

CA Ankit Bohra:- How I Became a CA

Hi Everyone,

This is what i trully want to share with all of you... There will b some bad and good things... Just look only for those things which u think is good for you from this story.. And this story is original nothing copied,nor cheated.

I m a normal student from a normal hometown of a v ery very normal family. I m very bad in studies until class 8th, always on top from the lower side in report card among all the students of my class. But when i got grace marks in 8th class, one of my friends mom who live in same street came to my home and said many things to my mom,because her son got 3rd rank in class and got 87% as i got only 38%. **That day i saw tears in my Mom's Eyes and that was the first Reason of Change in Me.** That day i realised m a very worst son of my parents

As i came in 9th class, again starting days i want to study but due to my friend circle same habits(Masti,Masti and Masti), but in last three months of 9th class, i concentrated on studies and worked a little bit hard. Finally on the result day i scored exact perecntage as the above said friend got i.e.89.67.

On Result day i saw tears in Mom's eye again but this time it was because of happiness. She was quite happy and

feeling proud on me... Seriously bus aisa laga ki life k sab sapne pure ho gae ...

Now from 10th to 12th i studied good and always became a topper of my class, i hadnt left my freinds and our masti.. Enjoyed a lot ... Now as 12th results came, everyone one is thinking about his or her future and what i thought in my lanugage is

" Ankit beta apan se padhai too hoti nahi hai better hai kuch kaam kar le business karenge paise kamane hai bahut saarein and all things."

But my father wanted me to be a CA. Jitna naam chota utna chota hi starting mein maine samja and form fill kar dia.Ab start hui problems, form mill kia but padhai mein mann nahi lagta kynki out of my 16 friends only three have filled CA form.. Then a bit month later we all around 12 started CA. Then hometown se hi badi mushkil se coachings ki and that coaching was for PE-1, then ICAI introduces a new course CPT, we had been given option to choose PE-1 or CPT, but thodi hoshiyari thi na ki cpt easy hai too go for PE-1. I choosed it and by gods grace cleared in first attempt.

Now i was in PCC. At that time articleship starts as u enter in PCC, i belongs from a little home town and a normal class family so jyada jaan pehchaan thi nahi... Just CPT ki bahar bhi aayi thi means articleship b easily available thi hi nahi.. Try kia nahi mili kahi...

Ek din apni dukan khada tha ek uncle bole CA Foundation ho gaya i said ha ho gaya too unhone indore mein articleship dila di.. Now its good ki ghar se bahar jaunga bahut bahut khush tha new place big city new life and everything will b there.

Ab meri life mujhe indore la chuki thi. Yaha akela aaya tha because from starting i love to b daring, papa ko bola akela jaunga. New place thi jitna easy socha tha nahi, hostel search karein nahi mile.. Then went to a Dharmshala stays there for 7 days. Toughest days of my life because jyada paise they nahi mere pass ki hotel mein afford karo and all, bekar se bed, ek dum lower grade bathrooms and a very normal food. But after 7 days find a place in hostel. Hostel mein shift ho gaya classes start ho gai... Dheere dheere darr tha mann mein wo dur hone laga. Naye dost banane lage life thodi si normal hone lagi. Class mein jata tha too boys and girls ko dekh k bahut ajeeb lagta tha ki yaar kaise rehte hai ek dum sath , eksath aate hai baithte hai and all, actually this all does not happens in my hometown na... So kuch alag laga.

Fir ek bahut achha friend mila,we shared our room. Life starts to b entertaining,Padhne laga seriously bahut darr tha ab CA ka mere mann mein. Jab logo ko dekhta too lagta yaar i cant b a CA ever ye too itna padhta hai mujhse too iski aadhi bhi padhai nahi hoti .But near about one month goes on, articleship bhi sahi chal rahi thi sab theek thak tha. Then troubles start to entered in my life, Morning

uthata 7 am se classes 11am tak, then office then evening 5 tak office and again 5.30 to 8.30 classes as m doing both group same time. I dont have time for lunch during my article life. Ab office mein bahut achhe se kaam karta tha, but my boss was so strict that even he dont allow any tea,newspaper,books anything in my office , he usually says in sab se tumhara time waste hoga and tum kaam pe concentrate nahi karoge. So sab band tha waha.. Dheere dheere ye routine bore karne laga. As time passed this boringness became irritation.. Nothing else left in my life .. March mahine mein raat ko 4 am tak kaam karta tha classes and all . But boss ne kabhi ye nahi kaha ki beta kuch kha le thoda rest kar le and all, diwali holi leaves mangta too bhi mana kar deta . So bahut tired ho gaya me apni life se .. Office k aage kuch zindgi bachhi hi nahi ab. This all continues near about 7 months. I had seen partiality in working, he allows girls to come at 11.30 am to 5 pm exact, but for us he wants to enter in office upto 11am otherwise absent will b marked. March time mein b girls ka same time and we are working late nights, as m the head of all articles i compalained this. I just requested him ki sir if in girls ki jagah meri sister bhi hoti too mein ye hi kehta ki they cant came in late nights but morning 8 am too aa sakti hai even when they dont have any classes , so that humein raat ko 4-4 baje tak na rukna pade. Too he directly says its my office and my rules will b there. Ab i cant do anything as i dont have any other option of doing articleship.

