The Bank Account of Life

- Imagine there is a bank that credits your account each morning with \$86,400.
- It carries over no balance from day to day.
- Every “*evening*” deletes whatever part of the balance you failed to use during the day.
- What would you do?
- Draw out every cent, of course!!!!

- *Each of us has such a “bank”. It’s name is TIME.*
- *Every morning, it credits you with 86,400 seconds.*
- *Every night it writes off, as lost, whatever of this you have failed to invest to good purpose.*
- *It carries over no balance.*
- *It allows no overdraft*
- *Each day it opens a new account for you.*
- *Each night it burns the remains of the day.*
- *If you fail to use the day’s deposits. the loss is yours*

- *There is no going back. There is no drawing against the “tomorrow.”*
- *You must live in the present on today’s deposits*
- *Invest it so as to get from it the utmost in health,happiness, and success!*
- *The clock is running.*
- *Make the most of today*
