

DIRECT TAXES / DIRECT TAX LAWS

AMENDMENTS BY THE FINANCE ACT, 2007

I INCOME-TAX ACT, 1961

1. RATES OF TAX

Section 2 of the Finance Act, 2007 read with Part I of the First Schedule to the Finance Act, 2007, seeks to specify the rates at which income-tax is to be levied on income chargeable to tax for the assessment year 2007-08. Part II lays down the rate at which tax is to be deducted at source during the financial year 2007-08 i.e. A.Y. 2008-09 from income subject to such deduction under the Income-tax Act; Part III lays down the rates for charging income-tax in certain cases, rates for deducting income-tax from income chargeable under the head "salaries" and the rates for computing advance tax for the financial year 2007-08 i.e. A.Y.2008-09. Part III of the First Schedule to the Finance Act, 2007 will become Part I of the First Schedule to the Finance Act, 2008 and so on.

Rates for deduction of tax at source for the A.Y. 2008-09

Part II of the First Schedule to the Act specifies the rates at which income-tax is to be deducted at source during the financial year 2007-08 i.e. A.Y. 2008-09 from income other than "salaries". These rates of tax deduction at source are the same as were applicable for the A.Y.2007-08. However, for A.Y.2008-09, a threshold limit has been fixed for applicability of surcharge in the case of firms and companies also.

- (i) Surcharge @ 10% of income-tax deducted at source would be attracted in the case of firms and domestic companies only if the income or the aggregate of such incomes paid or likely to be paid and subject to tax deduction at source exceeds Rs.1 crore.
- (ii) Surcharge @ 2½% of income-tax deducted at source would be attracted in the case of foreign companies only if the income or the aggregate of such incomes paid or likely to be paid and subject to tax deduction at source exceeds Rs.1 crore.

Rates for deduction of tax at source from "salaries", computation of "advance tax" and charging of income-tax in certain cases during the financial year 2007-08

Part III of the First Schedule to the Act specifies the rate at which income-tax is to be deducted at source from "salaries" and also the rate at which "advance tax" is to be computed and income-tax is to be calculated or charged in certain cases for the financial year 2007-08 i.e. A.Y. 2008-09. There is no change in the rate structure as compared to A.Y.2007-08, except for increase in the threshold limit by Rs.10,000 in the case of individuals, HUFs, AOPs, BOIs and artificial juridical persons.

(iii) Firm

The rate of tax for A.Y.2008-09 is the same as that for A.Y.2007-08 i.e. 30% on the whole of the total income of the firm.

(iv) Local authority

The rate of tax for A.Y.2008-09 is the same as that for A.Y.2007-08 i.e. 30% on the whole of the total income of the local authority.

(v) Company

The rates of tax for A.Y.2008-09 are the same as that for A.Y.2007-08.

(1)	In the case of a domestic company	30% of the total income
(2)	In the case of a company other than a domestic company	50% of specified royalties and fees for rendering technical services and 40% on the balance of the total income.

Surcharge

The rates of surcharge applicable for A.Y.2008-09 are as follows -

(i) Individual/HUF/AOP/BOI

Where total income exceeds Rs.10,00,000, surcharge is payable at the rate of 10% on the income-tax computed in accordance with the provisions of Paragraph (i) [(a), (b) or (c)] above or section 111A or 112 after reducing rebate under Chapter VIII-A.

Marginal relief: In case of such individuals/HUFs/AOPs/BOIs having a total income exceeding Rs.10,00,000, the additional amount of income-tax payable (together with surcharge) on the excess of income over Rs.10,00,000 should not be more than the amount of income exceeding Rs.10,00,000. This is called 'marginal relief'.

Income-tax on total income of Rs.10 lakhs works out to Rs.2,49,000. Surcharge is not attracted on this tax since the total income does not exceed Rs.10 lakhs. However, if the total income is say, Rs.10,30,000, tax on the same would be Rs.2,83,800 (i.e. Rs.2,58,000 + 25,800, being surcharge of 10%). The additional tax works out to Rs.34,800 (i.e., 2,83,800-2,49,000). However, the additional tax cannot exceed the amount by which Rs.10,30,000 exceeds Rs.10,00,000. That is, the additional tax cannot exceed Rs.30,000. Therefore, the total tax payable would be only Rs.2,79,000 (i.e. 2,49,000 + 30,000). The marginal relief is Rs.4,800 (i.e. 34,800-30,000).

(ii) Artificial juridical person

Surcharge is payable at the rate of 10% of income-tax computed in accordance with the provisions of paragraph (i)(a) above or section 111A or section 112.

(iii) Firm/Domestic company

Where the total income exceeds Rs.1 crore, surcharge is payable at the rate of 10% of income-tax computed in accordance with the provisions of para (iii)/(v)(1) above or section 111A or section 112. Marginal relief is available in case of such firms/companies having a total income exceeding Rs.1 crore i.e. the additional amount of income-tax payable (together with surcharge) on the excess of income over Rs.1 crore should not be more than the amount of income exceeding Rs.1 crore.

(iv) Foreign company

Where the total income exceeds Rs.1 crore, surcharge is payable at the rate of 2½% of income-tax computed in accordance with the provisions of paragraph (v)(2) above or section 111A or section 112. Marginal relief is available in case of such companies having a total income exceeding Rs.1 crore i.e. the additional amount of income-tax payable (together with surcharge) on the excess of income over Rs.1 crore should not be more than the amount of income exceeding Rs.1 crore.

Education cess on income-tax

The amount of income-tax as increased by the union surcharge should be further increased by an additional surcharge called the "Education cess on income-tax", calculated at the rate of 2% of such income-tax and surcharge. Education cess is leviable in the case of all assesseees i.e. individuals, HUF, AOP/BOI, co-operative

societies, firms, local authorities and companies. Further, "Secondary and higher education cess on income-tax" @1% of income-tax and surcharge is leviable from A.Y.2008-09 to fulfill the commitment of the Government to provide and finance secondary and higher education.

2. BASIC CONCEPTS

(a) Assessing Officer to include Additional Commissioner and Additional Director [Section 2(7A)]

Clauses (1C) and (1D) inserted in section 2 to define Additional Commissioner and Additional Director, respectively.

- (i) The definition of Assessing Officer, as it stands at present, does not include Additional Commissioner and Additional Director.
- (ii) The Delhi Bench of the Tribunal, in Bindal Apparels Ltd. v. ACIT 104 TTJ (Del) 950, held that the Additional Commissioner of Income-tax cannot exercise or perform all or any powers and functions of an Assessing Officer, as the definition of "Assessing Officer" under the Income-tax Act does not include Additional Commissioner of Income-tax.
- (iii) Therefore, in order to fill this lacuna, Additional Commissioner of income-tax and Additional Director of income-tax have now been included within the scope of definition of "Assessing Officer" with retrospective effect from 1.6.94 and 1.10.96, respectively.
- (iv) Consequently, sub-sections (1C) and (1D) have been inserted in section 2 w.e.f. 1.6.94 to define Additional Commissioner and Additional Director, respectively, to mean a person appointed to be so under section 117(1).
- (v) Further, clause (9B) has been inserted w.e.f. 1.4.88 to define an "Assistant Director" to mean a person appointed to be an Assistant Director of Income-tax under section 117(1).

(b) Amendment of definition of 'India' [Section 2(25A)]

The Income-tax Act extends to the whole of India. Therefore, the definition of the term "India" is very important. Section 2(25A) has been substituted to define the term 'India' to mean –

- (i) the territory of India as per article 1 of the Constitution,
- (ii) its territorial waters, seabed and subsoil underlying such waters,
- (iii) continental shelf,
- (iv) exclusive economic zone or
- (v) any other specified maritime zone and the air space above its territory and territorial waters.

Specified maritime zone means the maritime zone as referred to in the Territorial

Waters, Continental Shelf, Exclusive Economic Zone and other Maritime Zones Act, 1976.

This amendment is likely to have an effect on income assignable to satellites and the signals beamed through air space.

(Effective retrospectively from 25.8.76)

3. RESIDENCE AND SCOPE OF TOTAL INCOME

- (a) Contribution made by any employer to the pension scheme of Central Government deemed to be income received [Section 7(iii)]

Related amendment in sections: 17(1)(viii), 80CCD

- (i) As per clause (iii) of section 7, the contribution made by the Central Government in the previous year to the account of an employee under a pension scheme referred in section 80CCD is deemed to be income received in the previous year.
- (ii) As per section 17(1)(viii), salary includes the contribution made by the Central Government in the previous year to the account of an employee under a pension scheme referred to in section 80CCD.
- (iii) Section 80CCD provides for deduction of employee's and employer's contribution to pension scheme notified by the Central Government. However, if the amount contributed exceeds 10% of salary, then the deduction would be restricted to 10% of salary. This restriction is applicable both in the case of employee's contribution and employer's contribution to such scheme.
- (iv) The benefit of deduction under this section is currently available only to individuals employed by the Central Government on or after 1.1.2004.
- (v) This deduction is now extended also to individuals employed by any other employer on or after 1.1.2004.
- (vi) The entire employer's contribution would be included in the salary of the employee. However, deduction under section 80CCD would be restricted to 10% of salary.
- (vii) Accordingly, clause (iii) of section 7 has been amended to also deem the contribution made by any other employer in the previous year to the account of an employee under a pension scheme referred in section 80CCD as income received in the previous year.
- (viii) Further, clause (viii) of section 17(1) has been amended to provide for inclusion of the contribution made by any other employer in the previous year to the account of an employee under a pension scheme referred in section 80CCD in the salary of the employee.

(Effective retrospectively from 1.4.2004)

(b) Income deemed to accrue or arise in India to a non-resident by way of interest, royalty and fee for technical services to be taxed irrespective of territorial nexus [Explanation to section 9]

- (i) The Supreme Court, in *Ishikawajima-Harima Heavy Industries Ltd. v. Director of Income-tax* (2007) 288 ITR 408, observed that in order to tax the income of a non-resident assessee under section 9(1)(vii), relating to fee for technical services, the income sought to be taxed must have sufficient territorial nexus with India i.e. the fees paid for technical services provided by a non-resident cannot be taxed in India unless the services were utilized in India and rendered in India. This observation is not in consonance with the source rule spelt out in the law and the stand taken by India in the bilateral treaties with different countries.
- (ii) It is now clarified that such income by way of interest, royalty or fee for technical services which is deemed to accrue or arise in India by virtue of clauses (v), (vi) and (vii) of section 9(1), shall be included in the total income of the non-resident, whether or not the non-resident has a residence or place of business or business connection in India.

(Effective retrospectively from 1.6.76)

(a) Exemption of compensation received on account of disaster [Section 10 (10BC)]

- (i) This clause exempts any amount received or receivable as compensation by an individual or his legal heir on account of any disaster.
- (ii) Such compensation should be granted by the Central Government or a State Government or a local authority.
- (iii) However, exemption would not be available in respect of compensation for alleviating any damage or loss, which has already been allowed as deduction under the Act.
- (iv) "Disaster" means a catastrophe, mishap, calamity or grave occurrence in any area, arising from natural or man made causes, or by accident or negligence. It should have the effect of causing -
 - (1) substantial loss of life or human suffering; or
 - (2) damage to, and destruction of, property; or
 - (3) damage to, or degradation of, environment.

It should be of such a nature or magnitude as to be beyond the coping capacity of the community of the affected area.

- (i) Under sub-clause (vii) of section 10(15), interest on bonds issued by a local authority and specified by the Central Government by notification in the Official Gazette, is exempt from income-tax.
- (ii) This clause has been amended so as to provide that interest on bonds issued by a State Pooled Finance Entity and specified by the Central Government by notification in the Official Gazette, shall also be exempt from income-tax.
- (iii) "State Pooled Finance Entity" means such entity which is set up in accordance with the guidelines for the Pooled Finance Development Scheme notified by the Central Government in the Ministry of Urban Development.

(Effective from A.Y. 2008-09)

(c) Exemption of income of ASOSAI-SECRETARIAT [Section 10(23BBD)]

- (i) Clause (23BBD) provides exemption of any income of the Secretariat of the Asian Organisation of the Supreme Audit Institutions registered as "ASOSAI-SECRETARIAT" under the Societies Registration Act, 1860 for seven previous years relevant to A.Y.2001-02 to A.Y.2007-08.
- (ii) The Comptroller and Auditor General of India is the Secretary General of ASOSAI and its Secretariat functions from his office.
- (iii) Since the term of the Comptroller and Auditor General of India as the Secretary General of ASOSAI has been extended by another three years, this clause has been amended to extend the said exemption for a further period of three assessment years i.e. A.Y 2008-09, A.Y.2009-10 & A.Y.2010-11.

