

Problem faced currently by Students –

- While preparing during their study leaves, Students prepare for the entire subject without having adequate writing practice.
- Even though the Students have the requisite knowledge, they are not able to showcase it during the exam
- Examiner expect the student to provide logical reasoning for their answers, which is not presented in their answers

Some of the examiners comment [based on previous attempts evaluation]

“Many examinees answered the question correctly, but the legal aspect was brought out clearly by very few examinees.

Majority of the examinees exhibited poor understanding of the concept of reverse charge mechanism and wrongly concluded that liability to pay tax is on the provider.

Majority of the examinees did not explain the rationale for the conclusion even when the conclusion was correct.”

Test Papers

- We are planning to conduct a Test series (IDT Subject) which will consist of 3 test papers –
1st paper covering 50% of syllabus [100 Marks] {Test Syllabus – will be provided at the time of registration};
2nd paper covering balance 50% of syllabus [100 Marks] and
3rd paper covering entire syllabus [100 – Marks]
- Test papers will be based on latest examination pattern, covering MCQ questions [30%] and practical questions [70%]
- Level of the paper set will be a notch higher than the level asked in exam so that Students can prepare for the worse case scenario

Plan – Prepare - Perform

- Students can appear for the test as per **YOUR STUDY SCHEDULE**, respecting the time frame and study schedule of different students
- Students should inform us 2 day prior, when they plan to appear for the exam. Paper will be sent to them by courier / email
- Students should send their answer paper, either by way of courier or email [scanning by CamScanner app]

Evaluation of Answers

- Detailed report will be provided for each answer, so that students can improve their performance and writing skills required at Final level
- Suggested answers will be provided to the students showing break-up wise marking of allocation of marks

Benefits of TEST SERIES

- Students will be tested on technical level questions inter - connecting various provisions of the law which will increase conceptual understanding and raise the confidence required for the exams.
- Increasing writing abilities which is must for expert level required in CA Exams
- Students can have better time management and will be able to increase their speed
