FOREWORD

Direct Tax Laws and Indirect Tax Laws are among the extremely dynamic subjects of the chartered accountancy course. The level of knowledge prescribed at the final level for the subjects is 'expert knowledge' and 'advanced knowledge' for the existing and new course, respectively. For attaining such a level of knowledge, the students have not only to be thorough with the basic provisions of the relevant laws, but also have to constantly update their knowledge regarding statutory developments.

The Board of Studies brings out the annual Supplementary Study Paper to help the students to update their knowledge relating to recent statutory developments in the field of direct and indirect tax laws made by the Annual Finance Acts, Notifications/Circulars etc.

I compliment the Board of Studies for its good work in bringing out this publication, which would help the students to update their knowledge regarding the latest statutory developments. I am sure that this publication will be of great use to the students in preparing for their examination.

PREFACE

The Board of Studies is engaged in the task of providing quality study materials and other inputs to enable the students to prepare for their examinations. One of the important inputs of the Board on taxation is the supplementary study paper in direct and indirect tax laws to be used by the final students. The supplementary study papers are annual publications and contain a discussion of the amendments made by the Annual Finance Acts and Notifications/Circulars in income-tax, wealth-tax, excise, customs and service tax. They are very important to the students for updating their knowledge regarding the latest statutory developments in the respective areas mentioned above. A lot of emphasis is being placed on these latest amendments in the final examinations.

The faculty of the Board of Studies have incorporated in this Supplementary Study Paper-2009, the amendments made by the Finance (No.2) Act, 2009 and important Notifications/Circulars issued between 1st May 2008 and 30th April, 2009 and budget notifications. I am happy to note that this Supplementary Study Paper has many student-friendly features like presentation of the amendments point-wise in a simplified and lucid manner, supporting the theory with examples wherever possible, giving 'amendments at a glance' etc. These features will help the students to understand and grasp the essence of the new amendments in an easy and methodical manner.

It may be noted that this supplementary study paper would be relevant for both the existing final course and the new final course. I appreciate the earnest and sincere efforts taken by CA. Priya Subramanian (Direct Taxes) & CA. Shefali Jain (Indirect Taxes), Faculty, Board of Studies in bringing out this valuable publication. I am sure that, as in the past, this Supplementary Study Paper would be highly useful to the students preparing for final examinations.

DIRECT TAXES / DIRECT TAX LAWS

AMENDMENTS BY THE FINANCE (NO.2) ACT, 2009

I INCOME-TAX ACT, 1961

1. RATES OF TAX

Section 2 of the Finance (No.2) Act, 2009 read with Part I of the First Schedule to the Finance (No.2) Act, 2009, seeks to specify the rates at which income-tax is to be levied on income chargeable to tax for the assessment year 2009-10. Part II lays down the rate at which tax is to be deducted at source during the financial year 2009-10 i.e. A.Y. 2010-11 from income subject to such deduction under the Income-tax Act; Part III lays down the rates for charging income-tax in certain cases, rates for deducting income-tax from income chargeable under the head "salaries" and the rates for computing advance tax for the financial year 2009-10 i.e. A.Y.2010-11. Part III of the First Schedule to the Finance (No.2) Act, 2009 will become Part I of the First Schedule to the Finance Act, 2010 and so on.

Rates for deduction of tax at source for the A.Y.2010-11

Part II of the First Schedule to the Act specifies the rates at which income-tax is to be deducted at source during the financial year 2009-10 i.e. A.Y. 2010-11 from income other than "salaries". These rates of tax deduction at source are the same as were applicable for the A.Y.2009-10, except in the following cases -

- (i) In case of domestic companies, tax would be deductible@10% (instead of 20%) on -
 - (1) insurance commission subject to TDS under section 194D; and
 - (2) interest other than "interest on securities" subject to TDS under section 194A.
- (ii) In case of domestic companies and resident non-corporate persons, tax would be deductible@10% (instead of 20%) on -
 - (1) deemed dividend under section 2(22)(e) subject to TDS under section 194; and
 - (2) interest on all securities subject to TDS under section 193.

Further, no surcharge would be levied on income-tax deducted except in the case of foreign companies. If the recipient is a foreign company, surcharge@2½% would be levied on such income-tax if the income or aggregate of income paid or likely to be paid and subject to deduction exceeds Rs.1 crore. Levy of surcharge has been withdrawn on deductions in all other cases. Also, education cess and secondary and higher education cess would not be added to TDS if the income (other than salary) subject to tax deduction or collection at source is paid to a domestic company or a resident non-corporate assessee. However, education cess and secondary and higher education cess would be added to income-tax deducted from salary payment.

Rates for deduction of tax at source from "salaries", computation of "advance tax" and charging of income-tax in certain cases during the financial year 2009-10

Part III of the First Schedule to the Act specifies the rate at which income-tax is to be deducted at source from "salaries" and also the rate at which "advance tax" is to be computed and income-tax is to be calculated or charged in certain cases for the financial year 2009-10 i.e. A.Y. 2010-11. The basic exemption limit has been increased from Rs.1,50,000 to Rs.1,60,000 in the case of individuals, HUFs, AOPs, BOIs and artificial juridical persons. The revised tax slabs are shown hereunder -

(i) (a) Individual/ HUF/ AOP / BOI and every artificial juridical person

Level of total income	Rate of income-tax
Where the total income does not exceed Rs.1,60,000	Nil
Where the total income exceeds Rs.1,60,000 but does not exceed Rs.3,00,000	10% of the amount by which the total income exceeds Rs.1,60,000
Where the total income exceeds Rs.3,00,000 but does not exceed Rs.5,00,000	Rs.14,000 plus 20% of the amount by which the total income exceeds Rs.3,00,000
Where the total income exceeds Rs.5,00,000	Rs.54,000 plus 30% of the amount by which the total income exceeds Rs.5,00,000

The threshold exemption level has been raised from Rs.1,80,000 to Rs.1,90,000 for resident women and from Rs.2,25,000 to Rs.2,40,000 for resident individuals of the age of 65 years or more at any time during the previous year. The slab rates for these assesseees are as given in (b) and (c) below.

(b) For resident women below the age of 65 years at any time during the previous year

Level of total income	Rate of income-tax
Where the total income does not exceed Rs.1,90,000	Nil

Where the total income exceeds Rs.3,00,000 but does not exceed Rs.5,00,000	Rs.11,000 plus 20% of the amount by which the total income exceeds Rs.3,00,000
Where the total income exceeds Rs.5,00,000	Rs.51,000 plus 30% of the amount by which the total income exceeds Rs.5,00,000

- (c) For resident individuals of the age of 65 years or more at any time during the previous year

Level of total income	Rate of income-tax
Where the total income does not exceed Rs.2,40,000	Nil
Where the total income exceeds Rs.2,40,000 but does not exceed Rs.3,00,000	10% of the amount by which the total income exceeds Rs.2,40,000
Where the total income exceeds Rs.3,00,000 but does not exceed Rs.5,00,000	Rs.6,000 plus 20% of the amount by which the total income exceeds Rs.3,00,000
Where the total income exceeds Rs.5,00,000	Rs.46,000 plus 30% of the amount by which the total income exceeds Rs.5,00,000

- (ii) Co-operative society

There is no change in the rate structure as compared to A.Y.2009-10.

	Level of total income	Rate of income-tax
(1)	Where the total income does not exceed Rs.10,000	10% of the total income
(2)	Where the total income exceeds Rs.10,000 but does not exceed Rs.20,000	Rs.1,000 plus 20% of the amount by which the total income exceeds Rs.10,000
(3)	Where the total income exceeds Rs.20,000	Rs.3,000 plus 30% of the amount by which the total income exceeds Rs.20,000

- (iii) Firm/Limited Liability Partnership (LLP)

The rate of tax for a firm for A.Y.2010-11 is the same as that for A.Y.2009-10 i.e. 30% on the whole of the total income of the firm. This rate would apply to an LLP also.

(iv) Local authority

The rate of tax for A.Y.2010-11 is the same as that for A.Y.2009-10 i.e. 30% on the whole of the total income of the local authority.

(v) Company

The rates of tax for A.Y.2010-11 are the same as that for A.Y.2009-10.

(1)	In the case of a domestic company	30% of the total income
(2)	In the case of a company other than a domestic company	50% of specified royalties and fees for rendering technical services and 40% on the balance of the total income

Surcharge

The rates of surcharge applicable for A.Y.2010-11 are as follows -

(i) Individual/HUF/AOP/BOI/Artificial juridical person

No surcharge would be leviable in case of such persons.

(ii) Co-operative societies/Local authorities

No surcharge would be leviable on co-operative societies and local authorities.

(iii) Firms/LLPs

No surcharge would be leviable on firms and LLPs.

(iv) Domestic company

Where the total income exceeds Rs.1 crore, surcharge is payable at the rate of 10% of income-tax computed in accordance with the provisions of para (v)(1) above or section 111A or section 112. Marginal relief is available in case of such companies having a total income exceeding Rs.1 crore i.e. the additional amount of income-tax payable (together with surcharge) on the excess of income over Rs.1 crore should not be more than the amount of income exceeding Rs.1 crore.

(v) Foreign company

Where the total income exceeds Rs.1 crore, surcharge is payable at the rate of 2½% of income-tax computed in accordance with the provisions of paragraph (v)(2) above or section 111A or section 112. Marginal relief is available in case of such companies having a total income exceeding Rs.1 crore i.e. the additional amount of income-tax payable (together with surcharge) on the excess of income over Rs.1 crore should not be more than the amount of income exceeding Rs.1 crore.

Education cess / Secondary and higher education cess on income-tax

The amount of income-tax as increased by the union surcharge, if applicable, should be further increased by an additional surcharge called the "Education cess on income-tax",

calculated at the rate of 2% of such income-tax and surcharge. Education cess is leviable in the case of all assessees i.e. individuals, HUFs, AOP/BOIs, co-operative societies, firms, LLPs, local authorities and companies. Further, “Secondary and higher education cess on income-tax” @1% of income-tax and surcharge is leviable to fulfill the commitment of the Government to provide and finance secondary and higher education. No marginal relief would be available in respect of such cess.

2. BASIC CONCEPTS

(a) Scope of definition of charitable purpose expanded [Section 2(15)]

- (i) Section 2(15) defines “charitable purpose” to include relief of the poor, education, medical relief, and the advancement of any other object of general public utility. However, the “advancement of any other object of general public utility” shall not be a charitable purpose, if it involves the carrying on of any activity in the nature of trade, commerce or business, or any activity of rendering any service in relation to any trade, commerce or business, for a cess or fee or any other consideration, irrespective of the nature of use or application, or retention, of the income from such activity.
- (ii) Section 2(15) has now been amended to specifically include within its ambit, the preservation of environment (including watersheds, forests and wildlife) and preservation of monuments or places or objects of artistic or historic interest.
- (iii) Prior to the amendment, these would have been included under “advancement of any other object of general public utility” and hence, would have been subject to the restriction mentioned above. However, now, they would not be subject to the restrictions which are applicable to the “advancement of any other object of general public utility”.

(Effective from A.Y. 2009-10)

(b) Definition of the term “manufacture” incorporated in the Act [Section 2(29BA)]

- (i) Though various tax concessions are provided under the Income-tax Act for encouraging manufacture of articles or things, there is no specific definition of the term “manufacture”. Consequently, there have been legal disputes as to what exactly constitutes “manufacture”.
- (ii) In order to remove these disputes and clarify the correct legal intention, a new clause (29BA) has been inserted in section 2 to provide that ‘manufacture’, with all its grammatical variations, shall mean a change in a non-living physical object or article or thing,—
 - (a) resulting in transformation of the object or article or thing into a new and distinct object or article or thing having a different name, character and use; or
 - (b) bringing into existence of a new object or article or thing with a different chemical composition or integral structure.

(Effective from A.Y. 2009-10)

- (c) Zero Coupon Bonds to include bonds issued by scheduled banks also [Section 2(48)]

Related amendment in sections: 36(1)(iiia) & 194A(3)

- (i) At present, the definition of zero coupon bonds includes bonds issued only by an infrastructure capital company or infrastructure capital fund or public sector company.
- (ii) The Finance (No.2) Act, 2009 has now amended section 2(48) to include such bonds issued by scheduled banks (including nationalized banks) and notified by the Central Government in the Official Gazette within the definition of zero coupon bond, subject to the condition that no payment and benefit is received or receivable before maturity or redemption from the scheduled bank.
- (iii) Under section 36(1)(iiia), the pro rata amount of discount on a zero coupon bond is allowed as deduction while computing business income. Consequent to the above amendment, the term "discount" defined in the Explanation to the said section has been amended to include within its scope, the difference between the amount received/receivable by, inter alia, a scheduled bank and the amount payable by the scheduled bank on maturity or redemption of such bond.
- (iv) Section 194A(1) provides for deduction of tax at source from interest other than "interest on securities". Section 194A(3) provides for exclusions from the applicability of TDS provisions under section 194A(1). Section 194A(3) provides that the provisions of TDS under section 194A(1) would not be applicable in respect of income paid or payable in relation to a zero coupon bond issued by an infrastructure capital company or infrastructure capital fund or public sector company on or after 1.6.2005. This section has been amended to now provide that the provisions of TDS under section 194A(1) would not be applicable in respect of income paid or payable in relation to a zero coupon bond issued by an infrastructure capital company or infrastructure capital fund or public sector company or scheduled bank on or after 1.6.2005

(Effective from A.Y. 2009-10)

3. INCOMES WHICH DO NOT FORM PART OF TOTAL INCOME

- (a) Denial of double benefit under section 10(10C) and section 89 in respect of VRS compensation
 - (i) An employee opting for voluntary retirement scheme receives a lump-sum amount in respect of his balance period of service. This amount is in the nature of advance salary.
 - (ii) Under section 10(10C), an exemption of Rs.5 lakh is provided in respect of such amount to mitigate the hardship on account of the employee going into the higher tax bracket consequent to receipt of the amount in lump-sum upon voluntary retirement.

- (iii) However, some tax payers have resorted to claiming both the exemption under section 10(10C) (upto Rs.5 lakh) and relief under section 89 (in respect of the amount received in excess of Rs.5 lakh). This tax treatment has been supported by many court judgements also, for example, the Madras High Court ruling in CIT v. G.V. Venugopal (2005) 273 ITR 0307 and CIT v. M. Abdul Kareem (2009) 311 ITR 162 and the Bombay High Court ruling in CIT v. Koodathil Kallyatan Ambujakshan (2009) 309 ITR 113 and CIT v. Nagesh Devidas Kulkarni (2007) 291 ITR 0407. However, this does not reflect the correct intention of the statute.
- (iv) Therefore, in order to convey the true legislative intention, section 89 has been amended to provide that no relief shall be granted in respect of any amount received or receivable by an assessee on his voluntary retirement or termination of his service, in accordance with any scheme or schemes of voluntary retirement or a scheme of voluntary separation (in the case of a public sector company), if exemption under section 10(10C) in respect of such compensation received on voluntary retirement or termination of his service or voluntary separation has been claimed by the assessee in respect of the same assessment year or any other assessment year.
- (v) Correspondingly, section 10(10C) has been amended to provide that where any relief has been allowed to any assessee under section 89 for any assessment year in respect of any amount received or receivable on his voluntary retirement or termination of service or voluntary separation, no exemption under section 10(10C) shall be allowed to him in relation to that assessment year or any other assessment year.

(Effective from A.Y.2010-11)

- (b) Extension of time limit for filing application for tax exemption under section 10(23C)
 - (i) Under section 10(23C), exemption is provided in respect of income of institutions specified under its different sub-clauses.
 - (ii) In order to claim exemption in some cases specified therein, approvals are required to be taken from prescribed authorities, in the prescribed manner.
 - (iii) For example, an educational institution, having annual receipts of more than rupees one crore, has to make an application for seeking exemption at any time during the financial year for which the exemption is sought. Therefore, an eligible educational institution is required to estimate its annual receipts for deciding whether or not to file an application for exemption. This results in genuine hardship, for alleviating which, the time limit for filing such application has been extended from 31st March to 30th September of the succeeding financial year. This benefit of extension of time limit can be availed for F.Y.2008-09 and thereafter.

- (iv) For instance, where the gross receipts of a trust or institution exceed rupees one crore in the financial year 2008-2009, it can file an application for grant of exemption in the prescribed form to the prescribed authority on or before 30th September, 2009.

(Effective from A.Y.2009-10)

- (c) Exemption under section 10(23D) to be available to mutual funds set up by “other public sector banks” also
 - (i) Section 10(23D) exempts income of a mutual fund set up by, inter-alia, a public sector bank.
 - (ii) Clause (a) of the Explanation to section 10(23D) defining “public sector bank”, does not include within its scope, “other public sector banks” categorized by the RBI.
 - (iii) The Central Government holds more than 51% shareholding in IDBI Bank Limited which has been categorized under “other public sector banks” by RBI.
 - (iv) Therefore, the definition of “public sector bank” has been widened to bring within its scope, a bank included in the category “other public sector banks” by the RBI.

(Effective from A.Y. 2010-11)

- (d) Exemption of income received by any person on behalf of NPS Trust [Section 10(44)]

Related amendment in section: 115-O & 197A

The New Pension System (NPS), operational since 1st January, 2004, is compulsory for all new recruits to the Central Government service from 1st January, 2004. Thereafter, it has been opened up for employees of State Government and private sector.

NPS Trust has been set-up on 27th February, 2008 as per the provisions of the Indian Trust Act, 1882 to manage the assets and funds under the NPS in the interest of the beneficiaries. The Finance (No.2) Act, 2009 has exempted the NPS Trust from the applicability of –

- (i) income-tax on any income received by any person for, or on behalf of, the NPS Trust [Section 10(44)]
- (ii) dividend distribution tax in respect of dividend paid to any person for, or on behalf of, the NPS Trust [Section 115-O]; and
- (iii) securities transaction tax on all purchases and sales of equity and derivatives by the NPS Trust.

Further, the NPS Trust shall receive all income without any deduction of tax at source.

Thus, the NPS Trust, which was set up to manage the assets and funds under the New Pension System in the interest of the beneficiaries, would enjoy a “pass-through status”.

(Effective from A.Y.2009-10)

- (e) Sunset clause for deductions under sections 10A and 10B to be deferred by one more year
 - (i) Under section 10A, deduction is available in respect of profits and gains derived from the export of articles or things or computer software by newly established undertakings located in any free trade zone or electronic hardware technology park or software technology park (notified by the Central Government).
 - (ii) Under section 10B, deduction is available in respect of profits and gains derived from the export of articles or things or computer software by newly established undertakings recognised as 100% export oriented undertaking (EOU) under the Industries (Development and Regulation) Act, 1951.
 - (iii) However, the deductions under these sections were to be allowed only up to A.Y.2010-11.
 - (iv) The Finance (No.2) Act, 2009 has extended the benefit of deduction under these sections for one more year. Hence, the benefit of deduction under these sections would be available for A.Y.2011-12 also. However, thereafter, with effect from A.Y.2012-13, no deduction would be allowed under these sections.

(Effective from A.Y.2009-10)

- (f) Exempted profits in the case of units in Special Economic Zones (SEZs) to be computed as a percentage of total turnover of the business carried on by the undertaking and not the total turnover of the business carried on by the assessee [Section 10AA(7)]
 - (i) As per section 10AA(7), the exempted profit of a SEZ unit is the profit derived from the export of articles or things or services. The profit derived from the export of articles or things or services (including computer software) has to be computed in the following manner -

Profits of the business of the undertaking being the unit ×

$$\left(\frac{\text{Export turnover in respect of such articles or things or computer software}}{\text{Total turnover of the business carried on by the assessee}} \right)$$

- (ii) This mode of computation of the profits of business with reference to the total turnover of the business carried on by the assessee seemed to be inequitable to those assesseees who are having units in both the SEZ and the domestic tariff area (DTA) as compared to those assesseees who are having units only in the SEZ. In order to remove this inequity, section 10AA(7) has been

amended to provide that the deduction under section 10AA shall be computed with reference to the total turnover of the business carried on by the undertaking.

- (iii) The deduction would now be computed in the following manner –

Profits of the business of the undertaking being the unit ×

$$\left(\frac{\text{Export turnover in respect of such articles or things or computer software}}{\text{Total turnover of the business carried on by the undertaking}} \right)$$

- (iv) Example

Let us take the example of Mr.X, who has an undertaking in SEZ (Unit A) and an undertaking in the DTA (Unit B). For the previous year 2008-09, the total turnover of Unit A is Rs.60 lakh and Unit B is Rs.40 lakh. The export turnover of Unit A in respect of computer software is Rs.50 lakh and the profits of Unit A is Rs.20 lakh. Assuming that the above figures of turnover and profit remain the same for P.Y. 2009-10 also, let us compute the deduction under section 10AA for the P.Y.2008-09 and P.Y.2009-10.

Deduction under section 10AA for -

$$\text{P.Y.2008-09 (A.Y.2009-10)} = 20 \times \frac{50}{100} = 10 \text{ lakh}$$

$$\text{P.Y.2009-10 (A.Y.2010-11)} = 20 \times \frac{50}{60} = 16.67 \text{ lakh}$$

Thus, we can see that consequent to the amendment by the Finance Act, 2008, the deduction under section 10AA would be higher in the case of an assessee having units in both SEZ and DTA.

(Effective from A.Y. 2010-11)

- (g) Exemption for voluntary contributions received by electoral trusts [Section 13B]

Related amendment in sections: 2(22AAA), 2(24), 80GGB & 80GGC

- (i) In the year 2003, by an amendment carried out by the Election and Other Related Laws (Amendment) Act, 2003, sections 80GGB & 80GGC were introduced allowing 100 per cent deduction in respect of the contribution made to registered political parties.
- (ii) The Finance (No.2) Act, 2009 has widened the scope of deductions under these sections by allowing deduction to also the contribution/donation made to the electoral trusts as may be approved by the CBDT in accordance with the scheme to be made by the Central Government.
- (iii) The deduction shall be 100% of the amount donated.
- (iv) Further, voluntary contribution received by such electoral trust shall be treated as its income under section 2(24), but shall be exempt under new section 13B, if the trust distributes to a registered political party during the year, 95% of the

aggregate donations received by it during the year along with the surplus if any, brought forward from any earlier previous year.

- (v) Another condition for availing the benefit under this section is that the electoral trust should function in accordance with the rules made by the Central Government.

(Effective from A.Y. 2010-11)

(h) Exemption limit for taxation of anonymous donations under section 115BBC

- (i) Anonymous donations received by wholly charitable trusts and institutions are subject to tax at a flat rate of 30% under section 115BBC. Further, anonymous donations received by partly charitable and partly religious trusts and institutions would be taxed @ 30%, only if such anonymous donation is made with a specific direction that such donation is for any university or other educational institution or any hospital or other medical institution run by such trust or institution.
- (ii) In order to provide relief to these trusts and institutions and to reduce their compliance burden, an exemption limit has been introduced, and only the anonymous donations in excess of this limit would be subject to tax@30% under section 115BBC.
- (iii) The exemption limit is the higher of the following –
- (1) 5% of the total donations received by the assessee; or
 - (2) Rs.1 lakh.
- (iv) The total tax payable by such institutions would be –
- (1) tax@30% on anonymous donations exceeding the exemption limit as calculated above; and
 - (2) tax on the balance income i.e. total income as reduced by the aggregate of anonymous donations received.
- (v) The following table illustrates the calculation of anonymous donations liable to tax @30% under section 115BBC –

Situation	Total donations during the year (Rs.)	Anonymous donations received during the year (Rs.)	Exemption (Rs.)	Anonymous donations taxable@30% (Rs.)
1	15,00,000	4,00,000	1,00,000	3,00,000
2	30,00,000	7,00,000	1,50,000	5,50,000
3	40,00,000	10,00,000	2,00,000	8,00,000

(Effective from A.Y. 2010-11)

4. Salaries

Certain fringe benefits to be taxed as perquisites in the hands of employees
[Section 17(2)]

Related amendment in sections: 49(2AA) & 115WM

- (i) The Finance (No.2) Act, 2009 has delivered the long standing demand of the corporates to abolish FBT. Section 115WM has been inserted to provide that the provisions of Chapter XII-H relating to Fringe Benefit Tax shall not apply in relation to A.Y.2010-11 and thereafter.
- (ii) However, the actual tax burden on fringe benefits would not be completely eliminated but would be shifted from the employer to the employee. The employer, instead of paying FBT, would now have to deduct tax at source from the employees in respect of certain fringe benefits, including ESOPs and contribution to superannuation fund in excess of the prescribed limit. These would now be taxed as perquisites in the hands of the employees.
- (iii) Accordingly, the following fringe benefits have been brought under the scope of perquisites taxable in the hands of the employees by amending section 17(2) –
 - (1) the value of any specified security or sweat equity shares allotted or transferred, directly or indirectly, by the employer or former employer, free of cost or at concessional rate to the assessee.

Specified security means “securities” as defined in section 2(h) of the Securities Contracts (Regulation) Act, 1956. It also includes the securities offered under employees stock option plan or scheme.

Sweat equity shares means equity shares issued by a company to its employees or directors at a discount or for consideration other than cash for providing know-how or making available rights in the nature of intellectual property rights or value additions, by whatever name called.