(Effective from A.Y.2008-09)

(d) Exemption of income of Central Electricity Regulatory Commission [Section 10(23BBG)]

A new clause (23BBG) has been inserted in section 10 to provide exemption to any income of Central Electricity Regulatory Commission constituted under sub-section (1) of Section 76 of the Electricity Act, 2003.

(Effective from A.Y. 2008-09)

(e) Approval of prescribed authority required for exemption of funds/institutions established for charitable purposes [Section 10(23C)]

Related amendment in sections: 80E, 143(3) & 296

- (i) Sub-clause (iv) of section 10(23C) provides for exemption of the income of any fund or institution established for charitable purposes which is notified by the Central Government in the Official Gazette, having regard to the objects of the fund or institution and its importance throughout India or throughout any State or States.

- (ii) Similarly, sub-clause (v) of section 10(23C) provides for exemption of the income of any trust (including any other legal obligation) or institution established wholly for public religious purposes or wholly for public religious and charitable purposes, which is notified by the Central Government in the Official Gazette.
- (iii) Sub-clauses (iv) and (v) have been amended to provide that such exemption would be available to the entities referred to therein only if they are approved by the prescribed authority. The Central Government will no longer issue notification for this purpose.
- (iv) Consequential amendments have been made in clause (23C) of section 10, so as to include a reference to approval granted by the prescribed authority under sub-clause (iv) or sub-clause (v) of the said clause.
- (v) It has also been provided that all pending applications in respect of which no notification has been issued under the said sub-clause (iv) or (v) before 1st June, 2007, shall stand transferred on that day to the prescribed authority and the prescribed authority may proceed with such applications from the stage at which they were on that day.
- (vi) Consequently, an amendment has been made in the definition of "approved charitable institution" under section 80E. Such an institution was required to be notified by the Central Government under section 10(23C). Now, hereafter such institutions have to be approved by the prescribed authority under section 10(23C).
- (vii) Consequential amendment has been made in sub-clause (ii) of the proviso to section 143(3). Therefore, in the case of such fund, trust or institution which is required to furnish a return under section 139(4C), no order of assessment of total income shall be made by the Assessing Officer without giving effect to the provisions of section 10, unless the approval granted to such fund, trust or institution has been withdrawn.
- (viii) Further, section 296 has been amended to provide that only notifications issued before 1st June, 2007 under section 10(23C)(iv) shall be placed before each House of Parliament within the specified period.

(Effective from 1.6.2007)

- (f) Exemption of specified income of Investor Protection Fund set up by commodity exchanges [Section 10(23EC)]
 - (i) Clause (23EA) exempts income by way of contributions received from recognised stock exchanges and the members thereof, of notified Investor Protection Fund, set up by recognised stock exchanges in India, either jointly or separately.
 - (ii) In order to provide similar exemption to Investor Protection Funds set up by commodity exchanges, a new clause (23EC) has been inserted in section 10.

- (iii) This clause exempts income, by way of contributions received from commodity exchanges and the members thereof, of such Investor Protection Fund set up by commodity exchanges in India, either jointly or separately, as the Central Government may, by notification in the Official Gazette, specify in this behalf.
- (iv) Where any amount standing to the credit of the said Fund and not charged to income-tax during any previous year is shared, either wholly or in part, with a commodity exchange, the entire amount so shared shall be deemed to be the income of the previous year in which the amount is so shared and shall accordingly be chargeable to income-tax.
- (v) A “commodity exchange” means a “registered association” as defined in clause section 2(jj) of the Forward Contracts (Regulation) Act, 1952. i.e. an association to which for the time being a certificate of registration has been granted by the Forward Markets Commission under Sec. 14B of that Act.

(Effective from A.Y. 2008-09)

- (g) Pass through status restricted to investment in a venture capital undertaking engaged in specified businesses [Section 10(23FB)]
 - (i) Under clause (23FB), any income of a venture capital company or venture capital fund set up to raise funds for investment in a venture capital undertaking is exempt from tax.
 - (ii) Section 115U provides that any income received by a person out of investments made in a venture capital company or venture capital fund would be chargeable to income-tax in the same manner as if such income was received by such person directly from the venture capital undertaking. Therefore, at present, venture capital company/venture capital fund is a pass through entity.
 - (iii) As per the existing definition, “venture capital undertaking” means a venture capital undertaking referred to in the Securities and Exchange Board of India (Venture Capital Funds) Regulations, 1996 made under the Securities and Exchange Board of India Act, 1992 and notified in the Official Gazette by the Board.
 - (iv) This clause has been amended to restrict such exemption only in respect of income of a venture capital company or venture capital fund from investment in a venture capital undertaking engaged in certain specified businesses or industries.
 - (v) For this purpose, this clause has amended the definition of venture capital undertaking to mean such domestic company whose shares are not listed in a recognised stock exchange in India and which is engaged in

- (F) production of bio-fuels,
- (G) building and operating composite hotel-cum-convention centre with seating capacity of more than three thousand; or
- (H) developing or operating and maintaining or developing, operating and maintaining any infrastructure facility as defined in the Explanation to clause (i) of sub-section (4) of section 80-IA i.e.

- (vi) Therefore, exemption under this clause would be available only if the venture capital company/venture capital fund invests in the businesses or industries specified in (v) above. In such cases, tax would be payable by the investor under section 115U. If the venture capital company/venture capital fund invests in other businesses or industries, then it would not be eligible for exemption under this clause.

(Effective from A.Y.2008-09)

- (h) Restrictive conditions to apply for units in SEZ also for availing benefit under section 10AA
 - (i) Under the Income-tax Act, in respect of provisions in the nature of tax holidays for an undertaking, benefit of exemption/deduction available to newly established undertakings is generally denied to units which are reconstructed or split up.
 - (ii) These restrictive conditions are already contained in, inter alia, sections 10A and 10B. However, there was no such restriction in section 10AA.

- (iii) Therefore, these conditions have now been introduced in section 10AA to prevent misuse of benefit available thereunder by merely shifting the location of an existing unit to a SEZ, since the same would mitigate the objective of encouraging industrial development, employment generation etc.
- (iv) This amendment has been effected by substituting existing sub-section (4) of section 10AA.
- (v) Benefit under section 10AA would no longer be available to those units which are formed by splitting up or reconstruction of a business already in existence (except in circumstances provided in section 33B), or formed by transfer to a new business, of plant and machinery previously used for any purpose exceeding 20% of the total value of machinery and plant used in the business.
- (vi) For this purpose, any machinery or plant which was used outside India by any person other than the assessee shall not be regarded as machinery or plant previously used for any purpose if the following conditions are fulfilled:
 - (a) such machinery or plant was not at any time used in India;
 - (b) such machinery or plant is imported into India from any country outside India; and
 - (c) no deduction on account of depreciation has been allowed in respect of such machinery or plant to any person earlier.

(Effective retrospectively from 10.2.2006)

5. CHARITABLE OR RELIGIOUS TRUSTS AND INSTITUTIONS

- (a) Removal of requirement to file an application for registration within one year of creation or establishment of the trust or institution [Section 12A]

Related amendment in section: 12AA

- (i) The marginal heading of section 12A has been substituted. Section 12A now provides the conditions for applicability of sections 11 and 12.
- (ii) Clause (a) of section 12A requires a charitable or religious trust or institution to make an application for registration within one year from the date of creation of the trust or establishment of the institution. The Commissioner is empowered to condone the delay in making the application for registration if he is satisfied that there were sufficient reasons for such delay. In such cases, the exemption provisions of section 11 and 12 would apply from the date of creation of the trust or establishment of the institution.
- (iii) This requirement of filing an application for registration under section 12A within one year of creation of the religious or charitable trust or institution has been removed. The application can be filed at any time now. This has been provided by insertion of new clause (aa) in section 12A(1). Further, a proviso has been inserted in clause (a) to restrict the applicability of that clause to applications made prior to 1.6.2007.

- (iv) Also, the power of the Commissioner to grant registration for past years, by condoning the delay in filing such application, has been removed.
- (v) Accordingly, in respect of applications filed on or after 1st June, 2007, the provisions of sections 11 and 12 shall apply from the assessment year relevant to the financial year in which the application is made i.e. the exemption would be available only with effect from the assessment year relevant to the previous year in which the application is filed. It would not be available in respect of any earlier assessment year.
- (vi) Consequential amendments have been made in sub-sections (1) and (2) of section 12AA to include a reference to an application for registration of a trust or institution made under the newly inserted clause (aa) of section 12A.

(Effective from 1.6.2007)

- (b) Exemption not to be denied to trusts investing in shares of a public sector company or shares prescribed as a form or mode of investment under section 11(5)(xii) [Section 13(1)]
 - (i) Section 13 provides that the exemption provisions contained in sections 11 and 12 shall not apply to a charitable or religious trust or institution if any shares in a company, other than a Government company or a corporation established by or under a Central, State or Provincial Act, are held by the trust or institution after 30.11.83.
 - (ii) This condition has now been relaxed to permit the charitable or religious trusts and institutions to invest in shares in a public sector company and shares prescribed as a form or mode of investment under section 11(5)(xii).

Note – Section 11(5) specifies the forms and modes of investing and depositing the money for the purpose of claiming exemption. Clause (xii) of section 11(5) permits investment/deposit in any other form or mode of investment or deposit as may be prescribed.

(Effective retrospectively from 1.4.99)

6. INCOME FROM SALARIES

Deemed concession in the matter of rent [Section 17]

- (i) Under section 17(2)(ii), the value of any concession in the matter of rent arising to an employee in respect of any accommodation provided by his employer is considered as "perquisite" chargeable to tax in the hands of the employee.
- (ii) Rule 3(1) of the Income-tax Rules provides the basis of valuation of perquisites in respect of accommodation provided to an employee, as under:
 - (a) 20% of salary in cities having population exceeding 4 lacs (10% of salary up to 31.3.2006)
 - (b) 15% of salary in other cities (7.5% of salary up to 31.3.2006)

- (iii) In case of furnished accommodation provided by an employer, the value arrived as above was to be further increased by 10 percent of the cost of furniture, where the same is owned by the employer, or the actual hire charges paid by the employer in case the furniture is hired.
- (iv) This method of perquisite valuation resulted in genuine hardship to employees availing facility of residential accommodation in remote areas, as the value of perquisite was determined as a percentage of salary of the employee, irrespective of the fair rental value of the property (which may be much lower than 20%/15% of salary in such cases).
- (v) Rule 3(1) was challenged as ultra vires before the Supreme Court in the case of Arun Kumar v. UOI (2006) 286 ITR 89. The Apex court, while holding that the provisions of Rule 3(1) were constitutionally valid, observed that the same would be applicable only if 'concession in the matter of rent' with respect to the accommodation provided by an employer accrues to the employee under the substantive provisions of section 17(2)(ii). The Assessing Officer, before applying Rule 3(1), was required to establish that there was 'concession in the matter of rent' provided to the employee.
- (vi) Further, as per the Apex court, the difference between the value as per Rule 3(1) and the rent recovered from the employee, could not per se be considered as 'concession in the matter of rent' provided to the employee.
- (vii) In order to clarify the correct intent of law, Explanations have been inserted in section 17(2)(ii) to provide that the difference between the specified rate (as shown in column 4 of the table below w.e.f. 1.4.2006 and column 2 of the table below upto 31.3.2006) and the amount of rent recoverable/recovered from the employee would be deemed to be the concession in the matter of rent in case of accommodation owned by the employer. In case of accommodation taken on lease or rent by the employer, the difference between the actual lease rent or 15% of salary (10% of salary up to 31.3.2006), whichever is lower, and rent recovered/recoverable from the employee would be deemed to be the concession in the matter of rent.

Upto 31.3.2006		From 1.4.2006	
(1)	(2)	(3)	(4)
Type of accommodation	Deemed concession in the matter of rent	Type of accommodation	Deemed concession in the matter of rent
Accommodation owned by the employer		Accommodation owned by the employer	
In cities having a population exceeding 4 lakh	10% of salary minus rent recoverable from the employee.	In cities having a population exceeding 25 lakh	15% of salary minus rent recoverable from the employee.

In other cities	7.5% of salary minus rent recoverable from the employee.	In cities having a population exceeding 10 lakh but not exceeding 25 lakh	10% of salary minus rent recoverable from the employee.
		In other cities	7½% of salary minus rent recoverable from employee.
Accommodation taken on lease by the employer	Rent paid by the employer or 10% of salary, whichever is lower, minus rent recoverable from the employee.	Accommodation taken on lease by the employer	Rent paid by the employer or 15% of salary, whichever is lower, minus rent recoverable from the employee.

- (viii) This deeming provision is applicable to employees other than Government employees. In case of furnished accommodation provided to such employees, the excess of hire charges paid or 10% p.a. of cost of furniture, as the case may be, over and above the charges paid or payable by the employee would be added to the value determined in column (4) above for determining whether there is a concession in the matter of rent.

