposed provision:</u>

The justification furnished by the Ministry for the proposed provision is as under :-

> *"Clause 304 of the Bill provides for liability of representative assessee. The clause corresponds to section 161, 165, 166, 167 of the Act. In clause 304(4), formula has been introduced to calculate the proportion of income receivable by a beneficiary of a trust from the chargeable part of the income derived by the trust".*

304.4 Important Views/Suggestions given by Experts/Stakeholders:

During the course of the examination of the Bill, some important suggestions/comments received from various stakeholders and experts are summarised as follows:-

1. Add a proviso stating that: "Provided that, recovery may be either against the representative assessee or against the represented tax payer but not against both simultaneously." Since a representative assessee is assessed on behalf of a tax payer it is not appropriate for proceedings to be initiated against both simultaneously.

2. Add a proviso stating that: "Provided that, tax shall be levied upon and recoverable either from the representative assessee or from the taxpayer represented but not from both." Since a representative assessee is assessed on behalf of a tax payer it is not appropriate for proceedings to be initiated against both simultaneously.

3. The provisions are intended only to ensure recovery of amounts due form the representative assesses. However, the term 'and any other proceedings', may give rise to unintended anomalous situations, giving rise to launching of prosecution, etc. against the representative. Ambiguity: The provisions are intended only to ensure recovery of amounts due form the representative assesses. However, the term 'and any other proceedings', may give rise to unintended anomalous situations, giving rise to launching of prosecution, etc against the representative.

304.5 Examination by the Committee:

On the above suggestions, the Ministry of Finance has stated the following in their written submission (mentioned correspondingly):

1. "The suggestion seeks to add a proviso in clause 304(3) liability of representative assessee stating that: "Provided that, recovery may be either against the representative assessee or against the represented taxpayer but not against both simultaneously." It is in the nature of Policy Change which is outside the scope of the Bill. There is no change in the provisions of the Bill viz-a-viz Act. The power to assess representative assessee and assessee simultaneously was already existing in the Act. Further adding the proviso will remove the deterrence among the tax evaders. Moreover, it is impossible that both taxpayer and representative assessee will pay taxes separately in respect of same income. Thus, the suggestion is not feasible".

2. **Accepted.** "This is drafting correction. The phrase "and any other proceedings' shall be deleted in clause 304(1) in order to align the provision of the Bill with the Act".

304.6 Observations/Recommendations of the Committee:

The Committee observe Clause 304 of the Bill, aking to Section 161 of the extant Act, provides for liability of representative assessee. The Committee find a drafting error in sub-clause (1) (a) of Clasue 304 where the phrase “"and any other proceedings' shall be deleted in order to align the provision of the Bill with the Act which the Department has accepted. The suggestion to add a proviso regarding recovery against the representative or tax payer is impractical as it is not possible for both parties to be taxed separately on the same income. The Committee, therefore, concur with the views of the Department of Revenue and recommend only the above-mentioned drafting correction in Clause 304(1)(a); and accept the clause as proposed.

Clause 305 - Right of representative assessee to recover tax paid

305.1 Provision proposed in the Income-Tax Bill, 2025:

(*1*) Every representative assessee who, as such, pays any sum under this Act, shall be entitled to recover the sum so paid from the person on whose behalf it is paid, or to retain out of any moneys that may be in his possession or may come to him in his representative capacity, an amount equal to the sum so paid.

(*2*) Any representative assessee, or any person who apprehends that he may be assessed as a representative assessee, may retain out of any money payable by him to the person on whose behalf he is liable to pay tax (herein referred to as the principal), a sum equal to his estimated liability under this Chapter.

(*3*) In the event of any disagreement between such principal and such representative assessee or person with regard to the amount to be so retained as referred to in sub-section (*2*), such representative assessee or person may secure from the Assessing Officer a certificate stating the amount to be so retained pending final settlement of the liability, and the certificate so obtained shall be his warrant for retaining that amount.

(*4*) The amount recoverable from such representative assessee or person shall not exceed the amount specified in such certificate, except to the extent to which such representative assessee or person may at such time have in his hands additional assets of the principal.

305.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Right of representative assessee to recover tax paid.

162. (1) Every representative assessee who, as such, pays any sum under this Act, shall be entitled to recover the sum so paid from the person on whose behalf it is paid, or to retain out of any moneys that may be in his possession or may come to him in his representative capacity, an amount equal to the sum so paid.

(2) Any representative assessee, or any person who apprehends that he may be assessed as a representative assessee, may retain out of any money payable by him to the person on whose behalf he is liable to pay tax (hereinafter in this section referred to as the principal), a sum equal to his estimated liability under this Chapter, and in the event of any disagreement between the principal and such representative assessee or person as to the amount to be so retained, such representative assessee or person may secure from the Assessing Officer a certificate stating the amount to be so retained pending final settlement of the liability, and the certificate so obtained shall be his warrant for retaining that amount.

(3) The amount recoverable from such representative assessee or person at the time of final settlement shall not exceed the amount specified in such certificate, except to

the extent to which such representative assessee or person may at such time have in his hands additional assets of the principal.

305.3 <u>Reasons/Justification given by the Ministry of Finance for the proposed provision:</u>

The justification furnished by the Ministry for the proposed provision is as under :-

> *"Clause 305 of the Bill deals with right of representative assessee to recover tax paid. The clause corresponds to section 162 of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause*".

305.4 <u>Examination by the Committee:</u>

In a reply to a specific query (inclusion or exclusion or replacement of words, etc., if any, between the provisions of the Clauses and existing section, the Ministry has furnished the following in their written response as follows:-

> "The provisions proposed in the Income-Tax Bill 2025 is the simplified version of the corresponding provisions of IT Act 1961."

305.5 Observations/Recommendations of the Committee:

The Committee note that Clause 305 is in consonance with objectives of the Bill, therefore, the Clause may be made part of the Bill, as proposed by the Department.

Clause 306 - Who may be regarded as agent

306.1 Provision proposed in the Income-Tax Bill, 2025:

(*1*) For the purposes of this Act, "agent", in relation to a non-resident, includes—

(*a*) any person in India—

(*i*) who is employed by or on behalf of the non-resident; or
(*ii*) who has any business connection with the non-resident; or
(*iii*) from or through whom the non-resident is in receipt of any income, whether directly or indirectly; or
(*iv*) who is the trustee of the non-resident;

(*b*) any other person who, whether a resident or non-resident, has acquired by means of a transfer, a capital asset in India.

(*2*) A broker in India who, in respect of any transactions, does not deal directly with or on behalf of a non-resident principal, but deals with or through a non-resident broker shall not be deemed to be an agent under this section, in respect of such transactions, if the following conditions are fulfilled:—

(*a*) the transactions are carried on in the ordinary course of business through the first-mentioned broker; and

(*b*) the non-resident broker is carrying on such transactions in the ordinary course of his business and not as a principal.

(*3*) A person shall not be treated as the agent of a non-resident unless he has had an opportunity of being heard by the Assessing Officer as to his liability to be treated as such.

(*4*) In this section, "business connection" shall have the meaning assigned to it in section 9(*8*)(*b*).

306.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Who may be regarded as agent.

163. (1) For the purposes of this Act, "agent", in relation to a non-resident, includes any person in India—

(*a*) who is employed by or on behalf of the non-resident; or

(*b*) who has any business connection with the non-resident; or

(*c*) from or through whom the non-resident is in receipt of any income, whether directly or indirectly; or

(*d*) who is the trustee of the non-resident;

and includes also any other person who, whether a resident or non-resident, has acquired by means of a transfer, a capital asset in India :

Provided that a broker in India who, in respect of any transactions, does not deal directly with or on behalf of a non-resident principal but deals with or through a non-resident broker shall not be deemed to be an agent under this section in respect of such transactions, if the following conditions are fulfilled, namely:—

(*i*) the transactions are carried on in the ordinary course of business through the first-mentioned broker; and

(*ii*) the non-resident broker is carrying on such transactions in the ordinary course of his business and not as a principal.

Explanation.—For the purposes of this sub-section, the expression "business connection" shall have the meaning assigned to it in *Explanation 2* to clause (*i*) of sub-section (1) of section 9 of this Act.

(2) No person shall be treated as the agent of a non-resident unless he has had an opportunity of being heard by the Assessing Officer as to his liability to be treated as such.

306.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under :-

> *"Clause 306 of the Bill provides for who may be regarded as agent. The clause corresponds to section 163 of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause*".

306.4 Important Views/Suggestions given by Experts/Stakeholders:

During the course of the examination of the Bill, some important suggestions/comments received from various stakeholders and experts are summarised as follows:-

1. Clause 306(1)(a)(iii) should be replaced with "a person acting on behalf of a non-resident from or whom the non-resident is in receipt of any income whether directly or indirectly." Agency suggests that the representative assessee is acting on behalf of the non-resident and had the ability to influence the tax payable by the non-resident. This understanding is also consistence with the other categories of representative assessee. The broad language in the modified provisions deviates from this understanding and have been significantly litigated in the past. Further, the categories of persons

contemplated in the modified provisions would already be covered and liable under withholding tax provisions.

2. This clause be deleted. The power to decide the tax liability of non-resident has now been delegated to Chartered Accountants. I believe that no one has been treated as an agent for this purpose in last five years. Hence, provision has lost the relevance.

3. Delete clause 306 (1)(b)

306.5 <u>Examination by the Committee:</u>

306.5.1 On the above suggestions, the Ministry of Finance has stated the following in their written submission (mentioned correspondingly):

1. "“a person acting on behalf of a non-resident from or whom the non-resident is in receipt of any income whether directly or indirectly.” It is in the nature of Policy Change which is outside the scope of the Bill. There is no change in the provisions of the Bill viz-a-viz Act. 'Acting on behalf' is subjective and prone to litigation. The suggested phrase limits the scope of the sub-section. It puts additional burden on the AO to prove that the said person was "acting on behalf of a non-resident" which is not the intended policy. Thus, the suggestion is not feasible”.

2. *“*The suggestion seeks to delete the clause 306 i.e. Representative Assessee-Special cases (who may be regarded as agent). It is in the nature of Policy Change which is outside the scope of the Bill. "Agent" in relation to a non-resident has not been defined anywhere else in the Act. Hence, the said clause is required to be retained in the Bill for avoiding unnecessary litigation. Thus, the suggestion is not feasible”.

3. “The suggestion seeks to delete the clause 306(1)(b) which provides that agent in relation to a non-resident includes person who, whether a resident or non-resident, has acquired by means of a transfer, a capital asset in India. There is no change in the provisions of the Bill *viz-a-viz* Act. No rationale is provided for deleting the clause 306(1)(b) of the Bill. Whereas, the said clause has been incorporated as per the existing provisions of the section 163 (1) of the Act”.

305.5.2 With regard to Clause 306, the representative of the Ministry has deposed the following before during the sitting of the Committee held on 10 June, 2025 as under:-

> *“It relates to clause 306, where agent in relation to a non-resident is defined. The agent includes any person in India from or through whom the non-resident is in receipt of any income, whether directly or indirectly. The suggestion is that this special case should be replaced by a ‘representative assessee’. Sir, this is*

something for non-resident that has always been there in the Act and that has been reproduced in the Bill. Nothing new has been incorporated." Further, the representative of the Ministry also stated that "It again relates to 306, and they are saying that the clause itself should be deleted because there is a chartered accountant who is powered to decide tax liability of non-resident. This power has now been delegated to chartered accountant. So, that suggestion itself is not applicable".

306.6 Observations/Recommendations of the Committee:

Clause 306 defines who may be regarded as an agent. The Committee note that this Clause is simplified textual version of existing Section 163 maintaining Government original policy. After considering the viewpoints of both the stakeholders and the Department, the Committee accept Clause 306 as proposed.

Clause 307 - Charge of tax where share of beneficiaries unknown

307.1 <u>Provision proposed in the Income-Tax Bill, 2025:</u>

(*1*) Subject to the other provisions of this section, the income or any part thereof, in respect of the person mentioned in sections 303(*1*)(*c*) and (*d*) shall be chargeable to tax at the maximum marginal rate, if—

(*a*) such income or such part thereof is not specifically receivable on behalf or for the benefit of any one person; or

(*b*) the individual shares of the persons on whose behalf or for whose benefit such income or such part thereof is receivable are indeterminate or unknown.

(*2*) The income or any part thereof as referred to in sub-section (*1*), shall be chargeable to tax at the rate applicable to an association of persons, if,—

(*a*) none of the beneficiaries has any other income chargeable under this Act exceeding the maximum amount not chargeable to tax in case of an association of persons, or is a beneficiary under any other trust; or

(*b*) such income or part of such income is receivable under a trust declared by any person by will and such trust is the only trust declared by him; or

(*c*) such income or part of such income is receivable under a trust created before the 1st March, 1970, by a non-testamentary instrument and the Assessing Officer is satisfied, having regard to all the circumstances existing at the relevant time, that the trust was created *bona fide*—

(*i*) exclusively for the benefit of the relatives of the settlor; or

(*ii*) exclusively for the benefit of the members of such family, where the settlor is a Hindu undivided family, in circumstances where such relatives or members were mainly dependent on the settlor for their support and maintenance; or

(*d*) such income is receivable by the trustees on behalf of a provident fund, superannuation fund, gratuity fund, pension fund or any other fund created *bona fide* by a person carrying on a business or profession exclusively for the benefit of persons employed in such business or profession.

(*3*) Subject to the provisions of sub-section (*4*), where the income in respect of the person mentioned in section 303(*1*)(*d*) consists of, or includes, profits and gains of business, tax shall be charged at the maximum marginal rate on the whole of the income.

(*4*) Where the profits and gains referred to in sub-section (*3*) are receivable under a trust declared by any person by will exclusively for the benefit of any relative dependent

on him for support and maintenance, and such trust is the only trust so declared by him, tax shall be charged at the rate applicable to an association of persons.

(*5*) For the purposes of this section,—

(*a*) such income or any part thereof shall be deemed as being not specifically receivable on behalf or for the benefit of any one person unless the person on whose behalf or for whose benefit such income or such part thereof is receivable during the tax year is expressly stated in the order of the court or the instrument of trust or wakf deed, as the case may be, and is identifiable as such on the date of such order, instrument or deed;

(*b*) the individual shares of the persons on whose behalf or for whose benefit such income or such part thereof is received shall be deemed to be indeterminate or unknown unless the individual shares of the persons on whose behalf or for whose benefit such income or such part thereof is receivable, are expressly stated in the order of the court or the instrument of trust or wakf deed and are ascertainable as such on the date of such order, instrument or deed

307.2 <u>Relevant Provision of the Principal Act (Income-Tax Act, 1961):</u>

Charge of tax where share of beneficiaries unknown.

164. (1) Subject to the provisions of sub-sections (2) and (3), where any income in respect of which the persons mentioned in clauses (*iii*) and (*iv*) of sub-section (1) of section 160 are liable as representative assessees or any part thereof is not specifically receivable on behalf or for the benefit of any one person or where the individual shares of the persons on whose behalf or for whose benefit such income or such part thereof is receivable are indeterminate or unknown (such income, such part of the income and such persons being hereafter in this section referred to as "relevant income", "part of relevant income" and "beneficiaries", respectively), tax shall be charged on the relevant income or part of relevant income at the maximum marginal rate :

Provided that in a case where—

(*i*) none of the beneficiaries has any other income chargeable under this Act exceeding the maximum amount not chargeable to tax in the case of an association of persons or is a beneficiary under any other trust; or

(*ii*) the relevant income or part of relevant income is receivable under a trust declared by any person by will and such trust is the only trust so declared by him; or

(*iii*) the relevant income or part of relevant income is receivable under a trust created before the 1st day of March, 1970, by a non-testamentary instrument and the Assessing Officer is satisfied, having regard to all the circumstances

existing at the relevant time, that the trust was created *bona fide* exclusively for the benefit of the relatives of the settlor, or where the settlor is a Hindu undivided family, exclusively for the benefit of the members of such family, in circumstances where such relatives or members were mainly dependent on the settlor for their support and maintenance; or

(*iv*) the relevant income is receivable by the trustees on behalf of a provident fund, superannuation fund, gratuity fund, pension fund or any other fund created *bona fide* by a person carrying on a business or profession exclusively for the benefit of persons employed in such business or profession,

tax shall be charged on the relevant income or part of relevant income as if it were the total income of an association of persons :

Provided further that where any income in respect of which the person mentioned in clause (*iv*) of sub-section (1) of section 160 is liable as representative assessee consists of, or includes, profits and gains of business, the preceding proviso shall apply only if such profits and gains are receivable under a trust declared by any person by will exclusively for the benefit of any relative dependent on him for support and maintenance, and such trust is the only trust so declared by him.

(2) In the case of relevant income which is derived from property held under trust wholly for charitable or religious purposes, or which is of the nature referred to in sub-clause (*iia*) of clause (*24*) of section 2, or which is of the nature referred to in sub-section (4A) of section 11, tax shall be charged on so much of the relevant income as is not exempt under section 11 or section 12, as if the relevant income not so exempt were the income of an association of persons :

Provided that in a case where the whole or any part of the relevant income is not exempt under section 11 or section 12 by virtue of the provisions contained in clause (*c*) or clause (*d*) of sub-section (1) of section 13, tax shall be charged on the relevant income or part of relevant income at the maximum marginal rate.

(3) In a case where the relevant income is derived from property held under trust in part only for charitable or religious purposes or is of the nature referred to in sub-clause (*iia*) of clause (*24*) of section 2 or is of the nature referred to in sub-section (4A) of section 11, and either the relevant income applicable to purposes other than charitable or religious purposes (or any part thereof) is not specifically receivable on behalf or for the benefit of any one person or the individual shares of the beneficiaries in the income so applicable are indeterminate or unknown, the tax chargeable on the relevant income shall be the aggregate of—

(*a*) the tax which would be chargeable on that part of the relevant income which is applicable to charitable or religious purposes (as reduced by the income, if any, which is exempt under section 11) as if such part (or such part as so reduced) were the total income of an association of persons; and

(*b*) the tax on that part of the relevant income which is applicable to purposes other

than charitable or religious purposes, and which is either not specifically receivable on behalf or for the benefit of any one person or in respect of which the shares of the beneficiaries are indeterminate or unknown, at the maximum marginal rate :

Provided that in a case where—

(*i*) none of the beneficiaries in respect of the part of the relevant income which is not applicable to charitable or religious purposes has any other income chargeable under this Act exceeding the maximum amount not chargeable to tax in the case of an association of persons or is a beneficiary under any other trust; or

(*ii*) the relevant income is receivable under a trust declared by any person by will and such trust is the only trust so declared by him; or

(*iii*) the relevant income is receivable under a trust created before the 1st day of March, 1970, by a non-testamentary instrument and the Assessing Officer is satisfied, having regard to all the circumstances existing at the relevant time, that the trust, to the extent it is not for charitable or religious purposes, was created *bona fide* exclusively for the benefit of the relatives of the settlor, or where the settlor is a Hindu undivided family, exclusively for the benefit of the members of such family, in circumstances where such relatives or members were mainly dependent on the settlor for their support and maintenance,

tax shall be charged on the relevant income as if the relevant income (as reduced by the income, if any, which is exempt under section 11) were the total income of an association of persons :

Provided further that where the relevant income consists of, or includes, profits and gains of business, the preceding proviso shall apply only if the income is receivable under a trust declared by any person by will exclusively for the benefit of any relative dependent on him for support and maintenance, and such trust is the only trust so declared by him :

Provided also that in a case where the whole or any part of the relevant income is not exempt under section 11 or section 12 by virtue of the provisions contained in clause (*c*) or clause (*d*) of sub-section (1) of section 13, tax shall be charged on the relevant income or part of relevant income at the maximum marginal rate.

Explanation1.—For the purposes of this section,—

(*i*) any income in respect of which the persons mentioned in clause (*iii*) and clause (*iv*) of sub-section (1) of section 160 are liable as representative assessee or any part thereof shall be deemed as being not specifically receivable on behalf or for the benefit of any one person unless the person on whose behalf or for

whose benefit such income or such part thereof is receivable during the previous year is expressly stated in the order of the court or the instrument of trust or wakf deed, as the case may be, and is identifiable as such on the date of such order, instrument or deed ;

(*ii*) the individual shares of the persons on whose behalf or for whose benefit such income or such part thereof is received shall be deemed to be indeterminate or unknown unless the individual shares of the persons on whose behalf or for whose benefit such income or such part thereof is receivable, are expressly stated in the order of the court or the instrument of trust or wakf deed, as the case may be, and are ascertainable as such on the date of such order, instrument or deed.

Explanation 2.— [*Omitted by the Direct Tax Laws (Amendment) Act, 1987, w.e.f. 1-4-1989*.]

307.3 <u>Reasons/Justification given by the Ministry of Finance for the proposed provision:</u>

The justification furnished by the Ministry for the proposed provision is as under :-

"Clause 307 of the Bill provides for charge of tax where share of beneficiaries unknown. The clause corresponds to section 164 of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".

307.4 <u>Examination by the Committee:</u>

In a reply to a specific query (inclusion or exclusion or replacement of words, etc., if any, between the provisions of the Clauses and existing section, the Ministry has furnished the following in their written response as follows:-

> "The provisions proposed in the Income-Tax Bill 2025 is the simplified version of the corresponding provisions of IT Act 1961."

307.5 Observations/Recommendations of the Committee:

The Committee note that Clause 307, a textual simplification of Section 164 of the Income-Tax Act, 1961, provides for change of tax where share of beneficiaries unknown. As no policy changes are incorporated, the Committee accept Clause 307 as proposed by the Department of Revenue.

Clause 308 - Charge of tax in case of oral trust

308.1 Provision proposed in the Income-Tax Bill, 2025:

(*1*) The income of the person appointed under an oral trust as mentioned in section 303(*1*)(*e*) shall be chargeable to tax at the maximum marginal rate, irrespective of anything contained in any other provision of this Act.

(*2*) For the purposes of this section, "oral trust" shall have the meaning assigned to it in section 303(*3*).

308.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Charge of tax in case of oral trust.

164A. Where a trustee receives or is entitled to receive any income on behalf or for the benefit of any person under an oral trust, then, notwithstanding anything contained in any other provision of this Act, tax shall be charged on such income at the maximum marginal rate.

Explanation.—For the purposes of this section,—

(*i*) [***]

(*ii*) "oral trust" shall have the meaning assigned to it in *Explanation 2* below sub-section (1) of section 160.

308.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under :-

> *"Clause 308 of the Bill provides for charge of tax in case of oral trust. The clause corresponds to section 164A of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".*

308.4 Examination by the Committee:

In a reply to a specific query (inclusion or exclusion or replacement of words, etc., if any, between the provisions of the Clauses and existing section, the Ministry has furnished the following in their written response as follows:-

> *"The provisions proposed in the Income-Tax Bill 2025 is the simplified version of the corresponding provisions of IT Act 1961."*

308.5 <u>Observations/Recommendations of the Committee:</u>

The Committee note that Clause 308 of the Bill sets forth the special tax provision for oral trusts, akin to Section 164A of the Income-Tax Act, 1961. The Committee further note that this Clause is only a textual simplification, consistent with the objectives of the Bill. Therefore, the Committee accept the Clause as proposed by the Department.

4. Association of persons and body of individuals

Clause 309 - Method of computing a member's share in income of association of persons or body of individuals

309.1 <u>Provision proposed in the Income-Tax Bill, 2025:</u>

(*1*) For the purposes of this section, sections 310 and 311, an association of persons or body of individuals shall not include a company or a co-operative society or a society registered under the Societies Registration Act, 1860, or under any law corresponding to that Act in force in any part of India.

(*2*) In computing the total income of an assessee who is a member of an association of persons or a body of individuals wherein the shares of the members are determinate and known, the share of a member in the income or loss of such association or body shall be computed in the following manner,—

(*a*) any interest, salary, bonus, commission or remuneration, by whatever name called, paid to any member in respect of the tax year shall be deducted from the total income of the association or body and the balance ascertained and apportioned among the members in the proportions in which they are entitled to share in the income of the association or body;

(*b*) the interest, salary, bonus, commission or remuneration referred to in clause (*a*), shall be,—

(*i*) added to the apportioned amount referred to in clause (*a*), if such apportioned amount is a profit; or

(*ii*) adjusted against the apportioned amount referred to in clause (*a*), if such apportioned amount is a loss,

and the resultant amount shall be treated as the share of the member in the income of such association or body.

(*3*) The share of a member in the income or loss of the association or body, as computed under sub-section (*2*), shall, for the purposes of assessment, be apportioned under the various heads of income in the same manner in which the income or loss of the association or body has been determined under each head of income.

(*4*) Any interest paid by a member on capital borrowed by him for the purposes of investment in the association or body shall, in computing his share chargeable under the head "Profits and gains of business or profession" in respect of his share in the income of the association or body, be deducted from his share.

(*5*) For the purposes of this section, “paid” means actually paid or incurred according to the method of accounting upon the basis of which the profits or gains are computed under the head “Profits and gains of business or profession”.

309.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Method of computing a member's share in income of association of persons or body of individuals.

67A. (1) In computing the total income of an assessee who is a member of an association of persons or a body of individuals wherein the shares of the members are determinate and known [other than a company or a cooperative society or a society registered under the Societies Registration Act, 1860 (21 of 1860), or under any law corresponding to that Act in force in any part of India], whether the net result of the computation of the total income of such association or body is a profit or a loss, his share (whether a net profit or net loss) shall be computed as follows, namely :—

(*a*) any interest, salary, bonus, commission or remuneration by whatever name called, paid to any member in respect of the previous year shall be deducted from the total income of the association or body and the balance ascertained and apportioned among the members in the proportions in which they are entitled to share in the income of the association or body;

(*b*) where the amount apportioned to a member under clause (*a*) is a profit, any interest, salary, bonus, commission or remuneration aforesaid paid to the member by the association or body in respect of the previous year shall be added to that amount, and the result shall be treated as the member's share in the income of the association or body;

(*c*) where the amount apportioned to a member under clause (*a*) is a loss, any interest, salary, bonus, commission or remuneration aforesaid paid to the member by the association or body in respect of the previous year shall be adjusted against that amount, and the result shall be treated as the member's share in the income of the association or body.

(2) The share of a member in the income or loss of the association or body, as computed under sub-section (1), shall, for the purposes of assessment, be apportioned under the various heads of income in the same manner in which the income or loss of the association or body has been determined under each head of income.

(3) Any interest paid by a member on capital borrowed by him for the purposes of investment in the association or body shall, in computing his share chargeable under the head "Profits and gains of business or profession" in respect of his share in the income of the association or body, be deducted from his share.

Explanation.—In this section, "paid" has the same meaning as is assigned to it in clause (*2*) of section 43.

309.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under :-

> *"Clause 309 of the Bill provides for method of computing a member's share in income of association of persons or body of individuals. The clause corresponds to section 67A of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause*".

309.4 <u>Important Views/Suggestions given by Experts/Stakeholders:</u>

During the course of the examination of the Bill, some important suggestions/comments received from various stakeholders and experts are summarised as follows:-

1. LLPs to be included in the list of entities covered. While the exclusion of companies, co-ops, and societies is retained, there's no mention of LLPs Given their growing use, clarity on whether LLPs fall under this clause would assist in compliance, increase certainty and reduce disputes.

2. Clause 309(1) to be redrafted as below: "(1) For the purposes of this Chapter, an association of persons shall mean the coming together of two or more persons in a common or joint purpose or common or joint action, with the object of producing income, profits or gains Provided that an association of persons or body of individuals shall not include a company or a cooperative society or a society registered under the Societies Registration Act, 1860, or under any law corresponding to that Act in force in any part of India." The term AOP is not currently defined under the IT Act, although there have been judicial precedents and CBDT circulars on the subject It will be useful to include a definition in section 309(1) alongside the exclusion provision which is already suggested.

309.5 <u>Examination by the Committee:</u>

309.5.1 On the above suggestions, the Ministry of Finance has stated the following in their written submission (mentioned correspondingly):

1. "The suggestion seeks to include LLPs in the list of entities covered in clause 309(1) AOP and BOI. It is in the nature of Policy Change which is outside the scope of the Bill. There is no change in the provisions of the Bill viz-a-viz Act.
The firm has also not been included in this provision in existing Act and LLP is also of same nature".

2. “The suggestion seeks to define AOP. It is in the nature of Policy Change which is outside the scope of the Bill. There is no change in the provisions of the Bill viz-a-viz Act. The definition of the term 'Association of Person' is a settled matter. Therefore, this is no ambiguity on meaning of AOP. Thus, the suggestion is not feasible”.

309.5.2 The representative of the Ministry has stated the following with regard to the above suggestions during the 31st Sitting of the Committee held on 10 June, 2025 as follows:-

> *“It relates to clause 309 where there is a method of computing member share in relation to association of persons or body of individuals. The suggestion seeks to include LLP in the list of entities covered in this clause.”*

309.5.3 The representative has added futher :-

> *“….they are seeking to define what is an association of persons. It is a settled matter and no ambiguity as such”.*

309.6 Observations/Recommendations of the Committee:

Clause 309 of the Income-Tax Bill 2025 outlines the method for computing a member's share in income of association of persons or body of individuals, corresponding to Section 67A of the Income-Tax Act, 1961. The Committee find that this Clause has been reformulated by paraphrasing the existing provisions to enhance clarity and comprehension. Furthermore, noting that there is no policy change in this regard and having after considered the views of the stakeholders as well as the response of the Department, the Committee accept Clause 309 as proposed.

Clause 310 - Share of member of association of persons or body of individuals in income of association or body

310.1 Provision proposed in the Income-Tax Bill, 2025:

(*1*) Income-tax shall not be payable by an assessee (who is a member of an association of persons or body of individuals) in respect of his share in the income of the association of persons or body of individuals computed in the manner provided in section 309, except in a case referred to in sub-section (*2*).

(*2*) Where no income-tax is chargeable on the total income of the association of persons or body of individuals, the share of a member computed as aforesaid shall be chargeable to tax as part of his total income.

(*3*) Where no income-tax is payable by an assessee under sub-section (*1*),—

(*a*) if the association of persons or body of individuals is chargeable to tax on its total income at the maximum marginal rate or any higher rate under any of the provisions of this Act, the share of a member computed as aforesaid shall not be included in his total income;

(*b*) in any other case, the share of a member computed as aforesaid shall form part of his total income.

310.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Share of member of an association of persons or body of individuals in the income of the association or body.

86. Where the assessee is a member of an association of persons or body of individuals (other than a company or a co-operative society or a society registered under the Societies Registration Act, 1860 (21 of 1860), or under any law corresponding to that Act in force in any part of India), income-tax shall not be payable by the assessee in respect of his share in the income of the association or body computed in the manner provided in section 67A :

Provided that,—

(*a*) where the association or body is chargeable to tax on its total income at the maximum marginal rate or any higher rate under any of the provisions of this Act, the share of a member computed as aforesaid shall not be included in his total income;

(*b*) in any other case, the share of a member computed as aforesaid shall form part of his total income :

Provided further that where no income-tax is chargeable on the total income of the association or body, the share of a member computed as aforesaid shall be chargeable to tax as part of his total income and nothing contained in this section shall apply to the case.

310.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under :-

> *"Clause 310 of the Bill provides for share of member of an association of persons or body of individuals in income of association or body The clause corresponds to section 86 of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".*

310.4 Examination by the Committee:

In a reply to a specific query (inclusion or exclusion or replacement of words, etc., if any, *between* the provisions of the Clauses and existing section, the Ministry has furnished the following in their written response as follows:-

> *"The provisions proposed in the Income-Tax Bill 2025 is the simplified version of the corresponding provisions of IT Act 1961."*

310.5 Observations/Recommendations of the Committee:

The Committee observe that Clause 310 of the Bill provides for share of member of an association of persons or body of individuals in income of association or body which corresponds to Section 86 of the extant Act. The Committee note that, apart from textual simplification, no policy change has been introduced in this Clause. The Committee, therefore, accept Clause 310 as proposed by the Department of Revenue.

Clause 311 - Charge of tax where shares of members in association of persons or body of individuals unknown, etc.

311.1 <u>Provision proposed in the Income-Tax Bill, 2025:</u>

(*1*) Where the individual shares of the members of an association of persons or body of individuals in the whole or any part of the income of such association or body are indeterminate or unknown,—

(*a*) tax shall be charged on the total income of the association or body at the maximum marginal rate; or

(*b*) where the total income of any member of such association or body is chargeable to tax at a rate which is higher than the maximum marginal rate, tax shall be charged on the total income of the association or body at such higher rate.

(*2*) Where the individual shares of the members of an association of persons or body of individuals in the whole or any part of the income of such association or body are determinate or known,—

(*a*) the total income of any member thereof for the tax year (excluding his share from such association or body) exceeds the maximum amount which is not chargeable to tax in the case of that member under the Finance Act of the relevant year, tax shall be charged on the total income of the association or body at the maximum marginal rate;

(*b*) any member or members thereof is or are chargeable to tax at a rate or rates which is or are higher than the maximum marginal rate,—

(*i*) tax shall be charged on that portion or portions of the total income of the association or body which is or are relatable to the share or shares of such member or members at such higher rate or rates, as the case may be; and

(*ii*) the balance of the total income of the association or body shall be taxed at the maximum marginal rate.

(*3*) For the purposes of this section, the individual shares of the members of an association of persons or body of individuals in the whole or any part of the income of such association or body shall be deemed to be indeterminate or unknown if such shares (in relation to the whole or any part of such income) are indeterminate or unknown on the date of formation of such association or body or at any time thereafter.

311.2 <u>Relevant Provision of the Principal Act (Income-Tax Act, 1961):</u>

Charge of tax where shares of members in association of persons or body of individuals unknown, etc.

167B. (1) Where the individual shares of the members of an association of persons or body of individuals (other than a company or a co-operative society or a society registered under the Societies Registration Act, 1860 (21 of 1860) or under any law corresponding to that Act in force in any part of India) in the whole or any part of the income of such association or body are indeterminate or unknown, tax shall be charged on the total income of the association or body at the maximum marginal rate :

Provided that, where the total income of any member of such association or body is chargeable to tax at a rate which is higher than the maximum marginal rate, tax shall be charged on the total income of the association or body at such higher rate.

(2) Where, in the case of an association of persons or body of individuals as aforesaid [not being a case falling under sub-section (1),—

(*i*) the total income of any member thereof for the previous year (excluding his share from such association or body) exceeds the maximum amount which is not chargeable to tax in the case of that member under the Finance Act of the relevant year, tax shall be charged on the total income of the association or body at the maximum marginal rate;

(*ii*) any member or members thereof is or are chargeable to tax at a rate or rates which is or are higher than the maximum marginal rate, tax shall be charged on that portion or portions of the total income of the association or body which is or are relatable to the share or shares of such member or members at such higher rate or rates, as the case may be, and the balance of the total income of the association or body shall be taxed at the maximum marginal rate.

Explanation.—For the purposes of this section, the individual shares of the members of an association of persons or body of individuals in the whole or any part of the income of such association or body shall be deemed to be indeterminate or unknown if such shares (in relation to the whole or any part of such income) are indeterminate or unknown on the date of formation of such association or body or at any time thereafter.

311.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under :-

"Clause 311 of the Bill provides for charge of tax where shares of members in association of persons or body of individuals unknown, etc. The clause corresponds to section 167B of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".

311.4 <u>Examination by the Committee:</u>

In a reply to a specific query (inclusion or exclusion or replacement of words, etc., if any, between the provisions of the Clauses and existing section, the Ministry has furnished the following in their written response as follows:-

"The provisions proposed in the Income-Tax Bill 2025 is the simplified version of the corresponding provisions of IT Act 1961."

311.5 Observations/Recommendations of the Committee:

The Committee note that Clause 311 of the Bill provides for charge of tax where shares of members in association of persons or body of individuals unknown etc. is similar to the provisions of existing Section 167B of the Income-Tax Act, 1961 with no policy change. The Committee, therefore, approve the Clause 311 as proposed by the Department of Revenue.

5. Executors

Clause 312 - Executor

312.1 <u>Provision proposed in the Income-Tax Bill, 2025:</u>

(*1*) The income of the estate of a deceased person shall be chargeable to tax in the hands of the executor as an individual, if there is only one executor, or as an association of persons, if the executors are more than one.

(*2*) The executor shall be deemed to be resident or non-resident according to the residential status of the deceased person for the tax year in which his death took place.

(*3*) For the purposes of this section, “executor” includes an administrator or other person administering the estate of the deceased person.

(*4*) The assessment of an executor under this section shall be made separately from any assessment that may be made on him in respect of his own income.

(*5*) Separate assessments shall be made under this section on the total income of each completed tax year or part thereof as is included in the period from the date of the death to the date of complete distribution to the beneficiaries of the estate according to their several interests.

(*6*) In computing the total income of any tax year under this section, any income of the estate of that tax year distributed to, or applied to the benefit of, any specific legatee of the estate during that tax year shall be excluded; but the income so excluded, shall be included in the total income of the tax year of such specific legatee.

(7) The provisions of section 305 shall, so far as may be, apply in the case of an executor in respect of tax paid or payable by him, as they apply in the case of a representative assessee.

312.2 <u>Relevant Provision of the Principal Act (Income-Tax Act, 1961):</u>

Executors.

168. (1) Subject as hereinafter provided, the income of the estate of a deceased person shall be chargeable to tax in the hands of the executor,—

(*a*) if there is only one executor, then, as if the executor were an individual; or

(*b*) if there are more executors than one, then, as if the executors were an association of persons;

and for the purposes of this Act, the executor shall be deemed to be resident or non-resident according as the deceased person was a resident or non-resident during the previous year in which his death took place.

(2) The assessment of an executor under this section shall be made separately from any assessment that may be made on him in respect of his own income.

(3) Separate assessments shall be made under this section on the total income of each completed previous year or part thereof as is included in the period from the date of the death to the date of complete distribution to the beneficiaries of the estate according to their several interests.

(4) In computing the total income of any previous year under this section, any income of the estate of that previous year distributed to, or applied to the benefit of, any specific legatee of the estate during that previous year shall be excluded; but the income so excluded shall be included in the total income of the previous year of such specific legatee.

Explanation.—In this section, "executor" includes an administrator or other person administering the estate of a deceased person.

312.3 <u>Reasons/Justification given by the Ministry of Finance for the proposed provision:</u>

The justification furnished by the Ministry for the proposed provision is as under :-

> *"Clause 312 of the Bill provides for Executor, in whose hands income of the estate of a deceased person shall be chargeable to tax. The clause corresponds to section 168 and 169 of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".*

312.4 <u>Examination by the Committee:</u>

In a reply to a specific query (inclusion or exclusion or replacement of words, etc., if any, between the provisions of the Clauses and existing section, the Ministry has furnished the following in their written response as follows:-

> "The provisions proposed in the Income-Tax Bill 2025 is the simplified version of the corresponding provisions of IT Act 1961."

312.5 Observations/Recommendations of the Committee:

The Committee note that Clause 312 of the Income-Tax Bill, 2025, which corresponds to Sections 168 and 169 of the Income-Tax Act, 1961, provides for Executor, in whose hands income of the estate of a deceased person shall be chargeable to tax. Given that this Clause is similar to the existing Sections 168 and 169 with no policy change, the Committee recommend its inclusion as is in the proposed legislation.

6. Succession to business or profession

Clause 313 - Succession to business or profession otherwise than on death

313.1 <u>Provision proposed in the Income-Tax Bill, 2025:</u>

(*1*) Where a person carrying on any business or profession (herein referred to as the predecessor) has been succeeded therein by any other person (herein referred to as the successor) who continues to carry on that business or profession,—

(*a*) the predecessor shall be assessed in respect of the income of the tax year in which the succession took place up to the date of succession;

(*b*) the successor shall be assessed in respect of the income of the tax year after the date of succession.

(*2*) Irrespective of anything contained in sub-section (*1*), when the predecessor cannot be found, the assessment of the income of the tax year in which the succession took place up to the date of succession and of the tax year preceding that year shall be made on the successor in like manner and to the same extent as it would have been made on the predecessor, and all the provisions of this Act shall, so far as may be, apply accordingly.

(*3*) Irrespective of anything contained in sub-sections (*1*) and (*2*), where there is succession, the assessment or reassessment or any other proceedings, made or initiated on the predecessor during the course of pendency of such succession, shall be deemed to have been made or initiated on the successor and all the provisions of this Act shall, so far as may be, apply accordingly.

(*4*) When any sum payable under this section in respect of the income of such business or profession assessed on the predecessor,—

(*a*) for the tax year in which the succession took place up to the date of succession; or

(*b*) for the tax year preceding the year in which the succession took place, cannot be recovered from him, the Assessing Officer shall record a finding to that effect and the sum payable by the predecessor shall thereafter be payable by and recoverable from the successor, and the successor shall be entitled to recover from the predecessor any sum so paid.

(*5*) Without prejudice to the provisions of this section, where any business or profession carried on by a Hindu undivided family is succeeded to, and simultaneously with the succession or after the succession there has been a partition of the joint family property between the members or groups of members, the tax due in respect of the income of the

business or profession succeeded to, up to the date of succession, shall be assessed and recovered in the manner provided in section 315.

(*6*) In this section,—

(*a*) "income" includes any gain accruing from the transfer, in any manner, of the business or profession as a result of the succession; and

(*b*) "pendency" means the period commencing from the date of filing of application for such succession of business before the High Court or tribunal or the date of admission of an application for corporate insolvency resolution by the Adjudicating Authority as defined in section 5(*1*) of the Insolvency and Bankruptcy Code, 2016 and ending with the date on which the order of such High Court or tribunal or such Adjudicating Authority, is received by the Principal Commissioner or the Commissioner.

313.2 <u>Relevant Provision of the Principal Act (Income-Tax Act, 1961):</u>

Succession to business otherwise than on death.

170. (1) Where a person carrying on any business or profession (such person hereinafter in this section being referred to as the predecessor) has been succeeded therein by any other person (hereinafter in this section referred to as the successor) who continues to carry on that business or profession,—

(*a*) the predecessor shall be assessed in respect of the income of the previous year in which the succession took place up to the date of succession;

(*b*) the successor shall be assessed in respect of the income of the previous year after the date of succession.

(2) Notwithstanding anything contained in sub-section (1), when the predecessor cannot be found, the assessment of the income of the previous year in which the succession took place up to the date of succession and of the previous year preceding that year shall be made on the successor in like manner and to the same extent as it would have been made on the predecessor, and all the provisions of this Act shall, so far as may be, apply accordingly.

(2A) Notwithstanding anything contained in sub-sections (1) and (2), where there is succession, the assessment or reassessment or any other proceedings, made or initiated on the predecessor during the course of pendency of such succession, shall be deemed to have been made or initiated on the successor and all the provisions of this Act shall, so far as may be, apply accordingly.

Explanation.—For the purposes of this sub-section, the term "pendency" means the period commencing from the date of filing of application for such succession of business before the High Court or tribunal or the date of admission of an application for corporate insolvency resolution by the Adjudicating Authority as defined in clause (*1*)

of section 5 of the Insolvency and Bankruptcy Code, 2016 (31 of 2016) and ending with the date on which the order of such High Court or tribunal or such Adjudicating Authority, as the case may be, is received by the Principal Commissioner or the Commissioner.

(3) When any sum payable under this section in respect of the income of such business or profession for the previous year in which the succession took place up to the date of succession or for the previous year preceding that year, assessed on the predecessor, cannot be recovered from him, the Assessing Officer shall record a finding to that effect and the sum payable by the predecessor shall thereafter be payable by and recoverable from the successor, and the successor shall be entitled to recover from the predecessor any sum so paid.

(4) Where any business or profession carried on by a Hindu undivided family is succeeded to, and simultaneously with the succession or after the succession there has been a partition of the joint family property between the members or groups of members, the tax due in respect of the income of the business or profession succeeded to, up to the date of succession, shall be assessed and recovered in the manner provided in section 171, but without prejudice to the provisions of this section.

Explanation.—For the purposes of this section, "income" includes any gain accruing from the transfer, in any manner whatsoever, of the business or profession as a result of the succession.

313.3 <u>Reasons/Justification given by the Ministry of Finance for the proposed provision:</u>

The justification furnished by the Ministry for the proposed provision is as under :-

> *"Clause 313 of the Bill provides for succession to business or profession otherwise than on death. The clause corresponds to section 170 of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".*

313.4 <u>Important Views/Suggestions given by Experts/Stakeholders:</u>

During the course of the Examination of the proposed Bill, some important suggestions/comments received from various stakeholders and experts are summarised as follows:-

1. The definitions provided in clause 313(6) should be shifted to clause 314(4), for consolidating defined terms in one place. Since the terms defined under clause 313(6) and clause 314(4) are common and relevant for both the clauses, hence they should be consolidated in one place.

2. The following proviso should be added after clause 313(2): “Provided that the liability of the successor under this sub-section shall be limited to the income attributed to inherited assets, or value of inherited assets, whichever is lower.” Successors face unlimited liability for predecessor’s dues, even if inherited assets are insufficient. This discourages business reorganisations and leads to extensive negotiations Successor liability should be capped to the value of inherited assets. Further, recovery by successor of sums payable by the predecessor, should not be added to the successor’s income. This would encourage efficient corporate reorganisations.

3. The following provisos should be added after clause 313 (4): “Provided that the liability of the successor under this sub-section shall be limited to the income attributed to inherited assets, or value of inherited assets, whichever is lower. Provided also that the sums recovered by the successor under this sub-section shall not be treated as the successor’s income under the provisions of this Act.”

313.5 Examination by the Committee:

313.5.1 On the above suggestions, the Ministry of Finance has stated the following in their written submission (mentioned correspondingly):

1. “The suggestion seeks to move the definition in clause 313(6) Succession to business or profession to clause 314(4) Effect of order of tribunal or court in respect of business reorganisation. There is no change in the provisions of the Bill viz-a-viz Act. Clause 313 deals with provisions relating to succession to business or profession otherwise than on death. The terms defined in the said section are required to be retained in the said section only as moving them to the subsequent sections will disrupt the flow of readability. Thus, the suggestion is not feasible”.

2. “The suggestion seeks to add after clause 313(2): “Provided that the liability of the successor under this sub-section shall be limited to the income attributed to inherited assets, or value of inherited assets, whichever is lower." It is in the nature of Policy Change which is outside the scope of the Bill. There is no change in the provisions of the Bill viz-a-viz Act. The successor, either expressly or impliedly, assumes the obligations of the predecessor. Limiting the liability will be prone to misuse. Further, the suggested provisos restrict the scope of the section hence, cannot be accepted. Thus, the suggestion is not feasible”.

3. “The suggestion seeks to add after clause 313(4): “Provided that the liability of the successor under this sub-section shall be limited to the income attributed to inherited assets, or value of inherited assets, whichever is lower.” It is in the nature of

Policy Change which is outside the scope of the Bill. There is no change in the provisions of the Bill viz-a-viz Act. The successor, either expressly or impliedly, assumes the obligations of the predecessor. Limiting the liability will be prone to misuse. Further, the suggested provisos restrict the scope of the section and seems averse to the interest of Revenue, hence, cannot be accepted. Thus, the suggestion is not feasible".

313.5.2 Clause 313(6) defines income as: "income includes any gain accruing from the transfer, in any manner, of the business or profession as a result of the succession" Mapping Section 170- Explanation defines income as: "income includes any gain accruing from the transfer, in any manner whatsoever, of the business or profession as a result of the succession" Omitting "whatsoever" would, from a legal drafting perspective, be a weakening of the clause's comprehensive nature. While "in any manner" is still broad, "whatsoever" acts as a powerful barrier against restrictive interpretations and potential loopholes. Its removal could introduce ambiguity and increase the likelihood of legal challenges regarding the scope of transfers covered by the section.

313.5.3 When the Commkittee asked about the Ministry's precise legal assessment of the potential impact on judicial interpretation, scope of coverage, an incidence of litigation, due to removal of the word "whatsoever"; and to elaborate on how such an omission would align or diverge from the legislative intent to broadly include all forms of transfer, the Ministry in their written replies while accepting the above has stated that the suggestion seeks to make drafting correction in clause 313(6) by bring back the word "whatsoever" in place of "in any manner".

313.5.4 The representative of the Ministry during the 31st Sitting of the Committee held on 10 June, 2025 with regards to move the definition in clause 313(6) Succession to business or profession to clause 314(4) , has stated as follows:-

> *"they are asking to move the definition from one clause to another. Our point is that they are relevant to this clause itself, and moving them from one clause to another will disrupt the flow of readability".*

313.6 Observations/Recommendations of the Committee:

The Committee note that Clause 313, which addresses succession in business or profession (excluding succession by death), mirrors Section 170 of the Income-Tax Act, 1961. In the course of examination of the Bill, the Committee deliberated upon the suggestions received from the stakeholders and the responses from the Department of Revenue. The Committee also note the Department's agreement to reinstate the word "whatsoever" in the clause, replacing "in any manner." This change aligns with the Committee's suggestion and the existing Income-Tax Act, 1961. After considering the viewpoints of both the stakeholders and the Department, the Committee recommend that sub-clause (6) (a) of Clause 313 be amended to incorporate the word "whatsoever," as agreed by the Department. Beyond this specific drafting correction, the Committee accept Clause 313 as proposed by the Department.

Clause 314 - Effect of order of tribunal or court in respect of business reorganisation

314.1 <u>Provision proposed in the Income-Tax Bill, 2025:</u>

(*1*) Irrespective of anything to the contrary contained in Section 263, if prior to the date of order in respect of business reorganisation, any return of income has been furnished under the provisions of the said section by an entity for any tax year to which such order applies, the successor shall furnish, within six months from the end of the month in which the order was issued, a modified return in such form and manner, as prescribed, in accordance with and limited to the said order.

(*2*) Where the assessment or reassessment proceedings for a tax year to which the order in respect of the business reorganisation applies,—

(*a*) have been completed on the date of furnishing of the modified return as per the provisions of sub-section (*1*), the Assessing Officer shall pass an order modifying the total income of the relevant tax year determined in such assessment or reassessment, in accordance with such order and taking into account the modified return so furnished;

(*b*) are pending on the date of furnishing of the modified return as per sub-section (*1*), the Assessing Officer shall pass an order assessing or reassessing the total income of the relevant tax year as per the order of the business reorganisation and taking into account the modified return so furnished.

(*3*) Subject to any other provisions of this section, in an assessment or reassessment made in respect of a tax year under this section, all other provisions of this Act shall apply and the tax shall be chargeable at the rate or rates as applicable to such tax year.

(*4*) In this section,—

(*a*) “business reorganisation” means the reorganisation of business involving the amalgamation or demerger or merger of business of one or more persons;

(*b*) “order in respect of business reorganisation” means an order of a High Court or tribunal or an Adjudicating Authority as defined in section 5(*1*) of the Insolvency and Bankruptcy Code, 2016; and

(*c*) “successor” means all resulting companies in a business reorganisation, whether or not the company was in existence prior to such business reorganisation.

314.2 <u>Relevant Provision of the Principal Act (Income-Tax Act, 1961):</u>

[**Effect of order of tribunal or court in respect of business reorganisation.**

170A. (1) Notwithstanding anything to the contrary contained in section 139, in a case of business reorganisation, where prior to the date of order of a High Court or tribunal or an Adjudicating Authority as defined in clause (*1*) of section 5 of the Insolvency and Bankruptcy Code, 2016 (31 of 2016) (hereinafter referred to as order in respect of business reorganisation), as the case may be, any return of income has been furnished by an entity to which such order applies under the provisions of section 139 for any assessment year relevant to the previous year to which such order applies, the successor shall furnish, within a period of six months from the end of the month in which the order was issued, a modified return in such form and manner, as may be prescribed, in accordance with and limited to the said order.

(2) Where the assessment or reassessment proceedings for an assessment year relevant to a previous year to which the order in respect of the business reorganisation applies,—

(*a*) have been completed on the date of furnishing of the modified return in accordance with the provisions of sub-section (1), the Assessing Officer shall pass an order modifying the total income of the relevant assessment year determined in such assessment or reassessment, in accordance with such order and taking into account the modified return so furnished;

(*b*) are pending on the date of furnishing of the modified return in accordance with the provisions of sub-section (1), the Assessing Officer shall pass an order assessing or reassessing the total income of the relevant assessment year in accordance with the order of the business reorganisation and taking into account the modified return so furnished.

(3) Save as otherwise provided in this section, in an assessment or reassessment made in respect of an assessment year under this section, all other provisions of this Act shall apply and the tax shall be chargeable at the rate or rates as applicable to such assessment year.

Explanation.—In this section, the expressions—

(*i*) "business reorganisation" means the reorganisation of business involving the amalgamation or demerger or merger of business of one or more persons;

(*ii*) "successor" means all resulting companies in a business reorganisa-tion, whether or not the company was in existence prior to such business reorganisation.]

314.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under :-

"Clause 314 of the Bill provides for effect of order of tribunal or court in respect of business reorganization. The clause corresponds to section 170A of the Act. The existing section has been textually simplified and retained with the same intent in this clause".

314.4 <u>Important Views/Suggestions given by Experts/Stakeholders:</u>

During the course of the examination of the Bill, some important suggestions/comments received from various stakeholders and experts are summarised as follows:-

1. Replace "in accordance with such order" in clause 314(2)(a) with "in accordance with such order in respect of business reorganisation".

2. Replace "order of the business reorganisation" in clause 314(2)(b) with "order in respect of business reorganisation".

3. Replace the phrase "In this section" in clause 314(4) worth "For the purposes of section 313 and section 314"

4. Insert a new provision clause 314(4)(d) defining the term "succession" as below: "A change in the ownership of a business where the identity of the business is retained, and its operations are continued by the successor in the same manner as before." A clarification be included in clause 313(4) that recovery of sums by successors not result in income in the hands of the successor.

314.5 <u>Examination by the Committee:</u>

314.5.1 On the above suggestions, the Ministry of Finance has stated the following in their written submission (mentioned correspondingly):

1. Accepted:

"The suggestion seeks to replace "in accordance with such order" in clause 314(2)(a) with "in accordance with such order in respect of business reorganisation" and replace "order of the business reorganisation" in clause 314(2)(b) with "order in respect of business reorganisation". It is in the nature of drafting correction. There is no change in the provisions of the Bill viz-a-viz Act. In respect of proposals vide 1 & 2, though the existing words convey the meaning correctly; however to provide more clarity, the modified language as suggested may be accepted".

2. Accepted:

"The suggestion seeks to replace the phrase "In this section" in clause 314(4) with "For the purposes of section 313 and section 314" and insert a new provision clause 314(4)(d) defining the term "succession" as below: "A change in

the ownership of a business where the identity of the business is retained, and its operations are continued by the successor in the same manner as before." and to clarify in clause 313(4) that recovery of sums by successors not result in income in the hands of the successor. It is in the nature of drafting correction. There is no change in the provisions of the Bill viz-a-viz Act".

3. "In respect of proposals at 3 & 4, it is stated that the definition of the term 'succession' is not required. All the tax implications of business succession are already expressly provided in clause 313. The express definition of the term 'succession' does not make any value addition to the provisions. Further, the term defined in clause 314(4) are not applicable to clause 313. Therefore, the proposal for substituting the phrase "In this section" in clause 314(4) with " For the purposes of section 313 and section 314" is not acceptable".

4. "In respect of proposal to clarify clause 313(4) stating that the sum so recovered by successor from the predecessor shall not result in income in the hands of the successor, is found to be unnecessary, because the general principles of taxation would always apply in such situation".

314.5.2 The representative of the Ministry has made the following oral submission during the the 31st Sitting of the Committee held on 10 June, 2025 :-

" …….they are asking for definition of the term 'succession'. We are saying all the tax implications of business succession are already expressly provided. So, the definition of succession will not have any value addition".

314.6 Observations/Recommendations of the Committee:

The Committee note that Clause 314 of the Bill, which addresses how tribunal or court orders affect business reorganization, streamlines the existing Section 170A of the Act while preserving its core intent. Following receipt and deliberation on suggestions from stakeholders and experts, the Committee observe that the Department of Revenue has agreed to specific textual revisions within sub-clauses (2)(a) and (2)(b). These involve replacing "in accordance with such order" with "in accordance with such order in respect of business reorganisation" in Clause 314(2)(a), and substituting "order of the business reorganisation" with "order in respect of business reorganisation" in Clause 314(2)(b). The Department deems these as drafting corrections that do not alter the Bill's provisions relative to the Act. Therefore, sub-clauses (2)(a) and (2)(b) of Clause 314 may be redrafted as follows:

2) Where the assessment or reassessment proceedings for a tax year to which the order in respect of the business reorganisation applies,—

(a) have been completed on the date of furnishing of the modified return as per the provisions of sub-section (1), the Assessing Officer shall pass an order modifying the total income of the relevant tax year determined in such assessment or reassessment, in accordance with such order in respect of business reorganisation and taking into account the modified return so furnished;

(b) are pending on the date of furnishing of the modified return as per sub-section (1), the Assessing Officer shall pass an order assessing or reassessing the total income of the relevant tax year as per the order in respect of the business reorganisation and taking into account the modified return so furnished. "

After a thorough review of the perspectives shared by stakeholders and the Department, the Committee approve Clause 314, contingent upon the aforementioned drafting corrections.

Clause 315 - Assessment after partition of Hindu undivided family

315.1 Provision proposed in the Income-Tax Bill, 2025:

(*1*) A Hindu family, hitherto assessed as undivided, shall be deemed for the purposes of this Act to continue to be a Hindu undivided family, except where and in so far as a finding of partition has been given under this section in respect of the Hindu undivided family.

(*2*) Where, at the time of making an assessment under section 270 or section 271, it is claimed by or on behalf of any member of a Hindu family assessed as undivided that a partition, whether total or partial, has taken place among the members of such family, the Assessing Officer shall make an inquiry thereinto after giving notice of the inquiry to all the members of the family.

(*3*) On the completion of the inquiry, the Assessing Officer shall record a finding as to whether there has been a total or partial partition of the joint family property, and, if there has been such a partition, the date on which it has taken place.

(*4*) Where a finding of total or partial partition has been recorded by the Assessing Officer under this section, and the partition took place during the tax year,—

(*a*) the total income of the joint family in respect of the period up to the date of partition shall be assessed as if no partition had taken place; and

(*b*) each member or group of members shall, in addition to any tax for which he or it may be separately liable and irrespective of anything contained against Schedule III (Table: Sl. No. 2), be jointly and severally liable for the tax on the income so assessed.

(*5*) Where a finding of total or partial partition has been recorded by the Assessing Officer under this section, and the partition took place after the expiry of the tax year, the total income of the tax year of the joint family shall be assessed as if no partition had taken place, and the provisions of sub-section (*4*)(*b*), so far as may be, apply to the case.

(*6*) Irrespective of anything contained in this section, if the Assessing Officer finds after completion of the assessment of a Hindu undivided family that the family has already effected a partition, whether total or partial, the Assessing Officer shall proceed to recover the tax from every person who was a member of the family before the partition, and every such person shall be jointly and severally liable for the tax on the income so assessed.

(*7*) The provisions of this section shall, so far as may be, apply in relation to the levy and collection of any penalty, interest, fine or other sum in respect of any period up to

the date of the partition, whether total or partial, of a Hindu undivided family as they apply in relation to the levy and collection of tax in respect of any such period.

(*8*) Irrespective of anything contained in the foregoing provisions of this section, where a partial partition has taken place after the 31st December, 1978, among the members of a Hindu undivided family hitherto assessed as undivided,—

(*a*) a claim that such partial partition has taken place shall not be inquired into under sub-section (*2*) and no finding shall be recorded under sub-section (*3*) that such partial partition had taken place and any finding recorded under sub-section (*3*) to that effect at any time, shall be *null* and *void*;

(*b*) such family shall continue to be liable to be assessed under this Act as if no such partial partition had taken place; and

(*c*) each member or group of members of such family immediately before such partial partition and the family shall be jointly and severally liable for any tax, penalty, interest, fine or other sum payable under this Act by the family in respect of any period, whether before or after such partial partition.

(*9*) For the purposes of this section, the several liability of any member or group of members thereunder shall be computed according to the portion of the joint family property allotted to him or it at the partition, whether total or partial and the provisions of this Act shall apply accordingly.

(*10*) In this section,—

(*a*) “partition”means,—

(*i*) where the property admits of a physical division, a physical division of the property, but a physical division of the income without a physical division of the property producing the income shall not be deemed to be a partition; or

(*ii*) where the property does not admit of a physical division, then such division as the property admits of, but a mere severance of status shall not be deemed to be a partition;

(*b*) “partial partition” means a partition which is partial as regards the persons constituting the Hindu undivided family, or the properties belonging to the Hindu undivided family, or both.

315.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Assessment after partition of a Hindu undivided family.

171. (1) A Hindu family hitherto assessed as undivided shall be deemed for the purposes of this Act to continue to be a Hindu undivided family, except where and in so far as a finding of partition has been given under this section in respect of the Hindu undivided family.

(2) Where, at the time of making an assessment under section 143 or section 144, it is claimed by or on behalf of any member of a Hindu family assessed as undivided that a partition, whether total or partial, has taken place among the members of such family, the Assessing Officer shall make an inquiry thereinto after giving notice of the inquiry to all the members of the family.

(3) On the completion of the inquiry, the Assessing Officer shall record a finding as to whether there has been a total or partial partition of the joint family property, and, if there has been such a partition, the date on which it has taken place.

(4) Where a finding of total or partial partition has been recorded by the Assessing Officer under this section, and the partition took place during the previous year,—

(*a*) the total income of the joint family in respect of the period up to the date of partition shall be assessed as if no partition had taken place; and

(*b*) each member or group of members shall, in addition to any tax for which he or it may be separately liable and notwithstanding anything contained in clause (*2*) of section 10, be jointly and severally liable for the tax on the income so assessed.

(5) Where a finding of total or partial partition has been recorded by the Assessing Officer under this section, and the partition took place after the expiry of the previous year, the total income of the previous year of the joint family shall be assessed as if no partition had taken place; and the provisions of clause (*b*) of sub-section (4) shall, so far as may be, apply to the case.

(6) Notwithstanding anything contained in this section, if the Assessing Officer finds after completion of the assessment of a Hindu undivided family that the family has already effected a partition, whether total or partial, the Assessing Officer shall proceed to recover the tax from every person who was a member of the family before the partition, and every such person shall be jointly and severally liable for the tax on the income so assessed.

(7) For the purposes of this section, the several liability of any member or group of members thereunder shall be computed according to the portion of the joint family property allotted to him or it at the partition, whether total or partial.

(8) The provisions of this section shall, so far as may be, apply in relation to the levy and collection of any penalty, interest, fine or other sum in respect of any period up to the date of the partition, whether total or partial, of a Hindu undivided family as they apply in relation to the levy and collection of tax in respect of any such period.

(9) Notwithstanding anything contained in the foregoing provisions of this section, where a partial partition has taken place after the 31st day of December, 1978, among the members of a Hindu undivided family hitherto assessed as undivided,—

(*a*) no claim that such partial partition has taken place shall be inquired into under sub-section (2) and no finding shall be recorded under sub-section (3) that such partial partition had taken place and any finding recorded under sub-section (3) to that effect whether before or after the 18th day of June, 1980, being the date of introduction of the Finance (No. 2) Bill, 1980, shall be null and void;

(*b*) such family shall continue to be liable to be assessed under this Act as if no such partial partition had taken place;

(*c*) each member or group of members of such family immediately before such partial partition and the family shall be jointly and severally liable for any tax, penalty, interest, fine or other sum payable under this Act by the family in respect of any period, whether before or after such partial partition;

(*d*) the several liability of any member or group of members aforesaid shall be computed according to the portion of the joint family property allotted to him or it at such partial partition,

and the provisions of this Act shall apply accordingly.

Explanation.—In this section,—

(*a*) "partition" means—

(*i*) where the property admits of a physical division, a physical division of the property, but a physical division of the income without a physical division of the property producing the income shall not be deemed to be a partition; or

(*ii*) where the property does not admit of a physical division, then such division as the property admits of, but a mere severance of status shall not be deemed to be a partition;

(*b*) "partial partition" means a partition which is partial as regards the persons constituting the Hindu undivided family, or the properties belonging to the Hindu undivided family, or both.

315.3 <u>Reasons/Justification given by the Ministry of Finance for the proposed provision:</u>

The justification furnished by the Ministry for the proposed provision is as under :-

"Clause 315 of the Bill provides for assessment after partition of a Hindu undivided family The clause corresponds to section 171 of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".

315.4 <u>Important Views/Suggestions given by Experts/Stakeholders:</u>

During the course of the Examination of the proposed Bill, some important suggestions/comments received from various stakeholders and experts are summarised as follows:-

1. Partial partitions are not recognized under clause 315(1)(8) and accordingly references to partial partition in the rest of the clause may be removed especially since its leading to contradictory provisions under sub-clauses (4), (8) and (9) of clause 315. Partial partition is not recognized under IT Act for many years now Hence, the concept under the IT Bill should be done away with since its leading to contradictory positions under law; and in any case, this IT Bill applies prospectively and the Act would be sufficient to cater to any exigency of legacy litigation.

2. The clause should have a provision allowing taxpayer to inform the jurisdictional AO of the factum of partition as soon as reasonably possible during the concerned year. Presently, under clause 315(2) the claim of partition can be filed only during assessment which limits the ability of the taxpayer to file an independent claim Further, in case if the return is processed simpliciter by Centralized Processing Centre ("CPC") it leads to logistical issues of intimating the jurisdictional AO Accordingly, it is recommended that there should be a provision allowing the taxpayer to inform the AO (preferably through an e-filing system) of the factum of partition as soon as reasonably possible during the concerned year.

3. The Karta of the HUF, which is partitioned, shall intimate the Assessing Officer about such partition of the HUF, within a period of six months from the date of partition, and the Assessing Officer, shall conduct the inquiry under the provisions of this section and shall give his finding by passing an order within one year of the receipt of such intimation. If no order is passed by the assessing officer it would be deemed that the partition is approved with no tax implications there after The order passed by the assessing officer be made an appealable order. In the case of partition of the HUF, the ambiguity regarding the date of partition and its tax liability continues indefinitely, till the Assessing Officer declares the partition, and assesses it This is creating uncertainty in taxation. Such uncertainty in timing of taxation and quantum of tax needs to be addressed There is no provision for appeal to such order by the assessing officer and the assesse has no further remedy Hence the appeal remedy be provided to the order passed by the Assessing Officer.

315.5 <u>Examination by the Committee:</u>

315.5.1 On the above suggestions, the Ministry of Finance has stated the following in their written submission (mentioned correspondingly):

1. "The suggestion seeks to remove the reference of partial partition in clause 315 (Assessment after partition of HuF). It is in the nature of Policy Change which is outside

the scope of the Bill. There is no change in the provisions of the Bill viz-a-viz Act. Partial partitions in case of undivided families are not recognized under clause 315(1)(8) after 31.12.1978 but any such partition before this date is to be recognised. References to partial partition in the rest of the clauses needs to be retained to take care of provisions related to successor HUFs wherein partial; partition is before 31.12.1978. Thus, the suggestion is not feasible".

2. "The suggestion seeks to expand the scope of clause 315 by allowing taxpayer to inform the jurisdictional AO of the factum of partition as soon as reasonably possible during the concerned year. It is in the nature of Policy Change which is outside the scope of the Bill. There is no change in the provisions of the Bill viz-a-viz Act. The suggestion if implemented will create unnecessary compliance burden on the taxpayer especially in cases where no demand or proceedings is pending in the case of the taxpayer. The taxpayer has the option to update their personal details on the e-filing portal. Thus, the suggestion is not feasible".

315.5.2 The representative of the Ministry has deposed before the Committee at the 31st Sitting of the Committee held on 10 June, 2025 as follows:-

".....the suggestion is to remove the reference of partial partition in Clause 315, which is assessment after partition of HUF. We are saying partial partition in case of undivided families are not recognised under clause 315 after 31.12.1978. But there may be such partitions before 1978. So, the reference to partial partition needs to be retained to take care of successor HUFs where partial partition was made before 31.12.1978".

315.5.3 During further, discussion it was also stated by the Ministry representatives as follows:-

".....where there is a case of partition, the request is that the taxpayer should inform the jurisdictional assessing officer as soon as reasonably possible during the concerned year itself. So, we are saying that it would put unnecessary compliance burden on the taxpayer, especially in cases where there is no demand or there is no proceeding pending. So, if the taxpayer has to update his personal details, then he can as well update it on the e-filing portal.

A partial partition is when some, but not all, assets or members of an HUF are divided, leaving the rest as a joint family. Section 171(9) of the IT Act, 1961 nullifies any partial partition that occurs after the specified date (March 30, 1978) for tax purposes. This means that even if a partial partition is valid under Hindu law, it won't be recognized by the tax authorities. This restriction was put to avoid creation of multiple HUFs which was leading to evasion of Income-Tax. Before the amendment, partial partitions were being used to split income among family members and reduce tax liabilities. The Income-Tax Act, 1961 now requires a complete partition of all assets and members for it to be recognized for tax

purposes. The restriction on partial partitions aims to prevent the manipulation of HUF structures to avoid taxes.

The Supreme court has analysed the issue in the case of Union of India Vs. M. V. Valliappan 238 ITR 1027.The court held that it if for the legislature to decide whether the recognition of partial partition introduced in the Income-Tax Act should continue or not. If it considers that it has led to abuses or inconvenience is entitled to amend or delete. By having multiple partial partitions qua the properties or members, it is possible to manipulate the affairs of the HUF for reduction of tax liability and to prevent such manipulation, sub-section (9) of section 170 added".

315.6 Observations/Recommendations of the Committee:

The Committee note that Clause 315 of the Bill, which provides for the assessment process following the partition of a Hindu Undivided Family (HUF), mirrors Section 171 of the existing Income-Tax Act. The Committee also note that the provisions of the current section have been textually simplified and carried forward into this new clause with no intended policy changes. After carefully considering the views presented by various stakeholders and the responses from the Department, the Committee approve Clause 315, as proposed.

8- Profits of non-residets from occasional shipping business

Clause 316 - Shipping business of non-residents

316.1 <u>Provision proposed in the Income-Tax Bill, 2025:</u>

(*1*) Irrespective of anything in the other provisions of this Act, the provisions of this section shall apply for the purpose of levy and recovery of tax in the case of any ship, belonging to or chartered by a non-resident, which carries passengers, livestock, mail or goods shipped at a port in India.

(*2*) Where such a ship carries passengers, livestock, mail or goods shipped at a port in India,—

(*a*) 7.5 % of the amount paid or payable on account of such carriage shall be deemed to be income accruing in India to the owner or charterer or to any person on his behalf, on account of such carriage, whether that amount is paid or payable in or out of India; and

(*b*) the amount referred to in clause (*a*) shall include the amount paid or payable by way of demurrage charge or handling charge or any other amount of similar nature.

(*3*) Before the departure from any port in India of any such ship, the master of the ship shall prepare and furnish to the Assessing Officer a return of the full amount paid or payable to the person as mentioned in sub-section (*2*) on account of such carriage shipped at that port, since the last arrival of the ship thereat.

(*4*) The requirement of furnishing the return as per sub-section (*3*) shall be deemed to have been complied with, if—

(*a*) the Assessing Officer is satisfied that—

(*i*) it is not possible for the master of the ship to furnish the return before the departure of the ship from the port; and

(*ii*) the master of the ship has made satisfactory arrangements for filing of the return and payment of tax by any other person on his behalf; and

(*b*) the return is filed within thirty days of the departure of the ship by any person so authorised by the master.

(*5*) On receipt of the return, the Assessing Officer shall—

(*a*) assess the income referred to in sub-section (*2*); and

(*b*) determine the sum payable as tax thereon at the rate or rates in force applicable to the total income of a company which has not made the arrangements referred to in section 393(*1*)(Table: Sl. No. 7) and such sum shall be payable by the master of the ship.

(*6*) No order assessing the income and determining the sum of tax payable thereon shall be made under sub-section (*5*) after the expiry of nine months from the end of the tax year in which the return under sub-section (*3*) is furnished.

(*7*) For the purposes of determining the tax payable under sub-section (*5*), the Assessing Officer may call for such accounts or documents as he may require.

(*8*) A port clearance shall not be granted to the ship until the Commissioner of Customs, or other officer duly authorised to grant the same, is satisfied that the tax assessable under this section has been duly paid or that satisfactory arrangements have been made for the payment thereof.

(*9*) Nothing in this section shall prevent the owner or charterer of a ship from claiming, before the end of the year following the tax year in which the date of departure of the ship from Indian port falls, that an assessment be made of his total income of the tax year as per other provisions of this Act, andtax payable be determined on the basis of such assessment.

(*10*) In a case falling under sub-section (*9*), any payment made under this section during the tax year, if so claimed, shall be treated as—

(*a*) tax paid in advance with respect to that year and adjusted against tax payable by such person; and

(*b*) the difference between the sum so paid and the amount of tax found so payable by him on such assessment shall be paid by him or refunded to him.

316.2 <u>Relevant Provision of the Principal Act (Income-Tax Act, 1961):</u>

Shipping business of non-residents.

172. (1) The provisions of this section shall, notwithstanding anything contained in the other provisions of this Act, apply for the purpose of the levy and recovery of tax in the case of any ship, belonging to or chartered by a non-resident, which carries passengers, livestock, mail or goods shipped at a port in India.

(2) Where such a ship carries passengers, livestock, mail or goods shipped at a port in India, seven and a half per cent of the amount paid or payable on account of such carriage to the owner or the charterer or to any person on his behalf, whether that amount is paid or payable in or out of India, shall be deemed to be income accruing in India to the owner or charterer on account of such carriage.

(3) Before the departure from any port in India of any such ship, the master of the ship shall prepare and furnish to the Assessing Officer a return of the full amount paid or payable to the owner or charterer or any person on his behalf, on account of the carriage of all passengers, livestock, mail or goods shipped at that port since the last arrival of the ship thereat:

Provided that where the Assessing Officer is satisfied that it is not possible for the master of the ship to furnish the return required by this sub-section before the departure of the ship from the port and provided the master of the ship has made satisfactory arrangements for the filing of the return and payment of the tax by any other person on his behalf, the Assessing Officer may, if the return is filed within thirty days of the departure of the ship, deem the filing of the return by the person so authorised by the master as sufficient compliance with this sub-section.

(4) On receipt of the return, the Assessing Officer shall assess the income referred to in sub-section (2) and determine the sum payable as tax thereon at the rate or rates in force applicable to the total income of a company which has not made the arrangements referred to in section 194 and such sum shall be payable by the master of the ship.
(4A) No order assessing the income and determining the sum of tax payable thereon shall be made under sub-section (4) after the expiry of nine months from the end of the financial year in which the return under sub-section (3) is furnished:

Provided that where the return under sub-section (3) has been furnished before the 1st day of April, 2007, such order shall be made on or before the 31st day of December, 2008.

(5) For the purpose of determining the tax payable under sub-section (4), the Assessing Officer may call for such accounts or documents as he may require.

(6) A port clearance shall not be granted to the ship until the Collector of Customs, or other officer duly authorised to grant the same, is satisfied that the tax assessable under this section has been duly paid or that satisfactory arrangements have been made for the payment thereof.

(7) Nothing in this section shall be deemed to prevent the owner or charterer of a ship from claiming before the expiry of the assessment year relevant to the previous year in which the date of departure of the ship from the Indian port falls, that an assessment be made of his total income of the previous year and the tax payable on the basis

thereof be determined in accordance with the other provisions of this Act, and if he so claims, any payment made under this section in respect of the passengers, livestock, mail or goods shipped at Indian ports during that previous year shall be treated as a payment in advance of the tax leviable for that assessment year, and the difference between the sum so paid and the amount of tax found payable by him on such assessment shall be paid by him or refunded to him, as the case may be.

(8) For the purposes of this section, the amount referred to in sub-section (2) shall include the amount paid or payable by way of demurrage charge or handling charge or any other amount of similar nature.

316.3 <u>Reasons/Justification given by the Ministry of Finance for the proposed provision:</u>

The justification furnished by the Ministry for the proposed provision is as under :-

> *"Clause 316 of the Bill provides for shipping business of non-residents. The clause corresponds to section 172 of the Act. Word 'Commissioner of customs' is incorporated in place of 'collector of customs' and the existing section has been textually simplified and retained with the same intent in this clause*".

316.4 <u>Examination by the Committee:</u>

In a reply to a specific query (inclusion or exclusion or replacement of words, etc., if any, between the provisions of the Clauses and existing section, the Ministry has furnished the following in their written response as follows:-

> *"The provisions proposed in the Income-Tax Bill 2025 is the simplified version of the corresponding provisions of IT Act 1961*."

316.5 Observations/Recommendations of the Committee:

The Committee note that Clause 316 of the Bill provides for shipping business of non-residents, aligns with Section 172 of the Income-Tax Act, 1961. The Committee concurs with the Department's justification for retaining this clause with the same intent, incorporating only textual simplification. The Committee, therefore, accept the Clause in its current form.

9 – Persons leaving India

Clause 317 - Assessment of persons leaving India

317.1 <u>Provision proposed in the Income-Tax Bill, 2025:</u>

(*1*) Irrespective of anything contained in section 4, when it appears to the Assessing Officer that any individual may leave India during the current tax year or shortly after its expiry, with no present intention of returning to India, the total income of such individual for the period beginning from the first day of that current tax year up to the probable date of departure from India (referred to as specified period in this section) shall be chargeable to tax in that current tax year.

(*2*) The total income of each completed tax year or part of any tax year included in the specified period shall be chargeable to tax at the rate or rates in force in that tax year, and separate assessments shall be made in respect of each such completed tax year or part of any tax year.

(*3*) The Assessing Officer may estimate the income of such individual for such specified period or any part thereof, where it cannot be readily determined in the manner provided in this Act.

(*4*) For the purposes of making an assessment under sub-section (*1*), the Assessing Officer may serve a notice upon such individual requiring him to furnish within such time, not being less than seven days, as specified in the notice, a return in the same form and verified in the same manner as a return under section 268(*1*), setting forth his–

(*a*) total income for each completed tax year comprised in such specified period referred to therein; and

(*b*) estimated total income for any part of the tax year comprised in such specified period, and the provisions of this Act shall, so far as may be, and subject to the provisions of this section, apply as if the notice were a notice issued under section 268(*1*).

(*5*) Irrespective of anything contained in section 268(*1*) or 280, where the provisions of sub-section (*1*) are applicable, the Assessing Officer may issue any notice under section 268(*1*) or 280, requiring the furnishing of the return by such individual in respect of any tax chargeable under any other provisions of this Act, within such period, not being less than seven days, as the Assessing Officer may think proper.

(*6*) The tax chargeable under this section shall be in addition to the tax, if any, chargeable under any other provisions of this Act.

317.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Assessment of persons leaving India.

174. (1) Notwithstanding anything contained in section 4, when it appears to the Assessing Officer that any individual may leave India during the current assessment year or shortly after its expiry and that he has no present intention of returning to India, the total income of such individual for the period from the expiry of the previous year for that assessment year up to the probable date of his departure from India shall be chargeable to tax in that assessment year.

(2) The total income of each completed previous year or part of any previous year included in such period shall be chargeable to tax at the rate or rates in force in that assessment year, and separate assessments shall be made in respect of each such completed previous year or part of any previous year.

(3) The Assessing Officer may estimate the income of such individual for such period or any part thereof, where it cannot be readily determined in the manner provided in this Act.

(4) For the purpose of making an assessment under sub-section (1), the Assessing Officer may serve a notice upon such individual requiring him to furnish within such time, not being less than seven days, as may be specified in the notice, a return in the same form and verified in the same manner as a return under clause (*i*) of sub-section (1) of section 142, setting forth his total income for each completed previous year comprised in the period referred to in sub-section (1) and his estimated total income for any part of the previous year comprised in that period; and the provisions of this Act shall, so far as may be, and subject to the provisions of this section, apply as if the notice were a notice issued under clause (*i*) of sub-section (1) of section 142.

(5) The tax chargeable under this section shall be in addition to the tax, if any, chargeable under any other provision of this Act.

(6) Where the provisions of sub-section (1) are applicable, any notice issued by the Assessing Officer under clause (*i*) of sub-section (1) of section 142 or section 148 in respect of any tax chargeable under any other provision of this Act may, notwithstanding anything contained in clause (*i*) of sub-section (1) of section 142 or section 148, as the case may be, require the furnishing of the return by such individual within such period, not being less than seven days, as the Assessing Officer may think proper.

317.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under :-

> *"Clause 317 of the Bill provides for assessment of persons leaving India. The clause corresponds to section 174 of the Act. There is no policy change except the term 'specified period' has been introduced for the period beginning from the first day of that tax year upto the probable date of departure from India".*

317.4 Examination by the Committee:

In a reply to a specific query (inclusion or exclusion or replacement of words, etc., if any, between the provisions of the Clauses and existing section, the Ministry has furnished the following in their written response as follows:-

> *"The provisions proposed in the Income-Tax Bill 2025 is the simplified version of the corresponding provisions of IT Act 1961."*

317.5 Observations/Recommendations of the Committee:

The Committee note that Clause 317 of the Income-Tax Bill, 2025, mapped to Section 174 of the Income-Tax Act, 1961, provides for assessment of persons leaving India. The Committee approve Clause 317 as proposed, noting its simplified approach to existing provisions.

10- Assessment of association of persons or body of individuals or artificial juridical person formed for a particular event or purpose

Clause 318 - Assessment of association of persons or body of individuals or artificial juridical person formed for a particular event or purpose

318.1 Provision proposed in the Income-Tax Bill, 2025:

(*1*) Irrespective of anything contained in the section 4, where it appears to the Assessing Officer that any association of persons or a body of individuals or an artificial juridical person, formed or established or incorporated for a particular event or purpose in a tax year is likely to be dissolved in the same year or immediately after such year, the total income of such association or body or juridical person for the period beginning from the first day of that tax year up to the date of its dissolution shall be chargeable to tax in that tax year.

(*2*) For the purpose of sub-section (*1*), the provisions of section 317(*2*) to (*6*) shall, so far as may be, apply to any proceedings in the case of any such person as they apply in the case of persons leaving India.

318.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Assessment of association of persons or body of individuals or artificial juridical person formed for a particular event or purpose.

174A. Notwithstanding anything contained in section 4, where it appears to the Assessing Officer that any association of persons or a body of individuals or an artificial juridical person, formed or established or incorporated for a particular event or purpose is likely to be dissolved in the assessment year in which such association of persons or a body of individuals or an artificial juridical person was formed or established or incorporated or immediately after such assessment year, the total income of such association or body or juridical person for the period from the expiry of the previous year for that assessment year up to the date of its dissolution shall be chargeable to tax in that assessment year, and the provisions of sub-sections (2) to (6) of section 174 shall, so far as may be, apply to any proceedings in the case of any such person as they apply in the case of persons leaving India.

318.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under :-

> *"Clause 318 of the Bill provides for assessment of association of persons or body of individuals or artificial juridical person formed for a particular event or purpose. The clause corresponds to section 174A of the Act. There is no policy change.*

The provisions of the existing section have been textually simplified and retained with the same intent in this clause".

318.4 <u>Examination by the Committee:</u>

In a reply to a specific query (inclusion or exclusion or replacement of words, etc., if any, between the provisions of the Clauses and existing section, the Ministry has furnished the following in their written response as follows:-

"The provisions proposed in the Income-Tax Bill 2025 is the simplified version of the corresponding provisions of IT Act 1961."

318.5 Observations/Recommendations of the Committee:

The Committee note that Clause 318 of the Bill, dealing assessment of association of persons or body of individuals or artificial judicial person formed for a particular event or purpose, aims to simplify the existing provisions of Section 174A. The Committee concur with the Department's justification for this simplification and, therefore, accept Clause 318 as proposed.

11 – Persons trying to alienate their assets

Clause 319 - Assessment of persons likely to transfer property to avoid tax

319.1 Provision proposed in the Income-Tax Bill, 2025:

(*1*) Irrespective of anything contained in section 4, where it appears to the Assessing Officer during any current tax year that any person is likely to charge, sell, transfer, dispose of or otherwise part with any of his assets with a view to avoiding payment of any liability under the provisions of this Act, the total income of such person for the period beginning from the first day of that current tax year up to the date when the Assessing Officer commences proceedings under this section shall be chargeable to tax in current tax year.

(*2*) For the purpose of sub-section (*1*), the provisions of section 317(*2*) to (*6*) shall, so far as may be, apply to any proceedings in the case of any such person as they apply in the case of persons leaving India.

319.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Assessment of persons likely to transfer property to avoid tax.

175. Notwithstanding anything contained in section 4, if it appears to the Assessing Officer during any current assessment year that any person is likely to charge, sell, transfer, dispose of or otherwise part with any of his assets with a view to avoiding payment of any liability under the provisions of this Act, the total income of such person for the period from the expiry of the previous year for that assessment year to the date when the Assessing Officer commences proceedings under this section shall be chargeable to tax in that assessment year, and the provisions of sub-sections (2), (3), (4), (5) and (6) of section 174 shall, so far as may be, apply to any proceedings in the case of any such person as they apply in the case of persons leaving India.

319.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under :-

> *"Clause 319 of the Bill deals with assessment of persons likely to transfer property to avoid tax. The clause corresponds to section 175 of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".*

319.4 Important Views/Suggestions given by Experts/Stakeholders:

During the course of the examination of the Bill, some important suggestions/comments received from various stakeholders and experts are summarised as follows:-

Insert the following provisos to clause 319(1): "Provided that, nothing in this section shall apply in case of transfer of assets for bona fide purposes if adequate consideration is received by the transferor. Provided further that, before commencing proceedings under this section, the Assessing Officer shall obtain prior written approval from the Principal Commissioner or any other higher Income-Tax authority, as may be prescribed." Our recommendations are intended to prevent the misuse of clause 319 in situations where there are legitimate transfers. This will also lead to greater certainty for taxpayers.

319.5 <u>Examination by the Committee:</u>

319.5.1 On the above suggestion, the Ministry of Finance has stated the following in their written submission:-

> "The suggestion seeks to insert the following provisos to clause 319(1) Persons trying to alienate their assets: "Provided that, nothing in this section shall apply in case of transfer of assets for bona fide purposes if adequate consideration is received by the transferor. Provided further that, before commencing proceedings under this section, the Assessing Officer shall obtain prior written approval from the Principal Commissioner or any other higher Income-Tax authority, as may be prescribed. It is in the nature of Policy Change which is outside the scope of the Bill. There is no change in the provisions of the Bill viz-a-viz Act. This is an anti-abuse provision. As this is a specific provision wherein person is trying to alienate its assets in order to evade tax liability so any relaxation in this regard is prone to misuse. Further, veracity of Bonafide reasons and adequate consideration will increase litigation. Thus, the suggestion is not feasible".

319.5.2 In this regard, the representative of the Ministry during the 31st Sitting of the Committee held on 10 June, 2025 deposed before the Committee as follows:-

> *"The suggestion is where the property is likely to be, where the property is transferred for bona fide purposes and for adequate consideration, this section should not be applicable in such a case. The second suggestion is that the assessing officer should obtain prior written approval from the principal commissioner for invoking powers under this provision. This is a rarely used provision and it is an anti-abuse provision where a person is trying to alienate assets in order to evade tax liability which is already there. These are some anti-abuse provisions. If we include bona fide*

purposes, adequate considerations, that anti-avoidance nature gets diluted".

319.6 Observations/Recommendations of the Committee:-

The Committee observe that Clause 319 of the Income-Tax Bill, 2025 textually simplifies and retains the intent of Section 175 of the Income-Tax Act, 1961 regarding assessment of persons likely to transfer property to avoid tax. Noting that there is no policy change in this regard and having after considered the views of the stakeholders as well as the response of the Department, the Committee accept Clause 319 as proposed.

12 – Discontinuance of business, or dissolution

Clause 320 - Discontinued business

320.1 <u>Provision proposed in the Income-Tax Bill, 2025:</u>

(*1*) Irrespective of anything contained in section 4, where any business or profession is discontinued in any tax year, the income of the period beginning from the first day of that tax year up to the date of such discontinuance may, at the discretion of the Assessing Officer, be charged to tax in that tax year.

(*2*) The total income of each completed tax year or part of any tax year included in such period shall be chargeable to tax at the rate or rates in force in that tax year, and separate assessments shall be made in respect of each such completed tax year or part of any tax year.

(*3*) Any person discontinuing any business or profession shall give to the Assessing Officer notice of such discontinuance within fifteen days thereof.

(*4*) Where any business is discontinued in any year, any sum received after the discontinuance shall be deemed to be the income of the recipient and charged to tax accordingly in the year of receipt, if such sum would have been included in the total income of the person who carried on the business had such sum been received before such discontinuance.

(*5*) Where any profession is discontinued in any year on account of the cessation of the profession by, or the retirement or death of, the person carrying on the profession, any sum received after the discontinuance shall be deemed to be the income of the recipient and charged to tax accordingly in the year of receipt, if such sum would have been included in the total income of the said person, had it been received before such discontinuance.

(*6*) Where an assessment is to be made under the provisions of this section, the Assessing Officer may serve on the person whose income is to be assessed or, in the case of a firm, on any person who was a partner of such firm at the time of its discontinuance or, in the case of a company, on the principal officer thereof, a notice containing all or any of the requirements which may be included in a notice under section 268(*1*) and the provisions of this Act shall, so far as may be, apply accordingly as if the notice were a notice issued under section 268.

(*7*) Irrespective of anything contained in section 268 or 280, where the provisions of sub-section (*1*) are applicable, the Assessing Officer may issue any notice under section 268 or 280, requiring the furnishing of the return by the person whose income is to be assessed in respect of any tax chargeable under any other provisions of this Act, within such period, not being less than seven days, as the Assessing Officer may think proper.

(*8*) The tax chargeable under this section shall be in addition to the tax, if any, chargeable under any other provision of this Act.

320.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Discontinued business.

176. (1) Notwithstanding anything contained in section 4, where any business or profession is discontinued in any assessment year, the income of the period from the expiry of the previous year for that assessment year up to the date of such discontinuance may, at the discretion of the Assessing Officer, be charged to tax in that assessment year.

(2) The total income of each completed previous year or part of any previous year included in such period shall be chargeable to tax at the rate or rates in force in that assessment year, and separate assessments shall be made in respect of each such completed previous year or part of any previous year.

(3) Any person discontinuing any business or profession shall give to the Assessing Officer notice of such discontinuance within fifteen days thereof.
(3A) Where any business is discontinued in any year, any sum received after the discontinuance shall be deemed to be the income of the recipient and charged to tax accordingly in the year of receipt, if such sum would have been included in the total income of the person who carried on the business had such sum been received before such discontinuance.

(4) Where any profession is discontinued in any year on account of the cessation of the profession by, or the retirement or death of, the person carrying on the profession, any sum received after the discontinuance shall be deemed to be the income of the recipient and charged to tax accordingly in the year of receipt, if such sum would have been included in the total income of the aforesaid person had it been received before such discontinuance.

(5) Where an assessment is to be made under the provisions of this section, the Assessing Officer may serve on the person whose income is to be assessed or, in the case of a firm, on any person who was a partner of such firm at the time of its discontinuance or, in the case of a company, on the principal officer thereof, a notice containing all or any of the requirements which may be included in a notice under clause (*i*) of sub-section (1) of section 142 and the provisions of this Act shall, so far as may be, apply accordingly as if the notice were a notice issued under clause (*i*) of sub-section (1) of section 142.

(6) The tax chargeable under this section shall be in addition to the tax, if any, chargeable under any other provision of this Act.

(7) Where the provisions of sub-section (1) are applicable, any notice issued by the Assessing Officer under clause (*i*) of sub-section (1) of section 142 or section 148 in respect of any tax chargeable under any other provisions of this Act may, notwithstanding anything contained in clause (*i*) of sub-section (1) of section 142 or section 148, as the case may be, require the furnishing of the return by the person to whom the aforesaid notices are issued within such period, not being less than seven days, as the Assessing Officer may think proper.

320.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under :-

> *"Clause 320 of the Bill deals with discontinued business. The clause corresponds to section 176 of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause*".

320.4 Important Views/Suggestions given by Experts/Stakeholders:

During the course of the examination of the Bill, some important suggestions/comments received from various stakeholders and experts are summarised as follows:-

1. For the purposes of this section define "discontinuation" as a "permanent cessation of business or profession with no intent to resume operations." Ambiguity in defining "discontinuation" leads to arbitrary assessments Assessments have been made which have struggled to distinguish between temporary closure and permanent discontinuation There have even been cases where business deductions were disallowed stating alleged discontinuance as a reason, when instead the business were only closed temporarily for reasons like strikes. Hence a definition is proposed.

2. Crux of the issue is the scope of the word 'discontinuation'. It is a matter of interpretation and can create litigation. Case laws to be examined whether related to this provision or related to old section 37. If the hotel closes temporarily for reconstruction for couple of years. However, it continues to pay rent and other expenses during the period. How can you treat that as dead, and if it reopens, treat it as a new business? You cannot say you don't know about the expenses when it resumes operation. Check related court cases and examine the issue.

320.5 Examination by the Committee:

320.5.1 On the above suggestions, the Ministry of Finance has stated the following in their written submission :-

> *"The suggestion seeks to define "discontinuation" as a "permanent cessation of business or profession with no intent to resume operations." in clause 320(1) Discontinuance of Business, or dissolution. It is in the nature of Policy Change which is outside the scope of the Bill. There is no change in the provisions of the Bill viz-a-viz Act. The suggestion would in turn require to define cessation and intent. The word 'discontinuation' assumes its natural meaning and is required to be ascertained on facts of case. Definition is prone to litigation. Thus, the suggestion is not feasible".*

320.5.2 In this regard, the representative of the Ministry in his deposition has stated before the Committee as under:-

> *"The provision of clause 320 of the Bill are same as that of section 170 of the Act. At its core, "discontinuation of business" implies that the business activities have genuinely come to a halt. This means the enterprise is no longer carrying on its primary functions. Discontinuation can be voluntary (e.g., strategic decision by owners) or involuntary (e.g., insolvency, regulatory action). The legal formalities and implications of discontinuation vary depending on the business structure (sole proprietorship, partnership, company, LLP) which cannot be generalised in a standardised definition. Courts often look at the intent behind the cessation of activities. Was there a genuine intention to stop the business permanently, or was it merely a temporary suspension or a transfer of ownership? Discontinuation is generally not considered to have occurred if only a part of the business is stopped or if activities are merely scaled down. It usually implies the cessation of the entire business as a going concern. A critical distinction is between "discontinuation" and "succession" or "transfer" of business. If the business continues under a different ownership (e.g., sale of a business as a going concern, dissolution of a partnership and continuation by some partners), it might be treated as a succession rather than a discontinuation for certain legal purposes (especially tax). For incorporated entities (companies, LLPs), formal steps like winding up, dissolution, or striking off from the register of companies are usually required to legally discontinue the business. For proprietorships, the process is less formal but still involves winding up financial and operational aspects. The disposal of assets (selling off machinery, inventory, etc.) is often an indicator of business discontinuation, but merely selling assets without a complete cessation of the business might not be sufficient. Some of the related case laws have been examined and the crux of the decisions have been mentioned below:-*

O.R.M.M.S.P.S.V Meyyappa Chettiar v. The Commissioner Of Income-Tax, Madras (1943 Madras High Court): This case dealt with the interpretation of "discontinuance" in the context of Income-Tax when a joint family business dissolved and continued under a partnership. The court distinguished discontinuance from succession, emphasizing that mere dissolution of a firm doesn't necessarily mean discontinuance of the business if it continues.

Bachraj Naithani of Raipur (1946) (affirmed in 1972 by Supreme Court): This case, referenced by the Supreme Court in CIT vs. R Hanumathappa & Son, stated that whether there is succession or discontinuity of business is a mixed question of law and fact, and the decision turns on the specific facts. It held that succession implies continuity of the business as a whole, retaining its identity despite a change in ownership.

The phrase "discontinuation of business" is highly fact-dependent and context-specific. While it generally implies the complete cessation of all business activities, courts and statutes look at the intent, the nature of the cessation (temporary vs. permanent), the disposal of assets, and whether the business, as a going concern, has genuinely ceased or merely undergone a change in ownership or structure. Hence, the suggestion to provide a definition of the word "discontinuance" in clause 320 is not feasible".

320.5.3 He further added as follows:-

",…. the suggestion is that instead of discontinuation, we should use the phrase 'permanent cessation of business or profession with no intent to resume operations'. So, we have continued the provision as it was there in the Act. The same thing has been brought in the Bill".

320.6 Observations/Recommendations of the Committee:

The Committee note that Clause 320 of the Bill addresses the provisions for discontinued businesses, directly corresponding to Section 176 of the existing Income-Tax Act. The Committee observe that while there is no intended policy change, the provisions of the original section have been textually simplified and carried forward with the same core intent into this new clause. After extensive deliberation on the views of the stakeholders as well as the response of the Department, the Committee accept Clause 319 as proposed.

Clause 321 - Association dissolved or business discontinued

321.1 Provision proposed in the Income-Tax Bill, 2025:

(*1*) Where any business or profession carried on by an association of persons has been discontinued or where an association of persons is dissolved, the Assessing Officer shall make an assessment of the total income of the association of persons as if no such discontinuance or dissolution had taken place, and all the provisions of this Act, including the provisions relating to the levy of a penalty or any other sum chargeable under any provision of this Act shall apply, so far as may be, to such assessment.

(*2*) Regardless of the generality of sub-section (*1*), if the Assessing Officer or the Joint Commissioner (Appeals) or the Commissioner (Appeals) in the course of any proceeding under this Act in respect of any such association of persons as is referred to in that sub-section is satisfied that the association of persons was guilty of any of the acts specified in Chapter XXI, he may impose or direct the imposition of a penalty as per the provisions of that Chapter.

(*3*) Every person who was at the time of such discontinuance or dissolution a member of the association of persons, and the legal representative of any such person who is deceased, shall be jointly and severally liable for the amount of tax, penalty or other sum payable, and all the provisions of this Act, so far as may be, shall apply to any such assessment or imposition of penalty or other sum.

(*4*) Where such discontinuance or dissolution takes place after any proceedings in respect of a tax year have commenced, the proceedings may be continued against the persons referred to in sub-section (*3*) from the stage at which the proceedings stood at the time of such discontinuance or dissolution, and all the provisions of this Act shall, so far as may be, apply accordingly.

(*5*) Nothing in this section shall affect the provisions of section 302(*4*).

321.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Association dissolved or business discontinued.

177. (1) Where any business or profession carried on by an association of persons has been discontinued or where an association of persons is dissolved, the Assessing Officer shall make an assessment of the total income of the association of persons as if no such discontinuance or dissolution had taken place, and all the provisions of this Act, including the provisions relating to the levy of a penalty or any other sum chargeable under any provision of this Act shall apply, so far as may be, to such assessment.

(2) Without prejudice to the generality of the foregoing sub-section, if the Assessing Officer or [56][the Joint Commissioner (Appeals)] or the Commissioner (Appeals) in the

course of any proceeding under this Act in respect of any such association of persons as is referred to in that sub-section is satisfied that the association of persons was guilty of any of the acts specified in Chapter XXI, he may impose or direct the imposition of a penalty in accordance with the provisions of that Chapter.

(3) Every person who was at the time of such discontinuance or dissolution a member of the association of persons, and the legal representative of any such person who is deceased, shall be jointly and severally liable for the amount of tax, penalty or other sum payable, and all the provisions of this Act, so far as may be, shall apply to any such assessment or imposition of penalty or other sum.

(4) Where such discontinuance or dissolution takes place after any proceedings in respect of an assessment year have commenced, the proceedings may be continued against the persons referred to in sub-section (3) from the stage at which the proceedings stood at the time of such discontinuance or dissolution, and all the provisions of this Act shall, so far as may be, apply accordingly.

(5) Nothing in this section shall affect the provisions of sub-section (6) of section 159.

321.3 <u>Reasons/Justification given by the Ministry of Finance for the proposed provision:</u>

The justification furnished by the Ministry for the proposed provision is as under :-

> *"Clause 321 of the Bill deals with association dissolved or business discontinued. The clause corresponds to section 177 of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".*

321.4 <u>Examination by the Committee:</u>

In a reply to a specific query (inclusion or exclusion or replacement of words, etc., if any, between the provisions of the Clauses and existing section, the Ministry has furnished the following in their written response as follows:-

> *"The provisions proposed in the Income-Tax Bill 2025 is the simplified version of the corresponding provisions of IT Act 1961."*

321.5 <u>Observations/Recommendations of the Committee:</u>

The Committee note that Clause 321, a simplified text of the existing Section 177, relating to association dissolved or business discontinued and involves no policy shift. The Committee, therefore, accept Clause 321 as proposed by the Department of Revenue.

Clause 322 - Company in liquidation

322.1 <u>Provision proposed in the Income-Tax Bill, 2025:</u>

(*1*) Every person,—

(*a*) who is the liquidator of any company which is being wound up, whether under the orders of a court or otherwise; or

(*b*) who has been appointed the receiver of any assets of a company, (hereinreferred to as the liquidator),

shall, within thirty days after he has become such liquidator, give notice of his appointment as such to the Assessing Officer who is entitled to assess the income of the company.

(*2*) The Assessing Officer shall, after making such inquiries or calling for such information as he may deem fit, notify to the liquidator within three months from the date on which he receives notice of the appointment of the liquidator the amount which, in the opinion of the Assessing Officer, would be sufficient to provide for any tax which is then, or is likely thereafter to become, payable by the company.

(*3*) The liquidator—

(*a*) shall not, without the leave of the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner, part with any of the assets of the company or the properties in his hands until he has been notified by the Assessing Officer under sub-section (*2*); and

(*b*) on being so notified, shall set aside an amount, equal to the amount notified and, until he so sets aside such amount, shall not part with any of the assets of the company or the properties in his hands.

(*4*) The provisions of sub-section (*3*) shall not debar the liquidator from parting with such assets or properties for the purpose of—

(*a*) the payment of the tax payable by the company; or
(*b*) making any payment to secured creditors whose debts are entitled under law to priority of payment over debts due to Government on the date of liquidation; or
(*c*) meeting such costs and expenses of the winding up of the company,
as are in the opinion of the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner, reasonable.

(*5*) If the liquidator fails to give the notice as per sub-section (*1*), or fails to set aside the amount as required by sub-section (*3*), or parts with any of the assets of the company or the properties in his hands in contravention of the provisions of that sub-section, he

shall be personally liable for the payment of the tax which the company would be liable to pay.

(*6*) In relation to sub-section (*5*), if the amount of any tax payable by the company is notified under sub-section (*2*), the personal liability of the liquidator under that sub-section shall be to the extent of such amount.

(*7*) Where there are more liquidators than one, the obligations and liabilities attached to the liquidator under this section shall attach to all the liquidators jointly and severally.

(*8*) The provisions of this section shall have effect irrespective of anything to the contrary contained in any other law in force, except the provisions of the Insolvency and Bankruptcy Code, 2016.

322.2 <u>Relevant Provision of the Principal Act (Income-Tax Act, 1961):</u>

Company in liquidation.

178. (1) Every person—

(*a*) who is the liquidator of any company which is being wound up, whether under the orders of a court or otherwise; or

(*b*) who has been appointed the receiver of any assets of a company,

(hereinafter referred to as the liquidator) shall, within thirty days after he has become such liquidator, give notice of his appointment as such to the Assessing Officer who is entitled to assess the income of the company.

(2) The Assessing Officer shall, after making such inquiries or calling for such information as he may deem fit, notify to the liquidator within three months from the date on which he receives notice of the appointment of the liquidator the amount which, in the opinion of the Assessing Officer, would be sufficient to provide for any tax which is then, or is likely thereafter to become, payable by the company.

(3) The liquidator—

(*a*) shall not, without the leave of the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner, part with any of the assets of the company or the properties in his hands until he has been notified by the Assessing Officer under sub-section (2) ; and

(*b*) on being so notified, shall set aside an amount, equal to the amount notified and, until he so sets aside such amount, shall not part with any of the assets of the company or the properties in his hands :

Provided that nothing contained in this sub-section shall debar the liquidator from parting with such assets or properties for the purpose of the payment of the tax payable by the company or for making any payment to secured creditors whose debts are entitled under law to priority of payment over debts due to Government on the date

of liquidation or for meeting such costs and expenses of the winding up of the company as are in the opinion of the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner reasonable.

(4) If the liquidator fails to give the notice in accordance with sub-section (1) or fails to set aside the amount as required by sub-section (3) or parts with any of the assets of the company or the properties in his hands in contravention of the provisions of that sub-section, he shall be personally liable for the payment of the tax which the company would be liable to pay :

Provided that if the amount of any tax payable by the company is notified under sub-section (2), the personal liability of the liquidator under this sub-section shall be to the extent of such amount.

(5) Where there are more liquidators than one, the obligations and liabilities attached to the liquidator under this section shall attach to all the liquidators jointly and severally.

(6) The provisions of this section shall have effect notwithstanding anything to the contrary contained in any other law for the time being in force except the provisions of the Insolvency and Bankruptcy Code, 2016 (31 of 2016).

322.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under :-

> *"Clause 322 of the Bill deals with company in liquidation. The clause corresponds to section 178 of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".*

322.4 Important Views/Suggestions given by Experts/Stakeholders:

During the course of the examination of the Bill, some important suggestions/comments received from various stakeholders and experts are summarised as follows:-

1. In clause 322(5), replace the phrase "If the liquidator fails to give the notice" with "If the liquidator, without reasonable cause, fails to give the notice" If liquidators, as fiduciaries, are held personally liable for company's tax dues, they should at least be given an opportunity to demonstrate reasonable cause.

2. In clause 322(7), after the phrase "the obligations and liabilities attached to the liquidator under this section", insert the phrase ", except for the obligations and liabilities

attached under sub-sections (5) and (6),." Joint and several liability of a group of liquidators should only extend to jointly held company assets Personal liability under (5) and (6) arises in situations of non-compliance by an individual liquidator and should not extend to other liquidators if they act responsibly Such provisions would discourage professionals from taking up liquidator roles.

322.5 Examination by the Committee:

322.5.1 On the above suggestions, the Ministry of Finance has stated the following in their written submission (mentioned correspondingly):

1. "The suggestion seeks to replace the phrase "If the liquidator fails to give the notice" with "If the liquidator, without reasonable cause, fails to give the notice" in clause 322(5) Company in liquidation. It is in the nature of Policy Change which is outside the scope of the Bill. There is no change in the provisions of the Bill viz-a-viz Act. Adding the phrase "without reasonable cause" will add an element of discretion which would be subject to unnecessary litigation and harassment of the taxpayer. Thus, the suggestion is not feasible".

2. "The suggestion seeks to insert the phrase ", except for the obligations and liabilities attached under sub-sections (5) and (6)," after the phrase "the obligations and liabilities attached to the liquidator under this section" in clause 322(7) Company in liquidation. It is in the nature of Policy Change which is outside the scope of the Bill. There is no change in the provisions of the Bill viz-a-viz Act. Joint liability ensures there is fixed accountability and all involved act responsibly leading to protection of the interest of the Revenue. Any deviation from this position will open avenues for bypassing the system and there would not be a logical end to the liquidation proceedings. Thus, the suggestion is not feasible".

322.5.2 The representative of the Ministry has added in his deposition before the Committee during the 31st sitting of the Committee held on 10 June, 2025 as under:-

> *"Here the liquidator is required to give a 30-day notice period. Then there are other provisions. The request is that if some reasonable cause is there and because of that he is not able to give a notice, then all the liabilities which attach upon the liquidator should not come into force. We are saying that when somebody is appointed as liquidator, he is required to intimate to the Department that this company has gone into liquidation and he is the liquidator. This is a very basic intimation and it cannot be dispensed with".*

322.6 Observations/Recommendations of the Committee:

Clause 322 of the Bill specifies provisions concerning a company in liquidation. The Committee note that this Clause is simplified textual version of existing Section 178 of the Income-Tax Act, 1961 maintaining Government original policy. After considering the viewpoints of both the stakeholders and the Department, the Committee accept Clause 322 as proposed.

Clause 323 - Liability of directors of private company

323.1 Provision proposed in the Income-Tax Bill, 2025:

(*1*) Irrespective of anything contained in the Companies Act, 2013, where any tax due from—

(*a*) a private company in respect of any income of any tax year; or
(*b*) any other company in respect of any income of any tax year during which such other company was a private company,

cannot be recovered, then, every person, who was a director of the private company at any time during the relevant tax year, shall be jointly and severally liable for the payment of such tax unless he proves that the non-recovery cannot be attributed to any gross neglect, misfeasance or breach of duty on his part in relation to the affairs of the company.

(*2*) Where a private company is converted into a public company and the tax assessed in respect of any income of any tax year during which such company was a private company cannot be recovered, then, nothing contained in sub-section (*1*) shall apply to any person who was a director of such private company in relation to any tax due in respect of any income of such private company assessable for any tax year commencing before the 1st April, 1961.

(*3*) In this section, "tax due" includes penalty, interest, fees or any other sum payable under the Act.

323.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Liability of directors of private company.

179. (1) Notwithstanding anything contained in the Companies Act, 1956 (1 of 1956), where any tax due from a private company in respect of any income of any previous year or from any other company in respect of any income of any previous year during which such other company was a private company cannot be recovered, then, every person who was a director of the private company at any time during the relevant previous year shall be jointly and severally liable for the payment of such tax unless he proves that the non-recovery cannot be attributed to any gross neglect, misfeasance or breach of duty on his part in relation to the affairs of the company.

(2) Where a private company is converted into a public company and the tax assessed in respect of any income of any previous year during which such company was a private company cannot be recovered, then, nothing contained in sub-section (1) shall apply to any person who was a director of such private company in relation to any tax

due in respect of any income of such private company assessable for any assessment year commencing before the 1st day of April, 1962.

Explanation.—For the purposes of this section, the expression "tax due" includes penalty, interest, fees or any other sum payable under the Act.

323.3 <u>Reasons/Justification given by the Ministry of Finance for the proposed provision:</u>

The justification furnished by the Ministry for the proposed provision is as under :-

> *"Clause 323 of the Bill deals with liability of directors of private company. The clause corresponds to section 179 of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".*

323.4 <u>Important Views/Suggestions given by Experts/Stakeholders:</u>

During the course of the examination of the Bill, some important suggestions/comments received from various stakeholders and experts are summarised as follows:-

Redraft clause 323(1) in the following manner: "(1) Irrespective of anything contained in the Companies Act, 2013, where any tax is not recoverable from—(a) a private company in respect of any income of any tax year; or (b) any other company in respect of any income of any tax year during which such other company was a private company, then, every person, who was a director of the private company at any time during the relevant tax year, shall be liable for the payment of such tax, unless he proves that the non-recovery cannot be attributed to any gross neglect or fraud on his part in relation to the affairs of the company If more than one such persons are found to have acted in a grossly negligent or fraudulent manner, they shall be jointly and severally liable under this sub-section. Further, no proceedings shall be initiated against any person under this section after three years from the end of the tax year in which the the tax was determined to be not recoverable from the company by the specified income-tax authority." Personal recovery of a private company's tax dues from its directors is an onerous liability Our recommendations are intended to ensure it applies only in grave situations of personal wrongdoing by directors.

323.5 Examination by the Committee:

323.5.1 On the above-mentioned suggestions, the Ministry of Finance has stated the following in their written submission:-

> *"directors of companies so that director of the company is not jointly and severally liable for any taxes due and unrecoverable from the company. It is in the nature of Policy Change which is outside the scope of the Bill. There is no change in the provisions of the Bill viz-a-viz Act. This is an anti-abuse provision where the form may be abused by the owners. Suggestion is not feasible as it seeks to eliminate the "deterrence" out of the provision. The clause deals with the liability of directors of private company. Affairs of a private company are fairly controlled and managed by the directors and it is not an onerous responsibility if they are made liable for recovery of dues from the private company".*

323.5.2 With regard to the suggestion received from the stakeholder, the representative of the Ministry has added further as follows in his deposition before the 31st Sitting of the Committee held on 10 June, 2025:-

> *"The suggestion is that directors of a company should not be made jointly and severally liable for any taxes which are recoverable from the company. This is a provision which has continued from the Act to the Bill and it is kind of anti-abuse".*

323.5.3 Clause 323(2) reads : "Where a private company is converted into a public company and the tax assessed in respect of any income of any tax year during which such company was a private company cannot be recovered, then, nothing contained in sub-section(1) shall apply to any person who was a director of such private company in relation to any tax due in respect of any income of such private company assessable for any tax year commencing before the 1st April, 1961. However, the mapping section of 179(2) of the Income-Tax Act, 1961 stated that commencing before the 1st day of April, 1962.

323.5.4 Considering that the Income-Tax Act, 1961 came into force on 1st April, 1962, when asked the Ministry to elaborate on the precise legal justification and intended effect of proposing to replace "1st day of April, 1962" with "1st April, 1961"; the potential for such a change to create retrospective application issues, conflicts with the erstwhile

Income-Tax Act, 1922, and its far-reaching implications for past assessments, settled legal positions, and ongoing litigation.

323.5.5 In this regard, the Ministry in their written replies stated that A.Y. before 01.04.1962 is same as tax year before 01.04.1961. There is no difference in interpretation. One is based on Assessment Year whereas other is based on Financial Year. Thus, no change is required.

323.6 Observations/Recommendations of the Committee:

The Committee note that Clause 323 deals with liability of directors of private company, aligns with the provisions of Section 179 of the Income-Tax Act, 1961. The Committee also note that the textual simplification of clause 323 is as per the objectives of the Bill and retaining the same intent. The Committee, therefore, accept the Clause as proposed.

14- Assessment of firms

Clause 324 - Charge of tax in case of a firm

324.1 Provision proposed in the Income-Tax Bill, 2025:

In the case of a firm which is assessable as a firm, tax shall be charged on its total income at the rate as specified in the Finance Act of the relevant year.

324.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Charge of tax in the case of a firm.

167A. In the case of a firm which is assessable as a firm, tax shall be charged on its total income at the rate as specified in the Finance Act of the relevant year.

324.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision are as under :-

> *"Clause 324 of the Bill seeks to provide for the charge of tax in case of a firm. The clause corresponds to section 167A of the Act. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".*

324.4 Examination by the Committee:

In a reply to a specific query (inclusion or exclusion or replacement of words, etc., if any, between the provisions of the Clauses and existing section, the Ministry has furnished the following in their written response as follows:-

> *"The provisions proposed in the Income-Tax Bill 2025 is the simplified version of the corresponding provisions of IT Act 1961."*

324.5 Observations/Recommendations of the Committee:

The Committee note that Clause 324 of the Bill pertains to charge of tax in case of a firm, aligns with existing Section 167A of the Income-Tax Act, 1961; but features simplified linguistic construction. Expressing their concurrence with the justification given by the Department of Revenue in this regard, the Committee accept Clause 324 as it is.

Clause 325 - Assessment as a Firm

325.1 <u>Provision proposed in the Income-Tax Bill, 2025:</u>

(*1*) A firm shall be assessed as a firm for the purposes of this Act, if—

(*a*) the partnership is evidenced by an instrument; and
(*b*) the individual shares of the partners are specified in that instrument.

(*2*) A certified copy of the instrument of partnership referred to in sub-section (*1*) shall accompany the return of income of the firm of the tax year in respect of which assessment as a firm is first sought.

(*3*) For the purposes of sub-section (*2*), the copy of the instrument of partnership shall be certified in writing by all the partners (not being minors) or, where the return is made after the dissolution of the firm, by all persons (not being minors), who were partners in the firm immediately before its dissolution and by the legal representative of any such partner who is deceased.

(*4*) Where a firm is assessed as such for any tax year, it shall be assessed in the same capacity for every subsequent year, if there is no change in the constitution of the firm or the shares of the partners as evidenced by the instrument of partnership on the basis of which the assessment as a firm was first sought.

(*5*) Where any such change had taken place in the tax year, the firm shall furnish a certified copy of the revised instrument of partnership along with the return of income for such tax year, and all the provisions of this section shall apply accordingly.

(*6*) Irrespective of anything contained in any other provision of this Act, where, in respect of any tax year, there is on the part of a firm any such failure as is mentioned in section 271,—

(*a*) the firm shall be so assessed that no deduction by way of any payment of interest, salary, bonus, commission or remuneration, by whatever name called, made by such firm to any partner of such firm shall be allowed in computing the income chargeable under the head “Profits and gains of business or profession”; and

(*b*) such payment shall not be chargeable to income-tax under section 26(*2*)(*f*).

325.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Assessment as a firm.

184. (1) A firm shall be assessed as a firm for the purposes of this Act, if—

(*i*) the partnership is evidenced by an instrument; and

(*ii*) the individual shares of the partners are specified in that instrument.

(2) A certified copy of the instrument of partnership referred to in sub-section (1) shall accompany the return of income of the firm of the previous year relevant to the assessment year commencing on or after the 1st day of April, 1993 in respect of which assessment as a firm is first sought.

Explanation.—For the purposes of this sub-section, the copy of the instrument of partnership shall be certified in writing by all the partners (not being minors) or, where the return is made after the dissolution of the firm, by all persons (not being minors) who were partners in the firm immediately before its dissolution and by the legal representative of any such partner who is deceased.

(3) Where a firm is assessed as such for any assessment year, it shall be assessed in the same capacity for every subsequent year if there is no change in the constitution of the firm or the shares of the partners as evidenced by the instrument of partnership on the basis of which the assessment as a firm was first sought.

(4) Where any such change had taken place in the previous year, the firm shall furnish a certified copy of the revised instrument of partnership along with the return of income for the assessment year relevant to such previous year and all the provisions of this section shall apply accordingly.

(5) Notwithstanding anything contained in any other provision of this Act, where, in respect of any assessment year, there is on the part of a firm any such failure as is mentioned in section 144, the firm shall be so assessed that no deduction by way of any payment of interest, salary, bonus, commission or remuneration, by whatever name called, made by such firm to any partner of such firm shall be allowed in computing the income chargeable under the head "Profits and gains of business or profession" and such interest, salary, bonus, commission or remuneration shall not be chargeable to income-tax under clause (*v*) of section 28.

325.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision are as under :-

"Clause 325 of the Bill deals with the provisions of assessment of a partnership firm including compliances to certain conditions. The clause corresponds to section 184 of the Act. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".

325.4 Examination by the Committee:

Clause 325(6)(b) reads: "such payment shall not be chargeable to income-tax under section 26(2)(f)". However, the mapping section 184(5) mentions clause 5 of section 28 , which is corresponding to section 26(2)(g). Therefore, the words "section 26(2)(f) is to be replaced with words "section 26(2)(g)". The Committee when asked the Ministry to comment upon this, the Ministry in their written replies has accepted the same.

325.6 Observations/Recommendations of the Committee:

The Committee observe Clause 325 of the Bill (mirroring Section 184 of the 1961 Income-Tax Act) on partnership firm assessments. They note a discrepancy in Clause 325(6)(b), which incorrectly references "section 26(2)(f)" instead of the correct "section 26(2)(g)," as per the corresponding Section 184(5) of the 1961 Act. The Ministry of Finance has accepted this correction. The Committee, thus, advise amending Clause 325(6)(b) to rectify this, while accepting the rest of the clause.

Clause 326 - Assessment when section 325 not complied with

Provision proposed in the Income-Tax Bill, 2025:

326.1 Irrespective of anything contained in any other provision of this Act, where a firm does not comply with the provisions of section 325 for any tax year,—

(*a*) no deduction by way of any payment of interest, salary, bonus, commission or remuneration, by whatever name called, made by such firm to any partner of such firm shall be allowed in computing its income chargeable under the head "Profits and gains of business or profession"; and

(*b*) such interest, salary, bonus, commission or remuneration shall not be chargeable to income-tax under section 26(*2*)(*g*) in the hands of partners of such firm.

326.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Assessment when section 184 not complied with.

185. Notwithstanding anything contained in any other provision of this Act, where a firm does not comply with the provisions of section 184 for any assessment year, the firm shall be so assessed that no deduction by way of any payment of interest, salary, bonus, commission or remuneration, by whatever name called, made by such firm to any partner of such firm shall be allowed in computing the income chargeable under the head "Profits and gains of business or profession" and such interest, salary, bonus, commission or remuneration shall not be chargeable to income-tax under clause (*v*) of section 28.

326.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision are as under :-

"Clause 326 of the Bill deals with consequences in the assessment of a partnership firm in case of non-compliance to the conditions made by rules. The clause corresponds to section 185 of the Act. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".

326.4 <u>Examination by the Committee:</u>

In a reply to a specific query (inclusion or exclusion or replacement of words, etc., if any, between the provisions of the Clauses and existing section, the Ministry has furnished the following in their written response as follows:-

> *"The provisions proposed in the Income-Tax Bill 2025 is the simplified version of the corresponding provisions of IT Act 1961."*

326.5 Observations/Recommendations of the Committee:

Noting that Clause 326 of the Bill, dealing with consequences in the assessment of a partnership firm in case of non-compliance to the conditions made by rules, is a textual simplification of Section 185 of the Income-Tax Act, 1961 with the same intent, the Committee accept the Clause in its present form.

15 – Change in constitution, succession and dissolution

Clause 327 - Change in constitution of a firm

Provision proposed in the Income-Tax Bill, 2025:

327.1 (*1*) Where at the time of making an assessment under section 270 or 271, it is found that a change has occurred in the constitution of a firm, the assessment shall be made on the firm as constituted at the time of making the assessment.

(*2*) For the purposes of this section, there is a change in the constitution of the firm—

(*a*) if one or more of the partners cease to be partners; or

(*b*) one or more new partners are admitted, subject to the condition that at least one person who was partner of the firm before the change continues as partner after such change; or

(*c*) where all the partners continue with a change in their respective shares or in the shares of some of them.

(*3*) The provisions of sub-section 2(*a*) shall not apply to a case where the firm is dissolved on the death of any of its partners.

327.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Change in constitution of a firm.

187. (1) Where at the time of making an assessment under section 143 or section 144 it is found that a change has occurred in the constitution of a firm, the assessment shall be made on the firm as constituted at the time of making the assessment.

(2) For the purposes of this section, there is a change in the constitution of the firm—

(*a*) if one or more of the partners cease to be partners or one or more new partners are admitted, in such circumstances that one or more of the persons who were partners of the firm before the change continue as partner or partners after the change ; or

(*b*) where all the partners continue with a change in their respective shares or in the shares of some of them :

Provided that nothing contained in clause (*a*) shall apply to a case where the firm is dissolved on the death of any of its partners.

327.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision are as under :-

> *"Clause 327 of the Bill seeks to provide for assessment of a partnership firm in cases where there is a change in constitution of the firm. The clause corresponds to section 187 of the Act. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".*

327.4 Examination by the Committee:

In a reply to a specific query (inclusion or exclusion or replacement of words, etc., if any, between the provisions of the Clauses and existing section, the Ministry has furnished the following in their written response as follows:-

> *"The provisions proposed in the Income-Tax Bill 2025 is the simplified version of the corresponding provisions of IT Act 1961."*

327.5 Observations/Recommendations of the Committee:

The Committee note that Clause 327 of the Bill addresses assessment of a partnership firm in cases where there is a change in constitution of the firm, aligns with the existing Section 187 and involves no policy shift. The Committee, therefore, accept Clause 327 as proposed by the Department of Revenue.

Clause 328 - Succession of one firm by another firm

328.1 Provision proposed in the Income-Tax Bill, 2025:

Where a firm carrying on a business or profession is succeeded by another firm, except in a case covered by section 327, separate assessments shall be made on the predecessor firm and the successor firm as per the provisions of section 313.

328.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Succession of one firm by another firm.

188. Where a firm carrying on a business or profession is succeeded by another firm, and the case is not one covered by section 187, separate assessments shall be made on the predecessor firm and the successor firm in accordance with the provisions of section 170.

328.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision are as under :-

"Clause 328 of the Bill provides for taxation in the hands of the predecessor and successor in the case of succession of one firm by another firm. The clause corresponds to section 188 of the Act. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".

328.4 Examination by the Committee:

In a reply to a specific query (inclusion or exclusion or replacement of words, etc., if any, between the provisions of the Clauses and existing section, the Ministry has furnished the following in their written response as follows:-

"The provisions proposed in the Income-Tax Bill 2025 is the simplified version of the corresponding provisions of IT Act 1961."

328.5 Observations/Recommendations of the Committee:

The Committee note that Clause 328 of the Bill prescribing provisions for taxation in the hands of the predecessor and successor in the case of succession of one firm by another firm, aligns with existing Section 188 of the Income-Tax Act, 1961 but features simplified linguistic construction. Expressing their concurrence with the justification given by the Department of Revenue in this regard, the Committee accept Clause 328 as it is.

Clause 329 - Joint and several liability of partners for tax payable by firm

329.1 Provision proposed in the Income-Tax Bill, 2025:

Every person who was, during the tax year, a partner of a firm, and the legal representative of any such person who is deceased, shall be jointly and severally liable along with the firm for the amount of tax, penalty or other sum payable by the firm for the tax year, and all the provisions of this Act, so far as may be, shall apply to the assessment of such tax or imposition or levy of such penalty or other sum.

329.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Joint and several liability of partners for tax payable by firm.

188A. Every person who was, during the previous year, a partner of a firm, and the legal representative of any such person who is deceased, shall be jointly and severally liable along with the firm for the amount of tax, penalty or other sum payable by the firm for the assessment year to which such previous year is relevant, and all the provisions of this Act, so far as may be, shall apply to the assessment of such tax or imposition or levy of such penalty or other sum.

329.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision are as under :-

> *"Clause 329 of the Bill seeks to provide for joint and several liability of partners for tax payable by firm. The clause corresponds to section 188A of the Act. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".*

329.4 Examination by the Committee:

In a reply to a specific query (inclusion or exclusion or replacement of words, etc., if any, between the provisions of the Clauses and existing section, the Ministry has furnished the following in their written response as follows:-

"The provisions proposed in the Income-Tax Bill 2025 is the simplified version of the corresponding provisions of IT Act 1961."

329.5 Observations/Recommendations of the Committee:

Noting that Clause 329 of the Bill, dealing joint and several liability of partners for tax payable by firm, is a textual simplification of Section 188A of the Income-Tax Act, 1961 with the same intent, the Committee accept the Clause in its present form.

Clause 330 - Firm dissolved or business discontinued

330.1 Provision proposed in the Income-Tax Bill, 2025:

(*1*) Where a firm is dissolved or any business or profession carried on by it has been discontinued, the Assessing Officer shall make an assessment of the total income of the firm, as if no such dissolution or discontinuance had taken place, and all the provisions of this Act, including the provisions relating to the levy of a penalty or any other sum chargeable under any provision of this Act, shall apply, so far as may be, to such assessment.

(*2*) Regardless of the generality of sub-section (*1*), if the Assessing Officer or Joint Commissioner (Appeals) or Commissioner (Appeals), in the course of any proceeding under this Act in respect of any such firm as referred to in that sub-section, is satisfied that the firm was guilty of any of the acts specified in Chapter XXI, he may impose or direct the imposition of a penalty as per the provisions of that Chapter.

(*3*) Every person who was at the time of such dissolution or discontinuance a partner of the firm, and the legal representative of any such person who is deceased, shall be jointly and severally liable for the amount of tax, penalty or other sum payable, and all the provisions of this Act, so far as may be, shall apply to any such assessment or imposition of penalty or other sum.

(*4*) Where such dissolution or discontinuance takes place after any proceedings in respect of a tax year have commenced, the proceedings may be continued against the person referred to in sub-section (*3*) from the stage at which the proceedings stood at the time of such dissolution or discontinuance, and all the provisions of this Act shall, so far as may be, apply accordingly.

(*5*) The provisions of this section shall not affect the provisions of section 302(*4*).

330.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Firm dissolved or business discontinued.

189. (1) Where any business or profession carried on by a firm has been discontinued or where a firm is dissolved, the Assessing Officer shall make an assessment of the total income of the firm as if no such discontinuance or dissolution had taken place, and all the provisions of this Act, including the provisions relating to the levy of a penalty or any other sum chargeable under any provision of this Act, shall apply, so far as may be, to such assessment.

(2) Without prejudice to the generality of the foregoing sub-section, if the Assessing Officer or [57][the Joint Commissioner (Appeals) or] the Commissioner (Appeals) in the

course of any proceeding under this Act in respect of any such firm as is referred to in that sub-section is satisfied that the firm was guilty of any of the acts specified in Chapter XXI, he may impose or direct the imposition of a penalty in accordance with the provisions of that Chapter.

(3) Every person who was at the time of such discontinuance or dissolution a partner of the firm, and the legal representative of any such person who is deceased, shall be jointly and severally liable for the amount of tax, penalty or other sum payable, and all the provisions of this Act, so far as may be, shall apply to any such assessment or imposition of penalty or other sum.
Explanation.—[*Omitted by the Finance Act, 1992, w.e.f. 1-4-1993.*]

(4) Where such discontinuance or dissolution takes place after any proceedings in respect of an assessment year have commenced, the proceedings may be continued against the person referred to in sub-section (3) from the stage at which the proceedings stood at the time of such discontinuance or dissolution, and all the provisions of this Act shall, so far as may be, apply accordingly.

(5) Nothing in this section shall affect the provisions of sub-section (6) of section 159.

330.3 <u>Reasons/Justification given by the Ministry of Finance for the proposed provision:</u>

The justification furnished by the Ministry for the proposed provision are as under :-

> *"Clause 330 of the Bill seeks to provide for assessment and liability in the hands of the firm even after its dissolution or discontinuance of the business. The clause corresponds to section 189 of the Act. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".*

330.4 <u>Examination by the Committee:</u>

In a reply to a specific query (inclusion or exclusion or replacement of words, etc., if any, between the provisions of the Clauses and existing section, the Ministry has furnished the following in their written response as follows:-

> *"The provisions proposed in the Income-Tax Bill 2025 is the simplified version of the corresponding provisions of IT Act 1961."*

330.5 Observations/Recommendations of the Committee:

The Committee note that Clause 330 outlines the framework for assessment and liability in the hands of the firm even after its dissolution or discontinuance of the business, aligns with the existing Section189 of the extant Act and involves no policy shift. The Committee, therefore, accept Clause 330 as proposed by the Department of Revenue.

