The Monthly Service Tax Bulletin

Vol : 2 - Issue 6

September 2013

## Editorial

Comptroller and Auditor General of India laid Report on the performance audit of levy and collection of service tax on import of services for the year ended March 2012 before the Parliament. The report contended that a good tax administration system strives to minimize the tax gap between the collectible tax and the tax collected by the Government.

C&AG came out with several observations and submitted that out of the 14 Commissionerate selected for audit coverage, only Chennai Service Tax Commissionerate had initiated action by addressing the RBI in connection with remittances to service providers outside India. The report concluded with recommendations that the department should take reasonable and various corrective measures to encourage importers of service to get themselves registered and duly comply with all the formalities. Surprisingly, the issue raised by the Kolkata High Court about the power of C&AG, to visit premises of those assesseees which is not an undertaking of Central or State Government, has not been discussed.

Dear fellow professionals, in a recent judgment, the ITAT, Agra Bench, recommended a disciplinary action against the Chartered Accountant acting as the counsel for the assessee, against charges of concealing the relevant and material fact deliberately from the Tribunal since that amounted to professional misconduct on the

part of the CA. This is high time for all the professionals to be more careful before representing the clients and they must acquire full knowledge about client's activities.

In a stern warning to service tax defaulters, Finance Minister P. Chidambaram asked the defaulters to take advantage of the voluntary compliance scheme stating 'come clean or face punishment'. He further added, "One person has been arrested in Kolkata. It seems the message is not going to people. You cannot collect money which is Government's and keep it with yourself as if it was some kind of working capital for you". In continuation to first arrest in Kolkata and the second held in Mumbai for dues of Rs 1.96 crore, the 3rd arrest for alleged non-payment of tax levy to the tune of Rs. 9 crore, was undertaken by the department in New Delhi on 30<sup>th</sup> August 2013.

Moreover, the concerned authorities of the VCES are busy in creating awareness about the scheme by holding meetings with trade associations, opening Help Desks and asking designated authorities to assist assesseees, who are seeking clarifications under this scheme. The result of this is yet to be seen.

On the other hand, a difficult time is being faced by the Indian economy hit by currency crisis and poor growth. Approaching IMF for assistance has been ruled out, saying that the economic situation has not reached a point where outside help is warranted and the RBI's forex reserves are adequate to manage the difficult situation. Lets now just hope that the price rises are regulated and our mobility does not get affected by the steep rise in fuel rates consequent to the consistently hitting record depreciation of the Rupee against Dollar. Also, the assent of the Food Security Bill in the Lok Sabha is expected to affect stock markets adversely.

### FAQ

- Q.** I am a contractor undertaking works related to construction and I am planning to opt for the VCES 2013 as announced on 10<sup>th</sup> August, 2013. I had paid a certain amount of service tax in cash on 29.03.2013. Can the said payment be utilized against the tax dues to be paid off by me taking the benefit of the scheme?
- A.** As per the FAQ released by the CBEC and Circular No. 170/5/2013-ST dated 8<sup>th</sup> August, 2013, a declarant who has paid any part of the tax dues before the enactment of the Voluntary Encouragement Compliance Scheme, 2013 shall not be eligible to claim the benefit of the scheme.

It may also be noted that the scheme was announced in the budget for the year 2013-14. Also, the definition of "tax dues" for the purpose of this scheme states it to be the service tax and cess due or payable for the period from 1<sup>st</sup> October, 2007 to 31<sup>st</sup> December, 2012, but not paid as on the 1<sup>st</sup> day of March, 2013. So, it was conferred that if such dues are paid off after 1<sup>st</sup> March, 2013, the benefit of the scheme could be availed. However, the scheme has come into effect from 10<sup>th</sup> May, 2013. As per the above referred circulars and FAQs of the Board, the tax payments before 10<sup>th</sup> May, 2013 shall not be eligible for benefit under the scheme.

Now, the question arises what is the option available with the assessee under the given situation?

It is advisable to use such payment against liabilities in the current period i.e liability w.e.f 1<sup>st</sup> January 2013 of the declarant and make fresh payment for the amount declared in VCES so as to avail the benefit of the scheme, saving any kind of disputes.