Note – Once there is a deemed concession, the provisions of Rule 3(1) would be applicable in computing the taxable perquisite.

- (ix) "Salary" includes pay, allowances, bonus or commission payable monthly or otherwise or any monetary payment, by whatever name called, from one or more employers, as the case may be. However, it does not include the following, namely–
- (1) dearness allowance or dearness pay unless it enters into the computation of superannuation or retirement benefits of the employee concerned;
 - (2) employer's contribution to the provident fund account of the employee;
 - (3) allowances which are exempted from the payment of tax;
 - (4) value of the perquisites specified in section 17(2);
 - (5) any payment or expenditure specifically excluded under the proviso to section 17(2) i.e., medical expenditure/payment of medical insurance premium specified therein.

- (x) In case of Government employees, the excess of licence fees determined by the employer as increased by the value of furniture and fixture over and above the rent recovered/recoverable from the employee and the charges paid or payable for furniture by the employee would be deemed to be the concession in the matter of rent.

7. PROFITS AND GAINS OF BUSINESS OR PROFESSION

- (a) Increase in time limit for availing weighted deduction in respect of scientific research expenditure [Section 35(2AB)]

Section 35(2AB) provides for a weighted deduction of one and a half times of the expenditure on in-house research and development incurred up to 31.3.2007 by a company engaged in the business of bio-technology or manufacturing or production of any drugs or pharmaceuticals etc. The benefit would now be available in respect of such expenditure incurred up to 31.3.2012.

(Effective from A.Y.2008-09)

- (b) Medical insurance premium paid by employer to insure the health of his employees to qualify for deduction if paid by any mode other than cash [Section 36(1)(ib)]

- (i) Section 36(1)(ib) provides deduction in respect of premium paid by an employer to keep in force an insurance on the health of his employees under a scheme framed in this behalf by GIC or any other insurer.

- (ii) So far, only premium paid by cheque qualified for deduction under this section. Now, premium paid by any mode other than cash would qualify for deduction.

(Effective from A.Y.2008-09)

- (c) Co-operative banks to be allowed deduction in respect of provision for bad and doubtful debts [Section 36(1)(viiia)]

Related amendment in section: 10(15)

- (i) Under section 36(1)(viiia), deduction of an amount not exceeding 7½% of the total income (computed before making any deduction under the said clause and Chapter VIA) and an amount not exceeding 10% of the aggregate average advances made by the rural branches of a scheduled bank or a non-scheduled bank computed in the prescribed manner is allowed in the computation of income of such banks. "Scheduled bank", as defined in the Explanation to clause (viiia) of section 36(1) specifically excludes a co-operative bank.

- (ii) The deduction earlier allowable under section 80P in the case of a co-operative society engaged in carrying on the business of banking (i.e. co-operative banks) has been withdrawn from A.Y. 2007-08 except in the case of a primary agricultural credit society or a primary co-operative agricultural and rural development bank. This is for the purpose of treating the co-operative

banks at par with other commercial banks, which do not enjoy similar benefits.

- (iii) Since profits of co-operative banks are now taxable, the deduction in respect of any provision for bad and doubtful debts allowable to other banks under section 36(1)(viiia) has been extended to co-operative banks also. However, this deduction is not available to primary agricultural credit societies and primary co-operative agricultural and rural development banks, since they are still eligible for deduction under section 80P.
- (iv) Consequently, the definition of scheduled bank in the Explanation to said clause (viiia) has been amended to include a co-operative bank.
- (v) Section 43D provides that in the case of, inter alia, a scheduled bank, the interest on bad and doubtful debts as per the guidelines of the RBI shall be chargeable to tax in the year in which it is credited to the profit and loss account or in the year in which it is actually received, whichever is earlier. This provision would now be applicable to co-operative banks also, since the Explanation to this section provides that "scheduled bank" shall have the same meaning assigned to it in the Explanation to section 36(1)(viiia).
- (vi) Section 10(15) exempts, inter alia, interest payable by a scheduled bank to a non-resident or to a person who is not ordinarily resident within the meaning of section 6(6) on deposits in foreign currency where the acceptance of such deposits by the bank is approved by the Reserve Bank of India.
- (vii) However, in this case, exemption under section 10(15) is not available to a co-operative bank. Therefore, scheduled banks, which so far had the same meaning as defined in the Explanation to section 36(1)(viiia), has now been defined in section 10(15) itself to specifically exclude a co-operative bank.

(Effective from A.Y.2007-08)

- (d) Restriction of deduction under section 36(1)(viii) relating to transfer to any special reserve
 - (i) The existing clause (viii) of section 36(1) has been substituted with a new clause mainly for making the ensuing amendments in the scheme for granting the deduction on account of transfer to the special reserve by a specified entity [specified in the table below (b)]–
 - (a) Deduction is now admissible also to a co-operative bank other than a primary agricultural credit society and primary co-operative agricultural and rural development bank;
 - (b) Deduction was earlier available to the extent of 40% of the profits derived from such business of providing long-term finance carried to the reserve account. Now, this deduction is restricted to a maximum of 20% of the profits derived from eligible business. The eligible business for different

entities specified are given in the table below –

	Specified entity	Eligible business
1.	Financial Corporation specified in section 4A of the Companies Act, 1956 Financial corporation which is a public sector company Banking company Co-operative bank (other than a primary agricultural credit society or a primary co-operative agricultural and rural development bank)	Business of providing long-term finance for - (i) industrial or agricultural development or development of infrastructure facility in India; or (ii) construction or purchase of houses in India for residential purposes.
2.	A housing finance company	Business of providing long-term finance for the construction or purchase of houses in India for residential purposes.
3.	Any other financial corporation including a public company	Business of providing long-term finance for development of infrastructure facility in India.

- (ii) However, where the aggregate amount carried to such reserve account exceeds twice the amount of paid up share capital and general reserve, no deduction shall be allowed in respect of such excess. This provision remains unchanged.

(Effective from A.Y.2008-09)

- (e) Withdrawal of deduction in respect of contribution towards Exchange Risk Administration Fund by public financial institutions [Section 36(1)(x)]
- (i) Under section 36(1)(x), any sum paid by a public financial institution by way of contribution towards any Exchange Risk Administration Fund (ERAF) set up by public financial institutions, either jointly or separately, is allowed as deduction in the computation of income of the payer institution.
- (ii) ERAFs were set up under a scheme known as Exchange Risk Administration Scheme (ERAS). The benefit of coverage of exchange risk under the Scheme was available to borrowers of foreign currency loans provided by institutions out of their external commercial borrowings.

- (iii) The foreign exchange scenario in India has undergone a sea change since the launching of ERAS. There are several options available in the market for borrowers to hedge their foreign exchange risk. Responding to changed market dynamics ERAFs have been discontinued by the Industrial and Development Bank of India (IDBI), Power Finance Corporation (PFC) and Indian Renewable Energy Development Agency (IREDA). This clause has, therefore, outlived its utility.
- (iv) Therefore, the Finance Act 2007 has omitted this clause w.e.f. A.Y.2008-09.
(Effective from A.Y.2008-09)
- (f) Central Government empowered to notify statutory corporations and body corporates for the purpose of deduction under section 36(1)(xii)
 - (i) Section 36(1)(xii) provides for deduction of any expenditure (not being in the nature of capital expenditure) incurred by a corporation or a body corporate constituted or established by a Central, State or Provincial Act, for the objects and purposes authorised by the said Acts.
 - (ii) It is possible that the objects and purposes as listed in the Acts may permit any kind of expenditure, the allowability of which cannot be questioned in terms of the existing provisions. Therefore, the Central Government has now been empowered to notify the statutory corporations or bodies after studying the objects and purposes enunciated in the Acts under which these statutory corporations or bodies are established.
 - (iii) Accordingly, this section has been substituted to provide that the deduction shall be allowed if such corporation or body corporate is notified by the Central Government in the Official Gazette under the said clause, having regard to the objects and purposes of the corresponding Central, State or Provincial Act.
(Effective from A.Y.2008-09)
- (g) Deduction of contribution by a public financial institution to Credit guarantee fund trust for small industries [Section 36(1)(xiv)]
 - (i) New clause (xiv) has been inserted in section 36(1) to provide for deduction of any sum paid by a public financial institution by way of contribution to such credit guarantee fund trust for small industries notified by the Central Government in the Official Gazette.
 - (ii) Public financial institution has the meaning assigned to it in section 4A of the Companies Act, 1956.
(Effective from A.Y.2008-09)
- (h) Disallowance of entire expenditure in respect of which payments exceeding Rs.20,000 have been made otherwise than by account payee cheque or account payee bank draft [Section 40A(3)]
 - (i) Under section 40A(3), 20% of the expenditure in respect of which payment

exceeding Rs.20,000 has been made by account payee cheque or account payee bank draft is disallowed.

- (ii) The disallowance has been raised from 20% to 100% of the expenditure. In case of an assessee following mercantile system of accounting, if an expenditure has been allowed as deduction in any previous year on due basis, and payment exceeding Rs.20,000 has been made in the subsequent year otherwise than by account payee cheque or account payee bank draft, then the payment so made shall be deemed to be the income of the subsequent year in which such payment has been made.
- (iii) However, no disallowance would be made in such cases and under such circumstances as may be prescribed, having regard to the nature and extent of banking facilities available, considerations of business expediency and other relevant factors.

(Effective from A.Y.2008-09)

- (i) Method of computing deduction in the case of business reorganisation of co-operative banks [New section 44DB]

Related amendments in sections: 47 & 49

- (i) This section provides the manner in which the deduction under the following sections are to be allowed in a case where business reorganisation of a co-operative bank has taken place during the financial year –
 - (1) Section 32 (Depreciation);
 - (2) Section 35D (Amortisation of certain preliminary expenses);
 - (3) Section 35DD (Amortisation of expenses in case of amalgamation or demerger);
 - (4) Section 35DDA (Amortisation of expenditure incurred under voluntary retirement scheme).
- (ii) Business reorganisation means the reorganisation of business involving the amalgamation or demerger of a co-operative bank.
- (iii) Co-operative bank shall have the meaning assigned to it in clause (cci) of section 5 of the Banking Regulation Act, 1949 i.e., a primary co-operative bank or Central Co-operative bank or a State co-operative bank.
- (iv) Predecessor co-operative bank means the amalgamating co-operative bank or the demerged co-operative bank, as the case may be.
- (v) Successor co-operative bank means the amalgamated co-operative bank or the resulting bank, as the case may be.
- (vi) The amount of deduction allowable to the predecessor co-operative bank under the above-mentioned sections has to be determined in accordance with the following formula -

$$A \times \frac{B}{C}$$

A = the amount of deduction allowable to the predecessor co-operative bank if the business reorganisation had not taken place;

B = the number of days comprised in the period beginning with the 1st day of the financial year and ending on the day immediately preceding the date of business reorganisation; and

C = the total number of days in the financial year in which the business reorganisation has taken place.

- (vii) The amount of deduction allowable to the successor co-operative bank under the above-mentioned sections has to be determined in accordance with the formula -

$$A \times \frac{B}{C}$$

A = the amount of deduction allowable to the predecessor co-operative bank if the business reorganisation had not taken place;

B = the number of days comprised in the period beginning with the date of business reorganisation and ending on the last day of the financial year; and

C = the total number of days in the financial year in which the business reorganisation has taken place.

For example, let us take a case where the deduction allowable under section 32 to the predecessor co-operative bank is, say, Rs.1,20,000 and the business re-organisation took place on 1.11.06. Then, the deduction allowable to the predecessor co-operative bank under section 32 would be Rs.70,356 i.e. Rs.1,20,000 x 214 / 365. The deduction allowable to the successor co-operative bank would be Rs.49,644 i.e. Rs.1,20,000 x 151/365.

- (viii) In a case where an undertaking of the predecessor co-operative bank entitled to the deduction under sections 35D, 35DD or 35DDA is transferred before the expiry of the period specified therein to a successor co-operative bank on account of business reorganisation, the provisions of section 35D, section 35DD or section 35DDA shall apply to the successor co-operative bank in the financial years subsequent to the year of business reorganisation as they would have applied to the predecessor co-operative bank, as if the business reorganisation had not taken place.

