- ❖ **GSTN also launched facility for Import data in GSTR-2A.**

two new tables have been inserted in GSTR-2A for displaying details of import of goods from overseas and inward supplies made from SEZ units / SEZ developers. Taxpayers can now view their bill of entries data which is received by the GST System (GSTN) from ICEGATE System (Customs). The present data upload has been done on a trial basis to give a feel of the functionality and to get feedback from the taxpayers on the same.

Currently, the system is displaying data up to 6th August 2020. Further, taxpayers may note that system is currently does not contain import information for bill of entries filed at non-computerized ports (non-EDI ports) and imports made through courier services/post office. This will be made available shortly.

It may also be noted that amendment information made in the details of bill of entries will also be provided.

CBIC informs taxpayers to share their feedback through raising a ticket on the self-service portal soon [using this link](#)

❖ Data analytics at work to improve GST.

The Goods and Service Tax Network's (GSTN) move to autogenerate input tax credit (ITC) certificates is welcome. The statement, called GSTR 2B, gathers information from returns filed by suppliers and collates the tax paid on supplies to a particular entity. This entity now can safely claim ITC for this amount, and reconcile the amounts credited with the taxes paid on purchases and follow up with vendors who have not filed their returns.