Clause 331 - Liability of partners of limited liability partnership in liquidation

331.1 Provision proposed in the Income-Tax Bill, 2025:

Irrespective of anything contained in the Limited Liability Partnership Act, 2008, where any tax including penalty, interest, fees or any other sum payable under the Act is due, and cannot be recovered, from—

(*a*) the limited liability partnership in respect of any income of any tax year; or
(*b*) any other person in respect of any income of any tax year during which such other person was a limited liability partnership,

then, in such case, every such person who was a partner of such partnership at any time during the relevant tax year, shall be jointly and severally liable for the payment of such due amount, unless he proves that the non-recovery cannot be attributed to any gross neglect, misfeasance or breach of duty on his part in relation to the affairs of the limited liability partnership.

331.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Liability of partners of limited liability partnership in liquidation.

167C. Notwithstanding anything contained in the Limited Liability Partnership Act, 2008 (6 of 2009), where any tax due from a limited liability partnership in respect of any income of any previous year or from any other person in respect of any income of any previous year during which such other person was a limited liability partnership cannot be recovered, in such case, every person who was a partner of the limited liability partnership at any time during the relevant previous year, shall be jointly and severally liable for the payment of such tax unless he proves that the non-recovery cannot be attributed to any gross neglect, misfeasance or breach of duty on his part in relation to the affairs of the limited liability partnership.
Explanation.—For the purposes of this section, the expression "tax due" includes penalty, interest or any other sum payable under the Act.

331.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision are as under :-

"Clause 331 of the Bill provides for joint and several liability of partners of a limited liability partnership in liquidation. The clause corresponds to section 167C of the Act. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".

331.4 Important Views/Suggestions given by Experts/Stakeholders:

During the course of the examination of the Bill, some important suggestions/comments received from various stakeholders and experts are summarised as follows:-

1. Onus of proving neglect, misfeasance, or breach of duty should be on the tax authorities and not on the individual partners in the firm. The current provision places burden on the individual partners to prove their innocence, often years after liquidation. This provision runs antithesis to the concept of limited liability and is in contradiction to the principles of natural justice.

2. Onus of proving neglect, misfeasance, or breach of duty should be on the tax authorities and not on the individual partners in the firm.

331.5 <u>Examination by the Committee:</u>

331.5.1 On the above suggestions, the Ministry of Finance has stated the following in their written submission (mentioned correspondingly):

1. "The suggestion made by the stakeholder is in the nature of policy change which is beyond the scope of the objectives of the IT Bill, 2025".

2. "The suggestion seeks that u/s 167C of the Act, where partner is made jointly and severally liable for payment of due amount of LLP in liquidation, the onus to prove negligence, misfeasance or breach of duty shall be on the tax authorities and not on the partners of the firm. The suggestion is in the nature of policy. Under the legal principle of Joint and Several Liability, partners are collectively liable for the debts and liabilities of the partnership firm. Section 25 of the Partnership Act also states that partners are jointly and severally liable for the firm's debts and liabilities, making each partner responsible for the full amount. The suggestion is not feasible".

331.5.2 In this regard, the representative of the Ministry has added as follows during the 31st Sitting of the Committee held on 10 June, 2025 :-

> *"In case of a partnership firm, the provision is that partners are jointly and severally liable for payments which are to be made when the LLP or the firm goes in liquidation". It was also stated that "They are trying to say that the Department should prove that there is negligence, misfeasance or breach of duty by the partners".*

331.6 Observations/Recommendations of the Committee:

Clause 331 of the Bill governs the conditions of liability of partners of limited partnership in liquidation. The Committee note that this Clause is simplified textual version of existing Section 167C of the Income-Tax Act, 1961 maintaining Government original policy. After considering the viewpoints of both the stakeholders and the Department, the Committee accept Clause 331 as proposed.

B- Special provisions for Registered non-profit organization

1 – Registration

Clause 332 - Application for registration

332.1 <u>Provision proposed in the Income-Tax Bill, 2025:</u>

332. (*1*) The following persons may, for claiming benefits under this Part as a registered non-profit organisation, make an application for registration in such form and manner, as prescribed, to the Principal Commissioner or Commissioner:—

(*a*) a public trust;

(*b*) a society registered under the Societies Registration Act, 1860, or under any law in force in India;

(*c*) a company registered under section 8 of the Companies Act, 2013 or the companies registered under section 25 of the Companies Act, 1956 and deemed to have been registered in pursuance of section 465 (*2*)(*g*) of the Companies Act, 2013;

(*d*) a University established by law or any other educational institution affiliated thereto or recognised by the Government;

(*e*) an institution financed wholly or in part by the Government or a local authority;

(*f*) any person as referred to in Schedule III (Table: Sl. No. 27) to (Table: Sl. No. 29) and (Table: Sl. No. 36) and in Schedule VII (Table: Sl. No. 10) to (Table: Sl. No. 19) and (Table: Sl. No. 42); or

(*g*) any other person notified by the Board.

(*2*) A person referred to in sub-section (*1*) shall be eligible for registration, if—

(*a*) such person is constituted or registered or incorporated in India for carrying out one or more charitable purposes, as referred to in section 2(*23*) or one or more public religious purposes, or both; and

(*b*) the properties of such person are held under an irrevocable trust for the benefit of the general public,—

(*i*) wholly for charitable or religious purposes; or

(*ii*) partly for charitable or religious purposes in India, if such person was constituted or registered or incorporated prior to the commencement of the Income-tax Act, 1961.

(*3*) Every application in respect of the cases specified in column B of the Table below shall be made to the Principal Commissioner or Commissioner within the time provided in column C of the said Table, who shall, on receipt of such application, follow the procedure provided in sub-sections (*6*) and (*7*) and shall pass an order within the time specified in column D of the said Table, and registration, if granted, shall be valid for a period specified in column E thereof.

Table

Sl. No.	Case	Time limit for furnishing application	Time limit for passing order	Validity of registration
A	B	C	D	E
1.	Where the activities of the applicant have not commenced and it has not been registered under any specified provision at any time before making the application.	At any time during the tax year beginning from which registration is sought.	Three months from the end of the month in which application is made.	Three tax years commencing from the tax year in which such application is made.
2.	Where the activities of the applicant have commenced and it has not been registered under any specified	At any time during the tax year, beginning from which registration is sought.	Six months from the end of the quarter in which application is made.	Five tax years commencing from the tax year in which such application is made.

	provision at any time before making the application.			
3.	Where the applicant has been granted provisional registration and activities have commenced.	Within six months of the commencement of activities.	Six months from the end of the quarter in which application is made.	Five tax years commencing from the tax year in which such application is made.
4.	Where the provisional registration of the applicant is due to expire and activities have not commenced.	At least six months prior to the expiry of the provisional registration.	Six months from the end of the quarter in which application is made.	Five tax years following the tax year in which such application is made.

A	B	C	D	E
5.	Where the registration of the applicant is due to expire, other than cases mentioned at serial number 4.	At least six months prior to the expiry of the registration.	Six months from the end of the quarter in which application is made.	Five tax years following the tax year in which such application is made.
6.	Where the	At any time during	Six months	Five tax years

	registration of the applicant has become inoperative due to switching over of regime under section 333.	the tax year beginning from which the registration is sought to be made operative.	from the end of the quarter in which application is made.	commencing from the tax year in which such application is made.
7.	Where the applicant, being a registered non-profit organisation, has adopted or undertaken modification of its objects.	Within thirty days of the date of such adoption or modification.	Six months from the end of the quarter in which application is made.	Five tax years commencing from commencement of the tax year in which such application is made.

(*4*) In case the application under sub-section (*3*) is made beyond the time allowed in column C of the Table specified in the said sub-section, the Principal Commissioner or Commissioner may, if he considers that there is a reasonable cause for delay in furnishing the application, condone such delay and such application shall be deemed to have been made within time.

(*5*) In case the application is made under sub-section (*3*)(Table: Sl. Nos. 3 to 7), and the total income of such applicant, without giving effect to the provisions of this Part, does not exceed five crore rupees during each of the two tax years, preceding the tax year in which such application is made, the provisions of (Table: Sl. Nos. 3.E to 7.E) of the said sub-section, shall have effect as if for the words “five years”, the words “ten years” had been substituted.

(*6*) If any application for registration is not made within the time specified in sub-section (*3*)(Table: Sl. No. 3.C, 4.C, 5.C or 7.C) and the delay in filing such application is not condoned under sub-section (*4*), such person shall be liable to pay tax on accreted income under section 352.

(*7*) The Principal Commissioner or Commissioner shall, on an application made by an applicant in any of the cases specified in sub-section (*3*)(Table: Sl. Nos. 2 to 7), call for such documents or information or make such inquiries as he thinks necessary in order to satisfy himself as to the compliance of such requirements of any other law as are material for the purpose of achieving its objects, and the genuineness of activities and—

(*a*) if he is so satisfied about the objects and the genuineness of the activities and compliance of the requirements of any other law in force, shall pass an order granting registration; or

(*b*) if he is not so satisfied, after affording a reasonable opportunity of being heard to the applicant shall,—

(*i*) pass an order rejecting the application, where the application was made in the any of the cases specified in sub-section (*3*) (Table: Sl. No. 2 or 6); or

(*ii*) pass an order in writing rejecting the application and also cancelling the registration in any other case specified in sub-section (*3*)(Table: Sl. Nos. 3, 4, 5 or 7),

and send a copy of the said order to the applicant and the Assessing Officer.

(*8*) Where an application has been made in any of the cases specified in sub-section (*3*)(Table: Sl. No. 1), the Principal Commissioner or Commissioner shall grant provisional registration.

(*9*) Where the registration of a person, registered prior to the 1st April, 2021 under the specified provision of the Income-tax Act, 1961 has expired and such person makes an application for registration under this Part, the Principal Commissioner or Commissioner may, if he considers that there is a reasonable cause for delay in making such application, condone such delay and grant registration to such person under this Part within three months from the end of the month in which the application is made, which shall be valid for five years from the commencement of the tax year 2021-2022.

(*10*) The order under sub-sections (*7*), (*8*) and (*9*) shall be passed in the form and manner, as prescribed.

332.2 <u>Relevant Provision of the Principal Act (Income-Tax Act, 1961):</u>

Conditions for applicability of sections 11 and 12.

12A. (1) The provisions of section 11 and section 12 shall not apply in relation to the income of any trust or institution unless the following conditions are fulfilled, namely:—

(*a*) the person in receipt of the income has made an application for registration of the trust or institution in the prescribed form and in the prescribed manner to the

Principal Commissioner or Commissioner before the 1st day of July, 1973, or before the expiry of a period of one year from the date of the creation of the trust or the establishment of the institution, whichever is later and such trust or institution is registered under section 12AA :

Provided that where an application for registration of the trust or institution is made after the expiry of the period aforesaid, the provisions of sections 11 and 12 shall apply in relation to the income of such trust or institution,—

(*i*) from the date of the creation of the trust or the establishment of the institution if the Principal Commissioner or Commissioner is, for reasons to be recorded in writing, satisfied that the person in receipt of the income was prevented from making the application before the expiry of the period aforesaid for sufficient reasons;

(*ii*) from the 1st day of the financial year in which the application is made, if the Principal Commissioner or Commissioner is not so satisfied:

Provided further that the provisions of this clause shall not apply in relation to any application made on or after the 1st day of June, 2007;

(*aa*) the person in receipt of the income has made an application for registration of the trust or institution on or after the 1st day of June, 2007 in the prescribed form and manner to the Principal Commissioner or Commissioner and such trust or institution is registered under section 12AA;

(*ab*) the person in receipt of the income has made an application for registration of the trust or institution, in a case where a trust or an institution has been granted registration under section 12AA or has obtained registration at any time under section 12A [as it stood before its amendment by the Finance (No. 2) Act, 1996 (33 of 1996)], and, subsequently, it has adopted or undertaken modifications of the objects which do not conform to the conditions of registration, in the prescribed form and manner, within a period of thirty days from the date of said adoption or modification, to the Principal Commissioner or Commissioner and such trust or institution is registered under section 12AA;

(*ac*) notwithstanding anything contained in clauses (*a*) to (*ab*), the person in receipt of the income has made an application in the prescribed form and manner to the Principal Commissioner or Commissioner, for registration of the trust or institution,—

(*i*) where the trust or institution is registered under section 12A [as it stood immediately before its amendment by the Finance (No. 2) Act, 1996 (33 of 1996)] or under section 12AA [as it stood immediately before its amendment by the Taxation and Other Laws (Relaxation and Amendment of Certain Provisions) Act, 2020 (38 of 2020)], within three months from the first day of April, 2021;

(*ii*) where the trust or institution is registered under section 12AB [or approved under sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10] and the period of the said registration [or approval, as the case may be,] is due to expire, at least six months prior to expiry of the said period;

(*iii*) where the trust or institution has been provisionally registered under section 12AB [or provisionally approved under sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10], at least six months prior to expiry of period of the provisional registration [or provisional approval, as the case may be,] or within six months of commencement of its activities, whichever is earlier;

(*iv*) where registration of the trust or institution has become inoperative due to the first proviso to sub-section (7) of section 11, at least six months prior to the commencement of the assessment year from which the said registration is sought to be made operative;

(*v*) where the trust or institution has adopted or undertaken modifications of the objects which do not conform to the conditions of registration, within a period of thirty days from the date of the said adoption or modification;

[(*vi*) in any other case, where activities of the trust or institution have—

(*A*) not commenced, at least one month prior to the commencement of the previous year relevant to the assessment year from which the said registration is sought;

(*B*) commenced and no income or part thereof of the said trust or institution has been excluded from the total income on account of applicability of sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10, or section 11 or section 12, for any previous year ending on or before the date of such application, at any time after the commencement of such activities,]

and such trust or institution is registered under section 12AB:

[**Provided** that where the application is filed beyond the time allowed in sub-clauses (*i*) to (*vi*), the Principal Commissioner or Commissioner may, if he considers that there is a reasonable cause for delay in filing the application, condone such delay and such application shall be deemed to have been filed within time;]

(*b*) where the total income of the trust or institution as computed under this Act without giving effect to the provisions of sections 11 and 12 exceeds the maximum amount which is not chargeable to income-tax in any previous year,—

(*i*) the books of account and other documents have been kept and maintained in such form and manner and at such place, as may be prescribed; and

(*ii*) the accounts of the trust or institution for that year have been audited by

an accountant defined in the *Explanation* below sub-section (2) of section 288 before the specified date referred to in section 44AB and the person in receipt of the income furnishes by that date the report of such audit in the prescribed form duly signed and verified by such accountant and setting forth such particulars, as may be prescribed;

(*ba*) the person in receipt of the income has furnished the return of income for the previous year in accordance with the provisions of sub-section (4A) of section 139, within the time allowed under [90][sub-section (1) or sub-section (4) of] that section;

(*c*) [***]

(2) Where an application has been made on or after the 1st day of June, 2007, the provisions of sections 11 and 12 shall apply in relation to the income of such trust or institution from the assessment year immediately following the financial year in which such application is made:

Provided that the provisions of sections 11 and 12 shall apply to a trust or institution, where the application is made under—

(*a*) sub-clause (*i*) of clause (*ac*) of sub-section (1), from the assessment year from which such trust or institution was earlier granted registration;

(*b*) sub-clause (*iii*) of clause (*ac*) of sub-section (1), from the first of the assessment year for which it was provisionally registered.

[***]
[***]
[***]

Procedure for fresh registration.

12AB. (1) The Principal Commissioner or Commissioner, on receipt of an application made under clause (*ac*) of sub-section (1) of section 12A, shall,—

(*a*) where the application is made under sub-clause (*i*) of the said clause, pass an order in writing registering the trust or institution for a period of five years;

(*b*) where the application is made under sub-clause (*ii*) or sub-clause (*iii*) or sub-clause (*iv*) or sub-clause (*v*) [or item (*B*) of sub-clause (*vi*)] of the said clause,—

(*i*) call for such documents or information from the trust or institution or make such inquiries as he thinks necessary in order to satisfy himself about—

(*A*) the genuineness of activities of the trust or institution; and

(*B*) the compliance of such requirements of any other law for the time being in force by the trust or institution as are material for the purpose of achieving its objects;

(*ii*) after satisfying himself about the objects of the trust or institution and the genuineness of its activities under item (*A*) and compliance of the

requirements under item (*B*), of sub-clause (*i*),—

(*A*) pass an order in writing registering the trust or institution for a period of five years; or

[(*B*) if he is not so satisfied, pass an order in writing,--

(*I*) in a case referred to in sub-clause (*ii*) or sub-clause (*iii*) or sub-clause (*v*) of clause (*ac*) of sub-section (1) of section 12A rejecting such application and also cancelling its registration;

(*II*) in a case referred to in sub-clause (*iv*) or in item (*B*) of sub-clause (*vi*) of sub-section (1) of section 12A, rejecting such application,

after affording a reasonable opportunity of being heard;]

[(*c*) where the application is made under item (*A*) of sub-clause (*vi*) of the said clause or the application is made under sub-clause (*vi*) of the said clause, as it stood immediately before its amendment *vide* the Finance Act, 2023, pass an order in writing provisionally registering the trust or institution for a period of three years from the assessment year from which the registration is sought,]

and send a copy of such order to the trust or institution:

[Provided *that where an application is made under sub-clauses (*i*) to (*v*) of the said clause, and the total income of such trust or institution, without giving effect to the provisions of* sections 11 *and* 12*, does not exceed rupees five crores during each of the two previous years, preceding the previous year in which such application is made, the provisions of this sub-section shall have effect as if for the words "five years", the words "ten years" had been substituted.***]**

(2) All applications, pending before the Principal Commissioner or Commissioner on which no order has been passed under clause (*b*) of sub-section (1) of section 12AA before the date on which this section has come into force, shall be deemed to be applications made under sub-clause (*vi*) of clause (*ac*) of sub-section (1) of section 12A on that date.

[(3) The order under sub-section (1) shall be passed, in such form and manner as may be prescribed, within a period of,—

(*i*) three months calculated from the end of the month in which the application was received in case of clause (*a*);

(*ii*) six months calculated from the end of the quarter in which the application was received in case of sub-clause (*ii*) of clause (*b*); and

(*iii*) one month calculated from the end of the month in which the application was received in case of clause (*c*).]

(4) Where registration or provisional registration of a trust or an institution has been granted under clause (*a*) or clause (*b*) or clause (*c*) of sub-section (1) or clause (*b*) of sub-section (1) of section 12AA, as the case may be, and subsequently,—

(*a*) the Principal Commissioner or Commissioner has noticed occurrence of one or more specified violations during any previous year; or

(*b*) the Principal Commissioner or Commissioner has received a reference from the Assessing Officer under the second proviso to sub-section (3) of section 143 for any previous year; or

(*c*) such case has been selected in accordance with the risk management strategy, formulated by the Board from time to time, for any previous year,

the Principal Commissioner or Commissioner shall,—

(*i*) call for such documents or information from the trust or institution, or make such inquiry as he thinks necessary in order to satisfy himself about the occurrence or otherwise of any specified violation;

(*ii*) pass an order in writing, cancelling the registration of such trust or institution, after affording a reasonable opportunity of being heard, for such previous year and all subsequent previous years, if he is satisfied that one or more specified violations have taken place;

(*iii*) pass an order in writing, refusing to cancel the registration of such trust or institution, if he is not satisfied about the occurrence of one or more specified violations;

(*iv*) forward a copy of the order under clause (*ii*) or clause (*iii*), as the case may be, to the Assessing Officer and such trust or institution.

Explanation.—For the purposes of this sub-section, the following shall mean "specified violation",—

(*a*) where any income derived from property held under trust, wholly or in part for charitable or religious purposes, has been applied, other than for the objects of the trust or institution; or

(*b*) the trust or institution has income from profits and gains of business which is not incidental to the attainment of its objectives or separate books of account are not maintained by such trust or institution in respect of the business which is incidental to the attainment of its objectives; or

(*c*) the trust or institution has applied any part of its income from the property held under a trust for private religious purposes, which does not enure for the benefit of the public; or

(*d*) the trust or institution established for charitable purpose created or established after the commencement of this Act, has applied any part of its income for the benefit of any particular religious community or caste; or

(*e*) any activity being carried out by the trust or institution,—

(*i*) is not genuine; or

(*ii*) is not being carried out in accordance with all or any of the conditions subject to which it was registered; or

(*f*) the trust or institution has not complied with the requirement of any other law, as referred to in item (*B*) of sub-clause (*i*) of clause (*b*) of sub-section (1), and the

order, direction or decree, by whatever name called, holding that such non-compliance has occurred, has either not been disputed or has attained finality [; or]

[(*g*) the application referred to in clause (*ac*) of sub-section (1) of section 12A **[*****]** contains false or incorrect information.]

(5) The order under clause (*ii*) or clause (*iii*) of sub-section (4), as the case may be, shall be passed before the expiry of a period of six months, calculated from the end of the quarter in which the first notice is issued by the Principal Commissioner or Commissioner, on or after the 1st day of April, 2022, calling for any document or information, or for making any inquiry, under clause (*i*) of sub-section (4).

332.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under :-

"Clause 332 of the Bill provides for application for registration of non-profit organisation. The clause corresponds to section 12A and section 12AB of the Act. The said clause clearly classifies the persons who may apply for registration. The present Act uses different terms such as trust, institution, university, educational institution, hospital etc. in different provisions. A common term 'registered nonprofit organisation' has been used in this clause in line with international best practices. Section 10(23C) of the Act uses the term "approval" while section 12AB of the Act uses the term "registration". In order to avoid ambiguity, the term "registration" has been used in the Bill".

332.4 Important Views/Suggestions given by Experts/Stakeholders:

During the course of the examination of the Bill, some important suggestions/comments received from various stakeholders and experts are summarised as follows:-

1. Restriction on registration for mixed-object trusts (charitable and religious) established after 1961 will create problems; uncertainty exists regarding renewal of existing mixed- object trusts. No clarity on how already registered mixed-object trusts will be treated when seeking renewal under the new law.

2. Amend the provisions whereby delay does not attract tax on accreted income, but only failure does. The registration of a Charitable trust can be cancelled even due to a genuine procedural mistake such as not making application for renewal in time Cancellation of registration in such cases can attract tax on accreted income, wiping out more than 40% of the net assets of the trust, completely crippling its activities Bonafide delays by charitable institutions should be looked at leniently and not strictly The

punishment by way of tax on accreted income is completely disproportionate to the magnitude of mistake of delay in filing the application. It is, therefore, suggested that tax on accreted income should be levied only in cases of failure to make an application for renewal, and not for cases of delay in making such application.

3. Please simplify the requirements of renewal form as mentioned below:
1) Bank details are given in ITR every year so this requirement can be removed from the renewal form Even if we need to give details of all bank accounts kindly allow bulk uploading of bank account data through CSV/XML or provide a separate annexure utility for institutions having more than 50 accounts, (many institutions have thousands of bank accounts) in line with principles of proportional compliance and administrative efficiency.
2) Please maintain a “Register of Immovable Properties” on Income-Tax Portal for every NPO under their login The respective NPO will update this register from time to time for any change (addition, deduction etc.) Then there will be no requirement to give Immovable properties extensive details in renewal form Even if we need to give extensive details of all immovable properties kindly allow bulk uploading of immovable properties data through CSV/XML or provide a separate annexure utility for institutions having more than 50 immovable properties, (many institutions have thousands of immovable properties) in line with principles of proportional compliance and administrative efficiency Please permit manual data entry for NPOs having a few properties.
3) As above point No.2. And also Issue a clarificatory circular or amend the utility to accept: - Split entry for land and building. Multiple acquisition dates and modes. - Allow supporting note/annexure in such cases.
4) Please permit institutions to either: - Report last audited figures as on 31st March 2024 (for this renewal), or - Allow to submit provisional figures with declaration, with option to revise post-audit.
5) Please remove provision for renewal or automatic renewal on compliance satisfaction after every 5 years. Let the Renewal be an exception, not a rule. Renewal be enforced for non complaint NPOs. The current utility restricts inputs to only 50 bank accounts Upon attempting to add the 51st record, the “Add Details” button auto-fills the data of the 50th record record, preventing further data entry There is no provision for bulk upload or Excel-based submission.
2) After entering the PIN code number of the location where the immovable property is located, we need to select the ‘Post Office’, ‘Area/Locality’ and ‘District’ from the dropdown ‘PIN code number’ and ‘Post Office’ are being changed by the Govt from time to time Correct ‘Area/Locality’ is also not available in the dropdown Many valid locations, particularly in rural and newly developed areas, are not present in the dropdown, making it impossible to proceed. Even ‘Districts’ are also subject to change many times
3) There is no clear guidance for the following situations: a Whether to report only land area or land plus constructed area (especially in self-constructed properties). b In case of combined plots with different acquisition dates, which date of acquisition should be disclosed? c Where one plot is gifted and the other purchased, what is the mode of

acquisition? d Stamp value is often not printed on documents in many states. e Construction done by own funds may not have a determinable stamp value.
4) The utility mandates financial data “as on date of application”. - If Form 10AB is filed before the audit due date (e.g 30th September 2025), then audited figures for FY 2024–25 will not be available. - Entering unaudited figures may lead to discrepancies or possible rejection. 5) No judicial person (Company, LLP, Partnership Firm, Cooperative Society etc) is required to renew its registration except NPOs Renewal is:
● Logistically burdensome
● Legally inequitable Demotivating for volunteers and trustees.

4. Restriction on registration for mixed-object trusts (charitable and religious) established after 1961 will create problems; uncertainty exists regarding renewal of existing mixed- object trusts. No clarity on how already registered mixed-object trusts will be treated when seeking renewal under the new law.

5. NPOs should be allowed to file the application for change of objects before implementing those objects and if the Principal commissioner or commissioner accepts the change, the NPO can pursue the object. If the department feels that the change of object is not acceptable, then the NPO may be asked to drop the change in the object, but to continue with the existing object without the cancellation of the registration.

6. To make this provision more reasonable and implementation-friendly, we recommend:

(i) Materiality Thresholds o Define what kind of “other law” breaches are serious enough to invite cancellation (e.g., fraud, diversion of foreign funds, etc) — and exclude minor administrative lapses.

(ii) Graded Consequences to Introduce alternatives such as: Advisory notices, Corrective action plans, Temporary suspension before cancellation.

(iii) Safe Harbour for Bona Fide Compliance Gaps o Where the organisation can show good faith, effort to rectify, and no misuse of funds, a safe harbour clause may be added to prevent disproportionate cancellation. Closing Thought: For a country aspiring to become a Vishwaguru, we must build laws that mentor our non-profits, not just monitor them. A trust may err — but a law that guides it back on course is far more effective than one that simply throws it overboard.

332.5 Examination by the Committee:

332.5.1 On the above suggestions, the Ministry of Finance has stated the following in their written submission (mentioned correspondingly):

1. "There is no change in the policy or the intent. The registration of mixed object trusts (with charitable as well as religious objects) are covered by Clause 332(2)(b)(i) of the Bill. The phrase "wholly for charitable or religious purposes" covers the scenario where the object of the trust is either charitable or religious or both, however, does not have any non-charitable or non-religious objects. Thus, the mixed object trusts charitable or religious or both charitable and religious objects) registered or incorporated even after the date of commencement of the Income-Tax Act, 1961, continue to be eligible for registration under the provisions of the new bill. In view of the above reasons/justifications the objections raised do not have merits".

2. "Suggestion seeks that application of accreted income should not apply on rejected initial registration or when delayed application is not condoned. Sub-section (3) of section 115TD provides from situations where a trust or institution shall be treated to have converted into any other form not eligible for registration under section 12AA/12AB. Therefore, no new provisions have been inserted in the clause 352 relating to accredited income. If the initial registration application is rejected, there will be no charge of clause 352 to tax the accreted income. The charge of tax on accreted income is only on 'specified person', and the same is clarified in clause 355(l) as under:

> "Specified person means any person which is registered under any specified provision at any time since its incorporation or creation." Regarding the delay in filing the application for re- registration, the Commissioner is empowered to condone the delay in case of genuine hardships. In case of either the re-registration application itself not been filed, or when filed belatedly and the delay not been condoned by the Commissioner; the provisions of clause 352 (tax on accreted income) will get attracted. This is an anti-abuse provision to ensure that registered NPOs stay within the realm of public charity and not get out of the regulatory space after accumulating tax exempt income and assets. The provisions of clause 352 clarifies the same and ensures continuity of policy".

3. "The suggestion seeks certain changes in the registration Forms for NPOs and utility. The suggestion relates to rules and forms which is a matter of subordinate legislation. This being a matter of rules, does not come under the purview of Bill".

4. "**The clause will be redrafted to remove any ambiguity. The suggestion is acceptable**. Suggestion seeks clarity on registration or renewal of existing mixed-object trusts established after 1961. There is no change in the policy or the intent. The registration of mixed object trusts (with charitable as well as religious objects) are covered by Clause 332(2)(b)(i) of the Bill. The phrase "wholly for charitable or religious

purposes" covers the scenario where the object of the trust is either charitable or religious or both, however, does not have any non-charitable or non-religious objects. Thus, the mixed object trusts charitable or religious or both charitable and religious objects) registered or incorporated even after the date of commencement of the Income-Tax Act, 1961, continue to be eligible for registration under the provisions of the new bill".

332.5.2 In this regard, the representative of the Ministry has stated the following during the 27th Sitting of the Committee held on 27 May 2025:-

> *"Here, sir, the stakeholder's confusion was that we have mentioned only wholly for charitable or religious purpose. So, there is a problem that what about the mixed purpose? Whether mixed purposes are being considered or not? Here, our response was initially that there is no change in policy as such. Wholly for charitable' or 'religious purposes' contain both 'wholly religious', 'wholly charitable' or 'a mix of charitable or religious'. But because this confusion was prevailing, the Ministry has reconsidered, Sir, and now we will be adding 'or both'. So, this is acceptable. The suggestion of the stakeholder is acceptable. In order to clarify that, we will mention or both."*

5. The proposed provision under clause 332 (Table: Sl. No. 7) of the Income-tax Bill, 2025 are similar to the provisions u/s 12AB(1)(b)(ii)(B) of the Income-tax Act, 1961. The benefits of the exemption u/s 11 and 12 of the ITA are based on the nature of the objects of the trusts which needs to be for the charitable or religious purpose. In the case of modifications of the objects of the trust or the institution, such person needs to mandatorily apply for the fresh registration and if the PCIT/CIT is not satisfied, then the registration has to be cancelled along with the rejection of the application. The suggestion of the stakeholder, if accepted, would create a situation where the person would continue to enjoy the benefits of exemption u/s 11 and 12 of the ITA for the modified objects till the time the application for registration is rejected. Further, section 332(4) provides for condonation of delay in filing application of registration. And as per section 332(6), liability to pay tax on accreted income would not arise if such delay is condoned u/s 332(4). Therefore, there is no cause for any apprehension.

6. Suggestion seeks that in the section 332(7), the definition of other law breaches may be defined and graded consequences should be attracted for the default instead of cancellation of the trust or institution for any of the default. There is no change in the IT Bill, 2025 vis-a-vis I T Act, 1961. Subject to certain conditions and compliances, the NPOs have been given exemption. This has been a policy decision to promote charitable activities for overall socioeconomic development of the nation. Further, essential safeguards have been built in with regard to penal consequences, such as provision of opportunity of being heard in almost all cases of default where an adverse view may be taken, providing for condonation of delay mechanism, where bonafide reasons could be the cause for non-compliance etc. Therefore, in bonafide and genuine

cases mechanism has been put in place to avoid undue hardship to the taxpayer. The suggestion is not feasible.

332.5.2 On being asked by the Committee about the feasibility of reducing the frequency of registration of NPOs, the representative of the Ministry during the sitting of the Committee held on 9.6.2025 has stated the following:-

> *"The provisions of NPOs have been rationalised. Vide Finance Act, 2025, the period of registration has been increased from 5 years to 10 years in case of smaller NPOs having turnover upto 5 crore".*

332.5.3 The Committee pointed out that the Ministry interprets "wholly for charitable or religious purposes" to include "both,"; however, the core ambiguity remains. The objective of the Bill is to make the Act concise, lucid, easy to read and understand. In order to achieve the objectives of the bill, the Committee asked the Ministry to clarify the following points as to whether:-

(i) the word "both" be included, as the stakeholders flagged that the proposed clause creates confusion which may lead to litigation;

(ii) the interpretation of "wholly" inadvertently exclude legitimate mixed-object trusts whose activities, while primarily charitable and religious, might have minor, related aspects that could be construed as falling outside these strict definitions and safeguards to prevent such exclusions;

(iii) It is also not clear as to how "wholly" will be defined and applied in practice for mixed-object trusts. Whether "wholly" mean that *all* objects must fall under these two categories, or can there be incidental activities that are neither strictly charitable nor religious;

(iv) the "wholly" criterion be applied if their activities have evolved over time and now include aspects that might be questioned under a stricter interpretation;

(v) a grandfathering clause or a mechanism be there to address such situations; and

(vi) the Ministry's interpretation of "wholly for charitable or religious purposes" align with existing legal precedents and judicial interpretations related to charitable and religious trusts under various laws.

332.5.4 In response to the above points, the Ministry has stated the following in their written submission:-

> "The clause will be appropriately redrafted to remove any ambiguity. The suggestion is acceptable"

332.6 Observations/Recommendations of the Committee:

332.6.1 The Committee notes that Clause 332 of the Bill, intended to simplify the registration of non-profit organizations by using consistent terminology, aligns with Sections 12A and 12AB of the existing Act. However, a significant concern has emerged among Non-Profit Organizations (NPOs), particularly those with mixed charitable and religious objectives, regarding the interpretation of "wholly for charitable or religious purposes" in Clause 332. Despite Ministry assurances that mixed-object trusts are intended to be included, the current wording creates confusion. This ambiguity could lead to uncertainty for existing trusts seeking renewal, issues for those established after 1961, and a heightened risk of litigation. Concerns also exist about the inadvertent exclusion of legitimate trusts with minor related activities, and a lack of clarity on how "wholly" will be defined and applied, especially for trusts with evolving activities.

332.6.2 The Committee acknowledge the Ministry of Finance's recognition of this confusion and its commitment to redraft Clause 332 to remove ambiguity, viewing this as a positive and necessary step. In view of this, the Committee recommend to redraft the Clause 332 suitably.

Clause 333 - Switching over of regimes

333.1 Provision proposed in the Income-Tax Bill, 2025:

333.(*1*) Nothing contained in section 11, other than Schedule II (Table: Sl. No. 1), Schedule III (Table: Sl. Nos. 27 to 29 and 36) and Schedule VII (Table: Sl. Nos. 10 to 19 and 42 to 45), shall exclude any income of a registered non-profit organisation from its total income for any tax year.

(*2*) The registration under section 332 shall cease to operate from the date on which the registered non-profit organisation is notified as specified in Schedule III (Table: Sl. No. 27, 28, 29 or 36) or Schedule VII (Table: Sl. No. 42), or from the 1st day of April of the tax year for a registered non-profit organisation which claims exemption under Schedule VII (Table: Sl. No. 43, 44 or 45).

(*3*) A person, whose registration ceases to operate under sub-section (*2*), may apply for registration under section 332 subject to the condition that the notification granting exemption to such person under Schedule III (Table: Sl. No. 27, 28, 29 or 36) or Schedule VII (Table: Sl. No. 42) ceases to have effect from the date on which the said registration is granted and thereafter shall not be entitled to exemption under the respective serial numbers of the said Schedules.

333.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

11(7) Where a trust or an institution has been granted registration under section 12AA or section 12AB or has obtained registration at any time under section 12A [as it stood before its amendment by the Finance (No. 2) Act, 1996 (33 of 1996)] and the said registration is in force for any previous year, then, nothing contained in section 10 [[82][*other than clause (*1*), clause (*23C*), clause (*23EA*), clause (*23EC*), clause (*23ED*), clause (*46*), clause (*46A*) and clause (*46B*) thereof*]] shall operate to exclude any income derived from the property held under trust from the total income of the person in receipt thereof for that previous year:

Provided that such registration shall become inoperative from the date on which the trust or institution is approved under clause (*23C*) of section 10 or [83][*is notified under clause (*23EA*) or clause (*23EC*) or clause (*23ED*) or clause (*46*)*] [84][or clause (*46A*)] of the said section, as the case may be, or the date on which this proviso has come into force, whichever is later [85][*, or, the 1st day of April of the previous year relevant to the assessment year for which the exemption is claimed under clause (*46B*) of the said section*]:

Provided further that the trust or institution, whose registration has become inoperative under the first proviso, may apply to get its registration operative under section 12AA or section 12AB subject to the condition that on doing so, the approval under clause (*23C*) of section 10 or notification [86][under [85][*clause (*23EA*) or*] clause (*23EC*) or [85][*clause (*23ED*) or*] clause (*46*) or clause (*46A*)] of the said section,

as the case may be, to such trust or institution shall cease to have any effect from the date on which the said registration becomes operative and thereafter, it shall not be entitled to exemption under the respective clauses.
Explanation.—For the purposes of this section, any sum payable by any trust or institution shall be considered as application of income in the previous year in which such sum is actually paid by it (irrespective of the previous year in which the liability to pay such sum was incurred by the trust or institution according to the method of accounting regularly employed by it):

Provided that where during any previous year, any sum has been claimed to have been applied by the trust or institution, such sum shall not be allowed as application in any subsequent previous year.

333.3 <u>Reasons/Justification given by the Ministry of Finance for the proposed provision:</u>

The justification furnished by the Ministry for the proposed provision is as under :-

> *"Clause 333 of the Bill seeks to provide for switching over of regimes by a registered non-profit organisation. The clause corresponds to section 11(7) of the Act. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".*

333.4 <u>Examination by the Committee:</u>

In a reply to a specific query (inclusion or exclusion or replacement of words, etc., if any, between the provisions of the Clauses and existing section, the Ministry has furnished the following in their written response as follows:-

> *"The provisions proposed in the Income-Tax Bill 2025 is the simplified version of the corresponding provisions of IT Act 1961."*

333.5 Observations/Recommendations of the Committee:

Clause 333 of the Income-Tax Bill 2025, which provides for switching over of regimes by a registered non-profit organization, corresponding to Section 11(7) of the Income-Tax Act, 1961. The Committee find that this Clause has been reformulated by paraphrasing the existing provisions to enhance clarity and comprehension. Furthermore, having been assured that no policy change has been incorporated in this Clause, the Committee approve Clause 333 as it is.

2-Income of registered non-profit organization

Clause 334 - Tax on income of registered non-profit organisation

334.1 Provision proposed in the Income-Tax Bill, 2025:

334. (*1*) The Income-tax payable by a registered non-profit organisation on its total income for any tax year shall be the aggregate of the amounts calculated—

(*a*) at the rate of 30% on specified income for such tax year; and

(*b*) at the rate applicable on taxable regular income and any residual income for such tax year under other provisions of this Act.

(*2*) The provisions of this Chapter shall apply irrespective of anything to the contrary contained in any other provision of this Act other than section 96 to 98.

334.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Anonymous donations to be taxed in certain cases.

115BBC. (1) Where the total income of an assessee, being a person in receipt of income on behalf of any university or other educational institution referred to in sub-clause (*iiiad*) or sub-clause (*vi*) or any hospital or other institution referred to in sub-clause (*iiiae*) or sub-clause (*via*) or any fund or institution referred to in sub-clause (*iv*) or any trust or institution referred to in sub-clause (*v*) of clause (*23C*) of section 10 or any trust or institution referred to in section 11, includes any income by way of any anonymous donation, the income-tax payable shall be the aggregate of—

(*i*) the amount of income-tax calculated at the rate of thirty per cent on the aggregate of anonymous donations received in excess of the higher of the following, namely:—

(*A*) five per cent of the total donations received by the assessee; or

(*B*) one lakh rupees, and

(*ii*) the amount of income-tax with which the assessee would have been chargeable had his total income been reduced by the aggregate of anonymous donations received in excess of the amount referred to in sub-clause (*A*) or sub-clause (*B*) of clause (*i*), as the case may be.

(2) The provisions of sub-section (1) shall not apply to any anonymous donation received by—

(*a*) any trust or institution created or established wholly for religious purposes;

(*b*) any trust or institution created or established wholly for religious and charitable purposes other than any anonymous donation made with a specific direction that such donation is for any university or other educational institution or any hospital or other medical institution run by such trust or institution.

(3) For the purposes of this section, "anonymous donation" means any voluntary contribution referred to in sub-clause (*iia*) of clause (*24*) of section 2, where a person receiving such contribution does not maintain a record of the identity indicating the name and address of the person making such contribution and such other particulars as may be prescribed.

Specified income of certain institutions.

115BBI. (1) Where the total income of an assessee, being a person in receipt of income on behalf of any fund or institution referred to in sub-clause (*iv*) or any trust or institution referred to in sub-clause (*v*) or any university or other educational institution referred to in sub-clause (*vi*) or any hospital or other medical institution referred to in sub-clause (*via*), of clause (*23C*) of section 10 or any trust or institution referred to in section 11, includes any income by way of any specified income, notwithstanding anything contained in any other provision of this Act, the income-tax payable shall be the aggregate of,—

(*i*) the amount of income-tax calculated at the rate of thirty per cent on the aggregate of such specified income; and

(*ii*) the amount of income-tax with which the assessee would have been chargeable had the total income of the assessee been reduced by the aggregate of specified income referred to in clause (*i*).

(2) Notwithstanding anything contained in this Act, no deduction in respect of any expenditure or allowance or set off of any loss shall be allowed to the assessee under any provision of this Act in computing the specified income referred to in clause (*i*) of sub-section (1).

Explanation.—For the purposes of this section, "specified income" means,—

(*a*) income accumulated or set apart in excess of fifteen per cent of the income where such accumulation is not allowed under any specific provision of this Act; or

(*b*) deemed income referred to in *Explanation 4* to the third proviso to clause (*23C*) of section 10, or sub-section (1B) or sub-section (3) of section 11; or

(*c*) any income, which is not exempt under clause (*23C*) of section 10 on account of violation of the provisions of clause (*b*) of the third proviso of clause (*23C*) of section 10, or not to be excluded from the total income under the provisions of clause (*d*) of sub-section (1) of section 13; or

(*d*) any income which is deemed to be income under the twenty-first proviso to clause (*23C*) of section 10 or which is not excluded from the total income under clause (*c*) of sub-section (1) of section 13; or

(*e*) any income which is not excluded from the total income under clause (*c*) of sub-section (1) of section 11.

164(2) In the case of relevant income which is derived from property held under trust wholly for charitable or religious purposes, or which is of the nature referred to in sub-

clause (*iia*) of clause (*24*) of section 2, or which is of the nature referred to in sub-section (4A) of section 11, tax shall be charged on so much of the relevant income as is not exempt under section 11 or section 12, as if the relevant income not so exempt were the income of an association of persons :

Provided that in a case where the whole or any part of the relevant income is not exempt under section 11 or section 12 by virtue of the provisions contained in clause (*c*) or clause (*d*) of sub-section (1) of section 13, tax shall be charged on the relevant income or part of relevant income at the maximum marginal rate.

334.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under :-

> *"Clause 334 of the Bill seeks to provide taxability of income of a registered nonprofit organisation. The clause consolidates provisions contained in the Act. The clause clearly states the current position of law that if a registered non-profit organisation is not able to apply 85% of its regular income or accumulate the same, then income for such tax year as reduced by its application for charitable or religious purposes or accumulation thereof shall be its taxable income and chargeable to tax @30% as provided in section 115BBI of the Act".*

334.4 Examination by the Committee:

In a reply to a specific query (inclusion or exclusion or replacement of words, etc., if any, between the provisions of the Clauses and existing section, the Ministry has furnished the following in their written response as follows:-

> *"The provisions proposed in the Income-Tax Bill 2025 is the simplified version of the corresponding provisions of IT Act 1961."*

334.5 Observations/Recommendations of the Committee:

The Committee note that Clause 334 of the Bill consolidates provisions of the Income-Tax Act 1961 which provides for taxability of income of a registered non-profit organization. Recognizing textual simplification, no policy change and retaining original intent in this Clause, the Committee accept the Clause as proposed by the Department of Revenue.

Clause 335 - Regular income

335.1 Provision proposed in the Income-Tax Bill, 2025:

335. Regular income of any tax year of a registered non-profit organisation means—

(*a*) receipts from any charitable or religious activity, for which it is registered, carried out by such registered non-profit organisation in such tax year;

(*b*) receipts, other than those specified in clause (*d*), whether capital or revenue, derived from any property or investment held by such registered non-profit organisation in such tax year;

(*c*) voluntary contributions received by such registered non-profit organisation in such tax year; and

(*d*) gains of any commercial activity, other than the commercial activities restricted under sections 345 and 346, carried out by such registered non-profit organisation in such tax year, computed in such manner, as prescribed.

335.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

335.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under :-

> "Clause 335 of the Bill provides the meaning of regular income of a registered nonprofit organisation. The clause does not correspond to any particular section of the Act. The clause provides meaning of the 'regular income' and concept of 'regular income' has been inserted to streamline taxability of registered non-profit organization".

335.4 Important Views/Suggestions given by Experts/Stakeholders:

During the course of the Examination of the proposed Bill, some important suggestions/comments received from various stakeholders and experts are summarised as follows:-

1. Clause 335 (c) be substituted as follows: voluntary contributions received by such registered non-profit organisation in such tax year, not being anonymous donation as in [Table Sl.No. 1 Clause 337]

2. Amend the clause to refer to “income” instead of “receipts” to ensure that only net income is considered for taxation and for accumulation computation purposes.

The proposed clause taxes receipts, which can include capital recoveries (e.g., sale proceeds of property) or gross inflows without deduction of expenses Taxing receipts contravenes the principle of real Income-Taxation, wherein only surplus or profit is subject to tax For example, if an NPO sells an asset worth INR 10,00,000 (acquired at ₹9,50,000), taxing the entire INR 10,00,000 as receipt is incorrect — only the INR 50,000 gain should be taxable Furthermore, the 15% accumulation limit under current law (Section 11(1)(a)) is computed on income, not gross receipts Applying the limit on receipts unfairly reduces the amount that NPOs can retain and carry forward, hampering their long-term financial stability This change will also avoid interpretational disputes and align with the long-standing jurisprudence and spirit of exempting charitable entities from undue tax burdens.

3. There is a need for clarification as to whether the trust would be required to follow the cash basis of accounting. After perusing the clause 335, it appears that income of the trust would be taxable on the cash basis contrary to the existing provisions of accrual basis of taxation which is more scientific and in fact help in restricting tax avoidance It may also be relevant to point out that the then Companies Act, 1956 was amended making it mandatory for all companies to follow accrual method of accounting.

4. Regular Income u/s 335 should not include Capital Receipts and the same be treated similar to Corpus Donations. Alternatively, the investment in Bank FDR or Bank Deposit out of sale proceeds of capital assets be allowed as application as enumerated in CBDT Instruction number 883 dated 24/9/1975. Ensure consistency with earlier administrative guidance and judicial principles. - Avoid distortion of income computation and compliance burden for trusts. - Facilitate proper reinvestment of capital receipts in charitable infrastructure or corpus.

5. Regular income of any tax year of a registered non-profit organisation means— (a) receipts from .....; (b) receipts in the nature of income, other than those specified in clause (d), whether capital or revenue, derived from any property or investment held by such registered non-profit organisation in such tax year; Capital Receipts would include maturity proceeds of investments, reinvestment of which would not amount to application of income. Taxing such maturity proceeds would destroy the investments built up by the trusts over several decades.

6. There must be a provision that how the property or any item received in donation in kind be valued, because presently there is no such mechanism.

7. Clause 335 (c) be substituted as follows: Voluntary contributions received by such registered non-profit organization in such tax year, not being anonymous donation as in (Table Sl.No.1 Clause 337).

335.5 Examination by the Committee:

335.5.1 On the above suggestions, the Ministry of Finance has stated the following in their written submission (mentioned correspondingly):

1. "The suggestion made by the stakeholder is in the nature of policy change which is beyond the scope of the objectives of the IT Bill, 2025".

2. "Suggestion seeks to amend clause 335(a) and 335(b) to substitute the word 'receipts' with the word 'income'".

"The concept of receipts and application thereof has been clarified in the Bill. The provisions have been rationalised to that receipts from charitable activity become regular income and application is allowed against receipts. This will remove the complications in the assessment of NPOs. The amendment has been rightly made. the suggestion is not feasible".

3. "Suggestion seeks a clarification on accounting method to be followed for recognition of income by NPOs, as bare reading of clause 335 suggests that income may be required to be recognised on cash basis. Clause 335, essentially continues the policy of recognition of income and expenditure. Even though the word 'receipt' has now been used instead of 'income', the term income was used in the same manner earlier. Therefore, the manner of recognising receipts and payments continue to be the same except the fact that ambiguity has been removed. Further, application of income will be recognized on "paid" basis only and the same is clearly mentioned in clause 341(1)(a)(i), a continuation of policy as in Income-Tax Act, 1961. [Explanation to section 11(7)]. Since there is no policy change on the recognition of income".

4. "Suggestion seeks that regular income of NPOs should not include capital receipts and this may be treated as corpus donation. Under the I T Act, with respect to the income of trust or institution, there was no distinction between revenue or capital receipts. In order to simplify the provisions and remove ambiguity the treatment of regular receipts and corpus donation have been clearly classified. There is no rationale for subsuming corpus in regular receipts. It will also be detrimental to the protection of corpus. In view of the above, the suggested amendment is not feasible".

5. "The IT Bill has simplified the provisions relating to NPO and consolidated it in one single chapter. Under the I T Act, with respect to the income of trust or institution, there was no distinction between revenue or capital receipts. In order to simplify the provisions and remove ambiguity it has now clearly been classified. Clause 337 relates to specified income of NPO. There are 11 items listed as specified income. The apprehension expressed by the stakeholder is not included in the specified income. Therefore, the suggestion is not clear".

6. "Suggestion seeks a provision to provide valuation of the property or any item received in donation in kind, because presently there is no such mechanism. It is also in

nature of policy. The property received in donation forms part of regular income. The application of this income can be the immovable property itself as it is one of the specified modes of investment. Therefore, valuation is not required at the receipt stage. Valuation requirement at the stage of receipt does not serve any purpose and would only enhance compliance burden. The NPO would in any case record such receipt in the books of account on the basis of the value of such receipt. If it is an accepted mode of investment then the receipt can continue as such otherwise it will be converted to an acceptable mode".

7. "Suggestion seeks that clause 335(c) may be amended so that as per amended clause shall read as: 'Regular income' shall mean voluntary contributions received by such registered non-profit organisation in such tax year, not being anonymous donation. The rationale for suggested amendment has not been provided. Clause 355(a) defines 'anonymous donation' to mean any voluntary contribution whose records and prescribed particulars are not maintained. And under clause 337 'anonymous donation' above a specified limit [higher of 1 lakh or 5%], except in the case of NPOs created wholly for religious purposes, is treated as 'specified income'. Therefore, 'anonymous donation' beyond the specified limit [higher of 1 lakh or 5%] is taxed under the Act as well as Bill. Specific exclusion of 'anonymous donation' from definition of 'voluntary contribution' may lead to taxation of entire amount as specified income and may adversely affect the NPOs created wholly for religious purposes (as the anonymous donation received by them would also be treated as specified income)".

335.5.2 In this regard, the reprentative of the Ministry has added the following during the 31st Sitting of the Committee held on 10 June, 2025:

> *"I would like to give a brief background of what has been done. These issues will be coming up repeatedly in many clauses. Earlier in our Act, the issues related to trust were scattered in 5 chapters. The Sections related to trust and the name of the trust was also used in different terms like trust, institution, university educational institution, hospital etc. All these were used in the Act. It was spread over 5 chapters. It was very difficult to understand them. Some of the sections became so complicated. I will give you one example. There was one clause 23C in section 10 which was related to educational institutions and how their income will be exempted. It had 15 sub clauses, then it has 24 provisos and 3rd proviso had 7 explanations and explanation 2 to the 3rd proviso had again 8 provisos. You can go through the section. It became so complicated over the period that it was difficult for anybody to understand it. Similarly, in other sections many changes had been made. So when we started drafting the new IT Bill, this was the first to be taken off because this was the most complicated part of the Income-Tax Act. Committee went through the entire provisions. Our aim was to bring all the provisions related to trust at one place, simplify it. Four or five issues are there which are all listed in these clauses, we will be answering to them why we have done that, and then as per the learned opinion of the Committee we will again be putting it to consideration. This was thoroughly discussed at every stage what are the changes that we have made? First of all, a common name, non-*

profit organization was brought in the IT Bill. So, whatever was earlier being assessed under these trust provisions, they have been brought under non-profit organization. There were many redundant provisions which were no longer applicable. They were removed. Some of the provisions were tabulated. In tabular form we provided for better understanding of the things. We used only one language registration. Earlier somewhere it was written as registration, somewhere it was written as approval. So, registration was used. Lastly, taxability of all types of income of the registered non-profit organizations was provided in Part B of Chapter 17 itself instead of going to different sections. Now, all the provisions are together. At one go, any NPO can find out how it is to be registered".

335.5.3 The Ministry representative further stated as below:-

"Sir, in NPO organisations, generally there is no concept of a capital receipt or a revenue receipt, capital expenditure, revenue expenditure. That is why everything which comes in is a receipt. Everything which goes out is an application. That is how the accounts of a non-profit organisation in practical course are being maintained. So, the usage of the word 'income' in the chapter as it existed prior, in the 1961 Act was not so rational. It was better to use it as it is used practically including it in the receipt form and then the application form".

335.5.4 He also added as follows:-

"We can clarify. There are two parts of the funds of any charitable institution. One is corpus and the other is other than corpus. Now, if the doner gives donation with a specific direction that this shall form part of corpus – this is the only direction required, nothing else – then, it becomes a part of corpus. That can be held by the trust indefinitely or used immediately. That is the complete discretion of the trust. Now, with respect to the rest of the income, 85 per cent needs to be spent in a year. If they are not able to spend 85 per cent, they can accumulate it for five years. That provision is also there. Now, when they apply that income, then, the difference between capital and revenue is not there. They can buy asset for the use of charity or they can use it for revenue like giving away salary and all. So, that entire discretion is available".

335.5.5 Furthermore,he deposed as under:-

"Sir, there were two methods of accumulation. Again, some changes have taken place in that. So, earlier, one was for one year. Without specifying any purpose, they could have spent it till next year".

"Another was to accumulate it for five years. For that, the purpose was to be mentioned. So, separate forms were there. When Committee was going through it, through their practical experiences, because all the Committee Members had worked in this field, as CIT exemption, they found that this was creating many

times confusion and problem with the assessees also. Many times, they were having different type of forms. The wrong form was filled up and it was leading to administrative issues also. So, a call was taken to simplify it and provide for five years of period. For a total period of five years, you can accumulate it and the balance amount can be spent in the next five years and only single form for that. Only one change has taken place due to that which was earlier there. Now, it is not available. Earlier, within one year, the trust could have donated it to another trust also and that was treated as application of income".

"Sir, this process was also prone to misuse. So, earlier, one amendment was made in the only Act only, that when one trust gives it to another trust as donation, then only 85 per cent of that amount will be treated as application of income and not 100 per cent. So, that check was provided".

"Since this one year period of accumulation was not provided in the new Bill, this is not available now - the donation to another trust".

335.6 <u>Observations/Recommendations of the Committee:</u>

335.6.1 The Committee observe that Clause 335 of the Bill introduces the concept and meaning of "regular income" for registered non-profit organizations, a provision currently absent from the Income-Tax Act, 1961. This new concept is designed to streamline the taxability of such entities.

335.6.2 The Committee. during deliberations, carefully considered various suggestions from stakeholders and experts regarding this clause. Following a review of these suggestions and the Ministry's response, the Committee note that the Bill uses the term "receipts" where the existing Income-Tax Act, 1961, used "income." The Committee express strong concern that taxing "receipts" contravenes the principle of real Income-Taxation, as "receipts" can include capital recoveries or gross inflows, which do not necessarily represent net income. For the purposes of taxation and accumulation, the Committee firmly believe that rules should ideally apply to net income, not gross receipts.

Therefore, the Committee recommend the reintroduction of the term "income" in Clause 335. This amendment is critical to ensure that only the net income of a registered non-profit organization is considered for taxation and accumulation.

335.6.3 Subject to this amendment, the Committee approve Clause 335 of the Bill, underscoring the necessity for appropriate modifications to align with this recommendation.

Clause 336 - Taxable regular income

336.1 Provision proposed in the Income-Tax Bill, 2025:

336. The taxable regular income of a registered non-profit organisation for any tax year shall be—

(*a*) *nil*, where 85% or more of the regular income for such tax year has been applied or accumulated under section 342 for charitable or religious purposes, in such tax year as per the provisions of this Part; and

(*b*) in any other case, 85% of the regular income for such tax year as reduced by its application for charitable or religious purposes or accumulation thereof under section 342 in such tax year as per the provisions of this Part.

336.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Income from property held for charitable or religious purposes.

11. (1) Subject to the provisions of sections 60 to 63, the following income shall not be included in the total income of the previous year of the person in receipt of the income—

(*a*) income derived from property held under trust wholly for charitable or religious purposes, to the extent to which such income is applied to such purposes in India; and, where any such income is accumulated or set apart for application to such purposes in India, to the extent to which the income so accumulated or set apart is not in excess of fifteen per cent of the income from such property;

(*b*) income derived from property held under trust in part only for such purposes, the trust having been created before the commencement of this Act, to the extent to which such income is applied to such purposes in India; and, where any such income is finally set apart for application to such purposes in India, to the extent to which the income so set apart is not in excess of fifteen per cent of the income from such property;

(*c*) income derived from property held under trust—

(*i*) created on or after the 1st day of April, 1952, for a charitable purpose which tends to promote international welfare in which India is interested, to the extent to which such income is applied to such purposes outside India, and

(*ii*) for charitable or religious purposes, created before the 1st day of April, 1952, to the extent to which such income is applied to such purposes outside India:

Provided that the Board, by general or special order, has directed in either case that it shall not be included in the total income of the person in receipt of such

income;

(*d*) income in the form of voluntary contributions made with a specific direction that they shall form part of the corpus of the trust or institution, subject to the condition that such voluntary contributions are invested or deposited in one or more of the forms or modes specified in sub-section

(5) maintained specifically for such corpus.

Explanation 1.—For the purposes of clauses (*a*) and (*b*),—

(*1*) in computing the fifteen per cent of the income which may be accumulated or set apart, any such voluntary contributions as are referred to in section 12 shall be deemed to be part of the income;

(*2*) if, in the previous year, the income applied to charitable or religious purposes in India falls short of eighty-five per cent of the income derived during that year from property held under trust, or, as the case may be, held under trust in part, by any amount—

(*i*) for the reason that the whole or any part of the income has not been received during that year, or

(*ii*) for any other reason,

then—

(*a*) in the case referred to in sub-clause (*i*), so much of the income applied to such purposes in India during the previous year in which the income is received or during the previous year immediately following as does not exceed the said amount, and

(*b*) in the case referred to in sub-clause (*ii*), so much of the income applied to such purposes in India during the previous year immediately following the previous year in which the income was derived as does not exceed the said amount,

may, at the option of the person in receipt of the income (such option to be exercised [77][at least two months prior to the due date specified] under sub-section (1) of section 139 for furnishing the return of income, in such form and manner as may be prescribed) be deemed to be income applied to such purposes during the previous year in which the income was derived; and the income so deemed to have been applied shall not be taken into account in calculating the amount of income applied to such purposes, in the case referred to in sub-clause (*i*), during the previous year in which the income is received or during the previous year immediately following, as the case may be, and, in the case referred to in sub-clause (*ii*), during the previous year immediately following the previous year in which the income was derived.

Explanation 2.—Any amount credited or paid, out of income referred to in clause (*a*) or clause (*b*) read with *Explanation 1*, to any fund or trust or institution or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*)

of section 10 or other trust or institution registered under section 12AA or section 12AB, as the case may be, being contribution with a specific direction that it shall form part of the corpus, shall not be treated as application of income for charitable or religious purposes.

Explanation 3.—For the purposes of determining the amount of application under clause (*a*) or clause (*b*), the provisions of sub-clause (*ia*) of clause (*a*) of section 40 and sub-sections (3) and (3A) of section 40A, shall, *mutatis mutandis*, apply as they apply in computing the income chargeable under the head "Profits and gains of business or profession".

Explanation 3A.—For the purposes of this sub-section, where the property held under a trust or institution includes any temple, mosque, gurdwara, church or other place notified under clause (*b*) of sub-section (2) of section 80G, any sum received by such trust or institution as voluntary contribution for the purpose of renovation or repair of such temple, mosque, gurdwara, church or other place, may, at its option, be treated by such trust or institution as forming part of the corpus of the trust or the institution, subject to the condition that the trust or the institution,—

(*a*) applies such corpus only for the purpose for which the voluntary contribution was made;

(*b*) does not apply such corpus for making contribution or donation to any person;

(*c*) maintains such corpus as separately identifiable; and

(*d*) invests or deposits such corpus in the forms and modes specified under sub-section (5) of section 11.

Explanation 3B.—For the purposes of *Explanation 3A*, where any trust or institution has treated any sum received by it as forming part of the corpus, and subsequently any of the conditions specified in clause (*a*) or clause (*b*) or clause (*c*) or clause (*d*) of the said *Explanation* is violated, such sum shall be deemed to be the income of such trust or institution of the previous year during which the violation takes place.

Explanation 4.—For the purposes of determining the amount of application under clause (*a*) or clause (*b*),—

(*i*) application for charitable or religious purposes from the corpus as referred to in clause (*d*) of this sub-section, shall not be treated as application of income for charitable or religious purposes:

Provided that the amount not so treated as application, or part thereof, shall be treated as application for charitable or religious purposes in the previous year in which the amount, or part thereof, is invested or deposited back, into one or more of the forms or modes specified in sub-section (5) maintained specifically for such corpus, from the income of that year and to the extent of such investment or [deposit:]

[**Provided further** that provisions of the first proviso shall apply only if there was no violation of the conditions specified—

(*a*) in clause (*c*) of this sub-section;

(*b*) in *Explanations 2, 3* and *5* of this sub-section;

(*c*) in the *Explanation* to this section; and

(*d*) in clause (*c*) of sub-section (1) of section 13,

at the time the application was made from the corpus:

Provided also that the amount invested or deposited back shall not be treated as application for charitable or religious purposes under the first proviso unless such investment or deposit is made within a period of five years from the end of the previous year in which such application was made from the corpus:

Provided also that nothing contained in the first proviso shall apply where application from the corpus is made on or before the 31st day of March, 2021;]

(*ii*) application for charitable or religious purposes, from any loan or borrowing, shall not be treated as application of income for charitable or religious purposes:

Provided that the amount not so treated as application, or part thereof, shall be treated as application for charitable or religious purposes in the previous year in which the loan or borrowing, or part thereof, is repaid from the income of that year and to the extent of such repayment:

[**Provided further** that provisions of the first proviso shall apply only if there was no violation of the conditions specified—

(*a*) in clause (*c*) of this sub-section;

(*b*) in *Explanations 2, 3* and *5* of this sub-section;

(*c*) in the *Explanation* to this section; and

(*d*) in clause (*c*) of sub-section (1) of section 13,

at the time the application was made from loan or borrowing:

Provided also that the amount repaid shall not be treated as application for charitable or religious purposes under the first proviso unless such repayment is made within a period of five years from the end of the previous year in which such application was made from loan or borrowing:

Provided also that nothing contained in the first proviso shall apply where application from any loan or borrowing is made on or before the 31st day of March, 2021; and]

[80][(*iii*) any amount credited or paid, other than the amount referred to in *Explanation 2,* to any fund or trust or institution or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10, as the case may be, or other trust or institution registered under section 12AB, as the case may be, shall be treated as application for charitable or religious purposes only to the extent of eighty-five per cent of such

amount credited or paid.]

Explanation 5.—For the purposes of this sub-section, it is hereby clarified that the calculation of income required to be applied or accumulated during the previous year shall be made without any set off or deduction or allowance of any excess application of any of the year preceding the previous year.

(1A) For the purposes of sub-section (1),—

(*a*) where a capital asset, being property held under trust wholly for charitable or religious purposes, is transferred and the whole or any part of the net consideration is utilised for acquiring another capital asset to be so held, then, the capital gain arising from the transfer shall be deemed to have been applied to charitable or religious purposes to the extent specified hereunder, namely:—

(*i*) where the whole of the net consideration is utilised in acquiring the new capital asset, the whole of such capital gain;

(*ii*) where only a part of the net consideration is utilised for acquiring the new capital asset, so much of such capital gain as is equal to the amount, if any, by which the amount so utilised exceeds the cost of the transferred asset;

(*b*) where a capital asset, being property held under trust in part only for such purposes, is transferred and the whole or any part of the net consideration is utilised for acquiring another capital asset to be so held, then, the appropriate fraction of the capital gain arising from the transfer shall be deemed to have been applied to charitable or religious purposes to the extent specified hereunder, namely:—

(*i*) where the whole of the net consideration is utilised in acquiring the new capital asset, the whole of the appropriate fraction of such capital gain;

(*ii*) in any other case, so much of the appropriate fraction of the capital gain as is equal to the amount, if any, by which the appropriate fraction of the amount utilised for acquiring the new asset exceeds the appropriate fraction of the cost of the transferred asset.

Explanation.—In this sub-section,—

(*i*) "appropriate fraction" means the fraction which represents the extent to which the income derived from the capital asset transferred was immediately before such transfer applicable to charitable or religious purposes;

(*ii*) "cost of the transferred asset" means the aggregate of the cost of acquisition (as ascertained for the purposes of sections 48 and 49) of the capital asset which is the subject of the transfer and the cost of any improvement thereto within the meaning assigned to that expression in sub-clause (*b*) of clause (*1*) of section 55;

(*iii*) "net consideration" means the full value of the consideration received or accruing as a result of the transfer of the capital asset as reduced by any expenditure incurred wholly and exclusively in connection with such transfer.

(1B) Where any income in respect of which an option is exercised under clause (*2*) of the *Explanation* to sub-section (1) is not applied to charitable or religious purposes in India during the period referred to in sub-clause (*a*) or, as the case may be, sub-clause (*b*), of the said clause, then, such income shall be deemed to be the income of the person in receipt thereof—

(*a*) in the case referred to in sub-clause (*i*) of the said clause, of the previous year immediately following the previous year in which the income was received; or

(*b*) in the case referred to in sub-clause (*ii*) of the said clause, of the previous year immediately following the previous year in which the income was derived.

336.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under :-

> "Clause 336 of the Bill seeks to deal with the taxable regular income of a registered non-profit organisation. The clause corresponds to section 11(1) of the Act. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".

336.4 Important Views/Suggestions given by Experts/Stakeholders:

Considering Clause 336 of the Income-Tax Bill, 2025 mandates that an NPO's 'regular income' is taxable if less than 85% is applied to charitable purposes, and given the Bill's stated objective of 'standardizing' the tax framework for NPOs, does clause 336, or any accompanying provision within the Bill, introduce a standardized two-year period for the assessment of reporting of the 85% application of regular income, or a consistent bi-annual cycle for the utilization of accumulated income, thereby potentially altering the current annual assessment of application or extending the time allowed for expenditure of accumulated funds for compliance purposes?

336.5 Examination by the Committee:

336.5.1 In a reply to a specific query (inclusion or exclusion or replacement of words, etc., if any, between the provisions of the Clauses and existing section, the Ministry has furnished the following in their written response as follows:-

> *"The provisions proposed in the Income-Tax Bill 2025 is the simplified version of the corresponding provisions of IT Act 1961."*

336.5.2 In response to the assessment period of application, the Ministry of Finance in their written replies as follows:-

“The question on assessment of application or accumulation of income in not clear. However, it is mentioned that a NPO has to apply 85% of its receipts/income during the tax year for charitable activities. Where the NPO could not apply requisite amount, the same can be invested or deposited in the specified modes for a period upto 5 years.

336.6 <u>Observations/Recommendations of the Committee:</u>

The Committee observe that Clause 336 of the Income-Tax Bill, 2025 textually simplifies and retains the intent of Section 11(1) of the Act regarding the taxable regular income of a registered non-profit organization. After considered the views of the stakeholders as well as the response of the Department, the Committee accept Clause 336 as proposed.

Clause 337 - Specified Income

337.1 <u>Provision proposed in the Income-Tax Bill, 2025:</u>

337. The specified income of a registered non-profit organisation shall mean the income as specified in column B of the Table below and shall be taxable in the year provided in the column C thereof:—

Table

Sl. No.	Specified income	Tax year
A	B	C
1.	Any anonymous donation received by a registered non-profit organisation (other than a registered non-profit organisation created or established wholly for religious purposes) excluding the anonymous donations up to ₹1,00,000 or 5% of the such donations received by it during the tax year, whichever is higher.	Tax year in which such anonymous donation is received.
2.	Any portion of income applied by it, directly or indirectly, for the benefit of any related person, computed in the manner, as prescribed.	Tax year in which such application is made.
3.	Any portion of income applied by it outside India in contravention to the provisions of section 338(*a*).	Tax year in which such application of income is made.
4.	Any investment made in contravention to the provisions of section 350 out of any income, accumulated income, deemed accumulated income, corpus, deemed corpus, or any other fund.	Tax year in which such investment is made.
5.	Any deemed corpus donation in respect of which any of the conditions specified in the section 340 is violated.	Tax year in which such violation is made.
6.	Any portion of accumulated income, if it is applied to purposes other than charitable or religious purposes for which it is accumulated or set apart.	Tax year in which it is so applied.

.

A	B	C
7.	Any portion of accumulated income, if it ceases to be accumulated or set apart for application to such purposes as specified under section 342(*1*).	Tax year in which it ceases to be so accumulated or set apart.
8.	Any portion of accumulated income, if it is not utilised for the purpose, for which it is accumulated or set apart within the period for which it was accumulated or set apart as specified in section 342(*1*).	Last of the tax years for which income was so accumulated or set apart.
9.	Any portion of accumulated income, if it is credited or paid to any other registered non-profit organisation.	Tax year in which it is so credited or paid.
10.	Any income applied to purposes other than charitable or religious purposes for which it is registered.	Tax year in which it is so applied.
11.	Any income determined by the Assessing Officer under section 344 in excess of income shown in the books of account of such business undertaking.	Tax year to which such income relates.

337.2 <u>Relevant Provision of the Principal Act (Income-Tax Act, 1961):</u>

Specified income of certain institutions.

115BBI. (1) Where the total income of an assessee, being a person in receipt of income on behalf of any fund or institution referred to in sub-clause (*iv*) or any trust or institution referred to in sub-clause (*v*) or any university or other educational institution referred to in sub-clause (*vi*) or any hospital or other medical institution referred to in sub-clause (*via*), of clause (*23C*) of section 10 or any trust or institution referred to in section 11, includes any income by way of any specified income, notwithstanding anything contained in any other provision of this Act, the income-tax payable shall be the aggregate of,—

(*i*) the amount of income-tax calculated at the rate of thirty per cent on the aggregate of such specified income; and

(*ii*) the amount of income-tax with which the assessee would have been chargeable had the total income of the assessee been reduced by the aggregate of specified income referred to in clause (*i*).

(2) Notwithstanding anything contained in this Act, no deduction in respect of any expenditure or allowance or set off of any loss shall be allowed to the assessee under any provision of this Act in computing the specified income referred to in clause (*i*) of sub-section (1).

Explanation.—For the purposes of this section, "specified income" means,—

(*a*) income accumulated or set apart in excess of fifteen per cent of the income where such accumulation is not allowed under any specific provision of this Act; or

(*b*) deemed income referred to in *Explanation 4* to the third proviso to clause (*23C*) of section 10, or sub-section (1B) or sub-section (3) of section 11; or

(*c*) any income, which is not exempt under clause (*23C*) of section 10 on account of violation of the provisions of clause (*b*) of the third proviso of clause (*23C*) of section 10, or not to be excluded from the total income under the provisions of clause (*d*) of sub-section (1) of section 13; or

(*d*) any income which is deemed to be income under the twenty-first proviso to clause (*23C*) of section 10 or which is not excluded from the total income under clause (*c*) of sub-section (1) of section 13; or

(*e*) any income which is not excluded from the total income under clause (*c*) of sub-section (1) of section 11.

337.3 <u>Reasons/Justification given by the Ministry of Finance for the proposed provision:</u>

The justification furnished by the Ministry for the proposed provision is as under :-

> *"Clause 337 of the Bill provides for specified income of a registered non-profit organisation. The clause corresponds to section 115BBI of the Act. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".*

337.4 <u>Important Views/Suggestions given by Experts/Stakeholders:</u>

During the course of the examination of the proposed Bill, some important suggestions/comments received from various stakeholders and experts are summarised as follows:-

1. Change in anonymous donation taxation to 5% of anonymous donations (instead of exceeding 5% of total donations or ₹1 lakh) may increase the tax burden and could be a drafting oversight. Clause 337 of the Bill is intended to simplify provisions of 115BBC of the Income-Tax, 1961.

2. It is recommended to rationalize the rigorous provisions of proposed clause 337. The imposition of 30% tax on the value of investment seems cumbersome and can lead to huge tax implications. Further, while the non-profit institutions are allowed to divest

the investment within a period of 1 year, no tax liability can be envisaged till expiry of such period. Therefore, it is recommended to rationalize the proposed provisions accordingly.

3. Tax only income, not full corpus

4. Allow 1-year divestment period before taxing

5. Please extend its exemption scope to wholly religious and charitable NPOs and maintain Status QUO. Anonymous Donations through digital modes up to ₹5000 per case be exempted from anonymous donation taxation threshold to prevent penalising micro-donations. Performing charitable activities are part of majority religions and faiths. Exclusion may lead to unnecessary litigations and hence, status quo shall be maintained. It is difficult to get donors' full details in digital mode like UPI, IMPS mode transactions as the banks don't give any details of the transferee.

6. In addition to wholly religious trusts, **partly charitable and partly religious trusts** shall be covered in the exclusions in respect of donations received in the course of their religious activities. As per the current provisions of ITA, 1961 following entities are not liable to pay tax on anonymous donations received by them irrespective of the limit specified under section 115BBC -
(a) any trust or institution created or established wholly for religious purposes;
(b) any trust or institution created or established wholly for religious and charitable purposes However, exclusion mentioned in (b) above does not include any anonymous donation made with a specific direction that such donation is for any university or other educational institution or any hospital or other medical institution run by such trust or institution.

In the ITB, 2025 only the registered NPOs created or established wholly for religious purposes are excluded from the purview of taxability of anonymous donations.

Therefore, tax would be levied on anonymous donations received by partly charitable and partly religious trusts if it exceeds the limit specified.

There are number of primarily religious NPOs (most large temple trusts) which are applying the anonymous donations received in Hundi / donation boxes for various charitable purposes These are partly religious and partly charitable NPOs Due to the proposed change in the ITB, 2025, such NPOs would be taxed on such collections even though they are utilized for charitable purpose. To prevent the genuine hardship that may be caused to such NPO and to boost the amount available for utilization on charitable purposes in the hands of such NPOs, it is suggested to exclude the partly religious and partly charitable.

NPOs from the purview of anonymous donations, so long as such donations are received in the course of their religious activities.

7. Payment made from India outside India for serving charitable purpose in india or where beneficiaries are located in India should be treated as application in India.

Under current provisions of ITA, 1961 there is a controversy as to whether the income applied outside India for charitable purposes in India would be entitled for exemption or not. There are judicial precedents holding that the charitable purpose for which the income should be applied should be in India for claiming exemption under s 11(1)(a) If the income is applied for charitable purposes in India, the mere fact that the expenditure has been incurred out of India, does not disqualify the expenditure from exemption under s 11(1)(a). A trust may incur certain expenses that require payment to be made outside India, even though the beneficiaries are located in India For instance, a hospital in India might need to import equipment's for procedures being conducted on Indian patients in India, which necessitates a foreign remittance to purchase the required machinery Similarly, an Indian educational institution might make payment to a foreign university for foreign faculty to teach Indian students, or for conduct of part of a course (1 to 3 months) in a foreign country for students enrolled in the course in India, or for Indian students appearing for examinations conducted by the foreign university In all such cases, the benefit flows to the Indian patients and Indian students Just because a part of the expenditure has to be remitted outside India should not require prior approval of CBDT in all such cases, as there would be a large number of such applications which would unnecessarily increase the paperwork and administrative burden. In such cases, it should be made clear that application in India would include remittances made from India for the benefit of beneficiaries located in India or for charitable purposes in India.

8. "Religious purposes" shall include religious activities as well as charitable that form an integral part of the particular religion." This clarification will ensure alignment with the Constitution of India and address practical issues faced by religious trusts during assessments and renewals Many charitable activities—such as feeding the poor or providing medical aid— are essential expressions of religious practice Recognizing them within the definition of "religious purposes" will prevent arbitrary denials of exemption, reduce litigation, and uphold the rights of religious denominations to manage their affairs freely.

9. Any anonymous donation received by a registered non-profit organisation (other than a registered non-profit organisation created or established wholly for religious purposes or any trust or institution created or established wholly for religious and charitable purposes, except any anonymous donation made with a specific direction that such donation is for any university or other educational institution or any hospital or other medical institution run by such trust or institution) excluding the anonymous donations up to ₹1,00,000 or 5% of donations received by it during the tax year, whichever is higher.

(i) The exclusion should be for 5% of total donations, and not 5% of such donations, as in the existing provisions.

(ii) Secondly, religious-cum-charitable institutions should not be taxed unless such donations are received for a hospital or educational institutions Almost all large religious trusts in India do substantial charitable work, funded largely by hundi collections Such hundi collections would become taxable, reducing the ability to do charity.

10. Any portion of income applied by it for objects outside India in contravention to any provisions of section 338(a).

There is currently a divergence of view between High Courts as to whether CBDT approval is required for application outside India or for purposes outside India. The amendment that any application outside India would require CBDT approval would require NPOs to make application in a large number of cases - to illustrate, for payment to faculty visiting India to teach, for payment to foreign institutions for examinations or providing support to Indian institutions, such as colleges and hospitals, for import of medical equipment or software, etc Approval should be required only where the charitable purpose is outside India. There should be a separate simpler regime for small charitable and religious trusts with gross receipts of less than Rs 5 crore Currently, the only relief is a longer registration period of 10 years.

11. The table under section 337 in entry 1 should exclude N PO partly religious and partly charitable as provided under section 115BBC. The exclusion of the said mixed NPO would lead to great hardship as these mixed NPO's receive donations in Golaks and Dan pattis which is used for charitable purposes If the amount is taxed as anonymous donations would create a greater difficulty for such trust The intention was to not make any policy changes and hence the non inclusion of the mixed NPO is a major change in the policy This would create great difficulty for temple trust who have spend less than 5% for religious and spend majority for charitable purposes.

12. The smaller trust are given the relief of registration upto 10 years under S 337 if the total receipts are less than 5 crores The benefit should also be extended for registration under section 354 (erstwhile 80G). This will go a long way to help the smaller trusts who are doing an extensive charity work and is helping the government in its object of development of all.

13. Tax only income, not full corpus.

14. Reintroduce a provision akin to the explanation to Section 115BBC under the 1961 Act, recognising religious-cum-charitable trusts as a legitimate class eligible for anonymous donation concessions.

337.5 <u>Examination by the Committee:</u>

337.5.1 On the above suggestions, the Ministry of Finance has stated the following in their written submission (mentioned correspondingly):

1. "Anonymous donation to be excluded should be 1 lakh or 5% of total donation. Instead it has got tagged to anonymous donation. Suggestion is acceptable as it is a drafting correction".

2. "The suggestion made by the stakeholder is in the nature of policy change which is beyond the scope of the objectives of the IT Bill, 2025. The taxation of the assets mentioned in subclause (iia) of proviso to section 13(1) was provided in Income-Tax Act, 1961. The same provisions have been incorporated as clause 30 of the Schedule XVI of the Income-Tax Bill, 2025. In order to provide further clarity to the S. No. 04 in the clause 337; a new entry of S. No. 5 may be made below S. No. 4 of 337 taking the total number of entries in the table to 12 Hence, the suggestion given by the stakeholder is acceptable".

3. "The suggestion made by the stakeholder is in the nature of policy change which is beyond the scope of the objectives of the IT Bill, 2025".

4. As mentioned in sl.no. 2 above

5. "The suggestion seeks exemption for anonymous donations to NPOs created or established for wholly religious and charitable purposes. This provisions corresponds to section 115BBC of the IT Act. In the said provisions exemption on anonymous donations was available to any trust or institution created or established wholly for religious and charitable purposes other than any anonymous donation made with a specific direction that such donation is for any university or other educational institution or any hospital or other medical institution run by such trust or institution. The said provision was not incorporated in the Bill as it was found to be unworkable. Wholly religious trusts have been allowed exemption on anonymous donations. The rationalisation has been made in the Bill to provide certainty".

6. "Suggestion seeks payment made from India outside India for serving charitable purpose in India or where beneficiaries are located in India should be treated as application in India. The suggestion is the nature of policy change, which is beyond the scope of I T Bill, 2025. There is no change in the IT Bill, 2025 vis-a-vis I T Act, 1961. Clause 338(a) is a simplification of the provisions of section 11(1)(c) of the Act. The said provisions apply to certain specific NPOs (NPOs for charitable purposes which tends to promote international welfare and NPOs created before the 1st April, 1952 for charitable or religious purposes). Said clause also empowers the CBDT to direct by general or special order the non-inclusion of any application of income outside India in total income. Hence, the CBDT may always delegate such powers to lower authorities, if required. In view of the above, the suggested amendment is not feasible".

7. “Suggestion seeks clarification that “Religious purposes” shall include religious activities as well as charitable activities that form an integral part of the particular religion.” The term 'religious purpose' has not been defined under the I T Act or IT Bill. No specific instances have been highlighted where such a view has been taken during assessments. Therefore, the apprehension raised in the suggestion has no basis. The suggestion for expansion of the scope of “religious purpose” by including elements of charitable purposes is in the nature of significant policy change which is beyond the scope and objectives of Income-Tax Bill, 2025. Hence, the same is not acceptable”.

9. **Accepted:**
“Drafting error. May be corrected”.
(ii) Suggestion seeks that religious-cum-charitable institutions should not be taxed unless such donations are received for a hospital or educational institutions.” As mentioned in sl.no.5 above.

10. As mentioned in sl.no. 7 above.

11. As mentioned in sl.no. 5 above.

12. The suggestion seeks to enhance the time limit for expiration of approval for deduction under clause 133(1)(b)(ii) of the Bill [analogous to section 80G of the Income-Tax Act, 1961] from five years to ten years in the case of small trusts. And seeks vesting of the power to the commissioner to condone the delay in filing application of renewal of approval under clause 133(1)(b)(ii). Both the suggestions are in the nature of policy change, which is beyond the scope of I T Bill, 2025. The NPOs covered under clause 133(1)(b)(ii) not only are able to garner donations from individuals and corporates but tax benefits are also given to the donors. Therefore, stricter timelines for filing renewal and regulatory oversight at shorter time interval is more appropriate in the case of such NPOs.

13. Suggestion seeks that taxation of any investment made in contravention of section 350 should include only income and not the corpus. Clause 337 and related clauses (339, 340, 350, 351) establish a regime where ordinary charitable income is taxed normally (often effectively nil if 85% applied or accumulated), whereas corpus funds are taxed only upon misuse as a penal measure. This separate treatment traces directly to Sections 115BBI and 115TD of the current Act, maintaining legislative continuity.

If an NPO diverts any part of its income or corpus into investments that contravene the prescribed modes (e.g. investing in speculative ventures or non-approved assets in violation of Clause 350), then the amount of that investment is treated as taxable income for that year. By taxing the principal misused – not merely the income earned from it – the Trusts cannot evade consequence by risking corpus funds in improper avenues.

Allowing corpus to be invested in modes other than the specified modes taxing only income could result in a situation where the entire fund required to be applied for charity could be diverted for risky endeavours such as trading in futures and options. Taxing only income is therefore no solution.

14. This provisions corresponds to section 115BBC of the IT Act. In the said provisions exemption on anonymous donations was available to any trust or institution created or established wholly for religious and charitable purposes other than any anonymous donation made with a specific direction that such donation is for any university or other educational institution or any hospital or other medical institution run by such trust or institution. The said provision has been amended to restrict exemption to only wholly religious trusts. The exemption has been restricted to mixed object trust as it was found to be unworkable.

337.5.2 The Ministry in their written replies stated the followings:-

"The provisions relating to NPOs have been rationalised in the Bill.

Under the provisions section 115BBC exemption on anonymous donations was available to any trust or institution created or established wholly for religious and charitable purposes other than any anonymous donation made with a specific direction that such donation is for any university or other educational institution or any hospital or other medical institution run by such trust or institution.

The said provision was not incorporated in the Bill as it was not found to be workable. Wholly religious trusts have been allowed exemption on anonymous donations. The rationalisation has been made in the Bill to provide certainty".

337.5.3 With regard to suggestion sl.nos.1 and 2 of para 337.5.3, the representative of the Ministry stated the following during the 27th Sitting of the Committee held on 27 May 2025:-

"Sir, there was a drafting error. We have accepted it."
…..We have not made any policy change in the Act. It is the same as it was before. But now they are saying that you change the rate of tax when trust violates the conditions imposed upon it. Earlier also it was there. We are doing the same right now also."

337.5.4 The representative of the Ministry has deposed the following before the Committee during the 31st Sitting of the Committee held on 10 June, 2025:-

"Sir, this is the issue relating to anonymous donation received by the Trust. There is again some change from the old Act. I will point out it to you. Earlier, anonymous donation was taxable in the hands of the Trust. But we have

provided two exemptions. One exemption was to wholly religious trust, like temples and all, whatever they receive as anonymous donation, that cannot be taxed".
Another was for those trust which were wholly for religious and charitable purposes, mixed object trust. In that case, a condition was provided that if this anonymous donation is provided for the use of university, college or hospital run by such trusts, in that case, it will become taxable. Otherwise, it would not be taxable. This was there in the old Act. Now, in the new Act, again Sir, wholly religious trusts have been exempted but other type of exemption to the mixed trust has not been provided for anonymous donation. So, anonymous donation in the hands of the mixed trust have become taxable".

I will just give you the background of the original provision. The anonymous donation has to be taxed for all purposes. Section 115BBC tells that it has to be taxed. There was a problem that religious trusts keep on getting anonymous donations. Therefore. religious trusts were excluded from that

"The religious and charitable trusts were also excluded, but the problem which came was that educational institutions and medical institutions started taking up capitation fee in the name of anonymous donation. So, we provided a specific wording in that clause the anonymous donation received by a charitable and religious trust with a specific direction which is not for the purpose of medical services or education. It was further stated by Ministry officials that "So, there is a mutually contradictory provision that anonymous donation received with a specific direction that it will not be for educational purpose. This is a non-workable provision. How can an anonymous donation come with a specific direction that मैं इस को एजुकेशनल इंस्ट्रियूशन के लिए नहीं यूज़ करूंगा*?* इस वजह से वह अनवर्केबल था*,* जिसके कारण हमने उसे रिमूव कर दिया। हां*,* उस वजह से पॉलिसी में कुछ चेंजस टेन्ली आया है। जैसा किस रनेपॉइंट*-*आउट किया कि मिक्स्ड ट्रस्ट एनॉनिमस डोनेशन नहीं ले पाएगा*,* क्योंकि अब हमने उसको टैक्सेबल कर दिया है।*".*

337.5.5 The Committee asked the Ministry to clarify on two key points regarding the proposed legislation for charitable and religious trusts: first, whether to replace the rigid "30%" tax rate with a more adaptable "percentage of tax as notified by the Government from time to time" to avoid frequent amendments; and second, whether a full assessment has been conducted on the potential negative repercussions of a 30% tax on investment value, including reduced charitable activities, legal challenges, disincentivized financial management, and undermining the very objectives of these organizations. In response, the Ministry of Finance (Department of Revenue) has submitted written replies as under:-

"….Clause 337 keeps the 30 per cent rate exactly as it stands in Income-Tax Act, 1961. Sections 115BBI (inserted by Finance Act,2022) and 115BBC (inserted by Finance Act,2006) already fix a flat 30 per cent tax on problem receipts such as anonymous donations and other non-compliant income. The Bill merely preserves that figure into Clause 334(1)(a) and the definition of "specified income" in Clause 337. Swapping a clear statutory number for a future "percentage to be notified" would hand Parliament's rate-setting power to the executive and up-end settled tax practice. This goes against the grain of tax legislation practice – tax rates, especially penal or deterrent rates, are set by statute for certainty and legislative control. The exercise before the Select Committee is one of re-drafting, not resetting policy, so the figure should stay as 30 per cent.

….indeed considering the potential impacts of the 30% tax on charitable and religious trusts' specified incomes, it is emphasized that Clause 337 of the Bill introduces no new tax burden on the non-profit sector – it simply consolidates existing provisions (sections 115BBI and 115BBC of the 1961 Act) into a single, clearer framework. The policy of taxing certain default incomes at 30% was introduced as a reform to promote compliance. Historically, before these provisions, an assessing officer could deny an errant trust's entire exemption, leading to even harsher outcomes. The 30% tax on specified non-compliant income provides a measure of certainty and limited scope of tax exposure in lieu of total denial of exemption. Genuine charitable activities remain tax-exempt on their regular income, and Clause 337 does not affect any trust or institution that operates within the permitted norms. Only those funds that violate specified conditions (such as being applied for personal benefit, invested in prohibited modes, used outside India without approval, etc.) are carved out and subjected to tax at a uniform 30%. This deterrent rate is purposefully set high enough to discourage abuses (ensuring that contraventions are not rewarding financially) while still being a targeted levy rather than a broad-based tax on all charitable income

That continuing this regime will ***not stifle bona fide charitable work****. Trusts that manage their finances prudently and lawfully will* ***not incur any 30% levy at all*** *under Clause 337. There is thus no inherent disincentive for well-governed organizations – on the contrary, the provision incentivises compliance and good governance. The threshold exemptions for anonymous donations (₹1 lakh or 5% of donations) also remain, to exclude minor or unavoidable anonymous gifts. In sum,* ***Clause 337 represents continuity, not a new burden****. The* ***deterrence logic*** *behind the 30% tax is a deliberate policy choice of Parliament (affirmed through multiple Finance Acts) and remains integral to preventing the misuse of tax exemptions. Any proposal to dilute it (for example, by empowering executive notifications or lowering rates) is neither germane to the Bill's mandate nor advisable from a revenue and anti-abuse standpoint. No change is therefore proposed to the clause's language or rate.*

337.5.6 The Committee asked the Ministry on the inherent link between taxing NPO income and their foundational corpus, arguing that these two aspects cannot be entirely separated within an Income-Tax Bill, as both are intrinsically tied to the overall tax framework for such organizations. They further inquired whether the Ministry had considered international best practices, which often distinguish between taxing an organization's income and protecting its foundational corpus, and why aligning with such established norms would be deemed an extraneous policy change. In this regard, the Ministry has submitted written replies as below:-

"The objective is to tax certain incomes arising from violations or misuse of NPO funds.

(i) Deterrent Against Misuse: The separate taxation of corpus funds is grounded in deterrence – to prevent abuse of the charitable framework.

(ii) Corpus funds (being accumulated public donations exempt from the rules of mandatory application) often generate the income that fuel an NPO's activities and therefore it is required that all funds including corpus are deployed only in risk averse and specified assets or investments.

(iii) Clause 337 of the Bill enumerates several categories of "specified income" that attract taxation in the year of the misdeed, ensuring a direct and immediate deterrent. For example:

a. Anonymous donations: Any anonymous donation received by a charitable NPO (beyond a minimal threshold) is taxed in the year it is received. This continues the current Bill in clause 337 (Section 115BBC of the IT Act 1961) of taxing untraceable contributions at 30%, deterring the funneling of unaccounted money into nonprofit organisations

b. Prohibited investments of corpus: If an NPO diverts any part of its income or corpus into investments that contravene the prescribed modes (e.g. investing in speculative ventures or non-approved assets in violation of Clause 350), then the amount of that investment is treated as taxable income for that year. By taxing the principal misused – not merely the income earned from it – the Trusts cannot evade consequence by risking corpus funds in improper avenues.

(iv) In summary, Clause 337 and related clauses (339, 340, 350, 351) establish a regime where ordinary charitable income is taxed normally (often effectively nil if 85% applied or accumulated), whereas corpus funds are taxed only upon misuse as a penal measure. This separate treatment traces directly to Sections 115BBI and 115TD of the current Act, maintaining legislative continuity.

(v) Allowing corpus to be invested in modes other than the specified modes and taxing only income could result in a situation where the entire fund required to be applied for charity could be diverted for risky endeavours such as trading in futures and options. Taxing only income is therefore no solution.

Rationale in light of International practices ---

(vi) Across several OECD jurisdictions—such as the United Kingdom, United States, Canada, Australia, New Zealand, Ireland, Germany, France, Netherlands, Denmark, Sweden, Norway, Finland, Italy, Spain, Portugal, Austria, Switzerland, Japan and South Korea—the core endowment or “corpus” of a registered charity is not taxed. These countries draw a sharp line between taxing a charity’s operating income and leaving its capital funds untouched, provided the money stays within approved charitable uses. For example, both the UK and the US exempt recognised charities from income or corporation tax on grants, donations and even investment returns so long as those receipts are applied to charitable objects.

(vii) Likewise, in jurisdictions like the United States, bona fide donations and endowment incomes of tax-exempt nonprofits are not taxed; instead, regulatory oversight and targeted penalties (such as excise taxes on improper expenditures or revocation of tax-exempt status in egregious cases) are used to ensure compliance. The underlying philosophy in these countries is to “protect the organization’s foundational corpus” to further its charitable mission, intervening primarily through oversight bodies (e.g. Charity Commission in the UK or IRS regulations in the US) rather than upfront taxation of charitable assets.

(viii) India’s Context and Need for Corpus Taxation: India’s corpus taxation regime must be viewed in the context of our domestic legal and fiscal framework. Unlike some countries with long-established charity regulators and extensive public oversight, India has faced significant challenges with misuse of charitable trusts for private benefit, tax evasion, and money laundering in the past. The government has responded by embedding transparency and anti-abuse rules within the tax law itself to tightly regulate the fiscal conduct of NPOs. The

separate tax on corpus-related violations is central to this strategy, aimed at ensuring that tax exemptions for charities are not misused as a conduit for unaccounted funds or profit distribution or even terror financing. In effect, the Indian approach uses the tax mechanism as an enforcement tool to compel fiscal discipline and accountability in the NPO sector – a role that elsewhere might be played more by non-tax regulatory enforcement.

(ix) While international best practices offer valuable points of reference, merely aligning with global norms (by, for example, exempting corpus funds entirely from tax oversight regardless of misuse) would amount to a fundamental policy shift for India. It would entail moving away from a proven deterrent system and relying solely on trust law or external regulators to police NPO finances. Such a shift is neither contemplated by the present Bill nor warranted by the prevailing conditions in India.

(x) When Section 115BBC was introduced in 2006 to tax anonymous donations, or Section 115TD in 2016 to tax accreted assets, it was because lesser measures in line with other countries had proven inadequate to curb prevalent abuses. Diluting these measures in the name of global conformity would undermine the robust safeguards that protect the integrity of charitable funds in India.

(xi) Moreover, the international norm of not taxing corpus is premised on the assumption that charities will self-regulate or be closely regulated by authorities to prevent misapplication of funds. In India, tax authorities have a dual role – not only to collect revenue but also to ensure that tax-exempt entities adhere to the purposes for which they enjoy exemptions. The corpus taxation provisions in Clause 337 (and the stringent conditions in Clauses 339–340) reflect this philosophy. They do not tax genuine charitable activity; rather, they stand guard against aberrations – e.g. a shell charity accepting large anonymous donations (which could be black money), or a trust parking its corpus in private investments or sister concerns. In absence of such provisions, the law would be forced to either ignore these abuses or resort to the extreme step of cancelling registration in every case of violation. International practice shows that outright withdrawal of charitable status is a blunt instrument used sparingly; India's regime instead imposes calibrated fiscal consequences (tax on the offending amount) while usually allowing the NPO to continue if it returns to compliance. This is a nuanced policy choice that aligns with India's oversight capacity and enforcement priorities.

(xii) Hence, India's corpus taxation regime is necessary and contextual. It ensures that the generosity of donors and the tax foregone by the state (through charitable exemptions) are safeguarded by a layer of fiscal accountability.

(xiii) In conclusion, Clause 337 of the Income-tax Bill, 2025 (read with Clauses 338–340 and 350–352) continues the established policy of separately taxing certain NPO funds only in cases of misuse. This approach provides continuity from the 1961 Act (Sections 115BBI, 115TD, etc.) and implements a deterrent yet proportionate framework: legitimate corpus donations remain untaxed and inviolate, whereas misapplied or illicit funds are brought to tax at the appropriate stage. Internationally, while many jurisdictions do not ordinarily tax corpus funds, India's tailored regime fills the gap of oversight through fiscal measures suited to our context. Emulating overseas models wholesale would represent a major policy departure and could weaken the safeguards around charitable finances".

337.6 Observations/Recommendations of the Committee:

337.6.1 The Committee's examination of Clause 337 of the Bill, which pertains to the "specified income" of registered non-profit organizations (NPOs) and mirrors Section 115BBI of the existing Income-Tax Act, 1961, reveals a significant divergence in the treatment of anonymous donations. While the Bill's stated aim is textual simplification, the Committee observe a critical omission concerning religious-cum-charitable trusts, which could have substantial adverse impacts on a large segment of India's NPO sector.

337.6.2 Under the proposed Clause 337 (read with its "Table of Specified Income"), a flat 30% tax is imposed on anonymous donations received by *all* registered non-profit organizations, with a narrow exemption extended *only* to those established wholly for religious purposes. This marks a stark departure from the current Section 115BBC of the Income-tax Act, 1961. The existing law provided a more comprehensive exemption: anonymous donations were not taxed if received by any trust or institution created or established wholly for religious and charitable purposes, *unless* such a donation was specifically directed towards a university, educational institution, hospital, or medical institution run by that same trust or institution.

337.6.3 The Committee emphasize that the classification within the erstwhile Section 115BBC was highly pertinent to the Indian context, acknowledging the prevalent hybrid nature of numerous trusts that seamlessly blend religious and charitable activities. This previous provision legitimately recognized these

"religious-cum-charitable" entities as a distinct and valid class eligible for concessions on anonymous donations, understanding that such organizations often receive contributions through traditional means (like donation boxes) where donor identification is practically impossible.

337.6.4 Therefore, to maintain consistency with the historical understanding of NPO operations in India, prevent unintended taxation burdens on genuine organizations, and uphold the intent of supporting both religious and charitable endeavors, the Committee strongly urge the reintroduction of a provision analogous to the explanation found in Section 115BBC of the 1961 Act. This reintroduction would explicitly recognize religious-cum-charitable trusts as a legitimate category eligible for concessions on anonymous donations. Subject to this recommendation, the Committee approve Clause 337 as proposed.

Clause 338 - Income not to be included in regular income

338.1 Provision proposed in the Income-Tax Bill, 2025:

338. While computing the regular income of a registered non-profit organisation, the following income shall not be included:—

(*a*) income applied outside India, where the Board, by general or special order, directs that such income shall not be so included in its total income in case of a registered non-profit organisation—

(*i*) created before the 1st April, 1952 for charitable or religious purposes; or
(*ii*) created on or after the 1st April, 1952 for charitable purposes where such application of income outside India tends to promote international welfare in which India is interested;

(*b*) the corpus donation received by the registered non-profit organisation under section 339.

338.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Income from property held for charitable or religious purposes.

11. (1) Subject to the provisions of sections 60 to 63, the following income shall not be included in the total income of the previous year of the person in receipt of the income—

(*a*) income derived from property held under trust wholly for charitable or religious purposes, to the extent to which such income is applied to such purposes in India; and, where any such income is accumulated or set apart for application to such purposes in India, to the extent to which the income so accumulated or set apart is not in excess of fifteen per cent of the income from such property;

(*b*) income derived from property held under trust in part only for such purposes, the trust having been created before the commencement of this Act, to the extent to which such income is applied to such purposes in India; and, where any such income is finally set apart for application to such purposes in India, to the extent to which the income so set apart is not in excess of fifteen per cent of the income from such property;

(*c*) income derived from property held under trust—

(*i*) created on or after the 1st day of April, 1952, for a charitable purpose which tends to promote international welfare in which India is interested, to the extent to which such income is applied to such purposes outside India, and

(*ii*) for charitable or religious purposes, created before the 1st day of April, 1952, to the extent to which such income is applied to such purposes outside India:

Provided that the Board, by general or special order, has directed in either case that it shall not be included in the total income of the person in receipt of such income;

(*d*) income in the form of voluntary contributions made with a specific direction that they shall form part of the corpus of the trust or institution, subject to the condition that such voluntary contributions are invested or deposited in one or more of the forms or modes specified in sub-section (5) maintained specifically for such corpus.

Explanation 1.—For the purposes of clauses (*a*) and (*b*),—

(*1*) in computing the fifteen per cent of the income which may be accumulated or set apart, any such voluntary contributions as are referred to in section 12 shall be deemed to be part of the income;

(*2*) if, in the previous year, the income applied to charitable or religious purposes in India falls short of eighty-five per cent of the income derived during that year from property held under trust, or, as the case may be, held under trust in part, by any amount—

(*i*) for the reason that the whole or any part of the income has not been received during that year, or

(*ii*) for any other reason,

then—

(*a*) in the case referred to in sub-clause (*i*), so much of the income applied to such purposes in India during the previous year in which the income is received or during the previous year immediately following as does not exceed the said amount, and

(*b*) in the case referred to in sub-clause (*ii*), so much of the income applied to such purposes in India during the previous year immediately following the previous year in which the income was derived as does not exceed the said amount,

may, at the option of the person in receipt of the income (such option to be exercised [77][at least two months prior to the due date specified] under sub-section (1) of section 139 for furnishing the return of income, in such form and manner as may be prescribed) be deemed to be income applied to such purposes during the previous year in which the income was derived; and the income so deemed to have been applied shall not be taken into account in calculating the amount of income applied to such purposes, in the case referred to in sub-clause (*i*), during the previous year in which the income is received or during the previous year immediately following, as the case may be, and, in the case referred to in sub-clause (*ii*), during the previous year immediately following the previous year in which the income was derived.

Explanation 2.—Any amount credited or paid, out of income referred to in clause (*a*) or clause (*b*) read with *Explanation 1*, to any fund or trust or institution or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10 or other trust or institution registered under section 12AA or section 12AB, as the case may be, being contribution with a specific direction that it shall form part of the corpus, shall not be treated as application of income for charitable or religious purposes.

Explanation 3.—For the purposes of determining the amount of application under clause (*a*) or clause (*b*), the provisions of sub-clause (*ia*) of clause (*a*) of section 40 and sub-sections (3) and (3A) of section 40A, shall, *mutatis mutandis*, apply as they apply in computing the income chargeable under the head "Profits and gains of business or profession".

Explanation 3A.—For the purposes of this sub-section, where the property held under a trust or institution includes any temple, mosque, gurdwara, church or other place notified under clause (*b*) of sub-section (2) of section 80G, any sum received by such trust or institution as voluntary contribution for the purpose of renovation or repair of such temple, mosque, gurdwara, church or other place, may, at its option, be treated by such trust or institution as forming part of the corpus of the trust or the institution, subject to the condition that the trust or the institution,—

(*a*) applies such corpus only for the purpose for which the voluntary contribution was made;

(*b*) does not apply such corpus for making contribution or donation to any person;

(*c*) maintains such corpus as separately identifiable; and

(*d*) invests or deposits such corpus in the forms and modes specified under sub-section (5) of section 11.

Explanation 3B.—For the purposes of *Explanation 3A*, where any trust or institution has treated any sum received by it as forming part of the corpus, and subsequently any of the conditions specified in clause (*a*) or clause (*b*) or clause (*c*) or clause (*d*) of the said *Explanation* is violated, such sum shall be deemed to be the income of such trust or institution of the previous year during which the violation takes place.

Explanation 4.—For the purposes of determining the amount of application under clause (*a*) or clause (*b*),—

(*i*) application for charitable or religious purposes from the corpus as referred to in clause (*d*) of this sub-section, shall not be treated as application of income for charitable or religious purposes:

Provided that the amount not so treated as application, or part thereof, shall be treated as application for charitable or religious purposes in the previous year in which the amount, or part thereof, is invested or deposited back, into one or more of the forms or modes specified in sub-section (5) maintained specifically for such corpus, from the income of that year and to the extent of such

investment or [78][deposit:]

[79][**Provided further** that provisions of the first proviso shall apply only if there was no violation of the conditions specified—

(*a*) in clause (*c*) of this sub-section;

(*b*) in *Explanations 2, 3* and *5* of this sub-section;

(*c*) in the *Explanation* to this section; and

(*d*) in clause (*c*) of sub-section (1) of section 13,

at the time the application was made from the corpus:

Provided also that the amount invested or deposited back shall not be treated as application for charitable or religious purposes under the first proviso unless such investment or deposit is made within a period of five years from the end of the previous year in which such application was made from the corpus:

Provided also that nothing contained in the first proviso shall apply where application from the corpus is made on or before the 31st day of March, 2021;]

(*ii*) application for charitable or religious purposes, from any loan or borrowing, shall not be treated as application of income for charitable or religious purposes:

Provided that the amount not so treated as application, or part thereof, shall be treated as application for charitable or religious purposes in the previous year in which the loan or borrowing, or part thereof, is repaid from the income of that year and to the extent of such repayment:

[79a][**Provided further** that provisions of the first proviso shall apply only if there was no violation of the conditions specified—

(*a*) in clause (*c*) of this sub-section;

(*b*) in *Explanations 2, 3* and *5* of this sub-section;

(*c*) in the *Explanation* to this section; and

(*d*) in clause (*c*) of sub-section (1) of section 13,

at the time the application was made from loan or borrowing:

Provided also that the amount repaid shall not be treated as application for charitable or religious purposes under the first proviso unless such repayment is made within a period of five years from the end of the previous year in which such application was made from loan or borrowing:

Provided also that nothing contained in the first proviso shall apply where

application from any loan or borrowing is made on or before the 31st day of March, 2021; and]

[80][(*iii*) any amount credited or paid, other than the amount referred to in *Explanation 2,* to any fund or trust or institution or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10, as the case may be, or other trust or institution registered under section 12AB, as the case may be, shall be treated as application for charitable or religious purposes only to the extent of eighty-five per cent of such amount credited or paid.]

Explanation 5.—For the purposes of this sub-section, it is hereby clarified that the calculation of income required to be applied or accumulated during the previous year shall be made without any set off or deduction or allowance of any excess application of any of the year preceding the previous year.

(1A) For the purposes of sub-section (1),—

(*a*) where a capital asset, being property held under trust wholly for charitable or religious purposes, is transferred and the whole or any part of the net consideration is utilised for acquiring another capital asset to be so held, then, the capital gain arising from the transfer shall be deemed to have been applied to charitable or religious purposes to the extent specified hereunder, namely:—

(*i*) where the whole of the net consideration is utilised in acquiring the new capital asset, the whole of such capital gain;

(*ii*) where only a part of the net consideration is utilised for acquiring the new capital asset, so much of such capital gain as is equal to the amount, if any, by which the amount so utilised exceeds the cost of the transferred asset;

(*b*) where a capital asset, being property held under trust in part only for such purposes, is transferred and the whole or any part of the net consideration is utilised for acquiring another capital asset to be so held, then, the appropriate fraction of the capital gain arising from the transfer shall be deemed to have been applied to charitable or religious purposes to the extent specified hereunder, namely:—

(*i*) where the whole of the net consideration is utilised in acquiring the new capital asset, the whole of the appropriate fraction of such capital gain;

(*ii*) in any other case, so much of the appropriate fraction of the capital gain as is equal to the amount, if any, by which the appropriate fraction of the amount utilised for acquiring the new asset exceeds the appropriate fraction of the cost of the transferred asset.

Explanation.—In this sub-section,—

(*i*) "appropriate fraction" means the fraction which represents the extent to which the income derived from the capital asset transferred was immediately before

such transfer applicable to charitable or religious purposes;

(*ii*) "cost of the transferred asset" means the aggregate of the cost of acquisition (as ascertained for the purposes of sections 48 and 49) of the capital asset which is the subject of the transfer and the cost of any improvement thereto within the meaning assigned to that expression in sub-clause (*b*) of clause (*1*) of section 55;

(*iii*) "net consideration" means the full value of the consideration received or accruing as a result of the transfer of the capital asset as reduced by any expenditure incurred wholly and exclusively in connection with such transfer.

(1B) Where any income in respect of which an option is exercised under clause (*2*) of the *Explanation* to sub-section (1) is not applied to charitable or religious purposes in India during the period referred to in sub-clause (*a*) or, as the case may be, sub-clause (*b*), of the said clause, then, such income shall be deemed to be the income of the person in receipt thereof—

(*a*) in the case referred to in sub-clause (*i*) of the said clause, of the previous year immediately following the previous year in which the income was received; or

(*b*) in the case referred to in sub-clause (*ii*) of the said clause, of the previous year immediately following the previous year in which the income was derived.

(2) Where eighty-five per cent of the income referred to in clause (*a*) or clause (*b*) of sub-section (1) read with the *Explanation* to that sub-section is not applied, or is not deemed to have been applied, to charitable or religious purposes in India during the previous year but is accumulated or set apart, either in whole or in part, for application to such purposes in India, such income so accumulated or set apart shall not be included in the total income of the previous year of the person in receipt of the income, provided the following conditions are complied with, namely:—

(*a*) such person furnishes a statement in the prescribed form and in the prescribed manner to the Assessing Officer, stating the purpose for which the income is being accumulated or set apart and the period for which the income is to be accumulated or set apart, which shall in no case exceed five years;

(*b*) the money so accumulated or set apart is invested or deposited in the forms or modes specified in sub-section (5);

(*c*) the statement referred to in clause (*a*) is furnished [81][at least two months prior to] the due date specified under sub-section (1) of section 139 for furnishing the return of income for the previous year:

Provided that in computing the period of five years referred to in clause (*a*), the period during which the income could not be applied for the purpose for which it is so accumulated or set apart, due to an order or injunction of any court, shall be excluded.

Explanation.—Any amount credited or paid, out of income referred to in clause (*a*) or clause (*b*) of sub-section (1), read with the *Explanation* to that sub-section, which is not applied, but is accumulated or set apart, to any trust or institution registered under section 12AA or section 12AB or to any fund or institution or trust or any university or other educational institution or any hospital or other medical institution

referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10, shall not be treated as application of income for charitable or religious purposes, either during the period of accumulation or thereafter.

(3) Any income referred to in sub-section (2) which—

(*a*) is applied to purposes other than charitable or religious purposes as aforesaid or ceases to be accumulated or set apart for application thereto, or

(*b*) ceases to remain invested or deposited in any of the forms or modes specified in sub-section (5), or

(*c*) is not utilised for the purpose for which it is so accumulated or set apart during the period referred to in clause (*a*) of that sub-section,

(*d*) is credited or paid to any trust or institution registered under section 12AA or section 12AB or to any fund or institution or trust or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10,

shall be deemed to be the income of such person of the previous year,—

(*i*) in which it is so applied or ceases to be so accumulated or set apart under clause (*a*); or

(*ii*) in which it ceases to remain so invested or deposited under clause (*b*); or

(*iii*) being the last previous year of the period, for which the income is accumulated or set apart but not utilised for the purpose for which it is so accumulated or set apart under clause (*c*); or

(*iv*) in which it is credited or paid to any fund or institution or trust or any university or other educational institution or any hospital or other medical institution under clause (*d*).

(3A) Notwithstanding anything contained in sub-section (3), where due to circumstances beyond the control of the person in receipt of the income, any income invested or deposited in accordance with the provisions of clause (*b*) of sub-section (2) cannot be applied for the purpose for which it was accumulated or set apart, the Assessing Officer may, on an application made to him in this behalf, allow such person to apply such income for such other charitable or religious purpose in India as is specified in the application by such person and as is in conformity with the objects of the trust; and thereupon the provisions of sub-section (3) shall apply as if the purpose specified by such person in the application under this sub-section were a purpose specified in the notice given to the Assessing Officer under clause (*a*) of sub-section (2):

Provided that the Assessing Officer shall not allow application of such income by way of payment or credit made for the purposes referred to in clause (*d*) of sub-section (3) of section 11:

Provided further that in case the trust or institution, which has invested or deposited its income in accordance with the provisions of clause (*b*) of sub-section (2), is dissolved, the Assessing Officer may allow application of such income for the purposes referred to in clause (*d*) of sub-section (3) in the year in which such trust or institution was dissolved.

(4) For the purposes of this section "property held under trust" includes a business undertaking so held, and where a claim is made that the income of any such undertaking shall not be included in the total income of the persons in receipt thereof, the Assessing Officer shall have power to determine the income of such undertaking in accordance with the provisions of this Act relating to assessment; and where any income so determined is in excess of the income as shown in the accounts of the undertaking, such excess shall be deemed to be applied to purposes other than charitable or religious purposes.

(4A) Sub-section (1) or sub-section (2) or sub-section (3) or sub-section (3A) shall not apply in relation to any income of a trust or an institution, being profits and gains of business, unless the business is incidental to the attainment of the objectives of the trust or, as the case may be, institution, and separate books of account are maintained by such trust or institution in respect of such business.

(5) The forms and modes of investing or depositing the money referred to in clause (*b*) of sub-section (2) shall be the following, namely :—

(*i*) investment in savings certificates as defined in clause (*c*) of section 2 of the Government Savings Certificates Act, 1959 (46 of 1959), and any other securities or certificates issued by the Central Government under the Small Savings Schemes of that Government;

(*ii*) deposit in any account with the Post Office Savings Bank;

(*iii*) deposit in any account with a scheduled bank or a co-operative society engaged in carrying on the business of banking (including a co-operative land mortgage bank or a co-operative land development bank).

Explanation.—In this clause, "scheduled bank" means the State Bank of India constituted under the State Bank of India Act, 1955 (23 of 1955), a subsidiary bank as defined in the State Bank of India (Subsidiary Banks) Act, 1959 (38 of 1959), a corresponding new bank constituted under section 3 of the Banking Companies (Acquisition and Transfer of Undertakings) Act, 1970 (5 of 1970), or under section 3 of the Banking Companies (Acquisition and Transfer of Undertakings) Act, 1980 (40 of 1980), or any other bank being a bank included in the Second Schedule to the Reserve Bank of India Act, 1934 (2 of 1934);

(*iv*) investment in units of the Unit Trust of India established under the Unit Trust of India Act, 1963 (52 of 1963);

(*v*) investment in any security for money created and issued by the Central Government or a State Government;

(*vi*) investment in debentures issued by, or on behalf of, any company or corporation both the principal whereof and the interest whereon are fully and unconditionally guaranteed by the Central Government or by a State

Government;

(*vii*) investment or deposit in any public sector company:

Provided that where an investment or deposit in any public sector company has been made and such public sector company ceases to be a public sector company,—

(*A*) such investment made in the shares of such company shall be deemed to be an investment made under this clause for a period of three years from the date on which such public sector company ceases to be a public sector company;

(*B*) such other investment or deposit shall be deemed to be an investment or deposit made under this clause for the period up to the date on which such investment or deposit becomes repayable by such company;

(*viii*) deposits with or investment in any bonds issued by a financial corporation which is engaged in providing long-term finance for industrial development in India and which is eligible for deduction under clause (*viii*) of sub-section (1) of section 36;

(*ix*) deposits with or investment in any bonds issued by a public company formed and registered in India with the main object of carrying on the business of providing long-term finance for construction or purchase of houses in India for residential purposes and which is eligible for deduction under clause (*viii*) of sub-section (1) of section 36;

(*ixa*) deposits with or investment in any bonds issued by a public company formed and registered in India with the main object of carrying on the business of providing long-term finance for urban infrastructure in India.

Explanation.—For the purposes of this clause,—

(*a*) "long-term finance" means any loan or advance where the terms under which moneys are loaned or advanced provide for repayment along with interest thereof during a period of not less than five years;

(*b*) "public company" shall have the meaning assigned to it in section 3 of the Companies Act, 1956 (1 of 1956);

(*c*) "urban infrastructure" means a project for providing potable water supply, sanitation and sewerage, drainage, solid waste management, roads, bridges and flyovers or urban transport;

(*x*) investment in immovable property.

Explanation.—"Immovable property" does not include any machinery or plant (other than machinery or plant installed in a building for the convenient occupation of the building) even though attached to, or permanently fastened to, anything attached to the earth;

(*xi*) deposits with the Industrial Development Bank of India established under the Industrial Development Bank of India Act, 1964 (18 of 1964);

(*xii*) any other form or mode of investment or deposit as may be prescribed.

(6) In this section where any income is required to be applied or accumulated or set apart for application, then, for such purposes the income shall be determined without any deduction or allowance by way of depreciation or otherwise in respect of any asset, acquisition of which has been claimed as an application of income under this section in the same or any other previous year.

(7) Where a trust or an institution has been granted registration under section 12AA or section 12AB or has obtained registration at any time under section 12A [as it stood before its amendment by the Finance (No. 2) Act, 1996 (33 of 1996)] and the said registration is in force for any previous year, then, nothing contained in section 10 [[82][*other than clause (*1*), clause (*23C*), clause (*23EA*), clause (*23EC*), clause (*23ED*), clause (*46*), clause (*46A*) and clause (*46B*) thereof*]] shall operate to exclude any income derived from the property held under trust from the total income of the person in receipt thereof for that previous year:

Provided that such registration shall become inoperative from the date on which the trust or institution is approved under clause (*23C*) of section 10 or [83][*is notified under clause (*23EA*) or clause (*23EC*) or clause (*23ED*) or clause (*46*)*] [84][or clause (*46A*)] of the said section, as the case may be, or the date on which this proviso has come into force, whichever is later [85][*, or, the 1st day of April of the previous year relevant to the assessment year for which the exemption is claimed under clause (*46B*) of the said section*]:

Provided further that the trust or institution, whose registration has become inoperative under the first proviso, may apply to get its registration operative under section 12AA or section 12AB subject to the condition that on doing so, the approval under clause (*23C*) of section 10 or notification [86][under [85][*clause (*23EA*) or*] clause (*23EC*) or [85][*clause (*23ED*) or*] clause (*46*) or clause (*46A*)] of the said section, as the case may be, to such trust or institution shall cease to have any effect from the date on which the said registration becomes operative and thereafter, it shall not be entitled to exemption under the respective clauses.
Explanation.—For the purposes of this section, any sum payable by any trust or institution shall be considered as application of income in the previous year in which such sum is actually paid by it (irrespective of the previous year in which the liability to pay such sum was incurred by the trust or institution according to the method of accounting regularly employed by it):

Provided that where during any previous year, any sum has been claimed to have been applied by the trust or institution, such sum shall not be allowed as application in any subsequent previous year.

338.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under :-

"Clause 338 of the Bill seeks to provide for income not to be included in regular income of a registered non-profit organisation. The clause corresponds to section 11(1)(c) of the Act. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".

338.4 Important Views/Suggestions given by Experts/Stakeholders:

During the course of the examination of the proposed Bill, some important suggestions/comments received from various stakeholders and experts are summarised as follows:-

1. Substitution of Clause 339: Corpus donation means any donation including donation by a person, being a promoter or a person belonging to the promoter group of shares of a company listed on a recognised stock exchange, made with a specific direction by the donor that it shall form part of the corpus of the registered non-profit organisation where such donation, is invested or deposited in any of the modes permitted under clause 350 maintained specifically for such corpus.

Insertion of a new sub-clause in Clause 70 after sub-clause (b): "of a capital asset, being shares of a company listed on a recognised stock exchange, by a promoter or a person belonging to the promoter group of such company".

Insertion of definition of promoter in Clause 2 after sub-clause 86: "promoter" means a promoter as defined in section 2(69) of the Companies Act, 2013 and includes a person belonging to the promoter group".

2. The provisions of section 338 may be incorporated as a subsection of Section 335.

338.5 Examination by the Committee:

On the above suggestions, the Ministry of Finance has stated the following in their written submission (mentioned correspondingly):

1. "Suggestion seeks that donation by a person being a promoter or a person belonging to the promoter group of shares of a company listed on a recognised stock exchange be specifically included in the definition of 'Corpus donation'. The shares can be donated by promoters as corpus donation. There is no bar. As present the definition of 'corpus donation' does not make any distinction based on the 'donor'…….".

2. "Suggestion seeks that provisions of section 338(Income not be included in regular income) may be incorporated as a subsection of Section 335(Regular Income). The suggestion is in nature of drafting improvement. Clause 338(a) is simplification of the provisions of section 11(1)(c) of the Act. The said provisions apply to certain specific

NPOs (NPOs for charitable purposes which tends to promote international welfare and NPOs created before the 1st April, 1952 for charitable or religious purposes). Similarly, Clause 338(b) is simplification of the provisions of section 11(1)(d) of the Act. The said provision is in respect of corpus donation. As a rationalisation measure, the above provisions have been excluded from definition of 'Regular income'. Since application of income covered under aforementioned provisions are specific and differ from regular income, they have been separately classified. In view of the above suggested amendment is not feasible".

It may be mentioned here that during the 31st Sitting of the Committee held on 10 June, 2025 with regards to the Clause 338 the representatives of the Ministry submitted that

> *"The suggestion is that income which is not to be included in regular income, so that may be made as a sub-section of regular income. So, we are providing regular income. What is the regular income of an NPO? That these are the things. Four items are listed that this will be regular income that means receipts and then there is application out of it. And then the income which is not be included in the regular income, they are saying that you make it a sub-section of this regular income itself, which we have listed separately, that these are the items which are not to be included in regular income".*

338.6 Observations/Recommendations of the Committee:

The Committee note that Clause 338 of the Bill addresses the income categories that are specifically excluded from the "regular income" of a registered non-profit organization. This clause corresponds directly to Section 11(1)(c) of the existing Income-Tax Act, 1961. The Committee also note that the Bill has textually simplified the provisions of the corresponding existing section while retaining its original intent. After thoroughly considering the viewpoints presented by both stakeholders and the Department, the Committee accept Clause 338 as proposed.

Clause 339 - Corpus donation

339.1 Provision proposed in the Income-Tax Bill, 2025:

339. Corpus donation means any donation made with a specific direction by the donor that it shall form part of the corpus of the registered non-profit organisation where such donation is invested or deposited in any of the modes permitted under section 350 maintained specifically for such corpus.

339.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Income from property held for charitable or religious purposes.

11. (1) Subject to the provisions of sections 60 to 63, the following income shall not be included in the total income of the previous year of the person in receipt of the income—

(*a*) income derived from property held under trust wholly for charitable or religious purposes, to the extent to which such income is applied to such purposes in India; and, where any such income is accumulated or set apart for application to such purposes in India, to the extent to which the income so accumulated or set apart is not in excess of fifteen per cent of the income from such property;

(*b*) income derived from property held under trust in part only for such purposes, the trust having been created before the commencement of this Act, to the extent to which such income is applied to such purposes in India; and, where any such income is finally set apart for application to such purposes in India, to the extent to which the income so set apart is not in excess of fifteen per cent of the income from such property;

(*c*) income derived from property held under trust—

(*i*) created on or after the 1st day of April, 1952, for a charitable purpose which tends to promote international welfare in which India is interested, to the extent to which such income is applied to such purposes outside India, and

(*ii*) for charitable or religious purposes, created before the 1st day of April, 1952, to the extent to which such income is applied to such purposes outside India:

Provided that the Board, by general or special order, has directed in either case that it shall not be included in the total income of the person in receipt of such income;

(*d*) income in the form of voluntary contributions made with a specific direction that they shall form part of the corpus of the trust or institution, subject to the condition that such voluntary contributions are invested or deposited in one or more of the forms or modes specified in sub-section (5) maintained specifically for such corpus.

Explanation 1.—For the purposes of clauses (*a*) and (*b*),—

(*1*) in computing the fifteen per cent of the income which may be accumulated or set apart, any such voluntary contributions as are referred to in section 12 shall be deemed to be part of the income;

(*2*) if, in the previous year, the income applied to charitable or religious purposes in India falls short of eighty-five per cent of the income derived during that year from property held under trust, or, as the case may be, held under trust in part, by any amount—

(*i*) for the reason that the whole or any part of the income has not been received during that year, or

(*ii*) for any other reason,

then—

(*a*) in the case referred to in sub-clause (*i*), so much of the income applied to such purposes in India during the previous year in which the income is received or during the previous year immediately following as does not exceed the said amount, and

(*b*) in the case referred to in sub-clause (*ii*), so much of the income applied to such purposes in India during the previous year immediately following the previous year in which the income was derived as does not exceed the said amount,

may, at the option of the person in receipt of the income (such option to be exercised [at least two months prior to the due date specified] under sub-section (1) of section 139 for furnishing the return of income, in such form and manner as may be prescribed) be deemed to be income applied to such purposes during the previous year in which the income was derived; and the income so deemed to have been applied shall not be taken into account in calculating the amount of income applied to such purposes, in the case referred to in sub-clause (*i*), during the previous year in which the income is received or during the previous year immediately following, as the case may be, and, in the case referred to in sub-clause (*ii*), during the previous year immediately following the previous year in which the income was derived.

Explanation 2.—Any amount credited or paid, out of income referred to in clause (*a*) or clause (*b*) read with *Explanation 1*, to any fund or trust or institution or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10 or other trust or institution registered under section 12AA or section 12AB, as the case may be*,* being contribution with a specific direction that it shall form part of the corpus, shall not be treated as application of income for charitable or religious purposes.

Explanation 3.—For the purposes of determining the amount of application under clause (*a*) or clause (*b*), the provisions of sub-clause (*ia*) of clause (*a*) of section 40 and sub-sections (3) and (3A) of section 40A, shall, *mutatis mutandis*, apply as they

apply in computing the income chargeable under the head "Profits and gains of business or profession".

Explanation 3A.—For the purposes of this sub-section, where the property held under a trust or institution includes any temple, mosque, gurdwara, church or other place notified under clause (*b*) of sub-section (2) of section 80G, any sum received by such trust or institution as voluntary contribution for the purpose of renovation or repair of such temple, mosque, gurdwara, church or other place, may, at its option, be treated by such trust or institution as forming part of the corpus of the trust or the institution, subject to the condition that the trust or the institution,—

(*a*) applies such corpus only for the purpose for which the voluntary contribution was made;

(*b*) does not apply such corpus for making contribution or donation to any person;

(*c*) maintains such corpus as separately identifiable; and

(*d*) invests or deposits such corpus in the forms and modes specified under sub-section (5) of section 11.

Explanation 3B.—For the purposes of *Explanation 3A*, where any trust or institution has treated any sum received by it as forming part of the corpus, and subsequently any of the conditions specified in clause (*a*) or clause (*b*) or clause (*c*) or clause (*d*) of the said *Explanation* is violated, such sum shall be deemed to be the income of such trust or institution of the previous year during which the violation takes place.

Explanation 4.—For the purposes of determining the amount of application under clause (*a*) or clause (*b*),—

(*i*) application for charitable or religious purposes from the corpus as referred to in clause (*d*) of this sub-section, shall not be treated as application of income for charitable or religious purposes:

Provided that the amount not so treated as application, or part thereof, shall be treated as application for charitable or religious purposes in the previous year in which the amount, or part thereof, is invested or deposited back, into one or more of the forms or modes specified in sub-section (5) maintained specifically for such corpus, from the income of that year and to the extent of such investment or [deposit:]

[**Provided further** that provisions of the first proviso shall apply only if there was no violation of the conditions specified—

(*a*) in clause (*c*) of this sub-section;

(*b*) in *Explanations 2, 3* and *5* of this sub-section;

(*c*) in the *Explanation* to this section; and

(*d*) in clause (*c*) of sub-section (1) of section 13,

at the time the application was made from the corpus:

Provided also that the amount invested or deposited back shall not be treated as application for charitable or religious purposes under the first proviso unless such investment or deposit is made within a period of five years from the end of the previous year in which such application was made from the corpus:

Provided also that nothing contained in the first proviso shall apply where application from the corpus is made on or before the 31st day of March, 2021;]

(*ii*) application for charitable or religious purposes, from any loan or borrowing, shall not be treated as application of income for charitable or religious purposes:

Provided that the amount not so treated as application, or part thereof, shall be treated as application for charitable or religious purposes in the previous year in which the loan or borrowing, or part thereof, is repaid from the income of that year and to the extent of such repayment:

[**Provided further** that provisions of the first proviso shall apply only if there was no violation of the conditions specified—

(*a*) in clause (*c*) of this sub-section;

(*b*) in *Explanations 2, 3* and *5* of this sub-section;

(*c*) in the *Explanation* to this section; and

(*d*) in clause (*c*) of sub-section (1) of section 13,

at the time the application was made from loan or borrowing:

Provided also that the amount repaid shall not be treated as application for charitable or religious purposes under the first proviso unless such repayment is made within a period of five years from the end of the previous year in which such application was made from loan or borrowing:

Provided also that nothing contained in the first proviso shall apply where application from any loan or borrowing is made on or before the 31st day of March, 2021; and]

[(*iii*) any amount credited or paid, other than the amount referred to in *Explanation*

2, to any fund or trust or institution or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10, as the case may be, or other trust or institution registered under section 12AB, as the case may be, shall be treated as application for charitable or religious purposes only to the extent of eighty-five per cent of such amount credited or paid.]