- (ix) Amalgamated co-operative bank means -

- (1) a co-operative bank with which one or more amalgamating co-operative banks merge; or

- (2) a co-operative bank formed as a result of merger of two or more amalgamating co-operative banks;
- (x) Amalgamating co-operative bank means -
 - (1) a co-operative bank which merges with another co-operative bank; or
 - (2) every co-operative bank merging to form a new co-operative bank.
- (xi) Amalgamation means the merger of an amalgamating co-operative bank or banks with an amalgamated co-operative bank, in such a manner that -
 - (1) all the assets and liabilities of the amalgamating co-operative bank or banks immediately before the merger (other than the assets transferred, by sale or distribution on winding up, to the amalgamated co-operative bank) become the assets and liabilities of the amalgamated co-operative bank;
 - (2) the members holding 75% or more voting rights in the amalgamating co-operative bank become members of the amalgamated co-operative bank; and
 - (3) the shareholders holding 75% or more in value of the shares in the amalgamating co-operative bank (other than the shares held by the amalgamated co-operative bank or its nominee or its subsidiary, immediately before the merger) become shareholders of the amalgamated co-operative bank.
- (xii) Demerger means the transfer by a demerged co-operative bank of one or more of its undertakings to any resulting co-operative bank, in such manner that
 - (1) all the assets and liabilities of the undertaking or undertakings immediately before the transfer become the assets and liabilities of the resulting co-operative bank;
 - (2) the assets and the liabilities are transferred to the resulting co-operative bank at values (other than change in the value of assets consequent to their revaluation) appearing in its books of account immediately before the transfer;
 - (3) the resulting co-operative bank issues, in consideration of the transfer, its membership to the members of the demerged co-operative bank on a proportionate basis;
 - (4) the shareholders holding 75% or more in value of the shares in the demerged co-operative bank (other than shares already held by the resulting bank or its nominee or its subsidiary immediately before the transfer), become shareholders of the resulting co-operative bank, otherwise than as a result of the acquisition of the assets of the demerged co-operative bank or any undertaking thereof by the resulting co-operative bank;

- (5) the transfer of the undertaking is on a going concern basis; and
 - (6) the transfer is in accordance with the conditions specified by the Central Government, by notification in the Official Gazette, having regard to the necessity to ensure that the transfer is for genuine business purposes.
- (xiii) Demerged co-operative bank means the co-operative bank whose undertaking is transferred, pursuant to a demerger, to a resulting bank.
- (xiv) Resulting co-operative bank means -
- (1) one or more co-operative banks to which the undertaking of the demerged co-operative bank is transferred in a demerger; or
 - (2) any co-operative bank formed as a result of demerger.
- (xv) Consequential amendment has been made in section 47 to provide that any transfer in a business reorganisation, of a capital asset by the predecessor co-operative bank to the successor co-operative bank is not considered as a transfer for charge of capital gains. Similarly, any transfer by a shareholder, in a business reorganisation, of a capital asset being a share or shares held by him in the predecessor co-operative bank would not be considered as a transfer if it is made in consideration of the allotment to him of any share or shares in the successor co-operative bank.
- (xvi) Consequently, section 49 has been amended to provide that where the capital asset became the property of the assessee by such mode as specified in (xv) above, then the cost of acquisition of the asset shall be deemed to be the cost for which the previous owner of the property acquired it, as increased by the cost of any improvement of the assets incurred or borne by the previous owner or the assessee, as the case may be.
- (xvii) The cost of acquisition of shares in the amalgamated co-operative bank, which became the property of the assessee by virtue of a transfer as a result of business reorganisation shall be the cost of acquisition to him of the shares in the amalgamating co-operative bank.
- (xviii) Similarly, the cost of acquisition of the shares in the resulting co-operative bank shall be the amount which bears to the cost of acquisition of shares held by the assessee in the demerged co-operative bank, the same proportion as the net book value of the assets transferred in a demerger bears to the net worth of the demerged co-operative bank immediately before demerger i.e.,

$$\text{Cost of acquisition of shares in the resulting co-operative bank} = A \times \frac{B}{C}$$

A = Cost of acquisition of shares held in the demerged co-operative bank

B = Net book value of the assets transferred in a demerger

C = Net worth of the demerged co-operative bank i.e. the aggregate of the paid up share capital and general reserves as appearing in the books of account of the demerged company immediately before the demerger.

- (xix) The cost of acquisition of the original shares held by the shareholder in the demerged co-operative bank shall be deemed to have been reduced by the amount as so arrived at in (xviii) above.

(Effective from A.Y.2008-09)

8. CAPITAL GAINS

- (a) Transfer of drawings, paintings, sculptures etc. to attract capital gains tax [Section 2(14)]

- (i) Section 2(14) defines the term "Capital Asset". "Personal effects", other than jewellery, were specifically excluded from the definition of the term "Capital assets".
- (ii) Now, archaeological collections, drawings, paintings, sculptures or any work of art are included within the meaning of the term "Capital assets". This amendment has been effected by excluding the above from the ambit of "personal effects".

(Effective from A.Y.2008-09)

- (b) Cost of acquisition of specified securities and sweat equity shares [Section 49(2AB)]

Related amendment in section: 2(42A), 115WB & 115WC

- (i) Currently, the allotment of shares under eligible Employee Stock Option Plans (ESOPs) does not attract tax liability either in the hands of the employee or employer, even where the allotment of shares is at a price lower than the market value of such shares.
- (ii) The Finance Act, 2007 has brought ESOPs under the FBT net. FBT would be leviable on the employer to the extent of concession given to the employee/former employee while allotting any specified security (which includes ESOPs) or sweat equity shares.
- (iii) "Specified security" means the securities as defined in section 2(h) of the Securities Contracts (Regulation) Act, 1956 and includes employees' stock option.
- (iv) "Sweat equity shares" means equity shares issued by a company to its employees or directors at a discount or for consideration other than cash for providing know-how or making available rights in the nature of intellectual property rights or value additions, by whatever name called.
- (v) The value of fringe benefits would be the fair market value of the specified security or sweat equity shares on the date on which the option vests with

employee as reduced by the amount actually paid by, or recovered from the employee in respect of such security or shares. Fair market value means the value determined in accordance with the method prescribed by the CBDT.

- (vi) Consequently, it has been provided that for the purpose of computing capital gains in the hands of the employee at the time of sale of such securities/shares by the employee, the cost of acquisition shall be the fair market value which has been taken into account for the purpose of computing the value of fringe benefits in the hands of the employer.
- (vii) Further, the period of holding, in the case of a specified security or sweat equity shares allotted or transferred, directly or indirectly, by the employer free of cost or at concessional rate to his employees, including former employees, shall be reckoned from the date of allotment or transfer of such specified security or sweat equity shares. Such period of holding will determine whether the asset transferred is a long-term capital asset or short-term capital asset.

(Effective from A.Y.2008-09)

- (c) Quantum of exemption under section 54EC in respect of investment of capital gains in long-term specified assets restricted
 - (i) Section 54EC provides exemption in respect of capital gains arising from transfer of long-term capital assets if such capital gains are invested in long-term specified assets, namely, bonds redeemable after three years issued by NHAI or RECL, within a period of 6 months from the date of such transfer.
 - (ii) This exemption has been restricted, by limiting the maximum investment on or after 1.4.2007 in such long-term specified assets to Rs.50 lakh during any financial year.
 - (iii) Prior to amendment, "Long term specified assets" meant any bond redeemable after three years and issued on or after 1st April, 2006 by National Highways Authorities of India and Rural Electrification Corporation Ltd. Such bonds had to be notified by the Central Government in the Official Gazette.
 - (iv) The requirement of notifying such bonds by the Central Government in the Official Gazette has now been dispensed with.
 - (v) "Long term specified assets" is now defined to mean any bond redeemable after three years and issued on or after 1st day of April, 2007 by the National Highways Authorities of India or by the Rural Electrification Corporation Ltd. This amendment is effective from 1st April, 2007.

9. INCOME FROM OTHER SOURCES

Income to include gifts received by an individual under section 56(2)(vi) [Section 2(24)(xiv)]

- (i) Gifts received by an individual or HUF from any person was taxable under section 56(2)(v) under the head "Income from other sources" unless such gifts fell within

the exempted categories specified therein. This provision was introduced by the Finance (No.2) Act, 2004 w.e.f. 1.9.2004.

- (ii) Thereafter, the Taxation Laws (Amendment) Act, 2006 restricted the applicability of clause (v) of section 56(2) to gifts received up to 31.3.2006.
- (iii) New clause (vi) was introduced to tax gifts received by an individual or HUF on or after 1.4.2006. This clause provided an exemption if the aggregate value of gifts received by such individual or HUF is not more than Rs.50,000. Further, gifts received from the following persons are also fully exempt -
 - (i) any local authority; or
 - (ii) any fund or foundation or university or other educational institution or hospital or other medical institution or any trust or institution referred to in section 10(23C); or
 - (iii) any trust or institution registered under section 12AA.
- (iv) The definition of income under section 2(24) has now been amended to include any sum referred to in section 56(2)(vi).

(Effective from A.Y.2007-08)

10. SET-OFF AND CARRY FORWARD OF LOSSES

(a) Scope of benefit under section 72A expanded

- (i) Under section 72A, the benefit of carry forward of losses and unabsorbed depreciation of amalgamating company is available to the amalgamated company only if the amalgamating company is owning an industrial undertaking or a ship or a hotel or in the case of amalgamation of banking companies.
- (ii) Now, the benefit has been extended to amalgamation of public sector companies engaged in the business of operation of aircrafts.
- (iii) This amendment would entitle the benefit of carry forward and set-off of unabsorbed loss and depreciation in case of merger of Air India and Indian Airlines.

(Effective from A.Y.2008-09)

(b) Provisions relating to carry forward and set off of accumulated loss and unabsorbed depreciation allowance in business reorganisation of co-operative banks [Section 72AB]

- (i) Under this section, in a case where the amalgamation has taken place during the previous year, set-off of accumulated loss and the unabsorbed depreciation of the predecessor co-operative bank will be allowed in the hands of the successor co-operative bank as if the amalgamation had not taken place. All

the other provisions of this Act relating to set off and carry forward of loss and allowance for depreciation would apply accordingly.

- (ii) The benefit of carry-forward and set-off of accumulated losses under this section would be allowed only on fulfillment of the following conditions -
 - (a) Conditions to be fulfilled by the predecessor co-operative bank
 - (1) It should have been engaged in the business of banking for three or more years; and
 - (2) It has held at least three-fourths of the book value of fixed assets as on the date of the business reorganisation, continuously for two years prior to the date of business reorganisation;
 - (b) Conditions to be fulfilled by the successor co-operative bank
 - (1) It should hold at least three-fourths of the book value of fixed assets of the predecessor co-operative bank acquired through business reorganisation, continuously for a minimum period of five years immediately succeeding the date of business reorganisation;
 - (2) It continues the business of the predecessor co-operative bank for a minimum period of five years from the date of business reorganisation; and
 - (3) It fulfils such other conditions as may be prescribed to ensure the revival of the business of the predecessor co-operative bank or to ensure that the business reorganisation is for genuine business purpose.
- (iii) The amount of set-off of the accumulated loss and unabsorbed depreciation allowable to the resulting co-operative bank has to be calculated in the following manner -
 - (1) In a case where the whole of the amount of such loss or unabsorbed depreciation is directly relatable to the undertakings transferred to the resulting co-operative bank - the entire accumulated loss or unabsorbed depreciation of the demerged co-operative bank is allowed to be set-off.
 - (2) In a case where the accumulated loss or unabsorbed depreciation is not directly relatable to the undertakings transferred to the resulting co-operative bank - the amount which bears the same proportion to the accumulated loss or unabsorbed depreciation of the demerged co-operative bank as the assets of the undertaking transferred to the resulting co-operative bank bears to the assets of the demerged co-operative bank.

For example, if A Co.op Bank is the demerged co-operative bank and B Co. op Bank is the resulting co-operative bank, the amount of set-off of

the accumulated loss and unabsorbed depreciation allowable to B Co-op. bank would be –

$$\text{Unabsorbed business loss/depreciation of A Co - Op bank} \times \frac{\text{Assets of the undertaking transferred to B Co - op bank}}{\text{Assets of A Co - op bank}}$$

- (iv) The Central Government may specify other conditions by notification in the Official Gazette as it considers necessary, to ensure that the business reorganisation is for genuine business purposes.
- (v) The period commencing from the beginning of the previous year and ending on the date immediately preceding the date of business reorganisation, and the period commencing from the date of such business reorganisation and ending with the previous year shall be deemed to be two different previous years for the purposes of set off and carry forward of loss and allowance for depreciation.

For example, if the date on which business re-organisation took place is 1.11.06, then the period between 1.4.06 and 31.10.06 and the period between 1.11.06 and 31.3.07 would be deemed to be two different previous years for the purposes of set-off and carry forward of unabsorbed business losses and depreciation.

14. INCOME-TAX ON FRINGE BENEFITS

(a) FBT exemption extended to expenditure on advertisement by way of display of products and distribution of free samples [Section 115WB(2)(D)]

(i) Under the proviso to clause (D) of section 115WB(2), certain expenditure on advertisement have been excluded from "Sales promotion including publicity". The Finance Act, 2006 had excluded expenditure on distribution of free samples of medicines or of medical equipment to doctors from "sales promotion including publicity" and consequently, such expenditure is exempt from levy of FBT.

