❖ **GST Council likely to consider hiking cess on sin goods, amongst other options to garner funds for states' compensation.**

The upcoming GST Council, which shall meet on only single point agenda, anytime in August, to iron out measures to meet the compensation requirements, is likely to discuss three top suggestions to raise compensation funds. "The council is likely to discuss the proposal sent by some states on hiking the cess percentage on sin goods. Some of the states that have given this suggestion includes, Punjab, Chhattisgarh, Bihar, Goa, Delhi, among others," sources privy to the developments told CNBC-TV18. According to the current GST rate structure, some of the sin goods that attract a cess include cigarettes, pan masala and aerated drinks. Apart from sin goods, luxury products like cars also attract a cess.

RBI moves to prevent misuse of bank funds; stops routing term loans via current accounts

In an effort to prevent the misuse of bank funds, the Reserve bank of India has restricted banks from routing funds from term loans taken by borrowers through their current accounts. The decision is taken to stop companies and large borrowers from transferring funds unfairly from term loans through current accounts in other banks. The RBI has also banned banks from opening current accounts for customers who have availed credit facilities in the form of cash credit (CC) or overdraft (OD) from other banks. Altogether, the lender banks – mostly PSU banks – will now handle the current accounts of borrowers who, in turn, cannot divert money for other purposes through the current accounts of other banks, mainly private and foreign banks.
