

National Seminar On Re-Engineering Of Small Accounting Firms On 23rd August 2003 At Hotel Chidambara International, VIP Road, Raipur

Organised by the Continuing Professional Education Committee of ICAI Jointly with Professional Development Committee of ICAI and hosted by Raipur Branch of CIRC of ICAI.

Small and medium accounting firms constitute the major portion of our accounting professions. The most competitive Professional Firms are managed by individuals who can astutely interpret the current happenings and turn the events to their advantage. The crucial fact is that a well-crafted service strategy is a key to successful operations.

This programme seeks to highlight all these aspects and presents clear ideas that would immensely help all the participants, coming as they will, from some of the most eminent personalities in this area.
