Chairman Writes

Dear Esteemed Colleagues,

It has been a unique privilege bestowed upon me to take up office of the Chairman which entails me to fulfil my foremost duty and prime responsibility to equip our CA fraternity so as to enable them to perform with utmost skill and expertise without any hindrance. A beginning, it is said is only the start of a journey to another beginning. In a few days' time I will be laying down my office and want to express my sincere gratitude to all who have given their unstinted support during the last one year. A nostalgic moment for me in giving me the liberty to announce that your support and inspiration has given me the courage to give in my best for the cause of the profession. I also wish to place on record the contribution by all my colleagues in this Regional Council and the Central Council Members, all our past leaders in having an illustrious tenure more so in the Diamond Jubilee Year of EIRC.

The Dynamic Scenario and the Chartered Accountant

The dynamic scenario essentially demands that the professionals at the helm of finance function of the corporations and other segments of the economy bring themselves in line with the need of the hour by upgrading knowledge and skill to match the society's expectations. The background of a Chartered Accountant is the most ripe to unlearn the past and learn the contemporary with ease and speed. The challenge is seen, in optimally creating an appropriate capital structure and at the same time raising finances practically has always been a no mean task. Capital budgeting, financial analysis and forecasting, all have their own respective building blocks needing smoothening of contours by application of contemporary tools.

CPE Programmes

After having a hectic schedule of conducting and organising CPE programmes on all working days in previous month, we have taken a liberty to take a breather. But considering the extension of time period till **March 2012** to complete the mandatory CPE requirements we have organised Programme on Investor Awareness on **5th January 2012**, Intellectual Property Rights on **24th January 2012**. Apart from the three Teleconference programme conducted by CPE Committee, a Full Day National Seminar on Corporate Governance was organised at EIRC Premises on **21st January 2012** which was organised jointly by Committee for Corporate Law & Corporate Governance and Committee for Members in Industry. In addition to above, a Motivational programme was organised on **13th January 2012** wherein eminent speakers from **ISKON** have deliberated and taught the participants ways to combat stress and stay motivated. The Seminar has been planned taking into consideration of the mounting stress upon the professionals and the programme has immensely benefited the delegates to learn about the different aspects of Stress Management.

Convocation

A Convocation-2011 was planned on **26th Jan 2012** at Science City wherein our Hon'ble President and Vice President are expected to grace the occasion and distribute certificates to the newly qualified members of the Institute. Participation is expected to be in huge number.

Republic Day Celebrations

EIRC will be extremely fortunate enough to have the gracious presence of our Hon'ble President during the

Republic Day Celebrations. The members and students are elated to have the news of having amongst them the flag bearer, Hon'ble President hoisting and saluting the National Flag, at our Institute's Premises.

Sports & Cultural Week

A sports and cultural week was planned from **22nd to 29th Jan 2012** and a Talent Hunt has been organised. A large number of students as well as members have registered for various events viz., Badminton, Table Tennis, Carrom and Chess were in the Sports category. A Talent Hunt in the cultural category like Singing, Dancing, Mimicry, Instrumental and Elocution will be held on **29th Jan 2012**. This has been organised with the mind-set that Members & Students do deserve to be exposed to such events which will strengthen the bondage amongst them and also to encourage them take part in extracurricular activities and also as a welfare measure in revitalising interest in the multifarious activities of our esteemed Institute. This is an opportunity extended during the year to inculcate interests in fields other than professional arena. Naming few are allowing individual performances in Singing, Dancing amongst members and students during the Diamond Jubilee Celebrations on **1st July 2011** at **EZCC**, Salt Lake. A musical extravaganza by Musical group, **Dhwani** was also presented to the members and students which was attended by four past Presidents of the Institute altogether for the First time during any celebrations of EIRC. We have also arranged a **"Hasya Kavi Sammelan"** during Holi Get Together, a musical evening by **Ms Srabani Sen**, an eminent singer of Tagore songs during **Ravindra Sandhya** and also a musical performance and a dance performance by 'Beat Busters' group during the **Bijaya-Diwali Get-together**.

Annual Day Function - Youth Festival

An Annual Day Function is going to be organised on **25th February 2012** at **G.D. Birla Sabhaghar**, wherein awards and prizes will be given to the Best talents of Sports and Cultural programme in addition to the various awards to the Branches and Study Circles. I urge upon everyone to please attend in large number to make the programme a grand success.

Quoting Pandit Jawahar Lal Nehru from the Glimpses of the World, I conclude for now:

"The past brings us many gifts; indeed, all that we have today of culture, civilization, science, or knowledge of some aspects of the truth, is a gift of the distant or recent past to us. It is right that we acknowledge our obligations to the past. But the past does not exhaust our duty or obligation. We owe a duty to the future also, and perhaps that obligation is even greater than the one we owe to the past. For the past is past and done with, we cannot change it; the future is yet to come, and perhaps we may be able to shape it a little. If the past has given us some part of the truth, the future also hides many aspects of the truth, and invites us to search for them. But often the past is jealous of the future and holds us in a terrible grip, and we have to struggle with it to get free to face and advance towards the future".

Yours sincerely,

CA Sushil Kr Goyal
Chairman, EIRC

Dear Students,

It was encouraging to find a relatively higher percentage clear the final examination this time, the results of which were declared on 18/01/2012. Hearty congratulations to those who succeeded and I am sure those of you who could not make it this time would surely do so the next time with yet better

preparation. The successful candidates who are interested in employment, may refer to the placement portal for forthcoming Campus Interview in Feb-Mar, 2012.

18th January 2012 also witnessed the declaration of CPT examination and I welcome the first step that these students have taken in entering the arena. Please do enroll for IPCC / ATC courses within the cut-off date to be eligible for the Nov, 2012 exam.

Students of PCC/IPCC/Final may please refer to the BOS announcement of the Board of Studies (BOS) regarding applicability of Institute Publications hosted in ICAI website (www.icai.org) for May, 2012 exam

This message is being penned amidst the EIRC Cultural & Sports week that started on 22nd Jan, 2012 and is scheduled to carry on till 29th Jan, 2012. I thank the EICASA members amongst others for making the same a memorable one. On 23rd January 2012 sizeable number of members and students participated in the Badminton, Table Tennis, Carrom and Chess championship at the YMCA Chowringhee and it was great for yours truly to emerge as the winner in the members category of the Carrom and Chess games. I congratulate

the winners and thank everybody for participating in the manner they have and am keenly looking forward to the cultural meet on 29th January 2012 which I am sure would also be accomplished in a grand scale.

It was nice to be in the Convocation ceremony for new members of the Eastern Region at Science City Auditorium on 26/01/2012, more so as a lot of these new members had enrolled as students from 2006 to 2008 when I had first stepped into the Regional Council;. The feeling is absolutely great.

Free Lecture Meetings for IPCC & PCC/Final students would be organized at EIRC auditorium from mid-February, 2012. Students are advised to visit EIRC website / refer EIRC – ICAI notice-board during the 1st week of Feb, 2012 for the schedule.

With the change of guard scheduled for February 2012, this would be my last communication to you in the Newsletter as Vice Chairman, EIRC. Before I sign off, I must convey my heartfelt thanks and gratitude to the Board of Studies of our Institute, the EICASA members, my fellow members in the Regional Council and all those who made each minute of my tenure as Chairman EICASA worth its while – I have enjoyed it and I am confident that my successor in office would also enjoy this challenging yet satisfying role.

With Best Wishes,

CA. Prasun Kr. Bhattacharyya

Chairman, EICASA
Vice-Chairman, EIRC
