

I HAVE DONE SO MUCH ANALYSIS ON THIS, SO I WANT TO SHARE WITH YOU.

IDT PAPER = 116 MARKS(INCLUDING OPTION)

SERVICE TAX = 36

VAT = 13

EXCISE = 44

CUSTOM = 23

BUT FURTHER DISTRIBUTION IS LIKE THAT:-

(1) SERVICE TAX

SERVICES (PRACTICAL) = 14

SERVICES (THEORY) = 5

OTHER PORTION = 17

(2) EXCISE & CUSTOM

APPEAL, REFUND, REVISION, PENALTY, SETTLEMENT
COMMISSION = 18 MARKS

VALUATION = 13 MARKS

OTHER TOPICS = 36 MARKS

HERE I JUST WANT TO TELL YOU HOW TO GIVE YOUR TIME TO STUDY IDT TO SECURE GOOD MARKS.

MANY PEOPLE GIVE THEIR MOST OF TIME TO SERVICES WHICH IS ONLY 19 MARKS. IF WE HAVE CHOICE IN EXAM, THEN WE CAN DO OTHER TOPICS WELL .

MANY PEOPLE DON CONSIDER COMMON TOPICS(APPEAL etc.) WHICH CONTAIN 18 MARKS AND THE PORTION OF THIS TOPICS IS LESS THAN 40% OF SERVICES PORTION.

SO, CONSIDER THE ABOVE CALCULATION FOR YOUR EXAM.

NOT TO DROP ANY THING, BUT DO WELL WHICH ARE MORE SIMPLE AND SMALL.

SERVICE TAX (EXCLUDING SERVICES) = 17 MARKS

VAT = 13 MARKS

EXCISE & CUSTOM (VALUATION) = 13 MARKS

APPEAL etc. (COMMON TOPICS) = 18 MARKS

TOTAL 61 MARKS

EXCISE & CUSTOM (OTHER) = 36 MARKS

TOTAL = 97 MARKS

NOW, CHOICE IS YOURS, I HAVE JUST EXPLAINED MY ANALYSIS.
