Standard on Auditing (SA) 710, “Comparative Information—Corresponding Figures and Comparative Financial Statements” should be read in the context of the “Preface to the Standards on Quality Control, Auditing, Review, Other Assurance and Related Services¹”, which sets out the authority of SAs and SA 200, “Overall Objectives of the Independent Auditor and the Conduct of an Audit in Accordance with Standards on Auditing”².

¹ Published in the July, 2007 issue of the Journal.

² Published in the March, 2010 issue of the Journal.

Introduction

Scope of this SA

1. This Standard on Auditing (SA) deals with the auditor's responsibilities regarding comparative information in an audit of financial statements. When the financial statements of the prior period have been audited by a predecessor auditor or were not audited, the requirements and guidance in SA 510³ regarding opening balances also apply.

The Nature of Comparative Information

2. The nature of the comparative information that is presented in an entity's financial statements depends on the requirements of the applicable financial reporting framework. There are two different broad approaches to the auditor's reporting responsibilities in respect of such comparative information: corresponding figures⁴ and comparative financial statements. The approach to be adopted is often specified by law or regulation but may also be specified in the terms of engagement.

3. The essential audit reporting differences between the approaches are:

- (a) For corresponding figures, the auditor's opinion on the financial statements refers to the current period only; whereas
- (b) For comparative financial statements, the auditor's opinion refers to each period for which financial statements are presented.

This SA addresses separately the auditor's reporting requirements for each approach.

Effective Date

4. This SA is effective for audits of financial statements for periods beginning on or after April 1, 2011.

Objectives

5. The objectives of the auditor are:

- (a) To obtain sufficient appropriate audit evidence about whether the comparative information included in the financial statements has been presented, in all material respects, in accordance with the requirements for comparative information in the applicable financial reporting framework; and

³ SA 510, "Initial Audit Engagements—Opening Balances".

⁴ Typically, financial reporting frameworks in India use the corresponding figures approach for general purpose financial statements.

- (b) To report in accordance with the auditor's reporting responsibilities.

Definitions

6. For purposes of the SAs, the following terms have the meanings attributed below:

- (a) Comparative information – The amounts and disclosures included in the financial statements in respect of one or more prior periods in accordance with the applicable financial reporting framework.
- (b) Corresponding figures – Comparative information where amounts and other disclosures for the prior period are included as an integral part of the current period financial statements, and are intended to be read only in relation to the amounts and other disclosures relating to the current period (referred to as “current period figures”). The level of detail presented in the corresponding amounts and disclosures is dictated primarily by its relevance to the current period figures.
- (c) Comparative financial statements – Comparative information where amounts and other disclosures for the prior period are included for comparison with the financial statements of the current period but, if audited, are referred to in the auditor's opinion. The level of information included in those comparative financial statements is comparable with that of the financial statements of the current period.

For purposes of this SA, references to “prior period” should be read as “prior periods” when the comparative information includes amounts and disclosures for more than one period.

Requirements

Audit Procedures

7. The auditor shall determine whether the financial statements include the comparative information required by the applicable financial reporting framework and whether such information is appropriately classified. For this purpose, the auditor shall evaluate whether:
- (a) The comparative information agrees with the amounts and other disclosures presented in the prior period; and
 - (b) The accounting policies reflected in the comparative information are consistent with those applied in the current period or, if there have been changes in accounting policies, whether those changes have been properly accounted for and adequately presented and disclosed.

Comparative Information—Corresponding Figures & Comparative FS

8. If the auditor becomes aware of a possible material misstatement in the comparative information while performing the current period audit, the auditor shall perform such additional audit procedures as are necessary in the circumstances to obtain sufficient appropriate audit evidence to determine whether a material misstatement exists. If the auditor had audited the prior period's financial statements, the auditor shall also follow the relevant requirements of SA 560⁵.

9. As required by SA 580⁶, the auditor shall request written representations for all periods referred to in the auditor's opinion. The auditor shall also obtain a specific written representation regarding any prior period item that is separately disclosed in the current year's statement of profit and loss. (Ref: Para. A1)

Audit Reporting

Corresponding Figures

10. When corresponding figures are presented, the auditor's opinion shall not refer to the corresponding figures except in the circumstances described in paragraphs 11, 12, and 14. (Ref: Para. A2)

11. If the auditor's report on the prior period, as previously issued, included a qualified opinion, a disclaimer of opinion, or an adverse opinion and the matter which gave rise to the modification is unresolved, the auditor shall modify the auditor's opinion on the current period's financial statements. In the Basis for Modification paragraph in the auditor's report, the auditor shall either:

- (a) Refer to both the current period's figures and the corresponding figures in the description of the matter giving rise to the modification when the effects or possible effects of the matter on the current period's figures are material; or
- (b) In other cases, explain that the audit opinion has been modified because of the effects or possible effects of the unresolved matter on the comparability of the current period's figures and the corresponding figures. (Ref: Para. A3-A5)

12. If the auditor obtains audit evidence that a material misstatement exists in the prior period financial statements on which an unmodified opinion has been previously issued, the auditor shall verify whether the misstatement has been dealt with as required under the applicable financial reporting framework and, if that is not the case, the auditor shall express a qualified opinion or an adverse opinion in the auditor's report on the current period financial statements, modified

⁵ SA 560, "Subsequent Events", paragraphs 14-17.

