

FinPlan Writer

- 1) This package is based on Microsoft EXCEL.
- 2) It requires you to allow the macros to run in the package to perform efficiently.
- 3) These macros are totally clean & non-harmful to your system.
- 4) If the macros are not working due to high security level, then the same can be done by doing the following steps in case of MS Excel 2002, 2003 –
Go to Menu – Tools – Macros – Security – Security Tab – Click on ‘Medium’ – Press ‘OK’.
- 5) Enjoy ‘Financial Planning’.
- 6) Contents of the package –
 - a) FinPlan Writer (exe)
 - b) Read Me file (pdf)
 - c) Features (pdf)
 - d) End User Licence Agreement – EULA (word)
