

Announcement of commencing the next batch of six week's Residential Programme.

A Six Week's Residential Programme on professional skills and development has been initiated by Board of Studies, ICAI for the benefit of CA Students and newly qualified Chartered Accountants. This programme would focus on development of communication skills, leadership skills, personal traits as well as technical skills for effective functioning in business organization and profession.

The programme is commencing from August 16, 2010 at Centre of Excellence, Hyderabad.

Students interested to pursue this programme may [click](#) for registration form.

July 21, 2010

Vijay Kapur
Director, Board of Studies
