

Giridhar's

Now Under proviso to Rule 4(7) of CCR 2004 Service reciver can pay the tax on such value of input service received under RCM/PRCM and take the credit.

Now the main contractor i.e AITPL will provide service to body corporate and charge bill for services provided <table><tr><td>Service provided</td><td>Rs.1000</td></tr><tr><td>Service Tax @14%</td><td>Rs.114</td></tr><tr><td>Total Bill Value</td><td>Rs.1114</td></tr></table> Now AITPL will pay to govt this Rs. 114 by adjusting Rs 5.6 that already paid to sub contractor GTPL and pay net amount to govt Rs.108.4	Service provided	Rs.1000	Service Tax @14%	Rs.114	Total Bill Value	Rs.1114	<table><tr><td>Sub-contracted service - Rs. 100</td><td></td></tr><tr><td>Less - Abated value @60% Rs.60</td><td></td></tr><tr><td>Remaining value</td><td>Rs.40</td></tr><tr><td>Service tax @14%</td><td>Rs.5.6</td></tr><tr><td colspan="2">AITPL will pay Rs.105.6 to GTPL and now AITPL will take credit full value of service tax.</td></tr><tr><td>Rs 5.6</td><td></td></tr></table>	Sub-contracted service - Rs. 100		Less - Abated value @60% Rs.60		Remaining value	Rs.40	Service tax @14%	Rs.5.6	AITPL will pay Rs.105.6 to GTPL and now AITPL will take credit full value of service tax.		Rs 5.6		<table><tr><td>Sub-contracted service - Rs 100</td><td></td></tr><tr><td>Add :- Service tax 14%</td><td>Rs.14</td></tr><tr><td>Total Bill Value</td><td>Rs.114</td></tr><tr><td colspan="2">AITPL will pay Rs.114 to GTPL and now AITPL will take credit max 40% on service tax.</td></tr><tr><td>Rs 5.6</td><td>14*40%</td></tr></table>	Sub-contracted service - Rs 100		Add :- Service tax 14%	Rs.14	Total Bill Value	Rs.114	AITPL will pay Rs.114 to GTPL and now AITPL will take credit max 40% on service tax.		Rs 5.6	14*40%
Service provided	Rs.1000																													
Service Tax @14%	Rs.114																													
Total Bill Value	Rs.1114																													
Sub-contracted service - Rs. 100																														
Less - Abated value @60% Rs.60																														
Remaining value	Rs.40																													
Service tax @14%	Rs.5.6																													
AITPL will pay Rs.105.6 to GTPL and now AITPL will take credit full value of service tax.																														
Rs 5.6																														
Sub-contracted service - Rs 100																														
Add :- Service tax 14%	Rs.14																													
Total Bill Value	Rs.114																													
AITPL will pay Rs.114 to GTPL and now AITPL will take credit max 40% on service tax.																														
Rs 5.6	14*40%																													

←

So the credit availability is same to main contractor
If it is abated value or non-abated value