The value of specified security or sweat equity shares shall be the fair market value of such security or shares on the date on which the option is exercised by the assessee, as reduced by any amount actually paid by, or recovered from, the assessee in respect of such security or shares. The fair market value means the value determined in accordance with the method as may be prescribed by the CBDT. “Option” means a right but not an obligation granted to an employee to apply for the specified security or sweat equity shares at a pre-determined price.

Note – Consequently, when these securities or shares are transferred by the assessee, the capital gains would be computed by taking the fair market value of the securities or shares, which has been taken into account for perquisite valuation, as the cost of acquisition of such securities or sweat equity shares.

- (2) the amount of any contribution to an approved superannuation fund by the employer in respect of the assessee, to the extent it exceeds Rs.1 lakh.

- (3) the value of any other fringe benefit or amenity as may be prescribed by the CBDT.

(Effective from A.Y. 2010-11)

5. PROFITS AND GAINS OF BUSINESS OR PROFESSION

- (a) Definition of “block of assets” as per section 2(11) to apply for all purposes of the Income-tax Act [Section 32(1)]

- (i) At present, the term “block of assets” has been defined both in section 2(11) and in Explanation 3 to section 32(1). Since the definitions are not exactly the same in the two sections, it causes difficulty in interpretation.
- (ii) In order to remove this difficulty, Explanation 3 of section 32(1) has been amended to delete the definition of “block of assets” provided therein. Hereafter, Explanation 3 to section 32(1) would define only the meaning of “assets” and not “block of assets”. As a result, the meaning of “block of assets” has to be derived only from section 2(11).

(Effective from A.Y.2010-11)

- (b) Scope of benefit of weighted deduction of 150% for in-house research and development expanded [Section 35(2AB)]

- (i) Section 35(2AB) provides a weighted deduction of 150% to a company engaged in the business of biotechnology or in the business of manufacture or production of drugs, pharmaceuticals, electronic equipments, computers, telecommunication equipments, chemicals or any other article or thing notified by the CBDT, if it has incurred expenditure on scientific research (excepting on land and building) on in-house research and development facility approved by the prescribed authority.
- (ii) This benefit of weighted deduction has now been extended to all companies engaged in the business of manufacture or production of any article or thing (except those specified in the list of the Eleventh Schedule) in order to promote research and development extensively in all sectors of the economy.

(Effective from A.Y.2010-11)

- (c) Introduction of “investment-linked tax incentives” for specified businesses [New Section 35AD]

Related amendment in sections: 28, 43, 50B, 73A & 80-IA

- (i) Although there are a plethora of tax incentives available under the Income-tax Act, they do not fulfill the intended purpose of creating infrastructure since these incentives are linked to profits and consequently have the effect of diverting profits from the taxable sector to the tax-free sector. Therefore, with the specific objective of creating rural infrastructure and environment friendly

alternate means for transportation of bulk goods, investment-linked tax incentives have been introduced for specified businesses, namely, –

- setting-up and operating 'cold chain' facilities for specified products;
 - setting-up and operating warehousing facilities for storing agricultural produce;
 - laying and operating a cross-country natural gas or crude or petroleum oil pipeline network for distribution, including storage facilities being an integral part of such network.
- (ii) 100% of the capital expenditure incurred during the previous year, wholly and exclusively for the above businesses would be allowed as deduction from the business income. However, expenditure incurred on acquisition of any land, goodwill or financial instrument would not be eligible for deduction.
- (iii) Further, the expenditure incurred, wholly and exclusively, for the purpose of specified business prior to commencement of operation would be allowed as deduction during the previous year in which the assessee commences operation of his specified business. A condition has been inserted that such amount incurred prior to commencement should be capitalized in the books of account of the assessee on the date of commencement of its operations.
- (iv) The specified business should fulfill the following conditions -
- (1) it should not be set up by splitting up, or the reconstruction, of a business already in existence;
 - (2) it should not be set up by the transfer to the specified business of machinery or plant previously used for any purpose;
- In order to satisfy this condition, the total value of the plant or machinery so transferred should not exceed 20% of the value of the total plant or machinery used in the new business.
- For the purpose of this condition, machinery or plant would not be regarded as previously used if it had been used outside India by any person other than the assessee provided the following conditions are satisfied:
- (a) such plant or machinery was not used in India at any time prior to the date of its installation by the assessee;
 - (b) the plant or machinery was imported into India from a foreign country;
 - (c) no deduction in respect of depreciation of such plant or machinery has been allowed to any person at any time prior to the date of installation by the assessee.

- (3) In respect of the business of laying and operating a cross-country natural gas or crude or petroleum oil pipeline network for distribution, including storage facilities being an integral part of such network, such business,—
 - (a) should be owned by a company formed and registered in India under the Companies Act, 1956 or by a consortium of such companies or by an authority or a board or a corporation established or constituted under any Central or State Act;
 - (b) should have been approved by the Petroleum and Natural Gas Regulatory Board and notified by the Central Government in the Official Gazette.
 - (c) should have made not less than one-third of its total pipeline capacity available for use on common carrier basis by any person other than the assessee or an associated person; and
 - (d) should fulfill any other prescribed condition.
- (v) The assessee shall not be allowed any deduction in respect of the specified business under the provisions of Chapter VI-A under the heading “C – Deductions in respect of certain incomes”.
- (vi) The assessee cannot claim deduction in respect of such expenditure incurred for specified business under any other provision of the Income-tax Act in the current year or under this section for any other year.
- (vii) The benefit will be available –
 - (a) in a case where the business relates to laying and operating a cross country natural gas pipeline network for distribution, if such business commences its operations on or after the 1st April, 2007; and
 - (b) in any other case, if such business commences its operation on or after the 1st April, 2009.

Consequently, profit-linked deduction provided under section 80-IA to the business of laying and operating a cross country natural gas distribution network has been discontinued. As a result, any person availing of this incentive can now avail of the benefit under section 35AD.

- (viii) For the previous year 2009-10, an assessee carrying on the business of laying and operating a cross country natural gas pipeline network for distribution, including storage facilities being an integral part of such network, would be allowed a deduction of 100% of the capital expenditure (other than on land, goodwill and financial instrument) incurred during any earlier previous year, if the business has commenced operation between 1.4.2007 and 31.3.2009. This will be available in addition to any other capital expenditure (excluding land, goodwill and financial instrument) incurred during the previous year 2009-10. However, no deduction for such amount should have been allowed or allowable to the assessee in any earlier previous year.

- (ix) "Cold chain facility" means a chain of facilities for storage or transportation of agricultural and forest produce, meat and meat products, poultry, marine and dairy products, products of horticulture, floriculture and apiculture and processed food items under scientifically controlled conditions including refrigeration and other facilities necessary for the preservation of such produce.

An "associated person" in relation to the assessee means a person—

- (1) who participates directly or indirectly or through one or more intermediaries in the management or control or capital of the assessee;
- (2) who holds, directly or indirectly, shares carrying not less than twenty-six per cent of the voting power in the capital of the assessee;
- (3) who appoints more than half of the Board of directors or members of the governing board, or one or more executive directors or executive members of the governing board of the assessee; or
- (4) who guarantees not less than 10% of the total borrowings of the assessee.

- (x) Example

A Ltd. commenced operations of the business of laying and operating a cross-country natural gas pipeline network for distribution on 1st April, 2009. The company incurred capital expenditure of Rs.40 lakh during the period January to March, 2009 exclusively for the above business, and capitalized the same in its books of account as on 1st April, 2009. Further, during the financial year 2009-10, it incurred capital expenditure of Rs.150 lakh (out of which Rs.50 lakh was for acquisition of land) exclusively for the above business. Compute the deduction under section 35AD for the A.Y.2010-11, assuming that A Ltd. has fulfilled all the conditions specified in section 35AD.

The amount of deduction allowable under section 35AD for A.Y.2010-11 would be –

Particulars	Rs.
Capital expenditure incurred during the P.Y.2009-10 (excluding the expenditure incurred on acquisition of land) = Rs.150 lakh – Rs.50 lakh	100 lakh
Capital expenditure incurred prior to 1.4.2009 (i.e., prior to commencement of business) and capitalized in the books of account as on 1.4.2009	<u>40 lakh</u>
Total deduction under section 35AD for A.Y.2010-11	<u>140 lakh</u>

- (xi) Where any goods or services held for the purposes of the specified business are transferred to any other business carried on by the assessee, or vice versa, and if the consideration for such transfer does not correspond with the market value of the goods or services then the profits and gains of the specified business shall be computed as if the transfer was made at market value.

For the above purpose, "market value" means the price such goods or services would ordinarily fetch in the open market, subject to statutory or regulatory restrictions, if any.

- (xii) The deduction shall be allowed to the assessee only if the accounts of the assessee for the relevant previous year have been audited by a chartered accountant and the assessee furnishes the audit report in the prescribed form, duly signed and verified by such accountant along with his return of income.
- (xiii) Where it appears to the Assessing Officer that the assessee derives more than ordinary profits from the specified business due to close connection between the assessee and any other person, or due to any other reason, the Assessing Officer may consider such profits as may be reasonably deemed to have been derived from the specified business for the purpose of computing deduction under this section.
- (xiv) Clause (vii) has been inserted in section 28 to provide that any sum received or receivable, in cash or kind, on account of any capital asset (in respect of which deduction has been allowed under section 35AD) being demolished, destroyed, discarded or transferred shall be treated as income of the assessee, chargeable to tax under the head "Profits and gains of business or profession".
- (xv) New section 73A has been inserted to provide that any loss computed in respect of the specified business shall be set off only against profits and gains, if any, of any other specified business. The unabsorbed loss, if any, will be carried forward for set off against profits and gains of any specified business in the following assessment year and so on. There is no time limit specified for carry forward and set-off and therefore, such loss can be carried forward indefinitely for set-off against income from specified business.
- (xvi) Explanation 13 has been inserted in section 43(1) to provide that the actual cost of any capital asset, on which deduction has been allowed or is allowable to the assessee under section 35AD, shall be nil. This would be applicable in the case of transfer of asset by the assessee where -
- (1) the assessee himself has claimed deduction under section 35AD; or
 - (2) the previous owner has claimed deduction under section 35AD. This would be applicable where the capital asset is acquired by the assessee by way of -
 - (a) gift, will or an irrevocable trust;

- (b) any distribution on liquidation of the company;
- (c) any distribution of capital assets on total or partial partition of a HUF;
- (d) any transfer of a capital asset by a holding company to its 100% subsidiary company, being an Indian company;
- (e) any transfer of a capital asset by a subsidiary company to its 100% holding company, being an Indian company;
- (f) any transfer of a capital asset by the amalgamating company to an amalgamated company in a scheme of amalgamation, if the amalgamated company is an Indian company;
- (g) any transfer of a capital asset by the demerged company to the resulting company in a scheme of demerger, if the resulting company is an Indian company;
- (h) any transfer of a capital asset or intangible asset by a firm to a company as a result of succession of the firm by a company in the business carried on by the firm, or any transfer of a capital asset to a company in the course of demutualization or corporatisation of a recognized stock exchange in India as a result of which an association of persons or body of individuals is succeeded by such company (fulfilling the conditions specified);
- (i) any transfer of a capital asset or intangible asset by a sole proprietary concern to a company, where the sole proprietary concern is succeeded by a company (fulfilling the conditions specified).

(xvii) For the purposes of computing the net worth of the assets in case of slump sale under section 50B, the value of capital assets in respect of which whole of the expenditure has been allowed as deduction under section 35AD would be Nil.

(Effective from A.Y.2010-11)

(d) Withdrawal of commodities transaction tax [Section 36(1)(xvi)]

- (i) Commodities transaction tax was introduced by the Finance Act, 2008. However, it had not been notified.
- (ii) Clause (xvi) was inserted in section 36(1) last year to provide that any amount of commodities transaction tax paid by the assessee during the year in respect of taxable commodities transactions entered into in the course of business shall be allowed as deduction subject to the condition that such income from taxable commodities transactions has been included under the head 'profits and gains of business or profession'.
- (iii) However, this tax has been withdrawn this year. Consequently, this deduction has been removed by omitting clause (xvi).

(Effective from A.Y.2009-10)

- (e) Scope of deduction under section 36(1)(viii) expanded to include business of providing long-term finance for development of housing in India
- (i) Section 36(1)(viii) provides deduction in respect of any special reserve created and maintained by a specified entity.
 - (ii) The quantum of deduction, however, should not exceed 20% of the profits derived from eligible business computed under the head "Profits and gains of business or profession" carried to such reserve account.
 - (iii) The eligible business for different entities specified are given in the table below –

(1)	(2)	(3)
	Specified entity	Eligible business
1.	Financial Corporation specified in section 4A of the Companies Act, 1956 Financial corporation which is a public sector company Banking company Co-operative bank (other than a primary agricultural credit society or a primary co-operative agricultural and rural development bank)	Business of providing long-term finance for - (i) industrial or agricultural development or (ii) development of infrastructure facility in India; or (iii) construction or purchase of houses in India for residential purposes
2.	A housing finance company	Business of providing long-term finance for the construction or purchase of houses in India for residential purposes.
3.	Any other financial corporation including a public company	Business of providing long-term finance for development of infrastructure facility in India.

- (iv) The National Housing Bank is a notified Financial Corporation under section 4A of the Companies Act, 1956. However, since it is not engaged in the long-term financing for construction or purchase of houses in India for residential purpose as required in clause (iii) of column (3) of serial no.1 in the table given above, there has been a view that it is not entitled to the benefit under section 36(1)(viii).
- (v) Therefore, this section has been amended to provide that corporations engaged in providing long-term finance (including re-financing) for development of housing in India will be eligible for the benefit under section 36(1)(viii). Therefore, clause (iii) of column 3 of Sl. No.1 would now read as -
“(iii) development of housing in India”.

Note - National Housing Bank (NHB) is wholly owned by Reserve Bank of India and is engaged in promotion and regulation of housing finance institutions in the country. It provides re-financing support to housing finance institutions, banks, etc., for the development of housing in India.

(Effective from A.Y.2010-11)

(f) Increase in limits for deductibility of remuneration paid to partners by a firm [Section 40(b)(v)]

- (i) Payment of remuneration to working partners is allowed as deduction if it is authorized by the partnership deed and is subject to the overall ceiling limits specified in section 40(b)(v).
- (ii) The limits for partners' remuneration under section 40(b)(v) has revised upwards and the differential limits for partners' remuneration paid by professional firms and non-professional firms have been removed.
- (iii) On the first Rs.3 lakh of book profit or in case of loss, the limit would be the higher of Rs.1,50,000 or 90% of book profit and on the balance of book profit, the limit would be 60%.

(iv) Example

If a firm has paid Rs.7,50,000 as remuneration to its partners for the P.Y.2009-10 in accordance with its partnership deed, and it has a book profit of Rs.10 lakh, then, the allowable remuneration calculated as per the limits specified in section 40(b)(v) would be -

Particulars	Rs.
On first Rs.3 lakh of book profit $[3,00,000 \times 90\%]$	2,70,000
On balance Rs.7 lakh of book profit $[7,00,000 \times 60\%]$	4,20,000
	6,90,000

The excess amount of Rs.60,000 (i.e., Rs.7,50,000 – Rs.6,90,000) would be disallowed as per section 40(b)(v).

(Effective from A.Y.2010-11)

(g) Increase in limit for attracting disallowance under section 40A(3)/(3A) from Rs.20,000 to Rs.35,000 for payments to transport operators

- (i) Section 40A(3) provides for disallowance of expenditure incurred in respect of which payment or aggregate of payments made to a person in a day exceeds Rs.20,000, and such payment or payments are made otherwise than by account payee cheque or account payee bank draft. Section 40A(3A) provides for deeming a payment as profits and gains of business or profession if the expenditure is incurred in a particular year but the payment (or aggregate of payments to a person in a day) is made in any subsequent year in a sum exceeding Rs.20,000 otherwise than by an account payee cheque or by an

account payee bank draft. However, the provisions of this section are subject to exceptions as provided in Rule 6DD of the Income-tax Rules, 1962.

(ii) This limit of Rs.20,000 has been raised to Rs.35,000 in case of payment made to transport operators for plying, hiring or leasing goods carriages. Therefore, payment or aggregate of payments up to Rs.35,000 in a day can be made to a transport operator otherwise than by way of account payee cheque or account payee bank draft.

(iii) In all other cases, the limit would continue to be Rs.20,000.

(Effective from 1st October, 2009)

(h) Increase in presumptive income for transport operators [Section 44AE]

(i) Under section 44AE, a presumptive scheme is available to assessee engaged in business of plying, hiring or leasing goods carriages. The scheme applies to an assessee, who owns not more than 10 goods carriages at any time during the previous year. Such assessee opting for the presumptive scheme are not required to maintain books of account under section 44AA or get them audited under section 44AB.

(ii) The presumptive income per vehicle of transport operators under this scheme has been increased from Rs.3,150 per month to Rs.4,500 per month for vehicles other than heavy vehicles and from Rs.3,500 per month to Rs.5,000 per month for heavy vehicles with effect from A.Y.2011-12. (Month includes part of a month also).

(iii) However, the assessee has the option to declare in his return of income, an amount higher than the presumptive income so calculated, claimed to have been actually earned by him from such vehicle.

(iv) Example

Let us take the case of Mr.Y, who owns 5 heavy goods vehicles and 3 light goods vehicles. For the P.Y.2009-10, his presumptive income under section 44AE would be Rs.26,950 $[(5 \times 3,500) + (3 \times 3,150)]$. For the P.Y.2010-11, his presumptive income under section 44AE would be Rs.38,500 $[(5 \times 5,000) + (3 \times 4,500)]$. Therefore, consequent to this amendment, his presumptive income would go up by Rs.11,550 (i.e., Rs.38,500 – Rs.26,950) for the A.Y.2011-12.

(Effective from A.Y.2011-12)

(i) Increase in scope of coverage of presumptive tax provisions [New section 44AD]

Related amendment in sections: 44AF, 44AA & 44AB

(i) The presumptive taxation scheme, so far restricted to civil construction and retail trade, would now cover all small businesses with total turnover/gross receipts of up to Rs.40 lakh. Section 44AD has been substituted, to include within its scope all such businesses (except the business of plying, hiring and leasing goods carriages covered under section 44AE). Consequently, section

44AF dealing with presumptive taxation for retail trade would not be applicable w.e.f. A.Y.2011-12 since retail trade would also fall within the scope of section 44AD.

- (ii) Resident individuals, HUFs and partnership firms (but not LLPs) would be covered under this scheme.
- (iii) The scheme would not apply to an assessee who is availing deductions under sections 10A, 10AA, 10B, 10BA or deduction under any provisions of Chapter VIA under the heading "C.—Deductions in respect of certain incomes" in the relevant assessment year.
- (iv) The presumptive rate of tax would be 8% of total turnover or gross receipts. However, the assessee has the option to declare in his return of income, an amount higher than the presumptive income so calculated, claimed to have been actually earned by him.
- (v) All deductions allowable under sections 30 to 38 shall be deemed to have been allowed in full and no further deduction shall be allowed. However, in the case of a firm, salary and interest would be allowed as deduction subject to the conditions and limits prescribed under section 40(b).
- (vi) The written down value of any asset of such business shall be deemed to have been calculated as if the assessee had claimed and had been actually allowed the deduction in respect of depreciation for each of the relevant assessment years.
- (vii) The intention of widening the scope of this scheme is to reduce the compliance and administrative burden on small businessmen and relieve them from the requirement of maintaining books of account. Such assessee's opting for the presumptive scheme are not required to maintain books of account under section 44AA or get them audited under section 44AB.
- (viii) Further, they would also be relieved from the requirement of advance tax payments. It would be sufficient compliance if they pay their tax while filing their return of income before the due date.
- (ix) An assessee with turnover of upto Rs.40 lakh, who shows an income below the presumptive rate prescribed under these provisions, will, in case his total income exceeds the taxable limit, be required to maintain books of accounts under section 44AA and also get them audited under section 44AB.

Thus, merely because an eligible assessee does not opt for presumptive taxation under section 44AD, it would not make him liable to maintain books of account under section 44AA or get the same audited under section 44AB. He will have to comply with these requirements only if his total income exceeds the taxable limit. If his total income does not exceed the taxable limit, the requirement of maintaining books of accounts under section 44AA and having the same audited under section 44AB would not arise.

- (x) In order to determine whether an assessee, who is engaged in multiple

businesses, is eligible to opt for section 44AD, the limit of Rs.40 lakh should be applied business-wise and not by aggregating the turnover of all businesses of the assessee.

(xi) Example

Let us take the case of an assessee, say Mr. X, who has 3 businesses, the details of which are given hereunder -

Business	Turnover during the P.Y.2010-11
1. Retail trade	Rs. 35 lakh
2. Civil construction	Rs. 45 lakh
3. Catering	Rs. 30 lakh

In this case, Mr.X can opt for presumptive taxation under section 44AD in respect of his retail trade business and catering business, but not in respect of civil construction business (since the turnover of this business exceeds Rs.40 lakh). If Mr.X opts for presumptive taxation scheme, then his income from retail trade business would be Rs.2.80 lakh (i.e., 8% of Rs.35 lakh) and his income from catering business would be Rs.2.40 lakh (i.e., 8% of Rs.30 lakh). He is not required to maintain books of account for retail trade and catering business. However, since he cannot avail presumptive taxation scheme in respect of civil construction business, he has to maintain books of account under section 44AA and get them audited under section 44AB.

(Effective from A.Y.2011-12)

Note – The amendments to section 44AE and 44AD given in (h) and (i) above are effective only from A.Y.2011-12. Therefore, they are not applicable for students appearing in May 2010 and November 2010 examinations.

- (j) Full depreciation to be deducted to arrive at the written down value under section 43(6) in cases of composite income covered under Rules 7A, 7B & 8 also
- As per section 32(1)(ii), depreciation to be allowed has to be computed at the prescribed percentage on the written down value (WDV) of any block of assets. As per section 43(6)(b), in the case of assets acquired before the previous year, the WDV shall be computed by taking the actual cost to the assessee less all depreciation “actually allowed” to him under the Income-tax Act.
 - Rules 7A, 7B and 8 of the Income tax Rules, 1962, deal with the computation of income in cases of composite income where income is derived in part from agricultural operations and in part from business chargeable to tax under the head “Profits & Gains of Business or Profession”. These rules prescribe the method of computation in the case of manufacture of rubber, coffee and tea. In such cases, the income which is brought to tax as “business income” is a prescribed fixed percentage of the composite income.

- (iii) The Hon'ble Supreme Court, in the case of CIT v. Doom Dooma India Ltd (2009) 310 ITR 392, has held that the language used in section 43(6)(b) is deduction of depreciation "actually allowed". Therefore, in composite income cases, where income is partly agricultural and partly chargeable to tax under the head "Profits & Gains of Business or Profession", the depreciation deducted in arriving at the taxable income alone can be taken into account for computing the WDV in the subsequent year.
- (iv) For instance, Rule 8 prescribes the taxability of income from the manufacture of tea. Under the said rule, income derived from the sale of tea grown and manufactured by seller shall be computed as if it were income derived from business, and 40% of such income shall be deemed to be income liable to tax. For instance, if the turnover is Rs.20 lakh, the depreciation is Rs.1 lakh and other expenses Rs.4 lakh, then the income would be Rs.15 lakh. Business income would be Rs.6 lakh (being 40% of Rs.15 lakh). As per the Court decision, only the depreciation "actually allowed" i.e., Rs.40,000, being 40% of Rs.1 lakh, has to be deducted to arrive at the written down value. However, the correct legislative intent is that the WDV is required to be computed by deducting the full depreciation attributable to composite income i.e. Rs.1 lakh in this case. The ambiguity in this case has arisen on account of the interpretation of the meaning of the phrase "actually allowed" used in section 43(6)(b).
- (v) Therefore, in order to clarify the correct legislative intent, Explanation 7 has been inserted to provide that in cases of 'composite income', for the purpose of computing written down value of assets acquired before the previous year, the total amount of depreciation shall be computed as if the entire composite income of the assessee is chargeable under the head "Profits and Gains of business or profession". The depreciation so computed shall be deemed to have been "actually allowed" to the assessee.

(Effective from A.Y.2010-11)

- (k) Taxation of investment income/loss of Non-life insurance business [Rule 5 of the First Schedule to the Income-tax Act]
 - (i) The profits and gains of non-life insurance business has to be determined in the manner laid down under section 44 read with Rule 5 of the First Schedule.
 - (ii) Rule 5 requires that the profits disclosed in the annual accounts, after adjustments for unexpired risk and disallowances under sections 30 to 43B be taken as the profits and gains of non-life insurance business. Reference is made to the annual accounts, copies of which are required under the Insurance Act, 1938, to be furnished to the Controller of Insurance.
 - (iii) In the year 1999, the Insurance Act, 1938 was amended and the Insurance Regulatory Development Authority (IRDA) was created. In the financial year 2001-02, IRDA introduced "IRDA (Preparation of Financial Statements and Auditor's Report of Insurance Companies) Regulations, 2002". The regulations

required fresh guidelines and formats for preparation of accounts by General Insurers. The new norms required a non-life insurance company to include profit or loss on realization/sale of investment in the profit and loss account or revenue account. This treatment is also in line with the international best practice on taxation of investment income of non-life insurance companies.