⁶ SA 580, "Written Representations", paragraph 14.

with respect to the corresponding figures included therein. (Ref: Para. A6)

Prior Period Financial Statements Audited by a Predecessor Auditor

13. If the financial statements of the prior period were audited by a predecessor auditor and the auditor is permitted by law or regulation to refer to the predecessor auditor's report on the corresponding figures and decides to do so, the auditor shall state in an Other Matter paragraph in the auditor's report:

- (a) That the financial statements of the prior period were audited by the predecessor auditor;
- (b) The type of opinion expressed by the predecessor auditor and, if the opinion was modified, the reasons therefore; and
- (c) The date of that report. (Ref: Para. A7)

Prior Period Financial Statements Not Audited

14. If the prior period financial statements were not audited, the auditor shall state in an Other Matter paragraph in the auditor's report that the corresponding figures are unaudited. Such a statement does not, however, relieve the auditor of the requirement to obtain sufficient appropriate audit evidence that the opening balances do not contain misstatements that materially affect the current period's financial statements⁷. (Ref: Para. A7a)

Comparative Financial Statements

15. When comparative financial statements are presented, the auditor's opinion shall refer to each period for which financial statements are presented and on which an audit opinion is expressed. (Ref: Para. A8-A9)

16. When reporting on prior period financial statements in connection with the current period's audit, if the auditor's opinion on such prior period financial statements differs from the opinion the auditor previously expressed, the auditor shall disclose the substantive reasons for the different opinion in an Other Matter paragraph in accordance with SA 706⁸. (Ref: Para. A10)

Prior Period Financial Statements Audited by a Predecessor Auditor

17. If the financial statements of the prior period were audited by a predecessor auditor, in addition to expressing an opinion on the current period's financial statements, the auditor shall state in an Other Matter paragraph:

⁷ SA 510, paragraph 6.

⁸ SA 706, "Emphasis of Matter Paragraphs and Other Matter Paragraphs in the Independent Auditor's Report", paragraph 8.

Comparative Information—Corresponding Figures & Comparative FS

- (a) That the financial statements of the prior period were audited by a predecessor auditor;
- (b) The type of opinion expressed by the predecessor auditor and, if the opinion was modified, the reasons therefor; and
- (c) The date of that report,

unless the predecessor auditor's report on the prior period's financial statements is revised with the financial statements.

18. If the auditor concludes that a material misstatement exists that affects the prior period financial statements on which the predecessor auditor had previously reported without modification, the auditor shall communicate the misstatement with the appropriate level of management and those charged with governance and request that the predecessor auditor be informed. If the prior period financial statements are amended, and the predecessor auditor agrees to issue a new auditor's report on the amended financial statements of the prior period, the auditor shall report only on the current period. (Ref: Para. A11)

Prior Period Financial Statements Not Audited

19. If the prior period financial statements were not audited, the auditor shall state in an Other Matter paragraph that the comparative financial statements are unaudited. Such a statement does not, however, relieve the auditor of the requirement to obtain sufficient appropriate audit evidence that the opening balances do not contain misstatements that materially affect the current period's financial statements⁹.

Application and Other Explanatory Material

Audit Procedures

Written Representations (Ref: Para. 9)

A1. In the case of comparative financial statements, the written representations are requested for all periods referred to in the auditor's opinion because management needs to re-affirm that the written representations it previously made with respect to the prior period remain appropriate. In the case of corresponding figures, the written representations are requested for the financial statements of the current period only because the auditor's opinion is on those financial statements, which include the corresponding figures. However, the

⁹ SA 510, paragraph 6.

auditor requests a specific written representation regarding any prior period item that is separately disclosed in the current year's statement of profit and loss.

Audit Reporting

Corresponding Figures

No Reference in Auditor's Opinion (Ref: Para.10)

A2. The auditor's opinion does not refer to the corresponding figures because the auditor's opinion is on the current period financial statements as a whole, including the corresponding figures.