Explanation 5.—For the purposes of this sub-section, it is hereby clarified that the calculation of income required to be applied or accumulated during the previous year shall be made without any set off or deduction or allowance of any excess application of any of the year preceding the previous year.

(1A) For the purposes of sub-section (1),—

(*a*) where a capital asset, being property held under trust wholly for charitable or religious purposes, is transferred and the whole or any part of the net consideration is utilised for acquiring another capital asset to be so held, then, the capital gain arising from the transfer shall be deemed to have been applied to charitable or religious purposes to the extent specified hereunder, namely:—

(*i*) where the whole of the net consideration is utilised in acquiring the new capital asset, the whole of such capital gain;

(*ii*) where only a part of the net consideration is utilised for acquiring the new capital asset, so much of such capital gain as is equal to the amount, if any, by which the amount so utilised exceeds the cost of the transferred asset;

(*b*) where a capital asset, being property held under trust in part only for such purposes, is transferred and the whole or any part of the net consideration is utilised for acquiring another capital asset to be so held, then, the appropriate fraction of the capital gain arising from the transfer shall be deemed to have been applied to charitable or religious purposes to the extent specified hereunder, namely:—

(*i*) where the whole of the net consideration is utilised in acquiring the new capital asset, the whole of the appropriate fraction of such capital gain;

(*ii*) in any other case, so much of the appropriate fraction of the capital gain as is equal to the amount, if any, by which the appropriate fraction of the amount utilised for acquiring the new asset exceeds the appropriate fraction of the cost of the transferred asset.

Explanation.—In this sub-section,—

(*i*) "appropriate fraction" means the fraction which represents the extent to which the income derived from the capital asset transferred was immediately before such transfer applicable to charitable or religious purposes;

(*ii*) "cost of the transferred asset" means the aggregate of the cost of acquisition (as ascertained for the purposes of sections 48 and 49) of the capital asset which is the subject of the transfer and the cost of any improvement thereto within the

meaning assigned to that expression in sub-clause (*b*) of clause (*1*) of section 55;

(*iii*) "net consideration" means the full value of the consideration received or accruing as a result of the transfer of the capital asset as reduced by any expenditure incurred wholly and exclusively in connection with such transfer.

(1B) Where any income in respect of which an option is exercised under clause (*2*) of the *Explanation* to sub-section (1) is not applied to charitable or religious purposes in India during the period referred to in sub-clause (*a*) or, as the case may be, sub-clause (*b*), of the said clause, then, such income shall be deemed to be the income of the person in receipt thereof—

(*a*) in the case referred to in sub-clause (*i*) of the said clause, of the previous year immediately following the previous year in which the income was received; or

(*b*) in the case referred to in sub-clause (*ii*) of the said clause, of the previous year immediately following the previous year in which the income was derived.

(2) Where eighty-five per cent of the income referred to in clause (*a*) or clause (*b*) of sub-section (1) read with the *Explanation* to that sub-section is not applied, or is not deemed to have been applied, to charitable or religious purposes in India during the previous year but is accumulated or set apart, either in whole or in part, for application to such purposes in India, such income so accumulated or set apart shall not be included in the total income of the previous year of the person in receipt of the income, provided the following conditions are complied with, namely:—

(*a*) such person furnishes a statement in the prescribed form and in the prescribed manner to the Assessing Officer, stating the purpose for which the income is being accumulated or set apart and the period for which the income is to be accumulated or set apart, which shall in no case exceed five years;

(*b*) the money so accumulated or set apart is invested or deposited in the forms or modes specified in sub-section (5);

(*c*) the statement referred to in clause (*a*) is furnished [at least two months prior to] the due date specified under sub-section (1) of section 139 for furnishing the return of income for the previous year:

Provided that in computing the period of five years referred to in clause (*a*), the period during which the income could not be applied for the purpose for which it is so accumulated or set apart, due to an order or injunction of any court, shall be excluded.

Explanation.—Any amount credited or paid, out of income referred to in clause (*a*) or clause (*b*) of sub-section (1), read with the *Explanation* to that sub-section, which is not applied, but is accumulated or set apart, to any trust or institution registered under section 12AA or section 12AB or to any fund or institution or trust or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10, shall not be treated as application of income for charitable or religious purposes, either during the period of accumulation or thereafter.

(3) Any income referred to in sub-section (2) which—

(*a*) is applied to purposes other than charitable or religious purposes as aforesaid or ceases to be accumulated or set apart for application thereto, or

(*b*) ceases to remain invested or deposited in any of the forms or modes specified in sub-section (5), or

(*c*) is not utilised for the purpose for which it is so accumulated or set apart during the period referred to in clause (*a*) of that sub-section,

(*d*) is credited or paid to any trust or institution registered under section 12AA or section 12AB or to any fund or institution or trust or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10,

shall be deemed to be the income of such person of the previous year,—

(*i*) in which it is so applied or ceases to be so accumulated or set apart under clause (*a*); or

(*ii*) in which it ceases to remain so invested or deposited under clause (*b*); or

(*iii*) being the last previous year of the period, for which the income is accumulated or set apart but not utilised for the purpose for which it is so accumulated or set apart under clause (*c*); or

(*iv*) in which it is credited or paid to any fund or institution or trust or any university or other educational institution or any hospital or other medical institution under clause (*d*).

(3A) Notwithstanding anything contained in sub-section (3), where due to circumstances beyond the control of the person in receipt of the income, any income invested or deposited in accordance with the provisions of clause (*b*) of sub-section (2) cannot be applied for the purpose for which it was accumulated or set apart, the Assessing Officer may, on an application made to him in this behalf, allow such person to apply such income for such other charitable or religious purpose in India as is specified in the application by such person and as is in conformity with the objects of the trust; and thereupon the provisions of sub-section (3) shall apply as if the purpose specified by such person in the application under this sub-section were a purpose specified in the notice given to the Assessing Officer under clause (*a*) of sub-section (2):

Provided that the Assessing Officer shall not allow application of such income by way of payment or credit made for the purposes referred to in clause (*d*) of sub-section (3) of section 11:

Provided further that in case the trust or institution, which has invested or deposited its income in accordance with the provisions of clause (*b*) of sub-section (2), is dissolved, the Assessing Officer may allow application of such income for the purposes referred to in clause (*d*) of sub-section (3) in the year in which such trust or institution was dissolved.

(4) For the purposes of this section "property held under trust" includes a business undertaking so held, and where a claim is made that the income of any such

undertaking shall not be included in the total income of the persons in receipt thereof, the Assessing Officer shall have power to determine the income of such undertaking in accordance with the provisions of this Act relating to assessment; and where any income so determined is in excess of the income as shown in the accounts of the undertaking, such excess shall be deemed to be applied to purposes other than charitable or religious purposes.

(4A) Sub-section (1) or sub-section (2) or sub-section (3) or sub-section (3A) shall not apply in relation to any income of a trust or an institution, being profits and gains of business, unless the business is incidental to the attainment of the objectives of the trust or, as the case may be, institution, and separate books of account are maintained by such trust or institution in respect of such business.

(5) The forms and modes of investing or depositing the money referred to in clause (*b*) of sub-section (2) shall be the following, namely :—

(*i*) investment in savings certificates as defined in clause (*c*) of section 2 of the Government Savings Certificates Act, 1959 (46 of 1959), and any other securities or certificates issued by the Central Government under the Small Savings Schemes of that Government;

(*ii*) deposit in any account with the Post Office Savings Bank;

(*iii*) deposit in any account with a scheduled bank or a co-operative society engaged in carrying on the business of banking (including a co-operative land mortgage bank or a co-operative land development bank).

Explanation.—In this clause, "scheduled bank" means the State Bank of India constituted under the State Bank of India Act, 1955 (23 of 1955), a subsidiary bank as defined in the State Bank of India (Subsidiary Banks) Act, 1959 (38 of 1959), a corresponding new bank constituted under section 3 of the Banking Companies (Acquisition and Transfer of Undertakings) Act, 1970 (5 of 1970), or under section 3 of the Banking Companies (Acquisition and Transfer of Undertakings) Act, 1980 (40 of 1980), or any other bank being a bank included in the Second Schedule to the Reserve Bank of India Act, 1934 (2 of 1934);

(*iv*) investment in units of the Unit Trust of India established under the Unit Trust of India Act, 1963 (52 of 1963);

(*v*) investment in any security for money created and issued by the Central Government or a State Government;

(*vi*) investment in debentures issued by, or on behalf of, any company or corporation both the principal whereof and the interest whereon are fully and unconditionally guaranteed by the Central Government or by a State Government;

(*vii*) investment or deposit in any public sector company:

Provided that where an investment or deposit in any public sector company has been made and such public sector company ceases to be a public sector company,—

(*A*) such investment made in the shares of such company shall be deemed to be an investment made under this clause for a period of three years from the date on which such public sector company ceases to be a public sector company;

(*B*) such other investment or deposit shall be deemed to be an investment or deposit made under this clause for the period up to the date on which such investment or deposit becomes repayable by such company;

(*viii*) deposits with or investment in any bonds issued by a financial corporation which is engaged in providing long-term finance for industrial development in India and which is eligible for deduction under clause (*viii*) of sub-section (1) of section 36;

(*ix*) deposits with or investment in any bonds issued by a public company formed and registered in India with the main object of carrying on the business of providing long-term finance for construction or purchase of houses in India for residential purposes and which is eligible for deduction under clause (*viii*) of sub-section (1) of section 36;

(*ixa*) deposits with or investment in any bonds issued by a public company formed and registered in India with the main object of carrying on the business of providing long-term finance for urban infrastructure in India.

Explanation.—For the purposes of this clause,—

(*a*) "long-term finance" means any loan or advance where the terms under which moneys are loaned or advanced provide for repayment along with interest thereof during a period of not less than five years;

(*b*) "public company" shall have the meaning assigned to it in section 3 of the Companies Act, 1956 (1 of 1956);

(*c*) "urban infrastructure" means a project for providing potable water supply, sanitation and sewerage, drainage, solid waste management, roads, bridges and flyovers or urban transport;

(*x*) investment in immovable property.

Explanation.—"Immovable property" does not include any machinery or plant (other than machinery or plant installed in a building for the convenient

occupation of the building) even though attached to, or permanently fastened to, anything attached to the earth;

(*xi*) deposits with the Industrial Development Bank of India established under the Industrial Development Bank of India Act, 1964 (18 of 1964);

(*xii*) any other form or mode of investment or deposit as may be prescribed.

(6) In this section where any income is required to be applied or accumulated or set apart for application, then, for such purposes the income shall be determined without any deduction or allowance by way of depreciation or otherwise in respect of any asset, acquisition of which has been claimed as an application of income under this section in the same or any other previous year.

(7) Where a trust or an institution has been granted registration under section 12AA or section 12AB or has obtained registration at any time under section 12A [as it stood before its amendment by the Finance (No. 2) Act, 1996 (33 of 1996)] and the said registration is in force for any previous year, then, nothing contained in section 10 [[*other than clause (*1*), clause (*23C*), clause (*23EA*), clause (*23EC*), clause (*23ED*), clause (*46*), clause (*46A*) and clause (*46B*) thereof*]] shall operate to exclude any income derived from the property held under trust from the total income of the person in receipt thereof for that previous year:

Provided that such registration shall become inoperative from the date on which the trust or institution is approved under clause (*23C*) of section 10 or [*is notified under clause (*23EA*) or clause (*23EC*) or clause (*23ED*) or clause (*46*)*] [or clause (*46A*)] of the said section, as the case may be, or the date on which this proviso has come into force, whichever is later[*, or, the 1st day of April of the previous year relevant to the assessment year for which the exemption is claimed under clause (*46B*) of the said section*]:

Provided further that the trust or institution, whose registration has become inoperative under the first proviso, may apply to get its registration operative under section 12AA or section 12AB subject to the condition that on doing so, the approval under clause (*23C*) of section 10 or notification [under [*clause (*23EA*) or*] clause (*23EC*) or [*clause (*23ED*) or*] clause (*46*) or clause (*46A*)] of the said section, as the case may be, to such trust or institution shall cease to have any effect from the date on which the said registration becomes operative and thereafter, it shall not be entitled to exemption under the respective clauses.

Explanation.—For the purposes of this section, any sum payable by any trust or institution shall be considered as application of income in the previous year in which such sum is actually paid by it (irrespective of the previous year in which the liability to pay such sum was incurred by the trust or institution according to the method of accounting regularly employed by it):

Provided that where during any previous year, any sum has been claimed to have been applied by the trust or institution, such sum shall not be allowed as application in any subsequent previous year.

339.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under :-

"Clause 339 of the Bill provides for the meaning of corpus donation of a registered non-profit organisation. The clause corresponds to section 11(1)(d) of the Act. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".

339.4 Important Views/Suggestions given by Experts/Stakeholders:

During the course of the examination of the Bill, some important suggestions/comments received from various stakeholders and experts are summarised as follows:-

1. Donation to corpus with specific directions be treated as receipts of the trust. As there is provision for accumulation of surplus by the trust independently. Hence separate deduction for corpus donations is not necessary. The exemption to corpus donation be deleted. As there is provision for accumulation of surplus by the trust independently. Hence separate deduction for corpus donations is not necessary. The exemption to corpus donation be deleted.

2. Substitution of Clause 339: Corpus donation means any donation including donation by a person, being a promoter or a person belonging to the promoter group of shares of a company listed on a recognised stock exchange, made with a specific direction by the donor that it shall form part of the corpus of the registered nonprofit organisation where such donation, is invested or deposited in any of the modes permitted under clause 350 maintained specifically for such corpus.

3. Insertion of a new sub-clause in Clause 70 after sub-clause (b): "of a capital asset, being shares of a company listed on a recognised stock exchange, by a promoter or a person belonging to the promoter group of such company".

339.5 Examination by the Committee:

339.5.1 On the above suggestions, the Ministry of Finance has stated the following in their written submission (mentioned correspondingly):

1. "Suggestion seeks that donation to corpus with specific directions be treated as receipts of the trust. And exemption to corpus donation be deleted. As a rationalisation measure, the corpus donation has been specifically excluded from definition of 'Regular income' in clause 338(b). It is to protect the corpus of the trust that separate treatment is

provided in the Act as well as Bill for the corpus. In the Bill no change has been made in the manner in which 'corpus donation' was treated under the IT Act. Therefore, in respect of 'corpus donation' there is continuity in the policy . Hence, the suggested amendment is not feasible".

2. "Suggestion seeks that donation by a person being a promoter or a person belonging to the promoter group of shares of a company listed on a recognised stock exchange be specifically included in the definition of 'Corpus donation'.The shares can be donated by promoters as corpus donation. There is no bar. As present the definition of 'corpus donation' does not make any distinction based on the 'donor'. The suggestion is already addressed.

3. The suggestion seeks specific exemption from transfer for shares of listed company where they are donated to trust. No rationale has been provided by the stakeholder. The exemption is already provided where capital asset is given by gift, will or irrevocable trust. The suggestion is already addressed".

339.5.2 When a trust sells property to fund its institution's operations, can a portion of the proceeds be allocated to a capital fund (like a corpus fund), rather than being spent immediately, the representative of the Ministry has replied during the oral evidence on 9.6.2025 as under:-

> *"Corpus donation means any donation made with a specific direction by the donor that the donation shall form part of the corpus of the registered NPO. Such donation has to be deposited or invested in the specified modes maintained specifically for such corpus.*
>
> *Thus, corpus is not something which a registered NPO can generate on its own by sale of some assets like land etc. Therefore, where a property is sold for the needs of the NPO, the proceeds have to be applied in the regular manner. No part of it can be taken to the corpus".*

339.5.3 He has further clarified as under during the oral evidence held on 10.6.2025:-

> *"As explained earlier, there is a regular income of the trust and then there is corpus donation. The corpus donation is given a separate treatment and regular income is given a separate treatment. So, the suggestion is, differential treatment to corpus donation should not be done."*

339.6 Observations/Recommendations of the Committee:

The Committee note that Clause 339 of the Bill defines "corpus donation" for registered non-profit organizations, directly aligning with Section 11(1)(d) of the existing Income-Tax Act, 1961. The Committee also note that the Bill simplifies the language of the corresponding section while preserving its original intent. Having thoroughly reviewed the perspectives of both stakeholders and the Department, the Committee accept Clause 339 as proposed.

Clause 340 - Deemed corpus donation

340.1 Provision proposed in the Income-Tax Bill, 2025:

340. Where the property of a registered non-profit organisation includes any temple, mosque, gurdwara, church or other place notified under section 133(*1*)(*b*)(*vii*), any sum or sums received by such registered non-profit organisation as donation for the purpose of renovation or repair of such temple, mosque, gurdwara, church or other place, may, at its option, be deemed as forming part of the corpus under section 339, if it—

(*a*) maintains such corpus as separate identifiable;

(*b*) applies such corpus only for the purpose for which the contribution was made;

(*c*) invests or deposits such corpus in any of the modes permitted under section 350; and

(*d*) does not apply such corpus for making donation to any person.

340.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Income from property held for charitable or religious purposes.

11. (1) Subject to the provisions of sections 60 to 63, the following income shall not be included in the total income of the previous year of the person in receipt of the income—

(*a*) income derived from property held under trust wholly for charitable or religious purposes, to the extent to which such income is applied to such purposes in India; and, where any such income is accumulated or set apart for application to such purposes in India, to the extent to which the income so accumulated or set apart is not in excess of fifteen per cent of the income from such property;

(*b*) income derived from property held under trust in part only for such purposes, the trust having been created before the commencement of this Act, to the extent to which such income is applied to such purposes in India; and, where any such income is finally set apart for application to such purposes in India, to the extent to which the income so set apart is not in excess of fifteen per cent of the income from such property;

(*c*) income derived from property held under trust—

(*i*) created on or after the 1st day of April, 1952, for a charitable purpose which tends to promote international welfare in which India is interested, to the extent to which such income is applied to such purposes outside India, and

(*ii*) for charitable or religious purposes, created before the 1st day of April, 1952, to the extent to which such income is applied to such purposes outside India:

Provided that the Board, by general or special order, has directed in either case that it shall not be included in the total income of the person in receipt of such income;

(*d*) income in the form of voluntary contributions made with a specific direction that they shall form part of the corpus of the trust or institution, subject to the condition that such voluntary contributions are invested or deposited in one or more of the forms or modes specified in sub-section (5) maintained specifically for such corpus.

Explanation 1.—For the purposes of clauses (*a*) and (*b*),—

(*1*) in computing the fifteen per cent of the income which may be accumulated or set apart, any such voluntary contributions as are referred to in section 12 shall be deemed to be part of the income;

(*2*) if, in the previous year, the income applied to charitable or religious purposes in India falls short of eighty-five per cent of the income derived during that year from property held under trust, or, as the case may be, held under trust in part, by any amount—

(*i*) for the reason that the whole or any part of the income has not been received during that year, or

(*ii*) for any other reason,

then—

(*a*) in the case referred to in sub-clause (*i*), so much of the income applied to such purposes in India during the previous year in which the income is received or during the previous year immediately following as does not exceed the said amount, and

(*b*) in the case referred to in sub-clause (*ii*), so much of the income applied to such purposes in India during the previous year immediately following the previous year in which the income was derived as does not exceed the said amount,

may, at the option of the person in receipt of the income (such option to be exercised [at least two months prior to the due date specified] under sub-section (1) of section 139 for furnishing the return of income, in such form and manner as may be prescribed) be deemed to be income applied to such purposes during the previous year in which the income was derived; and the income so deemed to have been applied shall not be taken into account in calculating the amount of income applied to such purposes, in the case referred to in sub-clause (*i*), during the previous year in which the income is received or during the previous year immediately following, as the case may be, and, in the case referred to in sub-clause (*ii*), during the previous year immediately following the previous year in which the income was derived.

Explanation 2.—Any amount credited or paid, out of income referred to in clause (*a*) or clause (*b*) read with *Explanation 1*, to any fund or trust or institution or any university or

other educational institution or any hospital or other medical institution referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10 or other trust or institution registered under section 12AA or section 12AB, as the case may be, being contribution with a specific direction that it shall form part of the corpus, shall not be treated as application of income for charitable or religious purposes.

Explanation 3.—For the purposes of determining the amount of application under clause (*a*) or clause (*b*), the provisions of sub-clause (*ia*) of clause (*a*) of section 40 and sub-sections (3) and (3A) of section 40A, shall, *mutatis mutandis*, apply as they apply in computing the income chargeable under the head "Profits and gains of business or profession".

Explanation 3A.—For the purposes of this sub-section, where the property held under a trust or institution includes any temple, mosque, gurdwara, church or other place notified under clause (*b*) of sub-section (2) of section 80G, any sum received by such trust or institution as voluntary contribution for the purpose of renovation or repair of such temple, mosque, gurdwara, church or other place, may, at its option, be treated by such trust or institution as forming part of the corpus of the trust or the institution, subject to the condition that the trust or the institution,—

(*a*) applies such corpus only for the purpose for which the voluntary contribution was made;

(*b*) does not apply such corpus for making contribution or donation to any person;

(*c*) maintains such corpus as separately identifiable; and

(*d*) invests or deposits such corpus in the forms and modes specified under sub-section (5) of section 11.

Explanation 3B.—For the purposes of *Explanation 3A*, where any trust or institution has treated any sum received by it as forming part of the corpus, and subsequently any of the conditions specified in clause (*a*) or clause (*b*) or clause (*c*) or clause (*d*) of the said *Explanation* is violated, such sum shall be deemed to be the income of such trust or institution of the previous year during which the violation takes place.

Explanation 4.—For the purposes of determining the amount of application under clause (*a*) or clause (*b*),—

(*i*) application for charitable or religious purposes from the corpus as referred to in clause (*d*) of this sub-section, shall not be treated as application of income for charitable or religious purposes:

Provided that the amount not so treated as application, or part thereof, shall be treated as application for charitable or religious purposes in the previous year in which the amount, or part thereof, is invested or deposited back, into one or more of the forms or modes specified in sub-section (5) maintained specifically for such corpus, from the income of that year and to the extent of such investment or [deposit:]

[**Provided further** that provisions of the first proviso shall apply only if there was

no violation of the conditions specified—

(*a*) in clause (*c*) of this sub-section;

(*b*) in *Explanations 2, 3* and *5* of this sub-section;

(*c*) in the *Explanation* to this section; and

(*d*) in clause (*c*) of sub-section (1) of section 13,

at the time the application was made from the corpus:

Provided also that the amount invested or deposited back shall not be treated as application for charitable or religious purposes under the first proviso unless such investment or deposit is made within a period of five years from the end of the previous year in which such application was made from the corpus:

Provided also that nothing contained in the first proviso shall apply where application from the corpus is made on or before the 31st day of March, 2021;]

(*ii*) application for charitable or religious purposes, from any loan or borrowing, shall not be treated as application of income for charitable or religious purposes:

Provided that the amount not so treated as application, or part thereof, shall be treated as application for charitable or religious purposes in the previous year in which the loan or borrowing, or part thereof, is repaid from the income of that year and to the extent of such repayment:

[**Provided further** that provisions of the first proviso shall apply only if there was no violation of the conditions specified—

(*a*) in clause (*c*) of this sub-section;

(*b*) in *Explanations 2, 3* and *5* of this sub-section;

(*c*) in the *Explanation* to this section; and

(*d*) in clause (*c*) of sub-section (1) of section 13,

at the time the application was made from loan or borrowing:

Provided also that the amount repaid shall not be treated as application for charitable or religious purposes under the first proviso unless such repayment is made within a period of five years from the end of the previous year in which such application was made from loan or borrowing:

Provided also that nothing contained in the first proviso shall apply where application from any loan or borrowing is made on or before the 31st day of March, 2021; and]

[(*iii*) any amount credited or paid, other than the amount referred to in *Explanation 2,* to any fund or trust or institution or any university or other educational

institution or any hospital or other medical institution referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10, as the case may be, or other trust or institution registered under section 12AB, as the case may be, shall be treated as application for charitable or religious purposes only to the extent of eighty-five per cent of such amount credited or paid.]

Explanation 5.—For the purposes of this sub-section, it is hereby clarified that the calculation of income required to be applied or accumulated during the previous year shall be made without any set off or deduction or allowance of any excess application of any of the year preceding the previous year.

(1A) For the purposes of sub-section (1),—

(*a*) where a capital asset, being property held under trust wholly for charitable or religious purposes, is transferred and the whole or any part of the net consideration is utilised for acquiring another capital asset to be so held, then, the capital gain arising from the transfer shall be deemed to have been applied to charitable or religious purposes to the extent specified hereunder, namely:—

(*i*) where the whole of the net consideration is utilised in acquiring the new capital asset, the whole of such capital gain;

(*ii*) where only a part of the net consideration is utilised for acquiring the new capital asset, so much of such capital gain as is equal to the amount, if any, by which the amount so utilised exceeds the cost of the transferred asset;

(*b*) where a capital asset, being property held under trust in part only for such purposes, is transferred and the whole or any part of the net consideration is utilised for acquiring another capital asset to be so held, then, the appropriate fraction of the capital gain arising from the transfer shall be deemed to have been applied to charitable or religious purposes to the extent specified hereunder, namely:—

(*i*) where the whole of the net consideration is utilised in acquiring the new capital asset, the whole of the appropriate fraction of such capital gain;

(*ii*) in any other case, so much of the appropriate fraction of the capital gain as is equal to the amount, if any, by which the appropriate fraction of the amount utilised for acquiring the new asset exceeds the appropriate fraction of the cost of the transferred asset.

Explanation.—In this sub-section,—

(*i*) "appropriate fraction" means the fraction which represents the extent to which the income derived from the capital asset transferred was immediately before

such transfer applicable to charitable or religious purposes;

(*ii*) "cost of the transferred asset" means the aggregate of the cost of acquisition (as ascertained for the purposes of sections 48 and 49) of the capital asset which is the subject of the transfer and the cost of any improvement thereto within the meaning assigned to that expression in sub-clause (*b*) of clause (*1*) of section 55;

(*iii*) "net consideration" means the full value of the consideration received or accruing as a result of the transfer of the capital asset as reduced by any expenditure incurred wholly and exclusively in connection with such transfer.

(1B) Where any income in respect of which an option is exercised under clause (*2*) of the *Explanation* to sub-section (1) is not applied to charitable or religious purposes in India during the period referred to in sub-clause (*a*) or, as the case may be, sub-clause (*b*), of the said clause, then, such income shall be deemed to be the income of the person in receipt thereof—

(*a*) in the case referred to in sub-clause (*i*) of the said clause, of the previous year immediately following the previous year in which the income was received; or

(*b*) in the case referred to in sub-clause (*ii*) of the said clause, of the previous year immediately following the previous year in which the income was derived.

(2) Where eighty-five per cent of the income referred to in clause (*a*) or clause (*b*) of sub-section (1) read with the *Explanation* to that sub-section is not applied, or is not deemed to have been applied, to charitable or religious purposes in India during the previous year but is accumulated or set apart, either in whole or in part, for application to such purposes in India, such income so accumulated or set apart shall not be included in the total income of the previous year of the person in receipt of the income, provided the following conditions are complied with, namely:—

(*a*) such person furnishes a statement in the prescribed form and in the prescribed manner to the Assessing Officer, stating the purpose for which the income is being accumulated or set apart and the period for which the income is to be accumulated or set apart, which shall in no case exceed five years;

(*b*) the money so accumulated or set apart is invested or deposited in the forms or modes specified in sub-section (5);

(*c*) the statement referred to in clause (*a*) is furnished [at least two months prior to] the due date specified under sub-section (1) of section 139 for furnishing the return of income for the previous year:

Provided that in computing the period of five years referred to in clause (*a*), the period during which the income could not be applied for the purpose for which it is so accumulated or set apart, due to an order or injunction of any court, shall be excluded.

Explanation.—Any amount credited or paid, out of income referred to in clause (*a*) or clause (*b*) of sub-section (1), read with the *Explanation* to that sub-section, which is not applied, but is accumulated or set apart, to any trust or institution registered

under section 12AA or section 12AB or to any fund or institution or trust or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10, shall not be treated as application of income for charitable or religious purposes, either during the period of accumulation or thereafter.

(3) Any income referred to in sub-section (2) which—

(*a*) is applied to purposes other than charitable or religious purposes as aforesaid or ceases to be accumulated or set apart for application thereto, or

(*b*) ceases to remain invested or deposited in any of the forms or modes specified in sub-section (5), or

(*c*) is not utilised for the purpose for which it is so accumulated or set apart during the period referred to in clause (*a*) of that sub-section,

(*d*) is credited or paid to any trust or institution registered under section 12AA or section 12AB or to any fund or institution or trust or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10,

shall be deemed to be the income of such person of the previous year,—

(*i*) in which it is so applied or ceases to be so accumulated or set apart under clause (*a*); or

(*ii*) in which it ceases to remain so invested or deposited under clause (*b*); or

(*iii*) being the last previous year of the period, for which the income is accumulated or set apart but not utilised for the purpose for which it is so accumulated or set apart under clause (*c*); or

(*iv*) in which it is credited or paid to any fund or institution or trust or any university or other educational institution or any hospital or other medical institution under clause (*d*).

(3A) Notwithstanding anything contained in sub-section (3), where due to circumstances beyond the control of the person in receipt of the income, any income invested or deposited in accordance with the provisions of clause (*b*) of sub-section (2) cannot be applied for the purpose for which it was accumulated or set apart, the Assessing Officer may, on an application made to him in this behalf, allow such person to apply such income for such other charitable or religious purpose in India as is specified in the application by such person and as is in conformity with the objects of the trust; and thereupon the provisions of sub-section (3) shall apply as if the purpose specified by such person in the application under this sub-section were a purpose specified in the notice given to the Assessing Officer under clause (*a*) of sub-section (2):

Provided that the Assessing Officer shall not allow application of such income by way of payment or credit made for the purposes referred to in clause (*d*) of sub-section (3) of section 11:

Provided further that in case the trust or institution, which has invested or deposited its income in accordance with the provisions of clause (*b*) of sub-section (2), is dissolved, the Assessing Officer may allow application of such income for the purposes referred to in clause (*d*) of sub-section (3) in the year in which such trust or institution was dissolved.

(4) For the purposes of this section "property held under trust" includes a business undertaking so held, and where a claim is made that the income of any such undertaking shall not be included in the total income of the persons in receipt thereof, the Assessing Officer shall have power to determine the income of such undertaking in accordance with the provisions of this Act relating to assessment; and where any income so determined is in excess of the income as shown in the accounts of the undertaking, such excess shall be deemed to be applied to purposes other than charitable or religious purposes.

(4A) Sub-section (1) or sub-section (2) or sub-section (3) or sub-section (3A) shall not apply in relation to any income of a trust or an institution, being profits and gains of business, unless the business is incidental to the attainment of the objectives of the trust or, as the case may be, institution, and separate books of account are maintained by such trust or institution in respect of such business.

(5) The forms and modes of investing or depositing the money referred to in clause (*b*) of sub-section (2) shall be the following, namely :—

(*i*) investment in savings certificates as defined in clause (*c*) of section 2 of the Government Savings Certificates Act, 1959 (46 of 1959), and any other securities or certificates issued by the Central Government under the Small Savings Schemes of that Government;

(*ii*) deposit in any account with the Post Office Savings Bank;

(*iii*) deposit in any account with a scheduled bank or a co-operative society engaged in carrying on the business of banking (including a co-operative land mortgage bank or a co-operative land development bank).

Explanation.—In this clause, "scheduled bank" means the State Bank of India constituted under the State Bank of India Act, 1955 (23 of 1955), a subsidiary bank as defined in the State Bank of India (Subsidiary Banks) Act, 1959 (38 of 1959), a corresponding new bank constituted under section 3 of the Banking Companies (Acquisition and Transfer of Undertakings) Act, 1970 (5 of 1970), or under section 3 of the Banking Companies (Acquisition and Transfer of Undertakings) Act, 1980 (40 of 1980), or any other bank being a bank included in the Second Schedule to the Reserve Bank of India Act, 1934 (2 of 1934);

(*iv*) investment in units of the Unit Trust of India established under the Unit Trust of

India Act, 1963 (52 of 1963);

(*v*) investment in any security for money created and issued by the Central Government or a State Government;

(*vi*) investment in debentures issued by, or on behalf of, any company or corporation both the principal whereof and the interest whereon are fully and unconditionally guaranteed by the Central Government or by a State Government;

(*vii*) investment or deposit in any public sector company:

Provided that where an investment or deposit in any public sector company has been made and such public sector company ceases to be a public sector company,—

(*A*) such investment made in the shares of such company shall be deemed to be an investment made under this clause for a period of three years from the date on which such public sector company ceases to be a public sector company;

(*B*) such other investment or deposit shall be deemed to be an investment or deposit made under this clause for the period up to the date on which such investment or deposit becomes repayable by such company;

(*viii*) deposits with or investment in any bonds issued by a financial corporation which is engaged in providing long-term finance for industrial development in India and which is eligible for deduction under clause (*viii*) of sub-section (1) of section 36;

(*ix*) deposits with or investment in any bonds issued by a public company formed and registered in India with the main object of carrying on the business of providing long-term finance for construction or purchase of houses in India for residential purposes and which is eligible for deduction under clause (*viii*) of sub-section (1) of section 36;

(*ixa*) deposits with or investment in any bonds issued by a public company formed and registered in India with the main object of carrying on the business of providing long-term finance for urban infrastructure in India.

Explanation.—For the purposes of this clause,—

(*a*) "long-term finance" means any loan or advance where the terms under which moneys are loaned or advanced provide for repayment along with interest thereof during a period of not less than five years;

(*b*) "public company" shall have the meaning assigned to it in section 3 of the Companies Act, 1956 (1 of 1956);

(*c*) "urban infrastructure" means a project for providing potable water supply, sanitation and sewerage, drainage, solid waste management, roads, bridges and flyovers or urban transport;

(*x*) investment in immovable property.

Explanation.—"Immovable property" does not include any machinery or plant (other than machinery or plant installed in a building for the convenient occupation of the building) even though attached to, or permanently fastened to,

anything attached to the earth;

(*xi*) deposits with the Industrial Development Bank of India established under the Industrial Development Bank of India Act, 1964 (18 of 1964);

(*xii*) any other form or mode of investment or deposit as may be prescribed.

(6) In this section where any income is required to be applied or accumulated or set apart for application, then, for such purposes the income shall be determined without any deduction or allowance by way of depreciation or otherwise in respect of any asset, acquisition of which has been claimed as an application of income under this section in the same or any other previous year.

(7) Where a trust or an institution has been granted registration under section 12AA or section 12AB or has obtained registration at any time under section 12A [as it stood before its amendment by the Finance (No. 2) Act, 1996 (33 of 1996)] and the said registration is in force for any previous year, then, nothing contained in section 10 [[*other than clause (*1*), clause (*23C*), clause (*23EA*), clause (*23EC*), clause (*23ED*), clause (*46*), clause (*46A*) and clause (*46B*) thereof*]] shall operate to exclude any income derived from the property held under trust from the total income of the person in receipt thereof for that previous year:

Provided that such registration shall become inoperative from the date on which the trust or institution is approved under clause (*23C*) of section 10 or [*is notified under clause (*23EA*) or clause (*23EC*) or clause (*23ED*) or clause (*46*)*] [or clause (*46A*)] of the said section, as the case may be, or the date on which this proviso has come into force, whichever is later [*, or, the 1st day of April of the previous year relevant to the assessment year for which the exemption is claimed under clause (*46B*) of the said section*]:

Provided further that the trust or institution, whose registration has become inoperative under the first proviso, may apply to get its registration operative under section 12AA or section 12AB subject to the condition that on doing so, the approval under clause (*23C*) of section 10 or notification [under [*clause (*23EA*) or*] clause (*23EC*) or [*clause (*23ED*) or*] clause (*46*) or clause (*46A*)] of the said section, as the case may be, to such trust or institution shall cease to have any effect from the date on which the said registration becomes operative and thereafter, it shall not be entitled to exemption under the respective clauses.

Explanation.—For the purposes of this section, any sum payable by any trust or institution shall be considered as application of income in the previous year in which such sum is actually paid by it (irrespective of the previous year in which the liability to pay such sum was incurred by the trust or institution according to the method of accounting regularly employed by it):

Provided that where during any previous year, any sum has been claimed to have been applied by the trust or institution, such sum shall not be allowed as application in any subsequent previous year.

340.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under :-

> *"Clause 340 of the Bill provides for deemed corpus donation of a registered non profit organisation. The clause corresponds to section 11(1) Explanation 3A of the Act. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".*

340.4 Examination by the Committee:

340.4.1 The Committee asked numerous critical questions regarding the recent amendments to the Indian Income-Tax Act, 1961, concerning "corpus donations" for non-profit organizations (NPOs) seek clarification on several fronts. These include how India's stricter Section 11(5) investment requirements for corpus donations compare to more flexible global approaches, and whether other major jurisdictions mandate specific investment modes. Further inquiries pertain to the implications of differing international definitions of "corpus" on cross-border donations and recipient NPO taxability under existing tax treaties. The questions also delve into whether India's new provisions, particularly the 5-year reinvestment rule for applied corpus, align with global best practices in NPO governance, and if there are international models that incentivize corpus utilization without strict immediate restoration.

340.4.2 Additionally, the Committee desired to know how India's enhanced transparency and reporting requirements measure against global benchmarks for corpus funds, and what lessons can be drawn from other tax regimes regarding "double deduction" scenarios for continuous refinement of Indian tax law. The questions also aim to understand the impact of the new statutory investment requirements under Section 11(5) on the judicial interpretation of "specific direction" for corpus status, citing cases like R.B. Shreeram Religious & Charitable Trust.

340.4.3 The Committee further asked to explore the scope of judicial interpretation in situations where non-cmpliance with new rules deems corpus donations as "income," given the historical judicial view of them as capital receipts. Further questions address

anticipated judicial challenges regarding inter-trust corpus donations and the reconciliation of "application" for the donor with "corpus" status for the recipient. The Committee also sought specific judicial guidance on the tax treatment of income from Section 11(5) corpus investments and how past rulings on "specific direction" (e.g., oral vs. written) now inform NPOs' compliance strategies. Finally, the Committee desired to understand the legal and practical challenges for Indian NPOs receiving foreign corpus donations, considering the interplay of Indian and foreign tax laws, and asked whether an amendment to Clause 340(d) to include "any contribution" is necessary for clarity and to avoid litigation.

340.4.4 The Ministry of Finance (Department of Revenue) has submitted written replies as under:-

> *"Clause 337 and related clauses (339, 340, 350, 351) establish a regime where ordinary charitable income is taxed normally (often effectively nil if 85% applied or accumulated), whereas corpus funds are taxed only upon misuse as a penal measure. This separate treatment traces directly to Sections 115BBI and 115TD of the current Act, maintaining legislative continuity. It has been stated in earlier submission also that if an NPO diverts any part of its income or corpus into investments that contravene the prescribed modes (e.g. investing in speculative ventures or non-approved assets in violation of Clause 350), then the amount of that investment is treated as taxable income for that year. By taxing the principal misused – not merely the income earned from it – it is ensured that the trusts do not risk corpus funds in improper avenues. In summary, Clause 337 and related clauses (339, 340, 350, 351) establish a regime where ordinary charitable income is taxed normally (often effectively nil if 85% applied or accumulated), whereas corpus funds are taxed only upon misuse as a penal measure. This separate treatment traces directly to Sections 115BBI and 115TD of the current Act, maintaining legislative continuity.*
>
> *Across several OECD jurisdictions—such as the United Kingdom, United States, Canada, Australia, New Zealand, Ireland, Germany, France, Netherlands, Denmark, Sweden, Norway, Finland, Italy, Spain, Portugal, Austria, Switzerland,*

Japan and South Korea—the core endowment or "corpus" of a registered charity is not taxed. These countries draw a sharp line between taxing a charity's operating income and leaving its capital funds untouched, provided the money stays within approved charitable uses. For example, both the UK and the US exempt recognised charities from income or corporation tax on grants, donations and even investment returns so long as those receipts are applied to charitable objects.

Likewise, in jurisdictions like the United States, bona fide donations and endowment incomes of tax-exempt nonprofits are not taxed; instead, regulatory oversight and targeted penalties (such as excise taxes on improper expenditures or revocation of tax-exempt status in egregious cases) are used to ensure compliance. The underlying philosophy in these countries is to "protect the organization's foundational corpus" to further its charitable mission, intervening primarily through oversight bodies (e.g. Charity Commission in the UK or IRS regulations in the US) rather than upfront taxation of charitable assets.

India's Context and Need for Corpus Taxation: India's corpus taxation regime must be viewed in the context of our domestic legal and fiscal framework. Unlike some countries with long-established charity regulators and extensive public oversight, India has faced significant challenges with misuse of charitable trusts for private benefit, tax evasion, and money laundering in the past. The government has responded by embedding transparency and antiabuse rules within the tax law itself to tightly regulate the fiscal conduct of NPOs. The separate tax on corpus-related violations is central to this strategy, aimed at ensuring that tax exemptions for charities are not misused as a conduit for unaccounted funds or profit distribution or even terror financing.

In effect, the Indian approach uses the tax mechanism as an enforcement tool to compel fiscal discipline and accountability in the NPO sector – a role that elsewhere might be played more by non-tax regulatory enforcement.

While international best practices offer valuable points of reference, merely aligning with global norms (by, for example, exempting corpus funds entirely from tax oversight regardless of misuse) would amount to a fundamental policy shift

for India. It would entail moving away from a proven deterrent system and relying solely on trust law or external regulators to police NPO finances. Such a shift is neither contemplated by the present Bill nor warranted by the prevailing conditions in India.

When Section 115BBC was introduced in 2006 to tax anonymous donations, or Section 115TD in 2016 to tax accreted assets, it was because lesser measures in line with other countries had proven inadequate to curb prevalent abuses. Diluting these measures in the name of global conformity would undermine the robust safeguards that protect the integrity of charitable funds in India.

Moreover, the international norm of not taxing corpus is premised on the assumption that charities will self-regulate or be closely regulated by authorities to prevent misapplication of funds. In India, tax authorities have a dual role – not only to collect revenue but also to ensure that tax-exempt entities adhere to the purposes for which they enjoy exemptions. The corpus taxation provisions in Clause 337 (and the stringent conditions in Clauses 339–340) reflect this philosophy. They do not tax genuine charitable activity; rather, they stand guard against aberrations – e.g. a shell charity accepting large anonymous donations (which could be black money), or a trust parking its corpus in private investments or sister concerns. In absence of such provisions, the law would be forced to either ignore these abuses or resort to the extreme step of cancelling registration in every case of violation. International practice shows that outright withdrawal of charitable status is a blunt instrument used sparingly; India's regime instead imposes calibrated fiscal consequences (tax on the offending amount) while usually allowing the NPO to continue if it returns to compliance. This is a nuanced policy choice that aligns with India's oversight capacity and enforcement priorities.

Hence, India's corpus taxation regime is necessary and contextual. It ensures that the generosity of donors and the tax foregone by the state (through charitable exemptions) are safeguarded by a layer of fiscal accountability.

In conclusion, Clause 337 of the Income-tax Bill, 2025 (read with Clauses 338–340 and 350–352) continues the established policy of separately taxing certain

NPO funds only in cases of misuse or where it is kept in ineligible modes. This approach provides continuity from the 1961 Act (Sections 115BBI, 115TD, etc.) and implements a deterrent yet proportionate framework: legitimate corpus donations remain untaxed and inviolate, whereas misapplied or illicit funds are brought to tax at the appropriate stage. Internationally, while many jurisdictions do not ordinarily tax corpus funds, India's tailored regime fills the gap of oversight through fiscal measures suited to our context. Emulating overseas models wholesale would represent a major policy departure and could weaken the safeguards around charitable finance. Further, it may not be feasible to comment on how the judiciary is going to interpret the proposed rationalised provisions" .

340.5 Observations/Recommendations of the Committee:

The Committee note that Clause 340 of the Bill provides for deemed corpus donation of a registered non profit organisation, corresponding to directly aligning with section 11(1) Explanation 3A of the existing Income-Tax Act, 1961. The Committee also note that the Bill simplifies the language of the corresponding section while preserving its original intent. After examining the perspectives of both stakeholders and the Department, the Committee accept Clause 340 as proposed.

Clause 341 - Application of income

341.1 <u>Provision proposed in the Income-Tax Bill, 2025:</u>

341. (*1*) The following sums shall be allowed as application of income to a registered non-profit organisation:—

(*a*) any sumapplied by it for charitable or religious purpose in India for which it is registered where such sum is,—

(*i*) paid during such tax year; and

(*ii*) such payment is allowable under sections 36(*4*), (*5*), (*6*) and (*7*) and 35(*b*)(*i*);

(*b*) 85% of the sum paid by way of donation made to any other registered non-profit organisation; and

(*c*) *nil*, with respect to any sum paid as a corpus donation to any other registered non-profit organisation.

(*2*) The application of income under sub-section (*1*) shall include the following:—–

(*a*) the amount invested or deposited back during the tax year, in the modes permitted under section 350 maintained specifically for such corpus, if—

(*i*) such investment or depositing back is made within five years from the end of the tax year in which such application of income was made from the corpus; and

(*ii*) the application of income from the corpus is made after the 31st March, 2021 and there was no violation of any provision of this Part, or any corresponding provision of the Income-tax Act, 1961with respect to such application;

(*b*) the amount repaid, during the tax year, towards any loan or borrowing where,—–

(*i*) such repayment is within five years from the end of the tax year in which such application of income was made from the loan or borrowing; and

(*ii*) the application of income from the loan or borrowing is made after the 31st March, 2021 and there was no violation of any provision of this Part, or any corresponding provision of the Income-tax Act, 1961 with respect to such application.

(*3*) The following claims shall not be allowed as application of income under sub-sections (*1*) and (*2*):—

(*a*) the deduction or allowance by way of depreciation or otherwise claimed in respect of an asset acquisition of which has been claimed as an application of income in the same or any other tax year under this Part or under any corresponding provision of the Income-tax Act, 1961; or

(*b*) a claim of set off or deduction or allowance of any excess application of any of the years preceding the tax year.

(*4*) An application from corpus, loan or borrowing, accumulated income, specified income or deemed accumulated income shall not be considered as application for the purpose of sub-sections (*1*) and (*2*).

341.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Income from property held for charitable or religious purposes.

11. (1) Subject to the provisions of sections 60 to 63, the following income shall not be included in the total income of the previous year of the person in receipt of the income—

(*a*) income derived from property held under trust wholly for charitable or religious purposes, to the extent to which such income is applied to such purposes in India; and, where any such income is accumulated or set apart for application to such purposes in India, to the extent to which the income so accumulated or set apart is not in excess of fifteen per cent of the income from such property;

(*b*) income derived from property held under trust in part only for such purposes, the trust having been created before the commencement of this Act, to the extent to which such income is applied to such purposes in India; and, where any such income is finally set apart for application to such purposes in India, to the extent to which the income so set apart is not in excess of fifteen per cent of the income from such property;

(*c*) income derived from property held under trust—

(*i*) created on or after the 1st day of April, 1952, for a charitable purpose which tends to promote international welfare in which India is interested, to the extent to which such income is applied to such purposes outside India, and

(*ii*) for charitable or religious purposes, created before the 1st day of April, 1952, to the extent to which such income is applied to such purposes outside India:

Provided that the Board, by general or special order, has directed in either case that it shall not be included in the total income of the person in receipt of such income;

(*d*) income in the form of voluntary contributions made with a specific direction that they shall form part of the corpus of the trust or institution, subject to the condition that such voluntary contributions are invested or deposited in one or more of the forms or modes specified in sub-section (5) maintained specifically for such corpus.

Explanation 1.—For the purposes of clauses (*a*) and (*b*),—

(*1*) in computing the fifteen per cent of the income which may be accumulated or set apart, any such voluntary contributions as are referred to in section 12 shall be deemed to be part of the income;

(*2*) if, in the previous year, the income applied to charitable or religious purposes in India falls short of eighty-five per cent of the income derived during that year from property held under trust, or, as the case may be, held under trust in part, by any amount—

(*i*) for the reason that the whole or any part of the income has not been received during that year, or

(*ii*) for any other reason,

then—

(*a*) in the case referred to in sub-clause (*i*), so much of the income applied to such purposes in India during the previous year in which the income is received or during the previous year immediately following as does not exceed the said amount, and

(*b*) in the case referred to in sub-clause (*ii*), so much of the income applied to such purposes in India during the previous year immediately following the previous year in which the income was derived as does not exceed the said amount,

may, at the option of the person in receipt of the income (such option to be exercised [at least two months prior to the due date specified] under sub-section (1) of section 139 for furnishing the return of income, in such form and manner as may be prescribed) be deemed to be income applied to such purposes during the previous year in which the income was derived; and the income so deemed to have been applied shall not be taken into account in calculating the amount of income applied to such purposes, in the case referred to in sub-clause (*i*), during the previous year in which the income is received or during the previous year immediately following, as the case may be, and, in the case referred to in sub-clause (*ii*), during the previous year immediately following the previous year in which the income was derived.

Explanation 2.—Any amount credited or paid, out of income referred to in clause (*a*) or clause (*b*) read with *Explanation 1*, to any fund or trust or institution or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10 or other trust or institution registered under section 12AA or section 12AB, as the case may be*,* being contribution with a specific direction that it shall form

part of the corpus, shall not be treated as application of income for charitable or religious purposes.

Explanation 3.—For the purposes of determining the amount of application under clause (*a*) or clause (*b*), the provisions of sub-clause (*ia*) of clause (*a*) of section 40 and sub-sections (3) and (3A) of section 40A, shall, *mutatis mutandis*, apply as they apply in computing the income chargeable under the head "Profits and gains of business or profession".

Explanation 3A.—For the purposes of this sub-section, where the property held under a trust or institution includes any temple, mosque, gurdwara, church or other place notified under clause (*b*) of sub-section (2) of section 80G, any sum received by such trust or institution as voluntary contribution for the purpose of renovation or repair of such temple, mosque, gurdwara, church or other place, may, at its option, be treated by such trust or institution as forming part of the corpus of the trust or the institution, subject to the condition that the trust or the institution,—

(*a*) applies such corpus only for the purpose for which the voluntary contribution was made;

(*b*) does not apply such corpus for making contribution or donation to any person;

(*c*) maintains such corpus as separately identifiable; and

(*d*) invests or deposits such corpus in the forms and modes specified under sub-section (5) of section 11.

Explanation 3B.—For the purposes of *Explanation 3A*, where any trust or institution has treated any sum received by it as forming part of the corpus, and subsequently any of the conditions specified in clause (*a*) or clause (*b*) or clause (*c*) or clause (*d*) of the said *Explanation* is violated, such sum shall be deemed to be the income of such trust or institution of the previous year during which the violation takes place.

Explanation 4.—For the purposes of determining the amount of application under clause (*a*) or clause (*b*),—

(*i*) application for charitable or religious purposes from the corpus as referred to in clause (*d*) of this sub-section, shall not be treated as application of income for charitable or religious purposes:

Provided that the amount not so treated as application, or part thereof, shall be treated as application for charitable or religious purposes in the previous year in which the amount, or part thereof, is invested or deposited back, into one or more of the forms or modes specified in sub-section (5) maintained specifically for such corpus, from the income of that year and to the extent of such investment or [deposit:]

[79][**Provided further** that provisions of the first proviso shall apply only if there was no violation of the conditions specified—

(*a*) in clause (*c*) of this sub-section;

(*b*) in *Explanations 2, 3* and *5* of this sub-section;

(*c*) in the *Explanation* to this section; and

(*d*) in clause (*c*) of sub-section (1) of section 13,

at the time the application was made from the corpus:

Provided also that the amount invested or deposited back shall not be treated as application for charitable or religious purposes under the first proviso unless such investment or deposit is made within a period of five years from the end of the previous year in which such application was made from the corpus:

Provided also that nothing contained in the first proviso shall apply where application from the corpus is made on or before the 31st day of March, 2021;]

(*ii*) application for charitable or religious purposes, from any loan or borrowing, shall not be treated as application of income for charitable or religious purposes:

Provided that the amount not so treated as application, or part thereof, shall be treated as application for charitable or religious purposes in the previous year in which the loan or borrowing, or part thereof, is repaid from the income of that year and to the extent of such repayment:

[**Provided further** that provisions of the first proviso shall apply only if there was no violation of the conditions specified—

(*a*) in clause (*c*) of this sub-section;

(*b*) in *Explanations 2, 3* and *5* of this sub-section;

(*c*) in the *Explanation* to this section; and

(*d*) in clause (*c*) of sub-section (1) of section 13,

at the time the application was made from loan or borrowing:

Provided also that the amount repaid shall not be treated as application for charitable or religious purposes under the first proviso unless such repayment is made within a period of five years from the end of the previous year in which such application was made from loan or borrowing:

Provided also that nothing contained in the first proviso shall apply where application from any loan or borrowing is made on or before the 31st day of March, 2021; and]

[(*iii*) any amount credited or paid, other than the amount referred to in *Explanation 2,* to any fund or trust or institution or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10, as the case may be, or other trust or institution registered under section 12AB, as the case may be, shall be treated as application for charitable or religious purposes only to the extent of eighty-five per cent of such amount credited or paid.]

Explanation 5.—For the purposes of this sub-section, it is hereby clarified that the calculation of income required to be applied or accumulated during the previous year shall be made without any set off or deduction or allowance of any excess application of any of the year preceding the previous year.

(1A) For the purposes of sub-section (1),—

(*a*) where a capital asset, being property held under trust wholly for charitable or religious purposes, is transferred and the whole or any part of the net consideration is utilised for acquiring another capital asset to be so held, then, the capital gain arising from the transfer shall be deemed to have been applied to charitable or religious purposes to the extent specified hereunder, namely:—

(*i*) where the whole of the net consideration is utilised in acquiring the new capital asset, the whole of such capital gain;

(*ii*) where only a part of the net consideration is utilised for acquiring the new capital asset, so much of such capital gain as is equal to the amount, if any, by which the amount so utilised exceeds the cost of the transferred asset;

(*b*) where a capital asset, being property held under trust in part only for such purposes, is transferred and the whole or any part of the net consideration is utilised for acquiring another capital asset to be so held, then, the appropriate fraction of the capital gain arising from the transfer shall be deemed to have been applied to charitable or religious purposes to the extent specified hereunder, namely:—

(*i*) where the whole of the net consideration is utilised in acquiring the new capital asset, the whole of the appropriate fraction of such capital gain;

(*ii*) in any other case, so much of the appropriate fraction of the capital gain as is equal to the amount, if any, by which the appropriate fraction of the amount utilised for acquiring the new asset exceeds the appropriate fraction of the cost of the transferred asset.

Explanation.—In this sub-section,—

(*i*) "appropriate fraction" means the fraction which represents the extent to which the income derived from the capital asset transferred was immediately before such transfer applicable to charitable or religious purposes;

(*ii*) "cost of the transferred asset" means the aggregate of the cost of acquisition (as ascertained for the purposes of sections 48 and 49) of the capital asset which is the subject of the transfer and the cost of any improvement thereto within the meaning assigned to that expression in sub-clause (*b*) of clause (*1*) of section 55;

(*iii*) "net consideration" means the full value of the consideration received or accruing as a result of the transfer of the capital asset as reduced by any expenditure incurred wholly and exclusively in connection with such transfer.

(1B) Where any income in respect of which an option is exercised under clause (*2*) of the *Explanation* to sub-section (1) is not applied to charitable or religious purposes in India during the period referred to in sub-clause (*a*) or, as the case may be, sub-clause

(*b*), of the said clause, then, such income shall be deemed to be the income of the person in receipt thereof—

(*a*) in the case referred to in sub-clause (*i*) of the said clause, of the previous year immediately following the previous year in which the income was received; or

(*b*) in the case referred to in sub-clause (*ii*) of the said clause, of the previous year immediately following the previous year in which the income was derived.

(2) Where eighty-five per cent of the income referred to in clause (*a*) or clause (*b*) of sub-section (1) read with the *Explanation* to that sub-section is not applied, or is not deemed to have been applied, to charitable or religious purposes in India during the previous year but is accumulated or set apart, either in whole or in part, for application to such purposes in India, such income so accumulated or set apart shall not be included in the total income of the previous year of the person in receipt of the income, provided the following conditions are complied with, namely:—

(*a*) such person furnishes a statement in the prescribed form and in the prescribed manner to the Assessing Officer, stating the purpose for which the income is being accumulated or set apart and the period for which the income is to be accumulated or set apart, which shall in no case exceed five years;

(*b*) the money so accumulated or set apart is invested or deposited in the forms or modes specified in sub-section (5);

(*c*) the statement referred to in clause (*a*) is furnished [at least two months prior to] the due date specified under sub-section (1) of section 139 for furnishing the return of income for the previous year:

Provided that in computing the period of five years referred to in clause (*a*), the period during which the income could not be applied for the purpose for which it is so accumulated or set apart, due to an order or injunction of any court, shall be excluded.

Explanation.—Any amount credited or paid, out of income referred to in clause (*a*) or clause (*b*) of sub-section (1), read with the *Explanation* to that sub-section, which is not applied, but is accumulated or set apart, to any trust or institution registered under section 12AA or section 12AB or to any fund or institution or trust or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10, shall not be treated as application of income for charitable or religious purposes, either during the period of accumulation or thereafter.

(3) Any income referred to in sub-section (2) which—

(*a*) is applied to purposes other than charitable or religious purposes as aforesaid or ceases to be accumulated or set apart for application thereto, or

(*b*) ceases to remain invested or deposited in any of the forms or modes specified in sub-section (5), or

(*c*) is not utilised for the purpose for which it is so accumulated or set apart during the period referred to in clause (*a*) of that sub-section,

(*d*) is credited or paid to any trust or institution registered under section 12AA or section 12AB or to any fund or institution or trust or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10,

shall be deemed to be the income of such person of the previous year,—

(*i*) in which it is so applied or ceases to be so accumulated or set apart under clause (*a*); or

(*ii*) in which it ceases to remain so invested or deposited under clause (*b*); or

(*iii*) being the last previous year of the period, for which the income is accumulated or set apart but not utilised for the purpose for which it is so accumulated or set apart under clause (*c*); or

(*iv*) in which it is credited or paid to any fund or institution or trust or any university or other educational institution or any hospital or other medical institution under clause (*d*).

(3A) Notwithstanding anything contained in sub-section (3), where due to circumstances beyond the control of the person in receipt of the income, any income invested or deposited in accordance with the provisions of clause (*b*) of sub-section (2) cannot be applied for the purpose for which it was accumulated or set apart, the Assessing Officer may, on an application made to him in this behalf, allow such person to apply such income for such other charitable or religious purpose in India as is specified in the application by such person and as is in conformity with the objects of the trust; and thereupon the provisions of sub-section (3) shall apply as if the purpose specified by such person in the application under this sub-section were a purpose specified in the notice given to the Assessing Officer under clause (*a*) of sub-section (2):

Provided that the Assessing Officer shall not allow application of such income by way of payment or credit made for the purposes referred to in clause (*d*) of sub-section (3) of section 11:

Provided further that in case the trust or institution, which has invested or deposited its income in accordance with the provisions of clause (*b*) of sub-section (2), is dissolved, the Assessing Officer may allow application of such income for the purposes referred to in clause (*d*) of sub-section (3) in the year in which such trust or institution was dissolved.

(4) For the purposes of this section "property held under trust" includes a business undertaking so held, and where a claim is made that the income of any such undertaking shall not be included in the total income of the persons in receipt thereof, the Assessing Officer shall have power to determine the income of such undertaking in accordance with the provisions of this Act relating to assessment; and where any income so determined is in excess of the income as shown in the accounts of the undertaking, such excess shall be deemed to be applied to purposes other than charitable or religious purposes.

(4A) Sub-section (1) or sub-section (2) or sub-section (3) or sub-section (3A) shall not apply in relation to any income of a trust or an institution, being profits and gains of business, unless the business is incidental to the attainment of the objectives of the trust or, as the case may be, institution, and separate books of account are maintained by such trust or institution in respect of such business.

(5) The forms and modes of investing or depositing the money referred to in clause (*b*) of sub-section (2) shall be the following, namely :—

(*i*) investment in savings certificates as defined in clause (*c*) of section 2 of the Government Savings Certificates Act, 1959 (46 of 1959), and any other securities or certificates issued by the Central Government under the Small Savings Schemes of that Government;

(*ii*) deposit in any account with the Post Office Savings Bank;

(*iii*) deposit in any account with a scheduled bank or a co-operative society engaged in carrying on the business of banking (including a co-operative land mortgage bank or a co-operative land development bank).

Explanation.—In this clause, "scheduled bank" means the State Bank of India constituted under the State Bank of India Act, 1955 (23 of 1955), a subsidiary bank as defined in the State Bank of India (Subsidiary Banks) Act, 1959 (38 of 1959), a corresponding new bank constituted under section 3 of the Banking Companies (Acquisition and Transfer of Undertakings) Act, 1970 (5 of 1970), or under section 3 of the Banking Companies (Acquisition and Transfer of Undertakings) Act, 1980 (40 of 1980), or any other bank being a bank included in the Second Schedule to the Reserve Bank of India Act, 1934 (2 of 1934);

(*iv*) investment in units of the Unit Trust of India established under the Unit Trust of India Act, 1963 (52 of 1963);

(*v*) investment in any security for money created and issued by the Central Government or a State Government;

(*vi*) investment in debentures issued by, or on behalf of, any company or corporation both the principal whereof and the interest whereon are fully and unconditionally guaranteed by the Central Government or by a State Government;

(*vii*) investment or deposit in any public sector company:

Provided that where an investment or deposit in any public sector company has been made and such public sector company ceases to be a public sector company,—

(*A*) such investment made in the shares of such company shall be deemed to be an investment made under this clause for a period of three years from the date on which such public sector company ceases to be a public sector company;

(*B*) such other investment or deposit shall be deemed to be an investment or deposit made under this clause for the period up to the date on which such investment or deposit becomes repayable by such company;

(*viii*) deposits with or investment in any bonds issued by a financial corporation which

is engaged in providing long-term finance for industrial development in India and which is eligible for deduction under clause (*viii*) of sub-section (1) of section 36;

(*ix*) deposits with or investment in any bonds issued by a public company formed and registered in India with the main object of carrying on the business of providing long-term finance for construction or purchase of houses in India for residential purposes and which is eligible for deduction under clause (*viii*) of sub-section (1) of section 36;

(*ixa*) deposits with or investment in any bonds issued by a public company formed and registered in India with the main object of carrying on the business of providing long-term finance for urban infrastructure in India.

Explanation.—For the purposes of this clause,—

(*a*) "long-term finance" means any loan or advance where the terms under which moneys are loaned or advanced provide for repayment along with interest thereof during a period of not less than five years;

(*b*) "public company" shall have the meaning assigned to it in section 3 of the Companies Act, 1956 (1 of 1956);

(*c*) "urban infrastructure" means a project for providing potable water supply, sanitation and sewerage, drainage, solid waste management, roads, bridges and flyovers or urban transport;

(*x*) investment in immovable property.

Explanation.—"Immovable property" does not include any machinery or plant (other than machinery or plant installed in a building for the convenient occupation of the building) even though attached to, or permanently fastened to, anything attached to the earth;

(*xi*) deposits with the Industrial Development Bank of India established under the Industrial Development Bank of India Act, 1964 (18 of 1964);

(*xii*) any other form or mode of investment or deposit as may be prescribed.

(6) In this section where any income is required to be applied or accumulated or set apart for application, then, for such purposes the income shall be determined without any deduction or allowance by way of depreciation or otherwise in respect of any asset, acquisition of which has been claimed as an application of income under this section in the same or any other previous year.

(7) Where a trust or an institution has been granted registration under section 12AA or section 12AB or has obtained registration at any time under section 12A [as it stood before its amendment by the Finance (No. 2) Act, 1996 (33 of 1996)] and the said registration is in force for any previous year, then, nothing contained in section 10 [[*other than clause (*1*), clause (*23C*), clause (*23EA*), clause (*23EC*), clause (*23ED*), clause (*46*), clause (*46A*) and clause (*46B*) thereof*]] shall operate to exclude any income derived from the property held under trust from the total income of the person in receipt thereof for that previous year:

Provided that such registration shall become inoperative from the date on which the trust or institution is approved under clause (*23C*) of section 10 or [*is notified under clause (*23EA*) or clause (*23EC*) or clause (*23ED*) or clause (*46*)*] [or clause (*46A*)] of the said section, as the case may be, or the date on which this proviso has come into force, whichever is later [*, or, the 1st day of April of the previous year relevant to the assessment year for which the exemption is claimed under clause (*46B*) of the said section*]:

Provided further that the trust or institution, whose registration has become inoperative under the first proviso, may apply to get its registration operative under section 12AA or section 12AB subject to the condition that on doing so, the approval under clause (*23C*) of section 10 or notification [under [*clause (*23EA*) or*] clause (*23EC*) or [*clause (*23ED*) or*] clause (*46*) or clause (*46A*)] of the said section, as the case may be, to such trust or institution shall cease to have any effect from the date on which the said registration becomes operative and thereafter, it shall not be entitled to exemption under the respective clauses.

Explanation.—For the purposes of this section, any sum payable by any trust or institution shall be considered as application of income in the previous year in which such sum is actually paid by it (irrespective of the previous year in which the liability to pay such sum was incurred by the trust or institution according to the method of accounting regularly employed by it):

Provided that where during any previous year, any sum has been claimed to have been applied by the trust or institution, such sum shall not be allowed as application in any subsequent previous year.

341.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under :-

> *"Clause 341 of the Bill provides for application of income of a registered non-profit organisation. The clause corresponds to Explanation 4 and Explanation 5 to section 11(1) of the Act. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".*

341.4 Important Views/Suggestions given by Experts/Stakeholders:

During the course of the Examination of the proposed Bill, some important suggestions/comments received from various stakeholders and experts are summarised as follows:-

1. To treat the complete donation made by one registered non-profit organisation to another registered non-profit organisation as application of money for the purpose of clause 341 of the Income-tax Bill, 2025.

- CBDT vide circular no 3 / 2024 dated 6 March 2024, clarified that 85 per cent of the donation shall be treated as application of income for the purposes of section 11 of the present Act.

- The same reasoning is continued in the Income-tax Bill, 2025, however, what is missed to be appreciated is that there is no “income” element in the donation made by one non-profit organisation to another non-profit organisation. Thus, there is no reasonable justification to only consider 85 per cent of the donations as application of income for the purposes of clause 341 of the Income-tax Bill, 2025.

2. The following sums shall be allowed as application of income to a registered non-profit organisation:— (a) any sum applied by it for charitable or religious purpose in India for which it is registered where such sum is,— (i) paid during such tax year; and (ii) such payment is allowable under sections 36(4), (5), (6), (7) and 35(b)(i); (b) 85% of the sum paid by way of donation made to any other registered non-profit organisation; (c) nil, with respect to any sum paid as a corpus donation to any other registered non-profit organisation; and (d) amount of capital gain reinvested in a mode permissible under section 350.

Exemption currently available for reinvestment in a capital asset is deleted ostensibly on the ground that acquisition of a capital asset is allowable as application of income However, no deduction as application is allowed if the proceeds are invested in permissible investments. In such a case, the gains (or maturity or sales proceeds) would become taxable, eroding the asset base of the trust on account of a mere change in asset allocation. Hence, reinvestment of the gains should continue to qualify for exemption.

3. The period of five years for such replenishment be extended to ten years in respect of corpus and deemed accumulation. In the case of loans, the repayment period should be increased to at least Twenty years, in line with the long-term nature of infrastructure and institutional investments commonly undertaken by charitable and religious institutions.

- Charitable and religious trusts often undertake long-gestation projects— such as schools, hospitals, community centres, or public welfare infrastructure—financed partly through corpus and loans The current Five-year repayment window is impractical for such projects, leading to non-compliance risks and denial of application benefits, despite genuine charitable intent and lead to taxation of Income earned after Five Years which is utilised to repay such older loans. Extending the timeframe will- - Reflect ground realities of longterm project cycles - Reduce undue compliance pressure on trusts - Ensure substantive compliance without penalizing bona fide activities. - Eliminate the burden of taxation of Income which shall be used to repay such loans post Five Years.

4. The section 341 which gives the amounts allowed as application does not include amount set aside under section 342 as deemed application of income.

- Similarly, 342(1) does not state that the said amount would not included in income like the old Section 11(2) where the amount set aside was not to be included in income.

- The section 343 deducts, the application under section 341 and accumulation under section 342 for calculation of 15% deemed accumulation Inclusion of the statement that the said accumulation will not be included in income.

- The section 342 needs to include a statement that the accumulation will not included in income or is deemed to be application. so as to clarify the intended meaning`.

5. The new section on application of income does not provide for deemed application as under the old Act. There is a need to include the said deemed application as the same was for amount not received by the assessee or any other reason.

- The non inclusion of this clause is likely to create great difficulty as the NPO who do not receive the amount would not be able to apply the said amounts The other difficulty is when the amount is received at fag end for the objects of the NPO and not for a particular project The NPO would not be able to apply the amounts.

6. Accumulation should be permitted for any object of the trust. This will help reduce litigation.

7. It is recommended that the NPOs engaged in Yoga programs for long time and with good reputation should be allowed to operate outside India. Amount applied outside India for conducting yoga programs should be considered as application while calculating the income of the NPO. India is not just the origin of Yoga — it is its rightful custodian. Tax law must enable Indian NPOs to serve this role globally, aligned with India's international commitments, cultural vision, and Prime Minister's leadership.

341.5 <u>Examination by the Committee:</u>

341.5.1 On the above suggestions, the Ministry of Finance has stated the following in their written submission (mentioned correspondingly):

1. "Suggestion seeks to treat the complete donation made by one registered non-profit organisation to another registered non-profit organisation as application of money for the purpose of clause 341 of the Income-tax Bill, 2025. The suggestion is the nature of policy change, which is beyond the scope of I T Bill, 2025. There is no change in the IT Bill, 2025 vis-a-vis I T Act, 1961. In order to ensure intended application towards charitable or religious purposes, Finance Act, 2023 had provided that eligible donations made by a trust/ institution shall be treated as application for charitable or religious

purposes only to the extent of 85% of such donations. It was intended to ensure that if 85 % of the amount, which is required to be applied by a trust/institution is donation to other trust / institution, the donation should not be towards corpus. This will ensure that the donations are applied by the done trust/ institution for charitable or religious purposes. Moreover, instances had come to the notice that certain trusts or institutions are trying to defeat the intention of the legislature by forming multiple trusts and accumulating 15% at each layer. By forming multiple trusts and accumulating 15% at each stage, the effective application towards the charitable or religious activities is reduced significantly to a lesser percentage compared to the mandatory requirement of 85%. In view of the above, the suggested amendment is not feasible".

2. "Suggestion seeks that investment of the capital gains should continue to qualify for exemption despite deletion of provision that for the purpose of considering application of income for the objectives of NPOs, capital gains shall be invested in capital assets. The gain on capital assets were required to invested in capital assets to claim as application of income. By removing such requirement, the gain is no longer required to be invested in capital assets. However, there is no restriction on investing such income for the objectives of the NPOs. Clause 337 relates to specified income of NPO. There are 11 items listed as specified income. The apprehension expressed by the stakeholder is not included in the specified income. Therefore, the suggestion is not clear"*.*

3. "Suggestion seeks that the period of five years for repayment/replenishment be extended to ten years in respect of corpus and deemed accumulation. In the case of loans, the repayment period should be increased to at least Twenty years. The suggestion is the nature of policy change, which is beyond the scope of I T Bill, 2025. There is no change in the IT Bill, 2025 vis-a-vis I T Act, 1961. The stipulation of five years for repayment back to the corpus is a continuation of the policy as in Income-Tax Act, 1961 and hence the suggestion is not acceptable".

4. "Suggestion seeks that like section 11(2) clarity be provided that accumulation shall not be included in income of NPO. Necessary clarity has already been provided in clause 343(2): "The deemed accumulated income under this section shall not be considered as accumulated income for the purpose of section 342." The concern of the stakeholder is adequately addressed by the provisions of clause 343(2)".

5. "Suggestion seeks that new section on application of income does not provide for deemed application as under the old Act. Consolidating the income accumulation regime into a single mode both alleviates administrative burdens and simplifies taxpayers' compliance obligations.
Under the previous framework, distinct procedures for one-year and five-year accumulation modes required the filing of separate forms and often resulted in denials of accumulation due to erroneous entries.
However, the suggestion has been noted for further consideration.

6. “The suggestion seeks that requirement of stating the purposes of accumulation should be deleted and NPOs may be allowed to accumulate for any of the objects of NPOs. Since, the income of a NPO has to be necessarily applied for the purposes for which it is created or established. Seeking the purpose for which the income is being accumulated or set apart and the period for which the income is to be accumulated or set apart is imperative to prevent misuse of the beneficial provisions and keep a check on utilisation of fund. There is no change in the IT Bill, 2025 vis-a-vis I T Act, 1961”.

7. The provisions of section 341(1)(a) relating to application of income for charitable or religious purposes in India is similar to the provisions of section 11(1) and 11(1)(b) of the ITA. There is no change in the IT Bill, 2025 vis-a-vis I T Act, 1961. As regard application outside India for Yoga, it may be noted that Clause 338(a) of the I T Bill is a simplification of the provisions of section 11(1)(c) of the Act. The said provisions apply to certain specific NPOs (NPOs for charitable purposes which tends to promote international welfare and NPOs created before the 1st April, 1952 for charitable or religious purposes). Said clause also empowers the CBDT to direct by general or special order the non-inclusion of any application of income outside India in total income. Therefore, any trust is free to apply to the CBDT for such exemption. Moreover, for expenditure made outside India, certain guardrails are required as it is not possible to verify genuineness of expenditure made outside. In view of the above, the suggestion is not feasible.

341.6 Observations/Recommendations of the Committee:

341.6.1 The Committee note that Clause 341 of the Bill, which deals with the application of income for a registered non-profit organization, corresponds to Explanations 4 and 5 of Section 11(1) of the existing Income-Tax Act, 1961. The Committee acknowledge that the Bill has textually simplified these provisions while intending to retain their original meaning.

341.6.2 During deliberations, the Committee considered various suggestions from stakeholders and experts, as well as the Department's responses. A significant concern raised by a stakeholder was that the new clause on the application of income does not provide for "deemed application" as was present under Explanation 2 of Section 11 of the Income-Tax Act, 1961. The stakeholder emphasized the critical need to include this deemed application provision, as it addressed situations where NPOs could not receive amounts (e.g., due to disputes) or received them very late in the financial year, making it impossible to "apply" such income within the prescribed timeframe. The absence of this clause, it was argued, would create significant practical difficulties for NPOs.

341.6.3 In response, the Department stated that the stakeholder's suggestion implies allowing registered NPOs to treat donations made to other registered NPOs out of accumulated income as applied, at least for the first year of accumulation. The Department highlighted that consolidating the income-accumulation regime into a single mode aims to reduce administrative burdens and simplify compliance. They further explained that the previous framework's

distinct one-year and five-year accumulation procedures often led to denials due to erroneous entries. However, the Department has noted the stakeholder's suggestion for further consideration. The Committee, therefore, recommend to retain the existing provision of Explanation 2 of Section 11 of the Income-Tax Act, 1961 related to deemed application in Clause 341. The Committee also recommend to omit the reference made to the proposed repealed Act ie. Income-Tax Act, 1961 in Clauses 341(2(ii) and 341(3)(a) and incorporate the same in Clause 536 which provides for Repeals and Savings. Apart from these drafting corrections, the Committee approve Clause 341 as proposed.

Clause 342 - Accumulated income

342.1 Provision proposed in the Income-Tax Bill, 2025:

342. (*1*) A registered non-profit organisation may accumulate or set apart any part of its regular income during any tax year by furnishing a statement to the Assessing Officer in such form and manner, as prescribed, on or before the due date specified in section 263(*1*) for furnishing the return of income for such tax year stating therein the purpose and period, not exceeding five years, for which the income is being accumulated or set apart.

(*2*) The amount credited or paid by a registered non-profit organisation to any other registered non-profit organisation out of its income accumulated or set apart, shall not be treated as application of income.

(*3*) The period during which the income is not be applied for the purpose for which it is so accumulated or set apart pursuant to an order or injunction of any court, shall be excluded from said period of five years.

(*4*) The income accumulated or set apart under sub-section (*1*) shall be invested or deposited in any of the modes permitted under section 350, or applied for the purposes as stated in the prescribed form referred to in sub-section (*1*).

(*5*) The registered non-profit organisation may, for the change of purpose for which income has been accumulated or set apart, make an application to the Assessing Officer, in such form and manner, as prescribed.

(*6*) The Assessing Officer may, on an application under sub-section (*5*) and subject to sub-section (*2*), allow the registered non-profit organisation to apply its income for such other charitable or religious purposes in India which are in conformity with its objects.

(*7*) Where a registered non-profit organisation is dissolved, the Assessing Officer may, on an application made by such registered non-profit organisation in such form and manner, as prescribed, allow application of such income to bemade to any other registered non-profit organisation for the year in which it is dissolved.

342.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Income from property held for charitable or religious purposes.

11. (1) Subject to the provisions of sections 60 to 63, the following income shall not be included in the total income of the previous year of the person in receipt of the income—

(*a*) income derived from property held under trust wholly for charitable or religious purposes, to the extent to which such income is applied to such purposes in India; and, where any such income is accumulated or set apart for application to

such purposes in India, to the extent to which the income so accumulated or set apart is not in excess of fifteen per cent of the income from such property;

(*b*) income derived from property held under trust in part only for such purposes, the trust having been created before the commencement of this Act, to the extent to which such income is applied to such purposes in India; and, where any such income is finally set apart for application to such purposes in India, to the extent to which the income so set apart is not in excess of fifteen per cent of the income from such property;

(*c*) income derived from property held under trust—

(*i*) created on or after the 1st day of April, 1952, for a charitable purpose which tends to promote international welfare in which India is interested, to the extent to which such income is applied to such purposes outside India, and

(*ii*) for charitable or religious purposes, created before the 1st day of April, 1952, to the extent to which such income is applied to such purposes outside India:

Provided that the Board, by general or special order, has directed in either case that it shall not be included in the total income of the person in receipt of such income;

(*d*) income in the form of voluntary contributions made with a specific direction that they shall form part of the corpus of the trust or institution, subject to the condition that such voluntary contributions are invested or deposited in one or more of the forms or modes specified in sub-section (5) maintained specifically for such corpus.

Explanation 1.—For the purposes of clauses (*a*) and (*b*),—

(*1*) in computing the fifteen per cent of the income which may be accumulated or set apart, any such voluntary contributions as are referred to in section 12 shall be deemed to be part of the income;

(*2*) if, in the previous year, the income applied to charitable or religious purposes in India falls short of eighty-five per cent of the income derived during that year from property held under trust, or, as the case may be, held under trust in part, by any amount—

(*i*) for the reason that the whole or any part of the income has not been received during that year, or

(*ii*) for any other reason,

then—

(*a*) in the case referred to in sub-clause (*i*), so much of the income applied to such purposes in India during the previous year in which the income is received or during the previous year immediately following as does not exceed the said amount, and

(*b*) in the case referred to in sub-clause (*ii*), so much of the income applied to such purposes in India during the previous year immediately following

the previous year in which the income was derived as does not exceed the said amount,

may, at the option of the person in receipt of the income (such option to be exercised [at least two months prior to the due date specified] under sub-section (1) of section 139 for furnishing the return of income, in such form and manner as may be prescribed) be deemed to be income applied to such purposes during the previous year in which the income was derived; and the income so deemed to have been applied shall not be taken into account in calculating the amount of income applied to such purposes, in the case referred to in sub-clause (*i*), during the previous year in which the income is received or during the previous year immediately following, as the case may be, and, in the case referred to in sub-clause (*ii*), during the previous year immediately following the previous year in which the income was derived.

Explanation 2.—Any amount credited or paid, out of income referred to in clause (*a*) or clause (*b*) read with *Explanation 1*, to any fund or trust or institution or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10 or other trust or institution registered under section 12AA or section 12AB, as the case may be, being contribution with a specific direction that it shall form part of the corpus, shall not be treated as application of income for charitable or religious purposes.

Explanation 3.—For the purposes of determining the amount of application under clause (*a*) or clause (*b*), the provisions of sub-clause (*ia*) of clause (*a*) of section 40 and sub-sections (3) and (3A) of section 40A, shall, *mutatis mutandis*, apply as they apply in computing the income chargeable under the head "Profits and gains of business or profession".

Explanation 3A.—For the purposes of this sub-section, where the property held under a trust or institution includes any temple, mosque, gurdwara, church or other place notified under clause (*b*) of sub-section (2) of section 80G, any sum received by such trust or institution as voluntary contribution for the purpose of renovation or repair of such temple, mosque, gurdwara, church or other place, may, at its option, be treated by such trust or institution as forming part of the corpus of the trust or the institution, subject to the condition that the trust or the institution,—

(*a*) applies such corpus only for the purpose for which the voluntary contribution was made;

(*b*) does not apply such corpus for making contribution or donation to any person;

(*c*) maintains such corpus as separately identifiable; and

(*d*) invests or deposits such corpus in the forms and modes specified under sub-section (5) of section 11.

Explanation 3B.—For the purposes of *Explanation 3A*, where any trust or institution has treated any sum received by it as forming part of the corpus, and subsequently

any of the conditions specified in clause (*a*) or clause (*b*) or clause (*c*) or clause (*d*) of the said *Explanation* is violated, such sum shall be deemed to be the income of such trust or institution of the previous year during which the violation takes place.

Explanation 4.—For the purposes of determining the amount of application under clause (*a*) or clause (*b*),—

(*i*) application for charitable or religious purposes from the corpus as referred to in clause (*d*) of this sub-section, shall not be treated as application of income for charitable or religious purposes:

Provided that the amount not so treated as application, or part thereof, shall be treated as application for charitable or religious purposes in the previous year in which the amount, or part thereof, is invested or deposited back, into one or more of the forms or modes specified in sub-section (5) maintained specifically for such corpus, from the income of that year and to the extent of such investment or [78][deposit:]

[79][**Provided further** that provisions of the first proviso shall apply only if there was no violation of the conditions specified—

(*a*) in clause (*c*) of this sub-section;

(*b*) in *Explanations 2, 3* and *5* of this sub-section;

(*c*) in the *Explanation* to this section; and

(*d*) in clause (*c*) of sub-section (1) of section 13,

at the time the application was made from the corpus:

Provided also that the amount invested or deposited back shall not be treated as application for charitable or religious purposes under the first proviso unless such investment or deposit is made within a period of five years from the end of the previous year in which such application was made from the corpus:

Provided also that nothing contained in the first proviso shall apply where application from the corpus is made on or before the 31st day of March, 2021;]

(*ii*) application for charitable or religious purposes, from any loan or borrowing, shall not be treated as application of income for charitable or religious purposes:

Provided that the amount not so treated as application, or part thereof, shall be treated as application for charitable or religious purposes in the previous year in which the loan or borrowing, or part thereof, is repaid from the income of that year and to the extent of such repayment:

[**Provided further** that provisions of the first proviso shall apply only if there was no violation of the conditions specified—

(*a*) in clause (*c*) of this sub-section;

(*b*) in *Explanations 2, 3* and *5* of this sub-section;

(*c*) in the *Explanation* to this section; and

(*d*) in clause (*c*) of sub-section (1) of section 13,

at the time the application was made from loan or borrowing:

Provided also that the amount repaid shall not be treated as application for

charitable or religious purposes under the first proviso unless such repayment is made within a period of five years from the end of the previous year in which such application was made from loan or borrowing:

Provided also that nothing contained in the first proviso shall apply where application from any loan or borrowing is made on or before the 31st day of March, 2021; and]

[(*iii*) any amount credited or paid, other than the amount referred to in *Explanation 2,* to any fund or trust or institution or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10, as the case may be, or other trust or institution registered under section 12AB, as the case may be, shall be treated as application for charitable or religious purposes only to the extent of eighty-five per cent of such amount credited or paid.]

Explanation 5.—For the purposes of this sub-section, it is hereby clarified that the calculation of income required to be applied or accumulated during the previous year shall be made without any set off or deduction or allowance of any excess application of any of the year preceding the previous year.

(1A) For the purposes of sub-section (1),—

(*a*) where a capital asset, being property held under trust wholly for charitable or religious purposes, is transferred and the whole or any part of the net consideration is utilised for acquiring another capital asset to be so held, then, the capital gain arising from the transfer shall be deemed to have been applied to charitable or religious purposes to the extent specified hereunder, namely:—

(*i*) where the whole of the net consideration is utilised in acquiring the new capital asset, the whole of such capital gain;

(*ii*) where only a part of the net consideration is utilised for acquiring the new capital asset, so much of such capital gain as is equal to the amount, if any, by which the amount so utilised exceeds the cost of the transferred asset;

(*b*) where a capital asset, being property held under trust in part only for such purposes, is transferred and the whole or any part of the net consideration is utilised for acquiring another capital asset to be so held, then, the appropriate fraction of the capital gain arising from the transfer shall be deemed to have been applied to charitable or religious purposes to the extent specified hereunder, namely:—

(*i*) where the whole of the net consideration is utilised in acquiring the new capital asset, the whole of the appropriate fraction of such capital gain;

(*ii*) in any other case, so much of the appropriate fraction of the capital gain as is equal to the amount, if any, by which the appropriate fraction of the amount utilised for acquiring the new asset exceeds the appropriate fraction of the cost of the transferred asset.

Explanation.—In this sub-section,—

(*i*) "appropriate fraction" means the fraction which represents the extent to which the income derived from the capital asset transferred was immediately before such transfer applicable to charitable or religious purposes;

(*ii*) "cost of the transferred asset" means the aggregate of the cost of acquisition (as ascertained for the purposes of sections 48 and 49) of the capital asset which is the subject of the transfer and the cost of any improvement thereto within the meaning assigned to that expression in sub-clause (*b*) of clause (*1*) of section 55;

(*iii*) "net consideration" means the full value of the consideration received or accruing as a result of the transfer of the capital asset as reduced by any expenditure incurred wholly and exclusively in connection with such transfer.

(1B) Where any income in respect of which an option is exercised under clause (*2*) of the *Explanation* to sub-section (1) is not applied to charitable or religious purposes in India during the period referred to in sub-clause (*a*) or, as the case may be, sub-clause (*b*), of the said clause, then, such income shall be deemed to be the income of the person in receipt thereof—

(*a*) in the case referred to in sub-clause (*i*) of the said clause, of the previous year immediately following the previous year in which the income was received; or

(*b*) in the case referred to in sub-clause (*ii*) of the said clause, of the previous year immediately following the previous year in which the income was derived.

(2) Where eighty-five per cent of the income referred to in clause (*a*) or clause (*b*) of sub-section (1) read with the *Explanation* to that sub-section is not applied, or is not deemed to have been applied, to charitable or religious purposes in India during the previous year but is accumulated or set apart, either in whole or in part, for application to such purposes in India, such income so accumulated or set apart shall not be included in the total income of the previous year of the person in receipt of the income, provided the following conditions are complied with, namely:—

(*a*) such person furnishes a statement in the prescribed form and in the prescribed manner to the Assessing Officer, stating the purpose for which the income is being accumulated or set apart and the period for which the income is to be accumulated or set apart, which shall in no case exceed five years;

(*b*) the money so accumulated or set apart is invested or deposited in the forms or modes specified in sub-section (5);

(*c*) the statement referred to in clause (*a*) is furnished [at least two months prior to] the due date specified under sub-section (1) of section 139 for furnishing the return of income for the previous year:

Provided that in computing the period of five years referred to in clause (*a*), the period during which the income could not be applied for the purpose for which it is so accumulated or set apart, due to an order or injunction of any court, shall be excluded.

Explanation.—Any amount credited or paid, out of income referred to in clause (*a*) or clause (*b*) of sub-section (1), read with the *Explanation* to that sub-section, which is not

applied, but is accumulated or set apart, to any trust or institution registered under section 12AA or section 12AB or to any fund or institution or trust or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10, shall not be treated as application of income for charitable or religious purposes, either during the period of accumulation or thereafter.

(3) Any income referred to in sub-section (2) which—

(*a*) is applied to purposes other than charitable or religious purposes as aforesaid or ceases to be accumulated or set apart for application thereto, or

(*b*) ceases to remain invested or deposited in any of the forms or modes specified in sub-section (5), or

(*c*) is not utilised for the purpose for which it is so accumulated or set apart during the period referred to in clause (*a*) of that sub-section,

(*d*) is credited or paid to any trust or institution registered under section 12AA or section 12AB or to any fund or institution or trust or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10,

shall be deemed to be the income of such person of the previous year,—

(*i*) in which it is so applied or ceases to be so accumulated or set apart under clause (*a*); or

(*ii*) in which it ceases to remain so invested or deposited under clause (*b*); or

(*iii*) being the last previous year of the period, for which the income is accumulated or set apart but not utilised for the purpose for which it is so accumulated or set apart under clause (*c*); or

(*iv*) in which it is credited or paid to any fund or institution or trust or any university or other educational institution or any hospital or other medical institution under clause (*d*).

(3A) Notwithstanding anything contained in sub-section (3), where due to circumstances beyond the control of the person in receipt of the income, any income invested or deposited in accordance with the provisions of clause (*b*) of sub-section (2) cannot be applied for the purpose for which it was accumulated or set apart, the Assessing Officer may, on an application made to him in this behalf, allow such person to apply such income for such other charitable or religious purpose in India as is specified in the application by such person and as is in conformity with the objects of the trust; and thereupon the provisions of sub-section (3) shall apply as if the purpose specified by such person in the application under this sub-section were a purpose specified in the notice given to the Assessing Officer under clause (*a*) of sub-section (2):

Provided that the Assessing Officer shall not allow application of such income by way of payment or credit made for the purposes referred to in clause (*d*) of sub-section (3) of section 11:

Provided further that in case the trust or institution, which has invested or deposited its income in accordance with the provisions of clause (*b*) of sub-section (2), is dissolved, the Assessing Officer may allow application of such income for the purposes referred to in clause (*d*) of sub-section (3) in the year in which such trust or institution was dissolved.

(4) For the purposes of this section "property held under trust" includes a business undertaking so held, and where a claim is made that the income of any such undertaking shall not be included in the total income of the persons in receipt thereof, the Assessing Officer shall have power to determine the income of such undertaking in accordance with the provisions of this Act relating to assessment; and where any income so determined is in excess of the income as shown in the accounts of the undertaking, such excess shall be deemed to be applied to purposes other than charitable or religious purposes.

(4A) Sub-section (1) or sub-section (2) or sub-section (3) or sub-section (3A) shall not apply in relation to any income of a trust or an institution, being profits and gains of business, unless the business is incidental to the attainment of the objectives of the trust or, as the case may be, institution, and separate books of account are maintained by such trust or institution in respect of such business.

(5) The forms and modes of investing or depositing the money referred to in clause (*b*) of sub-section (2) shall be the following, namely :—

(*i*) investment in savings certificates as defined in clause (*c*) of section 2 of the Government Savings Certificates Act, 1959 (46 of 1959), and any other securities or certificates issued by the Central Government under the Small Savings Schemes of that Government;

(*ii*) deposit in any account with the Post Office Savings Bank;

(*iii*) deposit in any account with a scheduled bank or a co-operative society engaged in carrying on the business of banking (including a co-operative land mortgage bank or a co-operative land development bank).

Explanation.—In this clause, "scheduled bank" means the State Bank of India constituted under the State Bank of India Act, 1955 (23 of 1955), a subsidiary bank as defined in the State Bank of India (Subsidiary Banks) Act, 1959 (38 of 1959), a corresponding new bank constituted under section 3 of the Banking Companies (Acquisition and Transfer of Undertakings) Act, 1970 (5 of 1970), or under section 3 of the Banking Companies (Acquisition and Transfer of Undertakings) Act, 1980 (40 of 1980), or any other bank being a bank included in the Second Schedule to the Reserve Bank of India Act, 1934 (2 of 1934);

(*iv*) investment in units of the Unit Trust of India established under the Unit Trust of India Act, 1963 (52 of 1963);

(*v*) investment in any security for money created and issued by the Central Government or a State Government;

(*vi*) investment in debentures issued by, or on behalf of, any company or corporation both the principal whereof and the interest whereon are fully and unconditionally guaranteed by the Central Government or by a State Government;

(*vii*) investment or deposit in any public sector company:

Provided that where an investment or deposit in any public sector company has been made and such public sector company ceases to be a public sector company,—

(*A*) such investment made in the shares of such company shall be deemed to be an investment made under this clause for a period of three years from the date on which such public sector company ceases to be a public sector company;

(*B*) such other investment or deposit shall be deemed to be an investment or deposit made under this clause for the period up to the date on which such investment or deposit becomes repayable by such company;

(*viii*) deposits with or investment in any bonds issued by a financial corporation which is engaged in providing long-term finance for industrial development in India and which is eligible for deduction under clause (*viii*) of sub-section (1) of section 36;

(*ix*) deposits with or investment in any bonds issued by a public company formed and registered in India with the main object of carrying on the business of providing long-term finance for construction or purchase of houses in India for residential purposes and which is eligible for deduction under clause (*viii*) of sub-section (1) of section 36;

(*ixa*) deposits with or investment in any bonds issued by a public company formed and registered in India with the main object of carrying on the business of providing long-term finance for urban infrastructure in India.

Explanation.—For the purposes of this clause,—

(*a*) "long-term finance" means any loan or advance where the terms under which moneys are loaned or advanced provide for repayment along with interest thereof during a period of not less than five years;

(*b*) "public company" shall have the meaning assigned to it in section 3 of the Companies Act, 1956 (1 of 1956);

(*c*) "urban infrastructure" means a project for providing potable water supply, sanitation and sewerage, drainage, solid waste management, roads, bridges and flyovers or urban transport;

(*x*) investment in immovable property.

Explanation.—"Immovable property" does not include any machinery or plant (other than machinery or plant installed in a building for the convenient occupation of the building) even though attached to, or permanently fastened to, anything attached to the earth;

(*xi*) deposits with the Industrial Development Bank of India established under the

Industrial Development Bank of India Act, 1964 (18 of 1964);

(*xii*) any other form or mode of investment or deposit as may be prescribed.

(6) In this section where any income is required to be applied or accumulated or set apart for application, then, for such purposes the income shall be determined without any deduction or allowance by way of depreciation or otherwise in respect of any asset, acquisition of which has been claimed as an application of income under this section in the same or any other previous year.

(7) Where a trust or an institution has been granted registration under section 12AA or section 12AB or has obtained registration at any time under section 12A [as it stood before its amendment by the Finance (No. 2) Act, 1996 (33 of 1996)] and the said registration is in force for any previous year, then, nothing contained in section 10 [[82][*other than clause (*1*), clause (*23C*), clause (*23EA*), clause (*23EC*), clause (*23ED*), clause (*46*), clause (*46A*) and clause (*46B*) thereof*]] shall operate to exclude any income derived from the property held under trust from the total income of the person in receipt thereof for that previous year:

Provided that such registration shall become inoperative from the date on which the trust or institution is approved under clause (*23C*) of section 10 or [83][*is notified under clause (*23EA*) or clause (*23EC*) or clause (*23ED*) or clause (*46*)*] [or clause (*46A*)] of the said section, as the case may be, or the date on which this proviso has come into force, whichever is later [85][*, or, the 1st day of April of the previous year relevant to the assessment year for which the exemption is claimed under clause (*46B*) of the said section*]:

Provided further that the trust or institution, whose registration has become inoperative under the first proviso, may apply to get its registration operative under section 12AA or section 12AB subject to the condition that on doing so, the approval under clause (*23C*) of section 10 or notification [under [*clause (*23EA*) or*] clause (*23EC*) or [*clause (*23ED*) or*] clause (*46*) or clause (*46A*)] of the said section, as the case may be, to such trust or institution shall cease to have any effect from the date on which the said registration becomes operative and thereafter, it shall not be entitled to exemption under the respective clauses.

Explanation.—For the purposes of this section, any sum payable by any trust or institution shall be considered as application of income in the previous year in which such sum is actually paid by it (irrespective of the previous year in which the liability to pay such sum was incurred by the trust or institution according to the method of accounting regularly employed by it):

Provided that where during any previous year, any sum has been claimed to have been applied by the trust or institution, such sum shall not be allowed as application in any subsequent previous year.

342.3 <u>Reasons/Justification given by the Ministry of Finance for the proposed provision:</u>

The justification furnished by the Ministry for the proposed provision is as under :-

> *"Clause 342 of the Bill provides for accumulated income of a registered non-profit organisation. The clause corresponds to section 11(2)(a)/(b)/(c), its proviso and Explanation, section 11(3A) and its provisos. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".*

342.4 <u>Important Views/Suggestions given by Experts/Stakeholders:</u>

During the course of the Examination of the proposed Bill, some important suggestions/comments received from various stakeholders and experts are summarised as follows:-

1. A registered non-profit organisation may accumulate or set apart any part of its regular income during any tax year by furnishing a statement to the Assessing Officer in such form and manner, as prescribed, on or before the due date specified in section 263(1) for furnishing the return of income for such tax year stating therein the period, not exceeding five years, for which the income is being accumulated or set apart.

- Whether accumulation can be for general objects of the trust or has to be for specific purposes within those objects has been the subject matter of litigation for almost four decades Further, the option to spend in the subsequent year is being deleted as accumulation is permitted Under the option, spending could be for any object and not necessarily for specified purposes.

- In any case, an NPO can spend only on its objects the requirement of stating the purposes of accumulation should therefore be deleted.

2. The amount credited or paid by a registered non-profit organisation to any other registered non-profit organisation out of its income accumulated or set apart, shall not be treated as application of income, unless such amount is paid in the first year of accumulation.

- The option to spend in subsequent year is being deleted since accumulation is available In case of option, amount could be donated to another NPO. Therefore, such donation should now be permitted out of accumulation at least for the first year of accumulation.
-

3. Donation to another registered NPO may be permitted as utilisation in the first year following the year for which income is accumulated.

4. Clause 2 to the explanation 1 of Section 11(1) represented a fair and necessary flexibility that accounted for the realities of donation cycles, bank procedures, and accrualbased income. Its outright removal in the new Bill disregards the practical functioning of NPOs. Hence, Clause 2 to the explanation 1 of Section 11(1)(or an equivalent clause) should be reinstated in the new framework.

5. While the Income-Tax Bill 2025 aims to streamline NPO taxation and generally exempts explicitly documented corpus donations, does the Bill introduce any specific time limit (eg. 5 years) within which a registered NPO must spend or utilize a corpus donation for its charitable objects, or does it continue to allow such funds to be accumulated indefinitely without triggering tax liability, provided they are invested in specified modes?.

342.5 <u>Examination by the Committee:</u>

On the above suggestions, the Ministry of Finance has stated the following in their written submission (mentioned correspondingly):

1. "The suggestion seeks that requirement of stating the purposes of accumulation should be deleted. The suggestion is the nature of policy change, which is beyond the scope of I T Bill, 2025. There is no change in the IT Bill, 2025 vis-a-vis I T Act, 1961. Since, the income of a NPO has to be necessarily applied for the purposes for which it is created or established. Seeking such information is imperative".

2. "The suggestion seeks that where any registered NPO does not apply income and accumulates and set apart it to any other registered NPO, such donation be permitted out of accumulation at least for the first year of accumulation. The suggestion is the nature of policy change, which is beyond the scope of I T Bill, 2025.There is no change in the IT Bill, 2025 vis-a-vis I T Act, 1961. The said provisions correspond with the provisions of Explanation to section 11(2) of the I T Act. Since, the donor NPO has not applied but accumulated or set apart said income to another NPO, the question of treating such income as application in the case of donor NPO does not arise. The provision also provides that 85% of such donation shall be treated as application. In view of the above, the suggested amendment is not feasible".

3. "The suggestion seeks that where any registered NPO does not apply income and accumulates and set apart it to any other registered NPO, such donation be permitted out of accumulation at least for the first year of accumulation".

- Consolidating the income-accumulation regime into a single mode both alleviates administrative burdens and simplifies taxpayers' compliance obligations.

- Under the previous framework, distinct procedures for one-year and five-year accumulation modes required the filing of separate forms and often resulted in denials of accumulation due to erroneous entries.

4. NPOs are expected to apply their income for charitable purposes within the year in which income is derived. However, in a case where requisite application of 85% of the income could not be applied, the short fall was allowed to be deemed as application in the Income-tax Act.

There were two situations,- (i) one where income is not received during the relevant previous year; and (ii) another where for any other reasons. In both cases assessee could exercise the option and such income was deemed as application in the previous year in which income is derived.

Further, such income was not taken into account for the purposes of application,- (i) in the previous year or immediately following previous year in the first situation mentioned above; and (ii) in the previous year immediately following the relevant previous year in the second situation mentioned above.

Therefore, one year period was available in the situation (ii), where shortfall in application was on account of "any other reasons". However, where shortfall was on account of "income not received", indefinite period was available for application till it is received. Clause 342 of the Income-tax Bill, 2025, consolidates and simplifies the accumulation regime for non-profit organisations (NPOs) to reduce compliance burden and bring administrative efficiency. Consolidating the income-accumulation regime into a single mode both alleviates administrative burdens and simplifies taxpayers' compliance obligations. Under the previous framework, distinct procedures for one-year and five-year accumulation modes required the filing of separate forms and often resulted in denials of accumulation due to erroneous entries. Income which is not accrued will not form part of regular income of NPO. Therefore, deemed application concept is not applicable in respect of such income. When such income is received, it is either applied to the extent of 85% or accumulated for a period of 5 years. Indefinite carry over of accrued income thus continues in the Bill as the requirement of application only starts when the income is received. As far as income which is received but can not be spent due to any reason is concerned, the trust can keep it in the specified mode in the year of receipt and thereafter spent it in next five year. This is a better proposition than the provision of the Act where the Trust was required to apply the amount not spent in the year of receipt as application in the subsequent year failing which it would have been treated as income.

5. As per clause 342(1) of the Bill, the limit of 5 years for accumulation or setting apart of income applies to "regular income" of the NPO and as per clause 338 "corpus donation" shall not be included in "regular income" of NPOs. Therefore, the Bill continues the same policy towards corpus donation as it was in the IT Act.

342.6 Observations/Recommendations of the Committee:

The Committee note that Clause 342 of the Bill, which pertains to the accumulated income of a registered non-profit organization, aligns with Section 11(2) and Section 11(3A) of the existing Income-Tax Act, 1961. The Bill aims to simplify these provisions while retaining their original intent. Given the views of stakeholders and response of the the Ministry of Finance (Department of Revenue), the Committee accept the clause as proposed.

Clause 343 - Deemed accumulated income

343.1 Provision proposed in the Income-Tax Bill, 2025:

343. (*1*) The regular income, as reduced by the application of income and accumulated income under section 342, to the extent of 15% of regular income, shall be considered as deemed accumulated income and shall be invested or deposited in any of the modes permitted under section 350. (*2*) The deemed accumulated income under this section shall not be considered as accumulated income for the purposes of section 342.

343.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Income from property held for charitable or religious purposes. 11. (1) Subject to the provisions of sections 60 to 63, the following income shall not be included in the total income of the previous year of the person in receipt of the income—

(*a*) income derived from property held under trust wholly for charitable or religious purposes, to the extent to which such income is applied to such purposes in India; and, where any such income is accumulated or set apart for application to such purposes in India, to the extent to which the income so accumulated or set apart is not in excess of fifteen per cent of the income from such property;

(*b*) income derived from property held under trust in part only for such purposes, the trust having been created before the commencement of this Act, to the extent to which such income is applied to such purposes in India; and, where any such income is finally set apart for application to such purposes in India, to the extent to which the income so set apart is not in excess of fifteen per cent of the income from such property;

(*c*) income derived from property held under trust—

(*i*) created on or after the 1st day of April, 1952, for a charitable purpose which tends to promote international welfare in which India is interested, to the extent to which such income is applied to such purposes outside India, and

(*ii*) for charitable or religious purposes, created before the 1st day of April, 1952, to the extent to which such income is applied to such purposes outside India:

Provided that the Board, by general or special order, has directed in either case that it shall not be included in the total income of the person in receipt of such income;

(*d*) income in the form of voluntary contributions made with a specific direction that they shall form part of the corpus of the trust or institution, subject to the condition that such voluntary contributions are invested or deposited in one or more of the forms or modes specified in sub-section (5) maintained specifically for such corpus.

Explanation 1.—For the purposes of clauses (*a*) and (*b*),—

(*1*) in computing the fifteen per cent of the income which may be accumulated or set apart, any such voluntary contributions as are referred to in section 12 shall be deemed to be part of the income;

(*2*) if, in the previous year, the income applied to charitable or religious purposes in India falls short of eighty-five per cent of the income derived during that year from property held under trust, or, as the case may be, held under trust in part, by any amount—

(*i*) for the reason that the whole or any part of the income has not been received during that year, or

(*ii*) for any other reason,

then—

(*a*) in the case referred to in sub-clause (*i*), so much of the income applied to such purposes in India during the previous year in which the income is received or during the previous year immediately following as does not exceed the said amount, and

(*b*) in the case referred to in sub-clause (*ii*), so much of the income applied to such purposes in India during the previous year immediately following the previous year in which the income was derived as does not exceed the said amount,

may, at the option of the person in receipt of the income (such option to be exercised [at least two months prior to the due date specified] under sub-section (1) of section 139 for furnishing the return of income, in such form and manner as may be prescribed) be deemed to be income applied to such purposes during the previous year in which the income was derived; and the income so deemed to have been applied shall not be taken into account in calculating the amount of income applied to such purposes, in the case referred to in sub-clause (*i*), during the previous year in which the income is received or during the previous year immediately following, as the case may be, and, in the case referred to in sub-clause (*ii*), during the previous year immediately following the previous year in which the income was derived.

Explanation 2.—Any amount credited or paid, out of income referred to in clause (*a*) or clause (*b*) read with *Explanation 1*, to any fund or trust or institution or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10 or other trust or institution registered under section 12AA or section 12AB, as the case may be, being contribution with a specific direction that it shall form part of the corpus, shall not be treated as application of income for charitable or religious purposes. *Explanation 3.*—For the purposes of determining the amount of application under clause (*a*) or clause (*b*), the provisions of sub-clause (*ia*) of clause (*a*) of section 40 and sub-sections (3) and (3A) of section 40A, shall, *mutatis mutandis*, apply as they apply in computing the income chargeable under the head "Profits and gains of business or profession". *Explanation 3A*.—For the purposes of this sub-section, where the property held under a trust or institution includes any temple, mosque, gurdwara, church or other place notified under clause (*b*) of sub-section (2)

of section 80G, any sum received by such trust or institution as voluntary contribution for the purpose of renovation or repair of such temple, mosque, gurdwara, church or other place, may, at its option, be treated by such trust or institution as forming part of the corpus of the trust or the institution, subject to the condition that the trust or the institution,—

(*a*) applies such corpus only for the purpose for which the voluntary contribution was made;

(*b*) does not apply such corpus for making contribution or donation to any person;

(*c*) maintains such corpus as separately identifiable; and

(*d*) invests or deposits such corpus in the forms and modes specified under sub-section (5) of section 11.

Explanation 3B.—For the purposes of *Explanation 3A*, where any trust or institution has treated any sum received by it as forming part of the corpus, and subsequently any of the conditions specified in clause (*a*) or clause (*b*) or clause (*c*) or clause (*d*) of the said *Explanation* is violated, such sum shall be deemed to be the income of such trust or institution of the previous year during which the violation takes place. *Explanation 4.*—For the purposes of determining the amount of application under clause (*a*) or clause (*b*),—

(*i*) application for charitable or religious purposes from the corpus as referred to in clause (*d*) of this sub-section, shall not be treated as application of income for charitable or religious purposes:

Provided that the amount not so treated as application, or part thereof, shall be treated as application for charitable or religious purposes in the previous year in which the amount, or part thereof, is invested or deposited back, into one or more of the forms or modes specified in sub-section (5) maintained specifically for such corpus, from the income of that year and to the extent of such investment or [deposit:]

[**Provided further** that provisions of the first proviso shall apply only if there was no violation of the conditions specified—

(*a*) in clause (*c*) of this sub-section;

(*b*) in *Explanations 2, 3* and *5* of this sub-section;

(*c*) in the *Explanation* to this section; and

(*d*) in clause (*c*) of sub-section (1) of section 13,

at the time the application was made from the corpus:

Provided also that the amount invested or deposited back shall not be treated as application for charitable or religious purposes under the first proviso unless such investment or deposit is made within a period of five years from the end of the previous year in which such application was made from the corpus:

Provided also that nothing contained in the first proviso shall apply where application from the corpus is made on or before the 31st day of March, 2021;]

(*ii*) application for charitable or religious purposes, from any loan or borrowing, shall not be treated as application of income for charitable or religious purposes:

Provided that the amount not so treated as application, or part thereof, shall be

treated as application for charitable or religious purposes in the previous year in which the loan or borrowing, or part thereof, is repaid from the income of that year and to the extent of such repayment:

[**Provided further** that provisions of the first proviso shall apply only if there was no violation of the conditions specified—

(*a*) in clause (*c*) of this sub-section;

(*b*) in *Explanations 2, 3* and *5* of this sub-section;

(*c*) in the *Explanation* to this section; and

(*d*) in clause (*c*) of sub-section (1) of section 13,

at the time the application was made from loan or borrowing:

Provided also that the amount repaid shall not be treated as application for charitable or religious purposes under the first proviso unless such repayment is made within a period of five years from the end of the previous year in which such application was made from loan or borrowing:

Provided also that nothing contained in the first proviso shall apply where application from any loan or borrowing is made on or before the 31st day of March, 2021; and]

[(*iii*) any amount credited or paid, other than the amount referred to in *Explanation 2,* to any fund or trust or institution or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10, as the case may be, or other trust or institution registered under section 12AB, as the case may be, shall be treated as application for charitable or religious purposes only to the extent of eighty-five per cent of such amount credited or paid.]

Explanation 5.—For the purposes of this sub-section, it is hereby clarified that the calculation of income required to be applied or accumulated during the previous year shall be made without any set off or deduction or allowance of any excess application of any of the year preceding the previous year. (1A) For the purposes of sub-section (1),—

(*a*) where a capital asset, being property held under trust wholly for charitable or religious purposes, is transferred and the whole or any part of the net consideration is utilised for acquiring another capital asset to be so held, then, the capital gain arising from the transfer shall be deemed to have been applied to charitable or religious purposes to the extent specified hereunder, namely:—

(*i*) where the whole of the net consideration is utilised in acquiring the new capital asset, the whole of such capital gain;

(*ii*) where only a part of the net consideration is utilised for acquiring the new capital asset, so much of such capital gain as is equal to the amount, if any, by which the amount so utilised exceeds the cost of the transferred asset;

(*b*) where a capital asset, being property held under trust in part only for such purposes, is transferred and the whole or any part of the net consideration is

utilised for acquiring another capital asset to be so held, then, the appropriate fraction of the capital gain arising from the transfer shall be deemed to have been applied to charitable or religious purposes to the extent specified hereunder, namely:—

(*i*) where the whole of the net consideration is utilised in acquiring the new capital asset, the whole of the appropriate fraction of such capital gain;

(*ii*) in any other case, so much of the appropriate fraction of the capital gain as is equal to the amount, if any, by which the appropriate fraction of the amount utilised for acquiring the new asset exceeds the appropriate fraction of the cost of the transferred asset.

Explanation.—In this sub-section,—

(*i*) "appropriate fraction" means the fraction which represents the extent to which the income derived from the capital asset transferred was immediately before such transfer applicable to charitable or religious purposes;

(*ii*) "cost of the transferred asset" means the aggregate of the cost of acquisition (as ascertained for the purposes of sections 48 and 49) of the capital asset which is the subject of the transfer and the cost of any improvement thereto within the meaning assigned to that expression in sub-clause (*b*) of clause (*1*) of section 55;

(*iii*) "net consideration" means the full value of the consideration received or accruing as a result of the transfer of the capital asset as reduced by any expenditure incurred wholly and exclusively in connection with such transfer.

(1B) Where any income in respect of which an option is exercised under clause (*2*) of the *Explanation* to sub-section (1) is not applied to charitable or religious purposes in India during the period referred to in sub-clause (*a*) or, as the case may be, sub-clause (*b*), of the said clause, then, such income shall be deemed to be the income of the person in receipt thereof—

(*a*) in the case referred to in sub-clause (*i*) of the said clause, of the previous year immediately following the previous year in which the income was received; or

(*b*) in the case referred to in sub-clause (*ii*) of the said clause, of the previous year immediately following the previous year in which the income was derived.

(2) Where eighty-five per cent of the income referred to in clause (*a*) or clause (*b*) of sub-section (1) read with the *Explanation* to that sub-section is not applied, or is not deemed to have been applied, to charitable or religious purposes in India during the previous year but is accumulated or set apart, either in whole or in part, for application to such purposes in India, such income so accumulated or set apart shall not be included in the total income of the previous year of the person in receipt of the income, provided the following conditions are complied with, namely:—

(*a*) such person furnishes a statement in the prescribed form and in the prescribed manner to the Assessing Officer, stating the purpose for which the income is being accumulated or set apart and the period for which the income is to be accumulated or set apart, which shall in no case exceed five years;

(*b*) the money so accumulated or set apart is invested or deposited in the forms or modes specified in sub-section (5);

(*c*) the statement referred to in clause (*a*) is furnished [at least two months prior to] the due date specified under sub-section (1) of section 139 for furnishing the return of income for the previous year:

Provided that in computing the period of five years referred to in clause (*a*), the period during which the income could not be applied for the purpose for which it is so accumulated or set apart, due to an order or injunction of any court, shall be excluded. *Explanation.*—Any amount credited or paid, out of income referred to in clause (*a*) or clause (*b*) of sub-section (1), read with the *Explanation* to that sub-section, which is not applied, but is accumulated or set apart, to any trust or institution registered under section 12AA or section 12AB or to any fund or institution or trust or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10, shall not be treated as application of income for charitable or religious purposes, either during the period of accumulation or thereafter. (3) Any income referred to in sub-section (2) which—

(*a*) is applied to purposes other than charitable or religious purposes as aforesaid or ceases to be accumulated or set apart for application thereto, or

(*b*) ceases to remain invested or deposited in any of the forms or modes specified in sub-section (5), or

(*c*) is not utilised for the purpose for which it is so accumulated or set apart during the period referred to in clause (*a*) of that sub-section,

(*d*) is credited or paid to any trust or institution registered under section 12AA or section 12AB or to any fund or institution or trust or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10,

shall be deemed to be the income of such person of the previous year,—

(*i*) in which it is so applied or ceases to be so accumulated or set apart under clause (*a*); or

(*ii*) in which it ceases to remain so invested or deposited under clause (*b*); or

(*iii*) being the last previous year of the period, for which the income is accumulated or set apart but not utilised for the purpose for which it is so accumulated or set apart under clause (*c*); or

(*iv*) in which it is credited or paid to any fund or institution or trust or any university or other educational institution or any hospital or other medical institution under clause (*d*).

(3A) Notwithstanding anything contained in sub-section (3), where due to circumstances beyond the control of the person in receipt of the income, any income invested or deposited in accordance with the provisions of clause (*b*) of sub-section (2) cannot be applied for the purpose for which it was accumulated or set apart, the Assessing Officer may, on an application made to him in this behalf, allow such person to apply such income for such other charitable or religious purpose in India as is specified in the application by such person and as is in conformity with the objects of the trust; and thereupon the provisions of sub-section (3) shall apply as if the purpose

specified by such person in the application under this sub-section were a purpose specified in the notice given to the Assessing Officer under clause (*a*) of sub-section (2):

Provided that the Assessing Officer shall not allow application of such income by way of payment or credit made for the purposes referred to in clause (*d*) of sub-section (3) of section 11:

Provided further that in case the trust or institution, which has invested or deposited its income in accordance with the provisions of clause (*b*) of sub-section (2), is dissolved, the Assessing Officer may allow application of such income for the purposes referred to in clause (*d*) of sub-section (3) in the year in which such trust or institution was dissolved.

(4) For the purposes of this section "property held under trust" includes a business undertaking so held, and where a claim is made that the income of any such undertaking shall not be included in the total income of the persons in receipt thereof, the Assessing Officer shall have power to determine the income of such undertaking in accordance with the provisions of this Act relating to assessment; and where any income so determined is in excess of the income as shown in the accounts of the undertaking, such excess shall be deemed to be applied to purposes other than charitable or religious purposes.

(4A) Sub-section (1) or sub-section (2) or sub-section (3) or sub-section (3A) shall not apply in relation to any income of a trust or an institution, being profits and gains of business, unless the business is incidental to the attainment of the objectives of the trust or, as the case may be, institution, and separate books of account are maintained by such trust or institution in respect of such business. (5) The forms and modes of investing or depositing the money referred to in clause (*b*) of sub-section (2) shall be the following, namely :—

(*i*) investment in savings certificates as defined in clause (*c*) of section 2 of the Government Savings Certificates Act, 1959 (46 of 1959), and any other securities or certificates issued by the Central Government under the Small Savings Schemes of that Government;

(*ii*) deposit in any account with the Post Office Savings Bank;

(*iii*) deposit in any account with a scheduled bank or a co-operative society engaged in carrying on the business of banking (including a co-operative land mortgage bank or a co-operative land development bank).

Explanation.—In this clause, "scheduled bank" means the State Bank of India constituted under the State Bank of India Act, 1955 (23 of 1955), a subsidiary bank as defined in the State Bank of India (Subsidiary Banks) Act, 1959 (38 of 1959), a corresponding new bank constituted under section 3 of the Banking Companies (Acquisition and Transfer of Undertakings) Act, 1970 (5 of 1970), or under section 3 of the Banking Companies (Acquisition and Transfer of Undertakings) Act, 1980 (40 of 1980), or any other bank being a bank included in the Second Schedule to the Reserve Bank of India Act, 1934 (2 of 1934);

(*iv*) investment in units of the Unit Trust of India established under the Unit Trust of India Act, 1963 (52 of 1963);

(*v*) investment in any security for money created and issued by the Central

Government or a State Government;

(*vi*) investment in debentures issued by, or on behalf of, any company or corporation both the principal whereof and the interest whereon are fully and unconditionally guaranteed by the Central Government or by a State Government;

(*vii*) investment or deposit in any public sector company:

Provided that where an investment or deposit in any public sector company has been made and such public sector company ceases to be a public sector company,—

(*A*) such investment made in the shares of such company shall be deemed to be an investment made under this clause for a period of three years from the date on which such public sector company ceases to be a public sector company;

(*B*) such other investment or deposit shall be deemed to be an investment or deposit made under this clause for the period up to the date on which such investment or deposit becomes repayable by such company;

(*viii*) deposits with or investment in any bonds issued by a financial corporation which is engaged in providing long-term finance for industrial development in India and which is eligible for deduction under clause (*viii*) of sub-section (1) of section 36;

(*ix*) deposits with or investment in any bonds issued by a public company formed and registered in India with the main object of carrying on the business of providing long-term finance for construction or purchase of houses in India for residential purposes and which is eligible for deduction under clause (*viii*) of sub-section (1) of section 36;

(*ixa*) deposits with or investment in any bonds issued by a public company formed and registered in India with the main object of carrying on the business of providing long-term finance for urban infrastructure in India.

Explanation.—For the purposes of this clause,—

(*a*) "long-term finance" means any loan or advance where the terms under which moneys are loaned or advanced provide for repayment along with interest thereof during a period of not less than five years;

(*b*) "public company" shall have the meaning assigned to it in section 3 of the Companies Act, 1956 (1 of 1956);

(*c*) "urban infrastructure" means a project for providing potable water supply, sanitation and sewerage, drainage, solid waste management, roads, bridges and flyovers or urban transport;

(*x*) investment in immovable property.

Explanation.—"Immovable property" does not include any machinery or plant (other than machinery or plant installed in a building for the convenient occupation of the building) even though attached to, or permanently fastened to, anything attached to the earth;

(*xi*) deposits with the Industrial Development Bank of India established under the Industrial Development Bank of India Act, 1964 (18 of 1964);

(*xii*) any other form or mode of investment or deposit as may be prescribed.

(6) In this section where any income is required to be applied or accumulated or set apart for application, then, for such purposes the income shall be determined without any deduction or allowance by way of depreciation or otherwise in respect of any asset, acquisition of which has been claimed as an application of income under this section in the same or any other previous year. (7) Where a trust or an institution has been granted registration under section 12AA or section 12AB or has obtained registration at any time under section 12A [as it stood before its amendment by the Finance (No. 2) Act, 1996 (33 of 1996)] and the said registration is in force for any previous year, then, nothing contained in section 10 [[82][*other than clause (*1*), clause (*23C*), clause (*23EA*), clause (*23EC*), clause (*23ED*), clause (*46*), clause (*46A*) and clause (*46B*) thereof*]] shall operate to exclude any income derived from the property held under trust from the total income of the person in receipt thereof for that previous year:

Provided that such registration shall become inoperative from the date on which the trust or institution is approved under clause (*23C*) of section 10 or [83][*is notified under clause (*23EA*) or clause (*23EC*) or clause (*23ED*) or clause (*46*)*] [84][or clause (*46A*)] of the said section, as the case may be, or the date on which this proviso has come into force, whichever is later [85][*, or, the 1st day of April of the previous year relevant to the assessment year for which the exemption is claimed under clause (*46B*) of the said section*]:

Provided further that the trust or institution, whose registration has become inoperative under the first proviso, may apply to get its registration operative under section 12AA or section 12AB subject to the condition that on doing so, the approval under clause (*23C*) of section 10 or notification [under [*clause (*23EA*) or*] clause (*23EC*) or [*clause (*23ED*) or*] clause (*46*) or clause (*46A*)] of the said section, as the case may be, to such trust or institution shall cease to have any effect from the date on which the said registration becomes operative and thereafter, it shall not be entitled to exemption under the respective clauses. *Explanation.*—For the purposes of this section, any sum payable by any trust or institution shall be considered as application of income in the previous year in which such sum is actually paid by it (irrespective of the previous year in which the liability to pay such sum was incurred by the trust or institution according to the method of accounting regularly employed by it):

Provided that where during any previous year, any sum has been claimed to have been applied by the trust or institution, such sum shall not be allowed as application in any subsequent previous year.

343.3 <u>Reasons/Justification given by the Ministry of Finance for the proposed provision:</u>

The justification furnished by the Ministry for the proposed provision is as under :-

"Clause 343 of the Bill provides for deemed accumulated income of a registered non-profit organisation. The clause does not correspond to any particular section of the Act. However, the provisions to set apart or accumulate income derived from property held under trust to the extent of 15 percent of such income, as was

contained in section 11(1)(a) and 11(1)(b) of the Act have been consolidated in the clause".

343.4 <u>Important Views/Suggestions given by Experts/Stakeholders:</u>

During the course of the Examination of the proposed Bill, some important suggestions/comments received from various stakeholders and experts are summarised as follows:-

1. "In cases where 100% of the income is applied by way of payment to another trust registered under the Act, the balance 15%, which is not treated as application due to the statutory 85% limit, shall also not be treated as deemed accumulation, since no income remains physically or economically available with the trust." It is recommended that the provisions and clarifications contained in CBDT Circular No 3/2024 dated 06.03.2024 be retained in full and continue to apply under the framework of the proposed Income-Tax Bill, 2025. Under the current framework, even when 100% of income is applied (e.g., transferred to another registered trust), only 85% is recognized as application, and the remaining 15% is treated as deemed accumulation This creates a mismatch between legal form and economic reality, as the trust retains no actual funds Treating the unrecognized 15% as "deemed accumulation" imposes an unrealistic compliance obligation and may lead to unjustified taxation or disallowance The proposed clarification ensures fairness and reflects the genuine absence of funds.

2. Sub-section (1) to be reworded as follows - (1) The regular income, as reduced by the application of income and accumulated income under section 342, to the extent of 15% of regular income, shall be considered as deemed accumulated income ~~and shall be invested or deposited in any of the modes permitted under section 350~~. There should be no requirement to invest 15% of regular income, in any modes permitted under section 350. Also, section 337 provides that if the same is not so invested, it would constitute specified Income-Taxable@ 30%. 15% of income which has been exempted unconditionally should not be required to be invested in the modes specified in section 350, the contravention of which would attract tax@30%.

3. Please make 15% deemed accumulation exempted without any investment condition. This is a practically Impossible clause because it is not necessary that the 15% deemed accumulation fund is always available as a fund for investment 15% deemed accumulation funds includes cash in hand, TDS receivable from the department, advances in the nature of working capital, various security and rental deposits, advances for procurement of immovable properties/assets etc are not classified as permitted modes of investment under section 350 This provision will: ● Erodes liquidity of NPOs. ● Forces artificial deposit and withdrawal cycles, as cash is not an approved mode of investment. Creates non-utilitarian compliance without serving any revenue or governance objective.

343.5 <u>Examination by the Committee:</u>

343.5.1 On the above suggestions, the Ministry of Finance has stated the following in their written submission (mentioned correspondingly):

1. "Suggestion seeks to treat the complete donation made by one registered non-profit organisation to another registered non-profit organisation as application of money for the purpose of clause 341 of the Income-tax Bill, 2025. The suggestion is the nature of policy change, which is beyond the scope of I T Bill, 2025. There is no change in the IT Bill, 2025 vis-a-vis I T Act, 1961. In order to ensure intended application towards charitable or religious purposes, Finance Act, 2023 had provided that eligible donations made by a trust/ institution shall be treated as application for charitable or religious purposes only to the extent of 85% of such donations. It was intended to ensure that if 85 % of the amount, which is required to be applied by a trust/institution is donation to other trust / institution, the donation should not be towards corpus. This will ensure that the donations are applied by the donee trust/ institution for charitable or religious purposes. Moreover, instances had come to the notice that certain trusts or institutions are trying to defeat the intention of the legislature by forming multiple trusts and accumulating 15% at each layer. By forming multiple trusts and accumulating 15% at each stage, the effective application towards the charitable or religious activities is reduced significantly to a lesser percentage compared to the mandatory requirement of 85%. In view of the above, the suggested amendment is not feasible".

2. "Suggestion seeks there should be no requirement to invest 15% of regular income, in any modes permitted under section 350 and consequential treatment under the provisions of the Bill. The provisions relating to accumulation of income has been consolidated under the I T Bill. Consolidating the income-accumulation regime alleviates administrative burdens and simplifies taxpayers' compliance obligations. Under section 13(d)(i) of the I T Act, it was provided that exemption under section 11 or 12 shall not be available if the funds of trust/institution are invested or deposited otherwise than in any forms or modes specified under section 11(5) of the I T Act. Hence, even 15% of the income was to be applied for the objectives of the Trust/institution or invested or deposited in the specified forms or modes u/s 11(5) of the I T Act. Moreover, in order to safeguard public money in the custody of the registered NPOs, necessary provisions have been provided, requiring the NPOs to invest or deposit their funds in the specified modes only (Clause 350 r.w. Schedule XVI). Hence, the suggestion is not acceptable. In view of the above, the suggested amendment is not feasible".

3. As mentioned in sl.no.2 above.

343.5.2 The representative of the Ministry has further added as follows during the 31st Sitting of the Committee held on 10 June, 2025:-

"Sir, that 15 per cent which can be accumulated. So, they are saying that there is a requirement that they have to be invested in specified modes. So, that requirement should not be there".

343.6 Observations/Recommendations of the Committee:

The Committee note that Clause 343 of the Bill addresses "deemed accumulated income" for registered non-profit organizations. While not directly corresponding to a single section of the existing Income-Tax Act, 1961, this clause consolidates provisions previously found in Section 11(1)(a), 11(1)(b), and Section 13(1)(d), which allowed the setting aside or accumulation of up to 15% of income from property held under trust. The Bill aims to simplify this by retaining the original intent through textual simplification. After reviewing stakeholder and Department viewpoints, the Committee accept Clause 343 as proposed.

Clause 344 - Business undertaking held as property

344.1 Provision proposed in the Income-Tax Bill, 2025:

344. Where the property held by a registered non-profit organisation includes a business undertaking, and where a claim is made that the income of any such undertaking is eligible for benefits under this Part, then the Assessing Officer shall have the power to determine the income of such business undertaking as per the provisions of this Act.

344.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961): Income from property held for charitable or religious purposes. 11. (1) Subject to the provisions of sections 60 to 63, the following income shall not be included in the total income of the previous year of the person in receipt of the income—

(*a*) income derived from property held under trust wholly for charitable or religious purposes, to the extent to which such income is applied to such purposes in India; and, where any such income is accumulated or set apart for application to such purposes in India, to the extent to which the income so accumulated or set apart is not in excess of fifteen per cent of the income from such property;

(*b*) income derived from property held under trust in part only for such purposes, the trust having been created before the commencement of this Act, to the extent to which such income is applied to such purposes in India; and, where any such income is finally set apart for application to such purposes in India, to the extent to which the income so set apart is not in excess of fifteen per cent of the income from such property;

(*c*) income derived from property held under trust—

(*i*) created on or after the 1st day of April, 1952, for a charitable purpose which tends to promote international welfare in which India is interested, to the extent to which such income is applied to such purposes outside India, and

(*ii*) for charitable or religious purposes, created before the 1st day of April, 1952, to the extent to which such income is applied to such purposes outside India:

Provided that the Board, by general or special order, has directed in either case that it shall not be included in the total income of the person in receipt of such income;

(*d*) income in the form of voluntary contributions made with a specific direction that they shall form part of the corpus of the trust or institution, subject to the condition that such voluntary contributions are invested or deposited in one or more of the forms or modes specified in sub-section (5) maintained specifically for such corpus.