Jaise taise its near off completeing my coachings, but i stays there because of articleship. Now life thodi normal hone lagi because i dont have to go for classes, Ab dosti bhi itni ho gayi ki timepass hone laga,masti ghumna bahut kuch hua.... Girls ko tease karna, masti karna, ghumne firne jana movies late night outings everything was there in my life. One day meri tabiyat kharab ho gayi and even i cant walk a bit because of stone problem. Usually i goes to my office which is two kms away from room, because i cant afford auto daily. But ab problem badne lagi ghar bataya nahi because papa ko tention ho jati bahut. Then one day ghar pe pata chal gaya and my father calls me ki ghar wapas aaja hathohath chod de CA., mujhe beta chahiye CA nahi. For one second i felt mere saarein sapne toot gaye. I was crying, unhe samjhaya ek din aur rookne ki permission li, next day office gaya sir se leave mangi and nahi mili then i showed him my medical report which is saying that i have 5 mm stone in both my kidney, he refused ki ho jaegi sahi and all tab i said ki sir iski jagah apka beta hota too bhi aap ye hi karte kya and all bol bal k mein office chod k aa gaya. Till that time i had completed my 13 months articleship with two months leave at the end.But sachhi my boss was so tough,strict. But the work the experience i got in my office n, i cant get any where in the world. Chahe jaise b boss ho but seriously i respects him till today because unhone mujhe hard banaya so that i can fight with the other problems in my life, i learnt various things there which is very

important in my personal life and professional life.

Sir dil se ankit ka salute for you.....

Now PCC k exams diye and wo b clear ho gaye, joined GMCS, tab kisi ne kaha CS b kar le. Theek hai chalo kar lete hai CS b karna Start kiya . Ab CS ki fees ,ca ki fees and all thodi heavy lagne lagi kyunki maine ghar pe paise na mangne ka decide kia. I started a bit techings, tally b sikhayi . So mera kaam chal gaya and cs inter b jaldi hi clear ho gaya.. Now m in CA and CS Final

Now coachings k liye wapas indore gaya tha mein, and after 12th i was in love with a girl so its been three years m with the one whom i loved so much.she always encourages me, she becomes my strength. Final ki coachings start hui , thoda fun start hua. Life achhi chalne lagi aur CA final ka darr badne laga. FM,DT,IDT,COSTING in sab ne jaan le rakhi thi. FM and DT too samjh hi nahi aati thi bilkul. And one day i came broked up (Reasons cant b given here sorry guys) bus sab kuch khatam dil hi toot gaya yaar. Sab kuch finish , laga jaaan hi de do .But fir socha bahut kiske liye, uske liye jo meri na ho saki, meri life mere parents k liye hai so ankit mujhe jeena hoga kisi aur k liye na sahi but apne parents k liye . And i decided to stand up back on my legs again. I m strong and i

dont need her support. Badi mushkil se apne aap pe control kia and ye sab bhulne ki koshish ki but its easy to say and tough to forget. Nahi bhula. Har raat wo mujhe yaad aane lagi and meri loneliness badne lagi... I got hundreds of offers but nahi koi b uski jaisi nahi thi na ho sakti thi and jo place use di ab kisi ko nahi ye decide kia tha maine.

Ghar k bahar jake indore padhna was the best decision of my life ,because there i learnt many things, naye logo se mila, bahut se experience liye life mein. Akele rehna tough life jeena, 3 saal tak ek time khana khaya because do time khane ka time hi nahi tha mere pass articleship itni strict thi. Waha rehke life mein akele rehna sikh lia. Friends k bina rehna sikha. Serious was the toughest experience i can ever have. These all things make me strong and today i m seeing what is the value of being strong in life.

CS final k scanner kharide, financial haalat kharab they mere, so usme mistakes find karne pe u will get money, i had done that do baar scanner mein mistakes find ki and got near about 26000 rs. Chalo CS too free hui meri. Ab Exams time aa gaya, Jab b padhne baithne laga wo aur yaad aane lagi mujhe so i decided to came back to home. Ghar aa gaya gharwalo k pyar k aage uske pyar ko bhulne laga thoda thoda, padhai start hui bahut dara hua tha because agar fail ho gyaa too life mein kya hoga, Agr CA nahi bana too ab aise beech ki condition mein ho ki kuch nahi kar paunga everything will b over and all ,

par pass kaise hounge itni tough lagne lagi. Actually jitni tough thi nahi us se jyada darr ne bana dia. Exam diye, nahi hua pass, ab aur darr bad gaya CA nahi hogi mujhse kabhi bus iske alawa aur koi feeling nahi hoti thi mann mein.