Modification in Auditor's Report on the Prior Period Unresolved (Ref: Para. 11)

A3. When the auditor's report on the prior period, as previously issued, included a qualified opinion, a disclaimer of opinion, or an adverse opinion and the matter which gave rise to the modified opinion is resolved and properly accounted for or disclosed in the financial statements in accordance with the applicable financial reporting framework, the auditor's opinion on the current period need not refer to the previous modification.

A4. When the auditor's opinion on the prior period, as previously expressed, was modified, the unresolved matter that gave rise to the modification may not be relevant to the current period figures. Nevertheless, a qualified opinion, a disclaimer of opinion, or an adverse opinion (as applicable) may be required on the current period's financial statements because of the effects or possible effects of the unresolved matter on the comparability of the current and corresponding figures.

A5. Illustrative examples of the auditor's report if the auditor's report on the prior period included a modified opinion and the matter giving rise to the modification is unresolved are contained in Examples A and B of the Appendix.

Misstatement in Prior Period Financial Statements (Ref: Para. 12)

A6. When the prior period financial statements that are misstated have not been amended and an auditor's report thereon has not been issued in accordance with the requirements of SA 560, "Subsequent Events", but the corresponding figures have been properly dealt with as required under the applicable financial reporting framework and the appropriate disclosures have been made in the current period financial statements, the auditor's report may include an Emphasis of Matter paragraph describing the circumstances and referring to, where relevant, disclosures that fully describe the matter that can be found in the financial statements (see SA 706).

Comparative Information—Corresponding Figures & Comparative FS

Prior Period Financial Statements Audited by a Predecessor Auditor (Ref: Para. 13)

A7. An illustrative example of the auditor's report if the prior period financial statements were audited by a predecessor auditor and the auditor is permitted by law or regulation to refer to the predecessor auditor's report on the corresponding figures is contained in Example C of the Appendix.

Prior Period Financial Statements Not Audited (Ref: Para.14)

A7a. Where prior period financial statements were not audited, the auditor should request the management to disclose this fact on the face of the current period financial statements with respect to the corresponding figures.

Comparative Financial Statements

Reference in Auditor's Opinion (Ref: Para. 15)

A8. Because the auditor's report on comparative financial statements applies to the financial statements for each of the periods presented, the auditor may express a qualified opinion or an adverse opinion, disclaim an opinion, or include an Emphasis of Matter paragraph with respect to one or more periods, while expressing a different auditor's opinion on the financial statements of the other period.

A9. An illustrative example of the auditor's report if the auditor is required to report on both the current and the prior period financial statements in connection with the current year's audit and the prior period included a modified opinion and the matter giving rise to the modification is unresolved, is contained in Example D of the Appendix.

Opinion on Prior Period Financial Statements Different from Previous Opinion (Ref: Para. 16)

A10. When reporting on the prior period financial statements in connection with the current period's audit, the opinion expressed on the prior period financial statements may be different from the opinion previously expressed if the auditor becomes aware of circumstances or events that materially affect the financial statements of a prior period during the course of the audit of the current period. In some circumstances, the auditor may have additional reporting responsibilities designed to prevent future reliance on the auditor's previously issued report on the prior period financial statements.

Prior Period Financial Statements Audited by a Predecessor Auditor (Ref: Para. 18)

A11. The predecessor auditor may be unable or unwilling to revise the auditor's

report on the prior period financial statements. An Other Matter paragraph of the auditor's report may indicate that the predecessor auditor reported on the financial statements of the prior period before amendment. In addition, if the auditor is engaged to audit and obtains sufficient appropriate audit evidence to be satisfied as to the appropriateness of the amendment, the auditor's report may also include the following paragraph:

As part of our audit of the 20X2 financial statements, we also audited the adjustments described in Note X that were applied to amend the 20X1 financial statements. In our opinion, such adjustments are appropriate and have been properly applied. We were not engaged to audit, review, or apply any procedures to the 20X1 financial statements of the company other than with respect to the adjustments and, accordingly, we do not express an opinion or any other form of assurance on the 20X1 financial statements taken as a whole.

Material Modifications vis-a-vis ISA 710, "Comparative Information—Corresponding Figures and Comparative Financial Statements"

Deletions

1. Paragraphs 9 and 12 of ISA 710 deal with the restatement of the prior period financial statements. Since in India, Accounting Standard (AS) 5, "Net Profit or Loss for the Period, Prior Period Items and Changes in Accounting Policies" requires that prior period items should be separately disclosed in the Statement of Profit and Loss in a manner that their impact on the current profit or loss can be perceived, the restatement of the prior period financial statements does not exist in the Indian scenario. Hence, to align with the requirements of AS 5, the requirement of restatement of prior period items has been replaced with the requirement to disclose the prior period items in the current year's Statement of Profit & Loss. Corresponding changes have also been made at the relevant places of the Standard.
2. Paragraph 17 of ISA 710 deals with the situation wherein the predecessor auditor reissue his audit report. Since in India, the nomenclature, "Reissue" is not used for the re-issuance of the audit report by an auditor, the same has been replaced with the word, "Revised". Corresponding changes have also been made at the relevant places of the Standard.

