Procedures and Guidelines for e-Filing of PTAX Return

1) Who can file a PTAX return online?

Any registered employer who is registered under PTAX Act 1979 and selected for the purpose of e-filing of PTAX Return, can file PTAX Return online.

2) How to create your Login account so as to access online e-Filing of Return System ?

Each employer selected by the Directorate of Commercial Taxes has been provided with User-id and Password in the letter send by the Directorate to his business address, by post. A list of employers selected for e-filing of PTAX Returns is available in the website of the Directorate. The employers who have already been selected for PTAX Return and registered under Central Sales Tax Act 1956, have to file PTAX Return electronically.

For any assistance, he may contact the help-desk of the Directorate (at Saltlake, Kolkata or call 033-2251-1493,2251-1494 and /or2334-0137 /0266 , Extn.-204).

Pre-requisite for e-filing of PTAX Return

1. A employer who have selected to file electronic Return for PTAX and registered under Profession Tax Act 1979 shall file his return electronically using the User-id and Password as communicated.
2. You can file electronic return using 'Download/ Upload Return Filing' method. For that you must have client software that can accept the data for e-Filing of return and later upload it to the XML version. The Client Software for e-Filing can be downloaded from e-Filing portal of the Directorate of Commercial Taxes after authentication using User-id and Password.
3. Client computer must have the following components installed :-
 - > Windows-XP / Windows 2000
 - > Internet Explorer v6.0 and above additionally for 'Upload / Download Return Filing' facility
 - > If You don't have JRE 1.6 or Later then click the following link to [Download JRE 1.6](#)

Steps for filing of Electronic PTAX Return in Download/ Upload method

Step-1

Visit Website

Visit the Directorate's website: www.wbcomtax.gov.in. Below is the front page of the portal.

You may now click 'Login for eFiling of PTAX Return'. The following screen will be displayed on clicking this link.

Step-2

User Authentication

You have to enter the same User-id and Password which is being used for eFiling of PTAX Return. If you commit any mistake in doing so, you may re-enter those on clicking the 'Cancel' button. You will have to click on the 'Submit' button for user authentication by the server.

If the User-id and Password are incorrect, then the following screen will be displayed.

At this stage, you will have to go to the earlier page on clicking the 'Go to Login Page' as displayed on the screen and try again with the user-id and password provided.

If the User-id and Password are correct, then the following screen will be displayed.

At this stage, you will have to confirm if the trade name, registration number & address are correct. If these are correct then click on 'Confirm' button & go to the next page. If these are incorrect then you have to contact helpdesk.

If you are entering for the first time, on successful authentication, you will be prompted to change the Password, as shown in the following screen. If you have already filed PTAX Return you may ignore this and go to step-4.

Click on 'Go to change password'. The following screen will be displayed on doing so.

Step-3

Change Password

The screenshot shows a web browser window titled "E-FILING OF RETURN FOR PT(R) - Change Password. - Microsoft Internet Explorer". The address bar displays the URL "http://10.173.21.186:8988/ptreturn-ptreturn-context-root/changepass". The page content is for the "Department of Finance, WB" and "Directorate of Commercial Taxes, (Profession tax wing)". The main heading is "Change Your Password". The form includes the following fields and controls:

- User ID:
- Old Password:
- New Password: (Min 8 Characters)
- Re-enter Password:
- Select a Hint Question:
- Hint Answer:
- E-mail id:
- Submit button
- Reset button

The Windows taskbar at the bottom shows the Start button and several open applications: Oracle SQL..., Form3_useri..., Oracle JDe..., E-FILING O..., User Manua..., and Internet. The system clock shows 11:50 AM.

In the screen shown above, you will enter User-id and the Password given by the Directorate of Commercial Taxes for the first time. Next, new password, as per your choice, has to be entered in the area provided. Password must be of 8 characters and a combination of alphabets, numbers and special characters. Special character is to be selected from the list - "@", "!", "<", ">", "*", "\$", "+", "~" except at first and last position of password.

Example of password/composition - ab1cT*x4

You will re-enter the new password and confirm the new password entered. You have to select a hint question and enter answer to that in the box provided. This hint answer has to be provided by you for authentication if you ever forget the Password. You will also have to enter an email id for further communication.

On 'Submit', the system displays the message after storing the new password. 'Cancel' button will reset all data entered. Henceforth you will have to access only with new password. You may change the Password at will at any periodic interval.

Forgetting Password

In case you forget the Password, you have to click on link '*Forgot Password*' in Login page and the screen shown below will appear. You will enter the answer to the hint question (question to authenticate user) selected at the time of '*Change Password*,' and click '*Submit*'. If answer to the hint question is correct, you will receive a Password from Directorate of Commercial Taxes in your email-id. You should again change Password after receiving the same.

Step-8

Create xml data file

After filling the form you have to click the 'Export to XML' button. It will check the form if any error exist. If there exist any error then it will show the error field. If there is no error then it opens the dialog box to save the .xml file. Then give a file name in the empty space and then click 'Save button. File will be saved on that location. You can also change the location for storing the file.

The screenshot displays the PTAX e-Gov V1.0 FORM NO III, titled 'Statement of Return of Profession tax for Registered Employer'. The form includes fields for Registration No (RCS1006959), Period from (01/07/2009), and Period to (30/09/2009). It also contains fields for Trade Name, Address, Name, Mail ID, Website, Tax Payable, and Tax Paid. A table at the bottom lists tax payments for months 200907, 200908, and 200909. The 'Export to XML' button is highlighted with a red arrow. A blue arrow points to the 'Info' dialog box that appears after clicking the button, which displays the message: 'File Saved at C:\Documents and Settings\user\My Documents\challan.xml'.

Step-9

Upload xml data file

To Upload xml files, you have to connect to the portal and enter your User-id and Password. After successful authentication, next screen as shown in the figure will appear. You have to click on the link showing '*Upload Your XML Files*'

Next screen as show in figure below will appear. You have to input the total number of files to be uploaded in figure as shown in the screen below. On clicking '*Submit*' button, you will get as many spaces to upload the files as declared. You can click '*Modify*' button to change the declared number of files.

Directorate of Commercial Taxes,
(Profession tax wing)

Please Enter No. of XML files you want to upload:

You have to click on '*Browse*' button to select the xml files, stored in your PC, to be uploaded.

You will select the file to be uploaded by moving to the folder where you have stored the file in your own PC.

Similarly, two xml files employee & challan may be uploaded by clicking upload button.

If you use the same name for two files, then while uploading, a message will appear as shown in figure below.

Step -10

Check for errors and print acknowledgement

At this time, server side error checking will be performed as shown in the figure below.

If any error is found, then that will be displayed accordingly as shown in the figure below.

Errors are self explanatory. If the error is due to duplicate uploading, you will have to upload the files correctly.

If the errors are found in the data entered in the jar files, such errors have to be rectified and xml files will have to be created and uploaded again.

On successful uploading of files, you will be informed with an acknowledgement slip as shown in the figure. You should take a print (by clicking on 'Print' button) of it for future reference before 'Logout' (exit).