Again i need someone to hold me, to encourage me, and that someone can be only person that is me myself. I stood up against failures and start studying seriously nov mein ca tha and dec mein CS. Exams diye and cleared first group of ca final and three groups of cs finals. thodi khushi thoda gum. Gum jyda ki age b ho rahi hai ca nahi ban raha log bahut pass ho rahe hai mein hi nahi ho raha...

But badi mushkil se mehnat ki din raat ek kar diye koi dost nahi, koi party nahi sab kuch khatam dosto ki narajgi badne lagi jyda hero ho gaya hai tu too ajkal milta b nahi kahi chalta b nahi, but i thought ki ek baar CA ban jao sab narajgi dur kar dunga. Kabhi kabhi too ye lagta tha ki marr jao yaar kuch b nahi hai life mein na dost, na aish, na masti, kuch b nahi sirf studies and fir b pass nahi ho pa raha mein. Family ki aankho mein b aanso rehte ki kya hoga ab aage kya karega.... Papa aur mein baat hi nahi kar pate they . Ab mein apne aap se najar churane laga because CA banana bahut bahut jaruri ho gaya tha mere liye. Exams pass aaye aur dunia ko bhul k sirf CA ko aim banaya and finally 19th July is the date when i cleared CA.

Now Ankit becomes CA ankit , bus us din se jo respect mili na seriously speaking cant elobarate that in words. Papa ki aankho mein aanso mummy bahut khush,sab dost wapas ki hamara dost CA ban gaya ,aisa laga ki jannat mil gayi, Ye ca ki degree nahi ab zindgi lagne lagi mujhe. Job ki try b nahi ki ek mahine tak, bus is degree k sath thode din khushi se jeena chahata tha. Next month CS ka result aaya , Now i became CA and CS both. Log bade pyar se respect se baat karne laga, everything seems to b changed, Relative b call karne lage jo pehle kabhi nahi kartey they, In sab mein sabse achhi baat ek thi ki now my father can proudly says ki "Mera beta CA and CS Hai", bus yaar ye line hi bahut thi too fell everything, to feel his love for me. Sachhi Cant explain .. Love you papa and mummy.

Ek aur khushi ye thi ki sab dost wapas mere ho gaye they, wo hi masti starts sab kuch fantastic. Goa ghumne gaye ek mahine ho gaya ab dheere dheere feelings kam hone lagi because now everyone starts asking ab kya krega,kahi job nahi mili, dekh unke bete ki too job lag gai hathohath . Now Again life starts hurting,irrititating, job job job pehle ca ca ca yaar kya kya karo mein .

Bahut CV forward kiye kahi se Reply nahi aaya sirf ek reply k ki Thanks u have uploaded your CV on our site. Bus no mail except this one.8 mahine aise hi nikal gaye ab thak gaya. Zindgi wapas bahut bahut mushkil ho gayi thi. Job nahi mil rahi, logo ko lagne laga jaise

galti se ca ban gaya, everyone has job bus tujhe hi nahi mil rahi , seriously roj raat ko sote time my eyes getting wet. Kahi b baat karo bina approach k koi job nahi mil rahi... One day i thought ki m useless, ca b galti se ban gaya aur cs bhi, jb job hi nahi mil rahi that means ki i dont have any quality, bus us din se sirf zindgi katne laga.... Achanak ek din call aaya kahi se for interview, i went there sirf aise hi because i was sure ki bina approach k job too milni nahi hai sirf formality karni hai kar aata ho aur kya, but luckily i got the job. Bus jo chaha wo mil gaya.. Started working wapas ghar se dur, magar ab ijrat thi mere pass ab pyar tha logo ka mere pass, theek hai my love was not with me, but uske bina b jeena sikh lia tha maine. Trully thanks to everyone who had supported me emotionally,mentally thorough out this journey.....Love you all guys.....

Today i m the head of the department of that company and its world fame company, sirf ek saal mein m here now.....

**So i just want to say guys chahe dosti,pyar relatives sath rahe na rahe..
Make CA your passion, one day i promise everyone will b back with the
same love respect for you.Jis Din CA ban gaye na dunia apko yaad karegi,
na ki tumhe dunia ko yaad karna padega,**

And m sure mere life mein sad part bahut kam hai, financially problem

bhi thodi bahut thi and mujhse jyda problems bahut se ca students k pass hogi but guys i assure you one day tum sab ka naam bahut bahut upar hoga because of your hard work. So just concentrate on studies, ye pyar dosti sab kuch tumhari hi hogi bus ek baar CA complete ho jae....aaj sab kuch hai mere pass, name, fame, money, family, relatives, and my loving friends.

Dil se i wish ki sabhi CA Students who does hard work became CA soon... All the very very best Guys.....