- (iv) Accordingly, Rule 5 of the First Schedule to the Income-tax Act now provides that the profits and gains of non-life insurance business would be the profit before tax and appropriations as disclosed in the profit and loss account prepared in accordance with the provisions of the Insurance Act, 1938 or the IRDA Act, 1999, after adjustment for unexpired risk and disallowances under sections 30 to 43B. Further, any increase in respect of any amount taken credit for in the accounts on account of appreciation of or gains on realisation of investments in accordance with the regulations prescribed by IRDA shall be treated as income and included in the computation of the total income. Similarly, deduction shall be allowed in respect of any amount either written off or provided in the accounts to meet diminution in or loss on realisation of investments in accordance with the regulations prescribed by IRDA.

(Effective from A.Y.2011-12)

Note – Since this amendment is effective only from A.Y.2011-12, it is not applicable for students appearing in May 2010 and November 2010 examinations.

6. CAPITAL GAINS

Transfer of land and/or building through “power of attorney” to attract the provisions of section 50C

- (i) Section 50C provides that where the consideration received or accruing as a result of the transfer of a capital asset, being land or building or both, is less than the value adopted or assessed by an authority of a State Government (stamp valuation authority) for the purpose of payment of stamp duty in respect of such transfer, the value so adopted or assessed shall be deemed to be the full value of the consideration received or accruing as a result of such transfer for computing capital gain.
- (ii) However, the scope of section 50C does not include within its ambit, transactions which are not registered with stamp duty valuation authority, and executed through agreement to sell or power of attorney. Therefore, in order to prevent tax evasion on this account, section 50C has been amended to provide that where the consideration received or accruing as a result of transfer of a capital asset, being land or building or both, is less than the value adopted or assessed or assessable by an authority of a State Government for the purpose of payment of stamp duty in respect of such transfer, the value so adopted or assessed or assessable shall be deemed to be the full value of the consideration received or accruing as a result of such transfer for computing capital gain. The term “assessable” has been added to cover transfers executed through power of attorney.

- (iii) Explanation 2 has been inserted after section 50C(2) to define the term 'assessable' to mean the price which the stamp valuation authority would have, notwithstanding anything to the contrary contained in any other law for the time being in force, adopted or assessed, if it were referred to such authority for the purposes of the payment of stamp duty.

(Effective from 1st October, 2009)

7. INCOME FROM OTHER SOURCES

- (a) Transfer of movable/immovable property without consideration or for inadequate consideration to be taxed in the hands of the recipient [Section 56(2)(vii)]

Related amendment in sections: 2(24) & 49(4)

- (i) As per section 56(2)(vi), any 'sum of money' exceeding rupees fifty thousand received without consideration by an individual or HUF will be chargeable to income-tax in the hands of the recipient under the head 'Income from other sources'. However, receipts from relatives or on the occasion of marriage or under a will would not be treated as income. Likewise, anything which is received in kind having 'money's worth' (like property) would be outside the ambit of section 56.
- (ii) New clause (vii) has been inserted in section 56(2) to bring within its scope, the value of any property received without consideration or for inadequate consideration. For this purpose, "property" means immovable property being land or building or both, shares and securities, jewellery, archaeological collections, drawings, paintings, sculptures or any work of art.
- (iii) If an immovable property is received without consideration, the stamp duty value of such property would be taxed as the income of the recipient if it exceeds Rs.50,000. In case an immovable property is received for inadequate consideration, and the difference between the stamp duty value and such consideration exceeds Rs.50,000, such difference would be taxed as the income of the recipient.

If the stamp duty value of immovable property is disputed by the assessee, the Assessing Officer may refer the valuation of such property to a Valuation Officer. In such a case, the provisions of section 50C and section 155(15) shall, as far as may be, apply for determining the value of such property.

- (iv) If movable property is received without consideration, the aggregate fair market value of such property on the date of receipt would be taxed as the income of the recipient if it exceeds Rs.50,000. In case movable property is received for inadequate consideration, and the difference between the aggregate fair market value and such consideration exceeds Rs.50,000, such difference would be taxed as the income of the recipient. The CBDT would prescribe the method of determination of fair market value of a movable property.

- (v) The table below summarises the new scheme of taxability of gifts with effect from 1st October, 2009 -

	Nature of asset	Particulars	Taxable value
1	Money	Without consideration	The whole amount if the same exceeds Rs.50,000.
2	Immovable property	Without consideration	The stamp value of the property, if it exceeds Rs.50,000.
3	Immovable property	Inadequate consideration	The difference between the stamp value and the consideration, if such difference exceeds Rs.50,000
4	Movable property	Without consideration	The aggregate fair market value of the property, if it exceeds Rs.50,000.
5	Movable property	Inadequate consideration	The difference between the aggregate fair market value and the consideration, if such difference exceeds Rs.50,000

- (vi) However, any sum of money or value of property received -
- from any relative; or
 - on the occasion of the marriage of the individual; or
 - under a will or by way of inheritance; or
 - in contemplation of death of the payer or donor, as the case may be; or
 - from any local authority as defined in the Explanation to section 10(20); or
 - from any fund or foundation or university or other educational institution or hospital or other medical institution or any trust or institution referred to in section 10(23C); or
 - from any trust or institution registered under section 12AA
- would be outside the ambit of section 56(2)(vii).
- (vii) The definition of income under section 2(24) would now include any sum of money or value of property referred to in section 56(2)(vii).
- (viii) Sub-section (4) has been inserted in section 49 to provide that where the capital gain arises from the transfer of such property which has been subject to tax under section 56(2)(vii), the cost of acquisition of the property shall be deemed to be the value taken into account for the purpose of section 56(2)(vii).
- (ix) Example
- Mr. Z received the following gifts during the P.Y.2009-10 from his friend Mr.Y, -

- (1) Cash gift of Rs.1,00,000 on his birthday, 19th June, 2009.
- (2) 50 shares of B Ltd., the fair market value of which was Rs.1,00,000, on his birthday, 19th June, 2009.
- (3) 100 shares of A Ltd., the fair market value of which was Rs.55,000 on the date of transfer. This gift was received on the occasion of Diwali. Mr. Y, had originally purchased the shares on 1-7-2009 at a cost of Rs. 40,000.

Further, on 17th December, 2009, Mr.Z purchased land from his brother's father-in-law for Rs.3,50,000. The stamp value of land was Rs.5,00,000.

On 1st March, 2010, he sold the 100 shares of A Ltd. for Rs.80,000

Compute the income of Mr.Z chargeable under the head "Income from other sources" and "Capital Gains" for A.Y.2010-11

Computation of "Income from other sources" of Mr.Z for the A.Y.2010-11

Particulars	Rs.
(1) Cash gift received before 1.10.2009 is taxable u/s 56(2)(vi) since it exceeds Rs.50,000	1,00,000
(2) Value of shares of B Ltd. gifted by Mr.Y on 19 th June, 2009 is not taxable since only gift of property after 1 st October, 2009 is chargeable to tax u/s 56(2)(vii).	-
(3) Fair market value of shares of A Ltd. is taxable since the gift was made after 1 st October, 2009 and the aggregate fair market value exceeds Rs.50,000.	55,000
(4) Purchase of land for inadequate consideration on 17.12.2009 would attract the provisions of section 56(2)(vii), since the difference between the stamp value and consideration exceeds Rs.50,000. Brother's father-in-law does not fall within the definition of "relative" u/s 56(2).	
Stamp Value	5,00,000
Less: Consideration	3,50,000
	<u>1,50,000</u>
Income from Other Sources	<u>3,05,000</u>

Computation of "Capital Gains" of Mr.Z for the A.Y.2010-11

Sale Consideration	80,000
Less: Cost of acquisition [deemed to be the fair market value charged to tax under section 56(2)(vii)]	55,000
Short-term capital gains	<u>25,000</u>

(Effective from 1st October, 2009)

- (b) Interest received on compensation/enhanced compensation deemed to be income in the year of receipt and taxable under the head "Income from Other Sources" [Sections 56(2)(viii) & 145A]

Related amendment in section: 57

- (i) As per section 145(1), income chargeable under the head "Profits and gains of business or profession" or "Income from other sources", shall be computed in accordance with either cash or mercantile system of accounting regularly employed by the assessee.
- (ii) Further, the Hon'ble Supreme Court has, in Rama Bai v. CIT (1990) 181 ITR 400, held that arrears of interest computed on delayed or on enhanced compensation shall be taxable on accrual basis. The tax payers are facing genuine difficulty on account of this ruling, since the interest would have accrued over a number of years, and consequently the income of all the years would undergo a change.
- (iii) Therefore, to remove this difficulty, clause (b) has been inserted in section 145A to provide that the interest received by an assessee on compensation or on enhanced compensation shall be deemed to be his income for the year in which it is received, irrespective of the method of accounting followed by the assessee.
- (iv) Clause (viii) has been inserted in section 56(2) to provide that income by way of interest received on compensation or on enhanced compensation referred to in clause (b) of section 145A shall be assessed as "Income from other sources" in the year in which it is received.
- (v) Clause (iv) has been inserted in section 57 to allow a deduction of 50% of such income. It is further clarified that no deduction would be allowable under any other clause of section 57 in respect of such income.
- (vi) Example

Interest on enhanced compensation received by Mr.G during the previous year 2009-10 is Rs.5,00,000. Out of this interest, Rs.1,50,000 relates to the previous year 2006-07, Rs.1,65,000 relates to previous year 2007-08 and Rs.1,85,000 relates to previous year 2008-09. Discuss the tax implication, if any, of such interest income for A.Y.2010-11.

The entire interest of Rs.5,00,000 would be taxable in the year of receipt, namely, P.Y.2009-10.

Particulars	Rs.
Interest on enhanced compensation taxable u/s 56(2)(viii)	5,00,000
Less: Deduction under section 57(iv) @50%	<u>2,50,000</u>
Interest chargeable under the head "Income from other sources"	<u>2,50,000</u>

(Effective from A.Y.2010-11)

8. DEDUCTIONS FROM GROSS TOTAL INCOME

- (a) Certain exemptions and profit-linked deductions in Chapter VI-A to be allowed only if claimed in the return and to be restricted to the profits and gains of such undertaking/unit/enterprise or eligible business, as the case may be [Section 80A]
 - (i) The profit-linked deductions in Chapter VI-A are susceptible to sizable manipulation by the tax payers who have, in the past, resorted to claiming deduction under more than one section in respect of the same profits by taking advantage of the overlap of provisions of the different sections.
 - (ii) In order to prevent such manipulation by tax payers, section 80A has been amended to provide that –
 - (1) the profits and gains allowed as deduction under section 10A or section 10AA or section 10B or section 10BA or under any provision of Chapter VIA under the heading "C.-Deductions in respect of certain incomes" in any assessment year, shall not be allowed as deduction under any other provision of the Act for such assessment year [Sub-section (4)];
 - (2) the deduction, referred to in (1) above, shall not exceed the profits and gains of the undertaking or unit or enterprise or eligible business, as the case may be [Sub-section (4)];
 - (3) No deduction under any of the provisions referred to in (1) above, shall be allowed if the deduction has not been claimed in the return of income. [Sub-section (5)];
- (Effective retrospectively from A.Y.2003-04)
- (iii) Further, sub-section (6) has been inserted in section 80A to provide that the transfer price of goods and services between such undertaking or unit or enterprise or eligible business and any other business of the assessee shall be determined at the market value of such goods or services as on the date of transfer. This amendment would be effective from 1st April, 2009 and will accordingly apply to all cases where the proceedings are pending before any authority on or after such date.
- (iv) For this purpose, the expression "market value" has been defined to mean,-
 - (a) in relation to any goods or services sold or supplied, the price that such goods or services would fetch if these were sold by the undertaking or unit or enterprise or eligible business in the open market, subject to statutory or regulatory restrictions, if any;
 - (b) in relation to any goods or services acquired, the price that such goods or services would cost if these were acquired by the undertaking or unit or enterprise or eligible business from the open market, subject to statutory or regulatory restrictions, if any.

(Effective from 1.4.2009)

- (b) Deduction in respect of contribution to NPS extended to self-employed individuals also [Section 80CCD]
- (i) Section 80CCD provides for deduction of employee's and employer's contribution to New Pension System notified by the Central Government. However, if the amount contributed exceeds 10% of salary, then the deduction would be restricted to 10% of salary. This restriction is applicable both in the case of employee's contribution and employer's contribution to such scheme.
 - (ii) The benefit of deduction under this section is currently available only to individuals employed by the Central Government or any other employer on or after 1.1.2004.
 - (iii) This deduction is now extended also to self-employed individuals. The deduction in the case of a self-employed individual would be restricted to 10% of his gross total income in the previous year.
 - (iv) Sub-section (3) provides that the amount standing to the credit of the assessee in the pension account (for which deduction has already been claimed by him under this section) and accretions to such account, shall be taxed as income in the year in which such amounts are received by the assessee or his nominee on -
 - (a) closure of the account; or
 - (b) his opting out of the said scheme; or
 - (c) receipt of pension from the annuity plan purchased or taken on such closure or opting out.
 - (v) However, it is now provided that the assessee shall be deemed not to have received any amount in the previous year if such amount is used for purchasing an annuity plan in the same previous year.
- (Effective from A.Y.2009-10)
- (c) Increase in deduction for a person with severe disability [Section 80U] and for maintenance including medical treatment of a dependent with severe disability [Section 80DD]
- (i) Under section 80-DD, deduction is allowable to an individual or HUF, who is a resident in India, in respect of the following:—
 - (a) Expenditure for the medical treatment (including nursing), training and rehabilitation of a dependant, being a person with disability; and
 - (b) Amount paid to LIC or other insurance in respect of a scheme for the maintenance of a disabled dependant.
 - (ii) The present limit for deduction is Rs.50,000 if the dependant is suffering from disability and Rs.75,000 if the dependant is suffering from severe disability.
 - (iii) The deduction in respect of maintenance or medical treatment of a dependent with severe disability has been increased from Rs.75,000 to Rs.1 lakh.

However, the deduction in respect of maintenance or medical treatment of a dependent with disability will continue to be Rs.50,000.

- (iv) Under section 80U, deduction of Rs.75,000 is available in computing the total income of a resident individual, who is certified by the medical authority to be a person with severe disability. This deduction has also been increased to Rs.1,00,000.

The deduction under section 80U for a person with disability will, however, continue to be Rs.50,000.

(Effective from A.Y.2010-11)

- (d) Expansion of scope of section 80E to cover all fields of study after Class XII, including vocational study, for the purpose of interest deduction in respect of loan taken for pursuing such courses
 - (i) Section 80E provides for a deduction to an assessee, being an individual, on account of any amount paid by him in the previous year by way of interest on loan taken from any financial institution or any approved charitable institution for the purpose of pursuing his higher education or higher education of his relative.
 - (ii) Presently, the deduction is available only for pursuing full time studies for any graduate or post-graduate course in engineering, medicine, management or for post-graduate course in applied sciences or pure sciences including mathematics and statistics.
 - (iii) The scope of this section has now been expanded to cover all fields of studies (including vocational studies) pursued after passing the Senior Secondary Examination or its equivalent from any school, board or university recognised by the Central Government or State Government or local authority or by any other authority authorized by the Central Government or State Government or local authority to do so. Therefore, interest on loan taken for pursuing any course after Class XII or its equivalent, will qualify for deduction under section 80E.
 - (iv) Further, the definition of “relative”, in relation to an individual, has been amended to include, in addition to spouse and children of the individual, the student for whom the individual is the legal guardian.

(Effective from A.Y.2010-11)

- (e) One-time approval for institutions and funds for the purpose of recognition under section 80G
 - (i) Section 80G(5)(vi) provides that the institutions or funds to which the donations are made have to be approved by the Commissioner of Income-tax in accordance with the rules prescribed.
 - (ii) The proviso to this clause provides that any approval granted under this clause shall have effect for such assessment year or years, not exceeding five assessment years, as may be specified in the approval.

- (iii) The approved institutions and funds face genuine hardship in renewing their approvals from time to time on account of this restriction imposed on the validity of such approvals.
- (iv) Therefore, in order to mitigate the hardship and to reduce the burden on the tax administration, the proviso has been omitted, implying that the approval once granted shall continue to be valid in perpetuity.
- (v) Since this amendment would be effective from 1st October, 2009, the existing approvals expiring on or after 1st October, 2009 shall be deemed to have been extended in perpetuity unless specifically withdrawn. However, approvals expiring before 1st October, 2009 will have to be renewed and post-renewal, these shall continue to be valid in perpetuity, unless specifically withdrawn.

(Effective from 1st October, 2009)

(f) Extension of sunset clause for tax holiday under section 80-IA for power-sector undertakings and industrial parks

- (i) Section 80-IA(4)(iii) provides for deduction in respect of any undertaking which develops, develops and operates or maintains and operates an industrial park notified by the Central Government on or before 31.3.2009.

The time limit has been extended by two years i.e. the deduction would be available in respect of such industrial parks notified by the Central Government on or before 31.3.2011.

- (ii) Section 80-IA(4)(iv) provides for deduction in respect of profits and gains derived by an undertaking which –

- (1) is set up in India for generation or generation and distribution of power, if it begins to generate power on or before 31st March, 2010;
- (2) starts transmission or distribution by laying a network of new transmission or distribution lines on or before 31st March, 2010;
- (3) undertakes substantial renovation and modernization of the existing network of transmission or distribution lines on or before 31st March 2010.

This time limit has been extended by one year i.e., from 31st March, 2010 to 31st March, 2011, to enable undertakings which start generation, or transmission or distribution of power during the period between 1st April, 2010 and 31st March, 2011 or which undertakes substantial renovation and modernization of the existing network of transmission or distribution lines between 1st April, 2010 and 31st March, 2011 to avail benefit of deduction under this section.

(Effective from A.Y.2009-10)

- (iii) Under section 80-IA(4)(v), an undertaking owned by an Indian company and set up for reconstruction or revival of a power generating plant is eligible for a 10 year tax benefit if it fulfils the following conditions:-

- (1) such company is formed before 30.11.2005 with majority equity participation by public sector companies for enforcing the security interest of the lenders to the company owning the power generating plant;
- (2) such Indian company is notified by the Central Government before 31.12.2005; and
- (3) the undertaking begins to generate or transmit or distribute power before 31st March, 2008.

The terminal date for commencing the activity of generation, transmission or distribution of power in case of such undertaking has been extended from 31.3.2008 to 31.3.2011.

(Effective retrospectively from A.Y.2008-09)

(g) Tax holiday under section 80-IA not available in respect of works contract

- (i) Section 80-IA(1) provides a ten year tax holiday in respect of profits and gains derived by an undertaking or an enterprise from an eligible business i.e., business referred to in sub-section (4).
- (ii) The Explanation to the said section has been substituted to clarify that the tax holiday under section 80-IA would not be available in relation to a business referred to in sub-section (4) which is in the nature of a works contract awarded by any person (including the Central or State Government) and executed by the undertaking or enterprise referred to in section 80-IA(1).

(Effective retrospectively from A.Y.2000-01)

(h) Extension of time limit for refineries in the private sector to begin refining of mineral oil and expansion of scope of tax holiday under section 80-IB(9)

- (i) Under section 80-IB(9), a 100% deduction is allowed in respect of profits and gains derived from commercial production or refining of mineral oil.
- (ii) The deduction under this sub-section is available to an undertaking for a period of seven consecutive assessment years including the initial assessment year –
 - (1) in which the commercial production under a production sharing contract has first started; or
 - (2) in which the refining of mineral oil has begun.
- (iii) However, deduction under this sub-section would be allowed to an undertaking which begins refining of mineral oil on or after 1.4.2009 only if it fulfills the following conditions -
 - (1) it is wholly owned by a public sector company or any other company in which a public sector company or companies hold at least 49% of the voting rights;
 - (2) it is notified by the Central Government in this behalf on or before 31st May, 2008; and

(3) it begins refining not later than 31st March, 2012.

- (iv) Therefore, the refineries in the private sector have to commence refining of mineral oil on or before the 31st March, 2009.
- (v) Since a very short notice period was given to private sector entrepreneurs to complete the execution of their refinery project, consequently, entrepreneurs who had undertaken substantial investment in anticipation of the tax holiday suffered serious financial setback.
- (vi) Therefore, sub-section (9) has been substituted to allow them a further period of three years i.e. upto the 31st March, 2012 to begin refining of mineral oil and avail the tax benefit. The new terminal date will, therefore, be the same for both the public and the private sector.

(Effective from 1.4.2009)

- (vii) Further, the scope of tax holiday under section 80-IB(9), which was up to now available in respect of profits arising from the commercial production or refining of mineral oil, has been extended to commercial production of natural gas in blocks which are licensed under the -

- (1) VIII Round of bidding for award of exploration contracts ("NELP-VIII") under the New Exploration Licencing Policy announced by the Government of India vide Resolution No.O-19018/22/95-ONG.DO.VL, dated 10th February, 1999; or
- (2) IV Round of bidding for award of exploration contracts for Coal Bed Methane blocks

and begins commercial production of natural gas on or after 1st April, 2009.

(Effective from A.Y.2010-11)

- (i) All blocks licensed under a single contract to be treated as a single "undertaking" [Section 80-IB(9)]

Presently, there is no definition of the term "undertaking" in sub-section (9). Accordingly, an Explanation has been inserted in sub-section (9) to clarify that for the purposes of claiming deduction under sub-section (9), all blocks licensed under a single contract, which has been awarded -

- (1) under the New Exploration Licencing Policy announced by the Government of India vide Resolution No.O-19018/22/95-ONG.DO.VL, dated 10.2.1999 or
- (2) in pursuance of any law for the time being in force or
- (3) by Central or a State Government in any other manner

shall be treated as a single "undertaking".

This definition of "undertaking" will be applicable both in relation to mineral oil and natural gas.

(Effective retrospectively from A.Y.2000-01)

- (j) Further conditions to be satisfied by an undertaking developing and building housing projects for claiming benefit of deduction under section 80-IB(10)
 - (i) Section 80-IB(10) provides for 100% deduction of the profits derived by an undertaking from developing and building housing projects. This benefit is available subject to fulfillment of certain conditions, namely -
 - (a) The project is approved by a local authority before 31st March, 2007.
This time limit has been extended by one more year. Now, projects approved by a local authority before 31st March, 2008 would qualify for deduction.
 - (b) The project is constructed on a plot of land having a minimum area of one acre.
 - (c) The built-up area of each residential unit should not exceed 1,000 sq.ft. in the cities of Delhi and Mumbai (including areas falling within 25 kms. of municipal limits of these cities) and 1,500 sq.ft. in other places.
 - (d) The built-up area of the shops and other commercial establishments included in the housing project should not exceed 5 per cent of the total built-up area of the housing project or 2,000 sq.ft. whichever is less.
 - (e) The project has to be completed within 4 years from the end of the financial year in which the project is approved by the local authority.
 - (ii) Though the main purpose of the tax benefit for housing projects is to build housing stock for low and middle income households, which has been ensured by limiting the size of the residential unit, the developers bypass the same by entering into agreement to sell multiple adjacent units to one buyer.
 - (iii) Accordingly, further conditions have been imposed and the undertaking which develops and builds the housing project shall not be allowed to allot more than one residential unit in the housing project to the same person, not being an individual. Where the person is an individual, no other residential unit in such housing project should be allotted to any of the following persons:-
 - (1) the individual himself or spouse or minor children of such individual;
 - (2) the Hindu undivided family in which such individual is the karta;
 - (3) any person representing such individual, the spouse or minor children of such individual or the Hindu undivided family in which such individual is the karta.

(Effective from A.Y.2010-11)

- (iv) The main aim of the tax concession under section 80-IB(10) is to provide tax benefit to the person undertaking the investment risk i.e. the actual developer. However, any person undertaking pure contract risk is not entitled to the tax benefit.

- (v) Accordingly, an Explanation has been inserted after sub-section (10) of section 80-IB to provide that the benefit under sub-section (10) would not be available to any undertaking which executes the housing project as a works contract awarded by any other person (including the Central or State Government).

(Effective retrospectively from A.Y.2001-02)

- (k) Deduction under section 80-IB extended to an undertaking deriving profit from the business of processing, preservation and packaging of meat and meat products or poultry or marine or dairy products [Section 80-IB(11A)]
 - (i) An undertaking deriving profit from the business of processing, preservation and packaging of fruits and vegetables or from the integrated business of handling, storage and transportation of foodgrains is eligible for deduction under section 80-IB(11A),
 - (ii) The amount of deduction shall be 100% of the profits and gains derived from such business for 5 assessment years beginning with the initial assessment year i.e. the assessment year relevant to the previous year in which the undertaking begins such business. Thereafter, the deduction allowable is 25% (30% in the case of a company). The total period of deduction should not exceed 10 consecutive assessment years.
 - (iii) The benefit of deduction under section 80-IB(11A) has now been extended to an undertaking deriving profit from the business of processing, preservation and packaging of meat and meat products or poultry or marine or dairy products, if it begins to operate such business on or after 1.4.2009.