Explanation 1.—For the purposes of clauses (*a*) and (*b*),—

(*1*) in computing the fifteen per cent of the income which may be accumulated or set apart, any such voluntary contributions as are referred to in section 12 shall

be deemed to be part of the income;

(*2*) if, in the previous year, the income applied to charitable or religious purposes in India falls short of eighty-five per cent of the income derived during that year from property held under trust, or, as the case may be, held under trust in part, by any amount—

(*i*) for the reason that the whole or any part of the income has not been received during that year, or

(*ii*) for any other reason,

then—

(*a*) in the case referred to in sub-clause (*i*), so much of the income applied to such purposes in India during the previous year in which the income is received or during the previous year immediately following as does not exceed the said amount, and

(*b*) in the case referred to in sub-clause (*ii*), so much of the income applied to such purposes in India during the previous year immediately following the previous year in which the income was derived as does not exceed the said amount,

may, at the option of the person in receipt of the income (such option to be exercised [77][at least two months prior to the due date specified] under sub-section (1) of section 139 for furnishing the return of income, in such form and manner as may be prescribed) be deemed to be income applied to such purposes during the previous year in which the income was derived; and the income so deemed to have been applied shall not be taken into account in calculating the amount of income applied to such purposes, in the case referred to in sub-clause (*i*), during the previous year in which the income is received or during the previous year immediately following, as the case may be, and, in the case referred to in sub-clause (*ii*), during the previous year immediately following the previous year in which the income was derived.

Explanation 2.—Any amount credited or paid, out of income referred to in clause (*a*) or clause (*b*) read with *Explanation 1*, to any fund or trust or institution or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10 or other trust or institution registered under section 12AA or section 12AB, as the case may be, being contribution with a specific direction that it shall form part of the corpus, shall not be treated as application of income for charitable or religious purposes. *Explanation 3.*—For the purposes of determining the amount of application under clause (*a*) or clause (*b*), the provisions of sub-clause (*ia*) of clause (*a*) of section 40 and sub-sections (3) and (3A) of section 40A, shall, *mutatis mutandis*, apply as they apply in computing the income chargeable under the head "Profits and gains of business or profession". *Explanation 3A*.—For the purposes of this sub-section, where the property held under a trust or institution includes any temple, mosque, gurdwara, church or other place notified under clause (*b*) of sub-section (2) of section 80G, any sum received by such trust or institution as voluntary contribution for the purpose of renovation or repair of such temple, mosque, gurdwara, church or

other place, may, at its option, be treated by such trust or institution as forming part of the corpus of the trust or the institution, subject to the condition that the trust or the institution,—

(*a*) applies such corpus only for the purpose for which the voluntary contribution was made;

(*b*) does not apply such corpus for making contribution or donation to any person;

(*c*) maintains such corpus as separately identifiable; and

(*d*) invests or deposits such corpus in the forms and modes specified under sub-section (5) of section 11.

Explanation 3B.—For the purposes of *Explanation 3A*, where any trust or institution has treated any sum received by it as forming part of the corpus, and subsequently any of the conditions specified in clause (*a*) or clause (*b*) or clause (*c*) or clause (*d*) of the said *Explanation* is violated, such sum shall be deemed to be the income of such trust or institution of the previous year during which the violation takes place. *Explanation 4.*—For the purposes of determining the amount of application under clause (*a*) or clause (*b*),—

(*i*) application for charitable or religious purposes from the corpus as referred to in clause (*d*) of this sub-section, shall not be treated as application of income for charitable or religious purposes:

Provided that the amount not so treated as application, or part thereof, shall be treated as application for charitable or religious purposes in the previous year in which the amount, or part thereof, is invested or deposited back, into one or more of the forms or modes specified in sub-section (5) maintained specifically for such corpus, from the income of that year and to the extent of such investment or [78][deposit:]

[79][**Provided further** that provisions of the first proviso shall apply only if there was no violation of the conditions specified—

(*a*) in clause (*c*) of this sub-section;

(*b*) in *Explanations 2, 3* and *5* of this sub-section;

(*c*) in the *Explanation* to this section; and

(*d*) in clause (*c*) of sub-section (1) of section 13,

at the time the application was made from the corpus:

Provided also that the amount invested or deposited back shall not be treated as application for charitable or religious purposes under the first proviso unless such investment or deposit is made within a period of five years from the end of the previous year in which such application was made from the corpus:

Provided also that nothing contained in the first proviso shall apply where application from the corpus is made on or before the 31st day of March, 2021;]

(*ii*) application for charitable or religious purposes, from any loan or borrowing, shall not be treated as application of income for charitable or religious purposes:

Provided that the amount not so treated as application, or part thereof, shall be treated as application for charitable or religious purposes in the previous year in which the loan or borrowing, or part thereof, is repaid from the income of that

year and to the extent of such repayment:

[79a][**Provided further** that provisions of the first proviso shall apply only if there was no violation of the conditions specified—

(*a*) in clause (*c*) of this sub-section;

(*b*) in *Explanations 2, 3* and *5* of this sub-section;

(*c*) in the *Explanation* to this section; and

(*d*) in clause (*c*) of sub-section (1) of section 13,

at the time the application was made from loan or borrowing:

Provided also that the amount repaid shall not be treated as application for charitable or religious purposes under the first proviso unless such repayment is made within a period of five years from the end of the previous year in which such application was made from loan or borrowing:

Provided also that nothing contained in the first proviso shall apply where application from any loan or borrowing is made on or before the 31st day of March, 2021; and]

[80][(*iii*) any amount credited or paid, other than the amount referred to in *Explanation 2,* to any fund or trust or institution or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10, as the case may be, or other trust or institution registered under section 12AB, as the case may be, shall be treated as application for charitable or religious purposes only to the extent of eighty-five per cent of such amount credited or paid.]

Explanation 5.—For the purposes of this sub-section, it is hereby clarified that the calculation of income required to be applied or accumulated during the previous year shall be made without any set off or deduction or allowance of any excess application of any of the year preceding the previous year. (1A) For the purposes of sub-section (1),—

(*a*) where a capital asset, being property held under trust wholly for charitable or religious purposes, is transferred and the whole or any part of the net consideration is utilised for acquiring another capital asset to be so held, then, the capital gain arising from the transfer shall be deemed to have been applied to charitable or religious purposes to the extent specified hereunder, namely:—

(*i*) where the whole of the net consideration is utilised in acquiring the new capital asset, the whole of such capital gain;

(*ii*) where only a part of the net consideration is utilised for acquiring the new capital asset, so much of such capital gain as is equal to the amount, if any, by which the amount so utilised exceeds the cost of the transferred asset;

(*b*) where a capital asset, being property held under trust in part only for such purposes, is transferred and the whole or any part of the net consideration is utilised for acquiring another capital asset to be so held, then, the appropriate fraction of the capital gain arising from the transfer shall be deemed to have

been applied to charitable or religious purposes to the extent specified hereunder, namely:—

(*i*) where the whole of the net consideration is utilised in acquiring the new capital asset, the whole of the appropriate fraction of such capital gain;

(*ii*) in any other case, so much of the appropriate fraction of the capital gain as is equal to the amount, if any, by which the appropriate fraction of the amount utilised for acquiring the new asset exceeds the appropriate fraction of the cost of the transferred asset.

Explanation.—In this sub-section,—

(*i*) "appropriate fraction" means the fraction which represents the extent to which the income derived from the capital asset transferred was immediately before such transfer applicable to charitable or religious purposes;

(*ii*) "cost of the transferred asset" means the aggregate of the cost of acquisition (as ascertained for the purposes of sections 48 and 49) of the capital asset which is the subject of the transfer and the cost of any improvement thereto within the meaning assigned to that expression in sub-clause (*b*) of clause (*1*) of section 55;

(*iii*) "net consideration" means the full value of the consideration received or accruing as a result of the transfer of the capital asset as reduced by any expenditure incurred wholly and exclusively in connection with such transfer.

(1B) Where any income in respect of which an option is exercised under clause (*2*) of the *Explanation* to sub-section (1) is not applied to charitable or religious purposes in India during the period referred to in sub-clause (*a*) or, as the case may be, sub-clause (*b*), of the said clause, then, such income shall be deemed to be the income of the person in receipt thereof—

(*a*) in the case referred to in sub-clause (*i*) of the said clause, of the previous year immediately following the previous year in which the income was received; or

(*b*) in the case referred to in sub-clause (*ii*) of the said clause, of the previous year immediately following the previous year in which the income was derived.

(2) Where eighty-five per cent of the income referred to in clause (*a*) or clause (*b*) of sub-section (1) read with the *Explanation* to that sub-section is not applied, or is not deemed to have been applied, to charitable or religious purposes in India during the previous year but is accumulated or set apart, either in whole or in part, for application to such purposes in India, such income so accumulated or set apart shall not be included in the total income of the previous year of the person in receipt of the income, provided the following conditions are complied with, namely:—

(*a*) such person furnishes a statement in the prescribed form and in the prescribed manner to the Assessing Officer, stating the purpose for which the income is being accumulated or set apart and the period for which the income is to be accumulated or set apart, which shall in no case exceed five years;

(*b*) the money so accumulated or set apart is invested or deposited in the forms or modes specified in sub-section (5);

(*c*) the statement referred to in clause (*a*) is furnished [at least two months prior to] the due date specified under sub-section (1) of section 139 for furnishing the

return of income for the previous year:

Provided that in computing the period of five years referred to in clause (*a*), the period during which the income could not be applied for the purpose for which it is so accumulated or set apart, due to an order or injunction of any court, shall be excluded.

Explanation.—Any amount credited or paid, out of income referred to in clause (*a*) or clause (*b*) of sub-section (1), read with the *Explanation* to that sub-section, which is not applied, but is accumulated or set apart, to any trust or institution registered under section 12AA or section 12AB or to any fund or institution or trust or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10, shall not be treated as application of income for charitable or religious purposes, either during the period of accumulation or thereafter. (3) Any income referred to in sub-section (2) which—

(*a*) is applied to purposes other than charitable or religious purposes as aforesaid or ceases to be accumulated or set apart for application thereto, or

(*b*) ceases to remain invested or deposited in any of the forms or modes specified in sub-section (5), or

(*c*) is not utilised for the purpose for which it is so accumulated or set apart during the period referred to in clause (*a*) of that sub-section,

(*d*) is credited or paid to any trust or institution registered under section 12AA or section 12AB or to any fund or institution or trust or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10,

shall be deemed to be the income of such person of the previous year,—

(*i*) in which it is so applied or ceases to be so accumulated or set apart under clause (*a*); or

(*ii*) in which it ceases to remain so invested or deposited under clause (*b*); or

(*iii*) being the last previous year of the period, for which the income is accumulated or set apart but not utilised for the purpose for which it is so accumulated or set apart under clause (*c*); or

(*iv*) in which it is credited or paid to any fund or institution or trust or any university or other educational institution or any hospital or other medical institution under clause (*d*).

(3A) Notwithstanding anything contained in sub-section (3), where due to circumstances beyond the control of the person in receipt of the income, any income invested or deposited in accordance with the provisions of clause (*b*) of sub-section (2) cannot be applied for the purpose for which it was accumulated or set apart, the Assessing Officer may, on an application made to him in this behalf, allow such person to apply such income for such other charitable or religious purpose in India as is specified in the application by such person and as is in conformity with the objects of the trust; and thereupon the provisions of sub-section (3) shall apply as if the purpose specified by such person in the application under this sub-section were a purpose

specified in the notice given to the Assessing Officer under clause (*a*) of sub-section (2):

Provided that the Assessing Officer shall not allow application of such income by way of payment or credit made for the purposes referred to in clause (*d*) of sub-section (3) of section 11:

Provided further that in case the trust or institution, which has invested or deposited its income in accordance with the provisions of clause (*b*) of sub-section (2), is dissolved, the Assessing Officer may allow application of such income for the purposes referred to in clause (*d*) of sub-section (3) in the year in which such trust or institution was dissolved.

(4) For the purposes of this section "property held under trust" includes a business undertaking so held, and where a claim is made that the income of any such undertaking shall not be included in the total income of the persons in receipt thereof, the Assessing Officer shall have power to determine the income of such undertaking in accordance with the provisions of this Act relating to assessment; and where any income so determined is in excess of the income as shown in the accounts of the undertaking, such excess shall be deemed to be applied to purposes other than charitable or religious purposes.

(4A) Sub-section (1) or sub-section (2) or sub-section (3) or sub-section (3A) shall not apply in relation to any income of a trust or an institution, being profits and gains of business, unless the business is incidental to the attainment of the objectives of the trust or, as the case may be, institution, and separate books of account are maintained by such trust or institution in respect of such business. (5) The forms and modes of investing or depositing the money referred to in clause (*b*) of sub-section (2) shall be the following, namely :—

(*i*) investment in savings certificates as defined in clause (*c*) of section 2 of the Government Savings Certificates Act, 1959 (46 of 1959), and any other securities or certificates issued by the Central Government under the Small Savings Schemes of that Government;

(*ii*) deposit in any account with the Post Office Savings Bank;

(*iii*) deposit in any account with a scheduled bank or a co-operative society engaged in carrying on the business of banking (including a co-operative land mortgage bank or a co-operative land development bank).

Explanation.—In this clause, "scheduled bank" means the State Bank of India constituted under the State Bank of India Act, 1955 (23 of 1955), a subsidiary bank as defined in the State Bank of India (Subsidiary Banks) Act, 1959 (38 of 1959), a corresponding new bank constituted under section 3 of the Banking Companies (Acquisition and Transfer of Undertakings) Act, 1970 (5 of 1970), or under section 3 of the Banking Companies (Acquisition and Transfer of Undertakings) Act, 1980 (40 of 1980), or any other bank being a bank included in the Second Schedule to the Reserve Bank of India Act, 1934 (2 of 1934);

(*iv*) investment in units of the Unit Trust of India established under the Unit Trust of India Act, 1963 (52 of 1963);

(*v*) investment in any security for money created and issued by the Central Government or a State Government;

(*vi*) investment in debentures issued by, or on behalf of, any company or corporation both the principal whereof and the interest whereon are fully and unconditionally guaranteed by the Central Government or by a State Government;

(*vii*) investment or deposit in any public sector company:

Provided that where an investment or deposit in any public sector company has been made and such public sector company ceases to be a public sector company,—

(*A*) such investment made in the shares of such company shall be deemed to be an investment made under this clause for a period of three years from the date on which such public sector company ceases to be a public sector company;

(*B*) such other investment or deposit shall be deemed to be an investment or deposit made under this clause for the period up to the date on which such investment or deposit becomes repayable by such company;

(*viii*) deposits with or investment in any bonds issued by a financial corporation which is engaged in providing long-term finance for industrial development in India and which is eligible for deduction under clause (*viii*) of sub-section (1) of section 36;

(*ix*) deposits with or investment in any bonds issued by a public company formed and registered in India with the main object of carrying on the business of providing long-term finance for construction or purchase of houses in India for residential purposes and which is eligible for deduction under clause (*viii*) of sub-section (1) of section 36;

(*ixa*) deposits with or investment in any bonds issued by a public company formed and registered in India with the main object of carrying on the business of providing long-term finance for urban infrastructure in India.

Explanation.—For the purposes of this clause,—

(*a*) "long-term finance" means any loan or advance where the terms under which moneys are loaned or advanced provide for repayment along with interest thereof during a period of not less than five years;

(*b*) "public company" shall have the meaning assigned to it in section 3 of the Companies Act, 1956 (1 of 1956);

(*c*) "urban infrastructure" means a project for providing potable water supply, sanitation and sewerage, drainage, solid waste management, roads, bridges and flyovers or urban transport;

(*x*) investment in immovable property.

Explanation.—"Immovable property" does not include any machinery or plant (other than machinery or plant installed in a building for the convenient occupation of the building) even though attached to, or permanently fastened to, anything attached to the earth;

(*xi*) deposits with the Industrial Development Bank of India established under the Industrial Development Bank of India Act, 1964 (18 of 1964);

(*xii*) any other form or mode of investment or deposit as may be prescribed.

(6) In this section where any income is required to be applied or accumulated or set apart for application, then, for such purposes the income shall be determined without any deduction or allowance by way of depreciation or otherwise in respect of any asset, acquisition of which has been claimed as an application of income under this section in the same or any other previous year. (7) Where a trust or an institution has been granted registration under section 12AA or section 12AB or has obtained registration at any time under section 12A [as it stood before its amendment by the Finance (No. 2) Act, 1996 (33 of 1996)] and the said registration is in force for any previous year, then, nothing contained in section 10 [[*other than clause (*1*), clause (*23C*), clause (*23EA*), clause (*23EC*), clause (*23ED*), clause (*46*), clause (*46A*) and clause (*46B*) thereof*]] shall operate to exclude any income derived from the property held under trust from the total income of the person in receipt thereof for that previous year:

Provided that such registration shall become inoperative from the date on which the trust or institution is approved under clause (*23C*) of section 10 or [*is notified under clause (*23EA*) or clause (*23EC*) or clause (*23ED*) or clause (*46*)*] [or clause (*46A*)] of the said section, as the case may be, or the date on which this proviso has come into force, whichever is later [*, or, the 1st day of April of the previous year relevant to the assessment year for which the exemption is claimed under clause (*46B*) of the said section*]:

Provided further that the trust or institution, whose registration has become inoperative under the first proviso, may apply to get its registration operative under section 12AA or section 12AB subject to the condition that on doing so, the approval under clause (*23C*) of section 10 or notification [under [*clause (*23EA*) or*] clause (*23EC*) or [85][*clause (*23ED*) or*] clause (*46*) or clause (*46A*)] of the said section, as the case may be, to such trust or institution shall cease to have any effect from the date on which the said registration becomes operative and thereafter, it shall not be entitled to exemption under the respective clauses. *Explanation.*—For the purposes of this section, any sum payable by any trust or institution shall be considered as application of income in the previous year in which such sum is actually paid by it (irrespective of the previous year in which the liability to pay such sum was incurred by the trust or institution according to the method of accounting regularly employed by it):

Provided that where during any previous year, any sum has been claimed to have been applied by the trust or institution, such sum shall not be allowed as application in any subsequent previous year.

344.3 <u>Reasons/Justification given by the Ministry of Finance for the proposed provision:</u>

The justification furnished by the Ministry for the proposed provision is as under :-

"Clause 344 of the Bill provides for business undertaking held as property of a registered non-profit organisation. The clause corresponds to section 11(4) of the Act. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".

344.4 Important Views/Suggestions given by Experts/Stakeholders:

During the course of the examination of the Bill, some important suggestions/comments received from various stakeholders and experts are summarised as follows:-

1. To insert a specific provision to deal with merger of charitable trust or institution. In the current regime, section 12AC allows merger of charitable trust or institutions, however, the said clause seems to have been inadvertently missed out. It is often seen that in the peculiar facts and circumstances it is very common for one non-profit organization to corroborate and merge with other non-profit organization engaged in similar activities which gives a beneficial edge on "scale of operation" to meet their overall objectives.

344.5 Examination by the Committee:

344.5.1 On the above suggestion, the Ministry of Finance has stated the following in their written submission :

1. "Suggestion seeks to insert a specific provision to deal with merger of charitable trust or institution. The provisions for merger of charitable trust or institution(now NPOs) are already provided in clause 352(5)[Table Sl. No.8]. In view of the above, the suggested amendment is already addressed".

344.5.2 In this regard, the representative of the Ministry has added as follows during the 31st Sitting of the Committee held on 10 June, 2025:-

"Sir, they are seeking a specific provision for merger of trusts and how two trusts can merge. In the 2024 Budget, we had brought in a Section 12AC where we had defined that two trusts having similar objects can merge subject to prescribed conditions. This has been carried forward. This is also available presently in the Bill but not as a separate section but in the part of the Cluase 352(5)[Table Sl. No. 8]. It is only repositioning the place and separate clause is not there for merger".

344.6 Observations/Recommendations of the Committee:

The Committee note that Clause 344 of the Bill provides for business undertaking held as property of a registered non-profit organisation. The clause corresponds to section 11(4) of the Act. The provisions of the existing section have been textually simplified and retained with the same intent in this clause. After considering the viewpoints of both the stakeholders and the Department, the Committee accept Clause 344 as proposed.

Clause 345 - Restriction on commercial activities by a registered non-profit organisation

345.1 Provision proposed in the Income-Tax Bill, 2025:

345. No registered non-profit organisation, other than a registered non-profit organisation, carrying out advancement of any other object of general public utility, shall carry out any commercial activity unless— (*a*) such commercial activity is incidental to the attainment of the objectives of the registered non-profit organisation; and (*b*) separate books of account are maintained for such activities.

345.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Income from property held for charitable or religious purposes. 11. (1) Subject to the provisions of sections 60 to 63, the following income shall not be included in the total income of the previous year of the person in receipt of the income—

(*a*) income derived from property held under trust wholly for charitable or religious purposes, to the extent to which such income is applied to such purposes in India; and, where any such income is accumulated or set apart for application to such purposes in India, to the extent to which the income so accumulated or set apart is not in excess of fifteen per cent of the income from such property;

(*b*) income derived from property held under trust in part only for such purposes, the trust having been created before the commencement of this Act, to the extent to which such income is applied to such purposes in India; and, where any such income is finally set apart for application to such purposes in India, to the extent to which the income so set apart is not in excess of fifteen per cent of the income from such property;

(*c*) income derived from property held under trust—

(*i*) created on or after the 1st day of April, 1952, for a charitable purpose which tends to promote international welfare in which India is interested, to the extent to which such income is applied to such purposes outside India, and

(*ii*) for charitable or religious purposes, created before the 1st day of April, 1952, to the extent to which such income is applied to such purposes outside India:

Provided that the Board, by general or special order, has directed in either case that it shall not be included in the total income of the person in receipt of such income;

(*d*) income in the form of voluntary contributions made with a specific direction that they shall form part of the corpus of the trust or institution, subject to the condition that such voluntary contributions are invested or deposited in one or more of the forms or modes specified in sub-section (5) maintained specifically for such corpus.

Explanation 1.—For the purposes of clauses (*a*) and (*b*),—

(*1*) in computing the fifteen per cent of the income which may be accumulated or set apart, any such voluntary contributions as are referred to in section 12 shall be deemed to be part of the income;

(*2*) if, in the previous year, the income applied to charitable or religious purposes in India falls short of eighty-five per cent of the income derived during that year from property held under trust, or, as the case may be, held under trust in part, by any amount—

(*i*) for the reason that the whole or any part of the income has not been received during that year, or

(*ii*) for any other reason,

then—

(*a*) in the case referred to in sub-clause (*i*), so much of the income applied to such purposes in India during the previous year in which the income is received or during the previous year immediately following as does not exceed the said amount, and

(*b*) in the case referred to in sub-clause (*ii*), so much of the income applied to such purposes in India during the previous year immediately following the previous year in which the income was derived as does not exceed the said amount,

may, at the option of the person in receipt of the income (such option to be exercised [77][at least two months prior to the due date specified] under sub-section (1) of section 139 for furnishing the return of income, in such form and manner as may be prescribed) be deemed to be income applied to such purposes during the previous year in which the income was derived; and the income so deemed to have been applied shall not be taken into account in calculating the amount of income applied to such purposes, in the case referred to in sub-clause (*i*), during the previous year in which the income is received or during the previous year immediately following, as the case may be, and, in the case referred to in sub-clause (*ii*), during the previous year immediately following the previous year in which the income was derived.

Explanation 2.—Any amount credited or paid, out of income referred to in clause (*a*) or clause (*b*) read with *Explanation 1*, to any fund or trust or institution or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10 or other trust or institution registered under section 12AA or section 12AB, as the case may be, being contribution with a specific direction that it shall form part of the corpus, shall not be treated as application of income for charitable or religious purposes. *Explanation 3.*—For the purposes of determining the amount of application under clause (*a*) or clause (*b*), the provisions of sub-clause (*ia*) of clause (*a*) of section 40 and sub-sections (3) and (3A) of section 40A, shall, *mutatis mutandis*, apply as they apply in computing the income chargeable under the head "Profits and gains of business or profession". *Explanation 3A*.—For the purposes of this sub-section, where the property held under a trust or institution includes any temple, mosque, gurdwara, church or other place notified under clause (*b*) of sub-section (2)

of section 80G, any sum received by such trust or institution as voluntary contribution for the purpose of renovation or repair of such temple, mosque, gurdwara, church or other place, may, at its option, be treated by such trust or institution as forming part of the corpus of the trust or the institution, subject to the condition that the trust or the institution,—

(*a*) applies such corpus only for the purpose for which the voluntary contribution was made;

(*b*) does not apply such corpus for making contribution or donation to any person;

(*c*) maintains such corpus as separately identifiable; and

(*d*) invests or deposits such corpus in the forms and modes specified under sub-section (5) of section 11.

Explanation 3B.—For the purposes of *Explanation 3A*, where any trust or institution has treated any sum received by it as forming part of the corpus, and subsequently any of the conditions specified in clause (*a*) or clause (*b*) or clause (*c*) or clause (*d*) of the said *Explanation* is violated, such sum shall be deemed to be the income of such trust or institution of the previous year during which the violation takes place. *Explanation 4.*—For the purposes of determining the amount of application under clause (*a*) or clause (*b*),—

(*i*) application for charitable or religious purposes from the corpus as referred to in clause (*d*) of this sub-section, shall not be treated as application of income for charitable or religious purposes:

Provided that the amount not so treated as application, or part thereof, shall be treated as application for charitable or religious purposes in the previous year in which the amount, or part thereof, is invested or deposited back, into one or more of the forms or modes specified in sub-section (5) maintained specifically for such corpus, from the income of that year and to the extent of such investment or [deposit:]

[**Provided further** that provisions of the first proviso shall apply only if there was no violation of the conditions specified—

(*a*) in clause (*c*) of this sub-section;

(*b*) in *Explanations 2, 3* and *5* of this sub-section;

(*c*) in the *Explanation* to this section; and

(*d*) in clause (*c*) of sub-section (1) of section 13,

at the time the application was made from the corpus:

Provided also that the amount invested or deposited back shall not be treated as application for charitable or religious purposes under the first proviso unless such investment or deposit is made within a period of five years from the end of the previous year in which such application was made from the corpus:

Provided also that nothing contained in the first proviso shall apply where application from the corpus is made on or before the 31st day of March, 2021;]

(*ii*) application for charitable or religious purposes, from any loan or borrowing, shall

not be treated as application of income for charitable or religious purposes:

Provided that the amount not so treated as application, or part thereof, shall be treated as application for charitable or religious purposes in the previous year in which the loan or borrowing, or part thereof, is repaid from the income of that year and to the extent of such repayment:

[**Provided further** that provisions of the first proviso shall apply only if there was no violation of the conditions specified—

(*a*) in clause (*c*) of this sub-section;

(*b*) in *Explanations 2, 3* and *5* of this sub-section;

(*c*) in the *Explanation* to this section; and

(*d*) in clause (*c*) of sub-section (1) of section 13,

at the time the application was made from loan or borrowing:

Provided also that the amount repaid shall not be treated as application for charitable or religious purposes under the first proviso unless such repayment is made within a period of five years from the end of the previous year in which such application was made from loan or borrowing:

Provided also that nothing contained in the first proviso shall apply where application from any loan or borrowing is made on or before the 31st day of March, 2021; and]

[(*iii*) any amount credited or paid, other than the amount referred to in *Explanation 2,* to any fund or trust or institution or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10, as the case may be, or other trust or institution registered under section 12AB, as the case may be, shall be treated as application for charitable or religious purposes only to the extent of eighty-five per cent of such amount credited or paid.]

Explanation 5.—For the purposes of this sub-section, it is hereby clarified that the calculation of income required to be applied or accumulated during the previous year shall be made without any set off or deduction or allowance of any excess application of any of the year preceding the previous year. (1A) For the purposes of sub-section (1),—

(*a*) where a capital asset, being property held under trust wholly for charitable or religious purposes, is transferred and the whole or any part of the net consideration is utilised for acquiring another capital asset to be so held, then, the capital gain arising from the transfer shall be deemed to have been applied to charitable or religious purposes to the extent specified hereunder, namely:—

(*i*) where the whole of the net consideration is utilised in acquiring the new capital asset, the whole of such capital gain;

(*ii*) where only a part of the net consideration is utilised for acquiring the new capital asset, so much of such capital gain as is equal to the amount, if any, by which the amount so utilised exceeds the cost of the transferred asset;

(*b*) where a capital asset, being property held under trust in part only for such purposes, is transferred and the whole or any part of the net consideration is utilised for acquiring another capital asset to be so held, then, the appropriate fraction of the capital gain arising from the transfer shall be deemed to have been applied to charitable or religious purposes to the extent specified hereunder, namely:—

(*i*) where the whole of the net consideration is utilised in acquiring the new capital asset, the whole of the appropriate fraction of such capital gain;

(*ii*) in any other case, so much of the appropriate fraction of the capital gain as is equal to the amount, if any, by which the appropriate fraction of the amount utilised for acquiring the new asset exceeds the appropriate fraction of the cost of the transferred asset.

Explanation.—In this sub-section,—

(*i*) "appropriate fraction" means the fraction which represents the extent to which the income derived from the capital asset transferred was immediately before such transfer applicable to charitable or religious purposes;

(*ii*) "cost of the transferred asset" means the aggregate of the cost of acquisition (as ascertained for the purposes of sections 48 and 49) of the capital asset which is the subject of the transfer and the cost of any improvement thereto within the meaning assigned to that expression in sub-clause (*b*) of clause (*1*) of section 55;

(*iii*) "net consideration" means the full value of the consideration received or accruing as a result of the transfer of the capital asset as reduced by any expenditure incurred wholly and exclusively in connection with such transfer.

(1B) Where any income in respect of which an option is exercised under clause (*2*) of the *Explanation* to sub-section (1) is not applied to charitable or religious purposes in India during the period referred to in sub-clause (*a*) or, as the case may be, sub-clause (*b*), of the said clause, then, such income shall be deemed to be the income of the person in receipt thereof—

(*a*) in the case referred to in sub-clause (*i*) of the said clause, of the previous year immediately following the previous year in which the income was received; or

(*b*) in the case referred to in sub-clause (*ii*) of the said clause, of the previous year immediately following the previous year in which the income was derived.

(2) Where eighty-five per cent of the income referred to in clause (*a*) or clause (*b*) of sub-section (1) read with the *Explanation* to that sub-section is not applied, or is not deemed to have been applied, to charitable or religious purposes in India during the previous year but is accumulated or set apart, either in whole or in part, for application

to such purposes in India, such income so accumulated or set apart shall not be included in the total income of the previous year of the person in receipt of the income, provided the following conditions are complied with, namely:—

(*a*) such person furnishes a statement in the prescribed form and in the prescribed manner to the Assessing Officer, stating the purpose for which the income is being accumulated or set apart and the period for which the income is to be accumulated or set apart, which shall in no case exceed five years;

(*b*) the money so accumulated or set apart is invested or deposited in the forms or modes specified in sub-section (5);

(*c*) the statement referred to in clause (*a*) is furnished [at least two months prior to] the due date specified under sub-section (1) of section 139 for furnishing the return of income for the previous year:

Provided that in computing the period of five years referred to in clause (*a*), the period during which the income could not be applied for the purpose for which it is so accumulated or set apart, due to an order or injunction of any court, shall be excluded. *Explanation.*—Any amount credited or paid, out of income referred to in clause (*a*) or clause (*b*) of sub-section (1), read with the *Explanation* to that sub-section, which is not applied, but is accumulated or set apart, to any trust or institution registered under section 12AA or section 12AB or to any fund or institution or trust or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10, shall not be treated as application of income for charitable or religious purposes, either during the period of accumulation or thereafter. (3) Any income referred to in sub-section (2) which—

(*a*) is applied to purposes other than charitable or religious purposes as aforesaid or ceases to be accumulated or set apart for application thereto, or

(*b*) ceases to remain invested or deposited in any of the forms or modes specified in sub-section (5), or

(*c*) is not utilised for the purpose for which it is so accumulated or set apart during the period referred to in clause (*a*) of that sub-section,

(*d*) is credited or paid to any trust or institution registered under section 12AA or section 12AB or to any fund or institution or trust or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10,

shall be deemed to be the income of such person of the previous year,—

(*i*) in which it is so applied or ceases to be so accumulated or set apart under clause (*a*); or

(*ii*) in which it ceases to remain so invested or deposited under clause (*b*); or

(*iii*) being the last previous year of the period, for which the income is accumulated or set apart but not utilised for the purpose for which it is so accumulated or set apart under clause (*c*); or

(*iv*) in which it is credited or paid to any fund or institution or trust or any university or other educational institution or any hospital or other medical institution under clause (*d*).

(3A) Notwithstanding anything contained in sub-section (3), where due to circumstances beyond the control of the person in receipt of the income, any income invested or deposited in accordance with the provisions of clause (*b*) of sub-section (2) cannot be applied for the purpose for which it was accumulated or set apart, the Assessing Officer may, on an application made to him in this behalf, allow such person to apply such income for such other charitable or religious purpose in India as is specified in the application by such person and as is in conformity with the objects of the trust; and thereupon the provisions of sub-section (3) shall apply as if the purpose specified by such person in the application under this sub-section were a purpose specified in the notice given to the Assessing Officer under clause (*a*) of sub-section (2):

Provided that the Assessing Officer shall not allow application of such income by way of payment or credit made for the purposes referred to in clause (*d*) of sub-section (3) of section 11:

Provided further that in case the trust or institution, which has invested or deposited its income in accordance with the provisions of clause (*b*) of sub-section (2), is dissolved, the Assessing Officer may allow application of such income for the purposes referred to in clause (*d*) of sub-section (3) in the year in which such trust or institution was dissolved. (4) For the purposes of this section "property held under trust" includes a business undertaking so held, and where a claim is made that the income of any such undertaking shall not be included in the total income of the persons in receipt thereof, the Assessing Officer shall have power to determine the income of such undertaking in accordance with the provisions of this Act relating to assessment; and where any income so determined is in excess of the income as shown in the accounts of the undertaking, such excess shall be deemed to be applied to purposes other than charitable or religious purposes. (4A) Sub-section (1) or sub-section (2) or sub-section (3) or sub-section (3A) shall not apply in relation to any income of a trust or an institution, being profits and gains of business, unless the business is incidental to the attainment of the objectives of the trust or, as the case may be, institution, and separate books of account are maintained by such trust or institution in respect of such business. (5) The forms and modes of investing or depositing the money referred to in clause (*b*) of sub-section (2) shall be the following, namely :—

(*i*) investment in savings certificates as defined in clause (*c*) of section 2 of the Government Savings Certificates Act, 1959 (46 of 1959), and any other securities or certificates issued by the Central Government under the Small Savings Schemes of that Government;

(*ii*) deposit in any account with the Post Office Savings Bank;

(*iii*) deposit in any account with a scheduled bank or a co-operative society engaged in carrying on the business of banking (including a co-operative land mortgage bank or a co-operative land development bank).

Explanation.—In this clause, "scheduled bank" means the State Bank of India constituted under the State Bank of India Act, 1955 (23 of 1955), a subsidiary bank as defined in the State Bank of India (Subsidiary Banks) Act, 1959 (38 of 1959), a corresponding new bank constituted under section 3 of the Banking Companies (Acquisition and Transfer of Undertakings) Act, 1970 (5 of 1970), or under section 3 of the Banking Companies (Acquisition and Transfer of Undertakings) Act, 1980 (40 of 1980), or any other bank being a bank included in the Second Schedule to the Reserve Bank of India Act, 1934 (2 of 1934);

(*iv*) investment in units of the Unit Trust of India established under the Unit Trust of India Act, 1963 (52 of 1963);

(*v*) investment in any security for money created and issued by the Central Government or a State Government;

(*vi*) investment in debentures issued by, or on behalf of, any company or corporation both the principal whereof and the interest whereon are fully and unconditionally guaranteed by the Central Government or by a State Government;

(*vii*) investment or deposit in any public sector company:

Provided that where an investment or deposit in any public sector company has been made and such public sector company ceases to be a public sector company,—

(*A*) such investment made in the shares of such company shall be deemed to be an investment made under this clause for a period of three years from the date on which such public sector company ceases to be a public sector company;

(*B*) such other investment or deposit shall be deemed to be an investment or deposit made under this clause for the period up to the date on which such investment or deposit becomes repayable by such company;

(*viii*) deposits with or investment in any bonds issued by a financial corporation which is engaged in providing long-term finance for industrial development in India and which is eligible for deduction under clause (*viii*) of sub-section (1) of section 36;

(*ix*) deposits with or investment in any bonds issued by a public company formed and registered in India with the main object of carrying on the business of providing long-term finance for construction or purchase of houses in India for residential purposes and which is eligible for deduction under clause (*viii*) of sub-section (1) of section 36;

(*ixa*) deposits with or investment in any bonds issued by a public company formed and registered in India with the main object of carrying on the business of providing long-term finance for urban infrastructure in India.

Explanation.—For the purposes of this clause,—

(*a*) "long-term finance" means any loan or advance where the terms under which moneys are loaned or advanced provide for repayment along with interest thereof during a period of not less than five years;

(*b*) "public company" shall have the meaning assigned to it in section 3 of the Companies Act, 1956 (1 of 1956);

(*c*) "urban infrastructure" means a project for providing potable water supply, sanitation and sewerage, drainage, solid waste management, roads, bridges and flyovers or urban transport;

(*x*) investment in immovable property.

Explanation.—"Immovable property" does not include any machinery or plant (other than machinery or plant installed in a building for the convenient occupation of the building) even though attached to, or permanently fastened to, anything attached to the earth;

(*xi*) deposits with the Industrial Development Bank of India established under the Industrial Development Bank of India Act, 1964 (18 of 1964);

(*xii*) any other form or mode of investment or deposit as may be prescribed.

(6) In this section where any income is required to be applied or accumulated or set apart for application, then, for such purposes the income shall be determined without any deduction or allowance by way of depreciation or otherwise in respect of any asset, acquisition of which has been claimed as an application of income under this section in the same or any other previous year.

(7) Where a trust or an institution has been granted registration under section 12AA or section 12AB or has obtained registration at any time under section 12A [as it stood before its amendment by the Finance (No. 2) Act, 1996 (33 of 1996)] and the said registration is in force for any previous year, then, nothing contained in section 10 [[*other than clause (*1*), clause (*23C*), clause (*23EA*), clause (*23EC*), clause (*23ED*), clause (*46*), clause (*46A*) and clause (*46B*) thereof*]] shall operate to exclude any income derived from the property held under trust from the total income of the person in receipt thereof for that previous year:

Provided that such registration shall become inoperative from the date on which the trust or institution is approved under clause (*23C*) of section 10 or [*is notified under clause (*23EA*) or clause (*23EC*) or clause (*23ED*) or clause (*46*)*] [or clause (*46A*)] of the said section, as the case may be, or the date on which this proviso has come into force, whichever is later [*, or, the 1st day of April of the previous year relevant to the assessment year for which the exemption is claimed under clause (*46B*) of the said section*]:

Provided further that the trust or institution, whose registration has become inoperative under the first proviso, may apply to get its registration operative under section 12AA or section 12AB subject to the condition that on doing so, the approval under clause (*23C*) of section 10 or notification [under [*clause (*23EA*) or*] clause (*23EC*) or [*clause (*23ED*) or*] clause (*46*) or clause (*46A*)] of the said section, as the case may be, to such trust or institution shall cease to have any effect from the date on which the said registration becomes operative and thereafter, it shall not be entitled to exemption under the respective clauses. *Explanation.*—For the purposes of this section, any sum payable by any trust or institution shall be considered as application of income in the previous year in which such sum is actually paid by it (irrespective of the previous year

in which the liability to pay such sum was incurred by the trust or institution according to the method of accounting regularly employed by it):
Provided that where during any previous year, any sum has been claimed to have been applied by the trust or institution, such sum shall not be allowed as application in any subsequent previous year.

345.3 <u>Reasons/Justification given by the Ministry of Finance for the proposed provision:</u>

The justification furnished by the Ministry for the proposed provision is as under :-
"Clause 345 of the Bill provides for restriction on commercial activities of a registered non-profit organisation. The clause corresponds to section 11(4A) of the Act. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".

345.4 Important Views/Suggestions given by Experts/Stakeholders:

During the course of the examination of the Bill, some important suggestions/comments received from various stakeholders and experts are summarised as follows:-

1. Registered NPOs with objects other than general public utility (GPU) should be permitted to carry out commercial activity even if not incidental to the attainment of its objectives. Such business income should be taxed at 30% plus applicable surcharge and cess. In the existing provisions of section 11(4A) of ITA, 1961 states that exemption under section 11 does not apply to any income from a commercial activity if it is not incidental to attainment of its objects or if separate books of accounts are not maintained In such cases, income from such commercial activity is taxable. There is no distinction between Trusts having GPU as its object and not having GPU as its object. However, the similar provision in ITB, 2025 specifically prohibits registered NPOs not having GPU as part of their objects, from carrying out any commercial activity unless the activity is incidental to the attainment of its object and for which separate books of accounts are maintained. This is also a specified violation under section 351, which can result in cancellation of registration. Even the registered NPOs not having GPU as its object may carry out some activity which is not incidental to its objects but which may be regarded as a commercial activity Income from such activity should be taxed and not exempted, as under the existing law However, it should not be regarded as a specified violation resulting in cancellation of registration.

2. The opening portion of clause 345 be reworded as follows : No registered non-profit organisation, other than a registered non-profit Organization carrying out advancement of any other object of general public utility, shall carryout any commercial activity unless—(a) such commercial activity is incidental to the attainment of the objectives of the registered non-profit organisation; and (b) separate books of account are maintained for such activities.

345.5 Examination by the Committee:

345.5.1 On the above suggestions, the Ministry of Finance has stated the following in their written submission (mentioned correspondingly):

1. "Suggestion inter alia seeks to allow NPOs with object other than GPU to carry out commercial activity even if it is not incidental to the attainment of its objectives. The suggestion is the nature of policy change, which is beyond the scope of IT Bill, 2025. There is no change in the IT Bill, 2025 vis-a-vis I T Act, 1961. The exemption provisions for registered non-profit organisations are intended to meet certain socio-economic objectives. It is never meant to allow such institution for commercial purposes. The income of NPOs with objects other than GPU, from business activities which were not incidental to the attainment of the objectives of the NPOs were not exempted as per

section 11(4A) of the I T Act. Clause 345 and 346 are similar to the provisions of section 11(4A) and proviso to section 2(15) of the Act. Further, under clause (b) of Explanation to section 12AB, such commercial activities by a trusts are treated as specified violation. Therefore, there is policy continuity. Hence, suggested amendment is not feasible".

2. **Accepted:** "It is a drafting error. May be corrected by removing "," after the phrase "other than a registered non-profit organisation".

345.5.2 The representative of the Ministry has added the following during the 31st Sitting of the Committee held on 10 June, 2025:-

> *"Sir, in this, the suggestion is that the NPOs with object other than general public utility may be allowed to carry out commercial activity even if it is not incidental to the objects of that trust".*

345.6 Observations/Recommendations of the Committee:

345.6.1 The Committee observe that Clause 345 of the Bill addresses restrictions on commercial activities for registered non-profit organizations, directly aligning with Section 11(4A) of the existing Income-Tax Act, 1961. The Bill aims to simplify the text of the existing section while maintaining its original intent.

345.6.2 In the course of examination of the Bill, the Committee considered stakeholders suggestions and the Department's response. One stakeholder proposed rewording the clause to state: "No registered non-profit organisation, other than a registered non-profit Organization carrying out advancement of any other object of general public utility, shall carryout any commercial activity unless—(a) such commercial activity is incidental to the attainment of the objectives of the registered non-profit organisation; and (b) separate books of account are maintained for such activities." The Department has acknowledged this drafting error in the original Bill, agreeing to remove the comma after "other than a registered non-profit organisation" to rectify it.

345.6.3 The Committee, therefore, recommend implementing this specific drafting correction. Aside from this amendment, the Committee approve Clause 345 as proposed.

Clause 346 - Restriction on commercial activities by registered non-profit organisation, carrying out advancement of any other object of general public utility

346.1 Provision proposed in the Income-Tax Bill, 2025:

346. No registered non-profit organisation, carrying out advancement of any other object of general public utility, shall carry out any commercial activity unless,— (*a*) such commercial activity is undertaken in the course of actual carrying out of advancement of any object of the general public utility; (*b*) the aggregate receipts from such commercial activity or activities do not exceed 20% of the total receipts of such registered non-profit organisation of the relevant tax year; and (*c*) separate books of account are maintained by such registered non-profit organisation for such activities.

346.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

2. In this Act, unless the context otherwise requires,—

(*15*) "charitable purpose" includes relief of the poor, education, yoga, medical relief, preservation of environment (including watersheds, forests and wildlife) and preservation of monuments or places or objects of artistic or historic interest, and the advancement of any other object of general public utility:

Provided that the advancement of any other object of general public utility shall not be a charitable purpose, if it involves the carrying on of any activity in the nature of trade, commerce or business, or any activity of rendering any service in relation to any trade, commerce or business, for a cess or fee or any other consideration, irrespective of the nature of use or application, or retention, of the income from such activity, unless—

(*i*) such activity is undertaken in the course of actual carrying out of such advancement of any other object of general public utility; and

(*ii*) the aggregate receipts from such activity or activities during the previous year, do not exceed twenty per cent of the total receipts, of the trust or institution undertaking such activity or activities, of that previous year;

346.3 Reason/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under :-

"Clause 346 of the Bill provides for restriction on commercial activities of a registered non-profit organisation which has advancement of any other object of general public utility as any of its objects. The clause corresponds to section 13(8) of the Act. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".

346.4 <u>Examination by the Committee:</u>

In a reply to a specific query (inclusion or exclusion or replacement of words, etc., if any, between the provisions of the Clauses and existing section, the Ministry has furnished the following in their written response as follows:-

> "The provisions proposed in the Income-Tax Bill 2025 is the simplified version of the corresponding provisions of IT Act 1961."

346.5 Observations/Recommendations of the Committee:

The Committee note that Clause 346 of the Income-Tax Bill, 2025, mapped to Section 13(8) of the Income-Tax Act, 1961, provides for restriction on commercial activities of a registered non-profit organisation which has advancement of any other object of general public utility as any of its objects. The Committee approve Clause 346 as proposed, noting its simplified approach to existing provisions.

Clause 347 - Books of account

347.1 Provision proposed in the Income-Tax Bill, 2025:

347. Where the total income of a registered non-profit organisation, without giving effect to the provisions of this Part, exceeds the maximum amount which is not chargeable to income-tax in any tax year, such registered non-profit organisation shall be required to keep and maintain the books of account and other documents in such form and manner and at such place, as prescribed.

347.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Conditions for applicability of sections 11 and 12. 12A. (1) The provisions of section 11 and section 12 shall not apply in relation to the income of any trust or institution unless the following conditions are fulfilled, namely:—

(*b*) where the total income of the trust or institution as computed under this Act without giving effect to the provisions of sections 11 and 12 exceeds the maximum amount which is not chargeable to income-tax in any previous year,—

(*i*) the books of account and other documents have been kept and maintained in such form and manner and at such place, as may be prescribed; and

347.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under :-

"Clause 347 of the Bill provides for books of account of a registered non-profit organisation. The clause corresponds to section 12A(1)(b) of the Act. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".

347.4 Important Views/Suggestions given by Experts/Stakeholders:

During the course of the examination of the proposed Bill, suggestion as received from stakeholder / expert are summarised as follows:-

1. Name and Address of the person to whom any credit or payment is made is required for all cases It is suggested to exempt expenses below a certain limit (Say Rs 10000/-) from this harsh requirement. Practically it is not possible to maintain the name and address for each and every payment There are many expenses of petty nature like Auto, Rickshaw, Drinking water, refreshments in travelling and expenses of nature of purchase of regular pooja items (flowers, fruits) and expenses of Vegetables (From street vendors), milk for Annadhan etc.

347.5 Examination by the Committee:

347.5.1 On the above suggestion, the Ministry of Finance has stated the following in their written submission:-

1. "Suggestion seeks amendment in rule 17AA. The suggestion relates to matter of rule, which is part of delegated legislation. Amendment of rule is out of the purview of the Bill".

347.5.2 When the Committee asked a specific query as to how can the compliance burden of Rule 17AA on small non-profits be eased, ensuring they meet accounting requirements without jeopardizing their charitable work, the Ministry in their written replies stated as follows:-

> *"Under the Act/Bill, NPOs have been provided a special tax regime. The income of NPOs are exempted so that they may apply them for the purposes of charitable activities/stated objectives. However, it is also imperative that this beneficial regime may not be misused to introduce unaccounted income of the taxable persons/entities. The Income-tax department is consistently striving towards minimizing disputes, compliance burden and providing tax certainty. However, striking a fine balance to protect the interest of revenue is also equally important".*

347.6 Observations/Recommendations of the Committee:

The Committee note that Clause 347 of the Bill simplifies and maintains the intent of Section 12A(1)(b) of the Act, which governs the books of account for registered non-profit organizations. Stakeholders have raised concerns about the stringent requirement to record the name and address for every credit or payment, even for petty expenses below a suggested threshold of Rs. 10,000 (e.g., auto fares, water, small pooja items, vegetables from street vendors, milk for Annadhan). They argue that this is practically unfeasible. The Department clarifies that this suggestion pertains to Rule 17AA, a matter of delegated legislation and thus outside the Bill's purview. The Committee, therefore, accept the Clause 347 as proposed.

Clause 348 - Audit

348.1 Provision proposed in the Income-Tax Bill, 2025:

348. Where the total income of a registered non-profit organisation, without giving effect to the provisions of this Part, exceeds the maximum amount which is not chargeable to income-tax in any tax year, the accounts of such registered non-profit organisation for that tax year shall be audited by an accountant and the person in receipt of the income shall be required to furnish a report of an audit of such income by such date in the prescribed form, duly signed and verified by such accountant and setting forth such particulars, as prescribed.

348.2 Provision of the Principal Act (Income-Tax Act, 1961):

Conditions for applicability of sections 11 and 12. 12A. (1) The provisions of section 11 and section 12 shall not apply in relation to the income of any trust or institution unless the following conditions are fulfilled, namely:—

(*b*) where the total income of the trust or institution as computed under this Act without giving effect to the provisions of sections 11 and 12 exceeds the maximum amount which is not chargeable to income-tax in any previous year,—

(*ii*) the accounts of the trust or institution for that year have been audited by an accountant defined in the *Explanation* below sub-section (2) of section 288 before the specified date referred to in section 44AB and the person in receipt of the income furnishes by that date the report of such audit in the prescribed form duly signed and verified by such accountant and setting forth such particulars, as may be prescribed;

348.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under :-

"Clause 348 of the Bill provides for audit of a registered non-profit organisation. The clause corresponds to section 12A(1)(b) of the Act. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".

348.4 Important Views/Suggestions given by Experts/Stakeholders:

During the course of the Examination of the proposed Bill, some important suggestions/comments received from various stakeholders and experts are summarised as follows:-

1. The limit set of maximum amount not chargeable to tax is very low and all trust get covered It is pleaded that the limit should be increased to Rs 1 crore so that the cumbersome compliance is avoided. The audit of smaller NPO is a big issue and can easily be done away with as the system today collects all information to monitor NPO's in the form donation list in form 10BD and TDS compliance Alos information under section 285BA & 285BB would also be available.

2. Where the total income of a registered non- profit organisation, without giving effect to the provisions of this Part, exceeds the maximum amount which is not chargeable to income-tax in any tax year, the accounts of such registered non - profit organisation for that tax year shall be audited by a chartered accountant in practice or cost accountant in practice and the person in receipt of the income shall be required to furnish a report of an audit of such income by such date in the prescribed form, duly signed and verified by a chartered accountant in practice or cost accountant in practice and setting forth such particulars, as prescribed.

348.5 <u>Examination by the Committee:</u>

348.5.1 On the above suggestions, the Ministry of Finance has stated the following in their written submission (mentioned correspondingly):

1. "Stakeholder seek to enhance the income limit for carrying out audit by NPOs from amount not chargeable to tax to 1 crore. The suggestion is the nature of policy change, which is beyond the scope of I T Bill, 2025. There is no change in the IT Bill, 2025 vis-a-vis I T Act, 1961. Under the Act/Bill, NPOs have been provided a special tax regime. The income of NPOs are exempted so that they may apply them for the purposes of charitable activities/stated objectives.

However, it is also imperative that this beneficial regime may not be misused to introduce unaccounted income of the taxable persons/entities. Therefore, the suggested amendment is not feasible".

2. "Suggestion seeks to provide that along with Chartered Accountant, Cost Accountant may be authorised to submit audit report". The parent legislations of cost accountants and chartered accountants are different and lay down specific functions. The functions mandated in the Income-tax Act related to audit and accounting, do not find a place in the domain of work specified for cost accountants in their Act. Whereas audit of books and financial transactions is specifically included in Chartered accountant's Act. Therefore the basic issue that a cost accountant can be or should be considered equivalent for the purposes of tax audit does not hold merit. It is principally limited by the respective Acts and till such demarcations exist the audit related function under the Income-tax Act have to be handled by Chartered Accountants only.

348.6 <u>Observations/Recommendations of the Committee:</u>

The Committee note that Clause 348 of the Bill provides for audit of a registered non-profit organisation. The clause corresponds to Section 12A(1)(b) of the Income-Tax Act, 1961. The provisions of the existing section have been textually simplified and retained with the same intent in this clause. After considering the viewpoints of both the stakeholders and the Department, the Committee accept Clause 348 as proposed.

Clause 349 - Return of income

349.1 Provision proposed in the Income-Tax Bill, 2025:

349. Where the total income of a registered non-profit organisation, without giving effect to the provisions of this Part, exceeds the maximum amount which is not chargeable to income-tax in any tax year, it shall furnish the return of income for such tax year as per the provisions of section 263(*1*)(*a*)(*iii*), within the time limit allowed under sub-section (*1*)(*b*) of that section.

349.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Conditions for applicability of sections 11 and 12. 12A. (1) The provisions of section 11 and section 12 shall not apply in relation to the income of any trust or institution unless the following conditions are fulfilled, namely:—

(*ba*) the person in receipt of the income has furnished the return of income for the previous year in accordance with the provisions of sub-section (4A) of section 139, within the time allowed under [sub-section (1) or sub-section (4) of] that section;

349.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under :-

"Clause 349 of the Bill provides for return of income of a registered non-profit organisation. The clause corresponds to section 12A(1)(ba) of the Act. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".

349.4 Important Views/Suggestions given by Experts/Stakeholders:

During the course of the Examination of the proposed Bill, some important suggestions/comments received from various stakeholders and experts are summarised as follows:-

1. Where during any tax year the total income of a registered non-profit organisation, without giving effect to the provisions of this Part, exceeds the maximum amount which is not chargeable to income-tax, it shall furnish the return of income for that tax year as per the provisions of section 263(1)(a)(iii), within the time limit allowed under sub-section (1)(b) of that section, and in accordance with provisions of Section 263(2). Reference of section 263(2) is required so as to enable furnishing its return online and in the manner as prescribed under 263(2).

349.5 <u>Examination by the Committee:</u>

The Ministry of Finance has accepted the above suggestion and stated the following in their written submission:-~~:~~

"It is a drafting error. May be corrected by providing reference of section 263(2) in clause 349 of the Bill. Clause 263(2) inter alia provides for the form and manner in which the return in to be furnished. The corresponding section for filing return for NPOs does not specify the same as it was under section 139(4A) of the I T Act. This being a drafting error, may be considered".

349.6 Observations/Recommendations of the Committee:

The Committee note that Clause 349 of the Bill, which pertains to the return of income for registered non-profit organizations, aims to simplify the text of the existing Section 12A(1)(ba) of the Income-Tax Act, 1961 while maintaining its original intent. However, a stakeholder pointed out an omission: when a non-profit's income (prior to applying certain provisions) exceeds the tax-exempt threshold, its return should be furnished not only as per Section 263(1)(a)(iii) and within the timeline of Section 263(1)(b), but also in the manner prescribed by Section 263(2) to enable online filing. The the Ministry of Fiannce (Department of Revenue) has acknowledged this as a drafting error, confirming that Clause 263(2) specifies the form and manner of return submission, a detail missing in the current corresponding section for NPOs (formerly Section 139(4A) of the IT Act). Consequently, the Committee approve Clause 349 as proposed, with a specific recommendation to incorporate this necessary drafting correction.

Clause 350 - Permitted modes of investment

350.1 <u>Provision proposed in the Income-Tax Bill, 2025:</u>

350. (*1*) The modes of investing or depositing the money under this Part, shall be such as specified in Schedule XVI.
(*2*) The modes of investing or depositing money under this Part, other than the modes specified in Schedule XVI, shall be specified by the Central Government, by notification.

350.2 <u>Relevant Provision of the Principal Act (Income-Tax Act, 1961):</u>

Income from property held for charitable or religious purposes. 11. (1) Subject to the provisions of sections 60 to 63, the following income shall not be included in the total income of the previous year of the person in receipt of the income—

(*a*) income derived from property held under trust wholly for charitable or religious purposes, to the extent to which such income is applied to such purposes in India; and, where any such income is accumulated or set apart for application to such purposes in India, to the extent to which the income so accumulated or set apart is not in excess of fifteen per cent of the income from such property;

(*b*) income derived from property held under trust in part only for such purposes, the trust having been created before the commencement of this Act, to the extent to which such income is applied to such purposes in India; and, where any such income is finally set apart for application to such purposes in India, to the extent to which the income so set apart is not in excess of fifteen per cent of the income from such property;

(*c*) income derived from property held under trust—

(*i*) created on or after the 1st day of April, 1952, for a charitable purpose which tends to promote international welfare in which India is interested, to the extent to which such income is applied to such purposes outside India, and

(*ii*) for charitable or religious purposes, created before the 1st day of April, 1952, to the extent to which such income is applied to such purposes outside India:

Provided that the Board, by general or special order, has directed in either case that it shall not be included in the total income of the person in receipt of such income;

(*d*) income in the form of voluntary contributions made with a specific direction that they shall form part of the corpus of the trust or institution, subject to the condition that such voluntary contributions are invested or deposited in one or more of the forms or modes specified in sub-section (5) maintained specifically for such corpus.

Explanation 1.—For the purposes of clauses (*a*) and (*b*),—

(*1*) in computing the fifteen per cent of the income which may be accumulated or set apart, any such voluntary contributions as are referred to in section 12 shall be deemed to be part of the income;

(*2*) if, in the previous year, the income applied to charitable or religious purposes in India falls short of eighty-five per cent of the income derived during that year from property held under trust, or, as the case may be, held under trust in part, by any amount—

(*i*) for the reason that the whole or any part of the income has not been received during that year, or

(*ii*) for any other reason,

then—

(*a*) in the case referred to in sub-clause (*i*), so much of the income applied to such purposes in India during the previous year in which the income is received or during the previous year immediately following as does not exceed the said amount, and

(*b*) in the case referred to in sub-clause (*ii*), so much of the income applied to such purposes in India during the previous year immediately following the previous year in which the income was derived as does not exceed the said amount,

may, at the option of the person in receipt of the income (such option to be exercised [77][at least two months prior to the due date specified] under sub-section (1) of section 139 for furnishing the return of income, in such form and manner as may be prescribed) be deemed to be income applied to such purposes during the previous year in which the income was derived; and the income so deemed to have been applied shall not be taken into account in calculating the amount of income applied to such purposes, in the case referred to in sub-clause (*i*), during the previous year in which the income is received or during the previous year immediately following, as the case may be, and, in the case referred to in sub-clause (*ii*), during the previous year immediately following the previous year in which the income was derived.

Explanation 2.—Any amount credited or paid, out of income referred to in clause (*a*) or clause (*b*) read with *Explanation 1*, to any fund or trust or institution or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10 or other trust or institution registered under section 12AA or section 12AB, as the case may be, being contribution with a specific direction that it shall form part of the corpus, shall not be treated as application of income for charitable or religious purposes.

Explanation 3.—For the purposes of determining the amount of application under clause (*a*) or clause (*b*), the provisions of sub-clause (*ia*) of clause (*a*) of section

40 and sub-sections (3) and (3A) of section 40A, shall, *mutatis mutandis*, apply as they apply in computing the income chargeable under the head "Profits and gains of business or profession".

Explanation 3A.—For the purposes of this sub-section, where the property held under a trust or institution includes any temple, mosque, gurdwara, church or other place notified under clause (*b*) of sub-section (2) of section 80G, any sum received by such trust or institution as voluntary contribution for the purpose of renovation or repair of such temple, mosque, gurdwara, church or other place, may, at its option, be treated by such trust or institution as forming part of the corpus of the trust or the institution, subject to the condition that the trust or the institution,—

(*a*) applies such corpus only for the purpose for which the voluntary contribution was made;

(*b*) does not apply such corpus for making contribution or donation to any person;

(*c*) maintains such corpus as separately identifiable; and

(*d*) invests or deposits such corpus in the forms and modes specified under sub-section (5) of section 11.

Explanation 3B.—For the purposes of *Explanation 3A*, where any trust or institution has treated any sum received by it as forming part of the corpus, and subsequently any of the conditions specified in clause (*a*) or clause (*b*) or clause (*c*) or clause (*d*) of the said *Explanation* is violated, such sum shall be deemed to be the income of such trust or institution of the previous year during which the violation takes place.

Explanation 4.—For the purposes of determining the amount of application under clause (*a*) or clause (*b*),—

(*i*) application for charitable or religious purposes from the corpus as referred to in clause (*d*) of this sub-section, shall not be treated as application of income for charitable or religious purposes:

Provided that the amount not so treated as application, or part thereof, shall be treated as application for charitable or religious purposes in the previous year in which the amount, or part thereof, is invested or deposited back, into one or more of the forms or modes specified in sub-section (5) maintained specifically for such corpus, from the income of that year and to the extent of such investment or [deposit:]

[**Provided further** that provisions of the first proviso shall apply only if there was no violation of the conditions specified—

(*a*) in clause (*c*) of this sub-section;

(*b*) in *Explanations 2, 3* and *5* of this sub-section;

(*c*) in the *Explanation* to this section; and

(*d*) in clause (*c*) of sub-section (1) of section 13,

at the time the application was made from the corpus:

Provided also that the amount invested or deposited back shall not be treated as application for charitable or religious purposes under the first proviso unless such investment or deposit is made within a period of five years from the end of the previous year in which such application was made from the corpus:

Provided also that nothing contained in the first proviso shall apply where application from the corpus is made on or before the 31st day of March, 2021;]

(*ii*) application for charitable or religious purposes, from any loan or borrowing, shall not be treated as application of income for charitable or religious purposes:

Provided that the amount not so treated as application, or part thereof, shall be treated as application for charitable or religious purposes in the previous year in which the loan or borrowing, or part thereof, is repaid from the income of that year and to the extent of such repayment:

[**Provided further** that provisions of the first proviso shall apply only if there was no violation of the conditions specified—

(*a*) in clause (*c*) of this sub-section;

(*b*) in *Explanations 2, 3* and *5* of this sub-section;

(*c*) in the *Explanation* to this section; and

(*d*) in clause (*c*) of sub-section (1) of section 13,

at the time the application was made from loan or borrowing:

Provided also that the amount repaid shall not be treated as application for charitable or religious purposes under the first proviso unless such repayment is made within a period of five years from the end of the previous year in which such application was made from loan or borrowing:

Provided also that nothing contained in the first proviso shall apply where application from any loan or borrowing is made on or before the 31st day of March, 2021; and]

[(*iii*) any amount credited or paid, other than the amount referred to in *Explanation 2,* to any fund or trust or institution or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10, as the case may be, or other trust or institution registered under section 12AB, as the case may be, shall be treated as application for charitable or religious purposes only to the extent of eighty-five per cent of such amount credited or paid.]

Explanation 5.—For the purposes of this sub-section, it is hereby clarified that the calculation of income required to be applied or accumulated during the previous year

shall be made without any set off or deduction or allowance of any excess application of any of the year preceding the previous year. (1A) For the purposes of sub-section (1),—

(*a*) where a capital asset, being property held under trust wholly for charitable or religious purposes, is transferred and the whole or any part of the net consideration is utilised for acquiring another capital asset to be so held, then, the capital gain arising from the transfer shall be deemed to have been applied to charitable or religious purposes to the extent specified hereunder, namely:—

(*i*) where the whole of the net consideration is utilised in acquiring the new capital asset, the whole of such capital gain;

(*ii*) where only a part of the net consideration is utilised for acquiring the new capital asset, so much of such capital gain as is equal to the amount, if any, by which the amount so utilised exceeds the cost of the transferred asset;

(*b*) where a capital asset, being property held under trust in part only for such purposes, is transferred and the whole or any part of the net consideration is utilised for acquiring another capital asset to be so held, then, the appropriate fraction of the capital gain arising from the transfer shall be deemed to have been applied to charitable or religious purposes to the extent specified hereunder, namely:—

(*i*) where the whole of the net consideration is utilised in acquiring the new capital asset, the whole of the appropriate fraction of such capital gain;

(*ii*) in any other case, so much of the appropriate fraction of the capital gain as is equal to the amount, if any, by which the appropriate fraction of the amount utilised for acquiring the new asset exceeds the appropriate fraction of the cost of the transferred asset.

Explanation.—In this sub-section,—

(*i*) "appropriate fraction" means the fraction which represents the extent to which the income derived from the capital asset transferred was immediately before such transfer applicable to charitable or religious purposes;

(*ii*) "cost of the transferred asset" means the aggregate of the cost of acquisition (as ascertained for the purposes of sections 48 and 49) of the capital asset which is the subject of the transfer and the cost of any improvement thereto within the meaning assigned to that expression in sub-clause (*b*) of clause (*1*) of section 55;

(*iii*) "net consideration" means the full value of the consideration received or accruing as a result of the transfer of the capital asset as reduced by any expenditure incurred wholly and exclusively in connection with such transfer.

(1B) Where any income in respect of which an option is exercised under clause (*2*) of the *Explanation* to sub-section (1) is not applied to charitable or religious purposes in India during the period referred to in sub-clause (*a*) or, as the case may be, sub-clause (*b*), of the said clause, then, such income shall be deemed to be the income of the person in receipt thereof—

(*a*) in the case referred to in sub-clause (*i*) of the said clause, of the previous year immediately following the previous year in which the income was received; or

(*b*) in the case referred to in sub-clause (*ii*) of the said clause, of the previous year immediately following the previous year in which the income was derived.

(2) Where eighty-five per cent of the income referred to in clause (*a*) or clause (*b*) of sub-section (1) read with the *Explanation* to that sub-section is not applied, or is not deemed to have been applied, to charitable or religious purposes in India during the previous year but is accumulated or set apart, either in whole or in part, for application to such purposes in India, such income so accumulated or set apart shall not be included in the total income of the previous year of the person in receipt of the income, provided the following conditions are complied with, namely:—

(*a*) such person furnishes a statement in the prescribed form and in the prescribed manner to the Assessing Officer, stating the purpose for which the income is being accumulated or set apart and the period for which the income is to be accumulated or set apart, which shall in no case exceed five years;

(*b*) the money so accumulated or set apart is invested or deposited in the forms or modes specified in sub-section (5);

(*c*) the statement referred to in clause (*a*) is furnished [at least two months prior to] the due date specified under sub-section (1) of section 139 for furnishing the return of income for the previous year:

Provided that in computing the period of five years referred to in clause (*a*), the period during which the income could not be applied for the purpose for which it is so accumulated or set apart, due to an order or injunction of any court, shall be excluded.
Explanation.—Any amount credited or paid, out of income referred to in clause (*a*) or clause (*b*) of sub-section (1), read with the *Explanation* to that sub-section, which is not applied, but is accumulated or set apart, to any trust or institution registered under section 12AA or section 12AB or to any fund or institution or trust or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10, shall not be treated as application of income for charitable or religious purposes, either during the period of accumulation or thereafter. (3) Any income referred to in sub-section (2) which—

(*a*) is applied to purposes other than charitable or religious purposes as aforesaid or ceases to be accumulated or set apart for application thereto, or

(*b*) ceases to remain invested or deposited in any of the forms or modes specified in sub-section (5), or

(*c*) is not utilised for the purpose for which it is so accumulated or set apart during the period referred to in clause (*a*) of that sub-section,

(*d*) is credited or paid to any trust or institution registered under section 12AA or section 12AB or to any fund or institution or trust or any university or

other educational institution or any hospital or other medical institution referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10,

shall be deemed to be the income of such person of the previous year,—

(*i*) in which it is so applied or ceases to be so accumulated or set apart under clause (*a*); or

(*ii*) in which it ceases to remain so invested or deposited under clause (*b*); or

(*iii*) being the last previous year of the period, for which the income is accumulated or set apart but not utilised for the purpose for which it is so accumulated or set apart under clause (*c*); or

(*iv*) in which it is credited or paid to any fund or institution or trust or any university or other educational institution or any hospital or other medical institution under clause (*d*).

(3A) Notwithstanding anything contained in sub-section (3), where due to circumstances beyond the control of the person in receipt of the income, any income invested or deposited in accordance with the provisions of clause (*b*) of sub-section (2) cannot be applied for the purpose for which it was accumulated or set apart, the Assessing Officer may, on an application made to him in this behalf, allow such person to apply such income for such other charitable or religious purpose in India as is specified in the application by such person and as is in conformity with the objects of the trust; and thereupon the provisions of sub-section (3) shall apply as if the purpose specified by such person in the application under this sub-section were a purpose specified in the notice given to the Assessing Officer under clause (*a*) of sub-section (2):

Provided that the Assessing Officer shall not allow application of such income by way of payment or credit made for the purposes referred to in clause (*d*) of sub-section (3) of section 11:

Provided further that in case the trust or institution, which has invested or deposited its income in accordance with the provisions of clause (*b*) of sub-section (2), is dissolved, the Assessing Officer may allow application of such income for the purposes referred to in clause (*d*) of sub-section (3) in the year in which such trust or institution was dissolved.

(4) For the purposes of this section "property held under trust" includes a business undertaking so held, and where a claim is made that the income of any such undertaking shall not be included in the total income of the persons in receipt thereof, the Assessing Officer shall have power to determine the income of such undertaking in accordance with the provisions of this Act relating to assessment; and where any income so determined is in excess of the income as shown in the accounts of the undertaking, such excess shall be deemed to be applied to purposes other than charitable or religious purposes.

(4A) Sub-section (1) or sub-section (2) or sub-section (3) or sub-section (3A) shall not apply in relation to any income of a trust or an institution, being profits and gains of business, unless the business is incidental to the attainment of the objectives of the

trust or, as the case may be, institution, and separate books of account are maintained by such trust or institution in respect of such business.

(5) The forms and modes of investing or depositing the money referred to in clause (*b*) of sub-section (2) shall be the following, namely :—

(*i*) investment in savings certificates as defined in clause (*c*) of section 2 of the Government Savings Certificates Act, 1959 (46 of 1959), and any other securities or certificates issued by the Central Government under the Small Savings Schemes of that Government;

(*ii*) deposit in any account with the Post Office Savings Bank;

(*iii*) deposit in any account with a scheduled bank or a co-operative society engaged in carrying on the business of banking (including a co-operative land mortgage bank or a co-operative land development bank).

Explanation.—In this clause, "scheduled bank" means the State Bank of India constituted under the State Bank of India Act, 1955 (23 of 1955), a subsidiary bank as defined in the State Bank of India (Subsidiary Banks) Act, 1959 (38 of 1959), a corresponding new bank constituted under section 3 of the Banking Companies (Acquisition and Transfer of Undertakings) Act, 1970 (5 of 1970), or under section 3 of the Banking Companies (Acquisition and Transfer of Undertakings) Act, 1980 (40 of 1980), or any other bank being a bank included in the Second Schedule to the Reserve Bank of India Act, 1934 (2 of 1934);

(*iv*) investment in units of the Unit Trust of India established under the Unit Trust of India Act, 1963 (52 of 1963);

(*v*) investment in any security for money created and issued by the Central Government or a State Government;

(*vi*) investment in debentures issued by, or on behalf of, any company or corporation both the principal whereof and the interest whereon are fully and unconditionally guaranteed by the Central Government or by a State Government;

(*vii*) investment or deposit in any public sector company:

Provided that where an investment or deposit in any public sector company has been made and such public sector company ceases to be a public sector company,—

(*A*) such investment made in the shares of such company shall be deemed to be an investment made under this clause for a period of three years from the date on which such public sector company ceases to be a public sector company;

(*B*) such other investment or deposit shall be deemed to be an investment or deposit made under this clause for the period up to the date on which such investment or deposit becomes repayable by such company;

(*viii*) deposits with or investment in any bonds issued by a financial corporation which is engaged in providing long-term finance for industrial development in India and which is eligible for deduction under clause (*viii*) of sub-section (1) of section 36;

(*ix*) deposits with or investment in any bonds issued by a public company formed and registered in India with the main object of carrying on the business of providing long-term finance for construction or purchase of houses in India for residential purposes and which is eligible for deduction under clause (*viii*) of sub-section (1) of section 36;

(*ixa*) deposits with or investment in any bonds issued by a public company formed and registered in India with the main object of carrying on the business of providing long-term finance for urban infrastructure in India.

Explanation.—For the purposes of this clause,—

(*a*) "long-term finance" means any loan or advance where the terms under which moneys are loaned or advanced provide for repayment along with interest thereof during a period of not less than five years;

(*b*) "public company" shall have the meaning assigned to it in section 3 of the Companies Act, 1956 (1 of 1956);

(*c*) "urban infrastructure" means a project for providing potable water supply, sanitation and sewerage, drainage, solid waste management, roads, bridges and flyovers or urban transport;

(*x*) investment in immovable property.

Explanation.—"Immovable property" does not include any machinery or plant (other than machinery or plant installed in a building for the convenient occupation of the building) even though attached to, or permanently fastened to, anything attached to the earth;

(*xi*) deposits with the Industrial Development Bank of India established under the Industrial Development Bank of India Act, 1964 (18 of 1964);

(*xii*) any other form or mode of investment or deposit as may be prescribed.

(6) In this section where any income is required to be applied or accumulated or set apart for application, then, for such purposes the income shall be determined without any deduction or allowance by way of depreciation or otherwise in respect of any asset, acquisition of which has been claimed as an application of income under this section in the same or any other previous year. (7) Where a trust or an institution has been granted registration under section 12AA or section 12AB or has obtained registration at any time under section 12A [as it stood before its amendment by the Finance (No. 2) Act, 1996 (33 of 1996)] and the said registration is in force for any previous year, then, nothing contained in section 10 [[*other than clause (*1*), clause (*23C*), clause (*23EA*), clause (*23EC*), clause (*23ED*), clause (*46*), clause (*46A*) and clause (*46B*) thereof*]] shall operate to exclude any income derived from the property held under trust from the total income of the person in receipt thereof for that previous year:

Provided that such registration shall become inoperative from the date on which the trust or institution is approved under clause (*23C*) of section 10 or [*is notified under clause (*23EA*) or clause (*23EC*) or clause (*23ED*) or clause (*46*)*] [or clause (*46A*)] of

the said section, as the case may be, or the date on which this proviso has come into force, whichever is later [*, or, the 1st day of April of the previous year relevant to the assessment year for which the exemption is claimed under clause (*46B*) of the said section*]:

Provided further that the trust or institution, whose registration has become inoperative under the first proviso, may apply to get its registration operative under section 12AA or section 12AB subject to the condition that on doing so, the approval under clause (*23C*) of section 10 or notification [under [*clause (*23EA*) or*] clause (*23EC*) or [*clause (*23ED*) or*] clause (*46*) or clause (*46A*)] of the said section, as the case may be, to such trust or institution shall cease to have any effect from the date on which the said registration becomes operative and thereafter, it shall not be entitled to exemption under the respective clauses. *Explanation.*—For the purposes of this section, any sum payable by any trust or institution shall be considered as application of income in the previous year in which such sum is actually paid by it (irrespective of the previous year in which the liability to pay such sum was incurred by the trust or institution according to the method of accounting regularly employed by it):

Provided that where during any previous year, any sum has been claimed to have been applied by the trust or institution, such sum shall not be allowed as application in any subsequent previous year.

350.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under :-

> "Clause 350 of the Bill provides for permitted modes of investment. The clause corresponds to section 11(5) of the Act. The modes of investing or depositing the money has been specified in Schedule XVI of the Bill. This Schedule consolidates modes of investing or depositing appearing in section 11(5), rule 17C, section 13(1)(d) and section 10(23C) of the Act. Further, the provisions of the existing section have been textually simplified and retained with the same intent in this clause".

350.4 Important Views/Suggestions given by Experts/Stakeholders:

During the course of the examination of the Bill, some important suggestions/comments received from various stakeholders and experts are summarised as follows:-

1. Section 11(5) lists the forms and modes of investing or depositing the money. Any other form or mode of investment or deposit must be prescribed. Insertion of a new sub-clause in Clause 70 after sub-clause (b): "of a capital asset, being shares of a company listed on a recognised stock exchange, by a promoter or a person belonging to the promoter group of such company".

2. Section 11(5) lists the forms and modes of investing or depositing the money. Any other form or mode of investment or deposit must be prescribed. Insertion of a new sub-clause in Clause 70 after sub-clause (b): “of a capital asset, being shares of a company listed on a recognized stock exchange, by a promoter or a person belonging to the promoter group of such company”.

350.5 <u>Examination by the Committee:</u>

350.5.1 On the above suggestions, the Ministry of Finance has stated the following in their written submission (mentioned correspondingly):

1. Clause 350 of the Bill seeks to provide provision related to permitted modes of investment. The clause corresponds to section 11(5) of the Act. The modes of investing or depositing the money has been specified in Schedule XVI of the Bill. The said Schedule consolidated modes of investing or depositing which were earlier appearing in section 11(5), rule 17C, section 13(1)(d) and section 10(23C) of the Act. Therefore, the modes which were prescribed by way of Rules are already provided in the Bill. Any other specification is a matter of Rules to be framed at appropriate time. The suggestion is already taken care of.

2. “Suggestion seeks inclusion of following sub- clause in Clause 70 after sub-clause (b): “of a capital asset, being shares of a company listed on a recognised stock exchange, by a promoter or a person belonging to the promoter group of such company". The suggestion seeks specific exemption from transfer for shares of listed company where they are donated to trust. No rationale has been provided by the stakeholder. The exemption is already provided where capital asset is given by gift, will or irrevocable trust. The suggestion is already addressed.

350.5.2 The Committee further examined the Clause of the proposed Bill and suggested/Commented as under:

> *“With specific reference to Clause 350: Permitted modes of Investment within the proposed Income-Tax Bill, 2025, are investments in gold and silver bars (distinguished from gold ornaments) considered a specified mode of investment permissible for non-profit organizations (NPOs?”*

350.5.3 The Ministry in their written replies stated that under Schedule XVI read with clause 350, at present investment in jewellery is treated as permitted modes of investment .

350.6 Observations/Recommendations of the Committee:

The Committee note that Clause 350 of the Bill provides for permitted modes of investment. The clause corresponds to section 11(5) of the Act. The modes of investing or depositing the money has been specified in Schedule XVI of the Bill. This Schedule consolidates modes of investing or depositing appearing in section 11(5), rule 17C, section 13(1)(d) and section 10(23C) of the Act. Further, the provisions of the existing section have been textually simplified and retained with the same intent in this clause. After considering the viewpoints of both the stakeholders and the Department, the Committee accept Clause 350 as proposed.

Clause 351 - Specified violation

351.1 <u>Provision proposed in the Income-Tax Bill, 2025:</u>

351. (*1*) The following shall constitute specified violation by a registerednon-profit organisation:—

(*a*) where any income of the registered non-profit organisation has been applied, other than for its objects; or

(*b*) it carries out any commercial activity in contravention of the provisions of section 345; or

(*c*) where it has applied any part of its total income for private religious purposes, which does not enure for the benefit of the public; or

(*d*) where a registered non-profit organisation, created or established after the commencement of this Act for charitable purpose, has applied any part of its income for the benefit of any particular religious community or caste other than the Scheduled Castes or the Scheduled Tribes or backward classes or women and children; or

(*e*) where any activity being carried out by the registered non-profit organisation is not genuine or is not being carried out in accordance with all or any of the conditions subject to which it was registered; or

(*f*) the registered non-profit organisation has not complied with the requirements under section 332(*7*) and the order, direction or decree, holding that such non-compliance has occurred, has either not been disputed, or has attained finality; or

(*g*) the application referred to in section 332(*1*) contains any false or incorrect information.

(*2*) Where during any tax year,—

(*a*) the Principal Commissioner or Commissioner has noticed occurrence of one or more specified violations;

(*b*) the Principal Commissioner or Commissioner has received a reference from the Assessing Officer under section 270(*13*) for any tax year; or

(*c*) a registered non-profit organisation has been selected as per the risk management strategy formulated by the Board,

the Principal Commissioner or Commissioner shall—

(*i*) call for such documents or information from the registered non-profit organisation, or make such inquiry as he thinks necessary in order to satisfy himself about the occurrence of any specified violation;

(*ii*) pass an order,—

(*A*) either cancelling the registration of such registered non-profit organisation, after affording a reasonable opportunity of being heard, for such tax year during which such specified violation took place and all subsequent tax years, if he is satisfied that one or more specified violations have taken place; or

(*B*) not cancelling the registration of such registered non-profit organisation, if he is not satisfied about the occurrence of any specified violation; and

(*iii*) forward a copy of the order passed under clause (*ii*) to the Assessing Officer and such registered non-profit organisation.

(*3*) The order under sub-section (*2*)(*ii*), shall be passed before the expiry of six months, calculated from the end of the quarter in which the first notice is issued by the Principal Commissioner or Commissioner, calling for any document or information, or for making any inquiry, under clause (*i*) of the said sub-section.

351.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Procedure for fresh registration. 12AB. (1) The Principal Commissioner or Commissioner, on receipt of an application made under clause (*ac*) of sub-section (1) of section 12A, shall,—

(*a*) where the application is made under sub-clause (*i*) of the said clause, pass an order in writing registering the trust or institution for a period of five years;

(*b*) where the application is made under sub-clause (*ii*) or sub-clause (*iii*) or sub-clause (*iv*) or sub-clause (*v*) [or item (*B*) of sub-clause (*vi*)] of the said clause,—

(*i*) call for such documents or information from the trust or institution or make such inquiries as he thinks necessary in order to satisfy himself about—

(*A*) the genuineness of activities of the trust or institution; and

(*B*) the compliance of such requirements of any other law for the time being in force by the trust or institution as are material for the purpose of achieving its objects;

(*ii*) after satisfying himself about the objects of the trust or institution and the genuineness of its activities under item (*A*) and compliance of the requirements under item (*B*), of sub-clause (*i*),—

(*A*) pass an order in writing registering the trust or institution for a period of five years; or

[(*B*) if he is not so satisfied, pass an order in writing,--

(*I*) in a case referred to in sub-clause (*ii*) or sub-clause (*iii*) or sub-clause (*v*) of clause (*ac*) of sub-section (1) of section 12A rejecting such application and also cancelling its registration;

(*II*) in a case referred to in sub-clause (*iv*) or in item (*B*) of sub-clause (*vi*) of sub-section (1) of section 12A, rejecting such application,

after affording a reasonable opportunity of being heard;]

[(*c*) where the application is made under item (*A*) of sub-clause (*vi*) of the said clause or the application is made under sub-clause (*vi*) of the said clause, as it stood immediately before its amendment *vide* the Finance Act, 2023, pass an

order in writing provisionally registering the trust or institution for a period of three years from the assessment year from which the registration is sought,]

and send a copy of such order to the trust or institution: **[Provided** *that where an application is made under sub-clauses (*i*) to (*v*) of the said clause, and the total income of such trust or institution, without giving effect to the provisions of* sections 11 *and* 12*, does not exceed rupees five crores during each of the two previous years, preceding the previous year in which such application is made, the provisions of this sub-section shall have effect as if for the words "five years", the words "ten years" had been substituted.***]** (2) All applications, pending before the Principal Commissioner or Commissioner on which no order has been passed under clause (*b*) of sub-section (1) of section 12AA before the date on which this section has come into force, shall be deemed to be applications made under sub-clause (*vi*) of clause (*ac*) of sub-section (1) of section 12A on that date. [(3) The order under sub-section (1) shall be passed, in such form and manner as may be prescribed, within a period of,—

(*i*) three months calculated from the end of the month in which the application was received in case of clause (*a*);

(*ii*) six months calculated from the end of the quarter in which the application was received in case of sub-clause (*ii*) of clause (*b*); and

(*iii*) one month calculated from the end of the month in which the application was received in case of clause (*c*).]

(4) Where registration or provisional registration of a trust or an institution has been granted under clause (*a*) or clause (*b*) or clause (*c*) of sub-section (1) or clause (*b*) of sub-section (1) of section 12AA, as the case may be, and subsequently,—

(*a*) the Principal Commissioner or Commissioner has noticed occurrence of one or more specified violations during any previous year; or

(*b*) the Principal Commissioner or Commissioner has received a reference from the Assessing Officer under the second proviso to sub-section (3) of section 143 for any previous year; or

(*c*) such case has been selected in accordance with the risk management strategy, formulated by the Board from time to time, for any previous year,

the Principal Commissioner or Commissioner shall,—

(*i*) call for such documents or information from the trust or institution, or make such inquiry as he thinks necessary in order to satisfy himself about the occurrence or otherwise of any specified violation;

(*ii*) pass an order in writing, cancelling the registration of such trust or institution, after affording a reasonable opportunity of being heard, for such previous year and all subsequent previous years, if he is satisfied that one or more specified violations have taken place;

(*iii*) pass an order in writing, refusing to cancel the registration of such trust or institution, if he is not satisfied about the occurrence of one or more specified violations;

(*iv*) forward a copy of the order under clause (*ii*) or clause (*iii*), as the case may be, to the Assessing Officer and such trust or institution.

Explanation.—For the purposes of this sub-section, the following shall mean "specified violation",—

(*a*) where any income derived from property held under trust, wholly or in part for charitable or religious purposes, has been applied, other than for the objects of the trust or institution; or

(*b*) the trust or institution has income from profits and gains of business which is not incidental to the attainment of its objectives or separate books of account are not maintained by such trust or institution in respect of the business which is incidental to the attainment of its objectives; or

(*c*) the trust or institution has applied any part of its income from the property held under a trust for private religious purposes, which does not enure for the benefit of the public; or

(*d*) the trust or institution established for charitable purpose created or established after the commencement of this Act, has applied any part of its income for the benefit of any particular religious community or caste; or

(*e*) any activity being carried out by the trust or institution,—

(*i*) is not genuine; or

(*ii*) is not being carried out in accordance with all or any of the conditions subject to which it was registered; or

(*f*) the trust or institution has not complied with the requirement of any other law, as referred to in item (*B*) of sub-clause (*i*) of clause (*b*) of sub-section (1), and the order, direction or decree, by whatever name called, holding that such non-compliance has occurred, has either not been disputed or has attained finality [; or]

[98][(*g*) the application referred to in clause (*ac*) of sub-section (1) of section 12A **[*******]** contains false or incorrect information.]

(5) The order under clause (*ii*) or clause (*iii*) of sub-section (4), as the case may be, shall be passed before the expiry of a period of six months, calculated from the end of the quarter in which the first notice is issued by the Principal Commissioner or Commissioner, on or after the 1st day of April, 2022, calling for any document or information, or for making any inquiry, under clause (*i*) of sub-section (4).

351.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under :-

"Clause 351 of the Bill provides for specified violations of a registered non-profit organisation. The clause corresponds to section 12AB(4), Explanation to section 12AB(4) and section 12AB (5) of the Act. The provisions of the existing sections have been textually simplified and retained with the same intent in this clause".

351.4 Important Views/Suggestions given by Experts/Stakeholders:

During the course of the examination of the proposed Bill, some important suggestions/comments received from various stakeholders and experts are summarised as follows:-

1. Clause (b) should be deleted Since the definition of "commercial activity" in section 355(e), which is similar to existing proviso to section 2(15), now applies to both GPU and non-GPU trusts, non-GPU trusts are worse off since carrying on such activity results in cancellation of registration, while in case of GPU trusts, this results in only taxability of net income under section 353(1) For non-GPU trusts also, the consequence should be taxability of income under section 353(1).

2. Carrying on commercial activity by a non-GPU(non-General Public Utility) Trust, in respect of which section 345 contains specific restrictions, may attract tax, but should not be a specified violation resulting in cancellation of registration.

3. Section 351 be restructured with the following principles in mind:
   - **(i)** Proportionality and Intent o Apply the doctrine of mens rea (intent) where appropriate — not all errors are frauds.
   - **(ii)** Graduated Compliance Framework o Introduce Tier I (minor), Tier II (moderate), and Tier III (major) violations with matching penalties, showcause stages, or administrative remedies.
   - **(iii)** Reform and Rehabilitation Path o Create a framework for compliance coaching, mandatory training, or corrective filing timelines for first-time or unintentional violations.
   - **(iv)** Recognition of Track Record and Contribution o Organisations with 10+ years of clean audit history, active social contribution, or government recognition should be considered for lenient remedial paths, not immediate deregistration. Closing Thought: A vibrant non-profit ecosystem thrives not on fear of cancellation, but on faith in fairness. A law that embraces education over elimination will build enduring institutional strength and foster mutual respect between the regulator and the regulated.

351.5 Examination by the Committee:

On the above suggestions, the Ministry of Finance has stated the following in their written submission (mentioned correspondingly):

1. "Suggestion *inter alia* seeks to allow NPOs with object other than GPU to carry out commercial activity even if it is not incidental to the attainment of its objectives. The suggestion is the nature of policy change, which is beyond the scope of I T Bill, 2025. There is no change in the IT Bill, 2025 vis-a-vis I T Act, 1961. The exemption provisions for registered non-profit organisations are intended to meet certain socio-economic objectives. It is never meant to allow such institution for commercial purposes. The income of NPOs with objects other than GPU, from business activities which were not incidental to the attainment of the objectives of the NPOs were not exempted as per section 11(4A) of the I T Act. Clause 345 and 346 are similar to the provisions of section 11(4A) and proviso to section 2(15) of the Act. Further, under clause (b) of Explanation to section 12AB, such commercial activities by a trusts are treated as specified violation. Therefore, there is policy continuity. Hence, suggested amendment is not feasible.

2. Suggestion inter alia seeks to allow NPOs with object other than GPU to carry out commercial activity even if it is not incidental to the attainment of its objectives. The exemption provisions for registered non-profit organisations are intended to meet certain socio-economic objectives. It is never meant to allow such institution for commercial purposes. The income of NPOs with objects other than GPU, from business activities which were not incidental to the attainment of the objectives of the NPOs were not exempted as per section 11(4A) of the I T Act. Clause 345 and 346 are similar to the provisions of section 11(4A) and proviso to section 2(15) of the Act. Further, under clause (b) of Explanation to section 12AB, such commercial activities by a trust are treated as specified violation. Therefore, there is policy continuity".

3. Suggestion states that in the section 351, the penal consequences are harsh for the specified violation as there is no scope for proportionality or rehabilitation or graduated compliance system. There is no change in the IT Bill, 2025 vis-a-vis IT Act, 1961. Penal provisions for specified violations are not harsh. Only tax is charged without any liability for prior period interest or any penalty which is the situation for non-trust cases. Subject to certain conditions and compliances, the NPOs have been given exemption. This has been a policy decision to promote charitable activities for overall socioeconomic development of the nation. Further, essential safeguards have been built in respect of penal consequences, such as provision of opportunity of being heard in almost all cases of default where an adverse view may be taken, providing for condonation of delay mechanism, where bonafide reasons could be the cause of non compliance etc. Therefore, in bonafide and genuine cases mechanism has been put in place to avoid undue hardship to the taxpayer. The suggestion is not feasible.

351.6 Observations/Recommendations of the Committee:

The Committee note that Clause 351 of the Bill addresses specific violations by registered non-profit organizations. It simplifies and retains the original intent of sections 12AB(4), the Explanation to section 12AB(4), and section 12AB(5) of the Income-Tax Act, 1961. After reviewing stakeholders inputs and the Department's response, the Committee approve Clause 351 as proposed.

Clause 352 - Tax on accreted income

352.1 <u>Provision proposed in the Income-Tax Bill, 2025:</u>

352. (*1*) Every specified person shall, in addition to the income-tax chargeable in respect of his total income, be liable to pay additional income-tax on accreted income at the maximum marginal rate in any of the cases specified in column B of the Table in sub-section (*5*).

(*2*) The Assessing Officer shall compute the accreted income on the date, specified in column C of the Table in sub-section (*5*) and after affording a reasonable opportunity of being heard to the assessee, pass on order that such income shall be charged to tax under sub-section (*1*).

(*3*) The accreted income referred to in sub-section (*1*) shall be computed using the following formula:— A=B-C where,— A= Accreted income; B= Aggregate fair market value of the total assets of the specified person, as on the date specified, in column C of the Table in sub-section (*5*), computed in accordance with such method of valuation, as prescribed; C= Total liability of such specified person, as on the date specified in column C of the said Table, computed in accordance with such method of valuation, as prescribed.

(*4*) The accreted income, computed as per the provisions of sub-section (*3*) shall be reduced by such amount of accreted income as is attributable to specified assets, and liabilities, if any, related to such assets.

(*5*) The specified person and the principal officer or trustee of such specified person shall be liable to pay the tax on accreted income to the credit of the Central Government within fourteen days from the due date specified in column D of the Table below, or the date of order passed under sub-section (*2*).

Table

Sl. No.	Case		Specified date	Due date for the payment of tax on accreted income

No. 3, 4, 5 or 7).			
7.	Where a specified person converts itself into a form which is not eligible for grant of registration during any tax year.		The date of such conversion.	The end of such tax year.
8.	The specified person has merged with any other entity other than a		The date of merger.	The date of merger.

	registered non-profit organisation having the same or similar objects and the said merger does not fulfil such conditions, as prescribed.		
9.	The specified person has failed to transfer upon dissolution, all its assets to any other registered non-profit organisation within twelve months from the end of the month in which the dissolution takes place.	The date of dissolution.	The date on which such period of twelve months expires.

(*6*) The payment of tax on the accreted income by the specified person under this section shall be deemed as the final payment of tax in respect of the said income and no further credit therefor shall be claimed by, or any deduction be allowed to, the specified person or any other person in respect of the amount of tax so paid under any other provision of this Act.

(*7*) Where the specified person, or the principal officer or trustee of such specified person, fails to pay the whole or any part of the tax on the accreted income within the time allowed under sub-section (*5*), such specified person, principal officer or trustee shall be liable to pay simple interest, computed as per the following formula:— I= 1% of (T*P) where,— I=interest; T= tax on accreted income; and P= number of months beginning on the date immediately after the last date on which such tax was payable and ending with the date on which the tax is actually paid including part thereof.

(*8*) All the provisions of this Act shall apply for the collection and recovery of income-tax in respect of the amount of tax payable by the specified person, principal officer or trustee and the following persons shall be deemed to be assessee in default:—

(*a*) the specified person and principal officer or the trustee of such specified person;

(*b*) the person to whom any asset forming part of the computation of accreted income under sub-section (*3*) has been transferred, where the tax on accreted income is payable under the cases specified in sub-section (*5*)(Table: Sl. No. 9).

(*9*) Subject to the provisions of sub-section (*8*), the liability of the person referred to in clause (*b*) of the said sub-section shall be limited to the extent to which the asset received by him is capable of meeting the liability.

352.2 <u>Relevant Provision of the Principal Act (Income-Tax Act, 1961):</u>

Tax on accreted income. 115TD. (1) Notwithstanding anything contained in this Act, where in any previous year, a specified person has—

(*a*) converted into any form which is not eligible for grant of registration under section 12AA or section 12AB, or approval under sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10;

(*b*) merged with any entity other than an entity which is a trust or institution having objects similar to it and registered under section 12AA or section 12AB or approved under sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10; or

(*c*) failed to transfer upon dissolution all its assets to any other specified person within a period of twelve months from the end of the month in which the dissolution takes place,

then, in addition to the income-tax chargeable in respect of the total income of such specified person, the accreted income of the specified person as on the specified date shall be charged to tax and such specified person shall be liable to pay additional income-tax (herein referred to as tax on accreted income) at the maximum marginal rate on the accreted income. (2) The accreted income for the purposes of sub-section (1) means the amount by which the aggregate fair market value of the total assets of the specified person, as on the specified date, exceeds the total liability of such specified person, computed in accordance with the method of valuation, as may be prescribed:

Provided that so much of the accreted income as is attributable to the following asset and liability, if any, related to such asset, shall be ignored for the purposes of sub-section (1), namely:—

(*i*) any asset which is established to have been directly acquired by the specified person out of its income of the nature referred to in clause (*1*) of section 10;

(*ii*) any asset acquired by the specified person during the period beginning from the date of its creation or establishment and ending on the date from which the registration under section 12AA or section 12AB or approval under clause (*23C*) of section 10 became effective, if the specified person has not been allowed any benefit of sections 11 and 12 or sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10 during the said period:

Provided further that where due to the provisions of the first proviso or the second proviso to sub-section (2) of section 12A or the eighth proviso to clause (*23C*)

of section 10, the benefit of sections 11 and 12, or sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10 have been allowed to the specified person in respect of any previous year or years beginning prior to the date from which the registration under section 12AA or section 12AB or approval under clause (*23C*) of section 10 is effective, then, for the purposes of clause (*ii*) of the first proviso, the registration or approval shall be deemed to have become effective from the first day of the earliest previous year:

Provided alsothat while computing the accreted income in respect of a case referred to in clause (*c*) of sub-section (1), assets and liabilities, if any, related to such asset, which have been transferred to any other specified person within the period specified in the said clause, shall be ignored. (3) For the purposes of sub-section (1), a specified person shall be deemed to have been converted into any form not eligible for registration under section 12AA or section 12AB or approval under sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10 in a previous year, if,—

(*i*) the registration or approval granted to it under section 12AA, or section 12AB, or sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10, has been cancelled; or

(*ii*) it has adopted or undertaken modification of its objects which do not conform to the conditions of registration and it—

(*a*) has not applied for fresh registration under section 12AA, or section 12AB, or approval under sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10 in the said previous year; or

(*b*) has filed application for fresh registration under section 12AA, or section 12AB, or approval under sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10 but the said application has been [50][rejected; or]

[(*iii*) it fails to make an application in accordance with the provisions of clause (*i*) or clause (*ii*) or clause (*iii*) of the first proviso to clause (*23C*) of section 10 or sub-clause (*i*) or sub-clause (*ii*) or sub-clause (*iii*) of clause (*ac*) of sub-section (1) of section 12A, within the period specified in the said clauses or sub-clauses, as the case may be, which expires in the said previous year.]

(4) Notwithstanding that no income-tax is payable by a specified person on its total income computed in accordance with the provisions of this Act, the tax on the accreted income under sub-section (1) shall be payable by such specified person. (5) The principal officer or the trustee of the specified person, as the case may be, and the specified person shall also be liable to pay the tax on accreted income to the credit of the Central Government within fourteen days from,—

(*i*) the date on which,—

(*a*) the period for filing appeal under section 253 against the order cancelling the registration expires and no appeal has been filed by the specified person; or

(*b*) the order in any appeal, confirming the cancellation of the registration, is received by the specified person,

in a case referred to in clause (*i*) of sub-section (3);

(*ii*) the end of the previous year in a case referred to in sub-clause (*a*) of clause (*ii*) [clause (*ii*), or clause (*iii*),] of sub-section (3);

(*iii*) the date on which,—

(*a*) the period for filing appeal under section 253 against the order rejecting the application expires and no appeal has been filed by the specified person; or

(*b*) the order in any appeal, confirming the cancellation of the application, is received by the specified person,

in a case referred to in sub-clause (*b*) of clause (*ii*) of sub-section (3);

(*iv*) the date of merger in a case referred to in clause (*b*) of sub-section (1);

(*v*) the date on which the period of twelve months referred to in clause (*c*) of sub-section (1) expires.

(6) The tax on the accreted income by the specified person shall be treated as the final payment of tax in respect of the said income and no further credit therefor shall be claimed by the specified person or by any other person in respect of the amount of tax so paid. (7) No deduction under any other provision of this Act shall be allowed to the specified person or any other person in respect of the income which has been charged to tax under sub-section (1) or the tax thereon. *Explanation*.—For the purposes of this section,—

(*i*) "date of conversion" means,—

(*a*) the date of the order cancelling the registration under section 12AA or section 12AB, or approval under sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10, in a case referred to in clause (*i*) of sub-section (3); or

(*b*) the date of adoption or modification of any object, in a case referred to in clause (*ii*) of sub-section (3); [or]

[52][(*c*) the last date for making an application for registration under sub-clause (*i*) or sub-clause (*ii*) or sub-clause (*iii*) of clause (*ac*) of sub-section (1) of section 12A or for making an application for approval under clause (*i*) or clause (*ii*) or clause (*iii*) of the first proviso to clause (*23C*) of section 10, as the case may be, in a case referred to in clause (*iii*) of sub-section (3);]

(*ii*) "specified date" means,—

(*a*) the date of conversion in a case falling under clause (*a*) of sub-section (1);

(*b*) the date of merger in a case falling under clause (*b*) of sub-section (1); and

(*c*) the date of dissolution in a case falling under clause (*c*) of sub-section (1);

(*iia*) "specified person" means—

(*a*) any fund or institution or trust or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10; or

(*b*) a trust or institution registered under section 12AA or section 12AB;

(*iii*) registration under section 12AA or section 12AB shall include any registration obtained under section 12A as it stood before its amendment by the Finance (No. 2) Act, 1996 (33 of 1996).

Interest payable for non-payment of tax by specified person. 115TE. Where the principal officer or the trustee of the specified person and the specified person fails to pay the whole or any part of the tax on the accreted income referred to in sub-section (1) of section 115TD, within the time allowed under sub-section (5) of that section, he or it shall be liable to pay simple interest at the rate of one per cent for every month or part thereof on the amount of such tax for the period beginning on the date immediately after the last date on which such tax was payable and ending with the date on which the tax is actually paid.

Explanation.—For the purposes of this section, "specified person" shall have the same meaning as assigned to in clause (*iia*) of the *Explanation* to section 115TD.

When specified person is deemed to be assessee in default. 115TF.

(1) If any principal officer or the trustee of the specified person and the specified person does not pay tax on accreted income in accordance with the provisions of section 115TD, then, he or it shall be deemed to be an assessee in default in respect of the amount of tax payable by him or it and all the provisions of this Act for the collection and recovery of income-tax shall apply.

(2) Notwithstanding anything contained in sub-section (1), in a case where the tax on accreted income is payable under the circumstances referred to in clause (*c*) of sub-section (1) of section 115TD, the person to whom any asset forming part of the computation of accreted income under sub-section (2) thereof has been transferred, shall be deemed to be an assessee in default in respect of such tax and interest thereon and all the provisions of this Act for the collection and recovery of income-tax shall apply:

Provided that the liability of the person referred to in this sub-section shall be limited to the extent to which the asset received by him is capable of meeting the liability.

Explanation.—For the purposes of this section, "specified person" shall have the same meaning as assigned to in clause (*iia*) of the *Explanation* to section 115TD.

352.3 <u>Reasons/Justification given by the Ministry of Finance for the proposed provision:</u>

The justification furnished by the Ministry for the proposed provision is as under:-

"Clause 352 of the Bill provides for tax on accreted income of a registered non-profit organisation. The clause corresponds to section 115TD, 115TE and 115TF of the Act. The provisions of the existing sections have been textually simplified and retained with the same intent in this clause. Further, the provisions have

been rationalised to inter alia clearly specify chargeability of such income, due dates for payment of liable tax and applicability of proceedings relating to collection and recovery in such cases".

352.4 <u>Important Views/Suggestions given by Experts/Stakeholders:</u>

During the course of the examination of the proposed Bill, some important suggestions/comments received from various stakeholders and experts are summarised as follows:-

1. Remove provision to Tax on Accreted Income Even Rejected or Delayed Applications Unlike Section 115TD of the Income-tax Act, 1961, which levied tax on accreted income only in cases of voluntary deregistration, conversion, or misuse of funds, the new Section 352 imposes tax even if:

- Initial registration is rejected, or
- Delay in application is not condoned. This leads to an inherent contradiction and double taxation, as such entities are first taxed as unregistered organisations and then subjected to accreted Income-Tax on net assets without being accorded the status of a charitable institution. This provision is punitive rather than corrective, especially when delays are procedural or administrative in nature.

2. *R*econsider Section 352(7) and (8) and introduce:
• A safe harbor clause protecting *bona fide* trustees acting in good faith;
• Personal liability to apply only where trustees are involved in fraud, wilful default, or misappropriation;
• Provisions mirroring the Companies Act's protection to independent directors under Section 149(12), where they are not penalized unless involved. Such safeguards would uphold the integrity and sustainability of trusteebased governance, which is foundational to India's charitable landscape.

352.5 <u>Examination by the Committee:</u>

352.5.1 On the above suggestions, the Ministry of Finance has stated the following in their written submission (mentioned correspondingly):

1. "Suggestion seeks that application of accreted income should not apply on rejected initial registration or when delayed application is not condoned. Sub-section (3) of section 115TD provides from situations where a trust or institution shall be treated to have converted into any other form not eligible for registration under section 12AA/12AB. Therefore, no new provisions have been inserted in the clause 352 relating to accreted income. If the initial registration application is rejected, there will be no charge of clause 352 to tax the accreted income. The charge of tax on accreted income is only on 'specified person', and the same is clarified in clause 355(l) as under:

"Specified person means any person which is registered under any specified provision at any time since its incorporation or creation."

Regarding the delay in filing the application for re- registration, the Commissioner is empowered to condone the delay in case of genuine hardships. In case of either the re- registration application itself not been filed, or when filed belatedly and the delay not been condoned by the Commissioner; the provisions of clause 352 (tax on accreted income) will get attracted. This is an anti-abuse provision to ensure that registered NPOs stay within the realm of public charity and not get out of the regulatory space after accumulating tax exempt income and assets. The provisions of clause 352 clarifies the same and ensures continuity of policy.

352.5.2 In this regard, the representative of the Ministry has stated the following during oral evidence held on 10 June, 2025:-

", ……there is a provision in the statute which speaks about when the asset value of the trust is going to be taxed. There are defaults which the trust may commit, and on committing default, the net asset value of the trust is going to be taxed at 30 per cent. There is one provision where he fails to file an application for re-registration. This provision comes into picture in case of delayed application, and then it is taxed". The stakeholder has thought that this may be excluded from the issue of chargeability under 115 TD. But after the recent amendment in the Finance Act, we have given the Commissioner the power to condone delayed applications. Once the application is condoned, it is treated as an application filed in time. In that case, TD will not kick in because the delay is condoned. So, this problem will not occur".

352.5.3 He further added as under:-

"सर, हम डबल टैक्सेशन नहीं लगाते हैं, यह पहले भी डिस्कस हो चुका है। ट्रस्ट चैरिटेबल पर्पज के लिए बनता है। हम उसको टैक्स से हर साल एग्जम्शन देते हैं। वह टैक्स जनता और सरकार का ड्यू टैक्स है जो हम फोर गो कर रहे हैं, वह इसलिए कि आपके पास जो इनकम हो रही है, आप उसे चैरिटेबल पर्पज के लिए लगाएं। सर, अगर वह चैरिटेबल पर्पज के लिए नहीं लगाता है तो पहले तो उसका पूरा रजिस्ट्रेशन कैंसिल हो जाता था, लेकिन बाद में बोला गया कि जहां तक टैक्स नहीं लगा, वहां तक टैक्स कर देंगे, उसके प्रोविजंस थे। तीसरा, वह केस आता है जहां ट्रस्ट चाहता है कि मैं प्राइवेट प्रॉपर्टी बन जाऊं। यह भी डिमांड आती है। लोग कहते हैं कि आप हमें इसे प्राइवेट प्रॉपर्टी बना लेने दो। उस समय कहते हैं कि आप केवल मामूली टैक्स लो, कैपिटल गैन टैक्स लो। हमारा एक्ट बोलता है कि उस दिन जो भी आपकी प्रॉपर्टी है, उसका जो भी फेयर मार्केट वेल्यू है, एज ऑन डेट, उसमें से आप अपनी लाइबेलिटी घटाओ, बाकी पर आप हमें 30 प्रतिशत टैक्स दे दो। सर, वह बिल्कुल जायज टैक्स है। वह प्रॉपर्टी जनता के पैसों से बनी हुई है, जिस पर हमने टैक्स नहीं लिया है। लोगों ने उसको इस पर्पज से डोनेट किया कि इसका यूटिलाइजेशन चैरिटेबल पर्पज के लिए होगा। अगर उसको कोई कन्वर्ट करता है, मिसयूज करता है तो इतना टैक्स तो उस पर होना ही चाहिए"

2. The proposed provision under clause 352(1) of the Income-tax Bill, 2025 are similar to the provisions u/s 115TD of the Income-tax Act, 1961(ITA) where the tax on

accreted income has to be charged on the maximum marginal rate. Further, the proposed provisions under clause 352(7) of the ITB are similar to the provisions u/s 115TE of the ITA wherein it is mentioned that if tax on accreted income is not paid within the specified time, the specified person, principal officer, or trustee shall be liable to pay 1% simple interest per month on the unpaid tax. Also, the proposed provisions under clause 352(8) of the ITB are similar to the provisions u/s 115TF of the ITA wherein it is mentioned that if tax on accreted income is not paid within the specified time, the specified person, principal officer, or trustee shall be deemed to be assessee in default. Where any default is there in the payment of taxes, liability has to be fastened upon specific persons and interest liability is also required to be provided. These are very normal provisions and are required in any law for its implementation. Otherwise machinery provisions will become unimplementable leading to loss of revenue. The suggestion is not feasible.

352.5.1 Clause 352 of the proposed Income-Tax Bill, 2025, seems to expand 'accreted income' taxation to situations where an NPO's registration is rejected or significantly delayed, potentially taxing even accumulated charitable assets. The Committee asked the Ministry to clarify on two fronts: firstly, how global tax regimes typically handle tax implications for non-profits during such periods of registration uncertainty or rejection, and what international precedents exist for imposing "exit taxes" or similar levies without a clear finding of malfeasance or diversion of funds. Secondly, they inquired about the scope of judicial interpretation in India, given its historical emphasis on bona fide charitable intent and the actual application of funds, and how courts might mitigate the impact of Clause 352 on NPOs facing legitimate procedural delays or administrative rejections to prevent double taxation and penalizing entities for circumstances beyond their immediate control. In this regard, the Ministry has responded in written replies as follows:-

> *"Sub-section (3) of section 115TD provides from situations where a trust or institution shall be treated to have converted into any other form not eligible for registration under section 12AA/12AB. Therefore, no new provisions have been inserted in the clause 352 relating to accredited income. If the initial registration application is rejected, there will be no charge of clause 352 to tax the accreted income. The charge of tax on accreted income is only on 'specified person', and the same is clarified in clause 355(l) as under: "Specified person means any person which is registered under any specified provision at any time since its incorporation or creation." Regarding the delay in filing the application for re-registration, the Commissioner is empowered to condone the delay in case of genuine hardships. In case of either the re-registration application itself not been filed, or when filed belatedly and the delay not been condoned by the Commissioner; the provisions of clause 352 (tax on accreted income) will get*

attracted. This is an anti-abuse provision to ensure that registered NPOs stay within the realm of public charity and not get out of the regulatory space after accumulating tax exempt income and assets. The provisions of clause 352 clarifies the same and ensures continuity of policy"

352.6 Observations/Recommendations of the Committee:

The Committee note that Clause 352 of the Bill addresses the tax on "accreted income" of registered non-profit organizations, consolidating and simplifying the provisions of Sections 115TD, 115TE, and 115TF of the existing Income-Tax Act, 1961. The Bill retains the original intent while rationalizing provisions to clearly specify chargeability, due dates for payment, and applicability of collection/recovery proceedings for such income. After considering stakeholders' and Department's viewpoints, the Committee accept Clause 352 as proposed.

Clause 353 - Other violations

353.1 <u>Provision proposed in the Income-Tax Bill, 2025:</u>

353. (*1*) Where any registered non-profit organisation—
(*a*) fails to maintain books of account under section 347; or (*b*) fails to get books of account audited under section 348; or
(*c*) fails to furnish its return of income under section 349; or
(*d*) any registered non-profit organisation, carrying out advancement of any other object of general public utility, carries out any commercial activity in contravention of the provisions of section 346,
during any tax year, its regular income for such tax year as reduced by the expenditure referred to in sub-section (*3*) shall be taxable regular income which shall be chargeable to tax as per the provisions of section 334.
(*2*) In addition to the tax referred to in sub-section (*1*), the specified income and residual income of the registered non-profit organisation shall also be chargeable to tax under the provisions of section 334, to the extent not covered under taxable regular income under the said sub-section, and the provisions of section 338 shall not apply.
(*3*) The expenditure referred in sub-section (*1*) shall be computed subject to the following conditions:—
(*a*) capital expenditure shall not be allowed;
(*b*) such expenditure shall be incurred in India;
(*c*) such expenditure shall be for the objects of the registered non-profit organisation;
(*d*) such expenditure is not made from the corpus standing to the credit of the registered non-profit organisation as on the end of the tax year immediately preceding the tax year for which income is being computed;
(*e*) such expenditure is not out of any loan or borrowing;
(*f*) the claim of depreciation is not in respect of an asset, acquisition of which has been claimed as application of income, in the same or any other tax year; (*g*) such expenditure is not in the form of any contribution or donation to any person;
(*h*) such expenditure is not on account of a payment or aggregate of payments made to a person in contravention to the provisions of sections 36(*4*), (*5*), (*6*) and (*7*);
(*i*) such payment is allowable under section 35(*b*)(*i*); and
(*j*) set off or deduction or allowance of any application or expenditure other than those referred to in clauses (*a*) to (*i*) shall not be allowed.

353.2 <u>Relevant Provision of the Principal Act (Income-Tax Act, 1961):</u>

Section 11 not to apply in certain cases. 13. (1) Nothing contained in section 11 or section 12 shall operate so as to exclude from the total income of the previous year of the person in receipt thereof—

(*a*) any part of the income from the property held under a trust for private religious purposes which does not enure for the benefit of the public;

(*b*) in the case of a trust for charitable purposes or a charitable institution created or established after the commencement of this Act, any income thereof if the trust

or institution is created or established for the benefit of any particular religious community or caste;

(*bb*) [***]

(*c*) in the case of a trust for charitable or religious purposes or a charitable or religious institution, any income thereof—

(*i*) if such trust or institution has been created or established after the commencement of this Act and under the terms of the trust or the rules governing the institution, any part of such income enures, or

(*ii*) if any part of such income or any property of the trust or the institution (whenever created or established) is during the previous year used or applied,

directly or indirectly for the benefit of any person referred to in sub-section (3), such part of income as referred to in sub-clauses (*i*) and (*ii*):

Provided that in the case of a trust or institution created or established before the commencement of this Act, the provisions of sub-clause (*ii*) shall not apply to any use or application, whether directly or indirectly, of any part of such income or any property of the trust or institution for the benefit of any person referred to in sub-section (3), if such use or application is by way of compliance with a mandatory term of the trust or a mandatory rule governing the institution :

Provided further that in the case of a trust for religious purposes or a religious institution (whenever created or established) or a trust for charitable purposes or a charitable institution created or established before the commencement of this Act, the provisions of sub-clause (*ii*) shall not apply to any use or application, whether directly or indirectly, of any part of such income or any property of the trust or institution for the benefit of any person referred to in sub-section (3) in so far as such use or application relates to any period before the 1st day of June, 1970;

(*d*) in the case of a trust for charitable or religious purposes or a charitable or religious institution, any income thereof, if for any period during the previous year—

(*i*) any funds of the trust or institution are invested or deposited after the 28th day of February, 1983 otherwise than in any one or more of the forms or modes specified in sub-section (5) of section 11; or

(*ii*) any funds of the trust or institution invested or deposited before the 1st day of March, 1983 otherwise than in any one or more of the forms or modes specified in sub-section (5) of section 11 continue to remain so invested or deposited after the 30th day of November, 1983; or

(*iii*) any shares in a company, other than—

(*A*) shares in a public sector company;

(*B*) shares prescribed as a form or mode of investment under clause (*xii*) of sub-section (5) of section 11,

are held by the trust or institution after the 30th day of November, 1983, to the extent of such deposits or investments referred to in sub-clauses (*i*), (*ii*) and (*iii*):

Provided that nothing in this clause shall apply in relation to—

(*i*) any assets held by the trust or institution where such assets form part of the corpus of the trust or institution as on the 1st day of June, 1973;

(*ia*) any accretion to the shares, forming part of the corpus mentioned in clause (*i*), by way of bonus shares allotted to the trust or institution;

(*ii*) any assets (being debentures issued by, or on behalf of, any company or corporation) acquired by the trust or institution before the 1st day of March, 1983;

(*iia*) any asset, not being an investment or deposit in any of the forms or modes specified in sub-section (5) of section 11, where such asset is not held by the trust or institution, otherwise than in any of the forms or modes specified in sub-section (5) of section 11, after the expiry of one year from the end of the previous year in which such asset is acquired or the 31st day of March, 1993, whichever is later;

(*iii*) any funds representing the profits and gains of business, being profits and gains of any previous year relevant to the assessment year commencing on the 1st day of April, 1984 or any subsequent assessment year.

Explanation.—Where the trust or institution has any other income in addition to profits and gains of business, the provisions of clause (*iii*) of this proviso shall not apply unless the trust or institution maintains separate books of account in respect of such business;

[2][(*iv*) any asset referred to in sub-clauses (*i*), (*ia*) and (*ii*) of clause (*b*) of the third proviso to clause (*23C*) of section 10 or any accretion to the shares, forming part of the corpus mentioned in the said sub-clauses (*i*) and (*ia*) and voluntary contributions referred to in sub-clause (*iv*) of clause (*b*) of the said proviso.]

Explanation.—For the purposes of sub-clause (*ii*) of clause (*c*), in determining whether any part of the income or any property of any trust or institution is during the previous year used or applied, directly or indirectly, for the benefit of any person referred to in sub-section (3), in so far as such use or application relates to any period before the 1st day of July, 1972, no regard shall be had to the amendments made to this section by section 7 [other than sub-clause (*ii*) of clause (*a*) thereof] of the Finance Act, 1972.

(2) Without prejudice to the generality of the provisions of clause (*c*) and clause (*d*) of sub-section (1), the income or the property of the trust or institution or any part of such income or property shall, for the purposes of that clause, be deemed to have been used or applied for the benefit of a person referred to in sub-section (3),—

(*a*) if any part of the income or property of the trust or institution is, or continues to be, lent to any person referred to in sub-section (3) for any period during the previous year without either adequate security or adequate interest or both;

(*b*) if any land, building or other property of the trust or institution is, or continues to be, made available for the use of any person referred to in sub-section (3), for any period during the previous year without charging adequate rent or other

compensation;

(*c*) if any amount is paid by way of salary, allowance or otherwise during the previous year to any person referred to in sub-section (3) out of the resources of the trust or institution for services rendered by that person to such trust or institution and the amount so paid is in excess of what may be reasonably paid for such services;

(*d*) if the services of the trust or institution are made available to any person referred to in sub-section (3) during the previous year without adequate remuneration or other compensation;

(*e*) if any share, security or other property is purchased by or on behalf of the trust or institution from any person referred to in sub-section (3) during the previous year for consideration which is more than adequate;

(*f*) if any share, security or other property is sold by or on behalf of the trust or institution to any person referred to in sub-section (3) during the previous year for consideration which is less than adequate;

(*g*) if any income or property of the trust or institution is diverted during the previous year in favour of any person referred to in sub-section (3):

Provided that this clause shall not apply where the income, or the value of the property or, as the case may be, the aggregate of the income and the value of the property, so diverted does not exceed one thousand rupees;

(*h*) if any funds of the trust or institution are, or continue to remain, invested for any period during the previous year (not being a period before the 1st day of January, 1971), in any concern in which any person referred to in sub-section (3) has a substantial interest.

(3) The persons referred to in clause (*c*) of sub-section (1) and sub-section (2) are the following, namely :—

(*a*) the author of the trust or the founder of the institution;

[3]**[**(b) *any person whose total contribution to the trust or institution, during the relevant previous year exceeds one lakh rupees, or, in aggregate up to the end of the relevant previous year exceeds ten lakh rupees, as the case may be;***]**

(*c*) where such author, founder or person is a Hindu undivided family, a member of the family;

(*cc*) any trustee of the trust or manager (by whatever name called) of the institution;

(*d*) any relative of any such author, founder, **[*******]** member, trustee or manager as aforesaid;

(*e*) any concern in which any of the persons referred to in clauses (*a*), **[*******]** (*c*), (*cc*) and (*d*) has a substantial interest.

(4) Notwithstanding anything contained in clause (*c*) of sub-section (1) but without prejudice to the provisions contained in clause (*d*) of that sub-section, in a case where the aggregate of the funds of the trust or institution invested in a concern in which any person referred to in sub-section (3) has a substantial interest, does not exceed five per cent of the capital of that concern, the exemption under section 11 or section 12 shall not be denied in relation to any income other than the income arising to the

trust or the institution from such investment, by reason only that the funds of the trust or the institution have been invested in a concern in which such person has a substantial interest.

(5) Notwithstanding anything contained in clause (*d*) of sub-section (1), where any assets (being debentures issued by, or on behalf of, any company or corporation) are acquired by the trust or institution after the 28th day of February, 1983 but before the 25th day of July, 1991, the exemption under section 11 or section 12 shall not be denied in relation to any income other than the income arising to the trust or the institution from such assets, by reason only that the funds of the trust or the institution have been invested in such assets if such funds do not continue to remain so invested in such assets after the 31st day of March, 1992.

(6) Notwithstanding anything contained in sub-section (1) or sub-section (2), but without prejudice to the provisions contained in sub-section (2) of section 12, in the case of a charitable or religious trust running an educational institution or a medical institution or a hospital, the exemption under section 11 or section 12 shall not be denied in relation to any income, other than the income referred to in sub-section (2) of section 12, by reason only that such trust has provided educational or medical facilities to persons referred to in clause (*a*) or clause (*b*) or clause (*c*) or clause (*cc*) or clause (*d*) of sub-section (3).

(7) Nothing contained in section 11 or section 12 shall operate so as to exclude from the total income of the previous year of the person in receipt thereof, any anonymous donation referred to in section 115BBC on which tax is payable in accordance with the provisions of that section.

(8) Nothing contained in section 11 or section 12 shall operate so as to exclude any income from the total income of the previous year of the person in receipt thereof if the provisions of the first proviso to clause (*15*) of section 2 become applicable in the case of such person in the said previous year.

(9) Nothing contained in sub-section (2) of section 11 shall operate so as to exclude any income from the total income of the previous year of a person in receipt thereof, if—

(*i*) the statement referred to in clause (*a*) of the said sub-section in respect of such income is not furnished on or before the due date specified under sub-section (1) of section 139 for furnishing the return of income for the previous year; or

(*ii*) the return of income for the previous year is not furnished by such person on or before the due date specified under sub-section (1) of section 139 for furnishing the return of income for the said previous year.

(10) Where the provisions of sub-section (8) are applicable to any trust or institution or it violates the conditions specified under clause (*b*) or clause (*ba*) of sub-section (1) of section 12A, its income chargeable to tax shall be computed after allowing deduction for the expenditure (other than capital expenditure) incurred in India, for the objects of the trust or institution, subject to fulfilment of the following conditions, namely:—

(*a*) such expenditure is not from the corpus standing to the credit of the trust or institution as on the end of the financial year immediately preceding the previous year relevant to the assessment year for which income is being computed;

(*b*) such expenditure is not from any loan or borrowing;

(*c*) claim of depreciation is not in respect of an asset, acquisition of which has been claimed as application of income, in the same or any other previous year; and

(*d*) such expenditure is not in the form of any contribution or donation to any person.

Explanation.—For the purposes of determining the amount of expenditure under this sub-section, the provisions of sub-clause (*ia*) of clause (*a*) of section 40 and sub-sections (3) and (3A) of section 40A, shall, *mutatis mutandis,* apply as they apply in computing the income chargeable under the head "Profits and gains of business or profession".

(11) For the purposes of computing income chargeable to tax under sub-section (10), no deduction in respect of any expenditure or allowance or set-off of any loss shall be allowed to the assessee under any other provision of this Act. *Explanation 1.*—For the purposes of sections 11, 12, 12A, 12AA, 12AB and this section, "trust" includes any other legal obligation and for the purposes of this section "relative", in relation to an individual, means—

(*i*) spouse of the individual;

(*ii*) brother or sister of the individual;

(*iii*) brother or sister of the spouse of the individual;

(*iv*) any lineal ascendant or descendant of the individual;

(*v*) any lineal ascendant or descendant of the spouse of the individual;

(*vi*) spouse of a person referred to in sub-clause (*ii*), sub-clause (*iii*), sub-clause (*iv*) or sub-clause (*v*);

(*vii*) any lineal descendant of a brother or sister of either the individual or of the spouse of the individual.

Explanation 2.—A trust or institution created or established for the benefit of Scheduled Castes, backward classes, Scheduled Tribes or women and children shall not be deemed to be a trust or institution created or established for the benefit of a religious community or caste within the meaning of clause (*b*) of sub-section (1).

Explanation 3.—For the purposes of this section, a person shall be deemed to have a substantial interest in a concern,—

(*i*) in a case where the concern is a company, if its shares (not being shares entitled to a fixed rate of dividend whether with or without a further right to participate in profits) carrying not less than twenty per cent of the voting power are, at any time during the previous year, owned beneficially by such person or partly by such person and partly by one or more of the other persons referred to in sub-section (3);

(*ii*) in the case of any other concern, if such person is entitled, or such person and one or more of the other persons referred to in sub-section (3) are entitled in the aggregate, at any time during the previous year, to not less than twenty per cent of the profits of such concern.

353.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under :-

"Clause 353 of the Bill provides for other violations of a registered non-profit organisation. The clause corresponds to section 13(10) and section 13(11) of the Act. The provisions of the existing sections have been textually simplified and retained with the same intent in this clause".

353.4 Important Views/Suggestions given by Experts/Stakeholders:

During the course of the Examination of the proposed Bill, some important suggestions/comments received from various stakeholders and experts are summarised as follows:-

1. Incorrect referencing in Clause (28) and limited scope of Clause (30) Modify Clause (28) to refer to Clause (26) and Clause (27). Modify Clause (30) to refer to Clause (1) to Clause (29). The correct clause of the Bill is 350 and not 353. The proposed provisions are similar to the provisions of the Income-tax Act.

2. Creates ambiguity with multiple due dates. Delete the reference to the 14- day period or include "whichever is later" to avoid ambiguity. The correct clause is 352. The proposed provisions have been introduced for the purpose of simplification, reducing litigation and for bringing greater clarity in the Income-Tax Provisions.

3. Use "whichever is later" to fix.

4. Avoid penalty.

5. We urge reconsideration of this clause and allow the capital expenditure as application to calculate the regular taxable income as being done in all other provisions of NPO.

353.5 Examination by the Committee:

On the above suggestions, the Ministry of Finance has stated the following in their written submission (mentioned correspondingly):

1. "The correct clause of the Bill is 350 and not 353". It is a drafting correction and therefore, acceptable".

2. “The suggestion is acceptable for clarity, although the suggestion states it to be section 353(5), but it is a typographical error hence Section 352(5) should be the appropriate section wherein it needs to be accepted”.

3. As mentioned in sl.no. 2 above.

4. As mentioned in sl.no. 2 above.

5. The proposed provisions under clause 353(3)(a) of the ITB are similar to the provisions u/s 13(10) of the Income-Tax Act wherein it is mentioned that reduction for capital expenditure shall not be allowed. Further, aforesaid provisions apply only where the NPOs violates the conditions specified in said provisions. Therefore, the suggestion made by the stakeholder is not feasible.

353.6 Observations/Recommendations of the Committee:

The Committee note that Clause 353 of the Bill provides for other violations of a registered non-profit organizations, aligns with Section 13(10) and Section 13(11) of the Income-Tax Act, 1961. Stakeholders have suggested incorrect referencing in Clause (28) and a limited scope in Clause (30, leading to recommendations for modifications to refer to Clauses (26) and (27) and Clauses (1) to (29) respectively. The Ministry has accepted this, clarifying the correct clause in the Bill is 350 and not 353. Furthermore, the stakeholder suggested either deleting the 14-day period reference or adding "whichever is later" to remove the ambiguity created by multiple due dates. The Ministry has also accepted this for clarity, noting the correct clause in question is Section 352(5). The Committee, therefore, recommend implementing these amendments and approve Clause 353 subject to these changes.

Clause 354 - Application for approval for purpose of section 133(*1*)(*b*)(*ii*)

354.1 Provision proposed in the Income-Tax Bill, 2025:

354. (*1*) A registered non-profit organisationor a person referred to in Schedule III (Table: Sl. No. 1) may, for the purpose of section 133(*1*)(*b*)(*ii*), make an application for approval in such form and manner, as prescribed, to the Principal Commissioner or Commissioner, subject to the following conditions:—
(*a*) it is not expressed to be for the benefit of any particular religious community or caste;
(*b*) it is established in India for a charitable purpose and does not incur any expenditure of an amount being 5% or more of its total income during a tax year which is of a religious nature;
(*c*) the instrument under which it is constituted does not, or the rules governing it do not, contain any provision for the transfer at any time of the whole or any part of its assets for any purpose other than a charitable purpose;
(*d*) it maintains regular accounts of its receipts and expenditure;
(*e*) it prepares such statement for such period, as prescribed, and deliver or cause to be delivered to the prescribed income-tax authority or the person authorised by such authority such statement in such form and verified in such manner and setting forth such particulars and within such time, as prescribed;
(*f*) it delivers to the said prescribed authority, a correction statement for rectification of any mistake or to add, delete or update the information furnished in the statement delivered under clause (*e*) in such form and verified in such manner, as prescribed; and
(*g*) it furnishes a certificate to the donor specifying the amount of donation within such period from the date of receipt of the donation containing the requisite particulars in the manner, as prescribed.