(ii) The Finance Act, 2007 now excludes any expenditure on distribution of samples free of cost or at a concessional rate from "Sales promotion including publicity". Therefore, the exemption is now not restricted to only distribution of free medical samples but is extended to distribution of all samples.

(iii) Further, expenditure on advertisement by way of display of products have also been excluded from "Sales promotion including publicity" and hence exempt from levy of FBT.

(Effective from A.Y.2008-09)

(b) FBT liability extended to Stock Options also [Section 115WB(1)& 115WC(1)]

Related amendment in sections: 17(2)(iii) & 115WKA

- (i) A new clause (d) has been inserted in section 115WB(1) to provide for levy of FBT on the value of any specified security or sweat equity shares allotted or transferred, directly or indirectly, by the employer free of cost or at concessional rate to his employees, including former employees.
- (ii) Specified security means “securities” as defined in section 2(h) of the Securities Contracts (Regulation) Act, 1956 and includes employees' stock option.
- (iii) Sweat equity shares means equity shares issued by a company to its employees or directors at a discount or for consideration other than cash for providing know-how or making available rights in the nature of intellectual property rights or value additions, by whatever name called.
- (iv) A new clause (ba) has been inserted in section 115WC(1), in order to prescribe the value of such specified security or sweat equity shares.
- (v) The value of specified security or sweat equity shares, for the purpose of levy of FBT, shall be the fair market value of such security or shares on the date on which the option vests with the employee, as reduced by any amount actually paid by, or recovered from, the employee in respect of such security or shares.
- (vi) The fair market value means the value determined in accordance with the method as may be prescribed by the CBDT.
- (vii) “Option” means a right but not an obligation granted to an employee to apply for the specified security or sweat equity shares at a pre-determined price.
- (viii) Consequently, the proviso to section 17(2)(iii) has been omitted. So far, the value of any benefit provided by a company free of cost or at a concessional rate to its employees by way of allotment of shares, debentures or warrants, directly or indirectly under any Employees' Stock Option Plan or Scheme of the company offered to such employees was an exempt perquisite. Now, it is a taxable fringe benefit.
- (ix) A new section 115WKA has been inserted for the purpose of enabling the employer to recover the FBT in respect of any specified security or sweat equity shares from the employees. If sweat equity shares are allotted or transferred, directly or indirectly, by an employer on or after 1.4.2007, it shall be lawful for the employer to vary the agreement or scheme under which such specified security or sweat equity shares has been allotted or transferred. The agreement or scheme can be modified so as to recover from the employee, the FBT, to the extent to which such employer is liable to pay the FBT in relation to the value of fringe benefits provided to the employee and determined in the manner specified in (v) above.

(Effective from A.Y.2008-09)

(c) Advance tax liability in respect of fringe benefits [Section 115WJ(2) to (5)]

- (i) Under section 115WJ(2), quarterly payment of advance fringe benefits tax, equal to 30% of the value of fringe benefits paid or payable during each quarter, is required to be made by an assessee, on or before the 15th day of the month following such quarter. The advance tax payable for the quarter ending on 31st March is payable by 15th of March. This was causing genuine hardship to the assesses since specific computations were required to be made for each quarter. Further, the FBT return also required information on a quarterly basis.
- (ii) The existing sub-section (2) of section 115WJ has been substituted to remove this difficulty. The new sub-section (2) requires payment of advance tax on the value of fringe benefits paid or payable in a financial year in the same manner as payment of advance income-tax. Accordingly, advance FBT will be payable in four installments in the case of companies in the following manner:

Due date of installment	Advance tax payable
On or before 15 th June	Not less than 15% of such advance tax.
On or before 15 th September	Not less than 45% of such advance tax, as reduced by the amount, if any, paid in the earlier installment.
On or before 15 th December	Not less than 75% of such advance tax, as reduced by the amount or amounts, if any, paid in the earlier installment or installments.
On or before the 15 th March	The whole amount of such advance tax as reduced by the amount or amounts, if any, paid in the earlier installment or installments.

Similarly, non-corporate assessees shall be liable to pay advance tax on the value of fringe benefits paid or payable in a financial year in three installments in the following manner -

Due date of installment	Advance tax payable
On or before the 15 th September	Not less than 30% of such advance tax.
On or before the 15 th December	Not less than 60% of such advance tax, as reduced by the amount, if any, paid in the earlier installment.
On or before the 15 th March	The whole amount of such advance tax as reduced by the amount or amounts, if any, paid in the earlier installment or installments.

Therefore, computation of value of fringe benefits on a quarterly basis is no longer required for payment of advance FBT.

(iii) Interest for deferment of advance FBT in the case of corporate assesseees [Section 115WJ(3)]

In case of corporate assesseees, simple interest (calculated as per the table given below) is payable in case of failure to pay advance tax before the due date of any installment or shortfall in the advance tax paid vis-à-vis advance tax due in any installment -

	Rate of Interest	Amount on which interest is payable
(1)	1% per month for 3 months	15% of advance tax payable minus advance tax paid on or before 15 th June.

15. INCOME-TAX AUTHORITIES

- (a) Additional Commissioner and Additional Director may exercise the powers / perform the functions conferred on or assigned to the Assessing Officer [Section 120(4)]
 - (i) Under clause (b) of section 120(4), the CBDT can empower the Director General or Chief Commissioner or Commissioner to issue orders in writing to the effect that the powers and functions conferred on or assigned to the Assessing Officer can be exercised or performed by a Joint Commissioner or Joint Director.
 - (ii) This clause has been amended to provide that the powers and functions conferred on or assigned to the Assessing Officer may also be exercised or performed by an Additional Commissioner and Additional Director, on issue of order in writing to that effect by the Director General, Chief Commissioner or Commissioner.
 - (iii) This amendment takes effect retrospectively from 1st June, 1994 (for inclusion of Additional Commissioner) and 1st October 1996 (for inclusion of Additional Director).
- (b) Change of method for calculation of interest from per annum basis to per month basis [Section 132B(4), 201(1A), 245D, Rules 60(1)(a) and 68A(3) of the Second Schedule]
 - (i) According to section 132B(4)(a), the Central Government shall pay simple interest at the rate of 6% per annum on the excess of money seized and the sale proceeds arising on the sale of assets seized over the amount required to meet the liabilities i.e. tax, interest and penalty.
 - (ii) Section 201(1A) provides that the person who has not deducted the whole or any part of the tax or after deduction has failed to pay the tax as required by or under the Act, shall be liable to pay simple interest at the rate of 12% per annum on the amount of such tax from the date on which such tax was deductible to the date on which such tax is actually paid.
 - (iii) Section 245D(6A) provides for levy of interest @15% per annum in case of failure by the assessee to pay the additional amount of income-tax within a period of 35 days of receipt of copy of order of the Settlement Commission. Similarly, section 22D(6A) of the Wealth-tax Act provides for levy of interest @15% per annum in case of failure by the assessee to pay the additional

amount of wealth-tax within a period of 35 days of receipt of copy of order of the Settlement Commission.

- (iv) As per Rule 60(1)(a) of the Second Schedule requires the defaulter or any person, whose interests are affected by the sale of immovable property in execution of a certificate, to deposit the amount specified in the proclamation of sale along with interest @ 15%.
- (v) As per Rule 68A(3) of the Second Schedule relating to acceptance of property in satisfaction of the amount due from the defaulter, the Central Government is required to pay simple interest @ 6% p.a., if the Assessing Officer fails to pay to the defaulter the excess of the price of the property over the amount due within a period of 3 months from the date of delivery of possession of the property.
- (vi) Under sections 220(2), 234A, 234B, 234C, 234D and 244A, interest is chargeable on per month basis. Accordingly, the following sections/rules to the second schedule have now been amended to change the method of calculation of interest to per month basis from the existing per annum basis –

Sl. No.	Section / Rule of Second Schedule	Interest on per annum basis	Interest on per month of part of a month basis
(1)	Section 132B(4)(a)	6%	½%
(2)	Section 201(1A)	12%	1%
(3)	Section 245D (6A)	15%	1¼%
(4)	Rule 60(1)(a)	15%	1¼%
(5)	Rule 68A(3)	6%	½%

Similar amendment has been made in section 22(6A) of the Wealth-tax Act providing for calculation of interest @1¼% for every month or part of the month in case of failure by the assessee to pay the additional amount of wealth-tax within a period of 35 days of receipt of copy of order of the Settlement Commission.

- (vii) The difference between calculation of interest on per-annum basis and per-month basis lies in the procedure followed for calculation of interest under these two methods. When interest is calculated on per annum basis, any fraction of a month is ignored and when interest is calculated for every month or part of a month basis, any fraction of a month is deemed a full month and interest is calculated for the full month. This principle has been followed in framing rule 119A which provides for procedure for calculation of interest on annual or monthly basis.

- (viii) The amendments regarding change of method of calculation of interest to monthly basis will be applicable in respect of interest chargeable or payable for the period commencing on or after 1st April, 2008. For any period ending on or before 31st March, 2008, interest shall continue to be charged or paid on per annum basis under the aforementioned sections and rules to the Second Schedule which have been amended.
- (ix) Further, in a case where interest is chargeable or payable in respect of both the periods, that is, the period before 31st March, 2008 and the period thereafter, interest shall be calculated on per annum basis upto 31.3.2008 and per month basis for so much of such period as falls after that date.

(Effective from 1.4.2008)

16. ASSESSMENT PROCEDURE

- (a) Power of CBDT to dispense with furnishing documents etc. with the return and filing of return in electronic form [Sections 139C & 139D]

Related amendment in section: 295(2) & 139(9)

- (i) The Finance Act, 2006 inserted a proviso to section 139(9) empowering the Board to frame rules to relax the requirement of filing of documents along with the return of income for any class or classes of persons.
- (ii) The Finance Act, 2007 has now introduced new sections 139C and 139D, wherein wide ranging powers, including the power to frame rules to dispense with furnishing documents etc. with the return, have been given to the CBDT for implementing the scheme of filing Electronic Returns.
- (iii) Since the scheme, including notifying new forms for filing electronic returns for corporate assesses was already implemented during the earlier period, these provisions have been introduced with retrospective effect from 1.6.2006. Consequently, the proviso to section 139(9) has been omitted with retrospective effect from 1.6.2006.
- (iv) Section 139C provides that the CBDT may make rules providing for a class or classes of persons who may not be required to furnish documents, statements, receipts, certificate, reports of audit or any other documents, which are otherwise required to be furnished along with the return under any other provisions of this Act.
- (v) However, on demand, the said documents, statements, receipts, certificate, reports of audit or any other documents have to be produced before the Assessing Officer.
- (vi) Section 139D empowers the CBDT to make rules providing for –
 - (a) the class or classes of persons who shall be required to furnish the return of income in electronic form;

- (b) the form and the manner in which the return of income in electronic form may be furnished;
 - (c) the documents, statements, receipts, certificates or audited reports which may not be furnished along with the return of income in electronic form but have to be produced before the Assessing Officer on demand;
 - (d) the computer resource or the electronic record to which the return of income in electronic form may be transmitted.
- (vii) Consequentially, new clauses (eeba) and (eebb) have been inserted in section 295(2), which provides for rule making powers of the CBDT.
- (viii) The CBDT is empowered to make rules for carrying out the powers of the Act. Such rules may also provide for -
- (1) the documents, statements, receipts, certificates or audited reports which may not be furnished along with the return but shall be produced before the Assessing Officer on demand under section 139C [New clause (eeba) of section 295(2)];
 - (2) the class or classes of persons who shall be required to furnish the return of income in electronic form; the form and the manner of furnishing the said return in electronic form; documents, statements, receipts, certificates or reports which shall not be furnished with the return in electronic form and the computer resource or electronic record to which such return may be transmitted under section 139D [New clause (eebb) of section 295(2)].

(Effective from 1.6.2006)

- (b) Assessee to be given an opportunity of being heard before issuing directions for special audit [Section 142(2A)]
- (i) There is currently no specific requirement that the Assessing Officer should give the assessee an opportunity of being heard, before directing special audit under section 142(2A). The Supreme Court in *Rajesh Kumar & Ors. v. DCIT* (2006) 287 ITR 91 observed that the order under section 142(2A) is a quasi judicial order. Therefore, the principles of natural justice have to be applied and the assessee has to be given an opportunity of being heard before directing the special audit. The principles of natural justice are based on two principles, namely, (i) nobody shall be condemned unheard; (ii) nobody shall be a judge of his own cause. Once it is held that the assessee suffers civil consequences and any order passed would be prejudicial to him, the principles of natural justice must be held to be implicit. If the principles of natural justice were to be excluded, the Parliament could have said so expressly.
 - (ii) Accordingly, to give effect to the observation of the Supreme Court, the Finance Act, 2007 has provided that the Assessing Officer is now required to give the assessee an opportunity of being heard before issuing directions for special audit under section 142(2A).