(Effective from A.Y.2010-11)

9. DOUBLE TAXATION RELIEF AND TRANSFER PRICING

- (a) Central Government empowered to enter into agreement with specified non-sovereign territories [New Section 90]
 - (i) Under section 90, the Central Government is empowered to enter into Double Taxation Avoidance Agreement (DTAA) with the Government of any other country outside India for granting double-taxation relief and facilitating exchange of information for preventing avoidance or evasion of tax. Section 90 has been substituted to enable the Government to expand the scope of this co-operation by entering into a DTAA or TIEA (Tax Information Exchange Agreement) with non-sovereign jurisdictions by notifying such specified territories outside India.
 - (ii) This provision will not only benefit the assesseees in these specified territories having commercial relations with India but will also aid in collection of information for taking action against tax evaders both by the authorities in India and the specified territory. An example as to where this provision can be expeditiously implemented is Hong Kong, since there is no DTAA between

India and Hong Kong though the commercial and fiscal relationship between the countries is very strong.

- (iii) Sub-section (1) of new section 90 provides that the Central Government may enter into an agreement with the Government of any country outside India or specified territory outside India,—
 - (a) for the granting of relief in respect of—
 - (i) income on which income-tax has been paid both in India and in that country or specified territory; or
 - (ii) income-tax chargeable under this Act and under the corresponding law in force in that country or specified territory to promote mutual economic relations, trade and investment; or
 - (b) for the avoidance of double taxation of income under this Act and under the corresponding law in force in that country or specified territory; or
 - (c) for exchange of information for the prevention of evasion or avoidance of income-tax chargeable under this Act or under the corresponding law in force in that country or specified territory or investigation of cases of such evasion or avoidance; or
 - (d) for recovery of income-tax under this Act and under the corresponding law in force in that country or specified territory.

The Central Government may, by notification in the Official Gazette, make such provisions as may be necessary for implementing the agreement.

- (iv) Where the Central Government has entered into such an agreement with the Government of any country outside India or specified territory outside India for granting relief of tax, or for avoidance of double taxation, then, in relation to the assessee to whom such agreement applies, the provisions of this Act shall apply to the extent they are more beneficial to that assessee.
- (v) Any term used but not defined in this Act or in the agreement referred to above shall have the same meaning as assigned to it in the notification issued by the Central Government in the Official Gazette in this behalf, unless the context otherwise requires, provided the same is not inconsistent with the provisions of this Act or the agreement.
- (vi) The charge of tax in respect of a foreign company at a rate higher than the rate at which a domestic company is chargeable, shall not be regarded as less favourable charge or levy of tax in respect of such foreign company.

(Effective from 1st October, 2009)

Note - Similar amendment has been made in section 44A of the Wealth-tax Act to empower the Central Government to enter into agreement with any country outside India or any territory outside India for the avoidance or relief of double taxation or for

the exchange of information for the prevention of evasion or avoidance of wealth-tax or for investigation of cases of such evasion or avoidance or recovery of tax.

(Effective from 1st October, 2009)

- (b) No adjustment required if the variation between arm's length price and transfer price is within 5% of transfer price [Section 92C(2)]
- (i) Section 92C(2) has been amended to provide that where more than one price is determined by the most appropriate method, the arm's length price shall be taken to be the arithmetical mean of such price.
 - (ii) However, if the arithmetical mean, so determined, is within five per cent of the transfer price, then the transfer price shall be deemed to be the arm's length price and no adjustment is required to be made.
 - (iii) This amendment will take effect from 1st October, 2009 and shall accordingly apply in relation to all cases in which proceedings are pending before the Transfer Pricing Officer (TPO) on or after such date.
 - (iv) Example

Case	Transfer Price	ALP determined by applying the arithmetical mean	ALP for the Transfer Pricing Adjustment
1	100	105.1	105.1
2	100	104.9	100

(Effective from 1st October, 2009)

- (c) Safe harbour rules to be introduced for determination of arm's length price in case of international transactions [Section 92CB]
- (i) Section 92C provides for adjustment in the transfer price of an international transaction with an associated enterprise if the transfer price is not equal to the arm's length price. This has resulted in a large number of such transactions being subjected to adjustment giving rise to considerable dispute.
 - (ii) Therefore, new section 92CB has been introduced to empower the CBDT to formulate safe harbour rules to determine the arm's length price under section 92C and 92CA. Safe harbour means circumstances in which the income-tax authorities shall accept the transfer price declared by the assessee.

(Effective from 1st April, 2009)

10. ASSESSMENT OF VARIOUS ENTITIES

- (a) Tax treatment for Limited Liability Partnerships (LLPs) [Section 2(23), 140 & 167C]
- (i) Consequent to the Limited Liability Partnership Act, 2008 coming into effect in 2009 and notification of the Limited Liability Partnership Rules w.e.f. 1st April,

2009, the Finance (No.2) Act, 2009 has incorporated the taxation scheme of LLPs in the Income-tax Act on the same lines as applicable for general partnerships, i.e. tax liability would be attracted in the hands of the LLP and tax exemption would be available to the partners. Therefore, the same tax treatment would be applicable for both general partnerships and LLPs.

- (ii) Consequently, the following definitions in section 2(23) have been amended -
 - (1) The definition of 'partner' to include within its meaning, a partner of a limited liability partnership;
 - (2) The definition of 'firm' to include within its meaning, a limited liability partnership; and
 - (3) The definition of 'partnership' to include within its meaning, a limited liability partnership.

The definition of these terms under the Income-tax Act would, in effect, also include the terms as they have been defined in the Limited Liability Partnership Act, 2008. Section 2(q) of the LLP Act, 2008 defines a 'partner' as any person who becomes a partner in the LLP in accordance with the LLP agreement. An LLP agreement has been defined under section 2(o) to mean any written agreement between the partners of the LLP or between the LLP and its partners which determines the mutual rights and duties of the partners and their rights and duties in relation to the LLP.

- (iii) The LLP Act provides for nomination of "designated partners" who have been given greater responsibility. Therefore, clause (cd) has been inserted in section 140, which lays down the "Authorised signatories to the return of income", to provide that the designated partner shall sign the return of income of an LLP. However, where, for any unavoidable reason such designated partner is not able to sign and verify the return or where there is no designated partner as such, any partner can sign the return.
- (iv) New section 167C provides for the liability of partners of LLP in liquidation. In case of liquidation of an LLP, where tax due from the LLP cannot be recovered, every person who was a partner of the LLP at any time during the relevant previous year will be jointly and severally liable for payment of tax unless he proves that non-recovery cannot be attributed to any gross neglect, misfeasance or breach of duty on his part in relation to the affairs of the LLP. This provision would also apply where tax is due from any other person in respect of any income of any previous year during which such other person was a LLP.
- (v) Since the tax treatment accorded to a LLP and a general partnership is the same, the conversion from a general partnership firm to an LLP will have no tax implications if the rights and obligations of the partners remain the same after conversion and if there is no transfer of any asset or liability after conversion. However, if there is a change in rights and obligations of partners

or there is a transfer of asset or liability after conversion, then the provisions of section 45 would get attracted.

(vi) The LLP shall be entitled to deduction of remuneration paid to working partners, if the same is authorized by the partnership deed, subject to the limits specified in section 40(b)(v), i.e., -

- | | | |
|-----|--|--|
| (a) | On the first Rs.3,00,000 of book profit or in case of a loss | Rs.1,50,000 or 90% of book profit, whichever is higher |
| (b) | On balance book profit | 60% of book profit |

(vii) The LLP shall be entitled to deduction of interest paid to partners if such payment is authorized by the partnership deed and the rate of interest does not exceed 12% simple interest per annum.

(viii) The LLPs cannot avail the presumptive taxation scheme under section 44AD w.e.f. A.Y.2011-12. However, section 44AE does not debar a LLP from availing the scheme thereunder.

(ix) The LLP shall comply with section 184, which requires that -

- (1) the partnership is evidenced by an instrument;
- (2) the individual shares of the partnership are specified in that instrument;
- (3) a certified copy of the LLP agreement shall accompany the return of income of the LLP of the previous year relevant to the assessment year in which assessment as a firm is first sought.

(x) If the LLP does not comply with section 184, it shall not be entitled to deduction of payments of interest or remuneration made by it to any partner in computing the income under the head "Profits and gains of business or profession".

(Effective from A.Y.2010-11)

(b) Increase in rate of MAT as well as its scope of coverage [Section 115JB]

(i) Section 115JB provides that in the case of a company, where 10% of its book profit exceeds the tax on its total income, then the book profit shall be deemed to be the total income and the tax payable on such total income shall be 10% thereof.

(ii) The rate of MAT has been increased from 10% to 15% of book profits.

(iii) With effect from A.Y.2010-11, if tax on the total income of a company is less than 15% of its book profit, then MAT provisions are attracted and the book profit is deemed to be the total income and tax is payable @ 15% thereof.

(iv) The effect of this amendment is that more companies would fall under the MAT net, since, those companies whose tax on total income is higher than 10% of book profit but lower than 15% of book profit would also be required to pay

MAT. Further, their tax burden and cash outflow would be higher on account of the increase in rate of MAT from 10% to 15%.

(v) Example

If the tax payable by a company, say A Ltd., on the total income is Rs.12 lakh and the book profit is Rs.100 lakh, MAT provisions would not have been attracted under the earlier provisions since tax on total income is higher than Rs.10 lakh (i.e. 10% of book profit). However, w.e.f. A.Y.2010-11, MAT provisions would be attracted in this case, since tax on total income (i.e. Rs.12 lakh) is less than Rs.15 lakh (i.e. 15% of Rs.100 lakh). Therefore, the book profit of A Ltd. i.e. Rs.100 lakh shall be deemed to be its total income for A.Y.2010-11 and MAT would be payable @15%.

(Effective from A.Y.2010-11)

(c) Provision for diminution in the value of asset to be added back for computation of book profit [Section 115JB]

- (i) Section 115JB provides that if the tax computed under the Income-tax Act is less than 15% of book profit, then the book profit is deemed to be the total income and tax is payable @15% thereon. For this purpose, book profit means the net profit as per the profit and loss account prepared in accordance with Parts II and III of Schedule VI to the Companies Act, as adjusted by certain additions/deductions as specified.
- (ii) The Supreme Court has, in CIT v. HCL Comnet Systems & Services Ltd. (2008) 305 ITR 409, in the context of section 115JA, observed that provision for bad and doubtful debts cannot be added back to net profit for determining book profit since it does not represent provision for unascertained liability. Such a provision is made to cover up probable diminution in the value of the assets i.e. a debt which is an amount receivable by the assessee. Since debtors represent amount receivable by the assessee, any provision for its irrecoverability cannot be said to be a provision for an unascertained liability, and therefore cannot be added back for determining book profit.
- (iii) In order to overcome this ruling of the Supreme Court and to reflect the correct legal intention, Explanation 1 after section 115JB(2) has been amended to provide that the net profit should also be increased by the amount set aside as provision for diminution in the value of any asset, if the same has been debited to profit and loss account, for computing the book profit.

(Effective retrospectively from A.Y.2001-02)

(d) Increase in period for set-off of credit in respect of MAT paid under section 115JB [Section 115JAA]

- (i) Section 115JAA enables companies to avail credit in respect of MAT paid under section 115JB and carry forward and set-off such credit within a period of 7 assessment years immediately succeeding the assessment year in which

the tax credit becomes allowable. If in the subsequent 7 assessment years, a company continues to pay MAT and the credit is not set-off, it shall lapse.

- (ii) The period for setting off such tax credit has been increased from 7 years to 10 years w.e.f. A.Y.2010-11.
- (iii) For example, if a company pays MAT for the A.Y.2010-11, it will be eligible for tax credit (equal to MAT paid minus the tax payable on the total income computed in accordance with the provisions of the Act), and such tax credit can be carried forward up to and inclusive of A.Y.2020-21 for set-off against the tax payable on the total income.

(Effective from A.Y.2010-11)

11. INCOME-TAX AUTHORITIES

Power of Joint Director, Joint Commissioner, Additional Director & Additional Commissioner to issue warrant of authorization [Section 132 & 132A]

- (i) Under section 132(1), the income-tax authorities listed therein are empowered to authorise other income-tax authorities to conduct search and seizure operations.
- (ii) The authorities empowered to issue authorization are:
 - (1) Director General or Chief Commissioner;
 - (2) Director or Commissioner; and
 - (3) such Joint Director or Joint Commissioner as are empowered by the CBDT to do so.
- (iii) Sections 2(28C) and 2(28D) define Joint Commissioner and Joint Director, respectively, to include Additional Commissioner and Additional Director. Accordingly, Additional Directors and Additional Commissioners have been issuing warrant of authorisation since 1st June, 1994. However, there have been Court rulings holding that Joint Directors or Joint Commissioners referred to in section 132 Act does not include Additional Director or Additional Commissioner and, consequently, the warrants of authorisation issued by the latter are illegal. As a result, all search and seizure operations have been declared to be illegal.
- (iv) Therefore, a clarificatory amendment has been made in section 132 to provide explicitly that Additional Director and Additional Commissioner always had the power to issue warrant of authorisation under the said provisions, whether or not specifically empowered by the CBDT to do so.

(Effective retrospectively from 1st June, 1994)

- (v) Further, it has also been clarified that Joint Commissioner and Joint Director always had the power to issue warrant of authorization, whether or not specifically empowered by the CBDT to do so.

(Effective retrospectively from 1st October, 1998)

- (vi) Thus, in effect, the warrants of authorization issued by Additional Director/Additional

Commissioner/Joint Director/Joint Commissioner upto 30th September, 2009 are valid, whether or not they have been specifically empowered by the CBDT to issue such warrants. However, with effect from 1st October, 2009, an Additional Director/Additional Commissioner/Joint Director/Joint Commissioner can issue warrant of authorization only if he has been specifically empowered to do so by the CBDT.

- (vii) A similar consequential amendment has been made in section 132A, dealing with powers to requisition books of account, to include Additional Director and Additional Commissioner as an authorized officer retrospectively with effect from 1st June, 1994.

12. ASSESSMENT PROCEDURE

- (a) Time limit extended for issue of notification for relaxation, modification or adaptation of any provision of law to facilitate centralized processing of returns [Section 143(1B)]

A Centralised Processing Centre (CPC) is proposed to be set-up at Bangalore for centralised processing of Income-tax returns. With this intention, the Central Government can relax, modify or adapt any provision of law relating to processing of returns subject to the condition that the notification for such relaxation, modification or adaptation is issued on or before 31st March, 2009 and the said notification is laid before each House of Parliament. Since the centre at Bangalore is yet to start functioning, a further period of one year i.e. up to 31st March, 2010, has been allowed to relax, modify or adapt any provision of law relating to processing of returns.

(Effective from 1st April, 2009)

- (b) Provision for constitution of alternate dispute resolution mechanism [Section 144C]

Related amendment in sections: 131, 246A & 253

- (i) An alternate dispute resolution mechanism which will aid speedy resolution of disputes on a fast track basis has now been provided for under the Income-tax Act. The significant features of the alternate dispute resolution mechanism are briefed hereunder –

- (1) The Assessing Officer shall, forward a draft order of assessment to the eligible assessee if he proposes to make, on or after 1st October, 2009, any variation in the income or loss returned which is prejudicial to the interest of such assessee.

“Eligible assessee” means, -

- (i) any person in whose case such variation arises as a consequence of the order of the Transfer Pricing Officer passed under sub-section (3) of section 92CA; and
 - (ii) any foreign company.
- (2) The eligible assessee shall, within thirty days of the receipt by him of the

draft order,-

- (a) file his acceptance of the variations to the Assessing Officer; or
- (b) file his objections, if any, to such variation with,—
 - (i) The Dispute Resolution Panel; and
 - (ii) The Assessing Officer.

“Dispute Resolution Panel” means a collegium comprising of three commissioners of Income-tax constituted by the CBDT for this purpose.

- (3) The Assessing Officer has to complete the assessment on the basis of the draft order, if —
 - (a) the assessee intimates the acceptance of the variation to the Assessing Officer; or
 - (b) no objections are received within the period of 30 days specified in (2) above.
- (4) The Assessing Officer shall, notwithstanding anything contained in section 153, pass the assessment order within one month from the end of the month in which,—
 - (a) the acceptance is received; or
 - (b) the period of filing of objections expires.
- (5) The Dispute Resolution Panel shall, in a case where any objections are received, issue such directions, as it thinks fit, for the guidance of the Assessing Officer to enable him to complete the assessment.
- (6) The Dispute Resolution Panel shall issue such directions, after considering the following, namely:—
 - (a) Draft order;
 - (b) Objections filed by the assessee;
 - (c) Evidence furnished by the assessee;
 - (d) Report, if any, of the Assessing Officer, Valuation Officer or Transfer Pricing Officer or any other authority;
 - (e) Records relating to the draft order;
 - (f) Evidence collected by, or caused to be collected by, it; and
 - (g) Result of any enquiry made by, or caused to be made by it.
- (7) The Dispute Resolution Panel may, before issuing any such directions -
 - (a) make such further enquiry, as it thinks fit; or
 - (b) cause any further enquiry to be made by any income tax authority and report the result of the same to it.

- (8) The Dispute Resolution Panel may confirm, reduce or enhance the variations proposed in the draft order. However, it cannot set aside any proposed variation or issue any direction as mentioned in (5) above, for further enquiry and passing of the assessment order.
- (9) If the members of the Dispute Resolution Panel differ in opinion on any point, the point shall be decided according to the opinion of the majority of the members.
- (10) Every direction issued by the Dispute Resolution Panel shall be binding on the Assessing Officer.
- (11) If any direction is prejudicial to the interest of the assessee or the interest of the revenue, then, the same can be issued only after an opportunity of being heard is given to the assessee or the Assessing Officer, as the case may be.
- (12) Such direction has to be issued within nine months from the end of the month in which the draft order is forwarded to the eligible assessee.
- (13) Upon receipt of such direction, the Assessing Officer has to complete the assessment in accordance with the same, within one month from the end of the month in which the direction is received. There is no requirement of providing any further opportunity of being heard to the assessee,
- (14) The CBDT is empowered to make rules for the efficient functioning of the Dispute Resolution Panel and speedy resolution of the objections filed by the eligible assessee.

(Effective from 1st April, 2009)

- (ii) Consequential amendments have been made in section 131, 246A & 253.
 - (1) Section 131(1) has been amended to provide that "Dispute Resolution Panel" shall have the same powers as are vested in a Court under the Code of Civil Procedure, 1908, when trying a suit in respect of the following matters –
 - (i) discovery and inspection;
 - (ii) enforcing the attendance of any person, including an officer of a banking company and examining him on oath;
 - (iii) compelling the production of books of account and other documents; and
 - (iv) issuing commissions.
 - (2) Section 246A(1) has been amended to exclude the following orders from the orders appealable before the Commissioner (Appeals) –
 - (i) the order of assessment passed under section 143(3) in pursuance of directions of "Dispute Resolution Panel"; and

- (ii) the order of assessment passed under section 147 in pursuance of directions of "Dispute Resolution Panel".
- (3) Section 253(1) has been amended to include the following orders as an order appealable before the Appellate Tribunal –
 - (i) an order of assessment passed by an Assessing Officer under section 143(3) or 147 in pursuance of directions of "Dispute Resolution Panel"; and
 - (ii) an order passed under section 154 in respect of such order.

(Effective from 1.10.2009)

- (c) Assessing Officer empowered to assess or reassess income which comes to his notice subsequently though he has not recorded reasons for the same [Section 147]
 - (i) As per section 147, if the Assessing Officer has reason to believe that any income chargeable to tax has escaped assessment for any assessment year, he may assess or reassess such income after recording reasons for re-opening the assessment. Further, he may also assess or reassess any other income which has escaped assessment and which comes to his notice subsequently in the course of proceedings under this section.
 - (ii) However, few Courts have ruled that the Assessing Officer has to confine the reassessment proceedings only to issues in respect of which the reasons have been recorded for reopening the assessment. He cannot extend the proceedings to issues for which no reasons have been recorded. This interpretation, however, does not reflect the correct legislative intent.
 - (iii) Therefore, in order to clarify the true legislative intent, Explanation 3 has been inserted in section 147 to provide that the Assessing Officer may assess or reassess the income in respect of any issue (which has escaped assessment) which comes to his notice subsequently in the course of proceedings under this section, even though the reason for such issue does not form part of the reasons recorded under section 148(2).

(Effective retrospectively from A.Y.1989-90)

13. COLLECTION AND RECOVERY OF TAX

- (a) Change in TDS rates on payments to contractors and sub-contractors and rental payments [Sections 194C & 194-I]
 - (i) The rate of TDS under section 194C on payments to contractors has been reduced to 1%, where the payee is an individual or HUF and would remain @2% in respect of other payees. The same rates of TDS would apply for both contractors and sub-contractors. These rates would apply for advertising contracts as well.
 - (ii) Further, in respect of payment to transport contractors and sub-contractors

engaged in the business of plying, leasing and hiring goods carriages, TDS provisions would not apply if they furnish their PAN to the deductor. However, if they do not quote PAN, the rate will be 1% for an individual/ HUF transporter and 2% for other transporters upto 31.3.2010 and 20% in all cases w.e.f. 1.4.2010.

- (iii) The following table shows a comparison of TDS rates prevalent upto 30.9.2009 vis a vis the rates applicable from 1.10.2009 –

Payee	TDS rate applicable	
	Up to 30.9.2009	From 1.10.2009
Individual / HUF contractor	2%	1%
Other than individual / HUF contractor	2%	2%
Individual / HUF sub-contractor	1%	1%
Other than individual / HUF sub-contractor	1%	2%
Individual / HUF contractor/sub-contractor for advertising	1%	1%
Other than individual / HUF contractor/sub-contractor for advertising	1%	2%
Contractor in transport business	2%	Nil
Sub-contractor in transport business	1%	Nil

- (iv) No deduction will be required to be made if the consideration for the contract does not exceed Rs.20,000. However, to prevent the practice of composite contracts being split up into contracts valued at less than Rs.20,000 to avoid tax deduction, it has been provided that tax will be required to be deducted at source where the amount credited or paid or likely to be credited or paid to a contractor or sub-contractor exceeds Rs.20,000 in a single payment or Rs.50,000 in the aggregate during a financial year.
- (v) TDS provisions under section 194C are not attracted in respect of the sum credited or paid by an individual or HUF to the account of the contractor, if such credit or payment is exclusively for personal purposes of the individual or HUF.
- (vi) The rate of TDS under section 194-I has been reduced from 10% to 2% in respect of rent for plant, machinery or equipment and from 15%/20% to 10% in respect of other rental payments with effect from 1st October, 2009.

(Effective from 1st October, 2009)

Note - There would no surcharge or cess on TDS in respect of all non-salary payments made to resident taxpayers with effect from 1st April, 2009.

(b) Definition of “work” under section 194C amended

- (i) The definition of “work” under section 194C has been amended to resolve the issue as to whether outsourcing constitutes work or not.
- (ii) Accordingly, as per the new definition, “work” shall not include manufacturing or supplying a product according to the requirement or specification of a customer by using raw material purchased from a person, other than such customer, as such a contract is a contract for 'sale'.
- (iii) However, this will not be applicable to a contract which does not entail manufacture or supply of an article or thing (e.g. a construction contract).
- (iv) It may be noted that the term “work” would include manufacturing or supplying a product according to the requirement or specification of a customer by using material purchased from such customer.
- (v) In such a case, tax shall be deducted on the invoice value excluding the value of material purchased from such customer if such value is mentioned separately in the invoice. Where the material component has not been separately mentioned in the invoice, tax shall be deducted on the whole of the invoice value.

(Effective from 1st October, 2009)

(c) Periodicity of filing TDS/TCS statements to be prescribed by the Government [Sections 200, 206C]

Related amendment in sections: 139A, 201, 203A, 206A, 272A

- (i) As per section 200(3), any person deducting tax in accordance with the provisions of Chapter XVIIIB has to furnish, within the prescribed time, quarterly statements for the period ending on the 30th June, 30th September, 31st December and 31st March in each financial year.
- (ii) Likewise, section 206C(3) requires filing of quarterly statements for tax collection at source (TCS).
- (iii) Also, section 206A requires furnishing of quarterly return in respect of payment of interest to residents without deduction of tax.
- (iv) This scheme for filing of quarterly statements/returns for TDS and TCS has now been dispensed with. Consequently, these sections have been amended to allow the Government to prescribe the periodicity of such TDS/TCS statements for the purpose of ensuring administrative flexibility in deciding the periodicity of such statements.
- (v) Consequential amendments have been made omitting the word “quarterly” in -
 - (1) section 139A(5B) requiring quoting of PAN in all statements prepared and delivered in accordance with the provisions of section 200(3);
 - (2) section 139A(5D) requiring quoting of PAN in all statements prepared and

delivered in accordance with the provisions of section 206C(3);

- (3) section 201(1A) levying simple interest @1% per month or part of a month for failure to deduct or pay tax and requiring such interest payment before the furnishing of statement under section 200(3);
- (4) section 203A requiring quoting of "tax deduction and collection account number" in all statements prepared and delivered in accordance with section 200(3) or 206C(3);
- (5) section 206A(2) requiring preparation of such statements in respect of payment to a resident, any income liable for TDS;
- (6) section 272A(2)(i) providing for penalty of Rs.100 per day of continuing default for failure to deliver or caused to delivered the statements within the time specified in section 206A(1).

