

Feelings on Exam Results

- 1) A student who has secured less than 30 in a paper feels that he should have got more though he might accept his failure, as he or she feels failing with numbers falling b/w 30-39 is a decent failure.
- 2) A student who has secured 39 in a paper feels that he should have got at least 40 in that paper.
- 3) A student who has secured 40 in a paper feels that he should have got more than 40 in that paper & not exact 40.
- 4) A student who has cleared one group feels that he should have cleared the other group too.
- 5) A student who has passed all subjects in a group (or both) but couldn't make it due to aggregation feels that he should have cleared the group with numbers exceeding aggregate.
- 6) A Student who has cleared a paper in a group feels that he should have got at least 60 so that he would enjoy exemption.
- 7) A student who has cleared both groups feels that he should have got a rank which he has missed by a mark or so.
- 8) A student who has cleared both groups with a rank feels that he should have got a better rank.
- 9) May be a Student who has secured 1st rank feels that the he should have got more than awarded & vice versa.

Guys the above might be the various reflections on the results were in one experience.

The above shows that whatever be the result, one might feel it would be better if he got that & that!!!!

1st of all I congratulate the ones who have cleared. And for the ones who have missed it, Pls read the following which might boost ur morale & confidence.

- 1) "Don't get discouraged in the daily battle of life. You are are the master of ur destiny. You can do & undo things by right thinking & right acting. Wrong thinking is the root cause for human suffering. Cultivate right thinking & right acting"

- 2) "Higher the Goal Greater Should be the Inspiration"

Inspiration shouldn't get depicted from the memories of the past, anxiety of the present & future. If leakages can be blocked via these means. Then the task undertaken will yield excellent result as the goal is not depicted.

Inspiration is the fuel that makes the thought into action i.e. implementation.

- 3) Don't get triggered for the result that u have got.
- 4) "To reach a port, we must sail—Sail, not tie at anchor—Sail, not drift". Franklin Roosevelt

- 5) Close ur ears when people try insulting on the result. But thank them for reminding u that effort that u approached exams were not sufficient.
- 6) Make ur own anaylsis, find out the areas were u went wrong. Try to turn ur weakness into ur strengths.
- 7) "You Know many things, But You do not Know, You Know many things"
- 8) Many good things done get washed away in one bad conduct