Example Auditors' Reports

Example A - Corresponding Figures (Ref: Para. A5)

Report illustrative of the circumstances described in paragraph 11(a), as follows:

- The auditor's report on the prior period, as previously issued, included a qualified opinion.
- The matter giving rise to the modification is unresolved.
- The effects or possible effects of the matter on the current period's figures are material and require a modification to the auditor's opinion regarding the current period figures.

INDEPENDENT AUDITOR'S REPORT

To the Members of ABC Company Limited

Report on the Financial Statements¹⁰

We have audited the accompanying financial statements of ABC Company Limited ("the Company"), which comprise the balance sheet as at March 31, 20X1, and the statement of profit and loss, and cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and presentation of these financial statements that give a true and fair view of the state of affairs, results of operations and cash flows of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

¹⁰ The sub-title "Report on the Financial Statements" is unnecessary in circumstances when the second sub-title "Report on Other Legal and Regulatory Requirements" is not applicable.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India (ICAI). Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

As discussed in Note X to the financial statements, no depreciation has been provided in the financial statements which constitutes a departure from the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("the Act"). This is the result of a decision taken by management at the start of the preceding financial year and caused us to qualify our audit opinion on the financial statements relating to that year. Based on the straight-line method of depreciation and annual rates of 5% for the building and 20% for the equipment, the loss for the year should be increased by Rs.XXX in 20X1 and Rs.XXX in 20X0, property, plant and equipment should be reduced by accumulated depreciation of Rs.XXX in 20X1 and Rs.XXX in 20X0, and the accumulated loss should be increased by Rs.XXX in 20X1 and Rs.XXX in 20X0.

Qualified Opinion

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements give a true and fair view of the state of affairs of the Company as of March 31, 20X1, and of its results of

Comparative Information—Corresponding Figures & Comparative FS

operations and its cash flows for the year then ended in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("the Act").

Example B - Corresponding Figures (Ref: Para. A5)

Report illustrative of the circumstances described in paragraph 11(b), as follows:

- The auditor's report on the prior period, as previously issued, included a qualified opinion.
- The matter giving rise to the modification is unresolved.
- The effects or possible effects of the matter on the current period's figures are immaterial but require a modification to the auditor's opinion because of the effects or possible effects of the unresolved matter on the comparability of the current period's figures and the corresponding figures.

INDEPENDENT AUDITOR'S REPORT

To the Members of ABC Company Limited

Report on the Financial Statements¹²

We have audited the accompanying financial statements of ABC Company Limited ("the Company"), which comprise the balance sheet as at March 31, 20X1, and the statement of profit and loss, and cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and presentation of these financial statements that give a true and fair view of the state of affairs, results of operations and cash flows of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

¹² The sub-title "Report on the Financial Statements" is unnecessary in circumstances when the second sub-title "Report on Other Legal and Regulatory Requirements" is not applicable.

Comparative Information—Corresponding Figures & Comparative FS

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India (ICAI). Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and presentation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

Because we were appointed auditors of the Company during 20X0, we were not able to observe the counting of the physical inventories at the beginning of that period or satisfy ourselves concerning those inventory quantities by alternative means. Since opening inventories affect the determination of the results of operations, we were unable to determine whether adjustments to the results of operations and opening retained earnings might be necessary for 20X0. Our audit opinion on the financial statements for the year ended 31 March, 20X0 was modified accordingly. Our opinion on the current period's financial statements is also modified because of the possible effect of this matter on the comparability of the current period's figures and the corresponding figures.

Qualified Opinion

In our opinion, except for the possible effects on the corresponding figures of the matter described in the Basis for Qualified Opinion paragraph, the financial

statements give a true and fair view of the state of affairs of the Company as of March 31, 20X1, and of its results of operations and its cash flows for the year then ended in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("the Act").

Example D - Comparative Financial Statements (Ref: Para. A9)

Report illustrative of the circumstances described in paragraph 15, as follows:

- Auditor is required to report on both the current period financial statements and the prior period financial statements in connection with the current year's audit.
- The financial reporting framework used in preparing the financial statements is other than accounting principals generally accepted in India. However, the audit is performed in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India.
- The auditor's report on the prior period, as previously issued, included a qualified opinion.
- The matter giving rise to the modification is unresolved.
- The effects or possible effects of the matter on the current period's figures are material to both the current period financial statements and prior period financial statements and require a modification to the auditor's opinion.