(Effective from 1.10.2009)

(d) Correction of arithmetic mistakes and adjustment of incorrect claim during computerized processing of TDS statements [New Section 200A]

- (i) At present, all statements of tax deducted at source are filed in an electronic mode, thereby facilitating computerised processing of these statements.
- (ii) Therefore, in order to process TDS statements on computer, electronic processing on the same lines as processing of income-tax returns has been provided by insertion of new section 200A.
- (iii) The following adjustments can be made during the computerized processing of statements of tax deducted at source –
 - (i) any arithmetical error in the statement; or
 - (ii) an incorrect claim, if such incorrect claim is apparent from any information in the statement.

The term "an incorrect claim apparent from any information in the statement" shall mean such claim on the basis of an entry, in the statement, –

- (a) of an item, which is inconsistent with another entry of the same or some other item in such statement;
 - (b) in respect of rate of deduction of tax at source, where such rate is not in accordance with the provisions of the Act.
- (iv) After making such adjustments, tax and interest [say, under section 201(1A)] would be calculated and sum payable by the deductor or refund due to the deductor will be determined.
 - (v) An intimation will be sent to the deductor, informing him of his tax liability or the refund due, within one year from the end of the financial year in which the statement is filed. The refund due shall be granted to the deductor.

- (vi) For this purpose, the CBDT is empowered to make a scheme for centralized processing of statements of TDS to determine the tax payable by, or refund due to, the deductor.

(Effective from 1st April, 2010)

- (e) Time limit for passing of orders under section 201(1) holding a person to be an assessee in default [Section 201(3) & (4)]

- (i) At present, there is no time limit for passing an order under section 201(1) holding a person to be an assessee-in-default. This leads to considerable dispute when these proceedings are taken up or completed after considerable time lag.
- (ii) In order to remove ambiguity regarding this issue, time limits have now been prescribed, within which the order specified under section 201(1) has to be passed.
- (iii) Sub-section (3) provides that an order under section 201(1) deeming a person to be an assessee-in-default for failure to deduct the whole or any part of the tax from a person resident in India has to be passed within two years from the end of the financial year in which the statement of TDS is filed by the deductor. Where no such statement is filed, such order can be passed up till four years from the end of the financial year in which the payment is made or credit is given.
- (iv) However, the time limit for passing an order deeming a person to be an assessee-in-default in respect of F.Y.2007-08 and earlier years is 31st March, 2011.
- (v) Further, the exclusions from the time limit, as specified in Explanation 1 to section 153, would also apply to the above time limit for passing an order deeming a person to be an assessee-in-default. Also, the time limit would not apply to an order passed consequent to the direction contained in an order of the Commissioner under sections 263 and 264, Commissioner (Appeals) under section 250, Appellate Tribunal under section 254, Supreme Court/ National Tax Tribunal under section 260 and Supreme Court under section 262. Thus, the time limit would be extended where effect is to be given to various appellate proceedings or where proceedings are stayed.
- (vi) Section 201(1) deems a person to be an assessee-in-default if he –
 - (1) does not deduct tax; or
 - (2) does not pay; or
 - (3) after so deducting fails to pay

the whole or any part of the tax, as required by or under this Act.

Thus, section 201(1) contemplates three types of defaults. The default contemplated in (2) is covered by the default contemplated in (3). However, the time limit has now been specified only for passing of orders relating to

default contemplated in (1) above. There is no time limit specified in respect of the other defaults.

(vii) Therefore, no time-limits have been prescribed for the order under section 201(1) where –

- (1) the deductor has deducted but not deposited the tax deducted at source, as this would be a case of defalcation of government dues,
- (2) the employer has failed to pay the tax wholly or partly, under sub-section (1A) of section 192, as the employee would not have paid tax on such perquisites,
- (3) the deductee is a non-resident as it may not be administratively possible to recover the tax from the non-resident.

(Effective from 1st April, 2010)

(f) Mandatory requirement of furnishing PAN in all TDS statements, bills, vouchers and correspondence between deductor and deductee [New Section 206AA]

- (i) The non-quoting of PAN by deductees in many cases have led to delay in issue of refund on account of problems in the processing of returns of income and in granting credit for tax deducted at source.
- (ii) With a view to strengthening the PAN mechanism, new section 206AA has been inserted to provide that any person whose receipts are subject to deduction of tax at source i.e. the deductee, shall mandatorily furnish his PAN to the deductor failing which the deductor shall deduct tax at source at higher of the following rates –
 - (1) the rate prescribed in the Act;
 - (2) at the rate in force i.e., the rate mentioned in the Finance Act; or
 - (3) at the rate of 20%.

For instance, in case of rental payment for plant and machinery, where the payee does not furnish his PAN to the payer, tax would be deductible @20% instead of @2% prescribed under section 194-I. However, non-furnishing of PAN by the deductee in case of income by way of winnings from lotteries, card games etc., would result in tax being deducted at the existing rate of 30% under section 194-B. Therefore, wherever tax is deductible at a rate higher than 20%, this amendment would not have any consequence.

- (iii) Tax would be deductible at the rates mentioned above also in cases where the taxpayer files a declaration in Form 15G or 15H (under section 197A) but does not provide his PAN.
- (iv) Further, no certificate under section 197 will be granted by the Assessing Officer unless the application contains the PAN of the applicant.

- (v) If the PAN provided to the deductor is invalid or it does not belong to the deductee, it shall be deemed that the deductee has not furnished his PAN to the deductor. Accordingly, tax would be deductible at the rate specified in (ii) above.
- (vi) These provisions will also apply to non-residents where tax is deductible on payments or credits made to them.
- (vii) Both the deductor and the deductee have to compulsorily quote the PAN of the deductee in all correspondence, bills, vouchers and other documents exchanged between them.

(Effective from 1st April, 2010)

- (g) Advance tax payable only if advance tax liability is Rs.10,000 or more [Section 208]

- (i) Currently, the liability to pay advance tax arises when the amount of such tax payable during that year by the assessee is Rs.5,000 or more. This limit was fixed way back in 1996.
- (ii) The Finance (No.2) Act, 2009 has now revised this limit in order to provide for inflation adjustment. Accordingly, from financial year 2009-10 onwards, advance tax would be payable only if the advance tax liability is Rs.10,000 or more.

(Effective from 1st April, 2009)

14. PENALTY

Scope of levy of penalty under Explanation 5A to section 271(1) expanded

- (i) Explanation 5A has been inserted in section 271(1) w.e.f. 1.6.2007 which would be applicable in respect of searches conducted on or after 1st June, 2007. This Explanation provides that where an assessee is found to be the owner of any -
 - asset and he claims that such assets have been acquired by him by utilizing his income for any previous year; or
 - income based on any entry in the books of account or documents or transactions and he claims that such entry represents his income for any previous year,

which has ended before the date of the search and the due date for filing of the return has expired and return has not been filed, such income would be deemed to be concealed income, even if such income is declared in the return of income filed on or after the date of search.

- (ii) The scope of Explanation 5A has been expanded retrospectively w.e.f. 1st June, 2007 to cover cases where the assessee has filed the return of income for any previous year before the date of search and the income found during the course of search relating the such previous year is not disclosed in the return of income. In such cases also, the assessee would be deemed to have concealed the particulars of income and would be liable for penalty under section 271.

- (iii) The provisions of penalty covered under Explanation 5A to section 271(1) in respect of search initiated on or after 1.6.2007 is summarized in the table below –

	Relevant previous year	Penalty
(1)	P.Y. which has ended before the date of search, in respect of which the due date has expired, but the return has not been furnished. For example, in respect of P.Y.2009-10, if the date of search is 15.11.2010, then the P.Y. has ended before that date (i.e., on 31.3.2010) and the due date of filing return (31.7.2010/30.9.2010, as the case may be) has also expired, but the return has not been furnished. In such a case, penalty would be attracted under this section.	100% to 300% of the tax sought to be evaded.
(2)	P.Y. which has ended before the date of search, in respect of which return has been furnished, but income found during the search has not been disclosed in the return. In such a case also, penalty would be attracted under this section.	100% to 300% of the tax sought to be evaded.

(Effective retrospectively from 1.6.2007)

15. MISCELLANEOUS PROVISIONS

- (a) Exclusion of period of stay of proceedings of assessment/reassessment while computing the period of validity of the order of provisional attachment [Section 281B]
- (i) Section 281B(1) empowers the Assessing Officer to make provisional attachment of the assets of the assessee during the pendency of any proceeding for assessment or reassessment.
 - (ii) Section 281B(2) further provides that every attachment order shall cease to have effect after the expiry of a period of six months from the date of order made under sub-section (1).
 - (iii) However, the period of validity of provisional attachment order can be extended upto a maximum of two years (in total), by the Chief Commissioner, Commissioner, Director General or Director for reasons to be recorded in writing.
 - (iv) It has been provided that where an application for settlement under section 245C is made, the period commencing from the date on which such application is made and ending with the date on which the order under section 245D(1) is made shall be excluded for computing the period of 2 years.
 - (v) In several cases, the assesseees have filed writ petitions in High Courts and

Supreme Court and have obtained stay of the assessment proceedings. Generally, such stay remains in force for several years during which the validity of provisional attachment order expires.

- (vi) Therefore, it has now been provided w.r.e.f. A.Y.1988-89, that the period during which the proceedings for assessment or reassessment are stayed by an order or injunction of any Court, shall be excluded in calculating the period of 2 years specified above.

(Effective retrospectively from A.Y.1988-89)

(b) Introduction of Document Identification Number and facility for electronic communication [New Sections 282B & 282]

- (i) In order to improve the standards of service and transparency in the functioning of the Income-tax Department, a computer based system of allotment and quoting of Document Identification Number (DIN) in each correspondence sent or received by the Income-tax Department has been introduced to facilitate tracking of documents and alleviate the taxpayers grievances.
- (ii) Accordingly, a new section 282B has been inserted to provide that every income tax authority shall allot a computer generated Document Identification Number in respect of every notice, order, letter or any correspondence issued by him to any other income-tax authority or assessee or any other person and such number shall be quoted thereon.
- (iii) Where the notice, order, letter or any correspondence issued by any income-tax authority does not bear a Document Identification Number, such notice, order, letter or any correspondence shall be treated as invalid and shall be deemed never to have been issued.
- (iv) Further, every document, letter or any correspondence, received by an income-tax authority or on behalf of such authority, shall be accepted only after allotting and quoting of a computer generated Document Identification Number.
- (v) Where the document, letter or any correspondence received by any income-tax authority or on behalf of such authority does not bear the Document Identification Number, such document, letter or any correspondence shall be treated as invalid and shall be deemed never to have been received.

(Effective from 1st October, 2010)

- (vi) As per section 282, a notice or requisition under the Act may be served on the person therein named either by post or as if it were a summons issued by a court. Hereafter, with effect from 1st October, 2009, such notice or requisition can be served by electronic mail also.
- (vii) Accordingly, this section has now been substituted w.e.f. 1.10.2009 to provide that the service of notice or summon or requisition or order or any other communication under this Act may be made by delivering or transmitting a

copy thereof to the person named therein -

- (1) by post or such courier services as approved by the CBDT; or
- (2) in such manner as provided in the Code of Civil Procedure, 1908 for the purposes of service of summons; or
- (3) in the form of any electronic record as provided in Chapter IV of the Information Technology Act, 2000; or
- (4) by any other means of transmission as may be provided by rules made by the CBDT in this behalf.

(viii) The CBDT is empowered to make rules providing for the addresses (including the address for electronic mail or electronic mail message) to which such communication may be delivered or transmitted to the person named therein.

(Effective from 1st October, 2009)

- (c) Authority empowered to grant an approval under the Income-tax Act deemed to have power to withdraw the approval granted [New section 293C]
- (i) The Central Government, CBDT and income-tax Authorities are empowered under the various provisions of the Income-tax Act to grant approval to the assesseees for availing the benefit of incentives available under the Act.
 - (ii) However, only some provisions of the Income-tax Act specifically contain provisions for withdrawal of approval. In all other cases, there is no specific power to withdraw the approval granted.
 - (iii) Therefore, a new section 293C has been inserted to provide explicitly, such power to withdraw an approval granted. This section provides that an approval granting authority (i.e. the Central Government, CBDT or income-tax authority, as the case may be) shall also have the powers to withdraw the approval at any time.
 - (iv) However, such withdrawal can be made only after giving a reasonable opportunity to the concerned assessee of showing cause against the proposed withdrawal. Further, the reasons for withdrawal of the approval should be recorded by the concerned authority.

(Effective from 1st October, 2009)

II. WEALTH-TAX ACT, 1957

Wealth-tax exemption limit raised [Section 3]

- (i) At present, wealth-tax liability is attracted in the hands of every individual, HUF and company at the rate of 1% of the net wealth in excess of Rs.15 lakh.
- (ii) This limit was fixed way back in 1992.
- (iii) Accordingly, in order to provide for inflation-adjustment, the limit has now been enhanced to Rs.30 lakh for the valuation of net wealth as on 31.3.2010 and thereafter.

(Effective from A.Y.2010-11)

IMPORTANT NOTIFICATIONS / CIRCULARS ISSUED BETWEEN 1.5.2008 AND 30.4.2009

I. CIRCULARS

1. Circular No. 5/2008 dated 14.7.2008

The CBDT has, vide notification S.O. No. 493(E), dated 13.3.2008, notified the categories of taxpayers who are mandatorily required to electronically pay taxes on or after 1st April, 2008. The taxpayers who are required to pay taxes by the prescribed mode are - (i) a company; and (ii) a person (other than a company), to whom the provisions of section 44AB of the Income-tax Act, 1961 are applicable. Further, payment of tax electronically has been defined to mean payment of tax by way of - (i) internet banking facility of the authorised bank or (ii) credit or debit cards.

Consequent to issue of the notification, foreign assesseees have been facing difficulties in complying with the provisions with regard to mandatory e-payment of taxes. Since they do not have a presence in India, they are not able to meet the 'know your customer norms' of the banks. This has resulted in their inability to open bank accounts and make payment of taxes through the electronic mode. Also, the resident taxpayers have been facing difficulties in availing internet banking facilities of the authorized banks. A clarification has also been sought as to whether payment of tax deducted at source by a deductor will fall within the meaning of 'tax' for the purpose of the impugned notification.

Therefore, with a view to facilitating electronic payment of taxes by different categories of taxpayers, CBDT has issued Circular No.5/2008 dated 14.7.2008 to clarify that an assessee can make electronic payment of taxes also from the account of any other person. However, the challan for making such payment must clearly indicate the Permanent Account Number (PAN) of the assessee on whose behalf the payment is made. It is not necessary for the assessee to make payment of taxes from his own account in an authorized bank. Further, it is also clarified that payment of any amount by a deductor by way of Tax Deducted at Source (TDS) or Tax Collected at Source (TCS) shall fall within the meaning of 'tax' for the purpose of Rule 125 of the Income-tax Rules, 1962.

2. Circular No.7/2008 dated 1.8.2008

Order under section 119(1) of the Income-tax Act, 1961 regarding exemption from the TDS provisions under section 197 read in conjunction with section 10(26BBB) of the Income-tax Act, 1961

The CBDT has, in exercise of the powers conferred under section 119(1) of the Income-tax Act, 1961, directed that corporations which are established by a Central, State or Provincial Act for the welfare and economic upliftment of ex-servicemen and whose income qualifies for exemption from income-tax under section 10(26BBB) would also be exempt from tax deduction/collection at source on their receipts. This exemption shall be valid for 3 years from the date of issue of this order. However, this exemption shall not absolve such organisation from their statutory obligation of deducting TDS on all contractual payments made by them to other parties including sub-contractors etc.

3. Circular No.10/2008 dated 5.12.2008

Clarification regarding the meaning of the expression 'fish or fish products' used in Rule 6DD(e)(iii) of the Income-tax Rules, 1962

Under section 40A(3), disallowance is attracted in the computation of income in a case where a payment or aggregate of payments exceeding twenty thousand rupees is made to a person in a day, otherwise than by an account payee cheque drawn on a bank or an account payee bank draft. However, payment otherwise than by an account payee cheque drawn on a bank or by an account payee bank draft exceeding twenty thousand rupees does not attract the aforesaid disallowance in certain circumstances as prescribed under Rule 6DD of the Income-tax Rules, 1962. Such exceptions, inter-alia, refer to payment made to the producer for the purchase of fish or fish products under sub-clause (iii) of clause (e) of rule 6DD.

In regard to this sub-clause, the following clarifications have been issued for proper implementation of Rule 6DD -

- (i) The expression 'fish or fish products' used in rule 6DD(e)(iii) would include 'other marine products such as shrimp, prawn, cuttlefish, squid, crab, lobster etc.'.
- (ii) The 'producers' of fish or fish products for the purpose of rule 6DD(e) would include, besides the fishermen, any headman of fishermen, who sorts the catch of fish brought by fishermen from the sea, at the sea shore itself and then sells the fish or fish products to traders, exporters etc.

However, the above exception will not be available on the payment for the purchase of fish or fish products from a person who is not proved to be a 'producer' of these goods and is only a trader, broker or any other middleman, by whatever name called.

4. Circular No.11/2008 dated 19.12.2008

Exemption under section 11 in case of an assessee claiming both to be a charitable institution as well as a mutual organisation

Section 2(15) defines charitable purpose to include the following:-

- (i) Relief of the poor
- (ii) Education
- (iii) Medical relief, and
- (iv) the advancement of any other object of general public utility.

An entity with a charitable object of the above nature was eligible for exemption from tax under section 11 or alternatively under section 10(23C) of the Act. However, it was seen that a number of entities who were engaged in commercial activities were also claiming exemption on the ground that such activities were for the advancement of objects of general public utility in terms of the fourth limb of the definition of charitable purpose. Therefore, section 2(15) was amended vide Finance Act, 2008 by adding a proviso which

states that the advancement of any other object of general public utility shall not be a charitable purpose if it involves the carrying on of -

- (a) any activity in the nature of trade, commerce or business; or
- (b) any activity of rendering any service in relation to any trade, commerce or business; for a cess or fee or any other consideration, irrespective of the nature of use or application, or retention of the income from such activity.

The following implications arise from this amendment -

- (1) The newly inserted proviso to section 2(15) will not apply in respect of the first three limbs of section 2(15), i.e., relief of the poor, education or medical relief. Consequently, where the purpose of a trust or institution is relief of the poor, education or medical relief, it will constitute charitable purpose even if it incidentally involves the carrying on of commercial activities.
- (2) Relief of the poor encompasses a wide range of objects for the welfare of the economically and socially disadvantaged or needy. It will, therefore, include within its ambit purposes such as relief to destitute, orphans or the handicapped, disadvantaged women or children, small and marginal farmers, indigent artisans or senior citizens in need of aid. Entities who have these objects will continue to be eligible for exemption even if they incidentally carry on a commercial activity, subject, however, to the conditions stipulated under section 11(4A) or the seventh proviso to section 10(23C) which are that -
 - (i) the business should be incidental to the attainment of the objectives of the entity, and
 - (ii) separate books of account should be maintained in respect of such business.

Similarly, entities whose object is education or medical relief would also continue to be eligible for exemption as charitable institutions even if they incidentally carry on a commercial activity subject to the conditions mentioned above.

The newly inserted proviso to section 2(15) will apply only to entities whose purpose is advancement of any other object of general public utility i.e. the fourth limb of the definition of charitable purpose contained in section 2(15). Hence, such entities will not be eligible for exemption under section 11 or under section 10(23C) of the Act if they carry on commercial activities. Whether such an entity is carrying on an activity in the nature of trade, commerce or business is a question of fact which will be decided based on the nature, scope, extent and frequency of the activity.

There are industry and trade associations who claim exemption from tax u/s 11 on the ground that their objects are for charitable purpose as these are covered under any other object of general public utility. Under the principle of mutuality, if trading takes place between persons who are associated together and contribute to a common fund for the financing of some venture or object and in this respect have no dealings or relations with any outside body, then any surplus returned to the persons forming such association is

not chargeable to tax. In such cases, there must be complete identity between the contributors and the participants.

Therefore, where industry or trade associations claim both to be charitable institutions as well as mutual organizations and their activities are restricted to contributions from and participation of only their members, these would not fall under the purview of the proviso to section 2(15) owing to the principle of mutuality. However, if such organizations have dealings with non-members, their claim to be charitable organizations would now be governed by the additional conditions stipulated in the proviso to section 2(15).

In the final analysis, however, whether the assessee has for its object the advancement of any other object of general public utility is a question of fact. If such assessee is engaged in any activity in the nature of trade, commerce or business or renders any service in relation to trade, commerce or business, it would not be entitled to claim that its object is charitable purpose. In such a case, the object of general public utility will be only a mask or a device to hide the true purpose which is trade, commerce or business or the rendering of any service in relation to trade, commerce or business. Each case would, therefore, be decided on its own facts and no generalization is possible.

- (2) Where two or more assets are required to be valued by a registered valuer at the instance of an assessee all such assets shall be deemed to constitute a single asset for the purposes of calculating the fees payable to such registered valuer.
- (3) However, where the amount of fees calculated in accordance with (1) and (2) above is less than Rs.500, the registered valuer may charge Rs.500 as his fees.

8. Notification No. 28/2009, dated 16.3.2009

Rule 37BA providing for credit for tax deducted at source for the purposes of section 199 and Rule 37-I providing for credit for tax collected at source for the purposes of section 206C(4) have been inserted with effect from 1.4.2009.

Rule 37BA provides for credit for tax deducted at source for the purposes of section 199.

Sub-rule (1) provides that credit for tax deducted at source and paid to the Central Government in accordance with the provisions of Chapter XVII, shall be given to the person to whom payment has been made or credit has been given (i.e., the deductee) on the basis of information relating to deduction of tax furnished by the deductor to the income-tax authority or the person authorised by such authority.

Sub-rule (2) provides that if the income on which tax has been deducted at source is assessable in the hands of a person other than the deductee, credit for tax deducted at source shall be given to the other person in cases where-

- (a) the income of the deductee is included in the total income of another person under the provisions of section 60, section 61, section 64, section 93 or section 94;
- (b) the income of a deductee being an association of persons or a trust is assessable in the hands of members of the association of persons, or in the hands of trustees, as the case may be;
- (c) the income from an asset held in the name of a deductee, being a partner of a firm or a karta of a Hindu undivided family, is assessable as the income of the firm, or Hindu undivided family, as the case may be;
- (d) the income from a property, deposit, security, unit or share held in the name of a deductee is owned jointly by the deductee and other persons and the income is assessable in their hands in the same proportion as their ownership of the asset:

However, in such cases, the deductee should file a declaration with the deductor. Such declaration filed by the deductee should contain the name, address, permanent account number of the person to whom credit is to be given, payment or credit in relation to which credit is to be given and reasons for giving credit to such person.

Also, the deductor should report the tax deduction in the name of the other person in the information relating to deduction of tax referred to in sub-rule (1). The deductor should issue the certificate for deduction of tax at source in the name of the person in whose name credit is shown in the information relating to deduction of tax referred to in sub-rule (1) and should keep the declaration in his safe custody.

Sub-rule (3) provides that the credit for tax deducted at source and paid to the Central Government, shall be given for the assessment year for which such income is assessable. Where tax has been deducted at source and paid to the Central Government and the income is assessable over a number of years, credit for tax deducted at source shall be allowed across those years in the same proportion in which the income is assessable to tax.

Sub-rule (4) provides that credit for tax deducted at source and paid to the account of the Central Government shall be granted on the basis of -

- (i) the information relating to deduction of tax furnished by the deductor to the income-tax authority or the person authorized by such authority; and

(ii) the information in the return of income in respect of the claim for the credit, subject to verification in accordance with the risk management strategy formulated by the Board from time to time.

Rule 37-I provides for credit for tax collected at source for the purposes of section 206C(4).

Sub-rule (1) provides that the credit for tax collected at source and paid to the Central Government in accordance with provisions of section 206C, shall be given to the person from whom the tax has been collected, on the basis of the information relating to collection of tax at source furnished by the collector to the income-tax authority or the person authorized by such authority.

Sub-rule (2) provides that where tax has been collected at source and paid to the Central Government, credit for such tax shall be given for the assessment year for which the income is assessable to tax. Where tax has been collected at source and paid to the Central Government and the lease or license is relatable to more than one year, credit for tax collected at source shall be allowed across those years to which the lease or license relates in the same proportion.

Sub-rule (3) provides that the credit for tax collected at source and paid to the account of the Central Government shall be granted on the basis of -

- (i) the information relating to collection of tax furnished by the collector to the income-tax authority or the person authorized by such authority; and
- (ii) the information in the return of income in respect of the claim for the credit, subject to verification in accordance with the risk management strategy formulated by the Board from time to time.

