For students who get upset before exams following information will probably help them,,

Group I

- Accounting : This is the most scoring subject in IPCC. AS's, Partnership, Amalgamation and NPO/single Entry are a sure 50 marks package, so have a eye on these chapters.
- Taxation : Undoubtedly Service tax and VAT, these two topics are enough to get 40 marks in this subject. Take special care while doing practical sums in service tax.
- Costing/ FM : In this subject a tight command on FM is Required. In costing-- Marginal / standard / budgetary control / process costing and Theory portion is VERY important.
- LAW/E/C :- POGA/POBA/PFA - fix 10-15 marks , Comm & ethics - Easily 40 marks can be attended.

Group II

- Accounting : AS's + partnership & amalgamation + ESOP + Underwriting + Banking
- Audit * : SA's(Summaries) + Company audit & Audit report + Special Audits.
- IT /SM * : Already very small syllabus but command on SM is required.

*Special care should be taken in this subject