(*2*) The application under sub-section (*1*) shall be made in respect of the cases referred to in column B of the Table below within the time limit provided in column C of the said Table and the Principal Commissioner or Commissioner, on receipt of such application, shall follow the procedure provided in sub-sections (*3*) and (*4*), and shall pass an order in writing within the time limit provided in column D and approval, if granted, shall be valid for a period provided in column E of the said Table.

Table

Sl. No.	Case	Time limit for furnishing application	Time limit for passing the order	Validity of approval
A	B	C	D	E
1.	Where the activities of the applicant have not	At any time during the tax year from which approval is	One months from the end of the month in	Three tax years commencing from the tax

	commenced.	sought.	which application is made.	year in which such application is made.
2.	Where the activities of the applicant have commenced.	At any time during the tax year from which approval is sought.	Six months from the end of the quarter in which application is made.	Five tax years commencing from the tax year in which such application is made.
3.	Where the applicant has provisional approval and activities have commenced.	Within six months of the commencement of activities.	Six months from the end of the quarter in which application is made.	Five tax years commencing from the tax year in which such application is made.
4.	Where the provisional approval of the applicant is due to expire and activities have not commenced.	At least six months prior to the expiry of the provisional approval.	Six months from the end of the quarter in which application is made.	Five tax years following the tax year in which such application is made.
5.	Where the period for approval of a registered non-profit organisation is due to expire.	At least six months prior to the expiry of the said approval.	Six months from the end of the quarter in which application is made.	Five tax years following the tax year in which such application is made.

(*3*) Where an application has been made in any of the cases specified under sub-section (*2*)(Table: Sl. No. 2) to (Table: Sl. No. 5), the Principal Commissioner or Commissioner shall call for such documents or information or make such inquiries as he thinks necessary in order to satisfy himself as to the compliance of such requirements of any other law in force, as are material for the purpose of achieving its objects, and the genuineness of activities and—

(*a*) if he is so satisfied about the objects and the genuineness of the activities and compliance of the requirements of any other law in force, he shall pass an order in writing approving it; or (

b) if he is not so satisfied, after affording a reasonable opportunity of being heard,—

(*i*) shall pass an order in writing rejecting the application, where the application was made in any of the cases specified in sub-section (*2*)(Table: Sl. No. 2); and (*ii*) in any other case, shall pass an order rejecting the application and also cancelling the approval, and send a copy of the order to the applicant and the Assessing Officer.

(*4*) Where an application has been made in any of the cases specified in sub-section (*2*)(Table: Sl. No. 1), the Principal Commissioner or Commissioner shall pass an order granting provisional approval.

354.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Deduction in respect of donations to certain funds, charitable institutions, etc.

80G. (5) This section applies to donations to any institution or fund referred to in sub-clause (*iv*) of clause (*a*) of sub-section (2), only if it is established in India for a charitable purpose and if it fulfils the following conditions, namely :—

(*i*) where the institution or fund derives any income, such income would not be liable to inclusion in its total income under the provisions of sections 11 and 12 or clause (*23AA*) or clause (*23C*) of section 10 :

Provided that where an institution or fund derives any income, being profits and gains of business, the condition that such income would not be liable to inclusion in its total income under the provisions of section 11 shall not apply in relation to such income, if—

(*a*) the institution or fund maintains separate books of account in respect of such business;

(*b*) the donations made to the institution or fund are not used by it, directly or indirectly, for the purposes of such business; and

(*c*) the institution or fund issues to a person making the donation a certificate to the effect that it maintains separate books of account in respect of such business and that the donations received by it will not be used, directly or indirectly, for the purposes of such business;

(*ii*) the instrument under which the institution or fund is constituted does not, or the rules governing the institution or fund do not, contain any provision for the transfer or application at any time of the whole or any part of the income or assets of the institution or fund for any purpose other than a charitable purpose;

(*iii*) the institution or fund is not expressed to be for the benefit of any particular religious community or caste;

(*iv*) the institution or fund maintains regular accounts of its receipts and expenditure;

(*v*) the institution or fund is either constituted as a public charitable trust or is registered under the Societies Registration Act, 1860 (21 of 1860), or under any law corresponding to that Act in force in any part of India or under section 25 of the Companies Act, 1956 (1 of 1956), or is a University established by law, or is any other educational institution recognised by the Government or by a University established by law, or affiliated to any University established by law, or is an institution financed wholly or in part by the Government or a local authority;

(*vi*) in relation to donations made after the 31st day of March, 1992, the institution or fund is for the time being approved by the Principal Commissioner or Commissioner;

(*vii*) where any institution or fund had been approved under clause (*vi*) for the previous year beginning on the 1st day of April, 2007 and ending on the 31st day of March, 2008, such institution or fund shall, for the purposes of this section and notwithstanding anything contained in the proviso to clause (*15*) of section 2, be deemed to have been,—

(*a*) established for charitable purposes for the previous year beginning on the 1st day of April, 2008 and ending on the 31st day of March, 2009; and

(*b*) approved under the said clause (*vi*) for the previous year beginning on the 1st day of April, 2008 and ending on the 31st day of March, 2009;

(*viii*) the institution or fund prepares such statement for such period as may be prescribed and deliver or cause to be delivered to the prescribed income-tax authority or the person authorised by such authority such statement in such form and verified in such manner and setting forth such particulars and within such time as may be prescribed:

Provided that the institution or fund may also deliver to the said prescribed authority, a correction statement for rectification of any mistake or to add, delete or update the information furnished in the statement delivered under this sub-section in such form and verified in such manner as may be prescribed; and

(*ix*) the institution or fund furnishes to the donor, a certificate specifying the amount of donation in such manner, containing such particulars and within such time from the date of receipt of donation, as may be prescribed:

Provided that the institution or fund referred to in clause (*vi*) shall make an application in the prescribed form and manner to the Principal Commissioner or Commissioner, for grant of approval,—

(*i*) where the institution or fund is approved under clause (*vi*) [as it stood immediately before its amendment by the Taxation and Other Laws (Relaxation and Amendment of Certain Provisions) Act, 2020], within three months from the 1st day of April, 2021;

(*ii*) where the institution or fund is approved and the period of such approval is due to expire, at least six months prior to expiry of the said period;

(*iii*) where the institution or fund has been provisionally approved, at least six months prior to expiry of the period of the provisional approval or within six months of commencement of its activities, whichever is earlier; [or]

[90][(*iv*) [***] where activities of the institution or fund have—

(*A*) not commenced, at least one month prior to the commencement of the previous year relevant to the assessment year from which the said approval is sought;

(*B*) commenced [***] at any time after the commencement of such activities:]

Provided further that the Principal Commissioner or Commissioner, on receipt of an application made under the first proviso, shall,—

(*i*) where the application is made under clause (*i*) of the said proviso, pass an order in writing granting it approval for a period of five years;

(*ii*) where the application is made under clause (*ii*) or clause (*iii*) [or sub-clause (*B*) of clause (*iv*)] of the said proviso,—

(*a*) call for such documents or information from it or make such inquiries as he thinks necessary in order to satisfy himself about—

(*A*) the genuineness of activities of such institution or fund; and

(*B*) the fulfilment of all the conditions laid down in clauses (*i*) to (*v*);

(*b*) after satisfying himself about the genuineness of activities under item (*A*), and the fulfilment of all the conditions under item (*B*), of sub-clause (*a*),—

(*A*) pass an order in writing granting it approval for a period of five years; or

[93][(*B*) if he is not so satisfied, pass an order in writing, rejecting such application and cancelling its approval, if any, after affording it a reasonable opportunity of being heard;]

[94][(*iii*) where the application is made under sub-clause (*A*) of clause (*iv*) of the said proviso or the application is made under clause (*iv*) of the said proviso as it stood immediately before its amendment *vide* the Finance Act, 2023, pass an order in writing granting it approval provisionally for a period of three years from the assessment year from which the approval is sought,]

and send a copy of such order to the institution or fund: [**Provided also** that the order under clause (*i*) and clause (*iii*) of the second proviso shall be passed in such form and manner as may be prescribed, before expiry of the period of three months and one month, as the case may be, calculated from the end of the month in which the application was received:] [**Provided also** that the order under sub-clause (*b*) of clause (*ii*) of the second proviso shall be passed in such form and manner as may be prescribed, before expiry of the period of six months from the end of the quarter in which the application was received:] **Provided also** that the approval granted under the second proviso shall apply to an institution or fund, where the application is made under—

(*a*) clause (*i*) of the first proviso, from the assessment year from which approval was earlier granted to such institution or fund;

(*b*) clause (*iii*) of the first proviso, from the first of the assessment years for which such institution or fund was provisionally approved;

(*c*) in any other case, from the assessment year immediately following the financial year in which such application is made.

354.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under :- *"Clause 354 of the Bill provides for approval for purpose of exemption on donation. The clause corresponds to section 80G(5) of the Act. The provisions of the existing sections have been textually simplified and retained with the same intent in this clause. The provisions have been tabulated for ease of comprehension".*

354.4 Important Views/Suggestions given by Experts/Stakeholders:

During the course of the examination of the Bill, some important suggestions/comments received from various stakeholders and experts are summarised as follows:-

1. Incorrect referencing to Schedule III instead of Schedule VII. Modify Section 354 to refer to Schedule VII.

2. The Commissioner to have the power to condone any delay in filing of the application for renewal, if he considers that there is reasonable cause for delay in furnishing the application, and such application shall be deemed to have been made within time Approval may be granted for 10 tax years to small trusts. The power to condone delay may be vested in the Commissioner, as done in the context of registration under section 332(4). The period of validity of approval to be 10 tax years for small trusts, as is the case for registration under section 332(5).

3. Request for both registration and approval through a single application. The Form 10AB for application for renewal of registration u/s 12AB and renewal of approval u/s 80G is the same however the form requires a huge volume of data to be filled up and the form has to be filled up twice with the same data It is an unnecessary burden for the assessee as well as for the department.

354.5 Examination by the Committee:

354.5.1 On the above suggestions, the Ministry of Finance has stated the following in their written submission (mentioned correspondingly):

1. This is a drafting correction and may be accepted. Corresponding cross-reference in clause 354(1) shall be corrected accordingly.

2. The suggestion seeks to enhance the time limit for expiration of approval for deduction under clause 133(1)(b)(ii) of the Bill [analogous to section 80G of the Income-Tax Act, 1961] from five years to ten years in the case of small trusts. And seeks vesting of the power to the commissioner to condone the delay in filing application of renewal of approval under clause 133(1)(b)(ii). Both the suggestions are in the nature of policy change, which is beyond the scope of I T Bill, 2025. The NPOs covered under clause 133(1)(b)(ii) not only are able to garner donations from individuals and corporates but tax benefits are also given to the donors. Therefore, stricter timelines for filing renewal and regulatory oversight at shorter time interval is more appropriate in the case of such NPOs.

3. Suggestion seeks amendment of rule/Forms. The suggestion relates to matter of rule, which is part of delegated legislation. Amendment of rule/Form is out of the purview of the Bill.

354.5.2 Regarding extension of validity period of registration of small NPOs, the representative of the Ministry has deposed the following during the 31st sitting of the Committee held on 10 June, 2025:-

> "…….. *If a registration is given, that applies up to five years. The stakeholder is saying that instead of five years, approval may be granted for 10 years. We feel five years is a reasonable enough period because some oversight for the Government has to be there. After five years, then again, he has to apply for it".*

354.5.3 He added further as follows:-

> *"Sir, we have already reduced it for small trusts. We have made that frequency to 10 years. Wherever applications come now on, and the receipts is below a certain threshold, I think Rs. 5 crore, it will get the registration for ten years ……...The deduction is available to the donor, if amount is paid to a charitable entity. There are entities on which 100 per cent deduction is available, and then there are other entities on which if I pay Rs. 100, then the deduction amount is restricted to 50 per cent. So, depending upon the entity, that distinction is there. That is a deduction available to the donor from his gross total income".*

354.5.4 He also added as under:-

“Sir, any trust which is registered under this, 100 per cent is not given. For PM CARES Fund, it is written on the statute only in Section 80G that these PM CARES Fund, PM National Relief Fund, CM National Relief Fund and some other earthquake-specific funds were granted 100 per cent by Parliament’s approval only. There is no discretion with the department at the lower stage to grant 100 per cent to somebody or 50 per cent to somebody. All trusts registered under Section 80G, sub-Section 4 have 50 per cent only”.

354.6 Observations/Recommendations of the Committee:

The Committee observe that Clause 354, which pertains to exemption for donations and largely retains the intent of Section 80G(5) of the existing Act with textual simplification, has a drafting error in sub-clause (1) where Schedule III is incorrectly referenced instead of Schedule VII, an error the Department has acknowledged. Therefore, the Committee approve the Clause 354 subject to the aforesaid drafting correction.

7 - Interpretation

Clause 355 - Interpretation

355.1 <u>Provision proposed in the Income-Tax Bill, 2025:</u>

355. In this Part,—

(*a*) "anonymous donation" means any voluntary contribution referred to in section 2(*49*)(*c*), where a person receiving such contribution does not maintain a record of the identity indicating the name and address of the person making such contribution and such other particulars, as prescribed;

(*b*) "approval" means an approval under the second proviso to section 80G(*5*) of the Income-tax Act, 1961 or section 354;

(*c*) "cancellation" includes withdrawal;

(*d*) "donation" means any voluntary contribution received by a registered non profit organisation from any person;

(*e*) "commercial activity" means any activity in the nature of trade, commerce or business, or any activity of rendering any service in relation to any trade, commerce or business, for a cess or fee or any other consideration, irrespective of the nature of use or application, or retention, of the income from such activity;

(*f*) "registration" includes provisional registration, provisional approval or approval, as referred to in the second proviso to sections 10(*23C*) or 12AB(*1*) of the Income-tax Act, 1961 and under section 332, but shall not include approval under the second proviso to section 80G(*5*) of the said Act or section 354;

(*g*) "registered non-profit organisation" means any person having a valid registration under any specified provision and such registration has not been cancelled;

(*h*) "related person" means any of the following persons:—

(*i*) the author or the founder of the registered non-profit organisation;

(*ii*) any person whose total contribution to such registered non-profit organisation, during the relevant tax year exceeds one lakh rupees, or, in aggregate up to the end of the relevant tax year exceeds ten lakh rupees, as the case may be;

(*iii*) where such author, founder or person is a Hindu undivided family, a member of the family;

(*iv*) any trustee or manager (by whatever name called) of the registered non-profit organisation;

(*v*) any relative of any persons referred to in sub-clause (*i*), (*iii*) or (*iv*);

(*vi*) any concern in which any of the persons referred to in sub-clauses (*i*), (*iii*) or (*iv*) has a substantial interest;

(*i*) "relative", in relation to an individual, means—

(*i*) spouse of the individual;

(*ii*) brother or sister of the individual;

(*iii*) brother or sister of the spouse of the individual;

(*iv*) any lineal ascendant or descendant of the individual;

(*v*) any lineal ascendant or descendant of the spouse of the individual;

(*vi*) spouse of a person referred to in sub-clause (*ii*), (*iii*), (*iv*) or (*v*);

(*vii*) any lineal descendant of a brother or sister of either the individual or of the spouse of the individual;

(*j*) “residual income” means the total income, as reduced by regular income and specified income;

(*k*) “specified asset” means any asset which is established to have been directly acquired by the specified person—

(*i*) out of its income of the nature referred to in Schedule II (Table: Sl. No. 1);

(*ii*) during the period beginning from the date of its creation or establishment and ending on the date from which the registration under specified provision became effective, if the specified person has not been allowed any benefit under this Part or under sections 11 and 12 or section 10(*23C*)(*iv*) or (*v*) or(*vi*) or(*via*) of theIncome-tax Act, 1961 during the said period, where provisions of the first proviso or the second proviso to sub-section 12A(*2*) or the eighth proviso to clause 10(*23C*) of the said Act, are not applicable;

(*iii*) during the period beginning from the date of its creation or establishment and ending on the date from which the registration under specified provision became effective due to the provisions of the first proviso or the second proviso to section 12A(*2*) or the eighth proviso to section 10(*23C*), where provisions of the first proviso or the second proviso to section 12A(*2*) or the eighth proviso to section 10(*23C*), of the Income-tax Act, 1961, are applicable; and

(*iv*) which has been transferred to any other specified person within twelve months from the end of the month in which the dissolution takes place in respect of a case specifiedin section 352(*5*)(Table: Sl. No. 9);

(*l*) “specified person” means any person which is registered under any specified provision at any time since its incorporation or creation;

(*m*) “specified provision” means section 12A, 12AA or 12AB or section 10(*23C*) of the Income-tax Act, 1961 or section 332;

(*n*) “substantial interest”, in relation to a person in a concern, means—

(*i*) where the concern is a company, its shares (not being shares entitled to a fixed rate of dividend whether with or without a further right to participate in profits) carrying not less than 20% of the voting power are, at any time during the tax year, owned beneficially by such person or partly by such person and partly by one or more of the other related persons; or

(*ii*) in the case of any other concern, if such person is entitled, or such person and one or more of the other related persons are entitled in the aggregate at any time during the tax year, to not less than 20% of the profits of such concern; and

(*o*) “value” means the value of any benefit or facility granted or provided free of cost or at concessional rate to any related person.

355.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):-

Clause 355 does not correspond to any specific provisions of the Act.

355.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under :- *"Clause 355 of the Bill provides for meaning of different terms used in Chapter XVII-B. The clause does not correspond to any specific provisions of the Act. In streamlining and consolidating the provisions relating to trust and institution (now registered non-profit organisation) the term used in the provisions relating to registered non-profit organisation have been defined and placed at one place".*

355.4 Important Views/Suggestions given by Experts/Stakeholders:

During the course of the examination of the Bill, some important suggestions/comments received from various stakeholders and experts are summarised as follows:-

1. (j) "residual income" means the total income, as reduced by regular income, specified income and corpus donations.

2. (j) "residual income" means the total income, as reduced by regular income, Specified income and corpus donations. The definition of residual income to be modified to specifically exclude corpus donations, since it would otherwise be included in this category of income.

3. 355 (h), Please make it as an aggregate of donations of more than Rs.10 Lakhs in the last 3 Tax Years. There are many big NPOs working for the last many decades It is practically impossible for them to keep records since the inception of the NPO But the corresponding penal consequences are disproportionate and extremely harsh.

We recommend that this provision be reassessed and modernised in the following ways:

1. Introduce Inflation- Adjusted Thresholds o Consider revising the limits to tie them to income slabs / donation percentage of gross receipts, say someone donating a percentage of the total donations of the trust may be treated as related person.

2. Fix a Clear Timeframe for Aggregation o Define a retrospective cut-off (e.g., "aggregate since FY 2021–22 onwards") to ease practical compliance and systemisation. The cumulative may be considered as sum of donations made in last 3 or 5 years.

3. Clarify Scope of Control vs. Contribution o Distinguish between donors with decisionmaking control (who should be flagged) and high-value but passive donors, to avoid unnecessary complications in financial relationships**.**

355.5 Examination by the Committee:

355.4.1 On the above suggestions, the Ministry of Finance has stated the following in their written submission (mentioned correspondingly):

1. "No reason has been provided for the suggestion. The suggestion is not clear".

2. "Suggestion seeks to modify definition of 'residual income' to specifically exclude 'corpus donation' from it. Corpus donation has a specific exclusion as per the provisions of clause 338(b) of the Income-Tax Bill, 2025 which is a continuation of policy as provided in section 11(1)(d) of the Income-Tax Act, 1961. The concern of the stakeholder is adequately addressed by the provisions of clause 338(b) of the Bill. In view of the above, there is no ambiguity and suggested amendment is not feasible".

3. "Suggestion seeks that in the part related to NPO, definition of 'related person' in clause 355(h) be amended to make threshold contribution of more than Rs.10 Lakhs in the last 3 Tax Years. The suggestion is the nature of policy change, which is beyond the scope of I T Bill, 2025. There is no change in the IT Bill, 2025 vis-a-vis I T Act, 1961. The said provision has been rationalised vide Finance Act, 2025. Earlier it was Rs.50,000 upto the end of relevant tax year. Now The same has been amended to provide 1 lac upto the end of relevant tax year and Rs. 10 lac in aggregate upto the end of relevant tax year. Further, relaxation may result in abuse of the provision and defeat the very purpose for which exemption is granted to such NPOs. In view of the above, suggested amendment is not feasible".

355.4.2 In this regard, the representative of the Ministry has stated the following during oral evidence held on 10 June, 2025:-

> *"……. they are asking for definition of related person to be amended to make threshold contribution of more than Rs. 10 lakh in last three tax years. So, this is something which we have rationalized by Finance Act, 2025 itself".*

355.6 Observations/Recommendations of the Committee:

The Committee acknowledge that Clause 355, which defines various terms within Chapter XVII-B, does not have corresponding section in the Income-Tax Act, 1961. This new clause serves to centralize and streamline definitions pertinent to registered non-profit organizations. After careful deliberation of both stakeholder and Departmental perspectives, the Committee concur with the views of the Ministry of Finance (Department of Revenue). The Committee find references to the proposed repealed Act i.e the Income-Tax Act, 1961 have been menitoned in sub-clauses (b), (f), (m), K(ii) and k(iii) of Clause 355. The Committee, therefore, recommend to remove such references from Clause 355 and incorporate the same in Clause 356 which provides for Repeals and Savings. The Committee approve Clause 355 subject to this drafting correction.

CHAPTER XVIII

APPEALS, REVISIONS AND ALTERNATE DISPUTE RESOLUTIONS

A.—Appeals

I.—*Appeals to Joint Commissioner (Appeals) and Commissioner (Appeals)*

Clause 356: Appealable orders before Joint Commissioner (Appeals)

356.1 Provision proposed in the Bill, 2025:

(*1*) Any assessee, aggrieved by any of the following orders of an Assessing Officer (below the rank of Joint Commissioner) may appeal to the Joint Commissioner (Appeals) against—

(*a*) an order being an intimation under section 270(*1*) or 399(*1*), where the assessee objects to the making of adjustments; or

(*b*) an order under section 270(*10*) or 271, where the assessee objects to the amount of income assessed, or to the amount of tax determined, or to the amount of loss computed, or to the status under which he is assessed; or

(*c*) an order of assessment, reassessment or recomputation under section 279; or

(*d*) an order under section 398; or

(*e*) an order imposing penalty under Chapter XXI; or

(*f*) an order under section 287 or 288 amending any of the orders or intimations in clauses (*a*) to (*e*).

(*2*) No appeal shall be filed before the Joint Commissioner (Appeals) if an order referred to in sub-section (*1*) is passed by or with the prior approval of, an authority above the rank of Deputy Commissioner.

(*3*) The Board or an authority so authorised by the Board in this regard, may transfer—

(*a*) any appeal filed against an order referred to in sub-section (*1*) and any matter arising out of or connected with such appeal, which is pending before the Commissioner (Appeals), to the Joint Commissioner (Appeals); or

(*b*) any appeal which is pending before a Joint Commissioner (Appeals) and any matter arising out of or connected with such appeal and which is so pending, to the Commissioner (Appeals), regardless of anything contained in sub-sections (*1*) and

(*3*)(*a*), who may proceed with such appeal or matter, from the stage at which it was before it was so transferred.

(*4*) Where an appeal is transferred under sub-section (*3*), the appellant shall be given an opportunity of being reheard.

(*5*) For the disposal of appeal under this section, the Central Government may notify a scheme, so as to dispose of appeals in an expedient manner with transparency and accountability, by eliminating the interface between the Joint Commissioner (Appeals) and the appellant, to the extent technologically feasible and direct that any of the provisions of this Act relating to jurisdiction and procedure for disposal of such appeals, shall not apply or shall apply with exceptions, modifications and adaptations.

(*6*) The Board may specify that any provisions of this section shall not apply to any case or class of cases.

(*7*) In this section, "status" means the category of person as defined in section 2(*77*) under which the assessee is assessed.

356.2 Relevant Provision of the Principal Act (Act, 1961):

Section 246: Appealable orders before Joint Commissioner (Appeals)

(1) Any assessee aggrieved by any of the following orders of an Assessing Officer (below the rank of Joint Commissioner) may appeal to the Joint Commissioner (Appeals) against—

(*a*) an order being an intimation under sub-section (1) of section 143, where the assessee objects to the making of adjustments, or any order of assessment under sub-section (3) of section 143 or section 144, where the assessee objects to the amount of income assessed, or to the amount of tax determined, or to the amount of loss computed, or to the status under which he is assessed;

(*b*) an order of assessment, reassessment or recomputation under section 147;

(*c*) an order being an intimation under sub-section (1) of section 200A;

(*d*) an order under section 201;

(*e*) an order being an intimation under sub-section (6A) of section 206C;

(*f*) an order under sub-section (1) of section 206CB;

(*g*) an order imposing a penalty under Chapter XXI; and

(*h*) an order under section 154 or section 155 amending any of the orders mentioned in clauses (*a*) to (*g*):

Provided that no appeal shall be filed before the Joint Commissioner (Appeals) if an order referred to in this sub-section is passed by or with the prior approval of, an authority above the rank of Deputy Commissioner.

(2) Where any appeal filed against an order referred to in sub-section (1) is pending before the Commissioner (Appeals), the Board or an authority so authorised by the Board in this regard, may transfer such appeal and any matter arising out of or connected with such appeal and which is so pending, to the Joint Commissioner (Appeals) who may proceed with such appeal or matter, from the stage at which it was before it was so transferred.

(3) Notwithstanding anything contained in sub-section (1) and sub-section (2), the Board or an authority so authorised by the Board in this regard, may transfer any appeal which is pending before a Joint Commissioner (Appeals) and any matter arising out of or connected with such appeal and which is so pending, to the Commissioner (Appeals) who may proceed with such appeal or matter, from the stage at which it was before it was so transferred.

(4) Where an appeal is transferred under the provisions of sub-section (2) or sub-section (3), the appellant shall be given an opportunity of being reheard.

(5) For the purposes of disposal of appeal by the Joint Commissioner (Appeals), the Central Government may make a scheme, by notification in the Official Gazette, so as to dispose of appeals in an expedient manner with transparency and accountability, by eliminating the interface between the Joint Commissioner (Appeals) and the appellant, in the course of appellate proceedings to the extent technologically feasible and direct that any of the provisions of this Act relating to jurisdiction and procedure for disposal of appeals by the Joint Commissioner (Appeals), shall not apply or shall apply with such exceptions, modifications and adaptations as may be specified in the notification.

(6) For the purposes of sub-section (1), the Board may specify that the provisions of that sub-section shall not apply to any case or any class of cases.

Explanation.—For the purposes of this section, "status" means the category under which the assessee is assessed as "individual", "Hindu undivided family" and so on.]

356.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under:-

> *"Clause 356 of the Bill provides for appealable orders before Joint Commissioner (Appeals). Clause 356 of the Bill corresponds to Section 246 of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".*

356.4 Important Views/Suggestions given by Experts/Stakeholders:

During the course of the examination of the Bill, some important suggestions/comments received from various stakeholders and experts are summarised as follows:

(i) The Remand reports to be issued by the assessing officer during appeal proceedings need to be issued within a maximum stipulated period say 6 months which would result in quick disposal of appeals.

(ii) Time limit for Disposal of Appeals may be fixed. Justification: In the Income-Tax Bill, 2025 no time limit is prescribed for hearing of the appeal as well as for passing of the order. Even under the Income-Tax Act, 1961 no time limit was prescribed. The huge & heavy pendency of appeals before the First Appellate Authorities viz. the CIT (Appeals) and Jt. CIT (Appeals) needs no introduction. As per the latest figures of the Ministry of Finance, the all-India pendency of appeals before the First Appellate Authority, is over Five (5) Lakhs. Further, the significance & importance of timely disposal of appeals by such a crucial authority as the First Appellate Authority, cannot be overemphasized.

(iii) The Assessing Officers should be made accountable for their actions. If the percentage of demands not upheld by the Tribunals is higher than a reasonable figure, say 50 per cent, the officer should be given a blank mark and reprimanded. On the other hand, an Assessing Officer should be protected and defended if he has obeyed instructions of the Board and followed case laws even though an audit might raise concerns about his actions.

(iv) All orders of the Assessing Officer may be appealable. To avoid litigation on the issue of appealable orders, every order passed by the Income tax authority, i.e. Assessing Officer/tax recovery Officer, etc., which has the effect of adversely affecting an assessee in any manner may be made appealable before the Commissioner (Appeals). Under the present Income -Tax Act, 1961 there are a number of decisions which state that when an assessee denies his liability, it is an appealable order. Central

Provinces Manganese Ore Co. vs. CIT (1986) 160 ITR 961 (SC). To avoid such a situation, an appropriate amendment may be made in the Bill, 2025, which will save substantial time for Revenue as well as the judiciary.

(v) Remand report: In a number of matters, before the Commissioner of Income- tax (Appeals) the assessee files an additional evidence. In such a situation, the Commissioner of Income- tax (Appeals) has to call for a remand report. It has been observed that there is no time limit prescribed for forwarding the remand report so prepared to the Commissioner of Income- tax (Appeals). This can lead to delays in the appeal process. It is desired that a time limit for furnishing a remand report be prescribed in the Act.

(vi) The Commissioner (Appeals) may be trained by a Sitting Judge or retired Judge of the High Court, on the principle of natural justice, binding precedent, etc. from time to time. One will find that many of the Commissioners (Appeals) dismiss Appeals without deciding the issues involved on their merits. Various High Courts have held that the Commissioner (Appeals) have no power to merely dismiss the appeal; they have to decide issues on the merits.

(vii) When an Assessing Officer (AO) raises a demand on a taxpayer of more than 10% of the tax actually paid, it should be reviewed and approved by an officer to whom the AO does not report, and who is 2 levels above the AO to ensure independent review.

356.5 Examination by the Committee:

The Ministry of Finance in their written response pertaining to the above suggestions/views has submitted the following replies (mentioned correspondingly):

356.5.1 “The Remand report *per se* does not constitute a separate proceeding under the Act, it is part of the appellate procedure before the Commissioner Appeals which in turn is subjected to internal timelines and monitoring. It is further submitted that furnishing such reports requires examination of new evidences, third-party enquiries, physical verification including but not limited to recording of statements of witnesses on oath. Further, if no remand report is received and CIT Appeal is required to pass an order in its absence, the same may be detrimental to the interest of the assessee. Thus, suggestion has no merits.”

356.5.2 “There is no change in the provision of the Bill viz-a-viz the provisions of IT Act 1961 from the policy perspective. Further, necessary provisions are already in place to monitor disposal of pending appeals e.g. Central Action Plan, administrative reporting etc. Further, after disposal of appeal, in case there is a refund, the same is issued to

the assessee with interest for the entire period. It may also be mentioned that due to monetary thresholds of tax effect for filing appeal by the Department to ITAT (60 lakhs), HC (2 Crore) & SC (5 crore), the litigation comes to an early end in most of the cases where taxpayers get relief from lower appellate authorities and the tax effect is below the aforesaid thresholds. This is a substantial relief to taxpayers. Thus, the suggestion is not feasible."

356.5.3 "The suggestion seeks to make officer accountable for their actions. The suggestion is not feasible"

356.5.4 "The suggestion seeks to make all orders of Assessing Officer to be appealable. The suggestion is not feasible."

356.5.5 "Similar to suggestion (ii) above. The suggestion seeks to make remand report time bound. The suggestion is not feasible."

356.5.6 "The suggestion seeks to introduce training of CIT(A) by Sitting Judge or retired Judge of the High Court."

356.5.7 "The suggestion is already addressed."

356.5.8 During the oral evidence, a representative of the Ministry stated as follows:-

> *"All are similar demands except one they have given that in case of complex cases, the assessee should be given option to appear for a physical hearing. Now, we are in a faceless regime."*

356.5.9 On being asked to clarify the basis for transfer of the appeals by the Board, the Ministry in its written reply submitted as follows:-

> *"A negative list has been given as per 16 June 2023 notification by CBDT for JC Appeals. As per section 119, Board can issue order and also as per section 120, jurisdiction of any income tax authority can be changed by the Board. It is pertinent to mention that section 246(1) of the Act provides that which cases can be appealed to JCIT(A). Further, CBDT vide Notification dated 16.06.2023 has already defined the scope of JCIT(A) by restricting that following cases cannot be dealt by JCIT(A) (a) search/survey related assessment, (b) international taxation related cases (c) Assessment orders having disputed demand more than Rs. 10 lakhs (d) Assessments where addition is made on the basis of seized/impounded material (e) other cases as listed in CBDT notification. Therefore, scope of cases which can be dealt by the JCIT(A) and CIT(A) has been already defined. Thus, such provision of transferring the cases between JCIT(A) and CIT(A) can only e done under the ambit of scope of JCIT(A) and CIT(A). Therefore, there is no*

arbitrary power to the CBDT with reference to transferring the cases between JCIT(A) and CIT(A).”

356.6 Observations/Recommendations of the Committee:

The Committee note that Clause 356 of the Bill seeks to provide for appeals to Joint Commissioner (Appeals) against certain orders, aligns with the provisions of Section 246 of the Act, 1961. The Committee also note that the textual simplification of Clause 356 is as per the objectives of the Bill and retaining the same intent of existing Section. The Committee, after consideration of views of stakeholders and the Department’s responses, accept the Clause as proposed.

Clause 357: Appealable orders before Commissioner (Appeals).

357.1 Provision proposed in the Bill, 2025:

Any assessee or any deductor or any collector, aggrieved by any of the following orders, may appeal to the Commissioner (Appeals) against—

(*a*) an order passed by a Joint Commissioner under section 231(*4*)(*b*);

(*b*) an order against the assessee where the assessee denies his liability to be assessed under this Act; or

(*c*) an order being an intimation under section 270(*1*) or 399(*1*), where the assessee or the deductor or the collector objects to the making of adjustments; or

(*d*) any order of assessment under section 270(*10*), except an order passed in pursuance of directions of the Dispute Resolution Panel or an order referred to in

section 274(*12*) or 271, where the assessee objects to the income assessed, or to the amount of tax determined, or to the amount of loss computed, or to the status under which he is assessed; or

(*e*) an order of assessment, reassessment or recomputation under Section 279 [except an order passed in pursuance of directions of the Dispute Resolution Panel or an order referred to in section 274(*12*)] or 283; or

(*f*) an order made under section 169(*3*)(*a*); or

(*g*) an order made under section 287 or 288 having the effect of enhancing the assessment or reducing a refund or an order refusing to allow the claim made by the assessee under either of the said sections except an order referred to in section 274(*12*); or

(*h*) an order made under section 306 treating the assessee as the agent of a non-resident; or

(*i*) an order made under section 313(*2*) or (*4*); or

(*j*) an order made under section 315; or

(*k*) an order made under section 398; or

(*l*) an order made under section 431; or

(*m*) an order made under section 434; or

(*n*) an order imposing or enhancing a penalty under Chapter XXI; or

(*o*) an order imposing a penalty under section 412; or

(*p*) an order passed under section 294(*1*)(*c*); or

(*q*) an order imposing a penalty under section 298(*2*); or

(*r*) an order made by an Assessing Officer under the provisions of this Act in the case of such person or class of persons, as the Board may, having regard to the nature of the cases, the complexities involved and other relevant considerations, direct.

357.2 Relevant Provision of the Principal Act (Act, 1961):

Section 246A: Appealable orders before Commissioner (Appeals)

(1) Any assessee or any deductor or any collector aggrieved by any of the following orders (whether made before or after the appointed day) may appeal to the Commissioner (Appeals) against—

(*a*) an order passed by a Joint Commissioner under clause (*ii*) of sub-section (3) of section 115VP or an order against the assessee where the assessee denies his liability to be assessed under this Act or an intimation under sub-section (1) or sub-section (1B) of section 143 or sub-section (1) of section 200A or sub-section (1) of section 206CB, where the assessee or the deductor or the collector objects to the making of adjustments, or any order of assessment under sub-section (3) of section 143 except an order passed in pursuance of directions of the Dispute Resolution Panel or an order referred to in sub-section (12) of section 144BA or section 144, to the income assessed, or to the amount of tax determined, or to the amount of loss computed, or to the status under which he is assessed;

(*aa*) an order of assessment under sub-section (3) of section 115WE or section 115WF, where the assessee, being an employer objects to the value of fringe benefits assessed;

(*ab*) an order of assessment or reassessment under section 115WG;

(*b*) an order of assessment, reassessment or recomputation under section 147 except an order passed in pursuance of directions of the Dispute Resolution Panel or an order referred to in sub-section (12) of section 144BA or section 150;

(*ba*) an order of assessment or reassessment under section 153A except an order passed in pursuance of directions of the Dispute Resolution Panel or an order referred to in sub-section (12) of section 144BA;

(*bb*) an order made under sub-section (3) of section 92CD;

(*c*) an order made under section 154 or section 155 having the effect of enhancing the assessment or reducing a refund or an order refusing to allow the claim made by the assessee under either of the said sections except an order referred to in sub-section (12) of section 144BA;

(*d*) an order made under section 163 treating the assessee as the agent of a non-resident;

(*e*) an order made under sub-section (2) or sub-section (3) of section 170;

(*f*) an order made under section 171;

(*g*) an order made under clause (*b*) of sub-section (1) or under sub-section (2) or sub-section (3) or sub-section (5) of section 185 in respect of an assessment for the assessment year commencing on or before the 1st day of April, 1992;

(*h*) an order cancelling the registration of a firm under sub-section (1) or under sub-section (2) of section 186 in respect of any assessment for the assessment year commencing on or before the 1st day of April, 1992 or any earlier assessment year;

(*ha*) an order made under section 201;

(*hb*) an order made under sub-section (6A) of section 206C;

(*i*) an order made under section 237;

(*ia*) an order made under section 239A;

(*j*) an order imposing a penalty under—

(*A*) section 221; or

(*B*) section 271, section 271A, section 271AAA, section 271AAB, section 271F, section 271FB, section 272AA or section 272BB;

(*C*) section 272, section 272B or section 273, as they stood immediately before the 1st day of April, 1989, in respect of an assessment for the assessment year commencing on the 1st day of April, 1988, or any earlier assessment years;

(*ja*) an order of imposing or enhancing penalty under **[***sub-section (2)***]** of section 275;

(*k*) an order of assessment made by an Assessing Officer under clause (*c*) of section 158BC, in respect of search initiated under section 132 or books of account, other documents or any assets requisitioned under section 132A on or after the 1st day of January, 1997;

[(*ka*) an order of assessment made by an Assessing Officer under clause (*c*) of sub-section (1) of section 158BC, in respect of search initiated under section 132, or books of account, other documents or any assets requisitioned under section 132A, on or after the 1st day of September, 2024;]

(*l*) an order imposing a penalty under sub-section (2) of section 158BFA;

(*m*) an order imposing a penalty under section 271B or section 271BB;

(*n*) an order **[*******]** imposing a penalty under section 271C, section 271CA, section 271D or section 271E;

(*o*) an order made by a Deputy Commissioner or a Deputy Director imposing a penalty under section 272A;

(*p*) an order made by a Deputy Commissioner imposing a penalty under section 272AA;

(*q*) an order imposing a penalty under Chapter XXI;

(*r*) an order made by an Assessing Officer other than a Deputy Commissioner under the provisions of this Act in the case of such person or class of persons, as the Board may, having regard to the nature of the cases, the complexities involved and other relevant considerations, direct.

Explanation.—For the purposes of this sub-section, where on or after the 1st day of October, 1998, the post of Deputy Commissioner has been redesignated as Joint Commissioner and the post of Deputy Director has been redesignated as Joint Director, the references in this sub-section for "Deputy Commissioner" and "Deputy Director" shall be substituted by "Joint Commissioner" and "Joint Director" respectively.

(1A) Every appeal filed by an assessee in default against an order under section 201 on or after the 1st day of October, 1998 but before the 1st day of June, 2000 shall be deemed to have been filed under this section.

(1B) Every appeal filed by an assessee in default against an order under sub-section (6A) of section 206C on or after the 1st day of April, 2007 but before the 1st day of June, 2007 shall be deemed to have been filed under this section.

(2) Notwithstanding anything contained in sub-section (1) of section 246, every appeal under this Act which is pending immediately before the appointed day, before the Deputy Commissioner (Appeals) and any matter arising out of or connected with such appeals and which is so pending shall stand transferred on that date to the Commissioner (Appeals) and the Commissioner (Appeals) may proceed with such appeal or matter from the stage at which it was on that day :

Provided that the appellant may demand that before proceeding further with the appeal or matter, the previous proceeding or any part thereof be reopened or that he be re-heard.

Explanation.— For the purposes of this section, "appointed day" means the day appointed by the Central Government by notification in the Official Gazette.

357.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under:

> *"Clause 357 of the Bill provides for appealable orders before Commissioner (Appeals). Clause 357 of the Bill corresponds to Section 246A of the Act. Section 246A(1)(j) of the existing Act list several sections pertaining to penalty imposed under the Act, which can be appealed before the CIT(Appeals). Further, section 246A(1)(q) provides that an order imposing a penalty under Chapter XXI may be appealed before the CIT (Appeals). As cases falling under section 246A(1)(j) was the sub-set of cases falling under section 246A(1)(q), section 246A(1)(j) has been omitted in the Bill".*

357.4 Important Views/Suggestions given by Experts/Stakeholders:

357.4 During the course of the examination of the Bill, some important suggestions/comments received from various stakeholders and experts are encapsulated as follows:

357.4.1 An option may be given to the appellant that on fulfillment of certain criteria like high pitch assessments, high demands etc. where the appellant can opt for physical CIT appeal rather than faceless appeal for faster disposal of appeal. Currently, in search and seizure cases there is a system of disposal of appeal by physical commissioner of Income tax Appeals.

357.4.2 It is suggested that the faceless appeal scheme be replaced with e-appeals scheme where the officer conduct the hearings with their videos on as has been observed during JCIT(A), Tribunal and Court proceedings. Justification: While the Government's intention to introduce faceless appeal scheme is laudable, it cannot be ignored that its execution has its own pitfalls. One such issue is the instance of the officer to not switch-on their cameras during hearing. While this may be to protect their identities, it often leads to assessee wondering if their arguments are being heard or do their pleas fall on deaf ears. The proposed amendment will lead to a more collaborative hearing.

357.4.3 To add the definition of the term "status" which is missed in Section 357 but defined in section 356. Few clauses of the section providing separately for an appealable order may be clubbed. Justification: The word "status" is defined in section 356 in case of Appeal before JCIT(A). The same should be defined for Appeal before CIT(A) as well. There are multiple clauses for certain orders passed. These clauses are indicated in dark in the column for Bill, 2025. All such clauses maybe clubbed. Clauses (h) and (i) of the proposed provision combine all such provisions.

357.4.4 Deployment of Specialized Benches for High-Pitched Assessments – Constitution of Specialized Disposal Benches at the CIT(A) level for cases involving (a) additions above Rs. 10 crores, or (b) recurring issues with established jurisprudence. This will ensure faster disposal of impactful cases and reduce pendency in revenue-significant matters.

357.5 Examination by the Committee:

357.5 The Ministry of Finance in their written response with regards to the above suggestions/views has submitted as under (mentioned correspondingly):

357.5.1 “The faceless system is still in a nascent stage. In the present system of faceless appeals, there is a facility for video hearings. This can be considered to be made more efficient. Further, there has to be a detailed study for evaluating the faceless system of CIT(Appeal). Pending such study and its detailed consideration thereafter, it would be difficult to accept any knee-jerk solutions. Thus, suggestion has been noted. “

357.5.2 **“Accepted.** Repeated suggestion similar to (i) above. In the present system of faceless appeals, there is a facility for video hearings. This can be considered to be made more efficient. Further, there has to be a detailed study for evaluating the faceless system of CIT (Appeal).Thus, Suggestion has been noted**.”**

357.5.3 **“Partially accepted.** To align the provisions of clause 356 and clause 357 of the Bill, term "status" shall be defined in clause 357 as well in the line of clause 356. Further, with respect to clubbing the clause (h) to (i) may have serious cross-referencing issues.”

357.5.4 “The suggestion seeks to constitute Specialized Benches for High-Pitched Assessments – Constitution of Specialized Disposal Benches at the CIT(A) level for cases involving (a) additions above Rs. 10 crores, or (b) recurring issues with established jurisprudence. The suggestion is only with reference to the allocation of cases to specialized CIT(A). This does not require any change in the Provision as proposed. It is in the nature of administrative nature. Where a bench takes a decision, the efficiency of manpower utilisation comes down by 1/3rd. The suggestion is not feasible. Further Vivad se Vishwas scheme 24 as introduced, Constitution of DRC and

JC(Appeals), BAR, safe harbour rules, presumptive taxation are other measures to reduce appeals."

357.5.5 Further, on the suggestion of constitution of specialized benches, the representative of the Ministry deposed before the Committee as follows:-

"They are asking that constitution of specialised disposal benches at CIT(A) level for high pitched assessment. So, the suggestion is with reference to allocation of cases to specialised CIT(A). So, it does not require any change in the provision."

357.5.6 He further clarified as under:-

"……...an administrative mechanism is already in place where if a person says that it is a high-pitched assessment, then it is considered by the senior officers and then seen and a report is given. Accordingly, a remedial is done."

357.5.7 In response to, comparison of mapping section 246A of the Act, 1961 and omission of the orders mentioned in section 246A(g), (hb), (k) [in k- only section 132A is missing] in clause 357 of the Income-Tax Bill, 2025, the Ministry in their written submission stated as follows:-

"246A(g) refers to cases pertaining to AY on or before 01.04.1992 so it has not been included. 246(hb) is for order u/s 206C(6A) which is now in clause 357(k). 246A(k) refers to orders passed under section 158BC(1)(c) which is passed in case a search u/s 132 is initiated or requisition u/s 132A is made on or after 01.09.2024. Hence there is no need to separately mention the same in clause 357(p) which deals with appealable orders passed in consequence of search or requisition initiated on or after 01.09. 2024.At the commencement of the IT Bill 2025, all orders in consequence of any search u/s 132 or requisition made u/s 132A shall be passed under clause 294(1)(c) only, therefore, reference to section 132 or 132A is inconsequential."

357.6 Observations/Recommendations of the Committee:

The Committee note that Clause 357 of the Bill seeks to provide for appeals to Commissioner (Appeals) against certain orders, corresponding to Section 246A of the Act, 1961. The Clause has been textually simplified while retaining the intent. Some important suggestions on the Clause 357 have been received viz. option for physical CIT appeal rather than faceless appeal for faster disposal of appeal; facility for video hearings and a study for evaluating the faceless system of CIT (Appeal). The Ministry has noted these suggestions. The Committee also note that the Ministry has accepted the suggestion to define the term "status" in Clause 357 as well in the line of Clause 356. The Committee find merit in the suggestion that term "status" should be defined in Clause 357 for appeal before CIT(A). Therefore, the Committee recommend to amend the Clause as accepted by the Ministry. Apart from the above drafting correction, the Committee accept the Clause as proposed.

Clause 358: Form of appeal and limitation

358.1 Provision proposed in the Income-Tax Bill, 2025:

(*1*) Every appeal under this Chapter shall be in such form and verified in such manner, as prescribed.

(*2*) An appeal, referred in sub-section (*1*), made to the Commissioner (Appeals) or to the Joint Commissioner (Appeals), shall be accompanied by a fee of—

(*a*) two hundred and fifty rupees, where the total income of the assessee as computed by the Assessing Officer in the case to which the appeal relates is one lakh rupees or less;

(*b*) five hundred, where the total income of the assessee, computed as aforesaid, in the case to which the appeal relates is more than one lakh rupees but not more than two lakh rupees;

(*c*) one thousand rupees, where the total income of the assessee, computed as aforesaid, in the case to which the appeal relates is more than two lakh rupees;

(*d*) two hundred and fifty rupees, where the subject matter of an appeal is not covered under clauses (*a*), (*b*) and (*c*).

(*3*) The appeal shall be presented within thirty days,—

(*a*) from the date of service of the notice of demand where the appeal relates to any assessment or penalty; or

(*b*) in any other case, from the date on which intimation of the order sought to be appealed against is served.

(*4*) For the purposes of sub-section (*3*)(*a*), where an application has been made under section 440(*1*), the period beginning from the date on which the application is made, to the date on which the order rejecting the application is served on the assessee, shall be excluded.

(*5*) The Joint Commissioner (Appeals) or the Commissioner (Appeals) may admit an appeal after the expiration of the said period if he is satisfied that the appellant had sufficient cause for not presenting it within that period.

(*6*) No appeal under this Chapter shall be admitted unless at the time of filing of the appeal,—

(*a*) where a return has been filed by the assessee, the assessee has paid the tax due on the income returned by him; or

(*b*) where no return has been filed by the assessee, the assessee has paid an amount equal to the amount of advance tax which was payable by him.

(*7*) The Joint Commissioner (Appeals) or the Commissioner (Appeals) may, for the purposes of sub-section (*6*)(*b*) and on an application made by the appellant in this behalf, for reasons to be recorded in writing, exempt him from the operation of the provisions of that sub-section.

358.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Section 249: Form of Appeal and Limitation

(1) Every appeal under this Chapter shall be in the prescribed form and shall be verified in the prescribed manner and shall, in case of an appeal made to the Commissioner (Appeals) on or after the 1st day of October, 1998 [or to the Joint Commissioner (Appeals) on or after the 1st day of April, 2023,] irrespective of the date of initiation of the assessment proceedings relating thereto be accompanied by a fee of,—

(*i*) where the total income of the assessee as computed by the Assessing Officer in the case to which the appeal relates is one hundred thousand rupees or less, two

hundred fifty rupees;

(*ii*) where the total income of the assessee, computed as aforesaid, in the case to which the appeal relates is more than one hundred thousand rupees but not more than two hundred thousand rupees, five hundred rupees;

(*iii*) where the total income of the assessee, computed as aforesaid, in the case to which the appeal relates is more than two hundred thousand rupees, one thousand rupees;

(*iv*) where the subject matter of an appeal is not covered under clauses (*i*), (*ii*) and (*iii*), two hundred fifty rupees.

(2) The appeal shall be presented within thirty days of the following date, that is to say,—

(*a*) where the appeal is under section 248, the date of payment of the tax, or

(*b*) where the appeal relates to any assessment or penalty, the date of service of the notice of demand relating to the assessment or penalty:

Provided that, where an application has been made under section 146 for reopening an assessment, the period from the date on which the application is made to the date on which the order passed on the application is served on the assessee shall be excluded :

Provided further that where an application has been made under sub-section (1) of section 270AA, the period beginning from the date on which the application is made, to the date on which the order rejecting the application is served on the assessee, shall be excluded, or

(*c*) in any other case, the date on which intimation of the order sought to be appealed against is served.

(2A) Notwithstanding anything contained in sub-section (2), where an order has been made under section 201 on or after the 1st day of October, 1998 but before the 1st day of June, 2000 and the assessee in default has not presented any appeal within the time specified in that sub-section, he may present such appeal before the 1st day of July, 2000.

(3) The [Joint Commissioner (Appeals) or the] Commissioner (Appeals) may admit an appeal after the expiration of the said period if he is satisfied that the appellant had sufficient cause for not presenting it within that period.

(4) No appeal under this Chapter shall be admitted unless at the time of filing of the appeal,—

(*a*) where a return has been filed by the assessee, the assessee has paid the tax due on the income returned by him; or

(*b*) where no return has been filed by the assessee, the assessee has paid an amount equal to the amount of advance tax which was payable by him:

Provided that, in a case falling under clause (*b*) and on an application made by the appellant in this behalf, the [Joint Commissioner (Appeals) or the] Commissioner (Appeals) may, for any good and sufficient reason to be recorded in writing, exempt him from the operation of the provisions of that clause.

358.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under:

> *"Clause 358 of the Bill provides for form of appeal and limitation. Clause 358 of the Bill corresponds to Section 249 of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".*

358.4 Important Views/Suggestions given by Experts/Stakeholders:

358.4 During the course of the examination of the Bill, some important suggestions/comments provided by various stakeholders and experts are summarised as follows:

358.4.1 It is suggested to rationalize the provisions of Clause 358(3) of the Bill, 2025 to provide that an appeal before the CIT(A)/JCIT(A) may be filed within 1 month from the end of the month in which the order appealed against is passed. Justification: This is to bring parity with the provisions of section 253(3) of the Act, 1961 [corresponding to Clause 362(3) of the Bill, 2025]

358.4.2 Extend this 1st appeal time limit to a period of 3 months and stay provisions with a pre-deposit of 10% of the disputed tax. Justification: If aligned as exist with GST law, the mechanism will run smoothly, including stay proceedings.

358.4.3 With regards to sub-clause (3) “The appeal shall be presented within three months, (a) from the date of service of the notice of demand where the appeal relates to any assessment or penalty; or (b) in any other case, from the date on which intimation of the order sought to be appealed against is served.”Justification: Under the current provisions of the Act, the time limit for filing an appeal before the Commissioner of (Appeals) or the Joint Commissioner of (Appeals) is restricted to 30 days from the date of service of the order or two months in the case of appeals to Appellate Tribunal. With the advent of faceless assessments and e-proceedings, assessee may not always immediately notice the service of orders or demand notices. This is especially true for those who are not well-versed with digital communication or online procedural frameworks.

358.5 Examination by the Committee:

358.5 The Ministry of Finance, on being asked, in their written replies to the above suggestions/views has furnished the following (mentioned correspondingly):

358.5.1 “The suggestion seeks to increase the time line to file the appeal before CIT(A)/JCIT(A) whereby present time limit of one month is proposed for changing to one month from the end of the month. It is in the nature of policy change, which is outside the scope of the Bill. There is no change in the provisions of the Bill viz-a-viz Act. The filing of appeal before first appellate authority is to be aligned with the recovery proceeding which is usually 30 days of issuance of demand notice. In 30 days finality is arrived at whether the assessee is in appeal and what will be the amount of tax he will deposit. Disturbing this timeline will affect all the recovery proceedings. Thus, the suggestion is not feasible.”

358.5.2 “The suggestion seeks to increase the time limit to 3 months from existing 1 month. Further, it has been proposed to provide stay on demand with pre-deposit of 10%.
Regarding pre deposit of 10% tax, repeated suggestion as Sl. No. 216 of Batch-I. The existing administrative instruction for payment of demand provides that the AO may require the assessee for payment of certain percentage of the demand depending upon the facts of the case. Besides PCIT/CIT can also permit lower percentage of demand to be paid for granting stay. Thus, the suggestion is not feasible.”

358.5.3 “Similar to Sr. No. (ii) as above. The suggestion seeks to increase the time limit to 3 months from existing 1 month for filing appeal before JCIT(Appeals) and CIT(Appeals).
The suggestion in the nature of policy change. Thus, the suggestion is not feasible.”

358.5.4 When the Committee pointed out the omission of the word “rupees’ after the words “five hundred” in Clause 358(2)(b), the Ministry in its written reply has admitted to the omission stating that it is in the nature of Drafting Correction.”

358.6 Observations/Recommendations of the Committee:

The Committee note that Clause 358 of the Bill prescribes form of appeal and limitation, aligns with Section 249 of the existing Act. The Department justifies this as textual simplification, not a policy change. However, the drafting error i.e. omission of the word "rupees" after the words "five hundred" in Clause 358(2)(b), as pointed out by the Committee, has been accepted by the Department of Revenue. They, therefore, recommend the Department to carry out the aforesaid drafting correction. Apart from the above drafting correction, the Committee accept the Clause as proposed.

Cause 359: Procedure in appeal.

359.1 Provision proposed in the Income-Tax Bill, 2025:

(*1*) The Joint Commissioner (Appeals) or the Commissioner (Appeals) shall fix a day and place for the hearing of the appeal, and shall give notice of the same to the appellant and to the Assessing Officer against whose order the appeal is preferred.

(*2*) The following shall have the right to be heard at the hearing of the appeal:—

(*a*) the appellant, either in person or by an authorised representative;

(*b*) the Assessing Officer, either in person or by a representative.

(*3*) The Joint Commissioner (Appeals) or the Commissioner (Appeals) may—

(*a*) adjourn the hearing of the appeal; or

(*b*) make such further inquiry as he thinks fit, before disposing of any appeal, or may direct the Assessing Officer to make further inquiry and report the result of the same; or

(*c*) allow the appellant to go into any ground of appeal not specified in the grounds of appeal, if he is satisfied that the omission of that ground from the form of appeal was not wilful or unreasonable.

(*4*) The order of the Joint Commissioner (Appeals) or the Commissioner (Appeals) disposing of the appeal shall be in writing and shall state the points for determination, the decision thereon and the reasons for the decision.

(*5*) The Joint Commissioner (Appeals) or the Commissioner (Appeals), where it is possible, may hear and decide such appeal within one year from the end of the financial year in which such appeal is filed or transferred to him under section 356.

(*6*) On the disposal of the appeal, the Joint Commissioner (Appeals) or the Commissioner (Appeals) shall communicate the order passed by him to the assessee and to the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner.

359.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Section 250: Procedure in Appeal

(1) The [Joint Commissioner (Appeals) or the] Commissioner (Appeals) shall fix a day and place for the hearing of the appeal, and shall give notice of the same to the appellant and to the Assessing Officer against whose order the appeal is preferred.

(2) The following shall have the right to be heard at the hearing of the appeal—

(*a*) the appellant, either in person or by an authorised representative;

(*b*) the Assessing Officer, either in person or by a representative.

(3) The [Joint Commissioner (Appeals) or the] Commissioner (Appeals) shall have the power to adjourn the hearing of the appeal from time to time.

(4) The [Joint Commissioner (Appeals) or the] Commissioner (Appeals) may, before disposing of any appeal, make such further inquiry as he thinks fit, or may direct the Assessing Officer to make further inquiry and report the result of the same to the [Joint Commissioner (Appeals) or the] Commissioner (Appeals).

(5) The [Joint Commissioner (Appeals) or the] Commissioner (Appeals) may, at the hearing of an appeal, allow the appellant to go into any ground of appeal not specified in the grounds of appeal, if the [Joint Commissioner (Appeals) or the] Commissioner (Appeals) is satisfied that the omission of that ground from the form of appeal was not wilful or unreasonable.

(6) The order of the [Joint Commissioner (Appeals) or the] Commissioner (Appeals) disposing of the appeal shall be in writing and shall state the points for determination, the decision thereon and the reason for the decision.

[(6A) In every appeal, the Joint Commissioner (Appeals) or the Commissioner (Appeals), as the case may be, where it is possible, may hear and decide such appeal within a period of one year from the end of the financial year in which such appeal is filed before him under sub-section (1) or transferred to him under sub-section (2) or sub-section (3) of section 246 or filed before him under sub-section (1) of section 246A, as the case may be.]

(6B) The Central Government may make a scheme, by notification in the Official Gazette, for the purposes of disposal of appeal by Commissioner (Appeals), so as to impart greater efficiency, transparency and accountability by—

(*a*) eliminating the interface between the Commissioner (Appeals) and the appellant in the course of appellate proceedings to the extent technologically feasible;

(*b*) optimising utilisation of the resources through economies of scale and functional specialisation;

(*c*) introducing an appellate system with dynamic jurisdiction in which appeal shall be disposed of by one or more Commissioner (Appeals).

(6C) The Central Government may, for the purposes of giving effect to the scheme made under sub-section (6B), by notification in the Official Gazette, direct that any of the provisions of this Act relating to jurisdiction and procedure for disposal of appeals by Commissioner (Appeals) shall not apply or shall apply with such exceptions, modifications and adaptations as may be specified in the notification:

Provided that no direction shall be issued after the 31st day of March, 2022:

[Provided further that the Central Government may amend any direction, issued under this sub-section on or before the 31st day of March, 2022, by notification in the Official Gazette.]

(6D) Every notification issued under sub-section (6B) and sub-section (6C) shall, as soon as may be after the notification is issued, be laid before each House of Parliament.

(7) On the disposal of the appeal, the [Joint Commissioner (Appeals) or the] Commissioner (Appeals) shall communicate the order passed by him to the assessee and to the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner.

359.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under:

> *"Clause 359 of the Bill provides for procedure in appeal. Clause 359 of the Bill corresponds to Section 250 of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause."*

359.4 Important Views/Suggestions given by Experts/Stakeholders:

359.4 During the course of the examination of the Bill, some important suggestions/comments received from various stakeholders and experts are outlined as under:

359.4.1 In case of non-disposal of appeal within one year by Commissioner Appeals, following consequences should be provided for: Refund of demand deposited regardless of status of appeal; or Higher interest rate @12% instead of 6%.

359.4.2 There is no provision for fixing the time limit for the disposal of matter remanded/set aside to the Commissioner (Appeals) therefore, it is suggested that provision should provide for such time limit.

359.4.3 A condition of recording reasons in case the appeal could not be disposed off within one year period should be added. A lot of cases are pending at the level of CIT(A) being the First Appellate Authority and as such, is considered as inefficient body under the Act, 1961. A specified timeframe for deciding the appeal by such Authority would justify expeditious and timely disposal of appeal.

359.4.4 The provisions of Clause 359(5) of the Bill, 2025 be amended to provide that the CIT(A)/JCIT(A) should be mandatorily pass their orders within 1 year from the end of the year in which the appeal is filed. In case, due to unavoidable circumstances, this period may be extended by another 6 months provided that prior written approval of the PCIT/CCIT/PCCIT is sought. Justification: This is to ensure that CIT(A)/JCIT(A) proceedings are conducted in a time bound manner.

359.4.5 To insert a new sub-section to prescribe a time period for disposal of pending appeals by the CIT(Appeals). Additional interest to be levied on relief given in case of appeals disposed after the prescribed time period. Justification: There are more than 5.40 lakh cases pending before the CIT(A) as on 31.03.2025. For faster disposal of cases, a time period for all pending appeals must be prescribed. An additional interest levied for delay in deciding the appeals may ensure faster disposal of the cases and may also provide relief to the assessee for delay not attributable to assessee.

359.4.6 In clause 359 of the bill/section 250(6A) of the Act, the words "*where it is possible, may"* be substituted with the word "*shall*" and the following proviso may be inserted in the said section.

"***Provided*** *that where for reasons attributable to the assessee, the appeal cannot be disposed off within the said period of one year from the end of the financial year in which the appeal is filed, the Commissioner/Jt. Commissioner may, for reasons to be recorded in writing, dispose off the appeal beyond a period of one year from the end of the financial year in which the appeal is filed*".

"***Provided*** *further that in no case shall the appeal be disposed off beyond a period of eighteen months from the end of the financial year in which the appeal is filed*."

359.4.7 Presence of assessing officers shall also be mandated during proceedings before the CIT(A) as this will ensure saving in time and efforts to seek time to time clarifications from them unless there is involvement of major issue as per the CIT(A).

359.4.8 Monthly dashboards to be published district-wise and made public, showing number of appeals filed, disposed, and pending, categorized by monetary value and legal complexity. This ensures administrative transparency and incentivizes appellate officers to improve disposal metrics.

359.5 Examination by the Committee:

359.5 With regards to the above suggestions/views, the Ministry of Finance in their written reply has made the submissions mentioned below (mentioned correspondingly):

359.5.1 There is no change in the provision of the Bill viz-a-viz the provisions of IT Act 1961 from the policy perspective. However, it is submitted that necessary administrative measures are already in place to monitor disposal of pending appeals e.g. Central Action Plan, administrative reporting etc. Some of the administrative measures are:-

(a) The annual targets of disposal of pending appeals by CIT appeal are determined by the Central Action Plan (CAP) of the Department.

(b) The Performance of CIT appeal is closely monitored by the CBDT in light of the targets prescribed by the CAP.

(c) Monthly Letters are issued to the Pr. CCITs detailing the disposals made by each CIT appeal and seeking explanation in cases of low performance.

(d) Regular review meetings are conducted by the Member (A&J) and the CIT(A&J) in various Pr. CCIT regions to emphasise the need for expeditious disposal of appeals and adherence to the targets fixed by CAP.

(e) The CAP for FY 2025-26 has set an ambitious target of disposal of over 2 Lakh appeals and about 10 Lakh Cr. of disputed demand. Emphasis has been laid on disposal of appeals filed before 1.10.2020 (“legacy appeals”)

(f) A 40% shortage of manpower exists at the First Appellate Level. The Department has tried to augment the manpower by assigning the additional charges of CIT(Appeals) to Pr. CITs and CIT(DR).

Further, after disposal of appeal, in case there is a refund, the same is issued to the assessee with interest. It may also be mentioned that due to monetary thresholds of tax effect for filing appeal by the Department to ITAT (60 lakhs), HC (2 Crore) & SC (5

crore), the litigation comes to an early end in most of the cases where taxpayers get relief from lower appellate authorities and the tax effect is below the aforesaid thresholds. This is a substantial relief to taxpayers. Thus, suggestion is administrative in nature."

359.5.2 "The suggestion made by the stakeholder is in the nature of policy change which is beyond the scope of the objectives of the IT Bill, 2025."

359.5.3 to 6 "Repeated Suggestion similar to Para no. 359.5.1 above ..... Thus, the suggestion is not feasible."

359.5.7 "The suggestion seeks to mandate presence of assessing officers during proceedings before the CIT(A). In a faceless environment the AO and CIT(A) are faceless. Also, the assessment is done by unit and not an individual. Even otherwise, the suggestion is administratively cumbersome. There is already a mechanism of remand report through which CIT(A) may seek clarifications from AO. Further, not all cases require clarifications. In the non faceless system the AO is given an option to appear by the CIT(A)
Thus, suggestion is not feasible."

359.5.8 "The suggestion seeks to publicly display number of appeals filed, disposed, and pending, categorized by monetary value and legal complexity. The suggestion will not lead to any administrative efficiency. The central action plan collates the appeal statistics and all the Pr CCITs monitor the status which is centrally monitored through Member (A&J) and the CIT(A&J) in various Pr. CCIT regions to emphasise the need for expeditious disposal of appeals and adherence. There is no requirement of making this data public as it will not yield any benefit. The suggestion is administrative in nature."

359.5.9 Regarding the suggestion for demanding higher interest rate in case of non-disposal of appeal within one year, the representative of the Ministry of Finance deposed before the Committee as follows:-

> *"There are challenges in this. One is that, yes, we need to ramp up our mechanism so that we speed up the disposal of appeals. But, tweaking with this interest element, both on the reduction or in case of a refund on a higher side, it has its own challenges, sir. Because suppose the Commissioner (Appeals) gets it confirmed, and in ITAT, it gets deleted. In different forums, different decision is taken. This would add to more confusion rather than actually solving the problem. So, the issue has to be solved administratively, and seen that the appeals are disposed of within a reasonable time, rather than actually picking on them."*

359.5.10 When asked about changing the stipulated time limit mentioned in Clause 395(5) from "within one year from the end of the financial year in which such an appeal

is filed or transferred to him under Section 356" to "within one year from the date of filing an appeal", the Ministry in its written response furnished as under:-

> *"This will result in staggered time line where cases will be getting time-barred every day. In the case of transfer and posting of Officers, many times handing and taking over takes place for 10 to 15 days. Thus, many cases will be out as per proposed time limit. Thus, suggestion is not feasible."*

359.5.11 Further, on being asked about the possibility of making time line stipulated in sub clause (5) of Clause 395 mandatory in order to save the time and monetary resources of the taxpayers as well as fix greater accountability for the Tax Authorities, the Ministry in its written reply made the following submission:

> *"It may be mentioned that for any appellate level, whether it be SC, HC, ITAT or CIT(A), time limits have not been provided as appellate proceedings are judicial proceedings and fast-tracking the same without taking into account the complexity or facts of the case may not be desirable. Further, considerable relief has been provided to taxpayers by way of monetary limits below which Revenue does not file appeal in ITAT, HC or SC. In such cases, the Revenue forgoes its right to appeal which is a significant relief to the taxpayer."*

359.5.12 Furthermore, on being probed about the possibility to limit the number of times the hearing of the an appeal can be adjourned by the JCIT(A)/CIT(A) so as to ensure timely disposal of appeal, the Ministry in its written response mentioned as under:

> *"Section 119 of IT Act specifically bars interference of CBDT in functions of JC(Appeals) and CIT(Appeals). Therefore, it is not possible to limit the number of times the hearing of an appeal can be adjourned by the JCIT(A)/CIT(A)."*

359.5.13 Moreover, on being probed further with regard to the Ministry mulling upon developing and using modern technology for keeping records of the timelines of Tax Appeals, the number of adjournments during hearing along with written reasons, speedy disposals of litigations/appeals, the Ministry in its written submissions mentioned as under:

> *"Central Government has notified the Faceless Appeals Scheme for the purposes of disposal of appeal by Commissioner (Appeals), so as to impart greater efficiency, transparency and accountability by–*
>
> *(a) eliminating the interface between the Commissioner (Appeals) and the appellant in the course of appellate proceedings to the extent technologically feasible;*

(b) optimising utilisation of the resources through economies of scale and functional specialisation;

Thus, CIT(Appeal) is working in faceless mode so there is no interface between the assessee and CIT(A).”

359.5.14 The Committee further enquired about the prospect of introducing the facility to be provided to the assesse to file an “inactivity appeal” to CIT(A) in case of JCIT(Appeals) or to ITAT in case of CIT (Appeals) requesting them to set a deadline for pronouncement of decision with regards to appeal filed on lines of the mechanism of Tax Dispute Resolution being followed in Germany (termed ‘Untätigkeitsklage’), the Ministry in its written response made the following submissions:

“Under the German law, if a tax authority fails to decide on a taxpayer’s objection or application within a reasonable time - usually six months - without sufficient justification, the taxpayer may file a lawsuit in the Finance Court without waiting for the conclusion of the administrative appeal. Once such an Untätigkeitsklage (lawsuit for administrative inaction) is filed, the court may:

• Notify the tax appellate authority of the lawsuit and temporarily suspend the Untätigkeitsklage proceedings, allowing the authority time to act, or

• Order the tax appellate authority to issue a decision within a specifieddeadline.The German tax authorities do not publish separate statistics for Untätigkeitsklagen. However, according to the German Federal Ministry of Finance (Bundesfinanzministerium), only about 1.6%–2% of administrative tax appeals (Einsprüche) escalate to judicial proceedings/appeals of any kind.

This implies that over 98% of the disputes are resolved administratively, without any court involvement at any stage. Consequently, it may be observed that Untätigkeitsklagen is rarely used by taxpayers. Further, several German tax advisors have noted that Untätigkeitsklagen option is used infrequently.”

359.6 Observations/Recommendations of the Committee:

The Committee observe that Clause 359 of the Income-Tax Bill, 2025, which outlines the procedure for appeals, largely mirrors Section 250 of the Income-Tax Act, 1961, with no substantive policy changes introduced beyond textual simplification. After extensive and in-depth deliberations, the Committee have considered various perspectives and proposals from stakeholders and experts, alongside justifications and clarifications provided by the Department of Revenue

regarding Clause 359 of the Bill. Accordingly, the Committee accept Clause 359 as originally proposed.

Clause 360: Powers of Joint Commissioner (Appeals) or Commissioner (Appeals).

360.1 Provision proposed in the Income-Tax Bill, 2025:

(*1*) In disposing of an appeal, the Commissioner (Appeals) or the Joint Commissioner (Appeals), shall have the following powers:—

(*a*) in an appeal against an order of assessment, he may confirm, reduce, enhance or annul the assessment;

(*b*) where such appeal is against an order of assessment made under section 271, the Commissioner (Appeals) may set aside the assessment and refer the case back to the Assessing Officer for making a fresh assessment;

(*c*) in an appeal against the order of assessment for which the proceeding before the Settlement Commission abates under section 245HA of the Act 1961, the Commissioner (Appeals) may, after taking into consideration all the material and other information produced by the assessee before, or the results of the inquiry held or evidence recorded by, the Settlement Commission, in the course of the proceeding before it and such other material as may be brought on his record, confirm, reduce, enhance or annul the assessment;

(*d*) in an appeal against an order imposing a penalty, he may confirm or cancel such order or vary it so as either to enhance or to reduce the penalty;

(*e*) in any other case, he may pass such orders in the appeal as he thinks fit.

(*2*) The Joint Commissioner (Appeals) or the Commissioner (Appeals), shall not enhance an assessment or a penalty or reduce the amount of refund, unless the appellant has had a reasonable opportunity of showing cause against such enhancement or reduction.

(*3*) The Joint Commissioner (Appeals) or the Commissioner (Appeals), may consider and decide any matter arising out of the proceedings in which the order appealed against was passed, irrespective of the fact that such matter was not raised before him by the appellant.

360.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Section 251: Powers of the [Joint Commissioner (Appeals) or the] Commissioner (Appeals)

(1) In disposing of an appeal, the Commissioner (Appeals) shall have the following powers—

(*a*) in an appeal against an order of assessment, he may confirm, reduce, enhance or annul the assessment:

[**Provided** that where such appeal is against an order of assessment made

under section 144, he may set aside the assessment and refer the case back to the Assessing Officer for making a fresh assessment;]

(*aa*) in an appeal against the order of assessment in respect of which the proceeding before the Settlement Commission abates under section 245HA, he may, after taking into consideration all the material and other information produced by the assessee before, or the results of the inquiry held or evidence recorded by, the Settlement Commission, in the course of the proceeding before it and such other material as may be brought on his record, confirm, reduce, enhance or annul the assessment;

(*b*) in an appeal against an order imposing a penalty, he may confirm or cancel such order or vary it so as either to enhance or to reduce the penalty;

(*c*) in any other case, he may pass such orders in the appeal as he thinks fit.

[(1A) In disposing of an appeal, the Joint Commissioner (Appeals) shall have the following powers—

(*a*) in an appeal against an order of assessment, he may confirm, reduce, enhance or annul the assessment;

(*b*) in an appeal against an order imposing a penalty, he may confirm or cancel such order or vary it so as either to enhance or to reduce the penalty;

(*c*) in any other case, he may pass such orders in the appeal as he thinks fit.]

(2) The [Joint Commissioner (Appeals) or the] Commissioner (Appeals) [, as the case may be,] shall not enhance an assessment or a penalty or reduce the amount of refund unless the appellant has had a reasonable opportunity of showing cause against such enhancement or reduction.

Explanation.—In disposing of an appeal, the [Joint Commissioner (Appeals) or the] Commissioner (Appeals), may consider and decide any matter arising out of the proceedings in which the order appealed against was passed, notwithstanding that such matter was not raised before the [Joint Commissioner (Appeals) or the] Commissioner (Appeals) [,as the case may be,] by the appellant.

360.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under:

> *"Clause 360 of the Bill provides for powers of Joint Commissioner (Appeals) or the Commissioner (Appeals). Clause 360 of the Bill corresponds to Section 251 of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause."*

360.4 Important Views/Suggestions given by Experts/Stakeholders:

360.4 During the course of the examination of the Bill, some important suggestions/comments received from various stakeholders and experts are summarised as under:

360.4.1 Appointment of more Junior Officers for quick disposal of smaller appeals.

360.4.2 Amend Section 251 of the Act to limit the CIT(A)'s powers and not to set aside any matters to the AO. This will promote finality at the first appellate level and avoid cyclical litigation. Power of set aside shall be recalled also considering that in respect of old cases which are pending from long time before CIT(A), it would also not be feasible for the revenue to conduct the fresh assessments again considering the cost factor and also taking into account that up to what extent assessee would be able to provide old details/documents which may be sought during fresh assessment.

360.4.3 Mandatory Classification of Additions as Frivolous or Non-Frivolous Introduce a statutory mandate requiring CIT(A) to record whether the addition made by the AO was frivolous or non-frivolous. In the case of frivolous additions, the appellate fee deposited may be refunded to the taxpayer. This will promote accountability in the AO's initial decision-making, discourage routine additions without legal merit, and enhance taxpayer trust. It also balances judicial propriety with taxpayer relief.

360.5 Examination by the Committee:

360.5 The Ministry of Finance, with regards to the above suggestions/views, has furnished the following written responses (mentioned correspondingly):

360.5.1 "Disposal of appeals is a priority vertical for the department, a separate appellate authority has been created at JCIT/Addl CIT(Appeals) level to dispose of appeal cases involving tax effect below specified limits. The suggestion has already been taken care of."

360.5.2 “The suggestion seeks to amend section 251 of the Act to limit the CIT(A)’s powers and not to set aside any matters to the Act. The CIT(A) may set aside only a case in which order has been passed u/s 144 of the Act. Thus, as a principle of natural justice, opportunity is given to the assessment said amendment has been brought by Finance Act no 2, 2024 for reducing the huge pendency of appeals and disputed tax demands at the Commissioner (Appeals) stage. Thus, suggestion is not feasible.”

360.5.3 In this regard, the representative of the Ministry further added during the oral evidence before the Committee as follows:-

> *“We had provided in July, 2024 Budget, specific power to CIT(A) to set-aside the cases, where initially the cases were done in a best judgement assessment. The tax payer had not appeared and then best judgement assessment was done. So, in those cases, to provide fresh opportunity, CIT(A) was given specific power. So, they are saying to limit this power of Commissioner (Appeal). That is the suggestion.”*

360.5.4 “The suggestion seeks to introduce a statutory mandate requiring CIT(A) to record whether the addition made by the AO was frivolous or non-frivolous. The merit of an order is decided after going through the complete appeal process. No higher authority makes recording of this type for their lower courts whether it be SC or HC or any other appellate body. Only where the order is perverse, the appellate authority can give finding of perversity. The suggestion is administrative in nature and does not require any statutory amendment. There exists the internal and external audit mechanism and power of review u/s 264 of Act by CIT. As AO is quasi-judicial authority so that if any addition is not sustained in higher appellate forum, then this cannot be ground of appellate fees to be repaid to the assessee. The provisions for penal interest resulting out of the delayed Order Giving Effects already exist in the present Act under section 244A(1A) and same have been incorporated in the clause 437(4). Thus, suggestion is not feasible.”

360.6 Observations/Recommendations of the Committee:

The Committee note that Clause 360 of the Income-Tax Bill, 2025, a textual simplification of Section 251 of the Income-Tax Act, 1961, deal with the powers of Joint Commissioner (Appeals) or Commissioner (Appeals). They also note that, apart from textual simplification, no policy change has been introduced in this Clause. They, therefore, accept Clause 360 as proposed by the Department of Revenue.

2.—Appeals to Appellate Tribunal.

Clause 361: Appellate Tribunal.

Provision proposed in the Income-Tax Bill, 2025:

(*1*) The Central Government shall constitute an Appellate Tribunal consisting of as many Judicial and Accountant Members as it thinks fit, to exercise the powers and discharge the functions conferred on the Appellate Tribunal by this Act.

(*2*) Irrespective of anything contained in this Act, the qualifications, appointment, term of office, salaries and allowances, resignation, removal and the other terms and conditions of service of the President, Vice-President and other Members of the Appellate Tribunal appointed,—

(*a*) after the commencement of the Tribunals Reforms Act, 2021, shall be governed by the provisions of Chapter II of the said Act;

(*b*) before the commencement of Part XIV of Chapter VI of the Finance Act, 2017, shall be governed by the provisions of the Act, 1961 and the rules made there under, as if the provisions of section 184 of the Finance Act, 2017 had not come into force.

(*3*) The Central Government shall appoint—

(*a*) a person who is a sitting or retired Judge of a High Court and who has completed not less than seven years of service as a Judge in a High Court; or

(*b*) one of the Vice-Presidents of the Appellate Tribunal,

to be the President thereof.

(*4*) The Central Government may appoint one or more members of the Appellate Tribunal to be the Vice-President or, Vice-Presidents thereof.

(*5*) The Vice-President shall exercise such of the powers and perform such of the functions of the President as may be delegated to him by the President by a general or special order in writing.

361.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Section 252: Appellate Tribunal

(1) The Central Government shall constitute an Appellate Tribunal consisting of as many judicial and accountant members as it thinks fit to exercise the powers and discharge the functions conferred on the Appellate Tribunal by this Act.

(2) A judicial member shall be a person who has for at least ten years held a judicial office in the territory of India or who has been a member of the Indian Legal Service and has held a post in Grade II of that Service or any equivalent or higher post for at least three years or who has been an advocate for at least ten years.

Explanation.—For the purposes of this sub-section,—

(*i*) in computing the period during which a person has held judicial office in the territory of India, there shall be included any period, after he has held any judicial office, during which the person has been an advocate or has held the office of a member of a Tribunal or any post, under the Union or a State, requiring special knowledge of law;

(*ii*) in computing the period during which a person has been an advocate, there shall be included any period during which the person has held judicial office or the office of a member of a Tribunal or any post, under the Union or a State, requiring special knowledge of law after he became an advocate.

(2A) An accountant member shall be a person who has for at least ten years been in the practice of accountancy as a chartered accountant under the Chartered Accountants Act, 1949 (38 of 1949), or as a registered accountant under any law formerly in force or

partly as a registered accountant and partly as a chartered accountant, or who has been a member of the Indian Service, Group A and has held the post of Additional Commissioner of or any equivalent or higher post for at least three years.

(3) The Central Government shall appoint—

(*a*) a person who is a sitting or retired Judge of a High Court and who has completed not less than seven years of service as a Judge in a High Court; or

(*b*) one of the Vice-Presidents of the Appellate Tribunal,

to be the President thereof.

(4) The Central Government may appoint one or more members of the Appellate Tribunal to be the Vice-President or, as the case may be, Vice-Presidents thereof.

(4A) [***]

(5) The Vice-President shall exercise such of the powers and perform such of the functions of the President as may be delegated to him by the President by a general or special order in writing.

361.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under:

> *"Clause 361 of the Bill deals with provisions relating to Appellate Tribunal. Clause 361 of the Bill corresponds to Section 252 of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".*

361.4 Important Views/Suggestions given by Experts/Stakeholders:

361.4 During the course of the Examination of the proposed Bill, some important suggestions/comments provided by various stakeholders and experts are summed up as under:

361.4.1 Clause 361 provides that the Central Government shall constitute an Appellate Tribunal consisting of as many Judicial and Accountant Members as it thinks fit, to exercise the powers and discharge the functions conferred on the Appellate Tribunal by this Act. Clause 361(2) provides that the qualifications, appointment and conditions of service of the Members of the Appellate Tribunal appointed after the commencement of the Tribunals Reforms Act, 2021, shall be governed by the provisions of the said Act. As per the Tribunal (Conditions of Service) Rules, 2021, a person shall not practice be qualified for appointment as Accountant member, unless, inter alia, he has been in the practice of accountancy as a chartered accountant for 25 years. It may be noted that in case of a Judicial member, the period of experience required as an advocate is 10 years as per the said Rules. Therefore, the requirement for an accountant member may also be at least 10 years as a chartered accountant, as was the case earlier.

361.4.2 The age limit for appointment as member of ITAT should be fixed at 45 years for recruitment and 65 years for retirement.

361.4.3 The term of the members of ITAT must be increased. Justification: Section 5 of the Tribunals Reforms Act, 2021 states that the Chairperson or a member of the ITAT shall hold office for a term of 4 years. A tenure of 4 years could impact the fabric and ethos of justice. In a normal course, it would take four to five years to discern and decipher the tax laws. A tenure of 4 years for the members of the highest fact-finding authority is short. The tenure of the members of ITAT must therefore be increased. Otherwise, persons of merit may stay away from opting for a career at this ITAT.

361.4.4 As per Clause 361 of the Income-Tax Bill, 2025, Tribunal Reforms Act, 2021 will apply for appointment of tribunal members. Accordingly, the appointment of members shall be on tenure basis. It is humbly submitted that the Income tax appellate Tribunal cannot be compared with the other tribunals. ITAT is dealing with an expertise and complex subject and it takes a reasonably long period for a new member to get well versed with the subject. Hence the appointment of members on tenure basis may not be made applicable to the appointment of members of the Income tax Appellate Tribunal. The old provisions for appointment may be reintroduced and the Tribunal Reforms Act, 2021 may be made inapplicable.

361.4.5 The requirement for an accountant member may also be at least 10 years in the practice of accountancy as a chartered accountant, as was the case earlier. Suitable amendment be made in the Tribunal (Conditions of Service) Rules, 2021. Justification: As per the Tribunal (Conditions of Service) Rules, 2021, a person shall not be qualified

for appointment as Accountant member, unless, inter alia, he has been in the practice of accountancy as a chartered accountant for 25 years. It may be noted that in case of a Judicial member, the period of experience required as an advocate is 10 years as per the said Rules.

361.5 Examination by the Committee:

361.5 The Ministry of Finance in their written reply regarding the above suggestions/views has furnished the following response:

> *"There is no change in the provision of the Bill viz-a-viz the provisions of IT Act 1961 from the policy perspective. With reference to clause 361(2) of the Bill, it may be stated that the qualifications, terms and conditions of service of President, Vice-President and Member of the ITAT are not under the purview of the Act and are governed by the Tribunals Reforms Act, 2021. Thus, the issue does not emanate from any policy or provisions which are part of the Bill, 2025. The suggestion is outside the purview of the Bill.*
>
> *.....Suggestion seeks to change the requirement of experience of Accountant Member of the ITAT. There is no change in the provision of the Bill viz-a-viz Act....."*

361.5.1 With regard to the tenure of the judges of the ITAT, the representative of the Ministry further added as follows:-

> *"This tenure is now uniform, not only for ITAT but for CAT Members, for other Tribunals also. It is standardized for four years and the age has also now gone up to 67 years. So, basically, in case, reappointment is required, that provision also is there."*

361.6 Observations/Recommendations of the Committee:

The Committee note that Clause 361, a textual simplification of Section 252 of the Income-Tax Act, 1961, seeks to provide for constitution of Income-Tax Appellate Tribunal. After thorough deliberations, and having considered various suggestions from stakeholders and experts, as well as the rationales and clarifications submitted by the Department of Revenue, the Committee recommend accepting the Clause in its entirety without any changes.

Clause 362: Appeals to Appellate Tribunal

362.1 Provision proposed in the Income-Tax Bill, 2025:

(*1*) Any assessee, aggrieved by any of the following orders, may appeal to the Appellate Tribunal against such order—

(*a*) an order passed under this Act, by a Commissioner (Appeals) or a Joint Commissioner (Appeals);

(*b*) an order passed by a Principal Commissioner or Commissioner under—

(*i*) section 332(*7*) or (*8*) or (*9*), 351(*2*)(*ii*) or 354(*3*); or

(*ii*) section 377 or 439 or 465; or

(*iii*) section 287;

(*c*) an order passed by a Principal Chief Commissioner or Chief Commissioner or a Principal Director General or Director General or a Principal Director or Director under section 377 or 465 or an order passed under section 287 amending any such order;

(*d*) an order passed by an Assessing Officer under section 270(*10*) or 279, in pursuance of the directions of the Dispute Resolution Panel or an order passed under section 287 in respect of such order;

(*e*) an order passed by an Assessing Officer under section 270(*10*) or 279, with the approval of the Principal Commissioner or Commissioner as referred to in section 274(*12*) or an order passed under section 287 or 288 in respect of such order; or

(*f*) an order passed by an Assessing Officer under section 234(*4*).

(*2*) The Principal Commissioner or Commissioner may, if he objects to any order passed by the Joint Commissioner (Appeals) or the Commissioner (Appeals) under this Act, direct the Assessing Officer to appeal to the Appellate Tribunal against the order.

(*3*) Every appeal under sub-section (*1*) or (*2*) shall be filed within two months from the end of the month in which the order sought to be appealed against is communicated to the assessee or to the Principal Commissioner or Commissioner.

(*4*) The Assessing Officer or the assessee, on receipt of notice that an appeal against an order, has been preferred under sub-section (*1*) or (*2*) by the other party, may, irrespective of that he may not have appealed against such order or any part thereof, within thirty days of the receipt of the notice, file a memorandum of cross-objections, verified in the manner, as prescribed, against any part of such order, and such

memorandum shall be disposed of by the Appellate Tribunal as if it were an appeal presented within the time specified in sub-section(*3*).

(*5*) The Appellate Tribunal may admit an appeal or permit the filing of a memorandum of cross-objections after the expiry of the relevant period referred to in sub-section (*3*) or (*4*), if it is satisfied that there was sufficient cause for not presenting it within that period.

(*6*) An appeal to the Appellate Tribunal shall be in such form and verified in such manner, as prescribed and shall, be accompanied by a fee of—

(*a*) five hundred rupees, where the total income of the assessee as computed by the Assessing Officer, in the case to which the appeal relates, is one lakh rupees or less;

(*b*) one thousand five hundred rupees, where the total income of the assessee, computed as aforesaid, in the case to which the appeal relates is more than one lakh rupees but not more than two lakh rupees;

(*c*) 1% of the assessed income, subject to a maximum of ten thousand rupees, where the total income of the assessee, computed as aforesaid, in the case to which the appeal relates is more than two lakh rupees;

(*d*) five hundred rupees, where the subject matter of an appeal relates to any matter, other than those specified in clauses (*a*), (*b*) and (*c*).

(*7*) No fee shall be payable for an appeal referred to in sub-section (*2*), or a memorandum of cross objections referred to in sub-section (*4*).

(*8*) An application for stay of demand shall be accompanied by a fee of five hundred rupees.

362.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Section 253: Appeals to the Appellate Tribunal

(1) Any assessee aggrieved by any of the following orders may appeal to the Appellate Tribunal against such order—

(*a*) an order passed by a Deputy Commissioner (Appeals) before the 1st day of October, 1998 or, as the case may be, a Commissioner (Appeals) under section 154, [section 158BFA,] section 250, section 270A, section 271, section 271A [, section 271AAB, section 271AAC, section 271AAD], section 271J or section 272A; or

[(*aa*) an order passed by a Joint Commissioner (Appeals) under section 154, section 250, section 270A, section 271, section 271A, section 271AAC, section 271AAD or section 271J; or]

(*b*) an order passed by an Assessing Officer under clause (*c*) of section 158BC, in respect of search initiated under section 132 or books of account, other documents or any assets requisitioned under section 132A, after the 30th day of June, 1995, but before the 1st day of January, 1997; or

(*ba*) an order passed by an Assessing Officer under sub-section (1) of section 115VZC; or

[(*c*) an order passed by,—

(*i*) a Principal Commissioner or Commissioner under section 12AA or section 12AB or under clause (*vi*) of sub-section (5) of section 80G or under section 263 or under section 270A or under section 271 or under section 272A or an order passed by him under section 154 amending any such order; or

(*ii*) a Principal Chief Commissioner or Chief Commissioner or a Principal Director General or Director General or a Principal Director or Director under section 263 or under section 272A or an order passed by him under section 154 amending any such order; or]

(*d*) an order passed by an Assessing Officer under sub-section (3), of section 143 or section 147 or section 153A or section 153C in pursuance of the directions of the Dispute Resolution Panel or an order passed under section 154 in respect of such order;

(*e*) an order passed by an Assessing Officer under sub-section (3) of section 143 or section 147 or section 153A or section 153C with the approval of the Principal Commissioner or Commissioner as referred to in sub-section (12) of section 144BA or an order passed under section 154 or section 155 in respect of such order;

(*f*) an order passed by the prescribed authority under sub-clause (*iv*) or sub-clause (*v*) or sub-clause (*vi*) or sub-clause (*via*) of clause (*23C*) of section 10.

(2) The Principal Commissioner or Commissioner may, if he objects to any order passed by a Deputy Commissioner (Appeals) before the 1st day of October, 1998 or, as the case may be, a [the Joint Commissioner (Appeals) or the] Commissioner (Appeals)

under section 154 or section 250, direct the Assessing Officer to appeal to the Appellate Tribunal against the order.

(2A) [***]

(3) Every appeal under sub-section (1) or sub-section (2) shall be filed within [two months from the end of the month in] which the order sought to be appea-led against is communicated to the assessee or to the Principal Commissioner or Commissioner, as the case may be :

Provided that in respect of any appeal under clause (*b*) of sub-section (1), this sub-section shall have effect as if for the words "sixty days", the words "thirty days" had been substituted.

(3A) [***]

(4) The Assessing Officer or the assessee, as the case may be, on receipt of notice that an appeal [against an order], has been preferred under sub-section (1) or sub-section (2) by the other party, may, notwithstanding that he may not have appealed against such order or any part thereof, within thirty days of the receipt of the notice, file a memorandum of cross-objections, verified in the prescribed manner, against [any part of such order], and such memorandum shall be disposed of by the Appellate Tribunal as if it were an appeal presented within the time specified in sub-section (3).

(5) The Appellate Tribunal may admit an appeal or permit the filing of a memorandum of cross-objections after the expiry of the relevant period referred to in sub-section (3) or sub-section (4), if it is satisfied that there was sufficient cause for not presenting it within that period.

(6) An appeal to the Appellate Tribunal shall be in the prescribed form and shall be verified in the prescribed manner and shall, in the case of an appeal made, on or after the 1st day of October, 1998, irrespective of the date of initiation of the assessment proceedings relating thereto, be accompanied by a fee of,—

(*a*) where the total income of the assessee as computed by the Assessing Officer, in the case to which the appeal relates, is one hundred thousand rupees or less, five hundred rupees,

(*b*) where the total income of the assessee, computed as aforesaid, in the case to which the appeal relates is more than one hundred thousand rupees but not more than two hundred thousand rupees, one thousand five hundred rupees,

(*c*) where the total income of the assessee, computed as aforesaid, in the case to

which the appeal relates is more than two hundred thousand rupees, one per cent of the assessed income, subject to a maximum of ten thousand rupees,

(*d*) where the subject matter of an appeal relates to any matter, other than those specified in clauses (*a*), (*b*) and (*c*), five hundred rupees:

Provided that no fee shall be payable in the case of an appeal referred to in sub-section (2), or, sub-section (2A) as it stood before its amendment by the Finance Act, 2016, or, a memorandum of cross objections referred to in sub-section (4).

(7) An application for stay of demand shall be accompanied by a fee of five hundred rupees.

(8) The Central Government may make a scheme, by notification in the Official Gazette, for the purposes of appeal to the Appellate Tribunal under sub-section (2), so as to impart greater efficiency, transparency and accountability by—

(*a*) optimising utilisation of the resources through economies of scale and functional specialisation;

(*b*) introducing a team-based mechanism for appeal to the Appellate Tribunal, with dynamic jurisdiction.

(9) The Central Government may, for the purpose of giving effect to the scheme made under sub-section (8), by notification in the Official Gazette, direct that any of the provisions of this Act shall not apply or shall apply with such exceptions, modifications and adaptations as may be specified in the notification.

[***]

(10) Every notification issued under sub-section (8) and sub-section (9) shall, as soon as may be after the notification is issued, be laid before each House of Parliament.

362.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under:

> *"Clause 362 of the Bill provides for appeals to the Appellate Tribunal. Clause 362 of the Bill corresponds to Section 253 of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".*

362.4 Important Views/Suggestions given by Experts/Stakeholders:

362.4 During the course of the Examination of the proposed Bill, some important suggestions/comments received from various stakeholders and experts are summed up and mentioned below:

362.4.1 The order under clause 281(3) passed with the prior approval of specified authority 284, before issuing the notice of reopening u/s 281(1) should be made appealable before the ITAT directly on the similar lime as 281(1)(d) and 281(1)(e).

362.4.2 Appeal to Income tax Appellate Tribunal. There are a number of orders of the Commissioners of Income tax against which no appeal is provided. The only remedy available to the assessee is to file a Writ Petition before the High Court. E.g. orders under section 264, 273A, waiver of interest charged under sections 234A, 234B, and 234C, orders under section 179, denial of approval u/s. 10(23C) and other approvals by the Chief Commissioner, denial of condonation of delay in filing various forms, etc. A simple amendment in the Act may be made stating that all orders of the Chief Commissioner or, Commissioner are appealable to the Tribunal. This would save substantial time for the High Court and the taxpayers would get speedy justice from the Tribunal. The sub clause (3) may be amended as under: "Every appeal under sub-section (1) or (2) shall be filed within three months from the end of the month in which the order sought to be appealed against is communicated to the assessee or to the Principal Commissioner or Commissioner." Justification: To bring uniformity and conformity as in the provisions of the C/S/UTGST Act/s, 2017.

362.4.3 Extend this Higher appeal time limit to a period of 3 months and stay provisions with a pre-deposit of 20% of the disputed tax. Justification: If aligned as exist with GST law, the mechanism will run smoothly, including stay proceedings.

362.4.4 It is suggested that a simple inclusion in the Bill may be made stating that all orders of the Chief Commissioner, Commissioner are appealable to the Tribunal. Justification: This would save substantial time of the higher judiciary and the taxpayers would get speedy justice from the Tribunal. There are a number of orders of the Commissioners of against which no appeal is provided. The assessee has only remedy is to file writ before the High Court. E.g. orders passed in revision, orders passed for waiver of interest etc.

362.4.5 Sub-sections (6) and (8) be redrafted as given below -

(6) An appeal to the Appellate Tribunal shall be in such form and verified in such manner, as prescribed ~~and shall be accompanied by~~ and shall be furnished after depositing a fee of….

Justification: Since the appeals are also furnished online, therefore, the phrase "and shall be accompanied by a fee" may be replaced with the phrase "and shall be furnished after depositing a fee of ……".

(8) An application for stay of demand shall be furnished after depositing ~~accompanied by~~ a fee of five hundred rupees.

Justification: A similar amendment has to be made in sub-section (8) for application for stay of demand. The words "accompanied by" to be replaced by "furnished after depositing".

362.4.6 Appeal to Appellate Tribunal. An appeal can be filed before the Income Tax Appellate Tribunal within 60 days of receipt of an appealable order. In case of delay, the Tribunal can condone delay. In case the delay is not condoned and the appeal is dismissed. In V. K. Sreenivasan v. CIT (2013) 213 Taxman 17 (Mag)(Ker.)(HC), the Kerala High Court held that an appeal under section 260A is not maintainable against an order passed by the Tribunal declining condonation of delay. The court also observed that, even though a statutory appeal under section 260A is not maintainable against the orders of the Tribunal declining to condone the delay, the aggrieved person can probably invoke the jurisdiction of the High Court under Articles 226 and 227 of the Constitution and probably, in appropriate cases, the High Court can grant relief. To avoid litigation, a provision may be made in the Act making all orders of the Appellate Tribunal are appealable.

362.5 Examination by the Committee:

362.5 The Ministry of Finance in their written response pertaining to the above suggestions/views has submitted the following (mentioned correspondingly):

362.5.1 "The suggestion made by the stakeholder is in the nature of policy change which is beyond the scope of the objectives of the IT Bill, 2025."

362.5.2 "The suggestion made by the stakeholder is in the nature of policy change which is beyond the scope of the objectives of the IT Bill, 2025."

362.5.3 "The suggestion seeks to increase the time limit of filing appeal in the ITAT from existing 2 months to 3 months. It is in the nature of policy change, which is outside the

scope of the Bill. There is no change in the provisions of the Bill viz-a-viz Act. The time limit of filing appeal is to be seen in the backdrop of the time taken to reach an issue to finality as well as the pending recovery proceedings. Time limit to file appeal before ITAT is 2 months from the end of the month in which order sought to be appealed against is communicated to the assessee. In many cases, this time line is near to 3 months. Therefore, there is no benefit in increasing the said time-limit."

362.5.4 "Repeated suggestion similar to Sr. No. (ii) above. Such non-appealable orders continue to be retained, to ensure finality to proceedings. Further, the right to file writ before the High Court is always available to the assessee."

362.5.5 "The suggestion seeks to replace phrase "shall be accompanied" with "shall be furnished after depositing a fee". There is no change in the provisions of the Bill viz-a-viz Act. There is no such phrase as furnishing of appeal. As appeals to ITAT are can be filed physically as well as electronically. Thus, replacing the phrase would not be suitable."

362.5.6 "The suggestion seeks to make a new provision making all orders of the Appellate Tribunal including rejection of condonation of delay, stay etc. as appealable in High court. The issue is judicially settled and there is a provision of writ which is already available to the assessee. Thus, the suggestion which is in nature of policy change is not feasible."

362.5.7 The representatives of the Ministry deposed before the Committee as below:-

"ये बोल रहे हैं कि जो री-ओपनिंग करते हैं, जैसा मैंने पहले एक्सप्लेन किया है, पहले हम शोकॉज नोटिस देते हैं। शोकॉज नोटिस के बाद हम एक रिटेन ऑर्डर पास करते हैं कि आपका केस री-ओपन होने लायक है और हम इसको री-ओपन कर रहे हैं। उसके बाद जो हमारा टाइमलाइन है, हम फाइनल ऑर्डर नौ महीने के अंदर कर देते हैं। अब ये एक एक्स्ट्रा अपील वहां इंट्रोड्यूस करना चाहते हैं। इससे लिटिगेशन बहुत बढ़ जाएगा।"

362.5.8 On the suggestion of increasing time limit for appeals to 3 months, the representative of the Ministry added as follows:-

"सर, यह एक्ट में संशोधन चाह रहा है, तो we cannot commit anything on this issue because this will require amendment in the Act."

362.5.9 When the Committee asked to reconsider the suggestion, the representative of the Ministry made oral submission as follows:-

“सर, वह इस लिए कह रहे है कि यदि महीने के शुरू में ऑर्डर आ गया, तो महीने के अंत से दो महीने होते हैं, तो वर्चुअली 3 महीने उस केस में मिल सकते हैं। यह एक्सप्लेन किया गया है, लेकिन पीरियड वही है- two months from the end of the month.“

362.6 Observations/Recommendations of the Committee:

The Committee note that Clause 362 of the Income-Tax Bill, 2025 seeks to provide for appeals to the Income-Tax Appellate Tribunal, akin to Section 253 of the Income-Tax Act, 1961. They further note that this Clause is only a textual simplification, consistent with the objectives of the Bill. Therefore, the Committee accept the Clause as proposed by the Department.

Clause 363: Orders of Appellate Tribunal.

363.1 Provision proposed in the Income-Tax Bill, 2025:

(*1*) The Appellate Tribunal may, after giving both the parties to the appeal an opportunity of being heard, pass such orders thereon as it thinks fit.

(*2*) The Appellate Tribunal may amend any order passed by it under sub-section (*1*) for the rectification of any mistake apparent from record, within six months from the end of the month in which the order was passed, if the mistake is brought to its notice by the assessee or the Assessing Officer.

(*3*) An amendment, as referred to in sub-section (*2*), which has the effect of enhancing an assessment or reducing a refund or otherwise increasing the liability of the assessee, shall not be made, unless the assessee has been allowed a reasonable opportunity of being heard.

(*4*) Any application filed by the assessee under sub-section (*2*) shall be accompanied by a fee of fifty rupees.

(5) In every appeal, the Appellate Tribunal, where it is possible, may hear and decide such appeal within four years from the end of the financial year in which such appeal is filed under section 362(*1*) or (*2*).

(*6*) The Appellate Tribunal may, after considering the merits of the application made by the assessee, pass an order of stay in any proceedings relating to an appeal filed under section 362(*1*), for a period not exceeding one hundred and eighty days from the date of such order, subject to the condition that the assessee—

(*a*) deposits not less than 20% of the amount of tax, interest, fee, penalty or any other sum payable under this Act; or

(*b*) furnishes security of equal amount as referred to in clause (*a*),

and the Appellate Tribunal shall dispose of the appeal within the said period of stay specified in that order.

(*7*) No extension of stay, as referred to in sub-section (*6*), shall be granted by the Appellate Tribunal, where such appeal is not so disposed of within the said period of stay as specified in the order of stay passed under the said sub-section, unless—

(*a*) the assessee makes an application and has complied with the condition referred to in sub-section (*6*); and

(*b*) the Appellate Tribunal is satisfied that the delay in disposing of the appeal is not attributable to the assessee,

so, however, that the aggregate of the period of stay originally allowed and the period of stay so extended shall not exceed three hundred and sixty-five days and the Appellate Tribunal shall dispose of the appeal within the period or periods of stay so extended or allowed.

(*8*) The order of stay shall stand vacated if the appeal is not disposed of within the period allowed under sub-section (*6*) or (*7*), even if the delay in disposing of the appeal is not attributable to the assessee.

(*9*) The cost of any appeal to the Appellate Tribunal shall be at the discretion of that Tribunal.

(*10*) The Appellate Tribunal shall send a copy of any orders passed under this section to the assessee and to the Principal Commissioner or Commissioner.

(*11*) Save as provided in section 365, orders passed by the Appellate Tribunal on appeal shall be final.

363.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Section 254: Orders of Appellate Tribunal

(1) The Appellate Tribunal may, after giving both the parties to the appeal an opportunity of being heard, pass such orders thereon as it thinks fit.

(1A) [***]

(2) The Appellate Tribunal may, at any time within six months from the end of the month in which the order was passed, with a view to rectifying any mistake apparent from the record, amend any order passed by it under sub-section (1), and shall make such amendment if the mistake is brought to its notice by the assessee or the Assessing Officer:

Provided that an amendment which has the effect of enhancing an assessment or reducing a refund or otherwise increasing the liability of the assessee, shall not be made under this sub-section unless the Appellate Tribunal has given notice to the assessee of its intention to do so and has allowed the assessee a reasonable opportunity of being heard:

Provided further that any application filed by the assessee in this sub-section on or after the 1st day of October, 1998, shall be accompanied by a fee of fifty rupees.

(2A) In every appeal, the Appellate Tribunal, where it is possible, may hear and decide such appeal within a period of four years from the end of the financial year in which such appeal is filed under sub-section (1) or sub-section (2) of section 253:

Provided that the Appellate Tribunal may, after considering the merits of the application made by the assessee, pass an order of stay in any proceedings relating to an appeal filed under sub-section (1) of section 253, for a period not exceeding one hundred and eighty days from the date of such order subject to the condition that the assessee deposits not less than twenty per cent of the amount of tax, interest, fee, penalty, or any other sum payable under the provisions of this Act, or furnishes security of equal amount in respect thereof and the Appellate Tribunal shall dispose of the appeal within the said period of stay specified in that order:

Provided further that no extension of stay shall be granted by the Appellate Tribunal, where such appeal is not so disposed of within the said period of stay as specified in the order of stay, unless the assessee makes an application and has complied with the condition referred to in the first proviso and the Appellate Tribunal is satisfied that the delay in disposing of the appeal is not attributable to the assessee, so however, that the aggregate of the period of stay originally allowed and the period of stay so extended shall not exceed three hundred and sixty-five days and the Appellate Tribunal shall dispose of the appeal within the period or periods of stay so extended or allowed:

Provided also that if such appeal is not so disposed of within the period allowed under the first proviso or the period or periods extended or allowed under the second proviso, which shall not, in any case, exceed three hundred and sixty-five days, the order of stay shall stand vacated after the expiry of such period or periods, even if the delay in disposing of the appeal is not attributable to the assessee.

(2B) The cost of any appeal to the Appellate Tribunal shall be at the discretion of that Tribunal.

(3) The Appellate Tribunal shall send a copy of any orders passed under this section to the assessee and to the Principal Commissioner or Commissioner.

(4) Save as provided in section 256 or section 260A, orders passed by the Appellate Tribunal on appeal shall be final.

363.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under:

> *"Clause 363 of the Bill deals with provisions relating to orders of Appellate Tribunal. Clause 363 of the Bill corresponds to Section 254 of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause."*

363.4 Important Views/Suggestions given by Experts/Stakeholders:

363.4 During the course of the Examination of the proposed Bill, some important suggestions/comments received from various stakeholders and experts are outlined as under:

363.4.1 Time Limit for disposal of appeal be reduced from 4 years to 2 years. In case of non- disposal of appeal on account of delay caused by Department, following consequences should be provided for: Refund of demand deposited regardless of status of appeal; or Higher interest rate @12% instead of 6%.

363.4.2 A provision for *suo moto* amendment order by the Appellate Tribunal maybe added. Time limit for amendment of order may be removed when the assesee or Assessing Officer applies for such Rectification. The Appellate Tribunal has the power to regulate its own procedure. It must be given powers to suo moto rectify mistakes apparent from record in case of orders passed by it. Mistakes apparent from record are obvious and patent mistakes. In case a mistake apparent from record is brought to the notice of the Appellate Tribunal by the Assessee or the Assessing Officer, there must be no time limit prescribed for amending the order containing such mistake apparent from record. In the alternative, it may be a period of 4 years as presently prescribed under section 154 of the Act, 1961. A maximum period of 6 months only for rectification whoever be the forum for initiating such action, would not promote justice.

363.4.3 Sub-section (2) may be redrafted as under – (2) The Appellate Tribunal may amend any order passed by it under sub-section (1) for the rectification of any mistake apparent from record, within six months from the end of the month in which the order was passed, if the mistake is brought to its notice by the assessee or the Assessing Officer or the income tax authority.

Justification: The words "income tax authority", may also be inserted at the end in sub-section (2) because there may be appeal to ITAT against order of rejection of an application under section 12A or 80G passed by CIT (Exemptions) who is not the Assessing Officer, but an income tax authority. Also, in case of appeal against revision

order by Commissioner, the respondent is the Commissioner and not the Assessing Officer.

363.4.4 It is suggested to amend the provisions of Clause 363(3) of the Bill, 2025 to provide that where the issue is covered by the favourable decisions of the ITAT in the taxpayer's own case and/or favourable decisions of the High Court/Supreme Court, stay may be granted without any payment or on payment of a reduced sum (say, 10% of disputed tax instead of 20%). This is in line with the Office Memorandum No.404/72/93-ITCC dated 29February 2016 and the VSV Schemes which provide that only 50% of the amount should be paid in case of covered issues.

363.4.5 The time limit to decide appeal may be reduced to two years. The time limit of four years to decide appeal may be reduced to provide early finalisation and to avoid prolonging the process of litigation. With modern technology coming to aid, with tax certainty being the objective of the exercise, with the pendency at the ITAT level coming down, with time for disposal by the first appellate level being 12 months, by DRP being 9 months and by Approving Panel being 6 months, curtain on litigation at any level, should be brought to a closure as early as possible.

363.4.6 ITAT must be given authority to grant stay of demand without payment of 20% demand. The power of ITAT to grant stay of demand is curtailed by section 363. It is unreasonable as to why the ITAT as not been empowered to grant an unconditional stay of demand. The payment of at least 20% of the demand by the assessee is compulsory for the ITAT to grant stay. Such curtailment lacks rationale as the lower authorities such as Assessing Officer or Commissioner are empowered to grant a stay. Further, exceptions should be created for ITAT to grant stay without payment in bonafide cases for just and sufficient reasons (say, when the case has been adjudged in the favour of the assessee in earlier years). The proposal is to promote this rationale.

363.4.7 Pre - Deposit of 20% of disputed demand for obtaining stay of demand before ITAT as per Clause 363(6)(b) is unreasonable, harsh and requires to be dropped. In many cases high pitched Assessments are made in which case Assessee may not be able to pay such demand. Also, no such pre-conditions exist for the department. Hence, such a provision should be dropped. Alternatively, ITAT may be given discretion to decide the quantum of pre-deposit.

363.4.8 To delete the condition of vacation of stay beyond 365 days even if the delay in disposal of appeal is not attributable to the assessee. During the pendency of appeal before tribunal, it has the power to grant stay. Second and Third Proviso to section 254(2A) of the Act, 1961 restricts the power of tribunal to grant stay beyond 365 days, even if the delay in disposal of appeal is not attributable to the assessee. This issue has

been decided in favour of the assessee by the Hon'ble Supreme Court in *Deputy Commissioner of vs. Pepsi Foods Ltd. [2021] 433 ITR 295 (SC).*

363.4.9 Sub-section (10A) be inserted – (10A) The appeal effect by the Assessing Officer or income tax authority pursuant to such order referred to in sub-section (10) can be on the basis of self-certified copy of such order downloaded from the income tax portal or website of the tribunal or court, as the case may be. Sub-section (10A) needs to inserted to provide that even if there is a delay in receiving appellate order from ITAT or High Court or Supreme Court, the order giving appeal effect cannot be delayed. In this digital era, the appellate orders can be downloaded and verified from website of ITAT, High Court, Supreme Court. Therefore, the income tax authority may rely upon the copy of appeal order furnished by the assessee/appellant not physically signed by appellate authority but downloaded from website or portal. Similar provision to be made in case of appeal orders of High Court and Supreme Court.

363.4.10 Stay application. When a stay application is rejected by the Tribunal, the only remedy is to file a writ petition before the Jurisdictional High Court. It may be desirable to provide a statutory appeal before the High Court against the rejection of the stay application by the Tribunal. Refer, Pepsi Foods Pvt. Ltd. v. ACIT (2015) 376 ITR 87 / 119 DTR 373 / 277 CTR 470 /232 Taxman 78 (Delhi)(HC).

363.5 Examination by the Committee:

363.5 The Ministry of Finance, in their written response pertaining to the above suggestions/views has submitted as under (mentioned correspondingly):

363.5.1 "The suggestion made by the stakeholder is in the nature of policy change which is beyond the scope of the objectives of the IT Bill, 2025."

363.5.2 "The suggestion seeks to allow suo-moto amendment order by the Appellate Tribunal. The time limit of rectification is to be seen in the backdrop of the time taken to reach an issue to finality as well as the pending recovery proceedings. As per the present provisions, ITAT can amend its order where mistake is apparent from record. The time-limit has been fixed to arrive at the finality of an issue. The suggestion will upset the litigation management system. Extending the time -limit will further delay recovery proceedings as assessee will take recourse of putting applications before ITAT for rectification wherein the real purpose is to delay the recovery proceedings. Further, section 254(2) of the existing Act enables ITAT to make suo-moto amendment to its

orders, as also held in various decisions of Courts/Tribunals, such as Kamal Nayan Singh Vs DCIT (2023) (Jharkhand HC), Raja Malvender Singh Vs UOI (2005)(278 ITR 568)(P&H), Bhillai Engg Corpn Ltd Vs DCIT (2002)(81ITD282)(Ngp)(SB),etc. The time limit of 4 years for rectification by ITAT was reduced to 6 months by the Finance Act 2016, in order to bring certainty to the order of ITAT. Therefore, the suggestion to extend the time limit back to 4 years, or to make it indefinite on an application filed, is not acceptable."

363.5.3 "The proposal to modify clause 363(2) in order to expand the scope of mistake being brought to notice of the Tribunal by the CIT (Exemptions) etc., in addition to the Assessing Officer, is not feasible as there has to be a single point of responsibility to seek any amendment from the Tribunal. However, if there is any operational difficulty, the suggestion can be considered."

363.5.4 "The suggestion seeks to provide for complete stay by ITAT in cases the issue is covered by the favourable decisions of the ITAT in the taxpayer's own case and/or favourable decisions of the High Court/Supreme Court, The Department has brought VsV scheme wherein relaxation of payment of tax was provided on similar lines. However the same cannot be given in the provisions related to ITAT as the additions have been confirmed by the first appellate authority. Further, when the addition is deleted by ITAT, assessee is entitled to refund. The purpose of VSV was to settle the disputes without following the appellate route. The OM is related to the Jurisdictional CIT exercising due diligence while fixing the % of tax to be deposited prior to the receipt of decision of first appellate authority. Therefore this rationale does not apply in lowering the % of tax to be deposited when assessee files application before ITAT."

363.5.5 "The suggestion made by the stakeholder is in the nature of policy change which is beyond the scope of the objectives of the IT Bill, 2025."

363.5.6 "The suggestion seeks to expand the power of ITAT by giving liberty to grant complete stay in deserving cases. It is in the nature of Policy Change which is outside the scope of the Bill. There is no change in the provisions of the Bill vis-a- vis Act. Further, as per clause 363(6), the ITAT may, after considering the merits of the application made by the assessee pass an order of stay for a maximum period of 180 days in any proceedings on deposition of at least 20 % of the tax. It is pertinent to mention that assessee has filed appeal in ITAT as CIT(A) has confirmed the additions made by AO. Thus, one level of appellate proceedings have gone against assessee. Therefore, it is logical that revenue should have at least 20 % of tax deposited till the time ITAT proceeding is ongoing. Therefore, the suggestion is not feasible."

363.5.7 "The suggestion seeks to delete the condition of Pre - Deposit of 20% of disputed demand for obtaining stay of demand before ITAT as per Clause 363(6)(b).

With regard to stay on covered matters and redeposit of 20% of the disputed amount, it is stated that an appeal is filed before the Tribunal by the assessee only in cases, where the First Appellate Authority (FAA) has denied relief to the assessee. In other words, the tax demand disputed before the Tribunal has already been confirmed by the FAA. In such circumstances, the existing provision to grant stay subject to payment of 20% of disputed demand is justifiable. With regard to stay on covered matters and pre deposit of 20% of the disputed amount, it is stated that an appeal is filed before the Tribunal by the assessee only in cases, where the First Appellate Authority (FAA) has denied relief to the assessee. In other words, the tax demand disputed before the Tribunal has already been confirmed by the FAA. In such circumstances, the existing provision to grant stay subject to payment of 20% of disputed demand is justifiable. Therefore, the proposal is not accepted."

363.5.8 "Clause 363 of the Bill is placed in sub-part 2 of Part A of Chapter XVIII, which deals with matters pertaining to appeals before Appellate Tribunal. Therefore, any provision relating to passing of consequent orders by the assessing officer cannot be placed in this part. Secondly, though there would not be a problem to give effect to an order based upon the copy uploaded in the website of the Tribunal or Court, however there could be issues with regard to the time limit within which the said appeal effect is to be given. A question will arise as to whether the time limit should commence from the date of uploading of the order in the website or the date on which such order has been seen by the assessing officer or the commissioner or the date on which a copy of such uploaded order is received by them etc. Therefore, the current provision that the time limit has to be taken from the date on which the commissioner receives the order may not be disturbed. In view of this, the proposal is not acceptable."

363.5.9 "Regarding giving effect to an order based upon the copy uploaded in the website of the Tribunal or Court, there are administrative issues in its implementation. It is not clear as to what would be taken as the start date for computing time limitation. Whether it be the date of uploading of the order in the website or the date on which such order has been seen by the Assessing officer or the commissioner or the date on which a copy of such uploaded the current provision that the time limit has to be taken from the date on which the commissioner receives the order may not be disturbed. Suggestion is not feasible order is received by them etc. This will be a source of unmitigated litigation. Therefore, the current provision that the time limit has to be taken from the date on which the commissioner receives the order may not be disturbed. Suggestion is not feasible."

363.5.10 "Repeat Suggestion. The suggestion seeks to provide a statutory appeal before the High Court against the rejection of the stay application by the Tribunal. It is in the nature of policy change. The invocation of writ is already available with the assessee. The issue is judicially settled. The purpose of providing appeals before High

Court and Supreme Court is to decide the substantial question of law. The stay petition does not give rise to any substantial question of law therefore such kind of appeals should not be placed before High court and Supreme court. The suggestion is not feasible."

363.5.11 With regard to *suo moto* cognizance to be taken by ITAT, the representative of the Ministry during oral evidence added as follows:-

> *"It is to increase the threshold of total income that can be disposed by a single member of the Tribunal. So, earlier, these limits were existing that where single member could dispose. So, this is not something which we provide by our law that single Member has to dispose order or the Bench has to dispose. So, it is up to the rules of the Tribunal how they dispose the matter and we have not prescribed any of the limit. If they say that a Bench has to dispose, then Bench has to do it."*

363.5.12 On being asked about the basis of selecting the threshold amount of 20% to be paid for appealing of stay and the possibility of doing away with the limit in cases where bigger amounts are involved, the Ministry in its written reply submitted as under:-

> *"There are already existing safeguards in the CBDT instructions for the stay of demand, which are as follows:*
>
> *(a) Payments may be made in instalments so as to collect the entire demand within a period of not exceeding 18 months.*
>
> *(b) Principal Commissioner or Commissioner of Income Tax can allow payment less than 15% (later modified to 20%), if appellate authorities in earlier years deleted the addition or the Jurisdictional High Court decided in favour of the assessee.*
>
> *(c) The Income Tax Authorities including Commissioner (Appeals) can also grant complete stay where additions are considered to be high pitched or principle of natural justice has not been followed or financial stringency is established etc. Thus, these suggestions are not feasible."*

363.5.13 Further, on enquiry regarding prospect for referring of matters penalty prosecution related proceedings, from appellate authorities to Dispute Resolution Committee (DRC), especially the ones where tax demand is paid and where there is co-operation of the assese, the Ministry in its written response furnished as follows:-

> *"DRC is only for small taxpayers with variation upto Rs 10 lacs and income upto Rs 50 lacs. It is also at the option of the assessee to avail the opportunity of*

dispute resolution before DRC. Therefore, all cases can not automatically be transferred from appellate forum to DRC."

363.5.14 Moreover, with regards to the questions about including the composition of the DRC within the Bill, 2025 and including a Judicial member in the composition, the Ministry in its written response furnished that as follows:-

"In this regard, it is hereby submitted that composition of DRC is as per the e-scheme formulated by the Board. Inclusion of the composition in the Bill would make the law bulky and would not serve any purpose. Further, inclusion of a judicial member in the composition of DRC may not be a right proposition as it will delay the matters. From the experience of Authority of Advance Rulings, it has turned out that it is difficult to find judicial members for normal appellate functions especially for disposal of low value appeals."

363.6 Observations/Recommendations of the Committee:

The Committee note that Clause 363 of the Income-Tax Bill, 2025 seeks to provide for the orders passed by the Income-Tax Appellate Tribunal which corresponds to Section 254 of the extant Act. The Committee also note that, apart from textual simplification, no policy change has been introduced in this Clause. Having held comprehensive deliberations on this Clause, and taking into account all suggestions and comments received from stakeholders and experts, along with the Department of Revenue's justifications, the Committee accept Clause 363 as proposed by the Department.

Clause 364: Procedure of Appellate Tribunal

364.1 Provision proposed in the Income-Tax Bill, 2025:

(*1*) The powers and functions of the Appellate Tribunal may be exercised and discharged by Benches constituted by the President of the Appellate Tribunal from among the members thereof.

(*2*) Subject to the provisions contained in sub-section (*3*), a Bench shall consist of one Judicial Member and one accountant member.

(*3*) The President, or any other member of the Appellate Tribunal authorised in this behalf by the Central Government, may sitting singly, dispose of any case allotted to the Bench, pertaining to an assessee whose total income as computed by the Assessing Officer in the case does not exceed fifty lakh rupees.

(*4*) The President of the Appellate Tribunal may, for the disposal of any particular case, constitute a Special Bench consisting of three or more members, one of whom shall necessarily be a judicial member and one an accountant member.

(*5*) If the members of a Bench differ in opinion on any point, the point shall be decided according to the opinion of the majority, if there is a majority, but if the members are equally divided, they shall state the point or points on which they differ, and the case shall be referred by the President of the Appellate Tribunal for hearing on such point or points by one or more of the other members of the Appellate Tribunal, and such point or points shall be decided according to the opinion of the majority of the members of the Appellate Tribunal who have heard the case, including those who first heard it.

(*6*) Subject to the provisions of this Act, the Appellate Tribunal shall have power to regulate its own procedure and the procedure of Benches thereof in all matters arising out of the exercise of its powers or of the discharge of its functions, including the places at which the Benches shall hold their sittings.

(*7*) The Appellate Tribunal, for the purposes of discharging its functions,—

(*a*) shall have all the powers which are vested in the authorities referred to in section 246;

(*b*) any proceeding before the Appellate Tribunal shall be deemed to be a judicial proceeding within the meaning of sections 229 and 267 and for the purposes of section 233 of the Bharatiya Nyaya Sanhita, 2023; and

(*c*) the Appellate Tribunal shall be deemed to be a Civil Court for all the purposes of section 215 and Chapter XXXVIII of the Bharatiya Nagarik Suraksha Sanhita, 2023.

364.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Section 255: Procedure of Appellate Tribunal

(1) The powers and functions of the Appellate Tribunal may be exercised and discharged by Benches constituted by the President of the Appellate Tribunal from among the members thereof.

(2) Subject to the provisions contained in sub-section (3), a Bench shall consist of one judicial member and one accountant member.

(3) The President or any other member of the Appellate Tribunal authorised in this behalf by the Central Government may, sitting singly, dispose of any case which has been allotted to the Bench of which he is a member and which pertains to an assessee whose total income as computed by the Assessing Officer in the case does not exceed fifty lakh rupees, and the President may, for the disposal of any particular case, constitute a Special Bench consisting of three or more members, one of whom shall necessarily be a judicial member and one an accountant member.

(4) If the members of a Bench differ in opinion on any point, the point shall be decided according to the opinion of the majority, if there is a majority, but if the members are equally divided, they shall state the point or points on which they differ, and the case shall be referred by the President of the Appellate Tribunal for hearing on such point or points by one or more of the other members of the Appellate Tribunal, and such point or points shall be decided according to the opinion of the majority of the members of the Appellate Tribunal who have heard the case, including those who first heard it.

(5) Subject to the provisions of this Act, the Appellate Tribunal shall have power to regulate its own procedure and the procedure of Benches thereof in all matters arising out of the exercise of its powers or of the discharge of its functions, including the places at which the Benches shall hold their sittings.

(6) The Appellate Tribunal shall, for the purpose of discharging its functions, have all the powers which are vested in the authorities referred to in section 131, and any

proceeding before the Appellate Tribunal shall be deemed to be a judicial proceeding within the meaning of sections 193 and 228 and for the purpose of section 196 of the Indian Penal Code (45 of 1860), and the Appellate Tribunal shall be deemed to be a civil court for all the purposes of section 195 and Chapter XXXV of the Code of Criminal Procedure, 1898 (5 of 1898).

(7) The Central Government may make a scheme, by notification in the Official Gazette, for the purposes of disposal of appeals by the Appellate Tribunal so as to impart greater efficiency, transparency and accountability by—

(*a*) eliminating the interface between the Appellate Tribunal and parties to the appeal in the course of appellate proceedings to the extent technologically feasible;

(*b*) optimising utilisation of the resources through economies of scale and functional specialisation;

(*c*) introducing an appellate system with dynamic jurisdiction.

(8) The Central Government may, for the purposes of giving effect to the scheme made under sub-section (7), by notification in the Official Gazette, direct that any of the provisions of this Act shall not apply to such scheme or shall apply with such exceptions, modifications and adaptations as may be specified in the said notification.

[***]

(9) Every notification issued under sub-section (7) and sub-section (8) shall, as soon as may be after the notification is issued, be laid before each House of Parliament.

364.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under:

> *"Clause 364 of the Bill provides for procedure of Appellate Tribunal. Clause 364 of the Bill corresponds to Section 255 of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause."*

364.4 Important Views/Suggestions given by Experts/Stakeholders:

364.4 A stakeholder has suggested that provisions of Clause 364(3) of the Bill, 2025 be amended to increase the threshold to Rs. 1 crore. Justification: This is to ease burden on divisional benches and ensure faster disposal of appeals.

364.5 Examination by the Committee:

364.5 The Ministry of Finance in their written response pertaining to the above suggestion/view has submitted the following:

> *"The suggestion seeks to increase the threshold of total income that can be disposed of by the single member of the tribunal. Earlier, single member bench could dispose the cases where total income does not exceed 50 lakhs. The said limit has been proposed for increasing to 1 crore. It is in the nature of policy change, which is outside the scope of the Bill. There is no change in the provisions of the Bill viz-a-viz Act. Clause 364(3) of the Bill provides that President or any other authorized member of the Tribunal may sitting singly, dispose of any matter where total income does not exceed fifty lakh rupees. However, increasing the limit of total income amounting to Rs. 1 crore from existing Rs. 50 lakhs would increase the discretionary powers of a single member of Tribunal. It may result into mala-fide practices in the Tribunal. Further, practice of allotting the cases to divisional bench ensures the discussions among the Tribunal Member and results into better judgement. Thus, the suggestion is not feasible."*

364.5.1 When the Committee further emphasized on the above suggestion, the representatives of the Ministry agreed with the Committee and replied as under:-

> *" In any case, so far as departmental appeals are concerned, we are not going below Rs.60 lakhs. Therefore, there is a case to increase it. We could consider that."*

364.5.2 When asked by the Committee to give a more clear and appropriate response with regard to acceptance of the suggestion for increasing the monetary threshold of the cases of appeal, the Ministry in their written reply submitted as follows:-

> *"Presently, the limit of total income in respect of any one case for its disposal by a single member bench of ITAT is Rs. 50 lakhs. The Ministry is positive about revising the limit of 50 lakhs upwards. However, any change in the provisions of law shall be carried out through the appropriate due process."*

364.6 Observations/Recommendations of the Committee:

The Committee note that Clause 364 of the Income-Tax Bill 2025, mirroring Section 255 of the extant Income-Tax Act, 1961, defines the powers and functions of the Income-Tax Appellate Tribunal (ITAT). Currently, it allows the ITAT to dispose of cases where the Assessing Officer's computed total income does not exceed fifty lakh rupees. The Committee, note that there is no policy change in this regard and after considering the views of the stakeholders as well as the response of the Department, accept Clause 364 as originally proposed.

3.—Appeals to High Court

Clause 365: Appeal to High Court.

365. Provision proposed in the Income-Tax Bill, 2025:

(*1*) An appeal shall lie to the High Court from every order passed in appeal by the Appellate Tribunal, if the High Court is satisfied that the case involves a substantial question of law.

(*2*) The Principal Chief Commissioner or Chief Commissioner or the Principal Commissioner or Commissioner or an assessee aggrieved by any order passed by the Appellate Tribunal may file an appeal to the High Court and such appeal under this sub-section shall be—

(*a*) filed within one hundred twenty days from the date on which the order appealed against is received by the assessee or the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner;

(*b*) in the form of a memorandum of appeal precisely stating therein the substantial question of law involved.