4. Person convicted by the court
- A person who has been convicted by the court under this Act on or after 30.12.2005.
(Effective from 19.08.2009)
2. Chartered Accountants can also be nominated for conducting the valuation audit - Section 14A
- Situation prior to amendment
- Section 14A, inter alia, provides that only a cost accountant can be nominated by the Chief Commissioner of Central Excise to conduct the special audit in case where any Central Excise Officer not below the rank of an Assistant Commissioner/Deputy Commissioner of Central Excise is of the opinion that the value has not been correctly declared or determined by a manufacturer or any person.
- Amendment made by Finance (No.2) Act, 2009
- Section 14A has been amended to provide that now; the Chartered Accountants may also be nominated for the aforementioned purpose.
- For the purpose of this section, "Chartered Accountant" shall have the meaning assigned to it in section 2(1)(b) of the Chartered Accountants Act, 1949.
- Note : Section 2(1)(b) of the Chartered Accountants Act, 1949 defines Chartered Accountant as a person who is a member of the Institute of Chartered Accountants of India.
- (Effective from 19.08.2009)

3. Chartered Accountants can also be nominated for conducting the CENVAT audit - Section 14AA

Situation prior to amendment

Section 14A, inter alia, provides that only a cost accountant can be nominated by the Commissioner of Central Excise to conduct the special audit in case he has a reason to believe that the credit of duty availed of or utilised under the rules made under this Act by a manufacturer of any excisable goods -

- (a) is not within the normal limits having regard to the nature of the excisable goods produced or manufactured, the type of inputs used and other relevant factors, as he may deem appropriate;
- (b) has been availed of or utilised by reason of fraud, collusion or any wilful mis-statement or suppression of facts.

Amendment made by Finance (No.2) Act, 2009

Section 14AA has been amended to provide that now; the Chartered Accountants may also be nominated for the aforementioned purpose.

For the purpose of this section, "Chartered Accountant" shall have the meaning assigned to it in section 2(1)(b) of the Chartered Accountants Act, 1949.

(Effective from 19.08.2009)

4. Definition of "authority" substituted by a new definition - Section 23A(e)

Definition of "authority" prior to amendment

"Authority" means the Authority for Advance Rulings (Central Excise, Customs and Service Tax) constituted under section 28F of the Customs Act, 1962.

Amendment made by Finance (No.2) Act, 2009

"Authority" means the Authority for Advance Rulings, constituted under sub-section (1), or authorized by the Central Government under sub-section (2A), of section 28F of the Customs Act, 1962.

(Effective from 19.08.2009)

5. High Court empowered to condone the delay in filing the appeal - Section 35G

Section 35G(2) of the Act provides that the Commissioner of Central Excise or the other party aggrieved by any order passed by the Appellate Tribunal may file an appeal to the High Court and such appeal under this sub-section shall be filed within 180 days from the date on which the order appealed against is received by the Commissioner of Central Excise or the other party.

Sub-section (2A) inserted after sub-section (2)

Sub-section (2A) inserted after sub-section (2), with effect from 01.07.2003, provides that the High Court may admit an appeal after the expiry of the period of 180 days referred to in sub-section (2), if it is satisfied that there was sufficient cause for not filing the same within that period.

6. High Court empowered to condone the delay in filing the reference application and memorandum of cross objections - Section 35H

(1) Section 35H(1) provides that in respect of the order of the Appellate Tribunal (not being an order relating, among other things, to the determination of any question having a relation to the rate of duty of excise or to the value of goods for purposes of assessment), passed under section 35C of the Act before 01.07.2003,

the Commissioner of Central Excise or the other party may file a reference application to the High Court within 180 days of the date upon which he is served with notice of the aforesaid order.

(2) Section 35H(3) provides that the person against whom such application has been made, may, notwithstanding that he may not have filed such application, file, a memorandum of cross-objections against any part of the order in relation to which an application for reference has been made within 45 days of the receipt of the notice.

Sub-section (3A) inserted after sub-section (3)

Sub-section (3A) inserted after sub-section (3) with effect from 01.07.1999 provides that the High Court may admit a reference application or permit the filing of a memorandum of cross objections after the expiry of the relevant period referred to in sub-section (1) or sub-section (3) above, if it is satisfied that there was sufficient cause for not filing the same within that period.

7. Central Government empowered to make rules regarding manner of compounding - Section 37(2)(id)

Section 37 empowers the Central Government to make rules generally to carry into effect the purposes of the Central Excise Act, 1944.

Clause (id) of sub-section (2) to section 37 provides that in particular, and without prejudice to the generality of the foregoing power, such rules may provide for the amount to be paid for compounding under section 9A(2).

Amendment made by Finance (No.2) Act, 2009

Finance (No.2) Act, 2009 has substituted the words “for compounding and the manner of compounding” instead of the words “for compounding”.

(Effective from 19.08.2009)

B. Amendments in the Central Excise Tariff Act, 1985

1. Excise duty rate

There is no change in the mean CENVAT rate of 8% ad valorem. However, the concessional excise duty rate of 4% has been increased to 8%, with certain exceptions. The major items on which the 4% rate has been retained are:

1. Food items such as sugar confectionary, biscuits with retail price exceeding Rs.100/kg, cakes and pastries, sherbets, scented supari etc.;
2. Paraxylene;
3. Drugs and pharmaceutical products of chapter 30;
4. Paper, paperboard and articles made therefrom;
5. Footwear of retail price exceeding Rs.250 per pair but not exceeding Rs.750 per pair;
6. Pressure cookers
7. Power –driven pumps designed for handling water;
8. Water filtration/ purification equipment;
9. Specified textile machinery;
10. Compact fluorescent lamps (CFL) and vacuum and gas filled bulbs of retail price not exceeding Rs.20 per bulb; and
11. Medical equipment

Above list is not an exhaustive list. Consequent upon increase in excise duty rate from 4% to 8%, abatement rates have been revised suitably on items covered under RSP (Retail Sale price) based assessment.

2. Process of adding or mixing certain ingredients to betel nut in any form would amount to manufacture

In respect of ‘betel nut product known as supari’, it is prescribed that the process of adding or mixing certain ingredients to betel nut in any form would be a process amounting to manufacture. For this purpose, note 6 is being inserted in Chapter 21 of the First Schedule to the Central Excise Tariff Act. A corresponding note is being inserted in Chapter 8 so as to exclude this product from its purview.

II CUSTOMS

A. Amendments in the Customs Act, 1962

1. Refund of import duty in certain cases - new section 26A inserted after section 26

Section 26 of the Customs Act, 1962 contains the provisions for refund of the export duty. Section 26A inserted after section 26 provides for refund of the import duty. The section reads as follows:—

Conditions for claiming the refund of duty

Where on the importation of any goods capable of being easily identified as such imported goods, any duty has been paid on clearance of such goods for home consumption, such duty shall be refunded to the person by whom or on whose behalf it was paid, subject to the fulfillment of the following conditions:-

(a) Goods are defective/not as per specifications

The goods are found to be defective or otherwise not in conformity with the specifications agreed upon between the importer and the supplier of goods:

Provided that the goods have not been worked, repaired or used after importation except where such use was indispensable to discover the defects or non-conformity with the specifications;

(b) Goods identified as imported goods

The goods are identified to the satisfaction of the Assistant Commissioner of Customs or Deputy Commissioner of Customs as the goods which were imported;

(c) No drawback claimed

The importer does not claim drawback under any other provisions of this Act; and

(d) Importer exports the goods/relinquishes title to goods and abandons them/destroys or renders them commercially valueless

(i) The goods are exported; or

(ii) the importer relinquishes his title to the goods and abandons them to customs; or

(iii) such goods are destroyed or rendered commercially valueless in the presence of the proper officer,

in such manner as may be prescribed and within a period not exceeding 30 days from the date on which the proper officer makes an order for the clearance of imported goods for home consumption under section 47.

However, the period of 30 days may, on sufficient cause being shown, be extended by the Commissioner of Customs for a period not exceeding three months.

Moreover, nothing contained in this section shall apply to the goods regarding which an offence appears to have been committed under this Act or any other law for the time being in force.

Application for refund of import duty

An application for refund of duty shall be made before the expiry of 6 months from the relevant date in such form and in such manner as may be prescribed.

Meaning of relevant date

For the purposes of this sub-section:-

S.No.	In cases where	relevant date means the date
1.	the goods are exported out of India	on which the proper officer makes an order permitting clearance and loading of goods for exportation under section 51
2.	where the title to the goods is relinquished	of such relinquishment
3.	the goods are destroyed or rendered commercially valueless	of such destruction or rendering of goods commercially valueless

No refund shall be allowed in respect of perishable goods and goods which have exceeded their shelf life or their recommended storage-before-use period.

The Board may, by notification in the Official Gazette, specify any other condition subject to which the refund may be allowed.

(Effective from 19.08.2009)

2. Authority for Advance Ruling under Income Tax Act, 1962 may also be notified by the Central Government to act as Authority under the customs law - Sub-section (2A) to (2D) inserted after section 28F(2)

In section 28F of the Customs Act, after sub-section (2), the following sub-sections shall be inserted with effect from such date as the Central Government may, by notification in the Official Gazette, appoint, namely:—

Sub-section (2A)

Notwithstanding anything contained in sub-sections (1) and (2), or any other law for the time being in force, the Central Government may, by notification in the Official Gazette, authorise an Authority constituted under section 245-O of the Income-tax Act, 1961, to act as an Authority under this Chapter.

Sub-section (2B)

On and from the date of publication of notification under sub-section (2A), the Authority constituted under sub-section (1) shall not exercise jurisdiction under Chapter V-B of the Act.

Sub-section (2C)

For the purposes of sub-section (2A), the reference to "an officer of the Indian Revenue Service who is qualified to be a Member of Central Board of Direct Taxes" in clause (b) of sub-section (2) of section 245-O of the Income Tax Act, 1961 shall be construed as reference to "an officer of the Indian Customs and Central Excise Service who is qualified to be a Member of the Board".

Sub-section (2D)

On and from the date of the authorization of Authority under sub-section (2A), every application and proceeding pending before the Authority constituted under sub-section (1) shall stand transferred to the Authority so authorised from the stage at which such proceedings stood before the date of such authorization.

3. High Court empowered to condone the delay in filing the appeal - Section 130
Section 130(2) of the Act provides that the Commissioner of Customs or the other party aggrieved by any order passed by the Appellate Tribunal may file an appeal to the High Court and such appeal under this sub-section shall be filed within 180 days from the date on which the order appealed against is received by the Commissioner of Customs or the other party.

Sub-section (2A) inserted after sub-section (2)

Sub-section (2A) inserted after sub-section (2) with effect from 01.07.2003 provides that the High Court may admit an appeal after the expiry of the period of 180 days referred to in sub-section (2), if it is satisfied that there was sufficient cause for not filing the same within that period.

4. High Court empowered to condone the delay in filing the reference application and memorandum of cross objections - Section 130A
 - (1) Sub-section (1) provides that in respect of the order of the Appellate Tribunal (not being an order relating, among other things, to the determination of any question having a relation to the rate of duty of customs or to the value of goods for purposes of assessment), passed under section 129B of the Act before 01.07.2003,

the Commissioner of Customs or the other party may file a reference application to the High Court within 180 days of the date upon which he is served with notice of the aforesaid order.
 - (2) Sub-section (3) provides that the person against whom such application has been made, may, notwithstanding that he may not have filed such application, file, a

memorandum of cross-objections against any part of the order in relation to which an application for reference has been made within 45 days of the receipt of the notice.

Sub-section (3A) inserted after sub-section (3)

Sub-section (3A) inserted after sub-section (3) with effect from 01.07.1999 provides that the High Court may admit a reference application or permit the filing of a memorandum of cross objections after the expiry of the relevant period referred to in sub-section (1) or sub-section (3) above, if it is satisfied that there was sufficient cause for not filing the same within that period.

5. Certain types of offences and circumstances excluded from the purview of the compounding provisions - Section 137(3)

Section 137(3) provides that any offence under Chapter XVI of the Act may, either before or after the institution of prosecution, be compounded by the Chief Commissioner of Customs on payment, by the person accused of the offence to the Central Government, of such compounding amount as may be prescribed.

Amendments in sub-section (3)

- A. For the words “such compounding amount”, the words “such compounding amount and in such manner of compounding” shall be substituted.
- B. Finance (No.2) Act, 2009 provides that the following mentioned persons shall not be eligible for compounding:-
- (a) a person who has been allowed to compound once in respect of any offence under sections 135 and 135A;
 - (b) a person who has been accused of committing an offence under this Act which is also an offence under any of the following Acts, namely:—
 - (i) the Narcotic Drugs and Psychotropic Substances Act, 1985;
 - (ii) the Chemical Weapons Convention Act, 2000;
 - (iii) the Arms Act, 1959;
 - (iv) the Wild Life (Protection) Act, 1972;
 - (c) a person involved in smuggling of goods falling under any of the following, namely:—
 - (i) goods specified in the list of Special Chemicals, Organisms, Materials, Equipment and Technology in Appendix 3 to Schedule 2 (Export Policy) of ITC (HS) Classification of Export and Import Items of the Foreign Trade Policy, as amended from time to time, issued under section 5 of the Foreign Trade (Development and Regulation) Act, 1992;
 - (ii) goods which are specified as prohibited items for import and export in the ITC (HS) Classification of Export and Import Items of the Foreign Trade Policy, as amended from time to time, issued under section 5 of the Foreign Trade (Development and Regulation) Act, 1992;

- (iii) any other goods or documents, which are likely to affect friendly relations with a foreign State or are derogatory to national honour;
- (d) person who has been allowed to compound once in respect of any offence under this Chapter for goods of value exceeding rupees one crore;
- (e) person who has been convicted under this Act on or after 30.12.2005.

(Effective from 19.08.2009)

6. Central Government empowered to make rules regarding manner of compounding - Section 156(2)(h)

Section 156 empowers the Central Government to make rules generally to carry into effect the purposes of the Customs Act, 1962.

Section 156(2)(h) provides that in particular, and without prejudice to the generality of the foregoing power, such rules may provide for the amount to be paid for compounding under section 137(3).

Amendment made by Finance (No.2) Act, 2009

Finance (No.2) Act, 2009 has substituted the words “for compounding and the manner of compounding” instead of the words “for compounding”.

(Effective from 19.08.2009)

7. Clause (ai) and (aia) inserted in section 157(2)

Section 157 empowers the Central Board of Excise and Customs to make regulations generally to carry into effect the purposes of the Customs Act, 1962.

Finance (No.2) Act, 2009 has inserted clause (ai) and (aia) after clause (a) of section 157(2) which read as follows:-

In particular and without prejudice to the generality of the foregoing power, regulations under section 157 may provide for

Clause (ai)

the manner of export of goods, relinquishment of title to the goods and abandoning them to customs and destruction or rendering of goods commercially valueless in the presence of the proper officer under section 26A(1)(d).

Clause (aia)

the form and manner of making application for refund of duty under sub-section (2) of section 26A.

(Effective from 19.08.2009)

B. Amendments in the Customs Tariff Act, 1975

1. Additional duty of customs - Second proviso inserted to section 3(2)

Section 3 of the Customs Tariff Act, 1975 levies on any article which is imported into India, an additional duty of customs, equal to the excise duty for the time being leviable on a like article if produced or manufactured in India.

Finance (No.2) Act, 2009 has inserted second proviso to section 3(2) after first proviso. It reads as under:-

In the case of an article imported into India, where the Central Government has fixed a tariff value for the like article produced or manufactured in India under section 3(2) of the Central Excise Act, 1944, the value of the imported article shall be deemed to be such tariff value.

(Effective from 19.08.2009)

2. Machinery provisions of the Customs Act, 1962 made applicable to certain duties imposed under the Customs Tariff Act, 1975

An amendment has been made with retrospective effect that the provisions of the Customs Act, 1962 and the rules and regulations made there under, including those relating to the date for determination of rate of duty, assessment, non-levy, short levy, refunds, interest, appeals, offences and penalties shall, as far as may be, apply to the following mentioned duties as they apply in relation to duties leviable under that Act:-

- (a) Safeguard duty imposed under section 8B
- (b) Specific Safeguard Duty on imports from China imposed under section 8C
- (c) Countervailing duty on subsidized articles imposed under section 9
- (d) Anti-Dumping Duty imposed under section 9A
- (a) Safeguard duty – Sub-section (4A) inserted to section 8B

Finance (No.2) Act, 2009 has inserted sub-section (4A) after sub-section (4), with effect from 14.05.1997, which reads as follows:-

The provisions of the Customs Act, 1962 and the rules and regulations made there under, including those relating to the date for determination of rate of duty, assessment, non-levy, short levy, refunds, interest, appeals, offences and penalties shall, as far as may be, apply to the duty chargeable under this section as they apply in relation to duties leviable under that Act.

- (b) Power of Central Government to impose Transitional Product Specific Safeguard Duty on imports from China – Sub-section (5A) inserted to section 8C

Finance (No.2) Act, 2009 has inserted sub-section (5A) after sub-section (5), with effect from 11.05.2002, which reads as follows:-

The provisions of the Customs Act, 1962 and the rules and regulations made there under, including those relating to the date for determination of rate of duty, assessment, non-levy, short levy, refunds, interest, appeals, offences and penalties shall, as far as may be, apply to the duty chargeable under this section as they apply in relation to duties leviable under that Act.

(c) Countervailing duty on subsidized articles - Sub-section (7A) inserted to section 9

Finance (No.2) Act, 2009 has inserted sub-section (7A) after sub-section (7), with effect from 01.01.1995, which reads as follows:-

The provisions of the Customs Act, 1962 and the rules and regulations made thereunder, including those relating to the date for determination of rate of duty, assessment, non-levy, short levy, refunds, interest, appeals, offences and penalties shall, as far as may be, apply to the duty chargeable under this section as they apply in relation to duties leviable under that Act.

(d) Anti-Dumping Duty - Sub-section (8) substituted with the new sub-section (8) to section 9A

Finance (No.2) Act, 2009 has substituted sub-section (8) with the new sub-section, with effect from 01.01.1995, which reads as follows:-

The provisions of the Customs Act, 1962 and the rules and regulations made there under, including those relating to the date for determination of rate of duty, assessment, non-levy, short levy, refunds, interest, appeals, offences and penalties shall, as far as may be, apply to the duty chargeable under this section as they apply in relation to duties leviable under that Act.

3. Section 9A amended - Anti-Dumping Duty

A. Sub-section (1) amended

Sub-section (1) provides that where any article is exported from any country or territory to India at less than its normal value, then, upon the importation of such article into India, the Central Government may, by notification in the Official Gazette, impose an anti-dumping duty not exceeding the margin of dumping in relation to such article.

Finance (No.2) Act, 2009 has substituted the words "any article is exported by an exporter or producer" for the words "any article is exported" in sub-section (1).

(Effective from 19.08.2009)

B. Sub-section (6A) inserted after sub-section (6)

The margin of dumping in relation to an article, exported by an exporter or producer, under inquiry under sub-section (6) shall be determined on the basis of records concerning normal value and export price maintained, and information provided, by such exporter or producer.

However, where an exporter or producer fails to provide such records or information, the margin of dumping for such exporter or producer shall be determined on the basis of facts available.

(Effective from 19.08.2009)

4. Custom duty rate

There is no change in the overall rate structure of customs duties. As such, the peak rate for industrial goods has been retained at 10% and the major ad valorem rates of 5% and 7.5% have also been retained.

III. SERVICE TAX

Amendments in Chapter V and VA of the Finance Act, 1994

1. 3 new services brought under the service tax net - Section 65

With effect from September 1, 2009, service tax has been levied on the following three new categories of services:-

A. Service provided in relation to transport of coastal goods and goods transported through inland water including National Waterways.

Finance (No.2) Act, 2009 has inserted sub-clause (zzzzl) in section 65(105). Now, any service provided or to be provided to any person, by any other person, in relation to transportation of coastal goods (as defined under the Customs Act, 1962) and transportation of goods through inland waters including National Waterways has been made liable to service tax.

Explanation to section 65(105) (zzzzl) reads as under:-

For the purpose of this sub-clause:-

- (a) "coastal goods" has the meaning assigned to it in clause (7) of section 2 of the Customs Act, 1962;
- (b) "national waterway" has the meaning assigned to it in clause (h) of section 2 of the Inland Waterways Authority of India Act, 1985;
- (c) "inland water" has the meaning assigned to it in clause (b) of section 2 of the Inland Vessels Act, 1917.

B. Cosmetic and plastic surgery service.

Finance (No.2) Act, 2009 has inserted sub-clause (zzzzk) in section 65(105). Now, any service provided or to be provided to any person, by any other person, in relation to cosmetic surgery or plastic surgery has been made liable to service tax.

However, the surgery undertaken to restore or reconstruct anatomy or functions of body affected due to congenital defects, developmental abnormalities, degenerative diseases, injury or trauma shall not be liable to tax.

In this respect, an earlier circular of Board provides the indicative surgeries that can be taxed under this service listed as under:-

- (a) Mammoplasty
- (b) Bletharoplasty (eyelid surgery)
- (c) Abdominoplasty (tummy tuck)
- (d) Buttock augmentation and lift
- (e) Rhinoplasty (reshaping of nose)
- (f) Otoplasty (ear surgery)
- (g) Rhytidectomy (face lift)
- (h) Liposuction (removal of fat from the body)
- (i) Brow lift
- (j) Cheek augmentation
- (k) Facial implants
- (l) Lip augmentation
- (m) Forehead lift
- (n) Cosmetic dental surgery
- (o) Orthodontics
- (p) Aesthetic dentistry
- (q) Laser skin surfacing

C. Legal consultancy service.

Finance (No.2) Act, 2009 has inserted sub-clause (zzzzm) in section 65(105). Now, any service provided or to be provided to a business entity, by any other business entity, in relation to advice, consultancy or assistance in any branch of law has been made liable to service tax. However, in the following cases, the legal consultancy services provided shall not be liable to service tax:-

- (a) Any service provided by way of appearance before any court, tribunal or authority.
- (b) The service provider and/or service recipient is an individual.

Explanation to section 65(105) (zzzzm) reads as under:-

For the purpose of this sub-clause clause, "business entity" includes an association of persons, body of individuals, company or firm, but does not include an individual.

(Effective from 01.09.2009)

2. Amendment in the scope of existing taxable services - Section 65

(i) Business auxiliary service

Prior to amendment

Prior to amendment, the service/process that amounts to manufacture as defined under section 2(f) of the Central Excise Act, 1944 was excluded under the category of 'business auxiliary services'.

Amendment made by Finance (No.2) Act, 2009

The definition of business auxiliary service under section 65(19) of the Finance Act, 1994 has been amended to exclude any activity that amounts to manufacture of excisable goods. Therefore, manufacture of non-excisable goods for or on behalf of the client shall attract service tax. Besides, clause (b) and (c) have been inserted in the Explanation to section 65(19) so as to define the terms – 'manufacture' and 'excisable goods'.

Now, the clause (vii) of section 65(19) of the Finance Act, 1994 reads as follows:-

"Business auxiliary service" means any service in relation to a service incidental or auxiliary to any activity specified in sub-clauses (i) to (vi), such as billing, issue or collection or recovery of cheques, payments, maintenance of accounts and remittance, inventory management, evaluation or development of prospective customer or vendor, public relation services, management or supervision, and includes services as a commission agent, but does not include any activity that amounts to manufacture of excisable goods.

Clause (b) and (c) of Explanation to section 65(19)(vii) reads as follows:-

(b) "excisable goods" has the meaning assigned to it in clause (d) of section 2 of the Central Excise Act, 1944;

(c) "manufacture" has the meaning assigned to it in clause (f) of section 2 of the Central Excise Act, 1944.

(ii) Stock broker services

Prior to amendment

The definition of a stock broker included the sub-broker as well.

Amendment made by Finance (No.2) Act, 2009

The definition of stock-broker (in stock-broker service) under section 65(101) has been amended to exclude sub-broker from its ambit. Consequently, sub-brokers would be outside the purview of service tax.

(iii) Information technology software services

Prior to amendment

In item (v) and (vi) of section 65(105)(zzzze), under the information technology software service, “acquiring the right to use the information technology software” is taxable.

Amendment made by Finance (No.2) Act, 2009

The same has been amended to “providing the right to use the information technology software”. This service is amended with retrospective effect from 16.05.2008.

Now, item (v) and (vi) of Section 65(105)(zzzze) reads as under:-

- (v) providing the right to use information technology software for commercial exploitation including right to reproduce, distribute and sell information technology software and right to use software components for the creation of and inclusion in other information technology software products,
- (vi) providing the right to use information technology software supplied electronically.

(iv) Transport of goods in containers by rail services

Prior to amendment

Any service provided or to be provided to any person, by any other person, other than Government railway, in relation to transport of goods in containers by rail is taxable under section 65(105)(zzzp).

Amendment made by Finance (No.2) Act, 2009

Finance (No.2) Act, 2009 has imposed service tax on goods transported by railways including Government railways, whether in containers or otherwise.

Now, the amended section 65(105)(zzzp) reads as under:-

Any service provided or to be provided to any person, by any other person, in relation to transport of goods by rail, in any manner.

(Effective from 01.09.2009)

3. Revision of orders by the Commissioner abolished - Section 84 substituted by new section 84

Section 84 has been amended, to abolish the power of revision by the Commissioner of Central Excise prescribed under section 84. Revision of orders by the Commissioner has been replaced, with filing of departmental appeals before Commissioner of Central Excise (Appeals), with a view to align the appeal procedure of service tax with that of Central Excise.