- (iii) Further, where the direction for special audit is issued by the Assessing Officer on or after 1.6.2007, the expenses of, and incidental to, such special audit, including remuneration of the Accountant, shall be determined by the Chief Commissioner or Commissioner in accordance with the prescribed guidelines. The expenses so determined shall be paid by the Central Government. [Proviso to section 142(2D)]

(Effective from 1.6.2007)

- (c) Prior approval of Joint Commissioner required for assessment or reassessment in respect of search cases [New section 153D]

New section 153D has been inserted to provide that assessment or reassessment of search cases in respect of each assessment year referred to in section 153A(b) or the assessment year referred to in 153B(1)(b) shall not be made by an Assessing Officer below the rank of Joint Commissioner without the previous approval of the Joint Commissioner.

Note -

- (i) Section 153A(b) provides for assessment or reassessment of total income of each of the six assessment years immediately preceding the assessment year relevant to the previous year in which the search was conducted under section 132 or requisition was made under section 132A.
- (ii) Section 153B(1)(b) provides the time limit for completion of assessment in respect of the assessment year relevant to the previous year in which the search is conducted under section 132 or requisition is made under section 132A.

(Effective from 1.6.2007)

- (d) Time limit for completion of assessment of shipping business of non-residents [Section 172]

- (i) Section 172 provides for presumptive taxation at 7½% of the freight paid or payable in case of shipping business of a non-resident.
- (ii) Such income is chargeable to tax in the same previous year in which it is earned.
- (iii) However, the time limit for completion of assessment in such cases has not been provided in the Act.
- (iv) The Finance Act, 2007 now provides a time limit of 9 months for completing such assessments by inserting sub-section (4A) in section 172.
- (v) The period of 9 months is reckoned from the end of the financial year in which the return under section 172(3) is furnished.
- (vi) However, in respect of returns filed on or before 1.4.2007, assessments are required to be completed on or before 31.12.2008

(Effective from A.Y.2007-08)

Section	Nature of payment	Existing provision	Amendment by the Finance Act, 2007
193 Clause (iv) of the proviso	Interest on Government securities	Interest payable on these bonds is taxable under the Income-tax Act. However, TDS provisions are not attracted in respect of interest payable on any security of the Central Government or State Government.	Tax has to be deducted at source in respect of 8% Savings (Taxable) Bonds, 2003, if interest payable exceeds Rs.10,000 during the financial year.
194A(3)(i)	Interest other than "Interest on securities"	The threshold limit for tax deduction in respect of interest payable under section 194A(3)(i) is Rs.5,000.	This limit is increased to Rs.10,000 in respect of interest paid on – (i) time deposits with a banking company; (ii) time deposits with a co-operative society engaged in banking business; and (iii) deposits with post office under notified schemes. In all other cases covered under section 194A(3)(i), the limit would continue to be Rs.5,000. Consequential amendment has been made in section 206A(1) requiring furnishing of quarterly return in respect of payment of interest to residents without deduction of tax. Interest payments upto Rs.10,000 to residents in respect of the above category of deposits would be covered under section 206A(1).

194C(1)	Payment to contractors	TDS provisions are not attracted in respect of payments made by an individual or a HUF to a contractor.	Scope of TDS provisions expanded w.e.f. 1.6.2007 to cover contract payments by specified individuals/HUFs also. Payments made by Individuals/HUFs to a contractor to attract TDS if their total sales/turnover exceeds Rs.40 lakhs (in case of business) and gross receipts exceed Rs.10 lakhs (in case of profession) in the immediately preceding financial year. However, relief has been provided in respect of payments made by individuals/HUFs to a contractor exclusively for personal purposes.
194H	Commission or brokerage	Tax to be deducted at source in respect of payment of commission or brokerage at 5%.	(i) The rate of TDS on commission and brokerage has been increased from 5% to 10% w.e.f. 1.6.2007. (ii) However, there would be no requirement to deduct tax at source on commission or brokerage payments by BSNL or MTNL to their public call office (PCO) franchisees.
194-I	Rent	Rent includes payment for use of plant, machinery and equipment. Such rent is subject to tax deduction at 15% if the payee is an individual/HUF and 20% in other cases.	The rate of tax deduction has been reduced to 10% w.e.f. 1.6.2007 in respect of rental payments for use of plant, machinery and equipment, irrespective of whether the payee is an individual/HUF, firm, company or any other person.
194J	Fees for professional or technical services	Tax has to be deducted at source @5% in respect of payment of fees for professional services or fees for technical services to a resident.	This rate has been increased to 10% w.e.f. 1.6.2007.

197A(1C)	-	Relief from TDS provisions in case of individual residents of the age of 65 years or more at any time during the previous year and entitled to rebate under section 88B.	Omission of reference to section 88B, consequent to omission of this section by the Finance Act, 2005 w.e.f. 1.4.06. This is a consequential amendment i.e. consequent to omission of section 88B. This change has no material effect and the substance of section 197A(1C) remains the same.
206C(1C)	-	This section provides for tax collection at source from the licensee or lessee in respect of any licence, contract or lease relating to, inter-alia, any 'mining and quarrying' specified in column (2) of the table in section 206C(1C). Explanation 1 excludes mining and quarrying of mineral oil from the scope of 'mining and quarrying'. Explanation 2 clarifies that 'mineral oil' includes petroleum and natural gas. This amendment seeks to relieve the oil exploration and incidental services from the applicability of TCS provisions, since these services are in the organized sector.
246A(1)	-	Section 206C(6A) deems a person responsible for collecting tax to be an assessee in default if he fails to collect the whole or any part of the tax, or after collection, fails to pay the same in accordance with the provisions of the Act. There is no provision for filing of	New clause (hb) has been inserted in section 246A(1) w.e.f. 1.6.2007 to entitle a person deemed as an assessee in default to appeal to the Commissioner (Appeals). Similarly, the Assessing Officer or other Income-tax authority shall be entitled to use the results of the inquiry held or evidence recorded by the Settlement Commission in the course of the proceedings before it, as if such inquiry or evidence had been held or recorded by him in the course of the proceedings before him.
- (iv) The period from the date on which the application was made before the Commission up to the date on which proceedings get abated shall be excluded from the time limit for completion of proceedings by the Assessing Officer and for payment of interest under section 243, 244 or 244A.
- (v) In case of abatement of settlement proceedings, the Assessing Officer is required to give credit for the tax and interest paid on or before the date of making the application or during the pendency of the case before the Settlement Commission. This has been provided by insertion of section 245HAA.

(Effective from 1.6.2007)

- (k) Bar on subsequent application for settlement [New section 245K]
 - (i) In the event of occurrence any of the following, the person concerned shall not be entitled to apply for settlement in relation to any other matter –
 - (1) the order of settlement passed under section 245D(4) provides for imposition of penalty for concealment of income; or
 - (2) after the passing of order under section 245D(4) in relation to a case, the person is convicted of an offence under Chapter XXII in relation to that case; or
 - (3) the case of such person was sent back to the Assessing Officer by the Settlement Commission on or before 1.6.2002.
 - (ii) Further, with effect from 1.6.2007, the option of going to the Settlement Commission would be available only once in the lifetime of a person. Therefore, where an application for settlement is made on or after 1.6.2007 and such application has been allowed to be proceeded with, then such person will not be subsequently entitled to make any application under section 245C.
- (Effective from 1.6.2007)
- (l) Vice-chairman to include senior member of Bench [Section 245A(g)]

19. APPEALS AND REVISION

- (a) Appeal by person denying liability to deduct tax under section 195 [New section 248]

Related amendment in section: 249(2)(a)

 - (i) Under the existing section 248, in all such cases where any person denies his liability to deduct tax at source under section 195 or pay such tax under section 200, an appeal can be filed with the Commissioner (Appeals), after deducting and paying such tax.
 - (ii) Therefore, the existing provision covered cases where the tax is borne by the assessee and also cases where the tax is borne by the non-resident who is the recipient of income.
 - (iii) This section has been substituted to restrict the eligibility of filing an appeal only to cases where the tax is borne by the assessee. Therefore, the cases where the tax is to be borne by the non-resident is now outside the scope of section 248 and no appeal can be filed in such cases.

- (iv) The new section 248 provides that where under an agreement or other arrangement, the tax deductible on any income, other than interest, under section 195 is to be borne by the person by whom the income is payable, and such person having paid such tax to the credit of the Central Government, claims that no tax was required to be deducted on such income, he may appeal to the Commissioner (Appeals) for a declaration that no tax was deductible on such income.
- (v) Consequential amendment has been made in section 249(2)(a) to provide that where the appeal is under section 248, it shall be presented within 30 days of the date of payment of the tax.

(Effective from 1.6.2007)

- (b) Order rejecting approval under section 80G(5)(vi) appealable before Appellate Tribunal [Section 253]
 - (i) Under section 80G, deductions in respect of donations to certain funds, charitable institutions is available from the taxable income of the donor. This section provides for two categories of funds –
 - (1) Funds enumerated in sections 80G(2); and
 - (2) Funds which are approved by the Commissioner under clause (vi) of sub-section (5) of section 80G.
 - (ii) Under section 253, as it stands at present, no appeal lies to the Appellate Tribunal against the order passed by the Commissioner under section 80G(5)(vi) rejecting the approval of such funds.
 - (iii) This section has, therefore, been amended to allow an appeal to be filed against such orders of the Commissioner before the Appellate Tribunal.

(Effective from 1.6.2007)

- (c) Power of Appellate Tribunal to grant stay of demand of tax [Section 254(2A)]
 - (i) Under section 254(2A), the Appellate Tribunal can grant stay of demand of tax which can extend only up to 180 days from the date of granting such stay. If the appeal is not disposed of within 180 days, the stay order shall stand vacated after the expiry of the said period. This provision would apply even where the appeal was not disposed of within a period of 180 days for reasons not attributable to the fault of the assessee.
 - (ii) Therefore, sub-section (2A) has been amended to provide that where an order of stay has been passed and the appeal has not been disposed of within the specified period of 180 days from the date of such order, the Appellate Tribunal may extend the period of stay or pass an order of stay for a further period or periods, as it thinks fit, on an application made in this behalf by the assessee and on being satisfied that the delay in disposing of the appeal is not attributable to the assessee.

- (iii) However, the aggregate period of stay, including the original stay granted and the extension allowed, cannot exceed 365 days. If such appeal is not disposed of within the period originally allowed or the extended period or periods, the order of stay shall stand vacated after the expiry of such period or periods.

(Effective from 1.6.2007)

20. PENALTIES

- (a) Penalty leviable on tax on assessed income less advance tax, TDS, TCS and self-assessment tax [Explanation 4 to Section 271(1)]
 - (i) Under section 271(1)(c), if the Assessing Officer or the Commissioner (Appeals) or the Commissioner, in the course of any proceedings under the Act, is satisfied that any person has concealed the particulars of his income or has furnished inaccurate particulars of such income, he may direct such person to pay a penalty of 100% to 300% of the tax sought to be evaded.
 - (ii) Explanation 4(b) provides that the amount of tax sought to be evaded means the tax on total income assessed.
 - (iii) A combined reading of section 271(1)(c), Explanation 3 & 4 shows that if the assessee has failed to furnish his return of income within the period specified in section 153(1) and if no notice under section 142 or section 148 is issued by the Assessing Officer before the expiry of such period, then the assessee is deemed to have concealed the particulars of his income. In such a case, he is liable to pay penalty on the entire assessed income, even if he has disclosed this income in the return furnished pursuant to notice under section 148 after the expiry of the aforesaid period.
 - (iv) This has caused genuine hardship in several cases where for bona fide reasons, the return could not be filed before the period specified in section 153(1).
 - (v) This section has been amended retrospectively from A.Y.2003-04 to provide that no penalty shall be leviable in respect of tax on assessed income, to the extent the assessee has paid taxes before the date of issue of notice under section 148 by way of advance tax, tax deducted at source, tax collected at source or self-assessment tax. The meaning of "the amount of tax sought to be evaded" in clause (b) of Explanation 4 has been accordingly amended.

(Effective retrospectively from A.Y.2003-04)

- (b) Penalty where search has been initiated [Explanations 5 & 5A to section 271(1) & Insertion of New Section 271AAA]

Related amendment in section: 246A

- (i) Under Explanation 5 to section 271 (1), where any undisclosed income/ asset is found during the course of search which has not been declared before the

income tax authority, such income/ asset will be deemed as concealed income or income in respect of which inaccurate particulars have been furnished by the assessee. The existing provisions cover the year of search and the earlier years, whether or not such income/asset is disclosed in the return filed subsequent to the search.

