(No participation fee)

Objective

The financial reporting process is globally undergoing a sea change. Regulators worldwide prefer collecting financial data in XBRL Format.

India is also moving towards this revolution. The Ministry of Corporate Affairs vide General Circular No.37/2011 dated June 7, 2011, has made it mandatory for all the companies listed in India and their subsidiaries, all companies having a paid up capital of 5 Crore and above and all companies having turnover of 100 Crore and above to file their Balance Sheets and Profit and loss Account along with Director's and Auditor's Report for the year 2010-11 onwards by using XBRL taxonomy. XBRL refers to Extensible Business Reporting Language for generating, aggregating and analyzing business and financial data.

Course Coverage

- Introduction to XBRL
- XBRL Basics and Taxonomy building
- Schema and its properties
- Linkbases and their properties
