Download Click this link <http://bit.ly/GST-TDS-Calculators>

Or copy and paste in web Browser and enter

Understand above screenshot: [18% Row]

✓ You just entered amount 100, so it will show you all multiple possibilities Like:

1. If Taxable amount 100+Tax
 - Then Tax Amount will be 18
 - Taxable + Tax amount will be 18+100=118
2. If amount 100 is including Tax 18%
 - Then including Tax amount 15.25
 - and Taxable amount will be 84.75 [15.25+84.75 =100]
3. If 18% Tax amount 100
 - Then 18% Taxable amount will be 555.56