(*3*) Where the High Court is satisfied that there was sufficient cause for not filing the appeal within one hundred twenty days, it may admit an appeal after the said period.

(*4*) Where the High Court is satisfied that a substantial question of law is involved in any case, it shall formulate that question.

(*5*) The appeal shall be heard only on the question so formulated, and the respondents shall, at the hearing of the appeal, be allowed to argue that the case does not involve such question.

(*6*) The provisions of sub-section (*5*) shall not take away or abridge the power of the court to hear, for reasons to be recorded, the appeal on any other substantial question of law not formulated by it, if it is satisfied that the case involves such question.

(*7*) The High Court shall decide the question of law so formulated and deliver such judgment thereon containing the grounds on which such decision is founded and may award such cost as it deems fit.

(*8*) The High Court may determine any issue which the Appellate Tribunal,—

(*a*) has not determined; or

(*b*) has wrongly determined, by reason of a decision on such question of law as is referred to in sub-section (*1*).

(*9*) Save as otherwise provided in this Act, the provisions of the Code of Civil Procedure, 1908, relating to appeals to the High Court shall, as far as may be, apply in the case of appeals under this section.

(*10*) Where the High Court delivers a judgment in an appeal filed before it under this section, effect shall be given to such order by the Assessing Officer, on the basis of a certified copy of the judgment.

365.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Section 260A: Appeal to High Court

(1) An appeal shall lie to the High Court from every order passed in appeal by the Appellate Tribunal, if the High Court is satisfied that the case involves a substantial question of law.

(2) The Principal Chief Commissioner or Chief Commissioner or the Principal Commissioner or Commissioner or an assessee aggrieved by any order passed by the

Appellate Tribunal may file an appeal to the High Court and such appeal under this sub-section shall be—

(*a*) filed within one hundred and twenty days from the date on which the order appealed against is received by the assessee or the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner;

(*b*) [***]

(*c*) in the form of a memorandum of appeal precisely stating therein the substantial question of law involved.

(2A) The High Court may admit an appeal after the expiry of the period of one hundred and twenty days referred to in clause (*a*) of sub-section (2), if it is satisfied that there was sufficient cause for not filing the same within that period.

(3) Where the High Court is satisfied that a substantial question of law is involved in any case, it shall formulate that question.

(4) The appeal shall be heard only on the question so formulated, and the respondents shall, at the hearing of the appeal, be allowed to argue that the case does not involve such question:

Provided that nothing in this sub-section shall be deemed to take away or abridge the power of the court to hear, for reasons to be recorded, the appeal on any other substantial question of law not formulated by it, if it is satisfied that the case involves such question.

(5) The High Court shall decide the question of law so formulated and deliver such judgment thereon containing the grounds on which such decision is founded and may award such cost as it deems fit.

(6) The High Court may determine any issue which—

(*a*) has not been determined by the Appellate Tribunal; or

(*b*) has been wrongly determined by the Appellate Tribunal, by reason of a decision on such question of law as is referred to in sub-section (1).

(7) Save as otherwise provided in this Act, the provisions of the Code of Civil Procedure, 1908 (5 of 1908), relating to appeals to the High Court shall, as far as may be, apply in the case of appeals under this section.

365.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under:

> *"Clause 365 of the Bill deals with provisions relating to appeals to High Court. Clause 365 of the Bill corresponds to Section 260A of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".*

365.4 Important Views/Suggestions given by Experts/Stakeholders:

365.4 During the course of the examination of the Bill, some important suggestions/comments provided by various stakeholders and experts are encapsulated as under:

365.4.1 Appeal to High Court. An appeal to the High Court can be filed only on a substantial question of law. As per section 260B, the appeal before the High Court is to be heard by a bench of a strength not less than two judges. When a writ petition is filed against the order of an Assessing Officer or any issue on constitutional validity in Mumbai, Delhi, or Gujarat it is always heard by two judges, whereas in some of the High Courts like, Madras, Kerala etc. it is heard by a single judge and thereafter in appeal by a division Bench. To bring uniformity, it may be desirable to make an amendment in the Act stating that any writ petition against the Income -Tax Bill, 2025, should be heard by a division bench of two judges.

365.4.2 Publication of issues pending before on direct taxes before various High Courts and the Apex Court. As soon as appeals are filed, the Central Board of Direct Taxes (CBDT) can get the information from the respective Commissioners in respect of the issues pending before various High Courts and these can be compiled and published on the website of the CBDT under the legal corner. This will help both the taxpayers as well as the tax administration. A system may be adopted by the CBDT to know the pendency of appeals across the country before various High Courts and the Hon'ble Supreme Court and the issues involved. The list can be published on the website of the CBDT, which will help the Revenue as well as the Assessee.

365.4.3 To prevent unprecedented tax litigation at all levels, repeat appeals at the level of High Court and Supreme Court should be approved only if there is a more than 50% possibility of success. To ensure this, the AO should present a case analysis to a group of designated senior officials who will then evaluate and approve or disapprove after recording the reasons in writing for granting such approval/disapproval.

365.5 Examination by the Committee:

365.5 The Ministry of Finance in their written reply with regards to the above suggestions/views has furnished the following (mentioned correspondingly):

365.5.1 "The suggestion seeks to make an amendment in the Act stating that any writ petition against the Income -Tax Bill, 2025, should be heard by a division bench of two judges. It is in nature of policy change. The writ is governed through Article 226 and 227 of constitution and it cannot be regulated through Income-Tax Act. The suggestion is not feasible."

365.5.2 "The suggestion seeks to publish issues pending before on direct taxes before various High Courts and the Apex Court on website of CBDT. The suggestion is administrative in nature. The list is required to be updated in real time. Therefore, the request is required to be placed by the stakeholder before the respective High Courts to provide updated status daily in respect of all appeals filed. Thus, suggestion is not feasible."

365.5.3 "The suggestion suggests that repeat appeals at the level of High Court and Supreme Court should be approved only if there is a more than 50% possibility of success. The suggestion is administrative in nature. There is a dedicated chapter Special Provision [s.158A & 158AB] for avoiding repetitive appeals consisting of provisions wherein procedure has been prescribed when assessee claims identical question of law is pending before High court or Supreme Court, and also the procedure when in an appeal be Revenue an identical question of law is pending before Supreme Court through which number of repetitive appeals are reduced. Thus suggestion is already addressed."

365.6 Observations/Recommendations of the Committee:

The Committee observe that Clause 365 of the Bill, 2025 textually simplifies and retains the intent of Section 260A of the Act, 1961 regarding provision for appeals to the High Court. Noting that there is no policy change in this regard and having after considered the views of the stakeholders as well as the response of the Department, the Committee accept Clause 365 as proposed.

Clause 366: Case before High Court to be heard by not less than two Judges

366.1 Provision proposed in the Income-Tax Bill, 2025:

(*1*) When an appeal has been filed before the High Court under Section 365, it shall be heard by a bench of not less than two Judges of the High Court, and shall be decided as per the opinion of such Judges or of the majority, if any, of such Judges.

(*2*) Where there is no such majority, the Judges shall state the point of law upon which they differ and the case shall then be heard upon that point only by one or more of the other Judges of the High Court and such point shall be decided according to the opinion of the majority of the Judges who have heard the case including those who first heard it.

366.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Section 260B: Case before High Court to be heard by not less than two Judges

(1) When an appeal has been filed before the High Court under section 260A, it shall be heard by a bench of not less than two Judges of the High Court, and shall be decided in accordance with the opinion of such Judges or of the majority, if any, of such Judges.

(2) Where there is no such majority, the Judges shall state the point of law upon which they differ and the case shall then be heard upon that point only by one or more of the other Judges of the High Court and such point shall be decided according to the opinion of the majority of the Judges who have heard the case including those who first heard it.

366.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under:

> *"Clause 366 of the Bill provides for cases before High Court to be heard by not less than two judges. Clause 366 of the Bill corresponds to Section 260B of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".*

366.4 Important Views/Suggestions given by Experts/Stakeholders:

366.4 During the course of the examination of the Bill, some important suggestions/comments received from various stakeholders and experts are summarised as under:

366.4.1 The constitution of a Board of Advance rulings ought to include a technical and a legal member. In the erstwhile regime, composition of Authority for Advance Rulings (AAR) included a retired judge of High Court or Supreme Court, a revenue member and a law member who ensured independence and transparency in the advance ruling process. The advance ruling is sought on a mixed question of fact and law undertaken in a proposed transaction. Thus, it becomes very important that a law member is also made a part of the constitution of the Board of Advance Rulings (BAR).

366.4.2 Article 224A of the Constitution of India enables the appointment of retired judges at sittings of High Courts as ad-hoc judges. As the pendency in the various high Courts is increasing, the services of specialised ad-hoc judges may be availed for effective disposal of cases and efficient dispensation of justice. This step shall help in reducing the pendency of matters before various High Courts. This could be an effective measure to reduce the pendency of matters before various High Courts.

366.4.3 Appeals to High Court - Acceptance of orders of High Courts. In the earlier days, whenever the Department would accept a decision of a particular High Court on the interpretation of law, the Central Board of Direct Taxes used to issue a circular stating that the judgement had been accepted. This practice seems to have been discontinued now. If this process is adopted and instructions /circulars are published, litigation will be reduced considerably and shall prove invaluable for the ease of doing business in India by bringing certainty to tax laws. The Hon'ble Bombay High Court in CIT v. TCL Ltd. (2016) 241 Taxman 138 (Bom.)(HC) has passed a detailed order asking the Chief Commissioner of Income tax to host details of the matters admitted before the Bombay High Court, matters accepted by the Revenue, etc. online. If the order of the Bombay High Court is implemented, it will surely reduce by a positive step in reducing litigation.

366.5 Examination by the Committee:

366.5 The Ministry of Finance, which is the nodal agency for the proposed Bill, in their written reply pertaining to the above suggestions/views has submitted the following responses (mentioned correspondingly):

366.5.1 “The suggestion seeks to change the composition of the Board of Advance Rulings by including a technical and legal member. It is in the nature of policy change, which is outside the scope of the Bill. There is no change in the provisions of the Bill viz-a-viz Act. In the erstwhile regime, composition of Authority for Advance Rulings (AAR)

included a retired judge of High Court or Supreme Court, a revenue member and a law member. However, most of the times, posts of members remained vacant as retired judge of High Court or Supreme Court were not opting for the post of Authority of Advance Rulings. Thus, the suggestion is not feasible."

366.5.2 "The suggestion seeks to appoint retired judges at sittings of High Courts as ad-hoc judges to reduce litigation. The matter may be taken up by stakeholders with the respective High Courts. The suggestion is not feasible."

366.5.3 "The suggestion seeks to issue a circular stating that the judgement of High Court had been accepted. There are 25 high courts in India. Further, there are finer points on which appeals are pursued on any major issue. Therefore, it may not be possible to collate information on continuous basis in respect of multitudes of judgments passed daily and provide daily updated status of accepted/not accepted. Also, many times there is divergence of opinion amongst High Courts on same issue. Thus, the suggestion is not feasible."

366.6 Observations/Recommendations of the Committee:

The Committee note that Clause 366 of the Bill, a textual simplification of Section 260B of the existing Act, stipulates that appeals to the High Court to be heard by not less than two judges, with no change in underlying policy. The Committee have considered stakeholder suggestions for this clause but ultimately found them unfeasible, aligning with the Department's rationale. As a result, the Committee accept the Clause in its current format.

4.—Appeals to Supreme Court

Clause 367: Appeal to Supreme Court

367.1 Provision proposed in the Income-Tax Bill, 2025:

An appeal shall lie to the Supreme Court from any judgment of the High Court delivered on an appeal made to High Court in respect of an order passed under section 363 in any case which the High Court certifies to be fit for appeal to the Supreme Court.

367.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Section 261: Appeal to Supreme Court

An appeal shall lie to the Supreme Court from any judgment of the High Court delivered on a reference made under section 256 against an order made under section 254 before the 1st day of October, 1998 or an appeal made to High Court in respect of an order passed under section 254 on or after that date in any case which the High Court certifies to be a fit one for appeal to the Supreme Court.

367.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under:

"Clause 367 of the Bill deals with provisions relating to appeals to Supreme Court. Clause 367 of the Bill corresponds to Section 261 of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".

367.4 Important Views/Suggestions given by Experts/Stakeholders:

367.4. During the course of the Examination of the proposed Bill, an important suggestion/comment was provided by a stakeholder, which is produced as under:

"Statement of case to the Supreme Court in certain cases - No provision in the Income -Tax Bill, 2025. Though the is an all-India statute, the Appellate Tribunal sitting in a particular State is bound by the decision of the respective High Court of the particular State. It is possible that High Courts takes contrary views on the same important issue which affects a large number of assesses. In such a case, the decision of the Jurisdictional High Court will be binding bringing uncertainty in tax law. This is because two different benches of the Tribunal may have to take different stands based on the Judgments of the Jurisdictional High Courts. To avoid all these controversies, the Tribunal may be given power to refer the matter to the Supreme Court either of its 8 own, or on an application made by the assessee or the department. If this process is followed, there will be certainty in tax law, which will also help to reduce the pendency of cases before various High Courts, and finality may be attained on some of the important issues within a reasonable time".

367.5 Examination by the Committee:

367.5 The Ministry of Finance in their written reply pertaining to the above suggestion/view mentioned that

"The suggestion seeks to reinstate the reference by ITAT to Supreme Court. The suggestion is not feasible."

367.6 Observations/Recommendations of the Committee:

The Committee observe that Clause 367 of the Income-Tax Bill, 2025 textually simplifies and retains the intent of Section 261 of the Act regarding appeals to Supreme Court. Noting that there is no policy change in this regard and having after considered the views of the stakeholders as well as the response of the Department, the Committee accept Clause 367 as proposed.

Clause 368: Hearing before Supreme Court

368.1 Provision proposed in the Income-Tax Bill, 2025:

(*1*) The provisions of the Code of Civil Procedure, 1908, relating to appeals to the Supreme Court shall, so far as may be, apply in the case of appeals under section 367 as they apply in the case of appeals from decrees of a High Court.

(*2*) The costs of the appeal shall be in the discretion of the Supreme Court.

(*3*) Where the judgment of the High Court is varied or reversed in the appeal, effect shall be given to the order of the Supreme Court in the manner provided in section 365(*10*) in the case of a judgment of the High Court.

368.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Section 262: Hearing before Supreme Court

(1) The provisions of the Code of Civil Procedure, 1908 (5 of 1908), relating to appeals to the Supreme Court shall, so far as may be, apply in the case of appeals under section 261 as they apply in the case of appeals from decrees of a High Court :

Provided that nothing in this section shall be deemed to affect the provisions of sub-section (1) of section 260 or section 265.

(2) The costs of the appeal shall be in the discretion of the Supreme Court.

(3) Where the judgment of the High Court is varied or reversed in the appeal, effect shall be given to the order of the Supreme Court in the manner provided in section 260 in the case of a judgment of the High Court.

368.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under:

> *"Clause 368 of the Bill deals with provisions relating to hearing before Supreme Court. Clause 368 of the Bill corresponds to Section 262 of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".*

368.4 Examination by the Committee:

368.4 In a reply to a specific query on changes (addition or omission or replacement of words, etc.), if any, between the provisions of the Clause and existing Section, the Department of Revenue furnished the following reply:-

> *"The provisions proposed in the Income-Tax Bill, 2025 is the simplified version of the corresponding provisions of IT Act 1961".*

368.5 Observations/Recommendations of the Committee:

The Committee observe that Clause 368 of the Income-Tax Bill, 2025 textually simplifies and retains the intent of Section 262 of the Act regarding hearing before the Supreme Court. They also note that no policy change has been effected by the Department; and only a textual simplification of the current Act. The Committee, therefore, accept Clause 368 as proposed.

5.—General

Clause 369: Tax to be paid irrespective of appeal, etc.

369.1 Provision proposed in the Income-Tax Bill, 2025:

Irrespective of the fact that an appeal has been preferred to the High Court or the Supreme Court, tax shall be payable as per the assessment made in the case.

369.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Section 265: Tax to paid notwithstanding reference, etc.

Notwithstanding that a reference has been made to the High Court or the Supreme Court or an appeal has been preferred to the Supreme Court, tax shall be payable in accordance with the assessment made in the case.

369.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under:

> *"Clause 369 of the Bill provides for tax to be paid irrespective of appeal, etc. Clause 369 of the Bill corresponds to Section 265 of the Act. Section 265 of the Act provides for reference to High Court and Supreme Court and also appeal to Supreme Court. Making of reference has been discontinued under the Act. Also appeal to the High Court is now enabled under the Act. The provisions of the clause have been aligned accordingly".*

369.4 Examination by the Committee:

369.4 In a reply to a specific query on changes (addition or omission or replacement of words, etc.), if any, between the provisions of the Clause and existing Section, the Department of Revenue furnished the following reply:-

> *"The provisions proposed in the Income-Tax Bill, 2025 is the simplified version of the corresponding provisions of IT Act 1961".*

369.5 Observations/Recommendations of the Committee:

The Committee note that Clause 369 of the Income-Tax Bill, 2025 seeks to provide that tax to be paid irrespective of filing of appeal before High Court or Supreme Court, aligns with Section 265 of the Income-Tax Act, 1961. The

Department confirms this is a rephrasing, not a policy change. The Committee, therefore, accept Clause 369 as proposed.

Clause 370: Execution for costs awarded by Supreme Court

<u>370.1 Provision proposed in the Income-Tax Bill, 2025:</u>

The High Court may, on petition made for the execution of the order of the Supreme Court in respect of any costs awarded thereby, transmit the order for execution to any court subordinate to the High Court.

370.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Section 266: Execution for costs awarded by Supreme Court.

The High Court may, on petition made for the execution of the order of the Supreme Court in respect of any costs awarded thereby, transmit the order for execution to any court subordinate to the High Court.

370.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under:

> *"Clause 370 of the Bill provides for execution for costs awarded by Supreme Court. Clause 370 of the Bill corresponds to Section 266 of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".*

370.4 Examination by the Committee:

370.4 In a reply to a specific query on changes (addition or omission or replacement of words, etc.), if any, between the provisions of the Clause and existing Section, the Department of Revenue furnished the following reply:-

> *"The provisions proposed in the Income-Tax Bill, 2025 is the simplified version of the corresponding provisions of IT Act 1961".*

370.5 Observations/Recommendations of the Committee:

The Committee note that Clause 370 of the Income-Tax Bill, 2025, which seeks to provide for execution for costs awarded by Supreme Court, is in consonance with objectives of the Bill, therefore, the Clause may be made part of the Bill, as proposed by the Department.

Clause 371: Amendment of assessment on appeal

371.1 Provision proposed in the Income-Tax Bill, 2025:

If as a result of an appeal under Section 356 or 357 or 362, any change is made in the assessment of a body of individuals or an association of persons, or a new assessment is directed in such cases, the Joint Commissioner (Appeals) or the Commissioner (Appeals) or the Appellate Tribunal, shall pass an order authorising the Assessing Officer to either amend the assessment of any member of the body or association or make a fresh assessment on such member.

371.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Section 267: Amendment of assessment on appeal.

Where as a result of an appeal under section 246 or section 246A or section 253, any change is made in the assessment of a body of individuals or an association of persons or a new assessment of a body of individuals or an association of persons is ordered to be made, the [Joint Commissioner (Appeals) or the] Commissioner (Appeals) or the Appellate Tribunal, as the case may be, shall pass an order authorising the Assessing Officer either to amend the assessment made on any member of the body or association or make a fresh assessment on any member of the body or association.

371.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under:

> *"Clause 371 of the Bill provides for amendment of assessment on appeal. Clause 371 of the Bill corresponds to Section 267 of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".*

371.4 Examination by the Committee:

371.4 In a reply to a specific query on changes (addition or omission or replacement of words, etc.), if any, between the provisions of the Clause and existing Section, the Department of Revenue furnished the following reply:-

"The provisions proposed in the Income-Tax Bill, 2025 is the simplified version of the corresponding provisions of IT Act 1961".

371.5 Observations/Recommendations of the Committee:

The Committee note that Clause 371 of the Income-Tax Bill, 2025 provides for amendment of assessment on account of appeal in certain cases, akin to Section 267 of the Income-Tax Act, 1961. They further note that this Clause is only a textual simplification, consistent with the objectives of the Bill. Therefore, the Committee accept the Clause as proposed by the Department.

Clause 372: Exclusion of time taken for copy.

372.1 Provision proposed in the Income-Tax Bill, 2025:

In computing the period of limitation prescribed for an appeal or an application under this Act, the day on which the order complained of was served and, if the assessee was not provided with a copy of the order when the notice of the order was served, the time required to obtain a copy of such order, shall be excluded.

372.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Section 268: Exclusion of time taken for copy.

In computing the period of limitation prescribed for an appeal or an application under this Act, the day on which the order complained of was served and, if the assessee was not furnished with a copy of the order when the notice of the order was served upon him, the time requisite for obtaining a copy of such order, shall be excluded.

372.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under:

> *"Clause 372 of the Bill provides for exclusion of time taken for copy. Clause 372 of the Bill corresponds to Section 268 of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".*

372.4 Examination by the Committee:

372.4 In a reply to a specific query on changes (addition or omission or replacement of words, etc.), if any, between the provisions of the Clause and existing Section, the Department of Revenue furnished the following reply:-

> *"The provisions proposed in the Income-Tax Bill, 2025 is the simplified version of the corresponding provisions of IT Act 1961".*

372.5 Observations/Recommendations of the Committee:

The Committee observe that Clause 372 of the Income-Tax Bill, 2025 seeks to provide for exclusion of time taken to obtain copy of the order by the assessee which corresponds to Section 268 of the current Act. The Committee further note that, apart from textual simplification, no policy change has been introduced in this Clause. The Committee, therefore, accept Clause 372 as proposed.

Clause 373: Filing of appeal or by authority.

373.1 Provision proposed in the Income-Tax Bill, 2025:

(*1*) The Board may, from time to time, issue orders, instructions or directions to other authorities, fixing such monetary limits as it may deem fit, for the purpose of regulating filing of appeal by any authority under the provisions of this Chapter.

(*2*) Where, in pursuance of the orders, instructions or directions issued under sub-section (*1*), an authority has not filed any appeal on any issue in the case of an assessee for any tax year, it shall not preclude such authority from filing an appeal on the same issue in the case of—

(*a*) the same assessee for any other tax year; or

(*b*) any other assessee for the same or any other tax year.

(*3*) Where even when no appeal has been filed by an authority pursuant to the orders or instructions or directions issued under sub-section (*1*), it shall not be lawful for an assessee, being a party in any appeal, to contend that the authority has acquiesced in the decision on the disputed issue by not filing an appeal in any case.

(*4*) The Appellate Tribunal or Court, hearing such appeal, shall have regard to the orders, instructions or directions issued under sub-section (*1*) and the circumstances under which such appeal was filed or not filed in respect of any case.

373.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Section 268A: Filing of appeal or application for reference by authority.

(1) The Board may, from time to time, issue orders, instructions or directions to other authorities, fixing such monetary limits as it may deem fit, for the purpose of regulating filing of appeal or application for reference by any authority under the provisions of this Chapter.

(2) Where, in pursuance of the orders, instructions or directions issued under sub-section (1), an authority has not filed any appeal or application for reference on any issue in the case of an assessee for any assessment year, it shall not preclude such authority from filing an appeal or application for reference on the same issue in the case of—

(*a*) the same assessee for any other assessment year; or

(*b*) any other assessee for the same or any other assessment year.

(3) Notwithstanding that no appeal or application for reference has been filed by an authority pursuant to the orders or instructions or directions issued under sub-section (1), it shall not be lawful for an assessee, being a party in any appeal or reference, to contend that the authority has acquiesced in the decision on the disputed issue by not filing an appeal or application for reference in any case.

(4) The Appellate Tribunal or Court, hearing such appeal or reference, shall have regard to the orders, instructions or directions issued under sub-section (1) and the circumstances under which such appeal or application for reference was filed or not filed in respect of any case.

(5) Every order, instruction or direction which has been issued by the Board fixing monetary limits for filing an appeal or application for reference shall be deemed to have been issued under sub-section (1) and the provisions of sub-sections (2), (3) and (4) shall apply accordingly.

373.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under:

> *"Clause 373 of the Bill provides for filing of appeal or by authority. Clause 373 of the Bill corresponds to Section 268A of the Act. There is no policy change. The*

provisions of the existing section have been textually simplified and retained with the same intent in this clause".

373.4 Important Views/Suggestions given by Experts/Stakeholders:

373.4 During the course of the examination of the Bill, some important suggestions/comments received from various stakeholders and experts are encapsulated as follows:

373.4.1 Sub-section (5) of section 268A of the Act, 1961 may be retained for providing better clarity.

373.4.2 It is suggested that Section 373(2) be modified as follows:

(2) Where, in pursuance of the orders, instructions, or directions issued under sub-section (1), an authority has not filed any appeal on any issue in the case of an assessee for any tax year or assessment year relevant to the tax year commencing before 1.4.2026, it shall not preclude such authority from filing an appeal on the same issue in the case of—

(a) the same assessee for any other tax year; or

(b) any other assessee for the same or any other tax year

Justification: Section 373(2) provides for the issuance of orders, instructions, or directions by the Board regarding the filing of appeals by income- tax authorities. Where, in pursuance of such orders/ instructions/directions, an authority has not filed any appeal on any issue in the case of the assessee for any tax year, it shall not preclude such authority from filing an appeal on the same issue in the case of the same assessee for any other tax year; or any other assessee for the same or any other tax year. The inclusion of the phrase "assessment year relevant to the previous year" after "any tax year" in the first part of the above sentence is suggested to cover cases, including those that may pertain to assessments made under the provisions of the Act, 1961, in respect of which the authority has not filed any appeal.

373.4.3 There is no penalty on the officers who file routine appeals which are settled by the court in favour of the taxpayer. Repeat appeals waste the time and effort of the tax department, taxpayer and the judiciary. Suitable administrative penalty should be imposed on such officers.

373.4.4 Appraisals of tax officials should include analysis of the number of cases filed by each officer, number of cases settled in favour of and against the taxpayer and tax amount ultimately realised and should be penalised for high pitch assessments.

373.4.5 The CBDT should further enhance the low monetary limits for filing appeals by the ITD to Rs. 1 cr before the ITATs (Rs. 60 lakhs now), Rs. 5 cr before the High Courts (Rs. 2 cr now) and Rs. 50 cr before the Supreme Court (Rs. 5 cr now). These enhanced limits should prevent tax officers from filing routine appeals and enable the judicial authorities to focus on high value litigations.

373.4.6 The CBDT should also ensure that all appeals filed by the ITD before the higher authorities which is below the monetary limits is immediately withdrawn, as done earlier.

373.5 Examination by the Committee:

373.5 The Ministry of Finance in their written response regarding the above suggestions/views has furnished the following:

373.5.1 "The suggestion seeks to retain the omitted sub-section (5) of section 268A of the existing Act. Sub-section 268A(5) provides that "Every order, instruction or direction which has been issued by the Board fixing monetary limits for filing an appeal or application for reference shall be deemed to have been issued under sub-section (1) and the provisions of sub-sections (2), (3) and (4) shall apply accordingly. Sub-section 268A(5) is a deeming provision. This sub-section has been omitted in the Bill as this sub-section was inserted to give the retrospective effect to the section 268A. Section 268A was inserted vide Finance Act, 2008 with effect from 01.04.1999. This deeming provision enabled that orders, instructions issued before Finance Act, 2008 were in accordance with the provisions of section 268A. Now, all the orders and instruction to increase the monetary limit are issued under sub-section 268A(1), thus deeming provision is not required."

373.5.2 "The suggestion seeks to include the phrase "assessment year relevant to the previous year commencing before 1.4.2026" after "any tax year" to cover cases that may pertain to assessment made under the provisions of the Act, 1961. The said suggestion may result in over-drafting. The same has been proposed for the purposes of saving clause. However, the same has been already covered as per the provisions of clause 536(2)(b) in the Repeal and Savings clause. Thus, same may not be accepted."

373.5.3 "The suggestion seeks to impose penalty on the officers who file routine appeals settled in the favour of the taxpayer. The issue is administrative in nature. Every appeal is filed with the approval of senior officers of the level of Addl. Secretary to the Govt. of India. Therefore, the suggestion is misplaced. Specific administrative measures have been made to ensure that appeals are filed after due scrutiny. Therefore, for the appeals to be filed in ITAT, firstly complete scrutiny report (CSR) is filed by the AO to the PCIT for the determination of the appealability of the order. Further, CSR contains the grounds of appeal and question of law/fact to ensure that

routine appeals are not filed. PCI/CIT is a very senior level officer who decides that which appeals shall be filed in the tribunal. Further, more stringent procedure has been placed for filing the appeal to High Court or Supreme Court. Procedure of filing an appeal to High Court is decided by the Collegium of Chief Commissioners. There is a dedicated chapter Special Provision for avoiding repetitive appeals constituting of provisions wherein procedure has been prescribed when assessee claims identical question of law is pending before High court or Supreme Court, and also the procedure when in an appeal be Revenue an identical question of law is pending before Supreme Court through which number of repetitive appeals are reduced. Thus, suggestion is already addressed. The monitoring of such appeals is done my Member (A&J). As, sufficient administrative measures are already in place, the suggestion is not feasible."

373.5.4 "The suggestion seeks to include analysis of the number of cases filed by each officer; number of cases settled in favour of and against the taxpayer and tax amount ultimately realised in appraisal of Officers and penalty for high pitch assessment. There is an effective and efficient mechanism of annual appraisal of officers in which the reporting officer makes evaluation of the performance of the officer which is also reviewed by a reviewing authority. Thus, administrative mechanism exists for the performance of the work done by the officers. The High pitch committee analyses the high pitch assessments and no coercive recovery is conducted if the assessment order is found to be of high pitch. Thus, suggestion is not feasible."

373.5.5 "The suggestion seeks to increase the monetary limit for filing appeal in ITAT, HC and SC. The rational to increase the limit to withdraw cases from ITAT from existing tax effect of Rs. 50 lakhs to Rs. 60 lakhs were for effective and efficient litigation management. These tax limits have been recently increased in the month of September 2024. It is submitted that increasing of monetary limits is done by the Circular in consequence of power under section 268A of the existing Act. Thus, any such changes in the monetary limits does not fall under the ambit of amendment of the Bill. As, this change is a policy matter, it needs further deliberations. The monetary limit has been enhanced on Sep 2024.Depatment is taking steps like DRC, posting of JCIT(Appeals), VsV scheme, safe harbour rules, simplification of IT Act 1961 and the administrative measures as mentioned in Sr. no 177 of Batch I. In respect of further increasing the said limits, it is stated that this is a policy matter and need further deliberation."

373.5.6 "The suggestion seeks that CBDT should ensure that all appeals filed by the ITD before the higher authorities which is below the monetary limits is immediately withdrawn, as done earlier. The department withdraws appeals before the appellate authorities whenever the tax effect is below the monetary limit. Thus, the suggestion is already addressed."

373.6 Observations/Recommendations of the Committee:

The Committee note that Clause 373 of the Income-Tax Bill, 2025 seeks to provide for filing of appeals by Income-Tax authority and empowers the Central Board of Direct Taxes to issue instructions from time to time. This Clause is similar to the provisions of existing Section 268A of the Income-Tax Act, 1961 with no policy change. After considering all viewpoints, the Committee accept Clause 373 as proposed by the Department.

Clause 374: Interpretation of "High Court"

374.1 Provision proposed in the Income-Tax Bill, 2025:

In this Chapter, "High Court" means,—

(*i*) for any State, the High Court for that State;

(*ii*) for the Union territory of Jammu and Kashmir, the High Court of Jammu and Kashmir and Ladakh;

(*iii*) for the Union territory of Ladakh, the High Court of Jammu and Kashmir and Ladakh;

(*iv*) for the Union territory of the Andaman and Nicobar Islands, the High Court at Calcutta;

(*v*) for the Union territory of Lakshadweep, the High Court of Kerala;

(*vi*) for the Union territory of Chandigarh, the High Court of Punjab and Haryana;

(*vii*) for the Union territories of Dadra and Nagar Haveli and Daman and Diu, the High Court at Bombay; and

(*viii*) for the Union territory of Puducherry, the High Court at Madras; and

(*ix*) for the National Capital Territory of Delhi, the High Court of Delhi.

374.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Section 269: **Definition of "High Court"**

In this Chapter,—

"High Court" means—

(*i*) in relation to any State, the High Court for that State ;

(*ii*) in relation to the Union territory of Delhi, the High Court of Delhi ;

(*iia*) [***]

(*iii*) [***]

(*iv*) in relation to the Union territory of the Andaman and Nicobar Islands, the High Court at Calcutta;

(*v*) in relation to the Union territory of Lakshadweep, the High Court of Kerala ;

(*va*) in relation to the Union territory of Chandigarh, the High Court of Punjab and Haryana;

(*vi*) in relation to the Union territories of Dadra and Nagar Haveli and Daman and Diu, the High Court at Bombay; and

(*vii*) in relation to the Union territory of Pondicherry, the High Court at Madras.

374.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under:

> *"Clause 374 of the Bill provides for Interpretation of "High Court" Clause 374 of the Bill corresponds to Section 269 of the Act. The clause has been updated to provide for reference to the Union Territory of Jammu and Kashmir and the Union Territory of Ladakh".*

374.4 Examination by the Committee:

374.4 In a reply to a specific query on changes (addition or omission or replacement of words, etc.), if any, between the provisions of the Clause and existing Section, the Department of Revenue furnished the following reply:-

> "The provisions proposed in the Income-Tax Bill, 2025 is the simplified version of the corresponding provisions of IT Act 1961".

374.5 Observations/Recommendations of the Committee:

The Committee note that Clause 374 of the Income-Tax Bill, 2025 provides for the definition of "High Court" for the purpose of filing of appeal under Chapter XVIII of the Bill, akin to Section 269 of the Income-Tax Act, 1961. They further note that this Clause is only a textual simplification, consistent with the objectives of

the Bill. Therefore, the Committee accept the Clause as proposed by the Department.

B.—Special provisions for avoiding repetitive appeals

Clause 375: Procedure when assessee claims identical question of law is pending before High Court or Supreme Court

375.1 Provision proposed in the Income-Tax Bill, 2025:

(*1*) Irrespective of anything contained in this Act, where an assessee claims that—

(*a*) any question of law arising in his case for a tax year pending before the Assessing Officer or any appellate authority (such case being hereafter in this section referred to as the relevant case) is identical with a question of law arising in his case for another tax year;

(*b*) such question of law is pending before—

(*i*) the High Court on a reference under section 256 or on an appeal under section 260A of the Act, 1961; or

(*ii*) the Supreme Court on a reference under section 257 or on an appeal under section 261 of the Act, 1961; or

(*iii*) the High Court on an appeal made under section 365; or

(*iv*) the Supreme Court on appeal made under section 367; or

(*v*) in a Special Leave Petition under article 136 of the Constitution, against the order of the Appellate Tribunal or the jurisdictional High Court,

such case being hereafter in this section referred to as the other case, he may furnish a declaration to the Assessing Officer or the appellate authority, in such form and manner, as prescribed, that if the Assessing Officer or the appellate authority, agrees to apply in the relevant case, the final decision on the question of law in the other case, he shall not

raise such question of law in the relevant case before any appellate authority or in a subsequent appeal before a higher forum.

(*2*) Where a declaration under sub-section (*1*) is furnished to any appellate authority, the appellate authority shall—

(*a*) call for a report from the Assessing Officer on the correctness of the claim made by the assessee; and

(*b*) allow the Assessing Officer an opportunity of being heard in the matter, if such request is made by him.

(*3*) The Assessing Officer or the appellate authority, may, by an order in writing,—

(*a*) admit the claim of the assessee if he or it is satisfied that the question of law arising in the relevant case is identical with the question of law in the other case; or

(*b*) reject the claim if not so satisfied.

(*4*) An order under sub-section (*3*) shall be final and shall not be called in question in any proceeding by way of appeal or revision under this Act.

(*5*) Where a claim is admitted under sub-section (*3*),—

(*a*) the Assessing Officer or the appellate authority, may make an order disposing of the relevant case without awaiting the final decision on the question of law in the other case; and

(*b*) the assessee shall not be entitled to raise, in relation to the relevant case, such question of law in appeal before any appellate authority or in any subsequent appeal before a higher forum.

(*6*) When the decision on the question of law in the other case becomes final, it shall be applied to the relevant case and the Assessing Officer or the appellate authority, shall, if necessary, amend the order referred to in sub-section 5(*a*) in conformity with such decision.

(*7*) In this section,—

(*a*) “appellate authority” means the Joint Commissioner (Appeals) or the Commissioner (Appeals) or the Appellate Tribunal;

(*b*) “case”, in relation to an assessee, means any proceeding under this Act for the assessment of the total income of the assessee or for the imposition of any penalty or fine on him; and

(*c*) “subsequent appeal before a higher forum” means the appeal before the High Court under section 365 or appeal before the Supreme Court under section 367 or in a Special Leave Petition under article 136 of the Constitution, against the order of the Appellate Tribunal or the jurisdictional High Court.

375.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Section 158A: Procedure when assessee claims identical question of law is pending before High Court or Supreme Court.

(1) Notwithstanding anything contained in this Act, where an assessee claims that any question of law arising in his case for an assessment year which is pending before the Assessing Officer or any appellate authority (such case being hereafter in this section referred to as the relevant case) is identical with a question of law arising in his case for another assessment year which is pending before the High Court on a reference under section 256 or before the Supreme Court on a reference under section 257 or in appeal under section 260A before the High Court or in appeal under section 261 before the Supreme Court (such case being hereafter in this section referred to as the other case), he may furnish to the Assessing Officer or the appellate authority, as the case may be, a declaration in the prescribed form and verified in the prescribed manner, that if the Assessing Officer or the appellate authority, as the case may be, agrees to apply in the relevant case the final decision on the question of law in the other case, he shall not raise such question of law in the relevant case in appeal before any appellate authority or in appeal before the High Court under section 260A or in appeal before the Supreme Court under section 261.

(2) Where a declaration under sub-section (1) is furnished to any appellate authority, the appellate authority shall call for a report from the Assessing Officer on the correctness of the claim made by the assessee and, where the Assessing Officer makes a request to the appellate authority to give him an opportunity of being heard in the matter, the appellate authority shall allow him such opportunity.

(3) The Assessing Officer or the appellate authority, as the case may be, may, by order in writing,—

(*i*) admit the claim of the assessee if he or it is satisfied that the question of law arising in the relevant case is identical with the question of law in the other case; or

(*ii*) reject the claim if he or it is not so satisfied.

(4) Where a claim is admitted under sub-section (3),—

(*a*) the Assessing Officer or, as the case may be, the appellate authority may make an order disposing of the relevant case without awaiting the final decision on the question of law in the other case; and

(*b*) the assessee shall not be entitled to raise, in relation to the relevant case, such question of law in appeal before any appellate authority or in appeal before the High Court under section 260A or the Supreme Court under section 261.

(5) When the decision on the question of law in the other case becomes final, it shall be applied to the relevant case and the Assessing Officer or the appellate authority, as the case may be, shall, if necessary, amend the order referred to in clause (*a*) of sub-section (4) conformably to such decision.

(6) An order under sub-section (3) shall be final and shall not be called in question in any proceeding by way of appeal, reference or revision under this Act.

Explanation.— In this section,—

(*a*) "appellate authority" means the Deputy Commissioner (Appeals), [28][the Joint Commissioner (Appeals) or] the Commissioner (Appeals) or the Appellate Tribunal;

(*b*) "case", in relation to an assessee, means any proceeding under this Act for the assessment of the total income of the assessee or for the imposition of any penalty or fine on him.

375.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under:

> *"Clause 375 of the Bill deals with procedure when assessee claims identical question of law is pending before High Court or Supreme Court. Clause 375 of the Bill corresponds to Section 158A of the Act. No major policy changes have been made. Question of law pending before Supreme Court in a Special Leave Petition under article 136 of the Constitution has also been included for the purposes of the clause".*

375.4 Examination by the Committee:

375.4 In a reply to a specific query on changes (addition or omission or replacement of words, etc.), if any, between the provisions of the Clause and existing Section, the Department of Revenue furnished the following reply:-

> *"The provisions proposed in the Income-Tax Bill, 2025 is the simplified version of the corresponding provisions of IT Act 1961".*

375.5 Observations/Recommendations of the Committee:

The Committee observe that Clause 375 of the Income-Tax Bill 2025, mirroring Section 158A of the current Act, provides for procedure when assessee claims identical question of law is pending before High Court or Supreme Court. The Committee further note that, apart from textual simplification, no policy change has been introduced in this Clause. The Committee, therefore, accept Clause 375 as proposed by the Department of Revenue.

Clause 376: Procedure where an identical question of law is pending before High Courts or Supreme Court.

376.1 Provision proposed in the Income-Tax Bill, 2025:

(*1*) Irrespective of anything contained in this Act, where the collegium is of the opinion that—

(*a*) any question of law arising in the case of an assessee for any tax year (such case being herein referred to as the relevant case) is identical with a question of law arising,—

(*i*) in his case for any other tax year; or

(*ii*) in the case of any other assessee for any tax year; and

(*b*) such question of law is pending before the jurisdictional High Court under section 365 or the Supreme Court in an appeal under section 367 or in a Special Leave Petition under article 136 of the Constitution, against the order of the Appellate Tribunal or the jurisdictional High Court, which is in favour of such assessee (such case being herein referred to as the other case),

the collegium may, decide and inform the Principal Commissioner or Commissioner not to file any appeal, at this stage, to the Appellate Tribunal under section 362(*2*) or to the jurisdictional High Court under section 365(*2*) in the relevant case against the order of the Joint Commissioner (Appeals) or the Commissioner (Appeals) or the Appellate Tribunal.

(*2*) Irrespective of anything contained in section 362(*3*) or section 365(*2*)(*a*), the Principal Commissioner or the Commissioner shall, on receipt of a communication from the collegium under sub-section (*1*), direct the Assessing Officer to make an application to the Appellate Tribunal or the jurisdictional High Court, in such form as prescribed, stating that an appeal on the question of law arising in the relevant case may be filed when the decision on such question of law becomes final in the other case.

(*3*) The application referred to in sub-section (*2*) shall be filed within one hundred and twenty days from the date of receipt of the order of the Joint Commissioner (Appeals) or the Commissioner (Appeals) or of the Appellate Tribunal.

(*4*) The Principal Commissioner or Commissioner shall direct the Assessing Officer—

(*a*) to make an application under sub-section (*2*), if an acceptance is received from the assessee to the effect that the question of law in the other case is identical to that arising in the relevant case; and

(*b*) to proceed as per section 362(*2*) or section 365(*2*)(*b*), if no such acceptance is received irrespective of anything in section 362(*3*) or section 365(*2*)(*a*).

(*5*) If the order of the Joint Commissioner (Appeals) or the Commissioner (Appeals) or the order of the Appellate Tribunal referred to in sub-section(*1*), is not in conformity with the final decision on the question of law in the other case, as and when such order is received, the Principal Commissioner or Commissioner may direct the Assessing Officer to appeal to the Appellate Tribunal or the jurisdictional High Court, against such order, and save as otherwise provided in this section, all other provisions of Parts A.2 and A.3 of this Chapter shall apply accordingly.

(*6*) Every appeal under sub-section (*5*) shall be filed within sixty days to the Appellate Tribunal or one hundred and twenty days to the High Court, from the date on which the

order of the jurisdictional High Court or the Supreme Court in the other case, is communicated to the Principal Commissioner or the Commissioner (having jurisdiction over the relevant case), as per the procedure specified by the Board.

(*7*) In this section, "collegium" means a collegium comprising two or more Chief Commissioners or Principal Commissioners or Commissioners, as specified by the Board.

376.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Section 158AB: Procedure where an identical question of law is pending before High Courts or Supreme Court.

(1) Notwithstanding anything contained in this Act, where the collegium is of the opinion that—

(*a*) any question of law arising in the case of an assessee for any assessment year (such case being herein referred to as the relevant case) is identical with a question of law arising,—

(*i*) in his case for any other assessment year; or

(*ii*) in the case of any other assessee for any assessment year; and

(*b*) such question is pending before the jurisdictional High Court under section 260A or the Supreme Court in an appeal under section 261 or in a special leave petition under article 136 of the Constitution, against the order of the Appellate Tribunal or the jurisdictional High Court, as the case may be, which is in favour of such assessee (such case being herein referred to as the other case),

the collegium may, decide and inform the Principal Commissioner or Commissioner not to file any appeal, at this stage, to the Appellate Tribunal under sub-section (2) of section 253 or to the jurisdictional High Court under sub-section (2) of section 260A in the relevant case against the order of [the Joint Commissioner (Appeals) or] the Commissioner (Appeals) or the Appellate Tribunal, as the case may be.

(2) The Principal Commissioner or the Commissioner shall, on receipt of a communication from the collegium under sub-section (1), notwithstanding anything contained in sub-section (3) of section 253 or clause (*a*) of sub-section (2) of section 260A, direct the Assessing Officer to make an application to the Appellate Tribunal or the jurisdictional High Court, as the case may be, in such form as may be prescribed

within a period of one hundred and twenty days from the date of receipt of the order of [the Joint Commissioner (Appeals) or] the Commissioner (Appeals) or of the Appellate Tribunal, as the case may be, stating that an appeal on the question of law arising in the relevant case may be filed when the decision on such question of law becomes final in the other case.

(3) The Principal Commissioner or Commissioner shall direct the Assessing Officer to make an application under sub-section (2) only if an acceptance is received from the assessee to the effect that the question of law in the other case is identical to that arising in the relevant case; and in case no such acceptance is received, the Principal Commissioner or Commissioner shall, notwithstanding anything contained in sub-section (3) of section 253 or clause (*a*) of sub-section (2) of section 260A, proceed in accordance with the provisions contained in sub-section (2) of section 253 or in clause (*c*) of sub-section (2) of section 260A.

(4) Where the order of [the Joint Commissioner (Appeals) or] the Commissioner (Appeals) or the order of the Appellate Tribunal, as the case may be, referred to in sub-section (1) is not in conformity with the final decision on the question of law in the other case, as and when such order is received, the Principal Commissioner or Commissioner may direct the Assessing Officer to appeal to the Appellate Tribunal or the jurisdictional High Court, as the case may be, against such order and save as otherwise provided in this section all other provisions of Part B and Part CC of Chapter XX shall apply accordingly.

(5) Every appeal under sub-section (4) shall be filed within a period of sixty days to the Appellate Tribunal or one hundred and twenty days to the High Court, as the case may be, from the date on which the order of the jurisdictional High Court or the Supreme Court in the other case is communicated to the Principal Commissioner or the Commissioner (having jurisdiction over the relevant case), in accordance with the procedure specified by the Board in this behalf.

Explanation.—For the purposes of this section, "collegium" means a collegium comprising of two or more Chief Commissioners or Principal Commissioners or Commissioners, as may be specified by the Board in this behalf.

376.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under:

"Clause 376 of the Bill deals with procedure where an identical question of law is pending before High Court or Supreme Court. Clause 376 of the Bill corresponds to Section 158AB of the Act. No major policy changes have been made. The word "competent authority" has been used in place of designations like PCIT, etc".

376.4 Examination by the Committee:

376.4 In a reply to a specific query on changes (addition or omission or replacement of words, etc.), if any, between the provisions of the Clause and existing Section, the Department of Revenue furnished the following reply:-

"The provisions proposed in the Income-Tax Bill, 2025 is the simplified version of the corresponding provisions of IT Act 1961".

376.5 Observations/Recommendations of the Committee:

The Committee note that Clause 376 of the Income-Tax Bill 2025, akin to Section 158AB of the current Act, seeks to prescribe procedure when an identical question of law is pending before High Court or Supreme Court. The Committee concurs with the Department's justification for retaining this clause with the same intent, incorporating only textual simplification. The Committee, therefore, accept the Clause in its current form.

C.—Revision by the Principal Commissioner or Commissioner

Clause 377: Revision of orders prejudicial to revenue

377.1 Provision proposed in the Income-Tax Bill, 2025:

(1) The Competent Authority may call for and examine the record of any proceeding under this Act, and if he considers that any order passed therein by the Assessing Officer or the Transfer Pricing Officer, as the case may be, is erroneous in so far as it is prejudicial to the interests of the revenue, he may, after giving the assessee an opportunity of being heard and after making or causing to be made such inquiry as he deems necessary, pass such order thereon as the circumstances of the case justify, including—

(*a*) an order enhancing or modifying the assessment or cancelling the assessment and directing a fresh assessment; or

(*b*) an order modifying the order under section 166; or

(*c*) an order cancelling the order under section 166 and directing a fresh order under the said section.

(*2*) For the purpose of sub-section (*1*),—

(*a*) an order passed by the Assessing Officer or the Transfer Pricing Officer, shall include—

(*i*) an order of assessment made on the basis of the directions issued by the Joint Commissioner under section 272;

(*ii*) an order made by the Joint Commissioner in exercise of the powers or in the performance of the functions of an Assessing Officer or the Transfer Pricing Officer, conferred on, or assigned to, him by the Board or by the Principal Chief Commissioner or Chief Commissioner or Principal Director General or Director General or Principal Commissioner or Commissioner authorised by the Board under section 241; and

(*iii*) an order under section 166;

(*b*) "record" shall include all records relating to any proceeding under this Act available at the time of examination by the Competent Authority;

(*c*) where any order referred to in this section and passed by the Assessing Officer or the Transfer Pricing Officer, had been the subject matter of any appeal filed, the powers of the Competent Authority, shall extend to such matters as had not been decided in such appeal.

(*3*) An order passed by the Assessing Officer or the Transfer Pricing Officer, shall be deemed to be erroneous in so far as it is prejudicial to the interests of the revenue, if, in the opinion of the Competent Authority, the order—

(*a*) is passed without making inquiries or verification which should have been made;

(*b*) is passed allowing any relief without inquiring into the claim;

(*c*) has not been made in accordance with any order, direction or instruction issued by the Board under section 239; or

(*d*) has not been passed in accordance with any decision which is prejudicial to the assessee, rendered by the jurisdictional High Court or Supreme Court in the case of the assessee or any other person.

(*4*) No order shall be made under sub-section (*1*) after the expiry of two years from the end of the financial year in which the order sought to be revised was passed.

(*5*) Irrespective of anything contained in sub-section (*4*), an order in revision under this section may be passed at any time to give effect to a finding or direction contained in the order of the Appellate Tribunal, the High Court, or the Supreme Court.

(*6*) In computing the period of limitation under sub-section (*4*), the following period shall be excluded,—

(*a*) the time taken in giving an opportunity to the assessee to be reheard under section 244(*2*); and

(*b*) the period commencing on the date on which stay on any proceeding under this section has been granted by an order or injunction of any court and ending on the date on which certified copy of the order or injunction vacating the stay is received by the jurisdictional Principal Commissioner or Commissioner.

(*7*) If after the exclusion of the period provided in sub-section (*6*), the time limit for completion, in that sub-section is less than sixty days, such remaining period shall be extended to sixty days and such period of limitation shall be deemed to have been extended accordingly.

(*8*) In this section,—

(*a*) "Competent Authority" means the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner; and

(*b*) "Transfer Pricing Officer" shall have the same meaning as in section 166(*18*).

377.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Section 263: Revision of orders prejudicial to revenue.

(1) The Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner may call for and examine the record of any proceeding under this Act, and if he considers that any order passed therein by the Assessing Officer or the Transfer Pricing Officer, as the case may be, is erroneous in so far as it is prejudicial to the interests of the revenue, he may, after giving the assessee an opportunity of being heard and after making or causing to be made such inquiry as he deems necessary, pass such order thereon as the circumstances of the case justify, including,—

(*i*) an order enhancing or modifying the assessment or cancelling the assessment and directing a fresh assessment; or

(*ii*) an order modifying the order under section 92CA; or

(*iii*) an order cancelling the order under section 92CA and directing a fresh order under the said section.

Explanation 1.—For the removal of doubts, it is hereby declared that, for the purposes of this sub-section,—

(*a*) an order passed on or before or after the 1st day of June, 1988 by the Assessing

Officer or the Transfer Pricing Officer, as the case may be, shall include—

(*i*) an order of assessment made by the Assistant Commissioner or Deputy Commissioner or the Officer on the basis of the directions issued by the Joint Commissioner under section 144A;

(*ii*) an order made by the Joint Commissioner in exercise of the powers or in the performance of the functions of an Assessing Officer or the Transfer Pricing Officer, as the case may be, conferred on, or assigned to, him under the orders or directions issued by the Board or by the Principal Chief Commissioner or Chief Commissioner or Principal Director General or Director General or Principal Commissioner or Commissioner authorised by the Board in this behalf under section 120;

(*iii*) an order under section 92CA by the Transfer Pricing Officer;

(*b*) "record" shall include and shall be deemed always to have included all records relating to any proceeding under this Act available at the time of examination by the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner;

(*c*) where any order referred to in this sub-section and passed by the Assessing Officer or the Transfer Pricing Officer, as the case may be, had been the subject matter of any appeal filed on or before or after the 1st day of June, 1988, the powers of the Principal Commissioner or Commissioner under this sub-section shall extend and shall be deemed always to have extended to such matters as had not been considered and decided in such appeal.

Explanation 2.—For the purposes of this section, it is hereby declared that an order passed by the Assessing Officer or the Transfer Pricing Officer, as the case may be, shall be deemed to be erroneous in so far as it is prejudicial to the interests of the revenue, if, in the opinion of the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner,—

(*a*) the order is passed without making inquiries or verification which should have been made;

(*b*) the order is passed allowing any relief without inquiring into the claim;

(*c*) the order has not been made in accordance with any order, direction or instruction issued by the Board under section 119; or

(*d*) the order has not been passed in accordance with any decision which is prejudicial to the assessee, rendered by the jurisdictional High Court or Supreme Court in the case of the assessee or any other person.

Explanation 3.—For the purposes of this section, "Transfer Pricing Officer" shall have the same meaning as assigned to it in the *Explanation* to section 92CA.

(2) No order shall be made under sub-section (1) after the expiry of two years from the end of the financial year in which the order sought to be revised was passed.

(3) Notwithstanding anything contained in sub-section (2), an order in revision under this section may be passed at any time in the case of an order which has been passed in consequence of, or to give effect to, any finding or direction contained in an order of the Appellate Tribunal, the High Court or the Supreme Court.

Explanation.—In computing the period of limitation for the purposes of sub-section (2), the time taken in giving an opportunity to the assessee to be reheard under the proviso to section 129 and **[***the period commencing on the date on which stay on any proceeding under this section was granted by an order or injunction of any court and ending on the date on which certified copy of the order vacating the stay was received by the jurisdictional Principal Commissioner or Commissioner***]** shall be excluded.

377.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under:

> *"Clause 377 of the Bill provides revision of orders prejudicial to revenue. Clause 377 of the Bill corresponds to section 263 of the Act. There is no major policy change. However, in such cases, where after the exclusion period, if the period of limitation has less than 60 days, such period is deemed to be extended to the 60 days. Further, competent authority has defined as the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner of this section".*

377.4 Important Views/Suggestions given by Experts/Stakeholders:

377.4 During the course of the examination of the ill, an important suggestion/comment was provided by a stakeholder, which is outlined as under:

Orders passed pursuant to DRP orders are also made subjected to Revision Proceedings which is not justified. DRP is a panel of three Commissioners – May not be desirable for one commissioner (of equal rank) to revise orders which are as per guidance given by three Commissioners. Further, it may look as Review of decision which is not permissible as per court rulings. DRP also has power of enhancement which protects interest of Revenue.

377.5 Examination by the Committee:

377.5 Responding to the above suggestion, the Ministry of Finance in their written reply stated as below:-

"The suggestion seeks to bar orders passed pursuant to DRP orders to Revision Proceedings. Revision is an inherent and original power of the jurisdictional commissioner. This is required for administrative control and discipline also. The power not only includes revising orders prejudicial to revenue but also includes power to revise orders prejudicial to assessee. Thus, suggestion is not feasible."

377.6 Observations/Recommendations of the Committee:

The Committee note that Clause 377 of the Income-Tax Bill, 2025, which corresponds to Section 263 of the Income-Tax Act, 1961, provides for revision of

orders prejudicial to Revenue by Principal Commissioner or Commissioner. After considering all viewpoints; and given that this Clause is similar to the existing Section 263 with no policy change, the Committee recommend to accept the Clause as proposed by the Department in the proposed Act.

Clause 378: Revision of other orders

<u>378.1 Provision proposed in the Income-Tax Bill, 2025:</u>

(*1*) For any order, other than an order to which section 377 applies, passed by an authority subordinate to him, the Competent Authority may, either of his own motion or on an application by the assessee for revision,—

(*a*) call for the record of any proceeding under this Act in which any such order has been passed;

(*b*) make such inquiry or cause such inquiry to be made; and

(*c*) subject to the provisions of this Act, pass such order thereon, not being an order prejudicial to the assessee, as he thinks fit.

(*2*) The Competent Authority shall not of his own motion revise any order under this section if the order has been made more than one year previously.

(*3*) In the case of an application for revision under this section by the assessee, the application shall be made within one year from the date on which the order in question was communicated to him or the date on which he otherwise came to know of it, whichever is earlier.

(*4*) The Competent Authority may, if he is satisfied that the assessee was prevented by sufficient cause from making the application within the period as provided in sub-section (*3*), admit an application made after the expiry of the period specified in that sub-section.

(*5*) The Competent Authority shall not revise any order under this section in the following cases—

(*a*) where an appeal against the order lies to the Joint Commissioner (Appeals) or the Commissioner (Appeals) or to the Appellate Tribunal, but has not been made and the time within which such appeal may be made has not expired; or

(*b*) where the appeal lies to the Joint Commissioner (Appeals) or the Commissioner (Appeals) or to the Appellate Tribunal, the assessee has not waived his right of appeal; or

(*c*) where the order has been made the subject of an appeal to the Joint Commissioner (Appeals) or the Commissioner (Appeals) or to the Appellate Tribunal.

(*6*) Every application by an assessee for revision under this section shall be accompanied by a fee of five hundred rupees.

(*7*) On every application by an assessee for revision under this section, an order shall be passed within one year from the end of the financial year in which such application is made.

(*8*) In computing the period of limitation under sub-section (*7*), the following period shall be excluded:—

(*a*) the time taken in giving an opportunity to the assessee to be reheard under section 244(*2*); and

(*b*) the period commencing on the date on which stay on any proceeding under this section has been granted by an order or injunction of any court and ending on the date on which certified copy of the order or injunction vacating the stay is received by the jurisdictional Principal Commissioner or Commissioner.

(*9*) If after the exclusion of the period provided in sub-section (*8*), the time limit for completion as provided in sub-section (*6*) is less than sixty days, such remaining period shall be extended to sixty days and such period of limitation shall be deemed to have been extended accordingly.

(*10*) Irrespective of anything contained in sub-section (*7*), an order in revision under that sub-section may be passed at any time in consequence of or to give effect to any finding or direction contained in an order of the Appellate Tribunal, the High Court or the Supreme Court.

(*11*) For the purposes of this section,—

(*a*) “Competent Authority” means the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner;

(*b*) an order by the Competent Authority declining to interfere shall, not be deemed to be an order prejudicial to the assessee.

378.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Section 264: Revision of other orders.

(1) In the case of any order other than an order to which section 263 applies passed by an authority subordinate to him, the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner may, either of his own motion or on an application by the assessee for revision, call for the record of any proceeding under this Act in which any such order has been passed and may make such inquiry or cause such inquiry to be made and, subject to the provisions of this Act, may pass such order thereon, not being an order prejudicial to the assessee, as he thinks fit.

(2) The Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner shall not of his own motion revise any order under this section if the order has been made more than one year previously.

(3) In the case of an application for revision under this section by the assessee, the application must be made within one year from the date on which the order in question was communicated to him or the date on which he otherwise came to know of it, whichever is earlier:

Provided that the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner may, if he is satisfied that the assessee was prevented by sufficient cause from making the application within that period, admit an application made after the expiry of that period.

(4) The Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner shall not revise any order under this section in the following cases—

(*a*) where an appeal against the order lies to the Deputy Commissioner (Appeals) or to [the Joint Commissioner (Appeals) or] the Commissioner (Appeals) or to the Appellate Tribunal but has not been made and the time within which such appeal may be made has not expired, or, in the case of an appeal to [the Joint Commissioner (Appeals) or] the Commissioner (Appeals) or to the Appellate Tribunal, the assessee has not waived his right of appeal; or

(*b*) where the order is pending on an appeal before the Deputy Commissioner (Appeals); or

(*c*) where the order has been made the subject of an appeal to [the Joint Commissioner (Appeals) or] the Commissioner (Appeals) or to the Appellate Tribunal.

(5) Every application by an assessee for revision under this section shall be accompanied by a fee of five hundred rupees.

(6) On every application by an assessee for revision under this sub-section, made on or after the 1st day of October, 1998, an order shall be passed within one year from the end of the financial year in which such application is made by the assessee for revision.

Explanation.—In computing the period of limitation for the purposes of this sub-section, the time taken in giving an opportunity to the assessee to be re-heard under the proviso to section 129 and [*the period commencing on the date on which stay on any proceeding under this section was granted by an order or injunction of any court and*

ending on the date on which certified copy of the order vacating the stay was received by the jurisdictional Principal Commissioner or Commissioner] shall be excluded.

(7) Notwithstanding anything contained in sub-section (6), an order in revision under sub-section (6) may be passed at any time in consequence of or to give effect to any finding or direction contained in an order of the Appellate Tribunal, the High Court or the Supreme Court.

Explanation 1.—An order by the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner declining to interfere shall, for the purposes of this section, be deemed not to be an order prejudicial to the assessee.

Explanation 2.—For the purposes of this section, the Deputy Commissioner (Appeals) shall be deemed to be an authority subordinate to the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner.

378.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under:

> *"Clause 378 of the Bill provides for revision of other orders. Clause 378 of the Bill corresponds to section 264 of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause. However, in such cases, where after the exclusion period, if the period of limitation has less than 60 days, such period is deemed to be extended to the 60 days. Further, competent authority has defined as the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner of this section".*

378.4 Important Views/Suggestions given by Experts/Stakeholders:

378.3 During the course of the Examination of the proposed Bill, an important suggestion/comment was received from a stakeholder/expert that is produced as under:

"Time Limit for Filing Revision Application: Provides a time limit of one year from the date of the original order to file an application for revision under Section 264, potentially creating challenges for taxpayers. It is recommended to liberalize the time limit under clause 378 (section 264 of the Act) to 2 years to make it uniform with clause 377 (section 263 of the Act)".

378.5 Examination by the Committee:

378.5 The Ministry of Finance in their written reply with regard to the above suggestion/comment stated as follows:-

"The suggestion made by the stakeholder is in the nature of policy change which is beyond the scope of the objectives of the IT Bill, 2025."

378.5.1 The representatives of the Ministry further elaborated as below:-

"सर, सीरियल नम्बर-181 में इश्यू है। पुराने एक्ट में हमारे पास दो सेक्शन्स हैं, जो नए एक्ट में भी आ गए हैं। उसमें एक यह है कि असेसी प्रिंसिपल कमीश्नर के पास जा सकता है कि आप मेरा केस डिसाइड कर दीजिए। कंडिशन यह है कि वह अपील में नहीं जाएगा। वह प्रिंसिपल कमीश्नर के पास जाएगा कि आप मेरे केस डिसाइड कर दीजिए। यह सेक्शन-264 है। इसमें एप्लीकेशन है कि असेसी को ऑर्डर होने से एक साल के अंदर देना होता है। उसके बाद कमीश्नर अपना टाइम लेता है। उसके एक साल बाद एंड में फाइनेंशियल ईयर से अपना ऑर्डर पास कर देता है। दूसरा यह है कि अगर कमीश्नर को लगता है कि असेसिंग ऑफिसर ने सही काम नहीं किया, ठीक से एनक्वॉयरी नहीं की, लॉ के अगेंस्ट काम किया, कोई बाइडिंग डिसिजन माना, उसके चलते रवेन्यु को लॉस हुआ। उस केस में वह सेक्शन 263 में "Suo Motu" प्रोसीडिंग शुरू करता है और ऑर्डर का रिविजन कर सकता है। इसके लिए कमीश्नर को दो साल का टाइम दिया गया है from the end of the financial year. इनका बोलना है कि उसको आपने वहां दो साल दिया है तो असेसी को भी एप्लीकेशन फाइल करने के लिए दो साल दे दीजिए।

378.5.2 On a specific enquiry regarding the new addition of sub-clause (9) of the Clause 378 in the Bill as compared to the corresponding Section 264 of the current Act, the ministry in its written reply made the following submission:

"Clause (9) has been inserted to provide at least 60 days for the passing of order in such cases where period on proceedings was stayed by the court. There is a fixed time period of one year from the end of the financial year in which application is made. However, in such cases, where assessee approaches the court on the last few days of time-barring date (closer to 31st March), then after receiving the order from the court, number of days for passing the final order may limited (few days only). Thus, to provide minimum 60 days for passing the order after receiving the court order, this sub-section has been inserted."

<u>378.6 Observations/Recommendations of the Committee:</u>

The Committee observe that Clause 378 of the Bill, 2025 textually simplifies and maintains the intent of Section 264 of the current Act which allows for revision of orders not prejudicial to revenue. Currently the time limit for filing revision application is one year. While the current time limit for filing a revision application is one year, a stakeholder suggested extending this to two years for uniformity with Clause 377. The Department have, however, stated this constitutes a policy change beyond the Bill's scope. The Committee further note the inclusion of sub-clause (9) of Clause 378 in this Bill, which is absent in the current Act. The Department have clarified that this sub-section ensures a minimum of 60 days for passing an order after receiving a court order. After

considering the views of the stakeholder as well as the response of the Department, the Committee accept Clause 378 as proposed.

D.—Alternate Dispute Resolutions

1.—Dispute Resolution Committee in certain cases

Clause 379: Dispute Resolution Committee

379.1 Provision proposed in the Income-Tax Bill, 2025:

(*1*) The Central Government shall constitute, one or more Dispute Resolution Committees, as per the rules made under this Act, for dispute resolution in the case of such persons or class of persons, as specified by the Board, who opt for dispute resolution under this Chapter in respect of dispute arising from any variation in the specified order in his case and who fulfils the specified conditions, as prescribed.

(*2*) The Dispute Resolution Committee, subject to the conditions as prescribed, may make modifications to the variations in specified order or reduce or waive any penalty imposable under this Act, or grant immunity from prosecution for any offence punishable under this Act, in case of a person whose dispute is resolved under this Chapter.

(*3*) Irrespective of anything contained in section 275, upon receipt of the order of the Dispute Resolution Committee under this section, the Assessing Officer shall,—

(*a*) in a case where the specified order is a draft of the proposed order of assessment under section 275(*1*), pass an order of assessment, reassessment or recomputation; or

(*b*) in any other case, modify the order of assessment, reassessment or recomputation, in conformity with the directions contained in the order of the Dispute Resolution Committee within one month from the end of the month in which such order is received.

(*4*) "specified order" means such order, including draft order, as specified by the Board, and—

(*i*) the aggregate sum of variations proposed or made in such order does not exceed ten lakh rupees;

(*ii*) such order is not based on search initiated under section 247 or requisition under section 248 in the case of assessee or any other person or survey under section 253 or information received under an agreement referred to in section 159(*1*) or (*2*); and

(*iii*) where the assessee has filed a return for the tax year relevant to such order, total income as per such return does not exceed fifty lakh rupees.

379.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Section 245MA: Dispute Resolution Committee.

(1) The Central Government shall constitute, one or more Dispute Resolution Committees, as may be necessary, in accordance with the rules made under this Act, for dispute resolution in the case of such persons or class of persons, as may be specified by the Board, who may opt for dispute resolution under this Chapter in respect of dispute arising from any variation in the specified order in his case and who fulfils the specified conditions.

(2) The Dispute Resolution Committee, subject to such conditions, as may be prescribed, shall have the powers to reduce or waive any penalty imposable under this Act or grant immunity from prosecution for any offence punishable under this Act in case of a person whose dispute is resolved under this Chapter.

(2A) Notwithstanding anything contained in section 144C, upon receipt of the order of the Dispute Resolution Committee under this section, the Assessing Officer shall,—

(*a*) in a case where the specified order is a draft of the proposed order of assessment under sub-section (1) of section 144C, pass an order of assessment, reassessment or recomputation; or

(*b*) in any other case, modify the order of assessment, reassessment or recomputation,

in conformity with the directions contained in the order of the Dispute Resolution Committee within a period of one month from the end of the month in which such order is received.

(3) The Central Government may make a scheme, by notification in the Official Gazette, for the purposes of dispute resolution under this Chapter, so as to impart greater efficiency, transparency and accountability by—

(*a*) eliminating the interface between the Dispute Resolution Committee and the assessee in the course of dispute resolution proceedings to the extent technologically feasible;

(*b*) optimising utilisation of the resources through economies of scale and functional specialisation;

(*c*) introducing a dispute resolution system with dynamic jurisdiction.

(4) The Central Government may, for the purposes of giving effect to the scheme made under sub-section (3), by notification in the Official Gazette, direct that any of the provisions of this Act shall not apply or shall apply with such exceptions, modifications and adaptations as may be specified in the said notification:

Provided that no such direction shall be issued after the 31st day of March, 2023:

[**Provided further** that the Central Government may amend any direction, issued under this sub-section on or before the 31st day of March, 2023, by notification in the Official Gazette.]

(5) Every notification issued under sub-sections (3) and (4) shall, as soon as may be after the notification is issued, be laid before each House of Parliament.

Explanation.— For the purposes of this section,—

(*a*) "specified conditions" in relation to a person means a person who fulfils the following conditions, namely:—

(*I*) where he is not a person,—

(*A*) in respect of whom an order of detention has been made under the provisions of the Conservation of Foreign Exchange and Prevention of Smuggling Activities Act, 1974 (52 of 1974):

Provided that—

(*i*) such order of detention, being an order to which the provisions of section 9 or section 12A of the said Act do not apply, has been revoked on the report of the Advisory Board under section 8 of the said Act or before the receipt of the report of the Advisory Board; or

(*ii*) such order of detention being an order to which the provisions of section 9 of the said Act apply, has not been revoked before the expiry of the time for, or on the basis of, the review under sub-section (3) of section 9, or on the report of the Advisory Board under section 8, read with sub-section (2) of section 9, of the said Act; or

(*iii*) such order of detention, being an order to which the provisions of section 12A of the said Act apply, has not been revoked before the expiry of the time for, or on the basis of, the first review under sub-section (3) of the said section, or on the basis of the report of the Advisory Board under section 8, read with sub-section (6) of section 12A, of the said Act; or

(*iv*) such order of detention has not been set aside by a court of competent jurisdiction;

(*B*) in respect of whom prosecution for any offence punishable under the provisions of the Indian Penal Code* (45 of 1860), the Unlawful Activities (Prevention) Act, 1967 (37 of 1967), the Narcotic Drugs and Psychotropic Substances Act, 1985 (61 of 1985), the Prohibition of Benami Transactions Act, 1988 (45 of 1988), the Prevention of Corruption Act, 1988 (49 of 1988) or the Prevention of Money-laundering Act, 2002 (15 of 2003) has been instituted and he has been convicted of any offence punishable under any of those Acts;

(*C*) in respect of whom prosecution has been initiated by an authority for any offence punishable under the provisions of this Act or the Indian Penal Code* (45 of 1860) or for the purpose of enforcement of any civil liability under any law for the time being in force, or such person has been convicted of any such offence consequent upon the prosecution initiated by an authority;

(*D*) who is notified under section 3 of the Special Court (Trial of Offences Relating to Transactions in Securities) Act, 1992 (27 of 1992);

(*II*) such other conditions, as may be prescribed.

(*b*) "specified order" means such order, including draft order, as may be specified by the Board, and,—

(*i*) aggregate sum of variations proposed or made in such order does not exceed ten lakh rupees;

(*ii*) such order is not based on search initiated under section 132 or requisition under section 132A in the case of assessee or any other person or survey under section 133A or information received under an agreement referred to in section 90 or section 90A;

(*iii*) where return has been filed by the assessee for the assessment year relevant to such order, total income as per such return does not exceed fifty lakh rupees.

379.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under:

"Clause 379 of the Bill provides for Dispute Resolution Committee. Clause 379 of the Bill corresponds to Section 245MA of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".

379.4 Important Views/Suggestions given by Experts/Stakeholders:

379.4 During the course of the Examination of the proposed Bill, some important suggestion/view was received from a stakeholder/expert, which is summarised as under:

"Enhance Scope of Dispute Resolution Committee ['DRC']: DRC was introduced vide Finance Act 2021, with the aim to reduce litigation and provide relief to taxpayers. Currently applies only to medium sized taxpayers, i.e. only taxpayers whose total income filed as per the return of income does not exceed 50 lakhs and the adjustments proposed do not exceed 10 lakhs. Scope of the DRC must be expanded to provide for

higher threshold limits of who can file an application to even enable operating companies with substantial litigation to opt for this route. Also, provisions should be made for guiding the procedure to be adopted by the DRC".

379.5 Examination by the Committee:

379.5 The Ministry of Finance in their written response pertaining to the above suggestion/comment furnished as follows:-

"The suggestion made by the stakeholder is in the nature of policy change which is beyond the scope of the objectives of the IT Bill, 2025."

379.5.1 The representative of the Ministry further added as follows:-

"सर, मैं अभी डिस्प्यूट रिजॉल्यूशन कमेटी के कॉन्सेप्ट के बारे में बात कर रहा हूं। अभी यह पूरी तरह से स्टैबलाइज नहीं हुई है। यह अल्टरनेट डिस्प्यूट रिजॉल्यूशन का कॉन्सेप्ट अच्छा है। यह एक मैकेनिज्म है। इसको हमें आगे प्रमोट करना है। लेकिन, अभी वह स्टैबलाइज नहीं हुई है। हम उसके प्रोसेस को सेट कर रहे हैं। Once it is done, we can actually think of expanding the concept. अभी डीआरसी का मैनडेट है कि अगर रिटर्न इन्कम 50 लाख से कम है और जब तक इन्कम वैरियशन 10 लाख है, तब तक उसको पावर्स दिया हुआ है।"

379.5.2 He further added as below:-

"For DRPs, there is a time limit of nine months. So far as DRCs are concerned, it is yet to stabilise. Therefore, we have not given a timeline. Once it stabilizes, then we can, of course, give a timeline."

379.5.3 With regard to increasing the monetary threshold of cases dealt with by DRCs, the representative of the Ministry further submitted to the Committee as under:-

"We will see that how we can actually do it, whether we can increase the limit. The DRCs are being set up and ultimately, it will take some time for them to stabilize. Once they are stabilized, then, we can actually increase the limits also and expand the scope."

379.5.4 Moreover, in their written submissions related to oral depositions on 09 June 2025 & 10 June 2025, pertaining to expansion of monetary scope of DRCs, the Ministry has furnished as follows:-

"At present, the scope of the DRC is limited to taxpayers whose total returned income does not exceed ₹50 lakh and where the variation in question does not exceed ₹10 lakh. These eligibility thresholds were designed to channel low-value, high-volume disputes into a more conciliatory forum, thereby reducing burden on the appellate system and expediting relief to taxpayers. While no decision has been taken at this stage, the Department acknowledges the potential of the suggestion for enhancing the effectiveness and accessibility of the DRCs. These are constructive suggestions and are currently under evaluation for implementation implications as part of the objective of strengthening taxpayer services and reducing litigation. Any changes, if found appropriate, will be determined through the established policy-making process."

379.6 Observations/Recommendations of the Committee:

The Committee notes that Clause 379 of the Income-Tax Bill, 2025, textually simplifies Section 245MA of the Income-Tax Act, 1961, provides for constitution of Dispute Resolution Committee (DRC) to resolve disputes in certain cases, with no policy change. The Committee, after considering the views of the stakeholder as well as the response of the Department, accept Clause 379 as originally proposed.

2.—*Advance rulings*

Clause 380: Interpretation

380.1 Provision proposed in the Income-Tax Bill, 2025:

In this Chapter,—

(*a*) “advance ruling” means—

(*i*) a determination by the Board for Advance Rulings in relation to the tax liability arising out of a transaction which has been undertaken or is proposed to be undertaken by a non-resident applicant; or

(*ii*) a determination by the Board for Advance Rulings in relation to the tax liability of a non-resident arising out of a transaction which has been undertaken or is proposed to be undertaken by a resident applicant with such non-resident; or

(*iii*) a determination by the Board for Advance Rulings in relation to the tax liability of a resident applicant, arising out of a transaction which has been undertaken or is proposed to be undertaken by such applicant; and such determination shall include the determination of any question of law or of fact specified in the application;

(*iv*) a determination or decision by the Board for Advance Rulings in respect of an issue relating to computation of total income which is pending before any authority or the Appellate Tribunal and such determination or decision shall include the determination or

decision of any question of law or of fact relating to such computation of total income specified in the application;

(*v*) a determination or decision by the Board for Advance Rulings whether an arrangement, which is proposed to be undertaken by any person being a resident or a non-resident, is an impermissible avoidance arrangement as referred to in Chapter XI or not;

(*b*) “applicant” means any person who—

(*i*) is a non-resident referred to in clause (*a*)(*i*); or

(*ii*) is a resident referred to in clause (*a*)(*ii*); or

(*iii*) is a resident referred to in clause (*a*)(*iii*) falling within any such class or category of persons as the Central Government may, by notification, specify; or

(*iv*) is a resident falling within any such class or category of persons as the Central Government may, by notification, specify in this behalf; or

(*v*) is referred to in clause (*a*)(*v*),

and makes an application under section 383(*1*);

(*c*) “application” means an application made to the Board for Advance Rulings under section 383(*1*);

(*d*) “Board for Advance Rulings” means the Board for Advance Rulings constituted by the Central Government under section 381;

(*e*) “Member” means a Member of the Board for Advance Rulings.

380.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Section 245N: Definitions.

In this Chapter, unless the context otherwise requires,—

(*a*) "advance ruling" means—

(*i*) a determination by the Authority in relation to a transaction which has been undertaken or is proposed to be undertaken by a non-resident applicant; or

(*ii*) a determination by the Authority in relation to the tax liability of a non-resident arising out of a transaction which has been undertaken or is proposed to be undertaken by a resident applicant with such non-resident; or

(*iia*) a determination by the Authority in relation to the tax liability of a resident applicant, arising out of a transaction which has been undertaken or is proposed to be undertaken by such applicant; and such determination shall include the determination of any question of law or of fact specified in the application;

(*iii*) a determination or decision by the Authority in respect of an issue relating to computation of total income which is pending before any authority or the Appellate Tribunal and such determination or decision shall include the determination or decision of any question of law or of fact relating to such computation of total income specified in the application;

(*iv*) a determination or decision by the Authority whether an arrangement, which is proposed to be undertaken by any person being a resident or a non-resident, is an impermissible avoidance arrangement as referred to in Chapter X-A or not:

Provided that where an advance ruling has been pronounced, before the date on which the Finance Bill, 2003 receives the assent of the President, by the Authority in respect of an application by a resident applicant referred to in sub-clause (*ii*) of this clause as it stood immediately before such date, such ruling shall be binding on the persons specified in section 245S;

(*b*) "applicant" means—

(*A*) any person who—

(*I*) is a non-resident referred to in sub-clause (*i*) of clause (*a*); or

(*II*) is a resident referred to in sub-clause (*ii*) of clause (*a*); or

(*III*) is a resident referred to in sub-clause (*iia*) of clause (*a*) falling within any such class or category of persons as the Central Government may, by notification in the Official Gazette, specify; or

(*IV*) is a resident falling within any such class or category of persons as the Central Government may, by notification in the Official

Gazette, specify in this behalf; or

(*V*) is referred to in sub-clause (*iv*) of clause (*a*),

and makes an application under sub-section (1) of section 245Q;

(*B*) an applicant as defined in clause (*c*) of section 28E of the Customs Act, 1962 (52 of 1962);

(*C*) an applicant as defined in clause (*c*) of section 23A of the Central Excise Act, 1944 (1 of 1944);

(*D*) an applicant as defined in clause (*b*) of section 96A of the Finance Act, 1994 (32 of 1994);

(*c*) "application" means an application made to the Authority or the Board for Advance Rulings under sub-section (1) of section 245Q;

(*ca*) "Board for Advance Rulings" means the Board for Advance Rulings constituted by the Central Government under section 245-OB;

(*d*) "Authority" means the Authority for Advance Rulings constituted under section 245-O;

(*e*) "Chairman" means the Chairman of the Authority;

(*f*) "Member" means a Member of the Authority and includes the Chairman and Vice-chairman or a Member of the Board for Advance Rulings;

(*g*) "Vice-chairman" means the Vice-chairman of the Authority.

380.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under:

"Clause 380 of the Bill provides for interpretations of the provisions relating to Advance Rulings. Clause 380 of the Bill corresponds to Section 245N of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".

380.4 Examination by the Committee:

380.4 In a reply to a specific query on changes (addition or omission or replacement of words, etc.), if any, between the provisions of the Clause and existing Section, the Department of Revenue furnished the following reply:-

> *"The provisions proposed in the Income-Tax Bill, 2025 is the simplified version of the corresponding provisions of IT Act 1961".*

380.5 Observations/Recommendations of the Committee:

Clause 380 of the Income-Tax Bill 2025, which seeks to define certain expressions used in the context of Advance Rulings, corresponding to Section 245N of the Income-Tax Act, 1961. The Committee find that this Clause has been reformulated by paraphrasing the existing provisions to enhance clarity and

comprehension. Furthermore, having been assured that no policy change has been incorporated in this Clause, the Committee approve Clause 380 as it is.

Clause 381: Board for Advance Rulings

<u>381.1 Provision proposed in the Income-Tax Bill, 2025:</u>

(1) The Central Government shall constitute one or more Boards for Advance Rulings, as may be necessary, for giving advance rulings under this Chapter on or after such date as the Central Government may, by notification, appoint.

(2) The Board for Advance Rulings shall consist of two members, each being an officer not below the rank of Chief Commissioner, as may be nominated by the Board.

381.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Section 245-OB: Board for Advance Rulings.

(1) The Central Government shall constitute one or more Boards for Advance Rulings, as may be necessary, for giving advance rulings under this Chapter on or after such date as the Central Government may, by notification in the Official Gazette, appoint.

(2) The Board for Advance Rulings shall consist of two members, each being an officer not below the rank of Chief Commissioner, as may be nominated by the Board.

381.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

381.3 The justification furnished by the Ministry for the proposed provision is as under:

> *"Clause 381 of the Bill provides for Board of Advance Rulings. Clause 381 of the Bill corresponds to Section 245-OB of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".*

381.4 Important Views/Suggestions given by Experts/Stakeholders:

381.4 During the course of the examination of the Bill, some important suggestions/views received from various stakeholders and experts are summarised as follows:

381.4.1 To render BAR functional with immediate effect as an independent body, amendment could be proposed in section 381 of the Bill to abolish BAR and expand the scope of functioning of the Income Tax Appellate Tribunal ('ITAT'). This will bring about a proper mix of the members resulting in neutrality and functionality for advance ruling. Currently, the ITAT is handling international tax cases and also large domestic tax disputes, and has earned a reputation already with the taxpayer community. If ITAT

were to provide advance ruling, it could be extended to the Southern part of India also with the ITAT functioning in Bangalore, Chennai, Hyderabad and Cochin. This will ensure faster disposal of cases also, when it is geographically spread out.

381.4.2 The constitution of Board of Advance rulings ought to include a technical and a legal member. In the erstwhile regime, composition of Authority for Advance Rulings (AAR) included a retired judge of High Court or Supreme Court, a revenue member and a law member which ensured independence and transparency in the advance ruling process. The advance ruling is sought on a mixed question of fact and law undertaken in a proposed transaction. Thus, it becomes very important that a law member is also made a part of the constitution of the Board of Advance Rulings (BAR).

381.5 Examination by the Committee:

381.5 The Ministry of Finance in their written reply with regard to the above suggestion/comment submitted as following (mentioned correspondingly):

381.5.1 "The suggestion made by the stakeholder is in the nature of policy change which is beyond the scope of the objectives of the IT Bill, 2025."

381.5.2 "The suggestion seeks to change the composition of the Board of Advance Rulings by including a technical and legal member. It is in the nature of policy change, which is outside the scope of the Bill. There is no change in the provisions of the Bill *vis-a-vis* Act.
In the erstwhile regime, composition of Authority for Advance Rulings (AAR) included a retired judge of High Court or Supreme Court, a revenue member and a law member. However, most of the times, posts of members remained vacant as retired judge of High Court or Supreme Court were not opting for the post of Authority of Advance Rulings. Further, nature of application made for the Advance Rulings are technical in nature and can be most suitable dealt by the Chief Commissioners of Income Tax. Chief Commissioners of Income Tax are very senior most positions in the Department who have the experience of more than 30 years of service related to income tax matters. Thus, the suggestion is not feasible."

381.5.3 With regards to the enquiry made by the Committee about the prudence it not be prudent to include one law member (viz. retired Judge of the High Court or Supreme Court), similar to the composition of erstwhile AAR so as to do away with any biasness and ensure that any question from legal/constitutional point of view is also dealt with, the Ministry in its written response submitted as under:-

> *"Erstwhile AAR consisted of a Chairman and various Vice-Chairman, revenue members and law members. A bench cannot function if the post of Chairman or Vice-Chairman is vacant. As per section 245-O of the Act, persons eligible for*

appointment as Chairman of AAR are retired judges of the Supreme Court, retired Chief Justice of a High Court or retired Judge of a High Court who has served in that capacity for at least seven years. Similarly, the persons eligible for appointment as Vice-Chairman are retired judges of a High Court. As per past experience, the posts of Chairman and Vice-Chairman have remained vacant for a long time due to non-availability of eligible persons. This had seriously hampered the working of AAR and a large number of applications are pending since last many years. Hence, BAR was brought on statute. Suggestion is not feasible."

381.5.4 On being asked about the possibility of devising a system or SOP for clubbing of appeals, at the lower levels of litigation mechanism viz. ITAT or CIT(A) itself, especially when dealing with identical legal points or common factual matrix across different assessment years for the same assessee, or even similar issues for multiple assessees, the Ministry in its written response furnished as follows:-

"Such provisions of clubbing of appeals is already in place and is being handled practically by the appellate authorities. On the lines of the suggested alternate forum to appeals, Dispute Resolution Committee is a recent introduction by the Department and is functioning as per its current mandate which is to settle cases having a specified tax effect. Such cases are generally less complex which require lesser time to be disposed off and hence, serving its purpose to cater to the small taxpayers and providing them with early relief. Provisions of BAR and DRP are already in place for specific cases."

381.5.5 Further, with regards to the question about the prospect of devising a system to manage clubbing of appeals digitally (such as identifying and grouping similar cases for a consolidated hearing, potentially by the same panel of appellate authorities e.g., Commissioner (Appeals) or ITAT) in view of the emphasis on 'faceless appeals', the Ministry in its written reply mentioned as under:-

"Faceless Appeal scheme can be moderated via the e-filing portal of the assessee. Pending and completed proceedings before the CIT(A) can be accessed from the dashboard of the assessee's portal. However, since ITAT is governed by its own rules and procedures, consolidation of pending appeals for viewing on a single dashboard may be taken up with the Ministry of Law. In any case, this shall be handled administratively and no legislative intervention is required on this account."

381.5.6 Moreover, on being probed about the possibility to codify or precisely define the criteria for what constitutes an "erroneous" order or an order "prejudicial to the interests

of the revenue", the representative of the Ministry in written reply made the following submission:-

> *"Power available to the Commissioner under section 263 is for suo-moto actions in cases where the order is prejudicial to the interest of Revenue. Time period of two years is there so that internal audit, revenue audit, inspection and review process is carried out and as a consequence of which such prejudicial orders are identified."*

381.6 Observations/Recommendations of the Committee:

Clause 381 provides for constitution of Board for Advance Rulings. The Committee note that this Clause is simplified textual version of existing Section 245-OB maintaining Government original policy. After considering the viewpoints of both the stakeholders and the Department, the Committee accept Clause 381 as proposed.

Clause 382: Vacancies, etc., not to invalidate proceedings.

382.1 Provision proposed in the Income-Tax Bill, 2025:

No proceeding before, or pronouncement of advance ruling by, the Board for Advance Rulings, shall be questioned or shall be invalid on the ground merely of the existence of any vacancy or defect in the constitution of the Board for Advance Rulings.

382.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Section 245P: Vacancies, etc., not to invalidate proceedings.

(1) No proceeding before, or pronouncement of advance ruling by, the Authority shall be questioned or shall be invalid on the ground merely of the existence of any vacancy or defect in the constitution of the Authority.

(2) With effect from such date as the Central Government may, by notification in the Official Gazette, appoint, the provisions of this section shall have effect as if for the word "Authority", the words "Board for Advance Rulings" had been substituted.

382.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under:

"Clause 382 of the Bill provides for Vacancies, etc., of Board of Advance Rulings not to invalidate proceedings. Clause 382 of the Bill corresponds to Section 245P of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".

382.4 Examination by the Committee:

382.4 In a reply to a specific query on changes (addition or omission or replacement of words, etc.), if any, between the provisions of the Clause and existing Section, the Department of Revenue furnished the following reply:-

"The provisions proposed in the Income-Tax Bill, 2025 is the simplified version of the corresponding provisions of IT Act 1961".

382.5 Observations/Recommendations of the Committee:

The Committee note that Clause 382 of the Bill dealing with proceeding in case of vacancies in the Board for Advance Rulings, aligns with existing Section 245P but features simplified textual construction. Expressing their concurrence with the justification given by the Department of Revenue in this regard, the Committee accept Clause 382 as it is.

Clause 383: Application for advance ruling

383.1 Provision proposed in the Income-Tax Bill, 2025:

(*1*) An applicant desirous of obtaining an advance ruling under this Chapter, may make an application in such form and manner, as prescribed, stating the question on which the advance ruling is sought.

(*2*) The application shall be made in quadruplicate and be accompanied by a fee of ten thousand rupees or such fee, as prescribed.

(*3*) An applicant may withdraw an application within thirty days from the date of the application.

383.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Section 245Q: Application for advance ruling.

(1) An applicant desirous of obtaining an advance ruling under this Chapter or under Chapter V of the Customs Act, 1962 (52 of 1962) or under Chapter IIIA of the Central Excise Act, 1944 (1 of 1944) or under Chapter VA of the Finance Act, 1994 (32 of 1994)

may make an application in such form and in such manner as may be prescribed, stating the question on which the advance ruling is sought.

(2) The application shall be made in quadruplicate and be accompanied by a fee of ten thousand rupees or such fee as may be prescribed in this behalf, whichever is higher.

(3) An applicant may withdraw an application within thirty days from the date of the application.

(4) Where an application for advance ruling under this Chapter is made before such date as the Central Government may, by notification in the Official Gazette appoint, and in respect of which no order under sub-section (2) of section 245R has been passed or no advance ruling under sub-section (4) of section 245R has been pronounced before such date, such application along with all the relevant records, documents or material, by whatever name called, on the file of the Authority shall be transferred to the Board for Advance Rulings and shall be deemed to be the records before the Board for Advance Rulings for all purposes:

[Provided that the applicant may, on or before the 31st day of October, 2024, request the Board for Advance Rulings in writing that the application so transferred may not be proceeded with, if up to the date of such request, the Board for Advance Rulings has not passed an order under sub-section (2) of section 245R.]

383.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under:

> *"Clause 383 of the Bill deals with application for advance rulings. Clause 383 of the Bill corresponds to Section 245Q of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".*

383.4 Important Views/Suggestions given by Experts/Stakeholders:

383.4 During the course of the Examination of the proposed Bill, a suggestion as received from a stakeholder is produced below:

"The requirement to make the application in quadruplicate in Section 383(2) may be removed. (2) The application shall be furnished made in quadruplicate and be accompanied by after payment of a fee of ten thousand rupees or such fee, as prescribed. Rule 44E requiring the application for obtaining advance ruling under Section 245Q(1) to be made in the respective forms, Form No.34C/34D/ 34DA/34E/34EA has deleted the words "in quadruplicate" w.e.f. 5.5.2022. This requirement has been removed in Rule 44E, since the forms have to be sent vide e-mail. However, the same continued in section 245Q(2). Further, e-filing utility may be introduced for advance ruling to enable effective tracking. Then, instead of "accompanied by" fee, the words "after payment of fee" may be used in sub-section (2)".

383.5 Examination by the Committee:

383.5 The Ministry of Finance in their written response pertaining to the above suggestion/view categorically accepted the suggestion and stated as under:-

> ***"****For aligning the provisions of Bill alongwith Rules, 1962, condition of submitting application for advance rulings in quadruplicate shall be omitted in clause 383(2) of the Bill."*

383.5.1 On specific inquiry, about the specific legal rationale behind the omission of the words "whichever is higher" from Clause 383(2) of the Income-Tax Bill, 2025 and as to how the same would ensure unambiguous fee determination, prevent potential revenue loss for the department, and avoid increased litigation arising from differing interpretations of the applicable fee, the Ministry in its written response agreed to the above point and submitted as under:

> *"****Accepted.*** *The suggestion is in nature of drafting correction. The current rule 44E(4) prescribes the quantum of fee in different cases. Therefore, drafting correction will be made to delete the phrase ten thousand so as to prescribe the fee through rule only."*

383.6 Observations/Recommendations of the Committee:

The Committee observe that Clause 383, textually simplifies Section 245Q of the Income-Tax Act, 1961, outlining procedures for filing of application before the Board for Advance Rulings. The Committee also note that while Rule 44E(4) currently prescribes fees, a suggestion to remove the archaic term 'quadruplicate' from sub-clause 2 of Clause 383 (already removed from Rule 44E with effect from

5 May, 2022) has been accepted by the Department. Furthermore, the Committee have identified an ambiguity between sub-clause (2) of Clause 383, which stated 'a fee of ten thousand rupees or such fee, as prescribed,' and the corresponding Section 245Q(2) of the Act, which specified 'ten thousand rupees or such fee as may be prescribed... whichever is higher.' Upon the Committee's insistence to clarify this ambiguity, which posed risks of revenue loss and misinterpretation, the Department has agreed to remove the phrase 'ten thousand' from Clause 383(2), ensuring fees are prescribed by Rule only. Accordingly, the Committee recommend to carry out the drafting correction and amend the sub-clause (2) of Clause 383 as under:-

"(2) The application shall be made accompanied by such fee, as prescribed".

Apart from the above drafting correction, the Committee accept Clause 383 as proposed by the Department.

Clause 384: Procedure on receipt of application.

<u>384.1 Provision proposed in the Income-Tax Bill, 2025:</u>

(*1*) On receipt of an application, the Board for Advance Rulings shall forward a copy thereof to the Principal Commissioner or Commissioner and, call upon him to furnish the relevant records, which shall be returned at the earliest opportunity.

(*2*) The Board for Advance Rulings may, after examining the application and the records called for either allow or reject the application by an order.

(*3*) For the purposes of sub-section (*2*), an application shall be rejected if the question raised therein—

(*a*) is already pending before any authority or Appellate Tribunal except in the case of a resident applicant falling in section 380(*b*)(*iv*) or any court;

(*b*) involves determination of fair market value of any property;

(*c*) relates to a transaction or issue which is designed *prima facie* for the avoidance of except in the case of a resident applicant falling in section 380(*b*)(*iv*) or in the case of an applicant falling in section 380(*b*)(*v*).

(*4*) The application shall not be rejected under sub-section (*2*), unless an opportunity has been given to the applicant of being heard and the reasons for such rejection are given in the order.

(*5*) A copy of every order made under sub-section (*2*) shall be sent to the applicant and to the Principal Commissioner or Commissioner.

(*6*) Where an application is allowed under sub-section (*2*), the Board for Advance Rulings shall, after examining such further material as may be placed before it by the applicant or obtained by the Board for Advance Rulings, pronounce its advance ruling in writing, on the question specified in the application within six months of the receipt of application.

(*7*) On a request from the applicant, the Board for Advance Rulings shall, before pronouncing its advance ruling, provide an opportunity to the applicant of being heard, either in person or through a duly authorised representative.

(*8*) A copy of the advance ruling pronounced by the Board for Advance Rulings, duly signed by the Members and certified in the manner, as prescribed shall be sent to the applicant and to the Principal Commissioner or Commissioner, as soon as may be, after such pronouncement.

(*9*) In this section, “authorised representative” shall have the meaning assigned to it in section 515(*3*)(*a*), as if the applicant were an assessee.

384.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Section 245R: Procedure on receipt of application.

(1) On receipt of an application, the Authority shall cause a copy thereof to be forwarded to the Principal Commissioner or Commissioner and, if necessary, call upon him to furnish the relevant records:

Provided that where any records have been called for by the Authority in any case, such records shall, as soon as possible, be returned to the Principal Commissioner or Commissioner.

(2) The Authority may, after examining the application and the records called for, by order, either allow or reject the application:

Provided that the Authority shall not allow the application where the question raised in the application,—

(*i*) is already pending before any authority or Appellate Tribunal [except in the case of a resident applicant falling in sub-clause (*iii*) of clause (*b*) of section 245N] or any court;

(*ii*) involves determination of fair market value of any property;

(*iii*) relates to a transaction or issue which is designed *prima facie* for the avoidance of [except in the case of a resident applicant falling in sub-clause (*iii*) of clause (*b*) of section 245N or in the case of an applicant falling in sub-clause (*iiia*) of clause (*b*) of section 245N]:

Provided further that no application shall be rejected under this sub-section unless an opportunity has been given to the applicant of being heard:

Provided also that where the application is rejected, reasons for such rejection shall be given in the order:

[Provided also that on receipt of an application under the proviso to sub-section (4) of section 245Q, the Board for Advance Rulings may, by an order, reject the application referred to in sub-section (1) thereof as withdrawn on or before the 31st day of December, 2024.]

(3) A copy of every order made under sub-section (2) shall be sent to the applicant and to the Principal Commissioner or Commissioner.

(4) Where an application is allowed under sub-section (2), the Authority shall, after examining such further material as may be placed before it by the applicant or obtained by the Authority, pronounce its advance ruling on the question specified in the application.

(5) On a request received from the applicant, the Authority shall, before pronouncing its advance ruling, provide an opportunity to the applicant of being heard, either in person or through a duly authorized representative.

Explanation.—For the purposes of this sub-section, "authorized representative" shall have the meaning assigned to it in sub-section (2) of section 288, as if the applicant were an assessee.

(6) The Authority shall pronounce its advance ruling in writing within six months of the receipt of application.

(7) A copy of the advance ruling pronounced by the Authority, duly signed by the Members and certified in the prescribed manner shall be sent to the applicant and to the Principal Commissioner or Commissioner, as soon as may be, after such pronouncement.

(8) On and from such date as the Central Government may, by notification in the Official Gazette, appoint, the provisions of this section shall have effect as if for the word "Authority", the words "Board for Advance Rulings" had been substituted and the provisions of this section shall apply *mutatis mutandis* to the Board for Advance Rulings as they apply to the Authority.

(9) The Central Government may, by notification in the Official Gazette, make a scheme for the purposes of giving advance rulings under this Chapter by the Board for Advance Rulings, so as to impart greater efficiency, transparency and accountability by—

(*a*) eliminating the interface between the Board for Advance Rulings and the applicant in the course of proceedings to the extent technologically feasible;

(*b*) optimising utilisation of the resources through economies of scale and functional specialisation;

(*c*) introducing a system with dynamic jurisdiction.

(10) The Central Government may, for the purposes of giving effect to the scheme made under sub-section (9), by notification in the Official Gazette, direct that any of the provisions of this Act shall not apply or shall apply with such exceptions, modifications and adaptations as may be specified in the said notification:

Provided that no such direction shall be issued after the 31st day of March, 2023:

[Provided further that the Central Government may amend any direction, issued under this sub-section on or before the 31st day of March, 2023, by notification in the Official Gazette.]

(11) Every notification issued under sub-section (9) and sub-section (10) shall, as soon as may be after the notification is issued, be laid before each House of Parliament.

384.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under:

> *"Clause 384 of the Bill deals with procedure on receipt of application. Clause 384 of the Bill corresponds to Section 245R of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".*

384.5 Examination by the Committee:

384.5 In a reply to a specific query on changes (addition or omission or replacement of words, etc.), if any, between the provisions of the Clause and existing Section, the Department of Revenue furnished the following reply:-

> *"The provisions proposed in the Income-Tax Bill, 2025 is the simplified version of the corresponding provisions of IT Act 1961".*

384.6 Observations/Recommendations of the Committee:

The Committee note that Clause 384 of the Income-Tax Bill, 2025, mapped to Section 245R of the Income-Tax Act, 1961, seeks to provide for procedure to process the application made for advance rulings. The Committee approve Clause 384 as proposed, noting its simplified approach to existing provisions.

Clause 385: Appellate authority not to proceed in certain cases.

385.1 Provision proposed in the Income-Tax Bill, 2025:

No authority or the Appellate Tribunal shall proceed to decide any issue for which an application has been made by an applicant, being a resident, under section 383(*1*).

385.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Section 245RR: Appellate authority not to proceed in certain cases.

No authority or the Appellate Tribunal shall proceed to decide any issue in respect to which an application has been made by an applicant, being a resident, under sub-section (1) of section 245Q.

385.3 Reasons/Justification given by the Ministry of Finance for the proposed provision: The justification furnished by the Ministry for the proposed provision is as under:

"Clause 385 of the Bill deals with appellate authority not to proceed in certain cases. Clause 385 of the Bill corresponds to Section 245RR of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".

385.4 Examination by the Committee:

385.4 In a reply to a specific query on changes (addition or omission or replacement of words, etc.), if any, between the provisions of the Clause and existing Section, the Department of Revenue furnished the following reply:-

"The provisions proposed in the Income-Tax Bill, 2025 is the simplified version of the corresponding provisions of IT Act 1961".

385.6 Observations/Recommendations of the Committee:

The Committee note that Clause 385 of the Bill, which seeks to provide that certain authorities not to proceed to decide in certain cases where application for advance ruling has been made, aims to simplify the existing provisions of Section 245RR. The Committee concur with the Department's justification for this simplification and, therefore, accept Clause 385 as proposed.

Clause 386: Advance ruling to be void in certain circumstances.

386.1 Provision proposed in the Income-Tax Bill, 2025:

(*1*) Where on a representation made by the Principal Commissioner or Commissioner or otherwise, the Board for Advance Rulings finds, that an advance ruling pronounced under section 384(*6*) has been obtained by the applicant by fraud or misrepresentation, then it may by order, declare such ruling to be *void ab initio* and thereupon, all the provisions of this Act shall apply (after excluding the period beginning with the date of such advance ruling and ending with the date of order under this sub-section) to the applicant as if such advance ruling had never been made.

(*2*) A copy of the order made under sub-section (*1*) shall be sent to the applicant and the Principal Commissioner or Commissioner.

386.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Section 245T: Advance ruling to be void in certain circumstances.

(1) Where the Authority finds, on a representation made to it by the Principal Commissioner or Commissioner or otherwise, that an advance ruling pronounced under sub-section (6) of Section 245R has been obtained by the applicant by fraud or misrepresentation of facts, it may, by order, declare such ruling to be void *ab initio* and thereupon all the provisions of this Act shall apply (after excluding the period beginning with the date of such advance ruling and ending with the date of order under this sub-section) to the applicant as if such advance ruling had never been made.

(2) A copy of the order made under sub-section (1) shall be sent to the applicant and the Principal Commissioner or Commissioner.

(3) With effect from such date as the Central Government may, by notification in the Official Gazette, appoint, the provisions of this section shall have effect as if for the word "Authority", the words "Board for Advance Rulings" had been substituted.

386.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under:

> *"Clause 386 of the Bill deals with advance ruling to be void in certain circumstances. Clause 386 of the Bill corresponds to Section 245T of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".*

386.4 Examination by the Committee:

386.4 In a reply to a specific query on changes (addition or omission or replacement of words, etc.), if any, between the provisions of the Clause and existing Section, the Department of Revenue furnished the following reply:-

> *"The provisions proposed in the Income-Tax Bill, 2025 is the simplified version of the corresponding provisions of IT Act 1961".*

386.5 Observations/Recommendations of the Committee:

Noting that Clause 386 of the Income-Tax Bill, 2025, which governs when an advance ruling becomes void, is a textual simplification of Section 245T of the Income-Tax Act, 1961, retaining its original intent. The Committee, therefore, accept the Clause in its present form.

Clause 387: Powers of the Board for Advance Rulings

387.1 Provision proposed in the Income-Tax Bill, 2025:

(*1*) The Board for Advance Rulings shall, for the purpose of exercising its powers, have all the powers of a civil court under the Code of Civil Procedure, 1908 as are referred to in section 246 of this Act.

(2) The Board for Advance Rulings shall be considered to be a civil court for the purposes of section 215 but not for the purposes of Chapter XXVIII of the Bharatiya Nagarik Suraksha Sanhita, 2023 and every proceeding before the Board for Advance Rulings shall be considered to be a judicial proceeding under sections 229 and 267 and for the purposes of section 233 of the Bharatiya Nyaya Sanhita, 2023.

387.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Section 245U: Powers of the Authority.

(1) The Authority shall, for the purpose of exercising its powers, have all the powers of a civil court under the Code of Civil Procedure, 1908 (5 of 1908) as are referred to in section 131 of this Act.

(2) The Authority shall be deemed to be a civil court for the purposes of section 195, but not for the purposes of Chapter XXVI, of the Code of Criminal Procedure, 1973* (2 of 1974) and every proceeding before the Authority shall be deemed to be a judicial proceeding within the meaning of sections 193 and 228, and for the purpose of section 196, of the Indian Penal Code (45 of 1860).

(3) On and from such date as the Central Government may, by notification in the Official Gazette, appoint, the powers of the Authority under this section shall be exercised by the Board for Advance Rulings and the provisions of this section shall *mutatis mutandis* apply to the Board for Advance Rulings as they apply to the Authority.

387.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

The justification furnished by the Ministry for the proposed provision is as under:

> *"Clause 387 of the Bill deals with powers of the Board for Advance Rulings. Clause 387 of the Bill corresponds to Section 245U of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".*

387.4 Examination by the Committee:

387.4 In a reply to a specific query on changes (addition or omission or replacement of words, etc.), if any, between the provisions of the Clause and existing Section, the Department of Revenue furnished the following reply:-

> *"The provisions proposed in the Income-Tax Bill, 2025 is the simplified version of the corresponding provisions of IT Act 1961".*

387.5 Observations/Recommendations of the Committee:

The Committee note that Clause 387, which defines the powers of the Board for Advance Rulings, aligns with the existing Section 245U and involves no policy shift. The Committee, therefore, accept Clause 387 as proposed by the Department of Revenue.

Clause 388: Procedure of Board for Advance Rulings

388.1 Provision proposed in the Income-Tax Bill, 2025:

The Board for Advance Rulings shall, subject to this Chapter, have power to regulate its own procedure in all matters arising out of the exercise of its powers under this Act.

388.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Section 245V: Procedure of Authority.

The Authority shall, subject to the provisions of this Chapter, have power to regulate its own procedure in all matters arising out of the exercise of its powers under this Act:

Provided that nothing contained in this section shall apply on or after such date as the Central Government may, by notification in the Official Gazette, appoint.

388.3 Reasons/Justification given by the Ministry of Finance for the proposed provision: The justification furnished by the Ministry for the proposed provision is as under:

> *"Clause 388 of the Bill deals with procedure of Board for Advance Rulings. Clause 388 of the Bill corresponds to Section 245V of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".*

388.4 Examination by the Committee:

388.4 In a reply to a specific query on changes (addition or omission or replacement of words, etc.), if any, between the provisions of the Clause and existing Section, the Department of Revenue furnished the following reply:-

> *"The provisions proposed in the Income-Tax Bill, 2025 is the simplified version of the corresponding provisions of IT Act 1961".*

388.5 Observations/Recommendations of the Committee:

The Committee note that Clause 388 of the Income-Tax Bill 2025 empowers the Board for Advance Rulings to regulate its own procedure, corresponds to Section 245V of the Income-Tax Act, 1961, and introduces no policy change beyond textual simplification. The Committee, therefore, approve Clause 388 as it is.

Clause 389: Appeal.

389.1 Provision proposed in the Income-Tax Bill, 2025:

(*1*) The applicant, if aggrieved by any ruling pronounced or order passed by the Board for Advance Rulings or the Assessing Officer, on the directions of the Principal Commissioner or Commissioner, may appeal to the High Court against such ruling or order of the Board for Advance Rulings within sixty days from the date of the communication of that ruling or order, in such form and manner, as prescribed.

(*2*) Where the High Court is satisfied, on an application made by the appellant in this behalf, that the appellant was prevented by sufficient cause from presenting the appeal within the period specified in sub-section (*1*), it may grant further period of thirty days for filing such appeal.

389.2 Relevant Provision of the Principal Act (Income-Tax Act, 1961):

Section 245W: Appeal.

(1) The applicant, if he is aggrieved by any ruling pronounced or order passed by the Board for Advance Rulings or the Assessing Officer, on the directions of the Principal Commissioner or Commissioner, may appeal to the High Court against such ruling or order of the Board for Advance Rulings within sixty days from the date of the communication of that ruling or order, in such form and manner, as may be prescribed:

Provided that where the High Court is satisfied, on an application made by the appellant in this behalf, that the appellant was prevented by sufficient cause from presenting the appeal within the period specified in sub-section (1), it may grant further period of thirty days for filing such appeal.

(2) The Central Government may make a scheme, by notification in the Official Gazette, for the purposes of filing appeal to the High Court under sub-section (1) by the Assessing Officer, so as to impart greater efficiency, transparency and accountability by—

(*a*) optimising utilisation of the resources through economies of scale and functional specialisation;

(*b*) introducing a team-based mechanism with dynamic jurisdiction.

(3) The Central Government may, for the purposes of giving effect to the scheme made under sub-section (2), by notification in the Official Gazette, direct that any of the provisions of this Act shall not apply or shall apply with such exceptions, modifications and adaptations as may be specified in the said notification:

Provided that no such direction shall be issued after the 31st day of March, 2023.

(4) Every notification issued under sub-section (2) and sub-section (3) shall, as soon as may be after the notification is issued, be laid before each House of Parliament.

389.3 Reasons/Justification given by the Ministry of Finance for the proposed provision:

389.3 The justification furnished by the Ministry for the proposed provision is as under:

> *"Clause 389 of the Bill deals with appeal against the order passed by the Board of Advance Rulings. Clause 389 of the Bill corresponds to Section 245W of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause".*

389.4 Important Views/Suggestions given by Experts/Stakeholders:

389.4 During the course of the Examination of the proposed Bill, a significant suggestion was provided by a stakeholder, which is outlined as under:

"Appeal before the order of Board of Advance Ruling shall be heard by not less than two judges of the High Court. Order of BAR deals with mixed question of facts and law and may also involve important substantial question of laws and thus an appeal ought to be heard by not less than two judges of the High Court. Thus to this extent, in clause 366(1) of the Bill, 2025, appropriate change may be made to include section 389, along with section 365".

389.5 Examination by the Committee:

389.5 The Ministry of Finance in their written response pertaining to the above suggestion/view stated as follows:-

> *"The suggestion seeks to mandate that appeal against the order of Board of Advance Rulings shall be heard by not less than two judges of the High Court. It is in the nature of policy change, which is outside the scope of the Bill. There is no change in the provisions of the Bill vis-a-vis Act. High Courts are already over-burdened having large number of pendency of appeal. Thus, the suggestion is not feasible."*

389.5.1 On the perennial issue of humungous pending litigations, a witness during the oral evidence of senior income tax officers (serving and retired) of different Income Tax Zone deposed before the Committee as follows:-

> *"What I was thinking to suggest was that if there is a Standing Committee, which addresses the litigating factors on a real-time basis, does research work on that, recommends to the CBDT, and CBDT in-turn issues relevant guidelines, which are followed by the officers, they will also be followed by Commissioner Appeal. Even Tribunals will follow that. This will reduce litigation to a great extent. I mean, that can be considered. This suggestion I had made earlier also to the Committee, but the point was that mandate was not there. So, I think that this could not be taken up. But I am reiterating it for your august consideration."*

389.5.2 He further emphasized as below:-

> *"It should recommend issue of guidelines to be followed.* यूनिफॉर्मेटी आ जाएगी और उससे सर्टेनिटी आ जाएगी तो टैक्स पेयर को पता होगा कि हमें यह देना है और इस पर हमें टैक्स लगेगा या नहीं लगेगा तथा डिपार्टमेंट को भी पता होगा। यह एडजुडिकेट नहीं करेगी, वह केवल रिकमंड करेगी कि आप इसको दे दे कि यह होना चाहिए। *This is how it should be handled.* यह इश्यु है। यह ऐसे होना चाहिए। राइट आंसर यह है। *This is what I was thinking on litigation to issue the guidelines, which other jurisdictions are also doing."*

389.5.3 In this regard, the representative(s) of the Department of Revenue stated as under:-

> *"Sir, Litigation Management Committee is a good suggestion which has come up. Certainly, it can be considered. Within the Department also we can consider it.* इस कंटेक्स्ट में हमारे पास एक सेक्शन *-199* प्रेजेंट एक्ट में है, जिसके तहत बोर्ड इंटरप्रेटेशन और गाइडलाइन अपने ऑफिसर्स के लिए इश्यू करता रहता है कि इस इश्यू का मतलब यह है। वह इंटरनली और असेसीज के लिए भी इश्यू करता है। मैं मानता हूं कि लिटिगेशन मैनेजमेंट के नजरिए से इस पावर को एग्जीक्यूट करने के लिए कोई ऑर्गेनाइज्ड सिस्टेमेटिक प्रोसेस नहीं है।."

389.5.4 It was further stated:-

> "*To that extent, Litigation Management Committee is a good concept. We can consider that. How it has to be administratively implemented? The Board can implement it administratively also.*"

389.6 Observations/Recommendations of the Committee:

The Committee note that Clause 389 of the Income-Tax Bill, 2025, a simplified textual version of existing Section 245W, provides for appeals to the High Court against rulings by the Board for Advance Rulings, maintaining the Government's original policy. After considering the viewpoints of both stakeholder and the Department, the Committee accept Clause 389 as proposed.

CHAPTER XIX

COLLECTION AND RECOVERY OF TAX

Clause - 390 - Deduction or collection at source and advance payment

390.1 **Provisions proposed in the Income-Tax Bill, 2025:**

A.—General

390. (1) The tax on income shall be payable as per this Chapter by way of—

(a) deduction or collection at source; or

(b) advance payment; or

(c) payment under section 392(2)(a).

(2) The tax referred to in sub-section (1) shall be payable as per the provisions of this Chapter, irrespective of the assessment to be made later than the relevant tax year.

(3) Nothing contained in this section, shall affect the charge of tax on such income under section 4(1).

(4) The payment of tax referred to in sub-section (1) shall be in addition to any other mode of tax collection to discharge the liability in respect of income assessed for a tax year.

390.2 **Relevant provision of the Principal Act (Income-Tax Act 1961)**

Deduction at source and advance payment.

190. (1) Notwithstanding that the regular assessment in respect of any income is to be made in a later assessment year, the tax on such income shall be payable by deduction or collection at source or by advance payment or by payment under sub-section (1A) of section 192, as the case may be, in accordance with the provisions of this Chapter.

(2) Nothing in this section shall prejudice the charge of tax on such income under the provisions of sub-section (1) of section 4.

Credit for tax deducted.

199. (1) Any deduction made in accordance with the foregoing provisions of this Chapter and paid to the Central Government shall be treated as a payment of tax on

behalf of the person from whose income the deduction was made, or of the owner of the security, or of the depositor or of the owner of property or of the unit-holder, or of the shareholder, as the case may be.

(2) Any sum referred to in sub-section (1A) of section 192 and paid to the Central Government shall be treated as the tax paid on behalf of the person in respect of whose income such payment of tax has been made.

(3) The Board may, for the purposes of giving credit in respect of tax deducted or tax paid in terms of the provisions of this Chapter, make such rules as may be necessary, including the rules for the purposes of giving credit to a person other than those referred to in sub-section (1) and sub-section (2) and also the assessment year for which such credit may be given.

Deduction only one mode of recovery.

202. The power to recover tax by deduction under the foregoing provisions of this Chapter shall be without prejudice to any other mode of recovery.

Persons deducting tax to furnish prescribed returns.

206C(4) Any amount collected in accordance with the provisions of this section and paid to the credit of the Central Government shall be deemed to be a payment of tax on behalf of the person from whom the amount has been collected and credit shall be given to such person [*or any other person eligible for credit*] for the amount so collected in a particular assessment year in accordance with the rules as may be prescribed by the Board from time to time.

390.3 **Reasons/Justification given by the Department of Finance for the proposed provision**

Clause 390 of the Bill relates to deduction or collection of tax at source and advance payment. The clause corresponds to section 190,199, 202, 206C (4) of the Act. The provisions of the existing sections are merged, textually simplified and retained with the same intent in this clause.

390.4 **Important views/Suggestions given by Experts/Stakeholders**

390.4.1 Clause 390(2); The current wording of sub-sections (1) and (2) may create ambiguity in situations where the income being paid includes amounts from multiple years. The provision may be interpreted as limiting to Tax deductions or payments to a single tax year. In real-world scenarios, income may span over several tax years (both previous and future), especially in cases where lump-sum payments cover multiple periods.

Rewording of sub-section (2) is suggested to clarify that the tax provisions apply to income related to multiple years, and the assessment can be made in the tax years corresponding to the relevant period of income.

Sub-section (2) may be reworded as follows:

(2)The tax referred to in sub-section (1) shall be payable as per the provisions of this Chapter, irrespective of the assessment to be made in the **subsequent tax years** to which the income relates.

390.4.2 Clause 390(4):Sub-section (4) uses the term "tax collection" to describe the payment of taxing addition to other modes of tax collection. It may be more accurate and consistent to use “recovery" as used in sections like section 226 of the Income-tax Act, 1961 and Section 416 of the Income-tax Bill, 2025."Recovery" better conveys the mandatory nature of the tax payment and includes both voluntary and involuntary tax payments that are due after assessment.

390.5. **Examination by the Committee**

390.5.1 The Department in their written reply has accepted the suggestion of the stakeholder to redraft the Clause and stated that clause 390(2) of the Bill maybe aligned with the existing provisions of the Act.

390.5.2 While accepting the above suggestion on Clause 390(4), the Department in their written reply have stated as under:

“Accepted

The stakeholder has suggested using the word "recovery" instead of the word "collection" in clause 390(4) of the Bill. It is a drafting issue.”

390.6 Observations/Recommendations of the Committee

390.6.1 The Committee note that Clause 390 of the Bill pertains to the deduction or collection of tax at source and advance payment. A stakeholder has suggested rephrasing sub-clause (2) of Clause 390, as its current wording in sub-sections (1) and (2) could create ambiguity when income paid spans multiple years. The concern is that the provision might be interpreted as limiting tax deductions or payments to a single tax year, despite income often covering several tax periods. The Department has agreed to redraft the clause and align with the existing provisions of the Act. Therefore, the Committee desire that the Clause 390(2) be rephrased to make the language lucid and unambiguous, clarifying that tax provisions apply to multi-year income and can be assessed in the corresponding tax years.

390.6.2 The Committee note a stakeholder's suggestion to replace "collection" with "recovery" in Clause 390(4) of the Bill. The rationale is that "recovery" more accurately conveys the mandatory nature of tax payments, encompassing both voluntary and involuntary payments due post-assessment. The Department of Revenue has acknowledged this as a drafting issue. Given that "recovery" is already used in Section 226 of the Income-tax Act, 1961, and Clause 416 of the Income-tax Bill, 2025, the Committee recommend the Department to implement this change to ensure uniformity in language and to emphasize the mandatory aspect of tax payments.

Apart from the above mentioned drafting corrections, the Committee accept Clause 390 as proposed by the Department.

Clause - 391 - Direct payment

391.1 **Provisions proposed in the Income-Tax Bill, 2025:**

(1) The income-tax on any income shall be payable directly by the assessee if—

(a) there is no provision under this Chapter to deduct income-tax on such income at the time of payment; or

(b) income-tax has not been deducted as per the provisions of this Chapter.

(2) If an assessee has any income of the nature of specified security or sweat equity shares as specified in section 17(1)(d) allotted or transferred directly or indirectly by the current employer which is an eligible start-up referred to in section 140, then direct payment of tax for the purposes of sub-section (1) shall be made within the time specified in section 289(3).

(3) Where any person, including the principal officer of the company,—

(a) who is required to deduct any sum as per the provisions of this Act; or

(b) referred to in section 392(2)(a), being an employer,

does not deduct, or after so deducting fails to pay, or does not pay, the whole or any part of the tax, as required under this Act, and where the assessee has also failed to pay such tax directly, then, such person shall, apart from any other consequences that he may incur, be deemed to be an assessee in default within the meaning of section 398(1), in respect of such tax.

391.2 **Relevant provision of the Principal Act (Income-Tax Act 1961)**

Direct payment.

191. (1) In the case of income in respect of which provision is not made under this Chapter for deducting income-tax at the time of payment, and in any case where income-tax has not been deducted in accordance with the provisions of this Chapter, income-tax shall be payable by the assessee direct.

(2) For the purposes of paying income-tax directly by the assessee under sub-section (1), if the income of the assessee in any assessment year, beginning on or after the 1st day of April, 2021, includes income of the nature specified in clause (*vi*) of sub-section (2) of section 17 and such specified security or sweat equity shares referred to

in the said clause are allotted or transferred directly or indirectly by the current employer, being an eligible start-up referred to in section 80-IAC, the income-tax on such income shall be payable by the assessee within fourteen days—

(*I*) after the expiry of forty-eight months from the end of the relevant assessment year; or

(*ii*) from the date of the sale of such specified security or sweat equity share by the assessee; or

(*iii*) from the date of the assessee ceasing to be the employee of the employer who allotted or transferred him such specified security or sweat equity share,

whichever is the earliest.

Explanation.—For the removal of doubts, it is hereby declared that if any person including the principal officer of a company,—

(*a*) who is required to deduct any sum in accordance with the provisions of this Act; or

(*b*) referred to in sub-section (1A) of section 192, being an employer,

does not deduct, or after so deducting fails to pay, or does not pay, the whole or any part of the tax, as required by or under this Act, and where the assessee has also failed to pay such tax directly, then, such person shall, without prejudice to any other consequences which he may incur, be deemed to be an assessee in default within the meaning of sub-section (1) of section 201, in respect of such tax.

391.3 Reasons/Justification given by the Department of Finance for the proposed provision

Clause 391 of the Bill provides for direct payment of tax by assessee in cases where there is no provision under Chapter XIX of the Bill to deduct income-tax at the time of payment or where income-tax has not been deducted as per the provisions of this Chapter. The clause corresponds to section 191 of the Act. The provisions of the existing section have been textually simplified and retained with the same intent in this clause.

391.4 **Important views/Suggestions given by Experts/Stakeholders**

As per sub-section (3) of Clause 391 if the person required to deduct tax does not deduct or after deducting fails to pay and where the assessee has also failed to pay such tax directly, he would be deemed to be an assessee-in- default. In situations where the tax has not been deducted but the assessee has paid the said tax directly thedeductor would not be held to be liable and the consequences in terms of interest and penalty would not arise. This aspect/scenario also needs to be clearly brought out in this clause.

391.5 **Examination by the Committee**

With regard to the above suggestion the Department in their written submission has stated as follows :

'The stakeholder has suggested that situation where the deductor has failed to deduct the tax but the person has paid the tax directly in that case it is not clear whether the deduct or shall be deemed to be an assessee in default. Thus, it is submitted that this situation does not get covered under the provisions of clause 391(3) of the Bill.In a case where the person responsible has not deducted the tax, but the assessee has made payment directly, the person responsible will not be deemed tube an assessee in default subject to conditions as mentioned in Clause 398(2) which includes filing of return, including the income, paying the tax and furnishing a certificate. The suggestion is already addressed."

391.6 **Observations/Recommendations of the Committee**

The Committee note that Clause 391 of the Bill provides for direct tax payment by assessees when no deduction provision exists or tax hasn't been deducted under Chapter XIX, mirroring Section 191 of the current Act with simplified, yet retained, intent. A stakeholder suggested incorporating a provision in this Clause to offer relief to persons responsible for tax deduction when the assessee has already directly paid the un-deducted tax. However, the Department clarified that Clause 398(2) of the Bill already addresses this situation. Satisfied with the Department's contention, the Committee propose no change to Clause 391(3). The Committee, therefore, approve Clause 391 as proposed.

B.—Deduction and collection at source

Clause-392 - Salary and accumulated balance due to an employee.

392.1 Provisions proposed in the Income-Tax Bill, 2025:

392. (1) Any person responsible for paying any income chargeable under the head "Salaries" shall deduct income-tax on the amount payable and this deduction shall be made at the time of such payment at the average rate of income-tax computed on the basis of the rates in force for the tax year in which the payment is made, on the estimated income of the assessee under this head for such year.

(2)(a) Without prejudice to the provisions of sub-section (1), the person responsible for paying any income in the nature of a non-monetary perquisite chargeable to tax under section 17(2), may pay, at his option, tax on the whole or part of such income without making any deduction therefrom, at the time when such tax was deductible under sub-section (1);

(b) the tax under clause (a) shall be determined at the average rate as per sub-section (1), on the income chargeable under the head "Salaries" including the income referred to in the said clause, and shall be construed as a tax deductible at source from the income under the head "Salaries", and be subject to the provisions of this Chapter.

(3) Any person, being an eligible start-up referred to in section 140, responsible for paying any income of the nature specified in section 17(1)(d) in any tax year, shall deduct or pay, tax on such income, on the basis of rates in force for the tax year in which the specified security or sweat equity share is allotted or transferred, within the time as specified for the payee in section 289(3).

(4) (a) The person responsible for paying under sub-section (1), shall take into account the following particulars furnished by the assessee, at his option, in such form and manner as prescribed, for the purpose of making deduction under the said sub-section and such particulars shall have an effect of increasing or decreasing the tax to be deducted:—

(i) any income under the head "Salaries" due or received by the assessee, from any other employer or employers during the tax year;

(ii) any relief allowable under section 157, where the assessee being a Government servant, or an employee in a company, co-operative society, local authority, university, institution, association or body is entitled for such relief;

(iii) any loss under the head “Income from house property”;

(iv) any income chargeable under any other head of income, [not being a loss under any such head other than the loss specified in sub-clause (iii)];

(v) any tax deducted or collected at source under this Chapter;

(b) the tax deductible from income under the head “Salaries” shall not be reduced in any case, except on account of—

(i) loss under the head “Income from house property”; and

(ii) the tax deducted and collected as per other provisions of this Chapter.

(5) The person responsible for paying any income chargeable under the head “Salaries” to the assessee—

(a) shall furnish a statement in such form and manner, as prescribed, with correct and complete particulars of perquisites or profits in lieu of salary paid, along with their value, to the assessee;

(b) shall, for the purposes of estimating income of the assessee or computing tax deductible under sub-section (1), obtain from the assessee the evidence or proof or particulars of prescribed claims (including claim for set off of loss) under the provisions of this Act in such form and manner, as prescribed; and;

(c) may, increase or reduce the amount to be deducted under this section for adjusting any excess or deficiency arising out of any previous deduction or failure to deduct during the tax year.

(6)(a) The trustees of a recognised provident fund, or any person authorised by the regulations of the fund to make payment of the accumulated balances due to employees shall, in cases where paragraph 9 of Part A of Schedule XI applies, at the time an accumulated balance due to an employee is paid, make therefrom the deduction provided in paragraph 10 of Part A of Schedule XI;

(b) Where any contribution made by an employer, including interest on such contributions, if any, in an approved superannuation fund is paid to the employee, tax on the amount so paid shall be deducted by the trustees of the fund to the extent provided in paragraph 7 of Part B of Schedule XI.

(7)(a) The trustees of the Employees' 'Provident Funds Scheme, 1952, made under section 5 of the Employees' Provident Funds and Miscellaneous Provisions Act, 1952; or

(b) any person authorised under such scheme to make payment of accumulated balance due to employees,

shall at the time of payment of accumulated balance due to the employee participating in a recognised provident fund, deduct income-tax thereon at the rate of 10%, where the aggregate amount of such payment is fifty thousand rupees or more, and such accumulated balance is includible in his total income owing to the provisions of paragraph 8 of Part A of Schedule XI not being applicable.

392.2 Relevant provision of the Principal Act (Income-Tax Act 1961)

Salary.

192.(1) Any person responsible for paying any income chargeable under the head "Salaries" shall, at the time of payment, deduct income-tax on the amount payable at the average rate of income-tax computed on the basis of the rates in force for the financial year in which the payment is made, on the estimated income of the assessee under this head for that financial year.

(1A) Without prejudice to the provisions contained in sub-section (1), the person responsible for paying any income in the nature of a perquisite which is not provided for by way of monetary payment, referred to in clause (*2*) of section 17, may pay, at his option, tax on the whole or part of such income without making any deduction therefrom at the time when such tax was otherwise deductible under the provisions of sub-section (1).

(1B) For the purpose of paying tax under sub-section (1A), tax shall be determined at the average of income-tax computed on the basis of the rates in force for the financial year, on the income chargeable under the head "Salaries" including the

income referred to in sub-section (1A), and the tax so payable shall be construed as if it were, a tax deductible at source, from the income under the head "Salaries" as per the provisions of sub-section (1), and shall be subject to the provisions of this Chapter.

