

**DIAMOND JUBILEE CONFERENCE ON CAPITAL MARKET-"INDIAN
CAPITAL MARKET – THE FUTURISTIC PERSPECTIVES"**

Organized by

**The Committee on Financial Markets & Investors'
Protection, ICAI**

17th & 18th July 2009

Hotel Le Meridien, New Delhi

Objective

The Capital Market is the epitome and backbone of any developing economy. In a globalised environment, developing countries are concentrating deeply to plan their economic policies for attracting large pool of funds from the global market. The frontiers of global market are not only ever increasing but also moving towards process of convergence. Despite the ups and downs in the global market, many investors are still watching with interest, for best times to come. A Road Map is the sine qua non for achieving the desired objective. Taking into account of the holistic picture and emergence of newer opportunities for CA's the Committee on Financial Markets and Investor's Protection and the NIRC of the ICAI are organizing a one day programme to deliberate the spectrum of issues relating to Capital Market, addressed by luminaries in the field.
