

E-FILING OF RETURN FOR VAT USER MANUAL

Online Filing of Returns

Thanks for accessing the website of the Directorate of Commercial Taxes, West Bengal.

Now the dealers registered under the West Bengal Value Added Tax Act, 2003 can file their VAT returns ONLINE through a secured facility provided on this website. However, initially this facility is available only to the Registered Dealers who have been selected for the purpose. Letters have been issued / will be issued individually to all such selected dealers intimating such selection. Charge-wise lists of the selected dealers have also been displayed in this website in phases.

To file returns on-line, a selected dealer is required to deposit his tax within the time frame prescribed under the Act/ Rules in the usual method or by way of on-line payment electronically which system has been introduced from May 2008 through the State Bank of India, the Central Bank of India and certain other nationalized Banks.

Finally all dealers eligible to file electronic returns will have to obtain Digital Signature from the competent certifying authority. However, initially since Digital Signatures are not readily available, the selected dealers can submit online returns without Digital Signature. In such case, the dealers will be required to send a follow-up Signed Copy of the return. The dealer need not put in efforts again for preparing a signed copy. He may just take a print out of the online return, append his signature on it and simply mail the same to the concerned Assessing Authority.

As soon as the dealer's signed copy is received in the Corporate Division / Charge Office, the Commercial Taxes Directorate will validate the relevant record submitted by the dealer online. Thus the dealers do not need to stand in long queues only to catch up with the deadline of the quarter, as the date of submission of the online Return will be accepted for the purpose of limitation, if the signed copy of Return follows up within 15th of the month next to the month in which the return is due. It is to be ensured that the signed copy of the return for quarter ending 31.03.2008 reaches the Corporate Division/ Charge Office within 15th May, 2008 in the foresaid manner. If the signed copy reaches after 15th, then the date of receipt of the same will be treated as the date of submission of the online return.

If you are a selected dealer and file your return online, that will not only save your valuable time, but also will ensure that correct data are fed in the Directorate's computerised database of returns.

So please go ahead and simply log in and file your return following the instructions laid down.