(1C) For the purposes of deducting or paying tax under sub-section (1) or sub-section (1A), as the case may be, a person, being an eligible start-up referred to in section 80-IAC, responsible for paying any income to the assessee being perquisite of the nature specified in [sub-clause (*vi*) of clause (*2*)] of section 17 in any previous year relevant to the assessment year, beginning on or after the 1st day of April, 2021, shall deduct or pay, as the case may be, tax on such income within fourteen days—

(*i*) after the expiry of forty-eight months from the end of the relevant assessment year; or

(*ii*) from the date of the sale of such specified security or sweat equity share by the assessee; or

(*iii*) from the date of the assessee ceasing to be the employee of the person,

whichever is the earliest, on the basis of rates in force for the financial year in which the said specified security or sweat equity share is allotted or transferred.

(2) Where, during the financial year, an assessee is employed simultaneously under more than one employer, or where he has held successively employment under more than one employer, he may furnish to the person responsible for making the payment referred to in sub-section (1) (being one of the said employers as the assessee may, having regard to the circumstances of his case choose), such details of the income under the head "Salaries" due or received by him from the other employer or employers, the tax deducted at source therefrom and such other particulars, in such form and verified in such manner as may be prescribed, and thereupon the person responsible for making the payment referred to above shall take into account the details so furnished for the purposes of making the deduction under sub-section (1).

(2A) Where the assessee, being a Government servant or an employee in a company, co-operative society, local authority, university, institution, association or body is entitled to the relief under [***] section 89, he may furnish to the person responsible for making the payment referred to in sub-section (1), such particulars, in such form and verified in such manner as may be prescribed, and thereupon the person responsible as

aforesaid shall compute the relief on the basis of such particulars and take it into account in making the deduction under sub-section (1).

Explanation.—For the purposes of this sub-section, "University" means a University established or incorporated by or under a Central, State or Provincial Act, and includes an institution declared under section 3 of the University Grants Commission Act, 1956 (3 of 1956), to be a University for the purposes of that Act.

[(2B) Where an assessee who receives any income chargeable under the head "Salaries" has, in addition, —

(*i*) any income chargeable under any other head of income (not being a loss under any such head other than the loss under the head "Income from house property"); or

(*ii*) any tax deducted or collected under the provisions of Part B or Part BB of this Chapter, as the case may be,

for the same financial year, he may send to the person responsible for making the payment referred to in sub-section (1), the particulars of—

(*a*) such other income;

(*b*) any tax deducted or collected under any other provision of Part B or Part BB of this Chapter, as the case may be; and

(*c*) the loss, if any, under the head "Income from house property",

in such form and verified in such manner as may be prescribed, and thereupon the person responsible as aforesaid shall take into account the particulars referred to in clauses (*a*), (*b*) and (*c*) for the purposes of making the deduction under sub-section (1):

Provided that this sub-section shall not in any case have the effect of reducing the tax deductible from income under the head "Salaries", except where the loss under the head "Income from house property" and the tax deducted in accordance with other provisions of Part B and tax collected in accordance with the provisions of Part BB, of this Chapter, has been taken into account.]

(2C) A person responsible for paying any income chargeable under the head "Salaries" shall furnish to the person to whom such payment is made a statement giving

correct and complete particulars of perquisites or profits in lieu of salary provided to him and the value thereof in such form and manner as may be prescribed.

(2D) The person responsible for making the payment referred to in sub-section (1) shall, for the purposes of estimating income of the assessee or computing tax deductible under sub-section (1), obtain from the assessee the evidence or proof or particulars of prescribed claims (including claim for set-off of loss) under the provisions of the Act in such form and manner as may be prescribed.

(3) The person responsible for making the payment referred to in sub-section (1) or sub-section (1A) or sub-section (2) or sub-section (2A) or sub-section (2B) may, at the time of making any deduction, increase or reduce the amount to be deducted under this section for the purpose of adjusting any excess or deficiency arising out of any previous deduction or failure to deduct during the financial year.

(4) The trustees of a recognised provident fund, or any person authorised by the regulations of the fund to make payment of accumulated balances due to employees, shall, in cases where sub-rule (1) of rule 9 of Part A of the Fourth Schedule applies, at the time an accumulated balance due to an employee is paid, make therefrom the deduction provided in rule 10 of Part A of the Fourth Schedule.

(5) Where any contribution made by an employer, including interest on such contributions, if any, in an approved superannuation fund is paid to the employee, tax on the amount so paid shall be deducted by the trustees of the fund to the extent provided in rule 6 of Part B of the Fourth Schedule.

(6) For the purposes of deduction of tax on salary payable in foreign currency, the value in rupees of such salary shall be calculated at the prescribed rate of exchange.

Payment of accumulated balance due to an employee.

192A. Notwithstanding anything contained in this Act, the trustees of the Employees' Provident Funds Scheme, 1952, framed under section 5 of the Employees' Provident Funds and Miscellaneous Provisions Act, 1952 (19 of 1952) or any person authorised under the scheme to make payment of accumulated balance due to employees, shall,

in a case where the accumulated balance due to an employee participating in a recognized provident fund is includible in his total income owing to the provisions of rule 8 of Part A of the Fourth Schedule not being applicable, at the time of payment of the accumulated balance due to the employee, deduct income-tax thereon at the rate of ten per cent :

Provided that no deduction under this section shall be made where the amount of such payment or, as the case may be, the aggregate amount of such payment to the payee is less than fifty thousand rupees.

[***]

392.3 <u>Reasons/Justification given by the Department of Finance for the proposed provision</u>

Clause 392 of the Bill provides for tax deduction at source on salary and accumulated balance to an employee. The clause corresponds to section 192 and 192A of the Act. The provisions of section 192 and 192A of the Act have been merged into the clause 392 of the bill with simplified text.
(Provision corresponding to Section 192(6) have been missed inadvertently and same needs to be included in the Bill).

392.4 <u>Important views/Suggestions given by Experts/Stakeholders</u>

392.4.1 In clause 392(7)(a) there is ambiguity on whether the payment of accumulated recognized provident fund amount is subject to withholding at the average rate specified in Rule 9, Part A, Fourth Schedule, or at 10% (rate provided in Section 392(7)). Reinstate the “non-obstante” clause in Section 392(7) to remove any such ambiguity.

392.4.2 1. In absence of provisions related to Section 192(6) of the Income-Tax Act there will be ambiguity regarding the value of salary payable in foreign currency.

.

1. In the absence of such provisions, different rates may be adopted for conversion of salary paid in foreign currency into INR, leading to litigation.

2. Include provisions similar to Section 192(6) in ITB 2025 which will determine conversion of such foreign currency as per the prescribed rates there under to avoid litigation on applicable forex conversion rates for salary income.

392.5 <u>Examination by the Committee</u>

392.5.1 While accepting the above suggestions the Department in their written reply have stated as under respectively:

"'Irrespective of anything contained in the Act', there is doubt whether average rate of TDS will apply or the rate of 10% will apply on the payment of recognized PF amount. The suggestion made by stakeholders is acceptable."

392.5.2 "Provisions corresponding to Section 192(6) have been missed inadvertently. The suggestion is acceptable."

392.6 Observations/Recommendations of the Committee

392.6.1 The Committee, having examined Clause 392 of the Bill (corresponding to Sections 192 and 192A of the Act concerning TDS on salary and accumulated provident fund balances), and considering stakeholder input on sub-clause 7(a), has identified a critical omission. While simplifying the text, the Department has inadvertently excluded a crucial 'Non obstante' clause. The Committee believe this oversight could lead to unnecessary speculation and ambiguity regarding the applicable TDS rate on accumulated balances from a recognized Provident Fund. Noting the Department's acceptance of this suggestion, the Committee recommend the Department to insert appropriate wording into the Clause 392(7)(a) to eliminate any such ambiguity.

392.6.2 The Committee note numerous stakeholder suggestions highlighting the Department's omission of the crucial Section 192(6) of the existing Act from the current Clause of the Income-Tax Bill, 2025, which creates ambiguity regarding the valuation of salary paid in foreign currency. Section 192(6) of the Act clarifies that for residents receiving salary in foreign currency, the taxable amount for TDS is determined by converting the currency at prescribed rates. The Committee believe this lack of clarity on conversion rates will cause unnecessary confusion and ambiguity, potentially leading to litigation. Therefore, the

Committee recommend incorporating this vital provision into the Clause of the Bill to explicitly define applicable forex conversion rates for salary income.

Apart from the above mentioned amendment, the Committee accept Clause 392 as proposed by the Department.

Clause- 393- Tax to be deducted at source.

393.1 Provisions proposed in the Income-Tax Bill, 2025:

393. (1) Where any income or sum of the nature specified in column B of the Table below, is credited or paid or distributed by the person specified in column C during the tax year, to a resident, the person responsible for paying shall deduct income-tax,—

(a) on the entire amount of such income or sum, where the amount or aggregate of amounts exceeds the threshold limit specified in column D;

(b) at the rate specified in column D;

(c) at the time of credit of such income or sum to the account of the payee or at the time of its payment in cash or by way of a cheque or a draft or by any other mode, whichever is earlier; and

(d) subject to the provisions of sub-sections (4), (5), (6), (8) and (9).

Table

FOR PAYMENTS TO RESIDENT

Sl. No.	Nature of Income or sum	Payer	Rate Threshold limit
A	B	C	D
1.	Commission or brokerage (i) Income by way of remuneration or reward,	Any person.	Rate: Rates in force. Threshold limit:

	whether by way of commission or otherwise, for soliciting or procuring insurance business (including business relating to the continuance, renewal or revival of insurance policies).		₹ 20,000

whichever is earlier, for the last month of the tax year or the last month of tenancy.

3.	Payment on transfer of certain immovable property other than agricultural land		
	(i) Any consideration for transfer of any immovable property (other than agricultural land).	Person (other than the person who are required to deduct tax under serial number 3(iii)).	Rate:1% of such sum or stamp duty value of the property if more than ₹50,00,000, whichever is higher. —— Threshold limit: ₹50,00,000.
	(ii) Any consideration, not being consideration in kind, under the agreement	Any person.	Rate: 10% —— Threshold limit:

referred to in section 67(14).		Nil.
(iii) Sum, being in the nature of— (a) compensation or the enhanced compensation; or (b) consideration or the enhanced consideration, on account of compulsory acquisition, under any law for the time being in force, of any immovable property (other than agricultural land).	Any person.	Rate: 10% —— Threshold limit ₹5,00,000:

Note 1.— Consideration for transfer of any immovable property under serial number 3(i) shall be the aggregate of the amounts paid or payable by all the transferees to the transferor or all the transferors for transfer of such immovable property for the purposes of the threshold limit mentioned in column D.

Note 2.— In case of consideration on which provisions of both serial numbers 3(i) and 3(ii) are applicable, tax shall be deducted under 3(ii) only.

4.	Income from capital market		
	(i) Any income in respect of—	Any person.	Rate: 10% ——
	(a) units of a Mutual Fund specified under Schedule VII (Table: Sl. No. 20 or 21); or	Any Business Trust.	Threshold limit: ₹ 10,000. Rate: 10%
	(b) units from the Administrator of the specified undertaking; or	Any Investment fund specified in section 224.	—— Threshold limit: Nil. Rate: 10%
	(c) units from the	Any securitisation	——

specified company. (ii) Any distributed income referred to in section 223, referred to in Schedule V (Table: Sl. Nos. 3 and 4) or (Table: Sl. No. 4), payable to a unitholder of a Business Trust. (iii) Any income, other than that proportion of income which is exempt under Schedule V (Table: Sl. No. 2), in respect of units of an investment fund specified in section 224, payable to its unitholder. (iv) Any income, in respect of an investment in a securitisation trust specified in section 221 to an investor.	trust specified in section 221.	Threshold limit: Nil Rate: 10% —— Threshold limit: Nil.
5. Interest income (i) Any income by way of Interest on securities (ii) Any income by way of interest other than interest securities.	Any person. (a) banking A company; or (b) a co-operative society carrying on the business of banking; or (c) a post office	Rate: Rates in force. —— Threshold limit: ₹10,000 Rate: Rates in force. —— Threshold limit: (a) ₹1,00,000 in

		for a deposit made under a scheme notified by the Central Government	the case of a senior citizen; (b) ₹50,000 in case of person other than senior citizen.
	(*iii*) Any income being interest other than interest on securities.	Specified person [other than person in Sl. No. 5(*ii*).C]	Rate: Rates in force. —— Threshold limit: ₹10,000.

Note 1.— In serial number 5(*ii*) and (*iii*), where the interest income credited or paid is in respect of—

(*a*) time deposits with a banking company;or

(*b*) time deposits with a co-operative society engaged in carrying on the business of banking; or

(*c*) deposits with a public company formed and registered in India with the main object of carrying on business of long-term finance for construction or purchase of houses in India for residential purposes and is eligible for deduction under section 32(*e*),

and the person mentioned in column C has not adopted core banking solutions, the threshold limit in column D shall be computed with reference to the income credited or paid by a branch of such person.

Note 2.—The person responsible for making the payment referred to in serial numbers5(*ii*) and (*iii*) of this Table, may at the time of making any deduction, increase or reduce the amount to be deducted for the purpose of adjusting any excess or deficiency arising out of any previous deduction or failure to deduct during the tax year.

6. Payments to contractors, fees for professional and technical services, etc.			
(*i*) Any sum for carrying out any work (including supply of labour for carrying out any work) in pursuance of a contract between the contractor and a designated person.	Any designated person.	Rate: (*a*) 1%, if contractor is individual or Hindu undivided family; (*b*) 2%, if contractor is a person other than the person mentioned in (*a*). —— Threshold limit: [for (*a*) and (*b*)] (*a*) ₹30,000; or aggregate of amount; and (*b*) ₹1,00,000 in case of aggregate of amounts.	
(*ii*) Any sum— (*a*) for carrying out any work (including supply of labour for carrying out any work) in pursuance of a contract; or (*b*) by way of fees for professional services; or	Any person, being an individual or Hindu undivided family [other than those required to deduct income-tax as per Sl. No. 6(*i*) and (*iii*) or Sl. No. 1(*ii*)]	Rate: 2%. —— Threshold limit: ₹50,00,000.	1 %
(*c*) by way of commission [not being insurance commission referred to in			

serial number 1(i)] or brokerage.		
(*iii*) Any sum by way of— (*a*) fees for professional services; or (*b*) fees for technical services; or (*c*) remuneration or fees or commission by whatever name called, other than those on which tax is deductible under section 392, to a director of a company; or (*d*) royalty; or (*e*) any sum referred to in section 26(*2*)(*h*).	Specified person.	Rate: (*a*) 2% of such sum in case of— (*i*) fees for technical services (not being a professional services); or (*ii*) royalty in the nature of consideration for sale, distribution or exhibition of cinematographic films; or (*iii*) payee, engaged only in the business of operation of call centre; (*b*) 10% of such sum in cases other than (*a*) —— Threshold limit: [for (*a*) and (*b*)]: ₹ 50,000.

Note.—In serial number 6 (*i*), if any sum is paid or credited for carrying out any work specified in section 402(47)(*e*), tax shall be deducted at source—

(*a*) on the invoice value excluding the value of material, if such value is specified separately in the invoice; or

(*b*) on the whole of the invoice value, if the value of material is not specified separately in the invoice.

7. Dividend

Any dividends (including on preference shares) declared.	Any domestic company.	Rate: 10%. —— Threshold limit: *Nil.*

Note.—The tax shall be deducted at source before making any distribution or payment of dividend.

8. Other cases

(*i*) Any sum under a life insurance policy, including the sum allocated as bonus on such policy, other than the amount not includible in the total income under Schedule II (Table: Sl. No. 2).	Any person.	Rate: 2% on income comprised in such sum. —— Threshold limit: ₹1,00,000
(*ii*) Any sum for purchase of any goods.	Any person, being a buyer.	Rate: 0.1% of such sum exceeding ₹50,00,000. —— Threshold limit: ₹50,00,000.
(*iii*) Total income of a specified senior citizen after allowing deduction under Chapter VIII and rebate	specified bank.	Rate: Rates in force. —— Threshold limit:

under section 156.		*Nil*.
(*iv*) Any benefit or perquisite, whether convertible into money or not, arising from business or the exercise of a profession of any resident.	Any specified person.	Rate: 10% of value or aggregate of values of such benefit or perquisite. —— Threshold limit: ₹ 20,000.
(*v*) Sale of goods or provision of services by an e-commerce participant, facilitated by an e-commerce operator through its digital or electronic facility or platform.	Anye-commerce operator.	Rate: 0.1% of gross amount of such sale or services or both. —— Threshold limit: *Nil.*
(*vi*) Any sum by way of consideration for transfer of a virtual digital asset.	Any person.	Rate: 1%. —— Threshold limit: *Nil.*

Note1.—The deduction of tax under serial number 8(*ii*) shall not apply to a transaction on which tax is deductible or collectible under any of the provisions of the Act.

Note 2.—The provisions of serial number 8(*iv*) shall apply to any benefit or perquisite, whether in cash or in kind or partly in cash and partly in kind, provided to a resident.

Note 3.—In respect of serial number 8(*v*)—

(*a*) for deduction of tax, the provisions thereof shall take precedence over any other provisions of this Chapter;

(*b*) any payment made by a purchaser of goods or recipient of services directly to an e-commerce participant for the sale of goods or provision of services or both, facilitated by an e-commerce operator, shall be deemed to be the amount credited or paid by the e-commerce operator to the e-commerce participant and this amount shall be included in the gross amount of such sale or services for the purposes of deduction of income-tax under this serial number;

(*c*) e-commerce operator shall be deemed to be the person responsible for paying to e-commerce participant;

(d) irrespective of anything contained in this Chapter, if—

(i) tax has been deducted on a transaction under this serial number; or

(ii) a transaction is not liable for tax deduction as provided in section 393(4)(Table: Sl. No. 11),

then tax shall not be deducted on such transaction under any other provision of this Chapter;

(e) clause (d) shall not apply to any amount or aggregate of amounts received or receivable by an e-commerce operator for—

(i) hosting advertisements; or

(ii) providing any other services,

which are not in connection with the sale or services referred to in this serial number.

Note 4.—In case of a transaction on which provisions of serial number 8(v) are applicable along with the provisions of serial number 8(vi) for deduction of tax, then tax on such transaction shall be deducted only under the provisions of serial number 8(vi).

Note 5.—The provisions of serial number 8(iii) shall take precedence over any other provisions of this Chapter and tax shall be deducted under this provision.

Note 6.—For serial numbers 8(iv) and (vi),—

(a) where the consideration or benefit or perquisite is—

(i) in exchange of another virtual digital asset where there is no part in cash, in respect of serial number 8(iv); or

(ii) is wholly in kind; or

(iii) is partly in kind and partly in cash, but such part in cash is not sufficient to meet the liability of deduction of tax in respect of the whole of such payment or benefit or perquisite,

the person responsible for paying or providing shall ensure that the tax required to be deducted has been paid, before releasing such consideration or providing such benefit or perquisite, as the case may be.

(b) "person responsible for providing" means the person providing such benefit or perquisite, or in case of a company, the company itself including the principal officer thereof.

(2) Where any income or sum of the nature specified in column B of the Table below, is credited or paid by the person specified in column D during the tax year, to a non-resident specified in column C, the person responsible for paying shall deduct income-tax on the amount of such income or sum,—

(a) at the rate specified in column E;

(b)at the time of credit of income or sum to the account of the payee or at the time of its payment in cash or by way of a cheque or a draft or by any other mode, whichever is earlier; and

(c) subject to the provisions of sub-sections (4), (8) and (9).

3.	Compensation on acquisition of certain immovable property referred to in section 393(*1*)[Table: Sl. No. 3(*iii*)].	Income by way of any award or agreement which has been exempted from levy of income-tax under section 96 of the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 (30 of 3013).
4.	Income in respect of units referred to in section 393(*1*)[Table: Sl. No. 4(*i*)].	If income is of the nature of capital gain.
5.	Income from units of a business trust referred to in section 393(*1*)[Table: Sl. No. 4(*ii*)].	Income of the nature referred to in Schedule V [Table: Sl. No. 3.B(*b*)], if the special purpose vehicle referred to in the said clause has not exercised the option under section 200.
6.	Interest on securities referred to in section 393(*1*)[Table: Sl. No. 5(*i*)].	(*a*) Interest payable on— (*i*) National Development Bonds; (*ii*) such debentures, issued by such institution or authority or person as the Central Government may, by notification, specify in this behalf; (*iii*) any security of the Central Government or a State Government, other than— (*A*) 8% Savings (Taxable) Bonds, 2003; or (*B*) 7.75% Savings (Taxable) Bonds, 2018; or

		(*C*) Floating Rate Savings Bonds, 2020 (Taxable); or (*D*) any other security of the Central Government or State Government as the Central Government may, by notification, specify in this behalf; (*b*) interest payable to— (*i*) the Life Insurance Corporation of India established under the Life Insurance Corporation Act, 1956, in respect of any securities owned by it or in which it has full beneficial interest; or (*ii*) the General Insurance Corporation of India or to any of the four companies, formed by virtue of the schemes made under section 16(*1*) of the General Insurance Business (Nationalisation) Act, 1972, in respect of any securities owned by the Corporation or such company or in which the Corporation or such company has full beneficial interest; or (*iii*) any other insurer in respect of any securities owned by it or in which it has full beneficial interest; or (*iv*) a "business trust", as defined in section 2(*21*), in respect of any securities, by a special purpose vehicle referred to in Schedule V (Table: Sl. No. 3).
7.	Interest other than Interest on securities referred to in section 393(*1*)[Table: Sl. No. 5(*ii*) and 5(*iii*)].	(*a*) Interest income credited or paid to— (*i*) any banking company; or (*ii*) any financial corporation established by or under a Central Act or State Act or Provincial Act; or (*iii*) the Life Insurance Corporation of India established under the Life Insurance Corporation Act, 1956 (31 of 1956); or (*iv*) the Unit Trust of India; or

(*v*) any company or co-operative society carrying on the business of insurance; or

(*vi*) such other institution, association or body or class of institutions, associations or bodies which the Central Government may, for reasons to be recorded in writing, notified in this behalf before the 1st April, 2020;

(*b*) interest income credited or paid—

(*i*) by a co-operative society (other than a co-operative bank) to a member thereof; or

(ii) by a co-operative society to any other co-operative society; or

(*iii*) in respect of deposits with a primary agricultural credit society or a primary credit society or a co-operative land mortgage bank or a co-operative land development bank; or

(*iv*) in respect of deposits (other than time deposits made on or after the 1st July, 1995) with a co-operative society, other than a co-operative society or bank referred to in sub-clause (*iii*), engaged in the business of banking,

Wherethe total sales, gross receipts or turnover of the co-operative society does not exceed ₹50,00,00,000 during the tax year immediately preceding the tax year in which such interest is credited or paid;

(*c*) interest income credited or paid—

(*i*) by the Central Government under any provision of this Act or the Income-tax Act, 1961 (43 of 1961), or the Estate Duty Act, 1953 (34 of 1953), or the Wealth-tax Act, 1957 (27 of 1957), or the Gift-tax

		Act, 1958 (18 of 1958), the Companies (Profits) Surtax Act, 1964 (7 of 1964), or the Interest-tax Act, 1974 (45 of 1974); (*ii*) in respect of deposits under any scheme framed by the Central Government and notified by it in this behalf; (*iii*) in respect of deposits (other than time deposits made on or after the 1st July, 1995) with a banking company;
		(*iv*) by way of interest on the compensation amount awarded by the Motor Accidents Claims Tribunal where the amount of such income or, the aggregate of the amounts of such income does not exceed ₹50,000 during the tax year; (*v*) or payable by an infrastructure capital company; or infrastructure capital fund; or infrastructure debt fund; or a public sector company; or scheduled bank in relation to a zero coupon bond issued on or after the 1st June, 2005 by such company or fund or public sector company or scheduled bank; (*vi*) as referred to in Schedule V (Table: Sl. No. 3); (*vii*) by a firm to a partner of the firm.
8.	Payments to contractors referred to in section 393(*1*)[Table: Sl. No. 6(*i*)].	(*a*) When— (*i*) any sum credited or paid or likely to be credited or paid during the tax year to the account of a contractor during the course of business of plying, hiring or leasing goods carriages; and (*ii*) that contractor owns ten or less goods carriages at any time during the tax year; and (*iii*) furnishes a declaration to that effect along with his Permanent Account Number to the person

		paying the sum; and (*iv*) the person responsible for paying to the contractor furnishes to the prescribed income-tax authority the particulars in such form and within such time as prescribed; (*b*) where such sum is credited or paid by individual or Hindu undivided family exclusively for personal purposes of such individual or any member of Hindu undivided family.
9.	Fees for professional or technical services referred to in section 393(*1*)[Table: Sl. No. 6(*iii*)].	Where such sum is credited or paid by individual or Hindu undivided family exclusively for personal purposes of such individual or any member of Hindu undivided family.
10.	Dividend referred to in section 393(*1*)(Table: Sl. No. 7).	Dividend income credited or paid to— (*a*) the Life Insurance Corporation of India established under the Life Insurance Corporation Act, 1956, in respect of any shares owned by it or in which it has full beneficial interest; (*b*) the General Insurance Corporation of India or to any of the four companies, formed by virtue of the schemes made under section 16(*1*) of the General Insurance Business (Nationalisation) Act, 1972 (57 of 1972), in respect of any shares owned by the Corporation or such company or in which the Corporation or such company has full beneficial interest; (*c*) any other insurer in respect of any shares owned by it or in which it has full beneficial interest; (*d*) a “business trust”, as defined in section 2(*21*), by a special purpose vehicle referred to in Schedule V (Note 2);

		(*e*) any other person as notified by the Central Government in this behalf; (*f*) a shareholder, being an individual, if— (*I*) the dividend is paid by the company by any mode other than cash; and (*II*) amount or aggregate of amounts of such dividend distributed or paid or likely to be distributed or paid during the tax year does not exceed ₹10,000.
11.	Payment by e-commerce operator to e-commerce participant referred to in section 393(*1*)[Table: Sl. No. 8(*v*)].	If the amount is credited or paid or likely to be credited or paid during the tax year to the account of an e- commerce participant, which is— (*a*) an individual or a Hindu undivided family; and (*b*) the gross amount of the sales or services or both during the tax year does not exceed ₹5,00,000; and (*c*) the e-commerce participant has furnished the Permanent Account Number or Aadhaar number to the e-commerce operator.
12.	Payment on transfer of virtual digital asset referred to in section 393(*1*)[Table: Sl. No. 8(*vi*)]	Where value or aggregate value of such consideration during the tax year does not exceed– – (*a*) ₹50,000, when payable by an individual or a Hindu undivided family,— (*i*)whose total sales, gross receipts or turnover from the business carried on by him or profession exercised by him does not exceed ₹1,00,00,000 in case of business or ₹50,00,000 in case of profession, during the tax year immediately preceding the tax year in which such virtual digital asset is transferred;

		(*ii*) not having any income under the head "Profits and gains of business or profession"; (*b*) ₹10,000, when payable by any person other than the person referred to in clause (*a*).
13.	Income from units of a business trust referred to in section 393(*2*)(Table: Sl. No. 6).	Income of the nature referred to in Schedule V [Table: Sl. No. 3.B (*b*)], if the special purpose vehicle referred to in the said clause has not exercised the option under section 200.
14.	Income in respect of units of investment fund referred to in section 393(*2*)(Table: Sl. No. 8).	Income that is not chargeable to tax under the provisions of this Act.
15.	Income in respect of units of non-residents referred to in section 393(*2*)(Table: Sl. No. 10).	Income payable in respect of units of the Unit Trust of India to a non-resident Indian or a non-resident Hindu undivided family, subject to prescribed conditions.
16.	Income of Foreign Institutional Investors from securities referred to in section 393(*2*)(Table: Sl. No. 15).	Income, by way of capital gains arising from the transfer of securities referred to in section 210, if payable to a Foreign Institutional Investor.
17.	Income of Specified Fund from securities referred to in section 393(*2*)(Table: Sl. No. 16).	Income exempt at Schedule VI (Table: Sl. No. 1) to (Table: Sl. No. 4).
18.	Payment of certain amounts in cash referred to in section 393(*3*)(Table: Sl. No. 5).	Payment made to— (*a*) the Government; (*b*) any banking company or co-operative society engaged in carrying on the business of banking or a post office; (*c*) any business correspondent of a banking

		company or co-operative society engaged in carrying on the business of banking, as per the guidelines issued in this regard by the Reserve Bank of India under the Reserve Bank of India Act, 1934 (2 of 1934); (*d*) any white label automated teller machine operator of a banking company or co-operative society engaged in carrying on the business of banking, as per the authorisation issued by the Reserve Bank of India under the Payment and Settlement Systems Act, 2007 (51 of 2007).
19.	Payment in respect of deposits under National Savings Scheme, etc., referred to in section 393(*3*)(Table: Sl. No. 6).	Payment made to— (*a*) an assessee being and individual; (*b*) heirs of an assessee.

(5) Irrespective of anything contained in this Chapter, the tax shall not be deducted by any person from any amount payable to—

(a) the Government; or

(b) the Reserve Bank of India; or

(c) a corporation established by or under a Central Act which is, under any law in force, exempt from income-tax on its income; or

(d) a Mutual fund as specified at Schedule VII (Table: Sl. No. 20 or 21),

where such amount is payable to it by way of—

(A) interest; or

(B) dividend in respect of any securities or shares owned by it or in which it has full beneficial interest; or

(C) any other income accruing or arising to it.

(6) The deduction of tax shall not be made under provisions referred to in column C of the Table below, in the case of a person as specified in column B, if such person

furnishes to the person responsible for paying any income or sum of the nature referred to in such provisions, a written declaration in duplicate in such form and manner as prescribed that the tax on such person's estimated total income of the tax year in which such income or sum is to be included in computing his total income shall be nil.

Table

DECLARATION FOR NO DEDUCTION AT SOURCE

Sl. No.	Person	Provisions for tax deduction at source
A	B	C
1.	An individual, who is a resident of India.	Dividend referred to in section 393(*1*)(Table: Sl. No. 7).
2.	(a) An individual, resident of India, who is of the age of sixty years or more at any time during the tax year; (*b*) any person (not being a company or a firm).	(*a*) Payment of accumulated balance due to an employee referred to in section 392(7); (*b*) Insurance Commission referred to in section 393(*1*)[Table: Sl. No. 1(*i*)]; (*c*) rent referred to in section 393(*1*)[Table: Sl. No. 2(*ii*)]; (*d*) income in respect of units referred to in section 393(*1*)[Table: Sl. No. 4(*i*)]; (*e*) interest referred to in section 393(*1*)[Table: Sl. No. 5(*i*)], [(*ii*)] and (*iii*)]; (*f*) payment in respect of Life Insurance Policy referred to in section 393(*1*)[Table: Sl. No. 8(*i*)].

Note.—The provisions of this sub-section shall not apply where the aggregate of amounts of any income or sum of the nature referred to in provision mentioned in column C of this Table, is credited or paid or likely to be credited or paid during the relevant tax year in which such income or sum is to be included, exceeds the maximum amount not chargeable to tax.

(*7*) The person responsible for paying any income or sum of the nature referred in sub-section (*6*) shall deliver or cause to be delivered, one copy of the declaration referred therein, received from the person to the Principal Chief Commissioner or Chief

Commissioner or Principal Commissioner or Commissioner, on or before the seventh day of the month following the month in which the declaration is furnished to him.

(*8*) Irrespective of anything contained in sub-section (*6*), the deduction of tax shall not be made from the interest paid by an Offshore Banking Unit on a borrowing or deposit made on or after 1st April, 2005, by a non-resident or a person not ordinarily resident in India.

(*9*) Irrespective of anything contained in this Chapter, the deduction of tax shall not be made from any payment to a person for, or on behalf of, the New Pension System Trust referred to in Schedule VII (Table: Sl. No. 41).

(*10*In a case other than that referred to in section 392(*2*)(*a*), where under an agreement or an arrangement, if the tax chargeable on any income of the recipient referred to in this Chapter is to be borne by the payer, then, for the purposes of deduction of tax, the income shall be increased to an amount which after deduction of tax as per provisions of this Chapter becomes equal to the net amount payable under such agreement or arrangement.

(*11*) The credit of any income or sum to any account, whether called "suspense account" or by any other name, in the books of account of the person liable to pay such income or sum, shall be deemed to be the credit of such income or sum to the account of the payee and the provisions of this section shall apply accordingly.

393.2 <u>Relevant provision of the Principal Act (Income-Tax Act 1961)</u>

Interest on securities.

193. The person responsible for paying to a resident any income by way of interest on securities shall, at the time of credit of such income to the account of the payee or at the time of payment thereof in cash or by issue of a cheque or draft or by any other mode, whichever is earlier, [61]**[***being the amount or the aggregate of amounts exceeding ten thousand rupees during the financial year,***]** deduct income-tax at the rates in force on the amount of the interest payable :

Provided that no tax shall be deducted from—

(*i*) any interest payable on 4¼ per cent National Defence Bonds, 1972, where the bonds are held by an individual, not being a non-resident; or

(*ia*) any interest payable to an individual on 4¼ per cent National Defence Loan, 1968, or 4¾ per cent National Defence Loan, 1972; or

(*ib*) any interest payable on National Development Bonds; or

(*ii*) [***]

(*iia*) any interest payable on 7-Year National Savings Certificates (IV Issue); or

(*iib*) any interest payable on such debentures, issued by any institution or authority, or any public sector company, or any co-operative society (including a co-operative land mortgage bank or a co-operative land development bank), as the Central Government may, by notification in the Official Gazette, specify in this behalf;

(*iii*) any interest payable on 6½ per cent Gold Bonds, 1977, or 7 per cent Gold Bonds, 1980, where the Bonds are held by an individual not being a non-resident, and the holder thereof makes a declaration in writing before the person responsible for paying the interest that the total nominal value of the 6½ per cent Gold Bonds, 1977, or, as the case may be, the 7 per cent Gold Bonds, 1980, held by him (including such bonds, if any, held on his behalf by any other person) did not in either case exceed ten thousand rupees at any time during the period to which the interest relates;

(*iiia*) [***]

(*iv*) any interest payable on any security of the Central Government or a State Government:

[62][**Provided** that nothing in this clause shall apply to the interest exceeding ten thousand rupees payable during the financial year on 8% Savings (Taxable) Bonds, 2003 or 7.75% Savings (Taxable) Bonds, 2018 or Floating Rate Savings Bonds, 2020 (Taxable) or any other security of the Central Government or State Government as the Central Government may, by notification in the Official Gazette, specify in this behalf;]

(*v*) any interest payable to an individual or a Hindu undivided family, who is resident in India, on any debenture issued by a company in which the public are substantially interested, if—

(*a*) the amount of interest or, as the case may be, the aggregate amount of such interest paid or likely to be paid on such debenture during the financial year by the company to such individual or Hindu undivided family does not exceed [63]**[***ten***]** thousand rupees; and

(*b*) such interest is paid by the company by an account payee cheque;

(*vi*) any interest payable to the Life Insurance Corporation of India established under the Life Insurance Corporation Act, 1956 (31 of 1956), in respect of any securities owned by it or in which it has full beneficial interest; or

(*vii*) any interest payable to the General Insurance Corporation of India (hereafter in this clause referred to as the Corporation) or to any of the four companies (hereafter in this clause referred to as such company), formed by virtue of the schemes framed under sub-section (1) of section 16 of the General Insurance Business (Nationalisation) Act, 1972 (57 of 1972), in respect of any securities owned by the Corporation or such company or in which the Corporation or such company has full beneficial interest; or

(*viii*) any interest payable to any other insurer in respect of any securities owned by it or in which it has full beneficial interest;

[6] [4][(*ix*) any interest payable to a "business trust", as defined in clause (*13A*) of section 2, in respect of any securities, by a special purpose vehicle referred to in the *Explanation* to clause (*23FC*) of section 10.]

Explanation.—For the purposes of this section, where any income by way of interest on securities is credited to any account, whether called "Interest payable account" or "Suspense account" or by any other name, in the books of account of the person liable to pay such income, such crediting shall be deemed to be credit of such income to the account of the payee and the provisions of this section shall apply accordingly.

Explanation 2.—[*Omitted by the Finance Act, 1992, w.e.f. 1-6-1992.*]

Dividends.

194. The principal officer of an Indian company or a company which has made the prescribed arrangements for the declaration and payment of dividends (including dividends on preference shares) within India, shall, before making any payment by any mode in

respect of any dividend or before making any distribution or payment to a shareholder, who is resident in India, of any dividend within the meaning of sub-clause (*a*) or sub-clause (*b*) or sub-clause (*c*) or sub-clause (*d*) or sub-clause (*e*) [65][or sub-clause (*f*)] of clause (*22*) of section 2, deduct from the amount of such dividend, income-tax at the rate of ten per cent :

Provided that no such deduction shall be made in the case of a shareholder, being an individual, if—

(*a*) the dividend is paid by the company by any mode other than cash; and

(*b*) the amount of such dividend or, as the case may be, the aggregate of the amounts of such dividend distributed or paid or likely to be distributed or paid during the financial year by the company to the shareholder, does not exceed [66]**[***ten***]** thousand rupees:

Provided further that the provisions of this section shall not apply to such income credited or paid to—

(*a*) the Life Insurance Corporation of India established under the Life Insurance Corporation Act, 1956 (31 of 1956), in respect of any shares owned by it or in which it has full beneficial interest;

(*b*) the General Insurance Corporation of India (hereafter in this proviso referred to as the Corporation) or to any of the four companies (hereafter in this proviso referred to as such company), formed by virtue of the schemes framed under sub-section (1) of section 16 of the General Insurance Business (Nationalisation) Act, 1972 (57 of 1972), in respect of any shares owned by the Corporation or such company or in which the Corporation or such company has full beneficial interest;

(*c*) any other insurer in respect of any shares owned by it or in which it has full beneficial interest;

(*d*) a "business trust", as defined in clause (*13A*) of section 2, by a special purpose vehicle referred to in the *Explanation* to clause (*23FC*) of section 10;

(*e*) any other person as may be notified by the Central Government in the Official Gazette in this behalf.

Interest other than "Interest on securities".

194A. (1) Any person, not being an individual or a Hindu undivided family, who is responsible for paying to a resident any income by way of interest other than income by way of interest on securities, shall, at the time of credit of such income to the account of the payee or at the time of payment thereof in cash or by issue of a cheque or draft or by any other mode, whichever is earlier, deduct income-tax thereon at the rates in force :

Provided that an individual or a Hindu undivided family, whose total sales, gross receipts or turnover from the business or profession carried on by him exceed one crore rupees in case of business or fifty lakh rupees in case of profession during the financial year immediately preceding the financial year in which such interest is credited or paid, shall be liable to deduct income-tax under this section.

Explanation.—For the purposes of this section, where any income by way of interest as aforesaid is credited to any account, whether called "Interest payable account" or "Suspense account" or by any other name, in the books of account of the person liable to pay such income, such crediting shall be deemed to be credit of such income to the account of the payee and the provisions of this section shall apply accordingly.

(2) [*Omitted by the Finance Act, 1992, w.e.f. 1-6-1992.*]

(3) The provisions of sub-section (1) shall not apply—

(*i*) where the amount of such income or, as the case may be, the aggregate of the amounts of such income credited or paid or likely to be credited or paid during the financial year by the person referred to in sub-section (1) to the account of, or to, the payee, does not exceed—

(a) [67]**[***fifty***]** thousand rupees, where the payer is a banking company to which the Banking Regulation Act, 1949 (10 of 1949) applies (including any bank or banking institution, referred to in section 51 of that Act);

(b) [67]**[***fifty***]** thousand rupees, where the payer is a co-operative society engaged in carrying on the business of banking;

(c) [67]**[***fifty***]** thousand rupees, on any deposit with post office under any

scheme framed by the Central Government and notified by it in this behalf; and

(d) [68]**[***ten***]** thousand rupees in any other case]:

Provided that in respect of the income credited or paid in respect of—

(a) time deposits with a banking company to which the Banking Regulation Act, 1949 (10 of 1949) applies (including any bank or banking institution referred to in section 51 of that Act); or

(b) time deposits with a co-operative society engaged in carrying on the business of banking;

(c) deposits with a public company which is formed and registered in India with the main object of carrying on the business of providing long-term finance for construction or purchase of houses in India for residential purposes and which is eligible for deduction under clause (*viii*) of sub-section (1) of section 36;

the aforesaid amount shall be computed with reference to the income credited or paid by a branch of the banking company or the co-operative society or the public company, as the case may be :

Provided further that the amount referred to in the first proviso shall be computed with reference to the income credited or paid by the banking company or the co-operative society or the public company, as the case may be, where such banking company or the co-operative society or the public company has adopted core banking solutions:

Provided also that in case of payee being a senior citizen, the provisions of sub-clause (*a*), sub-clause (*b*), and sub-clause (*c*) shall have effect as if for the words " [68]**[***fifty***]** thousand rupees", the words " [69-70]**[***one lakh***]** rupees" had been substituted.

Explanation.—[***]

(ii) [***]

(iii) to such income credited or paid

to—

(a) any banking company to which the Banking Regulation Act, 1949 (10 of 1949), applies, or any co-operative society engaged in carrying on the business of banking (including a co-operative land mortgage bank), or

(b) any financial corporation established by or under a Central, State or Provincial Act, or

(c) the Life Insurance Corporation of India established under the Life Insurance Corporation Act, 1956 (31 of 1956), or

(d) the Unit Trust of India established under the Unit Trust of India Act, 1963 (52 of 1963), or

(e) any company or co-operative society carrying on the business of insurance, or

(f) such other institution, association or body or class of institutions, associations or bodies which the Central Government may, for reasons to be recorded in writing, notify in this behalf in the Official Gazette:

Provided that no notification under this sub-clause shall be issued on or after the 1st day of April, 2020;

(iv) to such income credited or paid by a firm to a partner of the firm;

(v) to such income credited or paid by a co-operative society (other than a co-operative bank) to a member thereof or to such income credited or paid by a co-operative society to any other co-operative society.

Explanation.—For the purposes of this clause, "co-operative bank" shall have the same meaning as assigned to it in Part V of the Banking Regulation Act, 1949 (10 of 1949);

(vi) to such income credited or paid in respect of deposits under any scheme framed by the Central Government and notified by it in this behalf in the Official Gazette;

(vii) to such income credited or paid in respect of deposits (other than time deposits

made on or after the 1st day of July, 1995) with a banking company to which the Banking Regulation Act, 1949 (10 of 1949) applies (including any bank or banking institution referred to in section 51 of that Act);

(viia) to such income credited or paid in respect of,—

(*a*) deposits with a primary agricultural credit society or a primary credit society or a co-operative land mortgage bank or a co-operative land development bank;

(*b*) deposits (other than time deposits made on or after the 1st day of July, 1995) with a co-operative society, other than a co-operative society or bank referred to in sub-clause (*a*), engaged in carrying on the business of banking;

(viii) to such income credited or paid by the Central Government under any provision of this Act or the Indian Income-tax Act, 1922 (11 of 1922), or the Estate Duty Act, 1953 (34 of 1953), or the Wealth-tax Act, 1957 (27 of 1957), or the Gift-tax Act, 1958 (18 of 1958), or the Super Profits Tax Act, 1963 (14 of 1963), or the Companies (Profits) Surtax Act, 1964 (7 of 1964), or the Interest-tax Act, 1974 (45 of 1974);

(ix) to such income credited by way of interest on the compensation amount awarded by the Motor Accidents Claims Tribunal;

(ixa) to such income paid by way of interest on the compensation amount awarded by the Motor Accidents Claims Tribunal where the amount of such income or, as the case may be, the aggregate of the amounts of such income paid during the financial year does not exceed fifty thousand rupees;

(x) to such income which is paid or payable by an infrastructure capital company or infrastructure capital fund or infrastructure debt fund or a public sector company or scheduled bank in relation to a zero coupon bond issued on or after the 1st day of June, 2005 by such company or fund or public sector company or scheduled bank;

(xi) to any income by way of interest referred to in clause (*23FC*) of section 10:

Provided that a co-operative society referred to in clause (*v*) or clause (*viia*) shall be liable to deduct income-tax in accordance with the provisions of sub-section (1), if—

(*a*) the total sales, gross receipts or turnover of the co-operative society exceeds fifty crore rupees during the financial year immediately preceding the financial year in which the interest referred to in sub-section (1) is credited or paid; and

(*b*) the amount of interest, or the aggregate of the amounts of such interest, credited or paid, or is likely to be credited or paid, during the financial year is more than [71]**[***one lakh***]** rupees in case of payee being a senior citizen and [72]**[***fifty***]** thousand rupees in any other case.

Explanation 1.—For the purposes of clauses (*i*), (*vii*) and (*viia*), "time deposits" means deposits (including recurring deposits) repayable on the expiry of fixed periods.

Explanation 2.—For the purposes of this sub-section, "senior citizen" means an individual resident in India who is of the age of sixty years or more at any time during the relevant previous year.

(4) The person responsible for making the payment referred to in sub-section (1) may, at the time of making any deduction, increase or reduce the amount to be deducted under this section for the purpose of adjusting any excess or deficiency arising out of any previous deduction or failure to deduct during the financial year.

(5) The Central Government may, by notification in the Official Gazette, provide that the deduction of tax shall not be made or shall be made at such lower rate, from such payment to such person or class of persons, as may be specified in the said notification.

Explanation.—[*Omitted by the Finance Act, 1992, w.e.f. 1-6-1992.*]

Winnings from lottery or crossword puzzle [73][, etc.].

194B. The person responsible for paying to any person any income by way of winnings from any lottery or crossword puzzle or card game and other game of any sort [74][or from gambling or betting of any form or nature whatsoever, being the amount [75]**[***in respect of a single transaction***]** exceeding ten thousand rupees [76]**[*****]**] shall, at the time of payment thereof, deduct income-tax thereon at the rates in force :

Provided that in a case where the winnings are wholly in kind or partly in cash and partly in kind but the part in cash is not sufficient to meet the liability of deduction of tax in

respect of whole of the winnings, the person responsible for paying shall, before releasing the winnings, ensure that tax has been paid in respect of the winnings:

[77][**Provided further** that nothing contained in this section shall apply to deduction of income-tax on winnings from any online game on or after the 1st day of April, 2023.

Explanation.—For the purposes of this section, "online game" shall have the meaning assigned to it in clause (*iii*) of the *Explanation* to section 115BBJ.]

[**Winnings from online games.**

194BA. (1) Notwithstanding anything contained in any other provisions of this Act, any person responsible for paying to any person any income by way of winnings from any online game during the financial year shall deduct income-tax on the net winnings in his user account, computed in the manner as may be prescribed, at the end of the financial year at the rates in force:

Provided that in a case where there is a withdrawal from user account during the financial year, the income-tax shall be deducted at the time of such withdrawal on the net winnings comprised in such withdrawal, as well as on the remaining amount of net winnings in the user account, computed in the manner as may be prescribed, at the end of the financial year.

(2) In a case where the net winnings are wholly in kind or partly in cash, and partly in kind but the part in cash is not sufficient to meet the liability of deduction of tax in respect of whole of the net winnings, the person responsible for paying shall, before releasing the winnings, ensure that tax has been paid in respect of the net winnings.

(3) If any difficulty arises in giving effect to the provisions of this section, the Board may, with the previous approval of the Central Government, issue guidelines for the purposes of removing the difficulty.

(4) Every guideline issued by the Board under sub-section (3) shall, as soon as may be after it is issued, be laid before each House of Parliament, and shall be binding on the income-tax authorities and on the person liable to deduct income-tax.

Explanation.—For the purposes of this section—

(*a*) "computer resource", "internet" and "online game" shall have the meanings respectively assigned to them in section 115BBJ;

(*b*) "online gaming intermediary" means an intermediary that offers one or more online games;

(*c*) "user" means any person who accesses or avails any computer resource of an online gaming intermediary;

(*d*) "user account" means account of a user registered with an online gaming intermediary.]

Winnings from horse race.

194BB. Any person, being a bookmaker or a person to whom a licence has been granted by the Government under any law for the time being in force for horse racing in any race course or for arranging for wagering or betting in any race course, who is responsible for paying to any person any income by way of winnings from any horse race [78][, being the amount [79]**[***in respect of a single transaction***]** exceeding ten thousand rupees [80]**[***]**,] shall, at the time of payment thereof, deduct income-tax thereon at the rates in force.

Payments to contractors.

194C. (1) Any person responsible for paying any sum to any resident (hereafter in this section referred to as the contractor) for carrying out any work (including supply of labour for carrying out any work) in pursuance of a contract between the contractor and a specified person shall, at the time of credit of such sum to the account of the contractor or at the time of payment thereof in cash or by issue of a cheque or draft or by any other mode, whichever is earlier, deduct an amount equal to—

(i) one per cent where the payment is being made or credit is being given to an individual or a Hindu undivided family;

(ii) two per cent where the payment is being made or credit is being given to a person other than an individual or a Hindu undivided family,

of such sum as income-tax on income comprised therein.

(2) Where any sum referred to in sub-section (1) is credited to any account, whether called "Suspense account" or by any other name, in the books of account of the person liable to pay such income, such crediting shall be deemed to be credit of such income to the account of the payee and the provisions of this section shall apply accordingly.

(3) Where any sum is paid or credited for carrying out any work mentioned in sub-clause (*e*) of clause (*iv*) of the *Explanation,* tax shall be deducted at source—

(i) on the invoice value excluding the value of material, if such value is mentioned separately in the invoice; or

(ii) on the whole of the invoice value, if the value of material is not mentioned separately in the invoice.

(4) No individual or Hindu undivided family shall be liable to deduct income-tax on the sum credited or paid to the account of the contractor where such sum is credited or paid exclusively for personal purposes of such individual or any member of Hindu undivided family.

(5) No deduction shall be made from the amount of any sum credited or paid or likely to be credited or paid to the account of, or to, the contractor, if such sum does not exceed thirty thousand rupees :

Provided that where the aggregate of the amounts of such sums credited or paid or likely to be credited or paid during the financial year exceeds one lakh rupees, the person responsible for paying such sums referred to in sub-section (1) shall be liable to deduct income-tax under this section.

(6) No deduction shall be made from any sum credited or paid or likely to be credited or paid during the previous year to the account of a contractor during the course of business of plying, hiring or leasing goods carriages, where such contractor owns ten or less goods carriages at any time during the previous year and furnishes a declaration to that effect along with his Permanent Account Number, to the person paying or crediting such sum.

(7) The person responsible for paying or crediting any sum to the person referred to in sub-section (6) shall furnish, to the prescribed income-tax authority or the person authorised by it, such particulars, in such form and within such time as may be prescribed.

Explanation.—For the purposes of this section,—

(*i*) "specified person" shall mean,—

(a) the Central Government or any State Government; or

(b) any local authority; or

(c) any corporation established by or under a Central, State or Provincial Act; or

(d) any company; or

(e) any co-operative society; or

(f) any authority, constituted in India by or under any law, engaged either for the purpose of dealing with and satisfying the need for housing accommodation or for the purpose of planning, development or improvement of cities, towns and villages, or for both; or

(g) any society registered under the Societies Registration Act, 1860 (21 of 1860) or under any law corresponding to that Act in force in any part of India; or

(h) any trust; or

(i) any university established or incorporated by or under a Central, State or Provincial Act and an institution declared to be a university under section 3 of the University Grants Commission Act, 1956 (3 of 1956); or

(j) any Government of a foreign State or a foreign enterprise or any association or body established outside India; or

(k) any firm; or

(l) any person, being an individual or a Hindu undivided family or an association of persons or a body of individuals, if such person,—

(A) does not fall under any of the preceding sub-clauses; and

(B) has total sales, gross receipts or turnover from business or profession carried on by him exceeding one crore rupees in case of business or fifty lakh rupees in case of profession during the financial year immediately preceding the financial year in which such sum is credited or paid to the account of the contractor;

(ii) "goods carriage" shall have the meaning assigned to it in the *Explanation* to sub-section (7) of section 44AE;

(iii) "contract" shall include sub-contract;

(iv) "work" shall include—

(a) advertising;

(b) broadcasting and telecasting including production of progra-mmes for such broadcasting or telecasting;

(c) carriage of goods or passengers by any mode of transport other than by railways;

(d) catering;

(e) manufacturing or supplying a product according to the requirement or specification of a customer by using material purchased from such customer or its associate, being a person placed similarly in relation to such customer as is the person placed in relation to the assessee under the provisions contained in clause (*b*) of sub-section (2) of section 40A,

[81][but does not include—

(A) manufacturing or supplying a product according to the requirement or specification of a customer by using material purchased from a person, other than such customer or associate of such customer; or

(B) any sum referred to in sub-section (1) of section 194J.]

Insurance commission.

194D. Any person responsible for paying to a resident any income by way of remuneration or reward, whether by way of commission or otherwise, for soliciting or procuring insurance business (including business relating to the continuance, renewal or revival of policies of insurance) shall, at the time of credit of such income to the account of the payee or at the time of payment thereof in cash or by issue of a cheque or draft or by any other mode, whichever is earlier, deduct income-tax thereon at the rates in force :

Provided that no deduction shall be made under this section from any such income credited or paid before the 1st day of June, 1973:

Provided further that no deduction shall be made under this section in a case where the amount of such income or, as the case may be, the aggregate of the amounts of such

income credited or paid or likely to be credited or paid during the financial year to the account of, or to, the payee, does not exceed [82]**[***twenty***]** thousand rupees.

Payment in respect of life insurance policy.

194DA. Any person responsible for paying to a resident any sum under a life insurance policy, including the sum allocated by way of bonus on such policy, other than the amount not includible in the total income under clause (*10D*) of section 10, shall, at the time of payment thereof, deduct income-tax thereon at the rate of [83][two] per cent on the amount of income comprised therein :

Provided that no deduction under this section shall be made where the amount of such payment or, as the case may be, the aggregate amount of such payments to the payee during the financial year is less than one hundred thousand rupees.

Payments to non-resident sportsmen or sports associations.

194E. Where any income referred to in section 115BBA is payable to a non-resident sportsman (including an athlete) or an entertainer who is not a citizen of India or a non-resident sports association or institution, the person responsible for making the payment shall, at the time of credit of such income to the account of the payee or at the time of payment thereof in cash or by issue of a cheque or draft or by any other mode, whichever is earlier, deduct income-tax thereon at the rate of twenty per cent.

Payments in respect of deposits under National Savings Scheme, etc.

194EE. The person responsible for paying to any person any amount referred to in clause (*a*) of sub-section (2) of section 80CCA shall, at the time of payment thereof, deduct income-tax thereon at the rate of ten per cent :

Provided that no deduction shall be made under this section where the amount of such payment or, as the case may be, the aggregate amount of such payments to the payee during the financial year is less than two thousand five hundred rupees :

Provided further that nothing contained in this section shall apply to the payment of the said amount to the heirs of the assessee.

Commission, etc., on sale of lottery tickets.

194G. (1) Any person who is responsible for paying, on or after the 1st day of October, 1991 to any person, who is or has been stocking, distributing, purchasing or selling lottery tickets, any income by way of commission, remuneration or prize (by whatever name

called) on such tickets in an amount exceeding [84]**[***twenty***]** thousand rupees shall, at the time of credit of such income to the account of the payee or at the time of payment of such income in cash or by the issue of a cheque or draft or by any other mode, whichever is earlier, deduct income-tax thereon at the rate of [85][two] per cent.

(2) [***]

(3) [***]

Explanation.—For the purposes of this section, where any income is credited to any account, whether called "Suspense Account" or by any other name, in the books of account of the person liable to pay such income, such crediting shall be deemed to be credit of such income to the account of the payee and the provisions of this section shall apply accordingly.

Commission or brokerage.

194H. Any person, not being an individual or a Hindu undivided family, who is responsible for paying, on or after the 1st day of June, 2001, to a resident, any income by way of commission (not being insurance commission referred to in section 194D) or brokerage, shall, at the time of credit of such income to the account of the payee or at the time of payment of such income in cash or by the issue of a cheque or draft or by any other mode, whichever is earlier, deduct income-tax thereon at the rate of [85][two] per cent :

Provided that no deduction shall be made under this section in a case where the amount of such income or, as the case may be, the aggregate of the amounts of such income credited or paid or likely to be credited or paid during the financial year to the account of, or to, the payee, does not exceed [86-87]**[***twenty***]** thousand rupees :

Provided further that an individual or a Hindu undivided family, whose total sales, gross receipts or turnover from the business or profession carried on by him exceed one crore rupees in case of business or fifty lakh rupees in case of profession during the financial year immediately preceding the financial year in which such commission or brokerage is credited or paid, shall be liable to deduct income-tax under this section:

Provided also that no deduction shall be made under this section on any commission or brokerage payable by Bharat Sanchar Nigam Limited or Mahanagar Telephone Nigam Limited to their public call office franchisees.

Explanation.—For the purposes of this section,—

(*i*) "commission or brokerage" includes any payment received or receivable, directly or indirectly, by a person acting on behalf of another person for services rendered (not being professional services) or for any services in the course of buying or selling of goods or in relation to any transaction relating to any asset, valuable article or thing, not being securities;

(ii) the expression "professional services" means services rendered by a person in the course of carrying on a legal, medical, engineering or architectural profession or the profession of accountancy or technical consultancy or interior decoration or such other profession as is notified by the Board for the purposes of section 44AA;

(iii) the expression "securities" shall have the meaning assigned to it in clause (*h*) of section 2 of the Securities Contracts (Regulation) Act, 1956 (42 of 1956) ;

(iv) where any income is credited to any account, whether called "Suspense account" or by any other name, in the books of account of the person liable to pay such income, such crediting shall be deemed to be credit of such income to the account of the payee and the provisions of this section shall apply accordingly.

Rent.

194-I. Any person, not being an individual or a Hindu undivided family, who is responsible for paying to a resident any income by way of rent, shall, at the time of credit of such income to the account of the payee or at the time of payment thereof in cash or by the issue of a cheque or draft or by any other mode, whichever is earlier, deduct income-tax thereon at the rate of—

(a) two per cent for the use of any machinery or plant or equipment; and

(b) ten per cent for the use of any land or building (including factory building) or land appurtenant to a building (including factory building) or furniture or fittings:

[88]**[Provided** *that no deduction shall be made under this section, where the income by way of rent credited or paid for a month or part of a month by such person to the account of, or to, the payee, does not exceed fifty thousand rupees:***]**

Provided further that an individual or a Hindu undivided family, whose total sales, gross receipts or turnover from the business or profession carried on by him exceed one

crore rupees in case of business or fifty lakh rupees in case of profession during the financial year immediately preceding the financial year in which such income by way of rent is credited or paid, shall be liable to deduct income-tax under this section :

Provided also that no deduction shall be made under this section where the income by way of rent is credited or paid to a business trust, being a real estate investment trust, in respect of any real estate asset, referred to in clause (*23FCA*) of section 10, owned directly by such business trust.

Explanation.—For the purposes of this section,—

(i) "rent" means any payment, by whatever name called, under any lease, sub-lease, tenancy or any other agreement or arrangement for the use of (either separately or together) any,—

(a) land; or

(b) building (including factory building); or

(c) land appurtenant to a building (including factory building); or

(d) machinery; or

(e) plant; or

(f) equipment; or

(g) furniture; or

(h) fittings,

whether or not any or all of the above are owned by the payee;

(ii) where any income is credited to any account, whether called "Suspense account" or by any other name, in the books of account of the person liable to pay such income, such crediting shall be deemed to be credit of such income to the account of the payee and the provisions of this section shall apply accordingly.

Payment on transfer of certain immovable property other than agricultural land.

194-IA. (1) Any person, being a transferee, responsible for paying (other than the person referred to in section 194LA) to a resident transferor any sum by way of

consideration for transfer of any immovable property (other than agricultural land), shall, at the time of credit of such sum to the account of the transferor or at the time of payment of such sum in cash or by issue of a cheque or draft or by any other mode, whichever is earlier, deduct an amount equal to one per cent of such sum or the stamp duty value of such property, whichever is higher, as income-tax thereon.

(2) No deduction under sub-section (1) shall be made where the consideration for the transfer of an immovable property and the stamp duty value of such property, are both, less than fifty lakh rupees:

[89][**Provided** that where there is more than one transferor or transferee in respect of any immovable property, then the consideration shall be the aggregate of the amounts paid or payable by all the transferees to the transferor or all the transferors for transfer of such immovable property.]

(3) The provisions of section 203A shall not apply to a person required to deduct tax in accordance with the provisions of this section.

Explanation.—For the purposes of this section,—

(a) "agricultural land" means agricultural land in India, not being a land situate in any area referred to in items (*a*) and (*b*) of sub-clause (*iii*) of clause (*14*) of section 2;

(aa) "consideration for transfer of any immovable property" shall include all charges of the nature of club membership fee, car parking fee, electricity or water facility fee, maintenance fee, advance fee or any other charges of similar nature, which are incidental to transfer of the immovable property;

(b) "immovable property" means any land (other than agricultural land) or any building or part of a building;

(c) "stamp duty value" shall have the same meaning as assigned to it in clause (*f*) of the *Explanation* to clause (*vii*) of sub-section (2) of section 56.

Payment of rent by certain individuals or Hindu undivided family.

194-IB. (1) Any person, being an individual or a Hindu undivided family (other than those referred to in the second proviso to section 194-I), responsible for paying to a

resident any income by way of rent exceeding fifty thousand rupees for a month or part of a month during the previous year, shall deduct an amount equal to [90][two] per cent of such income as income-tax thereon.

(2) The income-tax referred to in sub-section (1) shall be deducted on such income at the time of credit of rent, for the last month of the previous year or the last month of tenancy, if the property is vacated during the year, as the case may be, to the account of the payee or at the time of payment thereof in cash or by issue of a cheque or draft or by any other mode, whichever is earlier.

(3) The provisions of section 203A shall not apply to a person required to deduct tax in accordance with the provisions of this section.

(4) In a case where the tax is required to be deducted as per the provisions of section 206AA, such deduction shall not exceed the amount of rent payable for the last month of the previous year or the last month of the tenancy, as the case may be.

Explanation.—For the purposes of this section, "rent" means any payment, by whatever name called, under any lease, sub-lease, tenancy or any other agreement or arrangement for the use of any land or building or both.

Payment under specified agreement.

194-IC. Notwithstanding anything contained in section 194-IA, any person responsible for paying to a resident any sum by way of consideration, not being consideration in kind, under the agreement referred to in sub-section (5A) of section 45, shall at the time of credit of such sum to the account of the payee or at the time of payment thereof in cash or by issue of a cheque or draft or by any other mode, whichever is earlier, deduct an amount equal to ten per cent of such sum as income-tax thereon.

Fees for professional or technical services.

194J. (1) Any person, not being an individual or a Hindu undivided family, who is responsible for paying to a resident any sum by way of—

(a) fees for professional services, or

(b) fees for technical services, or

(ba) any remuneration or fees or commission by whatever name called, other than those on which tax is deductible under section 192, to a director of a company, or

(c) royalty, or

(d) any sum referred to in clause (*va*) of section 28,

shall, at the time of credit of such sum to the account of the payee or at the time of payment thereof in cash or by issue of a cheque or draft or by any other mode, whichever is earlier, deduct an amount equal to two per cent of such sum in case of fees for technical services (not being a professional services), or royalty where such royalty is in the nature of consideration for sale, distribution or exhibition of cinematographic films and ten per cent of such sum in other cases, as income-tax on income comprised therein :

Provided that no deduction shall be made under this section—

(A) from any sums as aforesaid credited or paid before the 1st day of July, 1995; or

(B) where the amount of such sum or, as the case may be, the aggregate of the amounts of such sums credited or paid or likely to be credited or paid during the financial year by the aforesaid person to the account of, or to, the payee, does not exceed—

(i) [91]**[***fifty***]** thousand rupees, in the case of fees for professional services referred to in clause (*a*), or

(ii) [91]**[***fifty***]** thousand rupees, in the case of fees for technical services referred to in clause (*b*), or

(iii) [91]**[***fifty***]** thousand rupees, in the case of royalty referred to in clause (*c*), or

(iv) [91]**[***fifty***]** thousand rupees, in the case of sum referred to in clause (*d*) :

Provided further that an individual or a Hindu undivided family, whose total sales, gross receipts or turnover from the business or profession carried on by him exceed one crore rupees in case of business or fifty lakh rupees in case of profession during the financial year immediately preceding the financial year in which such sum by way of fees for professional services or technical services is credited or paid, shall be liable to deduct income-tax under this section :

Provided also that no individual or a Hindu undivided family referred to in the second proviso shall be liable to deduct income-tax on the sum by way of fees for professional

services in case such sum is credited or paid exclusively for personal purposes of such individual or any member of Hindu undivided family:

Provided also that the provisions of this section shall have effect, as if for the words "ten per cent", the words "two per cent" had been substituted in the case of a payee, engaged only in the business of operation of call centre.

(2) [***]

(3) [***]

Explanation.—For the purposes of this section,—

(a) "professional services" means services rendered by a person in the course of carrying on legal, medical, engineering or architectural profession or the profession of accountancy or technical consultancy or interior decoration or advertising or such other profession as is notified by the Board for the purposes of section 44AA or of this section;

(b) "fees for technical services" shall have the same meaning as in *Explanation 2* to clause (*vii*) of sub-section (1) of section 9;

(ba) "royalty" shall have the same meaning as in *Explanation 2* to clause (*vi*) of sub-section (1) of section 9;

(c) where any sum referred to in sub-section (1) is credited to any account, whether called "suspense account" or by any other name, in the books of account of the person liable to pay such sum, such crediting shall be deemed to be credit of such sum to the account of the payee and the provisions of this section shall apply accordingly.

Income in respect of units.

194K. Any person responsible for paying to a resident any income in respect of—

(a) units of a Mutual Fund specified under clause (*23D*) of section 10; or

(b) units from the Administrator of the specified undertaking; or

(c) units from the specified company,

shall, at the time of credit of such income to the account of the payee or at the time of payment thereof by any mode, whichever is earlier, deduct income-tax thereon at the rate of ten per cent:

Provided that the provisions of this section shall not apply—

(i) where the amount of such income or, as the case may be, the aggregate of the amounts of such income credited or paid or likely to be credited or paid during the financial year by the person responsible for making the payment to the account of, or to, the payee does not exceed [92]**[***ten***]** thousand rupees; or

(ii) if the income is of the nature of capital gains.

Explanation 1.—For the purposes of this section,—

(a) "Administrator" means the Administrator as referred to in clause (*a*) of section 2 of the Unit Trust of India (Transfer of Undertaking and Repeal) Act, 2002 (58 of 2002);

(b) "specified company" means a company as referred to in clause (*h*) of section 2 of the Unit Trust of India (Transfer of Undertaking and Repeal) Act, 2002 (58 of 2002);

(c) "specified undertaking" shall have the meaning assigned to it in clause (*i*) of section 2 of the Unit Trust of India (Transfer of Undertaking and Repeal) Act, 2002 (58 of 2002).

Explanation 2.—For the removal of doubts, it is hereby clarified that where any income referred to in this section is credited to any account, whether called "suspense account" or by any other name, in the books of account of the person liable to pay such income, such crediting shall be deemed to be the credit of such income to the account of the payee and the provisions of this section shall apply accordingly.

Payment of compensation on acquisition of certain immovable property.

194LA. Any person responsible for paying to a resident any sum, being in the nature of compensation or the enhanced compensation or the consideration or the enhanced consideration on account of compulsory acquisition, under any law for the time being in force, of any immovable property (other than agricultural land), shall, at the time of payment

of such sum in cash or by issue of a cheque or draft or by any other mode, whichever is earlier, deduct an amount equal to ten per cent of such sum as income-tax thereon:

Provided that no deduction shall be made under this section where the amount of such payment or, as the case may be, the aggregate amount of such payments to a resident during the financial year does not exceed [93]**[***five lakh***]** rupees:

Provided further that no deduction shall be made under this section where such payment is made in respect of any award or agreement which has been exempted from levy of income-tax under section 96 of the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 (30 of 2013).

Explanation.—For the purposes of this section,—

(i) "agricultural land" means agricultural land in India including land situate in any area referred to in items (*a*) and (*b*) of sub-clause (*iii*) of clause (*14*) of section 2;

(ii) "immovable property" means any land (other than agricultural land) or any building or part of a building.

Income by way of interest from infrastructure debt fund.

194LB. Where any income by way of interest is payable to a non-resident, not being a company, or to a foreign company, by an infrastructure debt fund referred to in clause (*47*) of section 10, the person responsible for making the payment shall, at the time of credit of such income to the account of the payee or at the time of payment thereof in cash or by issue of a cheque or draft or by any other mode, whichever is earlier, deduct income-tax thereon at the rate of five per cent.

Certain income from units of a business trust.

194LBA. (1) Where any distributed income referred to in section 115UA, being of the nature referred to in clause (*23FC*) or clause (*23FCA*) of section 10, is payable by a business trust to its unit holder being a resident, the person responsible for making the payment shall at the time of credit of such payment to the account of the payee or at the time of payment thereof in cash or by the issue of a cheque or draft or by any other mode, whichever is earlier, deduct income-tax thereon at the rate of ten per cent.

(2) Where any distributed income referred to in section 115UA, being of the nature referred to in clause (*23FC*) of section 10, is payable by a business trust to its unit holder,

being a non-resident (not being a company) or a foreign company, the person responsible for making the payment shall at the time of credit of such payment to the account of the payee or at the time of payment thereof in cash or by the issue of a cheque or draft or by any other mode, whichever is earlier, deduct income-tax thereon at the rate of five per cent in case of income of the nature referred to in sub-clause (*a*) and ten per cent in case of income of the nature referred to in sub-clause (*b*), of the said clause.

(2A) Nothing contained in sub-sections (1) and (2) shall apply in respect of income of the nature referred to in sub-clause (*b*) of clause (*23FC*) of section 10, if the special purpose vehicle referred to in the said clause has not exercised the option under section 115BAA.

(3) Where any distributed income referred to in section 115UA, being of the nature referred to in clause (*23FCA*) of section 10, is payable by a business trust to its unit holder, being a non-resident (not being a company), or a foreign company, the person responsible for making the payment shall at the time of credit of such payment to the account of the payee or at the time of payment thereof in cash or by the issue of a cheque or draft or by any other mode, whichever is earlier, deduct income-tax thereon at the rates in force.

Income in respect of units of investment fund.

194LBB. Where any income, other than that proportion of income which is of the same nature as income referred to in clause (*23FBB*) of section 10, is payable to a unit holder in respect of units of an investment fund specified in clause (*a*) of the *Explanation 1* to section 115UB, the person responsible for making the payment shall, at the time of credit of such income to the account of payee or at the time of payment thereof in cash or by issue of a cheque or draft or by any other mode, whichever is earlier, deduct income-tax thereon,—

(i) at the rate of ten per cent, where the payee is a resident;

(ii) at the rates in force, where the payee is a non-resident (not being a company) or a foreign company :

Provided that where the payee is a non-resident (not being a company) or a foreign company, no deduction shall be made in respect of any income that is not chargeable to tax under the provisions of the Act.

Explanation.—For the purposes of this section,—

(a) "unit" shall have the meaning assigned to it in clause (*c*) of the *Explanation 1* to section 115UB;

(b) where any income as aforesaid is credited to any account, whether called "suspense account" or by any other name, in the books of account of the person liable to pay such income, such crediting shall be deemed to be the credit of such income to the account of the payee, and the provisions of this section shall apply accordingly.

Income in respect of investment in securitization trust.

194LBC. (1) Where any income is payable to an investor, being a resident, in respect of an investment in a securitisation trust specified in clause (*d*) of the *Explanation* occurring after section 115TCA, the person responsible for making the payment shall, at the time of credit of such income to the account of the payee or at the time of payment thereof in cash or by issue of a cheque or draft or by any other mode, whichever is earlier, deduct income-tax thereon, [94]**[***at the rate of ten per cent***]**.

(2) Where any income is payable to an investor, being a non-resident (not being a company) or a foreign company, in respect of an investment in a securitisation trust specified in clause (*d*) of the *Explanation* occurring after section 115TCA, the person responsible for making the payment shall, at the time of credit of such income to the account of the payee or at the time of payment thereof in cash or by issue of a cheque or draft or by any other mode, whichever is earlier, deduct income-tax thereon, at the rates in force.

Explanation.—For the purposes of this section,—

(a) "investor" shall have the meaning assigned to it in clause (*a*) of the *Explanation* occurring after section 115TCA;

(b) where any income as aforesaid is credited to any account, whether called "suspense account" or by any other name, in the books of account of the person liable to pay such income, such crediting shall be deemed to be the credit of such income to the account of the payee, and the provisions of this section shall apply accordingly.

Income by way of interest from Indian company.

194LC. (1) Where any income by way of interest referred to in sub-section (2) is payable to a non-resident, not being a company or to a foreign company by a specified company or a business trust, the person responsible for making the payment, shall at the time of credit of such income to the account of the payee or at the time of payment thereof in cash or by issue of a cheque or draft or by any other mode, whichever is earlier, deduct the income-tax thereon at the rate of five per cent:

Provided that in case of income by way of interest referred to clause (*ib*) of sub-section (2), the income-tax shall be deducted at the rate of four per cent:

[95][**Provided further** that in case of income by way of interest referred to in clause (*ic*) of sub-section (2), the income-tax shall be deducted at the rate of nineper cent.]

(2) The interest referred to in sub-section (1) shall be the income by way of interest payable by the specified company or the business trust,—

(i) in respect of monies borrowed by it in foreign currency from a source outside India,—

(a) under a loan agreement at any time on or after the 1st day of July, 2012 but before the 1st day of July, 2023; or

(b) by way of issue of long-term infrastructure bonds at any time on or after the 1st day of July, 2012 but before the 1st day of October, 2014; or

(c) by way of issue of any long-term bond including long-term infrastructure bond at any time on or after the 1st day of October, 2014 but before the 1st day of July, 2023,

as approved by the Central Government in this behalf; or

(ia) in respect of monies borrowed by it from a source outside India by way of issue of rupee denominated bond before the 1st day of July, 2023; or

(ib) in respect of monies borrowed by it from a source outside India by way of issue of any long-term bond or rupee denominated bond on or after the 1st day of April, 2020 but before the 1st day of July, 2023, which is listed only on a recognised stock exchange located in any International Financial Services Centre, [96][or]

95[(ic) in respect of money borrowed by it from a source outside India by way of issuance of any long-term bond or rupee denominated bond on or after the 1st day of July, 2023, which is listed only on a recognised stock exchange located in an International Financial Services Centre; and]

(ii) to the extent to which such interest does not exceed the amount of interest calculated at the rate approved by the Central Government in this behalf, having regard to the terms of the loan or the bond and its repayment.

Explanation.—For the purpose of this section—

(a) "foreign currency" shall have the meaning assigned to it in clause (*m*) of section 2 of the Foreign Exchange Management Act, 1999 (42 of 1999);

(b) "specified company" means an Indian company;

(c) "International Financial Services Centre" shall have the meaning assigned to it in clause (*q*) of section 2 of the Special Economic Zones Act, 2005 (28 of 2005);

(d) "recognised stock exchange" shall have the meaning assigned to it in clause (*ii*) of *Explanation 1* to clause (*5*) of section 43.

Income by way of interest on certain bonds and Government securities.

194LD. (1) Any person who is responsible for paying to a person being a Foreign Institutional Investor or a Qualified Foreign Investor, any income by way of interest referred to in sub-section (2), shall, at the time of credit of such income to the account of the payee or at the time of payment of such income in cash or by the issue of a cheque or draft or by any other mode, whichever is earlier, deduct income-tax thereon at the rate of five per cent.

(2) The income by way of interest referred to in sub-section (1) shall be the interest payable,—

(a) on or after the 1st day of June, 2013 but before the 1st day of July, 2023 in respect of the investment made by the payee in—

(i) a rupee denominated bond of an Indian company; or

(ii) a Government security;

(*b*) on or after the 1st day of April, 2020 but before the 1st day of July, 2023 in

respect of the investment made by the payee in municipal debt securities:

Provided that the rate of interest in respect of bond referred to in sub-clause (*i*) of clause (*a*) shall not exceed the rate as the Central Government may, by notification in the Official Gazette, specify.

Explanation.—For the purpose of this section,—

(a) "Foreign Institutional Investor" shall have the meaning assigned to it in clause (*a*) of the *Explanation* to section 115AD;

(b) "Government security" shall have the meaning assigned to it in clause (*b*) of section 2 of the Securities Contracts (Regulation) Act, 1956 (42 of 1956);

(ba) "municipal debt securities" shall have the meaning assigned to it in clause (*m*) of sub-regulation (1) of regulation 2 of the Securities and Exchange Board of India (Issue and Listing of Municipal Debt Securities) Regulations, 2015 made under the Securities and Exchange Board of India Act, 1992 (15 of 1992);

(c) "Qualified Foreign Investor" shall have the meaning assigned to it in the Circular No. Cir/IMD/DF/14/2011, dated the 9th August, 2011, as amended from time to time, issued by the Securities and Exchange Board of India, under section 11 of the Securities and Exchange Board of India Act, 1992 (15 of 1992).

Payment of certain sums by certain individuals or Hindu undivided family.

194M. (1) Any person, being an individual or a Hindu undivided family (other than those who are required to deduct income-tax as per the provisions of section 194C, section 194H or section 194J) responsible for paying any sum to any resident for carrying out any work (including supply of labour for carrying out any work) in pursuance of a contract, by way of commission (not being insurance commission referred to in section 194D) or brokerage or by way of fees for professional services during the financial year, shall, at the time of credit of such sum or at the time of payment of such sum in cash or by issue of a cheque or draft or by any other mode, whichever is earlier, deduct an amount equal to [97-98][two] per cent of such sum as income-tax thereon:

Provided that no such deduction under this section shall be made if such sum or, as the case may be, aggregate of such sums, credited or paid to a resident during a financial year does not exceed fifty lakh rupees.

(2) The provisions of section 203A shall not apply to a person required to deduct tax in accordance with the provisions of this section.

Explanation.—For the purposes of this section,—

(a) "contract" shall have the meaning assigned to it in clause (*iii*) of the *Explanation* to section 194C;

(b) "commission or brokerage" shall have the meaning assigned to it in clause (*i*) of the *Explanation* to section 194H;

(c) "professional services" shall have the meaning assigned to it in clause (*a*) of the *Explanation* to section 194J;

(d) "work" shall have the meaning assigned to it in clause (*iv*) of the *Explanation* to section 194C.

Payment of certain amounts in cash.

194N. Every person, being,—

(i) a banking company to which the Banking Regulation Act, 1949 (10 of 1949) applies (including any bank or banking institution referred to in section 51 of that Act);

(ii) a co-operative society engaged in carrying on the business of banking; or

(iii) a post office,

who is responsible for paying any sum, being the amount or the aggregate of amounts, as the case may be, in cash exceeding one crore rupees during the previous year, to any person (herein referred to as the recipient) from one or more accounts maintained by the recipient with it shall, at the time of payment of such sum, deduct an amount equal to two per cent of such sum, as income-tax:

Provided that in case of a recipient who has not filed the returns of income for all of the three assessment years relevant to the three previous years, for which the time limit of file return of income under sub-section (1) of section 139 has expired, immediately preceding the previous year in which the payment of the sum is made to him, the provision of this section shall apply with the modification that—

(i) the sum shall be the amount or the aggregate of amounts, as the case may be,

in cash exceeding twenty lakh rupees during the previous year; and

(ii) the deduction shall be—

(a) an amount equal to two per cent of the sum where the amount or aggregate of amounts, as the case may be, being paid in cash exceeds twenty lakh rupees during the previous year but does not exceed one crore rupees; or

(b) an amount equal to five per cent of the sum where the amount or aggregate of amounts, as the case may be, being paid in cash exceeds one crore rupees during the previous year:

Provided further that the Central Government may specify in consultation with the Reserve Bank of India, by notification in the Official Gazette, the recipient in whose case the first proviso shall not apply or apply at reduced rate, if such recipient satisfies the conditions specified in such notification:

[99][**Provided also** that where the recipient is a co-operative society, the provisions of this section shall have effect, as if for the words "one crore rupees", the words "three crore rupees" had been substituted:]

Provided also that nothing contained in this section shall apply to any payment made to—

(i) the Government;

(ii) any banking company or co-operative society engaged in carrying on the business of banking or a post office;

(iii) any business correspondent of a banking company or co-operative society engaged in carrying on the business of banking, in accordance with the guidelines issued in this regard by the Reserve Bank of India under the Reserve Bank of India Act, 1934 (2 of 1934);

(iv) any white label automated teller machine operator of a banking company or co-operative society engaged in carrying on the business of banking, in accordance with the authorisation issued by the Reserve Bank of India under the Payment and Settlement Systems Act, 2007 (51 of 2007):

Provided also that the Central Government may specify in consultation with the Reserve Bank of India, by notification in the Official Gazette, the recipient in whose case the provision of this section shall not apply or apply at reduced rate, if such recipient satisfies the conditions specified in such notification.

Payment of certain sums by e-commerce operator to e-commerce participant.

194-O. (1) Notwithstanding anything to the contrary contained in any of the provisions of Part B of this Chapter, where sale of goods or provision of services of an e-commerce participant is facilitated by an e-commerce operator through its digital or electronic facility or platform (by whatever name called), such e-commerce operator shall, at the time of credit of amount of sale or services or both to the account of an e-commerce participant or at the time of payment thereof to such e-commerce participant by any mode, whichever is earlier, deduct income-tax at the rate of [1][0.1] per cent of the gross amount of such sales or services or both.

Explanation.—For the purposes of this sub-section, any payment made by a purchaser of goods or recipient of services directly to an e-commerce participant for the sale of goods or provision of services or both, facilitated by an e-commerce operator, shall be deemed to be the amount credited or paid by the e-commerce operator to the e-commerce participant and shall be included in the gross amount of such sale or services for the purpose of deduction of income-tax under this sub-section.

(2) No deduction under sub-section (1) shall be made from any sum credited or paid or likely to be credited or paid during the previous year to the account of an e-commerce participant, being an individual or Hindu undivided family, where the gross amount of such sale or services or both during the previous year does not exceed five lakh rupees and such e-commerce participant has furnished his Permanent Account Number or Aadhaar number to the e-commerce operator.

(3) Notwithstanding anything contained in Part B of this Chapter, a transaction in respect of which tax has been deducted by the e-commerce operator under sub-section (1), or which is not liable to deduction under sub-section (2), shall not be liable to tax deduction at source under any other provision of this Chapter:

Provided that the provisions of this sub-section shall not apply to any amount or aggregate of amounts received or receivable by an e-commerce operator for hosting

advertisements or providing any other services which are not in connection with the sale or services referred to in sub-section (1).

(4) If any difficulty arises in giving effect to the provisions of this section, the Board may, with the approval of the Central Government, issue guidelines for the purpose of removing the difficulty.

(5) Every guideline issued by the Board under sub-section (4) shall be laid before each House of Parliament, and shall be binding on the income-tax authorities and on the e-commerce operator.

(6) For the purposes of this section, e-commerce operator shall be deemed to be the person responsible for paying to e-commerce participant.

Explanation.—For the purposes of this section,—

(a) "electronic commerce" means the supply of goods or services or both, including digital products, over digital or electronic network;

(b) "e-commerce operator" means a person who owns, operates or manages digital or electronic facility or platform for electronic commerce;

(c) "e-commerce participant" means a person resident in India selling goods or providing services or both, including digital products, through digital or electronic facility or platform for electronic commerce;

(d) "services" includes "fees for technical services" and fees for "professional services", as defined in the *Explanation* to section 194J.

Deduction of tax in case of specified senior citizen.

194P. (1) Notwithstanding anything contained in the provisions of Chapter XVII-B, in case of a specified senior citizen, the specified bank shall, after giving effect to the deduction allowable under Chapter VI-A and rebate allowable under section 87A, compute the total income of such specified senior citizen for the relevant assessment year and deduct income-tax on such total income on the basis of the rates in force.

(2) The provisions of section 139 shall not apply to a specified senior citizen for the assessment year relevant to the previous year in which the tax has been deducted under sub-section (1).

Explanation.—For the purposes of this section,—

(a) "specified bank" means a banking company as the Central Government may, by notification in Official Gazette, specify;

(b) "specified senior citizen" means an individual, being a resident in India—

(i) who is of the age of seventy-five years or more at any time during the previous year;

(ii) who is having income of the nature of pension and no other income except the income of the nature of interest received or receivable from any account maintained by such individual in the same specified bank in which he is receiving his pension income; and

(iii) has furnished a declaration to the specified bank containing such particulars, in such form and verified in such manner, as may be prescribed.

Deduction of tax at source on payment of certain sum for purchase of goods.

194Q. (1) Any person, being a buyer who is responsible for paying any sum to any resident (hereafter in this section referred to as the seller) for purchase of any goods of the value or aggregate of such value exceeding fifty lakh rupees in any previous year, shall, at the time of credit of such sum to the account of the seller or at the time of payment thereof by any mode, whichever is earlier, deduct an amount equal to 0.1 per cent of such sum exceeding fifty lakh rupees as income-tax.

Explanation.—For the purposes of this sub-section, "buyer" means a person whose total sales, gross receipts or turnover from the business carried on by him exceed ten crore rupees during the financial year immediately preceding the financial year in which the purchase of goods is carried out, not being a person, as the Central Government may, by notification in the Official Gazette, specify for this purpose, subject to such conditions as may be specified therein.

(2) Where any sum referred to in sub-section (1) is credited to any account, whether called "suspense account" or by any other name, in the books of account of the person liable to pay such income, such credit of income shall be deemed to be the credit of such income to the account of the payee and the provisions of this section shall apply accordingly.

(3) If any difficulty arises in giving effect to the provisions of this section, the Board may, with the previous approval of the Central Government, issue guidelines for the purpose of removing the difficulty.

(4) Every guideline issued by the Board under sub-section (3) shall, as soon as may be after it is issued, be laid before each House of Parliament, and shall be binding on the income-tax authorities and the person liable to deduct tax.

(5) The provisions of this section shall not apply to a transaction on which—

(a) tax is deductible under any of the provisions of this Act; and

(b) tax is collectible under the provisions of section 206C [2]**[***]**.

Deduction of tax on benefit or perquisite in respect of business or profession.

194R. (1) Any person responsible for providing to a resident, any benefit or perquisite, whether convertible into money or not, arising from business or the exercise of a profession, by such resident, shall, before providing such benefit or perquisite, as the case may be, to such resident, ensure that tax has been deducted in respect of such benefit or perquisite at the rate of ten per cent of the value or aggregate of value of such benefit or perquisite:

Provided that in a case where the benefit or perquisite, as the case may be, is wholly in kind or partly in cash and partly in kind but such part in cash is not sufficient to meet the liability of deduction of tax in respect of whole of such benefit or perquisite, the person responsible for providing such benefit or perquisite shall, before releasing the benefit or perquisite, ensure that tax required to be deducted has been paid in respect of the benefit or perquisite:

Provided further that the provisions of this section shall not apply in case of a resident where the value or aggregate of value of the benefit or perquisite provided or likely to be provided to such resident during the financial year does not exceed twenty thousand rupees:

Provided also that the provisions of this section shall not apply to a person being an individual or a Hindu undivided family, whose total sales, gross receipts or turnover does

not exceed one crore rupees in case of business or fifty lakh rupees in case of profession, during the financial year immediately preceding the financial year in which such benefit or perquisite, as the case may be, is provided by such person.

(2) If any difficulty arises in giving effect to the provisions of this section, the Board may, with the previous approval of the Central Government, issue guidelines for the purpose of removing the difficulty.

(3) Every guideline issued by the Board under sub-section (2) shall, as soon as may be after it is issued, be laid before each House of Parliament, and shall be binding on the income-tax authorities and on the person providing any such benefit or perquisite.

Explanation [3][*1*].—For the purposes of this section, the expression "person responsible for providing" means the person providing such benefit or perquisite, or in case of a company, the company itself including the principal officer thereof.

[3][*Explanation 2.*— For the removal of doubts, it is clarified that the provisions of sub-section (1) shall apply to any benefit or perquisite, whether in cash or in kind or partly in cash and partly in kind.]

Payment on transfer of virtual digital asset.

194S. (1) Any person responsible for paying to any resident any sum by way of consideration for transfer of a virtual digital asset, shall, at the time of credit of such sum to the account of the resident or at the time of payment of such sum by any mode, whichever is earlier, deduct an amount equal to one per cent of such sum as income-tax thereon:

Provided that in a case where the consideration for transfer of virtual digital asset is—

(a) wholly in kind or in exchange of another virtual digital asset, where there is no part in cash; or

(b) partly in cash and partly in kind but the part in cash is not sufficient to meet the liability of deduction of tax in respect of whole of such transfer,

the person responsible for paying such consideration shall, before releasing the consideration, ensure that tax required to be deducted has been paid in respect of such consideration for the transfer of virtual digital asset.

(2) The provisions of [4]**[***section 203A***]** shall not apply to a specified person.

(3) Notwithstanding anything contained in sub-section (1), no tax shall be deducted in a case, where—

(a) the consideration is payable by a specified person and the value or aggregate value of such consideration does not exceed fifty thousand rupees during the financial year; or

(b) the consideration is payable by any person other than a specified person and the value or aggregate value of such consideration does not exceed ten thousand rupees during the financial year.

(4) Notwithstanding anything contained in section 194-O, in case of a transaction to which the provisions of the said section are also applicable along with the provisions of this section, then, tax shall be deducted under sub-section (1).

(5) Where any sum referred to in sub-section (1) is credited to any account, whether called "Suspense Account" or by any other name, in the books of account of the person liable to pay such sum, such credit of the sum shall be deemed to be the credit of such sum to the account of the payee and the provisions of this section shall apply accordingly.

(6) If any difficulty arises in giving effect to the provisions of this section, the Board may, with the prior approval of the Central Government, issue guidelines for the purposes of removing the difficulty.

(7) Every guideline issued by the Board under sub-section (6) shall be laid before each House of Parliament, and shall be binding on the income-tax authorities and on the person responsible for paying the consideration on transfer of such virtual digital asset.

Explanation.—For the purposes of this section "specified person" means a person,—

(a) being an individual or a Hindu undivided family, whose total sales, gross receipts or turnover from the business carried on by him or profession exercised by him does not exceed one crore rupees in case of business or fifty lakh rupees in case of profession, during the financial year immediately preceding the financial year in which such virtual digital asset is transferred;

(b) being an individual or a Hindu undivided family, not having any income under the head "Profits and gains of business or profession".

[**Payments to partners of firms.**

194T.*(1) Any person, being a firm, responsible for paying any sum in the nature of salary, remuneration, commission, bonus or interest to a partner of the firm, shall, at the*

time of credit of such sum to the account of the partner (including the capital account) or at the time of payment thereof, whichever is earlier shall, deduct income-tax thereon at the rate of ten per cent.

(2) No deduction shall be made under sub-section (1) where such sum or the aggregate of such sums credited or paid or likely to be credited or paid to the partner of the firm does not exceed twenty thousand rupees during the financial year.]

Other sums.

195. (1) Any person responsible for paying to a non-resident, not being a company, or to a foreign company, any interest (not being interest referred to in section 194LB or section 194LC) or section 194LD or any other sum chargeable under the provisions of this Act (not being income chargeable under the head "Salaries") shall, at the time of credit of such income to the account of the payee or at the time of payment thereof in cash or by the issue of a cheque or draft or by any other mode, whichever is earlier, deduct income-tax thereon at the rates in force :

Provided that in the case of interest payable by the Government or a public sector bank within the meaning of clause (*23D*) of section 10 or a public financial institution within the meaning of that clause, deduction of tax shall be made only at the time of payment thereof in cash or by the issue of a cheque or draft or by any other mode.

Explanation 1.—For the purposes of this section, where any interest or other sum as aforesaid is credited to any account, whether called "Interest payable account" or "Suspense account" or by any other name, in the books of account of the person liable to pay such income, such crediting shall be deemed to be credit of such income to the account of the payee and the provisions of this section shall apply accordingly.

Explanation 2.—For the removal of doubts, it is hereby clarified that the obligation to comply with sub-section (1) and to make deduction thereunder applies and shall be deemed to have always applied and extends and shall be deemed to have always extended to all persons, resident or non-resident, whether or not the non-resident person has—

(i) a residence or place of business or business connection in India; or

(ii) any other presence in any manner whatsoever in India.

(2) Where the person responsible for paying any such sum chargeable under this Act (other than salary) to a non-resident considers that the whole of such sum would not be income chargeable in the case of the recipient, he may make an application in such form and manner to the Assessing Officer, to determine in such manner, as may be prescribed, the appropriate proportion of such sum so chargeable, and upon such determination, tax shall be deducted under sub-section (1) only on that proportion of the sum which is so chargeable.

(3) Subject to rules made under sub-section (5), any person entitled to receive any interest or other sum on which income-tax has to be deducted under sub-section (1) may make an application in the prescribed form to the Assessing Officer for the grant of a certificate authorising him to receive such interest or other sum without deduction of tax under that sub-section, and where any such certificate is granted, every person responsible for paying such interest or other sum to the person to whom such certificate is granted shall, so long as the certificate is in force, make payment of such interest or other sum without deducting tax thereon under sub-section (1).

(4) A certificate granted under sub-section (3) shall remain in force till the expiry of the period specified therein or, if it is cancelled by the Assessing Officer before the expiry of such period, till such cancellation.

(5) The Board may, having regard to the convenience of assessees and the interests of revenue, by notification in the Official Gazette, make rules specifying the cases in which, and the circumstances under which, an application may be made for the grant of a certificate under sub-section (3) and the conditions subject to which such certificate may be granted and providing for all other matters connected therewith.

(6) The person responsible for paying to a non-resident, not being a company, or to a foreign company, any sum, whether or not chargeable under the provisions of this Act, shall furnish the information relating to payment of such sum, in such form and manner, as may be prescribed.

(7) Notwithstanding anything contained in sub-section (1) and sub-section (2), the Board may, by notification in the Official Gazette, specify a class of persons or cases, where the person responsible for paying to a non-resident, not being a company, or to a

foreign company, any sum, whether or not chargeable under the provisions of this Act, shall make an application in such form and manner to the Assessing Officer, to determine in such manner, as may be prescribed, the appropriate proportion of sum chargeable, and upon such determination, tax shall be deducted under sub-section (1) on that proportion of the sum which is so chargeable.

Income payable "net of tax".

195A. In a case other than that referred to in sub-section (1A) of section 192, where under an agreement or other arrangement, the tax chargeable on any income referred to in the foregoing provisions of this Chapter is to be borne by the person by whom the income is payable, then, for the purposes of deduction of tax under those provisions such income shall be increased to such amount as would, after deduction of tax thereon at the rates in force for the financial year in which such income is payable, be equal to the net amount payable under such agreement or arrangement.

Interest or dividend or other sums payable to Government, Reserve Bank or certain corporations.

196. Notwithstanding anything contained in the foregoing provisions of this Chapter, no deduction of tax shall be made by any person from any sums payable to—

(i) the Government, or

(ii) the Reserve Bank of India, or

(iii) a corporation established by or under a Central Act which is, under any law for the time being in force, exempt from income-tax on its income, or

(iv) a Mutual Fund specified under clause (*23D*) of section 10,

where such sum is payable to it by way of interest or dividend in respect of any securities or shares owned by it or in which it has full beneficial interest, or any other income accruing or arising to it.

Income in respect of units of non-residents.

196A. (1) Any person responsible for paying to a non-resident, not being a company, or to a foreign company, any income in respect of units of a Mutual Fund specified under clause (*23D*) of section 10 or from the specified company referred to in the *Explanation* to clause (*35*) of section 10 shall, at the time of credit of such income to the account of the

payee or at the time of payment thereof by any mode, whichever is earlier, deduct income-tax thereon at the rate of twenty per cent:

[6][**Provided** that where an agreement referred to in sub-section (1) of section 90 or sub-section (1) of section 90A applies to the payee and if the payee has furnished a certificate referred to in sub-section (4) of section 90 or sub-section (4) of section 90A, as the case may be, then, income-tax thereon shall be deducted at the rate of twenty per cent or at the rate or rates of income-tax provided in such agreement for such income, whichever is lower.]

(2) Notwithstanding anything contained in sub-section (1), no deduction of tax shall be made from any income payable in respect of units of the Unit Trust of India to a non-resident Indian or a non-resident Hindu undivided family, where the units have been acquired from the Unit Trust of India out of the funds in a Non-resident (External) Account maintained with any bank in India or by remittance of funds in foreign currency, in accordance, in either case, with the provisions of the Foreign Exchange Management Act, 1999 (42 of 1999), and the rules made thereunder.

Explanation.—For the purposes of this section—

(a) "foreign currency" shall have the meaning assigned to it in the Foreign Exchange Management Act, 1999 (42 of 1999);

(b) "non-resident Indian" shall have the meaning assigned to it in clause (*e*) of section 115C;

(c) "Unit Trust of India" means the Unit Trust of India established under the Unit Trust of India Act, 1963 (52 of 1963);

(d) where any income as aforesaid is credited to any account, whether called "Suspense account" or by any other name, in the books of account of the person liable to pay such income, such crediting shall be deemed to be credit of such income to the account of the payee and the provisions of this section shall apply accordingly.

Income from units.

196B. Where any income in respect of units referred to in section 115AB or by way of long-term capital gains arising from the transfer of such units is payable to an Offshore

Fund, the person responsible for making the payment shall, at the time of credit of such income to the account of the payee or at the time of payment thereof in cash or by the issue of a cheque or draft or by any other mode, whichever is earlier, deduct income-tax thereon [7-8][at the rate of—

(a) ten per cent in respect of income from units referred to in clause (*i*) of sub-section (1) of section 115AB;

(b) ten per cent in respect of long-term capital gains arising from transfer of units referred to in section 115AB, which takes place before the 23rd day of July, 2024;

(c) twelve and one-half per cent in respect of long-term capital gains arising from transfer of units referred to in section 115AB, which takes place on or after the 23rd day of July, 2024.]

Income from foreign currency bonds or shares of Indian company.

196C. Where any income by way of interest or dividends in respect of bonds or Global Depository Receipts referred to in section 115AC or by way of long-term capital gains arising from the transfer of such bonds or Global Depository Receipts is payable to a non-resident, the person responsible for making the payment shall, at the time of credit of such income to the account of the payee or at the time of payment thereof by any mode, whichever is earlier, deduct income-tax thereon [7-8][at the rate of—

(a) ten per cent in respect of income by way of interest or dividends in respect of bonds or Global Depository Receipts referred to in section 115AC;

(b) ten per cent in respect of long-term capital gains arising from transfer of such bond or Global Depository Receipts referred to in section 115AC which takes place before the 23rd day of July, 2024;

(c) twelve and one-half per cent in respect of long-term capital gains arising from transfer of such bond or Global Depository Receipts referred to in section 115AC which takes place on or after the 23rd day of July, 2024.]

Income of Foreign Institutional Investors from securities.

196D. (1) Where any income in respect of securities referred to in clause (*a*) of sub-section (1) of section 115AD, not being income by way of interest referred to in section 194LD, is payable to a Foreign Institutional Investor, the person responsible for making the

payment shall, at the time of credit of such income to the account of the payee or at the time of payment thereof by any mode, whichever is earlier, deduct income-tax thereon at the rate of twenty per cent:

Provided that where an agreement referred to in sub-section (1) of section 90 or sub-section (1) of section 90A applies to the payee and if the payee has furnished a certificate referred to in sub-section (4) of section 90 or sub-section (4) of section 90A, as the case may be, then, income-tax thereon shall be deducted at the rate of twenty per cent or at the rate or rates of income-tax provided in such agreement for such income, whichever is lower.

(1A) Where any income in respect of securities referred to in clause (*a*) of sub-section (1) of section 115AD, not being income by way of interest referred to in section 194LD, is payable to a specified fund referred to in clause (*c*) of the *Explanation* to clause (*4D*) of section 10, the person responsible for making the payment shall, at the time of credit of such income to the account of the payee, or at the time of payment thereof by any mode, whichever is earlier, deduct the income-tax thereon at the rate of ten per cent:

Provided that no deduction shall be made in respect of an income exempt under clause (*4D*) of section 10.

(2) No deduction of tax shall be made from any income, by way of capital gains arising from the transfer of securities referred to in section 115AD, payable to a Foreign Institutional Investor.

No deduction to be made in certain cases.

197A. (1) Notwithstanding anything contained in section 194 or section 194EE, no deduction of tax shall be made under any of the said sections in the case of an individual, who is resident in India, if such individual furnishes to the person responsible for paying any income of the nature referred to in section 194 or, as the case may be, section 194EE, a declaration in writing in duplicate in the prescribed form and verified in the prescribed manner to the effect that the tax on his estimated total income of the previous year in which such income is to be included in computing his total income will be *nil*.

(1A) Notwithstanding anything contained in section 192A or section 193 or section 194A or section 194D or section 194DA or section 194-I or section 194K, no deduction of tax shall be made under any of the said sections in the case of a person (not being a company or a firm), if such person furnishes to the person responsible for paying any income of the nature referred to in section 192A or section 193 or section 194A or section 194D or section 194DA or section 194-I or section 194K, as the case may be, a declaration in writing in duplicate in the prescribed form and verified in the prescribed manner to the effect that the tax on his estimated total income of the previous year in which such income is to be included in computing his total income will be *nil.*

(1B) The provisions of this section shall not apply where the amount of any income of the nature referred to in sub-section (1) or sub-section (1A), as the case may be, or the aggregate of the amounts of such incomes credited or paid or likely to be credited or paid during the previous year in which such income is to be included exceeds the maximum amount which is not chargeable to income-tax.

(1C) Notwithstanding anything contained in section 192A or section 193 or section 194 or section 194A or section 194D or section 194DA or section 194EE or section 194-I or section 194K or sub-section (1B) of this section, no deduction of tax shall be made in the case of an individual resident in India, who is of the age of sixty years or more at any time during the previous year, if such individual furnishes to the person responsible for paying any income of the nature referred to in section 192A or section 193 or section 194 or section 194A or section 194D or section 194DA or section 194EE or section 194-I or section 194K, as the case may be, a declaration in writing in duplicate in the prescribed form and verified in the prescribed manner to the effect that the tax on his estimated total income of the previous year in which such income is to be included in computing his total income will be *nil*.

(1D) Notwithstanding anything contained in this section, no deduction of tax shall be made by the Offshore Banking Unit from the interest paid—

(*a*) on deposit made on or after the 1st day of April, 2005, by a non-resident or a

person not ordinarily resident in India; or

(*b*) on borrowing, on or after the 1st day of April, 2005, from a non-resident or a person not ordinarily resident in India.

Explanation.—For the purposes of this sub-section "Offshore Banking Unit" shall have the same meaning as assigned to it in clause (*u*) of section 2 of the Special Economic Zones Act, 2005 (28 of 2005).

(1E) Notwithstanding anything contained in this Chapter, no deduction of tax shall be made from any payment to any person for, or on behalf of, the New Pension System Trust referred to in clause (*44*) of section 10.

(1F) Notwithstanding anything contained in this Chapter, no deduction of tax shall be made, or deduction of tax shall be made at such lower rate, from such payment to such person or class of persons, including institution, association or body or class of institutions, associations or bodies, as may be notified by the Central Government in the Official Gazette, in this behalf.

(2) The person responsible for paying any income of the nature referred to in sub-section (1) or sub-section (1A) or sub-section (1C) shall deliver or cause to be delivered to the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner one copy of the declaration referred to in sub-section (1) or sub-section (1A) or sub-section (1C) on or before the seventh day of the month next following the month in which the declaration is furnished to him.

393.3 <u>Reasons/Justification given by the Department of Finance for the proposed provision</u>

Clause 393 of the Bill provides for tax deduction at source on various payments. The clause corresponds to section 193, 194, 194A, 194B, 194BA, 194BB, 194C,194D, 194DA, 194E, 194EE, 194G, 194H, 194I, 194-IA, 194-IB, 194-IC, 194J,194K, 194LA, 194LB, 194LBA, 194LBB, 194LBC, 194LC, 194M, 194N, 194O,194P, 194Q, 194R,

194S, 194T, 195, 195A, 196, 196A, 196B, 196C, 196D, 197A of the Act. All sections in the Act specifying various sums liable to TDS have been merged into a single section providing 3 tables based on three broad categories of Payees-(i) Residents, (ii) Non-residents and (iii) any person. Redundant provisions have been removed. Tables have been provided to make the provisions easier to comprehend. Notes provide explanation specific to a clause in the table itself. Rates and thresholds are also rationalized and the changes made by the Finance Act, 2025 have been incorporated in the Bill. Further, the conditions where tax is not be deducted at source have been provided in tabular format in clause 393(4). The provisions of the existing section have been textually simplified and retained with the same intent in this clause. Notes below the table in clause 393(2) and 393(3) have inadvertently been missed and same is to be added to the Bill.

393.4 Important views/Suggestions given by Experts/Stakeholders

393.4.1 **Rationalization of TDS Rates/Reduction in the number of rates of TDS**:

At present, there are six rates of TDS under the Income-tax Act, 1961, namely, 0.1%,1%,2%,5%, 10% and20% for residents which are continuing in the Income-tax Bill, 2025. In line with the intent of TDS provisions serving as an audit trail rather than revenue garnering measure, the number of TDS rates may be reduced to two, namely, 2% and 5%. TDS rates under all provisions where the rate is currently equal to or higher than 5% may be pegged at a maximum of 5% and in all other cases, the rate be 2%.Reducing the number of rates from 6 to 2 will increase the working capital available which will in turn facilitate ease of doing business.

Requirement of a streamlined TDS regime, reducing the number of rates to three or four.

393.4.2 : **TDS on Cash Withdrawal**

This provision does not encourage NPOs to deposit cash in banks as withdrawals are subject to TDS Exempt NPO’s from this hardship Or Allow taking 197 certificate (ITA 1961) (395 of ITB, 2025) . Data of Cash Withdrawals are already reported by banks and is available with the Dept for Analysis under the “Project Insight” This helps in maintaining the liquidity of the Trusts.

393.4.3 **Uniform Threshold limit for triggering TDS**

The threshold limit for triggering TDS is different for different type of payments varying from 0 to 50 lakhs. Also, a uniform threshold limit may be prescribed for TDS provisions. It will also facilitate ease of compliance and minimize the possibility of disputes arising from the incorrect application of rates.

393.4 **Negative list of transactions exempt from TDS**

It is suggested to introduce a negative list of transactions exempt from TDS, such as:- Payments to senior citizens and farmers-Payments to banks and financial institutions-B2B transactions where GST is paid .This would ease compliance, reduce working capital blockage, and align with ease of doing business goals.

393.4.5 **:** In clause 393(1)(4)(ii)There is duplication of reference to Table Sl.No. 4 under the Head “Income from Capital Market” at Serial No. 4 of the Table in Clause 393(1) which needs to be rectified.

393.4.6: In clause 393(1)(4)(ii)&(iv) Reference of Clause 221, 223 and 224 for "Securitization trust" ,Business Trust, and "Investment Fund" should be incorporated.

393.4.7: In clause 393(1)(6)(iii) Regarding fees for professional or technical services it is suggested that independent threshold limit be provided for each category (a) to (e)in line with section 194J of the Income-tax Act, 1961.

393.4.8 **393(1)(7),393(1)(8)(v)&(vi) Dividends & Other Cases**

For all other payments, except dividend in Sl.No.7 Payment by e-commerce operator to e-commerce participant in Sl. No.8(v) and sum by way of consideration for transfer of VDA (Virtual Digital Asset) in Sl. No.8(vi) the threshold limits have been given in column D of the table. For these three payments, threshold is mentioned as Nil in the table and

given in sub-section (4) in the table containing the conditions for no deduction of tax at source. However, the mention of threshold as nil in Column D in these three cases alone would cause confusion. Hence, the threshold limits have to be incorporated here itself.

393.4.9: In clause 393(1)(8)(ii) The opening para of section 393(1) requires deduction of tax at source on the entire amount of such income or sum, where the amount or aggregate of amounts exceeds the threshold limit specified in column D at the rate specified in column D, subject to the provisions of sub-sections (4), (5), (6),(8) and (9).However, in 393(1)(8)(ii) the rate of tax is to be applied on such sum exceeding Rs.50 lakh. This contradicts the opening statement.

393.4.10: In clause 393(1) (Note 2) Modes of payment other than cash be included, since benefit or perquisite may be through other modes of payment like cheque/draft
In the Note 2 below the Table for Payment to Residents at Clause 393(1) for serial number 8 (iv) it needs to be clarified whether the benefit mentioned would include payment by cheque or draft also . If so this should be clearly mentioned in the note to avoid confusion and ensure clarity.

393.4.11: In clause 393(1) (Note 6) The consideration or benefit or perquisite maybe through modes of payment other than cash. Accordingly, reference to such modes of payment be made in Note 6**.**

393.4.12: In clause 393(2) Note 2 is not provided in ITB 2025, creating ambiguity regarding the withholding rate. Include Note 2 in ITB 2025. Clarify that the beneficial rate prescribed under the treaty would apply wherever applicable.

393.4.13: In clause 393(3) Ambiguity on whether the payer is relieved from ensuring tax payment before releasing winnings, and the impact on penalty and prosecution

proceedings. Include provisions similar to ITA 1961 for withholding on winnings partly or wholly in kind. Amend Section 448 (corresponding to penalty under Section 271C of ITA 1961) and Section 476 (corresponding to prosecution under Section 276B of ITA 1961) to clarify the impact of non-compliance on penalty and prosecution.

393.4.14: In clause 393(4) Circulars/notifications providing exemption from TDS need to be incorporated in the table in sec 393(4) of the Bill.

393.4.15: In clause 393(6) Under the present act, a senior citizen can avail the benefit of no deduction of tax under section 197A(1C) where the income of the senior citizen exceeds basic exemption limit but the tax liability is nil .For example a senior citizen receiving 10 lacs in FD interest income would have zero tax liability after considering rebate u/s 87A .Such senior citizen, presently, upon making an application u/s 197A(1C) can avoid Tax deductions . Such benefit should continue to be extended under the New Income-Tax Bill else it will burden the senior citizen with TDS and requirement to claim refund .

393.4.16: In clause 393(6)-Column (2) The Table below Sl. No. 2 mentions the persons who can file declaration in respect of the different provisions of TDS listed in corresponding row of Column (3). There is a common list of provisions of TDS for persons mentioned in 2(a) and (b). 2(b) mentions that any person (not being accompany or a firm) can file a declaration, which implies that an individual resident in India can file a declaration for no deduction of tax at source. However, (a)mentions that only individual resident of India who is of the age of 60 years or more at anytime during the tax year can file a declaration .There is no need for (a)when such persons are already covered in (b).On account of inclusion of (a), it is possible to wrongly interpret that other individuals resident in India who are not senior citizens cannot file a declaration ,which is not the intent ,since (b) permits any person, other than a company or firm, to file the declaration. Therefore, (a) may be removed.

393.4.17: Note below Table under Clause 393(6) to be removed, since sub-section (6) provides that the deduction of tax shall not be made under provisions referred to in column C of the Table, in the case of a person as specified in column B, if such person furnishes to the person responsible for paying any income or sum of the nature referred to in such provisions, a written declaration in duplicate in such form and manner as prescribed that the tax on such person's estimated total income of the tax year in which such income or sum is to be included in computing his total income shall be nil. In line with the tax payer's charter, the tax payer should be treated as honest unless there is a reason to believe otherwise.

393.4.18 The threshold limit for triggering TDS is different for different type of payments varying from 0 to 50 lakhs. Also, a uniform threshold limit may be prescribed for TDS provisions. It will also facilitate ease of compliance and minimize the possibility of disputes arising from the incorrect application of rates.

393.4.19 Taxability of offshore supply of goods. Clarify that a non-resident supplying goods from an offshore location would not be taxed even if there is Permanent Establishment (PE) in India, as the PE has no role in earning the manufacturing profits.

393.4.20 Provide certainity to tax payers for payments made to Non-residents. Strict compliance and monitoring mechanisms are in place when a non-resident payee is involved. The payer should be allowed to remit the amounts based on a No PE declaration, and no additional liability should arise to the payer even if subsequently it is found that the non-resident has a PE in India (may be an interpretative dispute also). The non-resident could be assessed directly and additional taxes could be directly recovered.

393.4.21 **Withholding tax on interest payments on listed Non-Convertible Debentures**

Clause 393(2) of the Bill **(**Section 194LBA of the Act) provides for a concessional rate of tax of 5% in respect of interest distributed by a BT to its unitholders which is received

by the BT from an Indian SPV Considering that FPIs are now permitted to invest in the debt securities issued by REITs and InvITs, currently, there are no concessions provided and an FPI investing in NCDs or bonds are subject to tax withholding rate of 20%. To encourage FPI investments in bonds the benefit of concessional rate of tax on interest income should be made available to FPI's who are not unitholders but have invested in NCDs or bonds.

393.4.22 **Reduce 1% TDS to 0.01% and Increase TDS threshold to INR 5,00,000 :** As per an ESYA Centre report, projections based on the status quo estimate a total trading volume of ₹17.7 trillion by Indians on offshore platforms over the next five years, potentially resulting in ₹177 billion in uncollected TDS It also demonstrates that a scenario where TDS is reduced to 0.01 percent (comparable to securities and commodities) and the share of assets held on domestic platforms reverts to pre-February 2022 levels, approximately 82 percent of Indian users would likely trade through domestic or compliant platforms This shift could generate ₹91.69– ₹183.38 billion in tax revenue over five years, assuming 50–100 percent of VDA profits are traded annually (The Impact of India's VDA Tax Policy: An Update — Esya Centre) .Most VDA sellers (mainly individuals) are in the lower income brackets Thus, increasing the threshold from INR 10,000 / INR 50,000 to INR 5,00,000 will reduce administrative burden on the tax department in processing refunds.

393.4.23 TDS and TCS are governed by various sections specifying the nature of income or sum, applicable threshold limits, and the relevant rates at which tax is deducted or collected. This comprehensive framework has been well-established – operational procedures, including tax withholding, taxpayment via challan, and filing of e-TDS / e-TCS statements, have been sufficiently streamlined. Further, the TRACES portal and the e-filing system have set procedures for processing tax returns, making the TDS and TCS collection mechanisms efficient and transparent.

In the New Bill, the various provisions under different sections of the existing Act have been merged into two sections – One for TDS and one for TCS. TDS Section has a table which specifies the nature of income or sum, monetary thresholds, applicable TDS

rates for each category and no withholding cases. This will lead to Taxpayers requiring to modify the current operational procedures under the existing systems for sections to be changed to Serial Number of the table, Note to the table, etc. Also, TRACES portal and efiling system will required to be updated to accommodate these new changes and taxpayers will need to adapt to these changes, which could initially create compliance challenges and lead to confusion in the processing of returns.
The proposed amendments, especially the introduction of new tables and their application, could also open the door for potential litigation concerning the interpretation and application of TDS/TCS provisions, especially in relation to existing taxpayer practices.

393.4.24 Amount on which TDS to be deducted by Non Resident be explicitly mentioned in TDS Section;

393.4.25 No penalty for non-deduction/ non- collection as the payer acts as an agent of the Government and prosecution should only be there for major defaults;

393.4.26 As per Section 194D of the Act No tax deduction is required from commission payment made to agents up to an amount of twenty thousand rupees (B) Section 194DA – No tax deduction is required from payments made under life insurance policies where paid amount is less than one hundred thousand rupees. Though this is a welcome step, this limit may be considered to be increased to the level of basic exemption limit for individuals. Considering the fact that the basic exemption limit under old tax regime is Rs.2,50,000/- (and new tax regime is Rs 4,00,000/-), the threshold limit may be enhanced to appropriate level to reduce the administrative and compliance workload for insurers as well as the tax department

393.4.27 The CBDT vide circular no 715 dated 08.08.1995 have provided various clarifications in respect of the applicability of TDS provisions vide Finance Act, 1995. Clarifications on the interpretational issues provided through circular no 715 issued by the CBDT may be provided in the new bill for the sake of better clarity and

understanding.

393.4.28 Simplify certificate issuance, improve form 26AS with TAN inclusion of the deductee, enhance TDS/TRACES portals, speed up refunds, raise TDS thresholds for gig workers and freelancers, allow carry forward of unclaimed foreign tax credits, and allow consolidated TDS payments for crypto transactions for each quarter instead of per transaction deduction.

393.5 <u>Examination by the Committee</u>

393.5.1 In response to the above suggestions, the Department in their written submission has stated as under (mentioned correspondingly):

"Thresholds and rates have been sufficiently rationalised in the Income-tax Bill, 2025. Thresholds have been increased and rates have been reduced for convenience of the tax payers. The rates are dependent on type of transactions, payers and payees. For residents, now there are only four rates in the Bill viz 0.1%, 1%, 2% and 10%. Therefore, significant rationalisation has already been done. In some cases, the rate is also a measure of the income component embedded in the payment particularly in case of passive incomes like rent for immovable property, compensation, income in respect of units, certain royalties, dividend. There cannot be a same rate or threshold for all types of payments as the component of income embedded in any payment is different."

393.5.1(a) During the sitting of the Committee on 4.06.2025 the representative of the Department informed as under:

" In July 2024 and then in February 2025 Budget, we have rationalised the TDS as well as TCS provisions. Rates have been reduced. Now, there are only four rates, 0.1, one percent, two percent and 10 percent. These are four rates. But then there are some special kinds of incomes. Take, for example, lottery income. There, the whole income has to be deducted at the TDS stage itself. In these provisions, 30

percent rate will kick in. But otherwise, there are four rates, as I said, 0.1 per cent, one per cent, two per cent and 10 per cent."

When the Committee further asked to clarify whether there are six slabs, the representative of the Department replied as under:

"Sir, salary has to be deducted at an average rate. At that average, rate changes according to person to person."

393.5.2 "The suggestion seeks exemption from TDS on cash withdrawal for NPOs. Suggestion has already been addressed as the clause 395 of the Bill provide for application of lower deduction certificates for all provisions related to TDS including 194N."

393.5.2 (a) During the sitting of the Committee on 10.06.2025, the representative of the Department elaborated as under:

"……...if there are cash withdrawals exceeding Rs. 1 crore, then there is a two per cent TDS on that withdrawal. The suggestion is there should be exemption from TDS on cash withdrawal for non-registered and non-profit organisations. We are saying that that suggestion is already addressed because the Bill provides for application of lower TDS certificates for all provisions including Section 194N."

393.5.3 "Regarding Uniform Threshold limit for triggering TDS rate of TDS is not just a measure of audit trail, but it is based on principle of 'pay as you earn'. Amount of TDS collected proportionately decreases the advance tax liability of the taxpayer which reduces compliance and also saves on the interest payable by the taxpayer. Threshold has been significantly rationalised in the new Bill in line with the amendments in the IT Act. The threshold has to be kept in accordance with the nature of payments. For example, a threshold of Rs. 50 lakh has been kept for immovable property. But the same cannot be provided for interest, dividend etc. Therefore, there is merit in providing separate thresholds. Therefore, the suggestion has no merits. In some cases, the rate is also a measure of the income component embedded in the payment particularly in case

of passive incomes like rent for immovable property, compensation, income in respect of units, certain royalties, dividend. There cannot be a same rate or threshold for all types of payments as the component of income embedded in any payment is different. For example, On a lottery winnings of Rs 100, the income component is Rs. 100 only. Therefore, tax is required to be deducted on such payment @30%. For contractual payments, the income component in Rs. 100 payment is presumed to be in the range of 6-8%. Therefore, a rate of TDS of 1-2% is considered enough to capture the income component in such payments. Similarly, payment having larger component of income such as technical fees, royalty etc. have been provided TDS@10%. Where payments are in nature of sales, the income component is substantially lower. Therefore, 0.1% TDS is provided for. The same logic holds for thresholds also. Reducing the number of rates or having uniform thresholds will result in lesser alignment with incomes."

393.5.4 The Department in their reply have furnished that negative lists already exist in clauses 393(4), (5), (6), (8) and (9) of the Bill.

393.5.4.(a) When asked if it would be more prudent to have a single consolidated list at one place would be more convenient and less tedious thereby doing away with the need of referring to so many different sub-clauses, the Department in their written submission replied that submitted that Provisions of clause 393(4) provides for no deduction of tax in respect of specific clause of the Bill. Whereas provisions of clause 393(5)/(6)/(8)/(9) are different in nature from clause 393(4). For eg.393(5) provide for blanket exemption from TDS to Government/RBI etc for payment by way of interest, dividend, any other income.393(6) provide for declaration of no deduction of tax where estimated total income is nil. Hence these cannot be clubbed together.

393.5.5 With regard to the above suggestion related to duplication of reference to Table Sl.No. 4 under the Head "Income from Capital Market" at Serial No. 4 of the Table in Clause 393(1) which needs to be rectified, the Department in their written reply have furnished as under :

"Accepted. It is an inadvertent drafting error.SN 4 of Schedule V has been referred twice"

393.5.6 With regard to suggestion regarding incorporating reference of Clause 221, 223 and 224 for "Securitization trust" ,Business Trust, and "Investment Fund" , the Department in their written reply have furnished as under :

"The stakeholder seeks to give reference of clause 223 for business trust. The term "business trust" has been defined in clause 2(21) of the Bill. There is no requirement to give specific reference to a term which is covered in general definitions. The terms "Investment Fund" and" Securitization trust" are given particular definitions in clause 224and clause 221 respectively. Hence these clauses are specifically referred to for these terms."

393.5.7 With regard to the above suggestion regarding provision of independent threshold limit of fees for each category of professional or technical services (a to e) in line with Section 194J of the Income-tax Act, 1961, the Department in their written reply have furnished as under :

"Accepted. The stakeholder has suggested to provide independent threshold of Rs. 50000 limit for five different sum referred in 393(1) Table Si.No. 6(iii).The threshold limits have been changed by FA 2025. There is drafting error as limits have not been provided for 3 out of 5 sums. The limits will be aligned with the existing provisions of the Act. The threshold limits may be provided for each of the income separately to align it with existing provisions of the Act. "

393.5.8 With regard to the above suggestion regarding providing the threshold limits in clause 393(1)(8)(v)&(vi) Dividends & Other Case, the Department in their written reply have furnished as under :

"The stakeholder has suggested that threshold limits for sr. no. 7, 8(v)and 8(vi) of table below clause393(1) may be provided in the table itself instead of clause 393(4)which provides for conditions of no deduction of tax. Threshold limits for above sr. no. have not been provided in the table below clause 393(1) as the threshold limits provided in clause 393(1) are applicable to all transactions of the

nature specified in col B .However, in respect of sr. no. 7,8(v) and 8(vi), the threshold limits are applicable to specific persons. For eg. Threshold limit of Rs.10,000 in the case of dividend is only applicable to individuals and not to other persons. Hence, providing such threshold limits in the table itself may make table complicated."

393.5.9 With regard to the above suggestion on clause 393(1)(8)(ii), the Department in their written reply have furnished as under :

"*Accepted. It is an inadvertent drafting error.Col D of sr no 8(ii) is to be redrafted to provide that TDS shall be deducted only on the sum exceeding fifty lakh rupees."*

393.5.10. While agreeing with the suggestion on Clause 393(1) Note 2, the Department in their written reply have stated as follows:

"Accepted. The stakeholder has suggested that mode of payment other than cash to be included in the modes for deduction of tax [refer Table sr. no.8 (iv) note 2.]Note 2 provides that provisions of Table Serial no 8(iv) (sec 194R of the Act) shall apply to any benefit or perquisite, whether in cash or in kind or partly in cash and partly in kind. There are drafting issues in cl.393(1)(c) r.w. Note 2 of the Table below the said clause. Appropriate drafting corrections shall be carried out."

393.5.11 With regard to the above suggestion on Clause 393(1) Note 6, the Department in their written reply have furnished as under :

"The stakeholder has suggested to give reference of mode of payments other than cash in note 6 of the table (it deals with ensuring that tax has been paid by the recipient, where the consideration is partly in cash and partly in kind, but the cash part is not sufficient to meet the tax liability).The term "cash" in note 6 denotes the money part of the consideration and it includes modes of payments other than cash also. Therefore, it is not required to explicitly mention modes of payments other than cash in note 6.The suggestion is already addressed."

393.5.12. With regard to the above suggestion on Clause 393(2) Note 2, the Department in their written reply have furnished as under :

"Three Notes below the table in clause 393(2) have inadvertently been missed. Note 2 in the said clause as proposed is as under:–

Note 2.— In respect of serial numbers 10 and 15, the tax shall be deducted at the rate of—
(a) 20%; or
(b)Where an agreement referred to in section 159(1) or (2) applies to the payee and if the payee has furnished a certificate referred to in section 159(8) then, income-tax shall be deducted at the rate or rates of income-tax provided insuch agreement for such income, if such rate is lower than 20%.
On incorporation of the above Note in clause 393(2), ambiguity as indicated will be resolved. The suggestion is acceptable. "

393.5.13: With regard to the above suggestion for inclusion of provisions similar to ITA 1961 for withholding on winnings partly or wholly in kind, the Department in their written reply have furnished as under :

"Three Notes below the table in clause 393(3) have inadvertently been missed. Note 3 in the said clause as proposed had the provision related to tax deduction, when the winnings are in kind.
The text of the Note 3 is as under:--
Note 3.— In respect of serial numbers 1 and 2, where the winnings or net winnings, as the case may be,-
(a) is wholly in kind; or
(b) is partly in kind and partly in cash, but such part in cash is not sufficient to meet the liability of deduction of tax in respect of the whole of such winnings,
the person responsible for paying must ensure that the tax required to be deducted has been paid, before releasing the winnings.
On incorporation of the above Note in clause 393(3), there would not be any liability fastened on the recipient of the payment. The suggestion is acceptable."

393.5.14: With regard to the above suggestion for incorporating circulars/notifications providing exemption from TDS in the table in sec 393(4) of the Bill, the Department in their written reply have furnished as under :

"The stakeholder has suggested that all circulars/notifications providing exemption from TDS need to be incorporated in the table in sec 393(4) of the Bill.
The notifications/circulars issued from time to time provide non deduction of TDS for specific cases and are not applicable to all transactions. Incorporating all notifications/circulars may make Bill bulkier and complex.
Further, clause 536(2)(j) of the Bill already provides that all the notifications, instructions etc. issued under any provision of the repealed Act shall continue in force accordingly. All the notifications issued earlier will continue to apply for new provisions also. The word 'circular' does not find mention in cl. 536(2)(j). The same shall be considered for inclusion."

393.5.15 With regard to the above suggestion on clause 393(6) regarding continuation of tax benefit provided to senior citizen under Section 197A(1C) of the current Act, the Department in their written reply have furnished as under :

"Accepted. It is an inadvertent drafting error where provisions of section 197A(1C) are not completely brought into the Bill."

393.5.16 : With regard to the above suggestion on clause 393(6) for removal of persons mentioned in 2(a) from the common list, the Department in their written reply have stated the following:

"Accepted. The stakeholder has suggested to remove reference to senior citizen [sr. no. 2(a) of the table below clause 393(6)] on the ground that senior citizen is already covered in any person [sr. no. 2(b)]. The references in Sl. No. 2 of Table below 393(6) are required to be corrected. Col C of the table below clause 393(6), has been inadvertently made applicable for both 2(a) and 2(b). It is an drafting error. Appropriate drafting corrections shall be carried out."

393.5.17 : With regard to the above suggestion regarding removal of note in table below clause 393(6), the Department in their written reply have furnished as under :

'The stakeholder seeks to remove note in the table below clause 393(6) [which provides that declaration for no TDS cannot be given if income exceeds the exemption limit]. The request is made on basis that taxpayer should be trusted.

This is an anti-abuse provision. Where individual items of income exceed the threshold, there are reasonable grounds to presume that declaration route for no TDS cannot be allowed. The suggestion is not feasible."

393.5.18 With regard to the suggestion for prescribing uniform threshold limit for TDS provisions, the Department in their written reply have furnished as under :

"The rate of TDS is not just a measure of audit trail, but it is based on principle of 'pay as you earn'. Amount of TDS collected proportionately decreases the advance tax liability of the taxpayer which reduces compliance and also saves on the

interest payable by the taxpayer. Threshold has been significantly rationalised in the new Bill in line with the amendments in the IT Act.

