Guide to Ideal Sequence of Study Topics.

Priority. Time Management.

Introduction

Namaste To all my Friends,

I hereby providing you Ideal Sequence and time that you should devote to your Chapters of the Subject along with Chapter Weightage [Weightage based on Institute 's Previously asked Questions] for the Group I -CA Final. As you all know, last day preparation matters the most. Therefore, We must try to give our 100% in that crucial time. It can give benefit of 10-12 Marks in each subject & help you to clear the group.

This file does not suggest any material as it is LDR Planner. Therefore, It is advisable to refer the Institute Material, notes or any other books from which you have prepared for the exams.

Thanks for Downloading!

Financial Reporting

Chapter Sequence	Hours[Marks]
Consolidation [5 Questions]	2 Hours [16]
Amalgamation [5 Questions]	2 Hours [16]
Valuation [5 Questions]	2 Hours [14]
VAS, EVA, MFs, NBFC, HRA [10 Questions]	3 Hours [16]
ESOP [3 Questions]	1 Hour [8]
Accounting for Financial Instruments [4 Questions]	1.5 Hours [8]
Accounting Standards [2,4,5,9,15,16,17,20,22,26,28]	3 Hours [36]
RTP	1 Hour

- Accounting Standards are very important but lengthy at the same time. Therefore, We should try to cover all the Important AS which are Frequently Asked by ICAI. I advise you to do it last as if we start with AS we end up with AS only.
- Try to Finish First Three Chapters on Time.
- Remember , **Start Early Finish Early.**

Strategic Financial Management

Chapter Sequence	Hours[Marks]
Dividend Policy [Separate Theory may asked for 4 Marks]	1 Hours [8]
