❖ **On the eve of completion of 4 years of the GST, CBIC to honour the taxpayers contributing to the GST success story.**

GST is a historic tax reform introduced on the 1st of July 2017. Over the years there has been a reduction in the tax rates, simplification of procedures and a growing economy has also led to an exponential increase in the tax base. GST revenues have steadily grown and have been above the 1 lakh crore mark for eight consecutive months in a row. On the eve of completion of 4 years of the GST, it has been decided to honour the taxpayers who have been a part of the GST success story.

A data analytics exercise was hence undertaken by the Central Board of Indirect Taxes and Customs to identify taxpayers who have made substantial contribution in payment of GST in cash along with timely filing of returns. As a result, 54,439 (Fifty-Four Thousand Four Hundred and Thirty-Nine) taxpayers have been identified. More than 88% of these taxpayers are from Micro (36%), Small (41%) and medium enterprises (11%) representing a wide spectrum sectors involved in the supply of goods & services spread across all States/UTs.