The threshold has to be kept in accordance with the nature of payments. For example, a threshold of Rs. 50 lakh has been kept for immovable property. But the same can not be provided for interest, dividend etc. Therefore, there is merit in providing separate thresholds. Therefore, the suggestion has no merits. In some cases, the rate is also a measure of the income component embedded in the payment particularly in case of passive incomes like rent for immovable property, compensation, income in respect of units, certain royalties, dividend. There cannot be a same rate or threshold for all types of payments as the component of income embedded in any payment is different. ***For example****, On a lottery winnings of Rs 100, the income component is Rs. 100 only. Therefore, tax is required to be deducted on such payment @30%. For contractual payments, the income component in Rs. 100 payment is presumed to be in the range of 6-8%. Therefore, a rate of TDS of 1-2% is considered enough to capture the income component in such payments. Similarly, payment having larger component of income such as technical fees, royalty etc. have been provided TDS@10%. Where payments are in nature of sales, the income component is substantially lower. Therefore, 0.1% TDS is provided for. The same logic holds for thresholds also. Reducing the number of rates or having uniform thresholds will result in lesser alignment with incomes. "*

393.5.19 With regard to taxability of offshore supply of goods the Department in their written reply have furnished as under :

"It may not be practicable to cater to specific situations in the Income-tax Act, since they would run counter to the attempts to simplify the Act. Any clarifications, if considered desirable, could be issued through the Rules/Circulars/FAQs. The suggestion is administrative in nature"

393.5.20 With regard to the suggestion to allow payers making payments to Non residents to remit the amount based on a no PE (Permanent Establishment) declaration and no liability on the payer in case of any interpretative dispute , the Ministry in their written reply have furnished as under :

“The mechanism of tax deduction at source is based on the principle of Pay As You Earn (PAYE). The objective is not only to recover the tax liability of the payee at the earliest possible occasion but to also give a steady flow of revenue to the Government. Second, it is used to curb possible tax evasion/avoidance by the payee by providing tracking mechanism of the income. The TDS in the case of foreign remittances is governed by section 195 of the Act. TDS on foreign remittances to non-residents is highly sensitive as the point (and time) of exit of such remittances, in most of the scenarios, becomes the only time tax liabilities of such non-resident can be recovered. The Hon'ble Supreme Court again in the case of Vodafone International Holdings B.V. v. Union of India (2012) 341 ITR 1 (SC) reaffirmed the importance of section 195 of the Act. It held that“The object of Section 195 is to ensure that tax due from non-resident persons is secured at the earliest point of time so that there is no difficulty in collection of tax subsequently at the time of regular assessment.” The AAR in case of XYZ, In RE: P.No.18 of 1995(1999) 238 ITR 575 has also observed that “The objective is to ensure, as best as possible, that the tax liability on the income element, on the amount paid is got deducted at source itself so that the department is not put to the hassles of recovering it from the non-resident whose connections with India may be transient or whose assets in India may not be sufficient to meet the tax liability” The CBDT Circular No. 152 dated 27.11.1974 - 98 ITR (St.) 19 reads as under: “The object of section 195 is to ensure that the tax due from non-resident persons is secured at the earliest point of time so that there is no difficulty in collection of tax subsequently at the time of regular assessment. Failure to deduct tax at source from payments to a non-resident may result in loss of revenue as the non-resident may sometimes have no assets in India from which tax could be collected at a later stage. Tax should, therefore, be deducted in all cases where it is required to be deducted under section 195 before the payment is made to the credit of the Central Government as required by section 200 of the Income-tax Act read with rule 30 of the Income-tax rules, 1962. Failure to do so would render a person liable to penalty under section 201 read with section 221 of the Income-tax Act, and would also constitute an offence under section 276B of the Income-tax Act.” Therefore, it is a settled position of law that the tax deduction at source on foreign

remittances to non-residents is an interim arrangement to recover the tax liability of the non-resident payee in advance in order to plug the chances of any future default. As a result, the recommendation may not be feasible. In view of the above, the suggestion has no merit."

393.5.21(a) On the issue regarding Withholding tax on interest payments on listed Non-Convertible Debentures, the Ministry in their written reply submitted as under:
"The stakeholder seeks concessional rate of tax for FPIs on interest income on NCD. The suggestion of the stakeholder is in the nature of policy change and beyond the scope of IT Bill, 2025. The provisions of the Act are same vis a vis Bill. 20% rate on debt is not a high rate. Further, they can avail lower treaty rate on interest income, where applicable."

393.5.21(b) During the Oral Submission on 10.06.2025, the representative of the Ministry stated as under:

"For FPI and interest income on non-convertible debentures, the rate is one per cent at present. The request is that this rate may be reduced. We are saying 20 per cent because it is in nature of debt instrument. On debt instrument, 20 per cent is a reasonable rate. If the treaty allows a lesser rate, they can claim that."

393.5.22 On the issue of reduction of TDS rate from 1% to 0.1% u/s 194S, the Ministry in their written reply submitted as under:
"The suggestion is in the nature of policy change which is beyond the scope of the IT Bill, 2025.There is no change in the provisions of the Bill vis a vis Act. The suggestion is not acceptable. The rates and monetary threshold have been fixed based on the nature of income."

393.5.23 On the issue of usage of Tables for TDS and TCS, the Ministry in their written reply submitted as under:

“The usage of Tables for TDS and TCS has been well appreciated. It will ease the burden of deductors as well as deductees in understanding and applying the provisions of the Bill. There is no ground of any apprehension of litigation. If there is any specific suggestion, the same may be examined.
The suggestion has no merit.”

393.5.24 On the suggestion regarding mentioning the amount on which TDS to be deducted by Non Resident in TDS Section, the Ministry in their written response stated as under :
“The amount on which TDS is to be made is variable. It cannot be mentioned in the section. The suggestion has no merits.”

393.5.25 On the suggestion regarding no penalty for non-deduction/ non- collection, the Ministry furnished the written reply given below:
“Prosecution provisions have already been rationalised and are not applicable if TDS is deposited before the date of filing of quarterly statement. CBDT issued Circular No. 24/2019, dated 9 September 2019. In that circular the Central Government has provided relief from prosecution proceedings in cases where the non-payment of TDS amounts to Rs 25 lakh or less, and the delay in deposit is less than 60 days from the due date. “

393.5.26 Regarding change in threshold limits, in their written reply the Ministry have responded as under:
“Suggestion is not acceptable because the threshold limits for TDS u/s 194D and 194DA have already been increased to Rs. 20,000 and Rs 1,00,000 vide Finance Act 2025.”

393.5.27 On the suggestion for inclusion of clarification issued vide the Circular, the Ministry in written reply have submitted as below:
“The stakeholder through the suggestion seeks inclusion of clarification issued vide circular no 715 dated 08.08.1995 in the IT Bill.
The suggestion is not acceptable as it pertains to clarification with respect to provisions

of the IT Bill. Clarifications are issued separately through circulars from time to time by CBDT to remove any difficulty/ambiguity in interpretation of the provisions of the Act."

393.5.28 On various other suggestions at Para 393.4.28, the Ministry in their written reply have submitted as below:

"Issues raised are in nature of seeking regular systemic improvements. These are already taken care of."

393.6.<u>Observations/Recommendations of the Committee</u>

The Committee note that numerous suggestions have been received from various stakeholders concerning Clause 393 of the Bill, which provides for tax deduction at source on various payments. All sections in the Income-Tax Act, 1961 specifying various sums liable to TDS have been merged into a single section in the Bill providing 3 tables based on three broad categories of Payees: (i) Residents, (ii) Non-residents, and (iii) any person. The Committee observe that the clause primarily exhibits certain inconsistencies attributable to drafting oversights. After detailed, in-depth deliberation, and having considered both the views of stakeholders and the response of the Department, the Committee recommends the following revisions:-

(i) Duplication Rectification (Clause 393(1)(4)(ii)): The Committee note that "Serial Number 4 of Schedule V in the Table under the Head 'Income from Capital Market' has been referred to twice. As agreed to by the Department, this duplication may be rectified.

(ii) Threshold Limit Clarification (Clause 393(1)(6)(iii)): The Committee note that stakeholders suggested providing an independent threshold of ₹50,000 for five different sums referred to in Clause 393(1) Table Sl. No. 6(iii). While the threshold limits have been changed by Finance Act, 2025, there is a drafting error as limits have not been provided for 3 out of 5 sums. Since the threshold limits, as accepted by the Department, are to be aligned with the existing provisions of the Act, the Committee recommend to amend the clause suitably.

(ii) Tax Deduction Basis Correction (Clause 393(1) & 393(1)(8)(ii)): The Committee note that a stakeholder pointed out a contradiction: Clause 393(1) requires deduction of tax at source on the entire amount of such income or sum where it exceeds the specified threshold, while Clause 393(1)(8)(ii) specifies the rate of tax to be applied only on such sum exceeding ₹50 lakhs. The Department has acknowledged this as an inadvertent drafting error which requires redrafting to provide that TDS shall be deducted only on the sum exceeding ₹50 lakhs. Accordingly, the Committee recommend that the same may be redrafted.

(iii) "Benefit or Perquisite" Definition (Clause 393(1)(8)(iv)) : The Committee note that stakeholders pointed out the ambiguity in Note 2 appended to Serial No. 8(iv) in the Table, with respect to the nature of the "benefit or perquisite" mentioned therein, as it does not explicitly clarify whether such benefits include monetary payments effected through non-cash modes like cheque, demand draft, or bank transfer. The Department has concurred with the view of the stakeholder and agreed to make drafting corrections appropriately. The Committee approve the same.

(iv) Missing Notes Incorporation: The Committee observe that all sections in the Act specifying various sums liable to TDS have been merged into a single section providing 3 tables based on three broad categories of Payees. There are Notes supplied in the table itself which provide explanations specific to a clause. However, the Committee note that the following notes, as pointed out by the stakeholders, are missing, which creates ambiguity:

(a) Non-Resident Deduction Rate (Clause 393(2)): Note 2 as mentioned in Serial No. 10 and 15 in Column E of the Table under Clause 393(2), which specifies the rate of deduction of income tax when such income is credited to a non-resident.

(b) Winnings in Kind (Clause 393): Note 3 in Column D of the Table in Clause 393 related to tax deduction when the winnings are in kind.

In this regard, the Department has admitted that "Three Notes below the table in Clause 393(2) and Clause 393(3) respectively have inadvertently been missed." The Committee, therefore, recommend rectifying this anomaly by incorporating Notes suitably in Clause 393(2) and Clause 393(3) respectively as proposed.

(v) Inclusion of "Circular" (Clause 536(2)(j)): Responding to the suggestion that circulars/notifications providing exemption from TDS need to be incorporated in the table in Clause 393(4) of the Bill, the Department has clarified that notifications/instructions etc. have already been covered in Clause 536(2)(j) of the Bill, and the word "circular" will be considered for inclusion. As agreed to by the Department, the Committee recommend including the word "circular" in Clause 536(2)(j).

(vi) Zero Tax Liability for Senior Citizens (Income-Tax Bill, 2025): It has been brought to the notice of the Committee that provisions similar to Section 197A(1C) of the current Act for zero tax liability benefit to senior citizens are missing in the Income-Tax Bill, 2025. The Department has admitted to the

inadvertent drafting error (Clause 393(6)). The Committee, therefore, recommend the Department to rectify this drafting error.

(vii) Redundant Senior Citizen Reference (Clause 393(6)): Clause 393(6) deals with entitlement for no deduction at source for such persons. A stakeholder has suggested removing the reference to senior citizens in Sl. No. 2(a) of the table below Clause 393 as senior citizens are already covered in Sl. No. 2(b) of the table. The Department has admitted to the inadvertent drafting error. Accordingly, the Committee recommend carrying out this drafting correction.

(viii) Typographical error: For Clause 393(3) in Column D at Serial No. 3 the word 'lilmit' may be replaced with 'limit'.

(ix) The reference of the repealed Act viz. Income-Tax Act, 1961 may be removed from the Table at sl.no.7(c)(i) in sub-clause (3) of Clause 393 and incorporated in Clause 536 which provides for Repeals and Savings.

Apart from the above drafting corrections, the Committee accept Clause 393 as proposed by the Department.

Clause -394- Collection of tax at source.394.

394.1 Provisions proposed in the Income-Tax Bill, 2025:

(*1*) Every person, as specified in column C of the Table below shall collect tax—(*a*) on receipts specified in column B;(*b*) at the rate as specified in column D; and (*c*) at the time of debiting of the amount payable by the buyer or licensee or lessee to the account of the buyer or licensee or lessee or at the time of receipt of such amount from the said buyer or licensee or lessee in cash or by way of a cheque of a draft or any other mode, whichever is earlier.

Table TAX COLLECTION AT SOURCE

Sl. No.	Nature of receipt	Person	Rate of Tax Collected at Source
A	B	C	D
1.	Sale of alcoholic liquor for human consumption.	Seller.	1%.
2.	Sale of tendu leaves.	Seller.	5%.
3.	Sale of timber whether obtained under a forest lease or otherwise; or any other forest produce (not being timber or tendu leaves) obtained under a forest lease.	Seller.	2%.
4.	Sale of scrap.	Seller.	1%.
5.	Sale of minerals, being coal or lignite or iron ore.	Seller.	1%.
6.	Sale consideration exceeding ₹10,00,000 in case of—(*a*) motor vehicle; or(*b*) any other goods, as notified by the Central Government.	Seller.	1%.

A	B	C	D
7.	Remittance under the Liberalised Remittance Scheme of an amount or aggregate of the amounts exceeding ₹10,00,000—	Authorised dealer.	(*a*) 5% for purposes of education or medical treatment;(*b*) 20% for purposes other than education or medical treatment.
8.	Sale of "overseas tour programme package" including expenses for travel or hotel stay or boarding or lodging or any such similar or related expenditure.	Seller.	(*a*) 5% of amount of aggregate of amounts upto ₹10,00,000;(*b*) 20% of amount or aggregate of amounts exceeding ₹ 10,00,000.
9.	Use of parking lot or toll plaza or mine or quarry for the purpose of business, excluding mining and quarrying of mineral oil (including petroleum and natural gas).	Licensor or Lessor.	2%.

(*2*) The collection of tax shall not to be made in respect of receipts specified in sub-section (*1*) (Table: Sl. No. 1 to 5) in respect of the buyer, who is a resident in India, if he furnishes a written declaration in duplicate in such form and manner, as prescribed, to the person responsible for collecting tax, mentioning that such goods are to be utilised––(*a*) for the purposes of manufacturing, processing or producing articles or things or for generating power; and(*b*) not for trading purposes.(*3*) Where no collection of tax is to be

made under sub-section (*2*), the person responsible for collecting tax shall deliver, one copy of the declaration referred to in that sub-section, to the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner, on or before the seventh day of the month following the month of receipt of that declaration.(*4*) The collection of tax shall not be made by the authorised dealer in respect of receipt specified in serial number 7 of the Table in sub-section (*1*) on such amount on which tax has been collected by the seller referred to in serial number 8 of the Table in sub-section (*1*).(*5*) The collection of tax shall not be made by the authorised dealer or seller, in respect of receipt specified in sub-section (*1*) (Table: Sl. No. 7 and 8), if the buyer is liable to deduct tax at source under any other provisions of this Act and he has deducted such tax.(6) For the purposes of this sub-section, "forest produce" shall have the same meaning as defined in any State Act for the time being in force, or in the Indian Forest Act, 1927.

394.2 Relevant provision of the Principal Act (Income-Tax Act 1961)

Profits and gains from the business of trading in alcoholic liquor, forest produce, scrap, etc.

206C. (1) Every person, being a seller shall, at the time of debiting of the amount payable by the buyer to the account of the buyer or at the time of receipt of such amount from the said buyer in cash or by the issue of a cheque or draft or by any other mode, whichever is earlier, collect from the buyer of any goods of the nature specified in column (2) of the Table below, a sum equal to the percentage, specified in the corresponding entry in column (3) of the said Table, of such amount as income-tax:TABLE

Sl. No.	*Nature of goods*	*Percentage*
(1)	*(2)*	*(3)*
(*i*)	Alcoholic Liquor for human consumption	One per cent
(*ii*)	Tendu leaves	Five per cent

(*iii*)	Timber [18][*or any other forest produce (notbeingtendu leaves*)] obtained under a forest lease	[19][*Two*] per cent
(*iv*)	Timber obtained by any mode other than under a forest lease	[19][*Two*] per cent
(*v*)	[20][***]	
(*vi*)	Scrap	One per cent
(*vii*)	Minerals, being coal or lignite or iron ore	One per cent:

Provided that every person, being a seller shall at the time, during the period beginning on the 1st day of June, 2003 and ending on the day immediately preceding the date on which the Taxation Laws (Amendment) Act, 2003 comes into force, of debiting of the amount payable by the buyer to the account of the buyer or of receipt of such amount from the said buyer in cash or by the issue of a cheque or draft or by any other mode, whichever is earlier, collect from the buyer of any goods of the nature specified in column (2) of the Table as it stood immediately before the 1st day of June, 2003, a sum equal to the percentage, specified in the corresponding entry in column (3) of the said Table, of such amount as income-tax in accordance with the provisions of this section as they stood immediately before the 1st day of June, 2003.[21][Explanation.—*For the purposes of this sub-section, "forest produce" shall have the same meaning as defined in any State Act for the time being in force, or in the Indian Forest Act, 1927 (16 of 1927)*.](1A) Notwithstanding anything contained in sub-section (1), no collection of tax shall be made in the case of a buyer, who is resident in India, if such buyer furnishes to the person responsible for collecting tax, a declaration in writing in duplicate in the prescribed form and verified in the prescribed manner to the effect that the goods referred to in column (2) of the aforesaid Table are to be utilised for the purposes of manufacturing, processing or producing articles or things or for the purposes of generation of power and not for trading purposes.(1B) The person responsible for collecting tax under this section shall deliver or cause to be delivered to the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner one copy of the declaration referred to in sub-section (1A) on or before the seventh day of the month next following the month in which the declaration is furnished to him.(1C) Every person, who grants a lease or a licence or enters into a

contract or otherwise transfers any right or interest either in whole or in part in any parking lot or toll plaza or mine or quarry, to another person, other than a public sector company (hereafter in this section referred to as "licensee or lessee") for the use of such parking lot or toll plaza or mine or quarry for the purpose of business shall, at the time of debiting of the amount payable by the licensee or lessee to the account of the licensee or lessee or at the time of receipt of such amount from the licensee or lessee in cash or by the issue of a cheque or draft or by any other mode, whichever is earlier, collect from the licensee or lessee of any such licence, contract or lease of the nature specified in column (2) of the Table below, a sum equal to the percentage, specified in the corresponding entry in column (3) of the said Table, of such amount as income-tax:

TABLE

Sl. No.	*Nature of contract or licence or lease, etc.*	*Percentage*
(1)	*(2)*	*(3)*
(*i*)	Parking lot	Two per cent
(*ii*)	Toll plaza	Two per cent
(*iii*)	Mining and quarrying	Two per cent.

Explanation 1.—For the purposes of this sub-section, "mining and quarrying" shall not include mining and quarrying of mineral oil.*Explanation 2.*—For the purposes of *Explanation 1*, "mineral oil" includes petroleum and natural gas.(1D) [***](1E) [***][22][*(1F) Every person, being a seller, who receives any amount as consideration for sale of—*

*(*i*) a motor vehicle; or*

*(*ii*) any other goods, as may be specified by the Central Government by notification in the Official Gazette,*

of the value exceeding ten lakh rupees, shall, at the time of receipt of such amount, collect from the buyer, a sum equal to one per cent of the sale consideration as income-tax.](1G) Every person,—

(*a*) being an authorised dealer, who receives an amount, for remittance [23][***] from

a buyer, being a person remitting such amount [23][***] under the Liberalised Remittance Scheme of the Reserve Bank of India;

(*b*) being a seller of an overseas tour program package, who receives any amount from a buyer, being the person who purchases such package,

shall, at the time of debiting the amount payable by the buyer or at the time of receipt of such amount from the said buyer, by any mode, whichever is earlier, collect from the buyer, a sum equal to [24][five] per cent of such amount as income-tax:Provided that the authorised dealer shall not collect the sum, if the amount or aggregate of the amounts being remitted by a buyer is less than [25][*ten*] lakh rupees in a financial year [26][***]:Provided further that the sum to be collected by an authorised dealer from the buyer shall be equal to [27][twenty] per cent of the amount or aggregate of the amounts in excess of [25][*ten*] lakh rupees remitted by the buyer in a financial year, where the amount being remitted [28][[29][is for purposes other than] education or medical treatment]:[30][Provided also*that the authorised dealer shall not collect the sum if the amount being remitted out is a loan obtained from any financial institution as defined in clause (*b*) of sub-section (3) of section 80E, for the purpose of pursuing any education:*][31][Provided also that the seller of an overseas tour programme package shall collect a sum of twenty per cent of the amount or aggregate of amounts in excess of [32][*ten*] lakh rupees received from the buyer in a financial year:]Provided also that the authorised dealer shall not collect the sum on an amount in respect of which the sum has been collected by the seller:Provided also that the provisions of this sub-section shall not apply, if the buyer is,—

(*i*) liable to deduct tax at source under any other provision of this Act and has deducted such amount;

(*ii*) the Central Government, a State Government, an embassy, a High Commission, a legation, a commission, a consulate, the trade representation of a foreign State, a local authority as defined in the *Explanation* to clause (*20*) of section 10 or any other person as the Central Government may, by notification in the Official Gazette, specify for this purpose, subject to such conditions as may be specified therein:

[33][Provided also that the sum to be collected under this sub-section on or after the 1st day of July, 2023 and before the 1st day of October, 2023, shall be collected in accordance with the provisions of this sub-section as they stood on the 1st day of April, 2023.]*Explanation.*—For the purposes of this sub-section,—

(*i*) "authorised dealer" means a person authorised by the Reserve Bank of India under sub-section (1) of section 10 of the Foreign Exchange Management Act, 1999 (42 of 1999) to deal in foreign exchange or foreign security;

(*ii*) "overseas tour programme package" means any tour package which offers visit to a country or countries or territory or territories outside India and includes expenses for travel or hotel stay or boarding or lodging or any other expenditure of similar nature or in relationthere to.

(1H) Every person, being a seller, who receives any amount as consideration for sale of any goods of the value or aggregate of such value exceeding fifty lakh rupees in any previous year, other than the goods being exported out of India or goods covered in sub-section (1) or sub-section (1F) or sub-section (1G) shall, at the time of receipt of such amount, collect from the buyer, a sum equal to 0.1 per cent of the sale consideration exceeding fifty lakh rupees as income-tax:Provided that if the buyer has not provided the Permanent Account Number or the Aadhaar number to the seller, then the provisions of clause (*ii*) of sub-section (1) of section 206CC shall be read as if for the words "five per cent", the words "one per cent" had been substituted:Provided further that the provisions of this sub-section shall not apply, if the buyer is liable to deduct tax at source under any other provision of this Act on the goods purchased by him from the seller and has deducted such amount:[34][Provided also*that nothing contained in the provisions of this sub-section shall apply from the 1st day of April, 2025.*]*Explanation.*—For the purposes of this sub-section,—

(*a*) "buyer" means a person who purchases any goods, but does not include,—

(*A*) the Central Government, a State Government, an embassy, a High Commission, legation, commission, consulate and the trade representation of a foreign State; or

(*B*) a local authority as defined in the *Explanation* to clause (*20*) of section

10; or

(*C*) a person importing goods into India or any other person as the Central Government may, by notification in the Official Gazette, specify for this purpose, subject to such conditions as may be specified therein;

(*b*) "seller" means a person whose total sales, gross receipts or turnover from the business carried on by him exceed ten crore rupees during the financial year immediately preceding the financial year in which the sale of goods is carried out, not being a person as the Central Government may, by notification in the Official Gazette, specify for this purpose, subject to such conditions as may be specified therein.

(1-I) If any difficulty arises in giving effect to the provisions of sub-section (1G) or sub-section (1H), the Board may, with the approval of the Central Government, issue guidelines for the purpose of removing the difficulty. (1J) Every guideline issued by the Board under sub-section (1-I) shall be laid before each House of Parliament, and shall be binding on the income-tax authorities and on the person liable to collect the sum. (2) The power to recover tax by collection under this section shall be without prejudice to any other mode of recovery. (3) Any person collecting any amount under this section shall pay within the prescribed time the amount so collected to the credit of the Central Government or as the Board directs : Provided that the person collecting tax on or after the 1st day of April, 2005 in accordance with the foregoing provisions of this section shall, after paying the tax collected to the credit of the Central Government within the prescribed time, prepare such statements for such period as may be prescribed and deliver or cause to be delivered to the prescribed income-tax authority, or the person authorised by such authority, such statement in such form and verified in such manner and setting forth such particulars and within such time as may be prescribed. (3A) In case of an office of the Government, where the amount collected under sub-section (1) or sub-section (1C) has been paid to the credit of the Central Government without the production of a challan, the Pay and Accounts Officer or the Treasury Officer or the Cheque Drawing and Disbursing Officer or any other person, by whatever name called, who is responsible for crediting such tax to the credit of the Central Government, shall deliver or cause to be delivered to the prescribed

income-tax authority, or to the person authorised by such authority, a statement in such form, verified in such manner, setting forth such particulars and within such time as may be prescribed. (3B) The person referred to in the proviso to sub-section (3) may also deliver to the prescribed authority under the said proviso, a correction statement for rectification of any mistake or to add, delete or update the information furnished in the statement delivered under the said proviso in such form and verified in such manner, as may be specified by the authority:[35][Provided *that no correction statement shall be delivered after the expiry of six years from the end of the financial year in which the statement referred to in the proviso to sub-section (3) is required to be delivered.*] (4) Any amount collected in accordance with the provisions of this section and paid to the credit of the Central Government shall be deemed to be a payment of tax on behalf of the person from whom the amount has been collected and credit shall be given to such person [36][*or any other person eligible for credit*] for the amount so collected in a particular assessment year in accordance with the rules as may be prescribed by the Board from time to time. (5) Every person collecting tax in accordance with the provisions of this section shall within such period as may be prescribed from the time of debit or receipt of the amount furnish to the buyer or licensee or lessee to whose account such amount is debited or from whom such payment is received, a certificate to the effect that tax has been collected, and specifying the sum so collected, the rate at which the tax has been collected and such other particulars as may be prescribed :

Provided that the prescribed income-tax authority or the person authorised by such authority referred to in sub-section (3) shall, within the prescribed time after the end of each financial year beginning on or after the 1st day of April, 2008, prepare and deliver to the buyer referred to in sub-section (1) or, as the case may be, to the licensee or lessee referred to in sub-section (1C), a statement in the prescribed form specifying the amount of tax collected and such other particulars as may be prescribed. (5A) Every person collecting tax before the 1st day of April, 2005 in accordance with the provisions of this section shall prepare within the prescribed time after the end of each financial year, and deliver or cause to be delivered to the prescribed income-tax authority or such other authority or agency as may be prescribed such returns in such form and verified in such manner and setting forth such particulars and within such time

as may be prescribed : Provided that the Board may, if it considers necessary or expedient so to do, frame a scheme for the purposes of filing such returns with such other authority or agency referred to in this sub-section. (5B) Without prejudice to the provisions of sub-section (5A), any person collecting tax, other than in a case where the seller is a company, the Central Government or a State Government, may at his option, deliver or cause to be delivered such return to the prescribed income-tax authority in accordance with such scheme as may be specified by the Board in this behalf, by notification in the Official Gazette, and subject to such conditions as may be specified therein, on or before the prescribed time after the end of each financial year, on a floppy, diskette, magnetic cartridge tape, CD-ROM or any other computer readable media (hereinafter referred to as the computer media) and in the manner as may be specified in that scheme: Provided that where the person collecting tax is a company or the Central Government or a State Government, such person shall, in accordance with the provisions of this section, deliver or cause to be delivered, within the prescribed time after the end of each financial year, such returns on computer media under the said scheme. (5C) Notwithstanding anything contained in any other law for the time being in force, a return filed on computer media shall be deemed to be a return for the purposes of sub-section (5A) and the rules made thereunder and shall be admissible in any proceedings made thereunder, without further proof of production of the original, as evidence of any contents of the original or of any facts stated therein. (5D) Where the Assessing Officer considers that the return delivered or caused to be delivered under sub-section (5B) is defective, he may intimate the defect to the person collecting tax and give him an opportunity of rectifying the defect within a period of fifteen days from the date of such intimation or within such further period which, on an application made in this behalf, the Assessing Officer may, in his discretion, allow; and if the defect is not rectified within the said period of fifteen days or, as the case may be, the further period so allowed, then, notwithstanding anything contained in any other provision of this Act, such return shall be treated as an invalid return and the provisions of this Act shall apply as if such person had failed to deliver the return. (6) Any person responsible for collecting the tax who fails to collect the tax in accordance with the provisions of this section, shall, notwithstanding such failure, be liable to pay the tax to the credit of the

Central Government in accordance with the provisions of sub-section (3). (6A) If any person responsible for collecting tax in accordance with the provisions of this section does not collect the whole or any part of the tax or after collecting, fails to pay the tax as required by or under this Act, he shall, without prejudice to any other consequences which he may incur, be deemed to be an assessee in default in respect of the tax:

Provided that any person responsible for collecting tax in accordance with the provisions of sub-section (1) and sub-section (1C), who fails to collect the whole or any part of the tax on the amount received from a buyer or licensee or lessee or on the amount debited to the account of the buyer or licensee or lessee shall not be deemed to be an assessee in default in respect of such tax if such buyer or licensee or lessee—

(*i*) has furnished his return of income under section 139;

(*ii*) has taken into account such amount for computing income in such return of income; and

(*iii*) has paid the tax due on the income declared by him in such return of income,

and the person furnishes a certificate to this effect from an accountant in such form as may be prescribed: Provided further that no penalty shall be charged under section 221 from such person unless the Assessing Officer is satisfied that the person has without good and sufficient reasons failed to collect and pay the tax.(7) Without prejudice to the provisions of sub-section (6), if the person responsible for collecting tax does not collect the tax or after collecting the tax fails to pay it as required under this section, he shall be liable to pay simple [37][*interest*—

*(*a*)* *at the rate of one per cent for every month or part thereof on the amount of such tax from the date on which such tax was collectible to the date on which such tax is collected; and*

*(*b*)* *at the rate of one and one-half per cent for every month or part thereof on the amount of such tax from the date on which such tax was collected to the date on which such tax is actually paid,*

and such interest shall be paid] before furnishing the quarterly statement for each quarter in accordance with the provisions of sub-section (3): Provided that in case any person responsible for collecting tax in accordance with the provisions of this section,

fails to collect the whole or any part of the tax on the amount received from a buyer or licensee or lessee or on the amount debited to the account of the buyer or licensee or lessee but is not deemed to be an assessee in default under the first proviso of sub-section (6A), the interest shall be payable from the date on which such tax was collectible to the date of furnishing of return of income by such buyer or licensee or lessee: Provided further that where an order is made by the Assessing Officer for the default under sub-section (6A), the interest shall be paid by the person in accordance with such order. [38][*(7A) No order shall be made under sub-section (6A) deeming a person to be an assessee in default for failure to collect the whole or any part of the tax from any person, at any time after the expiry of six years from the end of the financial year in which tax was collectible or two years from the end of the financial year in which the correction statement is delivered under sub-section (3B), whichever is later:*] [39][Provided*that the provisions of sub-sections (3), (5) and (6) of section 153 and* Explanation 1 *thereof shall, so far as may be, apply to the time limit specified in this sub-section.*] (8) Where the tax has not been paid as aforesaid, after it is collected, the amount of the tax together with the amount of simple interest thereon referred to in sub-section (7) shall be a charge upon all the assets of the person responsible for collecting tax. (9) Where the Assessing Officer is satisfied that the total income of the buyer or licensee or lessee justifies the collection of the tax at any lower rate than the relevant rate specified in [40][sub-section (1) [41][*or sub-section (1C)*]], the Assessing Officer shall, on an application made by the buyer or licensee or lessee in this behalf, give to him a certificate for collection of tax at such lower rate than the relevant rate specified in [40][sub-section (1) [41][*or sub-section (1C)*]]. (10) Where a certificate under sub-section (9) is given, the person responsible for collecting the tax shall, until such certificate is cancelled by the Assessing Officer, collect the tax at the rates specified in such certificate. (10A) In case the provisions of sub-section (1) [except the goods referred at serial number (*i*) in the TABLE], [42][*(1C) or (1F)*] require collection of tax at source during the period commencing from the 14th day of May, 2020 to the 31st day of March, 2021, then, notwithstanding anything contained in these sub-sections the collection of tax shall be made at the rate being the three-fourth of the rate specified in these sub-sections. (11) The Board may, having regard to the

convenience of assessees and the interests of revenue, by notification in the Official Gazette, make rules specifying the cases in which, and the circumstances under which, an application may be made for the grant of a certificate under sub-section (9) and the conditions subject to which such certificate may be granted and providing for all other matters connected therewith. [43-45][(12) Notwithstanding anything contained in this section, no collection of tax shall be made or collection of tax shall be made at such lower rate in respect of specified transaction, from such person or class of persons, including institution, association or body or class of institutions, associations or bodies, as the Central Government may, by notification in the Official Gazette specify in this behalf.]*Explanation.*—For the purposes of this section,—

(*a*) "accountant" shall have the meaning assigned to it in the *Explanation* to sub-section (2) of section 288;

(*aa*) "buyer" with respect to—

(*i*) sub-section (1) means a person who obtains in any sale, by way of auction, tender or any other mode, goods of the nature specified in the Table in sub-section (1) or the right to receive any such goods but does not include,—

(*A*) a public sector company, the Central Government, a State Government, and an embassy, a High Commission, legation, commission, consulate and the trade representation, of a foreign State and a club; or

(*B*) a buyer in the retail sale of such goods purchased by him for personal consumption;

(*ii*) [***]

(*iii*) sub-section (1F) means a person who obtains in any sale, goods of the ıre specified in the said sub-section, but does not include,—

(*A*) the Central Government, a State Government and an embassy, igh Commission, legation, commission, consulate and the trade esentation of a foreign State; or

(*B*) a local authority as defined in *Explanation* to clause (*20*) ection 10; or

(*C*) a public sector company which is engaged in the business of ying passengers.

(*ab*) [***]

(*b*) "scrap" means waste and scrap from the manufacture or chanical working of materials which is definitely not ble as such because of breakage, cutting up, wear and er reasons;

(*c*) "seller" with respect to sub-section (1) and sub-section) means the Central Government, a State Government or local authority or corporation or authority established by nder a Central, State or Provincial Act, or any company firm or co-operative society and also includes an vidual or a Hindu undivided family whose total sales, ss receipts or turnover from the business or profession ied on by him exceed one crore rupees in case of iness or fifty lakh rupees in case of profession during the ncial year immediately preceding the financial year in ch the goods of the nature specified in the Table in sub- tion (1) are sold.

Tax collection account number.

206CA. (1) Every person collecting tax in accordance with the provisions of section 206C, shall, within such time as may be prescribed, apply to the Assessing Officer for the allotment of a tax collection account number. (2) Where a tax collection account number has been allotted to a person, such person shall quote such number—

(*a*) in all challans for the payment of any sum in accordance with the provisions of sub-section (3) of section 206C;

(*b*) in all certificates furnished under sub-section (5) of section 206C;

(*c*) in all the returns delivered in accordance with the provisions of sub-section (5A)

or sub-section (5B) of section 206C to any income-tax authority; and

(*d*) in all other documents pertaining to such transactions as may be prescribed in the interest of revenue:

Provided that the provisions of this section shall not apply on or after the 1st day of October, 2004.Special provision for collection of tax at source for non-filers of income-tax return.206CCA.[47][*Omitted by the Finance Act, 2025, w.e.f.* 1-4-2025.]

394.3 Reasons/Justification given by the Department of Finance for the proposed provision

Clause 394 of the Bill provides for tax collection at source on various transactions. Redundant provisions have been removed. A table has been provided to make TCS related provisions easier to comprehend. The provision related to exemption of remittance for education purposes out of loan from specified financial institution from TCS has been brought via Finance Act, 2025. However, the same has been inadvertently remained to be added in the clause 394 of the Bill. The said provision will be added in clause 394 of the Bill. The clause corresponds to section 206C of the Act. The provisions of the existing section have been textually simplified and retained with the same intent in this clause(The Finance Act, 2025 provided exemption from TCS on remittances made from loans for education purposes obtained from financial institutions defined in clause 129(3)(b). This amendment is also required to be made in the IT Bill, 2025.)

394.4.1 Important views/Suggestions given by Experts/Stakeholders

394.4.1: In clause 394(1)(4) Scrap and waste may be removed from scope of TCS. The rationale for introduction of levy of TCS on scrap around 30 years back was to prevent excise duty evasion, because manufacturing industries used to sell fresh goods by wrongly classifying as scrap on which no excise duty was payable. To track sale of such scrap by excise department and by income tax department, TCS was introduced on scrap. However, since GST is now leviable on scrap and waste it may not be necessary to continue TCS on sale of scrap.

394.4.2: In clause 394(1) (7) The TCS rate on remittance for education purposes funded from educational loan from qualifying financial institution be modified to NIL as proposed by FB 2025.Insert a provision in ITB 2025 to provide exemption from TCS on remittances for education financed by loans from specified financial institutions, similar to Section 80E of ITA 1961.

394.4.3**:** In clause Clause 394(1)(8) Applicability of TCS provisions to non-resident seller of tour packages, operating outside India but offering services to Indian tourists may be included. Clause 394(1)(8) of the new Bill provides for levy of TCS on sale of overseas tour programme package including expenses for travel or hotel stay or boarding or lodging or related expenditure at the rate of 5% upto Rs 10 Lakh and at the rate of 20% on amount exceeding Rs 10 Lakhs The section is silent on the applicability of TCS provisions to non-resident seller of tour packages, operating outside India but offering services to Indian tourists. Clarity be issued that the said levy would not be attracted in case of non-resident seller of overseas tour package

394.4.4: For Clause 394(3) Two issues regarding the Clause has been raised by the Stakeholders

(i) With the transition to digital platforms, the declarations are submitted online only to prescribed authority in the manner prescribed. It is not clear as to the point of time when the declaration should be obtained from the buyer, which may be incorporated in the section. For Section 394(3):- (*3*) Where no collection of tax is to be made under sub-section (*2*), the person responsible for collecting tax shall deliver, one copy of the declaration referred to in that sub-section **to the prescribed authority in the manner prescribed**, ~~to the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner,~~ on or before the seventh day of the month following the month of receipt of that declaration.

(ii) It is not clear as to the point of time when the declaration should be obtained from the buyer, which may be incorporated in the section as below :

The person responsible for collecting shall obtain such declaration from the buyer at the time of each sale transaction or at the time of receipt or debit of first amount in respect of any such sale, whichever is earlier.

394.5 Examination by the Committee

The Department has responded to the above suggestions in their written reply have as under (mentioned correspondingly):

394.5.1 "The stakeholder seeks to omit the TCS provisions on sale of scrap on the ground that since GST is now leviable on scrap and waste it may not be necessary to continue TCS on sale of scrap. The suggestion is in the nature of policy. The trade of scrap is sensitive and evasion prone. If TCS is not collected, scrap buyers would go out of tax net. The suggestion is not feasible."

394.5.2 "The Finance Act, 2025 provided exemption from TCS on remittances made from loans for education purposes obtained from financial institutions defined in clause 129(3)(b). This amendment is also required to be made in the IT Bill, 2025.The suggestion is acceptable."

394.5.3: "The stakeholder seeks clarification on applicability of TCS provisions to non-resident seller of tour packages, operating outside India but offering services to Indian tourists."

394.5.3(a) In their oral submission on 10.06.2025, the representative of the Department deposed as under:

"The stakeholder is asking for clarification on applicability of TCS provisions to non-resident seller of tour packages. This is not something which is related to provisions of the Bill. So, if clarification is required, it can be provided by CBDT by way of circular."

394.5.4: "The suggestion seeks to know whether the declaration for no collection of tax (on a/c of usage in manufacturing etc.) is to be obtained at the time of first sale or for each of the sale. The declaration is to be given by the buyer at the time of sale. Where

there are multiple sale transactions, it is for the seller to satisfy himself that the declaration is in respect of which of the transactions. The responsibility lies with the seller to satisfy himself. This is not a matter of the Bill or the Rules. “

394.6 Observations/Recommendations of the Committee:

The Committee note that Clause 394(1) of the Bill corresponds to Section 206C(1G) of the Income-Tax Act, 1961, which mandates Tax Collection at Source (TCS) on remittances for educational purposes where the funds are sourced from loans obtained from specified financial institutions. However, a stakeholder has identified a significant oversight: the Bill fails to incorporate the exemption from TCS on educational remittances that was introduced by the Finance Act, 2025.

The Committee is cognizant that, under the Liberalized Remittance Scheme, educational loans procured from specified financial institutions (as defined in Clause 129(3)(b) of the Income-Tax Bill) are exempt from TCS. Furthermore, as per the substitution made by the Finance Act, 2025, Section 206C(1G) of the Income-Tax Act, 1961, effective from April 1, 2025, explicitly states that an authorized dealer is not required to collect tax if the remitted amount is a loan obtained from a financial institution for educational pursuits. The Department has acknowledged this omission, confirming the necessity of this amendment in the Income-Tax Bill, 2025. Consequently, the Committee strongly recommend that the Department incorporate this crucial provision into the Bill.

Apart from this essential addition, there is a change in Clause 394(1)(c) where in the phrase "cheque of a draft" the word 'of' may be replaced with 'or' . Besides the above changes, the Committee accept the Clause 394 as proposed.

Clause-395 - Certificates

395.1 Provisions proposed in the Income-Tax Bill, 2025:

395 (1) Where tax is required to be deducted on any income or sum under this Chapter, then subject to the rules made under this Act,—

(a)the payee may make an application before the Assessing Officer for deduction of tax at a lower rate; and

(b) the Assessing Officer on being satisfied that the total income of the payee justifies a lower deduction, shall issue a certificate as appropriate; and

(c) when a certificate is issued under clause (b), the person responsible for paying the income or amount shall deduct the tax at the rate specified in such certificate till its validity.

(2) (a) The person responsible for paying to a non-resident any sum chargeable under this Act (other than salary), may make an application to the Assessing Officer in such form and manner as prescribed, where he considers that the whole of such sum would not be chargeable in the case of the recipient;

(b) the application under clause (a) shall be for determination of the appropriate proportion of the sum chargeable to tax, by the Assessing Officer in the manner as prescribed; and

(c) when the determination is made by the Assessing Officer as per clause (b), the tax shall be deducted under section 393(2)(Table: Sl. No. 17) only on that proportion of sum which is chargeable to tax under the Act.

(3) Where tax is required to be collected on any amount under this Chapter, then subject to the rules made under this Act,—

(a) the buyer or licensee or lessee may make an application before the Assessing Officer for collection of tax at a lower rate; and;

(b) the Assessing Officer on being satisfied that the total income of the buyer or licensee or lessee justifies a lower collection, shall issue a certificate as may be appropriate; and(c)when a certificate is issued under clause (b), the person responsible for collecting tax shall collect it at the rates specified in such certificate till its validity.

(4)

(a) Every person deducting or collecting tax shall issue a certificate to the deductee or collectee, as the case may be, specifying—

(i) the amount of tax that has been deducted or collected;

(ii) the rate at which tax has been deducted or collected; and

(iii) any other particulars, as prescribed,within such period as prescribed.

(b) An employer referred to in section 392(2)(a) shall issue a certificate to the employee, in respect of whose income payment of tax has been made by the employer, that the tax has been paid to the Central Government, and specify—

(i) the amount of tax so paid;

(ii) the rate at which tax has been paid; and

(iii) any other particulars, as prescribed,

within such period, as prescribed.

(5) The assessing officer may cancel the certificate granted under sub-section (1) or (3) after giving reasonable opportunity to the applicant.

395.2 Relevant provision of the Principal Act (Income-Tax Act 1961)

Other sums.

195 (2) Where the person responsible for paying any such sum chargeable under this Act (other than salary) to a non-resident considers that the whole of such sum would not be income chargeable in the case of the recipient, he may make an application in such form and manner to the Assessing Officer, to determine in such manner, as may be prescribed, the appropriate proportion of such sum so chargeable, and upon such determination, tax shall be deducted under sub-section (1) only on that proportion of the sum which is so chargeable.**Certificate for deduction at lower rate.**

197. (1) Subject to rules made under sub-section (2A), where, in the case of any income of any person or sum payable to any person, income-tax is required to be deducted at the time of credit or, as the case may be, at the time of payment at the rates in force under the provisions of sections 192, 193, 194, 194A, 194C, 194D, 194G, 194H, 194-

I, 194J, 194K, 194LA, [9][194LBA], 194LBB, 194LBC, 194M, 194-O, [10][194Q] and 195, the Assessing Officer is satisfied that the total income of the recipient justifies the deduction of income-tax at any lower rates or no deduction of income-tax, as the case may be, the Assessing Officer shall, on an application made by the assessee in this behalf, give to him such certificate as may be appropriate.

(2) Where any such certificate is given, the person responsible for paying the income shall, until such certificate is cancelled by the Assessing Officer, deduct income-tax at the rates specified in such certificate or deduct no tax, as the case may be.

(2A) The Board may, having regard to the convenience of assessees and the interests of revenue, by notification in the Official Gazette, make rules specifying the cases in which, and the circumstances under which, an application may be made for the grant of a certificate under sub-section (1) and the conditions subject to which such certificate may be granted and providing for all other matters connected therewith.

(3) [***]No deduction to be made in certain cases.

197A. (1) Notwithstanding anything contained in section 194 or section 194EE, no deduction of tax shall be made under any of the said sections in the case of an individual, who is resident in India, if such individual furnishes to the person responsible for paying any income of the nature referred to in section 194 or, as the case may be, section 194EE, a declaration in writing in duplicate in the prescribed form and verified in the prescribed manner to the effect that the tax on his estimated total income of the previous year in which such income is to be included in computing his total income will be *nil*.

(1A) Notwithstanding anything contained in section 192A or section 193 or section 194A or section 194D or section 194DA or section 194-I or section 194K, no deduction of tax shall be made under any of the said sections in the case of a person (not being a company or a firm), if such person furnishes to the person responsible for paying any income of the nature referred to in section 192A or section 193 or section 194A or section 194D or section

194DA or section 194-I or section 194K, as the case may be, a declaration in writing in duplicate in the prescribed form and verified in the prescribed manner to the effect that the tax on his estimated total income of the previous year in which such income is to be included in computing his total income will be *nil*.(1B) The provisions of this section shall not apply where the amount of any income of the nature referred to in sub-section (1) or sub-section (1A), as the case may be, or the aggregate of the amounts of such incomes credited or paid or likely to be credited or paid during the previous year in which such income is to be included exceeds the maximum amount which is not chargeable to income-tax.

(1C) Notwithstanding anything contained in section 192A or section 193 or section 194 or section 194A or section 194D or section 194DA or section 194EE or section 194-I or section 194K or sub-section (1B) of this section, no deduction of tax shall be made in the case of an individual resident in India, who is of the age of sixty years or more at any time during the previous year, if such individual furnishes to the person responsible for paying any income of the nature referred to in section 192A or section 193 or section 194 or section 194A or section 194D or section 194DA or section 194EE or section 194-I or section 194K, as the case may be, a declaration in writing in duplicate in the prescribed form and verified in the prescribed manner to the effect that the tax on his estimated total income of the previous year in which such income is to be included in computing his total income will be *nil*.

(1D) Notwithstanding anything contained in this section, no deduction of tax shall be made by the Offshore Banking Unit from the interest paid—

(*a*) on deposit made on or after the 1st day of April, 2005, by a non-resident or a person not ordinarily resident in India; or

(*b*) on borrowing, on or after the 1st day of April, 2005, from a non-resident or a person not ordinarily resident in India.

Explanation.—For the purposes of this sub-section "Offshore Banking Unit" shall have the same meaning as assigned to it in clause (*u*) of section 2 of the Special Economic Zones Act, 2005 (28 of 2005).

(1E) Notwithstanding anything contained in this Chapter, no deduction of tax shall be made from any payment to any person for, or on behalf of, the New Pension System Trust referred to in clause (*44*) of section 10.

(1F) Notwithstanding anything contained in this Chapter, no deduction of tax shall be made, or deduction of tax shall be made at such lower rate, from such payment to such person or class of persons, including institution, association or body or class of institutions, associations or bodies, as may be notified by the Central Government in the Official Gazette, in this behalf.

(2) The person responsible for paying any income of the nature referred to in sub-section (1) or sub-section (1A) or sub-section (1C) shall deliver or cause to be delivered to the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner one copy of the declaration referred to in sub-section (1) or sub-section (1A) or sub-section (1C) on or before the seventh day of the month next following the month in which the declaration is furnished to him.

Certificate for tax deducted.

203. (1) Every person deducting tax in accordance with the foregoing provisions of this Chapter shall, within such period as may be prescribed from the time of credit or payment of the sum, or, as the case may be, from the time of issue of a cheque or warrant for payment of any dividend to a shareholder, furnish to the person to whose account such credit is given or to whom such payment is made or the cheque or warrant is issued, a certificate to the effect that tax has been deducted, and specifying the amount so deducted, the rate at which the tax has been deducted and such other particulars as may be prescribed.

(2) Every person, being an employer, referred to in sub-section (1A) of section 192 shall, within such period, as may be prescribed, furnish to the person in respect of whose income such payment of tax has been made, a certificate to the effect that tax has been paid to the Central Government, and specify the amount so paid, the rate at which the tax has been paid and such other particulars as may be prescribed.

(3) [***]

206C(9) Where the Assessing Officer is satisfied that the total income of the buyer or licensee or lessee justifies the collection of the tax at any lower rate than the relevant

rate specified in [40][sub-section (1) [41]**[***or sub-section (1C)***]**], the Assessing Officer shall, on an application made by the buyer or licensee or lessee in this behalf, give to him a certificate for collection of tax at such lower rate than the relevant rate specified in [40][sub-section (1) [41]**[***or sub-section (1C)***]**].**206C**(10) Where a certificate under sub-section (9) is given, the person responsible for collecting the tax shall, until such certificate is cancelled by the Assessing Officer, collect the tax at the rates specified in such certificate.

395.3 Reasons/Justification given by the Department of Finance for the proposed provision

Clause 395 of the Bill provides for issuance of certificate for lower deduction/collection of tax. The clause corresponds to section 195(2), 197, 197A,203, 206C(9), 206C(10) of the Act. Provisions relating to issuance of certificate for lower deduction and lower collection of tax have been merged into clause 395. The scope of lower deduction/collection certificate has been expanded to all the sections to rationalize and simplify the provisions. The term Nil deduction used in section197 of the Act has been removed as it is included in lower deduction itself. The language of the existing sections has also been simplified. The provisions of the existing section has been textually simplified and retained with the same intent in this clause.

395.4 Important views/Suggestions given by Experts/Stakeholders

Time limit for issue of Certificate

395.4.1 As per the citizens Charter issued by CBDT, there is 30 days time limit to issue certificate u/s 197 (ITA, 1961) or 395 (ITB 2025) Practically it takes more than 30 days even for a medium sized trust to get the certificate – It is suggested that window to apply for the same be opened 90 days before the start of new tax year Fixed time limit may also be prescribed under the ITB 2025 for issuance of certificate so that unnecessary TDS deductions can be avoided Otherwise it will lead to compliance requirements by assessee, banks and Income tax department.

395.4.2 **:** Clause 395(1) of ITB 2025 continues the facility to obtain lower TDS certificate but makes no reference to NIL TDS certificate facility. The NIL TDS certificate is generally obtained by foreign banks operating in India which relieves its customers from TDS compliance on all payments. It is also availed by loss making entities or non-residents availing treaty benefits. Removal of NIL TDS certificate facility will result in unnecessary TDS compliance burden, loss to Govt. in the form of interest on refunds. etc. Customers of foreign banks will need to obtain TAN, do TDS on each & every payment without threshold, file quarterly TDS returns and issue TDS certificates. To avoid the administrative hassles of TDS compliance burden for payers and payees seeking refunds, it is recommended to reinstate provisions of facility of obtaining NIL TDS certificate u/s 395(1) of ITB 2025.

395.4.3 In Transmission Corporation of A.P. Ltd. vs. Commissioner of Income Tax (1999) 239 ITR 587, the Supreme Court has held that the obligation of the assessee to deduct tax at source under section 195 of the Income-tax Act, 1961 is limited only to the appropriate proportion of income chargeable under the Act. Accordingly, the deductee may not be made to undergo such a cumbersome process for obtaining lower tax deduction certificate, if tax at the applicable rate is deducted on the sum chargeable to tax and not the entire consideration.

Considering the decision of the Supreme Court in Transmission Corporation of A.P. Ltd.' s case, a report of a chartered accountant in the prescribed form certifying the sum chargeable to tax be obtained. Tax@12.5% to be deductible where the sum chargeable to tax represents capital gains on transfer of a long-term capital asset and tax@ 30% to be deductible where the sum chargeable to tax represents capital gains from transfer of a short-term capital asset. This would alleviate the requirement of having to obtain certificate for lower deduction of tax at source.

395.4.4 Drawing a parallel reference to section 194-IA (which applies to resident transferors), where a transferee responsible for paying to a resident transferor any sum by way of consideration for transfer of any immovable property is required to deduct tax@1% on actual consideration or stamp duty value of the property, whichever is

higher, without the requirement to obtain a TAN. A similar provision may be introduced where a transferee is responsible for paying to a non-resident transferor any sum by way of consideration for transfer of any immovable property. In such cases, the resident transferee may be allowed to deduct tax at source on payments made to a non-resident seller at the applicable rate without obtaining a TAN.

The transferee responsible for paying to a non-resident transferor may be exempted from the requirement to obtain TAN.

395.5 Examination by the Committee

395.5.1 On the suggestion for timely issue of TDS certificate, the Department in their written submission has stated as under :

"The stakeholder seeks fixed time limit be prescribed under the ITB 2025 for issuance of certificate under section 197 of the IT Act.
The suggestion is not acceptable as it is not related to any provision of the Bill.
The suggestion is administrative in nature."

395.5.1(a). However, when the Committee deliberated upon the above suggestion during the oral evidence on 10.06.2025, the representative of the Department agreed to consider the suggestion and added as follows:-

"The request is that the time limit be prescribed for issuance of that certificate. So, administratively, we have divided time limit of 30 days. The process also is electronic. It can be electronically monitored".

395.5.2 Regarding the suggestion for issue of NIL TDS certificate, the Department in their written submission has stated as under :

"*Clause 395 relates to provision for lower deduction or lower collection certificate. In the Income-tax Act, the certificate could be provided even at Nil rate. This facility has not been withdrawn. In clause 395, simplification was sought to be made by removal of the word 'Nil' as it was considered that 'lower' includes 'Nil'. The issue will be clarified through administrative instructions/*

guidance. The suggestion is acceptable. The word 'Nil' has been removed as the term 'lower' includes 'Nil'. Clause 395(1) (a) relates to provision for lower deduction or lower collection certificate. In the Income-tax Act, the certificate could be provided even at Nil rate. This facility has not been withdrawn. The issue will be clarified through administrative instructions/ guidance. The suggestion is acceptable".

395.5.3 With regard to suggestion for substituting the lower deduction certificate with the report from Chartered Accountant, the Department in their written submission has stated as under :

"The stakeholder has suggested that for the purposes of provisions of cl 395(2) of the Bill (sec 195 of the Act) (related to lower deduction certificate on payment to non-residents) instead of following the process of obtaining lower deduction certificate from AO, a report of chartered accountant in prescribed form certifying the sum chargeable to tax be obtained.

Clause 395(2) of the Bill provides that the person responsible for paying to a non-resident may make application before the AO to determine the appropriate proportion of sum changeable to tax where whole of such sum is not chargeable in the hands of recipient.

Presently, the person responsible for paying to non-resident makes an application before the AO who verifies the details submitted by the person. Only after being satisfied with the detail submitted, the AO grants lower deduction certificate to the payer.

The process of obtaining lower deduction certificate cannot be substituted with the report from the chartered accountant as it may lead to misuse of the provisions of the Bill/Act. "

395.5.4 Regarding the suggestion for allowing resident transferee to deduct TDS for payment made to NRI seller without TAN, the Department in their written submission has stated as under :

"The stakeholder has suggested that the resident transferee may be allowed to deduct tax at source on payments made to a non-resident seller at the applicable rate without obtaining a TAN. The suggestion is in the nature of policy. The existing provisions of the Act have been retained in the Bill. "

395.6 Observations/Recommendations of the Committee

The Committee note that Clause 395 of the Bill, which simplifies and merges several Sections (195(2), 197, 197A, 203, 206C (9), 206C (10)) of the current Income Act, 1961 concerning certificates for lower tax deduction or collection. The intent remains the same. A key change in this simplification is the removal of the term "Nil deduction," previously found in Section 197 of the Act. The Department's rationale is that "Nil" is already encompassed within "lower deduction." The Committee however feel that the Department's clarification that "lower certificate" includes "Nil" creates ambiguity and could lead to administrative difficulties for taxpayers. While the Department has agreed to issue administrative instructions to clarify this, the Committee believe that simply adding the word "NIL" back into Clause 395 would more effectively resolve this confusion. After considering stakeholder input, departmental views, and extensive deliberation the Committee therefore recommend reinstatement of term "NIL" in the Clause.

Apart from this, the Committee accept Clause 395 as proposed.

Clause - 396 - Tax deducted is income received.

396.1 Provisions proposed in the Income-Tax Bill, 2025:

396. The following sums shall be deemed as income received for the purposes of computing the income of an assessee—

(a) amount deducted under this Chapter; and

(b) income-tax paid outside India by way of deduction in respect of which an assessee is allowed a credit against the tax payable under this Act,except tax paid under section 392(2)(a) and tax deducted as per section 393(3)(Table: Sl. No. 5).

396.2 Relevant provision of the Principal Act (Income-Tax Act 1961)

Tax deducted is income received.

198. All sums deducted in accordance with the foregoing provisions of this Chapter [*and income-tax paid outside India, by way of deduction, in respect of which an assessee is allowed a credit against the tax payable under this Act,*] shall, for the purpose of computing the income of an assessee, be deemed to be income received :Provided that the sum being the tax paid, under sub-section (1A) of section 192 for the purpose of computing the income of an assessee, shall not be deemed to be income received:

Provided further that the sum deducted in accordance with the provisions of section 194N for the purpose of computing the income of an assessee, shall not be deemed to be income received.

396.3 Reasons/Justification given by the Department of Finance for the proposed provision

Clause 396 of the Bill seeks to provide that the following sums shall be deemed as income received for the purposes of computing the income of the assessee:(a) amount deducted under Chapter XIX of the Bill; and(b) income-tax paid outside India by way of deduction in respect of which an assessee is allowed a credit against the tax payable under the Act. The clause corresponds to section 198 of the Act. The provisions of the existing section have been textually simplified and retained with the same intent in this clause.

396.4 Examination by the Committee

In reply to a specific query on changes (addition or omission or replacement of words etc.), if any, between the provisions of the Clause and existing Section, the Department of Revenue furnished the following reply:

"The Provisions proposed in the Income-Tax Bill 2025 is the simplified version of the corresponding provisions of the IT Act, 1961."

396.6.Observations/Recommendations of the Committee

The Committee note that Clause 396 of the Income-Tax Bill, 2025, mapped to Section 198A of the Income-Tax Act, 1961, seeks to provide the certain sums which shall be deemed as income received for the purposes of computing the income of the assessee. The Committee approve Clause 396 as proposed, noting its simplified approach to existing provisions.

Clause - 397 - Compliance and reporting

397.1 Provisions proposed in the Income-Tax Bill, 2025:

397. (1) (a) Every person deducting or collecting tax shall apply to the Assessing Officer for allotment of a tax deduction and collection account number within such time as prescribed, if that person has not already been allotted such number;

(b) where a tax deduction and collection account number has been allotted to a person, such person shall quote such number in all challans, statements, certificates, and in all documents pertaining to such transactions as prescribed in the interests of revenue;

(c) the provisions of clause (a) shall not apply—

(i) to a person required to deduct tax under provisions of section 393(1)[Table: Sl. No. 2(i), 3(i) and 5(ii)];

(ii) to a person referred to in section 393(4) [Table: Sl. No. 12.C(a)]; and

(iii) a person notified in this regard by the Central Government.

(2) (a) Irrespective of anything contained in any other provision of this Act, every person, entitled to receive any amount on which tax is deductible or, paying any amount on which tax is collectible, shall furnish his valid Permanent Account Number to the person responsible for deducting or collecting tax;

(b) in case of failure to comply with provisions of clause (a)—

(i) tax be deducted at the higher of the following rates—

(A) at the rate specified in the relevant provision of this Act; or

(B) at the rate or rates in force; or

(C) at the rate of 5% where tax is required to be deducted under section 393(1)[Table: Sl. No. 8(ii) or 8(v)]; or 20% in any other case;

(ii) tax shall be collected at the higher of the following rates, not exceeding 20%—

(A) at twice the rate specified in the relevant provision of this Act; or

(B) at the rate of 5%;

(*c*) the provisions of clause (b)(i) shall not apply to a non-resident, not being a company or a foreign company in respect of—

(i) payment of interest on long-term bonds as specified in section 393(2)(Table: Sl. No. 2, 3 and 4); and

(ii) any other payment subject to such conditions, as prescribed;

(d) the provisions of clause (b)(ii) shall not apply to a non-resident who does not have permanent establishment in India (which includes a fixed place of business through which the business of the enterprise is wholly or partly carried on);

(e) in respect of rent specified in section 393(1) [Table: Sl. No. 2(i)], if the tax is required to be deducted as per clause (b)(i), then such deduction shall not exceed the amount of rent payable for the last month of the tax year or the last month of the tenancy, as the case may be;

(f) if a person does not furnish his Permanent Account Number in—

(i) any declaration under section 393(6) or 394(2), then such declaration becomes invalid;

(ii) any application made under provisions as per section 395(1) or (3), then no certificate under such provisions shall be granted;

(g) if any declaration becomes invalid under clause (f)(i), then the deductor or collector shall deduct or collect tax as per the provisions of clause (b)(i) or (ii) as the case may be;

(h) the deductee or collectee shall furnish his Permanent Account Number to the deductor or collector, as the case may be, and the same shall be indicated in all bills, vouchers, correspondence and other documents which are sent to each other.

(3) (a) Every person responsible for deduction or collection of tax or employer referred to in section 392(2)(a) shall pay the amount so deducted or collected or determined as per section 392(2)(b) to the credit of the Central Government, in such time as prescribed;

(b) every person responsible for deduction or collection of tax or employer referred to in section 392(2)(a), after paying the tax to the credit of the Central Government as per clause (a), shall deliver or cause to be delivered to the prescribed authority or the person authorised by such authority, a statement in such form, verified in such manner, giving such particulars and within such time, as prescribed;

(c) every prescribed authority as per clause (b), shall deliver a statement in such form and manner as prescribed, to the buyer or licensor or lessee referred to in section 394(1)(Table: Sl. Nos. 1 to 4 or 9);

(d) every person responsible for paying to a non-resident, not being a company or a foreign company, any sum, whether or not chargeable under this Act, shall furnish the information relating to payment of such sum, in such form and manner as prescribed;

(e) in case of an office of the Government,—

(i) where the sum deducted under this Chapter or tax referred to in section 392(2)(a); or

(ii) where the amount collected under section 394(1)(Table: Sl. Nos. 1to 5 or 9),

has been paid to the credit of the Central Government without the production of a challan, the Pay and Accounts Officer or the Treasury Officer or the Cheque Drawing and Disbursing Officer or any other person, who is responsible for crediting such sum or tax to the credit of the Central Government, shall deliver or cause to be delivered to the prescribed authority or the person authorised by such authority, a statement in such form, verified in such manner, giving such particulars and within such time, as prescribed;

(f) every person referred to in clause (b) or (e) may correct any discrepancy or update the information furnished, in the statement delivered under such clauses, by filing a correction statement in such form and verified in such manner as prescribed, within of six years from the end of the tax year in which such statement is required to be delivered;

(g) (i) any banking company or co-operative society or public company referred to in note 1 to section 393(1)(Table: Sl. No. 5) responsible for paying to a resident any income by way of interest, less than the amount mentioned in section 393(1)[Table: Sl. No. 5(ii) and (iii)], shall deliver or cause to be delivered to the prescribed authority or the person authorised by such authority, a statement in such form, verified in such manner, giving such particulars and within such time, as prescribed;

(ii) the Board may require any person, other than the person mentioned in sub-clause (i), responsible for paying to a resident any income which is liable for deduction of tax at source under this Chapter to deliver or cause to be delivered to the prescribed authority or the person authorised by such authority, a statement in such form, verified in such manner, giving such particulars and within such time, as prescribed;

(iii) the person referred to in sub-clause (i) or sub-clause (ii) may deliver a correction statement to correct any discrepancy or update the information furnished, in the

statement delivered under sub-clause (i) or sub-clause (ii) in such form and manner of verification, as prescribed;

(h) Any person responsible for collecting the tax who fails to collect the tax as per the provisions of section 394, shall, irrespective of such failure, be liable to pay the tax to the credit of the Central Government as per the provisions of clause (a).

397.2 Relevant provision of the Principal Act (Income-Tax Act 1961)

Duty of person deducting tax. 200.

(1) Any person deducting any sum in accordance with the foregoing provisions of this Chapter shall pay within the prescribed time, the sum so deducted to the credit of the Central Government or as the Board directs.

(2) Any person being an employer, referred to in sub-section (1A) of section 192 shall pay, within the prescribed time, the tax to the credit of the Central Government or as the Board directs.

(2A) In case of an office of the Government, where the sum deducted in accordance with the foregoing provisions of this Chapter or tax referred to in sub-section (1A) of section 192 has been paid to the credit of the Central Government without the production of a challan, the Pay and Accounts Officer or the Treasury Officer or the Cheque Drawing and Disbursing Officer or any other person, by whatever name called, who is responsible for crediting such sum or tax to the credit of the Central Government, shall deliver or cause to be delivered to the prescribed income-tax authority, or to the person authorised by such authority, a statement in such form, verified in such manner, setting forth such particulars and within such time as may be prescribed.

(3) Any person deducting any sum on or after the 1st day of April, 2005 in accordance with the foregoing provisions of this Chapter or, as the case may be, any person being an employer referred to in sub-section (1A) of section 192 shall, after paying the tax deducted to the credit of the Central Government within the prescribed time, prepare such statements for such period as may be prescribed and deliver or cause to be delivered to the prescribed income-tax authority or the person authorised by such

authority such statement in such form and verified in such manner and setting forth such particulars and within such time as may be prescribed:

Tax deduction and collection account number.

203A.

(1) Every person, deducting tax or collecting tax in accordance with the provisions of this Chapter, who has not been allotted a tax deduction account number or, as the case may be, a tax collection account number, shall, within such time as may be prescribed, apply to the Assessing Officer for the allotment of a "tax deduction and collection account number".

(2) Where a "tax deduction account number" or, as the case may be, a "tax collection account number" or a "tax deduction and collection account number" has been allotted to a person, such person shall quote such number—

(*a*) in all challans for the payment of any sum in accordance with the provisions of section 200 or sub-section (3) of section 206C;

(*b*) in all certificates furnished under section 203 or sub-section (5) of section 206C;

(*ba*) in all the statements prepared and delivered or caused to be delivered in accordance with the provisions of sub-section (3) of section 200 or sub-section (3) of section 206C;

(*c*) in all the returns, delivered in accordance with the provisions of section 206 or sub-section (5A) or sub-section (5B) of section 206C to any income-tax authority; and

(*d*) in all other documents pertaining to such transactions as may be prescribed in the interests of revenue.

(3) The provisions of this section shall not apply to such person, as may be notified by the Central Government in this behalf.

Requirement to furnish Permanent Account Number.

206AA. (1) Notwithstanding anything contained in any other provisions of this Act, any person entitled to receive any sum or income or amount, on which tax is deductible under Chapter XVIIB (hereafter referred to as deductee) shall furnish his Permanent

Account Number to the person responsible for deducting such tax (hereafter referred to as deductor), failing which tax shall be deducted at the higher of the following rates, namely:—

(*i*) at the rate specified in the relevant provision of this Act; or

(*ii*) at the rate or rates in force; or

(*iii*) at the rate of twenty per cent:

Provided that where the tax is required to be deducted under section 194-O, the provisions of clause (*iii*) shall apply as if for the words "twenty per cent", the words "five per cent" had been substituted:

Provided further that where the tax is required to be deducted under section 194Q, the provisions of clause (*iii*) shall apply as if for the words "twenty per cent", the words "five per cent" had been substituted.

(2) No declaration under sub-section (1) or sub-section (1A) or sub-section (1C) of section 197A shall be valid unless the person furnishes his Permanent Account Number in such declaration.

(3) In case any declaration becomes invalid under sub-section (2), the deductor shall deduct the tax at source in accordance with the provisions of sub-section (1).

(4) No certificate under section 197 shall be granted unless the application made under that section contains the Permanent Account Number of the applicant.

(5) The deductee shall furnish his Permanent Account Number to the deductor and both shall indicate the same in all the correspondence, bills, vouchers and other documents which are sent to each other.

(6) Where the Permanent Account Number provided to the deductor is invalid or does not belong to the deductee, it shall be deemed that the deductee has not furnished his Permanent Account Number to the deductor and the provisions of sub-section (1) shall apply accordingly.

(7) The provisions of this section shall not apply to a non-resident, not being a company, or to a foreign company, in respect of—

(*i*) payment of interest on long-term bonds as referred to in section 194LC; and

(*ii*) any other payment subject to such conditions as may be prescribed.

Requirement to furnish Permanent Account number by collectee.

206CC. (1) Notwithstanding anything contained in any other provisions of this Act, any person paying any sum or amount, on which tax is collectible at source under Chapter XVII-BB (herein referred to as collectee) shall furnish his Permanent Account Number to the person responsible for collecting such tax (herein referred to as collector), failing which tax shall be collected at the higher of the following rates, namely:—

(*i*) at twice the rate specified in the relevant provision of this Act; or

(*ii*) at the rate of five per cent:

[46][Provided that the rate of tax collection at source under this section shall not exceed twenty per cent.]

(2) No declaration under sub-section (1A) of section 206C shall be valid unless the person furnishes his Permanent Account Number in such declaration.

(3) In case any declaration becomes invalid under sub-section (2), the collector shall collect the tax at source in accordance with the provisions of sub-section (1).

(4) No certificate under sub-section (9) of section 206C shall be granted unless the application made under that section contains the Permanent Account Number of the applicant.

(5) The collectee shall furnish his Permanent Account Number to the collector and both shall indicate the same in all the correspondence, bills, vouchers and other documents which are sent to each other.

(6) Where the Permanent Account Number provided to the collector is invalid or does not belong to the collectee, it shall be deemed that the collectee has not furnished his Permanent Account Number to the collector and the provisions of sub-section (1) shall apply accordingly.

(7) The provisions of this section shall not apply to a non-resident who does not have permanent establishment in India.

Explanation.—For the purposes of this sub-section, the expression "permanent establishment" includes a fixed place of business through which the business of the enterprise is wholly or partly carried on.

397.3 Reasons/Justification given by the Department of Finance for the proposed provision Clause 397 of the Bill seeks to provide for compliance and reporting requirements for tax deduction at source and tax collection at source. The clause corresponds to section 200, 203A, 206AA, 206CC of the Act. TDS and TCS provisions related to compliance and reporting have been merged and placed together as an independent clause in the Bill. Tax deduction account number and Tax collection account number have been merged as "tax deduction and collection account number." The provisions of the existing section has been textually simplified and retained with the same intent in this clause.

397.4 Important views/Suggestions given by Experts/Stakeholders

397.4.1 The clause 397(1)(b) in the Bill reads as "where a tax deduction and collection account number has been allotted to a person, such person shall quote such number in all challans, statements, certificates, and in all documents pertaining to such transactions as prescribed in the interests of revenue;" Quoting of TAN on all challans, statements and certificates without referencing them to relevant TDS and TCS provisions makes the provision vague and unworkable.

397.4.2 : In Clause 397(1)(c) Reference in 397(1)(c) to Table: Sl5(ii) should read as reference to Table :Sl 6(ii) the bill presently incorrectly refers to Sl 5(ii) which deals with interest other than on securities.

397.4.3: In Clause 397(3)(b) Missing reference to period for which TDS/TCS statements are to be filed needs to be added by incorporating the words "for such period" in 397(3)(b) as mentioned in the Section 200(3) of the Act…..397(3) should read as under: (b) every person responsible for deduction or collection of tax or employer referred to in section 392(2)(a), after paying the tax to the credit of the Central Government as per clause (a), shall deliver or cause to be delivered to the prescribed authority or the

person authorised by such authority, a statement for such period in such form, verified in such manner, giving such particulars and within such time, as prescribed;

397.5 Examination by the Committee

397.5.1 While accepting the above suggestion pertains to redrafting the provisions related to compliance and reporting of TDS/TCS, the Department in their written reply submitted as under :

"It is an inadvertent drafting error. The provisions of clause 397 related to compliance and reporting of TDS/TCS s provisions are to be redrafted to align it with the provisions of the Act."

397.5.2 With regard to the above suggestion for providing correct reference to Table:sl.6(ii) in Clause 397(1)(c), the Department in their written reply submitted as under :

"Accepted as It is an inadvertent drafting error. In clause 397(1)(c)(i) of the Bill, while referring to Sl. No. in the Table, 5(ii) has been inadvertently written in place of 6(ii), which corresponds to section 194M of the Income-tax Act, 1961."

397.5.3 Regarding suggestion for inclusion of words "for such period" in Clause 397(3), the Department in their written reply submitted as under :

"Accepted. It is an inadvertent drafting error. The phrase "for such period" has to be inserted in clause 397(3) (b) of the Bill."

397.6. Observations/Recommendations of the Committee

The Committee note that Clause 397 of the Bill, which consolidates and simplifies the compliance and reporting requirements for Tax Deducted at Source (TDS) and Tax Collected at Source (TCS), is a merger of provisions from existing Sections 200, 203A, 206AA, and 206CC of the current Act, streamlining them into a single, independent clause. Notably, the separate Tax Deduction Account Number (TAN) and Tax Collection Account Number (TCSAN) have been merged into a single "tax deduction and collection account number." The Committee also note that the intent of the original provisions has been retained despite the textual simplification. Stakeholders, however, have raised concerns about certain discrepancies within this Clause. After considering these views and the Department's responses, the Committee recommend the following:

i. **Clarity on TAN Quoting: The current drafting of Clause 397(1) (b)requires quoting the Tax Deduction and Collection Account Number (TAN) on all challans, statements, and certificates without explicitly linking it to relevant TDS and TCS provisions. The Department has acknowledged this as an inadvertent drafting error and has agreed to re-draft these provisions to align them with the current Act. The Committee concur with the Department's commitment to rectify this.**

ii. **Correction of Table Reference: In Clause 397(1)(c)(i), there's an incorrect reference to Sl. No. 5(ii) in the Table, which should be 6(ii). This corresponds to Section 194M of the Income-tax Act, 1961. The Department has admitted this drafting error, and the Committee expect the necessary correction to be made.**

iii. **Inclusion of "for such period" in Statements: Clause 397(3)(b) currently omits the phrase "for such period" when referring to the filing of TDS/TCS statements, a phrase present in Section 200(3) of the current Act. The Department has acknowledged this inadvertent drafting error and agreed to add "for such period" into Clause 397(3(b). The Committee recommend this proposed correction.**

Besides these drafting corrections, the Committee approve Clause 397 as proposed.

Clause-398 - Consequences of failure to deduct or pay or, collect or pay

398.1 Provisions proposed in the Income-Tax Bill, 2025:

398. (1) If a person, including the principal officer of a company,—
(a) who is required to deduct or collect any amount under this Act; or
(b) referred to in section 392(2)(a), being an employer,—
(i) does not deduct or pay; or
(ii) does not collect or pay; or
(iii) after deducting or collecting fails to pay,
the whole or any part of the tax, as required by or under this Act, he shall be deemed to be an assessee in default in respect of such tax in addition to any other consequences which that person may incur under this Act.
(2) Any person,—
(a) including the principal officer of a company, who fails to deduct; or
(b) responsible for collecting tax as per section 394(1) (Table: Sl. Nos. 1 to 5 and 9), who fails to collect,the whole or any part of the tax, as required under this Chapter, shall not be deemed to be an assessee in default if the payee or buyer or licensee or lessee has —
(i) furnished his return of income under section 263;
(ii) taken into account the amount for computing income in that return of income; and(iii) paid the tax due on the income declared by him in such return of income,
and the person furnishes a certificate to this effect from an accountant in the prescribed form.
(3) (a) Without prejudice to sub-section (1), if any person, as referred to in that sub-section does not deduct or collect the whole or any part of the tax or after deducting or

collecting fails to pay the tax as required under this Act, he shall be liable to pay simple interest—

(i) at 1% for every month or part of a month on the amount of such tax from the date on which such tax was deductible or collectible to the date on which such tax is deducted or collected; and

(ii) at 1.5% for every month or part of a month on the amount of such tax from the date on which such tax was deducted or collected to the date on which such tax is actually paid;

(b) the interest referred to in clause (a) shall be paid before furnishing the statement as per the provisions of section 397(3)(b).

(c) if the person referred to in sub-section (1) is not deemed to be an assessee in default under sub-section (2), then the interest as per clause (a)(i) is payable from the date on which that tax was deductible or collectible to the date of furnishing of return of income by the concerned payee or buyer or licensee or lessee, as the case may be;

(d) when an order is made by the Assessing Officer for the default under sub-section (1), the interest shall be paid by the person as per such order.

(4) Where the tax has not been paid after it is deducted or collected, the amount of the tax together with the amount of simple interest on it as referred to in sub-section (3)(a) shall be a charge upon all the assets of the person referred to in sub-section (1).

(5) The order shall not be made under sub-section (1) deeming a person to be an assessee in default for failure to deduct or collect the whole or any part of the tax from any person—

(a) after six years from the end of the tax year in which tax was deductible or collectible; or

(b) after two years from the end of the tax year in which the correction statement is delivered under section 393(3)(f), whichever is later.

(6) The provisions of sections 286(1) and 286(3) shall apply to the time limit prescribed in sub-section (5).

(7) No penalty shall be charged under section 412 from the person mentioned in sub-section (1), unless the Assessing Officer is satisfied that such person, without good and sufficient reasons, has failed to deduct and pay such tax.

398.2 Relevant provision of the Principal Act (Income-Tax Act 1961)

Consequences of failure to deduct or pay.

201. (1) Where any person, including the principal officer of a company,—

(*a*) who is required to deduct any sum in accordance with the provisions of this Act; or

(*b*) referred to in sub-section (1A) of section 192, being an employer,

does not deduct, or does not pay, or after so deducting fails to pay, the whole or any part of the tax, as required by or under this Act, then, such person, shall, without prejudice to any other consequences which he may incur, be deemed to be an assessee in default in respect of such tax:

Provided that any person, including the principal officer of a company, who fails to deduct the whole or any part of the tax in accordance with the provisions of this Chapter on the sum paid to a payee or on the sum credited to the account of a payee shall not be deemed to be an assessee in default in respect of such tax if such payee—

(*i*) has furnished his return of income under section 139;

(*ii*) has taken into account such sum for computing income in such return of income; and

(*iii*) has paid the tax due on the income declared by him in such return of income,

and the person furnishes a certificate to this effect from an accountant in such form as may be prescribed:

Provided further that no penalty shall be charged under section 221 from such person, unless the Assessing Officer is satisfied that such person, without good and sufficient reasons, has failed to deduct and pay such tax.

(1A) Without prejudice to the provisions of sub-section (1), if any such person, principal officer or company as is referred to in that sub-section does not deduct the whole or any part of the tax or after deducting fails to pay the tax as required by or under this Act, he or it shall be liable to pay simple interest,—

(*i*) at one per cent for every month or part of a month on the amount of such tax from the date on which such tax was deductible to the date on which such tax is

deducted; and

(*ii*) at one and one-half per cent for every month or part of a month on the amount of such tax from the date on which such tax was deducted to the date on which such tax is actually paid,

and such interest shall be paid before furnishing the statement in accordance with the provisions of sub-section (3) of section 200:

Provided that in case any person, including the principal officer of a company fails to deduct the whole or any part of the tax in accordance with the provisions of this Chapter on the sum paid to a payee or on the sum credited to the account of a payee but is not deemed to be an assessee in default under the first proviso to sub-section (1), the interest under clause (*i*) shall be payable from the date on which such tax was deductible to the date of furnishing of return of income by such payee:

Provided further that where an order is made by the Assessing Officer for the default under sub-section (1), the interest shall be paid by the person in accordance with such order.

(2) Where the tax has not been paid as aforesaid after it is deducted, the amount of the tax together with the amount of simple interest thereon referred to in sub-section (1A) shall be a charge upon all the assets of the person, or the company, as the case may be, referred to in sub-section (1).

(3) No order shall be made under sub-section (1) deeming a person to be an assessee in default for failure to deduct the whole or any part of the tax from [15][*any person, at any time after the expiry of six years*] from the end of the financial year in which payment is made or credit is given or two years from the end of the financial year in which the correction statement is delivered under the [16][*first*] proviso to sub-section (3) of section 200, whichever is later.

(4) The provisions of sub-clause (*ii*) of sub-section (3) of section 153 and of *Explanation 1* to section 153 shall, so far as may, apply to the time limit prescribed in sub-section (3).

Explanation.—For the purposes of this section, the expression "accountant" shall have the meaning assigned to it in the *Explanation* to sub-section (2) of section 288.

398.3 Reasons/Justification given by the Department of Finance for the proposed provision

Clause 398 of the Bill seeks to provide for consequence for failure to deduct or collect or pay tax. The clause corresponds to section 201 of the Act. There are certain exclusions provided in clause 286 regarding time limits for completion of assessment or reassessments. All such exclusions shall apply for computing the time limit for order deeming an assessee to be an assessee in default under clause 398. Under the Act, only certain exclusions mentioned in section 153applied for the purpose. The provisions of the existing sections have also been textually simplified and retained with the same intent in this clause.

398.4 Important views/Suggestions given by Experts/Stakeholders

398.4.1 There should be no penalty for non deduction/non collection of TDS as the payer acts as an agent of the Government and prosecution should only be there for major defaults.

398.4.2: In clause 398(2)(b) Provisions of existing Proviso to Sec 201 and Proviso to Sec 206C (6A) provide for relaxation from assessee in default status where the recipient of income /buyer has considered the corresponding transaction in the return of income. Under the Bill both the provisions have been merged into Clause 398(2)(b)(ii). However the sub-clause appears to be out of context as a reading does not indicate or clarify as what amount has to be taken into account to escape being assessee in default. It is suggested that the sub clause be read as under :- (ii) taken into account for computing income in the return of income the amount on which there is failure to collect or deduct tax at source.

398.4.3 In clause 398(5)(b) The provisions of Sec 398(5) incorrectly make reference to 393(3) (f) instead of correct provision being 397(3)(f).

398.5 Examination by the Committee

398.5.1 Regarding suggestion seeking no penalty for non deduction/non collection of TDS the Department in their written submission furnished as under :

"Prosecution provisions have already been rationalised and are not applicable if TDS is deposited before the date of filing of quarterly statement. CBDT issued Circular No. 24/2019, dated 9 September 2019. In that circular the Central Government has provided relief from prosecution proceedings in cases where the non-payment of TDS amounts to Rs 25 lakh or less, and the delay in deposit is less than 60 days from the due date. Therefore suggestion is already taken care of."

398.5.2 With regard to drafting error in Clause 398(2)(b), the Department in their written submission furnished as under:-

"Accepted. It is an inadvertent drafting error. Provisions of clause 398(2)(b) (relaxation from assessee in default status where the recipient of income /buyer has considered the corresponding transaction in the return of income) is to be redrafted to align it with the existing provisions of the Act to remove any ambiguity."

398.5.3: With regard to drafting error in Clause 398(5), the Department in their written submission furnished as under

"Accepted. It is an inadvertent drafting error. The reference in clause 398(5)(b) is to be corrected to 397(3)(f) instead of 393(3)(f)."

398.6 Observations/Recommendations of the Committee

The Committee note that Clause 398 provides relaxation from being considered an assessee in default if the recipient of income or the buyer has taken into account that transaction in their income return; this provision, previously in Sections 201 and 206C(6A) of the existing Act, has been merged into 398(2)(b)(ii). The Committee further note two drafting errors in Clause 398. Firstly, while Clause 398(2)(b)(ii) aims to prevent an assessee from being in default, the Committee agree with stakeholders that the subsection needs to clearly specify the "amount" to be taken into account for this exemption. The Department of Revenue has acknowledged this as an inadvertent drafting error, and the Committee, therefore, recommend redrafting this clause to remove any ambiguity.

Secondly, the Committee note that Clause 398(5)(b) incorrectly refers to "Section 393(3)(f)" for filing correction statements; this should be corrected to "397(3)(f)." The Committee, therefore, recommend that the reference in Clause 398(5)(b) be replaced accordingly.

Apart from these drafting corrections, the Committee approve Clause 398 as proposed.

Clause-399 - Processing

399.1 Provisions proposed in the Income-Tax Bill, 2025:Clause–

399.

(1) All statements of tax deducted at source or tax collected at source including a correction statement shall be processed in the following manner:—

(a) the amounts deductible or collectible under this Chapter shall be computed after making the following adjustments—

(i) any arithmetical error in the statement; or

(ii) an incorrect claim apparent from any information in the statement;

(b) the interest, if any, shall be computed on the basis of the amounts deductible or collectible as reflected in the statement;

(c) the fee, if any, shall be computed as per the provisions of section 427;

(d) (i) the amount payable by; or

(ii) the amount of refund due to,

the deductor or collector shall be determined after adjustment of the amount computed under clause (b) and (c) against any amount paid under section 397(3) or 398 or 427 and any amount paid otherwise by way of tax or interest or fee;

(e) an intimation shall be prepared or generated and sent to the deductor or collector specifying the amount determined to be payable by, or the amount of refund due to, him under clause (d);

(f) the amount of refund due to a deductor or collector in pursuance of the determination under clause (d) shall be granted to the deductor or collector.

(2) The intimation under this section shall be sent within of one year from end of the tax year in which the statement is filed.

(3) The Board may make a scheme for centralised processing of statements, as required under sub-section (1).

399.2 Relevant provision of the Principal Act (Income-Tax Act 1961)

Processing of statements of tax deducted at source[12-13]**[*and other statements*].**

200A. (1) Where a statement of tax deduction at source or a correction statement has been made by a person deducting any sum (hereafter referred to in this section as deductor) under section 200, such statement shall be processed in the following manner, namely:—

(*a*) the sums deductible under this Chapter shall be computed after making the following adjustments, namely:—

(*i*) any arithmetical error in the statement; or

(*ii*) an incorrect claim, apparent from any information in the statement;

(*b*) the interest, if any, shall be computed on the basis of the sums deductible as computed in the statement;

(*c*) the fee, if any, shall be computed in accordance with the provisions of section 234E;

(*d*) the sum payable by, or the amount of refund due to, the deductor shall be determined after adjustment of the amount computed under clause (*b*) and clause (*c*) against any amount paid under section 200 or section 201 or section 234E and any amount paid otherwise by way of tax or interest or fee;

(*e*) an intimation shall be prepared or generated and sent to the deductor specifying the sum determined to be payable by, or the amount of refund due to, him under clause (*d*); and

(*f*) the amount of refund due to the deductor in pursuance of the determination

under clause (*d*) shall be granted to the deductor:

Provided that no intimation under this sub-section shall be sent after the expiry of one year from the end of the financial year in which the statement is filed.*Explanation.*—For the purposes of this sub-section, "an incorrect claim apparent from any information in the statement" shall mean a claim, on the basis of an entry, in the statement—

(*i*) of an item, which is inconsistent with another entry of the same or some other item in such statement;

(*ii*) in respect of rate of deduction of tax at source, where such rate is not in accordance with the provisions of this Act.

(2) For the purposes of processing of statements under sub-section (1), the Board may make a scheme for centralised processing of statements of tax deducted at source to expeditiously determine the tax payable by, or the refund due to, the deductor as required under the said sub-section. [14][*(3) The Board may make a scheme for processing of statements made by any other person, not being a deductor.*]**Processing of statements of tax collected at source.** **206CB.** (1) Where a statement of tax collection at source or a correction statement has been made by a person collecting any sum (herein referred to as collector) under section 206C, such statement shall be processed in the following manner, namely:—

(*a*) the sums collectible under this Chapter shall be computed after making the following adjustments, namely:—

(*i*) any arithmetical error in the statement;

(*ii*) an incorrect claim, apparent from any information in the statement;

(*b*) the interest, if any, shall be computed on the basis of the sums collectible as computed in the statement;

(*c*) the fee, if any, shall be computed in accordance with the provisions of section 234E;

(*d*) the sum payable by, or the amount of refund due to, the collector, shall be determined after adjustment of the amount computed under clause (*b*) and clause (*c*) against any amount paid under section 206C or section 234E and

any amount paid otherwise by way of tax or interest or fee;

(*e*) an intimation shall be prepared or generated and sent to the collector specifying the sum determined to be payable by, or the amount of refund due to, him under clause (*d*); and

(*f*) the amount of refund due to the collector in pursuance of the determination under clause (*d*) shall be granted to the collector:

Provided that no intimation under this sub-section shall be sent after the expiry of the period of one year from the end of the financial year in which the statement is filed.*Explanation.*—For the purposes of this sub-section, "an incorrect claim apparent from any information in the statement" shall mean a claim, on the basis of an entry, in the statement—

(*i*) of an item, which is inconsistent with another entry of the same or some other item in such statement;

(*ii*) in respect of rate of collection of tax at source, where such rate is not in accordance with the provisions of this Act.

(2) The Board may make a scheme for centralised processing of statements of tax collected at source to expeditiously determine the tax payable by, or the refund due to, the collector, as required under sub-section (1).

399.3 Reasons/Justification given by the Department of Finance for the proposed provision

Clause 399 of the Bill seeks to provide for processing of statements of taxdeduction at source and tax collection at source filed. The clause corresponds tosection 200A and 206CB of the Act. The provisions pertaining to processing of theTDS/TCS statements have been merged. The provisions of the existing sectionhave been textually simplified and retained with the same intent in this clause.

399.4 Examination by the Committee

In reply to a specific query on changes (addition or omission or replacement of words etc.), if any, between the provisions of the Clause and existing Section, the Department of Revenue furnished the following reply:

“The Provisions proposed in the Income-Tax Bill 2025 is the simplified version of the corresponding provisions of the IT Act, 1961. “

399.5 Observations/Recommendations of the Committee

The Committee note that Clause 399 seeks to provide for processing of statements of tax deduction at source and tax collection at source filed, akin to Section 200A and 206CB of the Income-Tax Act, 1961. They further note that this Clause is only a textual simplification, consistent with the objectives of the Bill. Therefore, the Committee accept the Clause as proposed by the Department.

Clause - 400 - Power of Central Government to relax provisions of this Chapter

400.1 Provisions proposed in the Income-Tax Bill, 2025:

400.

(1) The Central Government may, by notification provide that deduction or collection of tax shall not be made or is to be made at such lower rate, from such payment or receipt and in respect of such person or class of persons. (2) The Board may issue guidelines with the previous approval of the Central Government, to remove any difficulty arising in giving effect to the provisions of this Chapter and these guidelines shall be laid before each House of Parliament.(3) The Board may notify, a class of person, or cases, where the person responsible for paying to a non-resident, not being a company, or to a foreign company, any sum, to make an application in such form and manner as prescribed to the Assessing Officer, to determine the appropriate proportion of sum chargeable in the manner as prescribed, and accordingly tax shall be deducted under section 393(2)(Table: Sl. No. 17) on that proportion of the sum which is so chargeable.(4) The Board may by notification, make rules specifying the cases in which, and the circumstances under which, an application may be made for grant of a certificate under section 395(1) to (3), and the conditions subject to which such certificate may be granted and providing for all other matters connected therewith.

400.2 Relevant provision of the Principal Act (Income-Tax Act 1961)195 (7) Notwithstanding anything contained in sub-section (1) and sub-section (2), the Board may, by notification in the Official Gazette, specify a class of persons or cases, where the person responsible for paying to a non-resident, not being a company, or to a foreign company, any sum, whether or not chargeable under the provisions of this Act, shall make an application in such form and manner to the Assessing Officer, to determine in such manner, as may be prescribed, the appropriate proportion of sum chargeable, and upon such determination, tax

shall be deducted under sub-section (1) on that proportion of the sum which is so chargeable.

197(2A) The Board may, having regard to the convenience of assessees and the interests of revenue, by notification in the Official Gazette, make rules specifying the cases in which, and the circumstances under which, an application may be made for the grant of a certificate under sub-section (1) and the conditions subject to which such certificate may be granted and providing for all other matters connected therewith.

197A**(1F**) Notwithstanding anything contained in this Chapter, no deduction of tax shall be made, or deduction of tax shall be made at such lower rate, from such payment to such person or class of persons, including institution, association or body or class of institutions, associations or bodies, as may be notified by the Central Government in the Official Gazette, in this behalf.

206C(11) The Board may, having regard to the convenience of assessees and the interests of revenue, by notification in the Official Gazette, make rules specifying the cases in which, and the circumstances under which, an application may be made for the grant of a certificate under sub-section (9) and the conditions subject to which such certificate may be granted and providing for all other matters connected therewith.

206C(12) Notwithstanding anything contained in this section, no collection of tax shall be made or collection of tax shall be made at such lower rate in respect of specified transaction, from such person or class of persons, including institution, association or body or class of institutions, associations or bodies, as the Central Government may, by notification in the Official Gazette specify in this behalf.

400.3 Reasons/Justification given by the Department of Finance for the proposed provision

Clause 400 of the Bill empowers the Central Government to relax the provisions oftax deduction at source and tax collection at source. The clause corresponds to various existing provisions in the Act. The existing provisions related to notification of persons or class of persons as exempt from TDS/TCS provided in

sections 195(7), 197(2A), 197A(1F), 206C(11), 206C(12) of the Act have been put as a separate clause 400 in the Bill. The TDS and TCS provisions have been merged in this clause. As per clause 400(2) of the Bill, the Board may issue guidelines with the previous approval of the Central Government, to remove any difficulty arising in giving effect to the provisions of this Chapter. In the Chapter XVII of the Act, such guidelines can presently be issued only under specific sections - sections 194BA, 194-O, 194Q, 194R, 194S, and 206C(1-I) of the Act. The power is now sought to be made available for removal of difficulties under all TDS/TCS provisions. This is done with a view to rationalise and consolidate the provisions. The provisions of the existing section has been textually simplified and retained with the same intent in this clause.

400.4 Examination by the Committee

In reply to a specific query on changes(addition or omission or replacement of words etc.), if any, between the provisions of the Clause and existing Section, the Department of Revenue furnished the following reply:

“The Provisions proposed in the Income-Tax Bill 2025 is the simplified version of the corresponding provisions of the IT Act, 1961. “

400.5 Observations/Recommendations of the Committee

The Committee observe that Clause 400 of the Bill grants the Central Government the authority to ease Tax Deduction at Source (TDS) and Tax Collection at Source (TCS) regulations. This clause aligns with several current provisions in the existing Act. Specifically, the provisions allowing for the exemption of certain persons or classes of persons from TDS/TCS, previously detailed in sections 195(7), 197(2A), 197A(1F), 206C(11), and 206C(12) of the Act, have been unified into this new Clause 400. As a result of this merger of TDS and TCS provisions within this single clause, the Committee approve Clause 400 as proposed by the Department of Revenue.

Clause - 401 - Bar against direct demand on assessee.

401.1 Provisions proposed in the Income-Tax Bill, 2025:

401. Where tax is deductible at the source under this Chapter, the assessee shall not be called upon to pay the tax himself to the extent to which tax has been deducted from that income.

401.2 Relevant provision of the Principal Act (Income-Tax Act 1961)

Bar against direct demand on assessee.205. Where tax is deductible at the source under the foregoing provisions of this Chapter, the assessee shall not be called upon to pay the tax himself to the extent to which tax has been deducted from that income.

401.3 Reasons/Justification given by the Department of Finance for the proposed provision

Clause 401 of the Bill seeks to provide for bar against the demand on assessee to the extent tax has been deducted. The clause corresponds to section 205 of the Act.The provisions of the existing section have been textually simplified and retained with the same intent in this clause.

401.4 Important views/Suggestions given by Experts/Stakeholders

Clause 401, provides for Bar against direct demand on the assesseeto pay the tax himself. However, in actual practice, many a times even where tax has been deducted, the assessee is made to pay the tax himself. Therefore, it will be more prudent to place the provision of Section 401 as sub clause (7) under Clause 390.

401.5 Examination by the Committee

The Department in response to the above suggestion by the stakeholder have submitted in their written reply as under:

> *"The stakeholder has suggested that clause 401 which provides for baragainst direct demand against assessee should be moved upfront at the start of the Chapter so that the provision is made clear right at the start. The provision of clause 401 are clear in the sense that the once tax has been deducted at source on the income of the taxpayer, he cannot be asked to pay tax to such extent on that income. The assessee cannot be made to pay tax on income on which tax has already been deducted. The placement is correct and movement will disturb the sequencing and cross-referencing."*

401.6 Observations/Recommendations of the Committee

The Committee note that Clause 401 of the Income-Tax Bill, 2025 aims to simplify the text while preserving the original intent of Section 205 of the Income Act, 1961, which bars the demand on an assessee to the extent tax has been deducted. After considered the views of the stakeholders as well as the response of the Department, the Committee accept Clause 401 as proposed.

Clause - 402 – Interpretation

402. 1 Provisions proposed in the Income-Tax Bill, 2025:

In this chapter,—(*1*) "Administrator" shall have the same meaning as assigned to it in section 2(*a*) of the Unit Trust of India (Transfer of Undertaking and Repeal) Act, 2002;(*2*) "agricultural land" means agricultural land in India,—(*a*)not being a land situate in any area referred to in section 2(*22*)(*iii*), for the purposes of section 393(*1*)[Table: Sl. No. 3(*i*)];(*b*)including a land situated in any area referred to in section 2(*22*)(*iii*), for the purposes of section 393(*1*)[Table: Sl. No. 3(*iii*)];(*3*) "an incorrect claim apparent from any information in the statement" shall mean a claim, on the basis of an entry, in the statement—(*a*) of an item, which is inconsistent with another entry of the same or some other item in such statement;(*b*) in respect of rate of deduction of tax at source, where such rate is not as per the provisions of the Act;(*4*) "authorised dealer" means a person authorised by the Reserve Bank of India under section 10(*1*) of the Foreign Exchange Management Act, 1999 to deal in foreign exchange or foreign security;(*5*) "banking company" means a banking company to which the Banking Regulation Act, 1949 applies;(*6*) "buyer" for the purposes of provisions in column B of the Table below means any person as specified in column C but does not include any person as specified in column D:—Table

Sl. No	Provisions	Person	Person not to be included
A	B	C	D
1.	Purchase of goods referrred to in section 393(*1*)	Person whose total sales, gross receipts or turnover from the business carried on by him exceed ₹10,00,00,000 during the tax year immediately preceding	Any person, as the Central Government may notify for this purpose, subject to specified conditions

	[Table: Sl. No. 8(*ii*)]	the tax year in which the purchase of goods is carried out	therein.
2.	Sale of goods referred to in section 394(*1*) (Table: Sl. No. 1 to 5)	Person who obtains in any sale, by way of auction, tender or any other mode, goods of the nature specified in section 394(1)(Table: Sl. No. 1to 5), or the right to receive any such goods	(a) A public sector company; or(b) the Centralor a State Government, and an embassy, a High Commission, legation, commission, consulate and the trade representation, of a foreign State; or(c) a club; or
			(*d*) a buyer in the retail sale of such goods purchased by him for personal consumption.
3.	Sale of motor vehicle or any other goods referred to in section 394(*1*)(Table: Sl. No. 6).	Person who obtains in any sale, goods of the nature specified in section 394(*1*)(Table: Sl. No. 6).	(*a*) A person as per Sl. No. 2.D(*b*); or(*b*) a local authority as defined at Schedule III (Table: Sl. No. 22); or(*c*) a public sector company which is engaged in the business of carrying passengers.
4.	Remittance under Liberallised Remittance Scheme	A person remitting amount under the Liberalised Remittance Scheme of Reserve Bank of India.	(*a*) A person as per Sl. No. 3.D(*a*) or (b);(*b*) a person, as per Sl.No. 1.D.

		referred to in section 394(*1*)(Table : Sl.No. 7).		
5.	Sale of overseas tour programme package referred to in section 394(*1*) (Table: Sl. No. 8).	A person who purchases overseas tour programme package.	A person as per Sl. No. 4.D.	

(*7*) “commission or brokerage” includes any payment received or receivable, directly or indirectly, by a person acting on behalf of another person,—(*a*) for services rendered (not being professional services); or(*b*) for any services in the course of buying or selling of goods; or(*c*) in relation to any transaction relating to any asset, valuable article or thing, not being securities;(*8*) “computer resource”, “internet” and “online game” shall have the meanings respectively assigned to them in section 194(*2*);(*9*) “consideration for transfer of any immovable property” shall include all charges of the nature of,—(*a*) club membership fee; or(*b*) car parking fee; or(*c*) electricity or water facility fee; or(*d*) maintenance fee; or(*e*) advance fee;(*f*) or any other charges of similar nature, which are incidental to transfer of the immovable property;(*10*) “contract” shall include sub-contract;(*11*) “designated person”, for the purposes of section 393(*1*) (Table: Sl. No. 6), means—(*a*) the Central Government or any State Government; or(*b*) any local authority; or(*c*) any corporation established by or under a Central Act or State Act or Provincial Act; or(*d*) any company; or(*e*) any co-operative society; or(*f*) any authority, constituted in India by or under any law, engaged either for the purpose of dealing with and satisfying the need for housing accommodation or for the purpose of planning, development or improvement of cities, towns and villages, or for both; or(*g*) any society

registered under the Societies Registration Act, 1860 or under any law corresponding to that Act in force in any part of India; or(*h*) any trust; or(*i*) any University established or incorporated by or under a Central Act or State Act or Provincial Act and an institution declared to be a university under section 3 of the University Grants Commission Act, 1956; or(*j*) any Government of a foreign State or a foreign enterprise or any association or body established outside India; or(*k*) any firm; or(*l*) any person, being an individual or a Hindu undivided family or an association of persons or a body of individuals, if such person,—(*i*) does not fall under any of the preceding sub-clauses; and(*ii*) has total sales, gross receipts or turnover from business or profession carried on by him exceeding one crore rupees in case of business or fifty lakh rupees rupees in case of profession during the tax year immediately preceding the tax year in which such sum is credited or paid to the account of the contractor;(12) “electronic commerce” means the supply of goods or services, or both, including digital products, over digital or electronic network;(13) “e-commerce operator” means a person who owns, operates or manages digital or electronic facility or platform for electronic commerce;(14) “e-commerce participant” means a person resident in India selling goods or providing services, or both, including digital products, through digital or electronic facility or platform for electronic commerce;(15) “fees for technical services” shall have the meaning as assigned to it in section 9(7)(*b*); (16) “foreign exchange asset” means any specified asset which the assessee has acquired or purchased with, or subscribed to in, convertible foreign exchange;(*17*) “Foreign Institutional Investor” shall have the meaning as assigned to it in section 210(*6*)(*a*);(*18*) “goods carriage” shall have the meaning as assigned to it in section 58(*10*)(*d*);(*19*) “immovable property” means any land (other than agricultural land) or any building or part of a building;(*20*) “investor” shall have the meaning assigned to it in section 221(*6*)(*a*), for the purposes of section 393(*1*) [Table: Sl. No. 4(*iv*)] and section 393(*2*) (Table: Sl. No. 9);(*21*) “licensee or lessee” means any person, other than a public sector company, who has been granted a lease or a license or entered into a contract or otherwise received any right or interest either in whole or in part in any parking lot or toll plaza or mine or quarry, from the licensor or lessor for the use of parking lot or toll plaza or mine or quarry for the purposes of business;(*22*) “licensor or lessor” means any person who grants a lease or a license or enters into a

contract or otherwise transfers any right or interest either in whole or in part in any parking lot or toll plaza or mine or quarry, to another person, other than a public sector company for the use of such parking lot or toll plaza or mine or quarry for the purposes of business;(*23*) “non-resident Indian” shall have the meaning assigned to it in section 212(*d*);(*24*) “Offshore Banking Unit” shall have the same meaning as assigned to it in section 2(*u*) of the Special Economic Zones Act, 2005;(*25*) “online gaming intermediary” means an intermediary who offers one or more online games;(*26*) “overseas tour programme package” means any tour package which offers visit to any country or territory outside India and includes expenses for travel or hotel stay or boarding or lodging or any other expenditure of similar nature or in relation thereto;(*27*) “person responsible for paying” means—(*a*) in the case of payments of income chargeable under the head “Salaries”, other than payments by the Central Government or the State Government—(*i*) the employer himself; or(*ii*) if the employer is a company, the company itself, including the principal officer thereof;(*b*) in the case of payments of income chargeable under the head “Interest on securities”, other than payments made by or on behalf of the Central Government or State Government, or local authority, or corporation or company, including the principal officer thereof;(*c*) in the case of any sum payable to a non-resident Indian, being any sum representing consideration for the transfer by him of any foreign exchange asset, which is not a short-term capital asset, the authorised person responsible—(*i*) for remitting such sum to the non-resident Indian; or(*ii*) for crediting such sum to his Non-resident (External) Account maintained as per the provisions of the Foreign Exchange Management Act, 1999, and any rules made thereunder;(*d*) in the case of furnishing of information relating to payment to a non-resident, not being a company, or to a foreign company, of any sum, whether or not chargeable under the provisions of this Act—(*i*) the payer himself; or(*ii*) if the payer is a company, the company itself including the principal officer thereof;(*e*) in the case of credit, or, as the case may be, payment of any other sum chargeable under the provisions of this Act—(*i*) the payer himself; or(*ii*) if the payer is a company, the company itself including the principal officer thereof;(*f*) in the case of credit, or as the case may be, payment of any sum chargeable under the provisions of this Act made by or on behalf of the Central Government or the State Government—(*i*) the drawing and

disbursing officer; or(*ii*)any other person, by whatever name called,responsible for crediting, or paying such sum;(*g*) in the case of a person not resident in India—(*i*) the person himself; or(*ii*)any person authorised by such person; or(*iii*) the agent of such person in India including any person treated as an agent under section 306, where the expression "authorised person" shall have the same meaning as assigned to it in section 2(*c*) of the Foreign Exchange Management Act, 1999;(*28*) "professional services" means services rendered by a person in the course of carrying on legal, medical, engineering or architectural profession or the profession of accountancy or technical consultancy or interior decoration or advertising or such other profession as notified by the Board for the purposes of this section, or of section 62;(*29*) "rent" means any payment, by whatever name called, under any lease, sub-lease, tenancy or any other agreement or arrangement for the use of (either separately or together) any—(*a*) land; or(*b*) building (including factory building); or(*c*) land appurtenant to a building (including factory building); or(*d*) machinery; or(*e*) plant; or(*f*) equipment; or(*g*) furniture; or(*h*) fittings,whether or not any or all of the above are owned by the payee, and for the purposes of section 393(*1*)[Table: Sl. No. 2(*i*)], only the payment with reference to assets mentioned in sub-clauses (*a*), (*b*) and (*c*) shall be treated as rent;(*30*) "royalty" shall have the meaning assigned to it in section 9(*6*)(*b*);(*31*) "scrap" means waste and scrap from the manufacture or mechanical working of materials which is definitely not usable as such because of breakage, cutting up, wear and other reasons;(*32*) "securities" shall have the same meaning as assigned to it in section 2(*h*) of the Securities Contracts (Regulation) Act, 1956;(*33*) "seller" means—(*a*) for the purposes of section 394(1)(Table: Sl. No. 1 to 6),—(*i*) the Central Government; or(*ii*) a State Government; or(*iii*) any local authority or corporation or authority established by or under a Central Act or State Act or Provincial Act; or(*iv*) any company or firm or co-operative society; or(*v*)an individual or a Hindu undivided family, whose total sales, gross receipts or turnover from the business or profession carried on by him exceed one crore rupees in case of business or fifty lakh rupees in case of profession during the tax year immediately preceding the tax year in which the goods of the nature specified in such serial numbers are sold;(*b*) for the purposes of section 394(*1*)(Table: Sl. No. 8), a person who sells overseas tour program package; (*34*) "services" for the purposes of

section 393(*1*)[Table: Sl. No. 8(*v*)], includes “fees for technical services” and fees for “professional services”, as defined in this section;(*35*) “specified bank” means a banking company as the Central Government may, by notification, specify;(*36*) “specified company” means for the purposes of section 393(*1*)[Table: Sl. No. 4(*i*)] and 393(*2*)(Table: Sl. No. 10), a company as referred to in section 2(*h*) of the Unit Trust of India (Transfer of Undertaking and Repeal) Act, 2002;(*37*) “specified person” means—(*a*) any person, not being an individual or Hindu undivided family; or(*b*) an individual or a Hindu undivided family, whose total sales, gross receipts or turnover from the business or profession carried on by him exceed one crorerupeesin case of business or fifty lakh rupees in case of profession during the tax year immediately preceding the tax year in which such income is credited or paid;(*38*) “special purpose vehicle” shall have the meaning in Schedule V (Note 2);(*39*) “specified senior citizen” means an individual, being a resident in India—(*a*) who is of the age of seventy-five years or more at any time during the tax year;(*b*) who is having pension income and no other income except the interest received or receivable from any account maintained by such individual in the same specified bank in which he is receiving his pension income; and(*c*) has furnished a declaration to the specified bank containing particulars, in such form and verified in such manner as prescribed;(*40*) “specified undertaking” shall have the same meaning as assigned to it in section 2(*i*) of the Unit Trust of India (Transfer of Undertaking and Repeal) Act, 2002;(*41*) “time deposits” means deposits (including recurring deposits) repayable on the expiry of fixed periods;(*42*) “unit” for the purposes of section 393(*1*)[Table: Sl. No. 4(*iii*)] and section 393(*2*)(Table: Sl. No. 8) shall have the meaning assigned to it in section 224(*10*)(*c*);(*43*) “Unit Trust of India” means the Unit Trust of India as referred to in the Unit Trust of India (Transfer of Undertaking and Repeal) Act, 2002;(*44*) "University", referred in section 392(*4*), means a University established or incorporated by or under a Central, State or Provincial Act, and includes an institution declared under section 3 of the University Grants Commission Act, 1956, to be a University for the purposes of that Act;(*45*) “user” means any person who accesses or avails any computer resource of an online gaming intermediary;(*46*) “user account” means account of a user registered with an online gaming intermediary;(*47*) “work” shall include—(*a*) advertising;(*b*) broadcasting and telecasting including production of programmes for

such broadcasting or telecasting;(*c*) carriage of goods or passengers by any mode of transport other than by railways;(*d*) catering;(*e*) manufacturing or supplying a product according to the requirement or specification of a customer by using material purchased from—(*i*) such customer; or(*ii*) its associate, being a person placed similarly in relation to such customer as is the person placed in relation to the assessee under the provisions contained in section 36(*3*),but does not include—(*A*) manufacturing or supplying a product according to the requirement or specification of a customer by using material purchased from a person, other than such customer or associate of such customer; or(*B*) any sum referred to in section 393(*1*)[Table: Sl. No. 6(*iii*)].

402. 2 Relevant provision of the Principal Act (Income-Tax Act 1961)

NIL

402.3 Reasons/Justification given by the Department of Finance for the proposed provision

Clause 402 of the Bill seeks to provides for definition of certain expressions used inthe chapter of collection and recovery of tax. All the definitions have been provided n a single section at the end of the Chapter to improve readability. The provisions of the existing section has been textually simplified and retained with the same intent in this clause.

402.4 Important views/Suggestions given by Experts/Stakeholders

402.4.1. Clause 402(3) defines “an incorrect claim apparent from any information in the statement” only with reference to TDS statements and not TCS statements. This phrase was explained separately in the Income-tax Act, 1961 in section 200A and 206CB with reference to TDS and TCS, respectively. Accordingly, Section 402(3) has to be amended to include reference to TCS statements. In Section 402(3), there is no reference in respect of TCS as was in section 206CB of the Income-tax Act, 1961 for an incorrect claim apparent from any information in the statement under section 397(3)(d).

Section 402(3) to be worded as follows:**(c) in respect of rate of tax collection at source, where such rate is not as per the provisions of the Act** .

402.4.2 Clause 402(18) does not specify where the unladen weight is to be considered and where the gross vehicle weight is to be used, therefore, only “gross vehicle weight” will suffice. Alternatively, it may be clarified that unladen weight is to be applied only in case of road roller and tractors.

402.4.3: The definition of authorised person is wrongly placed as a continuation to Clause 402(27)(g)(iii). Sub-clause (iii) should end with “Section 306” .And the definition can be placed below clause (g).

402.4.4: Clause 402(27)(b) which provides for definition of “person responsible for paying” needs rephrasing as the current wordings exclude everything. Current phrase- in the case of payments of income chargeable under the head “Interest on securities”, other than payments made by or on behalf of the Central Government or State Government, or local authority, or corporation or company, including the principal officer thereof; It should be reworded as - in the case of payments of income chargeable under the head “Interest on securities”, other than payments made by or on behalf of the Central Government or State Government- (i) local authority (ii) corporation or (iii) company, including the principal officer thereof;

402.5 Examination by the Committee

402.5.1 With regard to drafting error in Clause 402(3), The Department have submitted in their written reply as under:

> ***“****Accepted. It is an inadvertent drafting error.The definition of “an incorrect claim apparent from any information in the statement” is to be amended to include TCS related provision.*

402.5.2 With regard to clarity on gross vehicle weight or unladen weight in Clause 402(18), the Department have submitted in their written reply as under:-

> *"The stakeholder seeks to omit the definition of "unladen weight" from clause 58(10)(d) of the Bill on the ground that it is not clear from the provisions of the section where the unladen weight is to be considered and where the gross vehicle weight is to be used. Alternatively, it has been suggested to clarify that unladen weight is to be applied only in case of road roller and tractors.*
>
> *The present provisions of the Act provides that gross vehicle weight or unladen weight, as the case may be, shall be used to calculate profit and gains of a heavy goods vehicle.*
>
> *In the Bill, the words "as the case may be" may be added to provide better clarity and to align it with the existing provisions of the Act."*

402.5.3 With regard to wrong placement of definition of authorized person in clause 402(27)(g)(iii), the Department have submitted in their written reply as under:

> *"Accepted. It is an inadvertent drafting error. Definition of "authorised person" may be omitted from clause 402(27)(g)(iii)."*

402.5.4: Regarding redrafting the Clause 402(27)(b), the Department have ubmitted in their written reply as under:

> ***"**Accepted. The suggestion has provided redrafted version for clause 402(27)(b) of the Bill which is related to the definition of "person responsible for paying". The draft suggested by the stakeholder is acceptable."*

402.6 Observations/Recommendations of the Committee

The Committee note that Clause 402 of the Bill aims to consolidate and simplify definitions for expressions used in the chapter on collection and recovery of tax, improving readability while retaining the original intent of existing provisions. However, based on feedback from stakeholders and experts, the Committee recommend following to improve clarity:-

(i) The Committee note that the definition of "an incorrect claim apparent from any information in the statement" in Clause 402(3) is incomplete due to the omission of TCS statements, an acknowledged drafting error by the Department. The Committee, therefore, recommend that this definition be suitably amended to include TCS-related provisions, aligning with Section 206CB of the Income-tax Act, 1961.

(ii) The Committee also note a stakeholder's concern regarding the clarity of the "unladen weight" definition in Clause 58(10)(d) and the suggestion to restrict its application to road rollers and tractors. The Department has accepted this concern; and agreed to add the words “as the case may be” to provide better clarity and to align it with the existing provisions of the Act. The Committee concur with the Department's submission.

(iii) The Committee further note the inadvertent insertion of the definition of "authorized person" in Clause 402(27)(g)(iii), which appears to be a typographical error. As agreed by the Department, the Committee recommend omitting this definition from Clause 402(27)(g)(iii).

(iv) The phrasing of Clause 402(27)(b), which defines "person responsible for paying" for "Interest on securities" (excluding government payments), is incorrect and unclear, likely causing confusion. A stakeholder provided a re-drafted version as: "in the case of payments of income chargeable under the head "Interest on securities", other than payments made by or on behalf of the Central Government or State Government- (i) local authority (ii) corporation or (iii) company, including the principal officer thereof", which the Department has agreed to adopt. Accordingly, the Committee recommend that Clause 402(27)(b) be rephrased.

(v) Typographical error: For Clause 402(2)(a) the word 'situate' may be replaced with 'situated.'

Besides these recommended drafting corrections, the Committee accept Clause 402 as proposed.

C.—Advance payment of tax

Clause- 403- Liability for payment or advance tax

403. 1 Provisions proposed in the Income-Tax Bill, 2025:

. (*1*) Advance tax shall be payable during any tax year in respect of the current income of the assesse, as per the provisions of this Part. (*2*) For the purposes of this Part, “current income” means the total income of the assessee which would be chargeable to tax for that tax year.(*3*) The provisions of sub-section (*1*) shall not apply to an individual resident in India, who—(*a*) does not have any income chargeable under the head “Profits and gains of business or profession”; and(*b*) is of the age of sixty years or more at any time during the tax year.

403. 2 Relevant provision of the Principal Act (Income-Tax Act 1961)

207.

(1) Tax shall be payable in advance during any financial year, in accordance with the provisions of sections 208 to 219 (both inclusive), in respect of the total income of the assessee which would be chargeable to tax for the assessment year immediately following that financial year, such income being hereafter in this Chapter referred to as "current income".(2) The provisions of sub-section (1) shall not apply to an individual resident in India, who—

(*a*) does not have any income chargeable under the head "Profits and gains of business or profession"; and

(*b*) is of the age of sixty years or more at any time during the previous year

403.3 Reasons/Justification given by the Ministry of Finance for the posed provision

Clause 403 of the Bill provides for liability for payment of advance tax. Clause 403 of the Bill corresponds to Section 207 of the Act. There is no policy change. The provisions of the existing section have been textually simplified and retained with the same intent in this clause.

403. 4 Important views/Suggestions given by Experts/Stakeholders

403.4.1: The heading of Chapter XIX-C may be - XIX-C- Estimated payment of tax Advance tax" to be substituted with "Estimated tax". The use of words "advance tax" is appropriate in the context of "assessment year" under the Income- tax Act 1961. However, in the context of the Income-tax Bill, 2025, since tax is being paid in the tax year itself, therefore, this is an estimated tax on current income. The heading and the provisions of this chapter may be appropriately modified .

403.4.2 : E ledger System- Under the Income-tax Act, 1961, there are several instances of mismatches in case of TDS claimed and TDS allowed while processing return u/s 143(1)(a) of the Income- tax Act, 1961. In some cases, such mismatches also lead to issuance of intimation u/s 139(9). For example, some deductee taxpayers are facing an issue where higher income from an earlier previous year is reflected in their Form 26AS in the current financial year. This may be on account of tax of an earlier previous year being deducted in the current financial year by the deductor at the time of payment, whereas, the income was reflected in the return of an earlier year by the deductee taxpayer on an accrual basis. The prior year's income on which tax is deducted at source (TDS) in the current year is being matched with the income of the current year. In cases where the prior year's income (as shown in Form No. 26AS of the current year) is higher and the current year's income reflected in the return of income is lower, the consequent mismatch results in the return of income of the current year of the deductee- taxpayer being wrongly treated as

defective and issuance of intimation under section 139(9) to him to rectify the defect. This is one such example. In order to address this issue, in the new Income-tax regime, an year-wise E-ledger mechanism, similar to the one implemented in respect of the Goods and Services Tax (GST), be introduced for income-tax payments also to reduce interface between the assessee and the department. The key benefits of the e-Ledger system in GST include providing a transparent, real-time overview of tax credits, cash balances, and set off of liabilities. A similar system can be effectively implemented for income tax to improve ease of doing business, enhance compliance, and increase operational efficiency. The year-wise income-tax e-Ledger would capture all advance tax payments made, the TDS/TCS credits which can be adjusted against the tax due for the current previous year. The balance credit, after adjusting the tax due, may be refunded to the assessee or allowed to be carried forward to the next year for adjustment against tax due in that year. On the other hand, if the tax due is more than the credit, the assessee can pay the same by way of self-assessment tax.

403.5 Examination by the Committee

403.5.1 With regard to suggestion seeking replacement of word “advance tax” with “estimated tax”, the Department have submitted their written reply as under:

> *“Suggestion seeks to replace the word "advance tax" with "estimated tax". The request is in nature of drafting improvement. The term "advance tax" is more appropriate because tax is being paid in advance, before the tax year has ended. Replacing the word with term "estimated tax" will not lead to any tangible benefit and will create confusion which is avoidable. Thus, suggestion is not feasible. “*

403.5.2 With regard to adoption of e-ledger system for TDS/TCS, similar to GST, the Department has submitted written submission as under :

“ The suggestion is in the nature of policy change which is beyond the scope of objectives of Income-Tax Bill 2025”

403.5.2(a): When further queried on the matter in view of the fact that one of the key objectives of the bill is to ensure transparency and clarity in order to avoid litigation and introduction of an e ledger system on the lines of GST would be a more efficient and convenient system for processing of returns the Department in their written replies submitted as under :

“This system may not possible for administration in Income Tax Department for the following reasons: - The principle of taxation is applicable for separate years. The principle is that the TDS shall be allowed only in respect of the income which is offered to tax. If there is any additional liability or refund, there are consequences in respect of interest which are to be met with reference to the same tax year. However, it has been provided that where excess TDS is deducted and the income is not shown in the year of deduction but accrues or arises in a subsequent year, the claim of TDS can be carried forward to that year. Thus a system of ledger year wise is already in place. The problem of mismatch arises only when the taxpayer claims TDS and the corresponding income is not offered for tax. In case proper processes are followed by the taxpayer while filling up his return form, these mismatch issues would not occur. Any e-ledger system spanning across years would disturb the year wise scheme of collecting demand or providing refunds. Any e-ledger scheme would be detrimental for two reasons (i) the excess TDS would not be refunded as is presently being done & (ii) the dispute in respect of refund/ liability to pay would spread across years. “

403.5.2(b): During oral deliberations on 04.06.2025 the representative of the Department deposed as under :

"we have examined e-ledger system also and found it not practicable for income tax purposes. The TDS has to be accounted for every year. If there is any refund due, it has to be claimed in that year only. If we go by e-ledger system, then it will be carrying forward the TDS claims to a number of years and there will be question as to which year it should be claimed. Then the scrutiny will have to be done, to see whether this claim is correct or not. "

403.5.2(c): When queried further as to why the e-ledger system cannot be linked with the relevant tax year a representative of the Department deposed before the Committee as under:

"One is, in the GST system, it is transaction-based and in the income tax, it is basically income-based. Now, TDS is conceptually pay-as-you-earn. Therefore, when you earn, you earn for a year. This is a tax on the income that has been received for that year. Now, what is being suggested is that the person can actually accumulate the TDS credits across the years for four or five years and then show the income of a year? Should the income be of all the four years? It is only going to complicate the system. However, what we have presently also done is that suppose there is a TDS which has been made but because of the system of accounting, maybe it is an accrual basis or on a cash basis, some component of that TDS is not to be taken credit of in a particular year, that he can actually carry forward to the next year also. So, that facility is already there. Some sort of a ledger to that extent is there. But it has to be linked to the income rather than the transactions. We will be complicating the system. "

403. 6 Observations/Recommendations of the Committee

The Committee observe that Clause 403 of the Income-Tax Bill, 2025 textually simplifies and retains the intent of Section 207 of the Income-Tax Act, 1961 regarding liability for payment of advance tax. Noting that there is no policy change in this regard and having after considered the views of the stakeholders as well as the response of the Department, the Committee accept Clause 403 as proposed.

Clause- 404- Conditions of liability to pay advance tax.

404.1 Provisions proposed in the Income-Tax Bill, 2025:

Advance tax shall be payable by the assessee during a tax year, where the amount of such tax during that year, as computed under this Part, is ten thousand rupees or more.

404.2 Relevant provision of the Principal Act (Income-Tax Act 1961)

208. Advance tax shall be payable during a financial year in every case where the amount of such tax payable by the assessee during that year, as computed in accordance with the provisions of this Chapter, is ten thousand rupees or more.

404.3 Reasons/Justification given by the Department of Finance for the proposed provision

Clause 404 of the Bill provides for conditions of liability to pay advance tax.Clause 404 of the Bill corresponds to Section 208 of the Act. There is no policychange. The provisions of the existing section have been textually simplified andretained with the same intent in this clause

404.4 Examination by the Committee

In reply to a specific query on changes(addition or omission or replacement of words etc.), if any, between the provisions of the Clause and existing Section, the Department of Revenue furnished the following reply:

“The Provisions proposed in the Income-Tax Bill 2025 is the simplified version of the corresponding provisions of the IT Act, 1961. “

404.5 Observations/Recommendations of the Committee

The Committee observe that Clause 404 of the Bill provides for conditions of liability to pay advance tax which corresponds to Section 208 of the extant Act. They note that, apart from textual simplification, no policy change has been introduced in this Clause. They, therefore, accept Clause 404 as proposed by the Department of Revenue.

405. Clause No. & Title

Clause- 405-Computation of advance tax.

405.1 Provisions proposed in the Income-Tax Bill, 2025

. (*1*) The amount of advance tax payable by an assessee under section 404, on his own accord under section 406, or in pursuance of an order of an Assessing Officer under section 407, in the tax year shall, subject to the provisions of sub-section (*2*), be computed as under—A=B-C where,—A = the amount of advance tax payable in a tax year;B = income-tax on the specified sum calculated at the rates in force in the tax year, where "specified sum" shall have the meaning assigned to it in section 406 or 407;C = amount of income-tax which would be deductible or collectible at source during the said tax year under any provision of this Act from any income subject to the following:—(*a*) such income is computed before allowing any deduction admissible under this Act and has been taken into account in computing the specified sum; and(*b*) the person responsible for deducting tax has paid or credited such income after deduction of tax; or(*c*) the person responsible for collecting tax has received or debited such income after collection of tax.(*2*) In the case of any class of assessees, where the Finance Act of the relevant year provides that, net agricultural income shall be taken into account for the purposes of computing advance tax, then,—(*a*) for the purposes of order as mentioned in section 407(1) and (4), the net agricultural income shall be the amount that has been taken into account for the purposes of charging income-tax on the specified sum as mentioned in sub-sections (*3*) and (*6*) of the said section; or(*b*) in any other situation, the net agricultural income as estimated by the assessee for the tax year.

405.2 Relevant provision of the Principal Act (Income-Tax Act 1961)

209. (1) The amount of advance tax payable by an assessee in the financial year shall, subject to the provisions of sub-sections (2) and (3), be computed as follows, namely :—

(*a*) where the calculation is made by the assessee for the purposes of

payment of advance tax under sub-section (1) or sub-section (2) or sub-section (5) or sub-section (6) of section 210, he shall first estimate his current income and income-tax thereon shall be calculated at the rates in force in the financial year;

(b) where the calculation is made by the Assessing Officer for the purpose of making an order under sub-section (3) of section 210, the total income of the latest previous year in respect of which the assessee has been assessed by way of regular assessment or the total income returned by the assessee in any return of income furnished by him for any subsequent previous year, whichever is higher, shall be taken and income-tax thereon shall be calculated at the rates in force in the financial year;

(c) where the calculation is made by the Assessing Officer for the purpose of making an amended order under sub-section (4) of section 210, the total income declared in the return furnished by the assessee for the later previous year, or, as the case may be, the total income in respect of which the regular assessment, referred to in that sub-section has been made, shall be taken and income-tax thereon shall be calculated at the rates in force in the financial year;

(d) the income-tax calculated under clause (*a*) or clause (*b*) or clause (*c*) shall, in each case, be reduced by the amount of income-tax which would be deductible or collectible at source during the said financial year under any provision of this Act from any income (as computed before allowing any deductions admissible under this Act) which has been taken into account in computing the current income or, as the case may be, the total income aforesaid; and the amount of income-tax as so reduced shall be the advance tax payable:

Provided that for computing liability for advance tax, income-tax calculated under clause (*a*) or clause (*b*) or clause (*c*) shall not, in each case, be reduced by the aforesaid amount of income-tax which would be deductible or collectible at source during the said financial year under any provision of this Act from any income, if the person responsible for deducting tax has paid or credited such income without

deduction of tax or it has been received or debited by the person responsible for collecting tax without collection of such tax.(2) Where the Finance Act of the relevant year provides that, in the case of any class of assessees, net agricultural income (as defined in that Act) shall be taken into account for the purposes of computing advance tax, then, the net agricultural income to be taken into account in the case of any assessee falling in that class, shall be—

(a) in cases where the Assessing Officer makes an order under sub-section (3) or sub-section (4) of section 210,—

(i) if the total income of the latest previous year in respect of which the assessee has been assessed by way of regular assessment forms the basis of computation of advance tax payable by him, the net agricultural income which has been taken into account for the purposes of charging income-tax for the assessment year relevant to that previous year; or

(ii) if the total income declared by the assessee for the later previous year referred to in sub-section (4) of section 210 forms the basis of computation of advance tax, the net agricultural income as returned by the assessee in the return of income for the assessment year relevant to such later previous year;

(*b*) in cases where the advance tax is paid by the assessee on the basis of his estimate of his current income under sub-section (1) or sub-section (2) or sub-section (5) or sub-section (6) of section 210, the net agricultural income, as estimated by him, of the period which would be the previous year for the immediately following assessment year.

(3) Where the Finance Act of the relevant year specifies any separate rate or rates for the purposes of computing advance tax in the case of every Hindu undivided family which has at least one member whose total income of the previous year exceeds the maximum amount not chargeable to income-tax in his case, then, the Assessing Officer shall, for making an order under sub-section (3) or sub-section (4) of section 210 in the case of any such Hindu undivided family, compute (subject to the provisions of section 164) the advance tax at such rate or rates—

(a) in a case where the total income of the latest previous year in respect of which the Hindu undivided family has been assessed by way of regular assessment forms the basis of computation of advance tax, if the total income of any member of the family for the assessment year relevant to such latest previous year exceeds the maximum amount not chargeable to income-tax in his case;

(b) in a case where the total income of the previous year in respect of which a return of income is furnished by the Hindu undivided family under section 139 or in response to a notice under sub-section (1) of section 142 forms the basis of computation of advance tax, if the total income of any member of the family for the assessment year relevant to such previous year exceeds the maximum amount not chargeable to income-tax in his case.

405.3 Reasons/Justification given by the Department of Finance for the proposed provision

Clause 405 of the Bill provides for computation of advance tax. Clause 405 of the Bill corresponds to Section 209 of the Act. There is no policy change. However, formula has been incorporated in the said clause for the calculation of advance tax for ease of computation.
