“ Try to learn this words as much as possible . Take a print out and put into your pocket till your exams . Use this words in your Audit paper . I have seen almost 1000+ certified copies and found that there was lack of professional language which creates a bad impression in Examiner’s mind . Trust me this will boost your scores too . **ABC Analysis for CA Final May 2018 Exams** are announced . visit my fb profile to download the same“

Happy Learning !