- (ii) Under Explanation 5, the assessee was entitled to immunity from imposition of penalty under certain situations where the assessee had made full disclosure of the undisclosed income/asset and the manner of earning such income in a statement recorded during search and pays the tax, together with interest, if any, in respect of such income.
- (iii) Therefore, under the present provisions of section 271(1)(c) read with Explanation 5 thereto, it is possible to escape levy of penalty by making a disclosure under section 132(4) in the course of search, even in cases where the due date of filing the return has expired and the person concerned has not filed his return.
- (iv) The application of the aforesaid Explanation 5 has, therefore, been restricted to searches initiated before 1st June, 2007.
- (v) New Explanation 5A has been inserted in section 271(1) w.e.f. 1.6.2007 which would be applicable in respect of searches conducted on or after 1st June, 2007. This Explanation provides that where an assessee is found to be the owner of any -
 - asset and he claims that such assets have been acquired by him by utilizing his income for any previous year; or
 - income based on any entry in the books of account or documents or transactions and he claims that such entry represents his income for any previous year,

which has ended before the date of the search and the due date for filing of the return has expired and return has not been filed, such income would be deemed to be concealed income, even if such income is declared in the return of income filed on or after the date of search.

- (vi) A new section 271AAA has been inserted w.e.f. 1.4.2007 to provide for imposition of penalty at 10% of undisclosed income of the specified previous year, in respect of searches initiated under section 132 on or after 1.6.2007.
- (vii) Undisclosed income means -
 - (a) any income represented by any asset or entry in the books of accounts or other documents or transactions found in the course of search under section 132 which has -
 - (1) not been recorded in the regular books of accounts or documents on or before the date of search; or

- (2) otherwise not been disclosed to the Chief Commissioner or Commissioner before the date of search.
- (b) any income represented by any entry in respect of an expense recorded in regular books of accounts or documents, which is found to be false as a result of search.
- (viii) Specified previous year means –
- (i) the previous year which has ended before the date of search, but the due date of filing the return of income under section 139(1) has not expired before the date of search; or
 - (ii) the previous year in which the search was conducted.
- (ix) Therefore, this section covers the previous year for which the due date of filing the return has not expired on the date of search and the year of search.
- (x) No penalty under section 271(1)(c) is leviable in respect of such undisclosed income.
- (xi) This section grants immunity from imposition of penalty, if:
- (1) the assessee admits undisclosed income in a statement under section 132(4) during the course of search and,
 - (2) specifies the manner in which such income has been derived;
 - (3) substantiates the manner in which the undisclosed income was derived; and
 - (4) pays the tax, together with interest, if any, in respect of the undisclosed income.
- (xii) The provisions of section 274 relating to the procedure for levying penalty and section 275 relating to bar of limitation for imposing penalties shall, to the extent relevant, be applicable to the penalty referred to in this section.
- (xiii) Section 246A has been amended to include an order imposing penalty under section 271AAA as an appealable order before Commissioner (Appeals).
- (xiv) The provisions of penalty in respect of search initiated on or after 1.6.2007 is summarized in the table below –

Section	Relevant previous year	Penalty
Explanation 5A to section 271(1)	P.Y. which has ended before the date of search, in respect of which the due date has expired, but the return has not been furnished.	100% to 300% of the tax sought to be evaded.

	For example, in respect of P.Y.2006-07, if the date of search is 15.11.2007, then the P.Y. has ended before that date (i.e., on 31.3.2007) and the due date of filing return (31.7.2007/31.10.07, as the case may be) has also expired, but the return has not been furnished. In such a case, penalty would be attracted under this section.	
271AAA	(i) P.Y. which has ended before the date of search, but the due date for filing return has not expired before the date of search, and the return has not been furnished. For example, in respect of P.Y.2006-07, if the date of search is 15.5.2007, then the P.Y. has ended before the date of search, but the due date of filing the return has not expired. (ii) P.Y. in which the search is conducted.	10% of the undisclosed income. However, no penalty is leviable if disclosure is made under section 132(4), manner of earning is disclosed and tax and interest is paid.

21. MISCELLANEOUS PROVISIONS

(a) Presumption as to assets, books of account, etc. [New section 292C]

- (i) Under section 132(4A), it is provided that the books of account, money, bullion, jewellery or other valuable article or thing found in the possession or control of any person in the course of a search under section 132 will be presumed to belong to the said person.
- (ii) It is further provided that it will be presumed that -
 - (1) the contents of such books of account and other documents are true; and
 - (2) the signature and every other part of such books of account and other documents which purport to be in handwriting of any particular person or

which may reasonably be assumed to have been signed by, or to be in the handwriting of, any particular person, are in that person's handwriting, and

- (3) in the case of a document stamped, executed or attested, that it was duly stamped and executed or attested by the person by whom it purports to have been so executed or attested.
- (iii) The Supreme Court, in P.R. Metrani v. CIT (2006) 287 ITR 209, held that the aforesaid presumption is not available for framing regular assessment and such presumption is available only in regard to the proceedings for search and seizure under section 132. However, this decision does not reflect the correct intent of law.
- (iv) Therefore, new section 292C has been inserted to clarify that presumptions provided in section 132(4A) can be made in any proceedings under this Act.
- (v) This section provides that where any books of account, other documents, money, bullion, jewellery or other valuable article or thing are or is found in the possession or control of any person in the course of a search under section 132, it may, in any proceeding under this Act, be presumed that -
 - (1) such books of account, other documents, money, bullion, jewellery or other valuable article or thing belong or belongs to such person;
 - (2) the contents of such books of account and other documents are true; and
 - (3) the signature and every other part of such books of account and other documents which purport to be in the handwriting of any particular person or which may reasonably be assumed to have been signed by, or to be in the handwriting of, any particular person, are in that person's handwriting;
 - (4) In the case of a document stamped, executed or attested, that it was duly stamped and executed or attested by the person by whom it purports to have been so executed or attested.

(Effective retrospectively from 1.10.75)

 - (ii) It has also been provided that where the provident fund of the establishment has been notified by the Central Government under section 16(2) of the Employees' Provident Funds and Miscellaneous Provisions Act, 1952, the recognition shall not be withdrawn on the ground of not satisfying the

conditions specified in clause (ea) of Rule 4 within the prescribed time period,.

- (iii) Rule 4 of Part of A of the Fourth Schedule to the Income-tax Act provides for the conditions which are required to be satisfied by a provident fund for receiving or retaining recognition under the Income-tax Act. Clause (ea) of the said rule provides that the fund shall be of an establishment to which the provisions of sub-section (3) or sub-section (4) of section 1 of the Employees' Provident Funds and Miscellaneous Provisions Act, 1952 are applicable and such establishment has been exempted under section 17 of the said Act from the operation of all or any of the provisions of any scheme referred to in that section.
- (iv) Clause (ea) has been substituted to provide that for receiving and retaining recognition under the Income-tax Act, the fund shall be a fund of an establishment –
 - (1) to which the provisions of section 1(3) of the Employees' Provident Funds and Miscellaneous Provisions Act, 1952 apply; or
 - (2) which has been notified by the Central Provident Fund Commissioner under section 1(4) of the said Act.
- (v) Further, such establishment is required to obtain exemption under section 17 of the said Act from the operation of all or any of the provisions of any scheme referred to in that section.

(Effective from 1.4.2007)

1. DEFINITIONS

- (a) Assessing Officer to include Additional Commissioner and Additional Director [Section 2(ca)]
 - (i) The definition of Assessing Officer, as it stands at present, does not include Additional Commissioner and Additional Director.
 - (ii) Therefore, in order to fill this lacuna, Additional Commissioner and Additional Director have now been included within the scope of definition of "Assessing Officer" with retrospective effect from 1.6.94 and 1.10.96, respectively.
- (b) Amendment of definition of 'India' [Section 2(ka)]

The Wealth-tax Act extends to the whole of India. Therefore, the definition of the term "India" is very important. Section 2(ka) has been substituted to define the term 'India' to mean –

- (ii) its territorial waters, seabed and subsoil underlying such waters,

- (iii) continental shelf,

(i)	If the applicant has not furnished a return in respect of the net wealth of that year.	Wealth-tax should be calculated on the wealth disclosed in the application as if such wealth is the net wealth. Such tax represents the additional amount of wealth-tax
(ii)	If the applicant has furnished a return in respect of the net wealth of that year.	The wealth-tax should be calculated on the aggregate of net wealth returned and the wealth disclosed in the application i.e. as if the aggregate represents the net wealth. The Taxation Laws (Amendment) Act, 2006 received the assent of the President on 13.7.2006. The CBDT has issued Circular No.1/2007 dated 27.4.2007, which explains the nature and effect of the amendments made by the Taxation Laws (Amendment) Act, 2006.

- (1) Tax Recovery Officer to exercise or perform the powers and functions of the Assessing Officer [Section 2(44)]
 - (i) Section 2(44) provides that a Tax Recovery Officer means any income-tax officer who may be authorised by the Chief Commissioner or Commissioner, by a general or special order in writing, to exercise the powers of a Tax Recovery Officer.

(Effective from 13.7.2006)

- (2) Exemption of income of North-Eastern Development Finance Corporation Limited [Section 10(23BBF)]
 - (i) A new clause (23BBF) has been inserted in section 10 to provide for exemption of any income of the North-Eastern Development Finance Corporation Limited, being a company formed and registered under the Companies Act, 1956.
 - (ii) The exemption has been phased out beginning with inclusion of 20% of the total income for tax for the assessment year 2006-07, 40% for the assessment year 2007-08, 60% for the assessment year 2008-09, 80% for the assessment year 2009-10 and 100% from the assessment year 2010-11. (Effective from A.Y.2006-07)

- (3) Removal of the requirement of renewal of notification issued under sub-clauses (iv) and (v) of section 10(23C)
- (i) Under section 10(23C), any notification issued by the Central Government in terms of sub-clause (iv) or sub-clause (v) of the said section has, at any one time, effect for such assessment year or years, not exceeding three assessment years, as may be specified in the notification.
 - (ii) In order to dispense with the requirement of periodic renewal of notifications and consequent delays, section 10(23C) has been amended to provide that the restriction of limit of effective period of notification to a maximum of three assessment years shall be applicable in respect of notifications issued by the Central Government under sub-clause (iv) or (v) before 13.7.2006, being the date on which Taxation Laws (Amendment) Bill, 2006 received the assent of the President.
 - (iii) Therefore, on account of the above amendment, any notification issued by the Central Government under the said sub-clause (iv) or sub-clause (v), on or after 13.07.2006 will be valid until withdrawn and there will be no requirement on the part of the assessee to seek renewal of the same after three years.
- Note – Clause (iv) exempts income of a fund or institution established for charitable purposes and notified by the Central Government and clause (v) exempts income of a trust or institution wholly for public religious purposes or wholly for public religious and charitable purposes, which may be notified by the Central Government.
- (4) Time limit for issue of notification under sub-clauses (iv) and (v) or for approval by the prescribed authority under sub-clauses (vi) and (via) of section 10(23C)
- (i) Under section 10(23C), in respect of application made by a fund or trust or institution etc. for grant of approval or continuation thereof, there is no time limit for issue of notification under sub-clauses (iv) and (v) or for grant of approval under sub-clauses (vi) and (via) or for passing an order rejecting such application. As a result, there is considerable delay in disposing such applications.
 - (ii) In order to expedite disposal of such applications, it has now been provided that where such an application is made on or after 13.7.2006, every notification under sub-clause (iv) or sub-clause (v) shall be issued or approval under sub-clause (vi) or sub-clause (via) shall be granted or an order rejecting the application shall be passed within the period of 12 months from the end of the month in which such application was received.
- (5) Funds/Trusts/Universities/Other educational institutions or hospitals or other medical institutions referred to in sub-clauses (iv),(v),(vi) or (via) of clause (23C) of section 10 to get their accounts audited and furnish audit report
- (i) At present, there is no requirement on the part of any fund or trust or institution or any university or other educational institution or any hospital or other medical institution referred to in sub-clauses (iv), (v), (vi) or (via) of section 10(23C) to furnish audited accounts along with the return of income.

(ii) It has now been provided that if the total income of any entity referred to in sub-clauses (iv), (v), (vi) and (via) of section 10(23C), without giving effect to the provisions of the said sub-clauses, exceeds the basic exemption limit in any previous year, it shall –

- (1) get its accounts audited in respect of that year by an accountant as defined in the Explanation below sub-section (2) of section 288; and
- (2) furnish such audit report along with the return of income for the relevant assessment year. The report must be in the prescribed form, duly signed and verified by the accountant, and must contain such particulars as may be prescribed.

(Effective from A.Y.2006-07)

(6) Accounts of a charitable or religious trust or institution to be audited if their total income exceeds the basic exemption limit [Section 12A(b)]

- (i) Section 12A(b) provides that for availing exemption under sections 11 and 12, the accounts of the trust or institution for the previous year should have been audited if the total income of the trust or institution as computed under the Income-tax Act, 1961, without giving effect to the provisions of section 11 and section 12, exceeds Rs.50,000 in that previous year. Such audit report should be furnished along with the return of income for the relevant assessment year in the prescribed form.
- (ii) Rs.50,000 was the erstwhile basic exemption limit. The basic exemption limit of AOPs has been increased to Rs.1,00,000 by the Finance Act, 2005. Therefore, clause (b) of section 12A has been amended to provide for the requirement of getting the accounts audited if in the previous year the total income exceeds the basic exemption limit.

