Disclaimer...plz the new student don't read itthis is only for struggling ca students..

What if I'm not CA...??? For all struggling CA student....

Guys' only first line is negative.....for all struggling CA student....

1) I may not get start of 50,000/-+per month start but I will get 20,000/- per month.....

2) My house would not be in city area.It would be little away from city area....

3) I may not have luxuries car but i will have at least swift....

4) I have to marry working woman....

5) I will have to help in coking food ...but it would be part of caring...

6) Listen to hershe would participate in all my decision.....which most men's don't want....but it would be part of friendly nature...

7) I may not have power to organise social event.....but I would participate in that....

8) I can't financially help mine friend but i would be able to contribute 10%of total help needed....

Unable complete CA is.....not end of life.....

A better opportunity is waiting for you....

After reading above article you would have realised there is no much more in being CA or not....

You can do much -much-much...more better than CAs...just don't stick to CA for long...just don't be late in ...grabbing opportunity....

Keep below two punch lines in mind...

1) “....sheet of paper can't decide my future”

-Thomas Edison

2) "Most successful person on the earth r not CAs...."

-its you

This article would hurt many new CA students....and CAs.....this article is not for you peoples ...

Comment on article it matter me a lot.....
