MANDATORY FIELDS

PAN MANDATORY

At present, the PAN of the applicant is not mandatory in field in DIN eform-1. In order to examine DIN-4 e-form through the system and to avoid duplicate DIN, it has been decided that all existing DIN Holders who have not furnished their PAN earlier at the time of obtaining DIN, are required to furnish their PAN by filing DIN-4 e-form by 31st May, 2011

HOW TO CHECK WHETHER PAN IS UPDATED OR NOT????

2 WAYS

1. Prefill DIN in Form 1A if PAN Column has prefilled means it has got updated.
2. Use option Get DIN Application where the DIN Application reveals whether the Director has given PAN while applying DIN.
