Balewadi, Pune-411045, Tel: +91 (20) 66177400/ 60017555

IT Committee Initiatives in Brief:

The IT Committee offers Post Qualification Course on Information Systems Audit, ERP Courses through leading ERP Vendors, CPE Course on CAAT, Certification Course on Forensic Accounting and Fraud Detection Using IT and CAATs and Practical Workshops for the benefit of members.

Role of IT Committee:

The Committee on Information Technology has been established to identify the emerging professional opportunities in the Information Technology sector for members and to prepare them to face the threats and challenges ahead. Since its inception, the Committee has proactively considered the modern day requirements and initiated steps to suitably equip the members in terms of knowledge and skills to face the challenges ahead. The Committee has strived hard to develop the profession in the IT Area through ISA Meets, E-Learning Modules on Bank Audit, Using CAATs/ GAS, Using MS-Excel 2007 as an Audit Tool, revised edition of Technical Guide on IS Audit, New Technical Guide on Systems Audit of Stock Brokers, Data Analysis for Auditors- Practical case studies on using CAATs, Signing of MOU with ISACA for Guidelines, Standards and Guides, IT Conferences/ Seminars and the Introduction of Certificate Course on Forensic Accounting and Fraud Detection using IT & CAATs. Based upon the experiences gained on the aforesaid initiatives, the Committee has decided to carry forward the following initiatives:

- Isaca mou
- It directorate
- Promote information systems assurance value added services
- Xbri financial reporting language promotion
- Promote forensic accounting & fraud detection
- Revamp of post qualification course on information systems audit
- It manager course for members in industry
- Technology initiatives
- Professional opportunities for isa members
- Isa question bank

Aim of the conference

The conference aims to provide insights into the domain of Information Technology in which there are number of technologies by which Chartered Accountants could be benefited and can improve the efficiency of their practice and also to provide an exposure to the requirements and enable the delegates to understand and appreciate the implications of IT on their industry.