New section 84 reads as follows:-

- (1) The Commissioner of Central Excise may, of his own motion, call for and examine the record of any proceedings in which an adjudicating authority subordinate to him has passed any decision or order under this Chapter for the purpose of satisfying himself as to the legality or propriety of any such decision or order and may, by order, direct such authority or any Central Excise Officer subordinate to him to apply to the Commissioner of Central Excise (Appeals) for the determination of such points arising out of the decision or order as may be specified by the Commissioner of Central Excise in his order.
- (2) Every order under sub-section (1) shall be made within a period of three months from the date of communication of the decision or order of the adjudicating authority.
- (3) Where in pursuance of an order under sub-section (1), the adjudicating authority or any other officer authorised in this behalf makes an application to the Commissioner of Central Excise (Appeals) within a period of one month from the date of communication of the order under sub-section (1) to the adjudicating authority, such application shall be heard by the Commissioner of Central Excise (Appeals), as if such application were an appeal made against the decision or order of the adjudicating authority and the provisions of this Chapter regarding appeals shall apply to such application.

Explanation — For the removal of doubts, it is hereby declared that above mentioned provision would come into effect from 19.08.2009. All cases decided before this date would continue to be governed by the existing provisions only.

(Effective from 19.08.2009)

4. Appeal to Appellate Tribunal under section 86 cannot be filed against the order passed by Commissioner of Central Excise under section 84 – Section 86

Prior to amendment

Earlier, revision order passed by a Commissioner of Central Excise under section 84 could be appealed against to the Appellate Tribunal under section 86 either by:-

- (i) the aggrieved assessee
- or
- (ii) Commissioner of Central Excise at the directions of Committee of Chief Commissioners of Central Excise.

Amendment made by Finance (No.2) Act, 2009

With effect from 19.08.2009, appeal to Appellate Tribunal under section 86 cannot be filed against the order passed by Commissioner of Central Excise under section 84. Therefore, sub-section (1) and (2) of section 86 have been consequentially amended and read as under:-

Sub-section (1)

Any assessee aggrieved by an order passed by a Commissioner of Central Excise under section 73 or section 83A, or an order passed by a Commissioner of Central Excise (Appeals) under section 85, may appeal to the Appellate Tribunal against such order.

Sub-section (2)

The Committee of Chief Commissioners of Central Excise may, if it objects to any order passed by the Commissioner of Central Excise under section 73 or section 83A, direct the Commissioner of Central Excise to appeal to the Appellate Tribunal against the order.

(Effective from 19.08.2009)

5. Central Government empowered to frame rules in relation to the date for determination of rate of service tax and the place of provision of taxable service – Section 94(2)

Finance (No.2) Act, 2009 has empowered Central Government under section 94 to make rules with respect to the place of supply of taxable services, and the relevant date for determination of service tax. Clause (hhh) has been inserted after clause (hh) to section 94(2) for the said purpose.

(Effective from 19.08.2009)

6. Central Government empowered to remove difficulty by making an order – Section 95(1F)

Sub-section (1F) inserted after sub-section (1E) in section 95 provides that:-

If any difficulty arises in respect of implementing, classifying or assessing the value of any taxable service incorporated in this Chapter by the Finance (No.2) Act, 2009, the Central Government may, by order published in the Official Gazette, not inconsistent with the provisions of this Chapter, remove the difficulty.

However, no such order shall be made after the expiry of a period of one year from 19.08.2009.

(Effective from 19.08.2009)

7. Amendment in the definition of “authority” under section 96A(d)

Prior to amendment

"Authority" means the Authority for Advance Rulings (Central Excise, Customs and Service Tax) constituted under section 28F of the Customs Act, 1962.

Amendment made by Finance (No.2) Act, 2009

"Authority" means the Authority for Advance Rulings, constituted under sub-section (1), or authorised by the Central Government under sub-section (2A), of section 28F of the Customs Act, 1962 (52 of 1962).

(Effective from 19.08.2009)

SIGNIFICANT AMENDMENTS MADE THROUGH NOTIFICATIONS/CIRCULARS ISSUED BETWEEN 01.05.2008 TO 30.04.2009 AND BUDGET NOTIFICATIONS

A. EXCISE

1. Following amendments have been made in the Central Excise Rules, 2002:

(i) Rule 12(2A) inserted- Annual Installed Capacity Statement

This rule provides that every assessee shall submit to the Superintendent of Central Excise, an Annual Installed Capacity Statement declaring the annual production capacity of the factory for the financial year to which the statement relates in Form ER-7 by the 30th April of the succeeding financial year.

However, the Central Government may specify assessee or class of assessee who may not require to submit such an Annual Installed Capacity Statement.

For the year 2007-08, the said statement shall be furnished by 31st October, 2008.

[Notification No. 38/2008 CE (NT) and Notification No. 39/2008 CE (NT) dated 29.09.2008]

(ii) Amendments to rule 17 - Removal of goods by a 100% EOU for DTA

Notification No. 23/2008 CE (NT) dated 23.05.2008 has amended rule 17 of the Central Excise Rules, 2002 with effect from 01.06.2008 as follows:-

(a) Rule17(1)Monthly payment of duty by 100% EOUs

In case of removal of excisable goods from 100% Export Oriented Unit (EOU) to Domestic Tariff Area (DTA), the duty leviable on such goods shall be paid by utilizing the CENVAT credit or by crediting the duty payable to the account of the Central Government in the manner specified in rule 8. Thus, duty can be paid monthly in case of removals from 100% EOUs also.

(b) Rule17(4)Scrutiny by the proper officer

The proper officer may on the basis of information contained in the return filed by the unit under rule 17(3), and after such further enquiry as he may consider necessary, scrutinize the correctness of the duty assessed by the assessee on the goods removed, in the manner to be prescribed by the Board.

(c) Rule17(5)Furnishing of documents and records by assessee

Every assessee shall make available to the proper officer all the documents and records for verification as and when required by such officer.

(iii) Amendment of Form ER-2

Notification No. 24/2008 CE (NT) dated 23.05.2008 has amended Form ER-2-form prescribed for monthly return for 100% EOU in respect of goods manufactured, goods cleared and receipt of inputs and capital goods.

- (iv) Rule 24A inserted – Seized records that have not been relied upon to be returned within the prescribed time limit

Notification No. 17/2009 dated 07.07.2009 has inserted rule 24A, after rule 24, which reads as follows:-

The books of accounts or other documents, seized by the Central Excise Officer or produced by an assessee or any other person, which have not been relied on for the issue of notice under the Act or the rules made there under, shall be returned within thirty days of the issue of said notice or within thirty days from the date of expiry of the period for issue of said notice.

Records can be retained for reasons to be recorded in writing

However, the Commissioner of Central Excise may order for the retention of such books of accounts or documents, for reasons to be recorded in writing and the Central Excise Officer shall intimate to the assessee or such person about such retention.

2. CENVAT Credit Rules, 2004:

I. Amendments in the CENVAT Credit Rules, 2004

(a) Rule 2(k) - Amendment in the definition of “inputs”

Explanation 2 to rule 2(k) has been amended so as to exclude cement, angles, channels, Centrally Twisted Deform bar (CTD) or Thermo Mechanically Treated bar (TMT) and other items used for construction of factory shed, building or laying of foundation or making of structures for support of capital goods from the definition of ‘inputs’.

Now, Explanation 2 to rule 2(k) reads as follows:-

Input include goods used in the manufacture of capital goods which are further used in the factory of the manufacturer but shall not include cement, angles, channels, Centrally Twisted Deform bar (CTD) or Thermo Mechanically Treated bar (TMT) and other items used for construction of factory shed, building or laying of foundation or making of structures for support of capital goods.

[Notification No. 16/2009 - CE (NT) dated 07.07.2009]

(b) Rule 3(5B) - Provisions of rule 3(5B) made applicable to an output service provider also

New rule 3(5B) provides that if the value of any,

- (i) input, or
- (ii) capital goods before being put to use,

on which CENVAT credit has been taken is written off fully or where any provision to write off fully has been made in the books of account, then the manufacturer or service provider, as the case may be, shall pay an amount equivalent to the CENVAT credit taken in respect of the said input or capital goods.

However, if the said input or capital goods is subsequently used in the manufacture of final products or the provision of taxable services, the manufacturer or output service provider, as the case may be, shall be entitled to take the credit of the amount equivalent to the CENVAT credit paid earlier subject to the other provisions of these rules.

[Notification No. 16/2009 - CE (NT) dated 07.07.2009]

- (c) Rule 3(7)(a) - CENVAT credit admissible on inputs received from 100% EOU/unit in EHTP/STP

Rule 3(7)(a) provided that CENVAT credit in respect of inputs/capital goods produced or manufactured, by a 100% Export Oriented Undertaking (EOU) or by a unit in an Electronic Hardware Technology Park (EHTP) or in a Software Technology Park (STP) and which pays excise duty levied under section 3 of the Excise Act read with serial number 2 of Notification No. 23/2003-CE, dated 31.03.2003, used in the manufacture of the final products or in providing an output service, in any other place in India, shall be admissible equivalent to the amount calculated in the following manner namely :-

=Assessable Value $[(1+BCD/400) \times (CVD/100)]$

wherein, BCD stands for Basic Custom Duty

CVD stands for Countervailing Duty

Notification No. 48/ 2008-Central Excise (N.T.) dated 05.12.2008 has amended the aforesaid formula. Consequently, the CENVAT credit in respect of inputs cleared by a 100% EOU, by a unit in EHTP, or by a unit in STP to any other place in India shall be as follows:-

=Assessable Value $[(1+BCD/200) \times (CVD/100)]$

- (d) Proviso to rule 3(1)(xi) of the CENVAT Credit Rules, 2004

The amount equal to excise duty paid on the capital goods at the time of debonding of the unit in terms of the para 8 of Notification No. 22/2003 CE dated 31.03.2003 (which exempts certain goods when brought into 100% EOU / STP complex) shall be allowed as CENVAT credit.

[Notification No. 35/2008-CE (NT) dated 24.09.2008]

- (e) Rule 6(3)(i)

Earlier, rule 6(3)(i) provided that the provider of both taxable and exempted output services, opting not to maintain separate accounts, shall pay an amount equal to 8% of value of the exempted services and the manufacturer of both dutiable and exempted goods, opting not to maintain separate accounts, shall pay an amount equal to 10% of the value of the exempted goods.

Notification No. 16/2009 - CE (NT) dated 07.07.2009 has amended rule 6(3)(i) so as to prescribe that a provider of both taxable and exempted services, who does not maintain separate accounts of inputs, shall pay an amount equal to 6% of the value of exempted services instead of 8% and the manufacturer of both dutiable and exempted goods, opting not to maintain separate accounts, shall pay an amount equal to 5% of the value of the exempted goods instead of 10%.

(f) Rule 6(6)(i) Benefit under rule 6(6) extended to a developer of a SEZ

Rule 6(6)(i) provided that CENVAT credit shall be admissible on the inputs used in the manufacture of the final product cleared without payment of duty to a unit in a Special Economic Zone (SEZ).

Notification No. 50/2008 – CE (N.T.) dated 31.12.2008 has extended this benefit to “a developer of a Special Economic Zone (SEZ)” also.

II. Clarifications relating to the CENVAT Credit Rules, 2004

(a) Clarification of certain issues relating to rule 6(3) of the CENVAT Credit Rules, 2004

A. Circular No. 868/6/2008 CX dated 09.05.2008 has clarified the following issues with regard to rule 6(3) of the CENVAT Credit Rules, 2004*:

S.No.	Question	Answer
1.	Whether an assessee availing option (i) or option (ii) under rule 6(3) is allowed to take CENVAT credit of duty paid on inputs and input services which are used for both dutiable and exempted goods or services?	Yes, credit on such inputs and input services is allowed. However, an assessee following option (i) or (ii) under rule 6(3) shall not be allowed to take CENVAT credit of duty paid on those inputs and input services which are used exclusively for the manufacture of exempted goods or provision of exempted services [refer Explanation 2 of rule 6(3)]. For the purpose of the calculation of amount under formula given under rule 6(3A), the total CENVAT credit taken on inputs and input services does not include excise duty paid on inputs or service tax paid on input services which are used exclusively for the manufacture of exempted goods or provision of exempted services.

2.	Whether an assessee availing option (i) in respect of certain exempted goods/services can also avail option (ii) in respect of other exempted goods or services simultaneously?	An assessee opting for either of the option is required to avail the said option for all the exempted goods manufactured by him and all the exempted services provided by him and the option once exercised during a financial year (F.Y.) cannot be withdrawn during the remaining part of the FY. Therefore, the same assessee cannot avail both option (i) and option (ii) simultaneously during a financial year. [Explanation 1 to Rule 6(3)].
3.	Assessee opting for option (i) is required to pay an amount equivalent to 10% (now 5% w.e.f. 07.07.2009) of value of exempted goods or 8% (now 6% w.e.f. 07.07.2009) of value of exempted services. What is the scope of term "value" for the said purpose?	Value of the exempted goods is the transaction value as determined in terms of section 4 of the Central Excise Act, 1944 or value determined under section 4A. However, in case of goods chargeable to specific rate of duty, the value, shall be the transaction value to be determined under section 4. Value of the exempted service is the gross amount charged for providing the exempted service [without abatement].
4.	What is the accounting code to be followed by the assessee who is required to pay 8% (now 6% w.e.f. 07.07.2009) or other amount for the exempted service under rule 6(3)?	For the present, the assessee can pay the said amount under the accounting code applicable for service tax i.e. 0044.
5.	Whether input service distributor can also opt for option (i) or option (ii)?	As input service distributor does not provide any service, and is like a trader, the question of availing either of the options would not arise.

6.	Whether export of service without payment of service tax under Export of Service Rules shall be treated as exempted service for the purpose of rule 6(3)?	No, export of services without payment of service tax are not to be treated exempted services.
7.	What is the manner for calculation of CENVAT credit amount attributable to inputs used in or in relation to the manufacture of exempted goods?	It is required to be done on the basis of actual consumption of inputs used and the quantification may be made based upon the stores/production records maintained by the manufacturer. Further, a certificate from Cost Accountant/Chartered Accountant giving details of quantity of inputs used in the manufacture of exempted goods, value thereof and CENVAT credit taken on these inputs may be submitted at the end of the year.
8.	Whether credit in respect of input services covered by rule 6(5) would be required to be taken into account for determination of amount payable as per formula provide in rule 6(3A)?	No, the credit attributable to services mentioned in sub-rule (5) shall not be taken into account for determination of amount under rule 6(3A).

*Note - Rule 6(3) pertains to an assessee opting not to maintain separate CENVAT credit accounts for dutiable and exempted outputs. Such assessee has to opt for one of the following two options:

- (i) Pay an amount equal to 10% (now 5% w.e.f. 07.07.2009) of the value of the exempted goods or 8% (now 6% w.e.f. 07.07.2009) of the value of the exempted services. Exempted service includes non-taxable service also.
or
- (ii) Pay an amount equivalent to the CENVAT credit attributable to inputs and input services used in or in relation to manufacture of exempted goods or for provision of exempted services.

Rule 6(3A) prescribes the conditions and procedure to determine the amount of CENVAT credit attributable to exempted outputs.

Schemes under rule 6(3) are optional and each individual scheme is comprehensive and self-contained. An assessee can exercise the option in relation to all his activities as an assessee and the option is not available only in relation to a part of his activity and the option once exercised cannot be withdrawn during the said financial year.

B. Section 11D not applicable to amount collected under rule 6(3) of the CENVAT Credit Rules, 2004

It has been clarified that so long as the amount of 8% or 10% is paid to the Government in terms of rule 6(3) of the CENVAT Credit Rules, 2004*, the provisions of section 11D shall not be applied even if the amount is recovered from the buyers. As per section 11D, the Central Government shall be liable to recover any amount which has been collected as excise duty and not paid to the credit of the Central Government. It is to be noted that the CENVAT credit can be taken by the buyer only if it is a payment of duty in terms of rule 3(1) of the aforementioned rules. Therefore, the CENVAT credit of the said amount of 8% or 10% cannot be taken since such payment is not a payment of duty in terms of rule 3(1) of the said rules. So, the said 10% amount should be shown in the invoice as "10% amount paid under rule 6 of the CENVAT Credit Rules, 2004".

[Circular No. 870/08/2008-CX dated 16.05.2008]

*Note - Notification No. 16/2009 - CE (NT) dated 07.07.2009 has amended rule 6(3)(i) so as to prescribe that a provider of both taxable and exempted services, who does not maintain separate accounts of inputs, shall pay an amount equal to 6% of the value of exempted services instead of 8% and the manufacturer of both dutiable and exempted goods, opting not to maintain separate accounts, shall pay an amount equal to 5% of the value of the exempted goods instead of 10%.

The clarification provided in the above mentioned circular is applicable to the new rule 6(3) also.

(b) Clarification regarding reversal of CENVAT credit in case of trade discount

Sometimes, the supplier allows trade discount to the manufacturer. However, the manufacturer avails the CENVAT credit of the entire excise duty paid by the supplier as reflected in the invoice. The issue raised was whether proportionate credit should be reversed in such a case.

Circular No. 877/15/2008-CX dated 17.11.2008 has clarified that in such cases, the entire amount of duty paid by the manufacturer, as shown in the invoice, would be

available as credit irrespective of the fact that subsequent to clearance of the goods, the price is reduced by way of discount or otherwise.

However, if the duty paid is also reduced, along with the reduction in price, the reduced excise duty would only be available as credit. It may however be confirmed that the supplier, who has paid duty, has not filed/claimed the refund on account of reduction in price.

3. Pan Masala notified for the purpose of charging duty on the basis of capacity of production

Section 3A, as inserted by the Finance Act, 2008, contains the provisions to charge excise duty on the basis of capacity of production in respect of notified goods.

Notification No. 29/2008 CE (NT) dated 01.07.2008 has notified pan masala [falling under tariff item 2106 90 20 of the First Schedule to the Central Excise Tariff Act, 1985 (except the pan masala containing not more than 15% betel nut)] and pan masala containing tobacco, commonly known as gutkha (falling under tariff item 2403 99 90 of the said Tariff Act) manufactured with the aid of packing machine and packed in pouches, for the purpose of section 3A.

In this regard, Notification No. 30/2008 CE (NT) dated 01.07.2008 has notified the Pan Masala Packing Machines (Capacity Determination and Collection of Duty) Rules, 2008. They have come into force on the 1st day of July, 2008.

Further, Notification No. 32/2008 CE (NT) dated 28.08.2008 has granted rebate of duty on Pan Masala containing tobacco (gutkha) on which duty of excise has been paid under section 3A of the Central Excise Act, 1944, on their exportation out of India on or after 1st July, 2008, to any country except Nepal and Bhutan subject to the conditions, limitations and procedures prescribed therein.

4. Condition of paying excise duty from Personal Ledger Account, done away with, in the following cases:

- (a) Notification No. 39/2004 CE (NT) dated 25.11.2004 inter alia exempts class of manufacturers, who manufacture certain specified excisable goods prescribed therein and have paid excise duty of less than Rs.100 lakh from account current during the preceding financial year, from filing the annual information relating to principal inputs and monthly return of receipt and consumption of each of the principal inputs.

Notification No. 41/2008 CE (NT) dated 29.09.2008 has amended the said notification so as to remove the condition of paying the stipulated amount of duty from Personal Ledger Account only. Hence, the duty paid by utilizing the CENVAT credit shall now be included while computing the limit of Rs. 100 lakh.

Consequently, now the manufacturers of the prescribed excisable goods shall be exempted from filing the annual information relating to principal inputs and monthly

return of receipt and consumption of each of the principal inputs if they have paid the duty of less than Rs.100 lakh during the financial year, by any mode - either through Personal Ledger Account or by utilizing CENVAT credit or both.

- (b) Notification No. 17/2006 CE (NT) dated 01.08.2006 inter alia exempts the assesseees who have paid excise duty of less than Rs.100 lakh from account current during the financial year, from filing of the Annual Financial Information Statement.

Notification No. 42/2008 CE (NT) dated 29.09.2008 has amended the said notification so as to remove the condition of paying the stipulated amount of duty from account current. Hence, the duty paid by utilizing the CENVAT credit shall now be included while computing the limit of Rs. 100 lakh.

Consequently, now the assesseees shall be exempted from filing the Annual Financial Information Statement if they have paid the duty of less than Rs.100 lakh during the financial year, by any mode - either through Personal Ledger Account or by utilizing CENVAT credit or both.

5. Proviso to clause (2) of Notification No. 35/2001 CE (NT) dated 26.06.2001* amended

If a person has more than one premise requiring registration, he may obtain a single registration for all such premises if following conditions are satisfied:-

- (i) Such person manufactures Compressed Natural Gas (falling under heading 2711 of the of First Schedule to the Central Excise Tariff Act, 1985), and
- (ii) all the premises fall within the jurisdiction of one Chief Commissioner of Central Excise, and
- (ii) he has submitted the details of all such premises along with the application for registration.

However, prior intimation shall be given before starting any additional premises subsequent to obtaining such registration.

Further, if the assessee is registered under the existing provision, he may apply for fresh registration or file amendment to the registration as the case may be, in accordance with provisions of this notification.

[Notification No.43/2008-CE (NT) dated 06.10.2008]

*Note - Clause (2) of Notification No. 35/2001 CE (NT) dated 26.06.2001 prescribes that if the person has more than one premises requiring registration, separate registration certificate shall be obtained for each of such premises.

6. SSI exemption extended to SSIs producing specified packing materials bearing the brand name of another person

Notification No. 47/2008 CE dated 01.09.2008 (as amended by Notification No. 02/2009 dated 11.02.2009 and Notification No. 9/2009 dated 07.07.2009) has amended Notification No. 8/2003 CE dated 01.03.2003 to extend the benefit of small scale exemption of excise duty to SSIs producing goods bearing the brand name or trade name of another person if these goods are in the nature of packing materials, namely, printed cartons of paper or paper board, metal containers, HDPE woven sacks, adhesive tapes, stickers, PP caps, crown corks, metal labels, plastic bags and printed laminated rolls.

7. LTUs to pay duty electronically only

The Large Taxpayer Units (LTUs) shall pay the central excise and service tax dues electronically only, through internet banking.

However, in case of difficulties in e-payment, a large taxpayer is permitted to pay the duty through banks (except in such cases where e-payment is mandatory) in the jurisdiction of the LTU Commissionerate only.

8. Guidelines for provisional attachment of property under section 11DDA of the Central Excise Act, 1944

The key points of guidelines issued to implement section 11DDA of the Act to maintain uniformity in its implementation are as follows:-

- (a) The types of offences which may be considered for provisional attachment of property (resorted only when the duty or CENVAT Credit alleged is more than Rs. 25 lakhs) are as follows:
1. When the goods are removed without the cover of an invoice and without payment of duty, or without declaring the correct value.
 2. CENVAT Credit has been taken without receipt of goods or on the basis of Excise duty invoices or other documents which a person has a reason to believe as not genuine.
 3. Excise duty invoice is issued without delivery of goods.
 4. Refund or rebate is claimed in a fraudulent manner.
- (b) The property which is attached is immovable property/ properties which is/ are used for commercial purpose. If immovable property is not sufficient to protect the interest of revenue then movable property can be attached
- (c) The property provisionally attached shall be of value as nearly as may be equivalent to that of the amount demanded in the proceedings under section 11A or Section 11D of the Act.

- (d) Provisional attachment of the property shall be made only between sunrise and sunset.
- (e) After attachment, the proper officer shall prepare an inventory and specify in it the place where it is lodged or kept and shall hand over a copy of the same to the defaulter or the person from whose charge the property is distraised.
- (f) All such property as is by the Code of Civil Procedure, 1908 exempted from attachment and sale for execution of a Decree of a Civil Court shall be exempt from provisional attachment. The decision of the Commissioner of Central Excise in this regard shall be final.

[Circular No. 874/12/2008-CX dated 30.06.2008]

9. Packaged or canned software exempt from countervailing duty

On packaged or canned software falling under Chapter 85 of the First Schedule to the Central Excise Tariff Act, 1985, countervailing duty exemption has been provided on the portion of the value which represents the consideration for transfer of the right to use such software, subject to following conditions:-

- (1) The transfer of the right to use shall be for commercial exploitation including the right to reproduce, distribute and sell such software and the right to use the software components for the creation of and inclusion in other information technology software products.
- (2) The person providing the right to use shall make a declaration to this effect to the Assistant Commissioner/Deputy Commissioner of Central Excise, as the case may be, in respect of such transfer of the right to use for commercial exploitation.
- (3) The person providing the right to use shall be registered under section 69 of the Finance Act, 1994 read with rule 4 of the Service Tax Rules, 1994.

Explanation. - For the purposes of this exemption, "packaged software or canned software" means software developed to meet the needs of variety of users, and which is intended for sale or capable of being sold off the shelf.

The reason behind such exemption is that the portion of the value which represents the consideration for transfer of the right to use such software is leviable to service tax as 'information technology software service'.

B. CUSTOMS

Clarification in respect of procedure for sanctioning the custom duty refunds under section 27(2) of the Customs Act, 1962

It has been clarified that in terms of sub-section (2) of section 27, the concerned Assistant/Deputy Commissioner of Customs has to go through:-

- (i) the facts of the case and the material placed before him in order to determine whether the amount claimed by an applicant is refundable to him or not, and

- (ii) the details of audited Balance Sheet and other related financial records, certificate of the Chartered Accountant etc., submitted by the applicant in order to decide whether the applicant had not passed on the incidence of the duty and interest thereon, if any, to any other person.