(Effective from A.Y.2006-07)

(7) Guidelines, manner and conditions on the basis of which approval is to be granted under section 35(1)(ii) and section 35(1)(iii)

- (i) So far, there have been no guidelines or manner or conditions in relation to grant of approval of the Central Government to a scientific research association, university, college or other institution. This has caused undue delay in the processing of applications received for approval from such entities. There was, therefore, a need to provide the step-wise procedure to be followed by the applicants, the manner in which their applications would be processed and the conditions subject to which the approval was to be granted to a scientific research association under clause (ii) of section 35(1) and to a university, college or other institution under clause (iii) of section 35(1).
- (ii) These clauses have, therefore, been amended to lay down that the applicant scientific research association, university, college or other institution shall be approved in accordance with the guidelines, in the manner and subject to such conditions as may be prescribed. The guidelines, manner (including application

Forms) and conditions have since been prescribed vide notification bearing S.O. 1856 (E) dated 30.10.2006.

- (iii) The deduction under these clauses would be available only if such association, university, college or other institution is for the time being approved in accordance with the guidelines, in the manner and subject to such conditions as may be prescribed.
- (iv) Further, it has been clarified that the deduction to which an assessee (i.e. donor) is entitled on account of payment of any sum to a scientific research association or university or college or other institution, shall not be denied merely on the ground that subsequent to payment of such sum by the assessee, the approval granted to any of the aforesaid entities is withdrawn.
- (v) Also, it has been provided that the time limit restricting the maximum effective period of a notification to 3 assessment years shall be applicable in respect of a notification issued by the Central Government under clause (ii) or clause (iii) before 13.7.2006. Consequently, any notification issued on or after 13.7.2006 shall remain in force until approval granted to such entity is withdrawn.
- (vi) In respect of an application received on or after 13.7.2006, every notification under clause (ii) or clause (iii) shall be issued or an order rejecting the application shall be passed before expiry of 12 months from the end of the month in which the application for approval was received by the Central Government.

(Effective from A.Y.2006-07)

- (8) Deduction not to be denied to the donor-assessee on subsequent withdrawal of approval of specified donee entities[Section 35(2AA), 35AC & 35CCA]
 - (i) It has been clarified that the deduction to which an assessee is entitled on account of payment of any sum by him to a National Laboratory, University, Indian Institute of Technology or a specified person for the approved programme [referred to in sub-section (2AA) of section 35] shall not be denied to the donor-assessee merely on the ground that after payment of such sum by him, the approval granted to any of the aforesaid donee-entities has been withdrawn.
 - (ii) A similar amendment has been made in section 35AC clarifying that the deduction to which an assessee (i.e. the donor) is entitled on account of payment of any sum by him to a public sector company or a local authority or to an association or institution shall not be denied to the assessee merely on the ground that after payment of such sum by him, the approval granted to such association or institution has been withdrawn or the notification notifying the eligible project or scheme referred to in section 35AC has been withdrawn.
 - (iii) A parallel amendment has been made in section 35CCA clarifying that the deduction to which an assessee is entitled on account of payment of any sum by him to an association or institution for carrying out the programme of rural development shall not be denied to the assessee merely on the ground that after

payment of such sum by him, the approval granted to such programme or, as the case may be, to the association or institution has been withdrawn.

(Effective from A.Y.2006-07)

(9) Disallowance of rent and royalty paid to a resident without deduction of tax at source [Section 40(a)(ia)]

- (i) As per section 40(a)(ia), failure to deduct tax from interest, commission or brokerage, fees for professional services or fees for technical services payable to a resident or amounts payable to a resident contractor or sub-contractor, or failure to remit such tax after deduction results in disallowance of such payments in the computation of income of the payer.
- (ii) This disallowance has now been extended to payments of rent and royalty. The terms rent and royalty have also been defined. Rent has been defined to have the same meaning as in clause (i) to the Explanation to section 194-I. As per the said clause, rent means any payment, by whatever name called, under any lease, sub-lease, tenancy or any other agreement or arrangement for the use of (either separately or together) any land or building (including factory building) or land appurtenant to the building (including factory building) or machinery or plant or equipment or furniture or fittings whether or not all or any of the above are owned by the payee. Royalty has the same meaning as given in Explanation 2 to section 9(1)(vi).

(Effective from A.Y.2007-08)

(10) Disallowance of expenses for which payment above Rs.20,000 has been made otherwise than by account-payee cheque or account-payee bank draft [Section 40A]

- (i) Section 40A(3), provides for disallowance of 20% of the expenditure if payment in a sum exceeding Rs.20,000 is made, against such expenditure, otherwise than by a crossed cheque or crossed bank draft.
- (ii) Since a crossed cheque or crossed bank draft is a negotiable instrument, endorsement of the same has made it difficult to trace the final payee in many cases. This defeats the purpose of section 40A(3).
- (iii) Since an account payee cheque or account payee bank draft cannot be credited to any account other than the account of the payee, section 40A(3) has been amended to require payments over Rs.20,000 to be made by an account payee cheque drawn on a bank or account payee bank draft.
- (iv) Consequential amendment has been made in section 40A(4) to provide that where any payment has been made by an account payee cheque or account payee bank draft to escape disallowance under section 40A(3), then no person shall be allowed to raise a plea in any suit or other proceeding on the ground that the payment was not made in cash or any other manner.

(Effective from 13.7.2006)

 - (ii) However, in order to avoid hardship in genuine cases, certain sums of money received have been exempted -

 - (b) any sum received on the occasion of the marriage of the individual; or
 - (c) any sum received under a will or by way of inheritance; or
 - (d) any sum received in contemplation of death of the payer.

 - (iv) Further, a new clause (vi) has been inserted in section 56(2) w.e.f. A.Y. 2007-08 to provide that where any sum of money is received without consideration on or after 1.4.2006 by an individual or a Hindu undivided family from any person or persons and the aggregate value of all such sums received during the previous year exceeds Rs.50,000/-, the whole of the aggregate value of such sum shall be included in the total income of such individual or Hindu undivided family under the head "Income from other sources".
 - (v) However, certain sums of money received have been exempted i.e. any sum of money received -
 - (a) from any relative; or
 - (b) on the occasion of the marriage of the individual; or
 - (c) under a will or by way of inheritance; or
 - (d) in contemplation of death of the payer; or
 - (e) from any local authority as defined in the Explanation to section 10(20) i.e. Panchayat, Municipality, Cantonment Board or Municipal Committee and District Board, legally entitled to, or entrusted by the Government with, the control or management of a Municipal or local fund; or

- (i) spouse of the individual;
 - (ii) brother or sister of the individual;
 - (iii) brother or sister of the spouse of the individual;
 - (iv) brother or sister of either of the parents of the individual;
 - (v) any lineal ascendant or descendent of the individual;

 - (vii) spouse of the person referred to in clauses (ii) to (vi).
- (12) Deduction not to be denied to the donor-assessee on subsequent withdrawal of approval of the donee- association, university etc. [Section 80GGA]

II CIRCULARS

- (1) Circular No.7/2006 dated 17.7.2006 - Clarification regarding deduction of interest under section 43B in view of clarificatory amendments to section 43B through the Finance Act, 2006

Section 43B was amended by the Finance Act, 2006 inserting therein two clarificatory Explanations, namely, Explanation 3C and Explanation 3D. Both the Explanations clarify that any sum payable by the assessee as interest on any loan or borrowing or advance shall be allowed as deduction if such interest has been actually paid and any interest which has been converted into a loan or borrowing or advance but has not been actually paid shall not be allowed as deduction in the computation of income. The clarificatory explanations only reiterate the rationale that conversion of interest into a loan or borrowing or advance does not amount to actual payment.

The manner in which the converted interest will be allowed as deduction has been clarified in this circular. The unpaid interest, whenever actually paid to the bank or financial institution, will be in the nature of revenue expenditure deserving deduction in the computation of income. Therefore, irrespective of the nomenclature, the deduction will be allowed in the previous year in which the converted interest is actually paid.

- (2) Circular No. 8/2006, dated 6.10.2006 - Clarification regarding the meaning of the expression “the produce of animal husbandry” used in sub-clause (ii) of clause (f) of rule 6DD of the Income-tax Rules, 1962

The CBDT had, vide Circular No. 4/2006, dated 29th March, 2006 on the above subject, clarified that the expression “the produce of animal husbandry” used under rule 6DD(f)(ii) would include livestock and meat and in a case where payment exceeding rupees twenty thousand is made to a producer of the products of animal husbandry (including livestock, meat, hides and skins) otherwise than by a crossed cheque drawn on a bank or by a crossed bank draft for the purchase of such produce, no disallowance would be attracted under section 40A(3) read with rule 6DD. It was further clarified that the above exception

will not be available in respect of payment for the purchase of livestock, meat, hides and skins from a person who is not proved to be the producer of these goods and is only a trader, broker or any other middleman by whatever name called.

This circular (Circular No.8/2006) gives a clarification as to -

- (i) who are the producers of livestock and meat and
- (ii) the evidence required to be furnished in this regard by the persons making the payments.

The CBDT is of the view that any person, by whatever name called, who buys animals from the farmers, slaughters them and then sells the raw meat carcasses to the meat processing factories or to the traders/retail outlets would be considered as a producer of livestock and meat.

The benefit of rule 6DD of the Income-tax Rules, 1952 shall be available to the person referred to in the above para subject to furnishing of the following :

- (i) A declaration from the person receiving the payment that he is a producer of meat;
 - (ii) A confirmation that the payment, otherwise than by an account payee cheque or account payee bank draft, was made on his insistence; and
 - (iii) A further confirmation from a veterinary doctor certifying that the person specified in the certificate is a producer of meat and that slaughtering was done under his supervision.
- (3) Circular No.10/2006 dated 16.10.06 - Clarification regarding filing of return of income by the coffee growers being individuals covered by Rule 7B of the Income tax Rules, 1962

The CBDT, vide Circular No. 10/2003 dated 24th December, 2003, had provided that an individual deriving income from growing and curing of coffee, who is not covered by the first proviso to section 139(1), would not be required to file a return of his income if his income from growing and curing of coffee was Rs. 2 lakhs or less. The Finance Act, 2005 has subsequently raised the exemption limit for individual taxpayers from Rs. 50,000 to Rs.1 lakh from the Assessment year 2006-07. The exemption limit in the case of an individual, being a woman resident in India and below the age of 65 years, has been increased to Rs. 1,35,000. In the case of an individual, being a resident in India, who is of the age of 65 or more at any time during the previous year, the exemption limit has been raised to Rs.1,85,000. Therefore, the CBDT has reconsidered the matter of filing of return by the individual coffee growers in order to provide further relief to them and it is clarified that:

- (i) An individual deriving income from growing and curing of coffee would not be required to file his return, if the aggregate of 25% of his income from growing and curing of coffee and income under all other sources liable to tax in accordance with the provisions of this Act, is equal to or less than the exemption limit (1st slab of the

rates of Income-tax) prescribed for individual tax payers in the First Schedule of the Finance Act of the relevant year.

- (ii) An individual deriving income from growing, curing, roasting and grounding of coffee with or without mixing chicory or other flavouring ingredients, would not be required to file the return of income if the aggregate of 40% of his income from growing, curing, roasting and grounding of coffee with or without mixing chicory or other flavouring ingredients and income under all other sources liable to tax in accordance with the provisions of this Act, is equal to or less than the exemption limit (1st slab of rates of Income tax) prescribed in the First Schedule of the Finance Act of the relevant year.
- (4) Circular No.13/2006, dated 13.12.2006 - Applicability of TDS provisions of section 194C on contract for fabrication of article or thing as per specifications given by the assessee

The CBDT has clarified the issue regarding the applicability of TDS provisions of section 194C on contract for fabrication of article or thing as per specifications given by the assessee. The CBDT observed that before taking a decision on the applicability of TDS under section 194C on a contract, it would have to be examined whether the contract in question is a contract for work or a contract for sale.

The CBDT clarified that the provisions of section 194C would apply in respect of a contract for supply of any article or thing as per prescribed specifications only if it is a contract for work and not a contract for sale as per the principles in this regard laid down in para 7(vi) of Circular No. 681, dated 8-3-1994. Para 7(vi) of Circular No.681 clarifies that where the property in the article or thing so fabricated passes from the fabricator-contractor to the assessee only after such article or thing is delivered to the assessee, such contract would be a contract of sale and would, therefore, fall outside the purview of section 194C.
