Preface

Revision Test Paper: Advanced Management Accounting is a comprehensive test paper on problems of advanced cost management. It has been developed exclusively for the students of CA Final (new course).

The book is divided into 2 sections, namely:

Section I–Revision Test Paper

Section II–Development in Business Environment

The Author expresses his sincere gratitude to **the Institute of Chartered Accountants of India** for granting permission to use the past examination questions and Revision Test Paper (RTP) Questions.

Valuable suggestions and constructive feedback from learners is welcome and would be gratefully acknowledged.

Acknowledgements

I am grateful to my esteemed colleagues, friends and students who have contributed to this book by advising me and by giving constructive feedback. This book would not have taken its present shape without the continuous support and encouragement from the editorial and production team of Carvinowledge Press and it has been a real pleasure working in coordination with their extremely professional set up. I have immensely benefitted from referring to several books and publications. Thus, I owe an enormous intellectual debt to all authors, publications, publishers and institutions whose work I have drawn upon in developing this textbook.

I hope that the book serves the purpose of its readers. I retain the responsibility of errors of any kind in the book.