The Order-in-Original passed by the Assistant/Deputy Commissioner of Customs in the adjudication process should be a speaking order providing specific details including the relevant financial records that are relied upon to arrive at a conclusion whether the burden of duty or interest, as the case may be, has been passed on or not.

Refund orders issued in a routine and casual manner thereby sanctioning the amount but crediting the same to the Consumer Welfare Fund without going through the factual details of the case and the due process as provided in the first proviso cannot be considered as a complete and speaking order.

[Circular No.7/2008-Cus dated 28.05.2008]

C. SERVICE TAX

Notification No. 26/2009 ST dated 19.08.2009 has notified 01.09.2009 as the date on which the services introduced by the Finance (No.2) Act, 2009 have become effective. Further, the amendments made in the existing services vide the Finance (No.2) Act, 2009 have also become effective from the said date.

1. Exemptions:

- (a) Notification No. 41/2007 ST dated 06.10.2007 superseded by Notification No. 17/2009 dated 07.07.2009

Situation prior to amendment

Notification No. 41/2007-ST dated 06.10.2007 provided for refund of service tax paid on services, which though not in the nature of input services, were relatable to export of goods. This notification had been amended several times in order to ensure speedier grant of refunds to the exporters. Moreover, a number of circulars had also been issued thereby clarifying certain procedural issues involved in its implementation.

Amendment made by Notification No. 17/2009 ST dated 07.07.2009

The said notification supersedes the Notification No. 41/ 2007-ST dated 06.10.2007. The refund scheme has been revamped to ensure speedier grant of refunds to the exporters. The salient feature of the new scheme is the simplified format for filing the refund claims. The said notification exempts the taxable services specified in column (3) of the Schedule below (hereinafter referred to as specified services) received by an exporter and used for export of goods (hereinafter referred to as said goods), from the whole of the service tax leviable thereon under section 66 and section 66A subject to the conditions specified in the corresponding entry in column (4) of the Schedule.

8. The Assistant Commissioner/Deputy Commissioner of Central Excise, as the case may be, shall, after due verification, allot a service tax code (STC) number to the exporter [referred to in point (7) above] within seven days from the date of receipt of the said Form A-2.
9. The exporter, referred to in point (6) or (7) , shall file the claim for refund of service tax to the Assistant Commissioner/Deputy Commissioner of Central Excise, as the case may be, having jurisdiction over the factory of manufacture, registered office or the head office, as the case may be, of such exporter in Form A-I.
10. The claim for refund shall be filed within one year from the date of export of the said goods.

Explanation.- For the purposes of this clause, the date of export shall be the date on which the proper officer of Customs makes an order permitting clearance and loading of the said goods for exportation under section 51 of the Customs Act, 1962 (52 of 1962);

11. For each taxable service specified in column (3) of the Schedule above, the exporter shall enclose all the documents specified in corresponding entry in column (4) of the said Schedule and the Form A-I with the claim of refund.

12. No refund claim shall be allowed if the same is for an amount less than Rs. 500.
 13. Where -
 - (a) the total amount of refund sought under a claim is upto 0.25% of the total declared free on board value of export;
 - (b) the exporter is registered with Export Promotion Council sponsored by the Ministry of Commerce or the Ministry of Textiles;
 - (c) subject to the provisions of (a) and (b) above, each document specified in clause (b) and in column (4) of the said Table shall be enclosed with the claim;
 - (d) invoice, bill or challan, or any other document issued in the name of the exporter, showing payment for such service availed and the service tax payable shall be submitted in original after being certified in the manner specified in sub-clauses (e) and (f);
 - (e) the exporter is a proprietorship concern or partnership firm, the documents enclosed with the claim shall be certified by the exporter himself and where the exporter is a limited company, the documents enclosed with the claim shall be certified by the person authorised by the Board of Directors;
 - (f) the documents enclosed with the claim shall contain a certificate from the exporter or the authorised person to the effect that specified service, to which the document pertains, has been received, the service tax payable thereon has been paid and the specified service has been used for export of goods under the shipping bill number;
 14. Where the amount of refund sought under a claim is more than 0.25% of the declared free on board value of export, such certification, shall be done by the Chartered Accountant who audits the annual accounts of the exporter for the purposes of the Companies Act, 1956 or the Income Tax Act, 1961, as the case may be.
- B. Refund of service tax by Assistant Commissioner/Deputy Commissioner of Central Excise
- The Assistant Commissioner/Deputy Commissioner of Central Excise, as the case may be, shall, after satisfying himself, -
- (i) that the claim filed is complete in every respect;
 - (ii) that all the documents requiring certification have been filed after due certification; and
 - (iii) about the arithmetical accuracy of the claim,

shall refund the service tax paid on the specified service within a period of one month from the receipt of said claim.

However, where the Assistant Commissioner/Deputy Commissioner of Central Excise has reason to believe that the claim, or the enclosed documents are not in order or that there is a reason to deny such refund, he may, after recording the reasons in writing, take action, in accordance with the provisions of the said Act and the rules made there under.

C. Recovery of service tax erroneously refunded

Where any refund of service tax paid on specified service utilised for export of said goods has been paid to an exporter but the sale proceeds in respect of the said goods have not been realised by or on behalf of the exporter in India within the period allowed under the Foreign Exchange Management Act, 1999, including any extension of such period, such service tax refunded shall be recoverable under the provisions of the said Act and the rules made there under, as if it is a recovery of service tax erroneously refunded.

2. Amendments in the Service Tax Rules, 1994:

Following amendments have been made in the Service Tax Rules, 1994:

(i) Amendments in rule 6

(a) Explanation to third proviso to rule 6(1)

For the removal of doubts, it is hereby declared that where the transaction of taxable service is with any associated enterprise, any payment received towards the value of taxable service, in such case shall include any amount credited or debited, as the case may be, to any account, whether called 'Suspense account' or by any other name, in the books of account of a person liable to pay service tax.

[Notification No. 19/2008 ST dated 10.05.2008]

(b) Rule 6(7B) - option to pay 0.25% of the gross amount in case of services provided in relation to purchase or sale of foreign currency

The person liable to pay service tax in relation to purchase or sale of foreign currency, including money changing, provided by a foreign exchange broker, including an authorised dealer in foreign exchange or an authorized money changer, referred to in sub-clauses (zm) and (zzk) of clause (105) of section 65 of the Finance Act, 1994 as amended shall have the option to pay an amount calculated at the rate of 0.25% of the gross amount of currency exchanged towards discharge of his service tax liability instead of paying service tax at the rate specified in section 66 of Chapter V of the Act.

However, such option shall not be available in cases where the consideration for the service provided or to be provided is shown separately in the invoice, bill or, as the case may be, challan issued by the service provider.

(b) Amendment in the “Taxation of Service (Provided from Outside India and Received in India) Rules, 2006”

(i) Notification No. 21/2008 ST dated 10.05.2008 has amended the “Taxation of Service (Provided from Outside India and Received in India) Rules, 2006” by inserting a proviso after clause (iii) of rule 3. The proviso lays down that where the supply of tangible goods service [section 65(105)(zzzzj)] is received by a recipient located in India, then such taxable service shall be treated as taxable service provided from outside India and received in India subject to the condition that the tangible goods supplied for use are located in India during the period of use of such tangible goods by such recipient.

(ii) Territorial jurisdiction

Notification No. 21/2009-ST dated 07.07.2009 has brought the services provided to or from installations, structures and vessels in the entire Continental Shelf of India and Exclusive Economic Zone of India within the ambit of the provisions relating to service tax.

Accordingly, the Taxation of Services (Provided from Outside India and Received in India) Rules, 2006 (containing the rules regarding the import of services) have been amended vide Notification 22/2009-ST dated 07.07.2009 to extend the definition of India to include installations, structures and vessels in the entire Continental Shelf of India and Exclusive Economic Zone of India.

Definition of “India” prior to amendment

Rule 2(e) defined India as follows:-

India includes the designated areas in the Continental Shelf and Exclusive Economic Zone of India as declared by the notifications of the Government of India.

Definition as amended by Finance (No.2) Act, 2009

Rule 2(e) has been substituted by the new rule 2(e) which defines “India” as follows:-

India includes the installations, structures and vessels in the Continental Shelf and Exclusive Economic Zone of India.

(c) Amendment in the Export of Services Rules, 2005

The new proviso provides that where the supply of tangible goods service [section 65(105)(zzzzj)] is provided to a recipient located outside India, then such taxable service shall be treated as export of taxable service subject to the condition that the tangible goods supplied for use are located outside India during the period of use of such tangible goods by such recipient.

4. Amendments to abatement notification - Notification No.1/2006 ST dated 01.03.2006

- (a) With effect from 16.05.2008, Notification No. 22/2008 ST dated 10.05.2008 has made the following amendments in Notification No.1/2006 ST dated 01.03.2006 which prescribes various abatements in respect of certain taxable services specified therein:

In the said notification,

S.no.	in case of	for the words	the words that have been substituted are
1.	mandap keeper services	to the client	to any person
2.	convention services	client	recipient of service
3.	erection, commissioning or installation service	customer	recipient of service

- (b) Abatement of 30% from the gross amount charged in case of services in relation to chit

Notification No. 27/2008 ST dated 27.05.2008 has amended Notification No. 1/2006 ST dated 01.03.2006 so as to provide an abatement of 30% in case of services provided in relation to chit from the gross amount charged for such service.

“Chit” has been defined to mean a transaction whether called chit, chit fund, chitty, kuri, or by any other name by or under which a person enters into an agreement with a specified number of persons that every one of them shall subscribe a certain sum of money (or a certain quantity of grain instead) by way of periodical installments over a definite period and that each subscriber shall, in his turn, as determined by lot or by auction or by tender or in such other manner as may be specified in the chit agreement, be entitled to the prize amount.

- (i) where any refund of service tax paid on specified services is erroneously refunded for any reasons whatsoever, such service tax refunded shall be recoverable under the provisions of the said Finance Act and the rules made thereunder, as if it is a recovery of service tax erroneously refunded.
7. Clarification regarding levy of service tax on services provided by “commercial training or coaching centers”

Circular No. 107/01/2009 – ST dated 28.01.2009

Section 65(26) provides that commercial training or coaching means any training or coaching provided by a commercial training or coaching centre;

Section 65(27) defines commercial training or coaching centre as-

- any institute or establishment providing commercial training or coaching for imparting skill or knowledge or lessons
 - on any subject or field other than the sports,
 - with or without issuance of a certificate and
 - includes coaching or tutorial classes but
 - does not include
- (i) preschool coaching and training centre or
 - (ii) any institute or establishment which issues any certificate or diploma or degree or any educational qualification recognised by law for the time being in force;

The aforesaid circular clarifies on the following mentioned issues:-

A. Commercial nature of the institute

The commercial training or coaching does not mean that such institute must have 'commercial' (i.e. profit making) intent or motive. It has to be interpreted in a wider sense.

B. Vocational Training Institutes - whether institutes offering general course on improving communication skills, how to be effective in group discussions or personal interviews, personality development, general grooming and finishing etc are covered

The circular clarifies that such institutes are not covered under the definition of vocational training institute because they only improve the chances of success for a candidate possessing required skill and do not impart training to enable the trainee to seek employment or self-employment.

C. Post school education

(a) Institutes falling under the category of institutes/establishments which issue diploma or certificate recognized by the law for the time being in force-hence not taxable under the category of "commercial coaching and training services"

1. University as defined under section 2(f) of the UGC Act, 1956
2. Deemed University as defined under section 3 of the UGC Act, 1956
3. A college or institution, recognized by UGC, run by a trust/registered society/body corporate/body incorporated under Central or State Act as an institution affiliated to or form as constituent member with a university, providing education up to a bachelors degree, masters degree or diploma of a duration of minimum one academic year.
4. Autonomous colleges as per National Policy on Education, 1986.

(b) Institutes not falling under the category of institutes/establishments which issue diploma or certificate recognized by the law for the time being in force-hence taxable under the category of "commercial coaching and training services"

An institution or establishment which is derecognized by the professional councils (such as All India Council for Technical Education-AICTE, Medical Council of India-MCI, Indian Council for Agricultural Research-ICAR, Bar Council of India-BCI) created through independent Union Acts.

- (c) Deemed to be University not required to obtain the approval of AICTE to start any programme in technical or management education leading to an award, including degrees in disciplines covered under the AICTE Act, 1987

From the year 2005 onwards, a technical institution or establishment (which is otherwise recognized being a university, or affiliate college) has to obtain AICTE approval to fall under the category of institutes/establishments which issue diploma or certificate recognized by the law for the time being in force. However 'Deemed to be University' have been exempt from this requirement.

- (d) Taxability of the courses conducted

In India, due to change in legal provisions, an institute/establishment may be recognized by the law at one time and not recognized at other. However, the taxability of the courses conducted would depend on the legal status of such institute or establishment at the point of time when such service is provided (i.e. course is conducted).

8. Whether the theatre owners are required to pay service tax on the rent received by them from distributors?

Screening of movie is not taxable except in the following case:-

Where the distributor leases out the hall for screening of the movie,

- (i) the theater owner gets a fixed rent from the distributor.
- (ii) the profit or loss from exhibiting the film is borne by the distributor.

In such a case, the theatre owner provides the taxable service of 'renting of immovable property' for furtherance of business or commerce and is accordingly liable to pay service tax on the rent received from the distributor.

[Circular No. 109/03/2009 dated 23.02.2009]

9. Service Tax (Provisional Attachment of Property) Rules, 2008

These rules introduced by Notification No.30/2008 ST dated 01.07.2008 with effect from 01.07.2008 provide as follows:-

Rule 3 - Procedure for provisional attachment of property

- (a) The Assistant or the Deputy Commissioner of Central Excise, after due verification of the facts and circumstances of the case, for the purpose of protecting the interest of revenue, during the pendency of any proceeding under section 73/73A of the Finance Act, 1994, may forward a proposal for provisional attachment of property belonging to a person on whom a notice has been served under section 73(1)/73A(3) of the Act, to the Commissioner in the format prescribed in these Rules.

- (b) The Commissioner may cause service of a notice on such person who can make a submission in this regard within 15 days of service of the notice.
- (c) Upon consideration of submission, the Commissioner may pass an order to attach the property provisionally.

Rule 4 - The property that can be attached

- (1) Value of property attached shall be of value as nearly as may be equivalent to that of the amount of pending revenue against such person.
- (2) The movable property of such person shall be attached only if the immovable property available for attachment is not sufficient to protect the interest of revenue.

Rule 5 - Obligations of person whose property has been attached provisionally

The said person or his representative shall not mortgage, lease, transfer, deliver or deal with the attached property in any manner except with the previous approval of the Commissioner of Central Excise.

Rule 6 - Period for which order of provisional attachment of property remains in force

Every such provisional attachment shall cease to have effect after the expiry of a period of six months from the date of the service of the order passed.

However, Chief Commissioner of Central Excise may grant an extension for a maximum period of two years.

10. Guidelines in respect of provisional attachment of property

Circular No. 103/06/2008 ST dated 01.07.2008 has issued the following guidelines in respect of provisional attachment of property for the purposes of protecting the interests of revenue during the pendency of any proceedings under section 73 or section 73A of the Act:

- 1. The following types of offences committed by a service provider or an exporter may be considered for provisional attachment of property:-
 - (a) Provision of a taxable service without the cover of an invoice or any other document, as prescribed, and without payment of tax;
 - (b) Provision of a taxable service without declaring the correct value for payment of service tax, where a portion of value of taxable service, in excess of invoice price, is received by him or on his behalf but not accounted for in the books of account.
 - (c) Taking of CENVAT credit without the receipt of goods or services specified in the document based on which the said credit has been taken;

- (d) Taking of CENVAT credit on invoices or other documents which a person has reasons to believe as not genuine;
- (e) Issue of service tax invoice or any other document, without providing or to be providing a taxable service, as specified in the said invoice or other document;
- (f) Claiming of refund or rebate in a fraudulent manner such as on invoice or other documents which a person has reason to believe as not genuine.

2. The provisional attachment of property shall be resorted only in a case where the service tax or CENVAT credit alleged to be involved is more than Rs.25 lakh.
3. Personal property of a sole proprietor or partners shall not be attached. Personal property means any movable or immovable property which is in personal use of the sole proprietor or partner. However, immovable property/ properties which is/ are used for commercial purpose may be provisionally attached. Movable property should be attached only if the immovable property available for attachment is not sufficient to protect the interests of revenue.

It should also be ensured that such attachment does not hamper the normal business of the assessee. This would mean that inputs required for provision of a service should not be attached by the department.

4. Provisional attachment of the property shall not be excessive, that is to say, the property provisionally attached shall be of value as nearly as may be equivalent to that of the amount demanded in the proceedings under section 73 or section 73A of the Act.
5. The provisional attachment of the property of the concerned person shall be made after sunrise and before sunset and not otherwise.
6. After provisional attachment of the property, the Central Excise Officer shall prepare an inventory of the property attached and specify in it the place where it is lodged or kept and shall hand over a copy of the same to defaulter or the person from whose charge the property is distrained.
7. All such property as is by the Code of Civil Procedure, 1908 exempted from attachment and sale for execution of a decree of a Civil Court shall be exempt from provisional attachment. The decision of the Commissioner of Central Excise in this regard shall be final.

11. Clarification of issues relating to service tax levy on goods transport road services

Circular No. 104/07/2008-ST dated 06.08.2008 has clarified the following issues relating to service tax levy on goods transport by road services:

- (i) Issue: GTA provides service to a person in relation to transportation of goods by road in a goods carriage. The service provided is a single composite service which

may include various intermediary and ancillary services such as loading/unloading, packing/unpacking, transshipment, temporary warehousing. For the service provided, GTA issues a consignment note and the invoice issued by the GTA for providing the said service includes the value of intermediary and ancillary services. In such a case, whether the intermediary or ancillary activities is to be treated as part of GTA service and the abatement should be extended to the charges for such intermediary or ancillary service?

Clarification: GTA provides a service in relation to transportation of goods by road which is a single composite service. GTA also issues consignment note. The composite service may include various intermediate and ancillary services provided in relation to the principal service of the road transport of goods. Such intermediate and ancillary services may include services like loading/unloading, packing/unpacking, transshipment, temporary warehousing etc., which are provided in the course of transportation by road. These services are not provided as independent activities but are the means for successful provision of the principal service, namely, the transportation of goods by road. The contention that a single composite service should not be broken into its components and classified as separate services is a well-accepted principle of classification. As clarified earlier vide F.No. 334/4/2006-TRU dated 28.2.2006 (para 3.2 and 3.3) and F. No. 334.1/2008-TRU dated 29.2.2008 (para 3.2 and 3.3), a composite service, even if it consists of more than one service, should be treated as a single service based on the main or principal service and accordingly classified. While taking a view, both the form and substance of the transaction are to be taken into account. The guiding principle is to identify the essential features of the transaction. The method of invoicing does not alter the single composite nature of the service and classification in such cases is based on essential character by applying the principle of classification enumerated in section 65A. Thus, if any ancillary/intermediate service is provided in relation to transportation of goods, and the charges, if any, for such services are included in the invoice issued by the GTA, and not by any other person, such service would form part of GTA service and, therefore, the abatement of 75% would be available on it.

- (ii) Issue: GTA providing service in relation to transportation of goods by road in a goods carriage also undertakes packing as an integral part of the service provided. It may be clarified whether in such cases service provided is to be classified under GTA service.

Clarification: Cargo handling service [Section 65(105)(zr)] means loading, unloading, packing or unpacking of cargo and includes the service of packing together with transportation of cargo with or without loading, unloading and unpacking. Transportation is not the essential character of cargo handling service

but only incidental to the cargo handling service. Where service is provided by a person who is registered as GTA service provider and issues consignment note for transportation of goods by road in a goods carriage and the amount charged for the service provided is inclusive of packing, then the service shall be treated as GTA service and not cargo handling service.

- (iii) Issue: Whether time sensitive transportation of goods by road in a goods carriage by a GTA shall be classified under courier service and not GTA service?

Clarification: On this issue, it is clarified that so long as, (a) the entire transportation of goods is by road; and (b) the person transporting the goods issues a consignment note, it would be classified as 'GTA Service'.

12. Clarifications of service tax issues relating to units in SEZ

Circular No. 105/08/2008 -ST dated 16.09 2008 has clarified the service tax issues relating to units in Special Economic Zones. It has been observed that there has been lack of clarity in the field formations administering service tax as regards the applicability of service tax levy on units located in SEZ. This lack of clarity has resulted in certain problems especially with respect to service tax administration. The issues and the proposed actions are mentioned below:

- (i) Non-payment of service tax by SEZ units providing taxable service outside SEZ

There is no exclusion to SEZs in the Chapter V of the Finance Act, 1994 Taxable services received by SEZ units and SEZ developers for consumption within the SEZ are exempt for service tax under notification No. 4/2004-ST, dated 31.3.2004 (now Notification No.9/2009-ST dated 03.03.2009). However, service tax is applicable on taxable services provided by SEZ units, except such services which are exempt by notification No. 4/2004-ST (now Notification No.9/2009-ST dated 03.03.2009). The C &AG, has pointed out instances, where SEZ units in Chennai & Cochin were providing taxable services like manpower supply service, technical testing and analysis service etc., to units / persons outside SEZ, without payment of service tax. In this regard the Ministry of Commerce (MOC) has observed that monitoring and collection of service tax does not come under the jurisdiction of the Development Commissioner and that such responsibility rests with the jurisdictional service tax (or CX & ST) authorities under the Central Board of Excise and Customs. Therefore, field formations should ensure that SEZs units, providing taxable services to any person for consumption in DTA (or providing any taxable service which is otherwise not exempt), or is otherwise liable to pay service tax under the service tax law, take registration with the jurisdictional service tax authorities and discharge their service tax liability in terms of the Finance Act, 1994.

- (ii) Refund of Service Tax on taxable services used for the purposes of exports of goods by SEZ units

Refund of service tax paid on certain taxable services used in export of goods is permitted under notification 41/2007-ST. This notification prescribes that the refund would be allowed by the jurisdictional Deputy Commissioner/Assistant Commissioner of Central Excise. Doubts have arisen as to the authority that would process these claims when made by SEZ, i.e., the SEZ authorities or jurisdictional service tax authorities. As stated above, the Ministry of Commerce has already opined that administering the service tax law is responsibility of CBEC. Refund of service tax is to be processed by the respective jurisdictional authority administering service tax law. Accordingly, it is clarified that the SEZ units, claiming refund of service tax, should take registration with the jurisdictional ST authorities and file their claims there.

Note : The aforesaid circular is also applicable to the new refund scheme notified.

[Notification 16/2009-ST dated 07.07.2009]

14. Rate of service tax reduced from 12% to 10%

Notification No. 8/2009-S.T. dated 24-2-2009 has reduced the rate of service tax from 12% to 10% with effect from 24.02.2009.

15. Amendment in 'tour operator services'

Situation prior to amendment

Private bus operators, who operate buses on specific inter-state or intra-state routes, were required to pay service tax as they ply their buses having 'contract carriage permits'. Therefore, they were covered under the definition of tour operators. On the other hand, the State Undertakings run buses, which ran on the same route carrying passengers, were not liable to pay the service tax as these buses bear 'stage carriage permit'.

Amendment made by Notification No. 20/2009-ST, dated 07.07.2009

In order to bring parity between the two, the services provided by the tour operators having a contract carriage permit for inter-state/intra-state transportation of passengers have been fully exempted from service tax, provided such transportation is not in relation to tourism or conducted tours, charter or hire service.

16. Amendment in 'banking and other financial services'

Situation prior to amendment

Money changer services provided in relation to sale and purchase of foreign currency was made liable to service tax with effect from 16.05.2008.

Amendment made by Notification no 19/2009 – ST dated 07.07.2009

In respect of such services, exemption has been granted when such services are provided by one Scheduled bank to another Scheduled bank.

17. Gross amount charged for a works contract under the composition scheme

Explanation to rule 3 of Works Contract (Composition Scheme for Payment of Service Tax) Rules, 2007 provides that the gross amount charged for the works contract shall not include Value Added Tax (VAT) or sales tax, as the case may be, paid on transfer of property in goods involved in the execution of the said works contract.

Above Explanation has been modified so as to allow the benefit of optional composition scheme only to such works contracts where the taxpayer declares the entire value of goods (whether supplied under any other contract for a consideration or otherwise) and services used in the execution of the works contract as the 'gross value' charged for the works contract. According to the new explanation, the gross amount charged for the works contract shall include the following:

- a. the value of all goods used in or in relation to the execution of the works contract, whether supplied under any other contract for a consideration or otherwise; and
- b. the value of all the services that are required to be provided for the execution of the works contract;
- c. the charges for obtaining machinery and tools used in the execution of the said works contract

Following shall be excluded from the gross amount charged:

- a. the value added tax or sales tax as the case may be paid on transfer of property in goods involved; and
- b. the cost of machinery and tools used in the execution of the said works contract.

The aforementioned explanation shall not apply to the current works contracts where either the execution has commenced or any payment has been made in relation to the said contract on or before the 07.07.2009.
